

Dimmitt Band To Have Thanksgiving Supper, Saturday

Dimmitt Bobcat Band will sponsor their annual Thanksgiving supper Saturday evening at the South Grade School cafeteria. Supper will be served from 6 to 8 p.m. Tickets are \$1.75 for adults and \$1 for children. Tickets may be purchased from any band member. The buffet style meal will include plenty of turkey and dressing with all the trimmings. "There will be plenty of good food," says Ralph Smith, director. The money received from the supper will be used this spring for the band's trip to the Battle of Flowers in San Antonio. The Dimmitt band has been the only band receiving a second invitation to participate in the "Battle of Flowers." This is the third year that the band has been invited according to Smith.

Final Meeting Of Fertilizer Short Course Is Nov. 30

Approximately 80 were present Monday night for the second meeting of a series in a fertilizer short course sponsored by Texas Agricultural Extension Service.

James H. Valentine, area extension soil chemist spoke to the group on "Soil Testing and Review of Soil Test Data Summary."

H. J. Walker addressed the group on "Management Decisions Affecting the Use of Commercial Fertilizers" was topic of discussion by C. J. Murphrey, Extension Area Farm Management Specialist.

A short period of questions and discussion followed each of the speakers. The final meeting of the fertilizer short course will be held Monday, November 30 at 6:30 p.m. in the High School cafeteria.

Dr. Warren B. Anderson, assistant professor, Soil and Crop Sciences, A & M University will speak to the group about "Micro-Nutrients."

Dr. William F. Bennett from local Western Ammonia Corp. will speak on "Tissue Testing." District Extension Agent will conclude the program with presentation of certificates to those earning them.

Booster Club To Hold Turkey Shoot

Dimmitt Booster Club will sponsor a turkey shoot, Saturday and Sunday afternoons announces Buddy Byrnes, Public Relations Director.

The turkey shoot will be held Saturday afternoon at 1 p.m. and Sunday afternoon at 2 p.m. just south of the Dimmitt High School. Gunmen will be shooting at clay targets. Shells will be furnished. The proceeds of the shoot will be used to help buy the blazer jacket for the Bobcats.

Bobbies Lose Opener 60-46

Dimmitt Bobbies opened their basketball season Tuesday night against the fiery Springlake varsity. The Bobbies lost 60-46. The Bobbies only trailed by one field goal at the end of the first period. Going into the second quarter, Springlake pulled into a 34-26 lead. Scoring in the third period was 45-32 favoring the powerful Springlake.

The Bobbies hit 75 per cent of their free throws for a good free throw average. They fell short on field goals as they averaged only 36 per cent.

In the first quarter, the Bobbies hit 50 per cent of their field goals. High point girl for the Bobbies was Linda McColum with 24 big points. Shari Willis hit in the double figures with 11 points. Springlake's high point girl was Beth Dent with 32 points.

Starters for the game were forwards, Linda McColum, Danna Odom and Shari Willis; guards, Linda Schreck, Jane Cleavinger and Victor Jean Hughes.

The Bobbies will meet Farwell, Friday night, there. The Dimmitt girls "B" team will meet Nazareth varsity tonight, here.

Burglars Loot Sunnyside Store

Burglars looted Sunnyside Grocery Store Sunday morning about 4 p.m. according to Sheriff Jack Cartwright. The burglars took approximately \$1300 in cash and merchandise.

Owner of the store is Tex Conrad of Sunnyside. Taken in the robbery were clothes, jewelry, twenty-two rifle, cigarette lighters and \$300 in cash. According to Cartwright, officers are still looking for the suspects.

Mrs. Easter Serves 23 Years In County Library

by Nelda Thomas, Staff Writer
A soft-spoken gentlewoman, Mrs. Cathrine Easter, has served her community and county for twenty-three faithful years as librarian. She was honored Wednesday, November 11 at the silver tea of the Dimmitt book club.

Mrs. Easter regards the library work as most rewarding. She says,

"It has kept me going, meeting lovely people and working with the boys and girls."

Always courteous to her fellow-men Mrs. Easter has ruled by politeness in the library. She comments, "As a result of me being polite to patrons they are polite to me."

She spoke gently, "I always felt

that people will treat me just as I treat them."

Walking, through memory's lane, Mrs. Easter recalls an amusing incident with one of the many children who have made use of the county library.

This particular little girl came into the library one day and was doing some tall bragging about her reading abilities. So some of her chums set a book down in front of her and asked for a demonstration of her reading prowess. Confidently she glanced at the book and than a heavy silence fell. After a few minutes of bewilderment, the young diplomat exclaimed, "Umph, some Mexican must have written this."

Mrs. Easter smilingly said, "I have had plenty of fun down here with these kids."

"It's been so interesting for me to live here in the library." Talking about living, Mrs. Easter has spent 46 years of her life in Dimmitt. She married J. F. Easter in 1918 and moved in Dimmitt. He served in the capacity of county surveyor.

Previous to coming to Dimmitt, the active young woman taught the first grade in Hereford Public Schools.

She is a 1914 graduate from Sam Houston State College, Huntsville. She majored in Primary Methods. She was known as Cathrine Gandy before her marriage. Her home was Bryan, Texas.

She went for some courses in primary education at Ypsilanti, Michigan college. According to Mrs. Easter, the college offered a fine teacher training program. Mrs. Easter has one daughter and one daughter in law. They are Mrs. O. T. Vardell of Dimmitt, the former Mary Catherine Easter and Mrs. John F. Easter of Waco.

Mrs. Easter has bravely met and carried her share of life's sorrows. She lost her only son, John F. Easter in death, five years ago and the lost her husband.

On being asked her age, Mrs. Easter wittily replied, "I am 39, a lady never gets over 39."

According to Mrs. Easter, the library was founded about 1923 by a group of ladies known as Dimmitt Study Club. The club contributed books they had been studying to lay the library's foundation. The Study Club then sponsored a drive for books and contributions responded with books taken from their own library shelves.

Each lady of the study club donated an afternoon to keep the library open. Then the Club found a widow who needed a job and gave her the task of county librarian. Each woman of the club contributed until a sum of \$20 was collected for each month.

Mrs. Ola Murphy was the next librarian following the widow. Following a period of time, she moved to the office of county clerk and Mrs. Easter took over the job as librarian.

Mrs. Easter says that through the years, Dimmitt teachers have sent students in quest for such information as where was the first well built in Castro County.

The students would make a beeline for Mrs. Easter and the library in search of the facts. Mrs. Easter says, "I would ask the students to come back tomorrow." Then she would put in many hours checking county records and talking to people to obtain the requested information. She did not consider the hours to be wearisome and long as she sought to serve the young people of Dimmitt in her own individual way.

Mrs. Easter has given aid to many young people and adults also. She quietly remarked, "When people come to the library, I realize the whole thing hinges on me. There is a key personality in every organization and I am the key person in the library."

She declares, "They've had some rich jokes on me since I've been in here. I'm kind of an old number, I guess."

The gracious woman comments, "The library is like virtue and motherhood, everybody respects it. She gave the following example to illustrate the importance of a library to a community. She said a man built a library in the center of town so that every street and sidewalk would lead to the learning center.

The county library presently contains 5,000 books. They are not catalogued. Dues collected in the Dimmitt Book Club are given to the library for purchase of new books. This is about all the funds the library receives. Mrs. Ralph Perry for past several years has donated a Christmas gift of \$50 to \$200 to the library for children's books.

Johnnie Linn, of KDHN, visited with Vo Ag II class Friday, November 13. He discussed pointers on radio speaking with the students. The class has a radio team which will represent Dimmitt in the district contest. Team members are Craig Fuller, Joe Bob Sanders, and Kenneth Oldham.

Dimmitt Duplicate Bridge Club Plans Championship Tournament

Dimmitt Duplicate Bridge Club is sponsoring a Club Championship Tournament Saturday, November 21 at the High School cafeteria.

The tournament will be conducted in two sessions. The first session will start at 1 p.m., and the second session will commence at 7 p.m. Between the two sessions players will go to the South Grade School cafeteria for the Band Thanksgiving dinner.

In addition, there will be an evening side game for players who did not attend the afternoon game.

All bridge players are invited and urged to attend this tournament. Fees will be \$5 per person for the afternoon and evening session and the Thanksgiving dinner. Fees for the evening side game will be \$2 per person. Trophies will be awarded to first and second

place winners of the afternoon and evening sessions. Prizes will be given to winners of the evening side session.

Proceeds from the tournament will be donated to the Plains Memorial Hospital Auxiliary and the Little League.

Slim Vardell's Mother Passed Away Tuesday

Mrs. Nellie Vardell, 82, mother of Slim Vardell, passed away at 12:30 p.m. Tuesday in Lockney General Hospital. She had been ill for several weeks.

Funeral arrangements are pending at Silverton Funeral Home for the Briscoe County resident. She had lived in the county since 1924.

Survivors include the husband, J. D. Vardell; six sons, Oather of Dimmitt, Luther of Clovis, N.M.; Hilton of Tulsa; L. W. of Slaton, Willard of Silverton and Leroy of Byers; four daughters, Mrs. Bessie Kindrick of Shamrock, Mrs. Annie Williams, Mrs. Maggie Sweek and Mrs. Eunice Williams, all of Silverton; three brothers, C. T. Loudermilk of Silverton; W. H. Loudermilk of Norman, Oklahoma, and Larkin Loudermilk of Perryton; two sisters, Mrs. A. S. Wall of Anadarko, Calif. and Mrs. May Young Norman, Oklahoma; 27 grandchildren and 29 great-grandchildren.

County Has 17 Rural Accidents

There were 17 rural traffic accidents in Castro County during the month of October according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

From these crashes three people were injured and an economic loss due to property damage amounted to \$7,475.00.

Summarizing rural traffic accidents from January through October of 1964, the picture shows 106 wrecks, four dead, 46 persons injured and \$57,973.00 in property damage.

We are heading into the winter months! Our vehicles need winterizing. But in the words of the Patrol Supervisor, "Don't winterize your car alone—Winterize your activity too."

Get the jump on bad weather by having your vehicle safety inspected by an authorized garage to assure its good performance in the months ahead. Then check to see that antifreeze, snow tires or tire chaps, and ice scrapers are handy, but we regulate our driving. The Sergeant suggests in snow and ice to:

- (1) SLOW DOWN and leave more space between cars.
- (2) KEEP WINDOWS clear—turn on LIGHTS to help others.
- (3) EXTRA SLOW on turns, intersections, crest of hills.
- (4) When BRAKING, pump to avoid locking wheels in skid. If skidding, turn wheel in direction of skid, don't slam on brakes, slow down easily.

Boy Scouts To Have Award Program, Mon.

Boys Scout Troop 266 will have an awards ceremony, Monday night, November 23 at 7:30 p.m. in the First Methodist Church announces Jim Cleavinger, Scoutmaster.

All parents and boys interested in scouting are welcome.

NEW WESTERN AUTO store located in the Bruegel Shopping Center will have a Grand Opening, November 19-21. The store will be open from 9 a.m. to 9 p.m. during the grand opening. See story. —Staff Photo

Western Auto Store Plans Grand Opening Celebration

New Western Auto Store will be open from 9 a.m. to 9 p.m., November 19-20-21 for the celebration of their Grand Opening in the Bruegel Shopping Center on Bedford Street.

The local store will have several company men assisting manager Grover Cornelius in the grand opening.

Eastern Auto Stores were founded in Kansas City, Missouri as an automotive mail-order business in 1909 by George Peppardine, a 15-a-week bookkeeper, on an investment of \$5 for postage stamps.

In 1963 the total sales of Western Auto exceeded 326 million dollars. Western Auto is a nationwide merchandizing organization, including Alaska and Hawaii, plus Mexico, Puerto Rico and Guam.

There are 423 company-owned Western Auto stores and 4,100 associate (home-owned) stores. Western Auto has 400 sales agencies.

Company-owned merchandise include Wizard batteries, appliances, power mowers, seat covers, paint tools, outboard motors, air conditioners, Davis tires, Revelation sporting goods, Truetone radio and television, Vita Power motor oil, Western Flyer bicycles and

wheel goods.

The local Western Auto store here will have a service man and a complete automotive service department. The Service department will install tires, balance tires, install batteries and seat covers.

According to Cornelius, there are plans in the future to service all equipment sold by Western Auto.

Dimmitt Frosh Lose To Springlake

Dimmitt freshmen girls team fell before the Springlake Frosh Tuesday night, 65-32.

Springlake jumped into a seven-point lead during the first period. In the second period the scoring was 30-13 favoring Springlake. Dimmitt failed to gather enough points during the third period and went into the final quarter trailing by 24 points.

The Dimmitt Frosh will meet Nazareth "B" team tonight in the Dimmitt gym.

Junior High Bobbies To Open BB Season

Dimmitt Junior High Bobbies will open their basketball season tonight at 5:30 p.m. in the North Grade gym. There will be an "A" and "B" game according to Coach Jo Nan Mills.

Roster for the Junior High Bobbies includes following players:

- Diane Webb, forward, No. 31
- Cindy Hopson, forward, No. 21
- Ann Spencer, forward, No. 35
- Doricell Oldham, forward, No. 25
- Susan Thornton, forward, No. 7
- Linda Bradley, forward, No. 23
- Reba Hall, forward, No. 45
- Kay Wood, forward, No. 4
- Karen Birdwell, forward, No. 15
- Patty Simpson, guard, No. 33
- Jeanne Damron, guard, No. 11
- Sharon Barker, guard, No. 41
- Sharon Flynt, guard, No. 13
- Darla Underwood, guard, No. 3
- Carla Robertson, guard, No. 6
- Cynthia Rogers, guard, No. 10
- Carolyn Scarborough, guard, No. 43
- Vickie Lawson, guard, No. 5.

Serving as managers this year are Janice Mooney, Janice Killough and Nell Wood. Coaching the Junior High Bobbies in Coach Jo Nan Mills.

