

TEACHERS HAVE FINE PROGRAM

Smaller Attendance Than Expected—Dr. Vinson and Miss Blanton Unable to Come.

The meeting of the Panhandle Teachers' Association Friday and Saturday was a decided success in spite of the fact that the attendance was not so large as was contemplated by President Fertach of the Hereford school, who offered a very fine program.

Dr. R. E. Vinson, president of the State University, and Miss Annie Webb Blanton were both detained in Austin by business and this fact took some interest from the program.

Prof. F. P. Guenther of the Foreign Language Department of the Normal College, delivered the address of welcome on behalf of Canyon and of the college as well. In his talk Prof. Guenther referred to the campaign being waged for higher salaries for teachers. He advocated the organization of teachers into unions so they might better back up their demands for justice. He declared that organization was one of the pertinent questions facing the educator today. However, he said that he was opposed to using the strike as a method for enforcing the demands of a teachers' organization.

Scuffed at Attitude
Prof. Guenther scuffed at the attitude which has been taken in the past that it was unethical in the profession to agitate for increase which were so necessary in order that a teacher might be free from financial worries and deliver better service.

W. R. Silvey in giving a response to the address of welcome, told of having been a member of the first organization of Panhandle teachers, that being in 1894. Only seven or eight teachers were present at the first meeting. Mr. Silvey is now superintendent of schools at Pampa, but held a similar position at Clarendon for a number of years.

At the morning session Prof. Wallace R. Clark, of the Normal College faculty led the audience in singing, after which President J. A. Hill led a responsive scripture reading. Rev. William P. Garner, of the Episcopal church, delivered the invocation.

The opening session of the association was simultaneous with the regular chapel hour. The Normal College and the entire student body attended. Teachers were allowed the privilege of dismissing any of their classes so that the students might attend the lectures of the association.

Miss Katherine Gray, of the State Department of Education, spoke briefly at the morning session, stressing the importance of securing more money for school purposes. This can be done, she asserted by amending the constitution which now has a minimum fifty cent tax levy.

Dr. H. W. Virgin, pastor of the First Baptist Church, of Amarillo, made an address in regard to the keeping fit movement, being one of the speakers on the conference held in connection with the association.

In prefacing his remarks, Dr. Virgin declared that adequate salaries for the teachers were more important to the public than to the teachers themselves. At the same time, he said that teachers, ministers and other persons should not lose sight of the altruistic views of their profession, that the social evil was the greatest problem facing the American people, so told of the problems France, England, Austria, Hungary and other nations in fighting this evil.

Fighting this problem was more important than bolshevism, radicalism and other destructive elements in the country he continued. The best way to overcome the social problem, according to Dr. Virgin, is for parents, ministers and teachers to co-operate.

He declared that there should be no shame in openly informing children when they reach the proper age about reproduction of life. Such instruction would do much to prevent sorrow in later years, he asserted.

The school situation in Texas was frankly gone into by Miss Gray. She gave appalling figures of conditions in Texas and told of things that must be done to get relief. She compared the school condition in Texas to a star with five points, three of which were of children in common schools, one for those in secondary class high schools, and another in the nine months high school.

DISTRICT COURT CLOSED FRIDAY

Vera Nolan Johnson Fined \$100 for Marriage After Divorce—Davis Gets New Trial 1st Case

Judge Henry S. Bishop was here Friday to close up the business of the district court.

In the case W. A. Rader vs. M. B. Files the plaintiff was given a judgment for \$620.

Mrs. Vera Nolan Johnson was held in contempt of court and fined \$100 for marrying before the proper time had elapsed after receiving a divorce from this court. In the district court last fall she was divorced from Clifford Nolan. She recently married Jack Johnson in Amarillo. Under the Texas law a divorcee may not marry within one year's time after the decree is issued.

The grand jury was dismissed Friday. No further bills were presented to the court.

A new trial was given Ray Davis in the case wherein he was charged with forgery and found guilty by a jury last week. His bond was set at \$1000. Judge Bishop sentenced him Friday in the other case wherein he was found guilty of theft of a load of wheat from Mr. Findley. Notice of appeal was given. He is now in jail awaiting the decision of the higher court.

Geo. A. Brandon, trustee, vs. C. R. McAfee was dismissed, the case having been settled out of court.

The case State of Texas vs. H. T. Knight from Potter county, under indictment for bigamy, was returned to Potter, court. Knight has been in jail for some time.

The disability of minor was removed in the case of William Valentine Fletcher, B. Frank Buie being appointed by the court as special guardian.

CLUB STOCK HOLDERS TO MEET MONDAY FOR SALE

The proposition of selling the Canyon City Club grounds to the Baptist Associations will be taken up Monday afternoon in a special meeting called by G. G. Foster, President of the Club, on petition of the proper number of stockholders.

Rev. B. F. Frombarger has offered the club stockholders \$85 per share for the property.

If the grounds are sold the property will be used for an encampment ground for the various Baptist Associations of this part of the state. It would bring a large number of people to the city during the summer months. Extensive improvements would be made on the grounds. At times where there were no encampments the public would be free to use the grounds under certain restrictions.

No canvass has been made as to the stand the owners of stock will take regarding the sale.

COMMERCIAL LEAGUE MEETING TO BE HELD TUESDAY

The regular monthly meeting of the Randall County Commercial League will be held next Tuesday night at the News office at 7 o'clock.

All of the business men of Canyon are expected to be present, and all interested in the welfare of the city and county are invited to come.

Land Sales Made.

J. S. Pool has sold his residence in the east end to Mrs. M. B. Lyon of Petersburg and will build a new house on his land north of the Normal campus.

John Battenhorst has bought section 138 of Parker D. Hanna.

Edgar Money sold his residence east of the C. N. Harrison home to John Fry yesterday, possession to be given when Mr. Money gets the hay fever and heads for Arkansas.

C. L. Carson has sold the section he recently bought of E. C. Dodson to S. F. Foster for \$32.50.

E. M. Shenefelt has sold his half section east of Happy to Mr. Tippett for \$37.50.

C. M. Greenfield sold the north half of Survey 131, Block B-5 to L. T. Lester.

Miss Lee Taylor sold her resident and four lots to S. H. Heyzer for \$4200.00.

J. A. Hazelwood has bought the W. R. Slaton house.

Stork Special

A 9 pound baby girl was born to Mr. and Mrs. Lorenzo Wirt, Wednesday morning.

A. & M. FOR WEST TEXAS IMPOSSIBLE BELIEVES LOCKNEY BEACON--EXPANSION OF W. T. S. N. C. IS NECESSARY

In certain parts of West Texas agitation is rife as to the erection of a West Texas A. & M. College. The matter was sprung a while back by certain commercial interests and there are already several towns in the running for the school. We believe it was Editor Lee Satterwhite of the Panhandle Herald who suggested that the location be incorporated in the bill. Now come the Colorado Record and suggests that the commercial clubs of West Texas hold a delegated meeting at Sweetwater and decide on a location and adopt a platform, as it were suggesting the location, etc. It seems that this is a case of counting the chickens before they hatch. There is little chance that East, North and Central Texas will allow a West Texas A. & M. College established at this time. They decide all matters pertaining to West Texas and if they can get something in turn they might conclude to establish this school long enough to put over their plans, and then kill it before it is finally located. We remember the fate of the last West Texas A. & M. college bill. West Texas representatives through trades with East Texas and other sections a West Texas A. & M. College was located. After they got most of their Junior Colleges and other schools located they proceeded in special session of the Legislature to kill the West Texas College bill, or rather repeal the law creating same. The only way to revive this issue in the Legislature will be by compromise, but the matter of guarantee of the faithful performances of their promises will be where the rub will come in. We would like to see the school located at some future date and on plans that would be fair and just to all competing towns. To have a location incorporated in the bill creating the school would engender as much politics as through the old committee locating plan. If the school is created we see no reason why its location could not be left to a fair and impartial committee of West Texas business men.—Lockney Beacon.

The News believes that Editor Ben Smith has stated the case well in the above article. This opinion has been expressed a number of times recently during the agitation for a new West Texas A. & M. College, and the more the people of the Panhandle think over the project, the more they are of the opinion that the Legislature will never establish

this college. The West needs it. The West deserves it. The West should have it. But Texas politics is Texas politics.

The people of the Panhandle are especially interested in having a real agricultural school in our section. When the locating committee placed the former school in question at Abilene, there was a great roar from the Panhandle-Plains folks. The school would have been of little more use to the people living in the Plains of Texas than is the present A. & M. College at College Station. What the people of the Panhandle-Plains country need and must have is an agricultural department which is located in our midst and which is right here on the ground studying the conditions that are confronting us. Very few boys from the Panhandle have ever attended the Texas A. & M. College. A little larger number have gone to either the Kansas or the Oklahoma Agricultural College, which give courses more particularly fitted for the boys who will farm this section. But neither are fitted to study the problems which actually confront the farmers here in the Panhandle-Plains country. What this section needs is a college located on the Plains which can take care of the needs of this section.

