

THE RANDALL COUNTY NEWS

Vol. XVI.

CANYON, RANDALL COUNTY, TEXAS, FRIDAY, JUNE 21, 1912.

No. 13

JULY PRIMARY TICKET MADE

MANY STATE OFFICERS, BUT FEW FOR COUNTY.

Central Committee Appoints Presiding Officers of the Various Boxes for Primary.

Saturday was the last day upon which candidates for county and precinct offices could file their applications with the chairman of the county committee in order to get their names on the ballot. The candidates for state and district offices had previously filed their applications and this week Judge L. C. Lair, county chairman, has in his possession the full list of names which will appear on the ticket, if their proper fees are paid by the second Monday in July.

The feature of the primary this year in Randall county will be the large list of candidates for state offices and the comparative few candidates for county and precinct offices. There are no more than two candidates for many county offices and only one for several of them. Compared with this is the congressman-at-large, two of which are to be elected and there are over twenty candidates.

The following is the list of county candidates together with their position on the ballot:

- County Judge: C. E. Coss, A. N. Henson.
- County Attorney: W. F. Fleisher.
- County Clerk: W. E. Lair, M. P. Garner.
- Sheriff and Tax Collector: W. A. Jennings.
- Tax Assessor: C. Eakman, R. E. Foster.
- County Treasurer: W. T. Garrett, P. H. Young.
- Commissioner, Precinct 1: H. T. Shelnutt, C. N. Harrison
- Precinct 2: E. W. Neece.
- Precinct 3: R. H. Caler.
- Precinct 4: M. S. Park.
- Justice Peace, Precinct 1: H. T. Shelnutt.

PRESIDING OFFICERS

The following presiding officers were appointed for the different boxes:

- Canyon box—Geo. A. Brandon presiding officer, S. B. Lofton and J. M. Black, judges.
- Park box—W. E. Bennett, Hoffman—Will Cage.
- Umbarger—Jno. Wilson.
- Jowell—C. P. Hileman.
- Trigg—Andy Costley.
- Ceta—J. T. Wesley.

An assessment was levied upon the candidates to defray the expenses of the election to the following amounts: County candidates, \$10; state, district and precinct \$1. These amounts must be paid by the second Monday in July or the candidate's name will not appear on the ballot.

City Beautiful.

Every town cannot become a great city, but every town can keep clean and cleanliness is one of the cornerstones of city building. There is nothing more inviting than clean streets, beautiful shade trees and lovely lawns.

The large volume of business transacted in many cities makes cleanliness more difficult, but our dirt should be the smudge of toil and our trash the litter of a work shop. By all means keep the city clean.

The Corridor in the Normal Building.

SUMMER NORMAL IS VERY SUCCESSFUL

TRAINING SCHOOL DEPARTMENT STARTED TUESDAY.

Attendance is on the Increase—Interest Reported to be Fine Among the Student Body.

There have been 20 enrollments at the Normal during the past week, with a few more being added to the list every day. Continuing at the present rate, the enrollment will overreach the 500 mark before the end of the month.

The model training work was started Tuesday with an enrollment of 70 boys and girls from the city. Miss Lamb is well pleased with the opening of this department and reports that she has all the pupils she needs excepting in the 4th and 5th grades where there is room for a few more. The model training school pupils get credit for the work done during the summer as if they had taken these studies during the regular school year. The pupils for the model training school had hitherto been a part of the public school system but owing to the heavy work falling upon the teachers in the public schools by withdrawing two teachers and placing them with the pupils of the training school, the board of trustees has seen fit not to co-operate with the Normal during the coming year. Hereafter the model training school will be operated wholly under the supervision of the Normal authorities. The work of the pupils in the training school has been very successful and all the children have enjoyed their studies to so great an extent that this department of the Normal will at all times have sufficient members for the work.

The number of credit students enrolled for this summer is about 150. This is 100 more than were enrolled last summer. This number will remain for the work of the entire quarter while the remaining 300 now enrolled will return home after the state examinations. The faculty is well pleased with the large number of credit students as they consider the proportion very good.

There is nothing that will make other people think so little of a man as to get mad at the fellow who differs politically with you. For example, look at Teddy and Taft.

WILL PLAY AGAIN.

Fats and Leans are Scheduled for Another Contest on Normal Field Friday Afternoon.

The second charity game of the season will be played at the Normal grounds Friday p. m. While some members of the fat team on Monday were not very fat and some members of the lean team had long since ceased to be lean, the contest Friday promises to be played strictly by leans and fats.

The game between these two teams will consist of perhaps five innings when practically the same line up as played Monday will be substituted and the remaining four innings be played, provided there is enough time before dark. The managers promise that the game will start promptly at four o'clock. As one of the managers said yesterday, "Four o'clock does not mean 4:30 but we are going to start promptly on time."

Wheat Looking Good.

Fred Gano made a tour of the southern part of the county this week examining the wheat fields and reports that wheat will be much better than generally expected. He visited over twenty fields in which there were approximately 5000 acres, and estimates that the yield for the whole will average not less than 10 bushels. He says that the early wheat was hurt by the three weeks of dry weather but that the late wheat was in excellent condition. Mr. Gano says that it is very easy to tell the fields of wheat that have been plowed and those which have not as the latter will make practically nothing. He cites for an example wheat on his own field just west of the city. He has 25 acres which was plowed just as deep as the steam plow could go and 3 acres which was put in by the discing method. The 25 acres has long heads and is looking fine while the 3 acres will make nothing.

Mr. Gano says that the oats he saw were looking fine and that the yield will be good.

Maize and kaffir are growing nicely, but Mr. Gano says that there is a whole lot of grain being absolutely wasted by the farmer listing the land only an inch deep as the weeds are sure to take the crop and should it be dry the land will soon dry out. Mr. Gano is an advocate of deep plowing and says the farmers who do not use this method are losing money.

