VOLUME NO. XVI

DIMITT, CASTRO COUNTY, TEXAS, THURSDAY, OCTOBER 1, 1942

NUMBER 21

Dairy and Beef Cattle Will Be Main Showing With Sheep Horses at Fair

Classification of dairy cattle will be a main feature of this year's Castro County Fair states County Agent M. U. May, of the Texas A. & M. College Extension Service. E. R. Eudaly, specialist in dairy cattle of the Extension Service from A. & M. College will be present to classify the cattle. Mr. Eudaly is an outstanding authority on classification, as he has been doing this all over the state for several years.

Instead of all cattle being placed one, two, three, and four, etc., as in the case of most shows, they will be grouped, putting the best cows in a group together, the next best in another group, etc.

All people in the county who think they have good milk cows are urged to bring her to the Fair and have her classified by this outstanding judge. Grade and registered cows will be shown at the Fair together as good milk cows are the thing being featured by the Fair which will produce food for Victory!

In addition to classifying the cattle, Mr. Eudaly will give a talk on feeding and care of dairy cattle which will be well worth anyone's trip to Dimmitt to hear. Anyone coming to the Fair will know more about feeding their milk cows after listening to Mr. Eudaly, who has information that will help anyone to get more milk from their cows.

Some 25 head of Jerseys are expected at this year's Fair, which will mean the largest number ever brought to Dimmitt for the Fair.

Beef cattle, and Sheep will be well represented at this year's Fair and A. L. Smith of the Texas A. and M. College Extension Service will be present to judge them. In addition to judging the beef cattle and sheep, Mr. Smith will give the latest information on Cattle lice, screw-worms, cattle grub, control which will vitally interest every owner of beef cattle, states the County Agent.

Mr. Smith will add much to the Fair and the information he will give will do much to help every farmer who has beef cattle and sheep make more money with them.

Fine horses will also be shown, as will most likely leading breeds of poultry, along with the cattle and sheep.

MAJOR McCOLLOM CITES CASTRO BOYS AND PAYS NEWS KINDLY TRIBUTE

Lubbock, Texas, Sept. 19, 1942. Mr. T. A. Singer, Castro County News Dimmitt, Texas. My dear Sir:

You and your readers will be interested to know that the men from your county, whose names are listed below, have volunteered and been enlisted in the Army of the United States in the branches of Service indicated after their respective names.

We appreciate the patriotic spirit of cooperation evidenced by the effective publicity you are giving to the opportunities for enlistment in the Army:

Name; Address; Branch of Service is the order given:
Lane Matthews, Jr.; Dimmitt; Air Corps Specialist.

Sincerely yours,
W. W. McCollom,
Major, Infantry
Public Relations Officer.

Charles H. Cruse of Dimmitt, the son of N. M. Cruse of Dimmitt, Route 4, has just been promoted to corporal according to Col. Thos. L. Gilbert, Commanding Officer of the Lubbock Army Flying School, Lubbock, Texas.

Corporal Cruse is in the parachute department at the large advanced twin-engine flying school.

Corp. Cruse is a graduate of Dimmitt High School and has been in the U. S. Army Air Forces since February 14 of this year.

The Navy Department's twelfth casualty list, covering the period from August 31, 1942 to September 6, 1942, includes:

Wounded: Next of Kin:
Leon C. Griffith, Private, first class, U. S. Marine Corps Reserve; Father, Mr. Clarence C. Griffith, Hart, Texas.

Scouts To Make Scrap Metal Drive Saturday

Each Boy Scout of the local Troop will be a Salvage Commando next Saturday when an intensive house to house canvass for scrap materials will be made.

The Boy Scouts showed the country in the waste paper and rubber drives that they have what it takes to get in the scrap. But now the war factories need aid in rounding up quickly 6,000,000 extra tons of scrap iron and steel alone, as well as additional quantities of rubber and other materials.

Realizing that there is still a lot of scrap metal lying around Dimmitt homes and farms, and having been requested by a number of citizens to call for it, the Dimmitt Scouts are going to do their best to get every piece regardless of size and location.

Residents of Dimmitt are urged to have their scrap metal, rubber, rags, manila rope and burlap bags set out in front of their homes when the truck comes by next Saturday. Farmers who have any scrap materials to donate are asked to get in touch with Scoutmaster C. A. Farley, T. E. Harrison or The News.

Just think—fifty per cent of every tank, ship and gun is made of scrap iron and steel; when you turn in one old shovel you help make four hand grenades; one battered wash pail will make three bayonets; and one broken old lawn mower will make six 3-inch shells.

The Scouts want to emphasize the fact that such materials as paper, tin cans, razor blades and glass are not needed at this time.

ATTENTION! PARENTS OF GRADE SCHOOL CHILDREN

Two time changes in the schedule of the Dimmitt Grade School are being called to the attention of the parents.

Beginning next Monday, October 5th, pupils in the first and second grades who live in town will be dismissed at 3:30 instead of 4:30. Bus pupils will remain until 4:30 as usual.

Also, beginning next Monday, pupils in all of the grades will be dismissed for noon at 12:25 instead of 12:45 and classes will be resumed at 1:10 instead of 1:30. This change was made so that the pupils could listen to the Texas School of the Air Radio Programs which come on the air each day at 1:15.