The Panhandle can never hope to get such a college from the state legislature. There is always a demand on the part of the people for lower taxes. There is always an increasing demand for more money at the hands of the legislature. The people of Texas feel that they now have about as many schools as they need. In fact, there is a movement on foot now to have the proposition submitted to the people of Texas at the November election prohibiting the creation of more state schools in Texas. Representative Lee Satterwhite went to the legislature two years ago with the definite proposition in mind of asking for a Junior A. & M. College for the Plains. As a member of the appropriations committee he saw the huge demands of the existing institutions and decided that it was not the best time to put his proposition. He now has in mind that the only way there can be established on the Plains departments which would offer the advantages of an A. & M. College and an Industrial Arts College, is to expand and enlarge the Agricultural, Domestic Science and Manual Training Departments of the West Texas State Normal College. He has thoroughly worked out the idea with leading citizens of the Panhandle-Plains country, and will be in position to present to the legislature a plan which will not only give to the young men and women of this section the advantages

of the greatest school in the southwest, but also save thousands of dollars to the State of Texas in the yearly appropriations. To establish a new school would cost at least half a million dollars as an original appropriation with a large and increasing appropriation each year. The legislature is not willing to give the Panhandle more than this section can trade for with East and South Texas. These sections have about all the schools they want. It is therefore, up to this section to put up a solid front for the development of the only state school in this section and make the greatest school in the state, covering all of the demands imposed upon it by the needs of the section.

It has been ascertained that with an additional appropriation of \$100,000 for the West Texas State Normal College the boys and the girls of this section may be offered a four years' course in agricultural, domestic science and manual training. The arts, language, history and other departments always necessary to any college are already established, thus saving the state this expense. Every business man in this section to whom the proposition has been presented believes that the expansion of the West Texas State Normal College is the only chance this section of the state will have to get introduced into this section departments that offer courses which are demanded by the boys and girls of the Panhandle-Plains.

The Panhandle-Plains Chamber of Commerce through its efficient Secretary-Manager, Frank R. Jameson, is investigating the proposed expansion of the West Texas State Normal College. It is believed that the thirty-eight counties embraced in this organization with a territory larger than the states of either Ohio or Indiana, will be lined up solidly behind the proposition before the legislature meets and will demand that this advantage be offered to the boys and girls of this section. Mr. Jameson points out that the small grain crop alone in the Panhandle-Plains country in 1919 amounted to more than the total output of the great oil fields. The money that the state spends in teaching the boys and girls how to better farm this section will only be a loan to this section which will largely be paid back in the increased taxes which this section will pay back on account of the greater production under more scientific cultivation.

Much men are Satterwhite and Jameson and Editor Smith, who know that it is impossible to get a new A. & M. College for the Panhandle-Plains country, will readily appreciate the practicability of a united effort on the part of this section in expanding the school that is now located here and doing such a great work for the boys and girls of this section.

HIGHWAY INSPECTED BY OFFICIALS

Too Narrow a Grade in Few Places—Changes to be Made and Final Inspection next Monday.

The state and federal engineers were here Tuesday and together with the members of the commissioners court inspected the new Highway running through Canyon from Happy to Amarillo.

With the exception of three places, the highway meet with the approval of the inspection party. In these places the grade was a little too narrow. The contractors will widen the grade and hope to have the work completed so that another inspection may be made Monday and the highway finally accepted.

The highway is very fine all of the way through the county, but with a good rain and dragging, the road will be put in much better condition. The commissioners are planning to drag the highway well after each rain thus giving the county a fine road under all conditions, and prolonging the life of the road bed. The specifications for the west road will be ready for the highway department within a very short time.

Flesher for Re-Election.

County Judge C. R. Flesher authorized the News yesterday to announce his candidacy for re-election to the office of County Judge for the coming term.

Judge Flesher has held the office during the past two terms and submits to the voters of Randall County the record of the county during these years for their approval at the polls in the Democratic Primary in July.

If re-elected to the office Judge Flesher will use the same good business judgment in the discharge of the affairs of the office as he has in the past.

Gerald to Manage Redfearn Store

A deal was closed Tuesday whereby Ed Gerald bought a half interest in the Redfearn & Company store, and after April 1st will become manager of the business, taking the place now held by J. M. Redfearn.

Mr. Redfearn is retiring from the business in order to devote his whole time to the Randall County Oil & Development Company, which is soon to start drilling south of the city.

Mr. Gerald is well known to the people of Canyon. He has made this his home for some years. Before coming to Canyon he engaged in the mercantile business and is well acquainted with this work.

School Election April 3.

The election of school trustees for the Canyon Independent School District will be held Saturday, April 3. The following names have been suggested to the board for election:

- J. A. Cheatham,
- Oscar Gamble,
- Worth A. Jennings,
- N. E. McIntire.

Had Operations in Amarillo.

It became necessary to remove Miss Hudspeth's eye which has been giving her so much trouble during the past few months. The operation was performed yesterday.

Mrs. S. V. Wirt was taken to Amarillo Monday where she had an operation Tuesday. She is reported to be in a serious condition but he friends trust the operation will be successful.

Reception for New Pastor.

The members of the Presbyterian Church gave a reception Thursday night at the Grayson Bell home in honor of Rev. and Mrs. Ted P. Holifield. About two hundred members of the church were present. The members of the Ladies Aid Society and officials of the church had charge of the entertainment. An appropriate program of music and recitations was given. Dr. Ingham played a violin solo, Wallace R. Clark sang, and readings were given by Misses Murphy and Black.

In behalf of the congregation J. W. Reid extended welcome to Rev. and Mrs. Holifield. Rev. Holifield responded.

Refreshments of cake and ice cream were served by the Ladies Aid.

If Uncle Sam wants to get out of debt all he needs to do is to turn his shipyards into outboard factories.—New York World.

HENRY SCHULTZ BUYS FINE BULL

Holstein With Great Pedigree Brought to Randall County by Henry Schultz Saturday.

Henry Schultz returned Saturday from Newton, Kansas, with King Pearl Korndyke Pontiac, one of the best bred Holstein bulls in the United States, and the highest priced bull of this breed ever brought to the southwest.

The bull is from the noted herd of J. T. Axtell of Newton, Kansas, His dam is the champion cow of the state of Kansas. She produced 30.8 pounds of butter fat in 7 days and 123 pounds in 30 days. She is in the herd of Ex-Gov. Stubbs who has refused \$3000 for her. The bull is sired by a brother of the world's record Holstein bull.

County Agent Walker pronounces the bull of Mr. Schultz's one of the finest he has ever seen.

Mr. Schultz is to be complimented on bringing this fine bull to head his herd.

Little Rain Last Night.

Rain fell during the night in Randall County. The amount was not great but will do much toward getting the oats and grass started. The wheat is going fine, but needed a few showers such as fell last night.

City Election April 6.

The annual city election will be held on Tuesday, April 6. Three Aldermen are to be elected at that time, the term of office having ex-

pired for J. W. Reid, C. D. Lester and J. M. Redfearn.

So far no names of prospective candidates have been proposed to the city secretary for a place upon the election ballots.

NOTICE!

To Our Customers:

If you hold any bonds of the following issues of temporary COUPON LIBERTY LOAN BONDS, they should be sent in and exchanged for PERMANENT BONDS:

Temporary FIRST LIBERTY LOAN CONVERTED 4 PER CENT COUPON BONDS;

Temporary SECOND LIBERTY LOAN 4 PER CENT COUPON BONDS;

Temporary THIRD LIBERTY LOAN 4 1-4 PER CENT COUPON BONDS.

All interest coupons of the above issues must be detached before bonds are sent in.

We will be glad to assist you in exchanging your TEMPORARY BONDS for PERMANENT BONDS, but must ask that you notify us PROMPTLY if you wish us to do so as we are now preparing our lists in which proper request must be made for exchanging bonds of the above issues, and these lists should go forward PROMPTLY.

WAYSIDE ITEMS

Weather continues dry with high winds at intervals. Oats needing moisture. Wheat is looking well.

Some lakes are drying up. Something like a year ago 21 German Carp were placed in a lake in the Vigo Park community. Within the last few weeks some thousands of pounds of fine fish have been taken from this lake. One hundred and sixty one catfish were put in at the same time, but they didn't do so well.

Mrs. E. P. Bradford lies very ill at the home of her daughter Mrs. E. J. Fisher. She requires constant attendance day and night.

Mr. Ellis G. Knight of Salem community died suddenly at his home, March 17, 1920, 6:40 p. m. Mr. Knight was born in Pickens County, Ala., April 4, 1844. He leaves a wife and six living children to mourn their loss; also a number of grandchildren. George the eldest son of Birmingham, Washington, was the only child not in attendance at the funeral of their father. He was laid to rest in Wayside Cemetery the 19th. Funeral services were conducted by Rev. Barrett of Tulsa. A large crowd followed the body to its last resting place. Mrs. Knight is prostrated with grief, unable to attend the burial.