The Bobbies will play Olton at 4:45 p.m., November 23 in North Grade gym. Both "A" and "B" teams will see action.

MRS. EASTER, county librarian, is reaching for one of the many books available in the county library located in the basement of the courthouse. Mrs. Easter has served as librarian for twenty-three years. See story. —Staff Photo

Local Community To Join With Worldwide Bible Reading Group

"One Bible-reading amendment is possible immediately," says the Rev. Hugh Blaylock, president of the Castro County Ministerial Association.

He continues, "Any person can amend his neglect of the Bible by joining the world's largest Bible class and reading a selected passage each day. This unique Bible-reading class starts on Thanksgiving Day and continues through Christmas."

Worldwide Bible Reading is

Dimmitt Students Named Members Of Men's Social Club

Two 1963 graduates of Dimmitt, Tex., High School, have been named members of Galaxy men's social club at Abilene Christian College.

They are James Killingsworth, son of Mr. and Mrs. J. W. Killingsworth, Sr.; and Michael Calvert, son of Mr. and Mrs. Carlos Calvert of Box 582.

Both are sophomores at ACC. Killingsworth is an accounting major, while Calvert's major is undecided.

Nazareth FHA Plans Best Beau Banquet, Saturday

Nazareth FHA Chapter will have their formal Best Beau banquet Saturday night, November 21 in the Nazareth Community Hall at 6:30 p.m.

Theme of the formal occasion will be "Candy Land." Johnnie KDHN will be guest speaker for the banquet.

American Legion To Meet At Happy Tonight

American Legion and Auxiliary Zone II will meet at American Legion Hall in Happy tonight at 7:30 p.m.

All Legion and Auxiliary members are invited to attend.

Vo Ag Department Engages In Various Class Projects

Various projects are underway in the Dimmitt Vocational Agricultural Department.

Vo Ag III class is engaged in working on meal projects. Vo Ag II class is concerned mainly with wood-working tasks. Vo Ag I class is learning identification and use of tools.

Johnnie Linn, of KDHN, visited with Vo Ag II class Friday, November 13. He discussed pointers on radio speaking with the students.

The class has a radio team which will represent Dimmitt in the district contest. Team members are Craig Fuller, Joe Bob Sanders, and Kenneth Oldham.

DIMITT JUNIOR HIGH BOBBIES are pictured above. They are (front row) Ann Sampson, Patty Simpson, Sharron Flynt, Doricell Oldham, Diane Webb, Jeanne Damron, Linda Bradley, Sharon Barker and Cindy Hopson. Second row includes Susan Thornton, Darla Underwood, Vickie Lawson, Reba Hall, Karen Birdwell, Cynthia Rogers, Karla Robertson, Carolyn Scarborough and Kay Wood. Managers are (left) Nell Wood and Janice Killough. Shown at the right are Coach Jo Nan Mills and Manager Janice Mooney. —Staff Photo

CAROL OF LIGHTS—Adding a warm glow for the Christmas season on the campus of Texas Tech is the Carol of Lights celebration, which annually marks the official "turning on" of the Christmas lights on Tech buildings. The evening ceremony centers around the Science Quadrangle, shown above, with the large wreath and lighted archways providing a background for a program and singing of Christmas carols by the audience. (Tech Photo)

TECH SCHEDULES CAROL OF LIGHTS DECEMBER 1

Texas Tech will again celebrate the opening of the Christmas Season with its spectacular Carol of Lights ceremony, scheduled this year for Dec. 1.

More than 16,500 Christmas lights, outlining campus buildings, will be turned on simultaneously shortly after 7 p.m. that night, followed by a program of Christmas music and group singing with the audience.

The annual ceremony, held at the Science Quadrangle on campus, is enhanced by wreaths and luminarias placed around the Tech grounds.

At 7 p.m. all lights on the campus are turned off, then the Christmas lights are turned on as students, faculty and visitors join in the singing.

The idea for the Christmas lights outlining buildings at Tech's central campus was begun in 1939 by Harold Hinn of Plainview, a member of Tech's Board of Directors.

Tech's Women's Residence Council sponsors the Carol of Lights program, which has become a Christmas season tradition in Lubbock. Thousands of visitors drive through the campus nightly after Dec. 1 to see the results.

Described as one of the unique college Christmas season displays in the nation, the Christmas scene unfolds on the Tech campus each night at dusk as photo-electric cells connected to the buildings' lighting system automatically turns the lights on.

Tech maintenance crews work about three weeks in advance of the ceremony, uncrating bulbs and electrical system and placing thousands of feet of cord on building facings.

Richard Dobmeier, Bernie Bradlock, Donald Bradlock and Greg Pohlmeier all played outstanding defense according to Coach James Gibson. Herbie Wethington along with Clyde Schulte did a real good job of blocking on offense.

Nazareth's present record is 5-3. The Swifts will meet the Happy Cowboys Friday night in Nazareth stadium a 7:30 for the final game of the season. Happy's record is 5-3-1.

This will be first football game ever played between two schools. Happy and Nazareth have been long time rivals on the basketball court. Happy has been a traditional on the football field.

According to Coach Gibson, the Cowboys are a hot and cold ball club. They essentially have one of the best teams in district. They will be real tough. The Cowboys will be the biggest team that the Swifts have faced all year according to Coach Gibson.

Swifts Crush Toronados In 19-6 Attacks

Nazareth Swifts crushed the Texline Toronados Friday evening in a 19-6 brushing attack.

The Swifts scored the first touchdown during the first period on a 25 yard pass play from Quarterback Marvin Hoelting to Jimmy Hoelting. Extra point attempt failed.

The Swifts gathered fire again during the second period and Larry Ringwald crashed through on a three-yard dive play to score. Extra point failed.

The Swifts scored their final touchdown in the second quarter on a 17 yard pass from the quarterback to Jimmy Hoelting. Larry Ringwald kicked the extra point.

The Swifts defense allowed Texline through to pay dirt late in the fourth quarter. Ken Sheets made a touchdown on a 30-yard sweep around end. Extra points failed.

Nazareth penetrated the Toronado defense five times during the night. Texline only made one penetration. Nazareth raked up 12 first downs while Texline only tallied 8 first downs.

The Swifts only allowed Texline one first down during the first half of the ball game.

Nazareth's present record is 5-3. The Swifts will meet the Happy Cowboys Friday night in Nazareth stadium a 7:30 for the final game of the season. Happy's record is 5-3-1.

This will be first football game ever played between two schools. Happy and Nazareth have been long time rivals on the basketball court. Happy has been a traditional on the football field.

According to Coach Gibson, the Cowboys are a hot and cold ball club. They essentially have one of the best teams in district. They will be real tough. The Cowboys will be the biggest team that the Swifts have faced all year according to Coach Gibson.

Nazareth girls "B" team played Springlake "B" Tuesday night in a 39-16 ball game favoring Springlake.

The score by quarters was first period, 4-3; second period, 9-15; third period, 16-23; and fourth, 16-39. The Nazareth "B" team held a one-point lead during the first period.

High point player for the Nazareth "B" was Sandra Gerber with 8 points. High point Springlake players were Banks with 12 and Gregory with 12.

Nazareth hit the nets for four field goals. They sank 8 out of 17 free throws.

Springlake made 5 out of 16 free throws. They swung the nets with 17 field goals.

Nazareth 'B' will play the Dimmitt Frosh tonight at 6 p.m. in Dimmitt.

The Ruth Circle met in church Monday. Mrs. E. Lee Stanford discussed "Honest Encounter", and Mrs. Billy Graham, Jr. gave the meditation, "You shall love your neighbor as yourself". Songs were O Zion Haste, and In Christ There is no East or West. The group were dismissed by prayer in unison.

Present were Mesdames Sid Sheffy, E. Lee Stanford, J. W. Webb, Ed Wilson, Jack Cowser, Billy Graham, Jr., Wes Anthony, L. A. Womack, J. C. Williams, E. V. Hargrove, Vern Lust, S. R. Hutto, B. M. Nelson.

Mr. and Mrs. George Webb have returned home from a visit with their daughter and family, Mr. and Mrs. Floyd Copeland at Monohans.

Mr. and Mrs. Wayne Whitlow and boys from Hobbs, New Mexico visited in the home of Mr. and Mrs. Roy Dale Underwood Sunday.

Mrs. Roy Dale Underwood and Mrs. Charles Wales were in Amarillo Thursday.

Mr. and Mrs. Edgar Melton were dinner guests of Mr. and Mrs. Elbert Smith Sunday.

Local Irrigation Firm Announces Name Change

Mr. T. L. Timmons, president of Brown Irrigation with home offices in Lubbock, Texas announced today the name change of Brown Supply Company to Brown Irrigation Supply Company. According to Mr. Timmons, the subsidiary companies were operated under the name Brown Supply companies until they were recently purchased and reorganized by Florida Water and Utilities Company, a publicly owned utility company headquartered in Miami, Florida.

Brown Irrigation Supply Company will operate as a wholly owned subsidiary of Florida Water and Utilities Company with offices in Crosbyton, Levelland, Littlefield, Muleshoe, Plainview, and Dimmitt.

Timmons, a 12 year employee of Brown Supply and veteran of 14 years in the irrigation business was appointed president and chief executive officer by the board of directors of Brown Irrigation. He came to the company a graduate engineer of Texas Tech. Brown Irrigation Supply Company is presently underway in production of a new innovation in concrete irrigation pipe to be marketed in this high plains area. Timmons announced the trade name Perm-O-Ring and described it as a concrete joint with a "trapped O ring rubber gasket."

He described the name change and new product development as preliminary steps in the company's long-range market development plans.

Mr. and Mrs. George Webb have returned home from a visit with their daughter and family, Mr. and Mrs. Floyd Copeland at Monohans.

Hunters Beware!

Careful nimrods are polishing their safety rules as well as their "gats" in anticipation of deer season which opens November 14.

And unless a few simple regulations are observed, this year's deer season may spell disaster for a number of Texas hunters, says Wallace Klusmann, Extension to wildlife conservation specialist, Texas A&M University. It's the "over-anxious" hunter who endangers the lives of fellow hunters and causes needless damage to wildlife.

Two-thirds of all hunting accidents are caused by humans in the line of fire, humans mistaken for the safety catch on their guns, points out Klusmann.

Two-thirds of all hunting accidents are caused by humans in the line of fire, human mistaken for animals and hunters not using the safety catch on their guns, points out Klusmann.

Among the rules of good hunting sportsmanship are using the proper caliber gun for the game, hunting only in season and bagging no more than the limit permits.

Thoughtful hunters are careful with fire, asserts the specialist. They never throw away a lighted cigarette or leave a burning campfire, since either can start a destructive grass or forest fire.

It is important to respect the rights of others and to obtain permission before going onto another's property. Treat all property as if it were your own and don't litter the countryside.

Handle every gun as if it were loaded, never carry a loaded weapon in an automobile and be sure

the action and barrel are clear of any restriction, advises Klusmann. Carry the gun so you have control of the muzzle direction even if you should stumble, never pull the trigger until the target is sure and never point a gun at anything you don't intend to shoot.

Lastly, gun powder and alcohol don't mix. Klusmann urges hunters not to drink one for the road or for the woods, either. Follow these safety rules for an enjoyable hunting season and have a "bag full" of fun, says the specialist.

Roy Bass Spoke At Best Beau Banquet, Saturday

Roy Bass, special speaker for the Best Beau banquet held Saturday evening in the Dimmitt High School cafeteria, addressed over 225 guests.

He talked to the young people about five senses. He said, "The first sense I wish to talk about is the sense of sincerity." He told the banqueters that one mark of maturity is the capacity to state a thing, sincerely.

He commented, "Relationships of living do not need a deviation from the truth."

The speaker said, "A second sense needed is a sense of salesmanship." Bass told the group to have a product worth the advertising. He pointed out that a genuine product attractively wrapped would sell.

A third sense according to Bass is a sense of philosophy. Bass declared, "We need to form our own philosophy." He continued, "So many times we let others form our own attitudes and philosophy."

The speaker pointed out that the sum total of your philosophy is the sum total of your life.

A fourth sense emphasized by Bass was the sense of individuality. He said, "A lack of courage, a lack of intelligence and a lack of maturity marks the person who bows to conformity of the crowd."

The final sense the speaker talked about was a sense of values. He said, "High schoolers make better value judgments than they put in action and better than their elders think they can."

He concluded, "Have a sense for what is temporary and a sense for what is permanent."

Highlighting the evening of "Frosted Fantasy was the awarding the Best Beau. Don Minchew was awarded the Best Beau of the Megalai Adelphai Chapter of FHA. Presenting the award was Shari Willis, treasurer of Megalai Adelphai.

Stanley Byrnes was recognized Best Beau of the Mikrai Adelphai Chapter of FHA. Kay Bradley, president of Mikrai Adelphai, presented the award.

Awards were presented by Genita Aldridge to the FHA members who sold the most tickets to the FHA barbecue. Winners were Johnnie Holcomb, Peggy Ott and Shirley Leinen.

Banquet hall was decorated with a canopy of blue and white steam-

ers. Tables were covered in white with blue streamer up the middle. small branches of frosted white tumbleweeds. Blue candles were placed at intervals along the banquet tables.

Linda McColum served as Mistress of Ceremonies. A. J. Kemp gave the invocation. Linda Schreck presented the welcome and Arnold Acker gave the response.

A ladies trio composed of Kristi Webb, Keith Ann Howard and Jane Cleavinger brought musical

entertainment for the evening. They were accompanied by Miss Kathleen Robinson. Mrs. Keith Howard provided dinner music for the formal occasion.

Miss Betty Griffing provided entertainment by reading "Dear Miss Love Letters." She also brought a reading on Friendship by Henry David Thoreau.

Banquet was concluded with everyone standing and singing "Winter Wonderland".

AMMO NOTES

by **Wm. F. (Bill) Bennett, Agronomist, Western Ammonia Corporation**

SOIL TEST RESULTS

This is the last of the series on soil test results. Topics for this column will include potassium, calcium, sulphur, minor elements and soluble salts.