RATIONING OF NEW FARM MACHINERY

According to the rationing program, farm machinery will be classified in three groups. Class A: Machinery, including items which are scarce and vitally needed in 1942 production, may be sold only upon approval of local county rationing committees. Class B: Machinery, which includes items somewhat less scarce, may be sold upon certification by the farm to the dealer that the equipment is required for current agricultural production. Other less essential items are included in Class C and may be sold upon restrictions.

Purpose of the farm machinery rationing program is to insure a fair distribution of available machinery in channels where it will do the most good in wartime agricultural production.

Mr. E. L. Ivey is chairman of this rationing committee, with Mr. E. B. Wright and Mr. J. R. Gollehon assisting as regular members of the board. For any information on this program, see any of these men, or your local AAA office.

Mrs. Bryan E. Sinclair, Route 2 out of Hereford which runs back into Castro county, was a visitor Friday in The News office and left us additional names for our growing list of readers.

Superintendent R. A. McCollum of the Dimmitt Schools was one of our callers Thursday morning. He reported everything moving right along in the school work.

Conoco District Man Here Short Time Tuesday

Messrs. Dan MacNaughton of Plainview, District Superintendent for Continental Oil Co., with W. E. (Bill) Roberson, local Wholesale Agent, were visitors in The News office Tuesday afternoon. Mr. MacNaughton said his company was still enjoying a fair business even under all the very difficult conditions existing, and Bill said his trade throughout the section was good. We were glad to have these gentlemen call. The Continental Oil Co. has an advertisement in this issue calling attention to their special Nth oil.

R. C. ("Choc") Lay has the local retail Conoco Station, along with his ice business and his is a popular corner.

FLOWER SHOW TO BE FEEL ATTRACTION DURING THE CASTRO COUNTY FAIR

The Flower Show will be held in connection with the County Fair Oct. 9th. Everyone is invited to visit this show and see the choice and lovely flowers in attractive arrangements and complimentary backgrounds.

Mrs. Ray Cowser will demonstrate arrangement of flowers in containers, as to number, form, balance and attractiveness.

Please attend this show and bring your choice zinnias, chrysanthemums, cockscomb or any flowers you may have. Let's each and everyone have a part in this show.

The complete list of entries will be given next week. Mrs. E. B. Wright and Mrs. Ray Cowser will direct the Flower Show, which will cover cultural showings of dahlias, in Class A; gladioli in Class B; flowering bulbs in Class C; roses, in Class D; Annuals, Class E; zinnia in Class F; Perennials, Class G; Potted Plants, Class H; Sec. 11: flower arrangements, Class A; Class B, arrangement of roses in crystal container; Class C, arrangement of white flowers in a black container; Class D, white flowers in white containers; Class E, odd vase arrangements; Class F, arrangement in a pair of containers suitable for mantel; Class G, still life arrangement in shadow box. A copy of a picture must be shown. Class H, Miniature arrangement representing garden.

Class I, Miniature arrangements; Class J, Water Lillies; Complete coverage is listed and general rules governing such shows are to be in effect.

EMERGENCY MEAT PROGRAM ANNOUNCED

Texas poultry raisers can help cover up the bare spot of the civilian meat supply by producing poultry during the off season, the Texas USDA war board announced this week.

Aim of the recently announced program, in which Secretary of Agriculture Wickard called for 200,000,000 extra chickens is to supplement the supplies of beef, pork, veal and lamb available for domestic consumers after sufficient quantities of the so-called red meats are reserved for all military and lend-lease requirements.

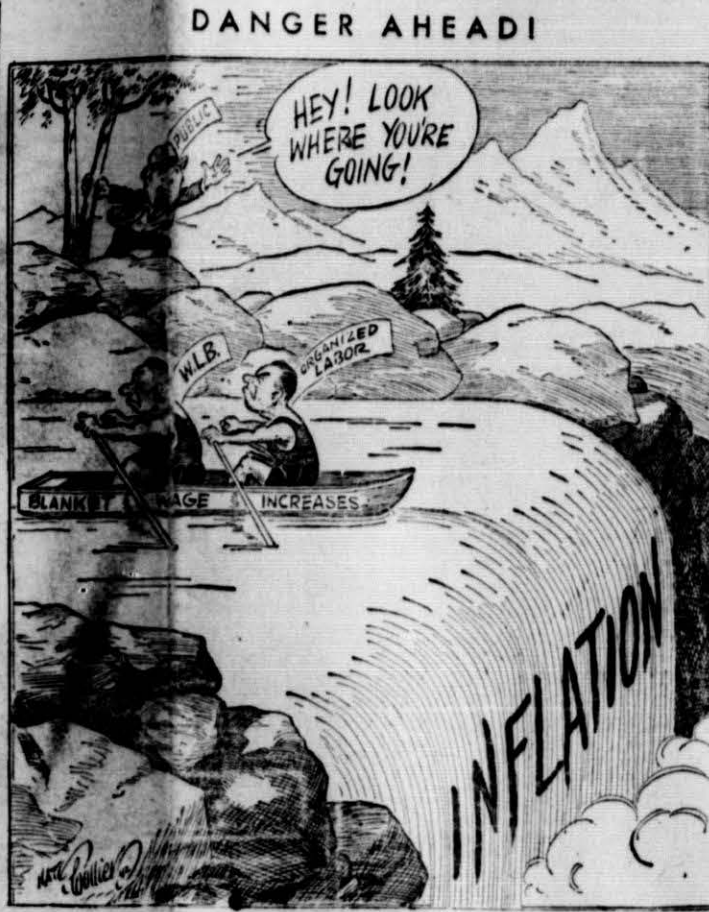

"If one million producers raise 200 chickens each, we would reach the goal which has been set, and Texas, as a large poultry state, can help put the program over," the chairman said.

