

PEACE TREATY HANDED TO GERMAN DELEGATES

LONGEST TREATY EVER DRAWN IS BACKED BY TWENTY-SEVEN ALLIED NATIONS

Paris, May 8.—The treaty of peace between the 27 allied and associated powers on the one hand and Germany on the other, was handed to the German plenipotentiaries at Versailles today.

It is the longest treaty ever drawn. It totals about 80,000 words divided into fifteen main sections and represents the combined product of over a thousand experts working continually through a series of commissions for the three and a half months since January 18, the treaty printed in parallel pages of English and French which are recognized as having equal validity. It does not deal with questions affecting Austria, Bulgarian and Turkey except insofar as binding Germany to accept any agreement reached with those former allies.

Following the preamble and deposition of powers comes the covenant of the League of Nations as the first section of the treaty.

The frontiers of Germany in Europe are defined in the second section: European political classes given in the third; European political classes in the fourth. Next are the military, naval and air terms as the fifth section, followed by a section on prisoners of war and military graves, and a seventh on responsibilities. Reparations, financial terms and economic terms are covered in sections eight to ten. Then comes the aeronautic section, ports, waterways and railways section, the labor covenant, the section on guarantees, and the final clauses.

Germany also agrees to the trial of the ex-Emperor by an international high court for a supreme offense against international morality and of other nationals for violation of the laws and customs of war, Holland to be asked to extradite the former emperor, and Germany being responsible for delivering the latter.

NAVY IS REDUCED.

The German navy is reduced to six battleships, six light cruisers and twelve torpedo boats, without submarines, and a personnel of not over fifteen thousand. All other vessels must be surrendered or destroyed. Germany is forbidden to build forts controlling the Baltic, must demolish Helgoland, open the Kiel canal to all nations, and surrender her 14 submarine cables.

CANYON SEES BIRDMEN FOR FIRST TIME FRIDAY.

The airplane touring this district in the interest of the Fifth Liberty Loan Campaign arrived about ten o'clock Friday morning. The first the town was aware of its proximity was when its engine was heard purring almost directly above the town. A landing place had been prepared in the west part of town and soon a great crowd of eager spectators were gathered about the machine. Lieut. Wooly was in charge of the machine accompanied by a mechanic. The crowd was given an exhibition of trick flying, by Lieut. Wooly, who flew the machine upside down, and done all the spinning and diving stunts known to flyers.

Miss Ernee Conner, who sold the most bonds of any woman in the county was given the first flight in the machine, followed immediately afterward by Miss Nannie Johnson. Both express themselves delighted with the trip and are eager to go up again.

NORMAL LOSES TO SAN MARCOS AND WINS FROM COMMERCE IN DEBATE.

The Normal debating team composed of Keffer and Day lost to San Marcos Saturday night in a debate held at the Normal auditorium. The boys had the affirmative side of the question: "Resolved, that the United States Should Own and Operate its Railroads". Condry, Hazelwood and Burns won the Negative side of this game question at Commerce, Texas, against the East Texas State Normal College.

STUDENTS' ADVISORY COUNCIL ORGANIZED AT NORMAL

The Students' Advisory Council met Friday afternoon. After finding out the purpose of the organization they elected Miss Waldine Hogan as chairman and Miss Edith Eakman as vice-chairman. The Y.M.C.A. elected Frank Day as representative from their organization.

Miss Gladys Franey visited her sister Nellie last week. Mr. Berl Elliston of Hereford visited his brother Pat last week.

Burgess Holland formerly of our S.A.T.C., visited Miss Kathleen Stewart Saturday and Sunday.

Grady Hazelwood, C. L. Condry, and Kenneth Burns with their coach L. F. Sheffy returned from Commerce Monday with victory written all over their smiling faces. In chapel on Tuesday morning they told us about their trip.

Wednesday the Junior Home Economics class served luncheon to a few members of the faculty.

The Sesames entertained the cousins Monday evening at the Normal with a delightful masquerade party.

Miss Kathleen Jennings spent the week-end with relatives near Tulia.

The ball boys will play Plainview Thursday and Friday on the Plainview field. The Amarillo team will meet our boys here next Saturday.

Mr. Settle and family of Tulia visited in Canyon Monday.

Miss Canrilla Patton, a former student of the Normal is visiting relatives in Canyon.

Miss Ida Johnson from Lubbock spent the week-end with Misses Laura and Myrtle Miller.

Misses Rosa Jackson and Evelyn Monahan spent the week-end with Lora Kibble at her home in Hereford.

Mrs. N. P. Vaughn of Bushland spent Sunday in Canyon with her daughter, Miss Beatrice Vaughn.

On last Sunday at ten o'clock in the auditorium, memorial exercises were held in honor of the students who gave their best to their country during the recent war. Among the visitors on the occasion were Mr. O. L. Floyd, Mr. and Mrs. Billie Biggers, Mr. and Mrs. Gibson, Mr. and Mrs. Cobb, and Waland Floyd all of McLean.

Mr. Dufflot went to Miami Wednesday to deliver a commencement address. Mrs. R. A. Young, Ed Day and Mrs. R. Day visited Madge and Frank Day last week. Ray Sheffy came to Canyon Saturday in order to hear the debate. Delan Kirk, a former student visited in Canyon Saturday. Mrs. Clark of Amarillo has been visiting her daughter Miss Mary Clark the past few days. Margaret Locks, a former student of the Normal spent Monday with Miss Ritchie. Miss Malone chaperoned a crowd of young people to the club grounds Sunday. Among those who participated in the festivities were Misses Blanche Clark, Mary Meador, Clara McLaughlin, Brunette Francis, Waldene Hogan and Messrs. Herbert Ralls, Frank Day, Pat Elliston, John Younger and Mahan.

Training School Notes. The Eighth grade cooking class under the supervision of Miss Annie Wood, had a most delightful serving lesson Tuesday. Nina Sherer acted as hostess; since there were no boys in the class, Vivian Brumbley acted as host. Five other members of the class were guests; Minnie Adams was guest of honor, Maxie Jennings and Grace Paul were waitresses. James Oden and Francis Reid were elected as representatives from the Training school for class day, May 17.

The B. section of the eighth grade cooking class entertained Miss Rogers last Friday noon with a luncheon.

The fourth and fifth grades are going to visit the factories in Amarillo in connection with their geography.

The seventh and eighth grades had a luncheon Saturday on the campus. After the visit of the airplane to Canyon, John Younger gave the first, second, and third grades a talk on airplanes.

Hereford High and the Elementary school had a ball game Tuesday, the score being 9 to 10 in favor of the Elementary school. The same teams will meet in Hereford Monday to play a return game.

Geo. Ritchie substituted for Mr. Buckner last week in teaching the third and fourth grades penmanship. Recently the training school people have been getting their pictures ready for the "Le Mirage". These were taken in the costumes worn in the Texas Pageant given on San Jacinta Day.

EWELL C. BROWN TAKES OWN LIFE WITH AUTOMATIC SHOT GUN ON WEDNESDAY EVE.

Ewell C. Brown, well and favorably known to Canyon people, and for many years a barber in the Star Barber Shop, shot himself in the head with an automatic shot gun yesterday afternoon, death coming instantly. He did not return to work in the afternoon, complaining of feeling badly, and about four o'clock took an automatic shotgun and started for the creek just north of the home to hunt rabbits. When he did not return late in the evening, his wife became alarmed and sent a son to hunt for him. He was found lying behind a bluff not two hundred yards from his home with the rear of his head shot away. Justice of the Peace Henson was immediately notified and after examining the surroundings the body was removed to the home of Mrs. E. F. Miller. From evidence gathered and witnesses examined by Squire Henson, there seems to be no doubt that the deceased met death at his own hands. No note or communication was found upon the body of the man.

His son, Virgil, died on board ship on his way to France in the service of his country last fall, and it is thought that grief over this loss, caused the deed, as he has been habitually despondent since that time.

The funeral will be held tomorrow afternoon at three o'clock at the First Baptist Church. Interment will be made in Dreamland cemetery.

He leaves a widow and six children all boys, who are prostrate with grief, over the sudden and tragic death.

BABY TANK WAS HERE FOR EXHIBITION MONDAY

A caterpillar war tank known as the "baby" size was here Monday afternoon and drove through the streets of Canyon. The arrival of the tank had been thoroughly advertised and one of the largest crowds in town this year lined the streets. The driver of the tank, an army man, was introduced by W. J. Fisher and addressed the spectators on the east side of the square explaining the work of the tank. He stated that the baby size tank only weighed 7 tons while the regular tanks weighed thirty-five to forty-five tons, and some of these carried three-inch guns. The circus which was showing in town immediately lost its glamour for the youngsters upon the appearance of the war tank and they followed it about the streets and clambered over it examining its mechanism. The tank went to Amarillo late in the evening and toured the streets of that town all day Tuesday.

The Plainview News reports that while the airplane was there last week, a man made application requesting that his mother-in-law be taken up for a flight.

MONDAY, MAY 12, REGULAR MONTHLY TRADES DAY; AUCTION SALE IS FEATURE

Monday, May 12, is the regular monthly Trades Day. At a meeting of the Business Men's Association in the News office Friday night, it was planned to make a big automobile excursion to the south part of the county, by way of Wayside, but heavy rains have fallen in the meantime and it may be impossible to make the trip. Nevertheless, there will be plenty in the way of entertainment for the visitors and shoppers to our city Monday. The merchants are making large discounts, and making special offers for the farmers' produce. A band concert is in order for the day. The regular auction sale will be held, J. W. McCreery of Wayside being selected to hold the sale. As was stated last month a charge of 2-1-2 per cent will be charged for handling the goods brought in for sale. We are publishing herewith a list of the articles sold at the last sale with the price brought. It is urged that any one having articles to dispose of, will bring them to this sale.