FARMERS' INSTITUTE COMING NEXT WEEK

SATURDAY, JUNE 22, AT 1:30 P. M. IN CANYON.

Practical Talks Along Practical Lines Hog and Sheep Raising will also be Discussed.

In addition to the announcement made to the News last week regarding the Farmers' Institute, we have received word from Major W. J. Duffel, of Claude, stating that he will be at the institute to give a talk on hog raising and sheep farming. Major Duffel is president of the Northwest Texas Swine Breeder's association and is one of the most prominent hog raisers in this section of the state. He has been in the business for fifty years and is in a position to tell the farmers of Randall county something interesting about the hog and sheep business.

The institute will be under the direction of J. W. Neill, of the state agricultural department. Mr. Neill has been in the farmers' institute business for a number of years and will give the farmers some good advice.

The institute convenes at the district court room at 1:30 p. m. and it is hoped that every farmer in the county will be present to hear what the promoters have to say. As Ed. R. Kone suggested: "Bring the family and stay all day."

Will Publish Thursday.

Owing to complaints from subscribers on the rural route and on the line in the southern part of the county, the News will be published hereafter on Thursday afternoon so that papers will go out on the route Friday morning, not having to lay over until Monday. This change will be greatly appreciated by a large number of our readers and we trust that our correspondents will take note and get their letters to the office by Tuesday night or Wednesday morning. Those living in Canyon who wish items of news in the paper must call us not later than Thursday morning.

L. T. Lester, of Canyon, is in Lubbock this week looking after his banking interests in this city and visiting his son, C. D. Lester, cashier of the First National Bank.—Lubbock Avalanche.

MARRIAGE SATURDAY AFTERNOON

Miss Marie Rose Kleinschmidt and R. Elpenon Reynolds are United in Marriage.

A very quiet wedding occurred at the Methodist parsonage Saturday afternoon at 4 o'clock, when Miss Marie Rose Kleinschmidt and R. Elpenon Reynolds were united in marriage by Rev. F. M. Neal. The couple were not attended by any of their relatives, the idea being to make the marriage as simple as possible and as a surprise to their friends. The bridal couple left on the 4:55 train for Amarillo where they spent Sunday.

Miss Kleinschmidt came to Canyon from Illinois about two years ago. She is the daughter of Mr. and Mrs. J. Barney Kleinschmidt and has made many friends during her residence in the city, who join with her host of Illinois friends in wishing her all the joys of a wedded life.

Mr. Reynolds has lived in Canyon for a number of years. He is the son of Mr. and Mrs. George Reynolds and has been engaged in the grocery business with his father. Their business relations will continue as in the past.

The News joins with their friends in wishing them a long and happy life.

Students Elected to Positions.

Prof. J. A. Hill, of the Normal faculty, reports that the number of seniors to be elected to good schools is large, the following being among those who have not been published:

Misses Parsell, Parsell, Wiggins, Sugart, Harrison and Connor and R. A. Stuart were all elected to the Canadian school. Miss Harrison has since accepted a position at Sweetwater and Mr. Stuart at Newark.

Miss May Cowling of last year's class was re-elected at Tulla, but has accepted a position at Sweetwater.

Wash Storm will teach in Goodnight.

Misses Davis, Jenkins and Edwards were elected at Childress but Miss Jenkins has accepted at Merkel and Miss Edwards at Hereford.

Miss Florence Lawler was elected at Memphis, but accepted at Silverton.

E. L. Henderson was elected at Miami.

Miss Ethel Hemphill was elected at Santa Anna.

Miss Pearl Shelnutt was in Amarillo Sunday visiting friends.

FATS BEAT LEANS BASEBALL MONDAY

SCORE WAS 13 TO 12—SIX INNINGS PLAYED.

Features of the Game Too Numerous To Mention—Game Played for Sake of Charity.

The mist and cold north wind of Monday afternoon did not dampen the enthusiasm of the fat and the lean baseball teams which were scheduled for a five inning battle, but it did stop many of the fans from attending the game and drove many from the field who had gone to witness the battle royal. The fats were the winners by a score of 12 to 13, six innings being necessary to decide the winners. At the end of the fifth, the score was ten to ten and during the sixth, the fats made three runs while the leans registered only two.

The features of the game were just like a farmer's clean up sale and other articles too numerous to mention. The fast work of Oscar Hunt on second, the star fielding of Tom Rowan in right and his wonderful steal home (coming in on the roll), L. L. Monroe's "punting" in center, John A. Wallace's two baggers, M. F. Slover's star work behind the bat (as pig tail), all added to the interest of the game and to the scores registered by the fats. As for the leans, they were all (would-be) stars and they themselves acknowledged (before the game) that they had the better team and would have ten big fat scalps hanging to their belts at the end of the fifth.

The score keeper started to keep account of the hits, errors, etc., but after wearing out three good assistants and using up three reams of costly bond paper gave up the job as hopeless. And besides the errors might not look good in print. Be it furthermore said, that there is not much danger of losing any of our fellowtownsmen by being drafted to the big baseball leagues.

The following was the line up of the teams:

| FATS | | LEANS |
|----------|----|-----------|
| Doniphan | c | Luke |
| Hoover | p | Lair |
| Fleisher | 1b | Griffin |
| Hunt | 2b | Stewart |
| Davis | 3b | Phillips |
| Stratton | ss | Hutchings |
| Rowan | rf | Usery |
| Wallace | lf | Cleveland |
| Monroe | cf | Thacker |
| Slover | pt | Smith |

The following was the scores by innings:

| | | | | | | | |
|-------|---|---|---|---|---|---|----|
| Fats | 3 | 3 | 3 | 0 | 1 | 3 | 13 |
| Leans | 2 | 1 | 1 | 3 | 3 | 2 | 12 |

Umpire, O. I. Smith. Time, 2 hours and 30 minutes.