Mrs. Ruby Aycock has a sick baby. She is a niece of Mrs. M. L. McGhee.

Wm Payne left Wednesday on a business trip, returning Friday night accompanied by Mrs. W. R. Franklin and children of Amarillo, who will visit around Wayside for some time.

Mr. and Mrs. Joe Rogers of Guyton, Okla., also Mrs. Jno. Stockett and Roy, of Amarillo, came in Sunday and will visit at the parental home for some time.

Rev. Chas. McNeely, wife and daughter came to Wayside Sunday where he delivered an earnest and helpful sermon Sunday a. m., preaching at Beverly in the afternoon and again at Wayside Sunday night.

Bill and Leonard Helms have bought a new truck, 2 1-2 tons capacity. They are having a body put on it.

"Can you support a family?"
The cautious father cried.
"I only wanted Emily."
The wise young man replied.

What has become of the talk indulged in some years ago, of the desirability of annexing Cuba? — Los Angeles Times.

Working the Ouija Board

State Press in the Dallas News was asked to explain the ouija board to a lady, and here is his answer:

And the way to work it is simplicity itself. You approach the ouija board in a firm frame of mind, holding out your right hand tentatively, like offering to milk a cow. Make the preliminary flourishes soothingly, saying "saw" or "sokow" in a wheedling tone of voice. If the ouija board doesn't kick or swish its tail, lay on the hands, with tongue in cheek. At this point the similarity to milking ceases. The ouija board sometimes stands on its hind legs, but it never bellows or blows bran mash in the face of the manipulator. If the spirits are up and about they will soon begin sending messages through the ouija board. They are foolish messages for the most part, indicating that the spirits who are assigned to the ouija board department are either dull or jocular. They don't seem to have any more sense than the rest of us, which is a national calamity. Some people go crazy over ouija boards and concomitant interests. Therefore, folks who are weakminded to begin with should steer clear of ouija. The idea that the dead converse with the living through such a toy would be comical were it not sometimes tragical. Let ouija alone. She's worse than a vamp.

Come to Canyon to live.

Courting Trouble

Jenks is no more of a hypochondiac than other people, but he was heard talking to himself as follows: "Here I am eating my usual diet of fried food, canned meats, doughnuts, pie, wine, tea and coffee. It makes me sore to even think of wholesome foods like bran, gems, eggs and milk. My stomach must be in a frightful condition; I'll go and see a doctor."

Later at the doctor's office he explained: "Doctor, although I feel A No. 1, my diet has been such that I feel sure it must have injured my digestion. Please examine me thoroughly and then tell me if you honestly think I am in need of the services of the profession which affords you a livelihood."

Young Man, Go South.

Dr. Samuel Guy Inman, secretary of the Co-operative Mission Board of Latin America in New York says:

"Untold opportunities are open to young men in the Latin American countries," Dr. Inman said. "Mexico and South America, the principal Latin American countries, offer countless opportunities for the right man to develop. Starting at the Rio Grande and continuing south through Mexico, Central America and into Argentina and the West Indies resources of wealth abound in every country. Young man, go south."

A Woman's Easter at the Regent's Mode Shoppe

Is Merely a Matter of Choosing the Most Becoming Shapes

Trim Suits

From the rough tweed for sports wear to the delicate faille for semi-formal wear, all types of suits are here. Emphasis must be placed on the tricotines and men's wear serges—they are more attractive than ever in their swagger tailoring and graceful lines. All the needlework is above reproach—and all the styles are distinctly wearable. All types of women have been considered—and none have been forgotten.

Our Motto: Elegance Without Extravagance
We Bring New York to You

Different Dresses

Tricotine and taffeta, satin and meteor, prettily printed Georgette—these are the fabrics. But they have been used in so many new and novel ways that they hardly seem the same as in springs gone by. The dainty pleating, the apron tuniques, the effective embroidery, the deft use of tassels and ribbons—all are essentially new and decidedly refreshing. Jaunty youthful frocks and sober matronly ones—and any number of stages in between.

Coats of Charm

Wraps that will swathe their fortunate wearers in folds of most fashionable fabrics and lines of bewitching beauty. Duvelyn, Evora, the new Corda-Val—what masterly materials—and how artfully colored in shades of jade and olive and springlike tans! And for the tailoring—we can only say that it is good enough to be worthy of the capes. The more moderately priced coats have their own way of being lovely, too.

Better Blouses

BEAUTIFULLY CONCEIVED AND CLEVERLY EXECUTED
Each blouse has its own little way of being unusual. A bit of chenille embroidery here, a diminutive ruffle there, some tucks placed as tucks never were placed before—only little things, but what a big difference they do make. Beautiful New Hats Just Received By Express

Panhandle Ex-Students' Banquet.

Very enjoyable indeed was the banquet of Panhandle ex-students of the University of Texas, held in Canyon on Friday evening, March 20th. The Bell Dining Hall, which was used for the occasion, was beautifully decorated in University colors. The dining tables were arranged in monogram fashion to represent a large U inclosing a T. The same motif was carried out in the place cards, which the Art Department of the Normal College had prepared with exquisite taste. Orange doilies, together with ferns and the early yellow flowers of springtime, added effectiveness to the table decorations. Fully fifty guests, including prominent alumni of Amarillo, Plainview, Hereford, Tulia, and other towns of the Panhandle, besides some dozen or more members of our own Normal faculty, enjoyed the happy occasion. It is greatly to be regretted that Dr. Vinson, who had been invited as the honor guest at this time, was unable to be present.

A five-course banquet was daintily served by attractive maidens in white middie suits with orange neckerchiefs. Throughout the evening the Normal College orchestra rendered delightfully and appropriate selections which added greatly to the enjoyment of those present and elicited most favorable comment from the visitors. Judge Hall, of Amarillo, who, with Judge Randolph of Plainview, claimed the distinction of being the oldest of the alumni present, presiding with unusual unit and dignity. Judge Randolph was graciously introduced as the first speaker of the evening. Being known as one of the staunchest friends and defenders of the University in the Panhandle section, he instantly gained the attention of all by his inspiring words in behalf of the interests of higher education in Texas. Particularly did he emphasize our vital interest in the things for which the University stands.

Following him, Mrs. Boyce, wife of Judge William Boyce of Amarillo, was facetiously asked to explain how she had made a man of an ex-student. Her response in behalf of the men of the University was both charming and delightful. The toastmaster then directed attention to the University of Texas as being the greatest institution of learning in the Southwest, and presented Mr. Hill, of Canyon, as representing a dual relation in the cause of education, he being an alumnus of the University and President of the West Texas State Normal College. Mr. Hill briefly and appropriately spoke of his early days as a student in the University when only two buildings graced the campus: the Main Building and B. Hall, the latter of which was scarcely suggestive of the schoolroom, he added. In sincere and feeling language he paid a beautiful tribute to the influence of Mrs. Helen Marr Kirby, who greeted him on his first arrival at the University and whose influence had henceforth been a silent, patent factor in his career. Mr. Hill in conclusion, expressed his pleasure in having with us the members of the Panhandle Ex-Students' Association and extended them a cordial welcome to return for other reunions when our new dormitory shall have been finished.

Judge A. A. Lumpkin, of Amarillo, was next called on for a solo. After some hesitation, the entire body arose, and with their leader joined enthusiastically in singing "The Eyes of Texas Are Upon You". Following this Mr. Ben Morning, also of Amarillo, led in true old-time fashion fifteen rah's for the University. In the absence of both Dr. Vinson and Miss

Blanton, Miss Katherine Gray, of the State Department of Education, was next introduced. At the outset she very resourcefully remarked that in the absence of these distinguished individuals she might appropriately tell of what one had said of the other; and, to the amusement of those present, she recited Miss Blanton's apt limerick beginning:

"We have a young prexy at Texas, etc."

Dr. Thomas, of Amarillo, representing the medical ex-students, was the next speaker. Among other matters he expressed his delight at being present, and regretted that a larger number of Panhandle Exes were not in attendance. Hon. Alex Mood, also of Amarillo (husband of Edna Leavell, a Phi Beta Kappa of the class of 1905) was next introduced as being one who had been uplifted and inspired by association with ex-students. Though a Southwestern University man, he told of how his whole domestic life had been influenced by the ideals of Mrs. Kirby. Even in his courtship he declared, the first time he tried to hold his wife's hand she instantly wondered what Mrs. Kirby would think of it. In closing, he declared, in words of deepest interest, that greater zeal and enthusiasm for the University had come about from the necessary act of defending it. Finally, Col. Ernest Thompson, another Amarillo citizen and a distinguished war hero, told with real insight and becoming pride of the active part that the University had played in the great World War.