1 Go-cart, \$2.25; lineoleum, \$1.25; 6 rolls matted, 70c; 1 bed spring, --; 1 cow, \$60; 1 mule, \$90; 1 lister, \$70; 1 horse collar, \$1; 1 saddle, \$4.50; 1 horse collar, \$1; 1 maize fork, \$1.50; 1 saddle, \$18; 1 lister, \$4; 1 wagon, --; 1 plow, \$2.60; 1 maize fork, \$2; 2 pigs, \$8.50; 1 feed grinder, \$24; 1 bucket, \$1; 1 stallion, \$150; 1 shot gun, \$5; 1 hat, \$5.50; 1 hat, \$1; 1 pair pumps, \$1.25; 1 pair pumps, \$1; 1 pair slippers, \$2.50; 1 boy's suit, \$3; 1 boy's suit \$4; 1 boy's suit, \$5.25; 1 man's suit, \$5.50; 1 pair shoes, \$1.75; 1 pipe wrench, \$1.50; 3 rolls wire, \$11.25; 1 double tree, 75c; 1 set lister knives, 50c; 1 horse collar, \$4.25; 1 gas tank, \$1; 1 Jersey cow, \$84.50; 1 gas tank, \$1; 1 well bucket, 50c; 1 test auger and bucket, \$1.25; 7 White Leghorn roosters, \$2.80; 8 ft. pipe, \$1.10; 1 basket of junk, \$1.75; 1 slush bucket, 50c; 1 horse collar, \$2.25; 1 bed spring, \$1.—Total \$588.95.

K. C. BOOSTERS IN AMARILLO

The boosters of the Kansas City Chamber of Commerce made their annual pilgrimage this week and arrived at Amarillo, Wednesday. The train of 13 cars has been christened the "Victory Special" and in addition to the business men, had a band of 16 pieces which led the parades made in the various towns where they stopped.

The Boosters were conspicuous by reason of their caps and red, white and blue umbrellas. A stop of nearly two hours was made here after which the special proceeded to Alanreed.

A reception committee of Amarillo business men met the visitors at the station and escorted them up town when the parade disbanded and a social good time was had.—Southwest Plainsman.

PANHANDLE CHAMBER OF COMMERCE TO ORGANIZE

Amarillo, Texas, May 7.—A concerted movement on the part of a number of Panhandle counties to organize a compact body for Chamber of Commerce work has culminated a call issued by the Board of City Development of Amarillo for a convention to be held in that city on Tuesday, June 3rd. At this time it is expected that an organization will be perfected that, for cohesiveness and definiteness of aims, will prove a model.

The following is the comments of Panhandle newspaper men on the proposed organization.

"I have been thinking and working along that very line and there are a number of counties that are ready to line up. It will be pleasure to me to attend the Amarillo meeting and participate in this deliberation", says Frank R. Jamison of Canadian, in a letter to the Board of City Development of Amarillo.

"A heavy movement of home-seekers and new enterprises is due as soon as the nation begins to adjust itself, to come this way, and such an organization as you suggest should help this movement very much", is the comment of Jess Adams of the Plainview News.

"Mr. Ramsey has done what we have thought a number of times of doing. The interests of all this great section are for the most part identical and a marvelous period of development is in sight", says C. H. Walker, editorially, in the Dalhart Texan.

"Let us build an institution at home where interests are identical", says J. C. Temple of Farwell.

"We shall thank you for additional information as to the details and it is quite likely that we shall cooperate", says R. B. Morgan of Memphis, Secretary of the Hale County Chamber of Commerce.

These are samples of half a hundred comments received by letter at the offices of the Board of City Development of Amarillo and it is believed that a large delegation from every county in the district will be in Amarillo for the convention on June 3rd.

NORMAL BASEBALL TEAM WINS CLAIM TO PANHANDLE CHAMPIONSHIP

In the first game they have played this season the Normal baseball team won the game from the undefeated Plainview High School team by a score of eight to three.

The Plainview boys took a swift start and run in three scores in the second inning on errors of the local boys, and it looked bad for the Normal team. But they tightened up and in the sixth and seventh innings made the diamond look like a race track.

Rightmore, pitching for Plainview, played a consistent game, but the infield gave him poor fielding support, several Canyon boys taking their bases on mere bunts. In only two instances were hits made to the outfield.

Although Burns pitched good ball for the Normal, he was hit freely to the outfield, but in each instance the ball went in the glove of a Normal outfielder. A return game will probably be played with Plainview later and if the Normal wins this game the team will have undisputed championship to the Panhandle.

DELINQUENT TAX LIST WILL BE PUBLISHED NEXT WEEK

Beginning next week The News will publish the delinquent tax list for Randall county. The publication was to have begun with this week, but the office has been handicapped on account of the light plant's being shut down a good part of the time and it was impossible to handle the extra amount of composition this week.

SUBSCRIPTIONS TO LOAN COMING SLOW

RANDALL COUNTY EXPECTED TO REACH QUOTA BEFORE WEEK IS OUT

BULLETIN.

The Liberty Loan subscriptions are falling many millions of dollars short of the goal. Nothing but a great effort on the part of every man and woman can put over the loan. The reputation of your country, your state, your county, your community is at stake. But not least there is your own self respect to be considered. If you have not done your utmost and pledged yourself for every dollar you can spare during the next six months, get in touch immediately with your Liberty Loan Chairman or go to your bank and sign up. There is patriotism and good sense in notes of the Liberty Loan. The safest investment in the world pays 4 3-4 per cent interest and when you have bought you feel that you are a true American.—F. M. Smith, Federal Director War Loans.

The latest reports from the local banks show that Randall county has a higher percentage of her quota subscribed than most counties in the Panhandle. Only \$12,000 is needed to complete the quota of \$44,000. The campaign will continue until May 20, and this county will probably go considerably over the top before the close. However, none should spare themselves in the least, in doing their duty in this campaign, for there are probably sections where a considerable deficiency will have to be made up. The debt must be paid in full.

Washington, May 8.—The best reports of the entire Victory Liberty Loan campaign reached the treasury today. Total subscriptions were raised to \$2,458,663,000 or 59 per cent of the aggregate desired. The overnight increase was \$498,000,000 of which \$237,000,000 came from New York district.

Kentucky and Connecticut have officially over subscribed their total. Subscriptions by districts were announced as follows:

Table with 3 columns: District, Sub., Pct. Rows include St. Louis, Minneapolis, Chicago, Boston, New York, Richmond, Kansas City, Cleveland, Atlanta, Philadelphia, San Francisco, Dallas.

Subscriptions received today, which was observed throughout the nation as "navy day" are expected by officials to be shown in tomorrow's reports and to cause a large increase in the total pledges. In a statement tonight declaring the loan to be Argonne for Americans at home, Secretary Glass set aside tomorrow as army day.

"On this day," said the secretary, "let each man and woman who ranks as a shareholder in this free republic pledge to the Victory Loan the largest sum his ability permits. Let every civilian have the right to say in future retrospection: 'Mine was not to fight, but I did my utmost'."

Mr. and Mrs. Oscar Hunt have returned from a two months sojourn in Mineral Wells, Texas and Madisonville, Tenn., where they went for the benefit of Mrs. Hunt's health. Mr. Hunt says this is the "wettest" country (pertaining to rain) he has seen since he left Canyon.

Let us do Your Bookkeeping. Why worry about it yourself? Let us worry. Deposit all you receive in the bank and pay all your bills by check. When your bank book is balanced and your cancelled checks returned, you know exactly what you have done with your funds. There is no question about the date or amount paid, for the check shows very plainly in black and white the complete transaction. The First State Bank Canyon Texas. State Guaranty Fund Bank. A GOOD COMBINATION. Member Federal Reserve System. (THE ONLY GUARANTY FUND BANK IN RANDALL COUNTY)

LISTEN! You think your "little" is not worth saving; but it will be noticed that the cigar man and the theatre man, and the soda water man have such a high opinion of your "little" that each is glad to get his hands on a small portion of it in order that he may carry it to HIS bank and have it placed to HIS account. Better carry it there yourself and have it placed to YOUR credit, then, bye and bye, you will— Build You a Home. Canyon Lumber Co.

ITALY'S PREMIER GOES HOME FOR CONFERENCE

ITALIAN CIRCLES IN PARIS ARE LESS BELLIGERENT THAN AT FIRST.

Paris.—Although Vittorio Orlando, Italian premier, has withdrawn, temporarily at least, from the peace conference and returned to Italy to confer with the Italian parliament, he still is in communication with conference circles in Paris.

The departure of Premier Orlando is defined in diplomatic circles not as a rupture, but as a "suspension of Italian collaboration" in the actual peace conference. It is expected that the Italian delegates remaining in Paris will continue to collaborate on such interrelated commissions as the economic council and armistice commission and others of like character.

The American delegates, while expressing regret over the controversy with the Italians, seem confident that a settlement will be reached after a conference of Premier Orlando with the Italian parliament.

President Wilson outwardly has displayed no disposition to yield to the Italians on the question of Italy's aspirations, and the opinion voiced in American circles is that only through a change in the attitude of the Italians can an agreement be reached.

An American officer arriving in Paris from Fiume brings a report that fourteen Italian divisions have been moved to this Adriatic seaport by the Italians and that virtually all the inhabitants of the city, with the exception of Italians have departed.

The advance guard of the German peace delegation has reached Versailles. The members of the delegation were immediately conducted to hotels assigned to them.

An official Roumanian statement announces that the Hungarian soviets continue to meet with defeat at the hands of the Roumanians.

Georgetown Athlete Wins Event.

Philadelphia, Pa.—Consistent performances in all five events enables R. Legendre of Georgetown university to carry off the Pentathlon championship at the first day's carnival of sport of the twenty-fifth annual relay races of the university of Pennsylvania on Franklin field. This is the first time since the Pentathlon was established four years ago that it has been won by any other athlete than a university of Pennsylvania man. Howard Berry, captured it three times and "Johnny" Bartles won it last year.

Road From Giddens to Waco.

