

## FIGHTING SPIRIT OF BUFFALOES IN GAME SATURDAY

**ROSWELL MILITARY BOYS WIN HARD FOUGHT BATTLE, 10-19**

**Coach Burton Says Boys Put Up Battle of Which He is Proud—Abilene Here Saturday.**

The Buffaloes were defeated in the fourth game of the season Saturday by the New Mexico Military Institute at Roswell by the score of 19 to 10. The team came home pleased at the showing they had been able to make against the Military boys, who are recognized as one of the strongest football aggregations in the Southwest.

Coach Burton stated that he would have liked for the people of Canyon to witness this game. It was a real battle all of the way through, with honors about equally divided. The first half was in favor of the Roswell boys. The Buffaloes came back strong in the last half and gained more than twice the territory than did the Roswell team. Three times the ball was planted by the Buffaloes on the five yard line. Once it was called over, but fumbled. The other two times Roswell held like a stone wall. Fumbling probably lost the game for the Normal. Two of the touchdowns for Roswell were made on flukes.

Coach Burton stated that he is more than well pleased with the reception given his men by Roswell. He stated that the players were gentlemen and that the officials of the school extended every courtesy possible. Mr. Burton states that all of the Roswell people told him that they greatly appreciated the athletic relations existing between the two schools, as they looked upon the Normal as one standing for clean athletics. Mr. Burton said he was assured by the Roswell players that his team would give Simmons a great battle, and stood a good chance of getting the big end of the score. Roswell outweighed the Normal 20 pounds to the man.

Abilene Christian College will play the Buffaloes on our grounds next Saturday afternoon. Nothing is known of the team. The school beat Simmons last year. The Normal is working hard this week expecting a hard and close battle Saturday.

## Com'l League For Clean Up of City

At the meeting of the Randall County Commercial League Tuesday, a Clean Up Campaign for Canyon was highly endorsed, and every member present pledged himself to work on Clean Up Day and urge others to take an active part in making the town clean.

It was pointed out that one neighboring town has had 19 fires since January first. Canyon has had no fire of consequence, but with the continued dry weather and accumulated trash and weeds, there is great danger of a destructive fire.

C. M. Ackerman, G. G. Foster and C. D. Lester were appointed to lay before the city council the endorsement and pledge of co-operation, and ask that the city officials have this Clean Up Day.

## DEAF SMITH SHERIFF CAPTURED BIG CAR AND BOOZE NEAR CITY SUNDAY

Sheriff Purcell and his deputy, together with Deputy Sheriff J. B. Hensley and J. B. Younger of Canyon, captured J. D. Cotharp of Amarillo and Chas. Hull of El Paso near the Carter home Sunday afternoon, together with more than 60 gallons of booze.

Sheriff Purcell states that he was informed of the car of booze by a citizen of Hereford about noon Sunday. He followed the big Marmon car into Canyon, but was unable to catch up with it. The booze peddlers had tire trouble and stopped near the R. W. Foster home, one of them come down for a new tube. The sheriff missed the car when he arrived, but after scouting around town for a few minutes discovered that the puncture had been fixed and the car was headed back toward the depot and the west road toward Amarillo. He headed his Buick across the highway hoping to stop the booze wagon. Instead of stopping, the

## Mrs. Dixon a Friend of Historical Society

Mrs. Olive Dixon of Miami was here Sunday visiting at the Archer home. Mrs. Dixon is well known in Canyon having made this her home a few years ago. She is the widow of Billy Dixon, famous scout and Indian fighter, who figured so greatly in early Panhandle history.

Mrs. Dixon has made many valuable contributions to the collection being made by the Panhandle-Plains Historical Society. She visited the collection while in Canyon, and was well pleased at the care given these valued relics and the importance of such a collection toward preserving history. She states she has a number of other valuable articles which will be given to the collection.

Mrs. Dixon published a life's history of Billy Dixon a few years ago, which book is in the homes of many Canyon people. She takes great interest in uncovering early Panhandle history and is devoting a great deal of her time influencing her friends to make contributions to the Panhandle-Plains Historical Society.

## Legions Will Join in Amarillo Nov. 11th

An All-Panhandle meeting of members of the American Legion will be held in Amarillo on Nov. 11. This meeting is called for the purpose of organizing the Posts of this section for the mutual benefit as well as celebrate Armistice Day.

Post Commander H. C. Gamble states that the Palo Duro Post will have an early morning celebration, go to Amarillo for the meeting, and will return to Canyon in time for the big football game between the Northwestern Oklahoma Normal and the Buffaloes.

Since Nov. 11 has been declared a legal holiday by both state and nation, all business will be suspended for the day.

Mr. Gamble states that about ten men from Randall county will attend the national convention of the American Legion in Kansas City which starts Oct. 31.

## FIRE IN STORE ROOM

A fire was discovered in the store-room in the rear of the Palace Hotel Monday evening at 8:30 o'clock. The room is used by the Thompson Hardware undertaking department. Mr. Thompson states that no one had been in the room for more than two weeks, and is at a loss to know the origin of the fire, unless it was from a match or cigaret dropped through a crack in the stairway from the hotel hall above.

Several boxes of clothing and dishes belonging to C. L. Thompson were damaged to considerable extent by the fire. None of the undertaking goods were touched.

## VERY FINE STRAWBERRIES

B. T. Johnson brought to the News office Monday one strawberry plant which had 36 berries, seven ripe ones, and the remainder of various sizes. Mr. Johnson introduced the ever-bearing strawberry in Canyon a few years ago, and is the most successful raiser in the county. He has berries from early summer until the frost and freezes stop the plants from producing. This is one of the most interesting plants we have ever seen.

## MRS. POWELL IS RECALLED FROM NURSE DUTIES

**PUBLIC SCHOOL WORK IS NOT ENTIRELY COMPLETED**

**351 Children Examined and 307 Found To Have Defects—Another Nurse Soon.**

Mrs. Zula L. Powell, public health nurse, was recalled to Austin Sunday, and was unable to complete the work of examining the children of Randall county. Mrs. Powell stated that she would see to it that she or some other nurse was sent back to Randall county as soon as possible in order to complete the work in the Canyon schools and also visit all of the country schools of the county.

Mrs. Powell asked the News to express her appreciation to the members of the Woman's Book Club who gave their assistance in the examination of the children, and to thank the doctors and dentists of Canyon for their services. Mr. Powell stated that she had never worked with more pleasant people than in Canyon and regretted very much that circumstances made it imperative for her to return to Austin to get ready for the Red Seal Christmas sale, the proceeds of which makes possible the work that she is doing for the children of Texas.

Mrs. Powell states that she did not get to examine about 80 boys of the public schools. The results of the examinations are as follows:

Number examined	351
Number having defects	307
Having no defects	44
Goiter	1
Defective vision	93
Defective hearing	27
Nasal obstruction	54
Enlarged tonsils	159
Defective teeth	145
Under weight	9
Over weight	94
Skin (not contagious)	3
Skin (contagious)	1
Vermin in hair	1

## Luncheon Tuesday at Canyon Cafe

The Commercial League weekly luncheon will be held for the next two Tuesdays at 12 o'clock at the Canyon Cafe. S. B. McClure will have charge of the program and business session next Tuesday.

