THIRTY SECOND YEAR DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, MARCH 26, 1959 10 PAGES—NUMBER 22

Yvonne Schumacher Wins County Senior Spelling Bee

Nazareth again supplied the winner of a Castro County spelling bee when Miss Yvonne Schumacher, 13, spelled the word "feminine" correctly.

The bee was held Friday afternoon at the Courthouse and representatives were there from all area schools in the county.

Winner in the junior division of the annual event was Betty Holbrooks, 12-year-old daughter of Mr. and Mrs. J. C. Holbrooks of Dimmitt. She was a third place winner last year and in the sixth grade at school.

Miss Schumacher is the daughter of Mr. and Mrs. Andy Schumacher of Route D, Nazareth and she is in the seventh grade. Miss Schumacher stepped up this year after winning last year's junior spelling bee.

Miss Schumacher won a total of \$22.50 in prizes, made up of \$10 from Shelly Implement Company, \$5.00 from Plains Motor Company and \$7.00 from Castro County Commissioners Precinct 4.

Miss Holbrooks first place junior division prize was \$20.00 made up of \$5.00 each from the First State Bank of Dimmitt, Harman's Department Store, Cobb's and the county precinct 4.

Second prize in the senior division went to Carol Futrell of Hart who was awarded \$15.00 in prizes made up of \$10 from Western Auto Associate Store in Dimmitt and \$5 from county precinct 4. Second place in the junior division went to George Froehner, of Dimmitt, who was awarded \$12.50 made up of \$7.50 from Taylor-Harrison Insurance Agency, \$2.50 from County Judge Bob Estes, and \$2.50 from county precinct 4.

BETTY SUE HOLBROOKS

Reset Meeting For Safflower Acreage April 2

A meeting to allocate acres for growing safflower seeds in Castro County, originally planned for several weeks ago, has been reset for Thursday, April 2 in the meeting room of the Courthouse.

The meeting is set up by Texas Farmers Union and Safflower Oil Corporation of Colorado. According to a local Farmers Union spokesman, the meeting was postponed after it was determined the two organizations were not completely ready.

The Farmers Union and Safflower Oil Corp., working together as a unit, have announced previously that they would build a safflower oil mill in the Panhandle or West Texas in 1960. Farmers Union has controlling interest. They have planned to solicit planting of a minimum of 20,000 acres of safflowers in the Panhandle this year. They have announced a guaranteed contract price of \$62 per ton to the grower this year. Safflower requires the same cultural practices as does grain sorghum and can be expected to yield about three-fourths of the farmer's average milo production. In dollar terms, this would mean about twice as much money per acre next year, they say. Safflower oil is used primarily as a raw material in the paint and varnish industry where it competes mainly with linseed oil and processed soybean oil. Recently it has also been used as an edible vegetable oil. Although the crop has never been produced commercially in this immediate area, it is said to be ideally suited to the climatic and soil conditions here.

The first meeting was originally set for Tuesday, March 17, but was postponed.

County Little League Organization Planned

Regular, official Little League Baseball is coming to Castro County.

This announcement was made this week by Boyd Prather, Dimmitt JayCee in charge of arranging for the famous league of young boys who play baseball just like they do in the major leagues.

While all aspects of the coming program are not complete, it is fairly certain that the first season will begin in June and that all equipment and volunteer coaches will be available.

Sponsoring the Little League for the county other than the Dimmitt JayCees, will be the Nazareth American Legion, the Hart American Legion and the Dimmitt Lions Club. Additional operating funds may be raised through campaigns sanctioned by the National Little League Baseball, Inc.

An organizational meeting has

been set for Tuesday night, March 31 at 7:30 p.m. in the American Legion building in Dimmitt. All boys between the ages of 8 and 12 inclusive, who would like to play Little League baseball this summer are urged by Prather to bring their parents and attend the meeting.

"Little League baseball throughout the county will mean more to the individual boys than the summer baseball programs carried out before," Prather said, "since they must wear regulation uniforms, work from dugouts, wear protective equipment, use of major league baseball regulations, and they will have more leaders which in turn will mean more individual attention."

Another major difference in Little League baseball and the regular summer recreation program carried out here in the past is that Little League players may advance to the finals, or a junior-sized world series held

every year to pick a national champion. Little League rules are universal and there is a national headquarters for operation of the league. No deviations from the pattern set up by the national organization are permitted.

Mr. W. D. Moore of Muleshoe, district director for Little League Baseball, will be in Dimmitt Tuesday night to see if qualifications for membership in the Little League has been met by the three Castro County towns. If they have, then application for a charter will be made to the national organization after the Tuesday meeting.

Teams will be organized as soon as the school term ends, Prather said, and workouts will begin immediately. Each coach will be given 26,000 points to "buy" his players from the list of boys wanting to participate. In this manner, through bidding, coaches can build up their teams just like in the major leagues.

about dimmitt and castro county

by bascom nelson

One of the most difficult decisions ever tossed before local voters will show up on the city election ballot on April 7th.

We are making reference to a proposal to extend the term of city officials—mayor and commissioners—to four years. Cities have this opportunity as the result of an amendment to the constitution approved during the last general election.

The decision is difficult because several factors. It has been said that two years is not enough time for a mayor or individual commissioner to thoroughly understand the workings of the city government situation which he is heading. Under a two-year term just begins to get his feet on ground and if he refuses to resign or is not re-elected, another two-year "training od" must be undertaken to the new man understand the complexities of his new job.

His is a tremendous factor and have considerable bearing on anyone in the city.

On the other hand if the four-year term of office is approved the election then it is going to be difficult to find someone who offers to run for the office that long a term. It has been said that job finding men who would be the commissioner and mayor in Dimmitt each time an election rolled around. In the event it might be even more difficult. A man will grin and bear it for two years if he feels he is doing it to the community, but years is a mighty long time.

Another reason against the four-year term is that city residents find they had made a mistake and had put a man in office who was grossly inefficient, dishonest, or indifferent to his job. This should be the case, then, in a longer period of time must be before he could be removed from office. We know none of these factors would apply to the men now running for the office, but someone in the future could easily show up who did fill that description perfectly.

County and state offices can be four-year terms easily enough, but candidates want those who make their living at it and there are checks and balances on these jobs right up to the governorship. These situations are entirely different than those in the city commissioners and their.

Now, then, could a wise ballot be cast?

Personally this writer plans to vote against the four-year term. While it is true that the two-year term is as much a long period as anything else, it has been our experience that Dimmitt mayors have done commendable work from the day they first took office. And as hard as it often is to find someone to fill these offices we feel, a four-year term should be retained whatever incentive it might give.