Managers, J. D. Gamble, fats; Dr. S. R. Griffin, leans. Receipts \$15.50

Picnic Monday.

The Sesame and Cousins literary societies of the Normal went to the canyons Monday for a picnic. They report a splendid time, but owing to the rain and wind many of them got mighty cold before reaching home at night.

T. A. Foster Not Improving.

T. A. Foster is reported to still be in a very critical condition since his stroke of paralysis last week. He seems to be growing weaker and little hopes are entertained for his recovery.

SPECIAL FOR MAIL ORDER BUYERS

All We Ask is a Fair Show

You can't be blamed for buying the most you can for your money—but be sure you get it.

Before you order a "mail order" separator write to the concern and tell them that you want to try their machine out against a De Laval, with the privilege of sending their machine back if you decide that the De Laval is better worth what we ask you for it than their machine what they ask.

That's absolutely fair, isn't it?

We'll be glad to furnish you a De Laval for such a trial any time you like and let you be the judge.

We are glad to make this offer because we know that the De Laval will give you better service and cost you less in the long run than any other machine you can buy, no matter what the price.

SOONER OR LATER YOU WILL BUY A DE LAVAL

Easiest to turn, easiest to wash, skims the cleanest lasts the longest

OUR FARM POULTRY

The following is the thirteenth of a series of articles on farming on the Plains of Texas, written by H. M. Bainer, Agricultural Demonstrator for the Santa Fe:

OUR FARM POULTRY

The bulk of chickens and eggs of Texas are produced by the farmer. Every farmer of limited means should keep from 100 to 500 good laying hens all the time. If they are properly fed and cared for, the eggs alone will bring in a net return of at least \$1.00 per hen per year.

The poultry business like any other line of business, requires a certain amount of intelligent attention. The farmer who sees no money in the hen, certainly has another look coming. As long as he looks upon her as a necessary evil and a scavenger and lets her take care of herself, very little returns should be expected.

Many of our farmers say, "My hens eat more than they are worth." Usually upon investigation, these unprofitable flocks are found to contain a mixture of breeds, colors and ages. No culling is being done. Old and young are handled alike. A large number of roosters are unnecessarily allowed to overrun the premises. As soon as the hatching season is over, the old rooster should be sent to market. Some of the hens are found to be too fat, others too old and the few that are profitable producers cannot over balance the losses.

Culling Necessary: The first step towards profit in the above described flock is to thoroughly cull it. The flock may have 200 hens in it with only 100 producers. These 100 hens that have been trying to over balance the losses of the 200 flock will make a wonderful showing by themselves. Experts tell us that the average number of eggs laid by the Texas hen in one year is 60. They also tell us that a fair average of a well kept flock should not fall below 120 or ten dozen. In this culling process, keep the hen that produces what is wanted at least cost and by all means get rid of the others.

Breed: There is very little difference in the laying qualities of many of the best breeds. The number of eggs produced being largely due to the feed and care. It costs no more to feed and care for pure bred stock than scrub stock and the marketing opportunities of the standard breeds are best.

Everything else being equal the smaller breeds will produce eggs at less cost than the larger breeds, although many of the medium sized breeds will lay as many eggs. There is no question but that for average farm purposes the so-called "general purpose" breeds are best. These general purpose breeds not only produce the eggs, but are more valuable from the poultry market standpoint. The best general purpose breeds are the Plymouth Rocks, (Bared, White and Buff), Rhode Island Reds and Wyandottes (Laced, White and Buff.)

Feeds and Feeding: Farm poultry will pick up a large part of their feed from that which otherwise would be wasted but they should be watched especially when this waste supply is short. Hens like other live stock, require variety. There is nothing better for poultry feed than kaffir or milo maize, fed in connection with wheat, oats, barley, millet or alfalfa.

During summer months hens get all the insects and worms they need, these can be supplied in winter months in the form of meat scraps, jack rabbits, skim milk or curd. In addition, poultry should be supplied with grit, oyster shell and charcoal, especially during winter months. The hens will also do better if supplied with grass, alfalfa leaves, cabbage, ensilage, sprouted grain

or anything that is green or succulent.

Water: Hens often decrease in egg production from lack of a good supply of drinking water. The importance of an abundance of water can readily be seen when we consider that 65 per cent of an egg is water, as well as 15 per cent of the hen's body. Good, pure, fresh water should be supplied at all times. In winter the water should be warmed.

Housing: Hens do not require finely finished, doubled walled or plastered, painted houses, but at the same time "any old shack" with the air coming in from four sides at once, will not do.

In the dug-out style of house, 500 hens can be housed at once with very little danger of sickness, especially if it is cleaned at least twice a week as it should be. For poultry profit the "once a year" plan of cleaning house cannot be recommended. All roosts should be placed on the same level, about half way between the roof and floor. In order to use all floor space for the hens, a tight dropping board should be placed about a foot below the roosts.

The house should face the south. The roof, north side and ends should be tight, so there is no chance of a draught. A draught on a hen is almost certain to give her roup or some other disease. The curtain or open front house is recommended for this section.

Makes the Nation Gasp.

The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing, by Bucklen's Arnica Salve, of thousands who suffered from burns, cuts, bruises, bullet wounds or explosions. Its the quick healer of boils, ulcers, eczema, sore lips or piles. 25c at Cassles Drug Co.

Children's Day Exercises.

Children's day exercises will be conducted next Sunday morning at the Methodist church by the children of the Sunday school. The teachers are working hard and the exercises will be fine.

This Is So

We wish to state in as plain and vigorous way as words can express it that Hunt's Cure will positively, quickly and permanently cure any form of Itching Skin disease known. One box is guaranteed to cure. One application affords relief.

