

CLEAN UP DAY IN CANYON ON FRIDAY, APR. 28

MRS. T. V. REEVES LEADER AT
LUNCHEON NEXT TUESDAY

Civic Improvement League Wants to
Put Canyon in Best of Condition
For the Spring Time.

The Civic Improvement League will have charge of the luncheon at the Ideal Cafe next Tuesday, with Mrs. T. V. Reeves leading.

It is now time for the spring clean up in Canyon. Governor Neff and the members of the Board of Regents will be here May first. Canyon wants to look as clean as possible, and to that end, all citizens of Canyon are asked to clean up; burn the waste paper; pile up the tin cans and other things that will not burn so they may be hauled away; burn everything that may be burned.

More definite announcement of the organization for clean up day will be given at the luncheon next Tuesday. Members of the Civic Improvement League and of the Commercial League will meet in joint session at the luncheon.

Mrs. C. R. Burrow, president of the Civic Improvement League has appointed the following men who will oversee cleaning up the various sections of the town.

R. McGee and Dr. Black will look after territory north of the railroad and to the west of the center of the court house; H. C. Roffey and W. J. Hinkle, the territory to the east to the highway.

Between Canyon and Cedar streets—west, Jim Hood, J. P. Hicks, W. A. Jennings; East, C. M. Ackerman, I. C. Jenkins.

Between Cedar and Houston—West, S. B. McClure, E. W. Reid, J. A. Cheatham; East, C. L. Condrey, W. J. Flesher, J. T. Service.

Between Houston and Evelyn—West, J. M. Redfearn, A. N. Henson, B. T. Johnson; East, T. C. Thompson, L. F. Sheffy, Fred H. Ives.

Between Evelyn and Chestnut—West, Harvey Cash, W. J. Findley, E. Burroughs; East, D. A. Shirley, R. A. Campbell, R. E. Foster.

Between Chestnut and Walnut—West, J. W. Wooten, B. S. Livingston, W. F. Jameson; East, Travis Shaw, Claude Hays, D. T. Tarlton.

South of Walnut—West, Chas. Harter, G. G. Foster, John Knight; East, Dave Thomas, W. C. Leonard.

East of the highway—Henry Bradford, Ray Daniel, H. W. Morelock, Ray Campbell, W. P. Bishop.

GUTHRIE FOR COMMISSIONER

The News has been authorized to announce the candidacy of J. A. Guthrie as a candidate for commissioner from Precinct No. 1, the Canyon precinct, subject to the democratic primary in July.

Mr. Guthrie is well known in Canyon, having lived here for 19 years. He has engaged in business here and is well acquainted with all of the activities of the town and of business conditions in Canyon and Randall county. His wide acquaintance would make him a very valuable commissioner should he be chosen to fill this position. He is well qualified in every respect, and if elected will devote his time to looking after the interests of the tax payers, not only of this precinct, but the whole of Randall county.

HAD NOSE BROKEN.

J. A. Cheatham was the chief performer in an accident Friday in which he received a badly smashed nose, and which might have proven far more serious. He has working over the engine on his tractor, a block being used to raise the engine. The block slipped and Mr. Cheatham has struck full in the face about the middle his nose. The bones of the nose were splintered.

This is the same tractor with which Mr. Cheatham had a serious accident last fall when he was caught between its wheel and a wagon.

BABY WEEK SPECIAL

Beginning April 24, 6 beautiful guaranteed Portraits of your baby for only \$3.00. Britains Studio. 254

STORK SPECIAL

A son was born to Mr. and Mrs. J. S. Phillips April 15.

Mr. and Mrs. L. B. Rogers are home from a three weeks visit at Wichita Falls and Grapevine, where they have been visiting relatives.

STOCK JUDGING CONTEST TO BE HELD MAY 26th

Frank R. Phillips, charge of vocational agriculture of the Normal announces that a stock judging contest for club members of the Panhandle will be held at Canyon May 26. The object of the contest is to give the Panhandle agents an opportunity to test the efficiency of their club members in live stock work. It is expected that the highest teams will go to College Station to participate in the State Contest in July.

BANKS CLOSE FRIDAY.

Friday will be San Jacinto Day and the banks of Canyon will observe the holiday by being closed all day.

T. V. Reeves Winner of Tournament of Canyon Golf Club

The finals of the tournament of the Canyon Golf Club was staged Sunday afternoon, and T. V. Reeves was the winner. Those in the finals were Mr. Reeves, Wallace R. Clark and Zeb Mitchell.

Zeb was eliminated at the end of the 18 holes, while Reeves and Clark each had a score of 57. Two holes more were necessary to break the tie; the first was halved, and on the second one Clark's ball landed in the creek, losing him a shot, which let Reeves win the tournament.

The local tournament has been exceedingly interesting throughout, and has revived golf playing considerably in Canyon.

The greens are being worked over and put in most excellent condition. A new mowing machine with roller has been bought by the Club and will be put to work to keep the fairways in excellent condition during the summer months.

FARM BUREAU MEETING

The Randall County Farm Bureau will meet in the district court room Saturday at 2:30 p. m. for the purpose of permanent organization and every member is urged to be present. There will be an address on "The Benefits of the Farm Bureau," by Dr. Lloyd of Vega, Texas. It will be worth while to any one to hear Dr. Lloyd speak on any subject related to agriculture or the plains country and it will be especially interesting to the farmers of the county to hear him discuss the workings and benefits of the Farm Bureau. Be sure to come and be there by 2:30.

AMARILLO DEFEATS HIGH.

The Canyon high school baseball team journeyed to Amarillo Friday and met defeat at the hands of the Amarillo high school bunch 19 to 3.

Callahan, the Canyon pitcher, was the only man to connect with a home run during the game.

Arnold Now Getting Radio Messages from All Over the Country

Have you heard the radio?
No! Well, something left to live for!

A. J. Arnold has his equipment up and has been "tuning up" for the past week. He is getting the machine to work a little better every night.

Mr. Arnold has been entertaining quite a number of people every night at his new radio shop on East Houston street. Those who have heard the radio phone are highly enthusiastic over the machine and the possibilities that are presented.

By a turn of the dial on the machine, the wave length is extended, and the receiving plant comes in connection with different sending plants. Tuesday night Mr. Arnold was in connection with Detroit and got the baseball scores. A little later Ft. Worth was picked up and a concert was heard. A little later Denver was caught and a concert and the market reports were heard. A little later a concert was heard from Pine Bluff, Arkansas. Then came in some army orders from one camp in Wyoming to another camp in which an automobile was discussed.

Mr. Arnold has two set of instruments for the head, two people being able to "listen in" by this method, and those in the room hear from an amplifier. The amplifier sounds more like a phonograph than anything else, while the natural voices are easily distinguished when the head piece is used, and the words come very plainly.

Every one who has heard the radio has become a real radio bug.

ALL SET FOR BIG DISTRICT MEET FRIDAY AND SAT.

STRONG COMPETITION OFFERED
BY VARIOUS SCHOOLS.

Two Days' Competition Will be Offered in Various Lines of School and Field Activities.

All is set for the big District Meet which will be held Friday and Saturday of this week.

The Canyon high school is going to enter some very strong contestants in all branches of the work, and will be met by the best from several larger schools of this district.

The following is the program for the two days.

FRIDAY

A. M. Registration and payment of fees.

Athletic Program

2:00 p. m.—Volley Ball Preliminaries.

2:00 p. m.—Tennis Preliminaries.