A two-year term also keeps government operation a little more in the hands of the voters. The decision is still a difficult one. But we believe there is less chance of going wrong on the two-year term than the four-year term. It would be pleasant to have a good voting turnout just once.

2,000 Vehicles Unregistered In County

More than 1,000 cars and 1,000 pickups are to be registered before Wednesday, April 1, according to Castro County Tax Assessor-Collector Kent Birdwell.

At present some 3,500 registrations have been issued, Birdwell said. He also urged all motorists to come in as much ahead of the deadline as possible to avoid standing in line on the last day.

Normally between five and six thousand vehicle owners purchase license plates in Castro County. Motorists should have with them their last year's tax receipt and title to their vehicle.

Spelling bees are held over the Panhandle area every year at this time, sponsored by the Amarillo Daily News and Globe-Times. Senior bee winners are awarded ribbons and Paper Mate pens by the newspaper. Both the junior and senior county champions will be guests of the newspaper at a luncheon at the Amarillo Club preceding the spelling bee and during intermission at the regional each county junior champion will be presented a trophy and silver pin and school winner ribbon.

Should Miss Schumacher win the regional contest she will be eligible to participate in the national bee in Washington, D.C.

City Election Tuesday For Mayor, Bond Issue

Dimmitt voters will be called upon Tuesday to elect a new mayor, make a major decision about terms of office and to vote on a revenue bond issue for water and sewer improvements.

In the race for mayor are J. M. (Buddy) Birdwell and E. B. Wright, Birdwell is the local Gulf wholesale dealer and Wright was the mayor of Dimmitt before Joe Cowen, the present mayor, took office.

A constitutional amendment approved by the voters during the last general election set the stage for another major decision. Voters will find on their ballot a proposition to increase the terms of office of the mayor and commissioners to four years instead of two. This issue has caused considerable discussion since the move would give an elected mayor or commissioner more time to learn his new job, but would at the same time give an inefficient man a long-time hold on the office.

Another major issue of the election Tuesday will be the hoped-for passage of a \$90,000 revenue bond election for needed improvements to the city's water and sewer systems. Passage of the issue will not mean an increase in taxes. Since these are revenue bonds they will be paid for by revenue collected through water sales and sewage

service. There will be no increase in these rates, either, since present income is enough to retire the bonds as they come due.

Dimmitt's most pressing need at the moment is an increased water storage system. A large fire or a breakdown in the water pumping equipment could cause trouble according to city officials.

Planned for the city is a new 500,000-gallon reservoir near the west side water tower. It would be filled during the night when the demand is low and during the day would supplement water from the two towers. As it stands now, it would be possible for both towers to be drained even though all wells were running at full speed. The wells cannot pump the water into the system as fast as it is used during peak summer periods.

Part of the funds will also be used for a new well and other improvements.

The other big item is the sewage disposal plant. Considered adequate for a town of 3,500 when it was installed a few years ago, the present plant is being outgrown and soon cannot be expected to keep up unattended with the demand imposed upon it. Included for the new plans for a sewage disposal unit would be a gravel filtering bed, more drying beds and

additional lagoons. These improvements would be adequate until the city reaches a population of around 6,000.

Time of the election Tuesday will be from 8 a.m. to 7 p.m. at the City Hall.

Son of Local Man Buried in Lubbock

Funeral services for Joe E. Palmer, 39, son of Mr. and Mrs. W. W. Palmer of Dimmitt, were held Thursday in Odessa and graveside services were held in Lubbock. He was district director of Jefferson Standard Life Insurance Company. He died following a months' serious illness. Mr. Palmer is also survived by his wife and two children, aged 9 and 14.

Flag H. D. Club To Sell Aprons Aprons for any occasion made by the Flag Home Demonstration Club will be on sale, Wednesday, April 1 at 10 a.m. at Bob's Super Market.

Prices for the aprons range from \$1.50 and \$1.75 to \$2.00.

Undergoes Surgery

Mrs. Fred Jones underwent surgery Tuesday at the Mayo Clinic in Rochester, Minnesota. Her son, Edward Jones, left Sunday night for Rochester to be with her.

Last Rites For S. P. Johnson Set for Friday

Funeral services for Suprgren C. Johnson, 67, a former Dimmitt resident, will be conducted at 1 p.m. Friday in Griggs Pioneer Chapel in Amarillo, with Rev. J. Perry King, of Abilene, retired Baptist minister, officiating.

Burial will be in the McLean Cemetery.

Mr. Johnson, a retired rancher and motel operator, died at 6:15 a.m. Wednesday at his home at 4107 South Parker in Amarillo. He was born October 29, 1891 in Mount Pleasant, Texas and was a member of the Baptist Church.

Surviving are his wife, Mrs. Lornie Johnson; two sons, S. C. Jr., of Garland and Clay of Borger; two daughters, Mrs. Mary Lowery of Tascosa and Mrs. Clayde Pearson of Ralls; four brothers, G. F. of Arnett, Oklahoma, Jud and Keed, both of Wheeler, and Calvin of Shamrock; and three sisters, Mrs. Jewel Rite of Briscoe, Mrs. Hattie Andrews of Mount Pleasant and Mrs. Adalee Darby of Amarillo.

Grain Crop Loan Values Told by ASC

Some idea of the tremendous production potential of this county can be seen in figures released last week by the local OSC office. For instance price supports on grain sorghum in Castro County amounted to \$9,224, 313.00 or 1,998 farmers who stored their product in approved elevators. An additional forty-one stored their total of \$259,363 in grain sorghums on their farms.

Other crops include one farm-stored farm crop of \$7,753 in price supports; four farm-stored barley crops worth \$4,444 and 50 crops worth \$53,916 in elevators. Two oats-crops worth \$1,033 were farm-stored and one worth \$960 was stored in an elevator. 128 crops of soybeans worth \$146,378 were stored in elevators and three worth \$4,080 were farm stored. Next to grain sorghums in income were 991 wheat crops worth \$3,478,290.

These figures very nearly represent the farm income of Castro County for 1958 not counting the cotton crop.

One Life and \$2825 Lost in County Accidents

The rural traffic accidents summary for Castro County for the month of February 1959 was released today by Sergeant D. W. Duggan, Patrol Supervisor of the Texas Department of Public Safety.

The Highway Patrol investigated a total of 7 accidents of which 5 were property damage, one personal injury, and one fatal accident. These accidents caused a total property damage of \$2825.00 with one person killed and 2 injured.

