

HOME COMING BRINGS LARGE NUMBER BACK TO NORMAL

Elaborate Program of the Week Ends Friday Morning With Address by Hon. R. B. Cousins

The Tenth Annual Commencement Exercises of the West Texas State Normal College started Sunday morning with the most elaborate program ever planned and executed during the history of the school. This year is designated as Home Coming, and invitations were sent out to members of the various classes graduating from the school during the ten years of its history.

President Hill announced Sunday morning that it had always been his desire to see the big auditorium crowded, and this desire has been realized several times during the commencement festivities. The biggest part of the week's program is yet to come.

The Home Coming feature has been beyond the greatest expectations of the faculty. Every class which has graduated during the ten years' existence of the school is well represented in the Home Coming. Reunions are being held and the returning graduates are highly pleased with conditions they find in the school.

Ideal weather has favored the festivities of the week's every program of which has been largely attended, not only by the visitors, but by the citizens of Canyon.

There was a large number of graduates here for the Home Coming who had never seen the new Normal building and they are delighted with the beautiful new building, which is the finest school house owned by the state of Texas. Everything possible for the interest and convenience of the visitors has been done to make their stay in Canyon pleasant.

Tomorrow morning the final program will be given at the Auditorium when degrees will be given to two who are completing the sixth year of the Normal and diplomas will be given to forty who are completing the four year's work.

The new dormitory for girls is the center of interest to the large number of visitors, and will be the means of greatly increasing the attendance next year.

The people of Canyon join with the faculty and students of the Normal in extending a hearty welcome to the Home Comers and trust that they will return to the Commencement next year.

Dr. Bigelow Preaches

Dr. Herbert E. Bigelow, People's Church, Cincinnati, preached the Commencement Sermon Sunday morning at the auditorium. He took as his subject "Life," and gave his views as to the fullest and best life the individual might live. He pointed out that there must be work in the useful life. To do the things that were most of liking to the individual there must be romance and sympathy. There must be a sense of humor; you can say most anything if you say it pleasantly. The life worth while is the religious life.

Dr. Bigelow devoted the principle part of his address to the application of the religious life. He pointed out the necessity for application of the Christian doctrine to industries. He decried the concentration of wealth in the hands of a few. One man who owned one-third of the stock in a certain corporation, from 1907 to 1914 drew from this corporation seven times as much as was paid to the nineteen kings then in existence in the world. He urged that religion be taken into politics.

At 8:30 o'clock Sunday evening Dr. Bigelow spoke at the vesper services of the Y. M. C. A. He chose as his subject the "Responsibility of Christian Young Men and Women." He stated that the Christian must have minds open to new ideals to God's revelations being unfolded. A few years ago a number of laboring peo-

ple were condemned because they advocated that the people of the community should be taxed to support free public schools.

God works in the world through the Christian. The mind that is closed to God's new truths is an obstructionist. Men change their minds about conditions. We live in a republic and enjoy many privileges. Yet a few years ago men were hung for advocating the things we now enjoy. Error and injustice cannot last. Every truth must be recognized. Every problem can be intelligently solved today if we only take the teachings of the Bible.

Dr. Bigelow referred to Senate Document No. 259 which showed the profits of the corporations as filed with the United States government.

The speaker stated this document contained the blackest pages of American history, showing the enormous profits some corporations were making at the expense of the people of this country. The establishment of the Brotherhood of Men is necessary on Earth to solve these problems.

Dr. Bigelow favors the Plum Plan for the management of the railroads and Sunday afternoon spoke in Amarillo upon this plan.

Hearty Reception for Cousins

When Hon. R. B. Cousins arrived Tuesday morning with Mrs. Cousins from his home in Houston, he was met at the depot by a large delegation from the Normal headed by the band and given a rousing reception.

Mr. Cousins was elected president of the West Texas State Normal College in 1909, just after its establishment in Canyon. He supervised the building of the first building; saw it go up in flames in March 1914; labored under the difficulties of the shacks for more than a year while the appropriation for a new building was being fought out in the legislature. It was his pleasure to successfully assist in putting through this appropriation calling for the finest school building the state of Texas owns. He left the school in the fall of 1918, entering the business field. He is connected with the Kelly Plow Company of Longview, having his office in Houston.

Mr. Cousins is the personal friend of thousands of young men and women who have attended the Normal during his successful administration. He was a very successful school man, and his influence is being felt all over this Panhandle-Plains country for the work he accomplished while head of the West Texas State Normal College—the recognized leader of educational affairs in this section.

The Home Coming event would not have been complete without his presence.

Pageant Very Fine

The Pageant presented last night by the Expression and Physical Education departments of the Normal was one of the most delightful events of the Normal Commencement and Home Coming. The auditorium was filled to capacity with a highly interested crowd who were delighted with the presentation.

The Pageant was an allegorical representation of the history and growth of the West Texas State Normal College. It was written by Mody C. Boatright, teacher in the training school. The production was under the dramatical standpoint was under the direction of Miss Mary Brown Morgan, assisted by Miss Sadie O'Connell. The dances were directed by Miss Frieda Mitchell, Miss Pauline Brigham directed the music. The cup of wisdom was molded by John Reid.