"WAR AND DISCIPLINE" TO BE DISCUSSED AT P. T. A. TUESDAY NIGHT

The regular monthly meeting of the Dimmitt P. T. A. will be held next Tuesday night, October 6, at 8:00 o'clock at the high school building.

Parents and patrons are urged to attend this meeting and take part in the discussion on "War and Discipline." The group will attempt to answer such questions as these: "Are parents making their children soft?" and "With military discipline the order of the day, must parents revise their modern ideas of discipline by guidance rather than coercion?"

The New York Yanks beat the St. Louis entry 3-0 in the first of the World Series games Wednesday afternoon.

Adams Brothers Have Charge Of Texaco Station

Messrs. R. C. and E. M. Adams, brothers, have taken charge of the Texaco Station on Highway 51, having assumed the management of the popular station following Homer Hyatt, who has conducted it for the past several months.

R. C. Adams will be glad to see his many friends drive in and fill 'er up with Texaco Fire Chief and other popular Texaco brands of gas and oils. We have them give the car a real wash and grease job.

When you need some gas or oil, drive by; these young men will appreciate your business and give you courteous and prompt service at any hour of the day.

FRANK DICKERSON DIED IN OKLAHOMA CITY FRIDAY, SEPT. 25TH

Frank Dickerson passed away at Oklahoma City last Friday afternoon at 2 o'clock following an operation which had confined him in a hospital for some time.

Mr. Dickerson is the grandfather of Mrs. Susie Waggoner and also leaves four sons to mourn his passing. Mrs. Fred Dickerson is married to a grandson, as are also Leo and Rufus Waggoner grandsons.

The four sons surviving are Messrs. Don Dickerson, Paducah, Jess Dickerson of McAadoo, and Tony Dickerson of Tipton, Okla., latter being twins.

NORTH EDGE CLUB NOTES

By Mrs. Geo. W. Shepard

The North Edge Club held its Yard Demonstration Sept. 23rd. We had three demonstrators, Mrs. Dave Shepard, Mrs. Etta Brashear and Mrs. E. S. Parks. All three ladies had very beautiful flowers and yards.

Some are still going to improve by adding trees and rose gardens. We gave flower cuttings as little gifts. The affair was enjoyed by 12 members and three visitors. Refreshments were served.

The next regular meeting will be with Mrs. George Shepard on Oct. 1st. All members are urged to be present as Miss Grindstaff will give us information on Cause and Prevention of Undulant Fever.

C. H. Bowden, who resides in the Sunnyside community on Route 1, was a visitor in The News office Monday afternoon and had his date moved up another year and also had us change the address of his son, Private L. B. Bowden from Sheppard Field, Texas to 720 So. Michigan Ave., Chicago, Ill. Mr. Bowden just returned Friday from a visit with his son prior to the latter's departure for his new location, and also visited relatives in Frederick, Okla. while away. He says farmers in the Frederick district are making an average of a bale of cotton to the acre.

Letters to News

Camp Wallace, Texas
Sept. 24, 1942.

Dear Sirs:

Have received several copies of your paper and am always glad to get it. I like especially the column of Castro county boys who are in the service, as it helps me keep up with whereabouts of some of my friends.

Wishing you much success. I am,

Thankfully yours,

PAINT NOW TO PROTECT AGAINST ROT AND RUST

Large Quantities of Good Paint Still Available for Houses, Barns and Machinery

Can your house and other properties go through the winter in good shape? Is your home well protected against freezes and icy snows with a good solid covering of quality paint? With the present shortage of some materials, it's a practical and patriotic duty to protect the things we now have to make things last—with paint.

Fortunately, one bright spot in the present picture of shortages and rationing is the fact that quality paints for all purposes are still available in large quantities. Folks who are planning to make things last will find a wide selection of paints to take care of their needs... house paint—interior paints for woodwork and walls—paint for barns, sheds, out-buildings, implements and machinery.

Good paint can work wonders in protecting woods and metals against rot, rust and decay. But if you are not sure of the kind of paint you need to do the best job, it is wise to talk to a good paint dealer. Poor grade paint, even though properly applied, can be a waste of time and money. Good paint, properly applied, can do a real protective job against tough, winter weather.

Now is an ideal time to paint and get ready for winter. Wood is dry and there's little dust and few insects in the air.

This year, more than ever before, it is necessary to make things last. Make them last—with paint. The Cook Paint Dealer in Dimmitt, Willson & Son Lumber Co., is offering quality paints at reduced prices during Cook's "Make Things Last" Paint Sale, which they called special attention last week in a large ad. Exterior house paint, barn paints, and implement paints are offered at sale prices. Interior paints, enamels and varnishes are also on sale.

