Barrett is new superintendent

Last Thursday, the Dimmitt School Board voted 6 to 1 in favor of hiring Robert Earl Barrett as the new superintendent for DISD.

School board member James Sims cast the dissenting vote.

Barrett, 44, will begin his duties here at the start of the second semester (around Jan. 14). His salary was stipulated at \$55,000, plus the same level of benefits as other professional employees, in addition to having a car provided by the district. Reimbursement for actual out-of-pocket moving expenses up to \$1,500 was also included. His contract term extends through June 30, 1994.

Barrett is currently serving as the principal of Corrigan-Camden Primary School in Corrigan, a town of about 2,000 population, located about 80 miles northwest of Beaumont. He lives outside of Moscow, a short way from Corrigan. He was hired as principal in 1988.

He has several years experience as a superintendent, serving the Tatum School District (AAA) from 1985-1988; the Hallettsville School District (AA) from 1984-1985; and the La Poyner School District (A) from 1981-1984.

From 1980-1981, he served AAAA Kaufman High School as principal, coming from an assistant principalship at Corrigan-Camden High School. Prior to that, he was a coach and taught social studies at 5A Lufkin High School from 1973-1976 and at AA Groveton High School from 1971-1973.

Robert E. Barrett

International, and he attends the Baptist Church. His wife, Eva, is also a teacher. She currently teaches data processing at Corrigan-Camden Junior High. She has also taught science and distributive education.

The couple have two children, a daughter, Haley, who is a freshman at Texas Tech University in Lub-

bock; and a son, Luke, who is in the seventh grade.

When asked why he wanted to come to Dimmitt, Barrett said, "The size of the school and the community were desirable to me and my family. In checking the background of the district, I found it to be instructionally sound, which is important from an administrative as well as a parental viewpoint."

Barrett said he received only positive information about Dimmitt from Regional Educational Service Centers, the Texas Education Agency, and other educators in the area.

"I like a positive approach and I feel we will be surrounded by positive people here," Barrett said. "Our primary goal, and one I feel everyone will be in agreement with, is that we always want to try to improve."

Barrett noted that his hobbies include golf and enjoying the outdoors. He said he also likes to watch high school and junior high sports and activities.

In Corrigan, he served as president of the youth baseball association, and has been a Boy Scout leader.

County to seek bids for audit

The Castro County Commissioners' Court voted Monday to seek bids from companies wishing to perform the 1990-91 fiscal year audit for the county.

Bid specifications will be prepared.

County Judge Polly Simpson reported that a county auditor will be named as soon as District Judge Jack Miller returns from a trip to China.

The commissioners voted to ex-

clude elected officials from Workers' Compensation coverage under the county policy, since the salary of an elected official would continue anyway, whether or not the official was able to perform his or her duties. Leaving office holders off of the policy should lessen the premiums paid by the county.

The fees of office levied by the Sheriff's Office and the County Constable will continue in 1992 at the same amounts set for 1991.

Approval was given for soil conservation work to be performed with county equipment on the property of Alvin Kleman in Precinct 4, to be paid at the rate of \$75 per hour for an estimated two hours of work.

Precinct 1 Commissioner Harold Smith requested that a reapportionment plan be adopted that would constitute two precincts with a minority population percentage of 65% or higher.

The commissioners approved Plan A at their last meeting, which sets up two precincts with minority populations of 60% or more. The plan has already been submitted to the US Dept. of Justice.

Smith said the matter will be taken to federal court if the commissioners refuse to change the plan.

Simpson pointed out that public hearings were held and residents of the county were given the opportunity to express opinions on the reapportionment plan. She commented that any differences should have been worked out at that point in the process.

Smith's motion for changing the plan died for lack of a second.

In another motion, Smith proposed to have the county roads inspected for safety conditions. Pct. 2 Commissioner Dale Winders commented that he felt each commissioner should be able to inspect his own roads and take whatever precautions are necessary to protect the public.

Pct. 4 Commissioner Vincent Guggemos told Smith that individual citizens should always feel free to report to their commissioner any unsafe conditions.

The commissioners authorized a title search on a plot of land in Summerfield that used to be designated as school land, but whose ownership is now in question. Tax Appraisal District manager Jerry Heller told the court that someone is interested in buying the land if the title can be cleared.

Three indicted for attempted murder

In grand jury action last week and Tuesday, twelve indictments were handed down, including three for attempted murder.

Claudio Agundis Sanchez, 23, and Jose Ramiro Sanchez Agundis, 25, both of Dimmitt, and Marco Antonio Torres Rivera, 20, of El Salvador were charged with attempted murder in connection with the stabbing of two Dimmitt men

Sept. 15 outside of the Star Dance Hall. One of the victims is still hospitalized in Amarillo as a result of the alleged attack.

The men are being held under \$50,000 bond each.

In connection with an Aug. 17 incident in the parking lot of First State Bank in Dimmitt, Raul Barrios, 22, of Dimmitt was indicted on aggravated assault charges. The

third-degree felony could be punishable by not less than two years nor more than 10 years in the penitentiary and a fine not to exceed \$10,000.

District Attorney Jimmy Davis indicated that the grand jury had not completed its investigation and assessment of the incident, and will continue reviewing the matter in October.

Roberto Anes, 21, of Dimmitt was indicted last week on felony charges of possession of cocaine, and remains in jail under \$25,000 bond.

Anes was arrested Aug. 6 after investigating officers secured a search warrant for his residence and allegedly discovered about one-third gram of the substance on his person.

Two indictments were delivered against George Leland Walker, 32, of Dimmitt on charges of criminal mischief. Robert Earl Ewing, 33, of Dimmitt was indicted on the same charges in a separate incident. The two are accused of illegally connecting or tampering with water meters, and Walker also is accused of illegally connecting an electric meter.

Davis said such connections are now punishable as felony offenses. Bond was set at \$5,000 on each of the charges.

Albert Earl Ewing, 36, of Dimmitt, and Pablo Padilla Rodriguez, (Continued on Page 13)

By Don Nelson

Attorney General Dan Morales has mixed feelings about our state's prison system.

He was the banquet speaker last Thursday night at the annual meeting of the Panhandle Regional Planning Commission in Amarillo.

I was impressed with his eloquence and his obvious dedication to the herculean task of making a difference in Texas' criminal justice system.

He said he didn't even consider himself a political animal when he first got his law degree and started work as a prosecutor.

Then one day while he was going through some case-load files, a familiar name popped up. It was a brutal rape case. The defendant was the same man he had prosecuted and put away for 10 years on a similar charge—14 months earlier.

Somebody had to do something, he decided. His friends and co-workers convinced him that that somebody might as well be Dan Morales. He ran for state representative and won.

Ever since then, he's been working to put teeth in our laws and muscle in our courts.

The main reason for our "turnstile" system of paroles, of course, has been overcrowded prisons. For years, the Texas Dept. of Corrections has had to release an inmate for every new one it takes in.

That's being remedied with the construction of thousands of new

prison cells around the state.

Still, the construction of new prisons is addressing only the effect and not the cause, Morales says. Something has got to be done to stem the soaring crime rate that makes the new prison cells necessary.

Most prisoners are poorly educated products of city ghettos, who turned to crime as a means of coping with their hopeless poverty.

Morales thinks our state's public school system could go a long way toward cleaning up the ghettos and stemming the crime rate.

Prisons and school financing were two of the main dragons which the Texas Legislature fought in its latest regular and special sessions. Morales worked closely with the legislature on both issues.

He feels that the prison system won and public education lost.

"We projected how many prison beds we would need in 10 to 20 years, and funded tens of millions of dollars to finance them. At the same time, the state cut the funding for many education programs."

He said the resolution of the prison issue brought him "face to face, in a sense, with our state's elementary school children."

"We are telling them, in effect, 'We don't have the money to help you get a decent education. But we are reserving a room for you. And we'll spend millions of dollars to put you there and keep you there.'"

Mary Edna Hendrix, 647-3343

Sam and Corinne Burke spent eight days after the Labor Day weekend in Marshall. They visited Tom and Georgia Finley and family. They also got to see Millinda's youngest daughter, who works for the Longview Sheriff's dept., and Millisa's oldest daughter, who works as an assistant manager for a dental clinic in Longview. Both girls have their own homes. Millisa lives in Longview and Millinda in Marshall, close to Tom and Georgia. Both girls started to school in Nazareth when they lived there.

Tom is chief deputy in Marshall and has 61 employees under him. He also has 13 dogs who find lost children, dope, and felons. Sam and Corinne got to see a film of the dogs in action, finding dope in old

houses and junk cars. They also saw a video of the funeral that was held for Tom's prize dog, a German shepherd that found a missing 4-year-old boy. The little boy and his parents attended the dog's funeral. The dog had gotten too hot while searching for the child, and then drank too much water, and suffered a heart attack. The vet couldn't save him.

They carried the dog in his casket in Rex Cowart's old ambulance he owned when he lived in Dimmitt. They buried the dog with his deputy's badge, and gave a 21-gun salute. Tom was presented the American flag. There were a lot of people in attendance at the funeral.

On Sunday, Tom and Georgia

took Sam and Corinne to Caddo Lake for a tour of the countryside. They rode in Tom's 1965 red Ford convertible. One of the sights they viewed was Lady Bird Johnson's mansion.

Another of Tom's dogs, Floyd the bloodhound, found 1,500 pounds of marijuana in a search conducted by another deputy while Tom was sightseeing with the Burkes.

Tom's current prize dog is a German shepherd from Belgium, and Tom has to speak to him in German. There are only two other dogs in the US that have been trained as this one has. The other two are in Houston and Perryton. Tom's dog stays with him at all times. He is as gentle as can be at home. Corinne said the dog finally allowed her to pet him on Sunday after they had been there since Thursday. She said they didn't dare to approach the dog, but he came to them to be petted.

Rex and Virginia Cowart came over one evening to visit while Sam and Corinne were there. Rex is a sergeant for the Harrison County Sheriff's Dept.

Virginia came Saturday and took Georgia and Corinne to Marshall's Pottery, where Corinne said she saw many beautiful items. Then Saturday evening, Georgia and Corinne visited in Virginia's home. She showed them many beautiful pillows she had made. Some were pieced like a quilt, and they were in all different shapes. On the way over to Virginia's, she showed them a favorite fishing spot on the bank of a big lake in front of a big, beautiful home owned by some elderly people. Rex watches over their property for them when they are away. He has built a squirrel feeder, and some bird feeders, too, on their property. Rex has three ducks he calls his "pride and joy," and he named them Huey, Louie and Dewey. They were swimming in the lake.

