

DELINQUENT TAX ROLLS STOLEN TUESDAY NIGHT

TAKEN FROM THE COMMISSIONERS COURT ROOM--NO REASONS KNOWN FOR A THEFT.

Perhaps the most unreason-able theft that ever occurred in the city was the stealing of the delinquent tax rolls and errors in assessment which were taken from the commissioners' court room in the court house Tuesday night. The county loses no permanent records through the theft, but is inconvenienced greatly by the same. The county loses not only the work of Tax Collector Sanford in preparing the rolls, but also nearly ten days of hard labor by the commissioners in checking and correcting the same.

The commissioners had almost completed the work, and Wednesday would have drawn off their balances and had a settlement with Mr. Sanford. Judge Scott and Commissioner Cook remained at work a little longer than the other members, and, on leaving the room, had piled all the records together, but did not lock the doors. On returning next morning the records were missing and no trace has been found.

Janitor G. R. Turner reports that the building was open as usual from six, when the commissioners left, until nine, the regular closing period. He states that he heard no one enter the building during that period, and it is supposed that the records were taken while Mr. Turner was at supper.

The records taken were for the 1910 delinquents. What motive any person could have in stealing such records is unknown. It is thought that the thief considered he was getting

the entire delinquent list, and would thus stay off the suits that are now pending in the district court, but these records were merely 1910 records and have not been sued.

The following order was entered by the commissioners' court in its minutes:

"Whereas the Honorable Commissioners' Court left the Delinquent Tax Rolls and Errors in assessment in the County Commissioners' room on May 2nd, and whereas when said court met on the morning of May 3rd, 1911, said rolls were missing and said court was unable to proceed further with the settlement with the collector, "It is therefore ordered by the court that the collector make out new copies of said rolls at once, and that said court stand adjourned until Saturday, May 13th, 1911."

Tax Collector Sanford commenced work yesterday morning on the new records and will have them completed in a few days. His original records are checked so that the revised copy can be quickly made. While the work of himself and the commissioners' court has not been entirely lost, it will cause them a great deal of inconvenience, and will cost the county about \$150.

In all, nine books were taken, three copies of each set. There is some difference of opinion among the attorneys as to the penalty of this theft, should the culprit be discovered, but all are certain that it is a penitentiary offence. There are no clues in the case.

DROPPED DEAD IN STREET.

Mrs. W. L. McMillan Dies of Heart Failure near her Home on Monday Evening.

At 7 o'clock Monday evening, Mrs. W. L. McMillan was seen to stumble and fall in the street near her home, and by the time neighbors had reached her side, she had expired. Physicians were called, but all attempts to restore consciousness were fruitless. Heart failure was pronounced as the cause of her sudden death.

Mrs. McMillan had lived in Canyon for the past two years, and, while not much of a woman for society, was well thought of by those who had learned to know her. She was exceptionally well educated, having studied in the best educational institutions in America as well as in Europe. She was well talented in musical lines.

The remains were taken to her old home at Oil City, Pa., accompanied by her husband and six year old son.

Allie Mantz Married.

Cards were received in the city this week announcing the marriage of Aloysius F. Mantz and Miss Bertha Meyer at Havana, Ill. on April 18th. Mr. Mantz formerly lived with his parents at Umbarger and has many friends in this city. Mr. and Mrs. Mantz will live in Oklahoma City.

We need more farmers.

Miss Evans Dead.

Word was received in the city last night that Miss S. Ida Evans, of the Normal faculty, had died at Dallas. This news was received in Canyon with very great sorrow, for during the eight months Miss Evans has lived here she has made many friends. Exercises of memorial were held at the Normal this morning.

Schubert Symphony Club.

I take great pleasure in endorsing the high standard of E. H. Purcell's Schubert Symphony Club which appears here May 11. Their program is a varied one and is intended to please and entertain a general audience. This company has delighted Amarillo audiences on several different occasions during the past few years.

EUGENE W. PETERSON.

Juniors Have Party.

The junior class of the Normal was entertained at the home of Miss Ida Rowan on Monday night. A very good program had been prepared for the occasion, and a general good time was enjoyed by all the guests.

Union Services.

The regular union services of the churches will be held at the Methodist church next Sunday night, one of the ministers of the city delivering the address.

PUNCH AND RECIPROCITY.

HARDIN WINS IN FIRST CONTEST

ORATORICAL CONTEST AT NORMAL BUILDING SATURDAY NIGHT

William J. Rattikin is a close second in Contest—Contest to be Held Annually.