The meeting was then turned over to Mr. Lumpkin, President of the Panhandle Association for a brief business session. In the election which followed, Judge Hall was chosen president, and Mr. Ben Morning secretary of the Association. The president then stated that announcement of the executive committee would come later. A rising vote of thanks was given the alumni of Canyon for the planning and successful management of this most delightful occasion, and the meeting closed with more rah's for the University and a hearty singing of "The Eyes of Texas are Upon You".

Real Thrift.

(By Dr. Frank Crane.)

Thrift is simply the application of intelligence to expenditure. It does not mean only saving. It does not connote skimping and penny-pinching, niggardliness and miserliness. That is often the most foolish kind of waste, waste of health of spirits and of the joy of life.

Thrift means intelligent spending. To spend a dollar now may save two dollars next month.

Thrift implies a budget. If you have no wise plan, it makes little difference how much you make. What is the use of forging ahead when you don't know your destination?

Some busy money-makers might sing, with Dr. Dooley, "We don't know where we're going, but we're on our way."

Thrift implies foresight. It means we can see tomorrow as well as today.

It is the opposite of childishness. The child can grasp only what is before him. He cannot realize the future. He "wants what he wants when he wants it." If he had no older heads to think for him he would, like the grasshopper, dance all summer and starve all winter.

The savage eats when he finds meat. He gorges and sleeps, and between times starves. The civilized man lays up. In abundance he prepares against famine. He builds barns and warehouses.

Thrift implies self-control. We are fasters of self, not slaves of self.

Thrift implies self-respect. We do not wish to become a burden upon others. Hence we lay up something for our lean days.

Thrift means decency. The decent portion of the race accept their due responsibility, carry their share of the burdens, justify their existence by cheerfully doing their part of the world's work.

Thrift means patriotism.

Thrift means love-of family.

Thrift means you are not a bounder, a sponge or a nuisance.

Thrift means using your strength to protect your weakness, your

health to take care of your sickness, your fortune to provide against your misfortune.

Thrift means you are not ashamed of your past; you are content with your present; and you are unafraid of your future.

It means you can stand up like a man on your two feet and face whatever destiny may have for you, and say:

I am the master of my fate.

Her One and Only.

She was forty, but neither fat nor fair. So the doctor was very brief and professional with her.

"I want to know if influenza can be transmitted by kissing?" she asked coyly.

"Beyond doubt, madam," he replied.

"Well, a man with a pronounced case of influenza kissed me."

"So! How long ago was this?"

"Well—I think it was about two months."

"Why, madam! There is no risk of infection after all this time."

"I knew it," she sighed, "but I just love to talk about it."

Ask Lloyd George if the President is "disabled." He knows.—New York Morning Telegraph.

Capitalism continues to spread among the so to speak, working classes.—New York Evening Sun.

Easter is Just Around the Corner

BUT THE FASHION FIXERS HELPED US TO BE READY— FASHION WITHOUT EXTRAVAGANCE — CHARMING THINGS—AMERICAN DESIGNERS HAVE OUT DONE THEMSELVES

In buying of really worth while things—whether for household adornments or of garments wherein correctness of fashion is the test—bear in mind this store leads in value-giving—Quality and Fashion void of freakishness. Our whole efforts center around wearable things, and not for garnish modes. The best fashions in Suits (\$29.50 to \$200.00) may be had at prices ranging from \$59.50 to \$125.00, and of fine serge, poret, twill, Tricotine, and there are some handsome suits of Novelty Viger-eaux—all splendidly tailored into the leading styles of the season. And in such variety that no woman need fail to find among these a becoming garment.

The New Dresses—Splendidly Ready for Easter

—And these at \$49.50 show wonderfully beautiful styles at a low price.

Good taste, good styles, good fabrics, and fine needle work. Scarcely two garments alike and all so wearable. You may spend more for an Easter frock and oftentimes not get as much as is offered in these pretty Dresses at \$49.50.

Make the most of your store—it isn't just a place to trade. It is a place to study the beautiful and keep up with the world's progress. For instance:

Dresses at \$59.50 to \$200.00

Did you ever see such wonderful fashions—most any one of which you yourself can wear? It isn't often—outside the larger trade centers—that you may see so many really wearable fashions.

These are substantial facts, backed up by the goods and plenty of the goods—all of which you are welcome to come and see and all of which you will enjoy.

The New Blouses—Right and true in Fashion and Genuine in value

Cotton Blouses, Voile, Organdie, Silk Blouses mostly of Georgette.

There really seems no ending of pretty fashion conceits—too many to try to tell of them in detail. Suffice it to say they all follow sane, sensible lines to the exclusion of freakishness but not of novelty, and we will be glad to have you see every one of them.

Hats that Brighten the Entire Costume

—And brightens it through fabric (like cellophone) or finish (like the shining mesh hat) or in color like those temple greens and high reds and the wonderful embroideries!

Some of the sauciest, smartest, have whole tailored brims, or crowns, made of flowers, or flower petals.

Hundreds and hundreds ready to put right on, or, expert milliners to design one expressly for you.

Early as you can, Easter is near and needles are flying.

White Counterpanes

Snow white—and some with delicate color lines running through embossed or brocade designs.

The finest values we've had in many a day—and in the largest double bed size or sizes for single beds.

White Krinkled Spreads \$4.25 and \$4.75.
White Crepe Weave Spreads \$5.00 and \$6.50.
Gold, Blue, or Pink Spreads, \$7.50 and \$8.50.
White Spreads at all prices ranging up to \$15.00 for the finest ones.

36-inch Cretons 50c, 75c and \$1

Fine in decorative value for side draperies, for spreads, for upholstery. Light airy designs in floral effects—the fabric supreme for summer home decorations, 50c to \$3.00.

Kaysed Silk Undies Merode Unions and Teddies

These are the world's foremost brands of Women's Underwear and Merode—the world's best for women and children.

New shipments make it almost sure the kind you want is here in plenty.

Pretty Pumps and Oxfords keep right on coming in

A new pump of genuine buckskin in camel color has just come. High Louis heels, square edge hand turn soles, a one-eyelet tie, \$15.00.

Other pretty pumps with high or low Louis heels. Plain, or one-eye tie or Colonial, \$12.50, \$12.85 and \$13.50.

Oxfords, Cuban or Military heels, \$7.50, \$8.50, \$9.00 and \$10.00.

The new Easter Slippers for children are here. Neat, sensible styles for service as well as for dress wear.

SALE

of Ladies Ready-to-Wear

Beginning Saturday, March 27th. We will place on sale the following from our Ready to Wear Department:

- LADIES SILK AND WOOL DRESSES
- LADIES SUITS
- LADIES SPRING COATS
- LADIES BLOUSES
- LADIES PETTICOATS

These garments were purchased this year, and are all new goods. We believe these prices represent the very best values of the new season.

502 POLK STREET THE PLACE TO BUY SHOES AMARILLO, TEXAS

The Randall County News

Incorporated under the laws of Texas

C. W. WARWICK, Managing Editor

Entered at postoffice at Canyon, Texas, as second class matter. Office of publication, West Houston St.

SUBSCRIPTION \$2.00 PER YEAR.

The West Texas State Normal College was located in this section of the state for the service of the people. It can fulfill its mission to a much greater degree if allowed to expand and develop its agricultural, domestic science and manual training departments. The people of the Panhandle have a right to demand of the state of Texas an opportunity for their boys and girls to be given an opportunity to study the conditions of this country here at home with facilities that will greatly assist in developing this great section of Texas. With proper cooperation on the part of the people of the Panhandle-Plains country the ideal may be realized.

Of course very boy in Randall County would like to make that trip over the ten states, and get a trip to the International Show in December, and now a trip to Europe has been added to all of these other offers and inducements. Nothing could be more inviting to the boy with a lot of pep and American grit than those inducements extended to those boys who take the stock judging course and make the highest score.

The treaty of peace came out of the senate, or rather was thrown out of the senate, much the worse for the war. There will now likely be a long drawn out battle, only to be settled at the polls in November. If Wilson and Lodge had not been so stubborn they could have gotten together on the treaty. One is as much to blame as the other for the defeat at the hands of the senate.

Mr. R. E. Prewitt wants to see the futurity show held in Canyon this fall. Of course it is going to be held here. Canyon is ready to come up with her part, no matter what the demands may be. Come on with your pig show. We are betting that the pigs from Randall county will be in the lead when the big prizes are handed out.

Of course a little rain would be a fine thing for the wheat, but it usually rains in the Panhandle when we just have to have it.

Miss Hamner of Claude Here. Miss Laura Hamner of Claude was in the city Friday attending the Panhandle Teachers Association. Miss Hamner is the postmistress of Claude and formerly was connected with the publication of the Claude News with her father. She is well known over the Panhandle for her work in civil and literary lines.

Miss Hamner is interested in seeing the women of the Panhandle who do newspaper work or writing for magazines organization into an association and will ask all those women interested to meet at the time of the Panhandle Press Association in Amarillo next month.

Union Revival. The Presbyterian, Christian and Methodist churches have agreed to hold a Union Revival commencing April 4th.