More than fifty students were in the

cast, the principal parts of which were taken by Kenneth Burns, Mary Bradford, Frieda Michel, Thelma Black, Vada Murphy, Mody C. Boatright, Tommie Montfort, Dan Sanders, Eulless Masters and Grady Hazelwood.

The production was very highly pleasing and appreciated by the large numbers who were privileged to witness it.

Big Parade Held Yesterday

At 2:30 o'clock yesterday afternoon there was a big gathering of students, ex-students and members of the faculty on the Normal campus preparatory to the parade which came up town. There was all kinds of pep among the big gathering. Headed by the band, the parade was formed with President J. A. Hill and Ex-President R. B. Cousins, members of the faculty and students about five hundred strong. Passing around the square, the company stopped at the east side of the square where Yellmaster C. L. Condrey kept the bunch busy for some time giving yells. The company then headed for the Normal athletic field to witness the baseball game between the Normal team and ex-student team.

Commencement Program Tomorrow

The last program of the Commencement of the West Texas State Normal College will be held Friday morning at 10:00 o'clock at the auditorium when degrees and diplomas will be presented by President Hill.

The following will be the program of the morning:

Procession of Faculty and students, candidates for certificates and degrees.

Selections by College Orchestra.

Address—R. B. Cousins, first President West Texas State Normal College.

Presentation of Certificates and Diplomas, and Conferring of Degrees—President J. A. Hill.

Song—Alma Mater, by the Assembly.

Orchestra and Chorus Pleases

The program given Tuesday night at the Normal auditorium by the Normal orchestra and chorus was very highly pleasing. The auditorium was nearly filled by an appreciative audience. Two selections from Longfellow's "Hiawatha's" were presented, "Hiawatha's Wedding Feast" and "Death of Minnehaha." The orchestration of these selections are very wonderful while the choruses are the most pleasing of all modern works. The Normal orchestra this year has been pronounced one of the greatest in the entire southwest and their work in these selections pleased all who heard them. The chorus of forty voices did well their part of the program. Mr. Clark and Miss Margaret Guenther, soloists, were highly praised for their numbers.

The production was under the direction of Prof. Wallace R. Clark, head of the music department of the Normal. He is a gifted musician and the work of the orchestra and chorus was a credit to his ability as a conductor.

Home Coming Program Today

This morning a Home Coming program is being given at the Normal Auditorium. After the address of welcome by President J. A. Hill, talks will be made by Hon. R. B. Cousins, Prof. R. L. Marquis of Denton and other prominent ex-students and alumni of the Normal.

Mr. Cousins was president of the institution from 1909 until 1918, while Mr. Marquis was head of the Biology department during the same period. Scores of former students have returned to be in this meeting and to see the progress being made at the school.

Reception for Mrs. Cousins

The members of the Woman's Book Club gave a reception Tuesday afternoon at the home of Mrs. L. G. Allen, president of the Club, honoring

SUMMER SCHOOL STARTS TUESDAY

Indications Good for Big Percent Increase in Attendance During the Summer Session of Normal.

The Summer quarter of the West Texas State Normal College will start next Tuesday. Already there is a large number of students in the city awaiting the opening of the school, and this number will be increasingly large every day until Monday and Tuesday when the bulk of the summer is expected to arrive.

The members of the Girls' Forum are making arrangements to assist in every way possible to caring for the girls who are coming, and will help them overcome the difficulties of coming to a new school by the publication of a bulletin in which is set out the various things that must be done by a new student when they reach Canyon and enroll in the institution.

The committee is still looking for rooms to care for the numbers which are expected to arrive. There were more than 800 enrolled last summer and this number will likely be increased by a good percent this year.

FRANCES INGRAM SINGS AT NORMAL AUDITORIUM

Frances Ingram, Prima Donna Contralto of the Metropolitan Opera Company, will sing tonight at the Normal auditorium at 8:30 o'clock presenting the artist's recital of the Home Coming program.

Miss Ingram sang in Canyon last year to a very large audience and was highly pleasing in her recital. She will be greeted by a large audience at the recital tonight.

The Commissioners Court is sitting this week as a Board of Equalization, checking the tax renditions of the county.

ROOSTER DAY ON MONDAY, JUNE 14

Drive Will Be Made to Ship Out all Old Roosters—13 Cents Per lb. Will Be Paid.

Swat the rooster.

He is doomed, and the Randall County Commercial League is going away, others feel fortunate in getting rid of their old roosters on next Trades Day.

At this time of the year a movement is started to get rid of all the old rooster in order that the eggs may be kept fertile through the hot weather. Most breeders usually kill their old roosters and throw them away, others feel fortunate in getting two bits a head for the roosters.

The Randall County Commercial League has made arrangements to pay 13 cents per pound cash for all old roosters on Trades Day, June 14.

This is 25 per cent above the market price for roosters.