P. J. Axe, Hereford R 3, in company with ACA Secretary Tate paid The News a call and moved his date on the paper up another year. Mr. Axe has served his precinct as county commissioner and made a fine record while serving in that capacity.

Chairman Harmon Names His Committees to Make Fair A Success

Attendance At Lions Club Is On Increase

Those who failed to attend the regular weekly Lions Club meeting at the First Methodist church basement Tuesday not only missed one of the best meals yet prepared and served by the good ladies of that church but also one of the best attended sessions held in quite some time, some sixteen member and visitors being recorded as present.

The Fair was the main topic of discussion and Chairman Harmon named his committeemen at the Club in order that all members might be put on notice of just what was expected of them. These Lions will work in conjunction with the committeemen of the city who are not members of the club but who take much interest in the making of the Fair a real success.

Those attending the meeting were Boss Lion Earl Harrison, Secretary Clarence Bearden, T. A. Singer, Claude Mixon, Posie Cunningham, R. A. McCollum, Jack Gregory, John Tate, M. U. May, W. R. Simon, E. H. Harmon, D. Neumayer, Ozro Stephens. Guests were John H. Alldridge and Ben Hill, of Vega. Manager Wilbur T. McQuary of the Southwestern Public Utilities Co. was a new member present and received into the Club and is already in the harness ready to pull his share of the load.

MEN ARE NEEDED FOR AIR FORCES AND DEFECTS ARE BEING CAST ASIDE!

The Army Air Forces can use men who cannot pass the physical examinations for general military service, according to word received by Sergeant Harvey M. Gist, Sub-Station Commander, U. S. Army Recruiting Station, Plainview, Texas.

Age limits are 18 to 50 and the applicants should have some mechanical or radio experience. Those who have been placed in I-B classification by their Local Boards are eligible for enlistment now.

Anyone mechanically inclined who has been making a livelihood through some mechanical trade, even though he has some physical defects, is thus eligible for enlistment into the Air Forces where he is needed to help "Keep 'Em Flying."

Partial blindness in one eye, partial deafness, insufficient teeth, loss of a thumb, loss of as many as three fingers on one hand, defects of the feet, and other physical disabilities are thus waived.

Now is the time to enlist. Sergeant Gist, located in the Post Office Building, Plainview, Texas, will be glad to discuss the many advantages of the service in the Air Forces with those interested. There are now family allowances for men with families and promotions for mechanics and technicians are usually rapid.

Methodist Church

Sunday was a good day in our church. The attendance was good and the interest was fine. We appreciated the presence of all who attended.

Next Sunday, October 4th, is World Communion Sunday. This day has been designated by the Christian world as a day when all Christians will meet together at the Lord's table. The offering will go for Overseas Relief, and for work with our boys in the Army Camps of the nation and the world.

This is also Promotion and Rally Day. Every member of the church is urged to be present for this service.

Sunday School 10:00 A. M.
Preaching 11:00 A. M. and 8:30 P. M.

Epworth Leagues 8:00 P. M.
Woman's Society of Christian Service Monday, 3:00 P. M.
Midweek Service Wednesday, 8:30 P. M.

You are cordially invited to worship with us.

Careless acts and failure to detect new hazards have resulted in fires.

Chairman E. F. Harmon has appointed the following committees to assist him in making the Castro County Fair to be held next Friday, October 9th in Dimmitt a real success:

Entertainment Committee: Earl Harrison, Chairman; R. A. McCollum, Judge Posie Cunningham, Jack Gregory.

Finance Committee: Ozro Stephens, Chairman; Ward Golden, I. V. McMahon, B. W. Shipley.

Arrangements Committee: Edmer Youts, Chairman; D. Neumayer, Ray Sheffy, Goodwin Miller, L. H. Langford, W. R. Simons.

Publicity Committee: T. A. Singer, Chairman; T. B. O'Bryen, F. J. ("Stub") Jones, M. U. May, County Agent, Miss Grindstaff, County Home Demonstration Agent.

Committee on Display: Claude Mixon, Chairman; L. G. Manning, Clarence Bearden.

Already these committees have gone right to work on their respective tasks and the Fair is on the way to a real success right from the start.

Special rules and articles on the displays will be given in this next week's issue of The News, and one of the biggest, best and most diversified fairs ever held in Castro County of the Plains district is expected on October 9th. Make your arrangements now to be here and bring all the family. Make a day of it and enjoy seeing just what your neighbors have done as well as showing them what you have accomplished.

GOV. STEVENSON SETS WEEK OCT. 4 TO 10 AS FIRE PREVENTION WEEK

Austin, Sept. 28.—Gov. Coke Stevenson has formally proclaimed October 4 to 10 as "Fire Prevention Week" in Texas.

Citing the urgent necessity for preventing fires during time war Gov. Stevenson said: "the production of materials essential to the prosecution of the war by our nation is taxing the capacity of industrial plants, and curtailment of production because of fire becomes a menace to our own safety."

The Governor called upon Texas citizens and various local organizations to emphasize the danger of fire and to encourage fire prevention.

Commenting on Fire Prevention Week, Marvin Hall, State Fire Insurance Commissioner, suggested that every Texan accept individual responsibility in adopting fire prevention measures at home and at work.

"According to the official proclamation," Hall said, "Fire Prevention Week has special significance this year. The defense of factories, farms, and homes against destruction by accidental fires is essential to the war production program and conservation of vital resources."

