

Who is your Valentine?

In its Feb. 13 issue, the *News* is planning to feature the best Valentines of all: grandchildren.

That is, if enough proud grandparents are willing to brag.

For a \$10 fee, your favorite Valentine's picture will be featured in a decorative frame, identified by his or her name and the grandparents' names. (The parents get too much credit for your grandchildren anyway.)

If you're a grandparent and would like to show the rest of us your favorite Valentine(s), bring the picture to the *News* office by 5 p.m. Monday. A wallet-size picture is best, but we'll make it work no matter what size it is. And we'll return your picture to you, unharmed.

GOING TO STATE—After winning a I rating at the Regional Solo and Ensemble Contest Saturday, these soloists from the Dimmitt High School Bobcat Band will advance to the state level of competition. Sunday is last day to register

If you want to vote in the March 10 primary elections for either party and you are not already a registered voter, Sunday is the official deadline to get registered.

Registration forms may be obtained at the County Tax Assessor/Collector's office in the courthouse. Assessor/collector Billy Hackleman is also the Voters' Registrar.

If the completed forms are returned in person, they must be brought in by 5 p.m. Friday. However, if they are returned by mail, they must be postmarked by Feb. 9.

All registered voters should have received one of the new blue-colored voter registration certificates in early January. Those who did not receive one should contact Hackleman to find out why.

Anyone who recently moved to Castro County will need to register here. Also, any who moved within the county will need to report the change in address, according to Hackleman. It is necessary to report a name change or a change in mailing address, as well.

The Winter Olympics begin this weekend in and around Albertville, France. Here's a bit of local trivia, if you're interested.

Albertville, in the Savoie region of the French Alps, is just 20 miles as a crow flies (and about 30 miles if it takes the winding mountain road) from Anancy, where our son David lived as an AFS exchange student in 1979-80.

All the Olympic sites — Albertville (skating), Meribel (hockey, women's Alpine events), Les Menuires (men's slalom), Les Saisies (cross-country skiing, biathlon), Brides-les-Bains (Olympic Village), Moutiers (international broadcasting center), Courchevel (ski-jumping, cross-country skiing), La Plagne (bobsled, luge), Pralognan (curling), Les Arcs (speed skiing), Tignes (freestyle skiing) and Val d'Is-

ere (men's Alpine skiing)—are clustered in an area just south-east of Anancy, in the shadow of Mont Blanc, the highest mountain in the French Alps.

David was Dimmitt's first full-year AFS exchange student to another country. I don't know how much he learned in school that year, but I know he'll never forget learning how to ski there.

The nicest thing about telling a clean joke is that there's a good chance no one's heard it before.

Medical fund is established for Joey Rose

A fund has been established at the First State Bank of Dimmitt to help defray medical expenses for Joey Rose, 13-year-old son of Linvell and Nancy Rose of Dimmitt.

The youngster has been diagnosed as having a tumor on his spine, and he underwent surgery to remove part of the tumor on Jan. 30, according to friends of the family. He will require radiation therapy to kill the rest of the tumor.

Joey is being treated at MD Anderson Hospital in Houston.

He is an eighth grader at Dimmitt Middle School and he was a member of the football team.

The realignment places longtime county rivals Hart and Nazareth in the same football district for the next two seasons.

Hart will be grouped in District 2-A in football, along with Nazareth, Bovina, Farwell, Kress and Sudan.

Hart will be classified as a "big school" in basketball and spring sports, so its district schedule in 2-A will include games against Bovina, Farwell, Kress, Sudan and Vega. They won't meet Nazareth, which is classified as a "small school," in district play.

In spring sports—tennis, track and golf — Hart will compete against Booker, Bovina, Claude, Farwell, Kress, Shamrock, Sudan, Vega and White Deer.

Among the biggest changes for Nazareth, will be the loss of Happy from its District 2-A football schedule.

"We'll still play Happy in pre-district," said Nazareth Coach Rick Price. "Basically, Hart and Happy just switched places on our schedule. We're losing a tough district opponent with Happy moving out, but we're gaining two tough ones with the addition of Hart and Sudan."

Nanny goat 'delivers' Christmas gift Jan. 25

While most children were asking Santa Claus for Nintendo systems or football uniforms last Christmas, a five-year-old boy from Nazareth asked for a "real live billy goat."

But Santa Claus couldn't find Ross Birkenfeld a billy goat, so he brought him a pregnant nanny goat, then added a note explaining that he couldn't find a billy goat. Santa told Ross that maybe when his nanny goat had kids, she would have a billy goat.

Exactly one month after Christmas, on Jan. 25, Ross's nanny goat delivered not just one, but three billy goats, and another nanny goat. And Ross, the son of Bob and Theresa Birkenfeld of Nazareth, couldn't be more thrilled with his "extended" Christmas present.

The Birkenfelds say that after Ross's nanny goat, which he named Snow White, had her quadruplets, they asked around and found out it is extremely rare for a nanny goat to deliver that many kids. They said twins is common, and once in a while a nanny will deliver three kids, but four was almost unheard of.

(Continued on Page 10)

AN UNUSUAL OCCURRENCE — Although it's unusual for a five-year-old to ask Santa Claus for a billy goat for Christmas, it's also unusual for him to receive a pregnant nanny goat which later delivers not only one or two kid goats, but four,

including three of the requested billy goats. But that's what happened to Ross Birkenfeld (right) of Nazareth. When Ross' "Christmas present" delivered quadruplets on Jan. 25, he gave two of the kids to his sister, Sara (left). Photo by Anne Acker

City accepts audit report

The accounting system for the City of Dimmitt shows an accurate picture of the city's financial situation, according to Casey Jones, an auditor with Brown, Graham & Co. of Tulsa.

The audit report was presented at Monday night's meeting of the Dimmitt City Council, and was unanimously accepted by the council.

Jones mentioned that the city's deposits in the First State Bank were all properly collateralized and insured. He also noted that he had found no indication of non-compliance with the requirements for any state or Federal grants being administered in the city.

"The internal control systems are working properly," Jones said, "And the best use possible is being made of the city assets with the number of employees available."

Jones said that during the course of the audit he did make some recommendations for streamlining some of the city's current procedures.

Also on the agenda of Monday's meeting was the acceptance of bids

on a seal-coating project for this year. The council voted to accept the low bid, subject to review by the city engineer and the city manager to make sure it complied with all bid specifications.

The Applan Corporation of Hereford submitted the low bid of 57.7 cents per square yard for an estimated 43,500 square yards for a total bid of \$27,099.50 with a 60-day completion pledged. The only other bid received was from High Plains Pavers of Plainview at 63 cents per square yard for a total of \$27,405.

Arden Beghtel, a representative of McMorries and Associates of Amarillo, the city's engineering consultants, was present to review the bids.

Councilman Don Sheffy remarked that seal-coating is all right, but he has seen a problem with build-up in some areas of the city. He said that in front of his store, the level of the pavement has been raised to the extent that he has to worry about water not draining off (Continued on Page 3)

Sanders is hired as Hart city marshal

Hart's new city marshal says he will not tolerate littering of any kind in Hart, and if a person is seen littering a warning won't be issued — the violator will be charged a fine of \$90.50.

Hart's City Commission hired Barry Sanders as its new city marshal and he officially began his duties on Jan. 17.

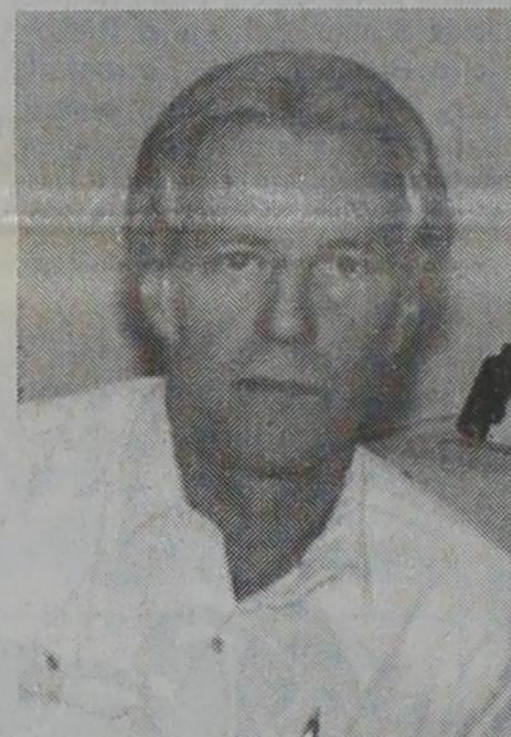

Sanders is a graduate of Plainview High School and he received his training in law enforcement from Texas Tech University in Lubbock and Wayland Baptist University in Plainview. He also attended Amarillo College and the Pampa Police Academy.

Sanders is no stranger to Hart. In 1971 he was employed as Hart's city marshal. He is a former city marshal for Nazareth and has been employed with the Hemphill County Sheriff's Dept., as a reserve for the Hale County Sheriff's Dept. and with the Hale Center Police Dept.

In addition to serving as a law enforcement officer, Sanders has operated heavy equipment and has sold cars.