3:00 p. m.—Preliminaries, 100 yards, 200 yards, 440 yard dashes, half if necessary. Jumps, if necessary on account of number entering.

Literary Program

2:00 p. m.—Preliminaries for Senior Girls' Debate (Room 205).

2:00 p. m.—Preliminaries for Junior Girls' Declamation. (Auditorium).

3:30 p. m.—Preliminaries for Junior Boys' Declamation. (Auditorium).

2:00 p. m.—Preliminaries for Rural Junior Girls' Declamation. (Room 105)

3:30 p. m. Preliminaries for Rural Junior Boys' Declamation. (Room 105)

7:30 p. m.—Finals for Junior Girls' and Boys' Declamation and Senior Girls' Debate. (Auditorium).

SATURDAY

Athletic Program

10:30 a. m.—Finals in Tennis.

10:30 a. m.—Finals in Volleyball.

1:30 p. m.—Finals in Track and Field Events.

Literary Program

8:00 a. m.—Registration and payment of fees.

8:30 a. m.—Preliminaries for Senior Boys' Debate. (Room 205).

8:30 a. m.—Preliminaries for Senior Girls' Declamation. (Auditorium).

10:00 a. m.—Preliminaries for Senior Boys' Declamation. (Auditorium).

8:30 a. m.—Preliminaries for Rural Senior Girls' Declamation. (Room 105)

10:00 a. m.—Preliminaries for Rural Senior Boys' Declamation. (Room 105)

7:00 p. m.—Finals for Senior Girls' and Boys' Rural Girls' and Boys' Declamation; and Senior Boys' Debate (Auditorium).

BOUGHT TAILOR SHOP.

Ben Mabry of Cordell, Okla., bought the Foy Tailor Shop and Saturday took charge of the business. Mr. Mabry has been engaged in this business for several years, and now owns half interest in a large plant in Cordell.

Mr. Mabry is going to make extensive improvements on the present plant installing the largest tailoring establishment Canyon has ever had.

Mrs. Mabry is a daughter of Frank Ames, a former resident of Canyon, and a brother of Mrs. G. G. Foster.

PARENT-TEACHERS' MEETING

The Parent-Teachers Association met in regular meeting Friday afternoon. A very delightful literary program was given by pupils of the school. Interesting papers were read by Mrs. A. M. Biggers and Mrs. Robt. McGee. One of the most helpful suggestions was the family council. No one present could help feeling the real value of such a council. A number of questions and answers, arranged by Miss Blanton on public education in Texas were given out by the chairman of the program committee for general reading and discussion.

TO FEDERATION MEETING.

The Canyon delegation to the Seventh District meeting of the Federation of Women's Clubs left this morning for Plainview where the annual meeting is being held today and Friday.

Mrs. B. A. Stafford is official representative of the Woman's Book Club, which is a member of the Federation.

Others who are attending from Canyon are: Mrs. C. W. Warwick, Mrs. John S. Humphreys, Mrs. J. A. Hill, Mrs. S. L. Ingham, Mrs. J. B. Gamble, Mrs. T. V. Reeves.

Mrs. T. V. Reeves, Mrs. C. R. Burrow, Mrs. L. T. Lester, Mrs. L. Angel.

President J. A. Hill, H. W. Morelock and Wallace R. Clark are on the program for addresses. Misses Brigham, Clark and Brewer are on the program for musical numbers.

REV. F. M. NEAL.

Rev. F. M. Neal Will Start Revival at the Methodist Church

Revival services will start at the Methodist church next Sunday morning, April 23 and will continue until May 7. Rev. Frank M. Neal will be the preacher during the revival.

Rev. Neal was pastor of the local Methodist church for three years, 1912 to 1915. He entered the evangelistic work when he left Canyon and has been highly successful in his work. He was extended an invitation by a vote of the local congregation to return to Canyon and have charge of the meeting.

Fred H. Poulter will direct the singing during the services. It will be remembered that Mr. Poulter assisted Rev. Neal in a meeting held while Mr. Neal was pastor here, and will be remembered by many local people as an excellent director and good soloist.

Services will be held twice daily during the two weeks of the revival.

Bonds Approved by Attorney General; Ready by May First

Canyon's paving bonds have been approved by the attorney general, and are now being printed. They will be signed by May first, and the money available about that time for the paving program.

The council decided after the experience of last year to not advertise for bids until the money was in hand in order that there be no hold ups in the program.

DEBATERS TO DENTON.

A. D. Payne and Lester Hill, accompanied by Prof. L. F. Sheffy leave today for Denton where they will debate the Denton Normal Friday night.

San Marcos was to have sent a team here to debate tomorrow night, but this debate was cancelled last week when San Marcos decided they could not finance the undertaking this year.

The Normal students feel that Payne and Hill will make a good showing at Denton in their debate.

SENDING OUT 6000 BULLETINS.

The News completed this week the work of printing 6000 64-page bulletins for the Normal, which are sent out in the interest of the summer school of the Normal. More than half of the bulletins have been mailed out, as the first deliveries were made the first of the month.

TRAIL MARKERS ARE UP.

Markers for the Southwest Trail were placed in Randall county this week, extending from Amarillo on the highway through Canyon on west to the Deaf Smith county line.

General Azgapatian Will Lecture Tonight On Near East Relief

General Azgapatian, the "Parahing of Armenia" will speak at the Methodist church tonight at a mass meeting of all citizens of Canyon in the interest of the Near East Relief.

General Azgapatian had a great part in the world war, and was one of the most distinguished soldiers of the war in the Near East. He comes with a personal message of the war and conditions in his country.

All of the pastors of Canyon and representatives of all clubs in the city are acting as a committee to further the interest of this meeting.

SEEK TO INCREASE GRAIN RATES FROM THIS SECTION

A warning has been sounded by the Panhandle-Plains Chamber of Commerce that a bunch of Kansas City grain men are seeking to have the Interstate Commerce Commission increase the railroad rates from the Panhandle to Galveston as these rates are lower and therefore discriminate against Kansas City. The railroads have been trying for some time to have these rates increased.

The Panhandle-Plains Chamber of Commerce is asking for cooperation on the part of all towns in this section to fight any increase in rates as this would take thousands of dollars annually out of the pockets of the farmers of this section.

Five More Teachers Elected by Trustees Of Public Schools

At the meeting of the trustees of the Canyon schools Monday night, five more teachers were elected for the coming year.

Jim Webb was elected principal of the high school. Mr. Webb is a student in the Normal, and will complete his work this spring. He has been a very successful teacher, with several years experience.

Miss Vivian Coffman was elected to the high school faculty. She graduated from the Normal two years ago and since then has been teaching at Abernathy. She is one of the best teachers in this section.

Miss Jewell Brock was elected to the high school faculty. She graduates at the Normal this year, and has had several years experience. She has a remarkable record in the Normal as a student.

Miss Marie Fronabarger was elected as teacher in the grades. She is a graduate of the Normal, has taken work in Simmons college, and for the past year has taught at Sophia, N. M.

Miss Sarah Park was elected teacher in the grades. She graduated from the Normal last year, and since then has been a very successful teacher at Dumas.

There are two vacancies yet to fill in the grades and one in the high school. Superintendent-elect A. D. Payne is carefully investigating the records of a large number of applicants.

The building committee has appointments with several architects to go over their plans, and trust soon to be able to make announcement of plans for the new building.

CLASS VISITED NEWS OFFICE.

English Class 10-C were responsible for the publication of this week's edition of the Prairie. In order to see the mechanical part of the production of a newspaper, the class visited the News plant Tuesday morning to see the operation of the linotype, the big press and the folding machine.