The Sergeant advised that too many people look upon driving as a thing apart—something divorced from the code of morality which governs the other activities of their lives. The result of this split thinking is a staggering annual traffic toll.

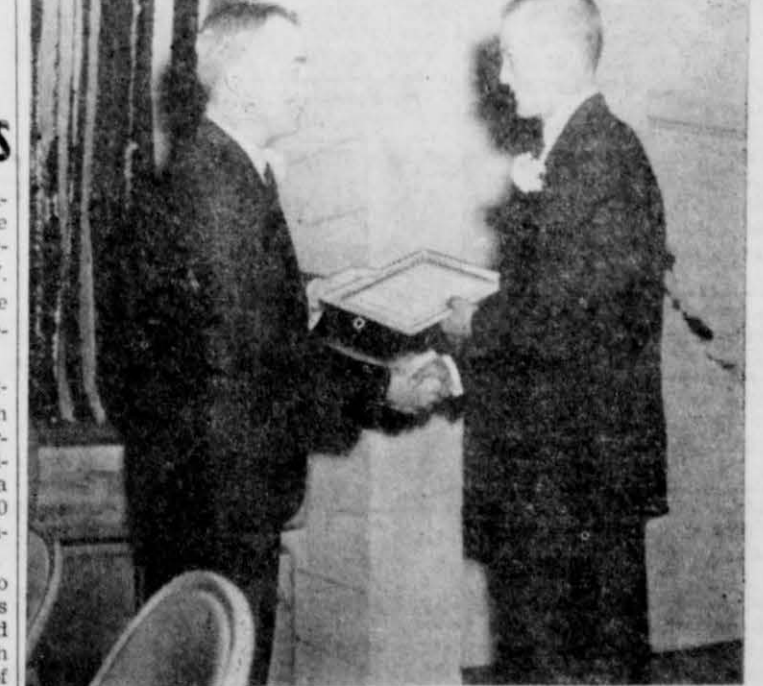

To reduce the death rate during 1959, the Sergeant stressed the necessity for drivers, as well as pedestrians, to maintain vigilance and observe the lifesaving rules of the road. He urged greater compliance with the speeding and driving-while-intoxicated laws, pointing out that in 1958 these were prime factors in traffic accidents.

Elmer Lee Stallings Dies In California

Elmer Lee Stallings, a long time resident of California, passed away Monday, March 23 at the age of 58, in a Nevada City, California Hospital, where he had been ill for some time. His body will be sent to Canyon for funeral and burial. Funeral services will be held at 3:00 o'clock Sunday, March 29 in the Warren Chapel in Canyon. Those surviving are his mother, Mrs. Fannie Stallings, Dimmitt and three sisters, Mrs. Dora Houtchens, Dimmitt; Mrs. Omer Shipp, Monterey Park, California and Mrs. Joe Baber, Bentenville, Arkansas.

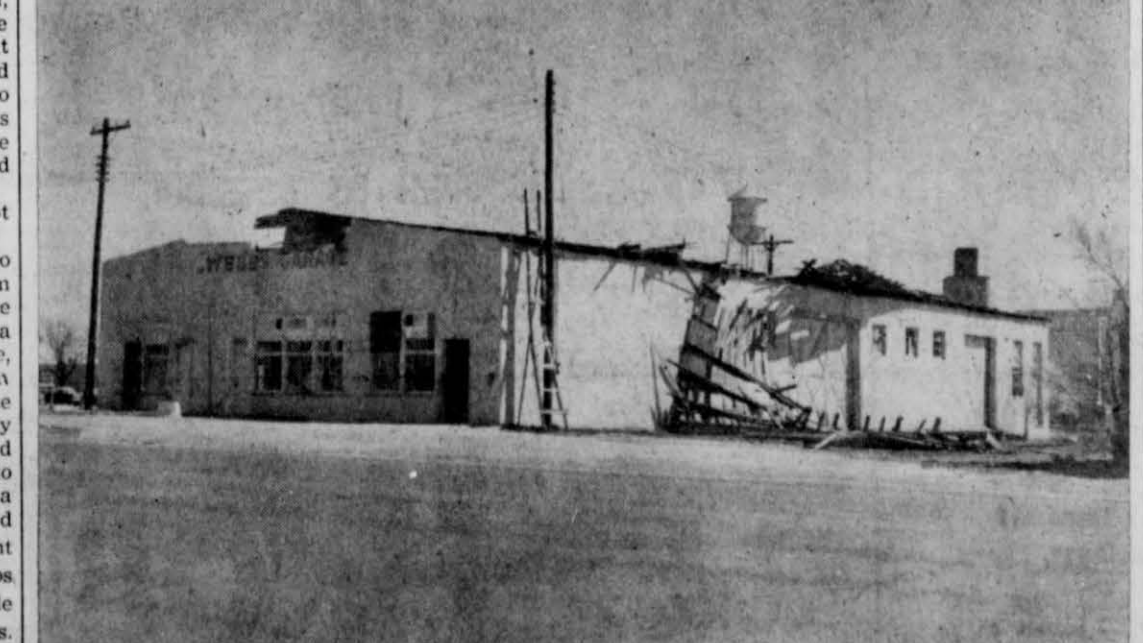

MAIN SPEAKER—Sammy Baugh, presently coach at Hardin-Simmons University and one-time Washington Redskins gridiron great, spoke Saturday night to a Dimmitt High School Athletic Banquet. "From my standpoint as a coach," he said, "I don't care so much about whether or not my boys win... but I do care that they try hard."

Football coach J. D. Covington Saturday night presented half-back Norman Nelson with the "Most Valuable Player" award in recognition of Nelson's efforts on the 1958 Bobcat Football Team. The occasion was the annual Dimmitt High School Athletic Banquet.

Coach Johnny Ethridge recognized Harold Ratcliff as the "Most Valuable Player" on the Dimmitt High School Basketball team Saturday night at the Athletic Banquet.

