## Easter Has **New Postal** Substation

The small community of Easter about eight miles north-northwest of Dimmitt, now has a postoffice. Until several years ago, the only landmark to signify the existence of a community was a small schoolhouse, now used as a community

center. Now, besides the postoffice, there are five other businesses there, They are Community Grain, Easter Gin, Easter Repair and Overhaul, Easter Fertilizer and Easter Grocery Store.

Easter Grocery Store furnishe he location for the new postoffice, vith store owner Herman F. Paet old serving as postmaster.

The first day of business for the new postoffice was Wednesday March 16th, The postmark, Easter, Texas, will be the only Easter postmark in the United States, according to Paetzold. Actually it is not a full-fledged postoffice, but a postal substation to the Here-

### National Foundation President Expresses Thanks to Castro Co.

A letter of appreciation to the New March of Dimes campaign leaders on every level was received by the county director last week from the president of the National Foundation, Basil O'Con.

Mr. O'Connor said, in part, "I realize that your voluntary work in the service of the stricken entails sacrifice of the highest order, and I promise you that in the months ahead our scientific and medical program will continue to reflect the determination and enthusiasm of you who have made the New March of Dimes a symbol of success in the conquest of disease and disability.

Mr. O'Connor asked that his sincere appreciation be expressed to the campaign leaders on every level, and to the countless men, women and youngsters who have made it possible for The National Foundation to look forward to another year of accomplishment in the continuing fight against cripling diseases.

### SIX-PASSENGER CAR OR STATION SEDAN ... CORVAIR IS BOTH!

A wonderfully useful folding seat makes every Corvair two cars in one. Just one quick flip and you increase the luggage and parcel space to 28.9 cubic feet. And just as simply, you're back to comfortable six-passenger capacity. It's standard equipment ... and extraordinarily practical.

Corvair does car-pool duty with the biggest and best of them. Going to work or school or out for the evening, you've got a genuine six-seater. As for carting around piles of stuff instead of people, just look at Corvair's stationsedan load space with the rear seat folded, Asi when that's full you can start on the try