Tests for potassium determine exchangeable potassium which is available for plant use under most conditions. Most High Plains soils are well supplied with potassium and would normally give no response to this element. A level of 400 to 500 pounds potassium per acre by soil test is usually considered adequate. Most heavy for soils will test 1000 pounds or more per acre. Some sandy soils will test as low as 500 to 600 pounds per acre.

Tests for calcium measure exchangeable calcium and calcium present as free calcium carbonate. These levels are usually very high in our soils. Calcium levels, together with soil pH, can be used as a guide to determining needs for other nutrients.

Tests for sulphur and the micronutrients are available from a few labs. The main problem at the present time on such tests is in the interpretation. Chemists can accurately determine certain portions of these elements as they exist in the soil, however, researchers have not yet determined the soil test levels which would be con-

Cub Scouts To Meet Tuesday

Cub Scouts of Pack 267 had a large crowd to enjoy the chili supper held last Friday in the South Grade School cafeteria.

A special thanks goes to the Den Mothers and the mothers of the Scouts for the delicious pies, cakes and volunteer help in cooking, serving and cleaning up at the cafeteria.

Also thanks are due the lunchroom women who helped and thanks is given to the school for the use of the cafeteria.

The regular pack meeting will be Tuesday, November 24 at 7:30 p.m. in the basement of the courthouse. Den 6 will give the flag ceremony. Den 7 will present the skit.

VISITOR FROM LUBBOCK

Mrs. Prebble Russell and little son, Gary of Lubbock was a visitor in the home of Mrs. Leona Rothwell Sunday.

sidered inadequate for plant growth. Continuing research work, however, will enable agronomists to establish levels and make more accurate recommendations for sulphur and the micronutrients. At the present time, recommendations for these plant nutrients are usually made on the basis of soil type, soil pH, calcium level, general yield level and other factors that affect production.

Another result usually given on soil test reports is a soluble salt determination. This value is of most benefit in areas where salt accumulation is a problem. Nearly all of our soils in this area will test very low in soluble salts which is desirable.

STANLEY BYRNES is awarded Best Beau of Mikrai Adelphai Saturday night at the FHA banquet held in Dimmitt High School cafeteria. Presenting the award is Kay Bradley, president of Mikrai Adelphai. See story. —Staff Photo

A weekly public service feature from the Texas State Department of Health

If you're looking for something to be thankful for in these ominous times, consider this:

Almost one-half million Texas babies were born hale and alert during the two-year period between September 1962 and August 1964. That adds up to an average of some 665 new babies per day.

For the same time period 165,16 Texans died—representing a ratio of almost three births for every death—a fact clearly worth being thankful for.

The figures are revealed in an advanced look at the State Health Department's biennial report soon to be published.

The excess of births over deaths during the two years added some 320,000 people to Texas' population. That increase, together with the

influx of newcomers now making their homes in Texas, swelled the population past the 10.3 million mark.

The first year of life have dropped from 71 per one thousand births, to less than 30 per thousand today. And during that same period, maternal deaths have been cut from 6.9 per thousand to 0.5, a substantial decrease.

The past biennium also produced these developments:

Over 12,000 people changed their names by court order during the two-year period, and amendments to their birth certificates were duly attached.

More than a quarter of a million people asked for certified copies of their birth records. Just to process these requests required almost a half million trips to the files which now contain more than 14 million records of births and deaths. And finally, since marriage of the parents of an illegitimate child subsequent to its birth legitimates the child, 2,391 new birth certificates based on legitimations were prepared and filed.

If being able to prove age, citizenship and parentage isn't worth being thankful for, nothing is.

The name caribou is of French-Canadian origin, borrowed from the Indian word khalibu, meaning "power" or "scratcher."—Sports Afield.

Watch For Prussic Acid After Frost

Frost can be expected soon in most areas of the state, and this could mean trouble for Texas dairymen. Johnsongrass and sorghum often develop high prussic acid content after a frost and, if grazed by livestock, can cause a lot of trouble, warns A.M. Meekma, Extension dairy specialist, Texas A&M University.

Certain chemical changes occur in frost-wilted plants that are responsible for the prussic acid development, Meekma explains. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten. Whether or not a poisoned animal can be saved generally depends upon how quickly a veterinarian can be consulted.

Frosted Johnsongrass or sorghums should not be grazed until they are completely dry, warns Meekma. However, those ready to cut for hay at the time of frost damage may be clipped the first day after frost if complete curing

Junior High Bobcats To Play Muleshoe

Dimmitt Junior High Bobcats will open their basketball season tonight at 5:30 in Muleshoe.

The Bobcats will play Olton at 4:45 p.m. Monday, November 23 in North Grade School gym. Both 7th and 8th grade will be in action.

precedes baling.

Frost-wilted plants may also be used for silage, Meekma points out. Generally enough prussic acid is lost during the ensiling process to make it safe for livestock. However, animals should not be allowed to self-feed from a silo filled with frost-wilted forages. If there is any doubt about the silage, it should be tested by the local veterinarian or by feeding such silage to one or two inferior animals.

For more details on grazing, harvesting and storing of frost-wilted plants, Meekma suggests a visit with the county agent or local veterinarian.

Community Service For Thanksgiving Will Be Nov. 25

Castro County Ministerial Alliance have completed plans for the Community Thanksgiving Service, which will be held at the First Presbyterian Church on Wednesday evening, November 25, at 7:30.

Proper Care And Cooking Needed For Game Meat

Many homakers will soon have game meat available with which to prepare delicious and palatable meals if proper care and cooking are exercised.

Game meat adds variety to meals and is high in nutritive value report foods and nutrition specialists for The Texas Agricultural Extension Service.

Old and less tender game, on the other hand, is best prepared by moist heat such as braising, stewing and simmering.

Parboiling strong game will re-point out the specialists. This will produce a mild gamey flavor; however, some soluble nutrients will be removed.

However, the strong, gamey flavor that some people find objectionable is concentrated in the animal fat. To reduce this flavor, the fat must be removed in more mature, highly fattened carcasses.

Cotton Classing Volume Increases

Cotton Classing increased sharply at the three South Plains U. S. D. A. Classing Office during the past week, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office.

The largest number of samples for any day this season was classed at the Lubbock Office on Wednesday, November 11th when 10,500 samples were classed.

Trading in the new crop cotton in the Lubbock market continued active during the past week.

SPUR VISITORS

Garden Readiness Considered Vital For Winter Plants

Since considerable planting will be done in Texas gardens during December and January, soil conditioning and watering well in advance of planting dates are important.

Faster-Safer Deliveries

Delivery thus is accelerated by as much as 24 hours, especially for packages which travel 300 miles or more.

By way of illustration, Mr. Gronouski said a parcel mailed from Los Angeles to Alexandria, Virginia, without ZIP Code must be halted enroute at Cincinnati for further sorting.

By way of illustration, Mr. Gronouski said a parcel mailed from Los Angeles to Alexandria, Virginia, without ZIP Code must be halted enroute at Cincinnati for further sorting.

Watering during cold weather should be done early in the day so the foliage dries off before nightfall. Soil will hold more water for longer periods when it and the atmosphere are cold and the air is calm.

Much plant damage blamed on insect and disease attacks is due to excessively dry or moist soil during the winter months.

647-3488 for Printing

Milk Indemnity Program Planned

The U. S. Department of Agriculture has announced an indemnity payment program for dairy farmers whose milk has been removed from the market because of pesticide residue.

However, Meekma points out, the act prohibits payment to dairymen whose milk has been removed from the market because of failure to follow procedures prescribed by the Federal Government relative to use of pesticides.

Mr. ZIP has a new assignment—to accelerate delivery of long distance parcel post by 24 hours or more.

Mr. ZIP Moves Long Distance Parcels Faster

Mr. ZIP has a new assignment—to accelerate delivery of long distance parcel post by 24 hours or more.

"I envisage a virtual revolution in the handling of parcels," Mr. Gronouski said.

"The success of the program," Mr. Gronouski said, "hinges on public use of ZIP Code numbers in addressing packages, as well as the cooperation of firms that mail parcel post in large volume."

By way of illustration, Mr. Gronouski said a parcel mailed from Los Angeles to Alexandria, Virginia, without ZIP Code must be halted enroute at Cincinnati for further sorting.

Scientists Speak On Cotton Research

A Texas A & M University plant scientist says use of "non-deteriorated seed" is essential in getting a cotton crop off to a good start.

Dr. L. S. Bird, associate professor and a speaker at the Texas Insect and Plant Disease Control Conference here Nov. 10-11 said high quality seed is necessary to achieve "seedling disease escape."

Seedling disease escape, he explained, is selecting for inherent seed and seedling traits which help avoid and resist soil-borne ailments. Disease escape involved evaluating material and selecting for low temperature germination, seed deterioration resistance, rapid seedling emergence and low post-emergence damping off.

"The main point we want to bring out is the importance of seed deterioration and its relationship to low temperature germination and seedling growth," Bird said.

Cottonseed deteriorate when exposed to high moisture levels, especially when combined with high temperatures, he said. The condition can occur in the field between boll maturity and harvest, in trailers as they stand in the gin yard, and in storage if moisture is not reasonably controlled.

Bird said higher temperatures, seed germination and seedling growth rates are reduced, and seedlings are susceptible to more soil fungi than those from good seed.

This means that when non-deteriorated planting seed is used, planting can be done in colder soil early in the season, germination and seedling growth is faster, and seedlings are hit by fewer soil-borne fungi.

Dr. D. F. Martin, investigation leader for the USDA Pink Bollworm Research Center at Brownsville, described recent research in which bollworm control is attempted with virus diseases.

More than 200 species of insects and mites are known to be subject to virus diseases, and no doubt many more will be found if we develop a method of propagation and use of these pathogens as control of insect pests," he said.

Cotton Grades Are Improving

Cotton grades improved slightly during the past week at the U. S. D. A. Lubbock Classing Office, according to W. W. Palmer, in charge of the Lubbock Office.

Stripping operations continued to increase on the south Plains and the volume of cotton received at the Lubbock, Brownfield and Lamesa Classing Offices increased daily during the past week.

The three U.S.D.A. Offices classed ending Friday, November 13th, bringing the season's total to 222,900 At this date last year the three offices had classed 335,700 samples.

During the past week, approximately 65 per cent of the cotton classed at the Lubbock Classing Office was in the White grades with 20 per cent of all cotton classed being "Middling or better. This was an increase of 5 per cent in the White grades over the previous week. Strict Low Middling was the predominant grade, making up 34 per cent of the total. Light Spotted grades accounted for approximately 35 per cent of the total with Middling Light Spotted being the most predominant with 25 per cent.

Average staple length declined slightly. During the week 65 per cent of all cotton classed was 15-16 of an inch and shorter. The previous week 60 per cent was 15-16 of an inch and shorter.

Micronaire readings continued to be very good with 87 per cent of all cotton miked in the Lubbock Office being in the desirable category of 3.5 and better.

Breaks 40-Year Precedent

MILWAUKEE, WIS.—Pretty precedent-breaker is Martha Toshner of Milwaukee, first girl to qualify and be enrolled in the Allis-Chalmers cooperative training program for student engineers since it was initiated 40 years ago at the firm's plant here. Martha, 20, is a junior in electrical engineering at Marquette University. She alternates a semester in the classroom with one of on-the-job training at Allis-Chalmers. Towering behind Miss Toshner is a 40-foot impulse generator. It simulates lightning surges of up to 4 million volts and is used to test electrical equipment manufactured by Allis-Chalmers.

4-H Foundation Develops Science Project Program

A program to enlarge the scope of projects available to 4-H members is being developed by the National 4-H Club Foundation in cooperation with Science Materials Center, Inc., a subsidiary of Allis-Chalmers. Project work by young people, often limited mainly to agriculture and home economics "how-to-do-it" will be broadened to include such topics as magnetism and electricity, map-making, paleontology (study of fossils), and astronomy. Additional areas are planned for future development.

Studies are underway at a number of State Land-Grant Colleges and Universities for development of suitable science projects and training manuals for 4-H leaders. This program will reach the 2,190,000 young people enrolled in 4-H Clubs and will be administered by 300,000 adult volunteer club leaders in almost every one of the 3,000 counties in the nation.

RETURNING TO FT WORTH

Good Nutrition Influences Health

Family health depends largely upon the nutritional status of the members, says Mrs. Gwen Clyatt, Extension Service consumer marketing specialist.

Here are marketing ideas which may help homemakers cut costs and at the same time plan well-balanced menus, the specialist says. At retail meat counters, look for best beef values on short ribs, stew meat, round steaks and roast and arm and blade pot roasts and steaks. Pork values include bacon, ham portions, fresh backbones, picnics and shoulder roasts.

Fryers remain a bargain in most retail meat departments, and frozen turkeys are available at reasonable prices. Grade A large eggs are the economy, quality egg value.

Fresh fruit in best supply at reasonable prices includes bananas, apples, cranberries, pears and grapes. The red varieties of grapefruit is becoming more plentiful, and prices this week are moderate to high. Additional fruit choices include persimmons and pomegranates.

Good quality cooking greens include collards, mustard and turnip greens, Eggplant, cauliflower, are worthy of consideration for menu variety.

Pecans and peanuts also are becoming more plentiful.

Nazareth Christian Mothers Society To Hold Bazaar-Supper

Christian Mothers Society of Nazareth is sponsoring their annual Thanksgiving bazaar Thursday, November 26.

Games and entertainment will start at 2 p.m. A turkey dinner with all the trimmings will be served starting at 5 p.m. Prices for the dinner will be \$1.25 for adults, 75 cents for children under 12 and preschoolers free.

Charlie Phillips will play for the dance in the evening. Everyone is welcome.

Serving table was covered with a lace cloth. Centerpiece was a money tree covered with silver dollars.