Sanders said he gets along well with Hart Independent School District Supt. Phil Barefield, and added that he has received the support of county officials.

Sanders addressed the drinking problem in Hart by saying "As far

Barry Sanders

as I can see, there isn't a drinking problem. Of course I have not been here for very long to know for sure. I have stopped kids for running stop signs, but they were not drunk."

Sanders says he could be related to the Sanders families in Castro County, but he hasn't traced his family history to find out for sure.

"I believe there could be a relation. I have talked to some of them and they are really nice people. My family is originally from Kentucky and I have found out that the Sanders families I have talked with also came from Kentucky."

On the Go Mary Edna Hendrix, 647-3343

William and Rosetta Bellinghausen went to Ovilla to visit their son, David, and his wife, Dr. Melody Bellinghausen, and children, Jordan and Canaan. Rosetta's nephew, Dr. Antonio Cascislo of Salerno, Italy, was a guest in the Bellinghausen home. Dr. Cascislo, a cardiologist, had attended a seminar in Philadelphia, Pa. While he was in the Dallas area, the Bellinghausens took him to the Fort Worth rodeo and to a Mavericks game in Dallas. Antonio's last trip to Texas had been in 1984 as a graduation gift.

Evelyn and Ralph Whitesides of Tucumcari, N.M. and Irene Blanton of Dimmitt attended the funeral of Mrs. Earl Whaley of Kosse on Wednesday. This was a sister of Evelyn and the late George Blanton. Mrs. Whaley was found dead in her home from a heart attack.

Francis and Bea Acker and Katrina went to San Antonio to attend the graduation of their son, Scott, from military basic training. He will be going to Lowry Air Force Base in Denver, where he will be attending technical school for the next five weeks, learning to be an inventory specialist. The Ackers enjoyed all the interesting sights while they were in San Antonio.

Faye Mohon brought the devotional last Thursday morning at Canterbury Villa. Her subject was "The Power of Prayer." Prayer does change things. Richard Young sang *Remind Me, Dear Lord*, and was accompanied at the piano by Phyllis Mooney. Others joining in the singing were Ysleta Ball, Grace Morgan, Irene Carpenter, Mauzee Youts and Mary Edna Hendrix.

Emily Clingsmith was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Edith Graef won high score and Johnnie Vannoy won second high. Others playing were Alma Kenmore, Virginia Crider, Bernice Hill, Neva Hickey, Ina Rae Cates, Louise Mears, Retta Cluck, Susie Reeves, Oleda Schumacher, Ferne Dickey, Helen Braafladt, Cleo Forson and Mary Small. The group celebrated Cleo Forson's birthday by bringing cards and serving a birthday cake

that Ferne Dickey had made.

Geneva Dennis spent several weeks with her son, Dr. Douglas and Mona Dennis, at Goldthwaite. Mona went to Austin for her continuing education (she is a nurse), so Geneva stayed with Douglas. They went over to Austin one Saturday and ate at Poppadeaux to celebrate Mona's birthday. Brent and Eric Dennis are in the Marines and are stationed at Beeville. Capt. Brent landed his plane on the John F. Kennedy ship off the coast of Florida recently. Eric is a qualified navigator. He landed his plane, too, about two months previous.

The museum board meeting was held last Thursday evening at the museum. Those attending were Lon and Mary Woodburn, Clara Vick, Madge Robb, Ralph Lambright, George Bagwell, and Mary Edna Hendrix. Valentine cookies and iced tea were served.

The Community Concert of Plainview presented the Virtuoso Quintet Saturday, with Bradley Garner on flute, Washington Barela on oboe, Larry Tietze on clarinet, James Jeter on bassoon, and Milton Pibbs on horn. Bradley Garner grew up in Plainview, and some of his relatives lived in Tulia. His aunt was my scout leader. Several from Dimmitt attended the concert. We saw Ed and Betty Freeman, Deanne Clark, Doris Lindsey, Geneva Dennis, Irene Carpenter, and Kate Beecher, and J.T. Morgan of Lubbock.

Deanne and Doris went to the concert with the Rob Lindsey family of Plainview.

Several youth from Dimmitt's First Baptist Church attended the Carman concert in Lubbock recently, accompanied by their youth leader, Richard Young.

Charles and Opha Burks celebrated their 50th wedding anniversary on Sunday afternoon at the Dimmitt Senior Citizens Center. This special occasion was hosted by their sons, Larry, Ronnie and Gregg, and their families.

The serving table was beautiful with a three-tiered cake and yellow roses for the centerpiece. On the adjoining table, lemon cake squares, nuts, coffee and punch were served.

Individual tables were provided for the guests to be seated while they enjoyed the refreshments and visiting. All the tables were covered in beautiful white tablecloths, with yellow roses everywhere. One table held pictures of the entire family.

We enjoyed visiting with all the relatives, as well as friends. The Leo Witkowskis were at our table, and they told us they still take *The Castro County News* and read "On The Go."

Ralph Smith, former Dimmitt band director, played with the Shriner Combo at the Amarillo Senior Citizens' Center last week. Going to hear him play were Mr. and Mrs. Jim Cleavinger, Mr. and Mrs. Bill Birdwell, Mr. and Mrs. Houston Lust, and Mr. and Mrs. Percy Parsons.

Several local Methodists scattered over Lubbock at various Methodist churches in a new program called "Vision 2000." Attending from Dimmitt were Carole Dyer, Rick Kuntz, Vernon O'Kelly, Carolyn Sides, Dorothy Sheffy and Deanne Clark.

Ann Ethington, Betty Freeman and Deanne Clark joined Zona Vilas in Lubbock on Monday for lunch and visiting.

Sunnyside By Teeny Bowden, 647-5703

Jonathan (J.C.) Bridges was admitted to the intensive care unit of St. Mary's Hospital in Lubbock Monday night after falling during play and hitting his head on the floor. He got a big knot and lost consciousness after the games were over. He was reported to have a minor skull fracture and a light concussion. He was dismissed Friday evening. Phyllis, who had stayed with him the whole time, brought him home. He will have to take it easy for a while.

Last week, Erin Bridges showed the Grand Champion steer at a stock show in Earth. Robin Bridges showed a first place steer and J.C. showed a fourth place steer. In the Littlefield livestock show the previous week Erin again had the Grand Champion.

Joan Norrell was admitted to the Muleshoe hospital Tuesday morning with intestinal flu and was dismissed Friday evening, but still does not feel very well.

Sharon Sadler took Teeny Bowden to the neurosurgeon in Amarillo Monday afternoon. Rita Bural was supposed to, but she got sick. Sharon and Teeny were in the waiting room for four hours before getting to see the doctor. Driving home, they encountered fog so dense that at times they didn't know where they were.

The doctor recommended to Teeny another series of injections instead of surgery. She will have to have at least three injections. She had the first one Thursday afternoon, with Sharon Sadler driving her again. Teeny said they won't give the injection if the patient does not have someone along to do the driving. They even write down who the driver is.

Mrs. Nota Wells, who died Jan. 26 in Fort Worth, was a resident of the southeast part of the Sunnyside Community for many years. Her sons, Hadley and Harley, grew up in the community. Her sister, Mrs. Lindsey and her children, Lyndal and Nota, lived in the house that now belongs to Ray Joe Riley on US 385. While her kids were in school, she walked down and spent many afternoons with my mother. The Hugginses who also lived in the southeast part of the community were their brothers. Wanda Reed's mother was also a Huggins, so they do have a place in our memory.

TSA selling tamales for fundraiser

Tamales are \$5 per dozen and there is no limit on the amount a person wishes to order.

The TSA is preparing for its first contest, which will be held March 25 at South Plains College in Levelland.

On April 20-25, the group will exhibit its projects at South Plains Mall in Lubbock and the projects judged to be the best will advance to the state show, which will be held in Waco in early May. Winners at state will compete in the national show in Richmond, Va.

We Salute

Our Buyers' Clubs

The annual Castro County Junior Fat Stock Show is barely over a week away, and volunteers for the Dimmitt, Hart and Nazareth Buyers' Clubs are going door-to-door seeking contributions.

As you know, the big show ends with a Saturday afternoon sale. Public support for the show and sale here is just about the best in Texas—partly because of your contributions to the buyers' clubs.

Maybe you can't afford to "buy" an animal. After all, some of the premium bids for the youngsters' animals go pretty high. You'd be willing to help, but you can afford only so much.

Or maybe you'd be willing to buy an animal or two, but you won't be able to attend the sale because of a prior commitment.

That's where the buyers' clubs come in.

One of the best ways to insure the success of the sale again this year is to donate to our buyers' clubs. These volunteer groups play an important role in our junior livestock sale each year.

Each buyers' club solicits donations, pools its money and appoints bidders. These bidders keep their eyes open, and when a youngster from the community isn't getting a premium bid as high as most of the others, they jump into the bidding.

In effect, they help set the "base premiums" above floor prices for the project animals that go through the sale ring, so that every animal brings a good price and no youngster has to leave the sale ring wondering how he's going to pay his feed bills.

So whatever donation you can give to the buyers' clubs, large or small, will help.