WIND DAMAGE—TV antennas, roofs and many other types of properties suffered damaging effects during Friday's high winds in this area. Some gusts were reported at above 60 miles per hour and dust cut visibility to several city blocks. The building above once housed an automotive garage on Highway 51 in South Dimmitt, but now belongs to Glenn Youts and has been used in recent times as a labor camp. Mr. Youts said this week he has not completely surveyed the damage and does not know what he will do with the structure. It had some insurance coverage he said. —staff photo

Walter Rogers' WASHINGTON NEWSLETTER
 An Injustice to the Grain
 Sorghum Producers
 The farmers were, undoubtedly,
 dismayed last week when Secretary
 Benson announced support
 prices for the 1959 grain sorghum
 crop at \$1.52 cwt. He had previ-
 ously announced a support price
 for corn as the price of \$1.12 per
 bushel. I heartily disapprove of
 the action of the Secretary in
 these two matters. I feel that he
 has indulged in favoritism to the
 corn producers and has subjected
 the grain sorghum producers to
 rank discrimination. The support
 price was fixed in the law to be
 90 percent of the prevailing 3-year
 average price of corn received by
 farmers. Although it is openly ad-
 mitted that grain sorghum has at
 least 65 percent of the feed value
 of corn, the Secretary did not want
 the law to specify that grain sor-
 ghum should be paid 65 percent
 of the price of support of corn.
 It was argued that the Secretary
 would be fair and reasonable in
 fixing the price of support of grain
 sorghum on a basis in relation to
 the feed value of the two grains.
 Under the circumstances, the law
 contained the provision that the
 price supports on feed grains, in-
 cluding grain sorghum, would be
 fair and reasonable in relation to
 the support for corn, and listed
 as one of the major factors for
 consideration the feed value of
 grain sorghum in relation to corn.
 It was felt by the Congress that
 the Secretary would carry out his
 obligation to keep these two grains
 in relative relationship based upon
 feed value. However, the Secre-
 tary did not do this. He has in-
 dulgued in favoritism to the Mid-
 west corn farmers and, I repeat,
 in rank discrimination against the
 grain sorghum producers of this
 country. Had he followed the in-
 tent of Congress and a fair and
 honest approach to the problem,
 the price support on grain sor-
 ghum would have been about
 \$1.83 cwt., which it was last year.
 The price support fixed by the
 Secretary will, in many instances,
 be below the cost of production.
 This practice concerning agricul-
 ture in this country is going to
 cause future crops to be sold at
 many times, and I repeat it—the
 people of the farms are being
 forced to move into the cities be-
 cause they have been unfairly ac-
 cused by propaganda and govern-
 ment practices. Many of them are
 being forced to seek public wel-
 fare at tremendous expense to the
 American taxpayer, if this forced
 movement into the metropolitan
 areas is continued. The family
 farm that has been one of the
 mainstays of strength of the

NEW Baby Girl
 Mr. and Mrs. Troy Geen Staf-
 ford of Lockney are the parents
 of a baby girl, born Saturday
 morning, March 21. The young
 lady weighed 7 pounds and 14
 ounces and was named Cynthia
 Carroll. The grandparents are Mr.
 and Mrs. Woodrow Killingsworth
 and Mr. and Mrs. Roy Stafford of
 Dimmitt.

3175 Vehicles In County Still Not Inspected
 Only 45 percent of the vehicles
 registered in Region No. 5 of the
 Texas Department of Public
 Safety have been safety inspected
 or 1959, according to Captain
 Alan Johnson, Motor Vehicle In-
 spection Supervisor in this Region.
 With slightly less than one
 month separating them from the
 April 15 deadline, 226,679 motor-
 ists of the sixty-county Region
 still have not obtained their tick-
 ets which will be available at
 inspection stations for several
 months.
 "This number includes about
 3175 vehicles in Castro County
 where there are six inspection
 stations to do the work," said
 Captain Johnson.
 Many motorists are going to
 find long lines awaiting them as
 the deadline lines near as the
 inspection stations will not be
 able to cope with the usual last
 minute rush.
 He added, "It is as much a
 violation to display an old sticker
 as not to have one at all."
 The Captain pointed out that
 the law provides a fine of from
 one dollar to two hundred dollars
 plus court costs for operating a
 vehicle registered in Texas with-
 out the current inspection sticker.

Frio Jolly Workers Met
In Jana Cole's Home
 On February 27, 1959 the Frio
 Jolly Workers 4-H Club met in
 the home of Jana Cole. The meet-
 ing was called to order by vice-
 president, Ramona Hall. The
 club elected Barbara Cole pres-
 ident to take the place of Sharon
 Garrison, who resigned.
 Jo Ann Cole gave a demon-
 stration on "Have You Had Your
 Milk Today?"
 Those present were Ramona and
 Reba Hall, Jo Ann and Barbara
 Cole, Carol R., Edna Vinson,
 Jana Cole and a new member,
 Ann Scarborough.

VOLUME XXII

OFFICIAL PUBLICATION OF DIMMITT HIGH SCHOOL

THURSDAY, MARCH 26

PAT'S PATER
The new two million dollar highway is under way at the beginning of this week. It is expected to be completed in two months.

A new parking building will soon be installed in front of the high school for the convenience of the students. This will eliminate the parking problem for the students and a lot of tardy slips.

Cars will be furnished for students who do not own cars to take them and go to school. They will be furnished by the Cadillac Corporation.

Free delivery service is offered at lunchtime. Kansas City Steaks will be brought to students not wishing to go to the lunchroom. They will be served in the lounge.

RCA has supplied Dimmitt High School with a new TV, Hi-Fi Set, and Radio for each classroom. For the students' entertainment. Records will be furnished by Cooper and Melin.

Air Conditioners were installed during the past week in preparation for the hot spring and fall months.

General Electric cars will be furnished for the campus for the transportation of students to and from classes. All rides are free!

Lounge chairs to be installed in all the rooms in high school. Reading lamps will be placed by all the chairs to prevent students' eyestrain. These chairs are equipped with three different seating levels and a massage control (for those students wanting to reduce).

Cole breaks will be extended to 15 minutes instead of the regular 5 minute break starting Monday. All cakes and candy will be served in the lounge or halls free of charge. Cigarette girls will serve.

Automats are being installed for convenience of students during their coffee breaks. Sandwiches, hot and cold drinks, and cake and pie will be offered.

Starting Monday students will be handed \$15.00 at the end of each day for attending school. This is to encourage students to attend school and study!

A wake-up service has been installed for students having late dates and sleeping during classes.

DHS TO HAVE NEW FACULTY FOR 1959-60
A completely new lineup of teachers will be in high school next year.

Jack Paar, new school superintendent, announced earlier this week that teachers will be placed on the pleasure and convenience of the students in a new light on the subject.

For the pleasure of the boys, Jayne Mansfield will be the new principal; as well as Marilyn Monroe and Zsa Zsa Gabor becoming the new athletic coaches.

The boys will not be the only ones pleased because Pat Boone will be teaching the home ec classes. Yag Orremo will have girls P.E. The all-American boy Elvis will be teaching choir, and Genevieve will teach math.

Although the science, history, and speech teachers have not been appointed, applications have been filed for the science department while Bob Hope and Andy Griffith are after the history and speech teaching jobs.

