

STREETS OF CITY RE-NAMED AND HOUSES NUMBERED

KANSAS CITY DIRECTORY CO. NOW AT WORK IN CANYON.

Avenues Run East and West and Streets Will Run North and South Under the Philadelphia System.

A contract was entered into yesterday by the City Commission and the Kansas City Directory Company to put up street signs in Canyon and to number the houses in town.

Canyon is in line for free mail delivery, as the Postoffice receipts are now \$12,000.00 per year, and all towns with receipts of \$5,000.00 may have free mail delivery under certain conditions. One condition is the numbering of all houses.

The streets will be renamed by the City Commission. The Avenues will run east and west and the Streets north and south. The Philadelphia system will be used, of 100 for each block, commencing with 100 in the first block from base, 200 in the second block, etc. First Avenue, first street north of the railroad running east and west, is the base for numbering the avenues. First Street will be the first street east of the railroad track. Houston street will become Fourth Avenue and Evelyn street will become Fifth Avenue. Very few people in Canyon know the names of the streets running north and south, but under the new system, they will be distinctive.

In the business section of the city numbers are determined for each 30 feet of street frontage, regardless of the size of lot. In the residence district, numbers are determined for each 50 feet of street frontage. Even numbers will be on the right and odd numbers on the left from the different bases.

Numbers for the houses are approved by the postal department and will cost 50 cents for each house. The material for the street names have been ordered and will be put up within a short while.

Randall County is in Debt Only \$90,400 at the Present Time

Randall county is in excellent financial condition according to Judge R. L. Lester.

The county has outstanding bonds and warrants of \$128,000.00. The county holds \$37,600 in Liberty Bonds, city bonds and school bonds. This brings the total indebtedness down to the above figure of \$90,400.

There is probably not a county on the Plains with so low a debt and having so much to show for the debt.

Judge Lester states that the highways will be put in as good condition as possible before such a time as the state takes them over on January first. Outside of a few places where the road is low, Judge Lester states that the highways have been put in first class condition by dragging.

PRESIDENT MORELOCK HERE

President H. W. Morelock was in the city from Saturday until Monday visiting with his many friends. He was on his way home to Alpine from the meeting of the State Federation of Women's Clubs held at Wichita Falls.

Mr. Morelock was head of the English department of the West Texas Teachers College from the time of its opening until last spring when he was elected president of the Sul Ross College at Alpine.

RETURNS FROM GALVESTON.

Mrs. B. T. Johnson returned Sunday from Galveston where she attended the State Baptist Convention last week. She says that the meeting this year was the greatest she has ever attended.

Rev. Lyn Claybrook, pastor of the local Baptist Church, attended the meeting.

BOUGHT DOWNING PLACE.

J. F. Love of Godley, Texas, has bought the 735 acre farm of S. M. Downing east of Canyon and arrived Saturday with his family. His son and family are also moving to the place. Mr. Love is a prosperous farmer and comes to Randall county on account of the wonderful opportunities of this section.

PLANT SOME TREES—NOW!

New City Hall Costs Only \$3222.13 On Account of Donations

Mayor C. N. Harrison states that the new City Hall cost just \$3222.13 on account of the large number of donations which were made to the building by the various supply companies who had furnished material during the paving program.

The lowest bid that was received on the building for the money expended in material and labor was \$5200. The city saved nearly \$2000 by looking after the job during the period of construction.

The city offices are now located in the new building as well as all of the fire fighting apparatus. A lease has been given Randall county on the room in the rear of the building which is used as a jail. Under the terms of the lease, the city agrees to take the jail off the hands of the county at an appraised value at any time the county sees fit to build a jail of its own.

Grain Turning Out Better Than Was Expected in Umbarger Section

Leo Stocker of Umbarger was in the city Tuesday and states that heads and grain are coming into the Umbarger market very fast. Heads are selling at from \$15 to \$20 per ton, and threshed grain from 1.50 to \$1.60 per hundred.

Mr. Stocker states that he has had his combine running for some time threshing heads, and has now leased it to Wm Ash at the elevator. Many of the farmers are selling grain instead of the bundles. Under ordinary conditions, heads are more profitable than grain, but this does not seem to be the case this year. Mr. Stocker tells of having cleared a profit of \$2.00 per load several farmers having cleared a profit of \$2.00 per load by threshing the heads.

A few car loads of heads have been shipped by the dealers at Umbarger, but Mr. Stocker states that a loss has been sustained on some owing to the head spoiling in transit owing to the great amount of moisture. He told of heads that looked almost worthless having been threshed to a good return to the farmers.

ATTENDED SCHOOL RALLY.

President and Mrs. J. A. Hill, Mrs. T. V. Reeves, J. W. Reid and Frank R. Phillips attended the school rally in White Deer Tuesday. Several College graduates are teaching in that school. A banquet for sixty people was served by the domestic science department of the school, Mrs. Floyd Golden, head of this department of the school being in charge.

The Canyon party spent a short time in Panhandle and Amarillo.

BAND AT CHAPEL

Five selections over a wide range of band music were presented by the College thirty-piece band at its initial chapel concert Wednesday morning.

Under the direction of Professor C. E. Strain the organization rendered the following program:

March: "Officer of the Day."
Overture: "American Federation."
Indian Medicine Dance.
Waltz: "Mighty Lak a Rose"
"The Farewell Blues."

The band will make a tour of the Panhandle next spring under the auspices of the Teachers College and the Commercial Club of Canyon.

PLANT SOME TREES—NOW!