Tea, coffee and small cakes were served to about 30 guests. Out-of-town guests were his uncle and family, Mr. and Mrs. O. L. McColum of Manco, Colorado, Mr. and Mrs. Ed Jones of Dalhart, Mr. and Mrs. Fred Combs of Tullia, Mr. and Mrs. Arthur Jennings of Tullia and an aunt, Mrs. Flora Buhler of Memphis, Tenn.

Hospital Auxiliary Met November 14

Plains Memorial Hospital Auxiliary met Saturday with 23 members present.

The Auxiliary decided to appoint a committee to see about buying a flag and pole for the hospital. Mrs. Bruce Woodell and Mrs. Jimmy Butler were designated to serve on the committee.

A work day for the gift shop will be held at Helen McLean's home, December 3. All members are invited to come and make Christmas gifts for the Auxiliary Gift Shop. Bring a covered dish.

A short program concerning the speeches given at the State Convention was presented by Mrs. Helen Braafladt.

It was voted that the Auxiliary will not hold a general meeting in December. However, the Executive Board will have their regular meeting on December 8 at 3 p.m.

Methodist Circle Hears Latin American Minister

Some twenty-six members and guest of the Betty Campbell Circle of First Methodist Church here heard Rev. Jose J. Vasquez, pastor of the Latin American Church in Plainview, as he spoke on "Ways In Which We Can Help the Latin Americans in Our Community," Wednesday, November 11.

Mrs. Rayphard Smithson, who has been leading a study concerning the Latin American People, introduced Rev. Vasquez.

Following the program in the Church Sanctuary, refreshments were served in Lamar Fellowship Hall.

D.H.S. Favorites Announced

The Dimmitt High School gymnasium was the scene where all the D.H.S. students were Friday the 13th from 3:15 to 3:45. The crowning of the D.H.S. favorites was the main event. Tommy Nichols was the personality king and Jane Cleavinger was the personality queen. The queen wore a green pleated skirt with multi-green cordigan sweater and green shoes set off the ensemble, the smile sheath with black flats. Chuck sented Courtesy King and Queen. The queen wore a black pleated skirt with a mohair brown and black sweater with black flats. We are all glad to know who the favorites of D.H.S. are and thank the students of DHS for drag an excellent job in selecting them.

Best Beau Banquet Featured Frosted Fantasy, Saturday

Saturday evening was an eventful evening everyone has been looking forward to since the beginning of school. All the FHA girls have been planning and working to make points so they could take their beaus to the Best Beau Banquet. It was certainly worth it because our night in "Frosted Fantasy" was a memorable occasion, especially for the seniors.

The banquet began with A. J. Kemp giving the invocation. A welcome was then given by Linda Schreck, and Arnold Acker gave the response. While everyone ate Mrs. Keith Howard played dinner music on the organ. The menu consisted of: Frozen Gapes, Baked Chicken with mushroom sauce, Potato Delight, Buttered Broccoli, Strawberry Salad, Hot Rolls, Butter, Creme de Menthe Pie and Iced Tea.

Kristi Webb, Keith Ann Howard and Jane Cleavinger sang "Hey Look Me Over", "All the Things You Are", and "Tom Dooley", while everyone ate their dessert. It was shocking when a lady called Miss Lovelatter came walking into the cafeteria wondering if she were in the right place. The woman turned out to be Miss Betty Griffing, pulling one of her stunts. She read several letters she had received asking questions about different problems which had arisen in several love affairs. She then closed with an inspiring reading called "Creed", by Edgar A. Guest.

Shari Willis and Kay Bradley honored the Best Beaus for 1964-65, Don Minchew and Stanley Byrnes. Mr. Roy Bass, a Lubbock attorney, then addressed group. The program ended as everyone joined in to sing "Winter Wonderland". Congratulations to the FHA girls for a lovely banquet.

Olton Rolls Over Dimmitt, 19-0

The Olton Mustangs rolled up a 19-0 first-half lead and made it stand up here Friday night against the Dimmitt Bobcats.

Quarterback Joe Priest passed seven yards to end Charles Church to put the Mustangs ahead in the first quarter. The kick by Priest made it 7 to 0.

In the second quarter, fullback Joe Castello slammed 12 x yards for a touchdown. Richard Hall intercepted a Dimmitt pass and scampered 84 yards for another. Both kicks failed.

Dimmitt, although never threatening to score, had 145 yards rushing and 19 yards passing. Olton got 248 yards on the ground and seven yards passing.

This was the last game of the season for the Bobcats who came out with a 1.7.2 record. The district record was 1-3-1. This was the last football game six senior boys will ever take part in while in Dimmitt High School. These boys are: Steve Hutton, Dickie Dyer, Tommy Nichols, Don Minchew, Anthony Mays, and Chuck McKinney.

HUNTING TRIP

Chuck Lay and son, Chuck have been bird hunting this week near Wellington.

HERE FROM DALHART

Mrs. Sam Hunter of Dalhart was in Dimmitt last week for a visit with Miss Hazel Merritt and other friends. While here she attended the Dimmitt Book Club meeting. Mrs. Hunter is a former Dimmitt resident.

HAZEL MERRITT, president of the Dimmitt Book Club, recognizes Mrs. Catherine Easter for her 23 years of faithful service as county librarian. See story. —Staff Photo

Shari Willis Gives Slumber Party, Saturday

Saturday night after the Best Beau Banquet, Shari Willis hosted to a slumber party for the Senior girls. To make sure that everyone would be in at a reasonable hour, she set the curfew at 12:30. Almost everybody was in by that time. All were treated with cookies, sandwiches, cokes, orange, candy, potato chips, and dogs. A few of the girls gave out and went to bed early, but some of the girls were so full of energy that they didn't go to bed all night. Those attending the party were Linda Lamb, Nan Schumaker, Madelyn Smith, Jerry Kay Dodd, Patty Catoe, Patty George, Margaret Chapman, Greta Nelson, Janis Davis, Linda Schreck, Linda McCollum, Linda Davis, Arlene Reid, Linda Hrable, Janice Moore Sue Hendrix, Glenda Smiley, Kathy Huckabay, Alice Acker, Carol Johnson, Pat Moran, Joanie Hammonds and of course, Shari Willis. Everyone seemed to have a good time, because all are still very sleepy.

Local Methodist WSCS Will Host Noon Luncheon

Members of the Woman's Society of Christian Service of First Methodist Church, here will serve the noon luncheon for the Plainview District Conference which will convene at the local church Wednesday, December 2. Approximately 200 to 300 delegates are expected for the conference.

Dimmitt Grading System Explained

We feel that parents should be reminded again of Dimmitt High School's grading system, for the second six weeks is closing and report cards will soon be in the parents' hands. It is necessary that the point system be fully understood in order to know how a student's grades will affect his future.

The accepted system is 100-90, A; 89-80, B; 79-70, C; 69-60, D; and below 60 is an F. Those grades in the D range cause the most confusion and should be classified. A D is considered a passing grade in this high school only, and such a grade will give the student his credit or credits. When the student applies for college or transfers to another high school any D grades he has made are not transferable, and automatically are changed to 'F's. The D is only passing in Dimmitt High School. The student who has managed to squeeze through D.H.S. with a D average will find himself in trouble if he decides to go to college. The D should be avoided just as if it were an F, for it might later be one.

Dimmitt 4-H Club Nominates New Officers

Dimmitt Go-getters 4-H Club met November 4 in the Assembly Room of the courthouse.

Following the reading and approval of the minutes, the Club voted for a skating party, November 14.

Members discussed cooking, groups for coming year. Nominations were made for new officers.

Bull Sale To Be At Clarendon

The Rolling Plains Registered Beef Cattle Association will hold its 6th annual bull sale in Clarendon on the 2nd of December, 1964 at 12:30 p.m. at the fair building. Walter Britten will be the auctioneer. 71 bulls will be offered for sale, featuring top blood lines, good beef producing bulls and good herd bull prospects. There will be 50 Hereford, 10 Galloways and 11 Angus bulls in the sale. The new sales arena is heated and you will be comfortable regardless of the weather. If you wish to come by country airport, buzz the fair building and a car will meet you. Those wishing a catalog in advance of the sale can write to H.M. Breedlove, Secretary and Manager, Clarendon, Texas.

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS
TO: MRS. A. L. BANDY, and if ever married, MR. BANDY; JAMES TUCKER and wife, IDELL TUCKER, and if any or all of the above named parties are deceased, the heirs, the unknown heirs and legal representatives of each and all of them; their unknown spouses and any and all persons owning or claiming any interest in the property hereinafter described, all of whom are DEFENDANTS: Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Courthouse thereof in Dimmitt, Texas at or before 10:00 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 30th day of November, 1964, then and there to answer in writing Plaintiff's petition filed in said court on the 14th day of October, 1964, in this cause numbered 2838 on the docket of said court and styled, JACK R. COWSERT, ET UX, VS. MRS. A. L. BANDY, ET AL, a brief statement of the nature of said suit being as follows:

Suit in statutory form of trespass to try title, and for costs by Jack R. Cowsert, et ux, Plaintiffs, against those persons who are first named in this Citation and to whom it is directed, as Defendants, and the unknown spouses and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiffs, together with MALISSA ROGERS LANDRES and husband, MITCHELL LANDRES and SOUTHEASTERN FUND, Defendants, the Plaintiffs suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

All of Lot Number One (1) and the North 15 feet of Lot Number Two (2), Block Number Forty-nine (49) Original Town of Dimmitt, Castro County, Texas.

Plaintiffs allege that they are entitled to the title and the possession of said property, claiming under the three, five, ten and twenty-five year Statutes of Limitation and that the cloud cast on the title to the property above described by Defendants be removed and said title vested in the Plaintiffs, all as is more fully shown by Plaintiff's Petition on file in this suit.

The Officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT AT OFFICE IN Dimmitt, Texas, this 15th day of October, 1964.
 Zonell Maples
 Clerk of the District Court,
 Castro County, Texas.

LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS
TO: C. T. DOBBINS, and if ever married, MRS. DOBBINS, and R. J. DAVIS, and if any or all of the above named parties are deceased, the heirs, the unknown heirs and legal representatives of each and all of them; their unknown spouses and any and all persons owning or claiming any interest in the property hereinafter described, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County at the Courthouse thereof, in Dimmitt, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of December A.D. 1964, to Plaintiff's Petition filed in said court on the 29th day of October A.D. 1964, in this cause, numbered 2842 on the docket of said court and styled Kenneth Jackson, ET UX, Plaintiff vs. C. T. DOBBINS, ET AL, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit in statutory form of trespass to try title and costs by Kenneth Jackson, et ux, Plaintiff, against the above named Defendants for title and possession of Lot No. Four (4) Block No. Eighty (80), Original Town of Dimmitt, Castro County, Texas, by virtue of the five and ten year Statutes of Limitation, and removal of any clouds cast on the title to said property by said defendants and said title be vested in Plaintiff,

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved. The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make return as the law directs. Issued and given under my hand and the seal of said court at Dimmitt, Texas, this 29th day of October, A. D. 1964.

Attest Zonell Maples, Clerk, District Court, Castro County, Texas 3-4tc

CARD OF THANKS

I wish to take this opportunity to thank the Dimmitt Book Club for the honor they gave me Wednesday, November 11. I appreciate their kind thoughts and the expressions of their good will. Thank you for the lovely gift.
Mrs. Cathrine Easter

Consumers To Receive More Protection

There's more protection on the way for consumers. It will be unlawful, starting next January 1, to label belts by using such words as 'leather, hide, or skin' or to use pictures suggesting the hide or skin of animals to describe belts not truly made from animal skin, says Lynn Parks Extension consumer education specialist. "Split leather" must then be so marked and not represented as

YOU SHOULD KNOW NOBLE HOWARD

"genuine cowhide," "alligator," or any other term indicating that it is top grain leather, the Texas A&M specialist says. If a belt is labeled alligator, it must in fact be made from alligator skin and not be cowhide just made to resemble alligator. Labels must indicate, as the case may be, 'ground, pulverized, shredded leather, or plastic.' When belt leather has been treated

In Florida, the names "trout" and "speckled trout" are given to the spotted weakfish, a sea fish in no way related to the trout family.—Sports Afield.

The best way to prevent a mature dog from making mistakes is never to have allowed him to make them in the first place—Sports Afield.

A FRENCH-TOASTED TOUCH MAKES A TASTY HAMBURGER

A few simple changes in the usual hamburger recipe, plus a dash of imagination and—voilà! You can change the all American favorite, a hamburger sandwich, into a deliciously different taste treat—a French-toasted hamburger. Add to this a tall, cool glass of beer to complement your latest gourmet discovery, and you have created a new lunch or dinner menu that's just as tasty as it is quick to prepare.

Substitute round bread for the buns; season your meat according to your own taste or try incorporating the relish in the meat mixture. Make the patties thin and round, and brown well on both sides. Place between two slices of bread which have been lightly spread with catsup. Then dip the entire sandwich, on both sides, in an egg and milk mixture and fry until golden. And as a lunch or dinner beverage, there's nothing like a tall, cool glass of beer to accent this tasty, attractive and truly different hamburger sandwich:

FRENCH-TOASTED HAMBURGERS

- 1 1/2 pounds ground beef
- 2 tablespoons pickle relish, drained
- 1/2 teaspoons salt
- 12 slices round bread
- 1/4 teaspoon pepper
- Catsup
- 1 teaspoon dry mustard
- 3 eggs
- 2 tablespoons chopped onion
- 1/2 cup milk

Combine ground beef with salt, pepper, mustard, onion and relish. Divide into 6 or 8 equal portions and form into thin patties about 3/2 inches in diameter. Fry quickly in butter or oil until lightly browned, about two minutes on each side. Spread one side of bread with light layers of catsup; place each patty between two slices of bread. Beat eggs with milk and salt. Carefully dip each hamburger sandwich into egg mixture and fry in butter on both sides until golden brown. Serve hot. Yield: 6 to 8 sandwiches.

