## "The New Step-Down Ride!"

Available only in Hudson because Hudson is built differently

SENSATIONAL  
LOWER PRICES  
ON EVERY SUPER AND  
CUSTOM COMMODORE MODEL!

Available with Hudson's exclusive  
SUPER-MATIC DRIVE†

Only Hudson, the car with "THE NEW STEP-DOWN RIDE," brings you these additional features...

Chrome-alloy motor blocks which minimize wear and reduce upkeep costs • Triple-Safe Brakes—finest hydraulic system with reserve mechanical system on some pedal, plus fingertip-release parking brake • Fluid-Cushioned Clutch • Wide-angle vision with Curved Full-View windshield and rear window • Weather-Control†—Hudson's heater-conditioned-air system • Super-Cushion tires • Safety-Type wide rims • Center-Point Steering and more than 20 other high-performance, long-life features that help make "step-down" designed Hudsons leaders in resale value, coast to coast, as is shown by Official Used Car Guide Books! †Optional at extra cost.

ONLY CARS WITH "STEP-DOWN" DESIGN

IT'S EASY for you to discover that Hudson—at sensational lower prices—offers you the most room... best ride... greatest safety of any car... and more value at less cost!

Your first glance inside shows you that Hudson's exclusive "step-down" design, with its recessed floor, puts at your service new space that is wasted in other cars.

That means seat cushions that are up to 12 inches wider than in cars of far greater outside dimensions... more head room than in any other stock car built today... a spaciousness further increased by the placing of interior hardware and door controls in recessed panels to give extra elbow room!

But Hudson's fabulous roominess is only part of the story!

Hudson's free-flowing, low-built design quickly tells you that the New Hudson has the lowest center of gravity in any American automobile; yet there's full road clearance!

As a result, you know instinctively that this thrilling motor car handles more surely, hugs the road more tenaciously, and is therefore America's best-riding and safest car! And for added safety, Hudson's Monobilt body-and-frame\* rides you completely encircled by box-section steel girders.

Yes, Hudson brings you more value at less cost—as a few minutes behind the wheel will disclose. We invite you to visit us soon—check Hudson's sensational lower prices—and discover quickly and completely that "The New Step-Down Ride" is America's best and safest ride!

\*Trade-mark and patents pending.

**OUR FAVORITE RECIPE**

**Puffy Omelet**

4 eggs  
1/4 cup top milk or light cream  
1/2 teaspoon salt  
Speck of pepper  
Fat

Separate eggs. Beat the yolk slightly, add liquid and seasonings; then beat until thick and lemon colored. Fold in stiffly beaten egg whites. Heat frying pan, add fat enough to oil sides and bottom of pan. Turn in omelet mixture. Spread evenly over pan and cook slowly. When well cooked and delicately browned underneath, put in moderate oven (350 F.) and cook until top is dry and firm but not brown. Loosen omelet with spatula, fold and turn onto a hot platter. If desired, instead of cooking on top of stove, place in oven for entire cooking period. Four servings.

**Timely Tips**  
1. An omelet is equally good for breakfast, luncheon, or supper.

Try these variations:  
a. Cheese omelet—Sprinkle grated cheese over puffy omelet before placing in oven.  
b. Ham omelet—Spread chopped cooked ham over omelet just before folding, or add ham to omelet mixture before cooking.  
c. Jelly omelet—Make puffy omelet omitting pepper. Before folding, spread thickly with jelly beaten until soft.  
d. Orange omelet—Make puffy omelet, using orange juice for liquid and omitting pepper. Garnish with sections of orange and sprinkle with powdered sugar. Whipped cream may also be used. Other fruits may be substituted for oranges.

# The Bobcat Tales

Editor..... Pat Tate  
 Assistant Editor..... Don Nelson  
 Staff Writers—Vernon Byrnes, Hazel Coleman, Charles Houtchens, Melba Johnson, Roalee LaPlant, Lloyd Leasure, LaNell Mobley, Ruth Sheffy, Della Teague, Lanelle Walthall, Pat Youts.