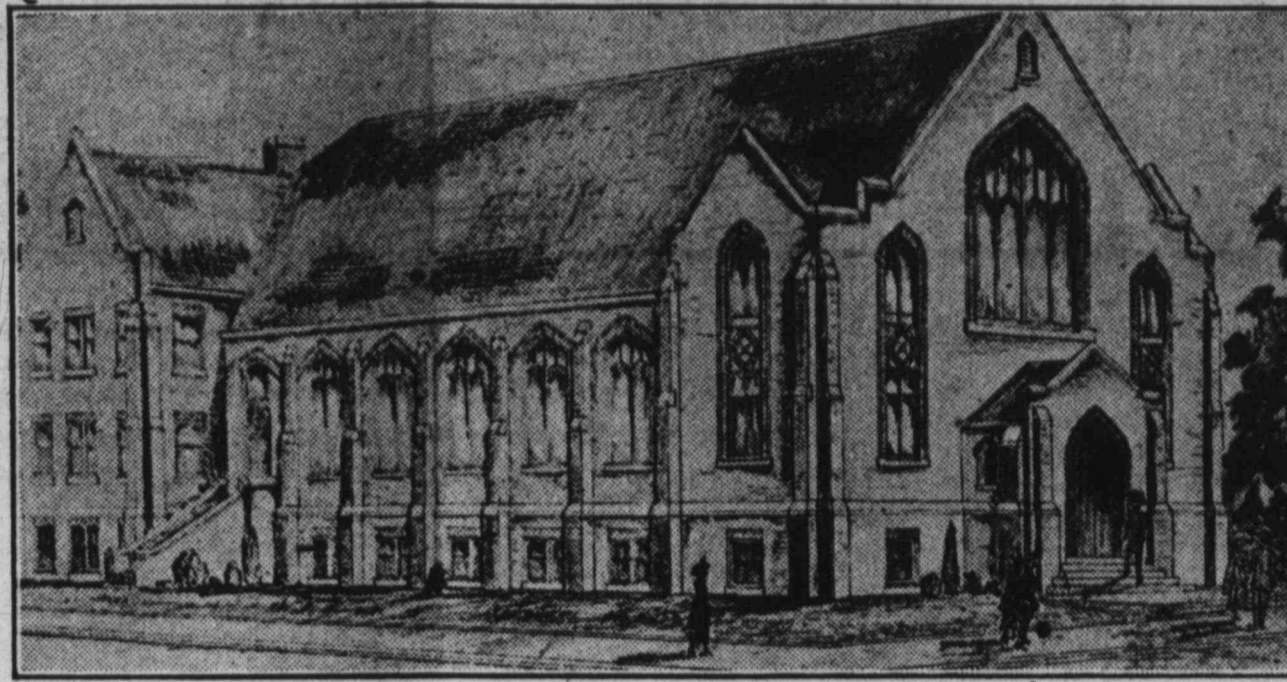

Wallace Cotton Produces Third Bale to Acre—Ginned Tuesday

Jeff Wallace is the first man to produce a bale of cotton in this section of the county. He hauled his cotton to Tulla Thursday and had it ginned. Mr. Wallace is highly pleased with the experiment, having produced one-third of a bale to the acre.

Mr. Wallace hauled 4,000 pounds of bolls to the gin. He got two bales of 450 pounds each and a ton of seed worth \$40. He was offered 26½ cents per-pound for the cotton, but did not sell it. This cotton was produced on six acres.

The experiments in Randall county this year have been highly pleasing, and indications are that the acreage will be very large next year.

New \$60,000 Methodist Church Under Construction

AMARILLO CLUB GUEST OF COLLEGE LAST THURSDAY

MORE THAN HUNDRED GUESTS AT COUSINS HALL.

Better Relationship Between Amarillo and the College Stressed at Meeting.

Over one hundred Kiwanians, their wives and sweethearts, from Amarillo were entertained at the banquet given them by the Teachers College at Cousins Hall last Thursday evening. The Kiwanians together with a few members of the College faculty and the Prairie Staff filled the dining room to capacity.

The visitors came to Canyon in cars, leaving Amarillo at 6:30 in the afternoon and arriving here between 7:30 and 8:00 o'clock. A receiving line of a large number of Potter County students, headed by President and Mrs. J. A. Hill, welcomed the Kiwanians to the College and Cousins Hall, and members of the faculty entertained the visitors in the reception room prior to their going into the dining room.

President Hill Toastmaster

President Hill, acting as toastmaster, stated that he had acted as master of ceremonies at many kinds of meetings, but that this was the first time he had been master at a Kiwanian Club meeting. In his initial speech, he told of the College's purpose in inviting the Kiwanian Club to Canyon. He emphasized the fact that the Teachers College belongs to Amarillo as much as to any other town, and that she should support it—that the college could help Amarillo and that Amarillo could help the College. He told of the benefits Amarillo is deriving and can derive from this institution. Every College needs a real city close at hand, and Amarillo is the one for this institution. The more Amarillo grows the more this institution will grow.

Mr. Hill cited examples of how much money the College is spending in the neighboring city. Three hundred students came through Amarillo when they came here to school, and practically every student here now has been to Amarillo one or more times since school began. Only 30 students are in this institution from Amarillo against 43 from Floyd County, and it is hoped that through the cementing of friendship between the school and Amarillo both may be greatly benefited.

Program Rendered

Rev. Gordon Lang, head of the Department of Sociology, pronounced the invocation. During the dinner the College orchestra furnished music and were frequently encoored by the visitors. Miss Ada Clark, of the Music Department, rendered a vocal solo; Miss Mary Clark, a violin solo; and Miss Vernita Stewart, of the Expression Department, a series of readings in Italian dialect.

In the midst of the dinner a chorus of fifteen or twenty Amarillo girls who are in school here marched into the dining room singing songs in honor of the Amarillo visitors. The girls were dressed in white dresses and sweaters and wearing gold ribbons with "Amarillo" printed across them in black, carrying out the colors of the Amarillo High School.

Mrs. T. V. Reeves, director of the Department of Extension, told of the purposes of the Panhandle-Plains Historical Society, of which Judge Tom Turner of Amarillo is president, and pled for support and co-operation in gathering together the historic documents and relics of the country.

Prof. J. W. Reid, recently head of the Chemistry Department and now a

THANKSGIVING COMES NEXT THURSDAY—NEWS OUT EARLY

Observing a custom of thirteen years the Randall County News will be published on Wednesday of next week in order that the News force may observe Thanksgiving Day as a holiday.

All advertisers and correspondents will please take notice and get copy to the News office one day earlier than usual in order to insure publication in the Thanksgiving edition. We thank you.

Randall County Has 199 Students Now Attending College

According to figures that were compiled October 26, 1923, Randall County has 199 students pursuing their college work in the West Texas State Teachers College. Of this number, 65 are young men and 134 are young women. All of them give their addresses as Canyon; there are quite a number of students whose names do not appear on the Randall County list who really live in Randall County, but who get their mail at Amarillo; at any rate the two counties, Potter and Randall together have 230 young people doing work in the college.

SCHOOL FACULTY ENTERTAINED

On Tuesday evening, the home of Mrs. C. N. Harrison was thrown open to the teachers of our Public School and their friends. The ever-popular game of forty-two was played until a late hour and the merry laughter and happy conversation which was continuous throughout the evening was proof of the good time had by those present. A delicious plate luncheon served at the close of the games, following which the guests bade the hostesses "good night," declaring the party a delightful one in every way.

Mrs. Harrison, as chairman of the social committee of the P. T. A., assisted by Mrs. J. W. Green and Mrs. Marion Bishir, gave the party, honoring the teachers, in the name of the Parent-Teachers Association.—Contributed.

Buffaloes Lost to Commerce Yesterday By Score of 20 to 6

The Buffaloes lost the third T. I. A. A. game yesterday at Commerce by a score of 20 to 6. The score at the end of the first half was 14 to 3 in favor of Commerce.

No particulars of the game have been received.

QUESTION OF COTTON GIN IN CANYON TO COME BEFORE LUNCHEON ON TUESDAY—OTHER LEADING QUESTIONS

Are you interested in a cotton gin in Canyon next year?

Every farmer, business man and professional man who is interested in the question should attend the Commercial Club luncheon next Tuesday evening at 7:00 o'clock as the question will be discussed.

The cotton gin is not the only big question to come before the meeting, however.

Attend the luncheon and help make a greater town of Canyon.

Those who cannot get to the luncheon are invited to come to the business meeting which will start at about eight o'clock.

SHEPPARD URGES AMERICA ACCEPT LEAGUE NATIONS

ADDRESSED LARGE AUDIENCE AT COLLEGE AUDITORIUM.

Praised Part of Woodrow Wilson During the War and During the Peace Conference.