The Burkes also got to see Carman Pigg when they first got to Marshall. They saw four who used to work for the Castro County Sheriff's office, and Virginia, Tom, Rex, and Carman had worked for both county and city.

Corinne said they had a great time, and thought everyone would like to hear about the ones who used to live here.

I attended the wedding of my granddaughter, Lauren Lankford, to Dale Fezell in Amarillo Saturday evening. Bridal showers were given

in Amarillo, Dimmitt and Lubbock, and a lingerie shower in Amarillo. Annice Goodell and Lou Spencer gave a bridal luncheon on Saturday for the girls in the wedding party and the relatives of the bride and groom. Bill and Mary Lynn hosted a brunch on Sunday morning for relatives and some in the wedding party.

The reception was held in the fellowship hall, and Bill and Mary Lynn had decorated it in a beautiful Victorian garden theme, with stone walls and columns draped with grapevines, and a vase filled with pink flowers atop each column. Tables were in one section, with pink cloths and a miniature topiary tree made with pink roses in the center of each table. The bride's table held a three-tiered white cake topped with a "Precious Moments" bride and groom figurine. Pink fruit punch was served. The groom's table held a miniature stone church with a "Precious Moments" bride and groom in a car leaving the church. A chocolate cake was surrounded by purple grapes, and coffee was served.

couldn't get home on muddy roads. Virginia Crider was hostess to the Thursday bridge club that met at the Senior Citizens' Center for lunch and a day of bridge. Louise Mears won high score, and Johnnie Vannoy won second high. Others playing were Bernice Hill, Gladys Benson, Cleo Forson, Loranell Hamilton, Mary Small, Dugan Butler, Oleda Schumacher, Neva Hickey, Ferne Dickey, Emily Clinging-smith, Ina Rae Cates, Elizabeth Huckabay, and Alma Kenmore.

Michael James Murphy of Nashville, Tenn. presented a concert Sunday evening at the First Baptist Church in Dimmitt, "Singing the Best of Yesterday and Today."

Irene Carpenter spent two weeks in Colorado with James and Joyce

Autry. They went fishing in Blue Lake near Gunnison, but it was almost too cold to fish. They came back to Rocky Ford, Colo., where Jim and Floyce George met them, and then 14 relatives went to the Flying W Ranch out from Manitou Springs, Colo., about two miles from the Garden of the Gods Road.

They enjoyed a chuckwagon supper, with 1,400 people served from several foreign countries, as well as all across the US. They have done this for 39 years. A Western program, "The Sons of the Pioneers," was given. A steak supper is served during the winter months. Biscuits were made in a Dutch oven over hot coals, and were served with honey before the supper.

IT'S AN EMMY—One of the top awards given for excellence in television is the Emmy Award, and the son-in-law of a local resident has received several for his efforts in "sound mixing," supplying sound effects and coordinating the sound track with the pictures. Bill Thierdeman (left) received an Emmy this year for his efforts on the "Doogenstein" episode of the "Doogie Howser, M.D." series. His wife is Dr. Keitha Kay Scott (right), daughter of Aural Davis of Dimmitt. Thierdeman has won two other Emmys for his work on the "Max Headroom" series and "Behind the Third Reich." His efforts have also earned him Emmy nominations for sound work on the series "Northern Exposure." He is employed with Glen Glenn Sound. *Courtesy Photo*

A 90TH BIRTHDAY CELEBRATION was held for Ellie Clay of Hart last Thursday. The card party brought guests from Hart, Hereford and Illinois; phone calls from Hart, Hereford, Dallas, Houston, Brownfield, Lubbock, Texline, New Mexico and Oklahoma; and 74 birthday cards. She received many "get well" cards, too, since she is recuperating from a compressed disc in her back. *Courtesy Photo*

What's Cooking?

Here are the school lunch menus for Dimmitt, Hart and Nazareth from Sept. 26 to Oct. 4.

- DIMMITT**

We Salute

Our Football Coaches

Coaches, it has been said, have one thing in common with mayors and editors: Everyone in town thinks he can do a better job.

If you'd like to try coaching Texas high school football, be prepared to work seven days a week, and to stay up until 1 a.m. two or three nights a week analyzing game films, working up a game plan and studying scouting reports. Be prepared to do a mountain of paperwork and assignment sheets and attend to players' injuries and personal problems. These chores all come before and after "normal" hours. During the regular workday, be prepared to teach your courses, because all coaches are also teachers.

And be prepared to catch flak if you lose—and sometimes even if you win.

Sometimes we see the coaches only on the field, or read their statistics in the box scores, or judge them only on their won-lost records. Sometimes we don't take into account the critical role they may be playing in the lives of our youngsters. While teaching the techniques of the game, a good coach also can teach his players some valuable lessons about self-worth, sportsmanship and integrity. You don't find some of those accomplishments in a won-lost column or a box score.

Next time you have the opportunity, give a pat on the back and a "thank you" to these local coaches, who sometimes feel only the pressure and not the appreciation:

Dimmitt: Bill Rogers, Gus Ortiz, Bobby Feaster, Lanny Crow, Jeff Bell, Don Bell, David Webb and Arthur Velasquez.

Hart: Alan Cherry, Adam Arana, Allen Dews, Joe Perrin, Terry Pittman, Joe Welps and Danny Wilhelm.

Nazareth: Rick Price, Mark Edwards, Joel Waldo and Mark Makeever.

Coaches, we salute you. We're proud you're part of Castro County!

TRAVIS SCHULTE AND KALINA POHLMEIER, both seniors at Nazareth High School, were named the Swift Band King and Queen, respectively, during halftime of the Nazareth-Anton football game Friday night. The Swift Band royalty candidates were presented and the king and queen were crowned as part of the school's 1991 homecoming celebration. *Photo by Anne Acker*

SPIRIT ROYALTY at Nazareth High School, crowned last Thursday night at the 1991 homecoming pep rally, were seniors Mac Annen and Peggy Huseman. Other spirit candidates were juniors Russell Huckert and Jaime Hatla, sophomores J.J. Bermea and Lynette Kleman and freshmen Colby Pohlmeier and Tara Johnson. *Photo by Brenda Schulte*

Ezell and Verba Sadler and Gay Sadler left for Breckenridge early Tuesday when they heard of the death of Clarence Delay, who for years had been the next door neighbor to them at their Hubbard Creek Lake House.

Mr. and Mrs. Delay had been making their home in Lubbock recently, but they still spent much of their time at the lake.

He was seen on the day of the accident, wading around in the water near the boat, so officials believe he drowned.

Funeral services were held in Breckenridge on Wednesday afternoon. Burial was in Lubbock.

Ezell was one of the pallbearers and Larry and Sharon Sadler attended the burial services.

The Sadlers had recently stopped by the lake and spent the weekend there. They visited with them on their way home from the "one-arm dove season."

Gale and Verna Sadler have returned home after attending training sessions in Colorado. They were impressed with what they learned about handling our stress. They felt like they received benefits from the lectures. They were in both group and individual sessions and were told of some helpful books that can help people.

Ezell Sadler was honored with a

Senior Citizens Menu

MONDAY: Ham and butter beans, cornbread, cabbage, salad, dessert, tea and coffee.

TUESDAY: Green chili casserole, corn, salad, dessert, bread, tea and coffee.

WEDNESDAY: Barbecued beef, beans, potato salad, slaw, bread, dessert, tea and coffee.

THURSDAY: Meat loaf, peas, potatoes, salad, dessert, bread, tea and coffee.

FRIDAY: Hominy casserole, beets, okra, salad, dessert, bread, tea and coffee.

birthday supper in the "big house" Saturday night. Those present included Ezell and his wife, Verba; Patricia Powell of Canadian; Teresa Sirmans, Ken, Amber and Tiffany, all of Amarillo; David and Gay Sadler; Larry and Sharon Sadler, Carrie Sadler of Lubbock; Stacy and Jim, Jeremy and Joshua; and Laura Hurtado, Matt and Kristin, all of Muleshoe.

Emma Jean King missed her Republican Organization for Women meeting in Dimmitt Wednesday because of the weather, but she and Deanne Clark and Juanita Bruegel enjoyed a luncheon in Amarillo with their chapter. The monthly meeting was on money-making projects. Tina Rawlings went with them and visited a friend while they were at the luncheon.

Teeny Bowden was an outpatient at High Plains Baptist Hospital in Amarillo Wednesday. She underwent tests on her bladder. She was scheduled to see a neurosurgeon at High Plains Baptist Hospital on Monday, in the hope that the doctor can find out what nerve is causing her problems. While she has been at home, the Home Health Care nurses from Dimmitt have been helping her out.

It was 46 degrees Wednesday morning and that evening. A lot of rain fell during the night, but exactly how much was unknown. Teeny Bowden said she could see grass and water all the way to the road, but when she checked her gauge, it just showed 1.10 of an inch of rain had fallen. .15 of an inch was recorded for Tuesday night.

Todd Embrey was with his mother, Becky Ott, and his sister, Laurie Bateman and her baby, Kelsey Bateman, at the last service of the revival.

Gale and Verna Sadler left Friday to visit with missionaries from Tanzania, who were visiting in Abilene through Sunday.

Madge Robb and Emma Jean King worked at Teeny Bowden's Saturday on making plans for the museum dedication. This included sending out invitations and more.

GRANT PRESENTATION—Hart Supt. Phil Barefield (second from left) receives a check from Wal-Mart employees (from left) order-filling manager Michael Parks, area manager Pete Barretero, and operations manager Stanley Wood. Hart school gets Wal-Mart grant

The Hart School District has received a \$1,500 grant from Wal-Mart through the Plainview Distri-

but ion Center.

The grant was for matching funds to apply toward the purchase of IBM computers and software for use in the high school math department.

Announcement of the grant was made by Gary Redmon, district manager for Wal-Mart. The grant was funded through the Wal-Mart Focus on Education program.

The newly purchased equipment is being incorporated into the school curriculum by Jeannie Birkencfeld and Lynn Lindsey, with programs designed to increase problem-solving capabilities and higher-level thinking skills, as well as improving math skills of the students.

Hart Supt. Phil Barefield and Administrative Assistant Toni Robertson traveled to Plainview to formally accept the grant, which was presented by Wal-Mart personnel, Michael Parks, Pete Barretero and Stanley Wood.