If you can give \$10, \$100 or \$1,000, please do so when one of these buyer's club representative calls on you:

DIMMITT BUYERS' CLUB—Vicki Smithson, Marlos May, or mail to 608 W. Halsell St.

HART BUYERS' CLUB—Mark Stroebel, Harold Bob Bennett, Rhonda or Stanley Dyer, Leslie Davis, Freddy Upshaw, Jerry Mathis, Larry Lee, Sue Hawkins.

NAZARETH BUYERS' CLUB—Dale Brockman, Bud Kern, J. C. Pohlmeier, Dean Johnson, Jerry Kern, Dean Wilhelm, Jim Hoelting, Alphonse Kleman.

And if the volunteer solicitors miss you, you can get your donation to them at their buyers' club tables in the Expo Building on sale day.

Let's keep the Castro County Junior Livestock Show and Sale one of the best in the state!

when there is a heavy rain. Other council members mentioned other problem spots as well, including Western Circle Drive and the intersection of Front and Belsher Streets. Beghtel recommended cutting down the high spots and then patching any rough spots. He added that summer would probably be the best time to attempt it when the pavement would be more workable.

Sheffy suggested that City Manager Reeford Burrous work up a list of some of the worst spots needing work, and then possibly look at taking bids on the work.

Another agenda item was approving the ordinance for annexation of the MW Carrot property east of town into the city limits. The first reading of the ordinance was approved, but a second reading must be approved before the ordinance is final.

Burrous said he had been approached by Coby Gilbreath about annexing his property, west of town, into the city. City Attorney Jack Edwards advised that the property is too far from the established city limit and intervening properties also would have to be annexed.

Burrous reported to the council that the oxygen content in the effluent from the city sewer plant needs to be increased. He said an inspector recommended installing a pump to aerate the water. Burrous estimated the cost at \$2,000.

Burrous told the council that the

situation is still uncertain for the city landfill operation, but he added that all options are being explored.

He said the Texas Water Commission will take over regulation of the landfill in March, and he added that the commission appears to be more willing to work with small towns on maintaining a landfill than was its predecessor, the State Health Dept.

Burrous said it would not take over 60 days for Dimmitt to upgrade its landfill operation to a Class 1 if permission is granted for a city the size of Dimmitt. He also told the council that the landfill could be transformed into a transfer station for surrounding communities if necessary.

"We're in about the best position we can be in for the landfill," Mayor Wayne Collins said. He added that all options are open so that the best decision can be made for Dimmitt.

Burrous reported on the Texas Parks and Wildlife Dept. grant for development of a park on the south edge of town encompassing the playa lake there.

Collins said more would be discussed about the project at the Feb. 17 meeting of the council. He remarked that the city had good help from the Panhandle Regional Planning Commission in preparing the grant application, which was rated number one by the TPWD.

THE MOST PROLIFIC inventor of all time was perhaps Thomas Edison, with over 1100 patents.

Sadlers establish new home in Lubbock

Mr. and Mrs. Gregory Michael Sadler are home in Lubbock after their wedding trip to Hawaii.

The bride is the former Holli Dawn Drago, daughter of Mr. and Mrs. Robert Elden Drago Jr. of Houston. Parents of the groom are Dr. and Mrs. Myles Freeman Sadler of Lubbock.

The groom is the grandson of Mr. and Mrs. E.R. Sadler of Sunnyside and Mr. and Mrs. Oscar Slease of Austin.

The couple exchanged wedding vows on Dec. 28 at Tallwood Baptist Church with Rev. Louie Giglio III officiating.

Given in marriage by her father, the bride wore a raw silk gown which was highlighted with cutwork lace. The gown had 3/4-length sleeves and a sweetheart neckline, and the bodice formed a dropped waistline. The bodice and sleeves were made of cutwork lace and were accented with bugle beads and pearls. The full-length

skirt flowed into a cathedral-length train which was highlighted with beading and cutwork lace.

She wore a beaded tiara and a cathedral-length veil and carried a cascading bouquet of stargazer lilies, alstermeria, stephanotis and English ivy.

Maid of honor was Rachel Elizabeth Kay of Houston. Matron of honor was Shannon Pratt Gleditsch of Houston. Bridesmaids included Sheri Meeter Drago of Lubbock, sister-in-law of the bride; Amy Leigh Sadler of Lubbock, sister of the groom; Jennifer Paige Brady and Mary Ann McWilliams, both of Lubbock; and Suzanne Narmour McNelly of Charlotte, N.C., cousin of the bride.

Michael Andrew Tapp of College Station was best man. Groomsmen were R. Brent Daniel of Brownfield; Brent A. Drago of Lubbock, brother of the bride; Scott O. McLaurin of New Orleans, La., cousin of the groom; Charles A.

Menagay of Lubbock; John M. McNelly of Charlotte, N.C.; and P. Britt Pharris of Lubbock.

Junior attendants were Jasmyne Lark Clatt of Richardson, cousin of the groom; Sarah Marie Ellis, Alisha Dawn Jordan and Courtney Christine Jordan, all of Odessa, cousins of the bride; Heather Ann Smith of Lubbock; Tyler Mathew Sadler Clatt of Richardson; and Stinson Scott Smith of Lubbock.

Ushers included Jason Swiggart, Duane Kelley, Brian Borthwick and William Slease.

After the ceremony, the couple were honored with a reception at the Westlake Club.

Members of the houseparty were Gena Horton Mann, Lorie Lyn Mattox and Susan Kay Thomas.

The bride is a graduate of Texas Tech University where she was a member of Alpha Pi Sorority. She currently is working as a fashion designer.

The groom is a senior electrical engineering student at Texas Tech. He is a member of Phi Eta Sigma and IEEE Fraternities.

Rhoads Memorial to hold read-a-thon to benefit MS

Castro County students can gain valuable knowledge and help promote a worthy cause by reading books through a new read-a-thon program underway at Rhoads Memorial Library in Dimmitt.

The Panhandle chapter of the National Multiple Sclerosis Society is sponsoring a read-a-thon program in which children read and collect pledges for the society.

The program began Saturday and will continue through March 11.

Several schools across the Panhandle have signed up in the program and several libraries, including Rhoads Memorial, have agreed to help sponsor the program.

Children are encouraged to read as many books as they can, and they ask their parents or other family members or friends to pledge a donation for each book read.

"We encourage the kids to collect pledges only from their parents or other family members, or from their parents' friends. We don't want them going door-to-door to ask for money," said Susan Bovenzi, organizer of the read-a-thon.

"This year we're emphasizing a little more on the reading rather than the money collecting. We're rewarding the children for reading. If they only read three books and turn in some money they will receive a coupon book and a certificate of completion. The coupon book features discount coupons and free passes to places. We have a coupon to Wonderland Park, the Quarterhorse Museum, Donut Stop in Amarillo, the Discovery Center, Skateway and more."

Children who want to participate may fill out a registration form at Rhoads Memorial Library. Throughout the project, the youngsters participating will receive motivational messages from the MS Society. After the children are finished reading, they are asked to collect their pledges, then turn them in to the library. After each child turns in the number of books he or she has read, and hands in money

Weight Loss Surprises Researchers

WASHINGTON — A nutrition organization was hopeful that a nutritionally complete "hi-tech food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Although other studies and scientists may not agree, researchers in Europe found that the ingredient, a natural plant colloid, actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the project of National Dietary Research, aptly named Food Source One, would not be used to successfully fulfill its original goal, the formula which has since been improved with other natural colloids has been a windfall for some overweight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 3 weeks on the product and was never hungry.

Food Source One tablets are part of National Dietary Research's comprehensive plan to bring a rapid end to obesity in this country. A variety of nutritionally sound diet plans, specially prepared by NDR, accompany each bottle and provide a natural, drug free alternative for confronting the problem of obesity.

Nazareth

By Virgie Gerber, 945-2669

Newly-elected parish council members for Holy Family Church are Max Ellison, Dan Gerber, Mark Gerber, Sandee Hoelting, Patti Kern and Virgil Wilhelm.

Francis and Nini Kern and their children, Jacob and Lauren, have moved into their new home in Lubbock.

The feast of the presentation of the Child Jesus was celebrated Sunday morning at Holy Family Church with the fifth-grade CCD students and their teachers, Rita Kern and Carolyn Wilhelm, serving as ministers of the Liturgy. The girls in procession carried a representative number of blessed candles that will be used in church services for the next year. The fifth-grade boys were altar servers for the mass. Vanessa Wilhelm and Jessica Kern gave the two readings during mass and others read their own special petitions.

At the offertory, other students brought up gifts, followed by Virgil and Carolyn Wilhelm and their new baby, Marcus Joseph, who symbolized the presentation of a new baby into the church.

In anticipation of the Feast of St. Blaise, which followed, some of the newly-blessed candles were used to bless each parishioner's throat after mass.

Father Neal Dee enjoyed a retreat for all area priests last week at the Bishop DeFalco Retreat Center in Amarillo. He said they were fortunate to have very excellent speakers at the retreat.

Leonard Hoelting is a new resident at Canterbury Villa Nursing Home in Dimmitt.