United States Senator Morris Sheppard spoke Monday night at 7:30 at the College auditorium to a very large audience on the question of the League of Nations.

The Senator is spending considerable time in Texas speaking in various parts of the state on the questions of the day. He will return to Washington for the opening of Congress next month. Senator Sheppard announced at Wichita Falls last week that he would be a candidate to succeed himself in the senate in the July primaries next year.

Senator Sheppard stated that the world thought in 1914 that it would be impossible for selfish interests to suddenly plunge the world into a great war. Yet without a moment's notice this very thing happened.

The part of America in the war was highly praised by the speaker. It was an unselfish devotion of a noble people.

Due to the efforts of Woodrow Wilson, the League of Nations was written into the Treaty of Versailles. The League has more than justified its existence. It is perfecting a machine to prevent war.

The League of Nations represents the purpose for which we entered the war. It was suggested by Woodrow Wilson on April 2, 1917, when American

(Continued on page four)

College Boys are In Demand to Pick In Cotton Fields

Saturday, November 17, is history. A demand upon President J. A. Hill for fifteen or twenty boys to pick cotton Monday which was a holiday for the students in the normal school is also history.

Saturday was the first time in the history of the institution that a demand has been made for cotton pickers. Officials of the school believe that within the next twenty years students will have an opportunity to work in the cotton fields at every available time thus making it possible for more students to defray their expenses while in school.

HAS BIG BEETS

In gathering up a row of beets recently H. A. Williams found that he had an unusually large beet among many large specimens and upon weighing the beet found it to weigh five and one half pounds. Mr. Williams had a beet from his garden weighed in the summer that tipped the scales at seven and one-quarter pounds.

BONDS ARE APPROVED.

The bonds for District No. 17, the Garrison School, have been approved by the Attorney General. The \$2,000 bond issue will be used to improve the present school building.

LARGE NUMBER OF TREES TO BE SET OUT BY CITIZENS

ELM, ASH AND HONEY LOCUST ARE FAVORITES.

F. P. Guenther and Dr. S. L. Ingham Inspect Trees of Nurseries in Order to Get the Very Best.

Nearly five hundred trees will be set out in Canyon this fall, according to the committee recently appointed on trees by the Commercial Club. F. P. Guenther is chairman of the committee.

Committees have been at work in the city during the past week seeing the citizens who are interested in trees to replace the locust which are about all dead. The Honey Locust, Elm and Ash are the favorite trees to be ordered.

F. P. Guenther and Dr. S. L. Ingham went to Hereford yesterday afternoon to inspect the nursery stock, and will likely go to Plainview soon to see what may be had in the way of good trees.

Owing to the fact that the tree order will amount to several hundred dollars, the nursery which gets the order from the committee will be required to deliver the trees in Canyon and to deliver each one who orders his trees. The date for delivery will be announced as soon as possible.

Mr. Guenther stated that all orders for trees must be placed with him at once in order to get into the lot shipment. Trees in this lot will be considerably cheaper than they would be if each individual in Canyon had to buy separately his supply of trees.

Mr. Guenther states that trees ought to be planted as soon as possible. He urges that all who ordered trees to get the holes dug, and be ready to take the trees from the nurseryman as soon as they reach Canyon.

Red Cross Drive to Continue Through Thanksgiving Day

Randall county's quota in the Red Cross Annual Roll Call is \$267.

Up to yesterday, \$109 had been reported to Captain H. C. Gamble on the Roll Call.

The Roll Call continues until Thanksgiving Day. An effort will be made to see that Randall County reports her quota in full by the end of next Thursday.

Answer the Roll Call. It is very important.

ELECTED ASSISTANT CASHIER.

M. R. McReynolds has been elected by the Board of Directors of the First National Bank to become Assistant Cashier of this Bank at a recent meeting.

Mr. McReynolds has been connected with the Bank for a number of years and is highly qualified for the position to which he has been elected.

FIRE ALARM SOUNDED.

The fire alarm sounded at 7:00 a. m. Saturday, calling the department to the house east of the Service Lumber Company. A chimney fire was found and no damage reported.

The fire department was called to the Martin Variety Store yesterday afternoon on account of a chimney fire. There was no damage.

STORK SPECIALS.

A daughter was born to Mr. and Mrs. Geo. Schaeffer Nov. 14. A daughter was born to Mr. and Mrs. J. L. Penn on Nov. 14.

MARRIAGE LICENSE.

A marriage license was issued to W. F. Marker and Miss Rosa Herman on Nov. 14.

PLANT SOME TREES—NOW!

SCHOOL TAXES ARE DUE! PAY THEM THIS WEEK!

School taxes are due for the year 1923.

The school trustees call upon the patriotic citizens of Canyon to pay their school taxes this week as Friday is another pay day for the teachers and the money is badly needed. Money that is borrowed to run the schools requires interest, and every dollar paid out in interest takes a dollar from the fund much needed to run the schools.

Foreign Advertising Representative
THE AMERICAN PRESS ASSOCIATION

The question has been raised among country newspapers as to the proper attitude toward our state candidates. The Dallas News asks that proper publicity be given free of charge and for years it has set the example by devoting scores of valuable pages to the candidates during the heat of the campaign. Various newspapers have expressed their opinion pro and con. The Claude News objects very seriously to giving space to candidates for office as it costs the publishers actual money to produce the publicity that might be free to the candidate and suggests that as the state pays its officers a salary that these candidates pay for all publicity. The Claude News is right so far as actual business is concerned, but we believe the Claude paper to be wrong as a matter of fact. A newspaper whether published in a city or a country town is a public utility. A public utility gives service to its customers. News is the service that the customers expect from his newspaper. If there is no news there is no newspaper. Political news is probably the most interesting to a majority of the American public. The newspapers are the first to criticize the acts of our public servants. If the right kind of men are in office we may expect the right kind of government. If we do not use care in the selection of our public servants, we may expect little from their administration. The average salary of a state official will little more than pay his expenses. The salary, if it may be termed a salary, give members of the legislature will not keep them while in office. If we demand from all candidates long and expensive campaigns, there is not a public office that will pay the expenses of the successful candidate for state office. Members of the legislature come in for the hardest criticism from the press and the people, yet these men serve for \$5.00 per day while actually working in Austin. Is it better for the newspapers to contribute a little space in order that the people may be guided in the selection of capable officials, or is it the wise thing to continue to use more space in criticizing the acts of officials whom are termed to be inefficient, or who go to Austin for personal gain and profit? We believe it better to inform the voters of the worth of a candidate, rather than wait in order to uphold to the public the short-coming and incapacity of the one who is elected to office.

Hon. Lee Satterwhite, our state representative, states that he will not become a candidate for the senate from the new Panhandle district. He will be a candidate for Speaker of the House, if returned to the legislature by the voters of this district. This leaves the race open for J. W. Reid of Canyon, as a candidate for the senate. Mr. Reid is receiving scores of letters from over the district pledging support and several thousand letters are going out weekly, written by friends of Mr. Reid to voters in this district telling of the real worth of Mr. Reid as a citizen and of his ability should he be elected to the senate.

