## Record corn harvest seen

**TRUCKLOADS OF CORN** wait in line at Hart Grain Handling Corp. as the yellow-grain harvest reaches full swing in the county. At one time last week, 97 trucks were lined up for weighing at the Hart

company's elevators. The story is much the same at receiving points throughout the county as the big corn harvest passes the halfway point in ideal weather.

Castro County appears headed for a record corn harvest as the trucks roll into the county's elevators.

**SPOKESMEN** at the elevators estimate the halfway mark in the corn harvest has been reached, and expect the harvest to end in two or three weeks if the sunny, dry weather holds.

Most corn in the county is being raised on contract for the corn milling plant in Dimmitt, but many farmers have switched milo acreage over to corn as a cash crop this year.

Bill Clark, elevator superintendent at Dimmitt Agri-Industries, said that with the harvest about 65 percent complete, yields are holding up well and are much better than those in '71.

**ACCORDING** to Clark, moisture content in the corn has presented no particular problem this year and drivers at the elevator have kept up with the high moisture content.

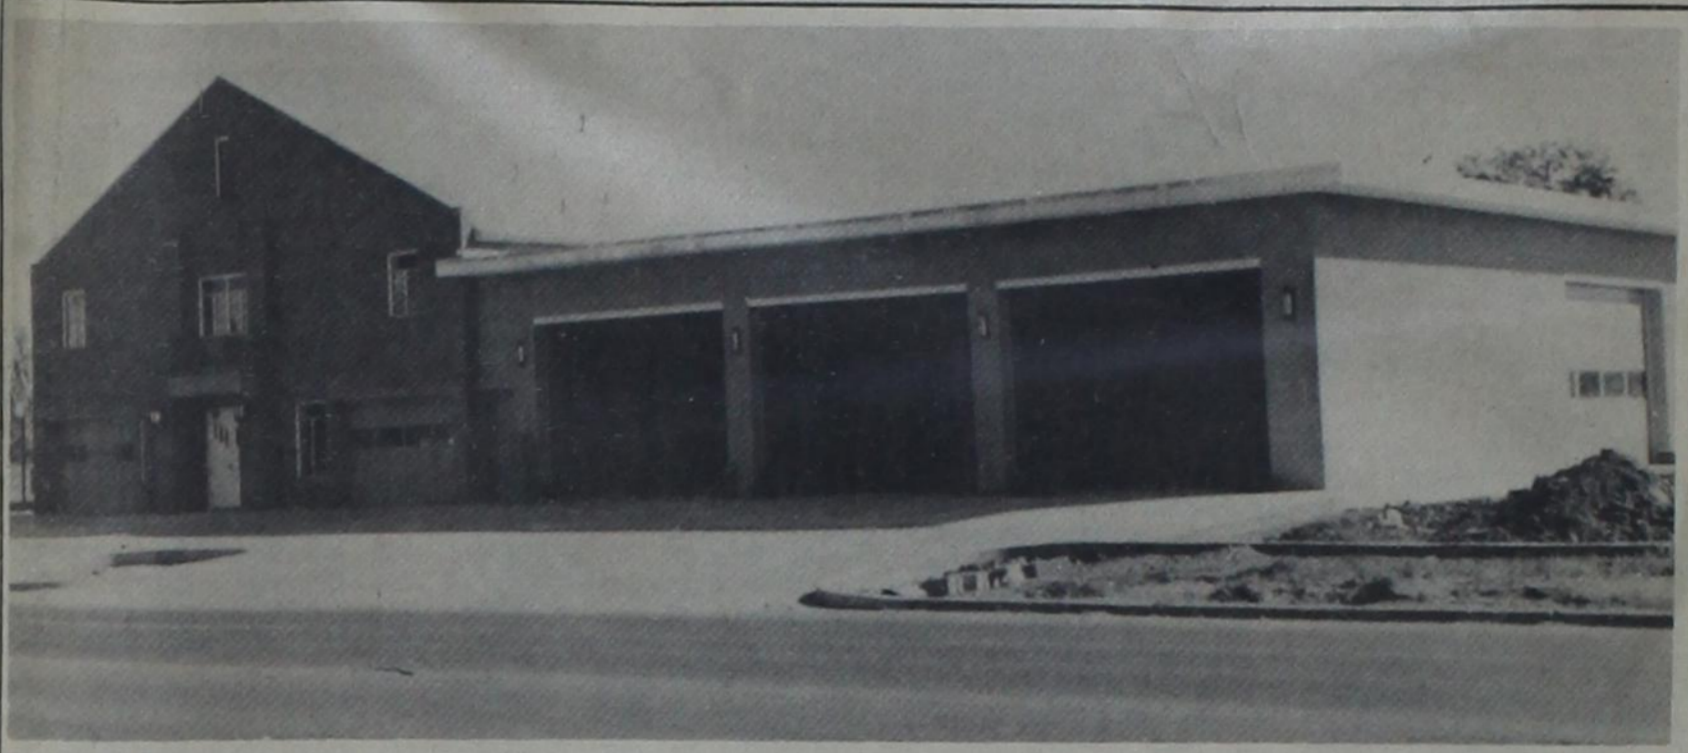

"Some corn brought in to the co-op elevators is not contracted, but the mill has been purchasing all corn received here," Clark said.

A backlog of trucks—97 by one count—lined the yards and highway at Grain Handling Corp. in Hart last week waiting to unload.

**WISTER CLEVENGER** of Grain Handling said the corn harvest around Hart is 5% percent complete and yields are up a good bit over '71.

"The harvest should start slowing down in two to three weeks, if the weather stays the same," Clewenger said.

The moisture content of the corn has been averaging 18 to 19 percent, Clewenger continued. (See Corn Harvest, Page 9)

**SOMETIME THIS WEEK**, the Dimmitt Volunteer Fire Dept. will move all its trucks and equipment from the old fire station in the city hall building to this new one on West Bedford Street. Garage doors are being taken down from the old station to be installed in the north side of the new station.

The garage portion of the new station is new, and the main building is the former First Baptist Church education wing. The former church building is being remodeled into two apartments, recreation room and work rooms for the city's firemen.

### Paving bids eyed

## City nixes phone-rate increase

Dimmitt's city commission Monday vetoed a request by

West Texas Telephone Co. for a rate increase here.

**AFTER** hearing a report from City Engineer Bill McMurry on the phone company's operations and rate structure, the commission notified WTTC that it felt a rate increase was not justified at this time.

The phone company in early August had requested a rate hike averaging 50 cents for one-party residence and business phones, plus increases in certain service charges.

The phone-rate decision came in a special afternoon work session Monday, during which the commission also opened paving bids, cleared up a backlog of paperwork and started laying long-range plans for Dimmitt's municipal development.

**THE PAVING** contractors' bids were for the city's 1973

summer program. The commission will make a complete study of the contractors' specification sheets before taking further action on the bids.

Only two paving contractors

submitted bids on the city's complete specification sheet (both assessment paving and cash paving, hot mix and triple asphalt), with three other contractors bidding on cash paving only.

Bidders were:

—High Plains Paving, \$491,600 on hot mix and \$436,600 on triple asphalt for assessment paving;

\$395,290 on hot mix and \$351,290 on triple asphalt for cash paving.

—Jake Diel, \$451,744.40 on hot mix and \$431,284.40 on triple asphalt for assessment;

\$364,310 on triple asphalt for cash.

—Milligan, \$345,216 on triple asphalt for cash paving.

—W. D. Turner, \$346,254, on triple asphalt for cash.

—E. D. Baker, \$363,458 on triple asphalt for cash.

**FIRST BALE**—While most of the county's farmers were concentrating on their combines in the grain fields, Bob Kay of Bethel (right) brought in the first bale of 1972 cotton Saturday morning. The bale was ginned at Tam Anne Gin by Jim Parker and Sons. Gin Manager Delbert Timmins (left)

said the county's first bale weighed 480 pounds and was harvested from four acres on the T. G. Cory estate north of the Tam Anne Gin. The cotton was Little Special variety. Kay received a bonus and free ginning on his first bale.

about dimmitt and castro county

by b. m. n.

We have had money-making weather for the past several days. Every day that this dry hot weather stays with us amounts to considerably more cotton to be harvested later. The weather is a major factor in the economy in this part of the country. An early spring and late fall is nearly always helpful and profitable. Of course, hail, of which we have plenty, are never of any monetary benefit. Down state farmers are always wishing for cool nights in the summer to revive the dryland cotton from the wilt suffered during the hot day. A shortage of warmth is the biggest hindrance to raising cotton in this section. This will be a good crop, if the weather stays hot it will be a bumper.

We have Foxy's hair clipped every summer, Dr. Hill oversees the project, and that little dog is a pretty good weather predictor. He will always have a full haircut by the time cold weather arrives. Maybe it is a good omen, his hair still lacks several inches of reaching its wintertime length.

The corn harvest is in full swing and combines are moving into the milo fields. There are a number of fields with a strip cut off the side and with the combine standing idle. They will resume moving in a few days and the roads will soon be covered with grain and grain trucks. There is something special about fall and the harvest season. It marks the beginning of the end of a year's work with whatever profit or reward that may result.

Maybe I am prejudiced, I have been accused of that weakness or whatever, but I do believe that a certain amount of propriety should govern the conduct of political parties as well as that of individuals. A paid political advertisement on an Amarillo television broadcast the other night showed many news clips from President Nixon's much publicized trip to Russia. Not only to Moscow, where all of the official business, if any, was taken care of, but to many other Russian cities as well. That trip was supposedly official and was made at government, or if you please taxpayers expense. For the Republican party to take advantage of a government financed excursion and turn it into a political advertisement is a little hard to classify as being in good taste or fair. But of course people that will burgle other people's property should not be expected to understand the meaning of propriety.

## Newsprint drive yields 12 tons

The scrap-paper drive in Castro County to provide a kidney machine for a Brownfield man

## Banks, fed-state offices to close for Columbus Day

October has always been famous for Halloween, but in addition, it now boasts two state and federal Monday holidays.

**COLUMBUS** Day, Oct. 9, and Veterans Day, Oct. 23, are among the holidays permanently scheduled on Monday by the federal government to provide three-day holiday weekends.

Monday morning will find the First State Bank in Dimmitt and Farmers State Bank in Hart, all federal offices and all state offices closed. Postal pick-ups and route deliveries will not be made Monday.

It will not be a holiday for county employees, Chamber of Commerce members or the Castro County News. News correspondents are requested to bring their news into the office Monday.

The same closing schedule for banks, state and federal offices will be repeated Oct. 23, the new "long weekend" date for Veterans' Day, which will be 19 days earlier than the traditional Veterans' Day.

ended Saturday when the papers were bundled and baled at the Panhandle Compress & Warehouse.

"I THINK we'll have between 10 and 12 tons," said Allen McLain, chairman of the Dimmitt drive. "It's hard to tell what the total weight will be. We had 20 to 22 pallets filled out, weighing 500 to 750 pounds per pallet. We will probably net around \$100."

Helping Dimmitt's Jaycees tie, stack and bundle the newsprint Saturday were Mrs. L. C. McLain, Hart chairman, and Terry Beavers, Jimmy Kennedy, Terry Myers and Danny Boos, all of Hart.

Campaign leaders were checking with the Panhandle Recycling Co. of Amarillo this week to see if it is still taking paper.

A **STORY** Tuesday in the Amarillo Globe News said the plant had bought a final load of papers for the Jerry Wilson Kidney Machine Fund, netting about \$800 for the drive.

The paper also quoted company owners as saying that due to a drop Sept. 1 in the newsprint market, the final load would have to be held until spring for resale.

Local campaign leaders plan to contact another plant, if necessary, to sell the papers gathered in the drive for Wilson.

"We really appreciate the help and cooperation of everyone who took part," McLain said.

## Voter sign-up deadline Saturday

If you haven't registered to vote in the Nov. 7 presidential election, you have only until Saturday to do so.