Mike Kern of Dallas visited with his parents, Bud and Rita Kern, this past week while he was working in the Amarillo and Lubbock areas.

Tom and Jennifer Kern of Irving also visited with the Bud Kern family over the weekend.

Sophie Braddock, a former Nazareth resident, is a patient in the Intensive Care Unit of High Plains Baptist Hospital.

Congratulations to Virgil and Carolyn Wilhelm on the birth of a baby boy, Marcus Joseph. Marcus was born on Jan. 29 at Plains Memorial Hospital in Dimmitt. He has an older sister, Jessica. Grandparents are Mr. and Mrs. L.D. McGilvary of Groesbeck. Mother and baby are doing fine; the father says he expects to recover shortly.

Nellie and Weldon Wilhelm, Kevin and Christine Acker drove to Perryton last Tuesday to attend the funeral for Leonard Barlow. He is the father-in-law of Margie Wilhelm Barlow of Midland.

Regina Steffens, who was a surgery patient at High Plains Baptist Hospital in Amarillo, spent the week recuperating at the home of her daughter, Judy Brax, in Amarillo. Regina is home now and says she's doing fine.

The district Knights of Columbus free throw contest was held Saturday morning at the Canyon Junior High School gym. Winners from Nazareth were Susan Lange and Nantanz Wethington in the 10-year-old division; Barry Hoelting and Jaime Schmucker in the 11-year-old division; and Jerad Birkenfeld in the 12-year-old division. Amy Pohlmeier lost to Tessa Kline of Canyon in a double tie-breaker in the 12-year-old girls' division.

Winners will compete in the regional contest in Amarillo. Several parents and grandparents enjoyed the event.

The Nazareth Museum, located above the City Hall offices, has been named, "Heirlooms, Heritage and History Museum."

The museum committee, which includes Kathy Birkenfeld, Beverly Hill, Stephanie Dobmeier, Lucille Drerup, Thelma Wethington, Petronilla Birkenfeld and Ralph Brockman, are in the process of acquiring shelving and display cabinets for the museum. Anyone who is interested in securing their family name as a memorial for the museum can do so with a monetary donation to any member of the committee.

Contributions and donation will

be instrumental in the success of the museum.

A big thanks to the committee who has worked many hours to clean the rooms which house the museum.

The Nazareth Hall Committee held its meeting last Thursday night and made plans to pay off the remaining debt on the Community Hall building.

Jerry and Carol Kern and Norman and Stacy Gerber were elected as new members to the committee, each couple for a three-year term. Members retiring from the committee are Dale and Mona Brockman and Derwin and Vera Huseman. Other members are Dan and Karen Gerber, Rex and Vera Ramaekers, Glenn and Jill Ehly and Rocky and Dianne Wilhelm.

Almost half of the estimated 10 million Americans with diabetes are unaware they have the disease, yet something as simple as a comprehensive eye examination could help diagnose it and reduce the risk of sight-threatening, diabetes-related eye disorders, according to the Better Vision Institute.

Diabetes is a condition which impairs the body's ability to use and store sugar and it damages blood vessels and nerves. It affects almost every part of the body. Because the blood vessels in the eye are the most fragile of all, the eyes may be the first organ damaged by diabetes. Therefore, the eye care professional often may be the first to diagnose diabetes even before there are any other symptoms.

"Diabetes is the leading cause of blindness among people between the ages of 20 and 74," said Dr. Stanley B. Teplick, a New York ophthalmologist and a Better Vision Institute advisory council member.

Diabetes has other ill effects on the eye. It contributes to glaucoma (excessive pressure in the eye that can lead to blindness) and cataracts (clouding of the eyes lenses). Complications from diabetes also can cause changes in nearsightedness and farsightedness, and bring on premature presbyopia (the ability to focus on close objects, known as "aging eyes").

Diabetes not only is sight-threatening, but it can be life threatening if it is not diagnosed in time. Other diabetes-related disorders include heart disease, kidney failure and circulatory problems.

Visual symptoms of diabetes in-

clude blurred or fluctuating vision, occasional double vision, loss of peripheral vision and seeing spots or flashes. Other physical symptoms include frequent urination, unusual thirst, extreme hunger and slow healing wounds.

Bobbies in driver's seat

While the Bobbies were beating Muleshoe without their top scorer Tuesday night, Tulia's Lady Hornets virtually locked up the District 2-AAA championship for the Dimmitt girls by toppling Friona at Tulia.

The Bobbies — who already owned the first-half title with a 5-0 mark — are now the only team undefeated in the second half of the district race.

Friona's long-shooting Squaws are giving Bobbies Coach Richard Wood the jitters. The Bobbies had to rely on late-game free throws to turn back the Squaws, 50-44, in their first-half game here Jan. 28.

"I'm not sure we can beat them at Friona," Wood said after that game. "I hope Tulia can beat them at Tulia—and I think they can."

He turned out to be a prophet when the defending state champion Lady Hornets—playing with their backs to the wall—turned back the Squaws 46-37 at Tulia Tuesday night.

Now the Bobbies need only beat Floydada here Friday night in their final home game and Littlefield there Tuesday night to cinch at least a three-way tie for the second-half title and go into the playoffs as the No. 1 seed from 2-AAA.

In first-half play, the Bobbies downed Floydada 57-37 and Littlefield 69-32.

Here's the playoff scenario, as-

suming the Bobbies and Squaws win the rest of their games before their final meeting, as they did in the first half:

Should Dimmitt defeat Friona, the Bobbies would be the district champions outright. The Squaws—who finished second in the first-half race — would finish third behind Tulia in the second-half standings and would have to play the Lady Hornets again to determine the district's No. 2 seed in the state playoffs.

Should Friona defeat Dimmitt, the second-half race would end in a three-way tie for first place. Since the Bobbies finished first and the Squaws second in the first-half race, Dimmitt would go into the playoffs as the No. 1 seed and Friona as the No. 2 seed, and Tulia would be out of it.

So when Dimmitt and Friona meet on Valentine's Day, the Squaws will have not only the home-court advantage but a big incentive to win and avoid a district playoff against Tulia.

The powerful Canyon Lady Eagles are closing in on the District 1 title, and they'll be the bi-district opponent for this district's No. 2 playoff team. (That's another reason Wood wants his Bobbies to go into the playoffs as the top-seeded team from District 2.)

Meanwhile, the Bobbies need to

get back to full strength or Floydada could give them trouble here Friday night. Scoring leader Halley Bradley—who suffered a long bout with pneumonia and hepatitis in December and January — missed Tuesday night's game at Muleshoe, and other squad members are still battling upper respiratory problems in the aftermath of the recent influenza outbreak.

When you can't breathe, you can't run — and running is the Bobbies' game.

Despite their ailments, the Bobbies have fought their way to the No. 7 ranking in the state. As playoff time looms, their fans are wondering what they might be capable of when and if they get back to 100%.

Cats, Bobbies whip Tulia and Muleshoe

The Bobcats and Bobbies continued their race toward district championships with victories over Tulia here Friday and Muleshoe there Tuesday.

The Bobbies, who had struggled to a 50-43 victory over Tulia's Lady Hornets in their first meeting, blew the defending state champions out of Dimmitt Middle School gym, 57-39, Friday.

After a 7-6 first quarter, the Bobbies opened a 30-19 halftime lead and never looked back. The Lady Hornets committed 14 fouls in the first half and the Bobbies collected 11 points on 15 free throws to take command of the game. Tulia could manage only 19 first-half points against the Bobbies' withering full-court press.

"Our defense played extremely well — that's probably the best we've run the press this year," Coach Richard Wood said. "Our press took them out of their game. We worked harder this week on the press than we have in the past, and I thought the girls just ran it great."

Besides forcing lots of turnovers, the Bobbies outrebounded the Lady Hornets 38-23.

Halley Bradley scored from all angles to finish with 27 points while Wendi Ethridge contributed 13. For Tulia, all-stater Kandy Smith scored 16 and Katie Vanzee 12.

"It surprised me that we beat them that much—it really did," Wood said.

There were no surprises in the boys' game, though, as the Bobcats blitzed Tulia in their usual style, running up a 23-12 lead in the first quarter en route to a lopsided 73-53 win.

Miguel Saucedo scored 23, Richard Newman 14 and Lincoln Stewart 13 to lead the Cat attack.

Scoring leader Halley Bradley had to miss the Muleshoe trip Tuesday night because of illness, and wing Michelle Garcia was suited up but ailing, and played only half the game.

But playmaker Michelle Schumacher took charge and led the Bobbies to a 54-40 win.

Schumacher swished nine points in the opening period—including two treys—as the Bobbies gained a 17-10 advantage. After a cold second quarter left the Bobbies with only a 25-18 lead, Wendi Ethridge cranked up and sank 13 second-half points—including three straight baskets to end the third period—to pace the Bobbies to a 35-25 lead going into the final stanza.

Ethridge scored six more to

spark a 10-4 run opening the fourth. But the Lady Mules cut Dimmitt's lead from 16 points (45-29) to 10 (50-40) before Garcia closed out the scoring with four straight free throws in the waning seconds.