University Inspectors At Normal Regarding Correlation of Work

Dr. W. H. Sutton, Dr. Law and Dr. Splan, all from the university of Texas, were here Monday to inspect the work of the Normal in regard to further correlation between the two schools.

The Normal is asking the university to recognize the degrees granted in this institution so that the degree graduate may enter the graduate college of the university for work on his master's degree.

The inspectors made no report while in the city, but the character of work they saw in the Normal was sufficient that there is no doubt about the request being granted.

HARDWARE PROGRAMS OUT.

The News completed the program bulletin of the Panhandle Hardware and Implement Dealers' Association this week, the bulletin have 24-pages and cover. C. L. Thompson of this city is secretary of the Association and is presenting to the hardware dealers of this section a very fine program for this year's convention, to be held in Amarillo May 8-9.

AN AFTER EASTER STORM

The first of this week saw some pretty cold weather in this section, with a heavy frost Tuesday morning. For more than an hour Tuesday morning snow fell in Canyon, but it melted as soon it hit the ground.

The fruit trees were full of buds, and it is likely that the fruit crop was materially cut by the frost and freeze.

BUSINESS MEN ARE OPPOSED TO TENT SHOWS IN CANYON

LIVELY DISCUSSION OF SUBJECT
AT WEEKLY LUNCHEON.

Committee Will Investigate Legal Side
and Ask Property Owners to Not
Lease to Tent Shows.

The attendance Tuesday at the weekly luncheon of the Commercial League was much smaller than usual, with only 16 present.

A. W. Blough was leader and called for reports of committees.

W. J. Flesher reported for the tourists camp ground committee. Mr. Flesher stated that the committee had met Monday and gone over all of the suggestions that had been presented to it. The members of the committee had tried to weigh all of the arguments presented and had decided that with the money available for this purpose, that about all that could be done this year was to put water on the Normal grounds which had been offered by President Hill, make some slight improvements, which would probably not cost more than \$500.

The committee had been urged to place the camp ground up town, but it would cost at least \$300 to fix up grounds with light and shelter as had been suggested, but the committee did not believe that finances would justify this expenditure at this time. If the camp ground was popular, it could be improved next year.

Mr. Flesher pointed out the fact that camp grounds had become very unpopular in many cities as they had become a nuisance, with all kinds of people coming to them and staying weeks at a time. Horse traders had monopolized the grounds in many instances. It was suggested that a sign prohibiting cattle and horses being taken upon the camp grounds be added to the sign directing tourists to these grounds, which was carried in the motion authorizing the committee to proceed fixing up the grounds according to the plans they had outlined.

The members of the committee are Mr. Flesher, Fred H. Ives and J. M. Vetek.

The question of tent shows coming into the city was brought up. Fred H. Ives reported that an attorney had advised that the only way a town of this size could keep out the tent shows was to declare them a nuisance, and this could be done when two-thirds of the property owners within three blocks of any show grounds signed a remonstrance against the show. Mr. Ives suggested that all available locations in Canyon be investigated, and the property owners asked to sign such a remonstrance.

T. C. Thompson stated that the city council had discussed this matter a number of times, but had not come to any conclusion. The council wanted to know that it was safe before proceeding with any ordinances. The council didn't want to start anything which it could not carry through.

W. J. Flesher stated that he had been investigating the show proposition but had found no way so far to stop the shows. The state, county and city issued these show licenses, and they therefore had certain legal rights to come into the city. Canyon is operating under the old general law, and has no special powers. If the city had a special charter from the legislature which enlarged its powers over those allowed in the general laws, then it might be an easy thing to stop the shows. Mr. Flesher believed it was time for Canyon to adopt the Commission Form of government, in order that it might enlarge its powers.

Another thing Mr. Flesher urged was that public sentiment be created against the tent shows. As long as public sentiment was in favor of tent shows, juries would not convict even if the shows were prosecuted. Again if the law was enforced against one class of tent shows, it should be enforced against all classes, and this would cut out the chautauqua. Mr. Flesher stated that personally he opposed tent shows, but under present conditions, he did not see much chance of relief.

L. G. Allen suggested that a committee be appointed to thoroughly investigate what might be done, advising with local attorneys, and asking them to advise with other attorneys if they were not sure of the matter, and to report at the meeting next week. On motion this committee is composed of W. J. Flesher, Fred H. Ives and T. C. Thompson.

If nothing more can be done, the property owners will be solicited to refuse to rent their land for show purposes.

Foreign Advertising Representative
THE AMERICAN PRESS ASSOCIATION

We are not much concerned over the possibilities of Earle R. Mayfield as a candidate for the United States senate, but we certainly do approve of his utterance of last Saturday regarding the Ku Klux Klan. It seems that every political race in Texas this year is going to resolve itself into the question of Klan or anti-Klan. There are certainly other qualifications necessary for a United States senator than his membership or non-membership in the Klan. Of course, there are cases like that of Bob Henry, who is basing his own merits upon his Klan affiliation, and that in itself will defeat him. A man may be a good man and belong to the Klan; likewise he may be a rascal, and at the same time belong to the Klan. He may be fighting the Klan, but in no sense of the word be a fit man for office. We are certainly getting ourselves into a pretty fix if we are going to elect our United States senator upon the single plan of Klan or anti-Klan affiliation.

Canyon has probably done more building, according to its population than any town on the plains. Those of us who have lived here and seen the building going up have little realized the large number of fine homes that have been built in the past twelve months until we begin the count, and find that the count on homes alone runs well up toward a hundred. This means that Canyon has made a very substantial growth during the past twelve months. Help the good work along. Other people want to build homes here. If you have a little idle capital, put it to work in Canyon for the benefit of yourself and the town as a whole.

The Plains Agricultural Journal is the latest publication of this section of the state. The Journal was started last week by Curtis A. Keen at Lubbock. Mr. Keen was secretary of the Chamber of Commerce for two years and made a great success in this line of work. The initial issue of the Journal is a marvel, and we trust will continue to grow and increase as its first number shows its wonderful possibilities.

Tunulty attended a Cox dinner in New York last week and gave out a supposedly authorized statement from Woodrow Wilson. After the smoke had cleared, Wilson calmly denied having authorized Tunulty to do his thinking, and denied the statement. We have often wondered what Wilson thinks of Tunulty's look on Wilson, in which there is more Tunulty than Wilson.

Miss Annie Webb Blanton is a candidate for congress. She announces that she approves the stand her notorious brother has taken in congress, but does not want to be elected either upon his merits or demerits.

Mr. Merchant: if you buy all of your printing out of Canyon, and send away for a great part of the things you and your family wear and use, just how are you going to lose your kick when you see other people sending away for goods that you sell.

Probably 100,000 would fall short of the number of men and women in this country who for a number of years past have made a business of and good money out of "propaganda." Hundreds of "bureaus" are maintained at Washington and various other cities, and the country is flooded with constant appeals to charity for donations to everything imaginable. The mail of the average newspaper contains an armful of their junk every day in the year, and thousands of them are around begging and pestering the public until it has got to be an infernal nuisance and little less than an outrage. Never were the people and the newspapers of America so bombarded. Emancipators, lecturers, and special emissaries tour the country, drawing salaries and paying traveling expenses, raising more funds to pay more salaries and more traveling expenses. It's a great game.—Pampa News.