Austin, Texas.—The state highway commission has designated another highway to be known as state highway No. 44, the Sap route, beginning at Giddens, thence to Rockdale and Cameron, thence through Falls county to Waco. Condition is made that no aid shall be granted Falls county on this highway until that county provides for the reimbursement of the state highway department on highway No. 2.

Discussion Improvement of Service.

Dallas.—Immediate improvement of transportation conditions for the benefit of Texas shippers is indicated as the result of a recent conference between federal manager and managers of the traffic departments of the lines in the southwestern region. Discussion of the necessity of closer co-operation with the public on the part of traffic officials was the most important feature of the staff meeting of railroad men.

Names to Be Engraved on Mountain.

Atlanta, Ga.—A memorial to all southern men who fought in the nation's wars from the American revolution to the world war will be carved on the granite face of Stone mountain near here, instead of simply making it a monument to the heroes of the confederacy, it was announced here after a meeting of the Stone Mountain Memorial association.

Contracts for 600,000 Barrels of Crude.

Washington.—The division of operations of the United States shipping board has awarded a contract to the Magnolia company as the lowest bidder for bunker fuel oil. The contract calls for 400,000 to 600,000 barrels for delivery at Galveston at a price of 97c for grade C oil on first delivery, and 80c for Paruco crude.

Col. Burwell Will Succeed Maj. Sneed.

Dallas.—Lieut. Col. H. D. C. Burwell has arrived at Love field to assume command of the post. Colonel Burwell succeeds Major Albert Sneed, who has been transferred to Washington.

Aviators' Club to Lease Field.

Dallas.—Efforts will be made by the Aviators' club of Texas to procure "ships" and lease a flying field with a view of obtaining members who will be taught how to fly.

More Per Capita School Warrants.

Austin, Texas.—The department of education has announced that the state board of education and the state treasurer have authorized the issuance of warrants making an apportionment of \$1 per capita immediately, or approximately \$1,250,000 to be paid to the schools about the first of May. This apportionment will make a total of \$7 per capita that will have been paid this scholastic year and the remaining 50c per capita may be expected next month.

BILLS MUST BE PAID SAYS VICE PRESIDENT

THOMAS R. MARSHALL APPEALS TO CITIZENS OF TEXAS TO BUY VICTORY NOTES.

Dallas.—Basing his appeal upon the three Ps—patriotism, pride and prudence—Vice President Thomas R. Marshall opened the Victory loan drive in Dallas with a passionate, human, logical and convincing address before a cheering, highly-appreciative audience—scores not being able to enter. "You and I have done considerable bragging about our patriotism and how we won the war," he charged. "Now, without bands playing, without nerves tingling, without the thrill of distant battle—this is the time when your government is to find whether you have merely soda-water patriotism with all pep and sparkle oozing out since your lives are no longer endangered.

"This government pledged every acre of land and every form of possession toward the financing of the war," he warned. "And if you don't subscribe for this loan we will take what we have pledged, through taxing, of course."

"We were to blame for getting in; you were to blame for getting into it, and so now you should pay for it," he said. "Perhaps if Germany had not been made to believe by so much discussion among you, that America would not fight, the Lusitania would not have been sunk. But now we are glad we went in. Why? Because we are Americans.

"If we believe God made us all brothers and with a right to rule ourselves, then we are Americans, whether we live in Texas or Timbuctoo. It was for these principles that we fought.

"Patriotism calls on you to subscribe to this loan. If our president succeeds, as I believe he will, in his mission, this will have been the last time in the history of the world that the son of God or man will have to lay down his life to destroy despotic government and to establish principles of peace and righteousness.

"There may be those among you who lost sons in the war. Don't look upon them as dead. Answer for them, 'Absent, but alive.' Is the martyr of a good cause in any war or conflict dead? No. Is Lincoln dead. Or Washington? Christ went about doing good and so got the enmity of the kaiser of that day. He was crucified, buried. They said he was dead, but you and I know better. We know, because every day we feel his influence. Your boy, you say, dead in France? No, not dead, but alive forever. Only the man in whose breast patriotism, in its largest sense, is extinct, can be said to be dead forever.

"Now, you're all proud of the fight our boys made. It is my unpleasant pleasant task to tell you that the bill for that fight has not been met. You should be courteous, courageous and kind enough to walk up to the captain's desk and pay the bill."

Don't Want to Add More Trains.

Austin, Texas.—B. F. Bush, regional director of the United States railroad administration, in charge of lines in the southwest, pictured a rather gloomy view for the common carriers for 1919 in his statement to the railroad commission in opposition to a general restoration of pre-war passenger service on Texas railroads. He said the federal administration does not want to put on any additional train service unless some community is actually suffering.

Alvarez Executed by Firing Squad

Vera Cruz, Mexico.—General Francisco Alvarez of the anti-government forces has been executed at the hands of a firing squad. Alvarez was captured recently in the battle in which General Aureliano Blanquet, minister of war in the Huerta cabinet, was killed. Many thousands of persons surrounded the barracks when the execution took place. He was absolutely calm and evinced no fear and declared he was prepared to die.

J. Vedrines, Noted Aviator Killed.

Paris.—Jules Vedrines, a noted French aviator, was killed recently when his machine fell in the Department of Drome while Vedrines was attempting to make a nonstop flight from Villacoublay to Rome. The mechanic in the machine also was killed.

General Strike in Berlin Settled.

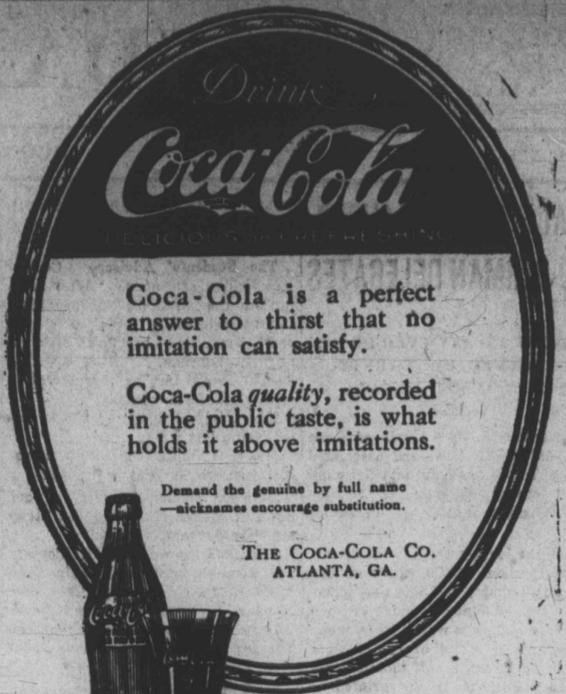

Berlin.—The settlement of a general strike in Berlin was reached after negotiations lasting forty-eight hours between representatives of the strikers and the employers and the minister of labor.

John Barton Made Assistant Director.

Washington.—John W. Barton of Dallas has been made assistant director of the war risk insurance bureau, heretofore having served as assistant to Director Lansley.

County Buys Victory Loan Notes.

Dallas.—By unanimous approval the Dallas county commissioners' court aided materially in subscribing the county's quota of the Victory loan when \$70,000 of interest and sinking fund was invested in notes. The money came from a fund set aside to retire county bonds bearing 4 1/2 per cent interest. In addition to aiding the loan materially the county will make one-fourth of 1 per cent interest on the sum involved, as the Victory loan notes bear interest at 4 per cent.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "foggy" headache, tired, don't know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way. If habitually or stubbornly constipated, take one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling your best. Get a 25¢ Box

CONTRACT FOR NEW SCHOOL HOUSE.

One of the benefits arising from good roads is the improvement of the community school. In Texas the country school term is placed, as far as possible, so that the children may help gather the cotton crop, which is usually out by December 1. This places the school session during that part of the year in which bad weather and resulting bad roads are most common. Everyone knows that where children have to go to school from a distance cold, bad weather means being kept at home, and the effect is to have the school at a time when the children can go to it the least.

Records of seven district schools in a Virginia County before and after the improvement of the roads showed an increase of attendance amounting to 30 per cent of the scholastic population, and following the improvement of the roads several districts consolidated, thus changing from a one-teacher basis to the graded school with a principal and competent assistance, giving the children the same educational advantages as city children. In another county with at least 40 per cent of the scholastic population in farming communities the enrollment increased more than one thousand, following the improvement of the roads, and the daily attendance arose from 60 to 90 per cent.

The road which can be conveniently used every day in the year makes it possible to bring children from greater distances and makes attendance regular. It enables districts to consolidate and build good school houses where the children will not become sick from exposure to coughs and colds. The increased farm values through road improvement bring a large school tax, enabling the community to hire more and better teachers.

The ram-shackle neighborhood, evidenced by ram-shackle roads, will have ram-shackle schools and turn out ram-shackle pupils, who will thereby have a lessened opportunity of making progress in the world in competition with the young men and women of other more progressive communities.

Texas will stand higher in educational progress if it will build better roads.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel.

MAKE TEXAS SCHOOLS THE BEST IN THE WORLD

Dallas, Texas, April 30.—The Texas Industrial Congress has announced the organizations that have signified their willingness to cooperate with it in a State campaign next fall for improved rural schools and community betterment, together with the names of these who will constitute the State committee for handling the details of the campaign.

It is proposed to bring Dr. Perry G. Holden former head of the State College of Iowa, and his staff of experts, numbering approximately twenty-five, to Texas in October and November, and in cooperation with a corps of one-hundred workers from within the State, to conduct a campaign, having for its object the improvement of school, agricultural and living conditions in rural communities. The campaign will last probably eight weeks, and will cover one-hundred or more counties.