In the face of the Bobbies' effective full-court press, the Lady Mules got most of their points on feeds from midcourt to a player under the basket, and from put-ups after offensive rebounds.

In the boys' game, four Dimmitt players scored in double figures as the Bobcats pulverized the Mules, 93-66.

Stewart scored 22, Saucedo 20, Richard Newman 14 and Armando Arce 14.

The Mules stayed close at 16-12 in the first and tied it at 20 early in the second before the Bobcats went on a 28-9 rampage to take a 48-29 halftime lead.

After catching their breath at halftime, the Mules played even-up in the third, which ended at 66-46. But in the fourth the Bobcats went on a 27-point tear to make it a rout.

The victories left the Bobcats and Bobbies with perfect 2-0 records in second-half play going onto Friday night's games against Floydada here.

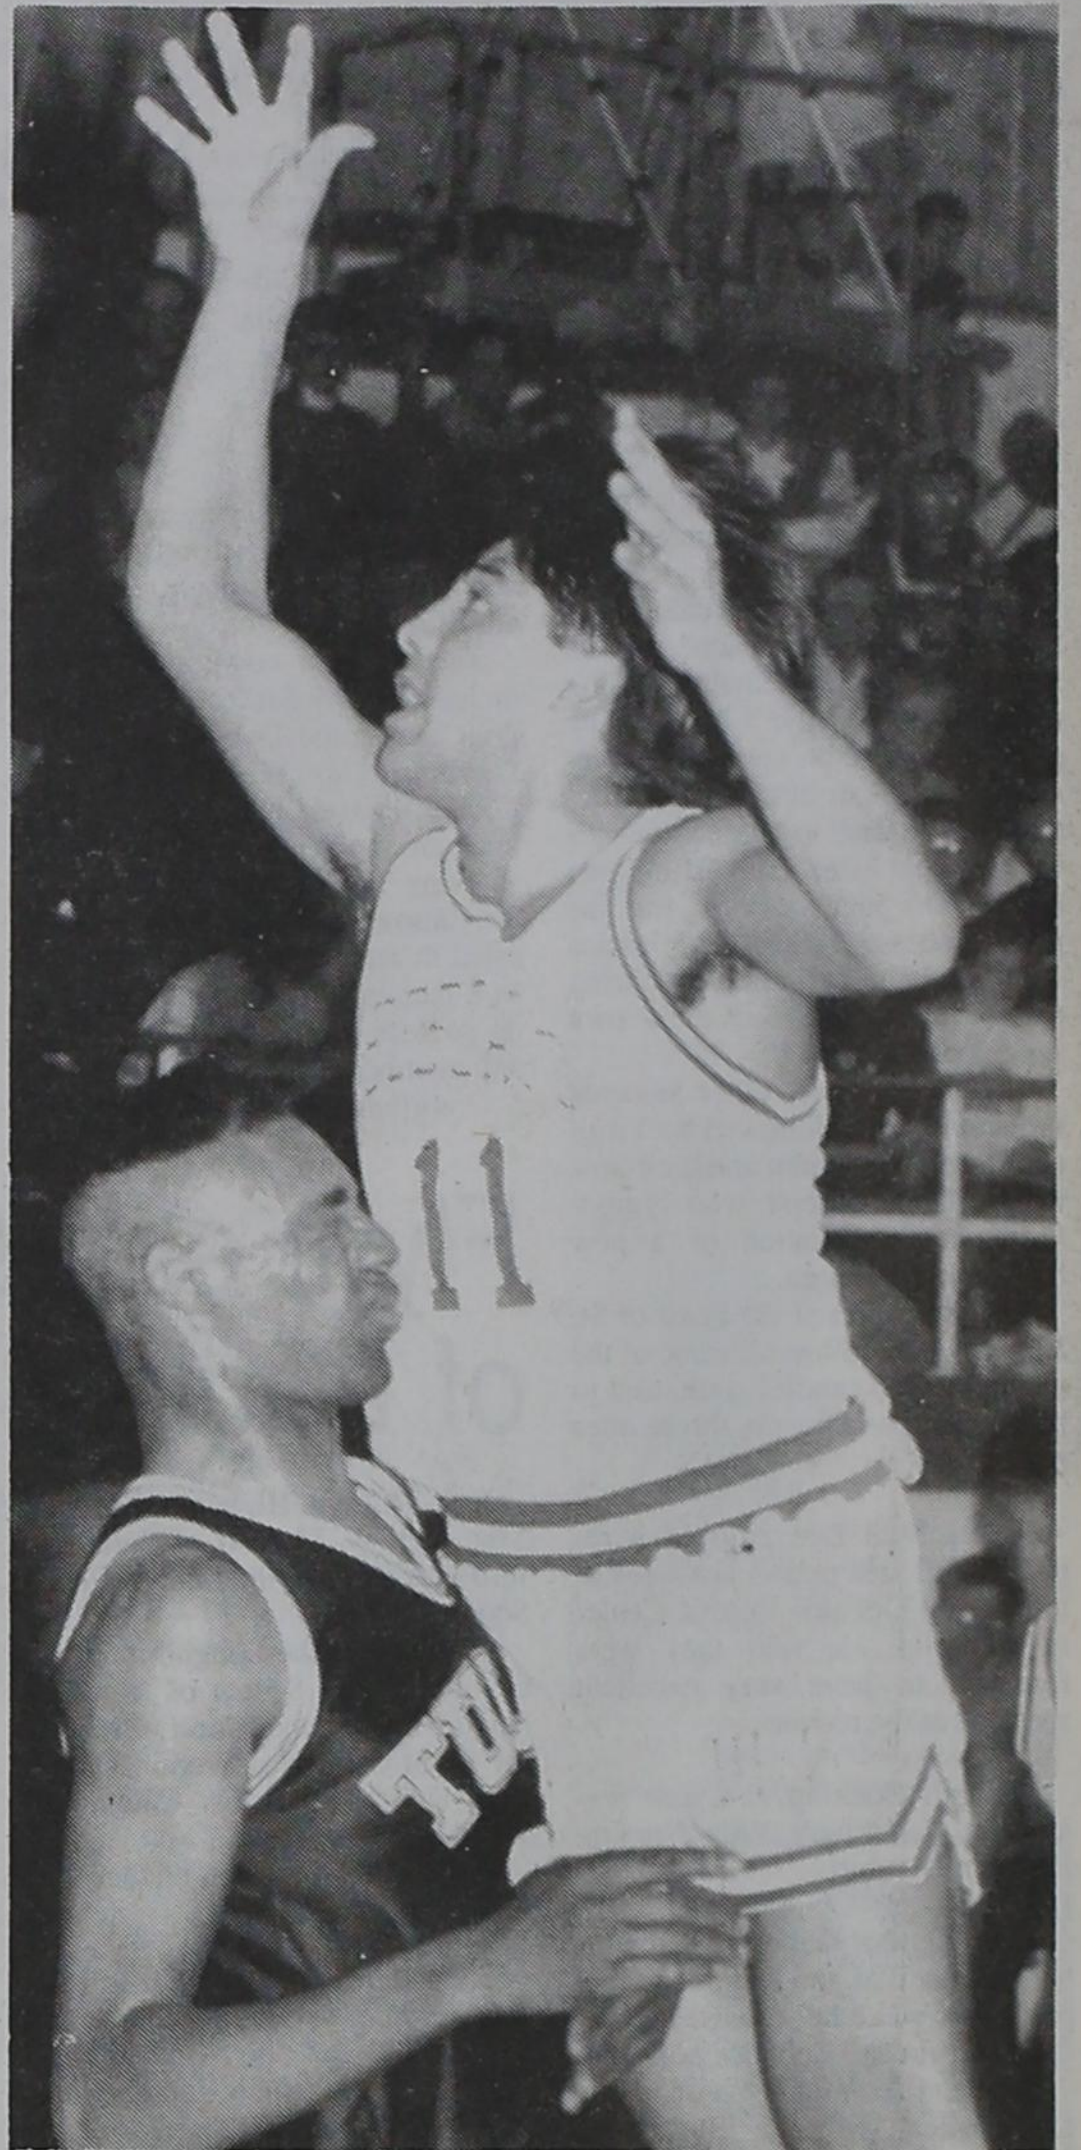

The Bobcats are now ranked third in the state and the Bobbies seventh.

Swiftettes need win over Happy Tuesday

Nazareth's Swiftettes are facing a "must-win" situation in District 13-A play thanks to their Friday night loss to Happy, but they'll get a chance to avenge that loss Tuesday night.

And you can count on the Swiftettes to hold nothing back in their quest to even the score.

Nazareth and Happy are the favorites to capture the District 13-A playoff spots over Lazbuddie and Silverton.

But before Nazareth can worry about Happy, the Swiftettes must beat Silverton Friday night. Happy is scheduled to play Lazbuddie Friday.

Both teams should come away with wins, and that means a win against Happy Tuesday night will place the Swiftettes in a first-place tie with the Cowgirls.

If the Swiftettes can win the rest of their district games, and Happy loses just its game with Nazareth on Tuesday, the teams will be tied for the district championship and Nazareth Coach Ritchie Tarbet says a coin flip will probably decide the number one and two seeds for the playoffs.