Twenty eight men attended the luncheon Tuesday, as follows: J. W. Reid, A. E. Wise, Roscoe Davis, W. E. Duncan, W. A. Warren, H. Ackley, Brown J. A. Hill, I. H. McCarty, G. G. Foster, D. A. Shirley, D. A. Shirley, L. G. Allen, H. J. Buckner, S. B. McClure, R. E. Foster, Frank Lemon, J. Pritchard, C. W. Warwick, J. E. Rogers, T. I. Poor, R. E. Maguire, B. B. Cluck, Dan K. Usery, C. M. Ackerman, C. D. Lester, J. M. Fleisher, S. V. Wirt, and A. N. Henson.

## ELECTRIC SERVICE ADDED

Commencing last Monday morning Manager A. J. Arnold increased the hours of electrical service in the city, commencing the run at 5 a. m. and continuing until midnight. Mr. Arnold states that he will go to 24-hour service when the use of electricity in Canyon will justify the additional expense of operating.

## RAISES FINE TURNIPS

Mrs. R. O. Allison brought to the News office Saturday seven of the finest turnips we have seen this year. The turnips were large and well formed, and of excellent quality. Mrs. Allison states that she raised them without irrigation.

## BURKE MATHIS HERE MONDAY

Burke Mathis, representative from Hale county, was here Monday on business. Mr. Mathis was our representative in the legislature during the last session of the legislature, and stands high in legislative circles.

## CUTTING DEAD TREES

The dead locust trees on the court house lawn are being cut down. Practically all of the trees will have to be cut this year, and will be replaced by other trees which will not be infected by bores.

## BUILDING HOME HERE

W. C. Hamblen is moving to Canyon from Happy and building a new house just south of J. T. Cochran's new house. Mr. Hamblen is building a garage now and will live in it until he can get his house built.

## Federal Men High in Praise for Normal

Three men connected with the vocational training work of the state and federal government have visited the Normal during the past week.

C. L. Davis representing the state was here Friday. He was very high in his praise of the shop work that is being done in the agricultural department. J. E. Wiley, state superintendent was here Tuesday and was equally high in praise of this work.

H. J. Erick, from the Federal Vocational Board especially representing the agricultural work, was here Monday. Mr. Erick made a thorough inspection of the school and the equipment for teaching agriculture. He came with the idea that possibly this department used the text book method primarily, and was pleasantly surprised that the shop work of this department was supreme in instruction. Mr. Erick states that this inspection will lead to many more men being sent here for vocational work. The government now has ten men in the Normal.

Mr. Erick was also interested in the Commercial Department. He stated the government had experienced difficulty in finding schools in which there was an adequate Commercial Department which would take all classes of men. Most of the schools require a certain amount of academic work completed for entrance. At the Normal this academic work may be taken in the training school if the student is not had sufficient preparation. This will bring a number of ex-service men for the Commercial Department.

Another feature of the Normal that appealed to Mr. Erick was the all year program. Under the governmental provision for vocational training the men cannot be out of school more than a month without being dropped from the rolls. Mr. Erick is reporting to the chief of Vocational Training, B. O. Murph, the ideal situation offered by the Normal and urging that Mr. Murph personally inspect the school in order that more men be sent here.

## Rev. Hinge to Stay With Panhandle Work

Rev. O. P. Hinge has announced his decision to remain with his work in the Panhandle country rather than accept the call of the Lutheran church at Clifton. The decision of Rev. Hinge to stay in this section is welcome news not only to the members of that church but also to the citizens of Randall county.

Rev. Hinge has become prominent in his church work by his aggressive spirit shown in extending the scope in this section. He has greatly increased the Lutheran congregation in this county, built the parsonage east of town, organized Lutheran congregations in both Kress and Amarillo, and has brought together the members of his church in two great meetings at the Six-Mile Crossing.

## INTERESTED IN HERD LAW

J. M. Burkhalter was a business caller in the city Tuesday and states that farmers of his section are discussing the need of voting the herd law for Randall county. This law was defeated a few years ago in a special election.

Mr. Burkhalter states that he does not know yet just how the sentiment stands in his community, but that the farmers are discussing the law with an open mind. If the herd law is good for the farmer, they want the law. If it is not good for the farmer, they will not agitate it.

## Campaign to Enlist All Wheat Growers

Randall county has about 25 wheat growers signed up in the Wheat Growers Association, which has the object in view of selling their wheat at a profitable price rather than at a loss such as has been taken the past two years.

Nearly all of the members from Randall county attended the meeting in Amarillo last Monday and were well pleased with the steps which have been taken by the organization. Geo. Frank states to the News that Judge Gonch of Hereford has been appointed to make a complete canvass of Randall county in order to get all wheat growers to sign up for next year. A meeting will be called and the county divided into sections as soon as new contracts are received from headquarters.

Mr. Frank states that practically all business men and bankers who have had the matter laid before them are urging farmers to join the organization.

## RANDALL COUNTY WINS SEVENTH PLACE AT DALLAS FAIR; ALSO WINS 23 RIBBONS IN 31 CLASSES

C. F. Walker writes the News from the Dallas Fair that he is well pleased with the winnings of the Randall County exhibit, and that the same is causing much favorable comment.

Randall county won 7th place in the Fair on county exhibit, the following being the standing of the twenty-five counties winning a place:

First prize, \$500, Hunt county; second prize, \$400, Ellis county; third prize, \$300, Haskell county; fourth through twelve prizes, \$200 each in order named: Collingsworth, Oldham, Smith, Randall, Hale, Johnson, Terry, Lampasas, Knox; thirteenth through twenty-fifth prizes, \$150 each: Donley, Lynn, Swisher, San Augustine, Collin, Lubbock, Potter, Dawson, Childress, Lamb, Callahan, Baylor and Brown.

At the meeting of the Commercial League Tuesday a vote of thanks was extended C. F. Walker for the showing he had made with the exhibit at the Fair. Last year Randall County won

15th place, and went up to 7th place this year.

- Individual Winnings**
- Mr. Walker also entered 31 classes in the individual show, winning 23 ribbons—6 firsts, 9 seconds, 3 thirds, 4 fourths, 1 fifth—on the following:
  - Peck of oats, 1st and 2nd.
  - Peck of wheat, 2nd and 3rd.
  - Peck of Sudan, 2nd.
  - Peck of Alfalfa, 4th.
  - Peck of millet, 4th.
  - Peck of white kafir, 2nd.
  - Bale of sudan, 1st.
  - Bale of Johnson, 1st.
  - Bale of sorghum 1st and 2nd.
  - Bale of alfalfa, 2nd and 3rd.
  - Sheaf of wheat, any variety, 2nd.
  - Sheaf of wheat, hard, 2nd.
  - Sheaf of oats, 4th.
  - Sheaf of rye, 4th.
  - Bale of native hay, 1st.
  - Cashaw, 1st.
  - 12 beets, 4th.
  - Winter squash, 3rd.