The cleaning out of the old roosters will mean much to the farmers and thus will help the Commercial League.

All breeders are urged to bring in their old roosters on that date. A man will be appointed to weigh the roosters on the court house square, and will pay cash for all purchases.

Don't overlook that fact that Monday, June 14, will be a big Trades Day in Canyon.

COMMERCIAL LEAGUE MEETS NEXT MONDAY NIGHT AT 8:00

The regular monthly meeting of the Randall County Commercial League will be held at the News office next Monday night at 8:00.

There are a great number of very important matters to be brought before the meeting. A special invitation is given to all men and women of Randall county interested in the betterment of the county to attend this meeting.

The regular monthly Trades Day will be held on Monday, June 14th. There are plans to be made for this day at the meeting Monday night. At the June Trades Day the business houses are giving away \$50 in cash prizes to the holders of the lucky numbers on the tickets given for \$1.00 cash trade by all of the leading business houses.

LABOR SITUATION SERIOUS WALKER WILL HELP FARMERS

There promises to be a great shortage of labor in Randall county again this year from now until after harvest. C. F. Walker wants to help the farmers all he can to get labor, and desires that all who will need labor to see him at once, giving the time the help will be most needed, and the length of time it will be wanted. By an organized effort it may be possible to get hold of more men to meet the emergency.

Has Picture of Son's Grave

Mrs. Kathryn Hutson was here from Amarillo Tuesday on business. She has received a picture of the grave of her son, Clayton, who died on a transport and was buried in Liverpool. The grave is being cared for by the Red Cross.

Mrs. Hutson states that she has given instructions that the body of Clayton be left in England. She does not favor the return of the boys who fell in Europe to this country. Mrs. Hutson is highly pleased with the service of the Red Cross has given in the care of the graves of the boys and the information they have given especially regarding the death of her son.

Mrs. Hutson recently returned from California where she spent the winter and will be at the home of her sister in Amarillo for some time.

Change in Time for Panhandle Denied Washington, June 2.—Petitions asking that the Texas Panhandle be removed from the central mountain time zone and placed in the standard central time zone were dismissed today by the Interstate Commerce Commission.

PROMINENT SWINE BREEDERS IN CITY

Meeting Yesterday Brings Men of Authority—Few Local Breeders Are at Meeting.

Canyon was visited yesterday by some of the biggest breeders and authorities on registered hogs in the entire southwest. They came for the meeting called by C. F. Walker in the interest of organizing an association of the breeders of Randall county.

Among those present were: Joe Haaga, assistant secretary National Duroc Jersey Record Association; Geo. P. Dillard of Arlington, Texas, who recently sold his herd boar for \$13,500; Will P. Jones of Childress, who recently refused \$20,000 for his Sensation herd boar; C. C. French of Ft. Worth, industrial agent of the stock yards; A. L. Ward, secretary Texas Swine Breeders Association and Swine specialist for the state.

No definite plans were adopted to organize the Randall county stock association owing to the fact that many breeders were not present. Those who did not come missed the greatest opportunity of hearing big breeders that has been presented in Canyon.

Mr. Haaga, stated that Mr. Walker had a very fine line up for a great Futurity Show in Canyon this fall. There are enough blood lines in Randall county; all that is needed is for the breeders to take care of the stock and develop it as it should be.

The idea as advanced by Mr. Walker for the breeders to castrate all but the very tops in the registered herds and sell the barrows to the boys of the Pig Club was approved by the big breeders.

Revival at the Baptist Church

Sunday morning, June the sixth, revival services will begin at the Baptist church, conducted by Sam L. Raborn, who has with him two helpers. Brother Raborn was here in the M. T. Martin meeting. Those who heard him at that meeting will need no introduction to this one of the sweetest Gospel singers and successful soul winners in all our southland nor will they have to be urged to attend and to assist him in the great work he is undertaking.

All people of the town and community are most cordially invited to attend and have part in this meeting, putting in whatever they can to make it a success, and receiving whatever blessing it may have for them.

B. F. FRONABARGER, Pastor.

Wooten-Shenefelt Wedding

Miss Mary Wooten and F. M. Shenefelt were married Sunday morning at nine o'clock at the home of the bride's brother, W. J. Wooten. Both of these young people are well known in Happy where they have made their homes for a number of years. Miss Wooten has been living at the home of her brother for some time and has many friends in Canyon who are extending hearty congratulations.

Cook-Henderson Wedding

Miss Sula Cook and E. L. Henderson were married last night at the home of the bride's sister, Mrs. C. L. Thompson. The marriage is the culmination of a romance started while the young people were students in the Normal. Miss Cook has been teaching in Clovis the past year, while Mr. Henderson has been in Post City. Both have many friends in the city who are extending hearty congratulations.

Ugly, Unsightly Pimples Are Signals of Bad Blood

Give Heed to the Warning.

Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, scaly eruptions and other skin disorders that burn like flames of fire.