New applications which have not cleared the superintendent's office are counselors, Debbie Reynolds and Liz Taylor; Chick P.E., Rock Hudson; English, Tennessee Ernie Ford; and hand director, Spike Jones.

Rocket Fired Tuesday
The sixth grade class, working on the fundamental theory that if M is the mass of a rocket and V is its velocity and if m is the mass of the propellant and v its velocity, then it can be shown that V equals v large M plus m over M. They fired a rocket into outer space Tuesday afternoon from the Science Lab. Although the rocket was traced until it was well past Pluto it was a disappointment in several ways. First the mother, unidentified, of the small boy who was placed on the rocket was already vehemently demanding his return. Second, and most vital, the rocket was so used as a Science Fair project and the judges insist that the project be within 13 light years of earth to be eligible for the contest. Third, the deadly Strontium 90 fallout produced by the rocket is rapidly increasing and is alarming even the most optimistic experts.

Construction Started For New High School
The construction for a new high school building started last Monday. The new location for this enormous project will be the court house square. The courthouse will be torn down and built at another location. The new high school will cost in the two million bracket of dollars. There will be no limit to the elaborate furnishings for this building.

The campus will be very large. The main street will be removed and will take a different course. There will be enough ground laid out for a swimming pool and tennis courts. There will be an elaborate gym built and an auditorium as large as the municipal auditorium at Lubbock.

For the dramatics department there will be an auditorium as large as the municipal auditorium and all conveniences will be installed for the dramatic department's pleasure.

Each desk will have a built-in water fountain. There will be escalators installed so the overworked students will not have to climb stairs.

A new cafeteria will be added so that the students can have small snacks all during the day and at lunch time. There will also be any type of food that the students would enjoy.

There will be a large parking lot with garages for the students' cars. There will also be a Hertz Rent A Car Service for the students who do not have cars.

There will be a television set for each room so the students will not be bored in class. There will also be radios for each room.

The Science department will have facilities for sending rockets to the moon any time they feel like it. They also will have permission to put the teacher they most dislike inside the rocket.

Each classroom will have very soft, beautiful chairs to lounge in. There will be carpet wall to wall all over the building.

The music department will have a broadcasting studio and a private station on the air. There will be a disc jockey class to train Seniors to be disc jockeys. The hand and chair will be able to broadcast their programs over the air and also on the school's closed circuit television studio station.

The television studio will be constructed through television.

This beautiful building will be completed two weeks from last Monday. The building will be constructed of highly reinforced cardboard and the windows will be made of imported colophon from France. The foundation is constructed of plastic.

The students have approved these materials for the building because they gleefully observe that the first sandstorm will blow it away.

This APRIL, FOOLS !!!

NEW RULES OF DHS
The students of DHS met recently and made some new rules. These rules will go into effect April 31.

1. School begins at 10:30 a.m. and dismisses at 2:30 p.m.
2. If a pupil is tired or overworked he is excused from classes.
3. There will be assemblies of entertainment each day to break the monotony of classes.
4. The senior trip will last two weeks.
5. The home economics department will make enough to eat so that anyone may be furnished with treats and eats.
6. Recreation will be furnished during all study halls.
7. Each room will be furnished with a radio and television.
8. 1:45-2:45 — Disc Jockey hour.
9. 2:45-3:45 — Dance hour.
10. 3:45 Schools out.

Note — There is a five minute break between each class for cokes, candy, and the like.

1959-60 DHS Daily Schedule

8:45-9:45 — Morning brunch for all students.

9:45-10:45 — All students proceed to study hall where they enjoy games and other types of recreation.

10:45-11:45 — General rest period and T.V. for all students in order for their lunch to digest better.

11:45-1:45 — Lunch

1:45-2:45 — Disc Jockey hour.

2:45-3:45 — Dance hour.

3:45 Schools out.

Note — There is a five minute break between each class for cokes, candy, and the like.

GOSSIPS — The spied of life.
NET — A bunch of holes which when given an inch take a yard.
BLACKBIRD — A dirty bird.
HEALTH — What people are always drinking to before they collapse.

SENIOR GIRL OF THE WEEK
On April 1, 1941, the Easter bunny delivered a green and yellow basket with a pink and red Easter egg in it. This made the fifth time colored eggs had been delivered to the home of Mr. and Mrs. Peter Rabbit. They named their bunny of joy Mary Jo.

Mary Jo started school in Dimmitt in the first grade. She was head of her class in reading and spelling.

After Mary Jo entered high school the coach wanted her for the track team because she was so fast.

Mary Jo started school in Dimmitt in the first grade. She was head of her class in reading and spelling.

After Mary Jo entered high school the coach wanted her for the track team because she was so fast.

And So Was I
The moon was yellow
The lane was bright
As we strolled through the autumn night.
With every gesture and every glance
She gave me a hint
That she craved romance.
I stuttered and stammered
As time went by.
The moon was yellow and so was I.

Pome —
The smudy rips were smothering
Along the gutter of
"Oh, hurray!" the quarry fing did Year!
"I tropped meople blop!"
He tropped his opie blop, pumm fing.
Too can't to be alleppered
The pud fing alim bright down and pept.
The blop was spint to ever.

Go to The Dog —
Two little fleas, named Juan and Marie.
Were sitting on the bank of the Rio Grande.
Said Juan to Marie, "Will you marry me?"
Marie said to Juan, "Oh yes, Si! Si!"
So Juan in black and Marie in white,
Were married in Juarez one August night.
And now, as soon as the honey-moon set,
They will make their home on the bank of Rover.

MR. COTTON FARMER
May we recommend the wet acid process as the process to be used in chemically delinting your cottonseed.

HERE'S WHY

1. Seed stays in contact with acid for a period of 30 seconds or less.
2. Water is used as a neutralizer.
3. Does not eat the bags.
4. Wet green seed can be safely delinted.
5. Seed can be safely stored and used for a period of several years.
6. Does a more thorough job on angular leaf spot and other seed borne diseases.
7. Heat is used only to dry the seed after the acid has been washed off.
8. Planting 12 lbs. per acre in the east is less than 10c per acre now using wet acid.
9. More uniform planting.
10. More even stand.
11. Quicker emergence.
12. Plant faster.
13. Get bigger yields.
14. Gravelly soil floats out weak seed.
15. Treating prevents seed rotting even in cold damp weather.
16. No sticks, stems or lint to clog the planter.
17. In warm soil seed will sprout in 12 hours — stand in 5 days
18. Less moisture required for germination.
19. For 1 lb. of lint cotton per acre you can have your seed chemically delinted using the safe wet acid process.