**KENT BIRDWELL**, county tax assessor, reported that registration now stands at 3,800—short of the county's goal of 4,000 and below the record registration of 1968.

You can register in the county tax office in the courthouse until 5 p.m. Friday, but that office will be closed Saturday. "If anyone wants to register Saturday, I'll be in my insurance office (116 E. Jones St.) and will have registration certificates available," Birdwell said.

To be eligible to vote in the general election, law requires you be registered 30 days beforehand.

## Correction

The News made a \$100,000 blunder in last week's story on the Castro County Library construction project.

**THE TWO LOTS** on which the new library will be built cost \$25,000. But when the News itemized the project's \$207,500 budget, the site-cost figure came out \$125,000. The extra "1" apparently was contributed by the News's typesetting machine.

## Hausmann new FB president

Larry Hausmann of the Dodd community is the new president of the Castro County Farm Bureau.

**HE WAS** elected Monday night at the first meeting of the county Farm Bureau's new board of directors. Hausmann succeeds Ernest Sammann as president.

Other new officers elected Monday night were Milton Bagwell of Bethel, vice-president; Gary Moore of Dimmitt, board secretary; and Richard Hunter of Dimmitt, treasurer.

New members of the board, elected at the FB's recent chicken fry and annual meeting, are John Walker and Gale Sadler. They succeed Luke McGuire and Doyle McFerrin.

**CARRYOVER** directors are Glenn Odom, Arthur B. Clark, Richard Hunter, Martin Young, Marshall Young, Howard Smithson, Joe Nelson, Gerald Acker, Milton Bagwell, Rayphard Smithson, Gary Moore, L. J. Steiert, Larry Hausmann and Ernest Sammann.

The board also voted Monday night to go ahead with the county FB's property protection program, purchasing all-weather signs for members to use to post their land under the provisions of the state's new trespass law.

More than 100 attended the annual meeting and chicken fry recently in North Elementary School cafeteria. The program included songs by Thomas McGuire, Dimmitt High School choral student, and reports by Jean Foster of Hart and Bobby Martin of Dimmitt, who attended the Texas Farm Bureau Citizenship Seminar on "American Heritage and the Communist Threat" last summer at Baylor University, Waco.

## Last rites held for M. G. Shiflet

Funeral services for Marvin Gene Shiflet, 59, of Dimmitt were held at 10 a.m. Wednesday in Dennis Memorial Chapel.

**MR. SHIFLET** died Sunday morning in Plains Memorial Hospital.

Roy Barringer, minister of the First Christian Church, officiated at the last rites. Burial was in West Lawn Memorial Park, directed by Dennis Funeral Home.

Born April 1, 1913, Mr. Shiflet had been a Dimmitt resident for three years.

**SURVIVORS** include his wife, Vivian, of the home; a son, Harold of Phoenix, Ariz.; a daughter, Rose Mammie Barnes of Phoenix, Ariz.; four step-daughters, Glenna Frye and Joy Merrett of Dimmitt, Betty Louise Donovan of Clarksville and Patty Thompson of Las Vegas, Nev.; a brother, Bill, of Stinnett; a sister, Eula Mae Harman of Rialto, Calif.; and 17 grandchildren.

Members of the Dimmitt Lodge, Independent Order of Odd Fellows, served as pallbearers.

**BECHTOL STATION WAGON** ... Listed as total loss

**CROSBY PICKUP HEAVILY DAMAGED** ... Police Chief W. W. Jones investigates wreck

## No one injured

## Three vehicles pile up

A three-vehicle pile-up last Wednesday on US 385 south, near the Dimmitt city limits, heavily damaged two vehicles. However, no one was injured.

**POLICE CHIEF** W. W. Jones said the accident occurred after a line of cars formed in the northbound lane behind a truck that was stopped to make a left turn onto an unpaved county road.

A Ford Pinto driven by Mary-nell Rudder of Hereford had stopped behind the truck and a 1970 Buick station wagon driven by Mary Bechtol of Dimmitt was slowing for a stop.

But a Chevrolet pickup driven by Gordon Lawayne Crosby of Hart collided with the rear of Mrs. Bechtol's station wagon. The impact caused Mrs. Bechtol's station wagon to hit Mrs.

Rudder's Pinto a glancing blow from the rear before skidding off the highway.

**CROSBY'S** pickup received heavy front-end damage, and Mrs. Bechtol's station wagon was listed as a total loss because of extensive rear-end damage.

Jones said Crosby was cited for failure to control speed to avoid an accident.

**CONGRESSMAN BOB PRICE** of Pampa was in Dimmitt Sunday for the opening of the Castro County Republican headquarters. Price was presented a proclamation by Fred Bruegel Jr. (right), signed by county Republicans in appreciation of his work in this area. About 45 county Republicans were on hand to hear Price's talk and

to visit with James Granberry of Lubbock. During his talk, Price urged party members to work for the re-election of GOP candidates, expressed his regret at losing Castro County from his congressional district, and explained his stand on coming bills in the House of Representatives.

Kiwanians start new scholarship

The Kiwanis Club of Dimmitt has established a new \$300 scholarship.

IT IS TO go "to a deserving boy or girl graduate of Dimmitt High School who wants to further his or her education in any trade or vocational school, institute, college or university."

The Kiwanians plan to disburse the scholarship money at \$150 per semester.

All Dimmitt High School graduates will be eligible for the scholarship. The winner will be determined by a selection composed of two appointed Kiwanis Club members, the president-elect of the DHS Key Club and Dimmitt High School's principal and counselor.

"REMEMBER, GRANDPA, WHEN..."
How Grandpa loves to hear that young voice say those magic words that mean, "We had good times together! I appreciate all the wonderful things you did for me when you were younger and able." Old folks love attention. They need it. They deserve to have it. They've spent their lives helping us, many times at the expense of their own desires and plans.
God commands us in Leviticus 19:32: "Thou shalt rise up before the hoary head, and honour the face of the old man, and fear thy God. I am the Lord."
Honor the older ones, too, by attending church this week and taking them with you.
EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Nazareth news

Big harvest is underway

The Nazareth Swifts will play Happy here this Friday night. Their work will be cut out for them. Our band should have their new uniforms by then. Mr. and Mrs. C. T. Young of Amarillo and Marie Hanson made a trip to Phoenix, Ariz., and visited with the families of Norman Hanson, Wayne Young and Conrad Ehly. Ronnie Hoeltings of Amarillo spent Saturday evening and Sunday visiting relatives here. The Schulte families all went to Groom to celebrate Teresa Will's 60th birthday Sunday. Tommy Jones is on leave and visiting his folks. He has been in service and stationed in Colorado Springs (Fort Carson).

Mr. and Mrs. Philip Brockman from Muleshoe were visiting their folks the Clarence Schultes and Agnes Brockman Sunday afternoon. Mr. and Mrs. Raymond Anen attended the funeral of one of their friend's mother in Friona Saturday afternoon. Lawrence and Lorene Birkenfeld went to Wichita Falls last week to visit relatives. Bryan Birkenfeld and family from Irving visited with the Chris Birkenfelds last week. Sunday the Chris Birkenfelds and Bryan Birkenfelds had dinner with Joe Lynn Birkenfelds. Leo Durbins moved into their nice new home Sunday. Jerry Lange's are also building a new home in Nazareth.

The Nazareth girls will play two Powder Puff football games next Sunday afternoon. Mr. and Mrs. Philip Pohlmeier went to Oklahoma City over the weekend to visit their son Ralph who is at school there.

V.F.W. NEWS

By GERALD BROADSTREET Greetings Comrades, Our dance last Saturday was most successful. We had a nice crowd and the band was doing a mighty fine job. The Western Swingers is the name of the band. They impressed the crowd so much that the House Committee booked them for future dates. When we get details and dates worked out I'll be sure and let you know. So keep your eye on this column.

COMRADES, I want to report on a project that we were asked to assist with. Earlier this year Betty West, then Chairman of the Boy Scout Hut repair project, contacted us for help. Red Hill, painting contractor, solicited and received paint and material from Killingsworth Builders Supply and Higginbotham Bartlett Lumber Co. The paint job looks mighty fine. Red, thank you for your donation of time and labor. Ray Fraakes, past Jr. Vic Comm., of A-1 Mechanical was responsible for connecting up the furnace and doing the necessary duct work. A-1 Mechanical also donated a plumber, Don Leinen, who repaired the lines. The new enamel fixtures were also obtained at cost and installed courtesy of A-1 Mechanical.

There were many other individuals, civic organizations and companies involved with repairs and fixing up on the Scout hut project. I only mentioned those associated with the VFW.

If you haven't been by the Scout Hut lately it sure would be worth your time to go by and take a look at it. You won't believe how nice and pretty it looks until you see for yourself.

To all those that have helped a most sincere "Thank you" for a job well done on such a worthy project.

COMRADES don't forget, our 1973 dues are \$8.25. This price went into effect Sept. 28. If you would please pay your dues now you would be doing me a big favor. So far the dues have been coming in real good and we have 114 paid up.

Our regular monthly meeting was last Monday night, but I won't have the report for it until next week.

Church conducts prayer retreat

By Mrs. Owen Andrews Eighteen members and two visitors met at Frio Baptist Church Wednesday for a prayer retreat of the WMU. At the morning session, Mrs. Clark Andrews reviewed the book "The Meaning of Prayer" after which the group was divided into discussion groups. One was led by Mrs. Sam Ogan and the other by a visitor, Mrs. Dewey Merritt.

The women brought food for lunch, after which Mrs. Merritt spoke about her work as a missionary for 6 years in Nigeria, Africa. Her mother, Mrs. Sarah Cooper of Amarillo accompanied her. The Merritts are living presently in Amarillo, but expect to continue missionary work after several months here for Mrs. Merritt to regain her health. The Merritts have two young daughters, Elizabeth and Mary Ann, born in Africa.

Sixteen members attended the retreat. THE Frio Homemakers Club met Tuesday in the home of Mrs. E. F. Vogler. The program on Sewing was brought by Mrs. Frank Robbins, who discussed ideas she learned in the recent "Sew Fair" sponsored by Deaf Smith Demonstrations Club. Facings, interfacing, linings and top-stitching were among the subjects she touched on.

Mrs. Carlton Dobbins and Mrs. Owen Andrews gave a demonstration on fitting pants' patterns. Meeting time for the club year was set for 2:30. Others present included a visitor, Mrs. Walter Vogler, also Mmes. T. L. Sparkman Jr., Tommy Sparkman, J. E. Warrick, Ronnie Andrews, J. L. Brooks and Miss Alma Andrews.

Mr. and Mrs. D. F. Yandell and Mr. and Mrs. Harlan Barber returned home Wednesday from several days of touring the aspen country, going from Red River into Colorado through Crested Butte and to Carbonade and Denver. They report the mountains were snowcapped from recent snows and that the colors in the foliage were perfect last weekend.

SEVERAL persons from here were at Hobbs Sunday to attend a deacon ordination service for Walker Parris at First Baptist Church. Among those attending were his parents, Mr. and Mrs. Olin Parris, his grandmothers, Mrs. G. W. Parker and Mrs. H. A. Parris of Lubbock. Also attending were Mr. and Mrs. D. F. Yandell, Mr. and Mrs. Lloyd Shultz, Mr. and Mrs. Harlan Barber, W. H. Andrews and Mrs. Laura Littrell. Parris and Andrews were invited to participate in the service.

Mr. and Mrs. Clark Andrews went during the weekend to San Antonio to attend a meeting for school board members. They planned to return the middle of the week. Mrs. Spicer Gripp flew to Mt. Vernon, Wash. during the weekend to visit her daughter, Nancy, and husband, John Stokes, and the new baby girl born to them on Sept. 27. The baby has been named Shelby. Stanley Harlan, a WTSU senior, was guest music director Sunday at Frio. He is a native of Albuquerque, but presently is from Virginia. He had lunch with the Jack Rogers and visited there in the afternoon. Mr. and Mrs. Floyd Cole and Beverly visited Cheryl at Stillwater, Okla. during the weekend. It was a special occasion for Cheryl's sorority at OSU.