Dr. Henry F. Brooks of Amarillo will preach. He is a very eloquent speaker.

Services daily will be as follows: 9:30 a.m. at W. T. S. N. C. Chapel. Dr. Brooks.

3 p.m. at the Presbyterian church. Rev. M. Holifield.

7 p.m. at the Methodist church Dr. Brooks.

A union choir will be organized Monday night at the Methodist church. All the singers of the city urged to be present then and any others who will help.

Who will come up to the help of the Lord against the Mighty.

Former Citizen Married. Dr. D. M. Stewart has received announcement of the marriage of his niece, Miss Vera Evans O'Dell to James Byran Holbrook at the home of the bride's parents, Dr. and Mrs. Thos. O'Dell at Lindale, Texas, on Saturday, March 13.

Miss O'Dell will be remembered by many of the old time residents of the city. She was the first graduate of the Canyon high school. She was the only member of the class.

Wirt Sells Business
S. V. Wirt has sold his business on the north side of the square to Mrs. Kirkpatrick and her son, A. A. Kirkpatrick, who are now in charge of the business.
Mr. Wirt is one of the oldest business men in the city and has long occupied his place on the north side of the square. He has not announced what he will do in the future, but is not contemplating leaving Canyon.
The new owners will run the business under the name of Canyon Paint Co.

Telephone Officials Here.
T. O. Bateman, publicity agent of the Southwestern Tel. & Tel. Co., of Dallas, M. B. Caldwell, district superintendent, of Ft. Worth, and G. H. Hill, district manager, of Amarillo, were in the city Tuesday on business and made the News office a pleasant call.

Two Prairie Fires.
A fire started at the G. B. Bourland place southeast of town Friday and burned over a small area.
A fire started at the Will Scott place Tuesday southwest of the city and ran three miles before one of the highest winds of the year. Fortunately it headed into a cultivated field at the Henry Schultz place and stopped with comparatively little damage.

SOLDIER GAINS FREEDOM WITH A DECK OF CARDS

San Antonio, Texas, March 8.—Three soldiers had been arrested for gambling and on one a deck of cards was found. This fellow asked permission of the judge to plead his own case using the deck as his text. This was granted and his plea follows:
Your Honor: These two men that were arrested with me are recruits and have recently joined my outfit, the Second-Division. I have just been teaching them the kind of an outfit they have joined. When I show them the Ace, it reminds them that there is but one Army, the United States Army. When I show them the Deuce it reminds them of the Second Division with the Star and Indian Head as its insignia. When I show them the Trey it reminds them of the educational and Vocational Schools that will benefit them in the three years they serve in the Division. When I show them the Four it reminds them of April, the fourth month in 1918, when the Division had its first battle in the Toulon and Troyon sector. When I show them the Five, it reminds them of the Five major operations the Division took part in. When I show them the six it reminds them of June, the sixth month of 1918, in which Bois-de-Belleau and Hill 142 were captured and held by the Division. When I show them the Seven it reminds them of the Seven months the Division was in the army of Occupation in Germany. When I show them the Eight, it reminds them that just eight months after the Division went into the line they made the Germans admit for the first time, "That their line had been broken". When I show them the Nine it reminds them of the Nine words naming the major operations the Division took part in, Chateau-Thierry, Soissons, St. Mihiel, Blanc-Mont, Meuse-Argonne. When I show them the Ten it reminds them that only ten months from the time the Division went into the line in the Verdun sector it was resting in billets across the Rhine. When I show the Jack, it reminds them of "Openers" which the Division never failed to make when it hit the German line. When I show them the King and Queen it reminds them of King Solomon and the Queen of Sheba. She was as wise a woman as he was a man, but these recruits have displayed the wisdom of both in joining this outfit. When I count how many spots are in the pack of cards I find 365, as many days as there are in the year. When I count the number of cards in the pack, I find 52, the number of weeks in the year, and I find four suits, the number of weeks in a month. I find 12 picture cards representing the number of months in the year, and counting the tricks, I find thirteen, the number of weeks in a quarter. So your Honor, a pack of cards serve as an Almanac in the Second Division.

The case was dismissed.

At Midnight A Flu Classic.
"The correspondent's family is having the flu. Two large rooms on the ground floor have been dismantled and made into a hospital. Three beds containing four patients have been placed there, and your humble servant is chief nurse and grand boss."
"It is now midnight's solemn hour and we have them where we have long wanted to have them—completely at our mercy. They are not much in the way of patience—any of them. Blue-eyed-littlest takes her medicine beautifully and behaves as an honor to her sex. Nine-year-old downs his

does without a murmur, and only occasionally flings the cover broadcast with a demand for pie or fresh sausage. Sixteen-year-old groans, growls, sputters and chokes, looks at his medicine piteously for at least five minutes while we coax, beg, implore, and when it is finally down howls for water like a lost soul.

"But forty-six-year old is the star performer of the outfit. He calls us 'poor girl!' With a sympathetic moan he asks us to raise a window and give him air. Then, 'please, a glass of water.' It isn't fresh. We go to the pump and get more. Please lay our hand on his fevered brow—more 'poor girl.' Please close the window. Please rub our back. Another drink. The window up. Another drink. Twenty-nine. Oh, my Gods and thirty-seven devils, all in the space of five minutes.

"Our spouse is afraid we will be worn out. That isn't all, it is; we're afraid so too, but we have been promised a new spring dress if we will bring the family thru without a big doctor bill. We spend our midnight hours selecting and making this new gown."—The Eureka Correspondent of the Beloit Gazette.

Deaths Due to Haste.
Statistics show that the year 1919 fifteen hundred people lost their lives and double number crippled at grade crossings over railways. The opinion is expressed that the greater portion of these fatalities were due to what is termed "suicidal haste."

The majority of the accidents were those where auto drivers sought to run over the crossing and beat the oncoming train. All accidents were preventable. Prudence and carelessness would have saved all lives lost. Had the auto parties involved in the accidents, been successful in clearing the crossings ahead of the trains, each might have saved a minute or two-of-time. In an effort to save the amount of time they risked their lives and hundreds were lost. Who is there whose time is so valuable that life need be put in jeopardy that two minutes may be saved?

The larger railway systems are seeking to reduce the number of accidents this year. They are sending the accident report of last year to all auto clubs and soliciting help in the campaign for safety. Grade crossings are a constant hazard to those who travel the highways. No matter what importance your errand may have, you cannot afford not to stop, look and listen, and by so doing, protect life and limb.

Keep the "little red schoolhouse" from being painted the modern shade of red.—Boston Shoe and Leather Reporter.

Like most other countries, Australia is having difficulty in getting good domestic service. In order to establish a standard, representatives of the Housewives' Association, the Y. W. C. A., the Auxiliary Household Corps, the Women Workers' Association, the National Economy League and other similar bodies met recently in Sydney. They decided that henceforth domestic servants shall be known as household assistants, and that fifty-six hours and one pound sterling shall be the standard week and wage. But what is helping the housekeepers more than anything else is the rapidly growing importation of American labor-saving machinery. Our gas stoves and ranges are already well known, and there is an increasing demand for electric cookers, vacuum cleaners, clothes-washing and dish-washing machines and other domestic conveniences familiar to Americans.

Charles Francis Murphy, the big chief of Tammany Hall, is opposed to the nomination for President by the Democrats of Herbert C. Hoover. Boss Murphy says that Hoover would not make "an ideal President". Not for the office seekers, the professional politicians, the loot grabbers, the gentlemen interested in soft pickings or the philanthropists with personal axes to grind.—Ft. Worth Record.

Come to Canyon to live.

Days of Dizziness

Come to Hundreds of Canyon People

There are days of dizziness; Spells of headache, languor, back-ache; Sometimes rheumatic pains; Often urinary disorders. Doan's Kidney Pills are especially for kidney ills.

Endorsed in Canyon by grateful friends and neighbors. Mrs. C. R. Curry, Canyon, says: "My back and kidneys had been causing me a lot of trouble for a long while, my back ached steadily and there was lameness and soreness in it which made it hard for me to stoop over to do my housework. I would get dizzy and black specks would float before my eyes. Then again I would have headaches and my kidneys were inflamed and irregular in action. I was advised to try Doan's Kidney Pills and bought some at the Holland Drug Co. Three boxes fixed up my kidneys and relieved my back."

RAGS WANTED—GOOD CLEAN, COTTON RAGS—AT THE NEWS OFFICE.

Frank Woods Died Saturday. Frank Jackson Woods died Saturday afternoon at the rooms of his mother over the First National Bank. He was taken with the flu two weeks previously which developed into pneumonia.

Mr. Woods was born December 28, 1888. He was married eleven years ago to Miss Ethel Sing to whom were born three children. They came to Randall county six years ago with his parents, Mr. and Mrs. W. H. Woods from the old home in Arkansas. Frank has been living on a farm west of the city and was doing well.

The funeral was held Monday afternoon at 2:00 o'clock at the Baptist church, conducted by Rev. B. F. Fronabarger.