A good many people in Canyon have been wondering during the past few weeks what would have been the condition of our streets at the present time were it not for the paving. It is altogether likely that our public square would have been a popular fishing ground by this time had the paving not been completed, but instead of fishing for the finny tribe our people would have been searching for automobiles which had sunk beneath the surface of the mire.

Hiram Johnson announces he is a candidate for the Republican nomination for president. Pinchot and LaFollette have previously indicated they would be in the race. President Coolidge will certainly be a candidate. It looks as though politics would be warm in the Republican campaign next year. Johnson is one of those kind who would gladly split his party if he cannot control the convention.

The proposal of issuing \$15,000.00 additional bonds in the Canyon City Independent School District to pay for the equipment of the new building is meeting the approval of the tax payers since it has been explained to them. The fact that the bond issue does not mean increased taxation is clearly seen by all of the voters, and they are anxious to save the difference of 2 1/2% interest between the present warrants and the proposed bonds. There is no danger of the bond issue being defeated if those interested will only vote December 11th. The danger always comes from those favoring the bond issue taking no interest in the election. The proper way to finance any debt is with the lowest rate of interest possible. The bond election is for this purpose, and for this purpose alone. Those who vote against the bond issue will do so either because they will vote against any bond issue, or against any tax issue, or are unwilling to investigate the conditions and judge the case upon its merits.

Col. Ernest O. Thompson of Amarillo was spoken of as a possible candidate against J. W. Reid of Canyon for the Senate from the new district. Col. Thompson announced last week that he was not a candidate for any office. Col. Thompson was in Canyon Monday evening, and authorized the News to state that he was for J. W. Reid for the Senate, and that he knew of no better qualified man in the district to serve in the Senate than J. W. Reid. Col. Thompson stated that he has pledged Mr. Reid that he would do everything in his power to insure Reid's election.

While the planting of trees is being advocated as a matter of civic welfare and of individual good, we might mention that some of the weeds that are just about ready to begin rolling, scattering seeds and piling against fences, might be raked and burned. Good citizenship should have demanded that they had been cut last summer, but as it stands at the present time, there are many spots about town that are a disgrace, and some steps should be made now to burn the nuisance. Perhaps the man who thought it was too hot to work when they should have been cut will say it's too cold now to burn them. What do you say neighbor—let's burn the weeds and trash.

Hon. Lynch Davidson of Houston, has announced as a candidate for governor. Mr. Davidson was lieutenant governor for one term. He declined to make the race last year for re-election having in mind the fact that he would be a candidate for governor this year. Our present lieutenant governor, Hon. T. W. Davidson, is also a candidate for governor. The fact that two men bearing the same name is on the ticket for the same office will be very confusing to the voters and may be disastrous to both of the Davidsons. It might be wise on the part of the Davidsons to draw straws to see whom it shall be that will make the race.

Pampa News: Our idea of zero in advertising is the so-called "country store," when an alleged comedian gives away prizes donated by the local merchants. For the sack of flour the "advertiser" often donates he has the pleasure of hearing his name called out, and often times incorrectly pronounced at that. It's an advertisement for the show, but that it all that can be said of it.

It is not too early to begin to think about Christmas shopping and get that all-important item out of the way before the last minute. Of course, there is no danger of many people doing this, as Christmas would not be Christmas without the usual last minute mad rush to buy suitable gifts.

A Texas newspaper calls the "General laws of the state of Texas passed by the 38th legislature" as "the Texas Book of Jokes." Is that the way Texans, as a whole look upon their government? Is the state government

of Texas so bad or so inefficient that its acts are merely a joke? Can the greatest state in the United States long continue great in this condition if the above remark is true? If the statement is true, then who is to blame? To begin with, we believe that the statement is wholly untrue and uncalled for, and if there is any truth in it, the only people to be condemned for such a situation are the voters themselves. The members of our legislature are only the mouthpiece of the voters and if the voters of Texas have become so indifferent to the welfare of the state, then they should be called upon to take greater interest in their government, rather than jump upon the inefficient acts of those whom they elect to the legislature.

Wheeler News-Review: J. W. Reid is a candidate for State Senator from the new senatorial district. He is

highly recommended by Clyde Warwick of the Randall County News. Warwick is a fine fellow and while we do not know Reid personally, having never met him, we are willing to take Warwick's word that he is all right.

McAdoo has announced as a democrat candidate for president. Underwood has been in the race for some time. McAdoo moved to California a few months ago trusting that the influence of the west would make him a successful candidate. At the present time there is no doubt of him being the most popular candidate for the democratic nomination. However, it is a long time until the convention next year and many things are liable to happen within that period.

Citizens of Canyon are being urged to plant trees this year and to do their bit in an enterprise that will beautify

the city, increase the value of property, and make life more worth living. A city of trees in ten years is the goal. Trees are an asset to any piece of property within the city limits. Trees cost little and this year with the unusual season, they will not have to be watered before summer and will be started in good growth by that time. Every citizen should make it a part of his work to see that influence is brought to bear upon the citizenship for more trees for Canyon and consequently more value for the property in later years.

The big ranches of West Texas are rapidly being thrown upon the market and it is probable that hundreds of farmers will find their way to our section. The raising of cotton is no longer an experiment on the Plains. The past two years have proven that cotton may be raised successfully in our

section. Cotton farmers are coming to the Plains in large numbers.

Poor old Germany is certainly to go through another period of suffering. The Ex-Kaiser and Ex-Crown Prince are on their way home. If Germany realized what these two gentlemen have done for their country, they would not be welcomed guests. As a matter of fact, however, they will be welcomed home by millions of Germans who have no other conceptions of government than the Kaiser brand, which they have been educated through long years of suffering to regard as the only legitimate kind of government.

man in this great section, and will be greatly missed by his fellow newspaper workers. He was elected president of the Panhandle Press Association and poet of the Texas Press Association last spring. The best wishes of the Panhandle Press Association will go with Loomis to his new field.

The professional evangelists were given a note of warning at the Methodist conference at Plainview, last week. The professional evangelists raise more hell and does less good than any class of individuals in our church. The professional evolutionist is being kicked out by many denominations but usually he is a saint in comparison with the professional evangelist.

Governor Walton was impeached by the Oklahoma senate Monday. This was as it should be. Walton was the biggest grafter ever elected to public office. His fight with the Klan was a mere side issue, no doubt brought about to detract attention from his maladministration when the facts of his acts were being brought before the people.

Of the seventeen million automobiles on this earth, fourteen million are in the United States. Yet with this great investment in cars, America is a nation of home owning people, and a larger percent of our people own their homes than in any other nation on the face of the globe.

William R. Basset in Collier's declares that 99 men in every 100 are honest. Yet that one fellow often causes the other 99 a lot of grief.

Answer the Red Cross Annual Roll Call. This great organization needs every American citizen on its membership roll, and every citizen needs the Red Cross.

City of Amarillo
Amarillo, Texas, Nov. 16, 1923.
Randall County News,
Canyon, Texas.
Gentlemen:

I am in receipt of your 48-page Edition of your City and County Improvement Edition of your Randall County News. You have struck the "Bull's eye" in this edition. Of course you had good material to work with, with your vigorous young city with its splendid present rapid growth.