Fine Lecture.

Dr. H. A. Boaz, vice president of the Southern Methodist university at Dallas, delivered a very fine lecture Friday night at the Methodist church on "Fools and Funny People." Mr. Boaz is an able speaker and made a good impression with the large audience. He was working in the interest of his school and received \$250 while in the city.

BETTER TO TAKE THAN CALOMEL

Dodson's Liver-Tone, a Wholesome, Reliable Medicine that Takes the Place of Calomel.

Dodson's Liver-Tone strengthens the liver—it does not drive it to its work by over stimulating it as calomel does.

Dodson's Liver-Tone does not have any of the dangerous after-effects of calomel. It is a vegetable liquid—absolutely safe for either children or grown people. Everybody likes its taste.

No restriction of habit or diet necessary.

Get a bottle at City Pharmacy drug store, 50c and try it. If it doesn't satisfy you, if it doesn't take the place of calomel, you can get your money back by asking for it.

The Old Oaken Bucket
Filled to the brim with cold, clear purity—no such water nowadays.
Bring back the old days with a glass or bottle of.

Coca-Cola

It makes one think of everything that's pure and wholesome and delightful. Bright, sparkling, teeming with palate joy—it's your soda fountain old oaken bucket.

Free Our new booklet, telling of Coca-Cola vindication at Chattanooga, for the asking.

Demand the Genuine as made by THE COCA-COLA CO. ATLANTA, GA.

Whenever you see an Arrow think of Coca-Cola.

Confectioneries

Cold Drinks

The best line of candies in the city is to be found at our place. We have the EXCLUSIVE sale of the famous Douglas Chocolates, the finest on the market. Full line of best cigars. Try our cold drinks, you will be pleased with them. They are delicious. The best fountain in the city.

Black Bros.

If You Are Ready to Build

Remember that we carry an extraordinary large stock of lumber. We make prices that will be of great interest to you, and insure you the best and quickest service that is possible to give. It is no trouble for us to figure bills, and we will take pleasure in doing so, no matter how large or small the bill may be. It may be that you only need a few pieces with which to repair work, but we will be as glad to sell you that as we would large bills. Come to see us.

Pleasantview Items.

(Too late for last week.)

Good rains have fallen in the last ten days which was greatly needed and will last a long time and do lots of good.

Row crops are coming along fine and farmers are still busy planting.

Thursday's rain was very hard and washed some on rolling land and flat land. The crops were covered up some but in all we are better off than if we had not gotten the rain. It was too late to help wheat and oats much.

Some are listing the wheat and oats ground in maize since the abundance of rain.

Tom Herriott has recently added to his improved section a nice milk house and new tank.

Mrs T. J. Prichard who was thrown from the buggy in a run-

away last week, has recovered from her shock and bruises.

The steam grader came to do some work on our road last week beginning at the old Shotwell place and extending north to the railroad, but we were sadly disappointed to see them go one round and then hike we know not where. Now this piece of road is in a very bad shape and we hope the Co. Judge will send the grader back and fix this road so loaded wagons can pass each other.

There is no real need of anyone being troubled with constipation. Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers.

LADIES—Get your engraved calling cards at the News office.

Literary Societies Active.

The literary societies at the Normal are very active and have enrolled a large number of students for the summer work. The Cousins report that they have 60 in their society and the Palo Duros have 50. Both of the ladies' societies are well attended. The meetings are reported to be interesting and that some of the societies are now at work on special programs to be given during the quarter.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all dealers.

Silo Information.

* The News is receiving a great many inquiries from subscribers who want information concerning silos of different kinds. We suggest to all such that they obtain, so far as they can, the bulletins which we mention below: Illinois experiment station, Urbana, Illinois, Bulletin No. 102; Iowa experiment station, Ames, Iowa, Bulletins Nos. 100 and 117; Wisconsin experiment station, Madison, Wisconsin, Bulletins Nos. 125 and 124; Michigan experiment station, East Lansing, Michigan, Bulletin No. 255; Missouri experiment station, Columbia, Missouri, Circulars Nos. 48 and 49; Bureau of Animal Industry, Washington, D. C., Circular No. 136; Department of Agriculture, Washington, D. C., Farmer's Bulletin No. 292.

We think all of these bulletins can be obtained free of charge by dropping a postal card to director experiment station at each point, and asking for them. In addition to this literature, most of the silo manufacturers have put out very attractive pamphlets and catalogues which contain a great deal of valuable information of a general character in addition to the descriptive matter of their own silos. A postal card should be addressed to each of the silo manufacturers asking for this information, which will be gladly sent free.

Calomel Is Bad

But Simmon's Liver Purifier is delightfully pleasant, and its action is thorough. Constipation yields, billiousness goes. A trial convinces. (In yellow tin boxes only.) Tried once, always used.

Crops are Very Promising.

"The Plains of the Panhandle country never looked more promising, said W. M. Bryson, of Plainview, Texas, today, as he talked about grass, cattle and crops.

"The wheat fields look good, all headed out and doing well, and the acreage of forage feed is very large, while the different varieties of these crops never looked more promising. It is a case where a good crop season follows a very severe winter, I suppose. Each year seems to show a great increase in farming with a general tendency to spread out in forage feeds, such as kafir corn, millet, milo maize and the like, and of course alfalfa, the great staple hay feed.

"Grass is extra good, and the cattle can not help doing well. We had a hard pull getting them through the winter, but they are bringing very high prices, so that cattle owners, under the circumstances, are not going to lose anything."—Plainview Herald.

A CORROBERATION.

Of Interest to Canyon Citizens.

For months Canyon citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Canyon residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that have stood the test of time. The following statement should carry conviction to the mind of every Canyon reader.