## Busy Week For Bobbies

This was a busy week for the Bobbies. They played Whitharral Tuesday afternoon, Muleshoe Friday afternoon, and Tulia Independent Saturday night.

The strong Dimmitt Bobbies defeated the smooth playing Whitharral sextet 51-21.

Tate was high score, scoring 25 points. Odom and Simmons were close behind with 17 points and 9 points respectively. No. 34 was high score for Whitharral scoring 10 points.

The "A" string defensive trio played an exceptional game only allowing 3 points to be scored against them.

The Dimmitt Bobbies defeated the hustling Muleshoe team Friday afternoon. Odom was high score with 35 points with Tate second scoring 25 points. Malone was high score for Muleshoe scoring 21 points. Smithson and Walthall played an outstanding game. The final score was 65-30.

Saturday night before the district championship game between Dimmitt and Happy the Bobbies met and trounced the Tulia In-

dependents for the second time. Odom was high score with 32 points. Also Lometa set a record: shooting 15 times she scored 14 times. Tate piled in 17 points of the total 50 points. Behrends led the defensive trio through a spectacular game. High score for Tulia was Rice who hopped 6 shots for a total of 12 points.

## Can You Imagine

A certain bunch of kids acting sophisticated in Hereford?

Pat Youts not throwing fits and walking on stilts?

Pat and Melba not getting 25 on attitude in speech for polishing their fingernails and sewing (I thought speech class was the place for pantomime)

Della having a certain "dashing" young man(?) to help her put her earrings in?

Mr. Loyd and a certain bunch of girls visiting Mrs. Smith?

Billy not visiting Pat for a week? The boy must be sick.

The Seniors not being excited about their trip?

Some of the boys not playing "cowboy" or "rodeo" every Sunday?

Let's all visit these kids at the hospital!!!

# Bobcats Cop District Crown

## Eke Past Happy By Three Points To Gain Championship

The Dimmitt Bobcats copped the district crown with a narrow three point verdict over the hustling Happy Cowboys at Tulia last Saturday night. The Bobcats won all three of their games in the round-robin playoff between the four sectional leaders.

The Bobcats were red hot as they smothered the favorite Hale Center Owls 46-18 Thursday night. The Cats were hitting and their defensive play was spotless. Friday night the Bobcats were given a scare by a rugged Cotton Center crew which played its best game against Dimmitt. After leading by only two points at the half the Bobcats pulled ahead and held an eleven-point margin at the final gun.

The Bobcats barely eked out a 38-35 decision over an inspired Happy Quintet which had dropped two previous verdicts by 11 and 10 point verdicts. The Cowboys held a three-point advantage at the half and held a margin until about 4½ minutes to play. They

lost possession of the lead and began to try to regain the ball. During the last three minutes the Cowboys were assessed five fouls while the Bobcats gave them four flips.

The game ended while the Bobcats were still holding the ball, making them the undisputed Champions of district 5B.

## Who's Who

Standlee Fulfer is another prominent member of the senior class. He is 6 ft. 4 inches tall, weighs 178 pounds, has green eyes and peroxide hair(?) and has been going to Dimmitt Schools for the past 11 years. Some of Standlee's favorites are:

Food— More food.

Actor— Montgomery Clift.

Actress— Ava Gardner.

Pastime— Pool.

Color— Blue.

Pet Peeve— Ain't got ary'n.

Standlee is a three-year letterman in football and a four-year basketball letterman. He belongs to the Press Club, Dramatics Club, and F.F.A. Incidentally, Standlee has just been named on the first string all-district basketball team.

## One Act Play

The characters of the one act play called "High Window" were announced as follows:

Rosalie LaPlant—Emily

Charles Thompson—Stephen

Lanelle Walthall—Judith

Sammy Hardy—Walter

Bobbie Wooten—Linda

It is a drama in one act and it will be presented at the district interscholastic league, next month.