Now, we want to work together and connect our two cities with a paved highway, which I am sure will be to our mutual benefit. It is a pity that such gems of West Texas as the cities of Canyon and Amarillo are, that they are often separated by eighteen miles of mud. With the paving we can each be a suburb to the other.

Yours very truly,
EUGENE S. BLASEDEL,
Mayor of Amarillo.

Western Newspaper Union
Wichita, Kans., Nov. 14, 1923.
Mr. C. W. Warwick,
Randall County News,
Canyon, Texas.

Dear Mr. Warwick:
Your City and County Improvement Edition carrying the date of October 25, reached my desk several days ago, but I have just found time to look it over.

It hardly seems possible that an edition of this magnitude could be put over in a town the size of Canyon. This edition certainly speaks volumes for yourself and the merchants of Canyon; in fact, it is an edition that would do justice to a town of 25,000 people. The composition, imposition and press-work are exceptionally good and the class of matter seems to be well selected.

Wishing you continued success and with kindest regards, we are,

Yours very truly,
Western Newspaper Union,
C. E. Downes.

State Press, Dallas News: Editor Warwick's Home Beautifying Edition did not reach State Press, perhaps because of high freight rates, but a forty-eight-page paper devoted to the admirable work of home beautification has the outright and utmost indorsement of this composer. Canyon homes have the same right to be beautiful, and the same chance, that homes in larger cities have. It appears to be the idea of some home owners in the smaller towns that there is no use in ornamenting the place where they live because it isn't a city. That is futile philosophy. Home is home, whether large or small, whether its environment is rural or urban, forest or plains. Canyon several years ago spent a large sum of money in bonusing one of the State schools. That was good business, doubtless, for the school would have been welcomed by any community in the State. But half as much money spent in beautifying the homes at Canyon would make that little city as impressive and desirable as a place of residence as the Teachers College makes it. Why shouldn't Canyon have both, a splendid college and beautiful homes? Why shouldn't any town have attractive homes? Why will so many families spend thousands on automobiles and begrudge just a few dollars on their houses? Why hire the car painted every year or two and never have the garage rouged? Why demand opulent upholstery for the car and be content with a splint-bottom chair in the house? Why buy drug store roses for the face and never spend a cent for rose bushes beside the porch? Why put a lot of capital into a four-gallon hat and leave the front steps to rot and rattle in disrepair? Why give the home the worst of it when it is entitled to the best of it?

John S. Brittain Dry Goods Co.
St. Joseph, Mo., Nov. 16, 1923.
Mr. W. A. Warren,
Canyon, Texas.
Dear Mr. Warren:

We wish to acknowledge receipt of your local paper issued under date of October 25th, which contains a picture of yourself and your store.

This is indeed a very nice write-up and you are to be congratulated upon the excellent appearance of your store. It is indeed a neat appearing stock of merchandise, judging from the picture, and we cannot help but believe you have a very attractive looking store and that you are going to keep it that way, keeping only clean merchandise, and that you will build up a very successful and profitable business. You certainly have our best wishes, and we want you to feel that we are very much interested in your success and will do everything we can to help you.

Thanking you very kindly for all favors, with best wishes and kindest personal regards, we are

Yours very truly,
John S. Brittain Dry Goods Co.
By Chas. A. Wells.

Texas Farm Bureau Cotton Assn.
Dallas, Texas, Nov 5, 1923.

Mr. C. W. Warwick,
Editor, Randall County News,
Canyon, Texas.
Dear Mr. Warwick:

Your City and County Improvement Edition, of October 25th was received this morning and has attracted a great deal of attention and interest here.

I can not help but acknowledge receipt of this edition and express congratulations on the complete, thorough, forceful and neat manner that this edition has been prepared.

It is a pleasure to see such a publication, full of live facts and convincing arguments, to say nothing of the clearness of your cuts, and the well-balanced make-up of the entire sheet.

I really believe that you should feel

NEW LOAN FUND IS ESTABLISHED

JOHN DALRYMPLE OF LUBBOCK STARTS NEW FUND.

Donates \$300 to be Loaned to Worthy Students Who Desire and Need Help.

John Dalrymple of the Panhandle Construction Company, with headquarters at Lubbock, recently conveyed to President J. A. Hill, Trustee, cash and securities in the sum of \$300, same to be loaned to worthy and needy students of the West Texas State Teachers College. President Hill is instructed to administer this fund as he sees fit, keeping in mind the purpose to help those who most deserve help.

The fund will be known as the John Dalrymple Student Loan Fund and will be placed in the hands of a bonded custodian who will administer it under the general direction of the President of the College. Sworn statements will be made annually on September 1, to Mr. Dalrymple, who will thus be able to see how his benefaction is being used. Every legal protection will be thrown about this fund so as to guarantee its safe administration.

President Hill states that the donation comes at a very opportune time, as there are dozens of students now in college who will be compelled to help before the close of school. At least \$3,000 is needed now to take care of worthy students who cannot be helped from the Gregg Cousins Memorial Loan Fund or the Alan Bailey Martin Memorial Loan Fund. Ten men or organizations duplicating the Dalrymple trick would relieve the situation and render a splendid service to their country.

John Dalrymple is a big-brained and big-hearted man and his gift will be a benediction to many a deserving Texas youth.

well pleased over your latest accomplishment.

Yours very truly,
O. M. LOWRY,
Director Dept. of Information.

Reykjavik, the capital city of Iceland, will not worry about coal for household heating if the city authorities succeed in their plans for utilizing the geysers and hot springs outside the city. They believe that it is practical to bring the hot water into the city through wooden pipes and make it available to all householders. The waters from the geysers are always hot enough to keep radiators sizzling.

A branch office of a New York bank that has been established aboard the steamship Leviathan does a brisk business in cashing travelers' checks and changing money from one currency to another. It also does a general banking business for the purser's office, the radio, post office, restaurant and the many shops aboard the ship. Another service is cashing wireless money orders for passengers. One such payment was made in twenty minutes from the time the passenger discovered that he was out of money.

Basketball Men Begin Practice

Squad after squad of husky athletes are now crowding the college gymnasium when it is available during the afternoon for basketball practice. Although the athletes are not directed by a coach, numbers work out during an afternoon and are getting in excellent condition for the training for the cage season which starts soon after football season closes.

The prospects for a conference championship crew for the T. I. A. A. cage race are bright with Nay Hale, Lewis Hill, Odus Mitchell, Joe Lancaster, and Davis Hill of last year's squad back in the game. Then there is a string of Yearlings who have all the stuff needed for good teams but are not as fast as the unbeatable combination named above.

THIRTY-POUND PORCUPINE CAPTURED NEAR HEREFORD

A big porcupine, weighing about thirty pounds, was captured Thursday morning by John Patton, who lives eight miles west of Hereford. The animal was cornered in a field near the house and Mr. Patton was ably backed up by his dog in the argument that ensued.