Walter Hardin, of Alanreed, was the winner of the first oratorical contest Saturday night at the Normal building. The contest was held under the supervision of Prof. J. A. Hill, and is to be an annual contest for the young men of the school.

The contest Saturday night was interesting, all of the productions being of a very high grade, but on account of the lack of experience, the presentation was not up to the standard. The contest lay between Mr. Hardin and William J. Rattikin, of Frisco, and on comparing notes, the judges found that Mr. Hardin had won the prize by a very small per cent. One of the other speakers was disqualified by using manuscript, and both opened their orations with side remarks, which is not allowable in such contests. Both, however, had well written productions. The following were the orations given:

"Robert E. Lee," J. O. Porter, Plainview.

"The Patriotism of Reason," Walter Hardin, Alanreed.

"The Boy of the Twentieth Century," V. H. Daugherty.

"An Ideal Statesman," William J. Rattikin.

The music for the occasion was very good.

Misses Eakman and Howren sang a beautiful duet, Miss Zolie Garrison played a very fine piano solo, and a quartet composed of Misses Eakman and Howren, Messrs. Kennon and Tarlton favored the audience with a splendid selection.

The judges of the contest were Rev. J. J. Hutchison, Atty. J. C. Hunt and C. W. Warwick.

Normal Notes.

Pres. Cousins led Y. W. C. A. Thursday. The lesson was enjoyed by all.

Mr. Marquis gave a delightful lecture on flies at Chapel Thursday.

Mr. Darnell spent last week at his home in Childress.

Miss Mary Jones of Hereford was a welcome visitor at chapel Friday.

Rev. Hutchison led the chapel exercises Friday.

Miss Rasor was unable to meet her classes Friday on account of illness.

Mr. Guenther gave a most instructive lecture on the eclipse Saturday.

The Junior class was entertained at the home of Miss Ida Rowan Monday evening.

The Senior class pins are here.

Rev. Welch, pastor of the Christian church at Lubbock visited the Normal Friday.

The Senior class is to be entertained at the Service home on Monday night by the faculty.

The Freshman class was entertained at the Guenther home Monday night.

Pres. Cousins was unable to be at chapel Friday and Saturday.

The tennis courts are kept busy every day.

J. F. Smith was in Miami last week on matters of business.

NORMAL CLOSES IN THREE WEEKS

MAY 29TH IS THE DATE SET FOR THE FIRST COMMENCEMENT

State Superintendent Bralley will Deliver Address—Class Day On May 27th.

While the program for commencement at the Normal is yet undecided upon, it is assured that State Superintendent Bralley will be in the city Monday, May 29th, to give the commencement address.

May 27th has been decided upon as Class Day and definite arrangements will be made in a few days as to the exercises of the day.

On Sunday, May 28th, the baccalaureate sermon will be preached by some minister from a neighboring city.

The exercises this year will not be elaborate, but the faculty hopes to bring several noted men to the city during the three days.

LUMBER COMPANIES COMBINED.

Fulton and Randall County Companies Combined into Citizens' Lumber Company.

A deal was made this week whereby the Fulton Lumber Co. and the Randall County Lumber Co. were sold to the following parties: C. P. Money, J. H. Stephenson, E. H. Ackley, N. C. Hix and J. D. Weller. These gentlemen were in fact owners of the two companies and simply combined the two yards. The new company will be incorporated, the above-owners being the directors for the coming year. The papers of incorporation have not been returned from Austin, so that no officers have been selected by the directors. J. H. Stephenson will be general manager of the yard. The stock of the Randall County yard will be moved to the Fulton yards as soon as possible.

All of these gentlemen need no introduction to Canyon citizens, as they have all been engaged in the lumber business here for some time in the past.

C. P. Hutchings, J. P. Hicks, Randolph Carter, B. H. Dennis and A. B. Dunsworth made a business trip to Deaf Smith county on Wednesday.

CITY COUNCIL IS IN LONG SESSION

MUCH BUSINESS TRANSACTED AND NEW ORDINANCES PASSED

Corporation Court Will be Established Fire Marshal Appointed—Clerk Appointed.

The city council has been in session for the past three days, and much business has been transacted. One of the first movements made by the new administration was the organization of a corporation court, which will be done as soon as an ordinance to this effect is passed and published.

C. R. Flesher was appointed city attorney and city secretary.

A fire marshal ordinance was passed and will be published soon.

The Canyon Power Co. was given until August to put in new city lights and to get their all night service started.

The council ordered the Canyon Coach Co. to remove their barns from the northeast corner of block 49 to the south side of block 60.