They mean that your blood needs S. S. S. to cleanse it of these accumulations that cause unlimited trouble. This remedy is the greatest vegetable blood purifier known, and contains no minerals or chemicals to injure the most delicate skin.

Get a bottle of S. S. S. today, and get rid of those unsightly and disgusting pimples, and other skin irritations. If you wish special medical advice, you can obtain it without charge by writing to Medical Director, 105 Swift Laboratory, Atlanta, Ga.

HAIL INSURANCE

Why Lose the Time and Money You Have Invested in Your Crops?

Every year hail storms cause enormous losses to growing grain. Do not forget that the high price for wheat is a very significant fact to every grower of grain.

The farmer who escapes one year may lose the savings of a lifetime the next!

Can you afford to take the risk of losing all you have invested in your crops by a hail storm when you can insure yourself against such a loss, for a trifling sum?

I will gladly call and explain to you the policy issued.

The members of the first graduating class of the West Texas State Normal held an impromptu reunion on the campus yesterday afternoon before the parade started for the city. There were twenty five members of the class and five were here for the Home Coming. Those present are:

- I. C. Baucom.
- Mrs. Mamie Conner Bradford.
- Mrs. Frieda Starr Smith.
- Miss Annie I. Hibbets.
- Mrs. Grace Winkelman Warwick.

Diaz Pleases in Recital

Rafaelo Diaz, Tenor of the Metropolitan Opera Company, gave a very pleasing recital Friday night at the Normal Auditorium. Mr. Diaz has one of the biggest and best tenor voices ever heard in this section of the country and his entire program was very highly pleasing. Wallace R. Clark and Miss Pauline Brigham of the music department of the Normal accompanied Mr. Diaz, and much success of the program is due to their work.

Mr. Diaz came as a substitute owing to the illness of Louis Kreidler, but none of the audience were disappointed in the great program he gave.

Old Fashioned School Play

The Fifth and Sixth year classes of the Normal put on a very pleasing entertainment yesterday morning at the Normal auditorium when scenes from the old fashioned country school were presented. The play was one of the most enjoyable events of the Home Coming and Commencement program.

Students Stage Big Circus

Yesterday morning the junior and senior classes put on a big circus on the athletic field in front of the grand stand. For nearly two hours the classes put on stunts which were highly pleasing to the large crowd. The program consisted of a three ring circus in which was kept going various riding stunts and other circus stunts. There were a number of horse races and an auto race which was highly amusing to the big crowd. The circus was pronounced a great success in every respect.

Normal Beats Ex-Students

The Normal team closed the season yesterday by trimming the ex-students team by a score of 13 to 3. The batting average for the Normal team during the season is printed on another page of this edition.

Head of Department Arrives

Prof. R. P. Jarrett and family have arrived from Temple, Okla., and will live in the house now occupied by the D. A. Park family as soon as the Park's move to their farm north of the city.

Mr. Jarrett was recently elected head of the Education department of the Normal. He holds two degrees from Peabody and has been a very successful teacher in the Texas schools, going to Oklahoma as the head of the Temple schools three years ago.

Hill Presents Normal's Claims

President J. A. Hill returned Sunday morning from Austin where he had been attending a meeting of the educational committee and also appeared before the appropriation committee of the legislature in regard to the deficiency appropriation which he is asking to meet the increased costs of the school. All of the presidents of the educational institutions of the state appeared before this committee.

Mr. Hill believes the schools will receive a good appropriation, but may not be able to get all they need at the special session. The boll worm situation has caused considerable dissention among members of the legislature.

W. H. Blaine Will Leave

W. H. Blaine will leave next Monday for Amarillo where he has accepted the management of the Automotive Association. Mr. Blaine came to the Normal six years ago as head of the physical education department. Last year he was placed in charge of the commercial department which was organized at that time. In both departments he has been very highly successful in his work. The members of the faculty and the citizens of Canyon regret very much to see the Blaine family leave Canyon but extend the very best wishes for them in their new home.

The association with which Mr. Blaine will be associated is composed of the automobile, truck, and accessory dealers of Amarillo and the Panhandle-Plains country.

The Methodist Church

There will be regular services at the Methodist church Sunday morning and night. The celebration of the Holy Communion at the morning services. Revival services at night. Mrs. Shaw will draw some of her beautiful pictures.

Cordial welcome to all.
SIMEON SHAW, Sr., Pastor.

Miss Roxy McCann left Saturday for her home in Canyon. She was teaching the school term here. Everybody is well satisfied with what the children learned and would like to have her back again next season.

The John Batenhorst family visited at Anton Beckman's Sunday.

Buchholz Addresses Published

The many friends of Dr. John T. Buchholz who was head of the Biology department of the Normal last year will be interested in information sent out from the University of Arkansas where he is now teaching.

The leading article in the April issue of the American Journal of Botany is by Dr. John T. Buchholz, head of the department of botany, University of Arkansas. It is called "Embryo Development and Polyembryony in relation to the Phylogeny of Conifers." More than eighty illustrations are included in the paper. The subject is in a rapidly developing field of "science," and Dr. Buchholz is classed as an authority on conifers.