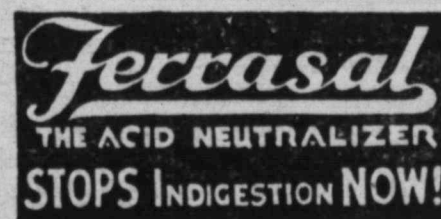

The animal is considered a big specimen of its kind. Mr. Patton brought him to town alive Thursday afternoon. The porcupine has barbed spines concealed in his whitish hair. It feeds chiefly on bark and leaves and generally lives in a timbered country. It is guess work as to how the animal ever wandered here.—Hereford Brand.

If the bowels do not act regularly, assist them with an occasional dose of Herbine. It is a fine bowel tonic and laxative. Price 60c. Sold by City Pharmacy. 3175

ACID STOMACH CAUSES ULCERS

"I believe I had as bad a case of acid stomach as anyone ever had. I was in such condition that my food would no longer assimilate or digest and sores developed in my mouth even. My stomach was so sore from ulcers that the pressure of my clothes hurt me. I used FERRASAL and it completely cured me. I will recommend it to anyone as the greatest remedy for acid stomach, constipation and indigestion."

HENRY G. DANNELLY,
5603 Goodwin St., Dallas, Texas.
Acid stomach is a seemingly harmless condition in itself. If not corrected it may result in ulcers of the stomach and then cancer. Don't neglect it. Buy a 50c box of FERRASAL from your druggist. We guarantee relief or your money refunded.

Come To See Us

Since buying the McQueen Drug Store last week, we have been highly pleased with the cordial reception accorded by the people of Randall county, and the many kind words of best wishes extended.

We want to become better acquainted with the Randall county people.

We want you to visit our store often and tell us your needs.

It shall be our aim to have the best stocked Drug Store in West Texas, and shall appreciate any suggestions you can make to improve our store that it will better serve you.

We want the former customers of the store to continue to do their business here, and hope to increase our list of customers very gratly.

J. J. Walker Drug Store

Wayside Items

Delightful weather prevails, roads have improved greatly, though still very rough. Wheat sowing, cotton picking, binding the row crops goes forward. Everyone is rejoicing to be able to work again.

Sunday School again last Sabbath, led by D. L. Adams. B. Y. P. U. Sunday night led by Mrs. Alice Grigsby.

School closed Monday morning for a week to allow the children to help gather the cotton crop.

M. C. Sluder and mother, also Miss Irene Crawford went to Happy Monday, where Miss Crawford caught the Red Ball stage for Tulsa, then on to her home.

Mrs. Merle and Aline McGehee visited with Mesdames Ella Heisler and Bertha Payne Monday afternoon.

A good attendance at the Tacky party Friday night at H. H. Gillham's. Miss Irene Crawford won the prize for being the tackiest dressed girl, and Ray Hamblen the tackiest boy. All reported an enjoyable time.

Miss Wilma Behrends spent the past week end with Miss Crawford at the W. J. Sluder home.

The McGehee tribe of Wayside are anticipating a great occasion on the 22nd of November, when they will celebrate Mother McGehee's 86th birthday at the home of her daughter, Miss Sallie McGehee in Canyon.

The many friends of Mrs. J. V. O'Neill will be sorry to hear of her being critically ill in the sanitarium at Amarillo. Judge O'Neill is with her.

Mrs. Macie Stockett and Roy visited with her parents Sunday afternoon.

A few young people accompanied Misses Crawford and Behrends Sunday afternoon on a kodaking party in the canyon. They report a fine time riding horseback.

Quite a number of the ladies and girls are making a good price picking cotton. We hear of some grand parents and on to great grand parents gathering the fleecy staple.

BAPTIST SERVICES

Rev. Lyn Claybrook returned Monday from Galveston, where he has been attending the Baptist Convention. He will be in his pulpit for regular services Sunday, with appropriate messages for both morning and evening services.

Sunday School, 10 a. m., John S. Humphreys, Supt.

11 o'clock a. m., sermon.
6 o'clock p. m., B. Y. P. U.
7 o'clock p. m., sermon.

Wednesday at 7 o'clock p. m. Prayer meeting.

All are urged to attend these services.

ALL SAINTS' EPISCOPAL CHURCH

The services in this church are in the charge of the Rev. E. H. J. Andrews, of St. Mark's Church, Plainview, and are held Sunday nights, excepting on the second Sunday of each month, when the service (Holy Communion) is at 11:30 o'clock. All are cordially invited.

FACULTY TEAM OUT

A basketball team composed of college professors will play a select quintet of husky athletes from the Cousins Literary Society soon at the college gymnasium. The proceeds will go toward the completion of a fund for the building of the Mary E. Hudspeth Hall which will be used as a co-operative home for girls.

SENATOR SHEPPARD SPOKE

(Continued from page one).

ca entered the war. The American people highly approved the plan at that time.

In 1920, after the League had been rejected by the senate, the Republican platform called for an association of nations to prevent war. Harding denounced the League of Nations. It remains to be seen what the attitude of the two parties will be on this question next year.

The Armament Conference and the World Court are not primarily associations to prevent war.

The Senator traced the course of Wilson during the war. In January, 1918, Germany was winning. Germany threw out a bait of peace in order to separate the allies. Wilson came before Congress and made Democracy's reply in his Fourteen Points, the last of which was the League of Nations, and used the almost identical language as finally became the famous Article X. The idea was accepted in America and among the allies.

When the Armistice had been signed, Wilson thought it his duty to go to the Peace Conference, and to put into the peace the foundation of a permanent peace. When he was received so royally in Europe, the partisans at home started to work. Senator Sheppard states that when the true history of the peace dealings are written it will make the American cheek burn with shame. Wilson lay his broken body on the altar for the principles for which we had fought.

After the first draft of the peace treaty was made, Wilson came back home and call into counsel the Foreign Relations committees of both branches of Congress where the draft was carefully gone over and agreed upon. Former President Taft spoke from the same platform with Woodrow Wilson and praised the idea of the League of Nations.

Wilson went back to Paris, taking with him suggestions from Taft, Root and other leading Americans. There was practically unanimous consent in the United States except for Article X. Senator Sheppard spoke at length on Article X, showing that it was only a world-wide Monroe Doctrine. The Monroe Doctrine had been enforced by the United States for more than a hundred years without the firing of a gun. If there is to be world peace there must be a world bond. No nation will disarm unless assured of no aggression from the outside. The speaker told of the long fight in the Senate.

There are fifty-five nations in the League today. It has been in operation for four years and has settled a number of controversies which might have led to war. The tragedy of all is that the United States has refused to join the League.

Senator Sheppard stated that more terrible war machines are being invented than the world has ever known. If there is another war gasses will be used that will wipe out entire communities. He places his hope in the prevention of another war in the women of America.

The speaker closed his address by an appeal for the Christ spirit in the affairs of this world.

HUNTLEIGH HAS TEAM

Huntleigh Hall, a girls dormitory at the West Texas State Teachers College has a squad of thirty five girls working for places on its basketball team. The squad takes daily workouts and are fast getting in shape for a season of games against local class and dormitory teams.

A hiking club for those girls who do not play basketball is also being organized by the dormitory which has more than 100 girls.