An ordinance was passed requiring the railway to establish lights at all their street crossings.

The mayor was instructed to buy new office furniture.

The bond of the city treasurer was fixed at \$5000.

The committees appointed are as follows:

Sanitation, Dr. Stewart, Dr. Griffin and Marshal Jowell.

Finance, Burrow, Moreland, Black.

Street Commissioner, D. Thomas.

Wheat Looking Fine.

Judge T. C. Word reports that his wheat north of the city is looking very good. He says that the past few weeks it has spread over the ground in good shape, and has not grown up fast, which he considers a good feature. The wheat is of a strong color and is sure to make a good crop.

Mr. and Mrs. J. R. Cullum and Mr. and Mrs. Guy Hoover went to the canyons Sunday for a two or three week's camp. Mr. Cullum and Mr. Hoover return to their business in the city during the day while the ladies keep camp.

The Spring Furniture Needs

It's high time to commence thinking about giving your home its spring renovating. The month of May is here--the time when all good housewives aim to have their homes in ship shape order.

Possibly you are going to move and will need many new furnishings to harmonize with the new home. Or maybe you need only a few pieces to replace some of the old ones. But whatever your needs may be, whether large or small, you'll find THOMAS' the best place to realize them.

When you come here for your furniture you will be delighted with the handsome new designs and you may be sure that with this unusually large stock to choose from you are certain to find just what you want for any room in the house from vestibule to the kitchen.

Watch for our showing of Refrigerators, Rockers, Sideboards, Kitchen Cabinets, Davenport and Porch Furniture. Our rug department is brimful of new goods. You'll receive attention that means "you are welcome" not "won't you buy."

WAYSIDE EDUCATIONAL RALLY

President R. B. Cousins and Mayor A. N. Henson from Canyon Attend Meeting.

Last Saturday was the first for a series of three educational rallies that will be held by the people of Wayside, and the rally proved to be even greater than was anticipated by the promoters. Those attending from Canyon were Pres. R. B. Cousins, of the Normal and Mayor A. N. Henson.

Friday evening Mayor Henson addressed the people of the community on the prohibition question. There was a very good attendance, and the interest manifested was very great in as much as this question is soon to be fought out at the polls.

Saturday morning a good program had been arranged. Pres. Cousins gave an address both in the morning and in the afternoon. Following is the program as carried out:

MORNING.

10:30 Music, Invocation and welcome address.

10:45 Educational Rallies as a Means of Arousing Interest in Rural Schools.

General Discussion.

11:15 The Home as a Factor in the Development of an Intelligent People.

General Discussion.

11:40 Needed Reforms as Shown by the Last Biennial Report of the Department of Education.

General Discussion.

12:00 Basket Dinner.

AFTERNOON.

1:00 Address: Hon R. B. Cousins, and other prominent educators.

3:00 Baseball and other amusements.

Deals in Dirt.

Mrs. C. A. Hitchcock to S. R. Griffin, survey 56, block 7, containing 640 acres.

Herbert Smith to Kathryn Hutson, lots 7, 9, 10, 14 and 15 in block 24, Canyon.

William Chamberlain, trustee, to Albert Kalous, the east half of the southwest quarter of survey 169, block 6.

W. B. Walters to G. P. Bryan, the north 440 acres of survey 140, block M9, consideration \$18,800.

Kathryn Hutson to R. A. Campbell lots 1 and 2 in block 35 in town of Canyon. Consideration \$200.

Edley Fletcher and wife to J. Riley Jackson all of the west half of survey 71, certificate 181 in block M9, containing 320 acres.

Don't miss the Schuberts. Reserved seats Tuesday.

600 Acres of Flax.

D. L. Hickcox, south of the city, has just finished putting in 600 acres of flax. This is the first time the crop has ever been tried in the county, but Mr. Hickcox has raised the crop for many years and is confident that it will do good here. Mr. Hickcox is from the flax belt of Minnesota, and thinks that the conditions here are similar to the former location. Flax is a very profitable crop and the experiment will be watched with great interest.

Made Flying Trip.

D. F. Keller, of Chicago, was in the city Saturday looking after his ranch northeast of the city. Mr. Keller was on a flying trip and only had time to spend one day here. He was well pleased with the conditions he found and has great confidence in the country.

AGRICULTURAL WORK.

H. M. Bainer, Agricultural Demonstrator, Secures Able Assistant in His Work.

Practically all of our farmers and business men are acquainted with H. M. Bainer and his work with the Santa Fe. Mr. Bainer is Agricultural Demonstrator for the Santa Fe System and is devoting all his time to the development of Agricultural work in this section. He has now been with us in this work for nearly a year and has accomplished a great deal of good for our community.