The many friends of the family extend sympathy to the bereaved family over his untimely death.

J. W. Woods, a brother, came from Arkansas for the funeral.

Make it a Point

TO START A BANK ACCOUNT

A bank account drives away worry and brings comfort. It is the beacon light pointing out the pathway to peaceful old age; it means independence, self respect, freedom from the worries of today and the uncertainties of tomorrow.

If you have no bank account, we extend to you an invitation to start one with us. You will find just the kind of welcome here that will make you think of this bank as YOUR BANK.

Happy Happenings.

(Too Late for Last Week)
 Guy Stone of Spence, Iowa, came in last Wednesday to join Mrs. Stone and son who have been here some two weeks. They will locate near here if Mr. Stone can get work.
 Mrs. C. M. Fowler was a Tulsa visitor Thursday.
 R. E. Prewitt returned Friday from Ft. Worth where he was attending the Fat Stock Show.
 Mr. and Mrs. Lonnie Townsend, Mr. and Mrs. W. T. Townsend, Mrs. F. Q. McElroy and Dick Allen were attending the sale in Tulsa Wednesday.
 Mr. and Mrs. Bill Fonken and Jeraldene, and Mrs. E. J. Smith and Oleta went to Canyon Saturday to visit relatives. Leslie returned with them and stayed till Monday.
 Mr. and Mrs. Innis of Southland, Iowa, who have been visiting here, left Thursday to visit in Kansas before returning to their home. They were accompanied to Amarillo by Mrs. Ora Innis and Guy Stone.
 L. L. Monroe of Canyon was on our streets Friday.
 Mr. and Mrs. A. J. Fonken are the proud parents of a 9 lb. boy, born March 12, who will be known as Elmer Charles Fonken. Mother and babe doing nicely.
 Miss Grace White entertained the following, last Sunday: Misses Mildred Zoeller, Helen Mann and Vivian Gaten.
 Miss Addie Lee Tucker of Tulsa came up Wednesday to visit friends here a few days, returning home Saturday.
 S. C. Moon has sold his farm east of town with all stock and implements to Mr. Tibbitts, for \$50 per acre. Mr. Moon and family will leave here on account of bad health.
 Mr. Hoffman of Slaton came in Friday to visit his son and daughter Mr. Hossman and Miss Cooper.
 Ludwig Irbeck left Friday to attend the Fat Stock Show at Fort Worth, returning Monday.
 Mr. and Mrs. Money have both been quite sick the past month.
 Miss Carrie Ponder has been confined to her home with a bad case of mumps.
 S. C. Whitman and O. H. Ralfs attended the Scott sale at Tulsa Saturday.
 J. B. Mulkey and family were in Canyon Monday taking advantage of the sale there.
 Mrs. Joe Waite, Charlie Waite, and Miss Sallie Mulkey went to Paducah

Thursday where Charlie and Miss Mable Jones were married. They returned here Sunday where they will make their home. Monday night a crowd of the young folks met at the City Cafe and went out and charivariated them. They had quite a time locating them, going out to J. B. Mulkey's and then back to Waite's, where they found them. They returned home at a late hour, a tired, but happy bunch.
 Mr. and Mrs. J. H. Wren and Hall were attending the Scott sale at Tulsa Saturday.
 E. J. Smith was called last Monday, to Gainsville to see his sister who died Wednesday.
 J. J. Bauer was a business caller in Tulsa Friday.
 Dick Evans was a business caller in Canyon Monday.
 Mrs. Ernest White and Misses Graec White, Eva McManigal, and Gladys Miller were shopping in Amarillo Thursday.
 Miss Miary Mayhew entertained the following, Sunday, at the home of Mr. and Mrs. W. C. White: Misses Ethel and Cecil Sanford, Willie and Winnie Grounds and Ethel Duff, Mr. and Mrs. J. N. Duff, Ross Duff, Ed.

Harvey, Emmitt Grounds, Curtis Creighton and Guy Garrison. All report a lovely time.
 Harvey Likes and family spent Saturday and Sunday with Mrs. Likes Grandfather, Bob Evans.
 Rev. Wittite, the pastor of the M. E. church at Tulsa, preached at Wayside Sunday morning and here Sunday night. He was filling Brother Clements, our Presiding Elder's appointment as he was unable to come. He preached a splendid sermon, come again.
 Miss Gladys Neff who is teaching at Petrolia came in Saturday and visited over Sunday at the parent P. J. Neff home.
 Edgar Money and family of Canyon spent Tuesday at the J. D. McElroy and J. H. Stephenson homes.
 Misses Nellie Francy and Fairy Gasaway came down Saturday and visited home folks and friends until Wednesday.
 Grayville Gaten came in Monday from Amarillo.
 Mr. and Mrs. Bill Fonken, Mrs. A. A. Fonken and Mrs. E. J. Smith were in Tulsa Tuesday.
 Mrs. A. M. Currie had to stop her school on account of her baby taking

pneumonia. They took her to Tulsa Saturday for medical treatment.
 J. J. Bauer unloaded three Rumley tractors here Tuesday.
 Mr. and Mrs. Wade Stephenson and daughter, Grace of Tulsa were visiting relatives here Tuesday.
 C. O. Stone has resigned his position in the First State Bank and left Monday for Gadsby, Texas, where

he has purchased a stock of goods. Mrs. Stone will remain here until school is out.
 M. L. Robin and family of Lockney came in Sunday to visit the C. L. Grounds home for a few days. They returned Tuesday and were accompanied by Mrs. C. L. Grounds, who will visit there several days.
 Mrs. R. L. Dillon and children of

Canyon came down Sunday evening to see Mr. and Mrs. Lester Dillon, returning home Sunday night.
 Mrs. J. N. Duff and son and daughter, Ross and Ethel were in Tulsa Saturday. Ross was having some dental work done.
 That thrombosis evidently has not affected the President's kicking foot.

A Wonderful Display of Spring Suits, Coats and Dresses

ONE PRICE TO ALL

Every garment in our store is marked at the very lowest possible figure, and, having one price to all, makes it safe for even a child to shop here.

The Suits

You'll like the new Spring Suits, the narrow belts, snug fitting shoulders and sleeves, are the smartest tailored Suits of Spring. Besides those essentials, these lately designed Suits boast high quality silk linings and unusually careful finishing. Prices are reasonable.

The Easter Hats

—are here and at no time have we shown such a wonderful variety. Every new color and shape is here ready for your choosing, and you will see no two models alike. Be sure to see the new Spring millinery. Prices are very reasonable.

The Coats

These Coats are light in tone as befits the garment designed for a joyous Spring—more than that they are all of fabrics which are now unrivalled in popularity. Moderately priced.

The Dresses

Long lines, short lines, straight lines and draped lines—in other words, lines to suit each and every type of figure. That is the boast which this Spring display substantiates with frocks of tricolette, taffeta, foulard, satin, meteor, Georgette combinations and others. All are very agreeable priced.

PAIGE

THE MOST BEAUTIFUL CAR IN AMERICA

THE driving compartment in the Larchmont four passenger model is a revelation to most people—a blessing to the man behind the wheel. It was designed for luxurious ease and that means there is arm room, elbow room and leg room in abundance.

Most cars, you know, are obliged to compromise on seating space—but not the "Larchmont". It was designed to make four people supremely comfortable, and a combination of long wheel base and closer coach work has accomplished just this result.

WE WISH TO ANNOUNCE

Mr. Ed Gerald has bought half interest in the Redfearn & Company store and after April 1st will become the manager of this business, taking the place of J. M. Redfearn. Mr. Gerald needs no introduction to the people of Canyon. He has lived here for a number of years and is well and favorably known to all of you. He has had many years' experience in the mercantile business and this firm feels highly complimented to take him into the business as a partner.

STORE CLOSED FOR INVOICE

The store will be closed Monday, Tuesday and Wednesday of next week taking stock, but we will open Thursday, April 1st, under the new management, but the business will continue under the same name.

WE THANK THE PEOPLE FOR THE SPLENDID PATRONAGE DURING THE BIG "MOVE ON" SALE. THE ONLY FOLKS WHO WILL BE DISAPPOINTED ARE THOSE WHO HAVE NOT BEEN AROUND GETTING THEIR SHARE OF THE BIG BARGAIN LIST.

Redfearn & Co., Canyon

The Seniors held a lively class meeting March 23, to elect officers for the spring term. The following were elected: Dan Sandens, president; Ruby Lattimore, vice-president; Iise Hall, Secretary and Treasurer. Mr. W. A. Jordan spent the week-end with home folks at Tulia. Monday, March 22, the Cousins' Literary Society and their sister society, the Sesames, went to the Palo Duro canyon on an all-day picnic. They went in two wagons pulled by a Ford on tractor. Leaving Canyon at 8:00 o'clock they arrived at their destination by 11:30. After lunch several happy hours were spent in climbing, rambling about and taking pictures. At 4:00 P. M. they were homeward-bound, everyone having taken full advantage of his day of recreation.