For an appointment, call the Hub Delinting Plant

Phone Hereford, Texas, Hub 2705 (collect)
Or bring your seed. We have a saw plant in connection with our acid plant.

JUST A DROP in the Bucket.

Just a drop in the bucket. But, drop by drop, the bucket full before you know it. Just a dollar, stashed away in the bank! But, dollar by dollar, your savings soon grow into real money with which to go places, do things, make dreams come true! Persistent, consistent, every-pay-day saving does the trick. Open an account today. Save systematically — safely — save here!

Hero's Headache —
None they brought her warrior dead,
With an arrow through his head,
In his back there was a dart,
And his poor wife stooped and said,
"Speak to me! Are you hurt?"

Slowly then he answered
Even though his wound did smart,
"Don't worry, dear, they only nuded me in the heart."
Then in her arms she laid his head,
And in a sobbing voice she said,
"Quit sufferin'! Take Bufferin'!"

Hero's Headache —
None they brought her warrior dead,
With an arrow through his head,
In his back there was a dart,
And his poor wife stooped and said,
"Speak to me! Are you hurt?"

Slowly then he answered
Even though his wound did smart,
"Don't worry, dear, they only nuded me in the heart."
Then in her arms she laid his head,
And in a sobbing voice she said,
"Quit sufferin'! Take Bufferin'!"

Hero's Headache —
None they brought her warrior dead,
With an arrow through his head,
In his back there was a dart,
And his poor wife stooped and said,
"Speak to me! Are you hurt?"

Slowly then he answered
Even though his wound did smart,
"Don't worry, dear, they only nuded me in the heart."
Then in her arms she laid his head,
And in a sobbing voice she said,
"Quit sufferin'! Take Bufferin'!"

NEWS FROM SUNNYSIDE

By Wanda Rogers
Mr. and Mrs. Frank Conrad from Hart visited Monday with Mr. and Mrs. Tex Conrad.

Six ladies attended the sewing class conducted by Mrs. Cecil Curtis in her home Monday afternoon.

Betty Sue Holbrooks and Carolyn Holcomb were among the Dimmitt students selected Monday to enter the annual Castro County Spelling Bee. Betty Sue Holbrooks was one of the 6th grade winners. Carolyn was one of the 7th grade winners. They were both county winners in their divisions Friday.

Mrs. Raymond Lewis and Tommy from Olton visited with Mr. and Mrs. Raymond Lilly Monday afternoon.

The Bradley Butane Volleyball team lost their game in the Olton Tournament Monday night. They came out 9th place in the Tournament with 17 teams entered.

Mr. and Mrs. Weldon Bradley and family attended a birthday supper Monday night in the home of Mr. and Mrs. Jack Bradley of Dimmitt. Oneta Bradley was born on Olton Friday for the occasion.

Mr. and Mrs. Dean Stillwell and family from Jal, New Mexico moved into the community Monday night.

Mr. Bill Cooper was dismissed from the Castro County Hospital in Dimmitt Tuesday.

A pink and blue shower honoring Mrs. Lowell Westmoreland was given Tuesday afternoon at the community building. Twenty eight guests were registered. The table was covered with a white cloth centered with a cotton Easter bunny representing the hostess. For the occasion were Mrs. E. R. Sadler, Mrs. Raymond Haydon, Mrs. Weldon Bradley, Mrs. S. M. Taylor, Mrs. Lewis Bolinger, Mrs. Raymond Lilly, Mrs. Grace Oskietter, Mrs. Eldon Lilly, Mrs. R. V. Bills and Mrs. Odell James.

Miss McRee and Carl Bradley, Myles Sadler and Buddy Cummings were among the Dimmitt students making the Band Concert tour in Olton and Hale Center Tuesday.

Several families attended the Community Music Tuesday night. The film "Tenderfoot in Europe" was shown. Mr. and Mrs. Burl McMillan from Amarillo brought the film down after it was misplaced in the mail.

Mr. C. E. Broadhurst from Oklahoma City spent Tuesday night with Mr. and Mrs. V. H. McRee.

The El Paso Natural Gas Volleyball team played in the Six-Cities Tournament Tuesday and Thursday nights. They lost both games.

The W.M.S. met Wednesday night in circles for Bible Study. Mrs. Roy Lilly and Mrs. Howard Cummings were in charge.

Mr. Paul Chandler from Clovis visited Thursday afternoon with Mr. L. B. Bowden.

Mr. and Mrs. Raymond Haydon left Thursday morning to visit in McCamey with their daughter and family. Mr. and Mrs. Frank Ottum for a few days.

Mr. Ewell Sadler narrowly escaped injury Thursday when the

Mr. and Mrs. Elmer Dixon of Dimmitt and Mrs. Bill Bailey and children from Plainview visited Friday with Mr. and Mrs. Weldon Bradley and family.

Mrs. J. T. Holcomb and Rita spent the week end in Fort Worth with Mrs. Holcomb's mother.

Mr. and Mrs. Gale Sadler and Denise from Lubbock visited Saturday night and Sunday with Mr. and Mrs. E. R. Sadler and Myles.

Mr. and Mrs. Carl Shultz from Abilene and Mrs. J. H. Christian from Wingo arrived Saturday to visit a few days with Mr. and Mrs. Howard Cummings and family and Mr. and Mrs. Robert Paschal and other relatives in the community.

Mr. and Mrs. Leslie Louder and

Mr. and Mrs. Lowell Westmoreland in Lubbock early Monday morning. Mr. and Mrs. Alton Louder went down Sunday night to be with them.

Mr. and Mrs. Odell James moved into their new home last week. A little nephew of Mrs. Calvin Lippard visited with them this week.

Mr. and Mrs. J. C. Holbrooks and family from Lubbock visited Saturday with Mr. and Mrs. Roy Phelan.

Mr. and Mrs. Roy Phelan arrived Sunday to visit a few days with his wife and other relatives.

Mr. and Mrs. Ezell Sadler visited with Mr. and Mrs. Woodrow Powell of Earth Sunday evening.

A 6 lb. baby girl was born to

First Baptist Church Choir to Present Easter Program March 29
The 33 member sanctuary choir of the First Baptist Church under the direction of Bryant Tubert will present a program of traditional Easter music during the regular worship hour beginning at 7:30 this Sunday evening, March 29.

Some of the 12 selections will be old ones while others will be less familiar. "Were You There" by Barleigh, "O Sacred Head" by Bach, "I Walked Today Where Jesus Walked" by O'Hara, "Man of Sorrows" by Bliss, "The We Adore" by Dubois are a few of

the titles the group will be singing from.