This is the address read as part of the invitation program of the Botanical Society of America in joint session with the American Phytopathological society, and the Section G., Amer. Assoc. for the Advancement of Science, at St. Louis, Dec. 30, 1919.

The February 1920 issue of the Botanical Gazette also contains an article by J. T. Buchholz on "Polyembryony among Abietineae," which appeared on the general program of the Botanical Society of America at Baltimore, Dec. 1918.

Newt Hileman Loses \$220

Newt Hileman was robbed of \$220 at his room last night in the Palace Hotel. He returned late from Umberger and layed his trousers containing the money on a chair. He does not remember whether he closed his door or not. He missed the money when he dressed this morning. Two young men who had been staying at the hotel left suddenly this morning, and are suspected. No trace has yet been found of them.

John Renfro of Vigo Park is visiting here this week.

Hulon Buckner of Jayton is here this week to be at the Home Coming. H. E. Smith of Amarillo was a call here Tuesday.

Announcement Party Saturday

A group of friends met at the home of Miss Hudspeth on the evening of May 29th to share a very delightful surprise. There was from the beginning a tinge of romance and a hint of important secrets. The decoration of hearts, the solo of Miss Margaret Guenther, the reading of Miss O'Connell. After these preliminaries, events moved rather swiftly. Miss Adeline White gave a toast to the two brides.

To the dancing one (Miss Michel) and to the studious one, we wish that the great happiness so recently found may remain ever aglow. The one whose athletic dancing has found its perfect interpretation: the other where "a greater than all knowledge beat her down."

We wish that you may make that harmony in marriage so beautifully interpreted by Tennyson in "She set herself to man like perfect music to noble words."

Now for condolence: To those who are left behind (with apologies to Herrick):

"Gather ye romance while ye may,
Old time is still a-flying,
And that some romance that is alive today
To-morrow may be dying."
Miss Abbie Graham gave a toast to Cupid:

There's a young instructor at our college
Who possesses vast stores of knowledge
He is skilled in all arts
But particularly hearts
As corridor courses will prove him.

But he's a very careless professor
No law of the school he'll obey
He enrolls Faculty members
Tho well he remembers
The laws of the state say him nay.

He laughs at the high cost of living
Not a thought to the subject giving
What are prices of rings
When for him there are wings
And mortals that still do his bidding.

Tho' we grant he is stupid
Still here's to Prof. Cupid.

Miss Bell toasted the groom:

To Romeo and Lochinvar
Go our greetings from afar;
Taught by Cupid's wiles no few,
You have learned, indeed, to woo!

All the world a lover loves:
Missives wing'd by Venus' doves
Never in their course did fail,
Bearing yet love's tender tale.

Friends unseen now wish you joy—
Health, happiness without alloy;
Through from us our friends you take,
They'll still be dear for old times' sake.

Then the sounds of the wedding march were heard and a dainty little cupid, Elizabeth Burroughs, came slipping down the stairs. She delivered her "special" from Mars to Miss Hudspeth. It was a night letter, Miss Hudspeth explained, having come at night. The poetic epistle was loathe to relinquish its secret, but at last the tale was concluded. Miss Hamah Smith, teacher of English at the West Texas State Normal College and Dr. Calloway, head of the Department of English at the University of Texas, announce their engagement and approaching marriage in August.

There followed a rather ineffectual shooting of hearts, but cupid, having come so far, was a bit weary.

Refreshments of ice cream, cake and coffee were served, the cream orange and white, reflected the colors of the University, whence sprung this romance. Favors of daisies were given to each guest. The guests compared their various "guesses" and eventually took leave of their delightful hostesses, Misses Bell, Boulware, Aiken and Hudspeth.

The Training School Cantata
The Training School Chorus, under the direction of Miss Guenther, gave a pretty cantata, "The Frog Prince," at the auditorium Monday evening. Beautiful scenery and costumes designed by Miss Clark, added attractiveness to the play. The story is from Grim, Libretto by Frederick H. Martens, music by William Lester. The principal characters were as follows:

PAIGE
The Most Beautiful Car in America

THE mere fact of owning a motor car counts for but little these days unless it is a car of which its owner may justly be proud.

And this, we believe, is one of the reasons why the Paige Seven-Passenger Touring Car commends itself so highly to the car-owning public. It excites such general admiration that it is a constant source of pride to its owner.

Ever since the Paige Six-55 first appeared three years ago, it has held an unquestioned position of leadership among the finest seven-passenger motor cars on the American market.

Its handsome body, sturdy chassis and smooth-running motor are features often commented upon as being quite exceptional in a car of such moderate price.

You have undoubtedly, at some time or other, ridden in a Paige Six-55. But, if not, you will certainly wish to do so before deciding on your next motor car purchase.

With the demand for the Paige Six-55 far exceeding our utmost production efforts, a prompt decision is advisable. Orders placed now mean just so much more of the best touring season assured for your enjoyment.