## Trees Discussed at Luncheon Tuesday

The advisability of cutting locust trees and planting other kinds was discussed at length at the Commercial League luncheon Tuesday, and resulted in various opinions and experiences with tree raising on the Plains. The question was brought about by the action of the Commissioners Court in cutting the trees on the court house lawn. J. E. Rogers stated he had raised trees in Randall county for nearly 30 years and always had good trees when they were given proper care. President J. A. Hill stated he had written all over the United States to supposed authorities upon the question of the bores, and these men did not agree. He was not going to cut infected trees, but would try to keep the bores down and plant other varieties in between the locust.

Dr. Brown stated that there were nine varieties of trees on his place and all were being worked upon by the bores until he treated them with arsenate of lead, which had destroyed the bores upon all trees.

It seemed to be the opinion of those present that it was better to fight the bores than cut down the trees when affected. However, the necessity of planting other varieties of trees was strongly urged.

## Golf Tournament to Start Next Sunday

The Canyon Golf Club is showing signs of real activity with the announcement that the grounds are fast being put into excellent condition.

A local tournament will be started Sunday for the purpose of establishing the proper handicap between the players of the club. The tournament will run through Sunday, Monday and Tuesday. Not all the members can arrange to play on the same day, therefore the three days are given to complete the tournament. Every member of the club has been paired and each will report to C. N. Harrison, secretary of the Club, to ascertain his playing opponent for the tournament. The pair may arrange to play at their convenience, but all score cards must be turned back to Mr. Harrison by Tuesday night.

The tournament will not only revive golf playing in Canyon, but will give a basis for the selection of players to represent the Canyon Golf Club in tournaments with other clubs, several of which have been planned for this fall.

Men are at work on the golf course, and most of it is in very good condition. The work will be continued until all parts of the ground has been put in first class condition.

## EX-STUDENTS HAVE MEETING

An ex-students meeting of all state institutions is being held in Dallas this week for the purpose of laying plans to put a constitutional amendment before the people of Texas to take the state schools out of politics and give them a steady source of income. Miss Annie Hibbets went to the meeting yesterday to represent the West Texas State Normal College.

## STORK SPECIAL

A daughter was born to Mr. and Mrs. A. W. SoRolle, at their home ten miles northwest of the city October 10.

## HUSKY HIGH TAKES EASY GAME MONDAY

**DEFEATED HEREFORD HIGH BY HEALTHY SCORE OF 49-0.**

**Canyon High Was Master of Situation At All Stages of Game—Game in Detail.**

The Canyon High School played another thrilling game of football at Hereford Monday with the Hereford High School. The final score was 49 to 0 in Canyon's favor.

The game was a characteristic Canyon High product and at nearly all times Canyon had things her own way. Center rushes, end runs, forward passes, line plunges, fakes and general good football gave Canyon an easy victory. At one time during the game, due to a muffed punt, Hereford was in ten yards of Canyon's goal. However, Canyon, as usual took the ball on downs. At no other time during the game was Hereford within thirty yards of Canyon's goal.

The whistle blew at 3:15 o'clock. Hereford received and advanced the ball fifteen yards before the runner was downed. Hereford was forced to punt. Canyon fumbled and a Hereford man recovered. A forward pass failed, and line plunges proved futile and Canyon took the ball on downs. Brown and Covington contributed the needed ten yards. L. Key in a long end run and protected by excellent interference carried the ball to Hereford's one yard line. McGee carried it over for the first touchdown, made (Continued on last page).

## ZOELLNER QUARTET PLEASURES

A very large audience enthusiastically greeted the Zoellner Quartet at the Normal auditorium in their recital Tuesday night. This company of musicians have visited Canyon on two previous occasions, and always please very highly.

The Zoellner Quartet is one of the best and most widely known musical organizations in this country and it is a rare treat that is offered whenever they appear in recital. Every member of the company is an artist. It is to be hoped that they will return to Canyon again soon.

## MAN SNAKEBITTEN

The sheriff of Deaf Smith county captured a large quantity of whiskey right here in Canyon Sunday afternoon. Monday morning a Deaf Smith county man was snakebitten. Wonder why some Canyon fellows didn't think of getting snakebitten Sunday?

## STORE NAME CHOSEN

A committee selected by Ray S. Daniel to choose a proper name for his new business house this side of Huntleigh Hall, Saturday selected "The Buffalo Confectionery" from the large list submitted. Horace Morelock Jr. submitted the name which was accepted.

## CAMPBELL BUILDING HOME

B. Campbell has commenced work on a new house west of the J. C. Barnett home.

Foreign Advertising Representative  
THE AMERICAN PRESS ASSOCIATION

**THE DALLAS FAIR**

It seems that the News is not the only country newspaper which had "its head cut off" by the high gods of the Dallas Fair because we choose to use business sense and refused to run \$50 worth of free advertising for that institution just to get \$7.50 in cash. Country newspapers all over the state with backbone enough to run their own business rather than allow the Dallas Fair to edit their weekly editions have been taught their proper respect for the great and mighty Dallas Fair by the dictators who sit upon the high throne and demand strict obedience or death from their victims of the country press. Those country newspaper publishers who unwittingly fell for the demands of the Dallas Fair will probably be given two bits larger advertising appropriation for next year, and required to run three or four more pages of free plate. These papers should understand that the Dallas fair is going to spend as much of its money in Dallas as possible, and since a majority of the country newspapers of Texas still have an idea that they should be allowed to edit their own sheets and will not take this "free dope" from the fair, the poor suckers who still publish this stuff will be doubled up on next year—the plate house getting the only real American money which changes hands in the transaction.

The appropriation for advertising for the Dallas Fair was made in July—provided a certain amount of plate would be used. The Randall County News three times during the fall called attention to the advertising department that it was time to send us copy. A week before the fair opened we received a letter stating that in as much as it was so late and that the advertising appropriation was all used, it would be impossible to do any advertising with us. Who got all that great big \$7.50 which was appropriated for the Randall County News in July, and who got the \$7.50 appropriated for a score or more other newspapers who refused to fall for the free plate graft? The newspapers who published all this free dope for the fair did not get any more paid advertising—but probably received an extra allotment of plate, thereby showing what a good friend the Fair is to the country press in so nobly assisting them to "fill up their columns." It was "too late" to advertise in the Randall County News a week before the Dallas Fair started, but ever since that time large space has been bought and paid for by the Fair in all Dallas newspapers.

The News does not blame the Fair directors for the policy pursued by the publicity department this year. They are business men who have turned over the management of the Fair to a bunch of cheap-John publicity agents who believe that simply because they represent the great Dallas Fair they can over-ride business men of other lines and make jackasses of the country press. Unless the directors select men for this job who have real business sense, the Fair is going to suffer and suffer badly as a result of the brainless policies practiced this year.