Lions Featured In Tokyo's Natural Zoo

The Tama Natural Zoo in the western suburbs of Tokyo provides what approximates the natural habitat for animals instead of the usual cages. Twelve African lions roam freely, while a heavily-reinforced bus conveys visitors over the roads in the walled compounds. The roof of the bus is strong enough to withstand the pressure of four mature lions leaping simultaneously on it, and the double, full-view windows are bullet-proof as in modern army tanks.

Management Is Key To Winter Grazing

Small grains can provide lush green pastures and good yields of high quality forage during the winter months if properly managed.

Winter pastures should be grazed only after the plants have become well-established, says Albert C. Novosad, Extension pasture specialist, Texas A&M University. They must be allowed to develop a root system that is deep enough to use moisture and plant nutrients below the three-four-inch soil level.

Novosad points out that a plant's height best indicates whether or not its root system is well-established. Upright growth-type plants such as Alamo-X oats, Gator and Elbon rye and Goliad barley reach this stage at a height of eight-tenths inches. Root systems of such intermediate type plants as More-grain, Suregrain and Victorgrain oats are usually well established by the time they are six-eight inches high, while the more prostrate types such as Mustang oats must be four-six inches tall.

The difference between profit and loss on winter pastures is often determined by the first grazing, explains the specialist. One grazing too early may cut yields as much as 25 percent, while a combination of too early and too close grazing over a period of time can reduce forage production as much as 70-80 percent. Top growth

is reduced and crown and root development are retarded.

Constant close grazing hampers the production of all small grains, contends Novosad, and also increases winter killing. Livestock should be removed when plants have been grazed down to a height of about three inches. Usually four or five weeks should be allowed between clippings or grazings for plants to make sufficient regrowth.

Cross fencing is wise and often necessary to permit proper grazing management, adds the specialist. Cutting the pasture into smaller plots will allow more constant grazing and will offer more protection for the plants as well.

Fertilizing is an important part of management. After grazing down the plants, Novosad recommends a top dressing of 30 to 40 pounds of nitrogen an acre of moisture conditions are good.

Where small grains are grown for their grain as well as for forage, grazing should be terminated before the plants begin to bloom. This time will depend on the area but will usually be between February 15 and March 15.

As an aid in managing the winter pasture, the specialist suggests a copy of L-253, "Winter Temporary Pastures," available at the local county agent's office.

Frosh Fall 12-8 To Tulia

Dimmitt freshmen went to Tulia last Thursday to play their last game of the season.

"It was a game that you don't walk away from feeling that the team lost even though the score showed 12-8 in Tulia's favor," says Coach Covington.

The Dimmitt Frosh completely dominated the first half but penalties kept them from driving across any score. The Tulia team moved the ball across the 50 yard line one time during the first half and that was when they fumbled a punt, picked it up and broke to the outside and got down to the Dimmitt 42 before they were stopped.

Coming back the second half, the freshmen Bobcats drove the ball over with Ronnie Hutton making the longest run on the drive when he ran an option play, kept the ball and gained 23 yards and a touchdown. The try for extra points was good with Ronnie Hutton carrying it over.

Tulia came back and scored early in the fourth quarter but failed on the try for extra points and the Dimmitt Frosh led 8-6.

Tulia got the ball with two min-

utes left to play and this was when all the controversy started. The officials had not kept track of their time outs so the full amount of four were allowed. The clock failed to start twice when it was supposed to be running and a defensive holding penalty on a tackle all

added up to give Tulia a score with four seconds left in the game. The try for extra points was no good and time ran out before Dimmitt could get off another play.

According to Covington, it was a tough way to lose a ball game if you count it a loss. "It was a fac-

tor the players had no control over," comments Covington. Johnny Davis led the freshmen on offense with the most yards gained, Ronnie Hutton was next and then Ronald Johnson. On defense, Charles Thomas led on tackles with David Seale and Junior Hargrove coming in next. The freshmen start basketball this week and will play Muleshoe here Thursday, December 3.

'Little Gal of the Golden West' Is National March of Dimes Child

A blue-eyed lady of four years, known affectionately in her home town of Denver as the "Little Gal of the Golden West," is the 1965 National March of Dimes Child. Her name is Michaeline ("Mickey") Lea Heinicke.

Mickey symbolizes the quarter-million American infants born every year with severe birth defects on whose behalf contributors to the March of Dimes have financed programs of research, medical care and education.

Mickey's mother, Maxine, tells of the tragedy that today befalls one in ten families in the United States.

"Like tens of thousands of other couples, Paul and I were heartbroken and numb when we learned the truth a few days after Mickey was born. I am a nurse, and I had had some experience with babies born with an open spine, which was the case with Mickey. I was under no rosy illusions that this third child of ours would ever walk."

"But," asks Maxine, "do you remember that song, 'Did You Ever See a Dream Walking?' The refrain comes back to me every time I see Mickey walking on her crutches and braces, or furiously riding her hobby horse in the parlor, or doing an Indian war dance to her phonograph records. I say to myself, 'that's my little dream walking.'"

"But my husband and I would never have experienced this real-life dream without March of Dimes help."

Mickey, whose spinal rupture was repaired when she was only three days old, is now midway through a tour that precedes the coast-to-coast March of Dimes campaign in January. Although severely handicapped, this four-year-old thrives on the long days, tedious air-hops between cities, appearances at conventions and the strain of meeting Senators, Congressmen, Generals, stars of stage and screen and other public figures.

Mickey is already a veteran trouper, unimpressed by the mighty in high places. Her mother says, apprehensively: "In January, when we expect to have the privilege of visiting the White House, I know I will faint dead away when Mickey will undoubtedly bubble over to the President, 'Hiya, Podner,' or something awfully familiar and western to the First Lady."

"Birth defects," he adds, "are a much more serious problem than polio ever was. To attain the same successful end that was achieved in eliminating polio, we need not 50 birth defects centers but fully 150 centers to help these afflicted infants and children. Funds are also needed desperately to support research inquiries into the many scientific problems involved. 'I sometimes look at the crippled Micekeys around our country, at children born without arms or legs, at other tots doomed unnecessarily to lives of mental retardation—due to birth defects; and I wonder how many of our warmhearted citizens can fall to demand and to finance a means to end this shocking destruction whatever the cost.'"

WHOA! Aboard her pony, Mickey Heinicke, 4, Denver, 1965 National March of Dimes Child, reins in for benefit of photographers.

"But my husband and I would never have experienced this real-life dream without March of Dimes help."

Mickey, whose spinal rupture was repaired when she was only three days old, is now midway through a tour that precedes the coast-to-coast March of Dimes campaign in January. Although severely handicapped, this four-year-old thrives on the long days, tedious air-hops between cities, appearances at conventions and the strain of meeting Senators, Congressmen, Generals, stars of stage and screen and other public figures.

SAN JACINTO

in 18 Minutes—Blessed Freedom!

At 3:30 P.M. on April 21, 1836, General Sam Houston launched his attack. So sure was Mexican Army Commander Santa Anna of his troops' superiority that he did not even post sentries during the customary afternoon siesta.

The freedom-inflamed Texans, shouting "Remember the Alamo!", sprang upon the enemy. In the incredibly short space of 18 minutes Texas' freedom was won.

Santa Anna was captured. Six hundred and thirty officers and men were killed; the rest taken prisoner. Texas lost only nine men killed or mortally wounded, with 30 less seriously wounded. When the captured Santa Anna ordered his troop commanders to leave Texas, the last threat to peace was removed. Texas was free!

FREE MEN DEPEND ON US!

Today, we cannot—with one decisive stroke—wipe out the threats to freedom that are all around us. Instead, we must join together for an almost unending task of holding at bay those who would destroy the liberty we hold so dear.

Our dollars, banded together in U.S. Savings Bonds, help keep our defenses strong—making sure that no enemy will smash through to victory over freedom.

You can be an active partner in defending freedom by buying U.S. Savings Bonds at your bank or on the payroll savings plan where you work.

Keep Freedom in Your Future with

U. S. SAVINGS BONDS

Young America Bakes—

Peanut Butter and Jam Twists

Nothing can take the place of peanut butter and jam in the hearts of hungry youngsters—except these Peanut Butter and Jam Twists.

New Twist for Teen Favorites

The Twist is "out," but jam and peanut butter are definitely "in"! And those who are "in" know that although the Twist has been replaced by the Hully Gully, the Rhino Rump and the Bug, nothing can take the place of peanut butter and jam. That's why Peanut Butter and Jam Twists are so "in" with hungry teenagers. In fact, they're the "innermost" refreshments for jam sessions and record hops—or for between-meal snacks and lunch box goodies.

Young bakers will enjoy preparing these sweet yeast treats themselves. The recipe is a basic sweet dough rolled out into a rectangle, spread with peanut but-

- 2 eggs
- 4 1/2 cups unsifted flour (about)
- 1/4 cup Planters Creamy Peanut Butter
- 3/4 cup peach jam
- 6 tablespoons Fleischmann's Margarine, softened
- Confectioners' sugar frosting
- Scald milk; add sugar, salt and 1/4 cup Fleischmann's Margarine. Cool to lukewarm. Measure warm water into large warm bowl.
- Sprinkle or crumble in Fleischmann's Yeast; stir until dissolved. Add lukewarm milk mixture, eggs and 3 cups of flour. Beat until smooth. Add enough additional flour to form a soft dough. Turn onto lightly floured board. Knead until smooth and elastic, about 10 minutes. Place in a greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Meanwhile, prepare filling. Combine Planters Creamy Peanut Butter, peach jam and remaining 6 tablespoons Fleischmann's Margarine. Beat until smooth. Set aside.

Punch dough down. Turn onto lightly floured board; divide in half. Roll 1/2 the dough to a 12 x 18-inch rectangle. Spread center third of rectangle with 1/2 the peanut butter filling. Fold remaining thirds over center to make a 3-layer strip. Seal edges. Cut into 1 inch strips. Holding ends of each strip, twist tightly in opposite directions. Pinch ends to seal; place on greased baking sheets. Repeat with remaining dough and filling. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour. Bake in moderate oven (375°F.) about 15 minutes or until done. Frost with confectioners' sugar frosting.

PEANUT BUTTER AND JAM TWISTS

Makes 3 dozen

- 1/2 cup milk
- 1/2 cup sugar
- 1 1/2 teaspoons salt
- 1/4 cup (1/2 stick) Fleischmann's Margarine
- 1/2 cup warm water (105°-115°F.)
- 2 packages or cakes Fleischmann's Yeast active dry or compressed

Seniors Recognized In Last Pep Rally

A special treat was in store Friday for the Seniors, for each was recognized in their last high school pep rally. In a way, it made everyone feel sad, but excitement broke through as the yelling began. The mighty, mighty Seniors had already won the Spirit Jug two weeks in a row, and competition was great as each class tried their best to be the owner as a result of the last pep rally. Another treat in our last pep rally was that of crowning a few of our all-school favorites. These were: Personality King and Queen—Tommy Nichols and Jane Cleavinger; Smile King and Queen—Paul Easterwood and Patty Catoe; Courtesy King and Queen—Chuck McKinney and Shari Willis. As an added attraction, the Cheerleaders did a pom-pom routine to Dimmitt High School Song in the last of the 1964-65 pep rallies.

Tom Sawyer Comes To Drama Club

The speech room was the scene of the November 12 meeting of the Drama Club in which the club was presented a skit by the Speech I class. The play was an episode in the life of Tom Sawyer. The title role was played by Tommy Stafford and the cast also included Marcie Johnston, Charles Bruton, Kent Lindsey, Françoise Sturbelle, and Bobby Henderson. Stage hands were Joe Straskulic, Elmer Wear, and Stanley Byrnes.

Strange Customs Of DHS

Ever notice all the little eccentricities around our school? There are so many and they seem so common to us that perhaps we never stop to think and get the full benefit of them.

Aunt Mahitabel

Dear Aunt Mahitabel, There is a boy in my class whom I would like to go with. We have gone together before, but not during our high school years. The problem is that he is shy. How can I hint that I would like to date him I'm open to any suggestions. A New Plusser
 Dear N. Plusser, You can't hint, and it is illegal for a girl to ask a boy for a date. You could have a small cake party and invite him along with a few other couples. Be friendly to him, and you might flash him a smile or two in class. Don't chase him; if pretty soon, he still refuses to emerge from his shyness go on to someone else. Remember an old flame that has become cold through the years isn't as easily as one night wish.
 Aunt Mahitabel

Spotlight Shines On J. G. Davis

In our spotlight this week is Mr. J. G. Davis Jr. Mr. Davis has served on the school board for eight and a half years. Of these eight and a half years, he has served as secretary for two years. J. G. Davis Jr. was born in Snyder, Texas. He is the proud son of Mr. and Mrs. J. G. Davis, Sr. Mr. Davis attended his first year of school in Snyder. The second through tenth grade found him going to school in the Bethel School system, in Bethel Community. Mr. Davis graduated from Dimmitt High School in 1935. Mr. Davis attended Texas Tech for one year. He also attended Lipper Business College in Plainview for one year. Mr. Davis married Miss Aural Shaw of Olton in 1942. The Davises are the parents of three daughters, Keitha, a senior at Tech; Suzie, a freshman at Tech; and Janis, a senior at Dimmitt High School. Mr. Davis has also served as past president of Chamber of Commerce, and is a active associate member of Dimmitt Junior Chamber of Commerce. Mr. Davis is serving as the president of the Castro County Sugar Beet Association and is an active member of the First Methodist Church.

For instance there is the newly inaugurated custom of U and idiots carrying bricks for a week after their Friday night "solo". It may look comical to everyone else but the victim is not laughing while trucking down the hall with his burden.

It is not too popular now, but remember when the football boys had to carry a football all week because they got butter-fingered at the big game? Those must have been the good old days. Then there is the medieval tradition of the lowly Latin plebes begging, on hands and knees, for the mercy of their patrician leaders. A visitor to our school might sense a slight hint of brain damage on the part of a plebe standing on a chair in the lunchroom wailing like a mockingbird.

So, if you ever have the opportunity of observing another school, don't think they are out of their rabid minds; just look where you come from.