The members of the committee and the agencies cooperating are as follows:

Gov. Wm. P. Hobby, Austin, chairman ex-officio; E. W. Kirkpatrick, McKinney, Texas Industrial Congress; T. O. Walton, College Station, Extension Service, A. & M. College; D. E. Lyday, Fort Worth, Farmers' Educational and Cooperative Union of Texas; John Gorham, Waco, Texas Farmers' Congress; Fred W. Davis, Austin, State Department of Agriculture; W. W. Woodson, Waco, Texas Bankers' Association; George W. Armstrong, Fort Worth, Texas Chamber of Commerce; Miss Annie Webb Blanton, Austin, State Department of Education; Mrs. E. A. Watters, Fort Worth, Texas Congress of Mothers and Parent-Teacher Associations; T. H. Shelby, Tyler, State Teachers' Association; Robert E. Vinson, Austin, University of Texas; W. B. Bizzell, College Station; F. M. Bralley, Denton, Progressive Farmer; Miss Lillian Gunter, Gainesville, Texas Library Association, and V. H. Schoffelmayer, Dallas, Semi-Weekly Farm News.

The excellent results from a States campaign conducted by Prof. Holden in Arkansas are pointed out in a letter from E. J. Bodman of Little Rock, vice president and secretary of the Union Mercantile Trust Company of that city. Mr. Bodman says that forty counties in Arkansas were completely organized and thirty trained men canvassed them, spreading the gospel of community betterment, improved rural schools and diversified agriculture from school houses, cross-roads and other meeting places, reaching more than 200,000 people.

"Millions of dollars of wealth and greatly improved living conditions have been brought about through the influence and policies of Mr. Holden. His plans were so thorough and so efficiently handled that public opinion in this state has been raised to such a degree that there has not been a meeting of any importance since the campaign where agriculture and community betterment were not placed foremost on the program.

"The bankers have seen and felt the results of this work in increased deposits and happier living conditions among their farmer customers; the jobbers, and traveling men and their organizations, and last, but most important of all, the supply merchants have come into the fold, and are now strongly urging working for the betterment of rural conditions.

"Your great State could not take hold of any movement that would be more constructive or more efficiently handled, for Prof. Holden is a truly wonderful man, one who does things in a most efficient and capable manner.

"Every business firm in Little

We are Revising the Suit Prices in Amarillo

Supply and Demand are nearing a common level. The days of higher prices are soon to be but recollections. Here, at the "Man's Store" we are "discounting" the arrival of the re-construction period. Ahead of the actual re-construction, we are inaugurating a series of price revisions that bring values delightfully close to their pre-war basis.

OUR FAMOUS ELK BRAND SUITS AT TWENTY-FIVE DOLLARS

are just as fine a value for the money as you could have bought ten years ago—and then some. AND IN SELLING YOU STEIN-BLOCH & STRATFORD CLOTHES AT \$35.00, \$40.00, \$45.00, \$50.00 we give you the very finest grades of clothes possible to obtain—at prices you are asked to pay for much inferior clothes.

The opportunity for profitable buying is presented. And, in instituting re-construction values a bit ahead of schedule, we again show our faithful determination to put service above mere profit.

URGENT CALL FOR BOOKS FOR SOLDIERS.

To care for the American forces in France and the Army of Occupation in Germany, the American Library Association is planning to deliver an additional 750,000 books in France since July first.

To meet the need, the A. L. A. has found it necessary to call upon the American people for half a million books. The balance of 250,000 books expected to come from the libraries in American camps which are closing.

Just why the Association has found it necessary to call for fresh reading matter in addition to the two and one quarter million books which have already been shipped overseas is disclosed by the fact that books in military service undergo extraordinarily hard usage. It is estimated that a book in war service wears out seven times as fast as a book issued by a public library. A popular book of fiction in camp or in the field is practically fit for the discard when it has been issued to four men, whereas the same book in a public library would not show the same degree of wear until it had been issued 30 times.

A good book is passed from hand to hand. An exciting western novel is read by a score of men in an incredibly short time, and is ready to fall to pieces when the man who borrowed it returns it to the library.

One A. L. A. librarian reports, several days after a new shipment of fiction had been received:

"The 48 volumes of Zane Grey had all circulated from the main library within 48 hours of their location on the shelves—some are returning now for the second or third time to circulate again before they reach the shelves. I am positive that some have been read twenty times—they look like veterans already."

It is the books by authors popular with men, the volumes that wear out rapidly, which the American Library Association is most in need to aid the overseas to while away the weary hours of waiting. A list of authors especially in demand includes such writers as Rex Beach, B. M. Blood, Edgar Rice Burroughs, Zane Grey, Henry Herbert Knipps, O. Henry, Peter B. Kyne, E. Phillips Oppenheim, Mary Roberts Reinhart, Bertrand W. Sinclair, Booth Tarkington, Steward Edward White, Harry Leon Wilson and Harold Bell Wright.

The American Library Association has practically unlimited tonnage for the shipment of books and magazines. Books brought into the public library will be shipped within 48 hours to one of the overseas dispatch offices of the A. L. A. on the Atlantic seaboard and in the course of several weeks will be in the hands of the men who need them.

"How can men idling the time away be expected not to gamble and get into other forms of evil?" declared a chaplain overseas, writing in to the Paris Headquarters of the A. L. A. to ask for more books. "Send me everything you can as fast as you can. I now have five towns and some 2000 men—just raise the sluice and let the flood come."

CHURCHES

CENTENARY MOVEMENT IN METHODIST CHURCH.

The Centenary Movement is gathering great momentum throughout the church. The address of Rev. J. W. Hunt at the Christian church on last Sunday night was a great address and inspiring to all who heard it. The Centenary drive for \$35,000,000 begins May 18 and runs through May 25th.

METHODIST CHURCH.

Sunday School—9:45 a. m.
 Preaching—11 a. m. Both of these morning services at High School building.
 Evening Services—8 o'clock at the Christian church.
 Prayer Meeting—Wednesday night at 8 o'clock at Christian church.
 We hope to be in our own church in about two weeks.

R. A. STEWART.

PRESBYTERIAN CHURCH.

Sunday School—9:45.
 We will have Mothers Day program at the morning service and we would be glad for all mothers who can, to be present.
 Evening services—8:15 o'clock.
 A. B. HAYNES, Pastor.

BAPTIST CHURCH

Sunday School—10 a. m.
 Preaching—11, subject, "The Name and Blessing of God upon His people".
 Sunbeams—2:30 p. m.
 B. Y. P. U.—7:00.
 Preaching—8:15, subject, "Am I My Brother's Keeper?"
 Ladies' Meeting—Tuesday afternoon at 3 o'clock.
 Prayer Meeting—Wednesday evening at 8:15.
 Teachers' Meeting—Friday evening at 8:15 o'clock.
 B. F. FRONABARGER, Pastor.

A GRACIOUS REVIVAL

I have come to believe that there must be in Canyon a mighty awakening in all things spiritual or we shall soon be in such a state that we shall be unable to take care of the higher and more sacred interests of our community. There must set in a great tidal wave of the grace of God filling the hearts of God's people with gladness and joy and hope and overwhelming the defenses of infidelity bringing consternation and fear to those who are at ease in sin. Indeed there must come from God a flame of holy fire rekindling on the heart alters of God's redeemed, the fires of love and zeal until their souls are on fire with holy enthusiasm for the on going of the kingdom of God and their hearts are melted with love and solicitude for lost men and women. This gracious revival wave must come from God. It is God moving upon us—moving us to right thought and action. Without such visitations from God—such refreshments of divine grace, the church becomes stagnant and disorderly. No shouts of new born souls are heard in the camps of Israel. There is a dearth of conversions and death threatens everything.

Brethren, this is the condition of Canyon today. There must be a revival or satan is upon us. This I firmly believe. I am therefore, trying honestly to face conditions as they are in my own heart, and I call

upon every Christian in our community to join me in this self-made nation. Let us humble our sins and call on God for a gracious revival. The revival services will begin at the Baptist Church on May 21st.
 B. F. FRONABARGER.

RESOLUTIONS.

The death Angel has again visited our Chapter, this time claiming as his own, our worthy sister and Past Matron, Katie G. Stewart.

We realize that our Chapter has lost one of its most beloved Members; our Community, one of its most useful and influential members, and the home, a devoted wife and mother.

Therefore be it resolved by Canyon Chapter No. 105, Order of Eastern Star, That we bow in humble submission to Him who doeth all things well, and

Resolved: That we extend to the bereaved family, our love and sympathy; and that we mourn with them in this their bereavement.

Be it further Resolved: That a copy of these Resolutions be spread on the Minutes of our Chapter, and a page of our Record Book dedicated to her memory; a copy furnished the family, and a copy be given the Randall County News for publication.

Respectfully submitted,
 L. T. LESTER,
 W. J. FLESHER,
 Committee.

NICHOLIA THOMPSON.

Nicola Thompson, (Uncle Nic as he was affectionately called) was born May 29, 1839 in Mandal Norway and died at the home of his son in Hereford, Texas, April 30, at about 7 o'clock A. M. He grew to the estate of manhood in Norway and was married there on April 6, 1861 to Miss Louise Larson. To this union were born five girls and five boys, of whom 3 boys and four girls are still living.

Fourteen years Uncle Nic followed the life of a sailor and it was through one of the incidents of a sailor's life that he came to the American shores. In 1864 he was on a ship bound for South America but was shipwrecked in the West Indies Islands. The ship which picked him up carried him to Mobile, Ala. He shortly afterward enlisted in the Confederate army and served until the close of the war between the states. After the close of the war he came to Falls county, Texas, where he was joined by his family. After living for awhile in Falls, Dallas, Parker and Jones counties respectively, he removed with his family in 1889 to Randall county, where he had made his home ever since.

Brother Thompson was converted and joined the Methodist church in Parker county about 35 years ago. He was a charter member of the Methodist church in Canyon, which was organized in 1890. His going leaves only one of that pioneer company in the county, his daughter, Miss Tenie Thompson.

Brother Thompson had been very feeble for several years and an attack of influenza last December further weakened his aged body and gradually wore him out.

Brother Thompson was a good man and I have a very high confidence he has gone to Heaven. He was not perfect. No one was more aware of that than he. But he loved God and sought to serve Him. The spiritual side of religion found a strong response from him and there were few among us more sensitive to the waxing or waning of spiritual power.

PERSONAL MENTION

Fay Gober has returned from overseas service, having received his discharge from the army.