We call the attention of the directors to the Fair to the county exhibits at the Fair this year. Of the twenty-five county premiums offered, eighteen went to West Texas and Panhandle counties. By far a majority of the counties exhibiting in the Fair were West Texas and Panhandle counties. The exhibitors from this section were so riled over the injustice shown exhibitors from the West that many telegrams were sent to the Panhandle-Plains Chamber of Commerce urging that a Fair be held in this section next year. Does that spell anything to you, Mr. Dallas Fair director? Do you think that your dictators at the Fair grounds cut 'em by with "injustices" to West Texas, and that we will continue to submit to the wills of these petty gods, returning year after year with our splendid agricultural exhibits just to make your Dallas Fair possible? West Texas is not threatening, but West Texas will have a fair of her own next year, or the year following and forget to come to your fair. If Amarillo does not wake up to the possibility of an All-Panhandle-Plains Fair, some of our other good towns

will do so. Already we have heard rumblings in the West of withdrawing from the Dallas Fair, and the treatment accorded West Texas newspapers and West Texas exhibitors this year does not serve to smooth the ruffled feelings in the West.

To look at the faces and talk to some Panhandle-Plains business men, you would think that our people were actually starving, going naked and wanting the necessities of life. We hear on every hand that business is bad, worse than ever before, and a whole lot of other things, partly true but greatly exaggerated. The business condition map of the U. S. Chamber of Commerce places the Panhandle-Plains country in the "good business" column. There are only two other small sections of the U. S. placed in this column. There is a large section of the country placed in the "bad business" section. It helps a whole lot to know that we are better off than any other section of this great country of ours. Optimism on the part of the majority of our people have kept business going, and optimism on the part of the whole will make business go stronger than ever before. The business house that trims its profits to the quick and keeps the volume of business moving is not complaining of hard times. Let's see to it that when the next map of the U. S. Chamber of Commerce is made we will still be in the much coveted section of the business map.

**METHODIST SUNDAY SCHOOL**

Attendance and collections were greatly increased last Sunday. It was announced that next Sunday is to be Rally day so we are to make it a record breaker. Last Sunday the Men's Bible Class had the largest collection in the school.

There has been a hot contest going on between Mrs. Rushing's class of girls and Mr. Service's class of boys. With an increase of over 100 per cent in attendance and collection last Sunday, Mrs. Rushing's class won. Since they are beaten the boys will give a party to the girls in the near future.

It was announced last Sunday that the social committee of the young men's class had worked out a plan whereby there would be a social hour each Sunday afternoon at the church. This is to be for all the young people of the town.—Reporter.

France's harvests were so good last year that imports of foodstuffs have virtually ceased.

A powerful drug much like hashish is produced from the dried flower of the mescal plant.

Dip soft hair brushes in a strong solution of alum.

Hot water should not be used on a varnished floor.

The cooks at Vassar College are men, the professors are women.

Lady Byng, wife of the new Governor-General of Canada, is a talented writer and has published several books.

**DANGER AHEAD**  
Speaking of white mule, two rustic sports were uncertainly flivvering their way home from the county seat. "Bill," said Henry, "I wancha to be careful. Firs' thing y' know you'll have us in the ditch."  
"Me?" said Bill in astonishment. "Why, I thought you was drivin'."

**A RESEMBLANCE**  
"Your husband says he leads a dog's life," said one woman.  
"Yes, it's very similar," answered the other. "He comes in with muddy feet, makes himself comfortable by the fire, and waits to be fed."

In Egypt less than 2 per cent of the women can read and write.

The wife of the Lord Mayor of London may appoint maids of honor and a trainbearer and she has her own private State carriage.

An official report recently issued shows that 300 British women nurses died while serving in the world war.

A celebrated scientist declares that women are less sensitive to pain than men and actually feel less of it in a given operation.

Home brew is responsible for some of the home bruises.—Dallas News.

**CAN'T DO THE WORK**

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.—Ask your neighbor!

Mrs. Clouch, Canyon, says: "Some time ago my back and kidneys began to cause me a lot of misery. There was just a dull, ache through the small of my back and it was also so sore and lame I could hardly bend over to do my work. When I did manage to stoop over, such a sharp, stinging pain would catch me, making it hard for me to straighten up. I was all worn out and could scarcely get around at times. I became dizzy and had headaches and my kidneys didn't act right at all. I saw Doan's Kidney Pills so highly advertised that I bought some and three boxes cured me entirely."

60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**Improved Electrical Service**

Electrical service is now available nineteen hours daily. Current is on from 5 a. m. until midnight, daily, except Saturday, when twenty hours of service are given, the hours being from 5 a. m. until 1 a. m. Sunday.

Your co-operation and support of these hours of service will hasten the time when a 24-hour electrical service will be possible for Canyon.

Just remember that we reserve nothing during our sale and if you want something in our line and do not see it advertised, there will be a special price on it just the same.

Space will not permit our listing every item in stock, and we merely make mention of a few items in order that you may see just what a large reduction we are making.

This is undoubtedly the opportune time to lay in your winter supplies. The markets in many lines are very firm with considerable advances since we begun preparing for this gigantic sale.

Owing to the fact that many items in our lines are advancing daily we have been compelled to cut the time of this sale much shorter than usual. This sale will positively last only 5 days, commencing October 22nd and closing Thursday, October 27th.

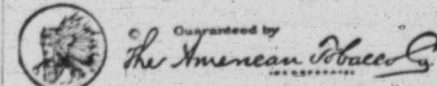

We urge upon you to buy now and do not delay till the last few days of this sale for we firmly believe that the first few days of this sale will see our large stock greatly reduced. We will be waiting for you.

**SHERIFF'S SALE**  
THE STATE OF TEXAS,  
County of Randall:

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable County Court of Randall County on the 4th day of October, 1921, by O. W. Gano, Clerk of said Court, for the sum of Seventy-one and 35-100 Dollars and cost of suit, under a Judgment, in favor of Nathan Schee in a certain cause in said Court, No. 560, and styled Nathan Schee vs. Joe Zrutzky, placed in my hands for service, I, W. C. Black, as Sheriff of Randall County, Texas, did, on the 4th day of October, 1921, levy on certain Real Estate, situated in Randall County, Texas, described as follows, to-wit: The Northeast (NE 1-4) one fourth of Section Thirty-four (34) in Block No. 1 (one), Tyler Tap Railroad Company land, situated and being located in Randall County, Texas, and levied upon as the property of Joe Zrutzky and that on the first Tuesday in November, 1921, the same being the 1st day of said month, at the Court House door, of Randall County, in the Town of Canyon, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Joe Zrutzky.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Randall County News, a newspaper published in Randall County.

Witness my hand, this 4th day of October, 1921.

W. C. BLACK, Sheriff,  
Randall County, Texas.

**HAPPY HAPPENINGS**

Rev. C. W. McNeely and family left Happy last Thursday morning for their new appointment at Silverton. Rev. McNeely has been pastor of the Methodist church here for the past two years. He was blessed with much success in his work while here, and we wish him as much success in the future as he has had in the past.