He has over 160 farmer co-operators in his territory and finds that his work has developed beyond what he is able to carry out alone.

We are pleased to announce that he has secured the services of L. L. Johnson of Colorado to help him out for the coming year as assistant Agricultural Demonstrator. It will be remembered that Mr. Johnson was the Poultry speaker who created much interest in the question of Poultry raising on the Santa Fe Special train this last winter. Mr. Johnson is a thoroughly competent man and able to assist Mr. Bainer in all lines of agriculture in our section.

We desire to compliment the Santa Fe system in placing these two well trained men in our territory. There is no question but that they will be able to do much good.

Tom L. Miller Leaves.

Tom L. Miller, formerly of the Canyon Power Co., has accepted a position with the Hobson Electric Co. of Dallas and will soon move to Amarillo where he will have his headquarters. Mr. Miller was manager of the local plant for the past year and has many friends in Canyon who are sorry to see him leave.

Why Farmers Should Keep a Bank Account

Their bank deposit book affords them a complete record of their cash receipts, while the stubs of their check books are a perfect record of expenses and payments. Paying a laborer, a store account or any other bill with a bank check is much safer than with money; because you avoid the risk of handling the actual cash, and the endorsed check returned by the bank is the best kind of a receipt.

Farmers, try the experiment for one of keeping a bank account and see if it does not pay you. A large number of the best farmers have accounts with us now—we want

THOMSON'S GLOVE-FITTING

is a name that MEANS SOMETHING. It means something because every section and every gore of every corset we have made for more than half a century has been carefully designed and as carefully designed and as carefully put together to FIT THE FIGURE LIKE A GLOVE.

When these first American made corsets were introduced to the public in the late fifties, they were given the name of "GLOVE-FITTING," because of the original glove-making ideas embodied in their designing. The name fitted the corset because the corset fitted the figure, and both achieved immediate success because the object of perfect style and PERFECT COMFORT TO THE WEARER were accomplished.

Those of you whose memory can hark back twenty, thirty, forty or fifty years, will note that THOMSON'S "GLOVE-FITTING" is the only corset name that has lived through three generations, gaining popularity with its years. It is

A NAME THAT HAS BEEN FIRST SINCE THE FIRST

because it is a name with meaning—a name that tells its own story—a name that every woman can understand.

This season's models excel all previous successes—the workmanship is the same that has stood pre-eminent for more than 50 years.

We shall be pleased to answer inquiries and supply any information that will assist in the selection of the model best suited to the figure.

The Schuberts are Fine.

In reference to the Schubert company which is to come here on May 11th, Rev. L. A. Webb, pastor of the Methodist church has the following to say:

"I had the Schuberts come to my church when in Ft. Worth and I will say that everybody who attended was delighted with the entertainment. The audience was simply charmed with the concert. The music was exceedingly fine. I am greatly pleased that the Schuberts are coming to Canyon, for I know that every lover of good music, and a clean program will be delighted with this company."

Big Engine Passed Through.

One of the ten biggest engines in the world passed through Canyon Friday afternoon. The engines are being constructed by the Santa Fe for use on their lines in Arizona and California. They are 121 feet long, weight 500,000 pounds, have twenty drivers and are oil burners. This was the third engine of its kind to pass through the city, and seven more are expected to go through within a short time. A large number of Canyon people gaze in awe at the iron monster.

Pasturage for Cattle.

5 miles S. E. of Canyon I have fine grass and water. Charge 50 cents per month pasturage on cows. \$2.50 for service of full blood Jersey bulls. Care will be taken to prevent any accidents or straying off, but will not be responsible should any occur. No passing through the pasture allowed and gate is under lock. See me before turning stock in. All pasturage and breeding must be settled for before stock is removed from pasture.

I also have on same ranch a registered Poland-China boar. Will admit a few sows at \$2.50 cash on delivery of sow.

At my home in the city, I have a fine registered Jersey bull, services \$5.00.

The Dairy Cow.

The man with the cow is becoming almost as popular in Texas as the man with the hoe, and the demand for pure milk and dairy products of all kinds is growing larger every day. The United States Department of Agriculture estimates that 2,000 pounds of butter, which is worth \$500, takes less than fifty cents' worth of plant food from the ground, and that the industry is one of the most profitable in which the Southern farmer can engage. The opportunities for dairying in Texas are almost unlimited, and, with the excellent ranges and plenty of domestic grasses, there is no reason why the Texas dairyman should not prosper without being subject to the proverbial charge of "watering his stock."—Ex.