A good newspaper is the one thing that a town cannot do without and grow. The growth of all towns is intimately bound to have a good paper, the paper must have the co-operation of the people, and must have advertising. The money that the subscriber pays for his subscription pays for the white paper it takes to print his copy of the paper. Advertising alone will not enable the publisher in a small town to keep up a good paper; there must be some job printing on the side. And we want to say right here that any man who orders his job work done out of town is striking a blow at that town. Even if a man could save a little money on the individual job—which is seldom possible—there are too many ways that the home paper benefits a man for him to have an excuse for this sort of thing.—McLean News.

ANNIVERSARY EDITION

The Randall County News issued an anniversary edition on the 30th of March. This edition contained 32 pages of historical information well written stories of the town and county, as well as some fine half-tones showing scenes of Canyon in years gone by, as compared with the city of today. The News management is to be congratulated on this edition from every viewpoint. It was a good one and the people of that town should appreciate the splendid workmanship of the paper and especially appreciate the progressive spirit of the paper.—Lubbock Avalanche.

Editor Warwick of the Randall County News is to be congratulated upon his excellent showing of a birthday number of his good paper. The News was well gotten up, well illustrated and the people of Canyon and Randall County are justly proud of their paper and such an able editor.—Claude News.

The Randall County News came out last week with a 32-page Twenty-Fifth Anniversary edition. The News is one of the best newspapers of the Panhandle but twenty-five years on the job is long enough for it to have grown to nice proportions. Canyon should indeed be proud of a newspaper that is such a community booster. Their town can never be better than their newspaper and their newspaper can not be better than the local enterprises will support. This is not only true of Canyon but of every other town in the country.—Wheeler News-Review.

The News neglected last week to make mention of the very splendid 32-page anniversary edition of the Ran-

dall County News published by Editor C. W. Warwick at Canyon which came to our desk the week before. It was a masterly effort in chronology, printers' art and literature and was such a number as fellows like Warwick are capable of issuing. May Editor Warwick eclipse himself on his golden anniversary—and we believe he will.—Clarendon News.

75 PIGS IN TWO YEARS

What just one good sow can do in the way of reproduction of her kind and in adding to the family bank roll has been demonstrated by a registered Duroc Jersey owned by T. T. McDermott, one of Deaf Smith county's progressive farmers.

This sow is three years old and has borne no less than seventy-five pigs in the last two years. During her first year she brought in thirty and in the past eleven months forty-five. She has raised twenty-nine of the last forty-five pigs.

A man given to statistics can do some fancy castle-building with this sow as a ground work for his figuring.—Hereford Brand.

Pleasantview Items

There will be a play given for the benefit of the Epworth League at Pleasantview school house, Saturday, April 29.

A Kid party was held at the home of Mr. and Mrs. Emit Pritchard Saturday evening. The children enjoyed many games until a late hour when fruit, cake, and ice cream was served to 52 persons.

The children of Pleasantview enjoyed an Easter egg hunt in the west canyons. There were 32 children. The chaperons were Mrs. Gibson, Mr. and Mrs. Homer Ball, Miss Belle Schramm, Mr. John Schramm, and Miss Viola Vetek.

Epworth League met Sunday evening with an excellent program and a good attendance.

Literary meets next Saturday at its regular meeting. Come and see what we are doing.

Miss Dewey Gibson has returned from her school near Tulla, where she has completed a successful school year. Kermit Schramm, Wesley and Roy Gibson were visitors in Unbarger Sunday.

John Vetek went to Amarillo on business Monday.

We cordially invite you to attend our community programs and socials.

If Lazarus can still see over into the other place, doubtless he could tell us where the German mark has gone.—Baltimore Sun.

The world is going to dry up, William Jennings Bryan proclaims. If only he'd show his faith by his works!—New York Tribune.

Hint to statesmen: The hatchet will not remain buried, however, under a double cross.—Hartford Times.

Children who have worms are pale, sickly and peevish. A dose or two of White's Cream Vermifuge will clear them out and restore rosy cheeks and cheerful spirits. Price, 35c. Sold by Jarrett Drug Co. 114

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

I. O. O. F. ITEMS

Chase L. Condrey will speak to the lodge next Thursday evening. Subject: "Progress is our Watchword," or "Joy Riding and Skidding."

Elsie Price and Glen McGahey have been winning honors, and receiving the praise of the lodge in degree charge work.

W. L. Browning gave a very interesting talk at last meeting regarding his visit to a sure-enough lodge, the Fred Ende Lodge, No. 78, Greenville, Texas. This lodge owns a modern two story brick building. The Citizens National Bank occupies the lower floor. The lodge is unusually large, and wainscoted with marble. The furniture is massive and of the newest design. They have a complete equipment of modern inverted lights with rheostat control. They have a battery of large ceiling fans. The lodge is clear of indebtedness and owns \$20,000 worth of bank stock.

The Rebekahs are indeed, commended for their loyalty, growth, and enthusiasm. There will be very important work in this degree this week.

There will be work in the degree of Friendship this week. All members are urged to be present. The faces of

many of the old members have been seen in the lodge here of late. Come back brothers. You are welcome.—Reporter.

Why Not Build Now!

The price of building material is in line with the price of the commodities you sell. If you are a farmer see how the price of a two hundred pound hog will compare in purchasing lumber with a two hundred pound hog in 1918, when the prices of everything was up.

Don't contemplate Building—Just Build!—Never before was the time better for the builder, our fine materials priced in the reach of all, makes building costs mighty low, and really for fine building and economical building, our materials cannot be beaten. Figure with us.

CANYON LUMBER CO.

**SAVE 39%
by buying an Oil Pull**

What you want on your farm is power that will do your work faster, better and cheaper. The form of power is not the most important question. You want the best and cheapest available.

There are many different types of tractors selling at different prices, that produce power at many different costs.

But it is not any certain type of tractor that you are interested in. It is power. If any one tractor produces that power—if it does the work day after day, year after year, at cheapest cost—that is the tractor you should buy.

FUEL ECONOMY RESULTS OF VARYING LOAD TEST

The third column headed "Horse Power Hours per gallon" is taken directly from the Nebraska reports. The fourth column shows how much this fuel consumption amounts to in a 10 hour day, with an average load of 20 horse power.

\$172.⁹⁰ Saved on Fuel Alone

Because fuel cost is one of the big items in the production of cheap power, you ought to know what you can expect on the fuel economy record of the tractor you buy before you buy it.

The most reliable figures on this are those published by the Nebraska State University in the tests they conducted on tractors in 1920 and 1921. Practically all of the principal tractors manufactured in the United States were tested. A law in Nebraska requires every manufacturer to submit his tractor for severe tests before he is allowed to sell in the State.

The above chart shows the fuel economy obtained in the Nebraska State Tractor Tests on the varying load test on all tractors with a belt rating of from 18 to 25 H. P. Study this table if you want some plain, unvarnished facts about fuel economy.

Note that the average fuel used by all kerosene tractors (Oil Pull excluded) is 34.4 gal-

lons per ten-hour day, while the Oil Pull used only 21.1 gallons—a clear saving of 13.3 gallons, or 39 per cent per day. At 13c per gallon, this means a saving of 172.90, or 39 per cent saving the first 100 days on fuel alone.

Figure how many days you expect to use your tractor each season, multiply the saving of 13.3 gallons per day by the cost of kerosene, and you will get some idea of the saving an Oil Pull will make for you on fuel alone.

Figure how many years you expect to use your tractor (the Oil Pull averages more than 10 years' service) and you will quickly see that the fuel saving alone, not to mention the big saving on upkeep and in lowered depreciation, the Oil Pull is by far the cheapest tractor you can own.