Longhorns Stomped By Happy Cowboys

Happy Cowboys rounded up the Hart Longhorns Friday night in a 38-0 victory. Over 500 people sat in Longhorn stadium to see the Cowboys lasso the Longhorns. Happy was held scoreless during the first quarter by the Longhorns. The Cowboys broke loose in the second period and made two touchdowns. Jim McManigal made a 5-yard run for paydirt. David Penn dashed 20 yards for the second Happy touchdown. Gary Colp kicked the extra points. The Longhorns defense went to work in the third quarter and Happy failed to score. In the fourth period, Happy plowed through Hart's defense for four touchdowns. Tom Moudy scored on a 15-yard run, McManigal scored 46 again on a 10-yard dash and Mon bulled one-yard for paydirt. The final Happy touchdown came on a 15-yard run by Joe Johnson. Colp kicked the extra point. Hart's district record is 1-5. Happy finished with a 3-2 district record. The Hart Longhorns drew a bye for this Friday night.

Elder Elected Prexy Of Lambda Chi Alpha

Ronnie Elder, Dimmitt freshman, has been elected president of the pledge class of Lambda Chi Alpha, national social fraternity, at West Texas State University. The son of Mr. T. A. Elder of Dimmitt, Elder is majoring in agriculture at WTSU.

THIS TRIO presented entertainment Saturday night at the Best Beau banquet held in the Dimmitt cafeteria. Members of the singing group are (left to right) Keith Ann Howard, Jane Cleavinger and Kristy Webb.

Arlene Reid Is Active Member Of National Honor Society

On July 16, 1947, the O. O. Reid family was in a state of mass confusion. It was on this day that Georgia Arlene made her grand debut at Midland, Texas. Arlene has been active during her four years at D.H.S. in F.H.A., Latin Club the Bobcat Band, and the Lyre Club. During her Junior year she was admitted to the F.T.A. organization and this year she is a member of National Honor Society. These years have led Arlene to be a member of the All Regional Band, Senior class Secretary, and Latin Club Vice President. Arlene lists Dick Van Dyke as her favorite actor and Doris Day as the most exciting actress. She thinks the Jaguar XKE as the most thrilling car on the road. Her favorite pastimes are eating pizza and listening to records. Texas Tech is top on the college lists for Arlene; this is the college she plans to attend after graduation. What will "Smith" do next year without Arlene driving him nuts?

Dana Wall Is Personality Of The Week At DHS

The funniest thing appeared March 6, 14 years ago. It was named Dana by the parents, Mr. and Mrs. Fred E. Wall. Dana is that cute freshman that you see (if you look closely enough) making merriment in the halls each day. His delightful character is no doubt influenced by his favorite stars, Andy Griffin and Mary Tyler Moore. You wouldn't gather from his disposition that Dana's color is blue. If there is one thing that Dana cannot stand, it's a person who doesn't speak up on the telephone. He will surely forgive you for it, though, if you invite him over for steak. He will hop on his scooter and he over in a minute. He will walk in the door with a stack of Johnny Cash records under his arm singing "Little Honda." To really get on the good side of Dana, an invitation to see "Beach Party" will be sufficient, especially if you take him in a swift little Corvet. Dana has proven to be a very valuable person this year. The school has saved quite a bit on light bills. With Dana brightening up our halls, who needs electricity!

Mikeal Wohlgenuth Plans To Attend Texas Tech College

Seminole, Texas was the scene of a wonderful event in the lives of those involved - Mr. and Mrs. James Wohlgenuth—on June 30, 1947. This was the day that Mikeal entered this busy, busy world. Today, Mikeal's pet theory is all egotistical people are missing the finer things of life. Mikeal enjoys any beef product, including steaks, as a food and he likes to spend his spare time on his hobby-horses. The movie, Robin and the Seven Hoods, has been most hilarious he has seen in a long time; Mary Tyler Moore and Ward Bond are his favorite celebrities. In his spare time, Mikeal likes to run around or listen to the Animals sing I'm Crying. The only thing that seems to attract his attention at this time is a Pontiac, his favorite car.

Teachers Honored With Breakfast

Tuesday morning November 10, the F.T.A. had a breakfast in the Homemaking Department for the high school teachers. This was one of the activities which the F.T.A. will have this year. The planning, and serving of the meal was all done by the F.T.A. members themselves. They served eggs bacon, toast and jelly, juice, milk and coffee. It seems that they forgot the coffee, but that was soon fixed. Those teachers attending the breakfast were: Mr. and Mrs. Carson Smith, Mr. and Mrs. S. T. Newman, Mr. and Mrs. Ralph Smith and Miss Georganne, Mrs. Pat DiCuffa, Miss Bernice Littlepage, Miss Betty Griffing, Mrs. Gady Leeth, J. D. Covington, Bill Culpepper, and Kenneth Cleveland. All of the teachers enjoyed it very much and they commented on how nice everything was. They really appreciated all that the F.T.A. has done for them.

New Faces

This week's new face belongs to Johnny Tays, one of our sophomore boys. He is the son of Mr. and Mrs. James Esparyo, and transferred from John T. Kennedy High School in San Antonio. When asked about his favorite subject, he couldn't decide between math and science, and said that track was his favorite sport. When reading, he prefers The Count of Monte Christo He can always be seen at the local theater if Burt Lancaster or Annette Funicello is starring or if the movie happens to be West Side Story. If he is found listening to the radio he is most likely to perk up his ears at the sound of Ricky Nelson or the song "My Lonely." He confessed that he'd always take a piece of cake, especially if it has red icing. His hobbies include reading and, like all other boys, cars. After graduation he plans to join the Marine Corps. His comment on DHS: "A.O.K."

NEWS FROM SUNNYSIDE

Janice Blackburn was home from Hardin-Simmons in Abilene last week-end.

Mr. and Mrs. Carl Baker of Plainview and Mrs. Pearl Sadler of Dimmitt were dinner guests last Sunday of Mrs. E. R. Sadler and Mr. and Mrs. M. H. Fowlkes. Mr. and Mrs. Earl Harrison of Dimmitt visited with them in the afternoon.

Houston Carson and Ray Joe Riley served on the Petit jury at Dimmitt Monday and Tuesday. Milburn Haydon and Mrs. Roy Phelan were called for jury duty but did not have to serve.

Roy Phelan received painful injuries to his left hand Monday when he caught it in a belt on the cotton stripper.

Mr. Milton Ott was admitted to Methodist Hospital in Lubbock Tuesday morning. He was improving Sunday. Mrs. Ott has spent the days with him and the nights with Mrs. Milburn Haydon and Mrs. Alton Loudder. Mr. and Mrs. Howard Bridges left Tuesday morning for Weatherford.

Mr. and Mrs. Rex Jenkins left Tuesday for Lake Thomas for a few days vacation.

Mrs. E. R. Sadler and Mrs. E. Ezell Sadler visited in Tulia Tuesday afternoon with Mr. and Mrs. Ed Crawford.

Mrs. Lowell Westmoreland and children of Littlefield visited Tuesday with Mr. and Mrs. Alton Loudder.

20 attended the Spanish Story hour at the church Tuesday afternoon.

Mr. and Mrs. M. H. Fowlkes and Mrs. E. R. Sadler were guests of Mr. and Mrs. Hershel Wilson and children Tuesday night for coffee and cake.

Mrs. Ollie Boyet of Ralls arrived last Wednesday to visit with her son, Mr. and Mrs. Troy Jones and Mrs. Wanda Newberry and James.

The Brotherhood met Tuesday night for their monthly meeting with the president Houston Carson in charge and Roy Phelan in charge of the program. Seven men attended.

The foundation was run Wednesday for the new home of Mr. and Mrs. Johnnie B. Lilley near the house they now occupy.

The WMS night circle met for the general Missionary program Wednesday night. The day circle met for the same program Thursday afternoon. Mrs. Troy Bleckburn presided. Mrs. L. B. Bowden had charge of the program.

Mrs. Ed Townsend was admitted to the Littlefield Hospital Thursday with a bronchial infection.

Mr. and Mrs. M. H. Fowlkes and Mrs. E. R. Sadler were dinner guests of Mrs. Pearl Sadler in Dimmitt Thursday. They went to Silvertown Thursday afternoon to visit with Mrs. Buna Gerlach's daughter. Mrs. Gerlach of Memphis came home with them.

Mr. and Mrs. Earl Phelan went to Cactus Thursday to visit with Rev. and Mrs. Murie Rogers and Butch and to take care of some business the rest of the week.

Mr. and Mrs. Eldon Uphurch and family of Victoria, Texas were dinner guests Thursday of his sister, Mr. and Mrs. Doug Loudder and Lyle.

Mr. and Mrs. Robert Duke and family, Mr. and Mrs. Alton Loudder, Mr. and Mrs. L. B. Bowden and Mrs. Ezell Sadler attended the Grand Ole Opera show in Lubbock Thursday night.

Mrs. E. R. Sadler, Mrs. Buna Gerlach, and Mr. and Mrs. M. H. Fowlkes left Friday to spend the week-end in Albuquerque with Max Wolf and his family. He recently underwent major surgery. He is Mrs. Fowlkes' and Mrs. Gerlach's brother-in-law.

Mr. Eldon Lilley and Mr. Dave Patterson of Summerfield left Saturday morning on a hunting trip to the Mason, Junction area. Mrs. Patterson and children stayed with Mrs. Lilley and Twila.

Mr. and Mrs. Clyde Akers and Kenny of Lubbock spent Saturday, Saturday night and Sunday with Mr. and Mrs. John Spencer.

Mrs. Alton Loudder spent the day Saturday with Mr. and Mrs. Lowell Westmoreland and children in Littlefield.

Mrs. Weldon Bradley, Mrs. Houston Carson, Mrs. Robert Duke and

evening to spend the week-end with Mr. and Mrs. Leslie Loudder and family. He is Mrs. Loudder's brother.

Mrs. Charles Hedrick spent several days this week visiting in Olton with the son of Mr. and Mrs. Benny Doggett who has been quite ill, and his family.

Mrs. Vernon Scott and boys of Farwell spent Friday and Saturday night with Mr. and Mrs. Weldon Bradley, Molly and Lee.

Mrs. E. R. Sadler, Mrs. Buna Gerlach, and Mr. and Mrs. M. H. Fowlkes left Friday to spend the week-end in Albuquerque with Max Wolf and his family. He recently underwent major surgery. He is Mrs. Fowlkes' and Mrs. Gerlach's brother-in-law.

Mr. Eldon Lilley and Mr. Dave Patterson of Summerfield left Saturday morning on a hunting trip to the Mason, Junction area. Mrs. Patterson and children stayed with Mrs. Lilley and Twila.

Mr. and Mrs. Clyde Akers and Kenny of Lubbock spent Saturday, Saturday night and Sunday with Mr. and Mrs. John Spencer.

Mrs. Alton Loudder spent the day Saturday with Mr. and Mrs. Lowell Westmoreland and children in Littlefield.

Mrs. Weldon Bradley, Mrs. Houston Carson, Mrs. Robert Duke and

Mr. and Mrs. Jimmy Gray were among those attending the Dimmitt Schools open house Tuesday night.

Mr. and Mrs. Ira Dent of Olustee, Oklahoma spent Wednesday night with Mrs. Weldon Bradley, Molly and Lee. Mrs. Alford Gibbs and Mrs. Odus Hastings of Dimmitt visited with them Wednesday night. Mr. Dent is an uncle.

Rev. and Mrs. Tom Reynolds and children were supper guests of Rev. and Mrs. M. D. Durham Saturday night.

Mr. and Mrs. M. H. Fowlkes and Mrs. E. R. Sadler were dinner guests of Mr. and Mrs. Kent Birdwell in Dimmitt Monday night. They also visited in Littlefield last Saturday with Mrs. Jim Fowlkes and her daughter who is ill.

Mr. and Mrs. A. J. Baker of Clovis were dinner guests Wednesday of Mr. and Mrs. M. H. Fowlkes and Mrs. E. R. Sadler.

Mr. and Mrs. Tom Messer and children of Midland visited over the week-end with Mrs. Alton Loudder and with his parents in Earth. They and Mr. and Mrs. Dwayne Loudder and boys of Flagg were Sunday dinner guests of Mr. and Mrs. Lowell Westmoreland and children of Littlefield visited with them in the afternoon.

The Sunnyside Grocery store was broken into and robbed of \$300.00 cash and over \$100.00 in jewelry, cigarettes, clothes, and a rifle Saturday night. No arrests had been made Sunday.

Mrs. Ollie Boyet was admitted to Plains Memorial hospital in Dimmitt Sunday morning for a

Grain Sorghum Chat

by Wes Anthony

After having consulted with business executives, agricultural agencies and many local farmers, I have come up with the following figures that I think will be of interest to all of us.

Please remember that these figures are only estimates and are not complete in that there are a number of commodities that have

knee injury she received in a fall in the home of her son, Mr. Troy Jones Sunday morning.

Mrs. Pearl Sadler of Dimmitt and Mrs. Ezell Sadler visited in the Howard Cummings home Sunday afternoon.

Mr. Ben Loudder of Canyon and Mr. Bob Loudder of Happy visited with Mr. and Mrs. W. E. Loudder Sunday afternoon.

Mr. and Mrs. Charles Hedrick and boys were supper guests of Mr. and Mrs. Kenneth Fuller in Dimmitt Saturday night.

Mr. Floyd Ivey and Mokey left Sunday morning for Kerville for a hunting trip on the Y.O. ranch. This is the third time they have hunted there this year. The ranch has special sessions during the year. They also hunted in Colorado last month for a week bringing home three elk. Mrs. Ivey and

them on this trip to Colorado the Eddie Waggoner accompanied to this trip to Colorado the first week of the season there.

Mrs. Floyd Ivey visited in Amarillo Sunday with her sister, Mr. and Mrs. E. W. Barnard.