BOY SCOUT NOTES

A Scout Hike

At seven o'clock April 19, the scouts met at the Court House preparatory to a hike. We marched out of town in double file, and at about eight-thirty, we arrived at the Canyon Club grounds. We selected a suitable camp site, and then fished and rowed until time for preparing dinner. Asst. Willy gave some first class cooking tests, which consisted in cooking "twist", or bread baked on a stick, and a hunter's stew. Two of the boys baked a chicken. This was done by putting a layer of clay over the chicken, and keeping it in a bed of live coals for an hour and a half. Most of the boys passed the tests.

After dinner was eaten, Asst. Willy went to hill a distance off and signaled to us by the semaphore method, or with two hand flags. After this, we played "capture the flag." About four o'clock we went in swimming and stayed until supper time. We cooked supper, cleaned up the camp, then came back to town arriving at about six-thirty.

Minutes for Boy Scout Meeting for May 6, 1920.

The Scout Master called the meeting to order at seven o'clock with forty-six members present. As he called the roll, the boys gave their ages and ranks as scouts. The minutes were read and adopted. Hubert Hammel and Scout Ament were nominated for the office of Troop Treasurer. Hubert Hammel was elected. The Scout Master handed back the maps to the boys and pointed out their errors. Jesse Thomas, A. B. Landrum, and Calvin Myers were admitted to the Troop by a unanimous vote. The Scout Master suggested a hike for the following Monday. The Troop approved, and the place was left to be decided on Monday morning. The Troop marched in single file by the desk and saw an exhibition of camp fires arranged by William Kirk. Asst. Willy exhibited a group of flowers and trees. He also reported that there were two first class and twenty-one second class scouts in the troop. The second class scouts went to the swimming pool while the tenderfoots played in the gymnasium, and vice versa. We then assembled in the room, gave the yell and oath, and adjourned to meet this, the 13th day of May.

Training School Faculty Entertains Ninth Grade

On Wednesday evening, May 19, 1920, the ninth grade was entertained by the Training School Faculty on Miss Ritchie's lawn. At eight-thirty everyone gathered on the beautifully lighted lawn. Games of Drop the Handkerchief, Three Deep and Progressive Conversation were played. One interesting feature of the evening was a gypsy's tent, where the guests went to learn their fate. Refreshments of ice cream and cake were served. At a late hour the guests departed, expressing their appreciation of the good time the faculty had given them.

Kindergarten Entertains Parents

Thursday, May 13, the Kindergarten entertained their parents. They followed the usual daily program so as to give the mothers an idea of what the kindergarten was doing. After telling stories, playing games, etc., they gave the Children's Polka. Refreshments were served by the children. The wafers were buttered with butter the children had churned the day before.

The following parents were present:

Mr. and Mrs. George Bishop, Mr. and Mrs. Jennings, Mrs. Rusk, Mrs. Wiggins, Mrs. Bishop, Mrs. Bowman, Mrs. Hill, Mrs. Holmes, Mrs. Whittenberg, Mrs. Oden, Mrs. Thomas.

Cousins Hall to Open Soon

The Cousins Hall dining room will be opened to the young ladies of the Normal on June 8. This decision was made on account of the lack of sufficient number of places where the student body could procure meals during the Summer Quarter.

This dining hall is opened for the benefit of the students, and not for profit. No profit will be made, but the price charged for the meal is intended to cover the actual operating expenses and the cost of the food. The expenses, light, water, fuel, and rent will not be added to the operating expenses but cared for elsewhere.

Single meals will not be served. Any student wishing to board at Cousins' Hall will be required to pay six dollars in advance each week. This will be lowered later if we find it possible to do so. It is the intention of the committee to serve the best food possible for this amount of money.

The failure to get Mars on the wire should not be accepted as final. Perhaps the public service on that planet is under government control.—New York Sun.

Luncheon Given Elementary School Faculty

One of the most pleasing luncheons of the season was that one given on last Thursday, May 20, by the girls of the Eighth Grade Cooking Class to the members of the Elementary School Faculty.

For once the faculty sat in pleased submission to the will of the students while they served the three daintily appointed courses.

Misses Marie Downing and Ruth Hart of the class were the charming hostesses present at the luncheon, while several other potential little hostesses were gracefully serving—to say nothing of those whose presence was tasted rather than seen.

There was much merry chatting and the affair proved to be one of the kind which makes for wholesome friendship and understanding between student and teacher.

Farwell-Texico Game

The second defeat of the week came Thursday at Texico when the Farwell-Texico ball club defeated the Normalites 9-10. The game was rather loosely played, but in spite of that was one which held the interest of the spectators from beginning till end.

The game was not finally decided until the last half of the ninth when the state-liners, with one man down and one man on, got a lucky three

base hit down the third base line. Battenfield and Akers pitched for the Normal, Carter and Denise for the T-F club.

Young Farmer Missing

Ray Haynes left home May 1st and since then has not been seen by any of his relatives or acquaintances. His family and friends are very much disturbed because of his disappearance and are instituting a thorough search for the young man.