C. P. Shelnett, Canyon, Texas, says: "You are at liberty to use my statement as heretofore. Whenever I have had occasion to take this remedy, the results have been satisfactory."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other. 11-24

In the editorial "What Would Ramsey Do?" in last Saturday's Ft. Worth Record, a direct question was asked concerning Judge Ramsey, which if not answered before the primaries will defeat him by many thousand votes. Judge Ramsey follows the line of policies presented by Governor Campbell, and during the Campbell administration was one of the biggest camp followers, being appointed to several important offices. In spite of the fact that during his first term Campbell had approved measures to relieve the A. & M. college, during his second term he vetoed all measures concerning improvements at the college and caused hundreds of young men to live in tents who ought to have been in new dormitories. During the past year destructive fires have occurred at the college and in order to prevent the college from being altogether closed, Governor Colquitt has authorized deficiency warrants, which have been taken up by bankers all over the state. An appropriation covering these warrants will be passed by the next legislature. Now suppose Ramsey is elected, will he veto this bill and cause the banks of this state to lose the money they have given to the college? Will he veto the bill and practically put the great A. & M. college out of business? Suppose the West Texas State Normal college would burn down, would Ramsey veto a bill providing for a new building? There is something more in this race than prohibition, which Judge Ramsey himself eliminated, and if the people of Texas want to see their schools grow, let them vote for the man who is interested in the schools and who has a record favorable to the schools. Governor Colquitt has the good of the state schools at heart and if there were not other reasons for his re-election, this alone ought to warrant him every vote in Canyon.

Every farmer is wanted in Canyon Saturday, June 22, to attend the farmers' institute. It is the purpose of the meeting to try and form a permanent organization which would have regular meetings. Every trade and fra-

ternity under the sun are banded together into social organizations and the farmers should not overlook the opportunities and benefits of organization. J. W. Neill, of the state agricultural department, will have charge of the institute when held in this city and has some interesting questions for discussion. Every farmer should be at the court house promptly at 1:30 p. m. and stay until all the subjects are discussed.

Hon. C. B. Randell is making a hard fight for what he calls the principals of democracy. Mr. Randell has a clean record in congress and he has made a splendid fight against congressional grafts, but Texas' politics are so muddled with prohibition, that Bailey, the tariff, special interests and graft are almost forgotten by the average voter. While Mr. Randell is making friend everywhere and is making good impressions upon the people, he is gaining few votes. That his platform is alright, there is no doubt, but he has entered the field too late in order to gain large numbers of votes. His strength will be greater than people generally suppose, but unless there is a great change he will receive nothing like the number of votes the other two men get.

It is stated that Richard S. Lull, professor of vertebrate paleontology, Yale, will visit the Plains in a few days in search of fossil horses. He will inspect the bones resembling those of a horse about one hundred hands high which were discovered by R. M. Irick, of Plainview, while developing a gravel pit. It is claimed that the horse originated in the Plains country of America and had a cloven hoof, hence the interest attached to this visit.

The friends of Judge Lancaster are not doing that gentleman's cause any good by abusing Judge Browning. We know of votes lost to the Plainview man by this course. Browning will go out of the Panhandle with a big majority and the other sections of the state will decide the question as to the one to go to Washington.—Claude News.

Yes, and the other sections of the state are going to decide that Judge Browning is the man we need in Washington.

The Panhandle Firemen's Association will meet at Vernon August 20-22. Canyon has won the chief's trumpet for two years and two years ago won \$65 in money. The News hopes to see the boys repeat their honors this year.

THE PARAGRAPHER.

Change of scenery—exit Chicago, enter Baltimore.

Horseback riding is getting to be quite a fad among Canyon girls.

It is easier to want to get up in the world than to want to get up in the morning.

Fishermen are having good luck. Large strings of big fish are seen on the streets every day.

Judge J. N. Browning, of Amarillo, and Daniel E. Garrett, of Houston, are going to be the congressmen-at-large.

The new battleship "Texas," well represents the state after which she was named—the biggest and best of them all.

More Canyon people should be swatting weeds. Kill them now and they won't bother very much the remainder of the year.

With all the political pow-wow on hand, the daily newspapers have almost forgotten there is to be a big prize fight July 4.

Every farmer should take a day off June 22 and attend the farmers institute to be held in Canyon. It will do them good.

There is some talk of politicians getting their speeches on phonograph records. Taft's and Teddy's would certainly melt the wax.

Teddy says he is in favor of woman suffrage. Evidently he just received the report of the recent debate on that subject at the Normal.

Happy Items.

J. M. McNaughton was in Plainview Thursday.

J. A. Currie and wife went from here to Amarillo as delegates to the I. O. O. F. convention.

The ladies aid met with Mrs. O. H. Rafis Thursday.

Maurine Baggary went to Panhandle last week to visit for several weeks.

Math Grady has moved to town and gone to housekeeping.

Clyde Miller left for Illinois last week.

The Plains Supply has been busy unpacking their stock of goods that they shipped here from Panhandle.

Miss Allie Grayson from Canyon was down Sunday to spend the day at the J. M. Evans home.

Aurielus Madison from Amarillo is here for several weeks visiting friends.

Anna Wakefield came home from Canyon for several days.

Mr. Canteberry and family arrived Tuesday from Charleston, W. Va. They had left there several years ago.

Albert Rubbert was taken to the hospital at Dallas Wednesday for an operation for appendicitis.

W. F. Lester left Saturday for a few days vacation.

Mr. McQueen left Sunday for Colorado. Happy.

Walters and Sheppard Debate.

The latest development in the senatorial contest is the acceptance of a challenge by Hon. J. F. Walters by Congressman Morris Sheppard for a joint debate on the tariff question at the city of Athens next Monday afternoon. Mr. Sheppard had previously rejected such a proposal from Mr. Walters.