"There is another reason why we must devote more attention to preventing fires. We are now receiving dividends of lower insurance rates—the result of preventing fires. In order to keep the low fire insurance rates now in effect, it will be necessary for us to prevent fires in the future."

Ted Wood, City Water Superintendent and Fire Chief has our thanks for this information, and we are glad to cooperate with him and all firemen throughout Texas in making the week of October 4 to 10 a real "Fire Prevention" one.

SOY BEAN PRICE SUPPORT OFFERED

Soy beans grading No. 2 or better with high oil content are to be bought from eligible producers at \$1.50 per bushel, and the brown black and mixed beans have a support price of 1.50 per bushel.

If the prices locally offered do not reach this level, see your local AAA office, for further information on the program offered by Commodity Credit Corporation.

Edible Bean Support
There is also a price support for edible beans, covering most varieties raised in this vicinity, at \$4.75 per hundred weight, basis No. 1 beans.

Entries in Castro County Fair Cover A Wide Variety of Women's Work

October 9, the date of the Castro County Fair, will be a big day in the county as farm and home workers exhibit their products and come to Dimmitt to view the work of theirs. Every farm family in the county is urged to take advantage of the opportunity to bring entries for any or all divisions of the fair. This is YOUR Fair; make it a God one!

The women's competitive divisions and educational exhibits will be arranged in the Woodlee building between Griffith Grocery and Woodlee's Variety Store. Educational exhibits arranged by Home Demonstration Clubs will carry out the various phases of the Victory Demonstration. Remember to see these; they will give helpful suggestions on the part you can play in winning the war.

Ava A. Grindstaff, Co. H. D. Agent of Texas A. & M. College Extension Service, says: "Any woman or girl in Castro County is eligible to enter work in the women's divisions of the Fair. The rules governing these divisions follow:

Textiles and Clothing Division: Mrs. Edgar Ramey will be in charge of this division, assisted by Mrs. Alta Gladman and Mrs. Emil Huseman.

1st, 2nd, and 3rd place winners will be awarded ribbons on the following entries:— Quilts, pieced, cravat or embroidered quilts; all white luncheon cloths; luncheon cloths with color; cutwork or embroidered dinner cloth; applique work; cross stitch; monogram articles; all white pillowcases; pillowcases with color; crocheted bedspread; white candlewick bedspread; candlewick bedspread with color; crocheted tablecloth; crocheted Afghan; knitted sweater;

CANNED FRUITS AND VEGETABLES:—All canned products including pickles and relishes must be exhibited in square or round glass quart or pint jars, except corn, which should be in pints. Plants, pears, peaches, cherries, pineapple, tomatoes, and strawberries are the fruits which may be entered. You may enter these vegetables—beets, string beans, green, snapbeans, English peas, corn, field peas, squash, okra, kumquat.

PICKLES:—Mixed pickles, Dill pickles, Bread and Butter pickles, Sour Pickled Cucumbers, Sweet Pickled Cucumbers, Pickled Beets, Peach Sweet Pickles, Watermelon Rind Sweet Pickles.

PRESERVES AND JELLIES:—Use pint glass jars for jellies, preserves, jam, and butter. Jelly classes may be used for jelly—Strawberry preserves, Pear preserves, Tomato preserves, Watermelon preserves, Apricot marmalade, Strawberry Jam, Plum Jelly, Apple Jelly, Grape Jelly.

MISCELLANEOUS PRODUCTS:—1 lb. butter, 1 doz. white eggs, 1 doz. brown eggs, 1 1/2 lb. cottage cheese, 1 1/2 lb. home-made American cheese, 1 lb. lard, 1 cake home made soap.

Canned fruits, vegetables, pickles, preserves and jellies must be received from 8 A. M. to the Woodlee Building. Each entry in this division should have an adhesive tape label on the bottom of the jar with your name, club if any, address, and name of product printed on it. Breads, cakes, and candies must be received at the Woodlee Building not later than 11:00 A. M. Friday, Sept. 9; these may be exhibited on paper plates or cardboard with the name of product, your name, name of club, if any, and address printed on bottom of plate or cardboard. Any products in the foods division may be taken home after 6 P. M. Friday.

ART DIVISION: An art display will again be a feature of the County Fair with Mrs. R. V. Boren in charge, assisted by Mrs. Helen Richardson. Art divisions open for entries are:

PAINTING ON CHINA: Exhibit not more than 6 pieces.

PORTRAIT: Painting of animal, painting from Still Life, Landscape in any of these mediums: oil, water colors, pastels. Any original drawings with pen, pencil, charcoal, or chalk.

APPLIED DESIGN:—Block print on fabric; tied and dyed work; wall hanging.

ARTS AND CRAFTS:—Foot stool; hand-made screen; small table; hand-worked soap modeling; clay modeling; wood carving; airplane model.

Entries may be articles done by the person entering same or articles owned by person entering, but done by someone else. These two classes will be kept separate. Articles for this division will not compete for ribbons, but will help compose an art display of Castro County talent. All Pictures must be wired for hanging. Single entries or a collection of entries may be made. There is no limit to the number of articles one individual can display; and any one in Castro County may enter articles in this division. You must have a card with your articles which gives: title, if any; medium of art used; date when made, and name of artist. Name of owner should be given too, if article is owned by someone other than the artist. Entries will be received from 1 P. M. to 5 P. M. Thursday, Oct. 8, in the Woodlee Building.