Mr. Haynes lived three miles west of Odell and the morning of his disappearance started a-foot to a neighbor's house to help "make up a party" for that night. He never reached his friend's house.

As the young man owned a car, a fine span of mules, and had the ground broken for this year's planting of row crops and a bank account, it is feared he has met with foul play.

His bank account still remains untouched in the bank. He has never had any trouble of any kind in his neighborhood and is noted as an exceptional fine young man of the Pleasant Valley community.—Vernon Record.

"How Is This For Texas?"

F. P. McCuiston of Corsicana, Texas, had a sow which has farrowed 44 pigs in less than eleven months. The record of her performances is as follows: Feb 27, 1920—13 pigs; Oct. 2, 1919—17 pigs; April 6, 1919—14 pigs; total 44 pigs. Mr. McCuiston asks, "How is that for Texas?"—The Swine World.

It costs 4c per acre, labor included, to treat wheat or oats for the control of smut. Ten per cent smut in a field will mean a loss of from \$3 to \$5 an acre. Thus an investment of 4c per acre yields returns of from \$3 to \$10 per acre. Does it pay to treat your seed grain?

About the only thing that can be successfully home-brewed is trouble.—Nashville Tennessean.

Notice of Bond Election

Notice is hereby given that an election will be held at the court house of Potter County, Texas, in the city of Amarillo, within the Amarillo Independent School District, on the 5th day of June, 1920, to determine whether the bonds of said district shall be issued to the amount of Twenty Thousand Dollars (\$20,000.00), payable twenty years from their date and bearing interest at the rate of five per cent (5%) per annum for the purpose of constructing and equipping a public free school building of brick material and purchasing a site therefor and constructing permanent repairs of brick material to the brick public free school buildings of said district, within said district, and whether there shall be annually levied, assessed and collected on all taxable property in said district for the current year and annually thereafter while said bonds, or any of them, are outstanding, a tax sufficient to pay the current interest on said bonds and provide a sinking fund sufficient to pay the principal at maturity.

J. W. Donaldson has been appointed manager of said election, which shall be held as nearly as may be possible in conformity with the general election laws of the State.

No person shall vote at said election unless he be a qualified voter under the constitution and laws of this state, and a taxpayer in said Amarillo Independent School District.

Those in favor of the issuance of the bonds and the levying of the tax shall write or print on their ballots "FOR THE BONDS AND THE TAX"; and those against the issuance of the bonds and the levying of the tax shall write or print on their ballots "AGAINST THE BONDS AND THE TAX".

Said election was ordered by the Board of Trustees of said Amarillo Independent School District by order passed on the 5th day of May, 1920, and this notice is issued pursuant to said order.

Dated this 7th day of May, 1920.

E. S. BLASDEL,
President Board of Trustees of said District.

Attest: S. F. NEWBOLD,
Secretary Board of Trustees of said District.

THE STATE OF TEXAS: To the Sheriff or any Constable of Randall County, Texas:

You are hereby commanded to summon any and all persons interested and any and all persons claiming to be heirs of W. A. Ward, deceased, and Jennie G. Ward, deceased, to appear at the next regular term of the County Court of Randall County, Texas, to be held at the Court House thereof in the City of Canyon, on the first Monday in July, 1920, being the 5th day of July, 1920, then and there to answer a petition filed in said court on the 30th day of April, 1920, in a cause numbered 649, in which John T. Ward brings an action to establish the fact that he is the sole heir at law of W. A. Ward, deceased, and Jennie B. Ward, deceased, and to declare his heirship in and to the estate of the said W. A. Ward, deceased and Jennie B. Ward, deceased, the cause of action being alleged in substance as follows:

That W. A. Ward, who resided in Randall County, Texas, died testate on the 27th day of October, 1906, and that no administration has been granted upon his estate and none is necessary; that the wife of the said W. A. Ward died intestate in the city of Amarillo, Potter County, Texas, on December 25th, 1918; and that the petitioner, John T. Ward, is the only heir at law to the estate or estates of the said W. A. Ward, deceased, and Jennie B. Ward, deceased; that the said W. A. Ward, deceased, and Jennie B. Ward, deceased, at the time of their respective deaths, were within the knowledge of the petitioner, possessed of the following estate, consisting of real property: Sections 151 and 174 and the North Half of Section 152, all in Block 2, A. B. & M., Randall County, Texas.

Petitioner further prays for citation to J. A. Meador of Randall County, Texas, and D. P. Seay of Potter County, Texas, and for citation by publication as against unknown persons claiming to be the heirs of the said W. A. Ward and Jennie B. Ward, or either of them; and for judgment establishing his heirship to the estates of W. A. Ward, deceased, and Jennie B. Ward, deceased, or of either of them.

You are further commanded to serve this citation by publishing the same once each week for 8 consecutive weeks previous to the return date

hereof, in a newspaper published in your county, or if no newspaper published in said county, in the nearest county where a newspaper is published.

Herein fail not, but have you before said court on the first day of the next term thereof this writ, with your return thereon showing how you have executed the same.