Rev. Wilkins arrived here Thursday night from Silverton Circuit. He will be the pastor of the Methodist church for the coming year.

The Woman's Missionary Society met at the M. E. church last Thursday afternoon. It will meet again this week at the church.

A birthday party was given at the home of Lee Aikman last Friday night in honor of Roy Aikman. About forty young people were present and all report a good time.

Saturday afternoon a shower was given at the home of Mrs. Tom Bandy for Miss Grace White. The house was beautifully decorated in Halloween decorations. There was a large crowd present and all report an enjoyable time. Punch and cake were served. Miss White received many nice presents which will be useful in her new home.

Miss Grace White and Mr. Emil Schaeffer were united in marriage Sunday afternoon at the Methodist parsonage at three o'clock. Rev. Wilkins pronouncing the ceremony. They left immediately after the ceremony for the Dallas Fair. Miss White has been a resident of Happy for about twelve years. She has been an active worker in the Methodist church for many years. The many friends of Mr. and Mrs. Schaeffer congratulate them and wish them many years of happiness in the future.

Mr. and Mrs. Ernest White were callers in Tulla Wednesday.

Mr. and Mrs. Earl Cowan and family and Mr. and Mrs. Hugh Shannon attended the show in Amarillo Saturday night.

Mrs. J. M. Evans and Miss Dall Evans, Mr. and Mrs. John Toles and Gladys Bandy attended the show in Canyon Saturday night.

Miss Irene Wren, who is attending the Wayland Baptist College at Plainview, spent the week end with her parents, Mr. and Mrs. J. H. Wren.

Miss Gracie Penrod of Canyon spent the week end with her sister, Mrs. John Toles.

Mr. and Mrs. Lee Aikman and family and Winfield Miller visited relatives and friends near Dimmitt Sunday.

H. H. Grounds and family from Amarillo spent Sunday with C. L. Grounds of Happy.

Mrs. M. B. McManigal and daughter, Mildred, returned home from the Dallas fair Sunday.

Erwin McManigal and Miss Margie Robinson attended the show in Canyon Saturday night.

Mr. and Mrs. Charles Burgess, Misses Annie Crawford, Vellie Dison and Lucile Raymon and Mr. W. C. Woodburn attended the singing convention at Love Sunday.

Miss Esther Wood, Floyd Wood and Hoyt Saunders of Amarillo, and Miss Alma Knox of Canyon visited Miss Gladys Bandy Sunday.

Hall Wren, Miss Irene Wren, Doyle Bates and Cecil Bates went to Plainview Sunday.

Rev. B. F. Fronabarger held services at the Baptist church Sunday night.

Rev. Miller of Lubbock will hold services Sunday morning and Sunday night at the school house.

Misses Ella Aikman and Mildred Zoelers and Roy Aikman were shoppers in Tulla Monday.

West Bros. show was here Monday night. The name of their play was "Texas Rangers." There was a good crowd present.

S. M. Downing and A. J. Tate were in Happy Tuesday on business. Mr. Downing will ship cattle from Happy on Thursdays and Fridays.

Jim Gurdy and family are visiting near Dallas this week.

M. B. McManigal was in Canyon Monday on business.

Mr. and Mrs. Richardson and son

**"Give Me a Chance To Think!"**

All right. That chance will be during the week of November 7th to 12th.

During that week take a little time and go over in your mind the many things your home town paper has done—is doing—will continue to do—for your home town.

Think about it seriously. Think whether or not you have stood loyally by at all times when the community's champion has needed financial and moral support.

Think whether or not you have always done your duty by the town's best friend.

Think how much better your home town paper could do if each citizen were as loyal to it as it is to them.

Think of some one far away who would enjoy the weekly visit from the old home town paper, then hand in a subscription for that far-away friend.

If you are not now a subscriber, be one.

**"Subscribe for Your Home Town Paper Week," November 7-12**

of Attila, Kansas, are visiting at the home of M. S. Arnold.

Mrs. Wm. Miller, Mrs. Dall and Winfield Miller were Tulla callers Saturday.

"ISABELLE" or "The Trail's End"—the greatest North Woods story ever filmed will be shown at the Olympic Friday and Saturday, Oct. 21-22.

**REV. HICKS STARTS PASTORATE**

Rev. J. H. Hicks preached his first sermons at the Methodist church Sunday, greatly pleasing the large congregation which welcomed him to his new work in this city.

Regular services will be held at the church next Sunday.

Prohibition, says a California authority, has caused the price of grapes to advance from \$10 to \$75 per ton. Wonder if we couldn't get Mr. Volstead to pass a law prohibiting the use of lumber.—Nashville Southern Lumberman.

Despite the unemployment, the savings banks of the country are holding their deposits well, which proves that on the average the thrifty workers are holding their jobs.—Boston Shoe and Leather Reporter.

**WHO USES THE COAL?**

The Nation's Business: Industries classified by their use of fuel show some interesting facts. The Census Bureau has prepared such a classification for the "superpower zone"—an area extending from Southern New Hampshire and Vermont southward through the New England States, Southeastern New York, Eastern Pennsylvania, New Jersey, a portion of Delaware and Central Maryland, to the District of Columbia.

In this area there are a total of 76,000 industrial establishments using power. Numerically, plants making textiles and their products lead the list with those manufacturing food and allied products second. In 1919 the amount of coal consumed by plants in the zone was 61,000,000 tons—34,669,000 bituminous, 5,661,000 coke and 20,969 anthracite. In addition, there was 2,822,000 horsepower purchased in the form of electric energy.

Industries making chemicals and allied products used the largest amount of coal, 12,100,000 tons. The manufacturers of iron and steel come second with 11,500,000 tons.

One good way to curtail armament would be to hire plumbers to build the battleships.—Tacoma Ledger.

**CROSON-FULLINGIM WEDDING**

Miss Blanche Croson and Austin Fullingim were married yesterday afternoon at three o'clock at the home of Rev. Roy Rutherford in Amarillo. They were accompanied by a few friends and members of the immediate family. After the ceremony they left for Dallas for a short honeymoon.

Both of these young people are well known in Canyon and have a very large circle of friends. Miss Blanche has been in the postoffice for a number of years and has given most excellent service to the public in this capacity. She is the oldest daughter of Mrs. N. A. Croson, and has made Canyon her home from childhood, and is one of the most charming young women of the community. The groom lives at Petersburg. He has been a student in the Normal for the past few years, and just recently accepted a position with the Canyon Lumber Co.

The young couple have the best wishes of a very large circle of friends for a happy wedded life.

**CHRISTIAN CHURCH**

The Rev. E. A. Osborne will preach at 11 a. m. and 7:30 p. m. at the Christian church. The Bible School will assemble at 10 a. m. The general public are cordially invited to attend these services.