Mrs. E. L. Ivey, Miss Sandra Leeth and Miss Mary Lynn Horik will be playing for this special service of Easter music. The public is cordially invited to attend.

Crosbyton Visitors
Mr. and Mrs. F. S. Retardorph of Crosbyton were recent visitors in the home of their son, Mr. and Mrs. Bill Retardorph.

Attended Funeral
Mrs. R. E. Catoe and children have returned from Houston where they attended the funeral of Mrs. Catoe's mother, Mrs. Camilla Williams.

Can I Identify the Lord's Church?

People are similar, and they are different. We are able to identify people by characteristics which distinguish them from others points of difference from all other people. The Lord's church may likewise be distinguished from all others.

The Lord's church was established by Him, Matt. 16:18. All others were established by men. Jesus predicted the end of them, Matt. 15:13.

The Lord's church is on the right foundation, the rock, Matt. 16:18. Upon Christ, the apostles and prophets, 1 Cor. 3:11; Eph. 2:20. The institutions of men are on the sand, Matt. 7:24-28.

The Lord's church was founded at the right place—Jerusalem. The apostles were to tarry in Jerusalem, Lk. 24:49. They did, Acts 1:12. The word of the Lord was to go forth from Jerusalem, Isa. 2:23. It did, Acts 2:14-42. The Lord's house, or church, was to be established, Zach. 1:16. It was, Acts 2:47; 1 Tim. 3:15.

NEWS FROM FRIO

By Mrs. Owen Andrews
 Fred Cunningham, superintendent of the Hereford School system, was guest speaker at the Frio Baptist Church Sunday evening. He spoke on "The Proper Sense of Values" and gave examples to illustrate the trend toward unworthy and materialistic ideas of many people. He spoke of the urgency for the need for educational and spiritual improvement rather than luxurious living standards. Mrs. Cunningham and children accompanied him here for the service.

Rev. B. H. Baldwin took part in a deacon ordination service at the Temple Baptist Church, Sunday afternoon. Afterward, Mr. and Mrs. Herb Schmidt accompanied by Mrs. Baldwin and Miss Viola Keene took Rev. Baldwin to Littlefield to meet a train for his trip to Rosharon, near Houston, where he is to conduct revival services this week.

Visiting the Glen Andrews Sunday were Mr. and Mrs. Brad Burrus Canyon, Mr. and Mrs. Astelle Burrus and children, Sandown, Mr. and Mrs. Troy Burrus and Kerri, Amarillo, Mr. and Mrs. Glenn Burrus and girls, from the Walcott community. Mr. and

Mrs. George Zetsche and Ann Mr. and Mrs. Herb Schmidt and sons and the B. H. Baldwins. They were all there to see the new Joe Hal, who with his mother came home from the Hereford hospital on Friday.

Mr. and Mrs. T. L. Sparkman, Jr., went to Odessa, Friday to see the Track Meet. After the storm became so severe, they stopped at Amherst to spend the night. They report that in that area a real sandstorm developed, not having the advantage of the rain and snow which held the dust to a minimum here. Tommy Sparkman and Carl Miller and Jerry Hodges were among the boys who went with the Hereford track team to the meet and remained through Friday and Saturday.

Joe Andrews spent Saturday night with Carl Miller in Hereford. Mr. and Mrs. George Zetsche and Ann took Sunday dinner with the Robert Dobbins.

Mr. and Mrs. E. M. Sudduth had their daughter and son-in-law, Mr. and Mrs. English Cox, of Lubbock visiting them Sunday.

Mr. and Mrs. George W. Parker were hosts Sunday at a birthday dinner for Grandpa Parker, who makes his home with them. It was Mr. Parker's 89th birth-

Bob Singer (right), West Texas Telephone Co., Dimmitt, Texas, and Ray Bellows, Kellogg Switchboard & Supply Co. carrier-microwave sales manager, discuss the merits of the K-31 subscriber carrier during the 54th annual Texas Telephone Association meeting in San Antonio.

day. Those present for the occasion were the children and grandchildren of the George Parkers, Mr. and Mrs. Olin Parris and Walker, Mr. and Mrs. David Yandell, Mr. and Mrs. Johnny Robinson.

Brent Schmidt, 2 1/2 year old son of Mr. and Mrs. Leonard Schmidt, former residents of this community, has been quite ill, at the Deaf Smith County Hospital for several days. He seemed to be some better, on Tuesday, but there seems to be no definite diagnosis as to the cause of the illness. The Schmidts daughter, Sheryl, has been staying with Mrs. Schmidts parents, the Arthur Brooks in Hereford. Schmidt's brother, Herb, and others have been helping them stay with Brent.

Mr. and Mrs. T. L. Sparkman, Jr., Mr. and Mrs. Owen Andrews, Mr. and Mrs. Joe Benson were among those nephews and nieces who attended the funeral service for Mr. Tom Johnson, at Hale afternoon, Mrs. Annie Spruager, Center Baptist Church, on Monday funeral. She and Mr. and Mrs. a sister-in-law, also attended the A. T. Jones, another sister and

brother-in-law of the Johnsons, visited at the Johnson home, near Hale Center, on Sunday. Burial was in the Plainview cemetery.

Mrs. Lawrence Warrick, of Wellington, is here to spend a few days in the home of her daughter Mrs. Joe Lindsey and family.

Mrs. A. T. Jones, of Hereford, visited Monday afternoon with Mrs. J. E. Warrick.

Among those who attended funeral services for Mr. Ace Campbell in Hereford, Friday, were Mr. and Mrs. Arthur Betts and Mr. and Mrs. Owen Andrews. Mrs. Betts is a niece of Mr. Campbell.

Among those who were in the E.P.W. club style show Monday night at the Hereford High School Auditorium were Bonnie and Darlene Sparkman and Mrs. Johnny Robinson.

Mr. and Mrs. Floyd Cole and children took Sunday dinner in the Harold Shearhart home, north of Hereford.

Mr. and Mrs. D. C. Miller spent the week end visiting the home of her mother and brother, Mrs. H. M. Mobley and Austin Mobley. Mr. and Mrs. Clark Andrews and Rocky were among those who were ill during the week end.

Floyd Cole has had the flu during the past few days.

Mr. and Mrs. Weldon Stephan, Rhonda and Jill spent the past week end visiting the home of her sister, Mrs. Martin and family, at Albuquerque.

Bob Doughman and Olin Parris report that they have sprayed quite a bit of wheat for greenbugs. Doughman is the pilot, while the

two own the plane jointly. Several others also report quite a serious infestation of the insects.