Miss Blanche Foster, a former student of this school, now teaching near Udand, N. M., visited her sister, Miss Bessie Mae Foster, last week-end.

The Junior Class expects to go to the canyons on a picnic April 6. Miss Mana McFarland of Chaning spent last week-end with home folks and friends.

Mr. Lee Fulton, who has been attending school here, has returned home.

Miss Dea Cone and Maggie Boyd spent the week-end with Miss Boyd's mother in Estancia, N. M.

Miss Lona Sumner was called home Saturday on account of the illness of her mother.

Miss Mary Evans of Abernathy spent last week in Canyon with her sister, Miss Helen.

Miss Noby and Unice Page of Plainview visited the Jones family last week-end and attended the Teachers' association.

Messrs. Gus and Spencer Miller, students of the Normal, have found necessary to return to their home in Vega.

Mr. J. W. Cox, who attended school here during the fall quarter, visited his friends in Canyon Friday and Saturday.

Mr. Geo. Wilmoth has returned to school here after and absence of nearly two months.

Misses Goida and Vada Murphy, spent the week-end with Miss Volneyson at Happy.

Mrs. Delan Kirk of Hansford visited friends in Canyon Sunday and Monday. To us Mrs. Kirk is the same Margaret Locke who used to go in and out among us.

It will be remembered that few days ago, Miss Brown was taken to the home of a friend in Amarillo to recuperate. Word comes from Miss Moore that she is improving very rapidly.

Cecil Montgomery of Dimmitt made short visit with Canyon friends.

Sunday.
Olan Hinkle is reported quite sick this week.

Our debate teams are about ready for the battle with the other Normals. April the tenth is the date for the debates.

Miss Mildred Johnson of Childress was the guest of Miss Edna Dyché Tuesday.

Mr. Morelock, head of the English department, concluded his series of lectures in chapel Wednesday morning.

Misses Elsie Conner and Catherine Carlocke spent the week-end at the Carlocke ranch near Amarillo.

Mrs. Tom Anderson of Amarillo visited Miss Aline Foster last week-end.

Misses Golda and Grace Barnett, and Bertha and Aline Foster spent Sunday on the Barnett ranch.

Messrs. Harvey and Gatten of Happy visited Miss Vivian Gatten Sunday.

Miss Lona Johnson of Plainview has returned to resume her school work.

The Freshman class met Tuesday and elected the following officers: president, Forest Stradley; vice-president, Walter Hanna; Secretary, Lila Simms; Treasurer, Dessit Mae Steele.

The Sophomore class met in room 211, Tuesday March 23, 1920 for the purpose of electing new officers. The following are the ones to serve for present quarter: James Blaxsome, President; Allen King, Vice-president; Paul Johnson, Secretary; and Miss Gladys Downing, Treasurer; Ada Shaw, Chairman of Social Committee.

The following students have returned to resume their school work for the Spring quarter: William Vaughn, William McCormick (Maude Williams, Florence Elkins, Burleson Atkins, Pearl Moss, Elmer Hawkins, May Spivey, Florence Page, Thelma Williams, and Mrs. Bessie E. Baze.

The following new students have enrolled: Beatrice Scott, Alta Johnson, Richard Cane, Frank Jones, Opal Davis, Clara Bryan, Thelma Bryan, Edna Page, Blake Alexander, and Beatrice Christian.

A movement is under consideration of a New Methodist church in the city. Because of the continually increasing congregation, the floor space of the present building is proving inadequate.

The last quarter of the school term is now under way with a number of new students enrolled.

Cousin Literary Society Programme for Friday, March 27. Roll call, Answer by Chain Story; Oration, Geo. Ritchie, Subject, MacAdoo's Platform; Reading, Geo. Formwalt; Reading, Uihn Dockery; Song by Society, Leader, Clyde Goodwine.

There is important business to attend to at our regular monthly meeting, Thursday night, April 1st.

It is the request of the Worthy Matron and Worthy Patron that all members be present at that time.

5242

Shriners Want Temple.

The Shriners of Canyon have signed a petition during the past week to have established at Amarillo a Shriners Temple.

A Temple is to be placed at either Amarillo or Wichita Falls and the Shriners from this section of the state are making a hard fight to have it placed at Amarillo. At present the nearest Temple is at Ft. Worth.

Ask Telephone Raise.

The Southwestern has asked for an increase of rates in Amarillo and will likely ask for an increase in other towns in this section. The phone people have been hit by the increased cost of doing business as all other lines of business.

Buying Combined Header-Thresher

Three farmers of Randall County have already bought combination header and thresher outfits and more will likely buy within the next few days.

Twenty of these machines were bought in Plainview last week.

All of the farmers who owned one of these machines last season report a saving of at least two-thirds on the

harvest bill over those who did not own the machine.

Entertain Stewards Tonight.

The Stewards of the Methodist Church will be entertained tonight at the home of Mr. and Mrs. J. M. Vetesk on West Houston Street. The wives of the members of the Board are invited for a social hour after the business session of the Board.

Warning

If you will need a lister this season, you had better buy it now while you can get it. We still have a complete stock which will not last long.

The lister stock in all parts of the country is exhausted. We are getting inquiries from all parts of the country outside of our territory asking us for listers as they are unable to get them from the usual source of supply.

So if you want a lister either one row or two row it will be well to place your order at once or it may be too late to get it.

THOMPSON HARDWARE CO.

An Open Letter to the Canyon Club
 Knowing that each of you have received a call from your president to attend a call meeting to consider a proposition made to you by me in the interest and name of the Baptist of the Plains, I take this means of presenting to you for your forethought something of the nature of our proposition. It is our purpose to establish on the Plains of The Panhandle a summer encampment for our young people. We believe that somewhere near Canyon City is the most suitable place for our encampment and after going over the ground, conveniently located, we believe that your club grounds are by far the most suitable for our purpose and on the 29th of this month our proposition to purchase this ground will be placed before you.

I know that this is asking a great deal of you stockholders, because many of you bought your shares in this club that you might have a play ground for your children and a recreation retreat for yourselves and friends, and because, also, there are but few places on the Plains easily accessible that are suitable for such purpose. Yet we believe that our enterprise will be of such benefit to Canyon and the surrounding country that you can well afford to sell us this property.

Our annual young people's conventions will be held at the encampment. This will bring here each year great numbers of people not only from the Plains but from all parts of the State of Texas and many other states. There will be the bright, enthusiastic, aspiring youth of the land. There will be the leading educators—experts in their several lines of work. There will be here men and women who have proved out their methods of teaching and leading the people, and found them greatly helpful in Kingdom work. These will be here, to give us in lecture and sermon and song the benefits of their experience. As I see it there can be no measuring of the value to our people of these great social, religious, and educational gatherings. The people of Canyon will profit as no other community can. Our great school will receive such attention and advertisement as she could not secure in any other way, and we all know that whatever advances the interest of The Normal College advances the interest of every legitimate enterprise of our little city. Our lands will be seen, and to see them will be to want them, and thus many will be led to make their homes with us.

Gentlemen of the Club, I have said what I have in this letter in the hope that it might induce you to come on next Monday at 2 p.m. or send your written request to some member of the club—that he cast your vote to sell us this property.

If you sell us this property, it shall be our endeavor to so develop it, that you will never regret your sale.

If I am permitted to come before you when you meet next Monday, I shall be glad to lay before you more fully this enterprise.

Respectfully,
 B. F. FRONABARGER

Bankers are the last men to commit such an indiscretion as to speak of their friends as men of sterling integrity.—American Banker.

Presbyterian Church.
 Next Sunday evening at 8 o'clock immediately following the church service we will organize a Christian Endeavor Society. A good many of our young people have asked for this and we are glad we can thus answer their request. You are invited to become a charter member of this society.

At the morning hour of worship the pastor will preach on the subject: "What May Justly be Expected of Me as a Presbyterian?" It is hoped that every Presbyterian in Canyon will be there.

Sunday night at 7 o'clock the subject will be: "The Start and the Finish," a sermon for young and old.

Sunday School meets at 9:45 a. m. Come to our services and we will endeavor to do you good. While the word is not printed over our church door, it's spirit is in our hearts for you.

TED P. HOLIFIELD, Pastor.

The Methodist Church
 Rev. Simeon Shaw Sr., Pastor
 Last Sunday was a great day at the Methodist church. Crowded house at both services. And a collection for a balance due on paving side walks at the church, and for plumbing and repairs at the parsonage.

Our church is now on a cash basis in all departments. Let's keep it so. 9:30—Sunday School, Sentenary day 10:45—Preaching by the Pastor 7 p.m.—Preaching by the Pastor. Subject—Eternity of hell based on Eternal Sin.

8 p.m.—Epworth League—Live Program by Live Young people. E. L. Orchestra will be organized.

The well-known circulating medium is the medium that most of the spiritualists are really looking for.—Columbia Record.