**GENERAL DAWES' PRAYER**

Book Notes: Lately General Dawes, whose "Journal of the Great Wars," will soon appear, made a speech on the Irish-American question, in which he told his audience that it was a question for the English and Irish to settle, not for us, "for them and for them alone."

"May God make the great English people just and considerate; may God make the Irish people just and reasonable; but may God damn the American demagogue of whatever nationality he may be, who for political reasons, seeks to stir up strife between the two great English speaking nations, in whose joint hands rests the ark of the covenant of human freedom and the cause of civilization for ages to come." Then pausing, he added in explanation, "This is not profanity, it is prayer."

It is unfortunate that a country like Ireland which finds government so irksome should have to have two governments at one and the same time.—Nashville Southern Lumberman.

In all malarial countries the popular remedy is Herbine. People find it a good medicine for purifying the system and warding off the disease. Price 60c. Sold by Jarrett Drug Co. 2814

Canyon, Texas

**A Shortage of Worms**

During a season not long past when there was an acute shortage of worms a certain hen quit her scratching operations in utter dejection. She mused after the following fashion: "I once could scratch up a day's supply of worms in short order but now I must tear the earth up all day long and then I barely subsist. I'll quit, so I will!" And she did quit, but she only left more worms for her laboring sisters.

The hens who had continued to work were soon enjoying a good worm crop but the pessimistic hen was not interested in any worms except those which had taken up their abode in her lifeless body.

Advertising will increase your worm supply, Mr. Merchant. Keep scratching. The worms are there but you have to dig for them.

**Randall County News**

COVERS RANDALL COUNTY LIKE A BLANKET

### Fans Give Normal Buffaloes Blankets

While the Normal Buffaloes were at Roswell fighting the grid meq of the N. M. M. L. the student at home were not forgetful. In chapel Friday morning the faculty and students raised enough money to buy eighteen blankets for the football squad. The blankets are to be of the best grade and will be here for the game with Oklahoma Northwestern on Armistice day. The student body at the Normal are just bubbling over with pep this year and no better way could be thought of to show appreciation for the fighting spirit of the gridsters than to furnish them with blankets.

The team is snapping into practice this week making ready for the game with Abilene Christian College next Saturday. In the four games played Coach Burton has had a chance to study his men and he has doubtless just about decided upon a definite line up although he has given out no information as to who will start the game against the Christians. At full Grady Burton seems to be a fixture, but then there is Key the heavy hard hitting, full back that will have to be reckoned with. Some fans are predicting that Key will be shifted to a half back position as he is too valuable a man to be left on the side lines. Studer and Jenkins are both showing class at quarter and both will probably be called on to pilot the team in the coming games. Mitchell and Henry are showing up well at the wing positions. They are both adept at receiving passes and are strong on defense. It seem to be about a toss up between Golden and Lancaster for the left tackle position. Both men have the fight. Lancaster is about ten pounds heavier. If the team continues to show improvement as it has each week in the past fans will have an opportunity to see classier football this season than has been played in the Panhandle before.

Two men loved Isabelle, and so will you. She will be at the Olympic Friday and Saturday nights of this week. J. E. Rogers and J. A. Guthrie went to Sengraves yesterday on business.

J. D. Fairley of Tredway, Texas, who has been attending school in Kansas City the past three months, stopped off here and visited the S. H. Jones family Saturday and Sunday. Mr. Fairley and Frank Jones were old chums at Tredway.

#### WHEN YOU'RE OLD

Cleveland Press: What will you be doing in your old age? Will you be sitting on the front porch, stroking your white hair?

Consider the Earl of Halsbury—99 years old, the oldest man in the British House of Lords, where he is leader of the conservatives or "diehards."

In his prime one of the greatest English lawyers, he became Lord Chancellor in 1885 and served until 1905, when he was 83. Now, preparing to celebrate his 100th birthday, he is busily supervising the writing of a twenty-volume edition interpreting the whole law of England.

The Earl of Dulcie, 94, is rounding out his sixty-eighth year of service in the House of Lords, along with 89-year-old Baron Eversley, both extremely active.

Compared with these English politicians, Senator Lodge, 71, is a youngster. So is Senator Dillingham, 77, and Senator Culberson, 66.

Only Uncle Joe Cannon, 85, is a real rival.

Titian painted his famous Battle of Lepanto when he was 98.

Von Moltke was in full uniform at 88.

Commodore Vanderbilt did not become a great railroad king until he was 70. At 88 he was the most active railroad man of his day.

Socrates began studying music when he was 80.

Pasteur discovered his hydrophobia cure after he was 60.

Columbus, between 50 and 60, made his first voyages of American discovery.

Voltaire, Newton, Spenser, Talleyrand and Thomas Jefferson—all were active and in their intellectual prime after 80.

When Galileo discovered the monthly and daily vibrations of the moon he was 73.

The Hindu religion still survives in the island of Bali and Lombok.

Logging operations in Siam, are carried on entirely by elephants.

Speaking of children outshining their parents, there is the Eighteenth Amendment, which is better known than all the rest of the Constitution.—Chicago Journal of Commerce.

Why not settle the arm of unemployed at the job of cutting down prices?—New York World.

FOR POULTRY INSECTS that suck blood, such as chinchies, head lice, stick tight fleas, and all blood sucking insects, simply feed "Martins Insect-muric" to your chickens. Money back guarantee by Jarrett Drug Co. 20c10

#### A PROBLEM IN ROAD BUILDING

Oshkosh Northwestern: The State of Minnesota is considering a proposal to acquire or construct its own plant for the manufacture of cement to be used in the extensive road building program of that Commonwealth. It is urged by the advocates of this plan that it will result in a large saving to the State, as it is claimed that excessive prices are asked by private producers and dealers, and that the only way for the State to avoid this alleged holdup is to go into the business and produce its own material. On the other hand, however, there is considerable opposition to the proposal, largely based on the argument that the State should not attempt to invade a field where it would be in competition with legitimate private enterprise, not only because this would lead to conflict with private interests, but because a policy of this kind once established might lead to dangerous experiments along other and similar lines.

Viewing the question broadly, it would seem that a State legitimately has as much right to engage in the production of the necessary materials for road building as to prosecute the work of road improvement itself. If, therefore a State can effect large economies by actually producing the materials it needs for road building, it would be justified in entering this field, for the sake of the saving that would accrue to the tax payers. Strictly speaking it would not be "setting up competition" with private business, for the product of the State would be intended for the use of the State in its work. And if private business interests were reluctant to see this particular market closed to them, it would be "up to" the interests directly concerned to make their prices low enough to destroy the inducement for State-owned plants of

production. The right decision of every such question, in fact, rests on the ground of actual or prospective economy, and when this rule carefully is followed there will be small chance for mistake. In the case of road building moreover, the same problem is going to recur frequently, for a vast amount of road improvements will be carried out in the next few years and the cost of materials will cause more attention to be paid to production by public owned plants, thereby to avoid excessive prices and unwarranted profits to private concerns.