Greg Gamblin, grandson of Mr. and Mrs. Eulless Waggoner, escaped without injury in a car accident with his grandparents, Mr. and Mrs. C. P. Gamblin of Dimmitt in Levelland Sunday night. Mr. Gamblin received minor cuts and Mrs. Gamblin was hospitalized with a neck injury. Cammie Gamblin of Dimmitt spent Sunday night and Monday with Mr. and Mrs. Eulless Waggoner while her parents Mr. and Mrs. Larry Gamblin were in Levelland. Occupants of the other car involved also suffered injuries.

77 attended Sunday School with 40 in Training Union, Sunday.

Near one inch of rain with quite a bit of small hail was received Sunday night.

not been included. I have tried to be conservative (maybe too conservative). Anyhow here are the figures for estimate for our present year, 1964.

There was planted this year: 86,250 acres of wheat estimated yield 35 bushels at 1.75 per bushel—\$5,282,512.

164, 823 acres of maize estimated yield 4,500 lb. at \$1.86 per cwt. \$13,795,685.

57,551.6 acres cotton estimated yield 70,000 bales at avg. 26 cents—\$8,100,000.

6,521.2 acres beets—20 tons per acre at \$12 per ton—\$1,625,808.

Estimated gross income for vegetables other than beets—\$2,000,000. 3,000 acres soy beans avg. 30 bu. at \$2.40 per bu.—\$216,000.

6,000 acres castor beans estimated at \$90 per acre—\$540,000. 12,000 hogs estimated at \$20 per head—\$240,000.

30,000 cattle—\$120 per head—\$3,600,000. Estimated 3,500 lambs at \$18 per head—\$63,000.

1,978 acres corn planted mostly used for ensilage, estimated value \$100 per acre—\$197,800.

1,000 acres oats avg. 50 bu. at 67 cents per bu.—\$33,500. 5,581 acres barley estimated yield 31 bu. at 90 cents—\$155,710. Estimated 5,500,000 lbs. milk at \$4.10 per cwt.—\$225,000.

100,000 dozen eggs at 34.4 cents per dozen—\$34,400. Total income in Castro County was \$37,107,265.

Of course, there are other commodities not estimated. Let us remember it isn't what we make that counts, but it is what we save that counts.

Cotton Harvest Gains Momentum

Quality of the cotton classed at the three South Plains Classing Offices of the U.S. Department of Agriculture declined slightly the past week, according to W. K. Palmer, in charge of the Lubbock office.

The rains of October 24th slowed harvesting operations the early part of the week. However, sample receipts increased sharply on Thursday and are now running about 9,000 daily at the three offices.

The three U.S.D.A. classing offices at Lubbock, Brownfield and Lamesa classed 37,300 samples during the week ending Friday, October 30th. This brings the season's total for the three offices to 99,100. At this date last year the three offices had classed 137,600 samples.

During the same week, two-thirds of all cotton classed at the Lubbock Classing Office were in the White grades with 51 per cent of all cotton classed bring Middling or better. During the previous week 55 per cent of the cotton classed was Middling or better. One-third of the cotton classed was in the Light Spotted category with Middling Light Spotted making up 24 per cent of the total classed.

Average staple length continued to decline the past week. The average staple length last week was 30.4 thirty seconds of an inch compared with 30.6 thirty seconds of an inch one week earlier. During the past week 45 per cent of all cotton classed at the Lubbock of-

fice was 31-32 and longer. The previous week 51 per cent classed was 31-32 and longer.

Micronaire readings continued to decline slightly but were still very good. Ninety per cent of all cotton "milled" in the Lubbock office was in the desirable category of 3.5 and better.

The U.S.D.A.'s Agricultural Marketing Service reported continued increased trading in new crop cotton. Prices for White grades ranged from CCC loan levels to 45 points over the loan. Light Spotted grades were still in greatest demand and were bringing from 20 to 110 points over CCC loan rates.

Prices quoted in the Lubbock market for the most predominant qualities were 28.75 for Middling 15-16, 29.35 for Middling 31-32 and 30.25 for Middling 1-inch, 27.65 for Strict Low Middling 15-16, 28.10 for Strict Low Middling 31-32 and 28.70 for Strict Low Middling 1-inch. In the light spotted qualities Middling Light Spotted 15-16 was quoted at 27.85, Middling Light Spotted 31-32 at 28.30 and Middling Light Spotted 1-inch at 28.85. Prices to farmers for cottonseed ranged from \$45 to \$50 per ton.

(THE) COOK WITH A LOOK...

THE LOOK OF ELECTRIC COOKING

Exciting Offer
Your Recommended Reddy Kilowatt Dealer has a free electric sweeper for every Public Service Company residential customer who buys an electric range now. Better see him about it!

Electric cooks always seem to have that look of a good cook — self-confident, sure, creative... unquestionably it's because they have confidence in their electric ranges. They know that electricity is the utmost in accuracy so when they set a dial or turn a switch they KNOW the results will be good — every time... no guesswork but still plenty of room for cooking creativity. Or, to put it another way, women just plain like electric cooking!

SOUTHWESTERN PUBLIC SERVICE COMPANY
The ELECTRIC Company

International Harvester's Four Millionth Tractor Sets Production Record

A new tractor production record was established recently when the four millionth tractor produced by International Harvester Company rolled off the production line. The only manufacturer in the world to accomplish this feat, IH produced its first tractor in 1906. Interestingly, it wasn't even known as a tractor then, but was identified as a "gasoline traction engine" later shortened to "tractor," according to Charlie and Jim Hays,

Hays Implement Co. Total production that first year was 14 units, Hays' said. By comparison, the production of four million International Harvester tractors since that time averages to more than 67,000 units per year. While the vast majority of these tractors have been produced at four plants in the United States, International Harvester also produces tractors in Australia, Canada, France, Germany, Great Britain and the Philippines.

Texas F-M Roads To Be Resoled

The Texas Highway Commission today acted to protect the investment of Texas taxpayers in their 37,000-mile Farm and Ranch to Market Road system by approving \$18,090,200 for betterment in 1965.

A total of 3,305 miles of these all-weather roads will be improved under the 1965 Farm to Market Road Improvement Program to be executed in coming months by the Texas Highway Department.

Commission Chairman Herbert C. Petry, Jr. said traffic increase and heavier loads, coupled with the age of many of the rural roads in Texas, are big factors in the need for periodic "resoling" of many F-M roads.

Under the budget approved today, 353 F-M miles will be reconstructed with new grading, structures and surfacing; 338 miles will be widened, reconditioned and resurfaced 679 miles will receive additional surfacing, and seal coat improvements will be made on 1,124 miles.

Extensive bridge widening and shoulder improvement work is also included in the list of improvements scheduled for Farm to Market Roads under the 1965 program, Petry said.

Today's improvement budget was in addition to a \$23 million Farm to Market Road construction budget approved by the Commission in May for new F-M road construction. The Highway Department will spend about 22 million next year for routine maintenance—in addition to extensive betterment covered in today's action—on the F-M system.

Of the total completed F-M Road system in Texas, 33,560 miles are rural and 1,085 miles are within city limits. An additional 2,469 miles are under construction at this time or financed for construction in coming months.

Since 1948 the Texas Farm to Market Road system has grown from 3,060 miles to the designated system of about 37,000 miles today. An ultimate F-M system of 50,000 miles is envisioned for Texas by the Highway Commission

International attention came to Austin as Pres. Lyndon B. Johnson carried on the nation's business while resting from his campaign.

President-elect Gustavo Diaz Ordaz of Mexico flew in for informal discussions at the LBJ Ranch. President and Mrs. Johnson arranged a barbecue in appreciation of the strong support given his candidacy by Americans of Mexican ancestry.

Latin-American leaders from New Mexico, California, Kansas, Oklahoma and Louisiana are invited to the affair. Heaviest representation came from the cities of South Texas where huge LBJ majorities were rolled up.

Top business leaders from Houston, Dallas, San Antonio and Los Angeles also were on the select list of guests. All were entertained by Milton Berle, Eddie Fisher and Gene Autry. Also by Clint Harlow's sheep-dog troupe and a bevy of Mexican musicians and singers.

There was talk of a possible change in a cabinet post vital to Texas—that of secretary of agriculture.

If Orville Freeman should be named senator from Minnesota to replace Vice President-elect Hubert Humphrey, Johnson may choose a secretary from Texas. Among those considered to be on the list are Dolph Briscoe Jr., Uvalde rancher, and Sterling C. Evans, Houston farmer and rancher who leads the Texas A & M University board of directors.

LATE INAUGURAL— Gov. John Connally may have a late inauguration.

Ceremonies likely will be postponed from January 19, when he normally would take oath of office to January 26.

Postponement, ramrodded by the State Democratic Executive Committee, is aimed at helping Texans arrange their schedules so they can attend inauguration ceremonies for both President Johnson and Governor Connally.

Presidential inauguration is fixed at January 20 and thousands of Texans plan to attend. Many prominent political figures would have to pass up Connally's swearing in to reach Washington on time for Johnson's ceremonies.

Besides, the President wants Governor and Mrs. Connally there. SDEC will call on members of the Legislature to co-sponsor a joint resolution to postpone the governor's inauguration.

If a majority of lawmakers sign, the Texas inaugural committee will go ahead with its plan to push back Connally's swearing-in date. A vote of the Legislature would make the change official after lawmakers convene here on January 12.

Texas constitution provides that the governor shall be installed on the first Tuesday after organization of the Legislature, "or as soon thereafter as practicable."

COURTS SPEAK— Supreme Court agreed that, to protect the public, the State Department of Public Safety has full authority to suspend driver licenses of motorists found to be habitual traffic violators.

High court declared moot a Starr County Republican candidate's suit to void 650 poll tax receipts in the stormy South Texas county. The GOP office-seeker claimed the poll taxes were neither paid for nor requested by their holders.

A November 25 hearing was set by the Supreme Court on a suit by Trinity River Authority to force the state attorney general to approve a \$42,000,000 bond sale to finance construction of Livingston Dam. Houston voters approved the issue 4-1.

Court of Criminal Appeals ordered new trials in San Antonio and Houston murder convictions in line with a U. S. Supreme Court mandate. Its opinion suggested new guidelines for passing on admissibility of confessions. Trial judges now must hold special hearings where a question exists as to whether a confession was voluntary. They may exclude confessions from a trial or withdraw them from jury consideration if they find that all evidence tends to indicate the confession was not voluntary.

An Austin district court denied an injunction sought by House of Tobacco Inc. of Houston to get back its state permit to distribute cigarettes. Comptroller Robert S. Calvert cancelled the permit after the firm's operator was charged with cigarette tax irregularities.

SLANT-WELL SUITS— Filing of two civil penalty suits in the 53rd District Court in Austin, for alleged slant-well activity, were made by Atty. Gen Waggoner Carr.

First to be filed against were J. C. Stroud and W. V. Stroud, both of Rusk County, and G.M. Jordan of Kilgore. Suit involves one well in Rusk County.

Named as defendants in the second suit were the Strouds and M. M. Harding of Kilgore. Second suit involves two wells in Rusk County.

AG OPINIONS— Attorney General Carr ruled that it would be legal for a commission-

ers court to buy a helicopter for the county sheriff, if there is enough money in the right funds.

He held that a sheriff may buy any equipment he needs to do his work, but it is up to the commissioners court to decide whether a helicopter comes under "reasonable" expenses.

Carr also determined that, under a treaty clause, a Mexican consul stationed in Texas and bringing in liquor for use by consular officials, is not bound by the liquor import restrictions (quart per person) applying to Texas citizens.

He concluded that the State Park and Wildlife Commission has the right to prohibit deer hunting on state-owned dry river beds of Dimmitt, Uvalde, and Zavala counties.

CONNALLY FIRST— Governor Connally was the first Texan to participate in the 1964 Census of Agriculture of the U.S. Department of Commerce. He filled out a census form concerning his ranch operation near Floresville.

Agricultural resources census has been taken every five years since 1840. Data is confidential and can be used only for statistical purposes.

VALLEY MENTAL FACILITY—

States Hospital Board was informed that a new inpatient mental treatment facility, for the Lower Rio Grande Valley, will be provided in the near future.

Dr. C. J. Ruhlmann, director of mental health and hospitals, said such a service is under consideration. It is to be patterned after the local-participation "contract care" recently made available in Beaumont, El Paso and Lubbock.

Board members accepted a \$225,000 grant by the Moody Foundation of Galveston to construct a regional diagnostic center for mentally retarded children at new Richmond State School. Center was acclaimed by Board Chairman Howard T. Tellepsen as a "major breakthrough in cooperation between state and private agencies to combat mental retardation."

BANK HEARINGS SET—

State Banking Board set hearing for November 24 on applications for charters by the proposed Northline State and Western State banks in Houston, the Jacinto City Bank at Jacinto City and the Conroe Bank and Trust Company in Conroe.

November 25 hearings were set for the proposed Mercantile Bank and the Stella Link State Bank in Houston.

VET LAND LIST LIMITED— Veterans' Land Board voted that no more names be accepted on its waiting list since funds will not be available to purchase land for veterans not already on the list.

Land Commissioner Jerry Sadler stated that more than 35,000 Veteran purchasers will have bought land through the program when it ends in December, 1965. Those already on the list can expect to be reached before the program ends.

CARR TO WASHINGTON—

Attorney General Carr made the latest in a series of appearances before the U. S. Supreme Court in Washington, D. C., this week when he argued for the State of Texas in the hearing on John William Stanford Jr. versus the State.

Stanford is the San Antonian who was ordered last December by the Subversive Activities Control Board in Washington to register as a Communist. He is appealing that order in another court.

Appeal Carr is working on involves Stanford's protest that State officials illegally searched his house and took some 2,000 items, including personal effects, without lawful cause.

Stanford is being defended by attorneys for the American Civil Liberties Union.

HUNTING SEASON HINTS—

Parks and Wildlife Department has prepared a new hunting digest. It includes a Texas hunting map which shows where to hunt and when. The digest, available at most places where hunting licenses are issued, also is available, free, by writing the department in Austin.