## Grade School Gives P. T. A. Program

The first, second, and third grades presented a Operetta entitled "Sunne of Sunnyside" at the P.T.A. meeting Tuesday the twenty-first. It was enjoyed by all the parents and Faculty attending. They did a good job through their efforts and also from the direction and instruction of their teachers.

## Local F. F. A. Boys Make Good In El Paso Stock Show

From the local F.F.A. chapter, Bobby Warren and Dowe Foster carried some pigs and lambs to the El Paso Fat Stock Show. Bobby had the 1st and 7th place light Hampshire pigs. He also had the champion Pen of Three, reserve champion Hampshire barrow and in the sheep class he had the reserve champion Southdown lamb. Dowe had the 3rd place pen of three in the Rambouillet lamb class.

These two boys along with several others are doing an excellent job with their livestock projects.

## PRECISION CULTIVATING 8 ROWS EVERY ROUND

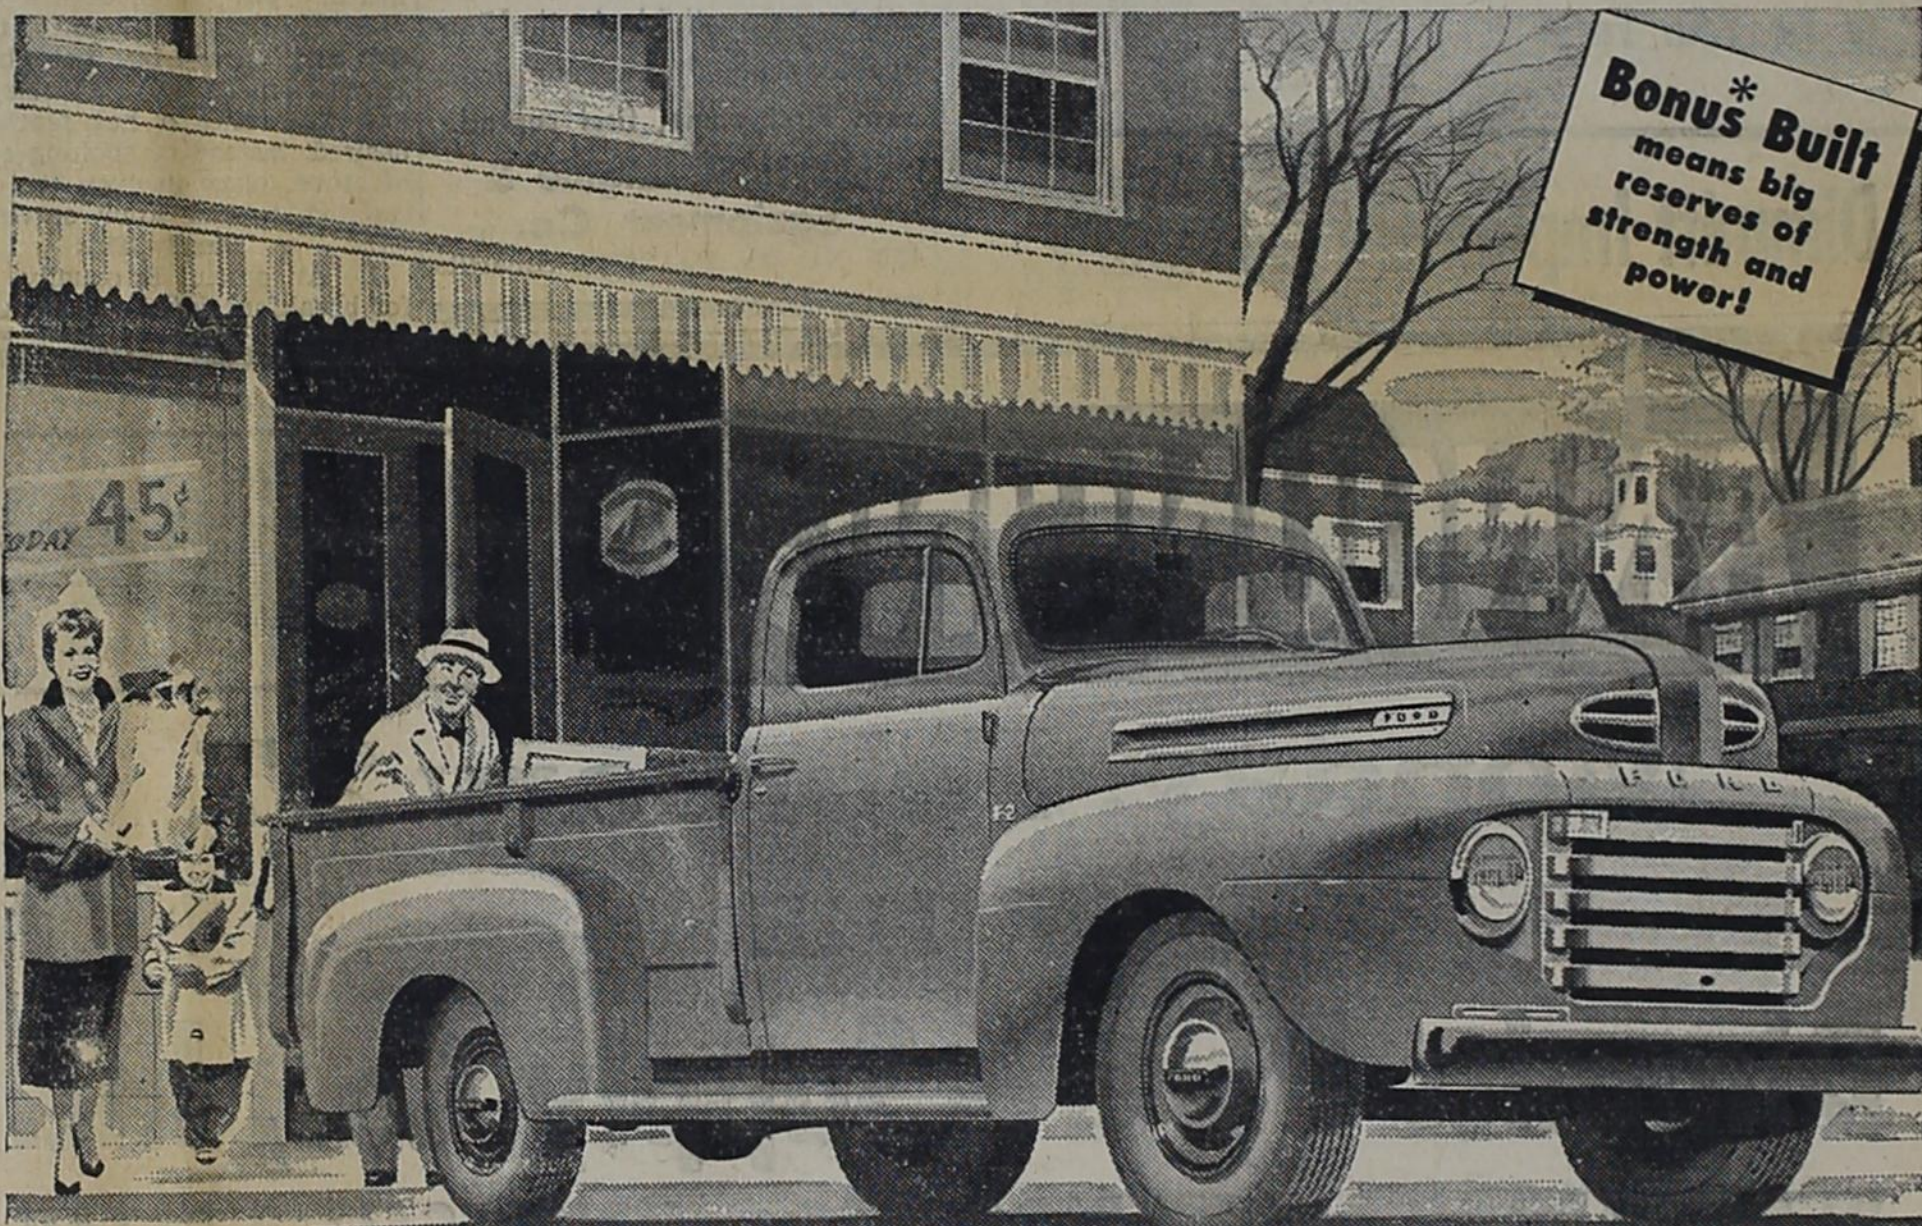

With the MM Universal U tractor and 4-row power-lift cultivator, you can do a precision job of cultivating. Accurate adjustment of cultivating depth and distance of shovels from the plants allows correct cultivating during the entire season. MM Visionlined design of tractor and cultivator and location of the gangs just behind the front pedestal assure better vision without straining and easier dodging to protect plants which may be out of row.

- Excellent clearance.
- Positive, even-depth penetration.
- Cultivates all crops planted in rows from 34 to 44 inches.