RELICS, ANTIQUES, CURIOS, HOBBIES:—Entries in this division will be received from 1 P. M. to 5 P. M. Thursday, Oct. 8, in the Woodlee Building. Mrs. Pat Hardy will have charge of this division and will be assisted by Jack Gladman and Mrs. Virgil Lemons. Articles in this department will not compete for ribbons, but will help compose a display of Castro County's interesting relics and present modern day hobbies. There is no limit to the number of entries one person can make. A card giving approximate age of articles, past owners, brief high-points of history, and present owner's name should accompany relics, antiques and curios. There is no limit to what may be displayed in this division; wedding dresses, china, vases, fans, fire arms, silver; anything that is 25 years of age or more is considered a relic or antique.

Any hobby collection may be entered. It might be pitchers, rocks, coins, odd spoons, farm machinery, catalogues, stamps, toy dogs, elephants, etc. A card giving name of collector, brief statement as to scope of collection should accompany each hobby collection. Articles entered in this division should be called for after 6 P. M. Friday.

Kenneth Fuller, son of Mr. and Mrs. J. B. Fuller was a visitor in The News office Friday afternoon.

Mrs. Mayes Miller was a News office visitor Tuesday morning to have her brother, M. B. Blanton, of the USNR, Navy SSA, added to our list of soldier readers.

"Dear Mom": I was "Just Plain Lonesome" so I went "South of the Border" on the "Chattanooga Choo Choo" to see "Conchita, Marquita, Lolita, Pepita, Rolita, Juanita, Lopez." "I've Got a Gal in Kalamazoo," and we're "Happy in Love."

I saw the "Three Little Sisters." They told "Dollab," "I Get the Neck of the Chicken." I also saw "Jim" in "Orange Blossom Lane" buying "One Dozen Roses" (he expects to buy orange blossoms later).

"I've Got a Gal in Kalamazoo," and we're "Happy in Love."

As I sit here intensely watching our national flag wave gloriously over the small campus of Dimmitt High, I think how much Old Glory really means to us. Within the folds of that rugged piece of cloth, I see Washington and those brave men suffering for our independence at Valley Forge; later, Lincoln pleading and fighting to protect what they have accomplished.

Again I think what the flag represents. Everyone knows the thirteen stripes represent the thirteen original colonies and the stars, the forty-eight states. Most important to remember is the red signifies courage; the white, Liberty; the blue, Loyalty. Now, more than ever, we should appreciate what our flag stands for.

Joe isn't tied to Callie as much as we thought. Just look what happened at Dorothy's party. What's this we hear about Mary Alice and Charlie? Looks like Rex kinda horsed in, doesn't it? And speaking of Rex—Bonnie Drake would like to turn her bug loose on him, would she not already know what she doesn't already know.

From the looks of the car, Billie Jean must have had quite a grip on Kenneth Tuesday night. Louis says to give Kenneth six easy lessons on "How to Drive With One Hand." Who taught you, Louis?

Little Don Sherry insisted on chaperoning Louis and Sue Tuesday night. Tough luck, Louis! Marvin Sherrill seems to be taking Jovie around—at least that's the way it looked last Sunday. If it wasn't for Mary Nell's lessons, couldn't she have a time?

Ted and Martha Jo seem to be keeping Mr. Censor, R. A. S., busy here lately. Wouldn't it be fun to be a censor?

Lillie Sparkman and Roland Pomeroy and out for a time at Sheriff's party. They couldn't get in the house and had to stay outside. Looks like that girls can get along without boys. Mary Evelyn Hazel, Jo Ella, Alorah and Marvin are all out on the town. Jo Ella's Thursday night and boy, did they have a time!

Mary Evelyn was really "fooling" with her friends Friday night after the ball game when Ray Lillie came home.

Speaking of the ball game, there were quite a few having fun afterwards. Virginia and C. H. were taking in the carnival and with them were N. M. and Dorothy Sherry, and last, but not least, the "Crows" and Marvin.

Will Wall? That guy Willie really gets around, and he's been in the house; he has been seen with Wilma Ruth, Dolores, and Sue together at the show Sunday night.

A way has been finally decided to get the boys to church.—A Sunday dinner. At least it worked out for the boys. Charlie, Gene, and Mary Alice to a dinner at her home.

Yours till "Idle Chatter" turns to talk!

NEW LUNCHROOM SUPERVISOR

Miss Faye Plaster from Canyon, Texas is the new lunch room supervisor for Castro, De Witt, and Bailey Counties. She is now supervising the lunchroom and plans to open two more soon along with boys. Mary Evelyn Hazel, Jo Ella, Alorah and Marvin are all out on the town. Jo Ella's Thursday night and boy, did they have a time!

Senior Rings Ordered

There are seventeen seniors who have ordered their senior rings. The rings are expected to be here in approximately six weeks.

The prices of the rings were eight dollars and fifty cents up to ten dollars and fifty cents.

The editor of this column voted for these two styles of rings and they are well pleased with their choice.

QUESTION Of The Week

What do you think of war time marriages?