Prohibition Election Called in This County.

In accordance with the election laws, a prohibition election cannot be held sooner than two years after the last election was called. This time restriction is not recognized, however, by the people in recommending Hunt's Lightning Oil for Neuralgia, Rheumatism, Headaches, etc. For thirty odd years it has been acknowledged to be the best. Sold everywhere in 50c and 25c bottles.

GROCERY SALE

THREE DAYS ONLY

SATURDAY - MONDAY - TUESDAY

We have some genuine bargains for you on the following items. We only have a limited quantity and they will move rapidly at these prices. Better get your orders in early. These are articles on which we bought futures and we are offering them to you for at least 10 per cent less money than we can buy for today. You will not have an opportunity to buy at these prices again before Oct. 1st. The prices on canned goods have advanced from 10 to 20 per cent since these goods were purchased, and we will not have cheaper prices before the new crop is on the market. We appreciate your business and to show our appreciation are giving you our profits on the following articles.

DRY GOODS, CLOTHING & GROCERIES
CANYON, TEXAS

Mr. and Mrs. B. R. Davis, of Roscoe, have moved to Canyon and are occupying the Terrill residence on Chestnut street. Mrs. Davis is a daughter of Mr. and Mrs. G. W. Avent.

Move on Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action and health follows. 25c at Cassles Drug Co.

The weather during the past week has been very cool, in fact much cooler than ordinary. The wind changed to the northeast Saturday and continued fast un-

til Wednesday when it changed to the south bringing warmer days. Monday was especially cold, the sharp wind being accompanied by mist and rain falling for a part of the day.

JUST OPENED UP

THE COMMERCIAL HOTEL

In Smith rooming house, west side square, Canyon Texas. Large cool rooms, also large dining room below. Table supplied with best market affords. Transient trade solicited. BOARD BY MONTH OR WEEKLY RATES.

Harry Humphris, Proprietor.

FRESH MEATS

I know that every person in Canyon is interested in getting the best values for his money when it comes to buying meats for his table. I am therefore particular in my buying to get only the best, to keep it in splendid condition until you order it, and when you phone or call at our store to send it to your house in first class condition.

I pay cash for all my meats and sell strictly for cash. In order that you may always have the ready change to pay the delivery boy, I have \$5 and \$10 coupon books which I prefer you would buy and it would thus save both of us' time in making the transaction.

I keep all kinds of meats and extend to you a most cordial invitation to become one of my regular customers.

Miss Ethel Farwell, of Channing, returned home Monday after visiting with Mrs. F. M. Neal for a week and attending the Howren-Word marriage.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
F. J. CHENEY, & CO., Toledo, Ohio.
Sold by Druggists; See The Hall's Family Pills for constipation.

The Engagement Ring

Notice of Sheriff's Sale.

(REAL ESTATE)

By virtue of an order of sale issued out of the Honorable District Court of Randall county, on the 1st day of June A. D. 1912, in the case of The Cedar Valley Land and Cattle Company, Limited, The First National Bank of Canyon and B. E. J. Peacock joined by her husband, R. C. Peacock versus Isidore Mantz, Firm Saunders, Jesse Saunders and W. R. Evants, No. 653, and to me, as Sheriff, directed and delivered, I have levied upon this 1st day of June A. D. 1912, and will, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on the first Tuesday in July A. D. 1912, it being the 2nd day of said month, at the court house door of said Randall county in the town of Canyon, proceed to sell at public auction to the highest bidder for cash in hand, all the right, title and interest which Isidore Mantz, Firm Saunders, Jesse Saunders and W. R. Evants had on the 8th day of September A. D. 1908, or at any time thereafter, of, in and to the following described property, to-wit: All of survey No. Forty-nine [49] Block K-14, Cert. No. 161, Tyler Tap R. R. Co. land situated about 18 miles south west from Canyon City, in Randall county, Texas, containing 640 acres; the North half and the South half each to be sold separately. Said property levied upon under said Order of Sale to satisfy a judgment in favor of The Cedar Valley Land and Cattle Company, Limited, for \$7,277.23 owing by Isidore Mantz, and a judgment in favor of B. E. J. Peacock and the First National Bank of Canyon, each for \$2,912.33 against Firm Saunders, and being a lien on the North half of said land only, and all costs of suit, including my legal fees, and commission for executing this writ.

Given under my hand this 1st day of June A. D. 1912.

WORTH A. JENNINGS, Sheriff,
Randall County, Texas. 1113

It is well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all dealers.

Man Coughs and Breaks Ribs.

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonsful relieves a long cough while persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure its a God-send to humanity," writes Mrs. Effie Morton Columbia, Mo., "for I believe I would have consumption today, if I had not used this great remedy." Its guaranteed to satisfy, and you can get a free trial bottle or 50c or \$1.00 at Cassles Drug Co.

Ends Hunt for Rich Girl.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at Cassles Drug Co.

A sprained ankle may as a rule be cured in from three to four days by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers.

Fell from Scaffolding

Oklahoma City, Okla: Oscar A. Anderson of 2401 South Walker street fell from a scaffold and though considerably sprained and bruised is able to be about. He says Hunt's Lightning Oil took all the soreness away. It is also good for Headaches, Neuralgia, Rheumatism. All dealers sell in 25c and 50c bottles.

Notice of Sheriff's Sale.