Parks and Wildlife Department is advising hunters to fill out their deer tags carefully and attach securely to the deer killed.

SHORT SNORTS

Highway Commission chairman Herb C. Petry Jr. told the 800-plus delegates to the Texas Public Employees Association convention in Austin that they have 10-million bosses—namely all the citizens of Texas—State Selective Service Director Col. Morris S. Schwartz announced that the state draft quota for December is only 280, compared to 307 in November—State's General Revenue Fund still is only 280, compared to 30 in November—State's General Revenue Fund still is \$22,400,000 in the black—State Board of Education voted 14-6 place the protested biology textbooks on the list from which local districts can choose texts—State Savings and Loan Commissioner James O. Gerst turned down application for a new savings and loan association at DeSoto in Dallas County.

BOBCATS Steve Hutton (19), Don Moore (82) and Tony Young (11) tackle Olton ball carrier Joe Priest. Also shown is Danny Land (30). Olton won the ball game 19-0. See story. —Staff Photo

DIMMITT BOBCATS FALL 19-0 TO OLTON MUSTANGS, FRIDAY

Dimmitt Bobcats closed out their 1964 football season Friday night against the Olton Mustangs. The game was hard fought with a more experienced and faster team from Olton controlling the first half and hanging on the second half to win 19-0.

Olton did their scoring in the first and second quarters. After returning the kick-off to their 36 yard line the Mustangs moved the ball with the passing of Joe Priest and the running of Jerry Hall down to Dimmitt's 27 where the Bobcats held and took over.

The Bobcats moved the ball back to midfield but were stopped when a third down pass from Steve Hutton to Tony Young was knocked down. Ronnie Kenmore's punt was killed on Olton's 17 yard line and Olton started their first successful drive.

Jerry Hall picked up most of the yardage in the 83 yard scoring drive but it took a fourth down pass from Priest to Allen to get the ball into the end zone.

The Bobcats held Olton on their own 7 yard line for three plays when Priest dropped back to pass on the fourth down. He was rushed hard and almost tackled twice before he broke loose and threw the scoring pass. The extra point try was good.

Steve Hutton returned the kick-off behind good blocking to Olton's 48. The Bobcats picked up a first down but could not move into a scoring position and had to give the ball over to Olton on the 32 yard line.

Olton, showing the form and speed that was supposed to have won district for them, moved the ball continually downfield and scored on a 9 yard power play with Castello carrying it across the goal line. Muriel Bussey of the Bobcats broke through on the extra point and blocked it.

Frank Aleman took the kick-off back to the Dimmitt 28. Steve Hutton, running the option play Bradley and Minchew, moved the ball down to the Olton 17 yard line. The Mustangs held for three downs and on a fourth down pass play Hutton was rushed hard and got off a low pass that was scooped up by Jerry Hall of the Mustangs and he outran the Bobcats for 84 yards and the final score.

The extra point try was blocked by a host of the Bobcat line rushing through.

The last touchdown was made with 23 seconds left on the clock in the first half and time ran out before the Bobcats could get the ball moving.

The second half was a different ball game. The Bobcat defense continually broke through to stop the Mustang drives and Priest was able to complete only short quick passes before he was rushed under by the Dimmitt forward wall led by Muriel Bussey, Mike Bruegel, Jack Flynt and Don Minchew.

The Bobcats could move the ball much better during the second half but could not break loose for the score. Bernard Bossett and Anthony Mays led the offensive attack with good blocking from Dickie Dyer, Gene Carson, Stanley Byrnes and Dan Petty but Olton's speed kept the holes closed up enough to prevent any scoring.

The official statistics showed Olton had 19 points, 17 first downs and four penetrations. Dimmitt had no score, 14 first downs and two penetrations.

"Olton played the kind of ball that should have won district for them this year," comments Coach J. D. Covington.

"It was their best effort in any of the games we have seen them play," he commented.

"They have a good ball club, probably the best when they want to be, and they wanted to be against us."

Covington says, "We played hard ball. Olton completely changed their offense and defense and when we were able to adjust to it at the half we did a much better job."

He continued, "I feel like each player tried as hard as they could and it was just a case of Olton having a bigger and better team."

Swiftettes Lose To Springlake

Nazareth played Springlake Tuesday night, November 10 as basketball season stars for the Swiftettes.

Nazareth held a lead until the last two minutes of the game when Springlake forged ahead to win 42-31.

Nazareth threw the ball away eight times during the last two minutes according Coach Irbeck. Scoring during the first period was 8-8 Nazareth jumped into a 11 point lead during the second quarter. She Swiftettes maintained a three point lead during the third period.

The Swiftettes only made three points during the fourth period while Springlake sank 17 points during the final period.

Magaline Birkenfeld did an outstanding job on offense. She was high point player with 21 points. She also did a commendable job on defense.

High point girls for Springlake were Beth Dent and Anita O'Hair with 12 points each.

Nazareth sank 5 out of 12 free throws for a good 42 per cent. Springlake made 8 out of 20 free throws. Nazareth tallied 13 field goals and Springlake racked up 17 field goals.

The Swiftettes did not see action Friday night. Their record is 0-2 Nazareth lost both games to Springlake.

Hearts And Hunting Discussed

With the hunting season in the air, nimrods from the Long Star State have their eyes on the hunting trail, their spare time devoted to checking guns, clothing and camping gear, and, in ever larger numbers, according to the Texas Heart Association, their names firmly listed in their doctor's appointment books.

Gone are the days when "verboten" was the word for hunting enthusiasts with heart disease, though in many states more hunting deaths still result from heart attacks than from gunshot wounds. The hunters who become headlines are often those who haven't had a physical examination in years—nor a regular routine of physical exercise, either.

But with more and more states adding a list of health do's and don'ts to their hunting and fishing mailings, hunters are adding the medical check-up to their pre-trip planning. The biggest game, it seems, is in the healthy return, and your doctor is the one who can help you decide which stresses you can take and which to avoid.

But with more and more states adding a list of health do's and don'ts to their hunting and fishing mailings, hunters are adding the medical check-up to their pre-trip planning. The biggest game, it seems, is in the healthy return, and your doctor is the one who can help you decide which stresses you can take and which to avoid.

Schedule your appointment for several weeks before you plan to go. The Texas Heart Association says, and know the answers to these questions before you get to the doctor's desk:

How cold will it get at night and how hot in the midday sun? How far will you hike through the underbrush and marshes, how long the uphill climb, how high to altitude you're heading for? These are some of the factors your doc-

tor will want to take into account. Starting with the physical check-up, the Texas Heart Association offer valuable tips for all hunters:

Condition yourself for any unusual physical exertion, with an increasing schedule of exercise in preparation for D-Day;

Choose lightweight but warm clothing, to lighten the load on your heart;

Know simple first-aid rules; Be moderate in eating and drinking, and remember that drinking mixes with neither driving nor hunting.

Some added tips especially for hunters with a heart condition: Never hunt alone.

Tell at least one member of your party about your condition, what medicine you take how the medicine is given, and in which pocket you carry it. Keep the medication instructions clearly typed or printed on the container.

Get a good rest - preferably a full night's sleep—before you set out to hunt.

Go a few days early when the hunting area is at high altitude than you're used to. This will permit your heart to adjust before you add the active strains and tensions of the hunt itself.

Rest along the way as often and as long as necessary—before you get too "bushed"; take your stand near camp and let the others flush. Bringing the deer back after the kill is hard work. Sensible hunters share this burdensome chore—heart patients never touch it!

Hunting can be one of life's great adventures, but hunters who are out of practice as outdoor men can push too hard, too fast, too far. If you take as good care of your body as you do of your gun, you can continue to enjoy hunting seasons for many years to come.

Excellent Fire Starter

To make an easy starter for a campfire, soak a charcoal briquet in turpentine and wrap in aluminum foil. It burns hot and lasts a long time.

Storing Minnow Seines

Use old newspapers to keep your minnow seine from rotting while in storage.

Carefully but loosely wrap the seine in an old newspaper. Paper will draw the moisture. Mildew then never has a chance to attack the net fibers.

CHRISTMAS SEAL FAMILY AND GOVERNOR—The C. S. Boatrights—Charles and Mary Jane, DeAnne and Dan, of Austin—met in Governor John Connally's reception room November 6, with a group of thirteen other families from across Texas. They watched the governor sign a proclamation of Christmas Seal Days in Texas. All the families had one thing in common—they had each experienced tuberculosis. Their purpose in meeting was to thank the governor for his efforts at bettering TB control in the state, and to watch him sign the proclamation. The Boatrights have been designated the 1964 Christmas Seal Family by the Texas Tuberculosis Association.

Walter Rogers' WASHINGTON NEWSLETTER

POLITICAL CROSSROAD

The 89th Congress convening in the early days of January, 1965 will face many problems. Some will be national, some will be international, some will involve local domestic matters. One of the most important from a domestic standpoint, in my opinion, will be some affirmative action to bring the people the truth, the whole truth, and nothing but the truth on issues and matters concerning the political life of this nation.

The recent election should have brought into clear focus in the minds of all honest, fair-minded Americans that attempts were made to mislead and misguide the average citizen. This was done by misrepresentation, misstatement, distortions of fact, innuendoes, un-

founded insinuation, deliberate falsehoods, and malicious lies. In many instances it was being done by groups or organizations engaged in the business of peddling hate for dollar bills. Some of these supposed organizations were nothing more than one individual or small group organizations plagiarizing statistics gathered by legitimate organizations, distorting these statistics and facts, and selling them at a profit to hate-oriented and misguided individuals. In many instances these same individuals were called upon for substantial contributions which were received with glee and laughter by the literary con men spreading their propaganda.

Many of the candidates in the recent election resorted to these same tactics of misrepresentation, misstatement, falsehoods and lies in an effort to gain public office and public trust. Some were undoubtedly successful, but a large majority were not, for which the country can be thankful.

The question is, what can be done about it? On the national level, in the national Congress, something can be done about it, be-

cause the House of Representatives can determine the qualifications of its own members. It can investigate the activities of the election and can refuse to seat a person pursuing such tactics. In my opinion the Congress of the United States should establish an effective and active Fair Campaign Committee with proper authority to stop this cancerous growth which is eating at the vitals of the political body. This should be done before it is too late.

I expect to propose a procedure and provide further for the full disclosure to the public of all facts and the truth associated with particular activities. Another method should also be provided with which to attack this problem. I refer to effective Federal libel laws, which will be difficult to write but which can be written. These laws should deal not only with the problem of civil libel but should also provide strong penalties from a criminal standpoint.

The recent decisions of the Supreme Court would indicate that when a man presents himself for public office he becomes a prime target for any kind of malicious slander or libel that anyone wants to hurl at him, the basis being that when he announces for public office he opens himself for any kind of vilification, unfair criticism slander and libel that anyone wants to direct his way. This should not be the law and in my opinion is not the law as intended by the founders of this nation. Every individual should be responsible for his actions regardless of who they are directed at or why. Unless this responsibility is the same with regard to a person in politics as it is with a person who does not desire to seek public office, it will soon be impossible to acquire the services of any honest, law-abiding, God-fearing, educated person to accept public trust for fear of personal character assassination or injury that might be done his family and loved ones.

Plans Announced For Taking Census Of Agriculture

Plans for taking the 1964 Census of Agriculture in Castro County were announced today by Mrs. Faye Hall, 810 W. Andrews, newly-appointed census crew leader for the county.

The job will be done in three stages, the crew leader said. First will come recruitment and training of enumerators to count all farms in the county. About one enumerator for each 150 farms will be needed.

Shortly after November 19, the Bureau of the Census, an agency of the U.S. Department of Commerce, will start the second stage by mailing agricultural census questionnaires to all rural boxholders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions.

In the final stage, enumerators will visit each farm in the county to collect the questionnaires. At the time of this visit, the enumerators will help farmers complete answers to any questions the farmers may have had difficulty with. Enumerator visits are scheduled to begin in this county on November 23. Enumerators will take about three weeks to complete their work, the crew leader estimates.

The Census of Agriculture is taken every five years in the years ending in "4" and "9" together up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U.S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

Names change

for lots of good reasons

For years now our many friend have known our Company as Easter & Paetzold Fertilizer Service. We're grateful that growing numbers of fertilizer users in this area have come to rely on this name for top-quality products and reliable supply.

Not long ago, we took a major step that enables us to provide additional services and a wider range of modern crop production materials. We joined forces with Mid-America's most respected producer of fertilizer and agricultural chemicals — the Spencer Chemical Division of Gulf Oil Corporation.

Now that we're part of the Spencer family we've taken the name, too. We want to be sure our customers know we have the support of Spencer's resources. This means an assured supply of nitrogen fertilizers even in the peak rush season ... a wider selection of new high-analysis, water soluble mixed fertilizer ... expanded facilities for blending fertilizer grades tailored to the soils in our area ... a broad new line of Spencer brand weed and insect killers and the very latest know-how to help get the maximum profit from the use of our products.

From now on when you think of Easter & Paetzold Fertilizer Service, we hope you'll come to recognize our new Spencer name as a symbol of the most complete fertilizer and pesticide service in this area.

So — Don't just fertilize ... Spencerize!

Easter & Paetzold Fertilizer Service

is now

Spencer Chemical Division Gulf Oil Corporation

MEN! TEST YOUR WILL POWER

Strongest, quietest Fords ever! Above, '65 Ford Galaxie 500 Hardtop.

IF YOU CAN TEST-DRIVE THIS '65 FORD AND STILL SAY NO ... BROTHER—YOU HAVE WILL POWER! (OR ELSE YOU WORK FOR GM!)

Twist the new key (fits either way). Step on the new gas pedal (adjusts to your foot). Roll down the new curved side glass. Surge away behind America's biggest new Six (you'd swear it's a V-8). Good-bye will power! You ride in luxurious silence. Ford's new body and new frame "tune out" noise and road shock. Come drive the most changed Ford in 15 years!

'65...best year yet to buy from your Ford Dealer