Happy took Nazareth away from its game plan Friday night and that, along with extremely poor shooting by the Swiftettes, enabled the Cowgirls to come away with a 36-34 win at Happy. Happy currently sits alone at the top of the District 13-A heap.

Tarbet said he will stick with his usual game plan for Tuesday night's game with Happy, and adds that it should work—if the girls' shots will fall.

"We shot horribly from the outside Friday night," Tarbet said. "They (Happy) didn't have to come out and guard us, and as a result, they packed their defense on our post players and we couldn't work the ball inside. That's something we're going to have to change if we hope to win Tuesday."

Tarbet said another key to the game will be to stop Happy's forward Elaine Moudy, who scored 19 points—including 10-of-10 free throws—against Nazareth Friday.

"A lot of times we just got out of position and she was able to work open and hit the shots," Tarbet said. If Nazareth can stop Moudy and another of Happy's leading scorers, Christy Payne, Tarbet feels like the Swiftettes should have an advantage Tuesday.

"We've just got to take control of the game early. We like to work three posts inside, and we feel if we do that, somebody's got to get open. Usually that happens. But Friday night everything that could go wrong, did."

A GREEK HISTORIAN, Herodotus, wrote the motto used by the US Post Office, "neither snow nor rain nor..." when he was describing the Persian postal system in 500 BC.

Hart drops to Class A

(Continued from Page 1)

"The teams that have strength (in football) will be Sudan, Farwell and Nazareth," said Cherry. "Nazareth beat us pretty bad last year (1991-92)."

Cherry said Hart plans to schedule Class AA's Olton among its pre-district foes, and hopes to include other teams from its former district (3-AA), but nothing is official yet.

"Some of the teams I'm looking at are a little farther away than I would like, but it couldn't be helped. The towns closer to us already had scheduled their games for the 1992-93 year," Cherry said.

"There's really no big difference except we will be in 16 districts instead of eight," said Pittman. "There aren't as many teams in our district, which will give us more

time to get ready for district play."

"The teams we'll face are very tough. Sudan is very good this year. Farwell and Vega have young starters like we do while Kress and Bovina are rebuilding. It's hard to say what our schedule (for 1992-93) will be. I'd like to play some of our old rivals from District 3-AA, but they start district so early, it'll be hard to schedule games with them. We do plan on playing Littlefield again, and hopefully some Class AA teams," Pittman said.

"Class A is just as tough as Class AA, but I don't think it will be a problem for us because we will have good returning starters. I feel

pretty good about the move."

Wilhelm said he feels like the move will be better for Hart's basketball program in the long run, because they won't have as many district games.

"Sudan, Farwell and Vega will be tough. It will be better for our younger kids, because the lower level will help them prepare for varsity action," Wilhelm said.

"I believe that we have a better chance in district because of the depth of 16 districts in Class A. It will be better for our program. I am pleased about the move to Class A, but it's no big drop in the level of competition."

Nanny goat delivers . . .

(Continued from Page 1)

So Ross's Christmas present turned out to be very "rare."

The request for a billy goat came after Ross and his father visited a man who raised goats.

"Ross saw that billy goat and decided that was what he wanted and nothing would change his mind," said Theresa.

When Ross discovered his present on Christmas day, he responded by saying, "Oh now, what is this anyway?" Even though Santa Claus brought a nanny goat instead of a billy goat, Ross was thrilled with his new pet and ever since he has spent many hours playing with her.

Theresa said Snow White has tamed down a lot since her arrival at the Birkenfelds' home, and Theresa said that's due to the time and attention Ross and his 11-year-old sister, Sara, lavish on the animal.

After reading Santa's letter, he became excited about the prospect of Snow White having a billy goat.

But he didn't expect her to have three of them.

After the kids were born, Ross claimed two of the billy goats for his own, then gave the other billy goat and the nanny goat to Sara.

Ross named his "twins," Norman (after a calf in the movie *City Slickers*) and Templeton, after a character in *Charlotte's Webb*. Sara named her goats Garth and Brook, after the country and western singer Garth Brooks.

Having to care for goats is something different for the Birkenfeld children, who are used to having baby lambs and calves on their farm east of Nazareth.

The responsibility of caring for Snow White and her "kids" lies with Ross and Sara, according to Theresa.

"They go out every night and take care of them. I think having the chores and being responsible for the animals helps teach them responsibility," Theresa said.

Happy edges Naz, 36-34 in key district matchup

Happy's Cowgirls held the Nazareth Swiftettes scoreless for more than six minutes in the fourth quarter, and overcame a five-point deficit to defeat the defending state champions, 36-34, in a District 13-A matchup at Happy Friday night.

After Jodi Johnson scored with 6:27 left in the game to give Nazareth a 32-28 lead, Happy's defense shut down the Swiftettes, while its offense reeled off six unanswered points to give the Cowgirls a 34-32 lead with 39 seconds left in the game.

The Swiftettes missed several key scoring opportunities in the quarter, and shot a dismal 2-of-7 from the charity stripe in the stanza—including a 2-of-4 performance in the last 23 seconds of the game.

A confident Swiftette squad opened the game by scoring the first six points, but then they hit a cold streak and allowed Happy to score the next nine points.

Although they faced a 6-9 deficit entering the second period, Nazareth kept its cool. Johnson scored on a coast-to-coast layup with 7:26

left in the half to cut Happy's lead to a point, then Peggy Huseman canned a turn-around jumpshot to give the Swiftettes a 10-9 lead with 5:59 left. An offensive rebound and ensuing basket by Nicole Kleman gave Nazareth a three-point lead. A three-pointer by Natalie Schmucker with 3:12 left in the second stanza put the Swiftettes up 15-10, then two charity tosses by Huseman gave the Swiftettes their biggest lead of the game (seven points).

But Nazareth couldn't put the game away, and allowed Happy to cut the deficit to three points at halftime, 19-16.

Although Nazareth managed to extend that lead to six points when Jill Pohlmeier sank a three-pointer with 7:15 left in the third period, the Cowgirls came back to tie the game at 22 when Elaine Moudy, who paced the Cowgirls in scoring with 19 points, sank two free throws after a technical foul was called against Nazareth. Happy took the lead seconds later when Jill Mayfield hit a three-pointer.

Two three pointers by Nazareth in the last 50 seconds (by Schmucker and Jenny Jones) gave the Swiftettes a three-point lead headed into the final period of play. Pohlmeier opened the fourth quarter by scoring to give Nazareth a five-point lead (30-25) before Happy's Coach Clay Stout called a time out with just under seven minutes left to play.

After the break, Mayfield nailed a three-pointer to cut the Swiftettes' lead to two, but Johnson answered with two points and put the margin back up to four with 6:27 left in the game.

Unfortunately for Nazareth, that was the last field goal the Swiftettes would see in the game.

Happy outscored Nazareth 8-2 in the remainder of the game to pull out the win.

For Nazareth, Schmucker, Johnson and Huseman each scored seven points.

The Swiftettes dropped to 15-11 overall, 1-1 in District 13-A play; while Happy improved to 18-8, 2-0.

CONCENTRATION — Nazareth's Nick Johnson (40) breaks free inside the lane and scores an easy layup despite the efforts of Happy defenders Steve Stevens (12), Todd McNeill (background) and Scott Bressler (22). The Swifts and Cowboys fought a

tight contest in the first half, but Nazareth pulled away in the second half to claim a 69-44 win. Johnson scored 15 points for the Swifts, who improved their district record to 2-0 with the win.

NAZARETH'S JENNY JONES (24) puts up a shot after she snares an offensive rebound during fourth-quarter action Friday night in Happy. Happy's Lori Moudy (24) attempts to block Jones' shot while Nazareth's Peggy Huseman (12) prepares to crash the boards for a rebound. Also pictured are Happy's Jill Mayfield (20) and Elaine Moudy (right); and Nazareth's Natalie Schmucker

(14). Happy shut down the Swiftettes inside game and outscored the Nazareth girls 11-6 in the fourth quarter to claim a narrow 36-34 District 13-A victory. Happy improved its district record to 2-0 while Nazareth dropped to 1-1. The teams will square off again Tuesday night in round two of their district battles. A win by the Swiftettes should force a tie for first place between the teams.

Swifts lasso Cowboys

Nazareth outscored Happy 15-1 in a four-minute period in the third quarter Friday, to take a 47-33 lead, then coasted to a 69-44 District 13-A win at Happy.

Adrian Farris spearheaded the Nazareth drive, scoring 10 of his 23 points during the four-minute span.

"Adrian just worked on getting open and when he had the shots, he hit them," said Nazareth Coach Mark Makeever.

The Swifts needed that run to pull away from the Cowboys, who had managed to slow down the tempo of the game and keep the score close in the first half.

The teams were tied at 8 after the first quarter, then they exchanged possession of the lead several times in the second quarter before Nazareth pulled away to claim a 31-28 at intermission.

The Cowboys' post players, 6-5 Brandon Clark and 6-3 Todd McNeill, dominated the paint through most of the first half, scoring 14 points between them. Happy held its biggest lead of the game with 4:53 left in the first half when McNeill scored off of an offensive rebound to give his team a 16-13 lead.