Alzheimer's group will form here

Those interested in forming an Alzheimer's support group are invited to attend an organizational meeting today (Thursday) at 7 p.m. at Rhoads Memorial Library.

Canterbury Villa Nursing Home in Dimmitt is sponsoring the meeting, and representatives of the Alzheimer's chapter in Amarillo will be here to help get things started.

The meeting is open to the public and all interested persons are invited to attend.

Nazareth By Uirgle Gerber

An open house was held Sunday afternoon to honor Adeline Pohlmeier on her 80th birthday. It was held at the Senior Citizens Center and was enjoyed by many relatives and friends. It was hosted by her children, Carolyn Boyles, Arlene Williams, Rosella O'Hanlon and Tom Pohlmeier.

enjoyed different card games and playing Pictionary. Melinda's parents, Rogert and Maxine Yeary of Morton, and her brother, Brett and his wife Cindy, joined part of Kevin's family in the celebration.

Prayers are asked for Lillian Venhaus, who is a patient at Lubbock's Methodist Hospital.

Artie Huseman, Louise Hollenstein, Bert Huseman and Anne Kleman attended funeral services for their brother, Ernie Hollenstein in Bullhead City, Ariz.

Toney and Mary Gerber have returned home after spending a couple weeks in Woodward, Okla., with their son Norbert Gerber and family.

Colette Hoelting of Colorado Springs spent last week with her mother, Alma Conrad, while Leroy was in Guymon, Okla. on business. He spent the weekend here with his parents, Greg and Tinie Hoelting.

Ella Hoelting is home after spending a short while in Plains Memorial Hospital for observation and treatment.

Melinda Gerber hosted a birthday party for Kevin Gerber at their home in Plainview on Saturday. After a hamburger cookout, the men enjoyed golf and the women

14—Cards of Thanks

CARD OF THANKS

Thank you to the Hispanic community who participated in the great 16th of September celebration that took place September 14th.

It was a big success as this I understood was the first year.

This was a well organized event. There are many, many talented citizens in Castro County and with the help of the Chamber of Commerce and Expo Center staff, the turn out was unbelievable.

I am looking forward coming back home to Dimmitt to help celebrate next year with my family and friends.

The *Castro County News* did their share in covering the event and did a great job too.

ROSA ORTIZ SANCHEZ

CARD OF THANKS

I want to thank our Commissioner of Roads and others for a road that is passable even in a long period of rain. The road is very good.

Thanks.

Letter

Reader feels local dance hall should be closed

Dear Editor:

As we read the local paper, it seems most every week the police calls are full of happenings at the Star Dance Hall.

I feel sure that the expense of policing this establishment costs the city and county several thousand dollars per year.

When this type of establishment becomes a public nuisance, it can and should be closed for that very reason, and under law it can be closed.

We also have a convenience store in Dimmitt that sells beer to intoxicated people and to under-age people.

It's the responsibility of the district attorney, sheriff's department, county judge and the chief of police to see that places of this type are not allowed to continue to operate in Dimmitt and in Castro County.

S.M. (SAM) BURKE

DUKE TIP STUDENTS at Dimmitt Middle School are (front, from left) David Keller, Lindsey Garza, Tawnee Matthews and Chad Ewing; and (back, from left) Andrew Teaschner, Jessie Lopez, Shaun Furr, Cameron Lust, Joshua Roberts, Colby McDaniel and Sy Olson.

Photo by Linda Maxwell

11 local students tapped for Duke's talent program

Eleven seventh graders from Dimmitt Middle School have been selected to participate in the Duke University TIP (Talent Identification Program).

Those honored are Joshua Roberts, Cameron Lust, Shaun Furr, David Keller, Andrew Teaschner, Chad Ewing, Colby McDaniel, Tawnee Matthews, Jessie Lopez, Sy Olson, and Lindsey Garza.

Adult ed, ESL classes begin

Adult Basid Education and English as a Second Language (ESL) classes are underway and classes will be held each Monday and Tuesday night from 7 to 9:30 at Dimmitt High School.

Those interested in participating in the classes must be at least 17 years of age.

Free instruction and books are available for adults who want to read, write and speak English; improve mathematics and reading; prepare for the General Equivalency Diploma (GED) test; and prepare for the citizenship test.

The classes are sponsored by the Region 16 Education Service Center and the Dimmitt Independent School District.

For more information call Sue Summers at 647-3105.

Museum meeting set

The Castro County Historical Museum Association will hold its regular monthly meeting today (Thursday) at 7:30 p.m. at the museum.

Members are encouraged to attend, and interested persons are invited.

Selection is based on scores from achievement tests given last spring, with those qualifying who scored in the 97th percentile or higher.

These students will have the opportunity to apply to the Duke program, and will get a chance to take ACT or SAT college entrance exams, usually reserved for high school juniors and seniors. While the tests are deemed too difficult for the average seventh grader, the tests are used to identify the abilities of outstanding junior high students.

Those who do well on the ACT or SAT will have opportunities for college camps, workshops and scholarships.

DMS counselor Sue Howell said students may also enroll in a preparatory course before taking the ACT or SAT to increase their chances of doing well on the tests.

The TIP search is sponsored by Duke University in Durham, N.C. The purpose of the program is to identify "the brightest among our nation's youth at an early age to

provide them with information about their abilities and educational options that may be beneficial to them," Howell said.

Vegetable growers schedule conference

Critical issues facing the Texas vegetable industry, as well as success stories from around the state, will be examined during the Texas Vegetable Association's fall convention in Lubbock Oct. 2 to 4 at the Lubbock Plaza Hotel.

One day will be devoted to an integrated vegetable crop management workshop designed especially for growers and consultants, said Dr. Roland E. Roberts, vegetable specialist with the Texas Agricultural Extension Service at Lubbock. He will be program chairman for the convention.

Four continuing education credit units for the pesticide applicator license have been approved by the Texas Dept. of Agriculture for persons attending the entire conference.

Some 200 producers, consultants and representatives of allied industries are expected for the conference. West Texas is a major vegetable producing area of the state, Roberts noted.

The conference begins at 2 p.m. on Oct. 2 with a keynote address by Fred Harper, Extension Service agent for vegetables in Maricopa County, Ariz. He will examine critical issues including water availability and quality, federal and state regulations, insects, urbanization and labor.

The effects of proposed free trade agreements with Mexico will be the topic of Dr. Charles Hall, Extension Service economist and vegetable marketing specialist and Dr. Stephen Fuller, professor of economics at Texas A&M University of College Station.

Dr. John Abernathy, resident director of research at the Texas Agriculture Experiment Station in Lubbock and president of the Weed Science Society of America, will report on studies of pesticide pollution of underground water in Texas.

Registration of "minor use" pesticides which are vital to the vegetable industry will be the topic of talks by Gene King and Maruca Lopez, technical service representatives with ICI Americas, Inc.

Wednesday's program will conclude with a tour and reception at Teysa Cellars Winery.

On Oct. 3, the convention participants will tour area attractions. These will include Back to Earth composting and recycling facilities; Fleming Co., fresh produce terminal; Texas Tech Textile Research Center and the Ranching Heritage Center.

The day will conclude with a barbecue at the County Line Restaurant.

The workshop on Oct. 4 will address crop nutrition, weed control, management of major insects, control of diseases, management of broccoli, spinach, snap beans and other crops, as well as a growers' panel.

Association awards will be presented at lunch. Dr. Gary Condra, director of the Texas Agricultural Loan Mediation Program and a visiting associate professor at Texas Tech University will be the luncheon speaker. He will discuss financial management for survival.

Mr. and Mrs. Davis are home in Lubbock

Mr. and Mrs. Chad William Davis are home in Lubbock after a wedding trip to Walt Disney World and Epcot Center in Florida.

The bride is the former Angela Michelle Williams, daughter of Mr. and Mrs. Frank Allen Williams of McAllen. The groom is the son of Mr. and Mrs. John Robert Davis of Dimmitt.

The couple exchanged wedding vows on Aug. 3 in a double-ring, candlelight ceremony performed at St. Stephen's United Methodist Church with Rev. Jim Smith officiating.

Given in marriage by her father, the bride wore an elegant gown of ivory organza over taffeta. The bodice was heavily beaded with pearls on Alencon lace and it was designed with a sweetheart neckline and Elizabethan sleeves which tapered to points at her wrists. The bodice extended to a deep basque waistline. The full skirt, adorned with a lace motif, was highlighted with a lace hemline and flowed to a cathedral-length train, which was bordered with rows of mini-pleated ruffles.

She wore a floral and crystal beaded wreath headpiece which held a three-tiered pouf with a two-tiered silk illusion veil.

She carried a traditional cascading bouquet of ivory orchids and peach tiger lilies accented with peach sweetheart roses, ivory stephanotis and trailing English ivy.

Stephanie Ann Hein of Lubbock served as her sister's matron of honor. Maid of honor was Rebecca Dianne Williams of McAllen, sister of the bride.

Bridesmaids were Melinda Carveo of Mission and Marilyn Stafford and Becca Johnson, both of Amarillo.

Best man was Justin Nelson of Dimmitt. Groomsman were Clay Lytle, Kelly Howell and Kevin Bruton, all of Dimmitt.

Katy Pounds of Lubbock was the flower girl and ring bearer was Andrew Williams of Amarillo, cousin of the bride.

Ushers were Matt Bradley, Kyle Shelton and Britt Boozer, all of Dimmitt; and Christopher Oats of Lubbock.

Following the ceremony, a reception was held in the garden room of the fellowship hall.

The bride graduated from Sharyland High School and is majoring in special education at Texas Tech University in Lubbock.

The groom graduated from Dimmitt High School and is majoring in ranch management at Texas Tech. He is employed by Jack Awfil horse auctions in Lubbock.

MRS. DALE FEAZELL
... nee Lauren Lankford

Lankford weds Feazell

Lauren Nanette Lankford and Dale Keith Feazell exchanged wedding vows in a formal ceremony performed Saturday evening at the First Baptist Church in Amarillo with Rev. Dr. Ben E. Loring officiating.

The bride is the daughter of Mr. and Mrs. W.K. Lankford of Amarillo and the granddaughter of A.W. Lankford of McLean and Mary Edna Hendrix of Dimmitt. Parents of the groom are Mr. and Mrs. W.L. Feazell of Lubbock.

Musicians were David Lowe, organist; and Janice Davis, pianist. They accompanied soloist Eddie Boyd in performing various selections including *And On This Day*, *Trumpet Tune In D Major*, *The Wedding March*, *I Will Be There* and *Tocatta*.