SOME SALARY

A friend of ours told us this story the other day, which may be as old as the hills, but it was new to us:

Three boys were talking about the salaries their fathers drew. One said, "You know, my father is president of a bank and draws \$10,000 a year." Another said, "That's nuthin'. My father is a railroad conductor and gets \$20,000 a year." The third one said, "Aw shucks, you boys don't know what a salary is. My father is a preacher, and it takes ten men to collect his salary; then they don't get it all."

DRAMATIC CLUB WORK

Members of the Dramatic Club at the College presented "King Krene's Daughter," a poetic drama translation from the Danish by Herz, at their regular meeting this week. The club had an interesting study through this play for quality essential for romantic production.

TEACHING BY SLIDES

The Geography Department of the College of which Miss Dorthulia Walker is the head, has received a new Bausch and Lomb lantern for use in the Department. Slides and films will probably be secured for the University of Texas.

DR. COOK GETS 14 YEARS

Dr. Cook was convicted and sentenced to 14 years in the Federal prison yesterday at Fort Worth. Fourteen other defendants were convicted. The government has four hundred oil fraud cases in Fort Worth to try.

College Book Store Filling Many Orders

Lee Johnson, manager of the College Book Store, says that many books are being sold to out of town clubs, schools, and individuals. The Store has also sold a number of books to the Canyon High School.

At present the store does not have a full supply of books on hand for correspondence courses, but a large order was recently made and all required books will be in stock within thirty days. Books for correspondence courses have been sent to Higgins, Hereford, Rule, Abilene, Avoca, and Wayside.

The College Book Store is well prepared to serve the people of this section in this way, and expects to make this line a specialty in the future.

GO RIGHT AT IT

Friends and Neighbors in Canyon Will Show You a Way.

Get at the root of the trouble. Rubbing an aching back may relieve it.

But won't cure it if the kidneys are weak.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it; Reach the cause; attack the pain. Are recommended by many Canyon people. Ask your neighbor!

Mrs. C. R. Correy, Canyon, says: "My back ached steadily and there was lameness and soreness in it which made it hard for me to stoop to do my housework. I got dizzy and black specks floated before my eyes. I had headaches and my kidneys were inflamed and irregular in action. I was advised to try Doan's Kidney Pills and bought some at the Holland Drug Co. Three boxes fixed up my kidneys and relieved my back."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Correy had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

PAMPA CANCELS GAME WITH THE EAGLES SATURDAY

FOOTBALL SEASON CLOSED WITH THE EAGLE TEAM.

Basketball Practice Starts With Big Squad of Men Fighting for a Place on the Team.

The Canyon high school Eagles were disappointed in having Pampa cancel out the game scheduled for last Saturday. The Pampa Harvesters stated the team was in very bad condition after the hard battle with the Amarillo Sandstorm.

Coach Webb tried for several days to get a game with some team and a final council of war was held Friday which resulted in the team disbanding for the season.

The Eagles team this year was the best in a number of years and would have been in the final district championship battle with Amarillo had it not been for the unfortunate trip to Floydada for the practice game, which was later counted against the Eagles and eliminated them from the district race.

Coach Webb has made a call for basketball men, and a large crew is at work on this sport. Indications are good for an exceptionally strong basketball team this winter, and the boys count on not being eliminated from the district championship race in basketball as they were in football.

The football boys and their friends enjoyed a party at the Legion Hall Saturday night.

Home Coming Will be Feature of Thanksgiving Bulldog Game

Home Coming for the West Texas State Teachers College will be the big feature of the Buffalo-Bulldog football game in Canyon on Thanksgiving.

Before leaving on the Denton-Commerce trip, Coach S. D. Burton started the biggest advertising campaign that has ever been made for a football game in Canyon. Advertising material will go to every town on the Plains and ex-students over the Panhandle will be urged to visit the College on that date.

Clarendon College is going to bring the biggest delegation the school has ever had in Canyon. A special train is likely from Clarendon.

The Buffalo team will probably go into the fray on Thanksgiving Day in the poorest condition of the season. The team has suffered more disastrous injuries this season than any season for years. The battle cry of the team and of the students will be distinctly "Beat the Bulldogs."

Another item of interest in connection with the game is the possibility of this game being the last between the two colleges. It has been announced by the Athletic Committee for the Buffaloes that athletic relationship has been severed with Clarendon College.

Basketball Team Is Organized at Huntleigh Hall

Huntleigh Hall has some good basketball material. The squad was formed this week, and about twenty-five girls have been out for practice. The prospects for a splendid team are very bright. Many of the girls have played on high school teams and a few practices will put them in form again.

Though no game has been definitely arranged, Huntleigh has thrown down the gauntlet to Cousins, and expect a rousing game for the opening of the season.

A hiking club is being organized for those who do not participate in basketball—but more of that later.

Yearlings and Pampa High Will Battle Here Saturday Afternoon

The Buffalo Yearlings will meet the Pampa Harvesters at the Buffalo Park Saturday afternoon at 3:00 o'clock.

The Harvesters defeated the Yearlings early in the season, and the Yearlings seek to even things up in the Saturday's game.

The game will be one of the most closely contested played on the local field this year.

It is claimed that Chinese pig iron can be laid down in San Francisco for much less than the home product.

DENTON EAGLES BEAT BUFFALOES

EAGLES WIN 14 TO 6 IN A PASSING GAME.

Buffaloes Move on to Commerce Where They Will Play Tuesday Afternoon.

Denton, Nov. 17.—Despite the terrific line plunging of the mighty Burson of the Canyon Buffaloes this afternoon, the herd went down before the Denton Teachers College Eagles with a 14 to 6 score.

Denton used a varied attack in achieving victory, resorting to a passing game when the Buffalo line stiffened and prevented steady gains.

Miller, Denton left end, stood out in the Denton defensive play and saved the day more than once. He was in every play.

With Simmons plunging the line for long gains and Slack reeling off an end run for 50 yards, Denton scored in the first five minutes of play.

After that the Eagles kept the Buffaloes fighting from their end of the field most of the time with punting sending them back for long drives to regain the ground.

In the third quarter Denton opened with another passing attack and scored again. The Buffaloes scored in the last period when they resorted to their silent pass. Jenkins to Bivins which carried them to within scoring distance and Burson smashed through for the touchdown.

The line-ups:

Denton	Positions	Buffaloes
Miller	Left End	Lancaster
Davis	Left Tackle	Golden
Hudley	Left Guard	Adams
Johnson	Center	Thompson
Knowles	Right Guard	Jones
Fromm	Right Tackle	Johnson
Chapman	Right End	Bivins
Belkin	Guard	Jenkins
Slack	Left Halfback	Sone
Davidson	Right Halfback	Herm
Simmons	Fullback	Burson

Lancaster Is Injured. Joe Lancaster, left end of the Buffalo squad, was injured in the Denton game and returned home Tuesday evening. He stated that the game was a good one. Denton got the breaks of the game and was therefore the winners. He believed that the Buffalo team was a good as was the Denton team; but played in hard luck.

Joe did not know whether the injury of his shoulder will be severe enough to keep him out of the Thanksgiving game or not.

The Buffaloes will arrive home from Commerce Friday morning to begin a hard practice for the Bulldog game on Thanksgiving.

IT'S TOO MUCH The convicts at Princetown have been shown a comic American convict film. This confirms us in our intention of keeping good.—London Opinion.