Party honors Mrs. Bradford

Mrs. George Bradford was honored on her birthday Monday with a party given by her daughter-in-law, Mrs. James Bradford. FORTY-ONE ladies were singing "Happy Birthday" to her as she entered the front door. Mrs. Johnnie Davis accompanied on the organ.

The serving table was decorated with a large floral arrangement sent by her husband, George Bradford. Esta Vandiver and Johnnie Davis served the pink, rose-trimmed, three-tiered cake and green and pink punch in plates and cups decorated with little old ladies having coffee.

Individual gifts and a money tree were presented to the honoree.

On the Go

Mr. and Mrs. Earl Brock returned home Saturday from a visit and outing with relatives at Junction, Kingsland, Whitney and Lubbock.

**HHS prepares for Homecoming**

By MYRT LOMAN

Hart High School is preparing for Homecoming, to be staged next week.

The 1972 Homecoming Queen was elected by the student body Tuesday, but won't be announced until crowning ceremonies at the Homecoming pep rally Oct. 13.

Candidates for the honor were Jean Foster, Belinda Ritter, Nelda Henderson and Dolores Diaz.

The queen's escort at the Homecoming game Friday, Oct. 13, will be Gary Hart, president of the HHS Student Council. Escorting the queen's three attendants will be Allan Shive, David Armstrong and Jim Clifford.

The Homecoming pep rally this year will not include a bonfire, school officials said.

The Longhorns will meet the Sudan Hornets in the 1972 Homecoming game here.

DENNIS KERN

... Cited for brilliant play against Amherst

## Nazareth middle guard receives area 'Player of the Week' title

Dennis Kern, defensive middle guard for the Nazareth Swifts, was named "Area Player of the Week" by Amarillo Station KGNC last week for his performance in the Amherst-Nazareth game.

KERN, a 150-lb. senior, is the oldest son of Mr. and Mrs. Walter Kern. He has seven brothers and two sisters.

Against Amherst, Kern made 10 unassisted tackles, was credited with nine assists, and blocked two Amherst punts—one of which led to a Nazareth touchdown. He also knocked Amherst runners loose from the ball three times with crushing tackles, and recovered two of these fumbles himself.

Kern consistently broke through the Amherst line and dropped the Bulldog quarterback for losses totaling more than 40 yards.

COACH Clayton Neal, who gave Kern an A-plus score of 48 in his grading system, said, "I feel Dennis is very deserving of the Area Player of the Week honor. He is a fine athlete and competitor, and he could play for any ball club."

Kern embodies almost all the qualities a coach could want in a middle guard, the main one being his speed. Although he is usually outweighed by the opposing center, he is seldom blocked out because of his quickness off the snap. He is one of the main reasons the Swifts held their first three opponents scoreless.

## Mustangs burst Swifts' bubble

For Nazareth's Swifts, previously unbeaten and unscorered-upon, the bubble popped Friday night.

WILSON'S imposing Mustangs went on a six-touchdown stampede on their home field to gain a decisive 42-0 victory over the visiting Swifts.

The younger, smaller Swifts were no match for the defending Class B bi-district champs. The Mustangs fielded a starting team that included 10 seniors and averaged 180 pounds.

## Cats will travel 230 miles Friday to play Dalhart

By JOHN BROOKS

Dimmitt's Bobcats will travel 230 miles round-trip Friday to take on a new foe, the Dalhart Wolves.

BESIDES being the farthest game from home, Friday night's encounter will be an important one from a mental standpoint for the improving Bobcats. A victory over the traditional 1-AA powerhouse would add greatly to the new spirit that was born Friday night when the young Cats whipsawed a big, experienced Lockney team.

The Wolves of the north are not as strong as they have been in past years, but they're by no means weak, either. Wolf Coach Doc Rowell can call on such seniors as wingback Pete Priestly, tailback Tony Bargas, tackles Dick Ramirez and James Countryman, and guard Ricky Reyher—all good athletes and team leaders. Rowell lists Ramirez as all-state material.

Coach Brown L. Smith was highly pleased with the brilliant performance of his Bobcats Friday night, and hopes they can keep up the momentum.

ODDLY, the main injuries that came out of the Lockney game were sore hands. Coach Smith said quite a few Bobcats had hands stepped on by the big Lockney front line. Otherwise, no major injuries have been reported.

Although Friday night's game will be the first regular season encounter between the Bobcats and Wolves, the two teams aren't exactly strangers. They've met before in pre-season scrimmages, and have built up a healthy respect for each other.

Game time will be 8 o'clock Friday night at Dalhart. And you'd better be dressed for cold weather.

# Last-minute score lifts Hart past Anton, 35-32

By KIPP BURNETT

The Hart stands grew quiet and the fans began to clinch their fists and look at each other Friday night as the score after the third quarter read Anton 32, Hart 13.

IT LOOKED as though the Longhorns had finally met their match.

But the hustling Horns did it again as they put 22 points on the scoreboard in the final period to hand the Anton Bulldogs their first defeat, 35-32, in an electrifying comeback.

Jimmy Brown led the Horns again, starting early in the first quarter with a 50-yard race up the middle on an off-tackle play to put the Longhorns on the scoreboard first.

IT WAS the blocking of the offensive line and backfield that made the difference for Brown as he picked up 299 yards on 29 carries.

Wayne Ethridge kicked the extra point and Hart went ahead 7-0, with 9:36 left in the first quarter.

The Bulldogs came back with a score though, on their first possession. Starting on their own 41-yard line, they completed two passes that took the ball to the 3-yard line before speedster Alvin Williams plunged across. Brent Couch kept the ball on a quarterback sneak to gain the two extra points and put Anton ahead at the end of the first quarter, 8-7.

Hart scored again early in the second quarter after a 15-yard drive. Stanley Dyer ran for 20 yards, then Brown picked up another 35 on a sweep. Hart then punched the ball down to the 1-yard line, and Brown scored from there. Brown tried the extra point, but was swamped by all kinds of Anton defenders.

THE TALLY put Hart ahead again, 13-8 with seven minutes left to play in the first half.

The Longhorn defense had a tough job trying to stop a powerful, speedy Bulldog offense. The Bulldogs came back with a 55-yard scoring drive, with Alvin Williams totting the ball across for his second touchdown. Couch threw to Ramirez for the extra points, and Anton was back in front, 16-13.

Hart failed to move the ball on its next possession and was forced to punt. The punt was partially blocked and Anton recovered on Hart's 35. Then, with 20 seconds left in the first half, Couch found Brady Goen in the end zone and hit him with a 35-yard pass for Anton's third TD. Couch then kept the ball again and scored the two-point conversion to put Anton ahead at halftime 24-13.

THE BULLDOGS took the second-half kickoff and started another scoring drive from their own 45. With only 2:49 elapsed in the third quarter, Williams dove across from three yards out for his third score. Couch passed again to Goen for the two extra points, boosting the Bulldogs' advantage to a hefty 29-13. This was the only score of the third quarter as both defenses began to tighten up.

But the fourth quarter was something else as the Longhorns began a stampede that didn't quit until the buzzer sounded to end the ball game.

With only 40 seconds gone in the fourth quarter, Dirk Rambo

found the end zone for the Horns and scored from three yards out. Brown tried a two-point conversion run, but was stopped short again. So with 11 minutes left in the game, the score was Anton, 32, Hart 19.

Anton was unable to move the ball, and the Longhorns regained possession at the 45-yard line of Anton. Several plays later, Brown saw daylight again and raced another 26 yards for Hart's fourth TD. Brown also made the extra points to hike the score to Anton 32, Hart 27.

THE Longhorn defense, under pressure from the clock, came through superbly. The Bulldogs tried everything, but were unable to move the ball against the determined Longhorn defenders. With 1:36 left in the game, Hart took over on Anton's 49-yard line.

The Herd gave a preview of things to come when Brown broke loose on a draw play and carried to the 20-yard line. But the desperate Bulldogs stopped the Longhorns for three plays and it was fourth down and six yards to go.

Rambo kept the ball on an option and was stopped short of the first down with 54 seconds left on the clock. But there was a flag on the play and Anton was called for grabbing a face mask. The ball was placed on the 8-yard line.

That break spelled the difference in the game. On the next play, Brown raced across for the game-winning touchdown. Brown also ran for the two extras, making the score Hart 35, Anton 32.

ANTON still had 40 seconds left to play, and launched a series of short passes. But Hart's James McLain got wise to their tricks and picked off one of Couch's passes to put the icing on the cake and insure Hart's fourth straight victory of the season.

The Longhorns all played a good game, but special recognition has to go to the offensive line—Harley Malone, Cecil Jackson, Guillermo Carrasco, Duane Clevenger, Wayne Fhridge, Sonny Mancias, Bill Clifford, Stan Dyer and Erasmo Castillo.

The Longhorns will travel to Vega Friday night for the first district game of the season. Kickoff time will be 8 o'clock.

ALBERT EWING DUCKS HIS HEAD AND GETS ANOTHER YARD ... As he knocks Lockney tackler backward Friday night

## Cats put it together, stun Lockney by 20-7

By JOHN BROOKS

Featuring a strong defense and a tear-them-apart offense, the Dimmitt Bobcats pleased a Homecoming crowd of approximately 1,750 with a 20-7 victory over the Lockney Longhorns Friday.

THE FIERCE Bobcat defense allowed Lockney only one first down and 15 yards total offense, compared with a total of 187 yards for the Bobcats. The Cats' pass defense held Lockney to a total of minus one yard in the air and intercepted one Longhorn aerial. The Bobcats completed three passes for 52 yards and one touchdown.

After a scoreless first quarter, the Bobcats drew first blood when tailback Albert Ewing carried the ball in for the score. Rick Wright kicked the extra point and the Bobcats were in the lead, 7-0.

But the lead lasted for only a moment. On the ensuing kickoff, Longhorn Dart Carthel ran the ball back 35 yards, then kicked the extra point to tie the score at 7-7.

THE BOBCATS went ahead again in the third quarter when Quarterback Terry Powell hit tight end Steve Nutt in the end zone with an 11-yard pass for the second Bobcat TD. Nutt made a great one-handed catch. Powell had to thread the needle between three Lockney defenders and Nutt, with his back almost completely turned, reached out and snatched the ball from the air as he fell into the end zone. Wright took the extra point to put the Cats back

into the lead for good, 14-7.

The last score of the contest came when Ewing capped off a drive with a four-yard scoring jaunt. Kick was no good and the score: Dimmitt 20, Lockney 7.

The Bobcat defense forced the bigger Lockney team to punt eight times while allowing the Horns only one first down. Lock-

ney drew five penalties for 55 yards, while the Cats were caught six times for 50. One Bobcat miscue occurred when Lonnie Strickland, making his debut (along with Pete Davila) at fullback, rambled 65 yards for an apparent touchdown. However, a clipping penalty wiped out the score.

## Ewing, Powell named 'Top Cats' at Booster Club meeting Monday

Dimmitt's happy victory over Lockney at Homecoming was attributed to outstanding team play, particularly the defensive unit, by Coach Brown L. Smith at Monday night's meeting of the Boosters Club.

ALBERT Earl Ewing, who carried the ball 33 times for 110 yards, and Terry Powell, who had a good offensive game and scored 90 on his defensive evaluation, were named "Bobcats of the Week."

The coaching staff was tremendously pleased with the whole squad. Coach Smith said his Cats "grew up during that game. If they always play like that, they can't ever get beaten bad."

Travis Hampton also was cited for an outstanding game, as well as Pete Davila and Lonnie Strickland, who were both rated new to the fullback position they playing.

FRIDAY NIGHT the Cats will

travel to Dalhart for another tough game. It will be Homecoming for the Wolves, who now have a 2-1 record.

Last week the seventh and eighth grade B teams split their games with Friona, the seventh graders winning and the eighth grade losing.

The freshmen lost to Hale Center last week, but will be up for their contest with the Tulia freshmen at home today (Thursday) at 5:30. The B team played a good second half in its contest with Muleshoe in spite of being on the short end of a 14-0 score.

THE WEEK'S winners in the football contest were Mrs. Bob Askey, first, and Maurice Powell, second. At the end of the first four weeks of the contest, the leaders in accumulated points were Joe Bob Sanders, 54; Ted Goldsmith, 52; and Mrs. Frank Wise, Bill Sanders, George Rush with 50.

### 3-AA sidelines

## Friona, Dimmitt carry banner as Littlefield falls to Mules

Bandy, Bandy, Bartlett and Perea: Sounds like a large law firm. What it is, though, is the starting backfield at Friona, and the foursome came in for a high-scoring night Friday.

WHILE Friona and Dimmitt were taking home victories, the one-season favorite for the 3-AA championship tasted defeat for the first time this season.

Littlefield's Wildcats, who went to the playoffs last year, were ambushed in Muleshoe 42-14 Friday for their first loss of the season. Morton and Olton emained winless, losing to Friendship (21-14) and Floydada (17-8), respectively.

Friona, playing Springlake-Edgar for the first time in a decade, greeted the Wolverines with a stiff opening defense and the BBB&P backfield capitalized on it. A blocked punt and two fumble recoveries led to three first-half touchdowns, and the Chieftains went on to a 47-0 victory. It was Friona's largest point output in a single game in four seasons.

FULLBACK Mario Perea and halfback Clay Bandy scored twice each. Bartlett and quarterback Johnny Bandy once each in the runaway. Clay Bandy wound up with 83 yards rushing, Perea 81 and Bartlett 73 in the balanced running attack.

But the defensive plays made the difference, and Coach Bob Owen admitted it.

"We got the breaks early. We nearly scored on our first possession, getting down to the two. But we forced them to punt, Terry Thompson blocked it and Mike Martin recovered. We scored, and then we got it back on a fumble recovery by Ricky Johnson. Then Kevin Wiseman got another fumble recovery and we scored our third touchdown. We got five recoveries for the game."

Clay Bandy is in the lineup while regular Louis Lee is sidelined by a knee injury sustained in the Chiefs' loss to Muleshoe Sept. 22.

MULESHOE continued its domination of District 3-AA teams, making Littlefield its fourth victim. A 21-point lead before Littlefield could score tilted the verdict in the Mules' direction.

General Lewis and J. E. Johnson, on 32-yard runs, got Littlefield's touchdowns.

Friona and Littlefield now lead non-conference standings with 3-1 records, but Dimmitt evened its record at 2-2 by thumping Lockney 20-7. And that is the kind of Homecoming the ex-students return to see.

ALBERT EWING capitalized on two defensive plays to score, and paced the decision. First TD was set up by Florencio Acevedo's interception in the second quarter. In the final period, a fumble recovery at the Lockney 36 gave the Bobcats a scoring opportunity and they converted.

Floydada, which was in the district last year and shared the title with Littlefield, kept its record unmarred against Olton. The Mustangs' only touchdown came on a 12-yard run by Keith Workman in the third period.

Friendship came up with a touchdown in the fourth quarter to snap a 14-all deadlock and best Morton 21-14. Jimmy Harvey's 74-yard sprint sent Morton into an early lead, and Ted Thomas ran a quarterback bootleg to perfection for 15 yards and the matching points in the third quarter.

THIS WEEK finds last year's co-champions colliding in a non-conference contest. Floydada will invade Wildcat territory, where the two teams battled to

## Fun Bluebirds meet Monday

The Fun Bluebirds met Monday at 3 p.m. at the Scout Hut. Plans were made for the year and they colored Bluebird dolls.

MEMBERS are Jill Brown, Connie Dennis, Jerri Ka Clark, Sonya Andrews, Lisa Davis, Norma Porter, Paula Marcus, Toni Wheat and Traci Moore. Leaders were Mmes. Brenda Andrews, Sandra Clark and Betty Dennis.

Refreshments were served the group by Connie Dennis.

The group will tour the Castro County News office next Thursday.

### On the Go

Mr. and Mrs. Roy Ellis of Amarillo were here for homecoming activities last week and for a visit with her mother, Mrs. Aural Davis. They all attended the Texas Tech-University of Texas football game Saturday in Lubbock.

# NATIONAL 4-H CLUB WEEK

As They Learn, They Serve... and the Future Is Brighter, Thanks to 4-H'ers

With pride, we salute our local 4-H Club members, for their efforts and achievements. Through their Head... Heart... Hands... Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today... and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

## Students man fair booth

Fifteen students from Dimmitt High School's Industrial Arts Dept. formed a woodworking assembly line Saturday at the South Plains Fair in Lubbock, making towel holders to give to fair visitors.

**WORKING** a four-hour shift Saturday afternoon, the Dimmitt youths demonstrated the use of power equipment while creating the wood favors which they passed out to those visiting the exhibit. Industrial arts students in other schools that are members of the Plains Industrial Arts Association also sent assembly-line teams during the week.

The students traveled in "Nelson's Folly," a Greyhound bus which the DHS Industrial Arts Club converted to a motor home last year for Dan Nelson.

Arriving at Lubbock at 11:30 a.m., the Dimmitt students ate lunch and toured the fairgrounds before starting their work shift.

**STUDENTS** operating power equipment were Dale Broadstreet, Roger Allison and Tommy Cleavinger, radial arm saw;

Junior Sandoval and Brent Armstrong, shaper; Billy Stephenson and Dean Burfield, router; Yolanda Sandoval and Calvin Black, stationary belt sander; Randy Smithson and Dean

### Here's how on chow-chow

Here is a tested chow chow recipe from the kitchen of Mrs. B. M. Nelson of Dimmitt.

**CHOW CHOW**  
24 tomatoes, medium size  
12 onions, medium size  
6 sweet peppers, red or green  
4 cups sugar  
4 tablespoons salt  
1 stalk celery  
1 quart vinegar (5 percent acetic acid)  
Scald and peel tomatoes, then cut up. Peppers, onions and celery can be chopped in blender. Cook chopped vegetables, vinegar, sugar and salt together until tender. Pour into sterilized jars and seal.

Summers, portable belt sander; and Carolyn Montes and Daniel Montiel, drill press.

Travis Wiseman assembled the towel holders after their components had been cut, shaped and finished. Bryan Mayfield, photographer for the Industrial Arts Dept. this year, took photos of the exhibit and manded the vacuum cleaner.

**AFTER** completing their shift at 5 p.m., the students enjoyed the fair several hours before boarding for the trip home at 8:30. Accompanying the students was G. L. DuBose, DHS industrial arts teacher.

### DHS pep rally will be early

The weekly pep rally at Dimmitt High School will be at 12:45 Friday in the high school gymnasium.

The rally is being held early so the Bobcats can attend before leaving to play the Dalhart Wolves at Dalhart Friday night.

## Punt-Pass-Kick winners named

Hundreds of county boys 8 through 13 gathered at Bobcat Stadium Sunday afternoon for the annual Punt, Pass & Kick contest, co-sponsored by the National Football League and Ford Motor Co.

**CONDUCTING** the contest here were Dale Fowler Ford, Inc., and the Castro County Jaycees.

The first-place winner in each of the six age groups will compete Saturday in the zone contest at the Maverick Boys Club

in Amarillo. The boys will meet at 8:30 Saturday morning at Dale Fowler Ford, Inc.

Second and third place winners also are invited to go to the zone contest Saturday, but will not compete, Fowler said.

**WINNERS** in the county PPK contest Sunday were:

8-year-olds: Elias Bernal, first; Michael Kern, second; Brian Armstrong, third.  
9-year-olds: Morris Cole, first; Brad Hill, second; Phil Foster, third.

10-year-olds: Matt Gilbreath, first; Tracy Rich, second; Dwayne Acker, third.

11-year-olds: Neil Wilhelm, first; Stanley Hoelting second.

12-year-olds: Tommy Kenworthy, first; Frank Alvarez, second; Matt Howell, third.

13-year-olds: Bobby Allensworth, first; Johnny Newsom, second; David Mixson, third.

## Suicide ruled in Day death

County Coroner Elvon DeVaney has ruled that the Sept. 8 death of Jim Tom Day II of Dimmitt was "suicide by acute barbiturate intoxication."

**DEVANEY** issued the verdict Friday after receiving a written autopsy report from an Amarillo pathology laboratory.

Day, 23, was found dead in his room at the Dimmitt Motel at 2:30 p.m. Sept. 9. DeVaney said Day had left a note in the room indicating he intended to take his own life.

Day had lived in Dimmitt about two years.

Funeral services were conducted Sept. 13 in Georgia.

## Hart High School hit by burglars

Burglars broke into three vending machines, took approximately \$45 in change and vandalized several rooms at Hart High School last Thursday night.

**THE SHERIFF'S** Dept. said the burglars got into the building by prying open a back door. They entered the boys' athletic locker room and took an envelope of money from the coach's desk, broke into a soft drink machine and a candy machine in a refreshment room, and also burglarized a pencil machine in a classroom, officers said.

The burglars raised a door off the hinges to get into the classroom, and after burglarizing the pencil dispenser, they scattered pencils and paper around the floor.

**SCHOOL** officials estimated the loss at \$20 from the coach's money envelope and \$25 from the vending machines.

The burglars also broke into the elementary school building but apparently took nothing, officers said.

## Rites held here for R. O. Douglas

Graveside services were conducted in Castro Memorial Gardens last Thursday afternoon for Ralph Otho Douglas of Hereford, an area pioneer and former Dimmitt resident.

**MR. DOUGLAS**, who lived at 319 E. First St., Hereford, died at 1:35 a.m. last Thursday in Deaf Smith General Hospital. He was 85 years of age.

Last rites were conducted by Rev. Jim T. Pickens, pastor of the First United Methodist Church of Dimmitt. Funeral arrangements were directed by Gilliland Funeral Home of Hereford.

Born April 5, 1887, in Elk Falls, Kan., Mr. Douglas moved to Dimmitt from Clifton, Mo., in 1907. He married Vira Hamm in Dimmitt in 1912, and operated a farm here until 1921, when he moved to Hereford. He was a member of the United Methodist Church.

He is survived by two sons, R. H. and Otho, both of Corpus Christi.

### More About

#### Corn harvest

(Continued from Page 1)

All of the corn processed at Grain Handling is on a cash basis, with none destined for the corn mill in Dimmitt.

"**PRICES** are good now and it looks like they will stay that way through the harvest," Cleavinger said.

Statistics released by the Texas Crop Reporting Service listed Castro County in the top three corn-producing counties in Texas in '71. A total of 9,193,000 bushels of corn were cut in the county last year, and the 1972 crop seems destined to dwarf that figure.

The Plains grew 83.3 percent of the state's corn ensilage crop in '71 too.

**PLAINS** corn crops average 121.7 bushels per harvested acre in '71, compared with the national all-time high average of 86.8 bushels.

Castro County alone in 1971 produced more corn than the foreseen '71 combined output for Oklahoma and New Mexico.

**WHAT DID SANTA** bring me? Irene Keating (left), county extension agent and Bertha Hance, check for gifts inside the Santa toy bag that was on display Friday at the county Christmas Fair. On display were a wide variety of Christmas decorations and gifts that could be made for the coming holiday season. Patterns for all items on display were available, along with recipes for Christmas sweets.

*Socially Yours*

**HD notes**

**Christmas Fair makes a big hit**  
 By IRENE KEATING  
 The Christmas Fair last week was a big success. Many of you came and got ideas for holiday decorations and gifts. Next year we'll have an entirely new group of items to show.

**NEXT WEEK I'll be in Denver** attending the National Agents Association meeting. I'll be learning many new things that I can share with you. Later this month we'll be having a coat construction workshop sponsored by the Family Living Committee.

**THIS IS National 4-H Week** and an excellent time for your children age 9 to 19 to join a club. There are numerous benefits to be gained by club work. 4-H is unique in that it is a

very family-centered organization. We will have our county 4-H awards program Nov. 4 to honor our 227 county 4H'ers and their leaders and parents.

**RECENTLY I** attended a housing training meeting in Amarillo that was very beneficial. We learned how to do many simple home repairs. This is basic information that all homemakers could use to keep their homes in good repair. We learned how to replace windows, re-screen doors and/or windows, repair holes in sheetrock and do some plumbing. We will be having some work in the county in this area later.

Shelly George Rice

**Nursing student ends first year**

Shelly Rice, daughter of Mr. and Mrs. Jimmie George of Dimmitt, is among the 1974 class of Northwest Texas Hospital School of Nursing who finished the first year of their nursing education which includes 36 weeks of college courses and six weeks of high-level wellness-nursing process. She started the second year of training in August with the advanced nursing curriculum.

**UPON** completion of this final phase of nursing, Mrs. Rice will be eligible to take the State Board of Nursing Examination for licensure as a registered nurse.

The Dimmitt Book Club will have its October meeting Wednesday at 4 p.m. in the community room of the First State Bank of Dimmitt.

**MATTIE AXTELL,** a reserve member of the club, will be the guest reviewer for Sara Hill.

Mrs. Axtell will review "The Hiding Place" by Corrie Ten Boom. The story is based on German war camps during World War II and is of a religious nature.

Mrs. Hill said interested persons are invited to attend the review.

**Flagg HD Club adopts projects**

During a business session Sept. 20, the Flagg Home Demonstration Club voted to contribute monthly to the Satellite School and to sponsor a girl at Girls' Town.

**FAYE DAMRON** presented the program on safety to the eight club members present. Sue Tischler described the highlights of her trip to the state HD club convention in Houston.

State Farm Mutual

stance" by Evelyn Anthony is a masterful drama of continental intrigue, set against the glittering backdrop of London, Paris, and Munich. Here is the spell-binding story of a beautiful young woman's search for her father, his clouded past and a mysterious inheritance. When Paula Stanley divorces her famous racing driver husband amid a flurry of newspaper publicity, she is approached by a man called Black, who tells her both that her father, a German general Paula has long believed dead, is still alive and that he holds in trust for her a fabulous inheritance, the Poellenberg Salt, a splendidly jeweled piece by Cellini which he acquired during the war. Conquering her initial skepticism, Paula sets out to follow Black's cryptic clues: "Paris, 25 June, 1944. Tante Ambrosine and her nephew Jacquot." Her quest is, however, as much for the father she never knew and whose love she missed as for the treasure.

"Bonney's Place" by Leon Hale is a novel of a legacy that disappeared, an inherited enigma whose resolution is full of tears, laughter and the diversity of the human condition. In finding the missing \$15,000 that his father apparently gave to an unknown acquaintance, a son discovers not only the cold-cut truth but the circumstances and interrelationships that make wrong seem right and sometimes very, very much vice-versa. The catalyst is the Texas beer joint, Bonney's Place, where a few roads end and many begin. This is a tale of grass-roots wisdom, of bums, of free-spenders and free loaders and of the many manifestations of love.

SKIN CANCER will cause some 5,000 deaths in America in 1973. The American Cancer Society says that most skin cancer can be prevented by avoidance of excessive sun or easily cured if treated promptly.

**4-H CLUB MEMBERS**

WINNING FLOAT IN THIS YEAR'S ROUNDUP PARADE  
 ... Built by the county's newest 4-H club

## 227 youngsters are in 4-H here

Gov. Preston Smith has proclaimed the week of Oct. 1-7 as "4-H Week in Texas."  
**THEME OF this year's observance** is "A New Day—A New Way."  
 Charles Hottel and Irene Keating, county Extension agents who supervise the Castro County 4-H Club program, said 4-H is working with educational learning-by-doing projects, applying the latest research and scientific information to their work, keeping records, arranging exhibits and giving demonstrations to pass the information to others.  
 "The leadership and citizenship training which 4-H members receive in the 4-H program

is a valuable asset to our county and to our way of life," Hottel said.  
 4-H members are from 9 to 19 years of age. The local club is supervised by volunteer adult leaders, and each club has organization leaders who are responsible for the over-all operation of the club.  
 These organizational leaders and the club they represent are Dimmitt, Mr. and Mrs. Thurman Oldham; Nazareth, Mr. Luke Acker and Mrs. David Acker; Bethel, Mr. and Mrs. Jack Ingram; Frio Jolly Workers; Mr. and Mrs. Fritz Smith and Easter Happy Helpers, Mr. and Mrs. Buster Thomason; Hart, Mr. and Mrs. Joe Hart

Mr. and Mrs. Bill Hill; Hart Working Girls, Sara Hart and Evelyn Hill; Flagg, Mr. and Mrs. Robert Duke.  
 The Adult Leaders Association is made up of the organization leaders. They help plan and carry out the 4-H program. The chairman of ALA is Thurman Oldham, and vice-chairman is Nell Ingram.  
 The Junior Leaders Club is made up of the older 4-H club members. They meet as a club and also help the leaders in their own clubs work with younger members. Raymond Warrick of Frio is chairman of the Junior Leaders. Steve Acker is vice-chairman, Agnes Acker is secretary and Donna Acker

is treasurer. The Junior Leaders plan and conduct 4-H Fun Day, held in Palo Duro Canyon for the last two years.  
 There are 227 boys and girls currently enrolled in 4-H in Castro County. However, many more are eligible to participate and the agents encourage these youth to ask their friends about 4-H or to visit the county Extension office.  
 4-H is a part of the educational program of the Texas Agricultural Extension Service of Texas A&M University, and is directed at the local level by county Extension agents. Volunteer adult leaders and other local citizens assist with the program.

### Frio Jolly Workers

By CURTIS SMITH  
 The Frio Jolly Workers 4-H Club invites you to visit its meetings the fourth Friday evening of each month. We meet in the Lions Club community building at Easter.  
**OUR PRESIDENT** is Sue Smith, and our other officers are Kenneth Adams, vice-president; Dana Hutchins, secretary; Janis Smith, treasurer; Raymond Warrick, ritual chairman; Bob Behrends, inspiration chairman; Curtis Smith, reporter; Dana Hutchins, Council delegate; and Earl Behrends, parliamentarian.  
 Our organization leaders are Mr. and Mrs. Fritz Smith and Mr. and Mrs. Billy Warrick. Most of our members are now

purchasing swine for projects this winter. Before long, the girls will start on their food and nutrition project. Those in money management will meet with Mrs. Donald Adams soon. Clothing will be one of the girls' final projects of the year.  
**OUR CLUB** has six junior leaders who belong to the County 4-H Junior Leaders Club. We are proud of these members as they are our "helping hands."  
 We invite any boy or girl 9 to 19 years old who would like to join us, to come to our meetings.  
 We will have our annual club supper Oct. 21 at 7 p.m. in the Easter Lions Club community building.

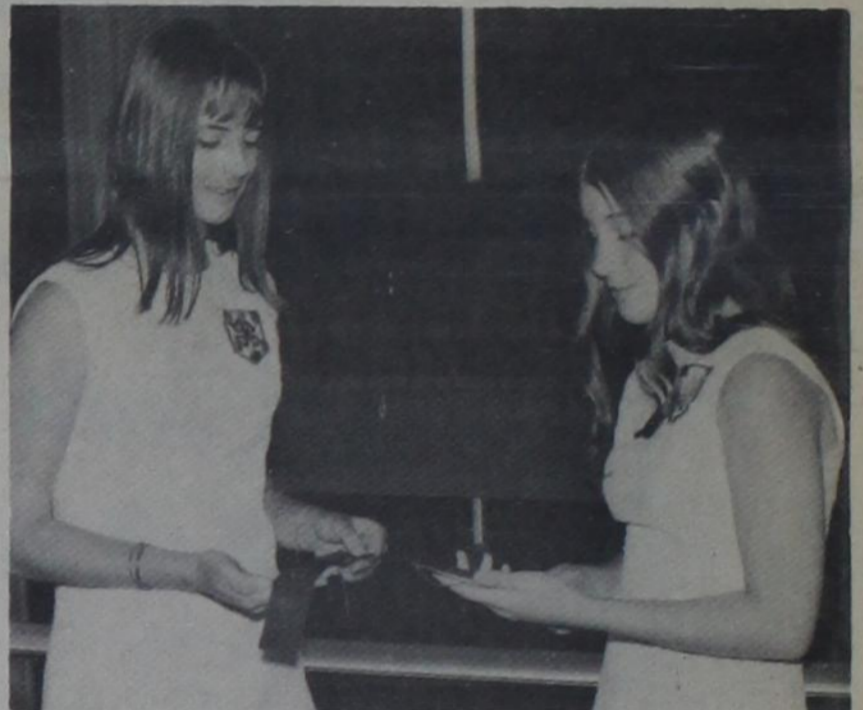

### Easter Happy Helpers

The Happy Helpers 4-H Club of Easter was formed in September, 1971. During its first year, the club had 12 members.  
**BEGINNING** its second year, the club now has 22 members. New officers are Sonia Markley, president; Annette Thomason, vice-president; Ramonda Young, secretary-treasurer; Ruth Hogan, Council delegate; Sandy Harkins and Kylene Behrends, ritual chairmen; Terri Harkins and Lee Ann Dobbs, song leaders; Starla Tindal, reporter; and Renee Dobbs and Beverly Edwards, telephone committee.  
 During September, the club hosted an appreciation dinner

for sponsors of the club. Each member prepared a food for the dinner.  
 Annual projects of the club include helping with the Easter Halloween Carnival, Christmas parties, sewing courses, food projects, an end-of-school party for the entire family, annual 4-H play day and a new child care project which will start Oct. 14.  
**ADULT** leaders are Mr. and Mrs. Buster Thomason. Their telephone number is 276-5646, and youths 9 to 19 in the Easter community may call them for more club information. The next meeting will be Oct. 13 in the Easter Lions Club Community Building at 5 p.m.

### Nazareth 4-H Club

By PATTI HOCHSTEIN  
 The Nazareth 4-H Club is proud of its large enrollment of 55 members this year.  
**THESE 4-H members**, under very capable leadership, "learn by doing" in many project areas throughout the year, such as sewing, cooking, management, livestock raising and showing (beef cattle, swine, sheep), first aid, child care, gardening, money management, and other skills and crafts. There seems to be no limit to what you can learn in 4-H.  
 The club's community service project is working with the students of the Satellite School. During the summer a picnic was given once a month, which included swimming, lunch and games. Every member who has helped feels his or her time was well spent. Through this project, one of the students who would not get in the water is now enjoying the swimming sessions as much as the rest of the students.  
**NAZARETH'S club** has had some outstanding recognition this year:

Stephen Acker won a trip to Washington, D.C., for a national citizenship short course on the basis of his records, and also was named the Wheat King at the Tri-State Fair two weeks ago.  
 Patti Hochstein is to be in Dallas this weekend to participate in the State 4-H Dress Review. She qualified by winning at the local and district levels.  
 Donna and Agnes Acker, Stephen and Norman Acker went to the State 4-H Roundup in June with their method demonstrations, after winning in the district contest.  
**THESE HONORS** and recognition are based on the work the member does and the records he keeps of this work. Records are a very important part of 4-H work, because without records these honors are not possible.  
 The members of the Nazareth 4-H Club would like to invite anyone interested in 4-H and its work to attend the October meeting Monday at 8 p.m. in the Nazareth American Legion Hall.

### Flagg 4-H Club

The Flagg 4-H Club has 17 members. Officers for 1972 are Steve Anthony, president; Coby Gilbreath, vice-president; Mike Tischler, secretary; Lane Louder, treasurer; Matt Gilbreath, council delegate; and Cheryl Schumann, reporter.  
**SERVING** as adult leaders to the Flagg club, are Robert Duke, organizational leader; Sue Tischler, foods leader; and Maxine Ballard, clothing leader.  
 Flagg 4-H club members competed in many events last year. Among them were Sandra Tisch-

ler and Kathy Ballard, Youth Fair and baking contest; Steve Anthony, three fat stock shows; and Matt Gilbreath, the county stock show.  
 In June the club cleaned up the area around the community center.  
**DURING** August Pat Anthony took Steve and Jackie Anthony, Sandra and Mike Tischler, Lane Louder and Ginger Wilcox to 4-H Fun Day.  
 Friday the Flagg club will hold its award's program and covered-dish dinner.

### Hart 4-H Club

The Hart 4-H Club is composed of 14 boys and girls whose main project is raising livestock for show and breeding purposes.  
**CLUB MEMBERS** show their projects primarily at fairs and stock shows in this area.  
 Terry Hill is presently serving as president. The adult sponsors are Mr. and Mrs. Joe Hart and Mr. and Mrs. Bill Hill. The Working Girls 4-H Club

of Hart was organized one year ago and has 16 members. Some of the programs last year included learning to cook, sewing, home furnishings and child care. They also served as hostesses for the Castro County Dress Review.  
 Ladonna Hart is president of the Working Girls Club, and Mrs. Joe Hart and Mrs. Bill Hill are adult leaders.

### Dimmitt 4-H Club

The Dimmitt 4-H Club was formed as a girls club with projects mostly in the sewing and cooking area. Today, members can choose from 50 to 60 areas of study—from electricity to woodwork to home management.  
**CURRENT** officers of the club, which has 61 members, are Mark Oldham, president; Randy Powell, vice-president; Billy Leonard, secretary-treasurer; and Scott Armstrong, reporter.  
 The club meets the first Thursday of the month in the Courthouse assembly room. Today (Thursday) members will choose their projects for the coming year. Project groups meet monthly at a time convenient for the group.  
 Woodworking, sewing and

cooking groups have a series of meetings to study the topics. Group competition within the group develops at show time.  
**THE GENERAL** leaders of the club are Mr. and Mrs. Thurman Oldham. Project leaders are Mrs. Stanley Leonard, cooking; Mrs. James Powell, sewing; Mr. and Mrs. David Cole, livestock; and Thurman Oldham, woodwork.  
 The club's community project for 1972 is constructing a sign for the Satellite School.  
 Boys and girls interested in the 4-H program should talk with Mr. and Mrs. Thurman Oldham or the county extension agents.  
 Adults with special talents and hobbies who enjoy teaching children are needed as project leaders.

#### A NEW DAY — A NEW WAY

If you are between the ages of 9 and 19 and want to be with people who are doing new things, join a 4-H group. 4-H is an educational program open to all boys and girls in our area. In 4-H you learn new hobbies, increase your leadership ability and have the chance to conduct money-making projects.  
 The Extension Service is trying to expand the county 4-H program to include more youths from all ethnic groups, and to form more clubs with specialized interests. A new committee has been formed for this purpose.  
 Clip out the coupon below for more information about joining or starting a 4-H group in your neighborhood.

**a good word for a GOOD IDEA**

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

## Bob Kay has first bale

By MRS. BUD McELROY  
The first bale of cotton in Castro County was pulled last Friday and ginned Saturday at the Tam Anne Gin. It was grown on the Bob Kay farm, three miles north of Tam Anne.

DAVID McElroy went to Levelland Saturday evening and spent the night with his uncle and aunt, Ronnie and Linda McElroy and visited his grandmo-

ther Mrs. Audrey McElroy. Mr. and Mrs. Milton Bagwell and family attended football games last week, the freshman game at Hale Center and the eighth grade one at Friona. We lost both games.

Mrs. Jack Howell's mother, Mrs. Carl Lee of Sumnerfield has moved to Dimmitt.

Mr. and Mrs. Jack Howell, Mr. and Mrs. Bob Kay, Mr. and Mrs. Charles Wales attend-

ed the Texas Tech and University of Texas football game Saturday night.

Matt Howell won third place in the Punt, Pass and Kick contest.

MR. AND MRS. Ronald Longan had a new baby boy, born in Northwest Texas Hospital in Amarillo Sept. 20. He weighed 7 pounds and 11½ ounces and was named Ronald Clay

Longan Jr. He is called Clay. Rhonda and Mark Welch attended the youth retreat at May Hill, N.M.

Mr. and Mrs. James Welch attended funeral services for Allen Swenson in Clovis.

Mr. and Mrs. Don Damion of California and Mr. and Mrs. Chuck Carry of Hereford visited the James Welches Monday.

MR. AND MRS. Wayne McElroy went to Andrews Sunday to see Laura's parents, the Jack Wilsons, Lloyd and Floyd. Her brother John from Hobbs also visited.

Sunday afternoon Wayne and Laura came back by Brownfield and saw Wayne's sister Irene Pickett, and to Levelland to see his mother Mrs. Audrey McElroy and his brother and family the Ronnie McElroys.

Mr. and Mrs. Vern Lust, Mr. and Mrs. Wes Anthony and Mr. and Mrs. Earl Lust ate Sunday dinner with Mrs. Leola Haberer in Dimmitt.

Mr. and Mrs. George Sides and family went to Lubbock to visit George's folks, the B. H. Sideses.

THE Bethel kids home for the homecoming football game were Rocky Kay, Ann Lust and Sharon McElroy.

Hubert Edwards is home from the Amarillo hospital and doing fine.

A HOUSE study committee has been set up to review water district legislation passed during the last two legislative sessions and determine if it was in the public interest.

THIS is Texas Highway week. Speeches and observances are marking the event over the state.

Outstanding bridge clubwoman was Myrtle Sheffy with a high score of 4,840 during the CCCC Bridge Play Day last Friday. Myrtle has been a last minute emergency fill-in for the past two weeks and is most appreciated by all members. Coming in second with a score of 4,150 was Dee Williams; third went to Jerine Parks with 3,180; and Barbara Hardin was fourth with 3,060.

CLETHA George was a last minute replacement for hostess in my wife's place, with Rosalie Gilbreath scheduled to be hostess this coming Friday. Jeanne Johnson got all her brood out of the hospital and was back for a full day's play, with a nervous eye on the telephone, I heard. Ramona Annen's husband was still in the hospital, so she has missed a couple of weeks. My daughter, Lori Beth, broke her arm and will be home for a couple of weeks—Jon Nell has a bad case of 'cabin fever.'

We have had seven requests for night bridge so far, any interested is urged to call 647-4555. No time or dates have been picked out as yet, but will be decided upon by members when they meet to organize. So far Monday and Wednesday nights are not desirable for most of the people already signed up. We have two men, and would like to get more.

"Bertha Bridge" says that in order to bid properly you must know the value of your hand. This is easier said than done. The true value of your hand depends on your high cards; long and short suits; how well your hand fits your partner's; location of high cards held by opponents; how well you and your partner play; and how well the opponents play. This is just a beginning. It might also be important to keep track of which players are in a good mood, which are discouraged, which pairs get along well as partners, who is looking for a chance to show up one of the other players, and so on. In short, you never really know what your hand is worth. The best you can do is to come pretty close most of the time.

This uncertainty is one of the charms of the game. If anybody ever succeeds in making bridge really cut and dried, so that you can bid or play automatically, people will desert the game and take up something more adventurous.

### Clayton reports

## Session is still in committee'

By REP. BILL CLAYTON  
Two weeks of the present special legislative session have passed with no significant action being taken on any legislative matters. However, during this time committees have been meeting on the competitive insurance bills and the bills that would allow the governor to transfer funds.

HE THIRD week of the session began Monday with committee hearings on the all-important trailer brake and light laws. It is most important that these corrective measures pertaining to trucks and trailers be clarified, because our area is now getting into the harvest season and a great many questions have been raised about trailer lights and brakes.

It is anticipated that the bill introduced by Rep. Mike Mancrief of Fort Worth and myself will pass through the legislature this week.

Two other measures will probably be acted on this week. One would exempt flight training schools from the proprietary school act. The second, a resolution which I am co-sponsoring with Rep. John Traeger of Seguin, would prohibit the forced busing of school children.

COMMITTEES dealing with the major issues in the call of the special session—insurance and funds transfers—will probably report these bills out sometime later this week.

With several other items of business to take care of, it looks like the special legislative session will take the full 30 days and will conclude its proceedings around the middle of October.

A TOTAL of 754 new lawyers are qualified to take the oath of office Sept. 25 as a result of passing the bar examination.

# National 4H Club Week

To All 4-H'ers and Their Leaders,  
Our Hearty Congratulations...  
Keep Up the Good Work, and  
May Success Always Be Yours!

"Join 4-H: A World of Opportunity." As we pay homage to 4-H Club members, during National 4-H Week, October 3-9, we believe that this official slogan appropriately expresses 4-H aims and advantages. "Join 4-H" ... and a world of opportunity awaits young people, who gain training and experience in citizenship and community life, as well as acquiring valuable career and homemaking skills. "Join 4-H" ... and young people find a world of opportunity to serve while they learn, to build for the future. "Join 4-H" ... because 4-H has much to give, and much opportunity for giving ... to family ... community ... country ... and world!

## Lubbock civic-church leader to speak to Methodists Sunday

Betty Anderson, Lubbock civic and church leader, will be the speaker Sunday morning when the First United Methodist Church of Dimmitt conducts Lay Emphasis Sunday.

SHE WILL speak at the church's 10:45 a.m. worship service.

David Springer, church lay leader, said laypersons will conduct all phases of the morning service.

Mrs. Anderson is a wife, mother, church leader, educator, volunteer civic worker, musician and graduate student. Her husband, Dr. John A. Anderson, is an associate professor of Chemistry at Texas Tech. The Andersons have two sons.

Holder of a BS degree in home economics from North Texas State University, Mrs. Anderson is currently studying toward a graduate degree in family relations at Texas Tech.

IN HER home church in Lubbock—St. John's United Methodist—she is chairman of the Council on Ministries, member of the church choir, Sunday school teacher, member of the Wesley Foundation executive board and lay member of the Annual Conference.

She served last year as a member of the Northwest Texas Conference's Leadership Development Committee, and is the new vice-chairman-elect of the conference's Program Council.

In the Woman's Society of Christian Service, she has served as local vice-president and district chairman of social concerns.

AN ACTIVE participant in local government, Mrs. Anderson is on the board of commissioners of the Urban Renewal Agency, a member of the Citizens Advisory Commission and president of the Lubbock County Head Start Policy Council. She also has served on the Lubbock Planning and Zoning Commission, Community Action Board, Texas Urban Development Commission, Criminal Justice Planning Committee, Lubbock County Committee on the White House Conference on Children, and as chairman of the Public Advisory Committee of Project Upward Bound.

Her civic work includes active participation in the League of Women Voters, Ecumenical Council on Social Concerns, Career Girl Scouts, Lubbock's Goals for the Seventies and the American Association of Uni-

Betty Anderson

versity Women. She was president of the Texas Tech Newcomers Club in 1962-63, and president of the Texas Tech Faculty Women's Club in 1966-67. She also is the past president of Lubbock Friends of the Library and the Lubbock chapter of the American Harp Society.

Mrs. Anderson has served as a volunteer teacher in Texas Tech's Free University, Expanded Nutrition Program and Guadalupe Neighborhood Center. She also has been a volunteer interviewer for the Planned Parenthood Association.

She was listed in the 1967 edition of "Outstanding Young Women of America."

WITH FALL season approaching, Texas farmers are in the midst of cotton and corn harvest and are beginning pecan and citrus harvest. Although yields are turning out better than expected for cotton, prices and sales of cotton are at a virtual standstill. For the most part, producers are apparently holding onto their awaiting the outcome of the present pricing situation. Cotton prices are now at or near loan levels.

TEXAS industrialists are offered exhibit space on the Queen Elizabeth 2 for a floating trade fair to North Africa, the Middle East and Europe in 1974.

## Sunnyside news

# Walden, Loudder cut first loads of milo

By TEENY BOWDEN

Alton Loudder brought in the first load of maize to the Sunnyside Grain and Supply last Saturday. It weighed 13,340 and tested 15 moisture. Delvin Walden brought in the first load to Farmers Grain here last Friday. It weighed 18,140 and tested 15.70 moisture.

RAYMOND Haydon of Weatherford suffered a heart attack Monday evening, and was admitted to the coronary care unit of a Fort Worth hospital Tuesday. Eddie Haydon flew down Tuesday morning and stayed until Saturday night. He was moved to a private room Saturday.

Mr. and Mrs. Milburn Haydon returned home from their vacation Thursday evening and went to Fort Worth Saturday morning. Their dad was much improved Saturday night.

Mr. and Mrs. Cliff Brown, Mrs. Alton Loudder and Mrs. E. R. Sadler entered 17 items in the fine arts and textile classes at the 55th Annual Panhandle South Plains Fair this week.

Cliff won a second place with leathercraft, Mrs. Brown won a first place under item of merit in the embroidery classification. Mrs. Loudder an honorable mention in crafts, and Mrs. Sadler a first in monochrome in the china painting classification, one third and two second places in that class.

Debbie Wilson won a first place in canned carrots and Renee Jones won a second in the sewing division with a tailored skirt at the fair this week.

Winston Waggoner took three first places, eight seconds and seven thirds in the fair with his Brown Swiss cattle. Mrs. Waggoner helmed him with caring for the stock while there.

Melvin Gav spent the week with relatives in Lubbock. Quint and Holly stayed with Mr. and Mrs. Eules Waggoner and Eddie.

MRS. IRVING King came Monday from Amarillo where she attended the fair and saw the Boots Randolph, Chet Atkins, Floyd Cramer show last Wednesday night and celebrated her birthday last Sunday with her family.

### Cost-sharing funds available through 'REAP'

By CHARLEY HILL  
Executive Director

Funds are available for cost-share assistance under the 1972 Rural Environmental Assistance Program. The farm limit for Castro County has been increased to \$1500. Applications for practices requested now must be completed by December 31, 1972.

The total of all federal cost-shares to any person with respect to farms or ranching units in Texas for approved practices which are not carried out under pooling agreements shall not exceed the sum of \$1500.

#### 1973 SET-ASIDE

We have been advised that the quality of set-aside acreage for 1973 will be stressed more than in 1972.

For wheat and feed grain farms, when low quality acreage is offered for set-aside, the entire payment will be based on the productivity of the set-aside land. For example, if your grain sorghum yield is 100 bushels per acre and you use an acreage for set-aside that is one-half as productive as the average for the farm, then your payment will be based on 50 bushels per acre. This means the penalty for using less productive land for wheat and feed grain farms is twice the rate it was in 1972.

FOR COTTON farms, the rate is increased from 6 cents per pound in 1972 to 13 cents per pound in 1973. This is over twice the reduction rate on cotton farms.

We are giving you this information now so you can more effectively plan your farming operations, and make plans for your designated set-aside acreage to be of average productivity of your farm.

Your 1972 set-aside acreage may not be grazed prior to Oct. 15, 1972.

Measurement service will be available again for 1973. This service can provide assurance to farmers that their set-aside acreage is acceptable for quality and quantity.

#### CROPLAND

If you have broken out or plan to break out any new land, you need to come by and let us know. Failure to report new cropland could cause you to lose program payments.

If you have any questions as to what is considered cropland or number of cropland acres on your farm, now is the time to check with us prior to starting another program year.

#### WOOL

The 1972 wool marketing year will end Dec. 31, 1972. Producers are urged to file their applications soon after the wool or unshorn lambs are marketed, but in no case later than Jan. 31.

HOLIDAYS: The Castro County ASCS Office will be closed on the following days:  
Oct. 9 in observance of Columbus Day and Oct. 23, in observance of Veterans' Day.

THOUGHT: Deal with the faults of others as gently as with your own.

THE Texas Air Control Board has been approved for a \$2.1 million federal grant from the Environmental Protection Agency.

Cotton Production Up . . . Cattle Production Up . . . Crop Production Up.

The 1972 cotton crop in Texas is estimated now at more than one million bales above 1971, the Texas Crop and Livestock Reporting Service notes.

Production this season is set now at 3,600,000 bales; this is an increase of 1,021,000 bales over production in 1971. Production last year was the smallest since 1946.

Acres for harvest are estimated at 5,125,000 acres compared with 4,700,000 acres of 1971. Abandonment from all causes is expected to total 325,000 acres. Last year 530,000 acres were abandoned.

Yield is expected to average 337 pounds of lint per acre compared with only 263 pounds per acre in 1971.

Nationwide, cotton production is estimated at 13,343,100 bales; this is 27 per cent more than the 1971 total. Acreage for harvest this year is set at 13,200,000 acres compared to 11,500,000 acres in 1971.

TEXAS continues to be the number one cattle feeding state in the nation. There were 2,120,000 head of cattle and calves on feed for slaughter as of August 1 in Texas. This is 29 per cent above a year ago, but virtually the same as the number on feed a month ago.

Placements into Texas feedlots during July totaled 370,000 head. These placements are 39 per cent above July 1971 but 18 per cent below the previous month. Marketings of fat cattle during July totaled 369,000 head, which is 14 per cent above July 1971 but two per cent below marketings for June.

In the six-state major cattle feeding states—Texas, Arizona, California, Colorado, Iowa and Nebraska—cattle on feed total 7,784,000 head. This is 18 per cent above the 6,596,000 head on feed last year at this time, but is a three per cent decrease from a month ago.

Iowa is second ranking cattle on feed state with 1,561,000 head.

PRODUCTION of all major crops in Texas this year—with the exceptions of corn and rice—are expected to exceed production levels of 1971. Increased production in 1972 is expected as a result of an increase in acres for harvest and higher yield prospects over 1971.

Grain sorghum production is forecast at 336,000,000 bushels, up 11 per cent from 1971. Yield is expected to average 60 bushels per acre compared with 52 bushels in 1971. Harvest of the crop is now approaching the half-way mark.

Wheat production is estimated at 44,000,000 bushels, 40 per cent above last year. Yield is expected to average 22 bushels per acre.

Corn production is estimated at 35,000,000 bushels compared with 43,056,000 bushels in 1971.

Peanut production is estimated at 434,720,000 pounds compared with 366,795,000 pounds in 1971.

Oat production is estimated at 9,720,000 bushels compared with 5,994,000 bushels in 1972. Yield is expected to average 27 bushels per acre, the same for 1971.

Soybean production is estimated at 5,670,000 bushels in 1972. This compares with 2,781,000 bushels in 1971.

## WASHINGTON AND SMALL BUSINESS

AS HEARD BY HEARD

### Can Democracy Survive TV?

By this time, a great deal has been written and spoken on the question of violence in political affairs.

It goes without saying that the tragic events that have occurred can ruin the nation. It is also significant, it would seem, that political assassination in this country is attempted by mentally unbalanced.

It is possible that a major cause of such tragedy is the fact that politics have been taken into television, and perhaps democracy will not survive as long as politics is permitted the use of TV.

This is not to be construed as a criticism of TV, but rather a recognition that in the American population there is an emotionally unstable element which is easily influenced by the drama and context of TV political coverage.

Usually, reading the script of a play does not have anywhere near the impact on the reader that the same lines have when staged with live actors, lights, stage settings and all the rest.

Political assassinations are quite akin to mob violence. And no mob was ever led into action by the printed page, but usually by one or more people orally haranguing the mob under dramatic circumstances.

TV does project not only an element of personal, involvement, but also brings in the reaction of the audiences, both friendly and those who come to demonstrate.

Obviously, because TV is a show business medium, a great deal of show business is injected into TV treatment of political matters.

What is said over the tube can arouse passions which are not aroused by reading the same words on the printed page.

Of course, a counter argument can be made, on the basis of the same material presented above, that TV extends the "reach" of political issues to people who might not bother to read them in print.

But perhaps it is time to recognize that voter quantity is not the all important factor in preserving a democracy. There is also the factor of voter quality. It is doubtful that the bloody election time events of the past few years would have occurred if the discussions that led to these events had been confined to cold type. It is reasonable to assume that the type of idiot that is inflamed by the hot tube to an act of political violence is not prone to read the issues in cold type. It is a question well worth exploring.

## Mrs. Baird's Bread available in Dimmitt grocery stores now

Mrs. Baird's Bread has come to Dimmitt. The loaf that had its beginning in 1908 in a home-kitchen bakery, and has since become the favorite loaf in Texas, is now available at local grocery stores.

THE STORY of Mrs. Baird's Bread is a family story and one that could happen only in America. It began in 1908, in the home of Mrs. Minnie L. Baird, who had earned a reputation in her neighborhood for baking good bread.

When her husband became too ill to work Mrs. Baird decided to go into the baking business to support her family of eight. She bought an oven from a hotel, enlarged her kitchen, and made every day baking day. Each afternoon after school, the boys delivered the freshly baked loaves on their bicycles. Through the years, the business grew steadily and rapidly.

Today, there are 10 plants and the little home-kitchen bakery Mrs. Baird started in her home has grown into the nation's largest independent baking organization. W. Hoyt Baird, who

drove the first sales wagon, is chairman of the executive committee. There are eight grandchildren and two great-grandsons carrying on the tradition for quality that Mrs. Baird started.

DENNIS KERN

... Cited for brilliant play against Amherst

## Nazareth middle guard receives area 'Player of the Week' title

Dennis Kern, defensive middle guard for the Nazareth Swifts, was named "Area Player of the Week" by Amarillo Station KGNC last week for his performance in the Amherst-Nazareth game.

KERN, a 150-lb. senior, is the oldest son of Mr. and Mrs. Walter Kern. He has seven brothers and two sisters.

Against Amherst, Kern made 10 unassisted tackles, was credited with nine assists, and blocked two Amherst punts—one of which led to a Nazareth touchdown. He also knocked Amherst runners loose from the ball three times with crushing tackles, and recovered two of these fumbles himself.

Kern consistently broke through the Amherst line and dropped the Bulldog quarterback for losses totaling more than 40 yards.

Coach Clayton Neal, who gave Kern an A-plus score of 48 in his grading system, said, "I feel Dennis is very deserving of the Area Player of the Week honor. He is a fine athlete and competitor, and he could play for any ball club."

Kern embodies almost all the qualities a coach could want in a middle guard, the main one being his speed. Although he is usually outweighed by the opposing center, he is seldom blocked out because of his quickness off the snap. He is one of the main reasons the Swifts held their first three opponents scoreless.

## Mustangs burst Swifts' bubble

For Nazareth's Swifts, previously unbeaten and unscored-upon, the bubble popped Friday night.

WILSON'S imposing Mustangs went on a six-touchdown stampede on their home field to gain a decisive 42-0 victory over the visiting Swifts.

The younger, smaller Swifts were no match for the defending Class B bi-district champs. The Mustangs fielded a starting team that included 10 seniors and averaged 180 pounds.

Four of Coach Clayton Neal's key Swifts received injuries in the slugfest. They were center-linebacker Stanley Gerber (leg injury), tailback Junior Joiner (shoulder), lineman Steve Ackerman (chest) and safety Stanley Maurer (cut eye from broken glasses).

BUT BEFORE checking out Gerber chalked up seven tackles and four assists on defense while playing an outstanding offensive game. Ackerman made seven tackles and three assists, and Joiner picked up 25 yards.

Top ground-gainer for Nazareth was Pete Gonzales with 55 yards.

But Coach Al Mitts' Mustangs were in complete control of the game as they posted 365 yards while holding the Swifts to 90. Wilson chalked up 15 first downs, completed 10 of 15 passes and didn't punt all night. The Swifts could manage only four first downs, went 2-for-20 in the air and punted three times.

WILSON'S Danny Trotter—a 6-5, 195-lb. senior fullback, started the Mustangs' scoring spree with a 29-yard touchdown run in the first quarter. Senior halfback David Hernandez punched four yards for Wilson's second tally, then senior halfback Greg Wied sprinted 17 yards for the third TD. Quarterback John Fields booted the extra point after all three touchdowns to give Wilson a 21-0 lead at the end of the first quarter.

Second quarter play saw Wilson tack two more touchdowns on the scoreboard. Fields connected with Wied on a 56-yard pass play for one tally, and later sneaked over from a yard out to give the Mustangs a 33-0 advantage at halftime.

Wilson got its final touchdown in the third period on a five-yard run by Wied. Fields capped the scoring with a 23-yard field goal in the fourth.

THE LOSS left the Swifts with a record of 3-1 for the season and 2-1 in district play.

Friday night the Swifts will host the respected Happy Cowboys, who also own a 2-1 season mark and are regarded as one of the league's strongest teams. Kickoff time will be 8 p.m.

FOR THE state as a whole, cotton harvest is more than 25 percent complete. Corn harvest is more than 50 percent complete, grain sorghum harvest statewide is also more than half finished. Harvest of peanuts in the Blacklands and Cross Timbers areas is now underway. Rice harvest is virtually completed.

## Last-minute score lifts Hart past Anton, 35-32

By KIPP BURNETT

The Hart stands grew quiet and the fans began to clinch their fists and look at each other Friday night as the score after the third quarter read Anton 32, Hart 13.

IT LOOKED as though the Longhorns had finally met their match.

But the hustling Horns did it again as they put 22 points on the scoreboard in the final period to hand the Anton Bulldogs their first defeat, 35-32, in an electrifying comeback.

Jimmy Brown led the Horns again, starting early in the first quarter with a 50-yard race up the middle on an off-tackle play to put the Longhorns on the scoreboard first.

IT WAS the blocking of the offensive line and backfield that made the difference for Brown as he picked up 299 yards on 29 carries.

Wayne Ethridge kicked the extra point and Hart went ahead 7-0, with 9:36 left in the first quarter.

The Bulldogs came back with a score though, on their first possession. Starting on their own 41-yard line, they completed two passes that took the ball down to the 3-yard line before speedster Alvin Williams plunged across. Brent Couch kept the ball on a quarterback sneak to gain the two extra points and put Anton ahead at the end of the first quarter, 8-7.

Hart scored again early in the second quarter after a 15-yard drive. Stanley Dyer ran for 20 yards, then Brown picked another 35 on a sweep.

Hart then punched the ball down the 1-yard line, and Brown scored from there. Brown tried the extra point, but was swamped by all kinds of Anton defenders.

THE TALLY put Hart ahead again, 13-8 with seven minutes left to play in the first half.

The Longhorn defense had a tough job trying to stop a powerful, speedy Bulldog offense. The Bulldogs came back with a 55-yard scoring drive, with Alvin Williams totting the ball across for his second touchdown. Couch threw to Ramirez for the extra points, and Anton was back in front, 16-13.

Hart failed to move the ball on its next possession and was forced to punt. The punt was partially blocked and Anton recovered on Hart's 35. Then, with 20 seconds left in the first half, Couch found Brady Goen in the end zone and hit him with a 35-yard pass for Anton's third TD. Couch then kept the ball again and scored the two-point conversion to put Anton ahead at halftime 24-13.

THE BULLDOGS took the second-half kickoff and started another scoring drive from their own 45. With only 2:49 elapsed in the third quarter, Williams dove across from three-yards out for his third score. Couch passed again to Goen for the two extra points, boosting the Bulldogs' advantage to a hefty 29-13. This was the only score of the third quarter as both defenses began to tighten up.

But the fourth quarter was something else as the Longhorns began a stampede that didn't quit until the buzzer sounded to end the ball game.

With only 40 seconds gone in the fourth quarter, Dirk Rambo

found the end zone for the Horns and scored from three yards out. Brown tried a two-point conversion run, but was stopped short again. So with 11 minutes left in the game, the score was Anton, 32, Hart 19.

Anton was unable to move the ball, and the Longhorns regained possession at the 45-yard line of Anton. Several plays later, Brown saw daylight again and raced another 26 yards for Hart's fourth TD. Brown also made the extra points to hike the score to Anton 32, Hart 27.

THE Longhorn defense, under pressure from the clock, came through superbly. The Bulldogs tried everything, but were unable to move the ball against the determined Longhorn defenders. With 1:36 left in the game, Hart took over on Anton's 49-yard line.

The Herd gave a preview of things to come when Brown broke loose on a draw play and carried to the 20-yard line. But the desperate Bulldogs stopped the Longhorns for three plays and it was fourth down and six yards to go.

Rambo kept the ball on an option and was stopped short of

the first down with 54 seconds left on the clock. But there was a flag on the play and Anton was called for grabbing a face mask. The ball was placed on the 8-yard line.

That break spelled the difference in the game. On the next play, Brown raced across for the gamewinning touchdown. Brown also ran for the two extras, making the score Hart 35, Anton 32.

ANTON still had 10 seconds left to play, and launched a series of short passes. But Hart's James McLain got wise to their tricks and picked off one of Couch's passes to put the icing on the cake and insure Hart's fourth straight victory of the season.

The Longhorns all played a good game, but special recognition has to go to the offensive line—Harley Malone, Cecil Jackson, Guillermo Carrasco, Duane Clevenger, Wayne Fhridge, Sonny Mancias, Bill Clifford, Stan Dyer and Erasmo Castillo.

The Longhorns will travel to Vega Friday night for the first district game of the season. Kickoff time will be 8 o'clock.

ALBERT EWING DUCKS HIS HEAD AND GETS ANOTHER YARD ... As he knocks Lockney tackler backward Friday night

## Cats put it together, stun Lockney by 20-7

By JOHN BROOKS

Featuring a strong defense and a tear-them-apart offense, the Dimmitt Bobcats pleased a Homecoming crowd of approximately 1,750 with a 20-7 victory over the Lockney Longhorns Friday.

THE FIERCE Bobcat defense allowed Lockney only one first down and 15 yards total offense, compared with a total of 187 yards for the Bobcats. The Cats' pass defense held Lockney to a total of minus one yard in the air and intercepted one Longhorn aerial. The Bobcats completed three passes for 82 yards and one touchdown.

After a scoreless first quarter, the Bobcats drew first blood when tailback Albert Ewing carried the ball in for the score. Rick Wright kicked the extra point and the Bobcats were in the lead, 7-0.

But the lead lasted for only a moment. On the ensuing kickoff, Longhorn Dart Cartmel ran the ball back 35 yards, then kicked the extra point to tie the score at 7-7.

THE BOBCATS went ahead again in the third quarter when Quarterback Terry Powell hit tight end Steve Nutt in the end zone with an 11-yard pass for the second Bobcat TD. Nutt made a great one-handed catch. Powell had to thread the needle between three Lockney defenders and Nutt, with his back almost completely turned, reached out and snatched the ball from the air as he fell into the end zone. Wright took the extra point to put the Cats back

into the lead for good, 14-7. The last score of the contest came when Ewing capped off a drive with a four-yard scoring jaunt. Kick was no good and the score: Dimmitt 20, Lockney 7.

The Bobcat defense forced the bigger Lockney team to punt eight times while allowing the Horns only one first down. Lock-

ney drew five penalties for 55 yards, while the Cats were caught six times for 50. One Bobcat miscue occurred when Lonnie Strickland, making his debut (along with Pete Davila) at fullback, rambled 65 yards for an apparent touchdown. However, a clipping penalty wiped out the score.

## Ewing, Powell named 'Top Cats' at Booster Club meeting Monday

Dimmitt's happy victory over Lockney at Homecoming was attributed to outstanding team play, particularly the defensive unit, by Coach Brown L. Smith at Monday night's meeting of the Boosters Club.

ALBERT Earl Ewing, who carried the ball 33 times for 110 yards, and Terry Powell, who had a good offensive game and scored 90 on his defensive evaluation, were named "Bobcats of the Week."

The coaching staff was tremendously pleased with the whole squad. Coach Smith said his Cats "grew up during that game. If they always play like that, they can't ever get beaten."

Travis Hampton also was cited for an outstanding game, as well as Pete Davila and Lonnie Strickland, who were both rather new to the fullback position they playing.

travel to Dalhart for another tough game. It will be Homecoming for the Wolves, who now have a 2-1 record.

Last week the seventh and eighth grade B teams split their games with Friona, the seventh graders winning and the eighth grade losing.

The freshmen lost to Hale Center last week, but will be up for their contest with the Tulia freshmen at home today (Thursday) at 5:30. The B team played a good second half in its contest with Muleshoe in spite of being on the short end of a 14-0 score.

THE WEEK'S winners in the football contest were Mrs. Bob Askey, first, and Maurice Powell, second. At the end of the first four weeks of the contest, the leaders in accumulated points were Joe Bob Sanders, 54; Ted Goldsmith, 52; and Mrs. Frank Wise, Bill Sanders, George Rush with 50.

## Friona, Dimmitt carry banner as Littlefield falls to Mules

Bandy, Bandy, Bartlett and Perea: Sounds like a large law firm. What it is, though, is the starting backfield at Friona, and the foursome came in for a high-scoring night Friday.

WHILE Friona and Dimmitt were taking home victories, the pre-season favorite for the 3-AA championship tasted defeat for the first time this season.

Littlefield's Wildcats, who went to the playoffs last year, were ambushed in Muleshoe 42-14 Friday for their first loss of the season. Morton and Olton remained winless, losing to Frenship (21-14) and Floydada (17-8), respectively.

Friona, playing Springlake-Earth for the first time in a decade, greeted the Wolverines with a stiff opening defense and the BBB&P backfield capitalized on it. A blocked punt and two fumble recoveries led to three first-half touchdowns, and the Chiefs went on to a 47-0 victory. It was Friona's largest point output in a single game in four seasons.

FULLBACK Mario Perea and halfback Clay Bandy scored twice each, Bartlett and quarterback Johnny Bandy once each in the runaway. Clay Bandy wound up with 83 yards rushing, Perea 81 and Bartlett 73 in the balanced running attack.

But the defensive plays made the difference, and Coach Bob Owen admitted it.

"We got the breaks early. We nearly scored on our first possession, getting down to the two. But we forced them to punt, Terry Thompson blocked it and Mike Martin recovered. We scored, and then we got it back on a fumble recovery by Ricky Johnson. Then Kevin Wiseman got another fumble recovery and we scored our third touchdown. We got five recoveries for the game."

Clay Bandy is in the lineup while regular Louis Lee is sidelined by a knee injury sustained in the Chiefs' loss to Muleshoe Sept. 22.

MULESHOE continued its domination of District 3-AA teams, making Littlefield its fourth victim. A 21-point lead before Littlefield could score tilted the verdict in the Mules' direction.

General Lewis and J. E. Johnson, on 32-yard runs, got Littlefield's touchdowns.

Friona and Littlefield now lead non-conference standings with 3-1 records, but Dimmitt evened its record at 2-2 by thumping Lockney 20-7. And that is the kind of Homecoming the ex-students return to see.

ALBERT EWING capitalized on two defensive plays to score, and paced the decision. First TD was set up by Florencio Acevedo's interception in the second quarter. In the final period, a fumble recovery at the Lockney 36 gave the Bobcats a scoring opportunity and they converted.

Floydada, which was in the district last year and shared the title with Littlefield, kept its record unmarred against Olton. The Mustangs' only touchdown came on a 12-yard run by Keith Workman in the third period.

Frenship came up with a touchdown in the fourth quarter to snare a 14-all deadlock and best Morton 21-14. Jimmy Harvey's 74-yard sprint sent Morton into an early lead, and Ted Thomas ran a quarterback bootleg to perfection for 15 yards and the matching points in the third quarter.

THIS WEEK finds last year's co-champions colliding in a non-conference contest. Floydada will invade Wildcat territory, where the two teams battled to