Notice of City Election.
 Notice is hereby given that a City Election will be held at the Court House in Canyon, Texas, on Tuesday, April 6, 1920, for the purpose of electing successors to the following officials, whose terms of office expire:

J. W. Reid, Alderman Ward No. 1.
 C. D. Lester, Alderman Ward No. 2.

J. M. Redfearn, Alderman Ward No. 3.

G. G. Foster has been appointed Presiding Officer to hold said Election.

Witness my hand this the 24th day of March, A. D. 1920.

PEARL JENKINS,
 City Secretary

The Common People.

One of the most significant statements about Jesus is the statement of His biographer, "The common people heard Him gladly."

The common people are the bulk of the people of this country. They get up early in the morning and go to work for wife and children and parents and dependents. They do not figure in scandals, their names do not appear in the Sunday supplements, the great majority of them have never been divorced, and they are not in disgrace or in jail. They are for the most part loyal citizens, patriotic and lovers of the flag and obedient to the laws.

It was the common people of this country that put prohibition on the map, and woman suffrage, and if they had the opportunity they would vote for the league of nations and the end of war. The common people are for the most part, opposed to violence and bloodshed. It is the kings and militarists and radicals who have been the blood-shedders

The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin is on Fire.
 There is a harassing discomfort caused by Eczema that becomes a torture. The itching is almost unbearable and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.

The source of Eczema is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle today, and you will see results from the right treatment. Write for advice. Address Medical Director, 110 Swift Laboratory, Atlanta, Ga.

Teachers Have Fine Program.

(Continued from First Page)

"This situation means that one fifth of our children have a fair chance for education," continued Miss Gray, while the four-fifths have a fighting chance with the odds against the great majority. The starving children of Armenia should hardly bring more pity from us than this condition in our state," she said.

"The time has come when the S. O. S. call must be sounded. Beginning with May there will be started an active campaign in behalf of the constitutional amendment which will permit more money to be obtained for our schools.

"There will be a Tag Day and we urge that the public assist in raising funds to put across this constitutional amendment at the November election. Teachers of Texas are going to assist in this fight. Grade school teachers are giving 50 cents, high school 75 cents, and principals and superintendents \$1.00.

"Several schools have sent in amounts covering the entire number of teachers. One half of the sum realized, which should be \$100,000, will be spent in the districts from which it comes while the remainder will be used for general state work. "Higher salaries in Texas depend upon carrying the amendment. School boards cannot provide funds for increased salaries unless the amendment is passed."

Charts showing the problems of financing schools under the present 50 cent levy were shown by Miss Gray. She showed that a typical school was spending its limit and that to increase the salaries of its ten teachers ten dollars a month it had to be done by getting state aid and otherwise. Miss Gray declared that the average salary in Texas for teachers was \$682 a year, \$57 for 12 months, \$14 per week or \$2 a day or 25 cents an hour. She continued by stating that the passage of the amendment means not necessarily increased taxes but permits each district to designate what shall be set aside for school purposes. An illustration of the part that the public can play in creating sentiment for a good school system, was given by Miss Gray when she showed a poster of a merchant who used the back of it to boost his town schools and their needs for more finances. In concluding her address Miss Gray said that faith, confidence and enthusiasm were what were greatly needed by the teachers of Texas, and pleaded for the public to assist in obtaining these three great goals.

Meetings were held Friday afternoon, M. H. Duncan, of Amarillo, leading the conference on the High School, Miss Edna E. Haines of the Normal School faculty on Primary and Intermediate Work, Superintendent M. E. McNally, of Hall county schools on Rural Schools.

H. Wirt Steele gave a talk upon the keeping fit movement which was warmly received by the audience. He said in part:

"An investigation showed that 90 per cent of the women of Baltimore had venereal diseases or have had at some stage. Do you think that that percentage of women in Baltimore is immoral? No, they are not and the disease has been transmitted to them innocently.

"The world is universally accepting polygamy as its standard. I am strongly opposed to the feminist movement and my plans to make man a mere fertilizer. The family is the basis of civilization and must be kept in sacred institution. Family ties are being broken down, and they must be raised to a higher standard if we expect to progress.

Prof. B. A. Stafford, delivered an address on the subject, "The Universe," in which he discussed the human brain. He discussed the distinct marks of the human brain which make it stand out from that of other animals.

Endorsement of vocational educa-

We Pay the Freight to all Panhandle Points

tion or "ability to make a living," was given by Prof. Stafford. "Some people who believe in intellectual development apparently do not believe in manual labor," he added: Attention was called of the struggle between vocationalism and materialism. He favored specialization, but after high generalization in study.

Strong belief in a human personality was stated by Mr. Stafford, even though contrary to many of the leading educators of the day, he declared. "I don't want a teacher instructing my children who does not believe in a human personality," he said:

In the high school section meeting held in the morning, W. A. McIntosh, Tulsa schools, spoke upon "Socialization of High School Discipline."

The primary, intermediate and rural conference was conducted by Miss Frida Michel and Miss Edna E. Haines of West Texas State Normal college. Miss Michel gave a demonstration of plays and games to the visiting teachers, having a class from the normal college play several games.

In a previous conference on primary and intermediate work, conducted by Miss Haines, a group of songs was sung by primary children. Miss Margaret Guenther, music supervisor in the elementary work at the normal, discussed music for little children and gave instructions how to teach a rot song. Miss Mary Clark, art supervisor at the normal training school discussed art problems for primary and intermediate grades.

Miss Haines spoke upon the relation between the kindergarten and primary work. She explained how kindergarten should be work of preparation for entrance into the primary department.

President J. A. Hill of Canyon normal made the closing address of the convention, laying emphasis briefly upon the importance of passing the constitutional amendment to repeal the 50 cent tax for independent school districts.

"Unless this amendment passes, it will cut down the length of the school term and badly cripple education," he declared. "From this standpoint of economics alone, it should be passed. An educated man produces more than the other type. Educated people will increase the production of the necessities of life and, therefore, from a business standpoint, it has been shown that it will be our guarantee of an educated teacher and a nine months school term."

"Bolshevism, radicalism and other unrest that prevails in the country is due as much as anything else to underproduction of the necessities of life caused by idle classes that are in the nature of parasites to society."

Officers for the ensuing year were elected at the morning session, C. L. Sone of Canyon being selected president; M. E. McNally of Memphis, vice president, and Miss Ethel Tubbs of Amarillo, secretary.

Resolutions Passed
The committee on resolutions, composed of E. A. White of Farwell, F. E. Savage of Tulsa and Miss Mary Ethel Adams of Canyon, submitted the following resolutions which were adopted:

Be it known to the public that we express our appreciation of the kind courtesies shown us by President J. A. Hill, the faculty of the West the citizens of Canyon.

That we express our appreciation

to Miss Gray of Austin of her splendid lectures and of her work in private conferences which she has so willingly given to us.

That we endorse the efforts of Supt. L. M. Fertsch in planning and conducting this association.

Be it further known and advertised that we favor a revision of the Texas certificate laws, basing the whole proposition of payment of salaries by the merit system taking into consideration only training and successful experience.

We very much deplore the fact that standards of certification have been lowered since it reflects upon the profession of teaching and will in the end be disastrous to the children of the state.

We further express our lack of sympathy with the practice of employing uncertified and untrained substitutes. We feel that this is a reflection upon the profession of teaching and we believe that the continuance of this practice will be detrimental to the child. Therefore in view of the need for adequately trained teachers in Texas in all of the departments and grades of our common and high schools, be it resolved by this association that we extend to the Normal Colleges of Texas, and particularly to the West Texas State Normal College our hearty congratulations upon the expansion of their Curricula to a standard four year course and that we hereby express our cordial appreciation of the work these institutions are doing for the schools of the state.

Be it resolved further that in view of the pending election on the proposed constitutional amendment and the imperative need for co-operative effort on the part of all friends of education in Texas that this association commends to all those charged with the responsibility of administering our institutions of higher learning the fullest concert of action in all of our state educational policies, and we call upon every forward looking citizen to join us in the battle against ignorance in Texas.

In view of our aloofness from the other state institutions of higher learning in Texas, and in further view of the peculiar conditions that obtain in this section and the growing need for teachers of special subjects such as Home Economics, Manual Training and Agriculture, we favor the proposed expansion of these departments of the West Texas State Normal College and earnestly petition the next Legislature and the Governor of the state for such appropriation as will adequately take care of the educational needs of this section.

Be it resolved further that we endorse the spirit and work of the Panhandle Teachers Association and urge upon each member the importance of attendance upon the association meetings, active participation in its membership.

Be it resolved finally that since we know the strength of unity, we endorse the consolidation of Teachers' Institutes of the Panhandle as a wise principle.

It's old stuff, but those whom the ouija board drove crazy did not have far to go.—Greenville (S. C.) Piedmont.

Every dog has his day. In Seleswig the dachshund has been succeeded by the great Dane.—Philadelphia Evening Ledger.