Come in and let us tell you more about these big savings. Also let us tell you about Triple Heat Control—the reason for Oil Pull fuel economy.

REDFEARN & GERALD

Buffaloes Takes All Three Games of the Series from Christians

The baseball series between the Buffaloes and the Abilene Christian College was a story of too much Buffalo and too little Christian. The herd won all three games by a comfortable margin.

The first game Monday was an easy victory for the Buffaloes by a 6 to 0 victory.

The Christians came back Tuesday and held the herd to a 2 to 1 victory.

Yesterday was a regular swatting bee, each team landing 13 hits, and the herd getting the game by a 15 to 6 victory.

The following schedule has been announced for the remainder of the season:

April 27, 28, Clarendon College, Clarendon.

May 5, 6, Wayland College, Wayland.

May 8, 9, Clarendon College, Canyon.

May 15, 16, Daniel Baker College, Canyon.

J. J. POWELL WILL TEACH IN THE NORMAL NEXT YEAR

The announcement was made last week that Mr. J. J. Powell, a member of this year's Senior class, has been selected by President J. A. Hill and the Board of Regents to teach in the Department of Mathematics during the 1922-1923 session.

Mr. Powell entered the West Texas State Normal College in the year 1916. When the United States entered the World War, Mr. Powell immediately went to the aid of his country.

Returning to Canyon in 1920, he resumed his studies in the College and expects to get his B. S. degree at the end of this quarter. He has the record of being one of the best students that has ever attended this school.

Mr. Powell is very prominent in student activities. Last year he was president of the Students' Council. He is now president of the Senior class and of the Ex-Students' Association. He is a member of the Cousins Literary Society and of the Math-Science Club. He is also a talented tenor soloist. He is a member of the College Chorus, and was one of the principal soloists in the rendition of Hyden's "Creation" last year and "The Revenge" this year.

Mr. Powell is an exceptionally good organizer and leader, and we expect him to make a success as a teacher of Mathematics.

THE SUNRISE EASTER SERVICE

Surely the most beautiful and the most joyous time of the year is the Eastertide. More than one hundred people, chiefly students, testified to this fact by presenting themselves on the east steps of the college building Sunday morning at 6:30. Not for many things would such a number of students rise so early on the only rest day of the week.

The clouds, the rising sun, and the whole eastern sky were unusually beautiful, as if nature herself were commemorating the Resurrection. The spirit of the occasion, too, made it evident that everybody was thinking such things as would have come to their minds on that first Easter morning. A great many hymns of praise were sung by the entire body; and the

dust by Violet Good and Brian McDonald was especially meaningful. Fannie Cash led in meditation by reading very beautifully selections from "The New Way of Life." The service, so profoundly devotional and yet so simple; so joyous and yet so impressive; made all who were present wish that the spirit of Easter might characterize every day.

Normal Graduate Signally Honored

Word has just been received from the University of California that Lawrence F. Hill, a former student of the West Texas State Normal College who graduated here in 1915, and who is now Fellow in History at the University of California, which position he has held for the past three years, has been appointed Fellow in Spanish American History in Madrid, Spain for next year. This is a very high honor and comes to only two students every four years. This appointee must be of the best in all the qualifications. The position carries a salary of \$5,000 a year.

Mr. Hill's home is at White Wright, Grayson County, Texas. His father died when Lawrence was only a small boy, and it fell on him to help support the family. The boy was always determined to go to school which is shown by the fact that he has worked his way through college and at the same time helped to support the family. He has earned every dollar that has been spent on his education since he entered the West Texas State Normal College.

Mr. Hill has been Superintendent of Lockney public schools. For one year he was Professor of History in East Texas State Normal of Texas. He then went to the University of California where he became a Fellow in History at that institution. Mr. Hill is a cousin of J. A. Hill, President of West Texas State Normal College.

During his stay in Spain Mr. Hill will complete his requirements for his Ph. D. in the University of California. The title of his Thesis is, "Province of New Santander." This is a province bordering both banks of the Rio Grande river. He is working under Dr. Herbert E. Bolton, former Professor of History in the University of Texas, now head of the Department of History in the University of California.

West Texas State Normal College is glad to hail this man who has climbed so high in the educational sphere as a graduate of this institution.

AGRICULTURAL EXPERT VISITS PLAINS SCHOOLS

J. B. Rutland, assistant vocational agricultural director of Texas, spent Sunday and Monday with Frank R. Phillips of Canyon. He left Monday on a tour of the different high schools of the Panhandle, that are interested in vocational agriculture and manual training in the high school. He will visit Canadian, Pampa, Groom, Wheeler, White Deer, Shamrock, and other towns in this territory.

Requests have come to Mr. Rutland from Otton, Hereford, Plainview, Lockney, Lubbock and Spur, for him to visit their schools next week to talk over the vocational agricultural projects of their schools. He will be accompanied by Mr. Phillips, vocational director of the Canyon Normal.

JOHNSTON-PENNINGTON WEDDING IS SOLEMNIZED SUNDAY

Miss Viola Johnston and Floyd Pennington of Wheeler, were married at the home of Mr. and Mrs. H. C. Gentry,

1004 Pierce Street, Sunday afternoon, April 2, at 4:30 o'clock, in the presence of a number of relatives and friends, Rev. Roy Rutherford, pastor of the First Christian Church, officiating. Mrs. Pennington is a former student

of West Texas State Normal College, and taught school near Mobeetie during the past term.

Mr. Pennington is a young business man of Wheeler, being associated with his father in a general merchandise

firm of that place.

The young couple left Sunday afternoon for a brief visit in Fort Worth and Mineral Wells, after which they will make their home at Wheeler.—Amarillo Daily News.

Big 5c Sale Begins Saturday

Happy Happenings

The report of the Sunday Schools of the town Sunday were very good. The Methodist was 127 present; 7 new pupils, and \$5.76 collection; Presbyterian, 54 present, and \$2.66 collection; Baptist 73 present; Christian 25 present. Sunday School services were held from ten o'clock until eleven o'clock, when the Sunday school members assembled at the school auditorium for Union Easter services. The morning program was as follows:

Doxology—Unison.
 Invocation—P. J. Neff.
 Gloria Patri—Unison.
 Scripture Reading—Rev. Wilkins.
 Song—"Christ Arose."
 Solo—"The Holy City"—Mrs. Miller Currie.

Announcements.
 Sermon—Rev. Miller.
 Prayer—Rev. Miller.
 Song—"Onward Christian Soldiers."
 Benediction—Rev. Wilkins.
 12:00 o'clock dinner.

The program for the afternoon began at 2:30 o'clock, several songs and readings were given by the children of the different Sunday Schools. The program continued until about 3:30, after which time a short session of singing was held, and then the crowd returned to their homes.

Singing will be held at 3:30 at the School house next Sunday.

Services were held at the Presbyterian and Methodist churches Sunday evening by Rev. Miller and Rev. Wilkins. The Methodist meeting will be in Friday evening, April 21, with Rev. Beavers of Hereford conducting the services. This will be a meeting for the whole town church membership

as well as the Methodists.

The Epworth League meets at 7:30 on Sunday evening now at the M. E. church. We have a very interesting program planned for next Sunday and every Leaguer is urged to be present.

Sheriff T. H. Walters of Tulla was here Monday.

The M. W. U. quitted at the home of Mrs. Dick Evans Monday afternoon.

W. S. Hastings of Canyon was here Monday on business.

The play, "The Land of Dolls," will be given by about 45 school children, under the supervision of Miss Annie Crawford, in the school auditorium, Thursday evening, April 20th. There will be no admission fees. Come early if you want a seat.

S. M. Downing and A. J. Tate of Canyon were here on business Tuesday.

Misses Mildred Zoeller and Ela Aikman entertained their little folks with Easter egg hunts Thursday afternoon. Miss Zoeller's pupils were marched to the City Cafe after the hunt where refreshments were served.

There were no school here Friday as Mr. Woodburn and Miss Dison were

helpers in the Interscholastic League work at Tulla. Mr. Woodburn had charge of the athletics and with this coaching the Happy high baseball team now stands second to the championship of Swisher county. They have defeated every team except Tulla, and are expecting to defeat them at the next game. Miss Dison pronounced the spelling words at the League meet. Happy was well represented there, as a large number of people went to hear the declamation contest Friday night.

for we had a junior declaimer from here. Her name is Ruth Harrison but as she was sick when she arrived at Tulla, and she did the best she could, she only won third place with her declamation. She gave "The Name of Old Glory."

Mr. and Mrs. H. G. Bowe were visiting relatives in Amarillo Sunday.

Miss Ela Aikman entertained her Sunday School class Saturday afternoon at her home east of town, with an Easter egg hunt. Delicious refreshments were served and all the little folks report a very good time.

The Junior girls in Mrs. C. A. Akers Sunday School class of the M. E. church entertained the boys of her class with an Easter egg hunt and a social Saturday afternoon at the home of G. B. Barnard.

Miss Mildred Zoeller entertained her Sunday School class of Juniors at her home Saturday afternoon. Punch, cake and ice cream were served to the guests.

Homer Bates came home Wednesday from Colorado where he has been for the past few months. He is now visiting at the home of his parents, Mr. and Mrs. W. J. Bates.

W. J. Bates and family left Wednesday morning for New Mexico where they will make their home this summer.

Miss Christine Nutter of Hereford spent the week end here with Miss Gladys Bandy.

Mr. and Mrs. A. Walberg were shopping in Tulla Saturday.

Ernest Miller, Van Foster, Vanus Foster and Artie White visited friends in Canyon Sunday afternoon.

Mr. and Mrs. Wm. F. Miller, Mrs. Jess Miller and Gladys and Willard Miller were shopping in Amarillo Wednesday.

John Burgess and family and Mrs. S. P. Crawford spent Sunday at the McCerery home at Wayside.

Mr. and Mrs. M. S. Arnold were shopping in Amarillo Saturday.

 of Randall County.

For Commissioner, Precinct No. 1:

W. C. BAIRD
 J. A. GUTHRIE

Our Methods are Modern

We do not hesitate to change the methods of handling our accounting and other clerical work, if by so doing increased efficiency and economy will result. A large part of the work that once was done slowly and painstakingly by hand is now handled rapidly and with far greater accuracy by machines. A much larger working force than we now have would be required to handle our business if we still employed old-fashioned methods.

We do not aim, however, to let the increased use of machines cause us to grow machine-like in dealing with our customers. In this respect we intend always to remain intensely human.

Rheumatism at 60

S.S.S. Thoroughly Rids the Body of Rheumatism Impurities.

Somebody's mother is suffering tonight! The scourge of rheumatism has wrecked her body; limping and suffering, bent forward, she sees but the common ground, but her aged heart still belongs to the stars! Does anybody care? S.S.S. is one of the greatest blood-purifiers known, and it helps build more blood cells. Its medicinal ingredients are purely vegetable. It never disarranges the stomach. It is, in fact, a splendid tonic, a blood-maker, a blood enricher. It banishes rheumatism from joints, muscles and the entire body. It builds firm flesh. It is what somebody's mother needs tonight! Mother, if you can not go out to get a bottle of S.S.S. yourself, surely somebody in your family will. Somebody get a bottle of S.S.S. now. Let somebody's mother begin to feel joyful again tonight. Maybe, maybe it's your mother! S.S.S. is sold at all drug stores, in two sizes. The larger size is the more economical.

How glorious you will feel, mother, when your rheumatism is all gone. Let S.S.S. do it. It will build you up, too!

We Want Your Suggestions For Better Service

It is our aim to give you the best goods, best attention, fairest prices, best service.

There will always be imperfections—and we want you to report any that come to your attention.

There is no telling how splendid we can make this store and its service if you will just help by telling us of our failings.

DEEDS FILED LAST WEEK IN COUNTY

The following deeds as furnished the News by the Randall County Abstract Company, have been recorded in the County Clerk's office:

J. F. Hodgins to O. S. Brown, east half section 9, block 1. Consideration \$5400.

L. C. Anderson to Geo. Randolph Short, northwest quarter section 29, block M-9. Consideration \$1.00.

Joe Foster to E. O. McCann, west half section 64, block B-3. Consideration \$20,800.

Joe Foster to E. O. McCann, lot 2, block 49, Canyon City. Consideration \$1000.

John Batenhorst to Miss Laura Barend, block 41, Umbarger. Consideration \$300.

J. A. Hezlewood to J. O. Turner, northwest quarter block 13, Heller addition to Canyon. Consideration \$2250.

WOMAN'S BOOK CLUB

The Woman's Book Club meets next Wednesday with Mesdames T. C. Thompson, C. R. Burrow and J. M. Redfern leading. The following is the program:

1. What double advantage is gained by the clever method of the introduction in "The Rise of Silas Lapham" (ch. 1)?
2. Why is so much made of the preparations for the Corey dinner?
3. What was Howell's real purpose in introducing the criticism of "Tears, Idle Tears"?
4. Which were you interested in as you read the book, the development of the love plot or the portrayal of the characters? Which was Howell's more interested in?
5. In what sense does Silas rise, and in what sense does he decline?
6. Do you think this story presents a true picture of one phase of American life? Give reasons.
7. What is the difference between a realistic novel and a romance?
8. What other stories by Howells have you read?
9. Why is Howells called the "Dean of American Writers"?
10. Do you think Howells' work will survive? Which is likely to be more prized in the future his novels or his criticism?

CHRISTIAN CHURCH

On Sunday morning Rev. E. A. Osborne will deliver the second of a series of sermons on the Sermon on the Mount, his subject being, "Blessed are They That Mourn."

On Sunday night he will preach on "The Shallow Soil." This will be the second of four Sunday night sermons on the Parable of the Sower.

The Bible School will meet at 10 a. m.

The mild cathartic action of Herbine is well liked by ladies. It purifies the system without griping or sickening the stomach. Price, 60c. Sold by Jarrett Drug Co. 114

Notice of Sheriff's Sale of Personal Property

THE STATE OF TEXAS, County of Randall.

By virtue of an order of sale issued out of the Honorable Justice Court, Precinct No. One, Potter County, Texas, on the 7th day of March, 1922, by the Justice of the Peace in the case of C. W. Adams and Nick Maki versus A. R. Dean, No. 4450 and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales on Monday, the 1st day of May, 1922, at the Court House door of Randall County, the following described property, to-wit: One gray horse about 8 years old, branded Y on left shoulder.

One gray horse about 16 hand high, unbranded.

One bay horse 8 years old, branded but can't read brand.

One bay mare about 8 years old, unbranded.

One black mare about 8 years old, unbranded.

One black mare 8 years old, unbranded.

Levied on as the property of A. R. Dean to satisfy a judgment in favor of C. W. Adams and Nick Maki amounting to One Hundred Twenty, and 40-100 Dollars and costs of suit, less a payment of \$40.00 made by A. R. Dean.

Given under my hand this 18 day of April, 1922.
W. C. BLACK, Sheriff,

APPLICATIONS READY FOR THE CITIZENS TRAINING CAMP

Application blanks are now in the hands of all American Legion officers for the Citizens Training Camps which will be conducted in the United States this summer as they were last summer.

Only about ten boys from Canyon got into the camp last summer, as there were several thousand more applications filed than there were places in the camps.

Commander H. C. Gamble, of the local American Legion Post, states that he now has blanks and is ready to take applications. He urges those boys who want to get into the camps this summer to apply now, as the camps were so popular last summer that the applications will run much higher this year than last year.

Men from Canyon will get to go to Fort Logan, near Denver, for the summer camp.

SKELETON OF COMMENCEMENT PROGRAM

MANY LIKE THIS IN CANYON

Similar Cases Being Published in Each Issue.

The following case is but one of many occurring daily in Canyon. It is an easy matter to verify it. You cannot ask for better proof.

J. A. Carr, county road Supt., Canyon, says: "For six or eight months I had some trouble with my back and kidneys. My back was sore and stiff a great deal of the time and mornings when I first got up it was especially so. My kidneys were very weak and acted entirely too often. I saw Doan's Kidney Pills advertised with such good results that I began using them. Right from the start I was relieved and they seemed to fix my kidneys up and relieve me of all the soreness in my back."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Carr had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SHERIFF'S NOTICE OF ELECTION

For the issuance of School Bonds

The State of Texas, county of Randall. Notice is hereby given that an election will be held on the 22nd day of April, A. D. 1922, at Zita School House, in common school district 13, of this County, as established by an order of the Commissioners' Court of this County, of date the 28th day of March, 1922, which is recorded in book 3, page 158, of the minutes of said Commissioners' Court of Randall County, Texas, to determine whether a majority of the legally qualified property taxpaying voters of that district desire the issuance of bonds on the faith and credit of said common school district in the amount of \$2,000.00, the bonds to be of the denomination of \$500.00, each, numbered consecutively from one to four, both inclusive, payable twenty years from their date, with option of redemption after ten years, and bearing five per cent interest per annum, payable annually on April 10th of each year, to provide funds to be expended in payment of accounts leg-

ally contracted in building a School House in said district and to determine whether the Commissioners' Court of this County shall be authorized to levy, assess and collect annually while said bonds or any of them are outstanding, a tax upon all taxable property within said district sufficient to pay the current interest on said bonds and provide a sinking fund sufficient to pay the principal at maturity.

Dated the 28th day of March, 1922

University and A. & M. Ex-Students Meet in a College Banquet

Good cheer and fellowship predominated Thursday night at the banquet of the Ex-Students' Association of the University of Texas and the A. & M. College. A few guests were invited, being degree graduates of a number of other Texas schools.

S. B. Orton, graduate of the university, was toastmaster. Mr. Orton pointed out the need of leadership in the state, and this leadership must be expected to come from the institutions of higher learning in Texas.

Mr. Orton stated that this meeting was called in order that those interested might get ready for the fight. He recalled the history of the university, and how it had been hampered by a provision in the constitution prohibiting the appropriation of money by the legislature for the purpose of buildings. The legislature may appropriate money for almost anything but the building of brick houses for the boys and girls attending the university. At present there are 42 wooden shacks on the university campus. There are only three fire-proof buildings. Salaries are not large enough to hold the best men.

Mr. Orton cannot understand why the boys and girls of Texas are forced to attend school in wooden shacks which would not make a good hog house in West Texas, and why the boys and girls of Texas lose their teachers just as soon as they become recognized in the educational world.

Mr. Orton compared the wealth of Texas with the wealth of other states, and then the amount of money that Texas was spending on education. He stated that there was no excuse for the shacks. That they were a disgrace to the state of Texas, and proposed the slogan: "They shacks must come down!"

Several remedies had been suggested. The West Texas State Normal College may face the situation in the future as the University and A. & M. college are now facing if we sit idly by and let conditions rock along as they have in the past.

Mr. Orton urged that those so vitally interested should get together and start some.

D. A. Shirley, T. C. U., was called upon and recalled several humorous incidents of his college days. He emphasized the fact that all Texans were interested in all Texas schools. The shacks must be replaced by buildings that will be an honor to the state.

W. J. Flesher, University of Texas, discussed the West Texas A. & M. proposition, declaring that there was no need of a new institution, and that the West Texas State Normal College should be expanded to make a great university covering the needs of the West. Mr. Flesher believes under this program there would be 5000 students in Canyon by 1930. This was a more economical plan for the state than the establishment of several little schools over the west. Mr. Flesher recalled many amusing incidents of college days, and the athletic battles with A. & M., and pronounced himself a friend

of having as a great developer of manhood.

E. H. Powell recalled incidents of interest while he was a student at the A. & M. College.

Mrs. Gordon Lang represented Trinity university, and recalled college incidents.

F. P. Guenther, another A. & M. man, recalled his early experiences in college, and the difficulties of a young student. Hazing he characterized as a great school for training manhood. He recalled the great service A. & M. had rendered to the state of Texas in developing its agricultural possibilities. He was glad for the spirit shown in the meeting—that of friendship and good will, and trusted that this would be the first meeting of many of its kind.

Miss Georgia Watkins represented C. I. A., and told several college jokes.

Rev. J. T. Hicks, Southwestern University, proved to be the fun maker of the evening when he described his experiences as a freshman boarding the train for Georgetown, his arrival and reception by the student body. He greatly praised the work that had been done in the Normal at Canyon and believed that all present had prime interest in seeing the school grow.

Miss Marion Witt, Texas Woman's College, told of the experiences in a woman's college after 30,000 soldiers had been brought into the camps around Ft. Worth during the war.

Miss Adelin White, University of Texas, described in rhyme some of the experiences of a student in college.

President J. A. Hill of the West Texas State Normal, graduate of the University, recalled his early experiences in the university, and sketched some history in connection with the school. In 1897 there were only 206 freshmen in the university. Today there are nearly that many in the Normal, and the university has approximately 2000. The university had a permanent building fund from its school land, but owing to small appropriations allowed the school this had been used for salaries. Mr. Hill believes that the legislature should reimburse all of the money that has been spent this way, and this would give the university some good buildings.

In ten years the A. & M. has doubled its property values. C. I. A. has trebled these property values, while the Normals have doubled these values. With the war and the hard economic conditions, there is room for optimism. On the whole the schools have fared very well, but the university not so well. If during the next ten years the educational system does as well as during the past ten, it will not look so badly.

Mr. Hill does not believe that the people realize the value of education. Texas is spending 40 million dollars a

year for tobacco, while we are spending in two years on education only 25 million. This is not putting first things first. Mr. Hill wonders if it is not worth as much to education as it is to use tobacco. When the people are converted, this thing will change.

Mr. Hill states that he has been called to Austin to appear before the committee which is now making a survey of the state's educational system. He is going to suggest that the state be bonded just as municipalities and school districts are bonded in order to make improvements. Mr. Hill states that he has not discussed this with attorneys, but does not see why it cannot be done with a constitutional amendment. If this can be done, each state institution could be given enough money to build the buildings it needs, and the burden distributed through the coming years.

Mr. Hill suggested a campaign of education in the state in order that the people may know the needs of the institutions and the method of procedure necessary.

Upon rising vote the management of the school was thanked for the splendid banquet and use of Cousins Hall for the evening.

It is a safe bet that members of the agricultural bloc will not leave Washington to get their plowing done.—Boston Shoe and Leather Reporter.

Jack Spratt could eat no fat; his wife could eat no lean. You see, they spent their money for the jitney's gasoline.—Fresno Republican.

That reformer who says all scandal should be made public probably doesn't know the present price of print paper. New York Evening Telegram.

The tumult and the shouting dies, the captains and the kings depart; still stands thine ancient sacrifice, a taxpayer with a bleeding heart.—Baltimore Sun.

"FOOT-FITTERS"

Seven Points of Supremacy

1. The sole leather used in "FOOT-FITTERS" is of the best quality obtainable. Even the insoles are cut from standard outside leather.
2. "FOOT-FITTERS" are the only shoes in the world having full length vamps and sole leather box toes. This feature prevents ripping at the tip and makes a smooth outer and inner surface.
3. The insoles are shoulder channelled so that they fit tightly against the outsole. There is no need or room for a cork filler. A small piece of duck is used to prevent squeaking.
4. The Calfskin inside counter pocket is of great value, for it saves the wear on the socks. There is no rough surface to rub against.
5. "FOOT-FITTERS" heels are 1/4-inch longer than generally used. They give additional support to the arch and increase the comfort and wear of the shoe.
6. The vamp is reinforced with 8-oz. duck. This absorbs the moisture from the foot, this keeps the vamp from cracking and holds the shoe in shape.
7. Edmonds' "FOOT-FITTER" shoes are called "FOOT-FITTERS" because they fit the foot snugly. Built on combination lasts they support the foot like a doctor's bandage.—"FOOT-FITTERS" give Comfort, Service and Appearance.

CAN YOU BUY A BETTER SHOE AT ANY PRICE?

'FOOT-FITTERS' are the only mens shoes which have all of these features. If any other store claims a similarly made shoe, make them prove it by cutting a shoe in two so that you can see what is beneath the polished surface.

We guarantee 'FOOT-FITTERS' to be made of solid leather all through. No paper fiber or substitutes are used.

We have been appointed EXCLUSIVE AGENTS for these wonderful shoes.

You can see a cut open 'FOOT-FITTER' in our store. Come in and let us show you dollar for dollar value in a shoe.

Ford THE UNIVERSAL CAR

Genuine Common Sense

Many Ford owners can afford to own and operate any car they may choose, but they prefer a Ford "because it is a Ford."

For "because it is a Ford" means dependability, ease of operation, efficiency—and it means sure, quick transportation.

And "because it is a Ford" means good taste, pride of ownership and genuine-Common Sense.

The Ford Sedan, a closed car of distinction, beauty and convenience, is the ideal all year 'round car, for pleasure or business—for the farm, town or city. It gives you all that any car can give at a much lower cost for operation and maintenance.

Ford Cars of all types are in great demand, so place your order at once if you wish to avoid delay in delivery.

KUEHN & FARLOW
FORD DEALERS

Wayside Items

Rev. Hall filled his regular appointment here Sunday morning.

The Easter program gotten up by Misses Naason and Nance was well arranged and carried out for the short time they had.

Misses Lela Bickell and Birdie Lou Lane spent the week end at the Lane home. They returned to their school work at Canyon Monday morning.

Mr. and Mrs. M. L. McGehee visited Mother McGehee at Canyon the latter part of last week.

Chas Rogers and family have lately moved to the Watson place.

Born to Mr. and Mrs. B. McCoy, a big fine boy last Thursday night.

Mr. and Mrs. Mack Gillham are also the proud parents of a bouncing boy, born April 14.

Mrs. Reuben Rogers was quite sick last Thursday night with asthma.

W. G. Franklin and Jim Sluder made a business trip to Amarillo Saturday.

The school children enjoyed an Easter egg hunt last Friday evening on the draw.

People have been planting gardens and field seed like spring had arrived but from the way the snow is falling April 18, we may have some more winter weather.

Prof. Paul Foster spent the week end with home folks at Canyon.

Mr. and Mrs. John Burgess and children accompanied by her father and mother, Mr. and Mrs. Crawford of near Happy attended the Easter program, also church.

The Methodist revival services began Sunday night by Rev. Wilson. Rev. Smallwood is to come Tuesday and continue the services the rest of the week. Morning services at 11 o'clock; evening services at 8:15. Quarterly conference is to be held Saturday. Dinner will be served on the ground that day.

Campbell Notes

Sydney and Rentic Dodson of Melbourne, Ky., are visiting their sister, Mrs. O. S. Brown.

Mr. and Mrs. Bob Thomas have moved to the Snyder farm.

Mrs. G. R. Stratton and son Robert, attended the ball game at Tulia Monday.

Mrs. Boyd has recovered from an attack of appendicitis and was at the Country Woman's Club Tuesday.

O. E. Thomas returned to Grapevine after spending his vacation with relatives here.

Mr. and Mrs. Jess Weaver, and children have moved on the T. A. Dowlen ranch.

Bernice Dowlen of Amarillo spent the week end at home.

Rentic Dodson was in Happy Monday on business.

Frank Clark has gone to Mineral Wells and will be there some weeks.

Marjorie Gordon-Cummings entered

tained some of her friends at a birthday party at her home Monday.

PRESBYTERIAN CHURCH

We all rejoice in the fact that our Easter services were of great inspirational value to our church. The morning service will be long remembered by all who were there. The power of God's Spirit was felt and manifested at that hour. 23 members were added to the church.

We were also glad to have with us at the evening services the Knights Templar of Canyon.

It is hoped that we will enter with all our hearts into the services of next Sunday. We can make all our Sundays days of deep spiritual value if we will but put our hearts into the work, worship, and prayer of the day.

The Sunday School has shown an increase in attendance the past two Sundays. We invite you who are not now coming to do so next Sunday and make the attendance yet larger.

If you are in Canyon without a church home we invite you to find one in our midst.

A welcome awaits all at the Presbyterian Church.

TED P. HOLIFIELD, Pastor.

NOTICE

Some persons have been using the public roads near town for a dumping ground. This is a violation of the law and if not discontinued at once, the guilty parties will be prosecuted.

WORTH A. JENNINGS, County Judge.

BACK ON THE JOB.

I have bought back my old dray line from Mr. Irons and now am ready to serve you again in the dray business as efficiently as I used to do.

I shall certainly appreciate your patronage and shall strive at all times to give you prompt and efficient service, in heavy and light hauling.

A. E. DRIVER.

NORMAL BARBER SHOP

I have bought the Normal Barber Shop on the east side of the square from M. B. Bryant, and am now in charge of the business.

I most cordially invite all of the past patrons of this shop to call in and get acquainted, and trust that you will continue to give us your business as in the past.

I hope to make new friends for this shop, and invite those who have not been coming here for their work to call and see us.

Home Grown Money

There is no money as good as home grown money. Moreover, money which is grown in and around Canyon should be invested right where it was produced.

Money which is made and spent by the farmer, the merchant, the doctor and the lawyer will contribute directly to the prosperity of this community when kept right at home. Let's not send an unnecessary dollar away.

ANNOUNCEMENT

I take this method of announcing to the people of Canyon and Randall County that I have bought the Foy Tailor Shop and am now in charge of the business.

I shall take great pleasure in being of service to you in this business, and ask that you give us a chance to demonstrate our ability in this line.

I shall be glad to meet all of the former patrons of the business and trust to gain many new regular customers.

BEN MABRY