Witness O. W. Gano, Clerk of the County Court of Randall County, Texas.

Given under my hand and the seal of said court in the city of Canyon on this the 30th day of April, 1920.

(Seal) O. W. GANO,
Clerk of the County Court, Randall County, Texas.

A true copy I certify.

Happy Happenings

Had a big rain, Wednesday which was almost a cloudburst in some places.

Mrs. O. M. Fowler and children were visiting at Floydada and Kress last week.

Miss Sallie Mulkey went to Canyon Friday to visit her sister, Mrs. Christian.

G. W. Cox of Lockney has bought the A. J. Garrison half section of land west of town from George Lash for \$52.50 per acre.

Mr. and Mrs. Joe Evans and son, Wayne, were Tulsa callers Friday.

Mr. and Mrs. Wilson of Paducah came in last week to visit Mrs. Wilson's sister, Mrs. Charlie Waite. They returned home Sunday and Mrs. Waite accompanied them to visit for some time.

Payton Roberts of Floydada is visiting friends here the past week.

Misses Vollie Dison and Sallie Mulkey were Canyon visitors Monday.

W. J. Beard of Plainview was prospecting in this part of the country Wednesday.

Miss Mildred Zoellars closed a successful term of school Friday. She treated the scholars and a few friends to ice cream.

Mr. Barnes of Hereford was transacting business here Saturday.

Mrs. Will Gibson and Wash Parker left Saturday for their home at Odessa, Mo. They took their mother Mrs. Parker, with them thinking probably the lower altitude would benefit her. She has been in a critical condition for some time.

Misses Annie and Edith Embry of McGregor, Texas, were visiting Mr. and Mrs. Embry Finley several days last week.

N. S. Griggs and family of Amarillo passed through Happy last week in their car. They were on their way to Erath county where they will visit for some time.

Mr. and Mrs. Charlie Waite, Mr. and Mrs. Wilson were shopping in Amarillo Saturday.

Last Tuesday at 9 o'clock on the local, Vincent Grounds and Misses Misses Willie Grounds and Grace Grace White left here, bound for Lockney to attend the Northwest Texas League Conference. Arriving at Plainview we met a number of delegates from other points going to the conference. Arriving at Lockney met by cars of the Lockney committee and taken to the church where we registered and were assigned to homes. We had a nice time from the time we left until we returned Friday morning. The conference was fine, especially Dr. Mumpower, our missionary to Africa, who is here on a furlough, and Prof. Evans from the head office at Nashville, Tenn. Lockney surely knows how to entertain and we hope to return some time.

Charley Watts of Lubbock visited Sunday night and Monday at the Embry Findley home.

Miss Audrey Carol of Hereford is visiting Misses Lois and Madie Whitely this week.

Misses Mary and Barbara Cole left Friday for Lockney to see their mother.

J. R. Francy and family went to Canyon to hear the Commencement sermon at the Normal Sunday.

Mrs. Elzo Guest and children left Tuesday for Arkansas to see her father, Jim Wesley.

Mr. and Mrs. M. B. Monigal and W. C. White were in Canyon Saturday.

J. E. Bragg and family and Mrs. Sweat visited and attended church in Tulsa Sunday.

Misses Eli Aikman and Vollie Dison went to Canyon Saturday to the Home Coming at the Normal.

Mrs. Dora Humphrey of Lockney visited Sunday at the L. E. Grounds home.

Mr. and Mrs. Embry Finley were business callers in Canyon Friday.

Miss Julia Clark of Hereford was a business caller here Monday.

Mrs. Adkinson and daughter, Winnie Mae, of Canyon visited Saturday at the W. E. Finley home.

Mr. and Mrs. E. E. Whitley and daughters, Misses Lois, Madie, Nellie and Catherine, were visiting in Hereford Saturday and Sunday.

N. W. Uselding was a Tulsa visitor Friday.

Mr. and Mrs. Walter Fogerson and son of Silvertown were visiting here last week.

John Dowling of Canyon visited Sunday at the E. E. Edmon home.

J. M. Peabody of Clarendon was visiting at the J. E. Smith home last week. Mr. Smith taking him to Canyon Monday to take the train.

Miss Irene and Virgil Wren were visiting in Tulsa Sunday.

Cupid was busy in our neighborhood this week. Foster Shenefelt and Miss Mary Wooten were married in Canyon Saturday and Clark Neff and Miss Opal Gray were married in Amarillo Sunday. We wish them long and happy wedded lives.

J. R. Fancy, daughter and son, Miss Gladys and Robert, were in Tulsa Sun-

Plenty of Canyon evidence of their worth.

Mrs. J. F. Hughes, Canyon, says: "A short while ago I was troubled with a weak and lame back. There was an ache across the small of my back all the time and when I stooped over, sharp, stinging pains would catch me and some times I could hardly get straightened up. Often I would get dizzy and nervous and my kidneys would be too frequent in action and bothered me. Two boxes of Doan's Kidney Pills cured me."