Board of Equalization.

Notice is hereby given that the Commissioners' Court of Randall county will convene at the Court House thereof in Canyon on May 22, 1911, and from that day and every day thereafter until the work is completed, to sit as a Board of Equalization upon tax matters.

Given under my hand and seal of office, this 2nd day of May, A. D. 1911.

NEW PROCESS GASOLINE STOVES

It is time that you were now looking after a gasoline stove for your summer's cooking. A gasoline stove, will not only save you the price of itself in fuel during the summer, but you are also always assured of a quick, hot fire in a few seconds at any time of the day or night, and your house is not heated as in case of a range.

The New Process is the acknowledged leader of gasoline stoves on the market today. Here are its points of superiority over other stoves sold:

Tank: The tank is solid brass, making it absolutely safe. In addition to this the tank must be removed in order to fill it with gasoline, and thus there is no danger from explosion.

Overflow Pan: This pan catches all overflow from letting vessels boil over. It is easily removed, and quickly cleaned. You don't have to scrub for hours to clean up an overflow.

Oven: In the oven there is an extra large adjustable burner which makes it exceptionally adapted for baking, roasting and baking biscuits. Besides there is a good warming oven on the large stoves.

Burner: This burner is absolutely safe. The oil drips in plain sight from the tank into a wire gauze and passes to the burner in form of gas.

Sub-Burner: If the wind blows the fire out, there is no danger of explosion, as the sub-burner starts at once, and consumes all the gas. In addition to this, there is a tube which catches all water that may be in the gasoline, and makes your gas absolutely pure, insuring good service.

Come and See these Stoves before Buying. The Price is Right.

DAIRYING IN THE SOUTH.

"What," exclaimed Prof. John Lee Coulter, of Minnesota, while on a visit to the South last week, "do you mean to say that you get from 90 cents to \$1.05 for 20 per cent cream? Why, our dairymen in the West get only 55 or 60 cents, and yet make big profits on land valued at \$75 or \$100 an acre—profits which enable them to live in good homes, well-painted, with hot and cold water, and all modern comforts, good roads and good schools. With your cheaper lands and your longer growing season, I should say there ought to be unusually big money in the dairy business in the South." And he is right—if only the dairyman is willing to give conscientious study to his business.

The Southern dairyman has advantages which, if fully utilized, will more than balance all his disadvantages when the latter are met and lessened by intelligent management; but all the many and great advantages possessed by the Southern dairyman will not compensate for a lack of common dairy and business knowledge employed in his various operations. The three factors which most largely influence the results of any manufacturing enterprise are: cost of raw materials, the efficiency of the machine (in this case the cow) and the market, or price received for the finished product.

In the low cost for which he may produce the raw materials (the feeds) is wherein lies the greatest advantage of the Southern dairyman. On our low-priced lands, because of a longer growing season, he can by an intelligent management produce feeds cheaper than any of his competitors; yet, most Southern dairymen buy too much high-priced feed or fail to produce the best feeds most economically, and thereby throw away their chief advantage. This is the one outstanding opportunity of the Southern dairyman, and yet

the most neglected. In the efficiency of the machine—the cow—the same intelligence exercised in breeding, care and feeding will place him on an equality with any other dairyman anywhere on earth.

In the price which he may receive for his products, the Southern dairyman has the second of his advantages. Milk, cream and butter, of good quality, sell for a higher price in the South than in any other part of this country, because the local or Southern demand is not fully supplied by Southern dairymen.

The Southern dairyman, then, has superior conditions as regards two out of the three essential factors which determine the success of the dairy business, and is on an equality with any other section as regards the third; but let us correct the error which has been the chief cause of past failures—these advantages do not remove the necessity for better cows, the home production of cheaper and better feeds and the use of that business and dairy knowledge which may be acquired by any one who will seek it. Our greatest need is not better dairy opportunities, but better dairymen.—Progressive Farmer.

MORALS AND CHICKENS.

There lived a man in someone's town—his name need not be written down—who talked and preached of right and wrong and always stood for virtue strong. He liked to show the shining way to every guy who roamed astray, and he was full of texts and saws, and vital truths and moral laws. And folks who heard him talk and preach would always say he was a peach. His next door neighbors didn't rise to boom and praise him to the skies. They said: "His chickens come and scratch the stuffing from our garden patch; he knows they're driving us to drink, he knows what all his neighbors think, and yet he lets his doggone hens go skitting blithely from their pens to knock our gardens upside down—he is the meanest skate in town." The world is stocked with solemn frauds who deal in sounding moral gauds and platitudes and good advice, and helpful hints fresh off the ice; they wag their jaws and wield their pens—and let their neighbors

fight the hens. To treat your neighbors right will count for more than any gross amount of bulging words when we are called and to the bar of judgment hauled.—Uncle Walt Mason in El Paso Herald.