But Nazareth shut out the Cowboys in the next two minutes and regained control of the game. Nazareth post Brandon Schilling scored two quick buckets, then Nick Johnson added a pair of baskets to give the Swifts a 23-16 lead with three minutes left in the period.

"Brandon (Schilling) had to step in and pick up some of the slack when Michael (Schmucker) was on the bench, and he was able to do that," Makeever said, adding that Schilling made some strong moves against Happy's big men and usually drew a foul.

"We've been trying to get the ball inside more, and we were able to do that a little Friday night."

After Nazareth regained possession of the lead, Happy couldn't get it back, but they kept the game close and Nazareth was up by 31-28 at halftime.

"I expected a tough game at Happy," Makeever said. "They're big and they can be good. We started out defending them in a zone, and we wound up blocking ourselves out of rebounds. In the second half we switched to man-to-man defense and virtually shut

them down."

The Swifts outscored Happy 18-8 in the third quarter for a 49-36 lead, then added to that lead with a 20-8 fourth-quarter performance.

"The biggest difference in the second half was not having Michael (Schmucker) and Nick (Johnson) stuck on the bench because of foul trouble," said Makeever. "They both got in foul trouble early in the game and spent most of the first half on the bench, but when we had them in there in the second half, we just played better."

Nazareth's pressure defense proved to be part of Happy's downfall. The Cowboys couldn't handle Nazareth's press and wound up turning the ball over 30 times in the game. Nazareth capitalized on Happy's errors, scoring 20 points off of nine of the turnovers.

Farris' 23-point performance paced the Swifts, while Johnson added 15 and Schilling scored 14.

For Happy, McNeill and Clark tied for top scorer honors with 12 points each.

The win improved Nazareth's record to 14-8, 2-0; while Happy fell to 7-12, 0-2.

Hart farmer discusses ag problems at TFU convention

"All of rural America is in serious economic and social condition."

That's according to Doug Higgins of Hart, who recently attended the annual meeting of the Texas Farmers Union.

"We're following the same path we've been on since 1980—banks and hospitals close and school districts can't collect taxes. The prices farmers receive are too low and rural America is fading away," Higgins said.

"While rural America is dying, we still see the big corporations in the food chain showing a profit. Apparently our farm programs are designed for the corporate farmers and not the family farmers. That's why we have a program of over supply and low prices for commodities. The taxpayers end up paying for this program mismanagement. But for some reasons we can't get this point across to Congress," Higgins continued.

Higgins and other Texas farmers share the opinion that the world marketplace impacts the food bills for both producers and consumers, yet changes in American policies can improve the national economy and stimulate overseas trade.

H.R. Pruett of Slidell, a dairy and wheat farmer, said "It's time we quit telling the rest of the world how to live and run their lives. We need to focus on our own problems. Most of us are not beyond helping our neighbor, but we've given Russia over \$5 billion while the operating budget of the US Dept. of Agriculture is around \$50 million. I think we need to re-examine our priorities and focus on America first."

Pruett was both critical and complimentary of Japan's economic policy toward the US.

"We need to be protecting our farmers like the Japanese protect their producers. But when the Japa-

nese announced that they were going to buy two cars from US automakers, we should have announced that we were reducing our auto imports," Pruett said.

A.J. Priesmeyer of El Campo, a rice farmer, said he feels farmers need new markets for their products.

"We lost a lot of the rice market because of the Gulf War and now Vietnam, India and China have taken our place," Priesmeyer said. "We've lost many of our buyers to other countries who have cheaper labor and do not have the quality and safeguards we have in our commodities."

Gary Moore of Tulia, a High Plains grain farmer, agreed that more emphasis should be placed on domestic programs.

"We need to reduce military expenditures overseas and maintain a rapid deployment force. As long as

we continue to run a national budget deficit, we should reduce foreign aid."

Moore said the US also should "crack down" on trading partners who "are not playing fair with us."

He added that a great many producers are unhappy with both the Bush Administration and Congress.

"We in agriculture need to manage our supplies in return for a fair price for our commodities," Moore said. "But people in Washington seem to be more intent on perpetuating themselves in office than listening to the folks back home. Why is supply management bad for agriculture and good for General Motors? I think it's time our national leaders started listening more to the people at home who are offering solutions to problems instead of worrying about their own re-election campaigns."

Meetings to reveal financial alternatives

Many farmers are finding it difficult to obtain adequate financing for their 1992 crop because of many factors beyond their control—like the cotton market and adverse weather conditions.

To help producers caught in this situation, the Texas Agricultural Extension Service will hold a series of free programs, "Financial Alternatives for Farm Families."

The first of three programs will be held from 9 a.m. to 12 noon on Feb. 11 in the meeting room of the county Extension office in Abilene.

On Feb. 12, a program will be held from 1 to 4 p.m. at the Texas A&M University Agricultural Research and Extension Center, 6500 Amarillo Blvd. West in Amarillo.

The final program will be held from 9 a.m. to 12 noon on Feb. 13 in Lubbock at the Texas A&M Agricultural Research and Extension Center, located on FM 1294, just east of the Shallowater exit from I-27.

The sessions will be sponsored by the Extension Service and the ag-economics department at Texas Tech University in Lubbock.

Topics to be discussed at the meeting include loan restructuring, cash flow analysis, the mediation process in resolving distressed loans, a description of the various bankruptcy alternatives and the tax implications of any type of loan restructuring.

Speakers at the meetings will be Dr. Danny Klinefelter of College Station, an Extension Service ag economist and management specialist; and Dr. Gary Condra, director of the ag loan mediation program at Texas Tech University.

Commodities to be given

Panhandle Community Services will have a commodity distribution Feb. 19 from 12 noon to 4 p.m. at the Expo building.

Commodities to be given will include butter, flour, applesauce, peanut butter, green beans and raisins.

Those wanting to receive the commodities may pre-register at the PCS office at 114 W. Jones. Appointments for pre-registration may be made by calling 647-3244.

Proof of residency is required and proof of income is requested, if possible.

TCPB accepting nominations for upcoming board election

The Texas Corn Producers Board (TCPB) will hold elections in four of its eight voting regions to elect six board members where current members' seats are expiring or where new corn production has created new board seats.

The election will be conducted by voting regions, and it has been scheduled for April 10.

There are two seats open for election in Voting Region One, which consists of Castro and Lamb Counties. There is one seat open for election in Voting Region Two (Bailey, Oldham, Deaf Smith, Hartley and Parmer Counties) and Voting Region Eight (Maverick, Atascosa, McMullen, Duval, Jim Hogg, Starr, Cameron, Zavala, Dimmit, Live Oak, Jim Wells, Brooks, Hidalgo, Frio, LaSalle, Webb, Zapata, Kenedy and Willacy Counties). There are two seats open for election in Region Six, which includes 121 counties.

Persons wishing to nominate an individual for election to the board should request a nomination form by mail from TCPB, 218 E. Bedford, Dimmitt 79027, and include your county of residence; or go by the TCPB office or a county Extension office.

For a nomination form to be valid, it must be signed by an eligible applicant for nomination and 10 other eligible voters. Nomination applications must be post-marked no later than March 2, or they will not be valid. Persons nominated must reside in the county within a TCPB voting region where they seek nomination.

CofC to sponsor computer course

The Dimmitt Chamber of Commerce will sponsor a computer training course Monday from 6:30 to 9:30 p.m. in the computer lab at Dimmitt High School.

The class will focus on the basics of MS-DOS and will be designed to help computer users learn the basics of working with files in their own applications.

No specific applications will be used, but a basic knowledge of how to identify, copy and delete files in MS-DOS, Versions 3.3 and later will be targeted.

Additional subjects covered will include hard disk organization with the use of DOS directories.

Cost for the course is \$25 for Chamber members and \$30 for non-members.

Registration forms are available at the Chamber office and fees must accompany a completed registration form.

The course will be taught by Paul Kenley and it will be limited to 30 students.

A person is eligible to vote in this board election if he or she is, for at least one production period during the three years preceding the date of this election, has been a producer of corn or has caused corn to be produced for commercial purposes. This includes owners of farms and their tenants or shareholders if such person would be

required to pay the assessment. TCPB is a research and promotion program for corn funded by a union corn checkoff, collected on a refund basis, from corn producers in every county of Texas. This election in four of the TCPB's eight voting regions is the biennial election required by the Texas Commodity Referendum Law.

WIFE to tour land around Pantex plant

Members of the local Women Involved in Farm Economics (WIFE) will take a guided tour to points of interest around the Pantex plant at Amarillo on Monday.

The group will meet Phillip and Doris Smith at the Smith farm near Panhandle, then will tour the area around Pantex.

The purpose of the tour is to help the women become more knowledgeable and better informed about the future and proposed expansion of Pantex.

Anyone who wishes to join the group on the tour should contact Ysleta Ball at 647-3140.