Matron of honor was Misty Thorson of Dallas. Bridesmaids included Tessa Warkentin of Dallas;

Stephanie Henry and Adria Lankford, both of Amarillo; and Karen Heckman of Houston.

Best man was Eric Lipscomb of Denton. Groomsman were Mike Moore; Michael Day and Dean Feazell, all of Lubbock; and Jim Spence of Dallas.

Ushers were Kevin Lankford of Amarillo, Brent Vaughan of Richardson, Jim Spence and Dean Feazell.

Following the wedding, the couple were honored with a reception in the fellowship hall.

The bride attended Baylor University in Waco and Texas Tech University in Lubbock, studying fashion design, marketing and merchandising.

The groom holds a degree in electrical engineering from Texas Tech. He works for Exxon Pipeline in Houston.

NAVY MIDSHIPMAN RYAN T. HARDEE
... 1991 Dimmitt High School graduate

Hardees visit son at Naval Academy

Dr. and Mrs. Gary Hardee of Dimmitt recently visited their son, Midshipman Ryan T. Hardee, during Parents' Weekend at the US Naval Academy in Annapolis, Md.

During Parents' Weekend, academy plebes (freshmen) showed their parents the skills they learned during six weeks of rigorous military indoctrination.

Hardee was among 1,133 young men and women to enter the academy in July. Hardee, a 1991 graduate of Dimmitt High School, was selected from more than 11,500 applicants to the Naval Academy.

81% of the new midshipmen ranked in the top fifth of their high school classes, 56% of the class were members of the National Honor Society in high school and 86% were varsity athletes. Hardee fits all three categories.

He was a member of the National Honor Society, he lettered three years in football and he was salutatorian of his graduating class.

With the beginning of the acad-

emy year, Hardee is ready to tackle new challenges. He will graduate with a bachelor of science degree and a commission as a Navy or Marine Corps officer.

Kleman earns membership to honor society

Gail Ann Kleman, daughter of Georgiann Kleman of Nazareth and the late Walter Kleman, has been elected to membership in Alpha Omega Alpha honor medical society at Baylor College of Medicine in Houston, where she is a medical student.

Kleman, who earned a bachelor's degree in home economics-nutrition in 1981 at the University of Texas at Austin, is a graduate of Nazareth High School.

At Baylor, she earned honors in basic sciences.

Math reviews are offered

Math reviews for students facing Texas Assessment of Academic Skills (TAAS) exit level exams and for those who will be taking college entrance exams will be offered at Dimmitt High School.

Libby Cleveland will lead the reviews today (Thursday), Oct. 1, Oct. 3 and Oct. 9, from 7 to 9 p.m. each of those days in Rm. 15 at Dimmitt High School.

"Plan to attend and be prepared for these very important tests," Cleveland said.

Who's new?

Out-of-town

Charles and Beth Cargill are the parents of a baby boy, John David, who was born at 5:43 on Sept. 11 at the Lubbock Methodist Hospital. He weighed 6 lbs., 11 oz. when he was born. John David's grandparents are Juanita Howard and Gordon and Betty Cargill, all of Lubbock. Great-grandparents are Mary Lou Webb of Dimmitt, Mrs. M.L. Welch of Silverton, and Mr. and Mrs. J.A. Edwards and Mrs. Allie Cargill, all of Lubbock.

Plains Memorial

It's a boy for Elizabeth Davila and Robert Ruiz of Dimmitt. Their son was born at 2:27 a.m. on Sept. 17 at Plains Memorial Hospital in Dimmitt. He weighed 5 lbs., 15 oz. and measured 20-1/2 inches long. He has been named Robert Michael. Armando and Carmen Ruiz of Dimmitt are the baby's paternal grandparents. His maternal grandparents are T.D. Jr. and Seferina Davila of Dimmitt. Great-grandparents are T.D. Sr. and Victoria Davila and Isabel Rodriguez.

HOMECOMING

Dimmitt High School's HOMECOMING WEEK will begin Monday, and the big HOMECOMING GAME will be Friday, Oct. 4 against Denver City. So now is the time to trip on down to Seale Florist for:

- * Corsages (all sizes)
- * Arm Bands
- * Specialty Mums
- * Hair Bows, Earrings
- * Boutonnieres

Our selection is big, but so is the demand. So come in and make your choice today!

THE GIFT OF MOBILITY—Fred Bolton, clad in his choir robe, tries out his new electric scooter after it was presented to him by his fellow members of the First United Methodist Church during Sunday morning's worship service. Making the presentation is Gary Langford, president of the Methodist Men, who conducted the fund drive to buy the specialized vehicle. Bolton, who has multiple sclerosis, is a receptionist and records clerk at Plains Memorial Hospital. With its swivel seat, the scooter doubles as Bolton's office chair.

Spelling books are available

Plans are underway for the 44th annual National Spelling Bee, with regional competition sponsored by the *Amarillo Globe-News* and West Texas State University in Canyon.

The contest is open to students in grades 8 and below, with two levels of competition. The Junior Bee is for students in fifth grade and below, and the Senior Bee is for grades 6-8.

Winners at the county level are invited to attend the Regional Bee, set for April 11, 1992, and winners from there will go to the National Bee in Washington, D.C., May 25. The trip includes free airline tickets for the champion and one parent.

County Judge Polly Simpson serves as director of the county level of the competition.

Those interested in the contest may obtain the special word list, *Words of the Champions*, prepared by the national sponsors. Send 50 cents for each booklet needed to Jeane Bartlett, Spelling Bee Editor, *Amarillo Globe-News*, Box 2091, Amarillo, 79166. The 1992 edition of the booklet will contain more than 500 new words in addition to those in last year's listing.

Kiwanis to hold Halloween carnival

The Dimmitt Kiwanis Club will hold its annual Halloween Carnival on Oct. 31 at the Expo Building in Dimmitt and the club is renting booths to clubs or organizations who wish to sponsor a food or activity fundraising event.

Anyone who wishes to reserve a booth, which will be rented for \$15 apiece, should contact a Kiwanian or call Dimmitt Printing, Sheffy's Western Wear or Kittrell Electronics, all in Dimmitt.

Church Happenings

Church of Christ

Dimmitt's Fourth and Bedford St. Church of Christ is continuing the "Building Families That Last" film series each Wednesday night at 7 p.m., continuing through Nov. 27.

The feature for Oct. 7 will be "Giving Your Child Roots and Wings," and everyone is invited to attend free of charge. Babysitting and classes are provided for children up to the fourth grade.

The films feature nationally-known family experts sharing practical and solid advice for strengthening the family.

For more information, call 647-4435.

Presbyterian Church

Sunday school classes will meet at 10 a.m. Sunday.

Sunday will be "Rally Day" and everyone is asked to bring a friend to Sunday school and church.

"A Lesson in Tolerance" will be the subject of Pastor Edward D. Freeman's sermon at the morning church services, scheduled to begin at 11.

There will be a church family covered dish dinner Sunday morning following the church worship services.

Morning prayers will be offered Wednesday at 6:30 a.m.

Rev. Juanleandro Garza will meet with the Session on Wednesday and Friday nights at 7.

Ministerial Alliance

Edward D. Freeman will lead the Castro County Ministerial Alliance in a study of Matthew 22:23-33 on Tuesday at 10 a.m. at the Presbyterian Church in Dimmitt.

Grace Fellowship

The Grace Fellowship holds worship, praise, preaching and ministry services every Thursday night at 7:30 in the Carlile Theater. Rev. Curtis Wood is the pastor.

Grace Fellowship will host the Youth for Christ Choir of the Church of God in Christ of Clovis on Saturday at 7:30 p.m. in the Expo Building.

Everyone is invited to attend.

Immaculate Conception Catholic Church

Deacon Tony Garza will conduct a Bible study on the Johannine Gospel today (Thursday) at 7:30 p.m. at Mark's Room while the Escuela will be held at 8 p.m. at the West Community Center.

The infant baptism preparation classes will be held at Deacon Joe Ortega's home, at 804 Southwest Fifth Street in Dimmitt, on Friday.

The 9 a.m. mass Sunday will be for youth. Maureen Foskey will lead the youth choir while the

Everet family provides the backups with Noe on lead guitar, Fidela as lead singer, Sam as percussionist, Adrian on keyboards and Chris on bass guitar.

Juniors and seniors will be the lecturers, ushers and gift-bearers. All youths are urged to attend the celebration.

Due to the recent rash of burglaries committed at other local churches, ICC will remain closed during the day. Anyone who wishes to make a church visit may obtain a key from the rectory.

The Amarillo Catholic Schools will sponsor "Oktoberfest '91," on Saturday, October 5, from 6:30 to 11 p.m. at the Amarillo Civic Center. A buffet will be served from 7 to 9 p.m. and a dance will follow with music by the Clyde Logg Band. Tickets for the event are \$37.50 for adults, \$10 for children from 10 to 18 and \$5 for children 9 and under. Those holding adult tickets will be eligible for door prizes. Anyone who wishes to order tickets should check with Father Choong for an order form.

Grace Fellowship invites you to 'Ministry in Song' with Choir Youth for Christ and Jordoners from the First Church of God in Christ of Clovis at the Expo building in Dimmitt, Saturday, September 28th, 7:30 p.m.

Local cities receive sales tax rebates

State Comptroller John Sharp has issued checks totaling more than \$24,000 to cities in Castro County that collect local sales taxes.

Dimmitt received the largest sales tax rebate check — \$21,309.48. That figure is up 17.41% from last year's payment of \$18,148.86 for the same period last year.

The City of Hart was presented a rebate check in the amount of \$1,704.23, an increase of 82.49% from last year's comparable period.

Nazareth received a check for \$1,163.33, down 3.05% from the September 1990 payment of \$1,199.95.

Year-to-date, each city's rebate total is down from the 1990 totals through September, according to

Sharp's report.

September's checks to cities, counties, hospital districts and city transit departments include taxes collected on July sales and reported in August by businesses filing monthly sales tax returns with the state. This month's checks reflect taxes reported in June, July and August. Businesses file either monthly, quarterly or annually, depending on the amount of sales tax they collect.

Merchants collect the state's 6-1/4% state sales tax and any local sales taxes levied in the area and send them to the comptroller's office with their tax returns. The state retains its share and returns to cities, counties and other taxing entities their local portion of the sales tax.