Among those who are planting potatoes are Parris, David Yandell, G. W. Parker, Henry, Clark and James Dobbs, George Zetsche, Kenneth Cox, and W. N. Hodges.

Mr. and Mrs. Ed Clark returned this week from a 12 day trip through Arizona and California. At Hemet, near Los Angeles, they visited the home of Ed's cousin, Mr. and Mrs. Willard Clark.

Frio Home Makers Club met Tuesday, at the Community building for a program on "Air Conditioning and Heating" discussed by Mrs. Olin Parris. She talked about

ways of making an air conditioner more effective, by proper ventilation and location; and other factors to be considered.

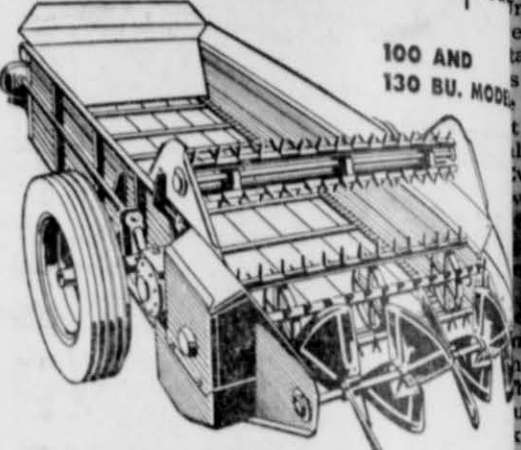

Mrs. Owen Andrews was hostess for the meeting. Those present were Mesdames Henry Andrews, Ed Clark, Floyd Cole, Olin Parris, Commie Smith, B. M. Sudduth, E. F. Vogler, David Yandell, Harlan Barber, who was a new member, Edgar Vinson, Jim Brooks, Annie Springer and the hostess.

Mrs. Vogler was elected community chairman for the Cancer Drive. All those in the community wishing to give to this cause are being asked to get their offerings to her, so that she can report it to the county chairman. The club

set April 14th, the next meeting date as the goal for time to complete the cancer drive in the community. It was voted to announce at public gatherings, but no door to door canvass will be made leaving it to strictly a voluntary basis.

The next meeting 14th and will be at the building. A guest speaker invited, so all members to attend and visit come.

A Tribute To Our Disabled Veterans!

When you get to feeling sorry for yourselves, consider the heroic fortitude and marvelous philosophy of our countless Disabled Veterans! They are carrying on—many with the greatest of handicaps. Yet they are doing a job that would make any man proud of his achievements. Words of praise cannot express the admiration we have for these valiant boys who refuse to be objects of pity. They are Americans in the finest sense of the word... they are proving that no hindrance or handicap can keep good men down!

Mr. and Mrs. T. L. Sparkman, Jr. Mr. and Mrs. Owen Andrews, Mr. and Mrs. Joe Benson were among those nephews and nieces who attended the funeral service for Mr. Tom Johnson, at Hale afternoon, Mrs. Annie Sprager, Center Baptist Church, on Monday funeral. She and Mr. and Mrs. H. M. Mobley and Austin Mobley, a sister-in-law, also attended the A. T. Jones, another sister and

brother-in-law of the Johnsons, visited at the Johnson home, near Hale Center, on Sunday. Burial was in the Plainview cemetery.

Mrs. Lawrence Warrick, of Wellington, is here to spend a few days in the home of her daughter Mrs. Joe Lindsey and family.

Mrs. A. T. Jones, of Hereford, visited Monday afternoon with Mrs. J. E. Warrick.

Among those who attended funeral services for Mr. Ace Campbell in Hereford, Friday, were Mr. and Mrs. Arthur Betts and Mr. and Mrs. Owen Andrews. Mrs. Betts is a niece of Mr. Campbell.

Among those who were in the B.P.W. club style show Monday night at the Hereford High School Auditorium were Bonnie and Darlene Sparkman and Mrs. Johnny Robinson.

Mr. and Mrs. Floyd Cole and children took Sunday dinner in the Harold Shearhart home, north of Hereford.

Mr. and Mrs. D. C. Miller spent the week end visiting the home of her mother and brother, Mrs. H. M. Mobley and Austin Mobley.

Mr. and Mrs. Clark Andrews and Rocky were among those who were ill during the week end.

Floyd Cole has had the flu during the past few days.

Mr. and Mrs. Weldon Stephan, Rhonda and Jill spent the past week end visiting the home of her sister, Mrs. Martin and family, at Albuquerque.

Bob Doughman and Olin Parris report that they have sprayed quite a bit of wheat for greenbugs. Doughman is the pilot, while the

two own the plane jointly. Several others also report quite a serious infestation of the insects.

Among those who are planting potatoes are Parris, David Yandell, G. W. Parker, Henry, Clark and James Dobbs, George Zetzsche, Kenneth Cox, and W. N. Hodges.

Mr. and Mrs. Ed Clark returned this week from a 12 day trip through Arizona and California. At Hemet, near Los Angeles, they visited the home of Ed's cousin, Mr. and Mrs. Willard Clark.

Frio Home Makers Club met Tuesday, at the Community building for a program on "Air Conditioning and Heating" discussed by Mrs. Olin Parris. She talked about

ways of making an air conditioner more effective, by proper ventilation and location and other factors to be considered.

Mrs. Owen Andrews was hostess for the meeting. Those present were Mesdames Henry Andrews, Ed Clark, Floyd Cole, Olin Parris, Commie Smith, B. M. Sudduth, E. F. Vogler, David Yandell, Harlan Barber, who was a new member, Edgar Vinson, Jim Brooks, Annie Springer and the hostess.

Mrs. Vogler was elected community chairman for the Cancer Drive. All those in the community wishing to give to this cause are being asked to get their offerings to her, so that she can report it to the county chairman. The club

set April 14th, the next meeting date as the goal for time to complete the cancer drive in the community. It was voted to announce at public gatherings, but no door to door canvas will be made leaving it to strictly a voluntary basis.

The next meeting will be at the building. A guest speaker will be invited, so all members to attend and visitors come.

CLARENCE BEARDEN TRACTOR CO.

A Tribute To Our Disabled Veterans!

When you get to feeling sorry for yourselves, consider the heroic fortitude and marvelous philosophy of our countless Disabled Veterans! They are carrying on—many with the greatest of handicaps. Yet they are doing a job that would make any man proud of his achievements. Words of praise cannot express the admiration we have for these valiant boys who refuse to be objects of pity. They are Americans in the finest sense of the word . . . they are proving that no hindrance or handicap can keep good men down!