(REAL ESTATE)

By virtue of an order of sale issued out of the Honorable district court of Randall county, on the 3rd day of June A. D. 1912, in the case of The First National Bank of Litchfield, Ill., versus W. H. Rice, S. B. Edwards and C. W. Dodson No. 648, and to me, as Sheriff, directed and delivered, I have levied upon this 5th day of June A. D. 1912, and will, between the hours of 10 o'clock a. m. and 4 o'clock p. m., on the First Tuesday in July A. D. 1912, it being the 2nd day of said month, at the court house door of said Randall county, in the town of Canyon, proceed to sell at public auction to the highest bidder for cash in hand all the right, title and interest which the said W. H. Rice, S. B. Edwards & C. W. Dodson had on the 20th day of June 1909, or at any time thereafter, of, in and to the following described property, to-wit:

First tract: The S. E. quarter [1-4] of section No. 283, block M-6, Cert. No. 284. Second tract: The S. W. quarter [1-4] of section No. 283, block M-6, Cert. No. 284. Third tract: The N. E. quarter [1-4] of section No. 283, block M-6, Cert. No. 284. Fourth tract: The N. W. of section No. 283, block M-6, Cert. 284.

Fifth tract: The S. W. quarter of section No. 284, block M-6, Cert. (No. 284. Sixth tract: The S. E. quarter of section No. 284, block M-6, Cert. No. 284. Seventh tract: The N. E. quarter of section No. 284, block No. M-6, Cert. 284. Eighth tract: The N. W. quarter of section No. 284, Block No. M-6, Cert. 284.

Said property being levied on as the property of defendants (W. H. Rice, S. B. Edwards & C. W. Dodson) to satisfy a judgment amounting to \$4165.17, in favor of the First National Bank of Litchfield, Illinois, and costs of suit.

Given under my hand this 5th day of June A. D. 1912.

Worth A. Jennings, Sheriff
Randall county, Texas. 1113

Sheriff's Sale.

By virtue of a certain order of sale issued out of the District Court of the 47th Judicial district of Texas, in and for Randall county, on the 24th day of May A. D. 1911, in a certain cause wherein the State of Texas is Plaintiff and J. R. Gaut is defendant, upon a certain judgment rendered in said court on the 24th day of May A. D. 1911, in favor of the said, the State of Texas, plaintiff, and against the said J. R. Gaut, defendant, for the sum of Twenty-six and 30/100 (\$26.30) dollars and interest thereon at the rate of 6 per cent per annum from the date of said judgment, together with all costs of suit, and foreclosing a tax lien upon the hereinafter described property I have levied upon and seized, and will, on the first Tuesday in July A. D. 1912, the same being the 2nd day of said month at the court house door of said Randall county, Texas, in the town of Canyon, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day, proceed to sell to the highest bidder for cash in hand, all the right, title and interest of J. R. Gaut, in and to the following described real estate, levied upon as the property of J. R. Gaut, viz:

All of block Number Twenty-five (25) in Bomar Addition to Canyon City, Randall county, Texas.

Said sale will be made by me, as aforesaid, to satisfy the above described judgment, and the proceeds of said sale will be applied to the satisfaction of said judgment. Said sale will be made subject to the defendant right to redeem said property in accordance with the laws of the State of Texas in such cases made and provided.

Given under my hand this 5th day of June A. D. 1912.

Worth A. Jennings, Sheriff
of Randall county, Texas. 1113

Notice!

Notice to the stockholders of The First State Bank, of Canyon, Texas. An election will be held in the Bank's office July the 10th at 5 p. m. 1912, to determine if we the stockholders of said bank, shall increase the capital Fifteen Thousand Dollars. Jno. T. Holland, President. J. P. Winder, Cashier. 7ts

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

Subscription to the Woman's Home Companion taken at the News office. \$1.50 per year. 1f

MAN has acquired a hunger for land which he can call his own. The supply is limited---the demand unlimited! Land values have risen to prohibitive prices in older settled states!

The Panhandle Is Ready For The Farmer

Here is a deep, rich soil, ready for the plow. An ample rainfall and a most healthful and splendid climate. Adequate railroad facilities by which to reach the markets of the world.

A return to normal climatic conditions, a greatly increased acreage of winter wheat, spring wheat, oats and barley, an unqualifiedly successful demonstration that Kaffir corn and Milo maize cannot be excelled as material for ensilage, the "better farming" spirit and the results of studying and developing this land assures a prosperous year.

The successful outcome of flax culture, demonstrated last year under conditions much less favorable than can confidently be reckoned on in the future has added another to the list of our resources.

Farms can be bought here now cheaper than they can later on, at prices which are certain of a steady advance as the summer and fall emigration stimulates the demand.

My farms are all favorably located, as regards towns and railroads and give the buyer a wide range in selection. All the improved farms are rented to good farmers and will produce a substantial revenue this year.

I am in position to give terms to suit the purchaser.

Dog Team in Canyon.

Eli Smith, of Alaska, passed through Canyon Wednesday on his way to Santa Fe, N. M., on his trip of visiting every capital in the United States. He is driving a team of seven dogs, only one of which has made the entire trip with him. He started from Nome, Alaska, on November 14, 1905, and has visited every capital in the United States excepting those of New Mexico, Arizona and California. There is a \$30,000 bet up on the trip and Smith is confident of winning the prize. His outfit consists of an Alaskan sled fitted with wheels where there is no snow and on this he carries his entire

camping outfit. The one dog which has traveled the 43,420 miles with him to date looks to be in perfect condition and able to make the remainder of the journey. Whenever a dog dies Smith picks up the strongest dog he can find, preferably the mongrel, and places him in the harness. He says that he can have a dog working fine within five days. Smith has been traveling nights until he came upon the Plains as central Texas has been so hot in the day time. Smith seems to have thoroughly enjoyed his seven year's outing and is confident of winning the \$30,000 within a few months.

SEEDS ADAPTED to the SOUTHWEST. Bee-Keepers' Supplies, Poultry Supplies. SWIFT'S Fertilizers. ROSWELL SEED CO., Roswell, N. M.