PASSING THE GAVEL—Lee Schilling (left) accepts the gavel and the title of Kiwanis Club President from Jerry Kittrell during the club's installation and awards luncheon Monday afternoon at K-Bob's in Dimmitt. Schilling was installed as the new president. Other new officers include Neal Bryan, first vice president; Kennen Howell, second vice president; Roger Malone, secretary; and Acie Boyd, treasurer.

River Road pulls off 21-20 upset

By DON NELSON

River Road's Wildcats struck for three touchdowns in the first half, then held on for a 21-20 upset win over Dimmitt's Bobcats Friday night at River Road.

Dimmitt, a 15-point favorite, scored first with a four-yard TD run by Lincoln Stewart to take a 6-0 lead midway in the first quarter, and it looked as though it would be just another day at the office for the Bobcats.

But then the Wildcats took the momentum away from their visitors with a touchdown later in the first, and added two more in the second to gain a 21-6 halftime lead.

The Bobcats fought back to within a point at 21-20 on a pair of third-quarter touchdowns, and were marching toward the winning score in the final minute of the game when Wildcat linebacker Clinton Lowin intercepted a Tait Crow pass in the end zone to seal the upset.

River Road hiked its season record to 2-1 while Dimmitt fell to 1-2.

Although the Bobcats outgained their hosts 368 yards to 234, they were plagued by 128 yards of penalties on 14 miscues, and allowed the Wildcats to score two of their TDs on drives of only 54 and 38 yards.

"We should have won it," Bobcat Head Coach Bill Rogers said. "We had way too many penalties, and we got a late start."

"Also, I think our boys may have gone up there thinking we had it made, since we had beaten them 34-0 last year," Rogers said.

"We played poorly," he added. "Our defense just wasn't 'wrapping up' their ball carriers; our offensive line wasn't blocking; and when you have 128 yards in penalties you're not going to win the game—even against River Road."

The Bobcats' first drive, which started at the River Road 49, fizzled at the 1-yard line when the Wildcat defense held on fourth down.

But two plays later Dimmitt recovered a Wildcat fumble at the 3. After a one-yard loss on a first-down run by Derrick Thomas, Stewart started into the line, saw no opening, cut outside and raced to the corner of the end zone for the game's first TD. The Bobcats went for a two-point conversion on a pass from Crow to Jeremy Casey, but Casey was out of the end zone when he caught it.

River Road stormed back with a 72-yard drive that ended with the big, fast Dustin Tebo dashing 11 yards up the middle on a quick opener for a TD with 3:25 left in the first. Jimmy Cook booted the extra point to make it 7-6, and the Wildcats never trailed again.

Facing fourth-and-eight on the first play of the second quarter, the Bobcats opted to go for it from River Road's 46. But Crow's pass was long and incomplete, and the wildcats took over near midfield.

Six plays later, the Wildcats rang up their second TD on a 12-yard pass from Latham to Richard McMurray, wide open in the end zone. Latham completed three passes to open receivers on the scoring drive as Dimmitt's secondary failed to challenge them.

Cook's extra point kick was wide, leaving the score at 13-6 with the second quarter barely two minutes old.

That touchdown pumped up the Wildcats, and they added another on a 38-yard drive later in the period after the Bobcats got in a hole with 20 yards of penalties and had to punt against the wind from their own 15.

After Robert Ruiz fielded a high snap and got off a 23-yard line-drive punt, the Wildcats needed only four plays to get their third TD. Tebo scored it from 15 yards out on the same quick-opening dive play that had worked for River Road's first TD. Latham passed to Gabe Hill for a two-point conversion to make it 21-6.

The inspired Wildcats shut down Dimmitt's running game, and the Bobcats' next drive fizzled after five incomplete passes and two more penalties.

But the Bobcats came out with fire in their eyes in the second half.

Stewart took the second-half kickoff at the goal line and raced 100 yards up the middle for an apparent TD, but it was called back on a clipping penalty.

Two plays later, though, Billy

Ray Thomas—who had replaced Crow at quarterback—got the TD back when he broke through at the Bobcat 9 on a quarterback option play and outran the Wildcat defense 91 yards. Derrick Thomas was nailed behind the line on a crucial two-point conversion attempt, leaving the score at 21-12.

Dimmitt's third TD came after the Bobcats recovered a Wildcat fumble at the River Road 10 later in the third.

After a five-yard penalty moved the Bobcats back to the 14 on second down, Thomas ran left on an option, then hurled a bullet pass to Casey Summers in the end zone for the score. Guy Lewis ran for a two-point conversion to make it 21-20 with 5:08 still remaining in the third.

Penalties and a stiff Wildcat defense killed the Bobcats' next two

drives.

After halting a River Road challenge at the Dimmitt 20, the Bobcats launched their last desperate drive with 1:41 remaining in the game.

Crow completed a beautiful 34-yard pass to Robert Ruiz on a crossing pattern over the middle, and followed it up with a 25-yard aerial to Billy Ray Thomas and an eight-yard completion to Casey.

With 44 seconds left, Stewart gained a first down at the River Road 7 on a run off left tackle.

"At first, I thought field goal—have Tait throw the ball out of bounds and stop the clock, because we didn't have any time-outs left," Coach Rogers said.

"But we were moving the ball, so I changed my mind and decided to let them run it in. But I didn't have a swing man close to me to send in

to tell Tait, and he didn't know what I was thinking."

On first down, Crow passed over the middle into the end zone and Lowin intercepted it to kill Dimmitt's chance for a victory.

"When you're having to play catch-up and you get desperate, you're going to have those mental

mistakes," Coach Rogers said. "That's why I don't like to play catch-up ball."

He added, "Our mental mistakes

killed us all through the game. We lost it back there in the second and fourth quarters. I hope it was a learning experience for the kids."

TOUCHDOWN!—Dimmitt end Casey Summers (84) steps across the goal line after catching a 14-yard pass from Billy Ray Thomas in the Bobcats' game at River Road Friday night. This TD came with 5:08 remaining in the game and brought the Bobcats within a point at 20-21. But Dimmitt was unable to score again as the host Wildcats pulled off an upset.

Unbeaten Swifts bury Anton, 47-0

By KIM DOBMEIER

Five first-half touchdowns catapulted Nazareth to a 47-0 tromping of Anton Friday night in the Swifts' homecoming game at Nazareth.

Nazareth's stingy defense held the Bulldogs to 68 yards of total offense—52 on the ground and 16 through the air—and five first downs to lay the groundwork for the victory.

The win extended the Swifts record to 3-0, while Anton fell to 0-3.

The Swifts scored 41 points in the first half, and the second string offense finished out most of the second half.

Nazareth fullback T.J. Garza was the Swifts' leading scorer. He scored three second quarter touchdowns; quarterback Michael Schmucker rushed for two, and completed two TD passes to Adrian Farris and Nick Johnson; and tailback Lynn Nelson scored once to round out the Swifts' explosive scoring attack.

Schmucker finished the night with 5-of-12 completions for 151 yards and three touchdowns and rushed for another 32 yards. Nelson was the Swifts' leading ground-gainer, picking up 57 yards on 12 carries. Garza added 54 yards on the ground and amassed 54 yards on pass receptions. Johnson rushed for 24 yards and caught passes totaling 58 yards. Farris' 39 yards in pass receptions rounded out the team's offensive leaders.

It wasn't just offense that enabled the Swifts to dominate Anton, though.

In addition to limiting the Bulldogs to 68 yards on offense, the Swifts recovered four Anton fumbles and picked off three passes.

The Swifts' staunch defense was led by Garza, who recorded 11 tackles; Mac Annen, who had nine tackles; Bill Hochstein, who finished with nine tackles and two fumble recoveries; Russell Huckers, eight tackles; and Rick Leavitt, who recorded six tackles and a fumble recovery.

Nazareth's first score came early in the first quarter. The Swifts moved into Bulldog territory with 11:32 left in the period when Schmucker completed a pass to Johnson, who made it all the way to the Anton 12 before he was dragged down from behind.

Two carries by Nelson moved the ball to the six-inch line and on the next play, he got the call again and broke through the middle for the score. Johnson booted the point-after to give the Swifts a 7-0 lead.

With 3:27 left in the first period, Schmucker picked up his first TD, racing 17 yards on a quarterback keeper for the score. Johnson's extra point split the uprights to give the Swifts a 14-0 lead.

The Swifts' offense exploded in the second stanza, scoring 27 points and establishing a commanding half-time lead.

Garza scored his first TD of the game when he hauled in a 54-yard pass from Schmucker in the end zone. Johnson booted the PAT, giving the Swifts a 21-0 lead with 11:06 left in the half.

Garza struck again with 8:54 left in the second stanza when he broke through the Anton defense and raced 27 yards to paydirt. The PAT failed, leaving the score 27-0.

Minutes later Garza scored again—this time from 10 yards out. With 5:15 left in the half, Garza's 10-yard jaunt into the end zone, coupled with Johnson's extra point,

gave Nazareth a commanding 34-0 lead.

But the Swifts weren't through, yet.

Nazareth scored its last TD of the half with 1:07 left in the half when Farris caught a 24-yard pass from Schmucker. Another extra point by Johnson gave Nazareth a 41-0 half-time lead.

The Bulldogs showed one or two signs of life in the second half when Nazareth's second string was in the game, but the 'Dogs' effort wasn't enough to put points on the board. Anton's offense moved the ball to the Swifts' goal line midway through the third quarter, but Nazareth's defense held tough and the ball went back to the Swifts.

After a scoreless third quarter, Nazareth's offense started on its final scoring drive of the game.

Schmucker took the snap, kept the ball and picked up the last seven yards needed to score with 9:26 left in the game. The PAT

failed, leaving the final score at 47-0.

Game at a Glance

Scoring Summary

First Quarter
 N—Lynn Nelson 1 run (Nick Johnson kick)
 N—Michael Schmucker 17 run (Johnson kick)

Second Quarter
 N—T.J. Garza 54 pass from Schmucker (Johnson kick)
 N—Garza 27 run (kick failed)
 N—Garza 10 run (Johnson kick)
 N—Adrian Farris 24 pass from Schmucker (Johnson kick)

Fourth Quarter
 N—Schmucker 7 run (kick failed)

Records: Nazareth 3-0; Anton 0-3

TARANGO TAKE-DOWN—Nazareth linebacker Mac Annen (75) wraps up Anton's Artemio Tarango (carrying ball) and drops him after the Bulldog fullback gains one-half of a yard during third quarter action Friday night in Nazareth. Other Swifts converge on the scene to help out in case the

speedy Tarango slips away. Nazareth had few problems stopping Tarango and the Anton offense. The Swift defense forced the Bulldogs into committing seven turnovers and limited them to 68 yards on offense enroute to a 47-0 homecoming victory.