Howard Cook: It's a cinch if you marry the chases are that you won't be to stay with her long enough to have any arguments.

Miss Rudkins: I think they're all the bunk. It must be terrible to live with a man who is a war hero and so much excitement.

Wanna Mobley: Its o. k. for some days, but for times like that, rather stay single until after the war so I can get someone that will take care of me.

Alorah: I "ain't" talking; I don't know.

C. H. Jones: Anytime or anyway marriage is the main thing.

Jo Wesson: O. K. if you can't stand a man, but in times like these, a wedding will suit you I can keep 'em.

Mr. McCollum: Marriage is too sacred to be taken so lightly as to be rushed into in order to have a short honeymoon before a period of enforced separation.

Virginia Anderson: I think it is silly to get married during the war, but I might change my mind if someone asked me.

C. H. Jones: I don't like the idea, because if I married someone I cared for, I might not get back if I married someone I didn't care for, I would get back.

Ben Simmons: It might be O. K. because if you die, like the married life you could join the army.

Mary Alice: I don't need to worry because I don't have a chance in war time—or peace.

Harriet: I had rather be a war widow than a war bride.

Miss Morris: It depends entirely upon the individual.

A. L. Haberer was by and had us add the name of Pvt. Jerril L. Haberer, 499 Second Squadron, L. A. F. S. Lubbock, Texas, and the name of a neighbor boy, Scarborough, 2nd Squadron, 4th Cavalry, to our list of soldier boys in the service of their country. We hope the boys enjoy the old home paper each week.

Mr. and Mrs. Charlie King, Mrs. Tom Hartfield and Mrs. Tom Fletcher, and Mrs. E. L. Haberer were visitors in the home of Mr. and Mrs. Elmer C. Watson in the Sunnydale district Sunday.

Dimmitt vs. Horeford

The game between the Dimmitt Bobcats and the Horeford Whitefaces ended with a victory for the Whitefaces.

The Bobcats showed some hard playing, but due to two regulars out and the Whitefaces outwitting the Bobcats, the score was 32 to 0.

The game Friday is with Pritonia in the afternoon at Pritonia.

Agriculture News

The Agriculture boys have completed a twin type farrowing house with a shed roof, which belonged to Bill Simpson.

The total cost was 42.00 and approximately \$30.00 was saved on labor by building it at school in the defense shop.

Grade School Football Team Feudin' Again!

The Martins and the Cors do not have a thing on the Grade School football team! These Kentucky hill-billies were once composed to some of the football teams engaged in the intramural games being supervised by C. A. Farley.

Each game creates more excitement than the previous one and started when the second graders led by Carol Cox and Billy Ross Gregory, took the "big" third graders to a cleaning. The first graders then got their heads together and decided to do something about the tough second graders. After a brief struggle, the beginners retreated hurriedly.

In the upper grades, the sixth graders, led by Harold Brunson and Lonnie Rice, have the upper hand. The fifth graders have managed to lick the fourth graders just once. The other contests are usually have a real tussle on their hands before conquering the strong fifth graders.

And, so on through the school year!

REFERENCE Books Ordered

Miss Morris, the journalism sponsor, ordered reference books for her students last week.

The students knew that this meant more work, so they thought they could get out of it by having them had enough to do. Miss Morris insisted that they get the books and, well, they will be here sometime this week or next.

They will be most helpful to the boys and girls in writing their articles.

TEACHERS WANTED!

In an attempt to relieve the teacher shortage situation that has become acute, State Superintendent L. A. Wood has authorized a special examination for second-class certificates to be given October 16 and 17, 1942.

Anyone who is a graduate of high school, and is at least eighteen years of age, is encouraged to prepare for these tests at once. All applicants who are interested should register with Superintendent R. A. McCollum by October 1.

THE TOWN THAT LET HIM DOWN

ME: Well, here's the city limits. Tomorrow I can see my customers around town. Are you tired?

ME: Not very. Does the car need anything?

ME: Yes, it does, but the map shows no Conoco station here.

ME: You and your Conoco Nth oil... they don't blame you... the way this car performs.

ME: Here's the hotel, and a garage right across. Let's leave the car there, eh?

ATTENDANT: Good evening! In for the night?

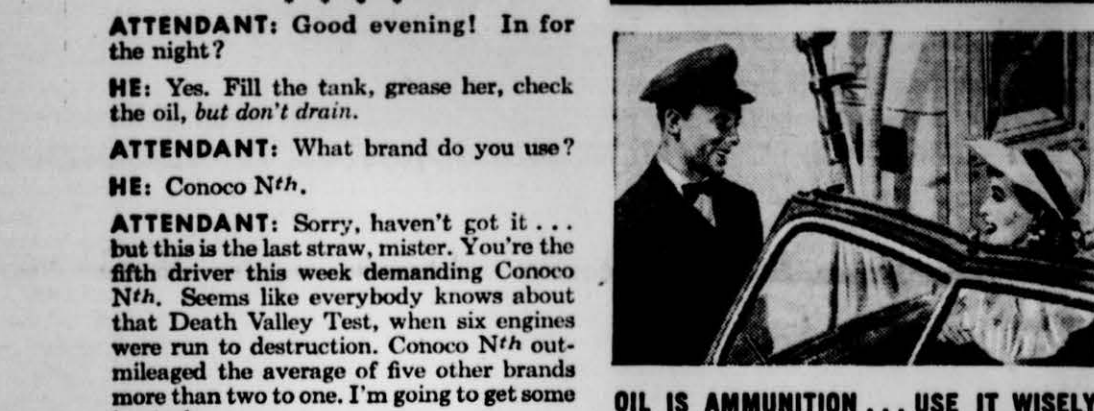

ME: Yes. Fill the tank, grease her, check the oil, but don't drain.