#### AIN'T NATURE GRAND?

With a view to possibly guiding the cook's mind to a quieter summer hat than she had worn the previous season, Mrs. Smith spoke of some violets she had seen in a milliner's window. "They're almost exactly like those in our garden, Mary," she said. "You have seen those often." "Indeed I have, mum," returned Mary. "I was after waterin' them this very mornin'. Ain't it wonderful, mum how natural the Lord can make them?"

There are two sides to profiteering in food, remarks the Philadelphia Record, but the side that the consumer gets is the rough side.—Charleston News and Courier.

Whatever Americanism may be, it isn't pessimism.—Richmond News.

#### MICKIE SAYS

MANY A MAN WHO'S ALLUS BRAGGIN' ABOUT HIS HOME TOWN IS GOINTA OBSERVE "SUBSCRIBE FOR YOUR HOME TOWN PAPER" WEEK, NOW THAT I'VE CALLED HIS ATTENTION TO IT, BY SUBSCRIBIN' FER TH' OLE RELIABLE SHEET!

## GETTING SOMEWHERE

Half the pleasure is in the journey. The other half is in reaching the destination.

When you start to save money, much of the pleasure comes from the realization that you are traveling forward. There is an added satisfaction when a definite sum has been reached.

Tho you save but small amounts, 'Tis REGULARITY that counts.

We want you to make our bank your bank.

We strive constantly to make this a real banking home for all who seek our services.

### PRINTING

That's what you get when we do your work. There is no "ifs," "ands" or "buts" about it. The paper stock is right, the work is right and the price is right.

We print most anything and keep our promise on deliveries. When you give us an order you need not worry about it until it is time for you to have the finished job on hand. And then it will be there even before you can remind us of the delivery promise.

Randall County News

**ITEMS OF INTEREST FROM "THE PRAIRIE"**

**SENIORS ORGANIZE**

The Senior Class of 1921 completed its organization Thursday, September 29. So far there are nine candidates for degrees at the spring commencement. In addition, a number who will graduate at the close of the summer session are included in the organization. Following are the officers for the fall quarter:

President.....Jerome J. Powell  
 Vice-president.....J. C. Hays  
 Secretary.....Elizabeth Beck  
 Treasurer.....O. W. Middleton  
 Representative to Student's Council.....  
 Mody C. Boatright

**Mr. Morelock and Miss Hibbits to Conduct Quanaah Teachers' Institute**

Professors H. W. Morelock and Anna Hibbits will be the conductors of the Hardeman County Teachers' Institute at Quanaah from December 11 to 17. Miss Hibbits will conduct the Primary Section and Mr. Morelock will be the director of the Intermediate Section. He will deliver to that body a series of lectures on "Literature for Children."

**SOPHOMORE CLASS**

The Sophomore Class met Monday, October 3, for the purpose of organizing. The following officers were elected:

President—Robert G. Hill.  
 Secretary and Treasurer—Clara Rush.  
 Representative to Students' Council—  
 Office Greer.  
 Annual Representative—Bill Falls.  
 Prairie Reporter—Allene Tate.  
 Yell Leader—"Dick" Moss.

Plans for the year were discussed, and a social committee was appointed. Plans are already on foot for several activities during the year.

**Y. W. C. A. NOTES**

Every girl loves flowers and candy. Within the past two weeks of our college life this statement has been verified through the ready response on the part of the students to the Y. W. C. A. candy and flower sales. The Y. W. C. A. is especially grateful to the girls of Cousins Hall, as well as to all others throughout the town, who have worked so faithfully and contributed so readily in furnishing the candy for the sale. To those girls who have been helping the Church Relations Committee are also extended the heartiest of thanks. It is not the work alone for which we are thankful, but more than this, it is the true spirit of Christian service with which each one has responded.

The Y. W. C. A. had its first regular meeting October 6, at 4:30 p. m. Everyone was indeed interested in the "Glennings" from the Y. W. Conference at Estes Park, given by Mrs. Montfort and Miss Mattie Swayne. Interesting programs are arranged for each meeting.

**400 STUDENTS ATTEND CHURCH SOCIAL**

Nearly 400 students attended the Progressive Church Social Tuesday evening, Oct. 4, as a result of a perfect plan suggested by Miss Vera Edds, Student Life Secretary of the West Texas State Normal College.

Beginning at the Baptist Church a short snappy program was rendered; then promptly at 8:00 o'clock the entire group proceeded to the Christian Church where an exceptionally interesting and entertaining program was carried out. Immediately following, there was still another program at the Presbyterian Church, which consisted mostly of games on the Church

**Catarrh Can Be Cured**

Catarrh is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System. HALL'S CATARRH MEDICINE destroys the foundation of the disease, gives the patient strength by improving the general health and assists nature in doing its work.

All Druggists. Circulars free.

HEREFORD, TEXAS

Twenty Years' Experience in the Sale Ring.

grounds. For the fourth and final chapter of the evening's programs they went to the Methodist Church and ate ice cream cones while music was furnished by two local musicians and funny stories were told by the Epworth League man.

Invitations were given at each of the Churches to students to attend the regular Sunday School and Church services. Several members of the College Faculty took part in the activities of the evening and Miss Edds' purpose to bring the Churches into a closer relationship to the students seemed to be well accomplished, which is indeed a very big problem in every school town.

**COUSINS ORGANIZE**

The Cousins Literary Society had the first meeting of the session Friday evening, September 30. After a short business meeting at which the reorganization was effected, the meeting adjourned to Room 105 where the members of the Society joined the Semes in a short program.

Mr. Mody C. Boatright in a short impromptu speech pointed out the advantages of a literary society. Mr. Grady Hazelwood in a brief but spirited manner outlined the most salient features of the history of the society. Mr. J. J. Powell assisted by Miss Byrd Mitchell followed the assembly with a tenor solo.

Following are the officers for the fall quarter:

President.....Jean Devereux  
 Vice-president.....J. J. Powell  
 Secretary.....William Falls

**AT THE CHAPEL HOUR**

On Tuesday morning, September 27, Mrs. Sugblett, a representative of the Woman's Christian Temperance Union, presented at the chapel period the plans and work of that organization. The speaker made an appeal to the students to enlist in the work and called a meeting in the afternoon of those interested for the purpose of effecting a local organization.

**SESAMES ACTIVE**

On Friday night, September 30, the Sesame Literary Society held its first meeting of this school year. Miss Joyce Mills, our president, glowing with enthusiasm over our prospects for another successful "Sesame" year, pre-

sided at this meeting. We all caught the glow, and we are going to make this a pleasant and helpful society year as well as a successful one.

There was a large representation of old members and a number of new ones. Are you a Sesame? If you are not and would like to know about us, come to our next regular meeting, Friday night, October 7.

The following officers were elected for the ensuing quarter:

Addie Coffman.....Vice-president  
 Josie Hart.....Secretary  
 Faye Kirk.....Treasurer  
 Amy Daniel.....Sergeant-at-Arms  
 Clara Rush.....Yell Leader  
 Byrd Mitchell.....Prairie Representative

**FRESHMAN CLASS MEETING**

If you chanced to be anywhere on the second floor of the building on the morning of September 28, you probably heard shouts of "Rah! Rah! Rah!" The occasion was the first meeting of the Freshman Class. The place was room 211. A large number of freshmen were present, thus exhibiting true class spirit.