Dimmitt students prepare to celebrate homecoming

The Dimmitt High School Flame King and Queen will be crowned Wednesday night during the annual homecoming pinning ceremony at Bobcat Stadium, which is slated to begin at 8:30 p.m.

Candidates for Flame King and Queen are:

Freshmen: Cufemio Saucedo and Susy Ramires.

Sophomores: Guy Lewis and Mariza Rodriguez.

Juniors: Leonardo Mendoza and Haylei Wall.

Seniors: Lincoln Stewart and Michelle Flores.

Homecoming activities are planned throughout the week, with each day of the week being designated as a special "dress" day.

On Monday, students will dress according to a "College Day" theme. Tuesday is "Pajama Day,"

Wednesday is "Ugly Tie Day," next Thursday (Oct. 3) will be "Purple and White Day" and Oct. 4 will be "Dress Up Day."

Student clubs and organizations will participate in a decorating contest, with different clubs being given a section in the school to decorate.

Next Thursday's (Oct. 3) activities include the third annual mini parade, while the homecoming pep rally is scheduled at 2:55 p.m. Friday, Oct. 4.

Candidates for homecoming queen are seniors Holly Axtell, Michelle Garcia and Tory Matthews. The Homecoming Court will include junior Denicia Barrios, sophomore Mitzie Heller and freshman Raquel Salinas.

Before the Dimmitt-Denver City football game on Oct. 4, the Future Homemakers of America will sponsor a spaghetti dinner from 5 to 7 p.m. in the Richardson Elementary School cafeteria. Prices will be \$3.50 for adults and \$2.50 for children 11 and under. Tickets are available from any FHA member. Take-outs will be available and homemade pie is an featured attraction to this year's meal.

A LIGHT-YEAR is the distance that a beam of light will travel in a year's time—6,000,000,000,000 miles. (That's six quadrillion.)

Seventh, eighth grade Cats lose at River Road

Dimmitt's seventh grade Bobcats took it on the chin again last week, losing 48-0 to River Road.

The eighth grade game was closer, but River Road ran back a kickoff in the second quarter and added a two-point conversion to down Dimmitt's eighth graders, 8-6.

"Our boys played hard, but we made several mental mistakes," seventh grade coach David Webb said. "River Road had big, big boys."

In the eighth-grade game, Dimmitt took a 6-0 lead in the first quarter on a 12-yard scoring run by Dwayne Espinoza, who teamed with Albert Charles to pace the Dimmitt offense.

But River Road responded with a TD on a second-quarter kickoff return and the two teams fought to a scoreless standoff the rest of the game.

Linebacker Chad Rogers led Dimmitt's defense.

"Our kids played real well," Coach Don Bell said. "We just didn't score when we had the chance."

Dimmitt's eighth graders are now 1-1 and the seventh graders are 0-2.

Hart opens district play; Swifts, 'Cats on the road

The Hart Longhorns will open District 3-AA play, the Nazareth Swifts try to keep their undefeated streak going and Dimmitt hopes to get back on the winning track Friday night.

Each county team will be the visitor on the scoreboard this week, with Hart traveling to Lockney, Dimmitt going to Slaton and Nazareth traveling to Claude.

Kickoff in Hart's game will be 7:30 p.m. while game time is slated for 8 p.m. in Dimmitt's and Nazareth's contests.

Dimmitt at Slaton

Slaton's Tigers are likely to be the toughest test the Bobcats have faced this year.

The Tigers are undefeated after winning their first three games by an aggregate score of 98-28. They blanked Shallowater 28-0 in their opener, ran over Post 42-7 in their second outing, and downed Colorado City 28-21 Friday night.

"Slaton has a bunch of good, big kids," Bobcat Coach Bill Rogers said. "They've got Joe Williams at tailback, and boy, he's fast and has a lot of moves."

Williams (6-0, 185) was an honorable mention all-state runningback on last year's 6-4 Tiger team, which finished third behind Denver City and Brownfield in the 3-AAA race.

Williams will anchor the Tigers' multiple-I offense, which is patterned after Texas Tech's. Even their uniform colors (red, black and white) may make the Bobcats think they're going up against the Red Raiders.

The Tiger offense was hard-hit by graduation last year, but this year's successors — headed by Williams and all-district center Terry Sackett (5-9, 145)—have been showing that they're ready to play.

Defensive returnees are tackles Joe Rivas (all-district) and Kirk Harlan, linebackers Frankie Valdez and Michael Silva, and all-district back Andrew Jones.

"They do a lot of bumping around and shifting in their backfield to throw the defense off balance," Coach Rogers said. "They've got a good passing game, with an adequate quarterback and two favorite receivers."

"The main thing we have to do is get our kids up for the game after Friday's loss," Rogers continued. "Maybe the River Road game woke them up."

This will be the third straight road game for the Bobcats, and their longest one of the season. Kickoff time is 8 p.m. Friday at Slaton.

Hart at Lockney

After winning two of their three non-district clashes this season, the Hart Longhorns are ready to take on the best District 3-AA has to offer.

Hart opens 3-AA play Friday night when it travels to Lockney for the battle of the "Horns." Kickoff is slated at 7:30 p.m. at Mitchell-Zimmerman Stadium in Lockney.

In last year's matchup between Hart and Lockney, Hart walked away with a 24-0 victory and Hart Coach Alan Cherry wants a repeat of that performance this year.

Lockney has yet to win a game this year, losing to Ralls, Petersburg and Floydada. But Hart can't take the team lightly.

Lockney's team leader is two-way starter Juan Vargas (5-9 140), a halfback who has been timed at 4.7 seconds in the 40-yard dash. Last year, Vargas rushed for 870 yards and posted 345 yards receiving. He also started at defensive back.

Vargas is one of only three offensive and two defensive starters back from last year's 5-5 team. The rest of the returning starters are noseguard David Luna, end Carlos Raissez, and offensive tackle Shawn Hill.

Lockney operates out of a wishbone formation on offense and implements a 5-2 defensive lineup.

The Longhorns lost 13 seniors and seven starts to graduation last year and that puts a damper on experience this year. Lockney fields an experienced offensive line, but the backfield — with the exception of Vargas—is new this year.

JV Bobcats lose, 14-6

After a scoreless first half, River Road's junior varsity scored touchdowns in the third and fourth quarters to down the JV Bobcats, 14-6, here last Thursday.

Dimmitt's lone touchdown came on a 10-yard pass from Johnny Dozier to Eric Mays in the fourth quarter.

Billy Williams paced Dimmitt's offense, which gained 159 yards rushing to go with the 10-yard TD pass. Leading the JV Bobcats' defense were Phillip Thrasher and Michael Velasquez.

The loss dropped the JV Bobcats to an 0-3 record.

Week's schedule

FRIDAY: Bobcats at Slaton, 8 p.m.; Longhorns at Lockney, 7:30 p.m.; Swifts at Claude, 8 p.m.

Nazareth at Claude

Nazareth's defense, which has allowed opponents a mere seven points so far this season, will have a tough test Friday night when the Swifts travel to Claude to take on the Mustangs in a battle of unbeaten Class A teams.

Claude defeated Nazareth's District 2-A rival Happy Friday night by a 26-19 count, and pulled off a win against AA Clarendon earlier in the season.

The Mustangs use a run-and-shoot offense and Nazareth Coach Rick Price said "it should be a fun game for fans to watch."

"This will be a tougher test for us because they have a good passing game," Price said.

Paving the way for the Mustang offense will be returning quarterback Beau Brown, who earned second-team all-district honors last year. He threw for almost 1,000 yards in 1990 and had 11 touchdowns.

The Mustangs have added experience in the backfield with returning runningback Mike Campbell, who was named first-team all-district last year after compiling 530 yards on the ground and hauling in 345 yards in pass receptions. The Swifts will have to contain him in the backfield, because if he gets loose, he could go end-to-end—he's been timed at 4.6 in the 40-yard dash. Another starter back is Nathan Robason at running back, and he, too, is capable of breaking free for long-gainers.

The Mustangs also sport a lot of speed in the receiving corps, which includes three returnees including Ace Wheelchel, Raymond Brittain and Chris Eaton.

The front line is also experienced, with a second-team all-district selection, Patrick Martin, back along with P.J. Taylor.

With Nazareth's explosive offense and Claude's experience and talent at the skill positions, Coach Price said he expects a lot of points to be scored Friday night.

Defensively, returning starters include lineman Gilbert Collins, defensive back Eaton and linebacker Robason, each of whom claimed second-team all-district honors last year, along with six others.

ARTIST JOHN BANVARD (19th Century) used three miles of canvas to paint a panorama of the Mississippi River.

Thank you for reading The Castro County News!

ANTHONY WASHINGTON, aided by Gabino Amaya, drops Farwell's quarterback behind the line of scrimmage during Friday night while Hart teammates Israel Garcia and Richard Garcia look

on. Hart's defense shut out the Steers, enabling the Horns to walk away with a 19-0 victory.

Photo by Deana McLain

Hart bounces back with 19-point win over Farwell

By ADAM ARANA

Cesar Salas scored a pair of touchdowns and gained 127 yards on 19 carries to pace the Hart Longhorns to a 19-0 shut out over the Farwell Steers Friday night in Hart.

With the victory, the Longhorns improved their record to 2-1, while Farwell fell to 0-2-1.

Salas scored two 1-yard TDs while Coby Emery caught a 22-yard pass from Richard Garcia to complete the Longhorns' scoring.

In the statistics game, the score was close, but Hart kept the Steers out of the end zone to claim the win. The Longhorns compiled 259 yards offense, but allowed Farwell to gain 234. The difference in the game was turnovers—Farwell lost four fumbles and gave up three interceptions.

On Farwell's opening drive, it looked like the Steers would strike paydirt first when they worked the ball down to Hart's 10-yard line. But a key hit by Hart's Richard Garcia on a Steer ball carrier produced a fumble and Coby Emery recovered for the Longhorns.

Hart's offense didn't fare a lot better early in the game. The Horn offense stalled on its first possession, then turned the ball over twice on its next two drives.

The Longhorns finally found the

end zone with 2:07 left in the first quarter.