Ray Sheffy was up from Dimmitt Saturday to attend the Normal-San Marcus debate.

Mrs. C. W. Warwick was in Canyon Saturday visiting home folks. Her school at Dimmitt will be out next week.

Mrs. Chas. Harter left Monday for Truscott, Texas, to visit a sister. She will return by way of Tahoka, visiting her parents there.

Wyatt Hester, who has been teaching school in Lynn county, has returned to Canyon and will work for A. B. Haynes this summer.

Bill Cummings has returned to Canyon after seeing service overseas. He was cited for bravery by his officers in the last days of the fighting.

Mr. and Mrs. J. M. Meyers left Monday evening for points in Oklahoma, Arkansas and Central Texas to spend six weeks visiting and resting up. The trip is for the benefit of Mrs. Meyer's health.

Mrs. Will Meyers and children have returned from Shamrock, Oklahoma, where they have lived the past few months. Mr. Meyers will arrive in a few days and they will make their home in north Canyon again.

Mrs. J. C. Compton, son and daughter, James and Helen of Portales, N. M., spent last week at the parental home with Mr. and Mrs. B. T. Johnson. They left yesterday for Mineral Wells where they will spend the summer.

WEEKLY FINANCIAL REVIEW.

The following was prepared for The Randall County News by the St. Louis Union Bank, St. Louis, Mo.

Value of farm lands in the United States is increasing steadily. Average grade plow lands had a value of \$74.31 per acre on March 1, as compared with \$68.38 a year ago, \$62.17 two years ago.

Greatest percentage of increase in values during the past year occurred in the South Atlantic States, in the Carolinas and Georgia, and extended to Alabama, Kentucky and Arkansas.

Small or no increases in values were made in the New England States, Pacific Coast States, Louisiana, Texas, Kansas and Montana. Material increases were reported in Nebraska and South Dakota. Iowa stands first in value of plowing lands, with an average of \$169 per acre. Illinois ranks second, with an average value of \$144 per acre; California third, with \$121, and Indiana fourth, with \$100. Alabama reports the lowest average value of plow lands, \$24 per acre.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

MUCH RAIN AND SOME HAIL IN THE PAST WEEK.

The wet season continues and the wheat is looking finer all the time. It is estimated that over nine inches of precipitation has fallen here since the first of the year. The first serious hail fell over a strip of country about fifteen miles long and three miles wide here last Thursday evening. Some wheat was badly damaged, part of which was covered by insurance. In town, hail stones as large as teacups thundered down and tangoed over the streets, for a few minutes. As we are going to press it looks as if there was more rain to come.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freestone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off. When Freestone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

- Naida ----- Wasch
- Chant du Bivonac ----- Ketterer

THIRD NUMBER LYCEUM COURSE THURSDAY, MAY 15

The Department of Music of the West Texas State Normal College will present the third number of the Lyceum Course, Thursday evening, at eight-thirty o'clock in the Normal auditorium. The program will consist of a concert by the college chorus and orchestra, including the cantata "Hiawatha's Wedding Feast." The words are by Longfellow and the music by Coleridge Taylor.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently move out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs" which contains full directions for babies, children of all ages and for grown-ups.

The Crop Outlook.
 The weatherman says that we are likely to have some more showers the first of this week and we sure got them. He further states that the rest of the week will be fair and temperature normal, and that means that acres and acres of Plains fields will be planted to row crops before next Sunday.
 How everything is growing these days, particularly the weeds! Amarillo boasts the biggest crop of weeds ever and they have just sprung into existence so fast that the inhabitants haven't been able to keep up with them.

There was more rain again last week and some sections report severe hail. Around Plainview, considerable damage was done though later reports indicate that it is not so bad as was first thought. Over a large part of Eastern New Mexico, the hail seems to have been general and the temperature was so low that it remained until the next day. Wheat fields were badly damaged and some farmers had to replant their row crops. Reports of the greatest damage come from around Tucumcari, Melrose, Taiban, Dereno, Lakewood, Nara Visa, and Roswell.
 Down in Wilbarger county, in some localities, the wheat is badly infected with rust but it has not as yet, appeared to injure its growth to any extent.
 The Government, through the County Agents, is urging that more wheat be stacked this year. Because of the big crop now in sight, threshing will be a long job and as many farmers depend upon the threshermen and have to wait their turns, much wheat will be lost or damaged if left in the shock. In fact, it might be caught like the row crop was last winter and buried under several feet of snow for weeks.
 Another thing that the farmers are urged to attend to right away, if they have not already, and that is their supply of twine. Much of the wheat straw is rank this year and will require an unusual amount of twine. In order to be secure in not having to stop the harvesters to wait for twine, every farmer should make ample provision.
 It is estimated that the Panhandle's 1919 wheat crop will total over 30,000,000 bushels, providing we don't get too many hail storms between now and harvest.—Southwest Plainsman.

Cattle Shipped Home.
 Eighteen cars of cattle were shipped in over the Santa Fe Thursday for the Singleton ranch. They had been on winter grass near Clarendon, and numbered about 630 head.—Tahoka News.

Brought His Cattle Home.
 J. E. Francy, one of our prosperous stock farmers, brought nine cars of cattle in Friday from Elmore, Texas, where he has been pasturing them the past winter.—Tulia Herald.

PLAINS OIL NEWS.

Reports from Lelia Lake Oil Association well No. 1 are that drilling is rapidly progressing. A heavy clay, very sticky, was encountered Sunday, which gave some trouble, and when that was gotten through the drill is reported to have dropped a few feet into a pool of water, being about the third or fourth strata of water found. Much interest is still being had in leasing, and other companies are being formed for fully developing this section. The Don-Lea company will have its rig on the ground within a few days, possibly this week, is the information given out by officials of that company, their location being made on the south side of the railway near Lelia Lake.

Another location will be made on the north side of the railroad is the rumor in oil circles here the past few days.—Clarendon News.

The company which is to drill for oil near Doans on the Neal or Hamilton lands will be known as the Neal-Hamilton Oil Company. This name was selected at a meeting of the stockholders held at the Library building last night. The capital stock is \$40,000 and the shares will have a par value of \$10.

A contract for putting down the well was closed Friday with R. M. Waggoner, Clois L. Greene and W. H. Anchor of the Burk-Waggoner Company, who have just brought in one of the best wells in the entire North Texas field near Burkburnett. These men looked over the acreage and agreed that it looks promising. They expect to begin drilling within forty days.—Vernon Record.

A company was organized at the Amarillo Hotel, last Thursday night to bore for oil in the Glenrio field, but the particular spot was not mentioned, probably not determined. Directors were chosen on the occasion, as follows: S. H. Madden, W. H. Herring, L. Bivins, H. A. Nobles and P. H. Landergerin, the company is capitalized at \$100,000, all of which was subscribed at the meeting. Further information gleaned was to the effect that officers will be chosen this week, and a plan negotiated for sinking a well.—Glenrio (N. M.) Tribune.

You Do More Work.
 You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.
GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.
GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.
 The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

A BOY'S AND GIRL'S CHAMPION CALF. HE BEAT 106 AT THE 1918 IOWA STATE FAIR. A GR ADE ABERDEEN-ANGUS.

Champion Aberdeen-Angus Bull to Florida.
 Defender of Tierra Alta, grand champion Aberdeen-Angus bull at all southern fairs for the last two years, and a winner at the Chicago International, has been sold by Sam H. Hill & Son of Christoval, Texas, to J. J. Logan, Jacksonville, Florida. This bull is considered by Secretary Chas. Gray of the American Aberdeen-Angus Breeders' Association, one of the greatest bulls of the breed in the South, and he is sure to leave his mark on the future cattle industry of the Southeast.
 "With Alabama buying a \$10,000 Aberdeen-Angus bull from Missouri; Mississippi and South Carolina becoming free of cattle tick; Tennessee paying \$8,000 for the champion pair of registered Aberdeen-Angus cows; grade Aberdeen-Angus steers from purebred bulls topping the Jacksonville, Montgomery and East St. Louis markets; and the beef markets calling for more beef from all sections, the South appears to be at last coming into its own as a live stock section," said Mr. Gray in commenting on the beef cattle activity in the South.
 "Further, Florida recently had a grand champion steer sell for 50 cents a pound on the hoof, the product of a purebred Aberdeen-Angus bull. The only thing that is holding the South away from more of these high class pure-bred cattle is too much cotton prosperity. A little crimp in the cotton market and you will see the greatest live stock expansion in the South any section has ever experienced. The big men who are developing great areas of cut-over, worn-out and raw native lands are all using beef cattle. They are showing the natives that with a minimum for labor, buildings and fencing, they can make land produce quickly with beef cattle."

Food Value of Milk.

While milk is sometimes used as a beverage, the fundamental reason for the existence of the present vast traffic in milk is the fact that milk is one of our most important foods. Not only does it offer energy in a readily available form, but the amount and variety of the compounds contained in milk make it peculiarly valuable food for growing children. The present consumption of milk in this country is only about 0.6 pint per capita per day, altho from the standpoint of protein which is especially needed by the growing child, or from the standpoint of total energy as utilized by the adult, much more food value is obtainable from milk for a given sum of

money than can be purchased in any comparable food. The high food value of milk is shown by the following table recently prepared by the U. S. Department of Agriculture:

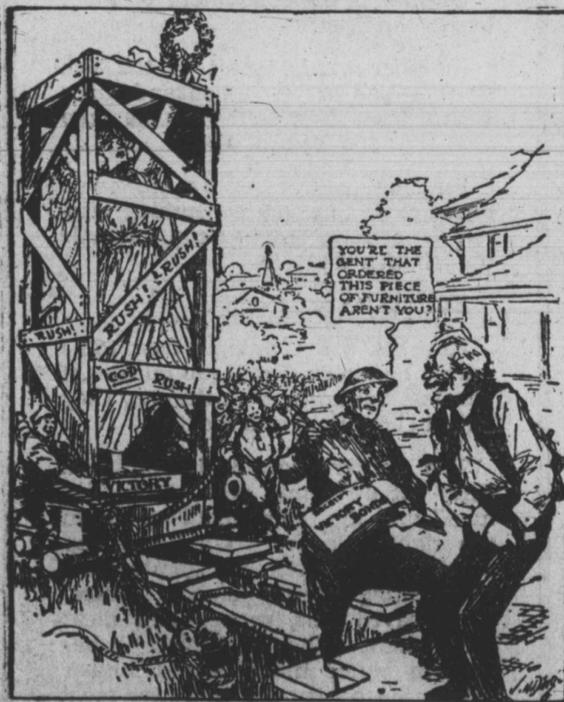

Protein: 1 quart of milk is equal to 7 ounces of sirloin steak; 6 ounces of round steak; 4.3 eggs; 8.5 ounces of fowl.