The business of electing officers for the fall quarter was taken up. The following were elected:

President—Olin Hinkle.  
 Vice-president—Gilbert Tyler.  
 Secretary—Ruth Lowes.  
 Treasurer—Burleson Atkins.  
 Reporter to "The Prairie"—Addie Coffman.

Representative to Students' Council—Arlene Rose.  
 Yell Leader—John L. McCarty.

The question of class colors, class motto, etc., was left to be decided later. Each officer elected made a short speech, of which the key-note was "pep" and "service." Freshmen are requested to notice the bulletin board for announcements of class meetings—then come.

Mr. Charles Keffer, a former student, visited in Canyon last Wednesday.

day. Mr. Keffer was enroute from his home in Lipscomb to Austin, where he will begin his senior work in the Law Department of the University of Texas.

It is announced that Miss Corinne Nash, a 1920 graduate of this institution, has recovered from a serious operation which she underwent last spring, and is now teaching in the primary department of the Texas A. & M. College.

Announcements have been received in Canyon of the marriage of Miss Marcelle Hall, a former student of Amarillo, to Mr. Richard H. Brown, an engineer of Kansas City.

**How To Get Relief From Rheumatism**

**Scientists Agree That the Cause is Due to Waste Products in the Blood.**

The blood is the means by which all tissues, muscles, ligaments and flesh of the body are directly or indirectly nourished. It is also thru the blood stream that worn-out tissues and waste products are cast out of the system. When waste products accumulate, they are a menace to life. They cause a lowered vitality, many skin disorders and rheumatism. Genuine relief from the agonies of rheumatism can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address Chief Medical Director, Swift Specific Co., 732 S. S. S. Laboratory, Atlanta, Ga. All good drug stores sell S. S. S.

re-entered after a year's sojourn on the farm. Mr. Hazelwood will be remembered as an inter-collegiate debater, having been a member of the team which defeated the East Texas State Normal College in 1919. His second victory was gained the following year over San Marcos.

Mr. and Mrs. R. H. Funke of Cincinnati, Ohio, announce the arrival of Richard Harrison Jr. on September 18, 1921. Mrs. Funke was formerly Miss Freida Michael, director of physical education for women in this college.

Personally we are opposed to the methods of the K. K. K., but we wish to announce to the loafers who habitually make our office their headquarters that the "All-Seeing eye is upon them."

President Hill is highly desirous that every student participate in the devotional exercises. We take it, however, that he would prefer one general assembly to a number of devotional exercises going on on various parts of the campus.

To remove bilious impurities in the system and be made internally clean and healthy, you need the fine tonic and laxative properties of Herbine. It acts quickly and thoroughly. Price 60c. Sold by Jarrett Drug Co. 2814

### Prayer Requested on Armistice Day

The American people were called upon by President Harding in a proclamation issued to offer a silent two-minute prayer at noon on Armistice Day, Nov. 11, when the body of an unknown American soldier killed in France will be laid to rest in Arlington National Cemetery.

The proclamation calls upon "all devout and patriotic citizens" to pause for two minutes—from 12 o'clock noon until two minutes past 12—for a period of silent prayer of thanks to the giver of all good for these valuable and valorous lives and of supplication for his divine mercy and for his blessings upon our beloved country.

Directions are contained in the proclamation for the half-masting of the flag on all public buildings, all stations of the army, navy and marine corps and on all American embassies, legations and consulates throughout the world from sunrise to sunset on Armistice Day, when it is the hope of the President that the whole nation shall join in honoring America's dead of the world war.

### DO YOU KNOW?

A waterspout recently measured from a British ship in the Indian ocean was 4,600 feet high to the base of the overlying cloud. The column tapered from 500 feet wide at the junction with the cloud to 150 feet wide at the sea.

Sparrows molest and persecute house martins and this has been the principal cause of the decrease of this song bird in recent years.

Home economics students at the Oregon Agricultural college take a course in household management which includes taking care of two children.

Diatoms, microscopic organisms inhabiting both fresh and salt water, have numerous industrial uses. Deposits of their cases or skeletons, laid down in past geological ages, constitute "diatomaceous earth," which is a valuable abrasive for metal polishes scouring powders and tooth pastes.

Disarm or disburse. — Greenville (S. C.) Piedmont.

A clear colorless liquid that will heal wounds, cuts, sores and galls is the latest and best production of medical science. Ask for Liquid Gorozone, it is a marvel in flesh-healing remedies. Price, 30c, 60c and \$1.20. Sold by Jarrett Drug Co. 2814

Bacon that is thoroughly chilled will slice very evenly. Mayonnaise should never be used as the motif of a salad.

Louisiana is to have a bird and game refuge seventy-five miles long and seven miles wide.

Set house ferns in a pan of hot water once a week.

### Notice of Intention to Form a Cemetery Corporation

All persons owning lots in Llano Cemetery, situated in Randall County, Texas, and near the city of Amarillo, are hereby notified and requested to be present at a meeting of such lot owners to be held at said Llano Cemetery, on Saturday the 29th day of October, 1921, at 10 o'clock, a. m., to determine whether it is desired to create a corporation under chapter 23, Title 25, Revised Statutes of Texas, to receive the title to the land heretofore dedicated to the purpose of said Llano Cemetery; and if such question be decided affirmatively, then to select the board of directors to be named in the charter.

This 21st day of September, 1921. James N. Browning, P. H. Landergin, W. H. Fuqua, H. P. Canode, Mrs. H. M. Beverley, Mrs. C. E. Weymouth, Mrs. F. M. Shaughnessy, Committee. 2615

## THE JOY OF POSSESSION

The joy and satisfaction we experience in owning our home is perhaps our happiest human experience. The feeling of independence, the pride we may have in its appearance and the solid comfort it contributes in our lives is worth all it may demand of us in effort and economy to possess it.

Build a home! Prices of building material are now reasonable and a home is the best security for a loan. Thousands of people borrow money to build and pay it back in installments, like rent.

It's largely a matter of determination—of getting started. Come in and talk to us and let us help you get started.

## CANYON LUMBER CO.

### The Latest and Best

We offer the Case 15-27 Kerosene Tractor as the king of them all. It is creating a sensation all over the country. It is the result of 77 years of experience of the famous J. I. Case Threshing Machine Company.

It pulls three plows in hard plowing—four plows under favorable conditions. It has abundant reserve power. It burns kerosene successfully and economically.

This sturdy tractor is adaptable for all kinds of drawbar and belt work. It drives a 26x46 Case Thresher with Feeder and Wind Stack. Its pulley is properly placed for convenient "lining up."

It is small and compact and built for accessibility. No tractor is finer. You should become acquainted with its many superiorities, which we will be glad to explain. Don't buy before you see this better tractor.