Longhorn Gabino Amaya dropped Farwell's punter for a loss, giving Hart good field position on the Farwell 25. Then Richard Garcia found Emery alone in the end zone for a 22-yard scoring strike. Salas booted the extra point for a 7-0 Hart lead.

The teams battled to a stalemate for the remainder of the first half, which was marred by turnovers and penalties.

Emery snagged two passes in front of the intended Steer defenders before halftime to help Hart maintain its 7-0 lead.

Hart Coach Alan Cherry must have seen weaknesses in Farwell's defenses in the first half, because the Longhorn offense came out in the second half and looked like a different team.

On their first offensive play of the second half, the Longhorns called on tailback Salas. He took a handoff and followed a path cut by the left tackle before breaking free and racing down the sidelines for a 60-yard play. That put Hart in excellent field position at the Steer 10. Three more carries by Salas gave the Horns a 13-0 advantage, as he barreled in from a yard out on the third carry. The extra point failed.

Later in the same stanza Salas struck again.

The Longhorns culminated a 47-yard drive with another Salas' 1-yard run with Jeremy Hawkins and Fred Reyna opening the path into the end zone. The PAT failed again, leaving the score 19-0.

Neither team could manage a trip to the end zone in the final stanza and Hart's defense picked off another pass and created problems for the Farwell quarterback to hold on to the shut out victory.

COLLINS PRESIDES—Dimmitt Mayor Wayne Collins, seated at right with his wife Darlene, ended his term as president of the Panhandle Regional Planning Commission during the organization's annual banquet last Thursday night in Amarillo. Here, PRPC Executive Director Gary Pitner praises Collins for his leadership during the year. Seated next to podium is Texas Attorney General Dan Morales, the banquet speaker. Photo by Don Nelson

Locals serving with PRPC

Dimmitt Mayor Wayne Collins gave the opening and closing remarks at the annual meeting of the Panhandle Regional Planning Commission last Thursday night in Amarillo, and also introduced the keynote speaker for the banquet. Collins served the 1991 term as chairman of the PRPC board of Regional Development Corporation Membership, Castro County Sheriff

Lonny Rhynes as a member of the Regional 9-1-1 Network Advisory Committee, and Reeford Burrous as a member of the Regional Solid Waste Management Advisory Committee.

Also, Nazareth was cited as a recipient of \$255,000 from the Texas Community Development Program.

Regional Service Award recipient Boyd Vaughn of Tulia was honored at the banquet.

directors, and will continue as a member of the board for the coming term.

Other locals who have served the past year on various boards and advisory committees for the PRPC include: Castro County Judge Polly Simpson as a member of the panhandle Job Training Consortium Board, Dimmitt City Councilman Wayne Proffitt as a member of the Regional Community Development Review Committee, Dimmitt City Councilman Robert Jones as a member of the Texas Panhandle

Lois Wales is honored at state WIFE convention

Lois Wales of Dimmitt and Marie Winders were honored at the Texas Women Involved in Farm Economics (WIFE) annual convention held recently in Lubbock.

Winders is a former Texas WIFE president and Wales was honored as National Hazardous Waste Chairman. Wales also is Texas WIFE's outgoing first vice president.

Pat Bagley, Evelyn Bradford and Mary Emma Matthews, all of Dimmitt, joined Wales in attending the convention. Matthews served as secretary for the state group in 1991.

At the convention, new officers were elected for 1992. They are Elva Reeves of Dalhart, president; Inette Johnson of Tulia, first vice president; Lou Simpson of Richland, second vice president; Emona

Miller of Tulia, secretary; Dodie McCoy of Hale Center, treasurer; and Janice Hughes of Flomot, publicity-historian.

WIFE members attended a seminar on water management presented by Harry Pruett, director of Water Rights and Uses with the Texas Water Commission in Austin; and Richard Bowers of Dumas, manager of the North Plains Water District.

Brian Murray, senior marketing specialist with the Texas Dept. of Agriculture in Lubbock, also spoke to the group and showed a video, "Make it Texas. It is a program to add value to the already \$32 billion agriculture dollars that Texas produces annually. By making finished products, Texas could add more dollars to the state's economy, ac-

ording to information in the program.

The banquet speaker was State Rep. James E. "Pete" Laney of

Hale Center. He updated the group on legislation enacted in the special session.

A special recognition program was presented honoring former Texas WIFE presidents and former officers of the National WIFE. Janinne Brooks of Silverton directed the program using an apple tree and placing apples on it to represent each officer.

Texas WIFE sold tickets on a king-sized quilt for their annual fundraiser and the winning ticket was drawn at the convention. The winning ticket belonged to Sid Berry of Hale Center and it was sold by Texas WIFE member, Dodie McCoy.

TEXAS WIFE OFFICERS—Two Dimmitt women were among officers for Texas Women Involved in Farm Economics which were honored recently. The 1991 officers, pictured from left, are Janice Hughes of Flomot, Mary Emma Matthews of Dimmitt, Lois Wales of Dimmitt, Inette Johnson of Tulia and Elva Reeves of Dalhart. Byrnes is honored for top production

Stan Byrnes of Dimmitt has been recognized as a top producer for July for the Mutual Group (US) Personal Financial Services division of Western States Life.

Byrnes has been in the insurance business since 1985. In April 1991 he contracted with Western States Life, the Personal Financial Services division of the Mutual Group (US), a wholly-owned subsidiary of Mutual Life of Canada.

Chamber asks for pheasant land leases

Landowners who wish to lease their land to pheasant hunters this season should sign up now at the Dimmitt Chamber of Commerce office.

Pheasant season opens a week later this year (Dec. 14) and will run through Dec. 29.

The Chamber office receives many requests for places to hunt, and it hopes to provide prospective hunters with an accurate list of landowners who wish to lease their land. Last year the chamber received approximately 200 requests from prospective hunters.

Members of the Chamber of Commerce may place their land on the list for no charge, but non-members will be charged \$20 to have their land included.

Anyone who wants to sign up, or who needs more information should call the Chamber office at 647-2524.

Police Calls

Friday around 7:15 p.m., Delicia Martinez, 22, of Dimmitt reported to police that another Dimmitt woman had slapped her in the face, and she wished to press charges of simple assault against the suspect.

Joel Saldana Madrigal of Dimmitt told police Saturday that someone had apparently entered his apartment and removed a firearm without his permission. He valued the gun at \$75. He named a possible suspect, telling officers that only his girlfriend and the suspect knew where he kept the gun.

Sunday night, Alice Mendoza and Mary Rodriguez, both of Muleshoe, told police that someone had broken out the driver's side window of their car while it was parked at the Star Dance Hall sometime between 8 p.m. and midnight. The pair said that a consider-

able amount of cash was taken from the car, and damage to the window was estimated at \$60.

John Alldredge of Dimmitt told police Monday night that someone had broken out a window at his home. The damage apparently had been caused by a rock, and repairs were estimated at \$50.

Disturbances at the Star Dance Hall resulted in several arrests Sunday night. Two Plainview men, ages 24 and 19, were taken in on misdemeanor charges of public intoxication and disorderly conduct around 10:15; then at 10:53 p.m., an 18-year-old Bovina man was arrested on similar charges. Shortly after midnight, a 24-year-old Texico, N.M. man was arrested in the dance hall parking lot for disorderly conduct.

A 21-year-old Dimmitt man was arrested on charges of driving while intoxicated. He was stopped around 12:37 a.m. Sunday in the 100 block of West Halsell after he had run the flashing red light at the intersection of Broadway and Bedford.

A flag valued at \$60 was reported stolen from the Town and Country Store in Dimmitt around 9:30 p.m. Friday.

Someone threw tomatoes in the driveway and yard of Camerino Gamez, 29, of Dimmitt. He reported the act of harassment around 9 a.m. Sunday.

*Together
We Can*

NEW OFFICERS of the Dimmitt Kiwanis Club were installed Monday during the club's noon meeting at K-Bob's in Dimmitt. New officers present at the meeting included (from left) Roger

Malone, secretary; Kennen Howell, second vice president; Acie Boyd, treasurer; and Lee Schilling, president. Not pictured is first vice president, Neal Bryan.

Taxpayers urged to attend budget hearing

In an informal public meeting concerning roads in Castro County, Pct. 1 Commissioner Harold Smith urged all in attendance to bring their concerns before the Commissioners' Court at the public hearing on the county budget, set for 10 a.m. Monday.

An investigator for the US Dept. of Housing and Urban Development (HUD), Ruben Carranza, was also in attendance at the meeting, but made no comments.

Smith told the group to urge others to attend the budget hearing, too.

Smith reported to the group that the total county budget for the coming year projects expenditures of a little less than \$1 million, and he said he requested \$400,000 of that for his precinct. He remarked that the other commissioners want to limit him to about \$250,000.

Smith also told those present that he expects an Attorney General's opinion soon that would endorse his intention to sell caliche from his land to private individuals, who would then donate it to the county for use in road improvement projects.

The other commissioners have objected to this in the past, saying that Smith is trying to work his way around the law prohibiting a commissioner from doing business with the county. Smith has been unable to donate the caliche directly because of objections from the leinholder on his property.

Smith voiced objections about being required by the other commissioners to use full-time help, rather than part-time or "contract labor." Smith said part-time help does not have to be paid retirement benefits or sick leave, or be allowed days off.

He stated that his "hands could lay down all day long, and I'm not allowed to terminate them."

However, the other commissioners have told Smith that workers may be terminated if he documents any violations of the county personnel policy by employees. But Smith also has been told that he

cannot fire workers just because he wants part-time instead of full-time employees.

Some of those attending the meeting were complimentary on the road improvements Smith has effected in his precinct, and several asked for improvements in their area.

Residents of Coronado Acres, a subdivision in the northern part of the county, again expressed the opinion that the subdivision roads had been accepted by the county in 1981, when the plat was approved.

Ray Busby said County Surveyor John Alldredge told him the county built the roads in the subdivision in 1981 and maintained them in 1982 through 1984, but when the commissioner changed in 1985, the subdivision was "forgotten about."

Rural resident Pat Elkins commented that she has been unable to get to town for extended periods

because of the condition of the county dirt road leading to her property. She noted that she has spent considerable time stranded in mud, and has even had disruption of her mail service.

She told the group that she and her husband, Gerald, had attempted to help in improving the road, but were told by the other commissioners that they had to meet Workers' Compensation and insurance requirements before they could help haul caliche to their road.

County Attorney Jimmy Davis replied that the county had to protect its insurance coverage by meeting those requirements or requesting the same from others.