Lycurgus Noble

Lycurgus Noble was sired by Al Noble [2:10 3-4], he by Noble Mont, by Frank Noble by Louis Napoleon, by Volunteer 55, sire of Saint Julian by Hamibetonian 10. Al Noble's first dam was Almora by Almore by Almont 33 by Alexander's Abdallah, sire of Goldsmith's Maid.

Lycurgus Noble's first dam is Fancy by Gilford by Gambetta Wilkes, the World's greatest trotting horse sire. Lycurgus Noble is a mahogany bay. He is four years old this spring and will be fully 16 hands high; he has shown 2:20 speed, has fine action and for good disposition and level headedness cannot be surpassed.

Will make the season at L. L. Monroe's place joining Canyon City on the west. Term to insure \$15.00.

Travis Shaw

Society Notes.

Mrs. L. T. Lester and daughter, Miss Blanche, entertained Friday afternoon from four to six in honor of Mrs. Knight and Miss Bettie, of Plainview. The following were the invited guests: Mesdames Bennett, Cleveland, Ackley, Shaw, Cullum, Pipkin, Luke, Hutchings, Ingham, Terrill, Rowan, Griffin, Park, Warwick and Misses Cleveland and Stafford. Refreshments were served consisting of punch, pink and white ice cream and angel food cake.

Mr. and Mrs. L. T. Lester entertained at a fish fry at their farm north of the city Saturday. Those present were Messrs. and Mesdames Cousins, Hunt and Park.

Mrs. C. D. Cleveland entertained the Merry Maids and Matrons club Thursday afternoon. After a number of pleasant games of "42" refreshments were served, consisting of jellied chicken with tomatoes, saratoga chips, bread and butter sandwiches and ice tea. Besides the regular members of the club the following were the invited guests: Mesdames C. C. Miller, M. S. Park, D. A. Park, Bennett, Doniphon, Phillips, Griffin, Hanna, S. T. Moreland, B. C. Roach, Lester, Stafford and Stephens, of Rockwall, and Misses Ingham, Stafford, Prater and Dickinson.

Dr. Wolcott's Announcement.

Dr. Wolcott, Specialist, Eye, Ear, Nose and Throat, of Amarillo, has offices in Post Office building. The doctor will visit Canyon every Monday remaining one day.

Particular attention given to Fitting Glasses.

Miss Redfearn Wins Prize.

At the Panhandle association of the L. O. O. F. and Rebekah lodges held at Amarillo last week Miss Columbia Redfearn was the winner of a gold medal in presenting the past grand charge. Miss Redfearn tied for first place with a Hereford lady and medals were given to both. Two years ago Miss Redfearn won first prize in the state convention held at Waco in presenting the chaplain's charge.

Those who attended the Panhandle convention were: Mr. and Mrs. S. A. Shotwell, Mr. and Mrs. I. L. Vansant and daughter, Bernie, Mr. and Mrs. E. W. Reynolds, Mrs. Bertha Thomas, Miss Redfearn, Miss Addie Donally and A. N. Henson.

Wayside Items.

The late rains have put the crops in flourishing condition. Gardens are looking nice. Harvesting has begun but we have not learned how the yield is turning out, some are hopeful while others think it will be very light.

The weather on Monday and Tuesday was quite cool, thermometer registered 42 Tuesday a. m. and fires felt good.

The Educational Rally at Fairview Sat. was very well attended. A bountiful dinner was provided, good speaking and ball games in the afternoon.

Born—To Ed and Tressie Wesley June 18, an 11 lb. boy. Ed says he has three boys large enough to help him run a header now.

Rev. Younger preached at Fairview Sat. night and filled his regular appointment at Beula Sun. Young people's meeting Sun. 7:30 p. m. led by Miss Alta Beasley. Miss Gunn selected leader next Sun. The Holiness people will conduct the services on the 4th Sun. at this place.

Commissioners Court in Session.

The commissioners court has been in session for the past week, sitting as a board of equalization. This is one of the most important meetings of the year as the tax rolls are carefully checked and every man's assessment approved. The work has progressed nicely and with little delay. It is not known just how much longer will be required to complete the work.

BANKING SERVICE

Banks are becoming more and more the custodians of the funds of the people, of both large and small means. This is due to a wider appreciation of the value of banking service as its usefulness is extended and its methods become better known. In the case of

The First National Bank

THE BEST

service is assured. Its officers aim in every way to protect the interests of its patrons, making use of every means of precaution. It's up-to-date system of accuracy, promptness and the same careful attention to large or small depositors. It is a safe bank. It is a bank for all the people---rich and poor, men, women and children. If you have any banking business to transact, come to the gray brick bank building.

Surplus and Profits \$60,000.00

Sunny Hill Items.

The Sunny Hill reporter was so busy watching his crop grow after last week's rains that the news items were neglected.

J. A. Currie is heading wheat for O. M. Dalton. Mr. Dalton has some fine wheat and expects a good yield.

George Walker lost a good horse Saturday night.

An exceptionally large crowd attended the ice cream supper at Mrs. Trowbridge's Saturday night. Violin music helped to furnish entertainment until supper time.

Arnold Dawson of Arkadelphia Arkansas, is back to the Sunny Hill neighborhood after several months absence.

Miss Ethel Trowbridge of the Canyon Normal came down as a guest of Miss Viola Knox to attend the ice cream supper.

JOHN KNIGHT, CANYON, TEXAS

Home Builders Want Good Lumber

In fact most of them absolutely insist on getting the best that their money will buy, and in that particular we heartily agree with them because that is just the way we buy our lumber. It must be strictly up to grade. We are not afraid to put our lumber up against any in the county---grade and price considered.

WILL YOU BUILD?

If you are planning to build a house, barn or shed this summer, come in and look this lumber over and let us show you our building material. Let us tell you first hand just what your cost for material will be.

The Citizens Lumber Co.