Energy: 1 quart of milk is equal to 11 ounces of sirloin steak; 12 ounces of round steak; 8 1-2 eggs; 10.7 ounces of fowl.

(From circular No. 205, Quality in Milk, Illinois Experiment Station).

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE, 30c.

QUICK DELIVERY DESERVES PROMPT PAY.

HAPPY IS MAKING RAPID GROWTH THIS SPRING; TEST WELL FOR OIL GOING DOWN

Recently many advertisements were published in the papers of this section bearing as a large headline the peppery slogan, "Join the Happy Herd". Reading further showed that the herd referred to, was located at Happy, Texas. Last week the writer took a flying trip to the town just across the southern boundary of Randall county to see what sort of a herd this was. And he found that Happy was, indeed, experiencing a joyous awakening.

While many towns were declaiming the fact that they were on the top of the dome, Happy was silently working on a drilling proposition and was one of the first towns on the Plains to announce that a test well would be drilled for oil. Hence the published slogan: "Join the Happy Herd." The site for this well is about four and one half miles southwest from Happy and the heavy iron material for the derrick is in the railroad yard in Happy. Drilling will be started as soon as this derrick is completed, and the well will go to a depth of 3,600 feet, unless oil or gas is found in paying quantities at a less depth.

The district around Happy has been settled up by as fine a group of farmers as can be found anywhere and they are all doing their part in reducing the food shortage. There are probably 25,000 acres planted to wheat in this immediate section and from the present outlook the yield will probably average above twenty bushels. The implement merchants state that orders are being placed for much new harvesting machinery and three elevators in Happy are preparing to handle the crop. Ground is being prepared for a large acreage of row crop to go in later.

There are at present four grocery and dry goods stores in Happy, including a farmers' cooperative exchange, one good hotel and two cafes, two barber shops, one modern brick garage, two drug stores and there will be several new business firms established in the town soon, we understand. The First State Bank of Happy will shortly have its capital stock increased to \$25,000. The town has an independent telephone exchange. The Happy school is housed in a modern two-story brick structure and has the full four-year high school course. Three teachers are employed at present. Several church denominations are represented with edifices in Happy.

In the past year much interest has been manifested by the farmers and stockmen in dairy stock, and several cars of Holsteins have been shipped into this section. There is a ready and profitable market for the cream, Dairy stock do well and the industry will undoubtedly grow.

Boy Drowned at Clovis.

Hubert Bell, the twelve year old son of H. Bell, a prominent real estate dealer of this city, was drowned Monday night in what is known as the Dutchman's lake just north of the city limits.

The boy with two companions of about the same age are said to have been in wading, when Hubert went into water about four feet deep. According to his companions they thought he was pretending drowning and not until he failed to reappear on the surface did they realize the real situation. Unable to reach him they ran to the edge of town for help. Geo. Bell, the fourteen year old brother was among the first to arrive on the scene and jumping in, he brought the body to the shore. The boys used such methods as they knew in an effort to revive Hubert, but their endeavors were of no avail.—Clovis (N. M.) Journal.

Fruit Not Damaged Much.

L. N. Dalmont, the nurseryman, is undoubtedly the best authority on horticulture on the Plains. He says that while much fruit was damaged by the blizzard and frosts of three weeks ago, there is still considerable good fruit on the trees, and will doubtless be ample for home consumption. Apples and cherries were not at all injured. Peaches and plums suffered some.—Plainview News.

GROWING HOGS.

For a hog to be profitable he must be kept growing from birth to marketing age. He cannot be profitable unless he is healthy. He can always be in a profit-producing condition if he is fed B. A. Thomas' Hog Powder. We positively tell you that this remedy prevents cholera; removes worms and cures thumps. If the powder does not make good, we will.

W. H. HICKS.

NEWS OF THE WEEK FRESH FROM HAPPY

(By Miss Grace White, News Correspondent.)

Happy was visited by a light shower Thursday and east of town they had a big hail, some of the hail stones being larger than hen eggs. Considerable damage was done to gardens and spring wheat and oats, but is thought that they will come out in some places, the damage to fruit trees was great, stripping the leaves and all from all but the lower limbs.

Mr. and Mrs. J. B. Knox and Small daughter, Mr. and Mrs. F. E. Culp and children were shopping and visiting friends in Canyon Friday.

Prof. J. W. Bates returned Saturday night from Amarillo where he is working at the carpenter trade. He returned Sunday evening to his work.

Miss Gladys Neff came in last week from Turkey where she has been teaching the past year.

J. W. McCreery went to Hereford Friday where he attended the Auctioneers' Association that met there Saturday.

Mr. and Mrs. S. T. Whitman and sons, Otis and Loyd went to Canyon Friday to see the airplane and visit the families of L. L. Monroe and J. A. Edwards.

Miss Mary Wooten spent the week at the home of Mrs. Lester Dillon.

Mr. and Mrs. P. J. Neff and son, Felix, Dick Evans and Mr. Stanley went to Canyon Friday to see the airplane, but not going till afternoon they got there too late. They spent the afternoon visiting friends and shopping.

Miss Mildred Zoellars' school closed Friday at the Garrison.

Miss Helen Mann spent the week end with home folks. She is attending the Normal at Canyon.

Bill Anderson has moved into the new barber shop in the garage building. Mr. Baker has moved in where Anderson was.

Dr. and Mrs. McElroy, Misses Carrie Ponder and Fannie Locket and Dick Allen were in Canyon Monday to see the British tank and take in the circus.

Tuesday afternoon, May 1, at 3 o'clock the pretty country home of Mr. and Mrs. C. F. Zoellars was the scene of a quiet home wedding.

When Miss Ida Zoellars and Allie Fonken were united in wedlock. Rev. W. C. Rose pronounced the solemn words that made them one. Only the immediate relatives of the bride and groom and Miss Myra Bellas a chum of the bride's and sister, Miss Mildred being present. The bride wore a beautiful dress of blue satin over yellow silk and carried pink carnations. After the ceremony a bountiful dinner was served by Misses Mildred and Myra Bessas. Mrs. Fonken is the oldest daughter of Mr. and Mrs. C. F. Zoellars and Mr. Fonker is the oldest son of Mr. and Mrs. A. A. Fonken. They left for a short "auto" honeymoon, after which they will be at home to their many friends at what is known as the Langenfelt place.

Miss Gladys Francy spent several days last week with her sister, Miss Nellie who is attending the Normal in Canyon.

Miss Margarette Arnold went to Pampa last week to visit some time with her Uncle, Mr. Walberg and family.

Last Tuesday the Happy ball team went to Tulia where they played the Tulia High School boys. After an interesting game the score stood 18 to 6 in favor of Tulia. Nothing daunted they challenged the Tulia boys, to another game Saturday on our home ground. The boys arrived in good time and a spirited game of good playing resulted in a score of 9 to 7 in favor of Happy.

Ben Hoge and son Ralph were in Canyon Monday to attend the circus. Mr. and Mrs. J. B. Knox visited their daughter, Miss Viola Sunday evening. Miss Viola is teaching the Plains Center school.

Miss Mildred Zoellars was in Canyon Saturday visiting friends and attending the San Marcus-Canyon debate. She returned Sunday morning.

The pie supper given by the Epworth League Saturday night netted \$23.30.

Tuesday night a number of the young folks went to the home of Allie Fonken to shiver Mr. and Mrs. Allie Fonken. After beating the

dish pan and rattling tin cans for some time with no results they began to look for the bride and groom and found them out in their car. Refreshments of apples, cake and cigars were served when they all went to the yard where they all began to have a good time. There were about 30 present and all report a good time.

There will be preaching at the M. E. church Sunday.

Jim Levett came in Sunday from near Midland with 10 cars of his cattle where he had them this winter on pasture.

Word has been received here that Ed Jones had returned from France. He was in Long Island and didn't know when he would be home.

J. C. Foster returned Monday to Memphis where he is in the Insurance business.

There will be a lecture Wednesday night at the M. E. church on the Centenary Movement. We have been unable to get the name of the speaker.

Eldon and Granville Gaten have traded their Maxwell and their wheat crop for a seven-passenger National to Joe Evans.

Earl Mann returned from Texhoma Sunday where he has been for some time.

G. R. Stratton and family of Canyon came down Sunday to visit Mrs. W. C. White and family, Mrs. Stratton and children stayed over till Monday.

Mrs. W. C. White and children, Misses Grace and Altie were in Canyon to see the British tank and attended the circus.

Mrs. P. J. Neff and daughter, Miss Gladys were shopping in Amarillo and Canyon Tuesday.

C. L. Gaten, P. J. Neff and Dick Evans were in Canyon on business Saturday.

Eugene Robinson and family are visiting with his brother Arthur and mother.

Mrs. Halden went to Amarillo Sunday where she was visiting her brother, W. C. Ward and family. She returned Tuesday.

Mrs. W. C. Leeboe and children left Saturday for Lubbock to visit relatives for some time.

Lee Edmonson of Puttle, Okla., is here visiting the Charlie Cox home at Arney. Mr. Edmonson is lately

from overseas. Tuesday night there was a gout (also true in rheumatism) in his honor, a large crowd being present and all report a fine time.