Smith told the group to ask their commissioners to stop wasting money on grading dirt roads and instead spend the money to improve the roads.

'Our 100th Christmas' to be Open House theme

The Chamber of Commerce Merchants Committee has set Thursday night, Nov. 21 as the date for Dimmitt's "Christmas Open House" this year.

Theme of the event will be "Our 100th Christmas," to tie in with the city's and county's Centennial year.

Downtown retail stores will be asked to stay open until 9 o'clock that night for the benefit of shoppers. The annual "Christmas Open House" formally ushers in the holiday shopping season here.

The gazebo at the new Centennial Plaza on the courthouse square will be the center of activity. Plans call for Santa to be at the gazebo during most of the evening, and for the Centennial Singers to lead a caroling service there. The gazebo will be specially decorated for the Christmas season, Executive Director Delores Heller told members of

the Merchants Committee.

At their meeting last Thursday, committee members also heard an appeal from Doricell Davis, DISD assistant curriculum director, for volunteers to help with the Partners In Education (PIE) program.

Davis asked that businesses and professional offices encourage employees to give one hour per week "or even an hour per month" to help with such tasks as photocopying, office work, bulletin boards, one-on-one training with children, etc., in the three local schools.

Those interested in performing volunteer service in Richardson Elementary, Middle School or DHS may contact program coordinator Debra Goldsmith or anyone in the DISD administration building.

Bill Henderson is chairman of the Merchants Committee.

More about Indictment . . .

(Continued from Page 1)

22, of Hereford were indicted on charges of driving while intoxicated, stemming from separate incidents.

A 22-year-old Hart resident was indicted for a sexual assault allegedly committed in June, but the name of the defendant was being withheld pending an arrest.

An 18-year-old Lubbock resident was indicted for participation in a cotton gin burglary at Sunnyside and for theft of copper wire. His name was also withheld pending an arrest. Davis indicated that other indictments or complaints could be issued as the result of that continuing investigation.

Locals place at Tri-State Fair

Several Castro County residents won ribbons and prizes at the Tri-State Fair, held last week in Amarillo.

Four individuals won first place honors in various competitions, and two "Best" titles were garnered in the rabbit show.

Hoppin T Rabbity of Dimmitt, owned by Sonny and Alene Thomas, took Best of Breed honors with a Silver Martin; and the Best Opposite Silver Martin was shown by E.J. Rabbity of Dimmitt, owned by the Jim Everetts.

In the Junior Lamb Show, Tait Crow showed the first place lamb in Fine Wool Class 1, and Justin Gleghorn had the third place Fine Wool Cross in Class 2.

In the Junior Shorthorn Heifer competition, Jason May of Dimmitt took first place honors in Class 1 and in Class 3. Janie May of Dimmitt took third in Class 2, and second in Class 4. Jason also showed the third place animal in Class 1 of the Female Shorthorns.

In the Junior Barrow Show, Jay McCormick of Dimmitt showed the second place animal in Class 4, the third place winner in Class 3, and

the sixth place finisher in Class 1.

In the Junior Steer Show, Carla Petty of Dimmitt showed the first place steer in Class 6 of the English Steers, and Sherilyn Hunter of Dimmitt showed the third place winner in Class 4.

In the Exotic Steers division, Hunter displayed the third place animal in Class 3, Aaron Wilcox of Dimmitt won fourth place in Class 2, and Justin Sutton of Dimmitt took seventh place in Class 7.

In the Angus Show, Sy Olson showed the second place winner in Class 2; and Moriah Olson showed the second place winner in Class 3 and the third place winner in Class 1. Sy also took second place honors in Class 8 in Intermediate competition.

Olson Cattle Co. showed the third place winner in Class 23 for Angus Bulls; third in Get of Sire; and second in Junior Get of Sire.

"Copper Penny" showed by Janet McDaniel of Dimmitt garnered four awards in the Mule Show. "Penny" took first in Mule Trail and Clover Leaf Barrels, second in Mule Pleasure, and third in Straight Away Barrels.

Record keeping course to be offered at Halfway

Producers wanting to learn more about developing financial statements to improve their record keeping should sign up for a new course to be taught Oct. 2 and 3 at the Texas A&M University Computer Training and Education Center at Halfway.

The course will utilize Quicken 4, a low-cost, easy-to-use cash record keeping system that is popular among South Plains farmers.

The course will run from 9 a.m. to 4 p.m. each day and cost for the session is \$100, which includes workshop materials and a catered lunch each day. Registration is limited to ensure hands-on participation and the deadline for registration is Friday.

With the decrease in the cost of computers and the improvements in low-cost, high-quality software, computerized cash record keeping is an option for more and more farmers, said Dr. Jackie Smith, economist and management specialist with the Texas Agricultural Extension Service in Lubbock. In our rapidly changing agricultural environment it becomes increasingly important to have information for making decisions at our fingertips, he said.

Participants in the course should be familiar with the Quicken software and have used it enough to be comfortable with transaction entry. The course will begin with a review of Quicken 4, highlighting entering, memorizing and splitting transactions and use of accounts, categories and classes. Other review topics will include report options and shortcuts to speed transaction entry. Transferring between accounts, customizing, filtering and closing out a year will be covered. Emphasis will be placed on generating reports for complete financial analysis, including the cash flow plan, balance sheet and income statement. QuickPay, a new add-on feature that simplifies payroll record keeping will be introduced.

For more information, contact the county Extension office at 647-4115 or Dr. Jackie Smith at the Texas A&M Research and Extension Center in Lubbock at 1-746-6101.

More about

California filmmakers . . .

(Continued from Page 1)

sent Louis (Venosta, who wrote and directed the movie) out and he scouted the area, liked what he saw and decided that this was where he wanted to shoot his film.

Rosenblatt said in addition to finding green corn here, another factor which influenced their decision to shoot the film here was the "beautiful land" and "endless horizons."

While a house in Hereford was used for interior shots, the home of Jackie and Sandra Clark, 8-1/2 miles south of Dimmitt on FM 1524 was used for exterior house shots.

The Clarks were approached about using their home in the film by Roger Sterling, a member of the production staff whose job was to secure shoot locations. Mrs. Clark said he was an extremely nice person, as was Ashbrook.

Mrs. Clark said the scene shot at her home involved Ashbrook and Bohrer. Bohrer had just told her boyfriend, Ashbrook, that she'd had an affair with his best friend, Wilder. In the scene shot at the Clark home, Ashbrook has just rushed out of the house in a temper, crawls in his pickup and tears out of the driveway while Bohrer stands in front of the door quietly saying, "I love you."

The shots filmed at the Clark home were made on Sept. 14 between 4:30 and 8:30 p.m., according to Mrs. Clark, who adds that she found the production very interesting.

The crew filmed scenes up and down the road past the Clark home all day long, according to Mrs. Clark. She said they also used Harold Hyman's corn field and shot a couple of scenes at "Shotgun Canyon," on J.M. Wright's land.

Coriolis Effect is written and directed by Louis Venosta, who also wrote and co-produced *Bird on a Wire*, which starred Goldie Hawn and Mel Gibson. *Coriolis Effect* is an independent film and Venosta is financing the project.

Rosenblatt said their hope is to have the movie in film festivals around the country and they also hope it will be good enough for Academy Award consideration in the short film category.

"I think it's good enough to win," Rosenblatt said.

The entire picture will be shot in the Dimmitt-Hereford area and although the production staff has tornado footage from various sources, Rosenblatt says they probably will "create" their own tornado.

"In *Wizard of Oz*, they did it ("created" a tornado) with a stocking. They anchored the stocking to a base plate, then spin it with different things inside of it and it creates a swirl that looks like a tornado. We're probably going to do that. Then we'll deposit (superimpose) that into the sky background we shoot here. The tornado's the only thing that'll be shot in the Los Angeles studio," Rosenblatt said.

Each of the actors appearing in *Coriolis Effect* have credits in television and films.

Ashbrook appeared in the ABC television series *Twin Peaks* and after wrapping up his part in *Coriolis Effect*, he left Friday for Seattle

to film a *Twin Peaks* movie.

Bohrer will be in the new television series, *Man of the People*, which stars James Garner. Her other credits include a stint in *Police Academy Four* and *Vice Versa*.

Rubin just finished shooting another movie, *Delusions*, which recently premiered. She also has played in *The Doors* and *Mobsters*.

Wilder has played on the ABC television series, *Equal Justice*.

- Sunray 31 over VEGA

PCCA announces FY 1991 profits

Plains Cotton Cooperative Association has announced total net margins of \$17.1 million for fiscal year-end June 30, 1991.

The announcement was made at the Lubbock-based cooperative's 38th annual stockholders' meeting in Lubbock.

The earnings are second only to 1988's \$18.5 million.

During the meeting, the following directors were re-elected to PCCA's board. They are Larry Lockwood of Spade, Eddit Smith of Floydada, Charles Macha of Opdyke and Jackie Mull of Idalou.

PCCA Chairman Jackie Mull announced the board has approved cash distribution totaling \$10.5 million from the 1990 crop earnings.

"Most of the checks for this \$10.5 million already have been mailed, and the balance will be mailed within a few days," Mull said.

PCCA also reported record sales of more than \$700 million on two million bales handled from the 1990 crop, the second highest volume in the cooperative's history. The previous record sales, just under \$500 million, was established on the 1989 crop.

"Since PCCA purchased the denim mill at Littlefield four years ago, our earnings have totaled almost \$68 million, or about \$17 million per year," PCCA President C.L. Boggs said. "From those earnings, more than \$40 million cash dividends have been paid, or a little over \$10 million per year. Members' equities in this cooperative have grown from slightly more than \$16 million in 1978 to over \$73 million today, providing much needed capital," he added.

Boggs also reported acceptance of PCCA's Electronic Title System (ETS) continues to increase. First introduced in 1989 at PCCA's Sweetwater warehouse, ETS was utilized by the four cooperative warehouses in West Texas and Oklahoma last year. This resulted in substantial savings for the local cooperative gins and the buyer of this cotton by eliminating the

handling of paper warehouse receipts.

"We have extended ETS to South Texas cotton producers this year through Gulf Compress in Corpus Christi," Boggs explained. "We believe ETS will be accepted by the entire US cotton industry within just a few years."

PCCA members approved an amendment to the cooperative's by-laws during the annual meeting. The change will permit implementation of a special retirement plan for marketing division equities.

"This should result in substantial additional cash distributions to our stockholders within the next two months," Boggs stated.