The Texas Stockman and Farmer very aptly and wisely said: "The Panhandle country, like the rest of Texas, is in fine shape, everything being prosperous. The acreage this year planted to corn, cotton, wheat, oats, milo maize, kafir corn and sorghum is larger than ever before. There is a splendid season in the ground and grass and stock water are abundant. The people all over that section of Texas are largely going into diversified farming and stock raising, and they are also beginning to develop the dairy industry. Owing to good rains, there is a better feeling in that country than there has been for many years."

Do you believe in home industry? Yes. There is one industry in Canyon that will do more for the upbuilding of the town than any one other, yet few of our citizens are patronizing it. We refer to the Eagle Milling Co. Expert bakers have made tests, and every one states that the flour from this mill is the best they have ever used. Will you not patronize an industry that puts the best commodity of its kind on the market? Try this flour when you next order a sack.

The prettiest thing God ever made is a pretty woman and she doesn't add to her beauty when she sticks a wad of store bought hair the size and shape of a coconut on the back of her head.—Hall County Herald.

An Expert Baker

Says That ELK HORN FLOUR is as Good as any on the Market

Joe Huffman, proprietor of the City Bakery, adds his testimonial to the long list of praises of Canyon people in the following words:

"I am using Elk Horn flour now for all of my baking. It is absolutely the first flour that I have ever been able to procure that you could make good bread of so soon after it has been ground at the mill.

"Elk Horn flour is as good a flour as I have ever been able to procure, and I have used all of the highest patent flour on the market today. I am using this flour in all my baking now, not only because I believe in patronizing home industry, but more because I have never been able to find a better flour.

The News is yet unable to find anything in reciprocity with Canada that will be detrimental to the American farmer. Every senator who votes against the bill will do so for political reasons rather than for fear the farmer will be hurt.

A congressman charged that the Democrats were trying to annex Canada through the reciprocity bill. That stunt was tried once before, and the Canadians told us in no friendly terms what they thought of our Uncle Sam.

The News is always glad to have the farmers call at the office and tell us about the crops. Besides, we are not acquainted with nearly all of our readers, would like to meet every farmer in the county. We would like to tell our readers all that is happening in the county. Come in and have a chat.

Junior Reception.

At the beautiful home of Miss Ida Rowan in south Canyon, the Juniors of the W. T. S. N. were delightfully entertained Monday evening, May 1, 1911.

As the guests arrived, they were shown into the dining room and abundantly served to punch by Mrs. Claud Estes, who, in her pleasing manner, presided at the punch bowl.

A short junior program was rendered. The roll was answered by each one present representing some town in Texas. Mr. Hills' Yoakum was the climax. The junior class song was trite and catchy. The junior prophecies by Messrs. Burrow and Cook were interesting. The junior jokes by Mr. McKinley caused a complete upheaval of mirth. Miss Parsell being immune from taking geometry was more than most juniors could understand.

After the program, the evening was given to various games, the first being the faculty contest. Miss Beavers won the booby prize in this, a new onion. In the ugly face contest, Miss Cofer took the prize and was handed a lemon.

The evening growing late, the guests reluctantly took leave of their charming hostess and her genial assistants who were Misses Turner, Bass, Rowland and Mrs. Claud Estes. Each one present expressed himself as having spent one of the most delightful evenings of the season, and the juniors extend a vote of thanks to Miss Rowan for her cordial hospitality. The juniors with their hostess were pleased to have as their guests on this occasion, Mr. and Mrs. Hill, Mr. and Mrs. Ballard, Misses Cofer, Ritchie, Kelley, Rambeaux, Secrest and Mr. Crawford.

Wayside News.

Cold norther blew up Saturday night. Fears were entertained that the cold would damage the fruit crop, but it seems to be alright so far. Prospects are good for a bountiful crop.

Rev. Holmes, wife and babe from Plainview were at Beula Sunday. Rev. Holmes preached to a good crowd in the forenoon; his wife preached at Salem in the afternoon.

Rev. Jno. Fisher and family attended church at Beula Sunday.