- Cultivator gangs can be removed from the tractor without disturbing spacing.
- Choice of shovels, sweeps or spring-tooth attachment.

### 48 lb. HEAVIER CALVES TO SELL...than on cake

The big difference was proved by Purina in a ranch feeding test. 50 cows winter-fed on Purina Range Breeder Checkers weaned 48-lb. heavier calves than 50 cows fed on cake. Both groups were fed exactly the same amount. The 48 lbs. difference in weight per calf meant about \$9.60 extra income per head.

**1. Five Years' Driving in 70 Days!** To test the wear-fighting ability of amazing new Conoco Super Motor Oil, six brand-new cars raced over blistering highways along the Mexican border . . . 14 hours a day for 10 weeks. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on crankshafts and cylinders! Astounding proof: factory polishing marks were still visible on piston rings!

**2. New-Car Mileage!** For the last 5,000 miles of this gruelling test—equal to 5 years of normal mileage—gasoline mileage was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon! Proved: Conoco Super Motor Oil—with crankcase drains at proper intervals and regular care—can keep your new car new! New Conoco Super Motor Oil conclusively showed itself to be the great new modern wear-fighter!

**3. New-Car Power! Quicker Starts!** Yes—Conoco Super Motor Oil's extra protection keeps that factory flash . . . that showroom smoothness . . . year after year! ### PRECISION CULTIVATING 8 ROWS EVERY ROUND

With the MM Universal U tractor and 4-row power-lift cultivator, you can do a precision job of cultivating. Accurate adjustment of cultivating depth and distance of shovels from the plants allows correct cultivating during the entire season. MM Visionlined design of tractor and cultivator and location of the gangs just behind the front pedestal assure better vision without straining and easier dodging to protect plants which may be out of row.

- Excellent clearance.
  - Positive, even-depth penetration.
  - Cultivates all crops planted in rows from 34 to 44 inches.
  - Cultivator gangs can be removed from the tractor without disturbing spacing.
  - Choice of shovels, sweeps or spring-tooth attachment.
- See us for complete information.

Cooper Implement Company

That's what happens when you let your car's underside unprotected. Rust and corrosion may strike without warning and bring you costly repair bills.

GENUINE FORD UNDERCOATING will protect it!

It's impervious to water, salts, acids or alkalis. Covers exposed under surfaces. Seals cracks and seams; Insulates and helps keep out dust and fumes. A mighty good investment!

# CITY PAVING NOTICE

## TO PROPERTY OWNERS

Now is the time to submit requests for ADDITIONAL PAVEMENT

The City of Dimmitt still has funds to match property owner requests for additional paving of city streets. If there are property owners who wish to have their streets paved they should petition the city for a paving project as soon as possible.