E. F. Arnold and Elmer Wallberg went to Pampa Monday where they will attend the Tractor Demonstration. Miss Margarette will return with them.

Miss Mary Childress returned to her home in Tulia Saturday. Her school closed Friday. Mr. and Mrs. J. N. Duff and son and daughter were shopping in Canyon Friday.

Mrs. H. E. Knox gave a party Friday night for Miss Mary Childress. There was about 30 there and all report a fine time.

In 1848 Sir Arthur Garrod proved that in gout (also true in rheumatism) there is deficient elimination on the part of the kidneys and the poison within are not thrown off.

Prof. H. Strass attributes a gout attack to the heaping up of poison where there is an abundance of uric acid which is precipitated in the joints and sheaths, setting up inflammation. Before the attack of gout or the matism there is sometimes headache or what is thought to be neuralgia, rheumatic conditions, such as lumbago pain in the back of the neck, or sciatica. As Prof. Strass says, "The excretion of uric acid we are able to effect exciting diuresis." Drink copiously water, six or eight glasses per day, before meals, and obtain Anuric tablets, double strength, for 60 cts., the nearest drug store and take the three times a day. If you want a package send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

"Anuric" (anti-uric) is a recent discovery of Dr. Pierce and much more potent than lithia, for it will dissolve uric acid as hot tea dissolves sugar.

WICHITA, BRANDON, FT. WORTH, DENVER, BUFFALO, OKLAHOMA CITY

Aberdeen-Angus steers and Baby Beeyes have won over all breeds at these points since the first of the year. Grand championships for single steer went to the "Doddie" heifers. The Boys' and Girls' grand champions at Fort Worth, Oklahoma City and Brandon were all "Doddies." Denver's champion of the grades and crosses was a California Aberdeen-Angus. Write for list of breeders and literature.

GIRLS! WHITEN YOUR SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freckles, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known.—Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

Notice to Debtors and Creditors.

D. 1919.

D. R. BURNS,
Administrator of the estate of A. E. Burns, Deceased. 3-14

Dynamite Injures Two Men.

While working in a well on Joe Brazil's place southwest of Mountainair last Tuesday, Benjamin Gaitan and Manuel Vivian set several blasts and got out of the well which was something over fifty feet deep. One of the blasts fired, but several did not. After the smoke had cleared away, they went back into the well, and dug out one blast. Just as they started digging another, it exploded. Vivian was badly burned about the arms, head and face. Gaitan was knocked backward against the wall, with such force that a tobacco can in his hip pocket was flattened. Both men manager to climb into the bucket and were hoisted out. Gaitan is getting along all right, but Vivian may lose his sight as a result of the accident, although he is able to be up and around.—Mountainair (N. M.) Independent.

HOLD FIRST SESSION OF PEACE CONGRESS

PALE AND SHOWING DEEP EMOTION, GERMANS PRESENT THEIR PAPERS.

M. CAMBON RECEIVED THEM

Precedent is Not Followed in That Germans Did Not Walk to Meeting Place, but Rode in Auto.

Versailles.—The German plenipotentiaries of the peace congress have presented their credentials at the first session, which lasted barely five minutes. It was the first step in the peace negotiations. The German credentials were presented to representatives of the allies and the United States.

Pale and almost fainting from emotion, Count von Brockdorff-Rantzau, the German foreign secretary and the head of the delegation, passed through what evidently was one of the bitterest moments of his life. He was barely able to sustain himself through the brief ceremony and reach the waiting automobile which had brought him to the gathering.

The meeting took place in the room of the Trianon Hotel, previously used for the sessions of the supreme military council. Count von Brockdorff-Rantzau, on entering was accompanied by Herr Landsberg, Professor Schuecking and two secretaries, and waiting for him the allied representatives were grouped around Jules Cambon, the former French ambassador to Berlin, who is chairman of the commission.

Other members of the allied party included Henry White of the United States, Lord Harding, Great Britain, and Ambassador Matsui, Japan.

M. Cambon immediately addressed Count von Brockdorff-Rantzau, saying that he was chairman of the commission entrusted by the allied powers to receive and examine the credentials of the German delegates as the first step in a conference which, it was hoped, would lead to peace.

"Here are ours," continued M. Cambon, extending as he spoke the formal credentials of the allied commission as plenipotentiaries to the congress. Count von Brockdorff-Rantzau surrendered the German credentials with even a less formal address, his emotion being too great to enable him to deliver an extended discourse.

MAY DAY RIOTING AT CLEVELAND, OHIO

ONE MAN IS KILLED, ELEVEN POLICEMEN SHOT OR BEATEN AND MANY PERSONS HURT.

Cleveland, Ohio.—An unidentified man was killed by a detective's bullet, 11 policemen were shot or badly beaten and about 100 persons wounded, many seriously, in general rioting which brought a dramatic finale to a socialist May day demonstration here. About 30 persons, seriously injured, are in hospitals while scores of others including women, were trampled by rioters and clubbed by police.

Socialist headquarters was totally wrecked by angry civilians, bent on putting an end to the demonstration. The rioting was general in the public square and several prominent thoroughfares. Socialists and sympathizers at the public square were ridden down by mounted policemen and soldiers in army tanks and trucks aided in dispersing them.

Sixty of the rioters were arrested. A score were found to be armed, the police say.

Several hundred rioters threatened police headquarters when C. E. Ruthenberg, socialist candidate for mayor, was arrested and for more than an hour the entire downtown section of the city was a seething mass of socialist demonstrators, police, civilians and soldiers.

Dozens of shots were fired in the public square, where more than 20,000 socialists and sympathizers assembled for a May day rally and to protest against the conviction of Eugene V. Debs and Thomas J. Mooney.

Tax On Cold Drinks Effective.

Dallas.—Stamp taxes on perfumes and patent medicines, and special taxes on soft drinks are now effective. The local office of the internal revenue department has announced that stamps can be secured from them by the dealers at any time, and within the next few days blanks for the daily reports of the soda water dealers will be distributed. The stamp tax on perfumes and patent medicines must be paid by the consumer the dealer being required to make report on sales.

Former Congressman Gregg Dead.

Palestine, Texas.—Alexander White Gregg, former congressman from this district, died at a local sanitarium following an operation in which his right leg was amputated at the knee.

State Increases Pledge for Bonds.

Austin, Texas.—The state of Texas has purchased an additional \$4,400 of Victory loan bonds, making the total purchase of these bonds to date by the state \$10,800.

Ralph Soaps Secretary to Governor. Austin, Texas.—Ralph Soaps has entered upon the discharge of his duties as private secretary to Gov. Hobby, having been appointed to succeed Maj. John D. McCall, who resigned to enter the practice of law.

TO SAVE BABY CHICKS, PUT THIS IN THE DRINKING WATER

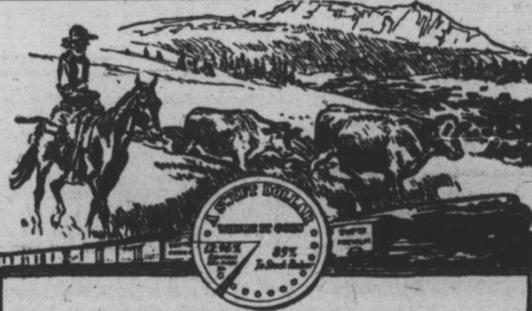

Most people lose half of every hatch and seem to expect it. Chick cholera or white diarrhoea is the trouble.

This loss is needless and easily stopped, by putting Avicol in the drinking water. We prove it by this offer:—

Call at our store for a 25c or 50c

package of Avicol. If you don't find that it promptly stops your chicks dying, cures white diarrhoea and all other bowel diseases of poultry, your money will be refunded.

Avicol revives the drooping chicks and helps them grow and develop rapidly. Shows positive results in 48 hours. Easily used and inexpensive. CITY PHARMACY, The Rexall Store

The Flow of Meat

Two-thirds of the live stock in the United States has to be raised in the West.

One-half of the consumers of meat live in the East.

In other words, most of the live stock is one or two thousand miles distant from most of the people who need it in the form of food.

Fifty years ago, when live stock was raised close to every consuming center, the country butcher could handle the job after a fashion.

But the job got too big.

Now millions of animals have to be moved hundreds of miles to millions of people. Somewhere on the way they have to be turned into meat.

The packers solved the problem. They set up plants where the "live haul" and the "meat haul" were in the right balance. They built up distributing systems—refrigerator cars, refrigerating plants, branch houses. They saved time, money and meat everywhere. The stockraiser benefited in better markets and higher prices; the consumer, in better meat and lower prices.

As the country grew, the packers had to grow, or break down. Because of its present size and efficiency, Swift & Company is able to perform its part in this service at a fraction of a cent per pound profit.

Swift & Company, U. S. A.

Women of Nation Doing Great Work in Floating Victory Liberty Loan.

MRS. WM. G. McADOO
(National Chairman)

MRS. E. B. REPERT
(State Chairman)

MRS. B. A. STAFFORD
(County Chairman)

The last drive of the war is on—the drive for the Victory Liberty Loan.

Money subscribed to the four great Liberty Loans made possible the victory of the Allies. We have paid to the last its price in blood, but debts of honor remain to be paid.

The Victory Liberty Loan has been launched to bring home the soldiers still overseas, to finance reconstruction work, to care for the disabled wounded and to provide adequately for the dependents of these and of the glorious dead.

In floating this loan women are assisting in the fullest measure possible as they have in all war activi-

ties from running railroads to serving in Red Cross. In the Fourth Loan more than a million women sold bonds.

In May 1917 Secretary of the Treasury William McAdoo created the National Woman's Liberty Loan Committee. His wife, Mrs. Eleanor Wilson McAdoo, daughter of President Wilson, was the unanimous choice of the committee for chairman.