During the next 10 years, approximately 10,000 nuclear warheads will be disassembled at Pantex, according to WIFE members, and WIFE is concerned that the plutonium, uranium, tritium and other by-products from these operations will be stored at Pantex. They feel that the danger of contamination to our ground water and agriculture production should be a concern of everyone in this area.

Shot clinic set

An immunization clinic offering vaccinations against several childhood diseases will be held at Azteca Complex in Dimmitt on Friday from 10 a.m. to 12 noon and from 1 to 4 p.m. A clinic also will be held in Hart on Feb. 14 from 9 a.m. to 12 noon and from 1 to 3 p.m. at the Hart Elementary School.

Vaccinations offered include polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella and mumps.

The Texas Dept. of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size and the ability to pay.

Cub Scouts hold Pinewood Derby

Dalton Fisher, Cliff Wright and Valentin Olvera earned "Best of Show" honors in their respective divisions at the local Cub Scout Pack 267's annual Pinewood Derby.

The derby drew entries from 11 Tiger Cubs, nine boys from the Wolf Den and five from the Bear Den.

Fisher won the "Best of Show" honor in the Tiger Cub Division while Alex Wilkerson was second and Isaac Velasquez finished third.

In the Wolf Division, Wright won the "Best of Show" honors with Ryan Hays and Deacon Buckley finishing second and third, respectively.

"Best of Show" honors in the Bear Division went to Olvera, while David Garcia finished second and Jason Romero was third.

Winners in the "King of the Hill" competition were Colby Williams, first; Chris Reynolds, second; Pa-

trick Hunter, third; and David Garcia, fourth.

In the Tiger Cub Division of the Pinewood Derby, winners were Williams, first; Hunter, second; Fisher, third and Ramey Rice, fourth.

Reynolds won the Pinewood Derby's Wolf Division with Buckley finishing second, Ryan Hays coming in third and Wright finishing fourth.

In the Bear Cub Division, winners were Garcia, first; Olvera, second; Daniel Lopez, third; and Buddy Birdwell, fourth.

The Haynes District Pinewood Derby Race will be held at the Ollie Liner Ag Center in Plainview Saturday, beginning at 9 a.m. This race is open to all Cub Scouts from Pack 267.

The leaders of Pack 267 expressed their appreciation to Don Sheffy, Danny Rice, Jim Wright, Acie Boyd and others who helped with the local derby.

Sales tax rebates continue to decline

Sales tax rebates to cities in the county continued on a downward slide this month, as rebates dropped by 49.3% compared with figures for the comparable period last year.

Rebate checks issued to the county have been declining in recent months, and the checks for January show no change.

While the rebate check issued to Nazareth was up 10.51%, stipends to Dimmitt and Hart were down by 51.53% and 29.18%, respectively.

Nazareth received a check for \$837.89, up from 1991's January rebate of \$758.22.

A check for \$684.72 was issued to Hart, but this figure shows a 29.18% decrease from January 1991's check for \$966.90.

Dimmitt received a total rebate of \$14,094.92, down 51.53% from the previous year's rebate of \$29,077.74 in January.

January's checks to cities, counties, hospital districts and city transit departments include taxes collected on November sales which were reported in December by businesses filing monthly sales tax returns with the state. Businesses file either monthly, quarterly or annually, depending on the amount of sales tax they collect.

Shoppers pay the local sales taxes of up to 2% along with the state's 6-1/4% state sales tax when they make a taxable purchase.

Merchants then send the taxes to the state comptroller's office with

their tax returns. The state keeps its share and returns to cities, counties and other taxing entities, their portion of the local sales tax.

Area voters must approve all local sales taxes at the polls. Most local governments use the money raised for services such as fire fighting, road maintenance and law enforcement. City sales taxes also may be used for local economic development and property tax reduction.

Police Calls

Two Dimmitt people were both charged with assault/family violence after officers observed them fighting in the front yard of a house on Southwest Fifth Street around 11:50 a.m. Monday.

A 26-year-old woman and a 35-year-old man were taken into custody. The man also was charged with possession of marijuana and cocaine, and was scheduled to be arraigned on those charges Tuesday afternoon.

The police report stated that the woman scratched the man on his left eye and right ear. The man, who was taken to Plains Memorial Hospital for treatment, reportedly struck the woman in the face. Officers allegedly found the controlled substances in the man's pocket.

Engelberto and Janie Bugarin of Dimmitt told police that someone broke into their home Jan. 29 between 1 and 9 p.m. Taken were a portable stereo, a .22-calibre rifle, eight video cassettes, and assorted jewelry, all valued at a total of \$525.

Police said entry was apparently gained through a door that had been pried open. About \$50 in damage was done to the door.

Curtis James Grand of Dimmitt reported the theft of some tools, valued at a total of \$202, from the

toolboxes in the back of his pickup sometime during the night Friday. Missing are a set of Allen wrenches, a tap and die set, an assortment of open/box end wrenches, and a 3/8" socket and ratchet set.

A 20-year-old Dimmitt man was arrested on outstanding county warrants on charges of theft by check. He is out on \$1,000 bond.

A 24-year-old Easter man is out on \$500 bond on warrants out of Hereford on charges of theft by check.

A girl's bike was found under a tractor on Southeast Second Street. The bike has a pink body and a banana seat.

Five accidents were reported recently.

Monday afternoon, Jeffrey Jay Butler, 23, of Dimmitt had possible injuries from a collision between his 1990 Chevy and a 1986 Audi driven by Mary Matthews, 61, of Dimmitt. Damage was rated moderate to the Audi, and was listed as heavy for the Chevy. Driving conditions were rainy and wet. Matthews had been traveling south in the 500 block of Southwest 10th and reportedly failed to yield right of way to Butler, who was heading east on West Grant Street. The impact caused the Chevy to slide into a yield sign, causing \$15 in damage to the sign.

No injuries were reported in an accident Sunday around 8:53 p.m. under the signal light on Broadway and Bedford. Percy Parsons, 63, of Dimmitt was driving a 1992 Ford pickup and was attempting to turn left from South Broadway onto West Bedford. The report states he turned into the path of a southbound 1982 Ford car driven by Andres Bermea, 19, of Nazareth. It was raining and the road was wet. Parsons was cited for failure to yield right of way while turning left, and Bermea was ticketed for no driver's license and no liability insurance.

Antonio S. Hernandez, 22, of Dimmitt was ticketed Jan. 28 around 12:20 a.m. for no driver's license, no liability insurance, and leaving the scene of an accident. In foggy, wet conditions, the 1974 Ford pickup Hernandez was driving left the roadway and struck a gas meter and a storage building in the 400 block of Southwest Sixth Street. Damage to the meter was estimated at \$120, and damage to the building was estimated at \$700.

Benjamin Robert Schacher, 22, of Nazareth was cited for leaving

the scene of an accident and for not having liability insurance after the 1973 Jeep he was driving struck a pole at the Allsup's Store Saturday around 11:08 p.m. The vehicle was moderately damaged.

Last Thursday, two cars backing out from parking spaces at Dimmitt High School collided. Yogi Patel, 18, was driving a 1982 Chevy Caprice and Kristi Wright, 17, was driving a 1983 Chevy Blazer. Damage to the vehicles was light and no injuries were reported.

Tractor thieves are sentenced

Two men who were found guilty in the thefts of two tractors from Castro County faced sentencing in U.S. District Court Jan. 24.

Mark Ancira, 30, of Las Cruces, N.M., and Pedro Payan, 32, of Mexico were charged with the thefts of 15 tractors from throughout the South Plains area, and were convicted in US District Court in October.

The men were ordered to pay \$84,957 each in restitution. Ancira was assigned an additional \$27,000 in restitution for five of the thefts in which he was convicted of acting alone. Ancira was also assessed a prison term of 2-1/2 years in federal custody, and Payan was sentenced to 27 months.

Assistant US Attorney Tanya Northrup said the men could still be prosecuted for theft charges in as many as 11 counties regarding the actual theft of the equipment. She said that the sentences assessed were for the federal crimes of transporting the stolen equipment.

Other counties that experienced tractor thefts in the area include

Cochran, Hale, Gaines, Yoakum, Mexico. The thefts occurred between Oct. 3, 1990 and June 22, 1991.

Join Dimmitt's Holiday Flag Corps

You've seen the American flags flying in front of sponsoring businesses on national holidays. They're put out by the Dimmitt Rotary Club.

Now, we want to expand our community's show of patriotism by establishing an impressive array of American flags along the north side of the courthouse square. It has to be a community effort—if you will sponsor a flag, we'll buy it, set it out and take it in on the nine annual "flag holidays," and take care of it for you.

You may sponsor a flag as an individual gesture, as a tribute to a friend or family member, in honor of a present or former serviceman, or in memory of a loved one.

The sponsorship fee is only \$20 per year, starting with this year's first "flag holiday"—Presidents' Day, Monday, Feb. 17.

You'll not only get the satisfaction of seeing "your" flag flying on the courthouse square; you'll also be recognized, along with other individual flag sponsors, twice a year in the Castro County News.

Help us make every holiday an impressive one for our townspeople and visitors by joining the "Dimmitt Flag Corps."

If you would like to sponsor a flag, call either of these Rotarians' numbers by Feb. 15:
