

PATRIOTIC RALLY POSTPONED TO NEXT MONDAY

RAIN STOPS PLANS THIS WEEK-\$10,000 DRIVE TO END MONDAY, APRIL 15

The rain Monday put a stop to all of the activities planned for the wind up of the Red Cross campaign for \$10,000 in Randall county to keep the workroom going during the year 1918.

A meeting was called early Monday morning of those interested in the events of the day and it was decided to postpone all activities for one week.

The program as planned for last Monday will be carried out in full on next Monday, April 15.

Some new features will be added to the day's entertainment, which will be highly pleasing and entertaining.

The program is printed on page two of this edition. Be sure to keep in mind the events of the day.

Marshal W. H. Blaine states that he is working out some plans for the parade, which will add very much to the effectiveness of the that big event which takes place at 11:00 o'clock sharp.

Just after the parade, Miss Brown's Expression Class of the Normal will give a Liberty play on the court house lawn, if the weather permits, and if not, in the Olympic. There will be no admission charge. This was given at the normal last week and was pronounced to be one of the most pleasing ever given here.

All of our people are urged to see it. Announcement of the place will be made Monday morning just after the parade.

The patriotic program comes at 1:00 o'clock. Dr. Thomsen of Amarillo cannot come for that date, and Rev. Dr. Carpenter, pastor of the Polk Street Methodist Church will deliver the principal address.

Dr. Carpenter is a great orator and thinker and has delivered some great war speeches in Amarillo during the past few months.

The big Red Cross auction takes place at 2:30.

There will be a much better auction than was contemplated for last Monday. Hundreds of articles have been promised for the sale, all of which goes to the \$10,000 Red Cross Fund.

Be sure to be at this auction as there will be many things there which you will need.

The three Aberdeen Angus heifers will be given away at five o'clock. C. W. Warwick was selected by the finance committee to have charge of the drawing.

Five men will assist in the drawing and have charge of the actual drawing of the three lucky tickets.

You want to be sure and be in Canyon for the drawing. Nearly all of our citizens have tickets and will be here to get the calves.

An impression seems to have gotten abroad that the winners of the calves would be expected to give them back to the finance committee.

The finance committee authorizes the News to state that it will absolutely not receive the calves back from any person.

The individual who gets the calves gets absolutely ownership of them and he will not be a slacker in the eyes of the finance committee or any member of the Red Cross if he takes them home.

The calves belong to the one who draws them to do with as he sees best.

Monday will be the biggest day Canyon has ever had. Every citizen of Randall county is urged to be present.

The Red Cross Campaign closes next Monday, rain or shine. At five o'clock the calves will be given away.

The committee does not feel like extending the time of the drive longer, as the believe that on the last day our people are going to put the drive over strong.

Those who have not contributed, should see C. H. Jarrett or any of the committee. Those who have no given like they should ought to see Mr. Jarrett before Monday.

The increased activities on the battlefields of Europe has increased the work of the Red Cross until the local headquarters are urging the national headquarters to send in more and more bandages and hospital supplies.

Of course the man who would not go the aid of his own son when he was in need, or refused to help his neighbor's son when sick and in distress, would not be expected to help the Red Cross.

Our own Canyon boys and our own Panhandle boys are going out there by the scores. If you would help one of them were he sick and wounded and lay at your door, no man would hardly refuse to send him the only aid he can—the Red Cross.

\$55,850 IS RANDALL COUNTY'S PART OF THIRD LIBERTY BOND ISSUE

TRADES DAY POSTPONED TO MONDAY

Owing to the fact that it was necessary to postpone the Red Cross rally last Monday, the business men postponed Trades Day until next Monday, in order to give the people a chance to buy the bargains which were advertised for last Monday.

Remember the Trades Day next Monday when you are in Canyon for the Big Red Cross and Patriotic Rally

Buy Bonds in County

The quota for the Liberty Bonds of the Third Issue is based upon the taxable valuations of the county. Therefore, if any of our people go outside of Randall county to buy bonds, someone in the county must buy more than their share in order to keep up our quota.

Every resident of Randall county must buy bonds in Randall county, no matter where he does his banking.

Help the county in which you win get the flag to fly from the Court House.

The First State Bank moved Saturday night to the bank building at the northeast corner of the square, formerly occupied by the Citizens Bank

Randall county is expected by the government to subscribe \$55,850 to the Third Liberty Loan issue.

Will we do it? Are we in the habit of falling down on the job?

We have always come across with our part, and here is where we come across again.

The campaign started all over the United States Saturday. In many cities the entire quota was raised in the one day.

No particular campaign had been planned for Randall county on Saturday. It was planned to start the campaign Monday, but the rain interfered.

The Girls National Honor Guard took charge of the sale Saturday in the postoffice, fixing up a booth in the lobby, and have been working there every day this week.

Had the weather been good Monday they no doubt would have nearly sold the Randall county quota by this time. Their total sales have been \$15,200 in bonds and \$300 in War Saving Stamps up to last night.

The Honor Guard girls are going to keep up their work in the postoffice every day until the county's quota is completed.

The banks of Canyon reported yesterday that the total sales taken in Canyon amounted to \$21,900.

The campaign continues for four weeks, but Randall county ought to fill out her quota by next Monday night.

An honor flag is given to each individual buying a bond, and each county is given an honor flag to place on the court house after their quota has been subscribed in full.

Randall county ought to fly one of those flags next week. We are going to do, so why not do it now?

The government is working the Bond sales much closer this time than the two previous issues. An official will visit Randall county next week and check over the list of subscribers to see who is doing his part to win the war.

Each man in the county is expected to do his duty according to his financial ability. The man who is able and does not take a bond will be given a yellow card and his name on this yellow card sent to the Federal Reserve Bank at Dallas.

The man who has bought a small bond, but is able to buy a big one will be given a pink card and the officials will look into his case.

The war has gone to a point where the government evidently believes that pressure must be brought to bear upon the financial slackers.

Red Cross Windows.

Red Cross windows have been arranged at the Canyon Supply Co. and at Redfearn & Co., showing the work that is being done by the Randall County Red Cross chapter.

Be sure to see these windows this week. The windows show how the money of the \$10000 fund will be spent in providing supplies for our boys over there

"The soldier took his bayonet and thrust it through the child. The little arms opened and closed once or twice" - from the Government report on atrocities in Belgium

Use Potatoes This Month.

April named a potato month to offset surplus of 90,000,000 bushels in the United States.

The month of April is the month of potatoes. This is the edict of the Federal Food Administrator for Texas and it is made not because the Food Administrator wants to be arbitrary in the matter of appetites but because there is a surplus of 90,000,000 bushels of potatoes in the United States and of this amount fifty cars or 2,000,000 pounds are spoiling on the tracks in Texas because there is no public to consume them. The potato should be available to all housewives at 1 1/2 to 2 cents a pound which contrasted with the price for April is 3 1/2 to 4c cheaper. In April 1917 the same grade was selling for five and six cents a pound.

"The reason for an increased consumption of potatoes campaign" says Administrator Peden, "is that the food bins are heaped with potatoes as the answer of the farmers to last year's appeal for a bumper war crop. The potato, grown through patriotism should be eaten through patriotism. With so many other things scarce, po-

tatoes, which are plentiful, should not go to waste. And they will go to waste if they are not eaten in the next few weeks. To eat potatoes is the best kind of local, home grown patriotism.

"In spite of the adoption in other countries, however, the potato proved it was a true American last year when the crops were called to the front for war service. It enlisted in the front ranks of the food forces, which the result that we have such a potato crop as was never known in this country. Europe does not need to share our potatoes. They are too bulky to ship at this time when ships must be saved for troops and for the most essential and concentrated foods. Therefore, the best form of patriotism is to eat our bumper crop and make it help save wheat.

"The potato has done its 'bit' by us. Shall we not do our 'bit' by it? It's a good soldier. Help to fight the Kaiser."

Roosevelt and Lodge.

The trouble with Senator Lodge, and Mr. Roosevelt, too, is that they hate Mr. Wilson more than they hate the Kaiser. That hatred renders them incapable of fair and truthful criticism of anything for which Mr. Wilson is responsible. They are perhaps not justly chargeable with intending to be unfair and untruthful, and assuredly they are not justly chargeable with a desire to impair the morale of the country or to obstruct the work of the Government. But the course both of these gentlemen have pursued has all these consequences. Without intending to do so, they nevertheless are saying and doing things which are more helpful to Germany than to the United States. They protest, and doubtless sincerely, that their criticisms are just and that their purpose in uttering them is to bring about an increased efficiency. But they are in error. Their hatred of Mr. Wilson which manifested itself in malignant from even before the war broke out, has betrayed them into saying and doing things that have been much more harmful to the country than many things which they so severely denounce. Self-imposed internment for the duration of the war is about the only service which it lies within the power of these gentlemen to render to the country.—Dallas News.

Tip Them Now.

Why not tip the horns of your cattle? If it is not convenient to give your entire attention, you can at least tip their horns before leading them out for market.

This is one feature that the Texas cattlemen are overlooking; but, at the present day, when feed is scarce and costly, and cattle prices are so high, it is a matter that they really cannot afford to neglect longer.

Of course, it is more desirable to have your cattle dehorned, but there are seasons when this cannot be done; that is, without some little risk. But horns may be tipped at any time.

It is but natural that buyers look with favor upon dehorned cattle, or those with horns tipped. Under these circumstances buyers know they are not taking any chances on hides. On the other hand, it is just a gamble, and in purchasing cattle with horns, buyers are forced to take this into consideration and their bids are placed accordingly.

In most instances, the greatest damage occurs when cattle are being shipped to market. It is therefore urged that horns be tipped before cattle are loaded out.—Ft Worth Live-stock Reporter.

To Cure a Cold in One Day.

Take LAXATIVE BROMO Quinine. It stops the Cough and Headache and works off the Cold. Druggists refund money if it fails to cure. E. W. GROVES' signature on each box. 2c.

Great Patriotic Rally

Canyon, Texas
APRIL 15, 1918

RED CROSS DAY AND TRADES DAY

- 10:30 a. m. Band Concert
- 11:00 a. m. Patriotic parade (showing interesting groups of War Activities in Randall County).
- 1:00 p. m. Patriotic Program. Address by Rev. Dr. Carpenter of Amarillo, patriotic songs, band music. All featuring our Red Cross work.
- 2:30 p. m. Auction sale. Stock, machinery, poultry and many other things are being donated for this auction, which go to assist in the great Red Cross work. Have you something to donate?
- 5:00 p. m. Giving away three Aberdeen heifers. Tickets are issued to those contributing to the Red Cross. See the Committee.

Help Win the War.

At home do you put out all unnecessary electric lights?

Do you keep the temperature in your house down to 68 and see that there is plenty humidity in the air?

Do you avoid unnecessary travel?

Do you save gasoline, rubber and skilled labor by cutting out all unnecessary use of motor cars?

Do you save the time of your friends and the labor of the Telephone Company by cutting out unnecessary telephone conversations?

Do you buy only clothing that is necessary, and which will wear well?

Are you wearing out your old things?

Are you making simplicity in dress and living your motto?

Are you cutting down on amusements? Get your amusement more out of doors and out of your brains and not out of your pocket book?

Are you foregoing personal luxuries?

Have you more sweaters and woolen clothes than you actually need?

Have you closed off rooms not in constant use?

Do you produce anything?

Do you refrain from unnecessary repairs and improvements?

Do you carefully save tinfoil, bottle tops and tubes, old rubber articles, newspapers, wrapping paper and twine?

Do you shop when you do not need to?

When you go shopping do you carry home as much as possible?

Have you put away all your unnecessary silver and bric-a-brac or anything which requires labor in cleaning?

If you are so placed that you have several servants, have you carefully considered whether you can in any way cut down the number or substitute women's work for men's indoors and out?

Are you buying War Saving Stamps

so that you can help the Government with every twenty-five cents in cash you can spare and save? Can you start each child and member of your household filling a Thrift Card or War Saving Certificate? Have you planned your war garden for the coming spring?

WHAT DO YOU THINK?

A woman made this remark to one of our fellow publishers:

"I see newspapers and magazines full of suggestions where and how women may save for the war and I see that most of my friends have signed the conservation pledge. Also I take note that the average woman is figuring ways and means of saving. But I haven't seen a pledge paper circulated or signed where men have agreed to abandon tobacco in order to save for the war."

She went on: "I haven't been in any town of any size for years that hasn't a half dozen or more cigar stores. The druggists all sell cigars. Some of the barber shops sell them, I am informed. All restaurants and hotels sell them. I heard a man complaining the other day that the price of cigars had gone up but I don't hear him say anything about cutting them down on his daily allotment."

Then she shifted and led with her left: "Suppose that 10,000,000 men smoke a half dollar's worth of cigars and tobacco a day. It would take about four days' abstinence to raise that \$35,000,000 for the Y. M. C. A., wouldn't it? A year's expenditure would mighty near pay off the first Liberty Loan, wouldn't it? And what do you men get out of it anyway—sour stomachs, ugly morning dispositions and an offensive personal stench."

"Why don't you lords of creation do something yourselves? Why don't you have cigarless and tobaccoless days? While suggesting so, much to

Mothers of Texas, Prepare!

When a girl becomes a woman, when a woman becomes a mother, and when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. Many women in Texas would testify just as do the following:

HOUSTON HEIGHTS, TEXAS.—"My mother used Dr. Pierce's Favorite Prescription. She was in very ill health, was in very ill health, and it seemed like she could not get anything to do her any good until she took this medicine. It did her more good than anything she tried and I am always willing to recommend it to friends who need a fine tonic."—MRS. JULIA STINSON.

FORT WORTH, TEXAS.—"I can recommend Dr. Pierce's Favorite Prescription to any woman suffering from woman's trouble or nervousness. I was very nervous and losing weight so fast I became alarmed over my condition. I could not do any housework. A friend told me about the 'Favorite Prescription' so I tried it and began gaining in weight at once."—MRS. LIZZIE EPPERSON, 1220 Gould Avenue.

Dr. Pierce's Favorite Prescription is not a secret remedy for all the ingredients are printed on the wrapper. All druggists... Liquid or tablets. Tablets, 60 cents. Send Dr. V. M. Pierce, Buffalo, N. Y., 10 cts. for trial package.

Round Trip All-Year Tourist Fares to the following Texas Points:

Arkansas Pass, Brownsville, Corpus Christi, Freeport, Hubbard City, Laredo, Martin, Mineral Wells, Palacios, Port Lavaca, Port O'Conner, Riviera, Rockport, Seadrift.

Tickets on sale daily. Limit 90 days from date of sale. See or Phone me for further information.

Send for Swift & Company's 1918 Year Book

It shows that Swift & Company sells the meat from a steer for less money than the live steer cost!

Proceeds from the sale of the hide, fat, and other by-products covered all expense of dressing, refrigeration, freight, selling expense and the profit of \$1.29 per steer as shown by Swift & Company's 1917 figures as follows:

Average price paid for live cattle per steer	\$84.45
Average price received for meat	68.97
Average price received for by-products	24.09
Total received	93.06
This leaves for expenses and profit	8.61
Of which the profit per steer was	1.29

There are many other interesting and instructive facts and figures in the Year Book.

We want to send our 1918 Year Book, to anyone, anywhere—free for the asking. Address Swift & Company, Union Stock Yards, Chicago.

Swift & Company, U. S. A.

OVER THE TOP, CIVILIANS! OVER THE TOP WITH THE LIBERTY LOAN!

This War Must Be Fought On European Soil

NOT ONLY ENGLISH FREEDOM, French freedom is at stake. Our own cherished institutions, our free government, all that our fathers fought for, all that free peoples prize is threatened by an enemy that would impose his own hateful Kultur on every free institution in every liberty-loving land.

THAT IS WHY THE WAR must be fought on European soil. We are fighting in Europe now that we may not have to fight in America, on the very thresholds of own homes, later.

WE ARE FIGHTING FOR SAFETY and LIBERTY of our CHILDREN, our HOMES, our COUNTRY. No price is too great to pay for Victory.

AMERICANS, YOU ARE CALLED upon to back our armies in France, to furnish them the guns and shells and ships and airplanes, the enormous quantities of every sort of supplies that they must have to defeat the Prussian armies and drive them back across the Rhine.

THE WAR IS BEING FOUGHT IN EUROPE --- BUT IT MUST BE WON RIGHT HERE AT HOME

Your Bond May Bring Him Home In Safety

The supreme tragedies of war are not enacted on the battlefield, but in the home.

Above the shouts of command and encouragement, the roar and shock of the great guns, and all the swelling tumult of battle which bear the husband and father to a hero's grave and a martyr's glory, there rise the weeping of the bereaved wife and the cries of little children deprived of a father's love and care.

American fathers are now on the battle-fronts of France. Many must fall; how many depends upon us who remain safely at home.

A single Liberty Bond will help to save a soldier's life, your soldier's life, and bring him home in safety to those who hold his life far more precious than their own.

The First State Canyon Bank Texas

(The only Guaranty Fund Bank in Randall County—Member Federal Reserve System)

We have moved to the building formerly occupied by the Citizens Bank.

FOR YOUR WAR COOK BOOK.

Breakfast Marmalade.

As a butter saver, Americans might adopt the English custom of serving marmalade with toast or hot bread for breakfast. Let the fruits supply the sugar to be used in making these marmalades. Their virtue lies in the tartness of the fruit and the fact that they contain only what nature put in the fruits.

Apple-Raisin Marmalade.

To one cup ground seeded raisins add one cup chopped apples and one cup water. Cook until thickened. A little orange and lemon juice and grated rind may be added if liked.

Corn-Rice Muffins.

1 cup cornmeal.
1 cup boiled rice.
1 cup milk.
1 tablespoon fat.
1 teaspoon salt.
2 teaspoons baking powder.
2 eggs.
Mix cornmeal, rice, milk, and shortening together; beat five minutes; then add well-beaten eggs, beat two minutes, then add the baking powder. Bake in hot greased muffin tins or in shallow pan. Boiled hominy may be

used in the above recipe instead of rice.

Corn Flour Sponge Cake.

1 cup corn flour.
1 cup sugar.
4 eggs.
2 tablespoons lemon juice.
1-8 teaspoon salt.
Sift flour before measuring and measure lightly.

Separate the yolks and whites of the eggs. Beat the yolks until light, add the sugar, the salt and the lemon juice. Fold in alternately the flour and the stiffly beaten whites.

Potato Sausages.

1 cup mashed potatoes.
1 cup ground nuts, fish or meat.
1 egg, well beaten.
1 1-2 teaspoon salt.
1-8 teaspoon pepper.
Salt pork, bacon or other fat.
Mix the mashed potatoes and seasonings with the ground nuts, fish or meat. Add beaten egg. Form into little cakes or sausages, roll in flour and place in greased pan with a small piece of fat or salt pork on each sausage. Bake in a fairly hot oven until brown.

COME TO CANYON TO LIVE.

FOR THE SAFETY OF TEXAS SAMMIES

Long trains, locomotives half hidden in steam clouds, are grinding and lurching and pounding their way over

the rails to the east. They are carrying Texas soldiers—your boy and your neighbors' boys—to the ports from where they will sail for France to fight for you who remain at home. They are going—going with prayers in their hearts, smiles on their lips—going to fight for you. Their only hope is that their efforts will save Texas for Texans, America for Americans. They hope to come back when the job is well done and Wilhelm is written as plain Bill. Whether they will return is a matter that rests largely with you. Are you investing in Thrift Stamps and War Savings Stamps which supply the Texas boys with ammunition, food, clothing and things that they need?

Those boys who left home just a short time ago are carrying the flag—the Stars and Stripes with its message of liberty toward Berlin. It's not an easy journey for them. Some of them will never reach Berlin

and some will never come back home again. Hunnish bullets may cut them down or maim them; poison gas may suffocate them and barb-wire entanglements mangle them. They must fight for days at a time hip-deep in mud and slime. But they are carrying forward the flag—ready to give up their lives that German auto may be crushed. They are to do it; they only ask to serve that they may save their folks back home in old Texas from the fate of Belgians.

What Are You Doing?

W.S.S.

Serve and Prosper

W.S.S.

Money put in War Savings Stamps now saves the lives of men. Less than five years from now the same money will be paid back to you with added interest. You can't lose if you invest in War Savings Stamps, but if you don't buy War Savings Stamps the boys over there will lose—lose their lives, lose the war. Their loss will be yours—what then belongs to you will be the property of the Kaiser. Buy War Savings Stamps now and you and the boys will never lose. Save the boys and save yourself by saving and investing in Thrift Stamps and their bigger brothers, War Savings Stamps. What more could one ask than the privilege of doing his duty and adding to his pocket-book at the same time? War Savings Stamps give you the opportunity. They are Government bonds of small denomination; they differ from other Government bonds only in price. They bear interest for the owner.

W.S.S.

Societies Sink Subs

W.S.S.

If those Texas sailor laddies come marching home again there must be a War Savings Society for every company of them. Americans have duties today: They must either fight or help the fighters. War Savings Societies will save sailors. They have a man-sized work to do—those sailor laddies and marines from Texas. They have to keep the Kaiser's war boats bottled up in Bremenhaven where they will do no harm to America and our allies. Their duty is to prevent the Hunnish undersea water-wolves from torpedoing our transports and sending Texas lads to join the Tuscania's silent dead. They gladly risk their lives to save the men who marched away from home such a short time ago, or who soon will go.

W.S.S.

Records of the State Director of the National War Savings Committee at Dallas show there are a number of counties in the State which have no War Savings Societies to their credit. Is your county one of these? Has your secretary reported the organization of your Society to the State Director? See that your Society's organization has been reported. Use forms L3 and L4 to make the report. Get them from your County Chairman, fill them out and mail to the State Director at Dallas.

Societies Will Save

W.S.S.

For every company of soldiers in the field or training in the army camp, there should be a War Savings Society here at home. War Savings Societies will save soldiers; they are made up of people who have taken the pledge to save their money and invest as they can in war-winning War Savings Stamps. War Savings Societies will aid those boys in getting to Berlin and they will make more certain their return to home and Texas. If you can't be in the khaki-colored ranks, at least be in the company of soldier savers here at home by joining or forming a War Savings Society. Are the boys over there asking you to do too much for them when they request that little favor of you?

W.S.S.

That each county may get credit for the War Savings Societies organized in them, the secretary of every War Savings Society should not fail to report their formation to Louis Lipsitz, State Director of the National War Savings Committee, Dallas, Texas. The regulations require that two blanks, L3 and L4, which may be obtained from the State Director or the County Chairman, shall be filled out and mailed to Mr. Lipsitz.

A Canadian Food Budget.

England has gone on rations and each buyer, from the King to the humblest citizen, must present a card to secure his weekly allotment of one and one-quarter pound of meat and four ounces of butter or margarine. The Canadian Food Board is urging Canadians to adopt voluntary rationing and has issued a budget for a family of five—man and his wife at moderate work; a boy of 12 years; and two other children of 9 and 3 years respectively.

The rations imposed on the English people and the voluntary rations asked of the Canadians are far below what has been asked of Americans in conservation. In fact, we have not been asked yet for any real sacrifice. One meatless day and eleven wheatless meals a week is merely a matter of changing the bill of fare, substituting one food for another.

Compare this Canadian budget with what has been asked of you. It will provide adequate nourishment for a family of five for one week, although it calls for greater restrictions than are being asked for by the U. S. Food Administration. Especially the difference he noticed in the milk allowance.

One week's budget for a family of five:

- Milk—Seven quarts whole milk.
- Fruit—Fourteen pounds according to season.
- Fats—Two pounds butter or oleomargarine; one pound cooking fat.
- Sugars—Three pounds of sugar; one pound corn syrup, molasses or honey.
- Cereal Products—Ten pounds flour; ten pounds cereal in other forms.
- Fresh Vegetables—Forty pounds potatoes; fourteen pounds other fresh vegetables.
- Meat and Meat Substitutes—Four pounds lean meat; two pounds fresh fish; one pound salt fish; one dozen eggs; one pound cheese; two pounds dried beans or split peas.

Shamrock Man Looking for Land.

Mr. Slagle of Shamrock, Texas, was out looking over our country and took a liking to the country. We hear that he is going to try and get the Barney-castle place and we hope that he will succeed.—Fowler Flats correspondent in Coloflats (Colo.) News.

Come to Canyon to live.

Auctioneers Elect Officers.

The Panhandle Auctioneers' Association met at the City Hall, last Saturday and had an interesting session. The officers elected were: President, W. A. Nash, of Plainview; vice-president, D. M. Johnson, Hale Center; Secretary, J. W. McCrerey, Wayside; D. L. Adams, Wayside, assistant secretary; H. D. Mallory, Tulsa, sergeant-at-arms.

The members were the guests of Secretary McCrerey at luncheon at the Amarillo Hotel.

The next meeting of the Association will be held at Canyon, the first Saturday in October.

New Comer Loses Home.

On last Monday morning the residence of J. Phelan caught on fire and burned down before it could be put out. Mr. Phelan and wife moved here about two weeks ago.—Windy Valley correspondent in Clarendon News.

Girl's Skull Badly Crushed.

Miss Rosa Durbin was seriously injured at Pennington, by being thrown from a horse and crushing her skull very badly. She is in the Winchester hospital.—Clayton (N. M.) Citizen.

Shooting at Sweetwater.

In a shooting affray at Sweetwater last Monday night between Marian Long and Billie Miller, Marian was shot through the hand and Billie through the leg and a Texas Ranger was accidentally killed. We have not heard the particulars except by hearsay and we have heard them several ways.

Both are well known young ranchmen of Borden County and they were thought to be good friends heretofore.—Gail Citizen.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin Is on Fire. There is a harassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.

The source of Eczema is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle to-day at any drugstore, and you will see results from the right treatment. Write for expert medical advice, which you can get without cost, by addressing Medical Director, 21 Swift Laboratory, Atlanta, Ga.

Hide Buyer Talks.

A hide buyer from the Bond Baker Company of Roswell was in town Saturday. Speaking of the market, the buyer, when seen in the lobby of the Bates Hotel, said: "there is a vast number of packer hides on the market, and this condition has shot the market for country hides all to pieces. Packer hides are perfect hides. The packers know how to skin their beef animals without injuring the hide, and it is, of course, natural that a hide taken from a fat beef is of better quality than one from an old cow, who has died of poverty, and whose hide is covered from head to tail with

the trail of the red hot branding iron. A packer hide is one that bears no brand at all. Hides that go through the packing houses from range animals that have been branded do not grade up with packers, which are supposed to be perfect.

"The government is making shoes, but it inserted in the contract that these shoes should be from packer hides. Manufacturers are also not making as great a variety of shoes of the trust which is now being pushed by Francis Heney. He did not know when conditions for dry country hides would be better, and asked that his house be not quoted as to prices paid.—Carlsbad (N. M.) Current.

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly... Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then... it would last... two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three... I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children... Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

NC-130

OVER THE TOP, FARMERS: OVER THE TOP!

This war cannot be won without the aid of the Farmers. Why?

Because they represent about 80 per cent of the population of the Eleventh Federal Reserve District, in which we live, and it is impossible for the other 20 per cent of the people to carry the financial burden.

The farmer in this section who has done reasonably well last season has indeed a double duty to perform. He has to do his full share towards protecting his business, his home, and his Country, and he has, as a generous open-hearted, broad-minded Southerner to help make up for the probable lack of over-subscription in the drouth-stricken Counties of West and South Texas.

The people of the West and South of Texas will do their share—of that there is no question. They will raise their assigned portion of the Loan, because it is their duty, but we cannot hope for a large over-subscription from them.

An over-subscription from the Eleventh Federal District is called for. On the occasion of the Second Liberty Loan we raised but a little more than we were forced to. Other Districts raised 25 per cent and 50 per cent more than the Government demanded of them. Such a grudging response is unworthy of us and we must improve upon it. Shall it be said that we men who live upon the rich soil of Louisiana, who inhabit the great producing State of Texas, the progressive State of New Mexico, who wrest the wealth from the ground of Arizona, or who have opened up the great possibilities of Oklahoma, possess less patriotism than our neighbors? It is unthinkable!

We have a big task ahead, but we will meet it. Let us plan, and look ahead, and let us start doing it right now, in order that this great old South West may shine as a bright star in the firmament of patriotism when our Country calls.

FARMERS AND SHIPS

Two things which do not appear to have very much to do with each other. And yet they have.

It is not sufficient merely to produce goods, they must be marketed, and ships are necessary to the farmer unless he wishes to be cut off from the best of all markets of the world—Europe.

Just as an automobile is a good thing for hauling produce to nearby towns and freight cars are necessary to haul the produce to the great grain centers, so ships are necessary to market the produce of the farmers.

We have been losing ships in great numbers, and so have our Allies. These must be replaced. The farmer knows what would happen if the freight cars on the railroads were burned up—he would be cut off from the market. Ships are just as important and necessary as freight cars.

Several Million Dollars of the amount subscribed to the Liberty Loan is being used by The United States Government to provide a fleet of freight vessels to maintain our trade with Europe. It follows that in subscribing to the Liberty Loan, the farmer is putting money into his own business, with Uncle Sam as a partner, with a certain knowledge that he will receive 4 per cent interest on his money, and that his principal will be used for his own trade convenience and expansion. Was there ever a clearer case of an investment profitable in two distinct ways?

The German Government have realized the necessity of providing a merchant fleet and recently have set aside Thirty-five Million Dollars for the building of ships, which are to be delivered as soon as possible after Peace is declared. Let us at least be as wise as the Germans.

To every farmer there will be offered during the next few months this sensible business like proposition to take Uncle Sam into partnership in his business. Be ready to invest in Liberty Bonds when the time comes.

Shoes for Less

Our stock of Ladies' Children's and Boys Shoes is complete. We carry Keippendorf-Ditman, Moore-Shafer, Dorothy Dodd and Selby's for ladies.

For the boys we have Billikins, and for girls we have Mrs. A. R. King's—there is none better.

1918 War Requirements for South-western Oklahoma.
1. A home garden for every family in town and country.
2. A dozen laying hens in every back yard in town and at least fifty on every farm. Double the last year's production.
3. At least one brood sow on every farm.
4. At least two good milk cows on every farm and a good town herd in every town.
5. Cotton: Owing to transportation and labor problems, also the uncertainty of the cotton market, the South-western Oklahoma farmer should not plant to cotton more than 50 per cent of the cultivated land.
6. Not less than one acre of Cane or Sudan Grass sown in rows, for each head of horses and cattle on the farm.
7. Kafir, milo and feterita for the main feed crop—not less than same area as in cotton.
8. Peanuts for food and feed; also the cash crop.
9. Conservation: Save the waste; can, dry, preserve and store all surplus products of both garden and farm.
10. Labor: Farmers should remember that at this time they cannot look beyond each local district for any surplus labor. Plant only what you can produce, with local help.

Unless it rains, 600 cars of cattle will be shipped to pastures in the Texas Panhandle, Oklahoma and Kansas from points between San Angelo and Alpine, during the month of April, it was learned today from an official of the Orient railroad. Many orders for cars have already been received.

It is estimated that 60 per cent of the cattle that were in West Texas in 1917 have been shipped out during the drouth.—Ft. Worth Livestock Reporter.

SUFFERING FROM COLD

If you shiver in frosty weather, if you have cold hands and feet, if colds are stubborn and frequent, then your blood may be thin and impoverished.

SCOTT'S EMULSION

has been correcting this condition for nearly fifty years. It possesses rare powers for creating natural body warmth, for charging summer blood with winter richness and strengthening both throat and lungs.

The Norwegian cod liver oil in Scott's Emulsion is now refined in our own American laboratories which makes it pure and palatable. Scott & Bowne, Bloomfield, N.J. 17-12

SUBSCRIPTION, \$1.50 PER YEAR

The first year of the United States entrance in the world war was commemorated Saturday with appropriate programs all over the country to boost the sale of Liberty Loan bonds. Of course, everything has not been done in this first year that we would have liked to accomplish. But the accomplishments are so much bigger in comparison of the enormity of the task before the government, as to stagger the most imaginative mind. This country was as far from being prepared for war as any engaged one year ago. We can now say that we are taking a real part in the great conflict and are on the verge of striking the terrible blow a mighty blow. American is now fully in the war, and is in the war to win. The people and the things that get into the way of the war must be eliminated.

The government looks after the soldier during health and sees that he has the best equipment obtainable with the money you put in Liberty Bonds. But in times of sickness and injury it is the work of the Red Cross to take care of our boys. The Red Cross campaign closes next Monday. You will then have your final chance to say whether or not you are going to help our boys in their sickness and perhaps comfort their last minutes on this earth—those boys who are fighting that we may remain in peace at home—and the man who refuses to give would hardly be a welcomed addition to the murderous hosts of the Kaiser, who at least demands loyalty of his subjects.

The man who criticizes another man who is doing a good thing, does so that public mind may be directed from his own littleness. Even during the Red Cross campaign some men who gave just enough to keep from being publically scorned for not standing behind our boys at the front, were prone to criticize the men who were doing their duty. The Kaiser loves to see such men. They are a boon to his weary soul. The patriotic man emerges from this criticism a bigger man in the eyes of the community, while the dwarfed critic submerges into nothingness.

Potatoes are said to be spoiling for want of consumers. The food administrator asks all to eat them every meal. They are very cheap now and will not hold over another season. The farmers responded with a big yield when the appeal was made last year for them to produce a big crop. Now the people must stand behind the farmers and eat those potatoes instead of a more expensive food.

The military critics say the western front is still a serious question. If Germany can undergo the great loss she has had since the drive started two weeks ago and her people not revolt, it will be necessary for the allies to carry the flag of freedom to the gateway of Berlin before the Germans will acknowledge defeat.

"The Finished Mystery", a book by Pastor Russell's bunch, has been ordered confiscated by the authorized, and any person found with one will be in bad. The sheriff wants all copies in Randall county turned in voluntarily by the owners, or he will come after the book and the owner thereof.

War gardens and neighbor's chickens don't mix worth a cent.

Hoover says that we must reduce the wheat consumption by half. A large number of towns have held mass meetings and given back to the government every pound of flour in the community and agreed to buy no more until the supply to our soldiers and our allies was assured of all the wheat they could use.

It appears that now is no time for the "sons of rest." Every man who is able to work will have to go to work if the law passes which is now in congress. No matter how much money a man may have, if he is not at work, he will have to hunt a job.

From every indication the Third Liberty Loan will be the easiest to put over. Our people are getting really alive to the necessity of getting fairly and squarely behind the government.

Count Czernin's speech was no account when it came toward making peace. It was another batch of "for home consumption stuff."

The Honor Guard Girls are doing a great work in selling Liberty Loan Bonds. How many men have you asked to buy them?

Buy that Liberty Bond today. Get behind the government with your money.

COURT HOUSE IN DISTRICT CONTEST

The Federation of Woman's Clubs, First District of Texas, has offered a silver cup to the county which has the best kept court house and lawn in this section of the state. The Woman's Book Club, a member of the Federation, believes that Randall County should have that silver cup. They believe that Randall county's court house and lawn, if properly looked after by all our people, will win the prize.

They have therefore entered Randall county in the contest. As soon as the rules governing the contest are received, the people will be given a chance to keep in keeping the property looking first class.

Book Club Meeting.
The Woman's Book Club met in regular session yesterday afternoon at the rest room in the court house, with Miss Lowrance and Mrs. Stafford as leaders.

The officers elected by the club at the regular meeting two weeks ago to serve for the year 1918-19 are as follows:

- President—Mrs. S. L. Ingham.
- Vice President—Mrs. J. B. Gamble
- Secretary—Mrs. C. R. Flesher
- Treasurer—Mrs. L. Angel.
- Librarian—Mrs. C. R. Burrow
- Parliamentarian—Mrs. R. B. Cousins

The next regular meeting will be held on April 24 with the following program:

The Picturesque in Mexico: Scenery and Indians.

Leaders—Mesdames Hill and Guenther.

A lecturer from the state university will be in Canyon soon and will speak before the Book Club.

TRADE EXCURSION MADE TO WEST PART OF COUNTY

There was a large crowd of business men on the Trade Excursion to the west part of the county Friday. The day was perfect and a large number of the business and professional men of Canyon availed themselves of the opportunity of visiting the farmers in that section of the county. Nine cars made the trip, being in all thirty five men on the trip.

Parent-Teachers Meeting

The regular meeting of the Parent-Teachers Association of the Normal will be held on next Thursday, April 18th, at the home of Miss Lamb.

The election of officers for the coming year will take place. All members are requested to be present.

RAIN OF HALF INCH FALLS IN COUNTY

Rain amounting to half an inch fell over the Panhandle country beginning Monday morning about three o'clock, and continuing through a greater part of the morning. A little after noon the sky cleared off.

While the rain was not of such quantity to put a strong season in the ground, yet it will help in getting the grass started and will start the weeds so that the farmers may get them killed before planting time.

This is the first rain to fall since last fall and the ground was very dry. Grass was getting short and the cattlemen were exceedingly well pleased at this rain.

Wheat growers believe that there is perhaps a fourth of the acreage yet in condition to make grain should the rains continue to come. A big part of the wheat which came up last fall was either blown out during the winter or froze out owing to the severe cold winter.

War gardeners are strictly on the job since the rain, and if there is no late frosts to kill the gardens, there will be abundance of garden stuff early this year.

Fruit prospects are stiff favorable. The trees are blooming nicely and if the frost keeps away, there is sure to be plenty of fruit.

LOCAL ADVISORY BOARD TO LOOK AFTER WAR CLAIMS

The American Bar Association has sent out notice to the Local Legal Advisory Board stating that unscrupulous claim agents and pension attorneys are notifying beneficiaries who have occasion to make claims against the government under the War Risk Insurance Act, that they must employ counsel to make claim and to be sure of getting money from the government.

The local Legal Advisory is composed of B. Frank Baie, Chairman, W. J. Flesher and Geo. A. Brandon.

These men will look after any such claims for Randall county people free of charge, just as they did in the case of the questionnaires.

State Press Association Meeting

The meeting of the State Press Association will be held in Ft. Worth May 8-11. C. W. Warwick is on the program for the paper "Advantages of Prompt Payment of Bills and Business Methods."

Cutting Trees Must Stop.

Sheriff Worth A. Jennings states that someone has been cutting the trees on the court house lawn very badly and there is likelihood of one or more of the them dying from the effects of the cuts. One tree had a cut in the bark all the way around the tree.

No doubt this mischief is the work of the young boys who spend most of Sunday afternoons on the lawn playing, and they have do it unthoughtfully.

But the trees must be protected, and if there is no other way, the county officials will be forced to close the lawn from the public use.

R. H. Wright has been confined to his room during the past week with illness.

For Indigestion, Constipation or Biliousness

Just try one 50-cent bottle of LAX-FOS WITH PEPSIN. A Liquid Digestive Laxative pleasant to take. Made and recommended to the public by Paris Medicine Co., manufacturers of Laxative Bromo Quinine and Grove's Tasteless Chill Tonic.

REVIVAL SERVICES BEGIN AT METHODIST CHURCH SUNDAY

Revival services begin at the Methodist church Sunday morning as announced heretofore.

Rev. D. V. York of Eldorado, Okla., whose ministry for most part in the pastorate God has blessed with many thousand conversions, will do the preaching.

All Christian people are cordially invited to come and help in every way possible to supply the human conditions of a great and gracious meeting.

Will you join us in prayer for an outpouring of the Holy Spirit upon us all?

R. A. STEWART, Pastor

Women to Register June 26 to July 12

The women of Randall county are getting strictly interested in politics and are planning to take an active part in the primary this summer.

In order to vote, the women are required to register at the office of the Sheriff between June 26 and July 12.

The county candidates are much interested in the vote of the women this year and are making a canvass among them, soliciting votes.

County Court in Session

The April term of the County Court begun Monday.

The Probate Docket has been before the court during the past few days.

Judge Flesher states that there will be a jury the third week of court to try four cases which are on the docket.

Come to Canyon to live.

Will Close for Debate. All of the merchants will close their places of business Saturday night of this week in time so that their clerks may attend the debate at the Normal Saturday night.

609 POLK STREET

Cazzell Bros.

AMARILLO, TEXAS

SCHOOL SITUATION

The trustees of the Canyon Independent School district have under consideration the advisability of discontinuing the Tenth and Eleventh grades of the high school, which grades have the same work as the Freshmen and Sophomore classes of the West Texas State Normal College.

The Tenth and Eleventh grades of the high school have an average attendance of twenty two pupils, which grades have been maintained at a cost of about sixteen hundred dollars per scholastic year.

The trustees think with the discontinuance of these two grades the school can be maintained without an

increase in the present taxes, whereas to continue these two grades, the taxes will of necessity have to be raised to meet the expenses of the public school. Should this change be made it shall be the purpose of the school board to make of the public school a Junior High School of the first class.

The school board would like an expression from the patrons of the public school before their next meeting on the 20th of the present month. Should there be any opposition it is the intention of the board to call an election to determine their final course in the matter.

Victory Bread—Save the Wheat
Handle and moul these bread doughs with greater care than white bread. If the doughs stick to the hands when kneading down, add more flour at this time.

Always keep the dough at an even warm temperature (about 75 degrees F).

If you have a good rule for bread, use it, but in place of part of the white flour use one of these other grains—either all or part of the time. If dry yeast is used, a sponge should be made at night with the liquid, the yeast, and a part of the white flour.

Potatoes are plentiful, use them in bread.

This bread is especially valuable because of the body-regulating substances which it contains.

Potato Yeast Bread.
1 or 2 cakes compressed yeast
1 cup lukewarm water
4 teaspoons salt
3-tablespoons corn syrup
3 1/2 cups mashed potatoes
7 cups flour (more or less may be needed)

Mix as follows: Soften the yeast in the liquid and then add (1) salt, (2) syrup, (3) potato, and (4) enough flour to make a stiff dough. Mix and knead thoroughly. Let rise 3 1/2 hours, or until double in bulk. Knead or cut down the dough, add the remaining flour, and let rise again until double in bulk (about 1 1/2 hours). Shape into loaves. Let rise in pans until double bulk. Bake 50 minutes to 1 hour.

Cornmeal Yeast Bread.
1 quart water
1 or 2 cakes compressed yeast.
3 1/2 teaspoons salt
3-tablespoons corn syrup
1 1/2 cups corn meal
8 cups flour

Mix as follows: Soften the yeast in 1/2 cup of water (lukewarm.) Heat the rest to boiling, then stir in the cornmeal. Let it boil up once. Cool, add the salt and syrup, and when lukewarm, add the softened yeast. Then add the flour to make a stiff dough. Follow the directions for kneading, rising and baking, given for potato bread.

Oatmeal Yeast Bread.
1 quart water
1 or 2 cakes compressed yeast
4 teaspoons salt
3-tablespoons molasses
3 cups rolled oats
8 cups flour

Mix as follows: Soften the yeast in 1/2 cup of water (lukewarm.) Heat the rest to boiling, then stir in the rolled oats. Let it boil up once. Cool, add the salt and syrup and when lukewarm, add the softened yeast. Then add the flour to make a stiff dough. Follow the directions for kneading, rising and baking given for potato bread. Improved if rolled oats is thoroughly cooked first.

Rice Bread
1 quart water
1 cup rice
1 or 2 cakes compressed yeast
1/2 cup lukewarm water
4 teaspoons salt
3-tablespoons corn syrup

Mix as follows: Cook the rice until soft, in the one quart of water. Cool until lukewarm, then add (1) the yeast softened in the 1/2 cup of lukewarm water, (2) the salt, (3) syrup, and (4) the flour. Follow directions for kneading, rising and baking given for the potato bread.

Barley Bread
1 quart water
1 cup pearl barley
1 or 2 cakes compressed yeast
1/2 cup lukewarm water
5 teaspoons corn syrup
7 cups flour

Mix as follows: Soak the barley in the 1 quart of water over night. Boil in same water until soft, mash fine, then cool until lukewarm. Add (1) the yeast softened in the 1/2 cup of water, (2) the salt, (3) syrup, and (4) flour to make a stiff dough. Follow the directions for kneading, rising and baking given for potato bread.

Bean Bread
1 quart water
1 cup beans
1 or 2 cakes compressed yeast
1/2 cup lukewarm water
5 teaspoons salt
2-tablespoons molasses
8 cups flour

Mix as follows: Soak the beans over night. Drain off the water in which they were soaked and cook until soft in the 1 quart of water. Put through a sieve or a potato ricer, cool and when lukewarm, add (1) the yeast softened in the 1/2 cup of water, (2) the salt, (3) the molasses, and (4) the flour to make a stiff dough. Follow directions for kneading, rising and baking given for potato bread. The beans may be simply mashed and the hulls used in the bread if desired.

Happy Happenings.
Sunday night this vicinity was visited by a fine shower. Had about 1/2 inch which will do lots of good. Weather cloudy and cool ever since—hope we will get more.

Mrs. W. H. Foster was called to Tulia last Wednesday on account of the death of her father, J. A. Scott. Mr. Scott is a pioneer citizen of Swisher county having lived here for 27 years.

School began again Monday afternoon being out last week getting a new higher gradesteacher. Mrs. Clark of Tulia has the primary grades and Mr. Mason the higher grades.

Mr. Foster had the misfortune to get his wrist badly sprained Saturday in cranking his car. He was not able to go to the bank Saturday evening.

Mrs. W. C. White and children and Mr. Mason were Tulia visitors Thursday.

The baby of O. M. Dalton is reported lots better. Miss Mary Wooten who has been nursing it has returned home.

John Gatens and family have moved back to Kentucky. The family left Thursday.

Armond Logan returned Saturday from Dallas where he went for an operation. He is able to be around now. He was accompanied home by his aunt, Mrs. Logan.

FOOD ADMINISTRATION
The weather is fine and the farmers are glad to say that a light rain fell Monday, amounting to about 1 inch.

Mr. and Mrs. Ed Avers are proud of a 100 lb baby girl which was born Monday. She was named Bernadine.

Mr. S. M. Williams is the proud owner of a Dodge.

Joe Friemel bought a bunch of 150 steers last week.

Since the rain, people are beginning to break sod.

Joe Friemel has rented the Jack Rose place for the year 1918. Mr. Cole is living on the place now.

Mr. and Mrs. John Bedenk were in Amarillo Tuesday, taking with them Mrs. M. Hollenstein and son who has been ill for quite a while.

Several children in Umberger are having the whooping cough.

Clemens Friemel and Georgie Friemel have been sick in bed with the measles for the last few days.

Mr. and Mrs. F. V. Friemel are giving a dance in their house Saturday night.

Mr. Claven Williams and Mrs. Clint Abbott left last week for South Texas where they will visit relatives.

Happy Happenings.
Rain began Sunday night, giving a pretty good shower. Still cloudy and we hope for more. Ice the morning of the 5th, and disagreeably cool the 6th. Moisture was much needed.

M. L. McGehee and John Lemons made a trip to Canyon Friday returning Saturday, accompanied by Mrs. W. I. Lane and children. Some improvement in Mrs. Lane's health while gone.

Sankay Johnson and wife who have been with M. L. McGehee for several months left Friday for Broken Bow, Okla. Wayside's best wishes follow them, and we trust to have them back some day.

Rev. Joseph Jacobs, who has been pastor of the Baptist church here for the past year, has rented a house in Canyon and will probably move in the near future. We commend them to all christian people.

Mrs. D. L. Adams has been quite ill with measles for several days. Some improvement.

Mrs. E. P. Bradford is still sick, does not suffer quite so much, but no material improvement in her condition. Unable to take anything but light nourishment for some weeks.

Her son, K. H. Bradford and family visited with her Sunday and Monday.

J. C. Payne attended the tractor demonstration at Pampa Saturday and was highly pleased. His sister, Miss Ruby accompanied him as far as Canyon visiting at the Jenkins home. They returned Sunday p. m.

Sara Beth, youngest daughter of Mrs. M. L. McGehee has been sick for several days.

GREAT BATTLE STILL GOING ON—ALLIES STOP GERMANS
The greatest battle in the history of the world which has been going on almost constantly for two weeks is still raging.

The Germans have been able to gain but little during the past week and has lost thousands of men trying to break the line. General Foch says that the allies will be able to resist all attacks.

The English military writers, whose articles are published in this country state that the battle is far from over, and while they do not believe it probable for the Germans to win, yet admit that the situation makes it possible.

Secretary Baker has urged that the United States rush all of the men possible to France.

Card of Thanks
We wish to thank our many friends for being with us through the illness and death of our little one.

Mr. and Mrs. C. E. Long

For Sale—Registered Duroc Jersey boar 7 months old, will be sold at the auction next Monday—Trades Day. Also Duroc sow with 10 pigs. Six months' time. John Knight. t1

HE IS KNOWN TO ALL

And News Readers Can Depend on What He Says.

Who is there in Canyon who doesn't know Mr. C. E. Coss, formerly judge of County Court?

Who would be unwilling to profit by his kindly advice?

When so well-known a citizen as Mr. Coss speaks out, Doubt sneaks away, skepticism must vanish.

Every kidney sufferer in Canyon, should profit by Mr. Coss' experience. Isn't it reasonable to expect Doan's to do as well for you?

"I have used Doan's Kidney Pills and have had very satisfactory results," says Mr. Coss. "They do as advertised."

OVER THREE YEARS LATER, Mr. Coss said: "I have not had any bother with my kidneys since I gave my former recommendation for Doan's Kidney Pills and I believe the cure is lasting."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Judge Coss had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

The Umberger News.
The weather is fine and the farmers are glad to say that a light rain fell Monday, amounting to about 1 inch.

Mr. and Mrs. Ed Avers are proud of a 100 lb baby girl which was born Monday. She was named Bernadine.

Mr. S. M. Williams is the proud owner of a Dodge.

Joe Friemel bought a bunch of 150 steers last week.

Since the rain, people are beginning to break sod.

Joe Friemel has rented the Jack Rose place for the year 1918. Mr. Cole is living on the place now.

Mr. and Mrs. John Bedenk were in Amarillo Tuesday, taking with them Mrs. M. Hollenstein and son who has been ill for quite a while.

Several children in Umberger are having the whooping cough.

Clemens Friemel and Georgie Friemel have been sick in bed with the measles for the last few days.

Mr. and Mrs. F. V. Friemel are giving a dance in their house Saturday night.

Mr. Claven Williams and Mrs. Clint Abbott left last week for South Texas where they will visit relatives.

Debate Saturday Night
The later-normal debate between the Normal and the San Marcos Normal will be held Saturday night at the Normal auditorium.

The question for debate is: Resolved, That the Policy of fixing prices on the great staples of consumption, such as wheat and coal, now used as a war measure, should become a permanent policy of our national government.

This is one of the live issue of the day and all our people should hear the intelligent discussion which will be presented by the boys of the debating teams.

Interscholastic Meet April 19-20.
The following is the program of the University Interscholastic league meet in Canyon, April 19 and 20.

FRIDAY—
3:00 p. m. Spelling Contest.
3:00 p. m. Preliminary in basket ball.
8:00 p. m. Preliminary in debate.
8:00 p. m. Finals in debate.

SATURDAY—
9:30 a. m. Finals in basket ball.
9:30 a. m. Tennis.
10:30 a. m. Junior and Rural Declamation, boys and girls.
2:30 p. m. Track meet.
8:00 p. m. Senior Declamation.
Admission: Fifty-five cents to all events.

J. A. HILL, Director General.

The Kaiser and Wilson.
A description of the Kaiser and President Wilson, written by Nona Baker, a seventh grade pupil, Canyon. Guess which is which?

Of gigantic statue is this thing. He has a very small heart. He will go into sacred homes carrying with him the sorrows of sorrow and death. He has a fixed idea of somethings, and "all kings' horses and all kings' men" couldn't change his opinion. He will will hem helpless innocent off and make them work while he paces back and forth snarlingly, keeping guard. He lustily snaps off portions of starving, though innocent persons, which shows his very heartlessness and cruelty. He satisfies his ambition by warfare, and by no other means. He is selfish. He is untrustworthy, savage and is king of cruel beasts.

A praise worthy character has this person. His eyes are very honest, the color I know not. The features of his face, that plainly show a noble character and strong determination, seem to sparkle in his eyes. The forehead and spectacles give one the impression of a school teacher, which in truth was once the head of a well known school. In his heart there burns a strong sense of duty and patriotism when he receives the latest news of Germany's barbarism, his heart beats and throbs with sympathy for poor over-run nations and people. He is one of America's central figures. He is a man of God. When a law for food conservation is passed he obeys it. He is like the school boy when something is disrespected that is dear to him, he is in a fighting mood, and if needs be, he will win the war for right.

Christian Sunday School.
Sunday School is held every Sunday morning at 10:00 o'clock.
All members and friends are urged to be present.
D. A. SHIRLEY, Supt.

A war-expert is a man who knows as little about the Russian situation as you do and admits it.—Brooklyn Eagle.

Your druggist will refund money if PAZO OINTMENT fails to cure any case of Itching, Bleeding or Protruding Piles in 6 to 14 days. The first application gives Ease and Rest. 50c.

Gigantic French War Exhibit to Tour State

There is now being assembled at Waco, Texas, several loads of every conceivable kind of fighting apparatus that is used on the battle fields of Europe, in the submarine warfare, and in the sky. The exhibit is the property of the French Government and is in charge of Mr. H. B. Coles, representative of the French High Commission. Mr. Coles is being aided in the arranging of the trophies by Mr. M. L. Fuller, special representative of the Missouri Pacific R. R.

This priceless collection will, when ready, be transferred to the American Government, and in turn into the care of the officials of the Eleventh Federal Reserve District.

Arrangements have been completed to divide the exhibit into two trains of five cars each, each train being composed of two flat cars, two baggage cars, and sleeper. The routing and transportation of the trains over the territory comprising this Federal Reserve District, is in the hands of Mr. O. W. Campbell, assistant to chief operating officer of the M. K. & T. Ry. The itinerary will allow for the inspection of the exhibit by the largest number of people possible in the various sections of the District. Two to three hour stops will be made at cities and towns en route. Each train will have a lecturer to explain in detail the history of the relics, and American soldiers will act as a Guard of Honor. The trains will start on this pilgrimage on the morning of April 6th, the opening day for the Third Liberty Loan drive. To attempt to describe in detail the history of this collection would be to tell the full story of the war. Nothing like it has ever been seen in America.

There is shown the type of torpedo that sank the Lusitania, airplanes, parts of Zeppelins, and every description of rifle and cannon that is being utilized.

They look—the airplanes and the 75's, the mitrailleuses and the trench mortars, and the caissons and the big gun carriages with the barrels shot away—as if they had been through every known kind of warfare.

The big French 75 millimeter cannon, a part of this exhibit, was damaged at the battle of the Yser. It shoots 23 times per minute, and without rest, an automatic cooling process making this possible. This immense gun is so perfectly balanced that one man can move it around. The range is four miles. The barrel is perforated with machine gun holes, made in close quarter fighting.

These are the guns that helped save Paris at the Marne, when the Germans were within fifteen miles of the capital.

A captured German airplane of the "Albatross" type, with a speed of 125 miles per hour is shown. When brought down, the two occupants, both officers, were dead; one of them wore the "Iron Cross" of bravery, and the machine itself, evidently for previous meritorious service, was designated with the same insignia.

There is a large German mortar of the "Minniewerfer" type, which was captured at the Marne by General Joffre's men. This piece is used to break down heavy defenses, and wherever it hits, everything is annihilated within a radius of several hundred yards.

You will see one of the French 400 millimeter guns that shoots a 16 inch shell and carries 24 miles, and is effective at 20 miles.

There is a collection of German 12 inch shells, captured at the Battle of Aires.

A notable relic is a Zeppelin bomb weighing 175 lbs. Each Zeppelin crew consists of 14 men, 2 machine guns, and 14 tons of projectiles.

There are liquid bombs for incendiary purposes. A defective German shell that burst out at the side, probably killing the nearest Boche—a French machine gun that shoots 550 shots per minute, the cartridges being fed on steel clips containing 26 cartridges each—a German trench mortar captured at Soissons—French catapults, a medieval style brought up to date, which throw grenades with immense force.

A peculiarly interesting piece is the gun carriage of one of the giant 120 millimeter French siege guns. This particular gun carriage was recently recognized by a French Officer visiting Waco, who declared his promotion was gained in an action around this gun. He shed tears of emotion when he satisfied himself of the gun's identity.

For trench war-fare, gun rests with periscopes are shown, so that the gunner can fire his weapon without putting his head in jeopardy. Supporting these mute but eloquent relics are upwards of four hundred actual battle front photographs, some of very large size.

The desperate character of the fighting above the earth is depicted in a vivid way by a close examination of the captured Albatross biplane, whose canvas wings are perforated in hundreds of places, and whose control wires are all wrenched and twisted into tangled masses.

The big Zeppelin bombs, the aerial bombs with fluted rudders, tell their grim story of death to women and children. The whole atmosphere of this hallowed collection of battle scared relics is replete of deeds of valor, of sacrifice, and the determination to put out of the way for all time, this damnable Prussian octopus whose poisonous tentacles must be loosed once and for all.

The Relic Train will be in Amarillo on Monday, April 15, arriving about 4 o'clock p. m., and remaining all night. All citizens of Randall County may attend the Patriotic Celebration in Canyon on Monday and then go to Amarillo in plenty of time to see the train, as it will do doubt be very late in arriving—as special trains always are.

McAdoo has decided that the baby-carriage factories are essential industries. If that doesn't reconcile T. R. to the Administration, he's hopeless.—Cleveland Plain Dealer.

Carranza has put a head-tax of \$8 in gold on persons leaving Mexico for the United States. But no doubt the privilege is worth the price.—New York World.

Waste of Food

Threatens Disaster to Individual and Ruin to Nation.

(By E. A. Peden, Texas Food Administrator)

There can be no higher consecration of the American citizen who is not actually engaged in serving the colors than a genuine response to the cause of food saving.

Enough movements have been started. The thing now needed is team work to finish what has been begun. Food saving takes second to no issue, unless it is the issue of the men in arms. All the wealth in the world is no wealth if there is no food; and no front can be held and no battles be fought unless there is food to sustain the men who shoot the guns, throw the grenades, make the dash over the top and across no man's land.

The rise and fall of ministries, the sinking of transports, the devastation of communities through explosions and fires—all are poignant with tragedy that staggers the imagination.

But let there be an absence of bread, a restriction of sugar beyond what the body needs and craves; let the meat ration shift to a grain diet; let hunger become rampant and famine pregnant, and there is no calamity so great, so awesome, so appalling.

If there is to be a sporadic saving of food and not a constant one, just so much has the enemy been aided. To deny oneself staples needed by the allies and our own men in arms, is not a sacrifice, but an opportunity to be of real service.

If there are the thoughtless and the heedless, let them now be apprised of an attitude, not dissimilar to an alien who openly espouses the cause of the Vaterland, the business of adapting oneself to substitute foods is not recommended; it is imperative.

Let there be no minimizing of the part that the housewife plays in her kitchen. Her work is now as sacred as that of the priest at the altar.

Let there be no minimizing of the war menus in hotel, restaurant, Pullman dining car and boarding house; it is the performance of a fine duty in a fine and splendid way.

Let there be no hesitancy in learning to say: I will do with less sweet; I will do with less meat; I will do with less wheat bread and gladly eat of the bread of the corn; I will eat less of the fats which is the body fuel of armies; I will henceforth think in terms of the nation, and no longer in terms of myself.

In the name of this freedom of ours, I earnestly petition the people of Texas to take heed of what is needed of them; to open their eyes to the world situation as it now exists, and through no act of selfishness cater to creature comforts which can do no other than bring disaster to the individual and ruin to the commonwealth.

Proclamation

TO ALL WHO EAT.

The public should read the newspapers for their own protection and in order to keep posted upon all changes and modifications of the food conservation law.

Every day there is something new in food conservation. It can be learned in no quicker or better way than through the columns of the newspapers.

Read these articles upon food conservation and food production. Don't skip in reading.

If you don't remember or haven't a good memory—cut out the items and save them for continuous reference.

Use the newspapers to keep posted. Mails are slow. The story is always in the paper before it reaches our district and county administrators. You owe it to yourself to keep posted. You will then know the law and be able to live up to the law. Remember, if you violate the regulations you are subject to a fine of \$5000 or two years' imprisonment, or both, and ignorance of the law is no excuse.

Read the newspapers. They are the voluntary distribution agents of the government.

E. A. PEDEN,
Federal Food Administrator for Texas.

GIRLS! LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

\$12.50

ONWARD, CANYON SOLDIERS

The following song, written by Rev. B. F. Fronabarger, was sung at the services for the soldier boys of the Baptist church Sunday night:

Onward, Canyon Soldiers, marching on to war,
With our flag, Old Glory, going on before,
Love, the mighty motive, stirring every heart,
Forward, into battle, each one do his part.

CHORUS—
Onward, Canyon Soldiers, onward to war,
With our flag, Old Glory, going on before

Hasten boys, Oh hasten,—hear the cannon's roar,
The Kaiser, with his minions, is thundering at the door,
Fair France and England he'd crush to rise no more,
Then turn in his fury our land to tear and gore.

CHORUS—
Listen, noble plainmen, hear the Boche's proud boast,
Let him have the answer of Texas' fearless host,
Show him there's a people, fighting without hate;
Yet never yields to any earthly potentate.

CHORUS—
Double quick, our Soldier boys, hike to the front,
Gird up your loins, lads, and do the mighty stunt
Of hurling back the Kaiser and old Hindenburg,
And send a shout of joy through every town and burg.

CHORUS—
Onward, Canyon Soldiers, remember as you go,
Your fathers and sisters, marching with the hoe,
Have enlisted, every one to do their very best
To furnish all the food you need—you'll do the rest

CHORUS—
Hearken, do you hear it marching at your side?
'Tis your mother's spirit, wrapped in martial pride.
Keeping step with you, sir, proud as she can be
That her son is fighting, that the world be free.

CHORUS—

Gun Accidentally Discharged.

The accidental dropping of his shot gun from its place by his side Monday evening cost David B. Swanson his life. As usual, Mr. Swanson had taken his four-year-old son with him, intending to send rabbits to the house by the boy. In turning his horses the gun fell and the hammer must have struck for the discharge passed up thru one side of his face.—Vega Sentinel.

Sixteen Hours Continuous Rain.

It commenced raining yesterday afternoon about 5 o'clock and has continued for sixteen hours and is still raining at the time we go to press. All the low places are filled with water and streams are flowing on each side of the streets.—Springfield (Colo.) Democrat.

A casket for the Bolshevik in Russia may as well be ordered. It has tackled the Church question.—Atchison Weekly Globe.

LIFT YOUR CORNS OFF WITH FINGERS

Tells how to loosen a tender corn or callus so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezeone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezeone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezeone he can get it at any wholesale drug house for you.

COME TO CANYON TO LIVE.

NOTICE TO PARTIES OWNING OR OPERATING AUTOMOBILES

We have been advised by the State Highway Department that all Numbers and Seals have been furnished that have been applied for, and instructed to arrest all persons operating an automobile without State numbers on front and rear, the 1918 Seal and proper lights. If you did not receive a copy of the Motor Vehicle and Highway Law, write the Highway Commission at Austin for one.

WORTH A. JENNINGS,
Sheriff, Randall County,

WAR TESTS SKILL OF HOUSEWIVES AND BRINGS OUT NEW PRODUCTS

War-brings out many qualities in life which people little thought they possessed before. It also serves to bring out remarkable theories and the development of new food products.

Since Administrator Peden took over the work of organizing the food industry of Texas many interesting ideas have been presented at various conferences.

When the rice farmers and dealers met in Houston, among the innovations in food for live stock suggested were ground corn cobs and Spanish moss; rice straw, which had formerly been used to fertilize, and the velvet bean, a foreign food to Texas live stock men.

New breads have been suggested to the Federal Food Administrator which are to be used as a substitute for wheat: bread made from sweet potato flour and bread made from cotton seed flour.

While goat meat is a common food in India and in the Alpine countries, America has been too prosperous and too proud to use meat sustained by animals who feed as readily on shoe-leather and tin cans as on high-priced foods. This statement is made with reservations, as goat meat is used upon some Texas farms, but its use has not been general in America. The suggestion has been made that cities might also make use of goat meat, as the animal might graze readily in allees and on roof tops.

Another novelty suggested which is not altogether new is the Chinese cabbage. This cabbage was christened with some kind of unpronounceable name about the time that Confucius was a child, but in the United States it is known as Chinese cabbage. The leaves, which are comparatively long, can be stripped and cooked just like mustard or spinach, while the stalk can be cooked just as cabbage or cauliflower.

It is not often that the desert affords much to the passerby in the way of food, but the barren regions of West and Southwest Texas, even more barren as they near the border, are rich in a foliage which closely hugs the earth, known as the mesquite brush.

At certain seasons of the year the mesquite trees bear a long reddish bean, which grows redder as it becomes ripe, and while it has an astringent effect on the tissues of the mouth, natives of the country, and especially men with a bit of alkali in their system, may eat of the bean without disastrous effect.

Some housewives have been able to make sugar, candy and pastries out of the bean which, it is alleged, hath an excellent flavor.

The writer of this article has been favored with a small box containing samples of candy, cake and pastries made from the bean and he believes absolutely that man in a starving condition may partake of the foodstuff and not suffer dire consequences.

So far Mr. Peden has not recommended the eating of baked locusts and sage brush.

ADMINISTRATOR PEDEN ASKS ALL RETAILERS TO USE THE "CASH AND CARRY" SYSTEM

Bulletin No. 108.

Publicity Department Office of the Texas Federal Food Administration.

Houston, Texas, Jan. 15, 1918.—The United States food administration recommends that the retail grocery trade of the country go at once upon a CASH AND CARRY basis. In other words, that retailers put a price upon all commodities at which those commodities can be sold at the counter for cash; that nothing be added to that price to cover the cost of delivery or credits, but that these two items be charged separately against those customers who demand delivery or accommodations requiring bookkeeping expense, and that these items be noted on each sales slip or bill to the customer.

In order that this program of a CASH AND CARRY basis for doing business be effectual and brought to the general public, Federal Food Administrator Peden has written to his district and county administrators asking that the matter be taken up at once with all Chambers of Commerce and Business Leagues of the State; that it be discussed and thoroughly understood, and that all dealers comply with the request.

This matter, the administration states, is not new so far as retailers are concerned, as it has reached most of them through their wholesalers and jobbers, but it is deemed necessary to enforce the demand on the part of the food administration to the end that the consuming public may learn what constitutes a fair price for food and what constitutes an expense for service.

THE FEDERAL FOOD BILL. WHAT IS IT?

During the debate in congress it was described as follows by Congressman Lever, who introduced it and whose name it bears:

"The measure we propose is a WAR MEASURE pure and simple, and is predicated upon the idea of PROVIDING FOR the national security and defense by (a) encouraging the production, (b) serving the supply, and (c) controlling the distribution of food products and fuel, both for the use of ourselves and our allies."

PERUNA Best All Around Medicine Ever Made

I Hope You Will Publish This Letter

Mr. W. H. Edgar, 49 Cooper St., Atlanta, Georgia, writes: "I suffered for fifteen years with rheumatic symptoms. Peruna cured me and I think it is the best all around medicine ever made. I hope you will publish this letter for the benefit of others who suffer." Those who object to liquid medicines can procure Peruna Tablets.

LOCAL NEWS

J. M. Redfearn returned Thursday from Mineral Wells where he has been for medical treatment for the past few weeks. He is recovering very nicely from the rheumatism, but is pretty weak from the effects of the attack.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tonic is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tonic is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel.

LOCAL NEWS

Grady Holland was a business caller in Lubbock Friday.

A. S. Rollins was in the city Saturday visiting with his many friends. He has decided to move back to the Panhandle from Houston where he has been for the past eighteen months with the Federal Land Bank. He is locating again in Amarillo.

R. L. Marquis was in Claude Friday where he delivered a patriotic address at the county school meet.

Phone 270 THE B. & H. MARKET, for fresh and cured meats. Free delivery to any part of the city. We buy your hides. tf

J. E. Anderson was in the city Saturday from his home in Big Spring. He states that he was fortunate to sell his cattle last June when the drouth struck that section and thus avoid a great loss that has come to the cattle men of that section. It cost the cattle men \$50 per herd to winter their cows owing to the scarcity of feed and the drouth, and most of the cows are not worth that much now. The drouth has not been broken in that section so that there is little or no prospect for grass in that section this year.

R. A. Terrill was in Farwell Friday and Saturday having charge of the school field and track meet and the interscholastic contests Saturday night.

For general auction work, figure with A. A. Price, Auctioneer and Salesman. My chief aim is satisfaction to everyone concerned. Canyon. 48p10

President R. B. Cousins spoke in Plainview Saturday at a great mass meeting in the interest of the Liberty Loan campaign.

Walter Kuehn was in the city Monday from his farm in the southeast part of the county. He states that in case the wheat has not been blown out or died, there is a likelihood of being considerable wheat this year. He says that he has seen some of the best wheat ever raised in this county not get started until the first of April. He states that none of his crop looks very promising.

Lee Burgess left Friday for Iowa and Illinois on business.

LOCAL NEWS.

W. H. Blaine was in Panhandle Friday and Saturday to have charge of the field and track meet of the county schools.

Stork and Cupid Cunnning Plotters

Many a New Home will Have a Little Sunbeam to Brighten it

Cupid and the stork are held up to veneration; they are rated as cunning plotters to herald the coming of the little sunbeam to gladden the hearts and brighten the homes of a host of happy families. There is a most remarkable preparation, known as Mother's Friend, which has been used by women for over half a century before the arrival of the stork. This is a penetrating external application for the abdomen and breast, by daily use throughout the waiting months, strain and tension is relieved. The muscles are made elastic and pliable so that when baby comes they expand with ease and the pain and danger at the crisis is naturally less. Then, too, the nerves are not torn and drawn with that usual wrenching strain, and many distresses, such as nervousness, nausea, bearing down and stretching pains, are among the discomforts and debilitating experiences women who have used Mother's Friend say they have entirely escaped by the application of this time-honored remedy. Thousands of women have used Mother's Friend and know from experience that it is one of the greatest contributions to healthy, happy husbandhood. Write to the Bradford Regulator Co., Lamar Bldg., Atlanta, Ga., for their "Mother's Friend" book. This book of instruction and comfort to be derived from reading this little book. It is plainly written just what every woman wants to know. Get a bottle of Mother's Friend from the druggist today, and thus fortify yourself against pain and discomfort.

News from Camp Travis

Cecil and Clarence Winder, formerly of Canyon were in the last selective draft. Cecil, better known by the name "Twister" is working in the Battalion Headquarters, 165th Depot Brigade.

Corporal Alford M. Black, formerly a student of the West Texas State Normal College is in the 47th Co., 12th Bn. 165th Depot Brigade, Camp Travis. He is trying to make a soldier and states that he is enjoying the new life. Letters from friends will be appreciated.

Ben Monning, who has played base ball in Canyon on many occasions is now in Camp Travis, in the 31st Co., 165th Depot Brigade.

A Generous Offer.

Mr. Childers, the local manager of the Panhandle Lumber company, informs us that his company is offering a Thrift Stamp to every child within their territory who will write an essay on, "Why we should make improvements to protect feed, livestock and machinery," and will give a War Savings Certificate at a grand prize

for the best essay. This is good advertising, and a commendable proposition. It is hoped that hundreds of children throughout the Panhandle will accept this proposition.—Ochiltree Herald.

With Bulgarian and Turkish troops joining the Prussians in Belgium, the prospect brightens a bit for less bar-

barous warfare there.—Boston Herald.

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

PAIGE

The Most Beautiful Car in America

EFFICIENCY—that is the watch word of today. It means speed. It means the elimination of all waste in time and effort. It means the co-relation of brain and muscle in making each minute a productive minute.

If we are to win the Great War, we must introduce this doctrine into every phase of our daily life. As a nation, we must learn to challenge each tick of the clock and insist that it register Action.

In this connection, please remember that the automobile is 'one of the most efficient Time and Labor saving devices that has ever been developed. It has become the pace-maker of modern progress and to eliminate it would mean to turn back the calendar a quarter of a century.

In every profession and every field of business you will find the motor car performing its work with economy and dispatch.

It carries thousands of executives to and from their offices each day. It permits them to keep appointments on the dot. It multiplies their usefulness and broadens their scope of activities like no other form of transportation.

So, by all means, buy a motor car—but get a good one while you are about it. Look for a manufacturer's reputation rather than four wheels and a painted body. Look for enduring quality—that is all we ask—and you will be led irresistibly to the Paige.

D. L. HICKCOX

TRADES DAY IN CANYON POSTPONED

On account of the rain Monday, the regular monthly Trades Day in Canyon was postponed until

MONDAY, APRIL 15

We are postponing the Trades Day until next Monday as it was impossible under the weather conditions to have the BIG PATRIOTIC RALLY which had been planned. We feel that the program planned for the day is of too great importance to be dropped, so decided that all events planned for last Monday will be appreciated next Monday.

In addition to the program planned last week, there will be added a number of features for next Monday which will pay all of our citizens to come for miles to see. By all means you should not miss the Big Patriotic Parade at 11:00 a. m. sharp, and the Patriotic Program at 1:00 p. m. The Patriotic Events of the day, we feel, are highly in keeping with the hearts and minds of our people.

TRADES DAY SPECIALS

The Trades Day Specials offered and advertised in the Randall County News last week will be given on next Monday, April 15. You read these specials and wanted to take advantage of them. They are offered to you next Monday.

RAIN OR SHINE

The program for next Monday will be carried out in full next Monday, RAIN OR SHINE. It is not the desire of the Red Cross committee to continue the campaign for \$10,000.00 longer than next Monday.

RANDALL COUNTY NEWS

We want you to celebrate this patriotic day with us

BUY A LIBERTY BOND OF THE THIRD ISSUE

In order to make it easy for our customers to own a LIBERTY BOND of the Third Issue, and also to help our government in the great fight for DEMOCRACY, we have decided to offer to TWO HUNDRED of our customers a LIBERTY BOND of the FIFTY DOLLAR denomination (only one Bond to the customer) on the following terms and conditions:

We will buy for you a Fifty Dollar Bond and allow you to pay for it in TEN MONTHLY PAYMENTS of \$5.00 each, charging you for our services only the interest coupons which become due while the Bond is being paid for.

In order for you to take advantage of this opportunity, it will be necessary for you to make your application, accompanied by \$5.00 by April 15th, so that we may purchase the necessary number of Bonds of this denomination.

This offer does not in any way affect our own subscription to the Bond Issue, for we intend buying all the Bonds that we feel able to carry and we are merely offering this opportunity to some of our customers who will appreciate a chance to buy bonds on easy monthly payments. And furthermore, this offer is not made to the person

who is able to buy bonds of larger denominations or who is able to pay the cash for bonds, but is made in order to enable the man or woman of small means to do their "bit." Show your patriotism; get in behind Uncle Sam in this fight for Democracy; buy a LIBERTY BOND of the Third Issue; you have no excuse now.

All Bonds sold to Randall County customers will be purchased by us through the banks of Canyon.

Lend Him A Hand

YOUR HAND—MY HAND—

Every hand in the land stretched out to help him to VICTORY! That is the way that America is going to win this war. It is the only way she can win it.

We are fighting a United German people. Until EVERY American is backing the boys in the trenches, until EVERY hand in the land is stretched out to help, we cannot expect our army to defeat the German armies strengthened by the toil and sacrifice of the one hundred and fifty million people of Germany and her allies.

This is a war of national resources, and everyone must add his share to America's fighting strength if we are to make our superior resources count. Every hand in the land must be stretched out to help our boys if we would send them over the top to early and certain victory.

Save for the Thirty Liberty Loan. Invest in the Third Liberty Loan. That is the way to lend a hand. That is the way to make a nation invincible for freedom and justice.

EVERY BOND NOW IS A DIRECT FIGHTING AID TO THIS BOY IN THE TRENCHES IN FRANCE.