Mrs. E. B. Reppert of Dallas was made chairman for the Eleventh Federal Reserve District. In her characteristic manner she organized the women so that from the very beginning they did excellent work. There was no record kept in the First

Drive. In the Second Loan Drive they secured more than \$13,000,000 in the District and more than \$10,000,000 in Texas; during the Third more than \$23,000,000 in the District and more than \$20,000,000 in Texas; and in the Fourth Loan a total of more than \$36,000,000 in the District and more than \$30,000,000 in Texas.

And despite drought, hard dry winters and other things of this character, the Woman's Liberty Loan Committee of Randall County with Mrs. B. A. Stafford as chairman, have each time shown a splendid result, materially helping achieve the victory in Texas. With this able lead-

erstill in the field, the forces are taking many financial objects and confidence is felt that the quota will be reached in this last war drive. In the entire District there is no more patriotic community.

Other members of the Women's loan committee who have rendered exceptional service during the campaigns are: Mrs. Mabel Rowan, McCloud, Miss Ernee Conner, Miss Edith Eakman, Miss Vera Hicks and Miss Hallie Walker. Miss Conner sold the most Victory Liberty Bonds of any woman in the county and was given the honor of being the first woman in the county to ride in an airplane which was here last week.

A quarter saved is a quarter earned. If it is put in a Thrift Stamp and afterwards with others like it, exchanged for a War Savings Stamp, it earns still more. Save for that happy opportunity. War Savings Stamps give you a fund on which you can always call—and which is always larger than when you started. You can always cash your War Savings Stamps at your postoffice on ten days' written notice to the postmaster.

We Buy Old False Teeth

United States Smelting Works, Inc. 1164 Goldsmith Bldg., Opp. Postoffice, Milwaukee, Wis.

W. T. C. OF C. WILL FURNISH LOCAL SECRETARIES

Numerous requests have come to the West Texas Chamber of Commerce to furnish secretaries for local chambers of commerce. The rapid development of the oil industry in West Texas, together with the bright crop prospects, have brought about the revival of a number of chambers of commerce that had become dormant. Numerous new chambers of commerce are also being formed.

A special effort has been made by the West Texas Chamber of Commerce to get in touch with men who would be fitted to take positions as secretaries. There are now on file with the West Texas Chamber of Commerce the names and recommendations of a considerable number of young men. These names and facts about the men will be furnished on application by chambers of commerce.

HOW CLEOPATRA'S NEEDLE WAS SAVED

New Process Invented to Preserve Surface of Monolith in Central Park.

New Yorkers awoke one morning to find in their breakfast headlines the news that a zealous park employee had discovered signs of disintegration on the surface of the city's most treasured antique—Cleopatra's Needle. Photographs revealed that the monolith was peeling, large pieces of sandstone having fallen from the tall shaft, carrying with them part of the prized hieroglyphs.

London's twin sister of Cleopatra's Needle was reported as resting comfortably and enduringly on the banks of the Thames, and the rival port wondered whether a preparation would be found to stay the attacks of their harsher climate.

Such a preparation was soon forthcoming. A new paint combination as a preservative for stone was invented

THE OBELISK.

The Obelisk was presented to the City of New York by the Khedive of Egypt. Lieutenant Commander Goringe, U. S. N. after a three years' effort, obtained possession of it and moved it to its present position, at an expense of near \$100,000. It was finally swung into position at noon, January 22, 1881.

The height of this monument, from base to tip, is 69 feet, 2 inches. The measurement of the base, square through its axis, is 7 feet, 5 1/2 inches. The entire weight of the monolith is 219 1/2 tons.

Since it was quarried near the torrid zone, it has traversed the entire length of Egypt, most of that of the Mediterranean Sea and the width of the Atlantic, proving itself a first rate traveler for one whose age has exceeded thirty-five centuries. In the course of its existence it has seen Pharaoh and his host going to their destruction in the Red Sea; Shishak marching to the conquest of Jerusalem; Cambyses despoiling the land; Herodotus, Plato and other Greek students engaged in pursuit of Egyptian lore; Alexander the Great on his victorious expedition through the land of Goshen; six and a half centuries of Roman sovereignty and Christian struggle at Alexandria; all the long line of Moslem rulers since Caliph Omar; and now, leaving altogether its native land, it stands looking upon the million dwellers in this metropolis, whose site was unknown to the Eastern world at a time when the Obelisk had been in existence for two thousand years.

by Dr. William Kucro, chemist of the Metropolitan Museum of Art. Many years previous coating with paraffin had been tried, but the application had not entirely accomplished its purpose. The new painting process, however, proved a success. Disintegration was halted and the damaged parts restored. New York breathed easily again.

Baby Coming To Your Home?

The Wonderful Event That Will Bring Much Gladness.

Are you looking forward, dear prospective mother, to the wonderful, glorious time when you shall hold in your arms the little rite, which is of your flesh and blood, with feelings of rejoicing?

Now is the time to get in condition to meet the crisis, and three generations of women have found in the time-honored preparation, Mother's Friend, a grateful, penetrating remedy to prepare their systems to withstand the shock.

The action of this famous remedy is to relieve tension on drawn nerves, cords, tendons and ligaments, to relieve strain and discomforts such as nausea, nervousness, bearing-down and stretching pains. By regular use during the period the muscles expand easily when baby is born; pain and danger at the crisis is naturally less and the hours are fewer. Do not neglect the use of Mother's Friend. It is for external application only, is absolutely safe and wonderfully effective.

Write the Bradford Regulator Company, Dept. N. Lamar Building, Atlanta, Georgia, for their Mother's Friend, and obtain a bottle of Mother's Friend from the drug store. It is just as standard as anything you can think of.

When You Can't Sleep

and you get up as tired as when you went to bed, it is a sure sign that your nerves are out of tune. If this continues long, a nervous breakdown and a train of ills are bound to follow.

The experience of Mrs. H. L. Redman, of New Haven, Conn., will interest you. She says:

"For several months I suffered from extreme nervousness and sleeplessness. My nerves were completely unstrung. After doing light housework I was completely fatigued, and loss of sleep made the nights long and tiresome. I began taking DR. MILES' NERVINE and the first night I slept soundly all night. I can truthfully say DR. MILES' NERVINE completely cured me."

DR. MILES' NERVINE is a safe, reliable medicine for all nervous disorders, such as sleeplessness, nervousness, hysteria, headaches, neuralgia, etc. It is non-alcoholic and contains no harmful drugs. It has been helping nervous, distracted, discouraged sufferers back to health for 30 years. Ask your druggist about it.

"I won't pay that bill!"

"But, Mr. Jones—the goods were delivered—you sold them and made a good profit on them."

"I know all about that, but I'm not going to pay for them."

"But—but—"

Just imagine such a conversation between some responsible merchant and a collector.

The collector would have a right to be astonished and to doubt the merchant's sanity—wouldn't he?

Well, here's a bill the United States Government is presenting to you for goods delivered, accepted, and profited by—your security, your peace and happiness.

As an honest business man and good citizen—pay your bill with

The Thrice-a-Week Edition of the New York World in 1919 and 1920

Practically a Daily at the price of a Weekly. No other Newspaper in the world gives so much at so low a price

The forces are already lining up for the Presidential campaign of 1920. The Thrice-a-week World which is the greatest example of tabloid journalism in America will give you all the news of it. It will keep you as thoroughly informed as a daily at five or six times the price. Besides, the news from Europe for a long time to come will be of overwhelming interest, and we are deeply and vitally concerned in it. The Thrice-a-Week World will furnish you an accurate and comprehensive report of everything that happens

THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and The Randall County News together for one year for \$2.00. The regular subscription price of the two papers is \$2.50.

The Randall Co. News

COUNTY CORRESPONDENCE

WAYSIDE WARBLINGS.
Rain and hail in different localities. Not a great deal of damage in this vicinity. Weather unusually cool for May.
Prospects for wheat are improving.
Recent cold snap caught a good per cent of the fruit crop.

LAMARINE WAFERS

EAT LIKE CANDY.
The ideal medicine for delicate systems. They relieve headache, biliousness and constipation without discomfort. Mfg. by Lamarine Laboratories, Atlanta, Ga.

There was great rejoicing last Friday night when W. J. Helms of the 40th division, "Sunset" reached the parental home. The family knew nothing of his having sailed, which made it a complete surprise. Bill belonged to the machine gun corps and was held in reserve for the firing line when the armistice was signed.

An enjoyable singing at W. T. Helms Sunday afternoon. Quite a few of the neighbors and friends had already gathered to welcome W. J. back home.

Miss Lena and Leonard Helms who have positions as clerks in Amarillo spent the week end at home.

The pretty custom of hanging May Baskets has come again. We have heard of several parties hanging baskets.

Misses Naason and May, Wm. Payne and wife, J. C. Payne and sister Miss Ruby, M. C. and J. C. and Mrs. Ida Sluder enjoyed a most excellent dinner with Mr. and Mrs. W. R. Franklin Sunday last.

Mr. and Mrs. Fitzgerald and their children have moved into the Beasley house, now owned by Wm. James. We welcome these good people and trust they may have a pleasant stay among us.

The closing exercises of Wayside school taught by Misses Naason and May will be held on the nights of the 16th and 17th. The public in general are invited.

Wayside Sunday School have decided to order new song books. Money was collected Sunday for them.

Grass is good, stockmen are glad to stop feeding on high priced cake. A most enjoyable social was given to the B. Y. P. U. Saturday night at the hospitable home of D. L. Adams. A large crowd in attendance. Refreshments of oranges and bananas were served.

Grove's Tasteless chill Tonic restores vitality and energy by purifying and enriching the blood. You can soon feel its strengthening, invigorating effect. Price 50c.

UMBARGER NEWS.

The weather is pretty now and the farmers are busy planting their row crop.

The dance which was given last Saturday night at Umbarger was well attended and everybody reported a fine time.

Mr. Fritz Friemel made a trip to Canyon Saturday on business.

Mr. and Mrs. Geo. Frank visited Sunday with Mr. and Mrs. V. Skipala. Messrs. Paul Arthur, Clarence and Walter Beckman and Misses Frances