ATTENDANT: What brand do you use?

ME: Conoco Nth.

ATTENDANT: Sorry, haven't got it... but this is the last straw, mister. You're the fifth driver this week demanding Conoco Nth. Seems like everybody knows about that Death Valley Test, when six engines were run to destruction. Conoco Nth outmiled the average of five other brands more than two to one. I'm going to get some in stock.

ME: Sure, your regular customers, too, will want Conoco Nth to oil-PLATE their engine.

Conoco Nth helps keep your oil and your engine clean. It can save you gas and many a quart. See Your Conoco Milage Merchant today. Continental Oil Company

Annual Report

TROOP 67 OF THE BOY SCOUTS OF AMERICA

Membership

At the beginning of the past charter year we registered 15 Scouts, and during the year we enrolled 27 new boys, making a total of 42. Of these 36 are re-registering and 6 have left or have been dropped. Most of the new boys were transferred from the Cub Pack.

Troop Meetings

Meetings of the Troop are held regularly at the Grade School at 8:00 p. m. each Monday night, and members of the Lions Club and parents of the Scouts are cordially invited to visit the meetings. The attendance record is a good thermometer of the amount of satisfaction Scouts find in the Troop. During the school months an average of 4 meetings month were held and with an average attendance of 23. During the summer months the Troop held an average of 2 meetings per month with an average attendance of 10. Several Emergency Service Training meetings were held. The Troop went to Canyon three times for swimming. Emphasis was placed on First Aid and three patrols made a grade of "A" in the District Contest.

Outdoor Activities

One day hikes: Six. Overnight camps: Three during the spring and fall. Summer Camping: 23 boys spent a week at Camp Post and

LONG TERMS—LOW INTEREST—TO SUIT YOUR NEEDS

Senior Patrol Leader Joe Hastings and Scoutmaster Farley spent 2 weeks at the Philmont Scout Ranch at Cimarron, N. M.

Advancement

During the past year 25 Scouts were advanced from Tenderfoot to Second Class Rank; 5 from Second Class to First Class; 5 from First Class to Star; and 3 from Star to Life. 14 Scouts received 60 Merit Badges. Six Courts of Honor were held.

Special Activities

Had a Parents' Night program on April 20 and about 100 persons attended.

All of the Scouts attended the Father and Son Banquet sponsored by the Lions Club.

The Troop presented an assembly program at the high school during Scout Week.

The Troop and Committeemen attended a special church service at the Methodist church during Scout Week.

Services Rendered

Presented part of the program at the Father and Son Banquet. Collected about 6 tons of scrap paper, 1,620 of rubber, 2,500 pound of scrap metal.

Sponsored Clean-up Week.

Financial Program

The Troop operated on the Standard Troop Budget Plan whereby Troop Funds are secured from dues and other sources while disbursements are made for registration and other budget items agreed upon by the Scouts.

The Troop Committee supervises the Financial Program and Committeeman Ozro Stephens serves as Troop Treasurer. The Scouts pay dues of 5c per week for 50 weeks. They are expected to earn this money and are encouraged to earn their uniforms and additional equipment.

Annual Receipts: \$48 received from dues; \$16.20 received from sale of rubber; \$52.00 from sale of paper; and \$8.00 from sale of scrap metal.

Annual Disbursements: \$18 for re-registration; \$10 for badges and insignia; \$33 for "Boys' Life"; \$8.00 for Troop equipment; \$5.00 for welfare fund and \$50 for camping.

Troop Equipment

Two good tents; one American Flag and staff; 15 signal flags; one wall advancement chart; one Troop flag; 4 patrol flags; one bugle; 15 ropes for tying knots; and a small assortment of cooking utensils.

Uniforms

The Scout uniform plays an important part in the success of a Troop and definitely stimulates advancement and morale. At present only 15 Scouts are in Uniform and 21 Scouts without. Several boys have purchased uniforms during the past year.

"Boys' Life" and Reading

"Boys' Life" magazine is not only the official magazine of the Boy Scouts of America but contains good reading for all boys. 24 Scouts subscribed last year. The Reading Merit Badge has been earned by 10 Scouts of our Troop.

Troop Leadership

Our Scoutmaster is C. A. Farley, who is beginning his fifth year with the Troop. He has been assisted by J. T. Lamm and Lee Roy Waters until recently. Recently appointed Assistant Scoutmasters are C. W. Williams and Mr. O'Bryan of The News.

Troop Committee

This committee is appointed by the Lions Club and is now composed of W. E. Kirkpatrick, Ozro Stephens, E. F. Harman, M. U. May and Jack Gregory. T. E. Harrison is Neighborhood Commissioner and supervises the work of the Scout Troop and Cub Pack. During the year the Committee held several meetings in connection with its supervision of the (Continued on Column Six)