Led by D. Adams and Mrs. Grace McCrery, a Christian Endeavor society was organized Sunday night at Beula. A good

ly number of young people joined.

Last Saturday, the 29th, was Educational Rally day at Wayside. President Cousins and Judge Henson of Canyon were among the visitors. Mr. Cousins favored us with two excellent addresses, one in the morning and one in the afternoon. We feel unable to do justice to this great educator's speeches but, suffice it to say, both were well received and much enjoyed by an appreciative audience. He is first and last for education, and a friend to every boy and girl in the state. Mr. Cousins made many friends during his short stay at Wayside and we hope he will return. Credit is due W. D. McGehee for this intellectual feast.

Last Friday night marked the last literary meeting for the season at Beula. Judge Henson of Canyon delivered an excellent prohibition address during the evening.

Most of the young people from Happy, Pleasantview and Lakeside spent Saturday evening at J. J. Barnes. They report a fine time.

Saturday, April 29th, a large crowd gathered at the Johnson school to picnic and get acquainted. After the splendid dinner, the Pleasantview-Johnson ball game was to be played, but the Pleasantview bunch being short five players, it was decided to let them enlist Happy; which they did, taking their choice of Happy's best players. "Flicker" Jones was secured as umpire. The game was close and interesting from start to finish, but the Johnson team simply could not be beaten.

THE LAND OF VARIETY

IN NO OTHER agricultural district between the Great Lakes and the Gulf, from the Atlantic to the Pacific, can a farmer have a greater variety of crops from which to choose, than here in the Panhandle! Winter wheat, spring wheat, oats, millet, cane, Kaffir corn, Milo maize, and even King Cotton, are proven successful producers in this region where altitude and latitude, soil and rainfall are combined to make a gigantic farm, the possibilities of which have only been partially revealed. "Diversification," the slogan of the modern farmer, can nowhere be practiced to a greater extent, nowhere will it yield greater benefits than in Randall and adjoining counties.

Apples, peaches, plums, pears, every variety of berry, any kind of vegetable, melons of the most delicious flavor, are easily produced here, and yield in wonderful quantities.

For stock raising there is no better country or climate. Horses, cattle, hogs and sheep are brought to maturity at much less expense, than they can be raised in the East or North, where the severity of the winters entails a heavy feed bill and much confinement---while here our mild winters require only occasional shelter. The young can come at any month in the year without danger of loss. Poultry and dairying are sure to become great revenue producers, for we have here all the natural advantages which the hen and the cow require in order to give best results.

Pure, sparkling, water, obtained in inexhaustible quantity at a reasonable depth is another of our big assets. Our rich soil, capable of enormous production, of a depth which insures its wearing quality, needs only the plow and planter to convert it into a vast factory of food products which can be kept in operation the year round.

Our people here are from the best classes of citizenship---they are coming from every section of the Union, and "Old-timer" and "New-comer" alike are imbued with that spirit of progress which is fast pushing the Panhandle into the front rank of agriculture.

With the establishment of the West Texas State Normal, controlled by a faculty graduated from the best colleges and universities of the United States, our education facilities are ample.

As a place to make a home, as a place for investments which will yield big dividends and steadily increase in value, there is no section of the country which today can offer the opportunities awaiting you here in the Panhandle. Come and investigate.

We have a choice collection of farms, improved and unimproved, all nicely situated in regard to markets and railroads, which we can offer at prices sure to please you.

Citation by Publication. THE STATE OF TEXAS, To the Sheriff or any Constable of Randall Co., Greeting:

You are hereby commanded to summon G. M. Broek, and I. M. Broek by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 47th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 47th Judicial District, to appear at the next regular term of the District Court of Randall County, to be holden at the Court House thereof, in Canyon City, on the 2nd Monday in May 1911, the same being the 8th day of May 1911, then and there to answer a petition filed in said Court on the 1st day of February 1911 in a suit, numbered on the docket of said Court No. 514, wherein Rockwell Bros & Co. incorporated, is Plaintiff and G. M. Broek and I. M. Broek are Defendants, and said petition alleging that on June 7th, 1910, and next prior thereto, the defendants G. M. Broek, and I. M. Broek, resided in Canyon City, Randall County, Texas, and were without any home in which to reside and without the necessary means to purchase the material, and build a home; That at said time they owned lot No. Twelve (12), in Block No. Fifteen (15), in Canyon City, Texas, that the same had no improvements thereon, and to enable them to obtain the necessary material out of which to erect a residence on said lot for the purpose of making it their home, they did on the 7th day of June 1910, by their instrument in writing of that date, duly signed and acknowledged, prior to the obtaining of said material and prior to their residing on said lot as home, make, execute and deliver a contract to Rockwell Bros. and Co. whereby they agreed to give and did give a material-mens lien on lot No. twelve (12), in Block No. Fifteen (15), in Canyon City, Randall County, Texas, together with all improvements to be placed thereon, and at the same time executed & delivered their joint note, payable to the order of Rockwell Bros. & Co., at Canyon City, Texas, on or before December 1st, 1910, for the sum of Six Hundred and Seventeen and Fifty-One-Hundredths Dollars (\$617.50) with 10 per cent interest from date till paid; That said note further provided for 10 per cent additional on the principal and interest of said note as attorneys fees in case default is made in the payment of said note, and the same is placed in the hands of an Attorney for collection after default, or suit is brought thereon; and plaintiff further says that the defendants have made default in the payment of the principal and interest of said note for the full amount, and that the plaintiff has placed said note in the hands of B. Frank Buie an Attorney, for suit and for collection, and has agreed to give him the 10 per cent attorneys fees called for in said note for his services in suing on said note, obtaining judgment thereon and collecting the same; that plaintiff furnished said material as per contract.

THIRD: That the principal, interest and attorneys fees called for in said note are due, owing and unpaid to plaintiff, and the defendants have failed and refused to pay the same or any part thereof to Plaintiff's damage in the sum of Seven Hundred and Fifty Dollars (\$750.00). That said note and material-mens lien is all in one instrument and has been filed in this suit marked exhibit 'A' and defendants hereby notified that the same will be used as evidence on the trial of said cause.

FOURTH: Premises considered the Plaintiff prays that citation issue in terms of law citing defendants to answer this petition; That on final hearing plaintiff have judgment against defendants for its debt, principal, interest and attorneys fees, and a foreclosure of its material-mens lien on said Lot Twelve (12), Block Fifteen (15), Canyon City, Texas, with all improvements thereon, and an order of sale, for costs, all general and equitable relief to which it may be entitled. B. FRANK BUIE, Attorney for Plaintiff.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same. Witness, M. P. Garner, Clerk of the District Court of Randall County. Given under my hand and the Seal of said court, at office in Canyon, Texas, this 11th day of April A. D. 1911. M. P. GARNER, Clerk, D. S. (Seal) trict Court, Randall County, 34

CHANGE IN BUSINESS FIRM.

J. W. Armstrong Retired from the firm of Turk & Armstrong Dry Goods Company.

A trade was made last week whereby the interest of J. W. Armstrong in the firm of the Turk & Armstrong Dry Goods Co. was sold to T. P. Turk and T. C. Turk. T. P. Turk, the president of the firm, later sold interests to Z. C. Nelson, a traveling salesman, and to Miss Hudspeth of the Normal faculty. The name of the firm will continue the same, as the company was lately incorporated under the laws of Texas.

Married Twenty-two Years.

Friday the 28th was the 22nd anniversary of the marriage of Mr. and Mrs. W. T. Moreland, and in co-memoration of the event they served an elaborate three course dinner to a few of their friends. Mr. and Mrs. Moreland are old-timers on the plains and have many friends here who wish for them many more years of happiness and prosperity.

Block Building Started.

Ground was broken Thursday for the new cement block building which B. T. Johnson is to erect on the west side. Mr. Johnson hopes to have the building complete by July. He has all the blocks made so there will be no delays.

Buie Residence Progressing.

The new residence of B. Frank Buie on East Houston street is progressing very rapidly, and will be completed in a short while. The building is being finished with the very best material.

High School Notes.

Dr. Wilson visited the school Tuesday.

The High School baseball team plays Umbarger tomorrow. Umbarger has a very fast team for the size of the place. They have played several games this year and won them all, and as the High School hasn't lost any, the game tomorrow promises to be very good.

Miss Nettie Cobb visited the primary grades this week.

The Seniors are practicing hard on their parts for commencement.

Miss Zina Henson was a welcome visitor to the tenth and eleventh grade classes Monday afternoon.

Mr. Austin, a normal student, visited the ninth grade Monday.

The Alumni Association met Friday afternoon at the school building and elected the following officers for this year: President, Miss Maud Brandon; Secretary-Treasurer, J. P. Hicks. It is probable that the Association will give a banquet at the close of the term. The representatives for the different graduating classes have been selected and other speakers for the occasion chosen. It is expected that some thirty of the graduates will be present.

Douglas Johnson was forced to retuan last week from his school work at Abeline on account of bad health. He will remain in the city during the summer.