If your child eats ravenously at times and at other times has no appetite at all, look out for worms. White's Cream Vermifuge is the remedy to use. It clears them out. Price 35c. Sold by City Pharmacy. 3115

Prepare Now

You know that sooner or later Winter will be here, so why not prepare now to have your home warm and comfortable?

The price of the best Coal is less now than it will be next winter and you are sure of delivery when you want it.

S. A. Shotwell & Co.

Notice is hereby given, in accordance with the Revised Statutes of the State of Texas that on the 14th day of December, A. D. 1923, I will offer for sale, for cash, at public auction, and sell to the highest bidder, the following described property, to-wit:

One bay mare, with mule colt, One black yearling mare colt, One bay yearling horse colt, One iron gray Shetland pony.

To satisfy a pasturage lien in favor of G. C. Holland on said stock, said stock having been placed with the said G. C. Holland by Fred Hake and charges having accrued thereon in the sum of approximately \$75.00, and as well to cover pasturage on said stock up to date of sale.

Said stock will be sold at G. C. Holland's place on Section 5, Block 9, BSAF, Randall County, Texas, on the date above set out.

G. C. HOLLAND.

NOTICE OF SALE

By virtue of a certain Order of Sale issued out of the Honorable District Court of Carson County, Texas, on the 2nd day of November, 1923, by C. L. Upham, Clerk of said Court, against J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a Corporation, T. M. Bruner, R. E. Ricks and C. P. McCullough, for the sum of Eleven Hundred, Ninety-three & 85/100 (\$1193.85) Dollars, and costs of suit, in Cause No. 643, in said Court, styled V. C. Nelson versus J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a Corporation, T. M. Bruner, R. E. Ricks and C. P. McCullough, and placed in my hands for service, I, W. C. Black, as Sheriff of Randall County, Texas, did on the 7th day of November, 1923, levy on certain Real Estate situated in Randall County, Texas, and described as follows, to-wit:

South one-half of Section No. Seventy-one (71), Block No. K-14, Certificate No. 411, Tyler Tap Railroad Company, original grantee, containing 320 acres of land, and levied upon as the property of J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a corporation, T. M. Bruner, R. E. Ricks and C. P. McCullough.

And on Tuesday, the 4th day of December, A. D. 1923, at the Court House door of Randall County in the town of Canyon, Texas, between the hours of Ten a. m., and Four p. m., I will sell said real estate at public venue for cash, to the highest bidder, as the property of said defendants J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a corporation, T. M. Bruner, R. E. Ricks and C. P. McCullough, by virtue of said levy and said Order of Sale.

And in compliance with law, I give this notice of publication in the English Language once a week for four consecutive weeks immediately preceding said day of sale, in the Randall County News, a newspaper published in Randall County, Texas.

Witness my hand this 7th day of November, A. D. 1923.

W. C. BLACK, Sheriff, Randall County, Texas.

NOTICE OF SCHOOL BOND ELECTION

STATE OF TEXAS, County of Randall, Canyon City Independent School District.

To the Resident Property Taxpaying Voters of Canyon City Independent School District.

TAKE NOTICE that an election will be held on the 11th day of December, 1923, within said district, in obedience to an order duly entered by the Board of Trustees on the 8th day of November, 1923, which is as follows:

On this, the 8th day of November, 1923, the Board of Trustees of Canyon City Independent School District convened in regular session with the following members present:

G. G. Foster, President, C. W. Warwick, Secretary, A. J. Arnold, F. E. Savage, A. N. Burgan, and among other proceedings had by said Board of Trustees was the following:

There came on to be considered the petition of J. M. Vetsch and 25 other persons, asking that an election be ordered upon the question of issuing bonds of said school district for the purpose of purchasing equipment for the High School Building; and

It appearing to the satisfaction of

the Board of Trustees that said petition is signed by at least twenty qualified property taxpaying voters of said school district, and is otherwise in conformity with law, the Board is of the opinion that said petition should be granted, and said election as prayed for should be ordered:

THEREFORE, Be It Ordered By The Board of Trustees of Canyon City Independent School District: That an election be held in said Canyon City Independent School District on the 11th day of December, 1923, which is not less than Thirty days from the date of this order, at which election in accordance with said petition, the following proposition shall be submitted to the resident qualified property taxpaying voters of said school district for their action thereupon:

"Shall the Board of Trustees of Canyon City Independent School District be authorized to issue bonds of said school district to the amount of Fifteen Thousand (\$15,000.) Dollars, to become due and payable Forty Years from their date, and bearing interest at the rate of Five and One-half (5½) percent per annum, payable semi-annually, for the purpose of purchasing equipment for the High School Building, and if there shall be annually levied and collected on all the taxable property in said district for the current year and annually thereafter while said bonds, or any of them, are outstanding, a tax sufficient to pay the current interest on said bonds and to pay the principal thereof, as the same becomes due?"

The said election shall be held at the Court House in said Canyon City Independent School District, and the following named persons are hereby appointed officers of said election:

S. V. Wirt, Judge, John Nickson, Joe Black and T. V. Reeves, Clerks.

The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote.

Dramatic Club Presents "King Krene's Daughter"

Members of the Dramatic Club presented the first two scenes from "King Krene's Daughter," a poetic drama translated from the Danish by Herz, last Wednesday afternoon at its regular meeting in the College Auditorium.

The first scene of the play was directed by Eppie Irons, assisted by Leona Hamilton and Welma Norris. The second scene was directed by Winnie Mae Crawford, who played the role of the Blind Princess. Iolanthe Tristan, and Jeffrey were played by Helen White Moore and Johnnie Lee Bennett.

The play furnished an interesting study in the quality essential for dramatic production, and was made attractive not only by the excellence of the acting but by suggestive costumes and setting.

A young Frenchman landed in New York the other day after crossing the Atlantic alone in a thirty-foot sailboat. The voyage of fifty-six hundred miles took one hundred and forty-two days.

The lone mariner met with three hurricanes, in which he all but lost his life; he suffered from sickness and lack of water and once was unconscious for forty-eight hours, but he finally brought his little craft into port. Eighty-four days out he happily fell in with a Greek steamer that gave him medical aid and fresh supplies.

The population of Moscow, Russia, is 1,490,047.

New Fifty Horse-Power Engine Being Installed

A new fifty horse-power Fairbanks-Morris engine was received last week by the college and will be installed in an addition to the power house. The addition which will house the new engine and the equipment will be added just north of the present power house. The college power plant is now a strong one and one that is adequate in every respect.

ABOUT OVERDRAFTS

OVERDRAFTS ARE NOT GOOD FOR THE PERSON CREATING SAME NOR FOR THE BANK.

There are plenty of reasons why a depositor's account should never be overdrawn. The principal reason is: That an overdraft is in a way a forced loan and tends to detract from one's credit rather than add to it.

Overdrafts may sometimes be honored but such transactions usually serve to remind the bank granting same that correct business methods are not being followed.

Both the National and State Banking Departments look upon the granting of overdrafts with disfavor, and we hope that you will be considerate of our position and do your part in order that we may not be subjected to any criticism along this line.

The First National and The First State are here to render you the best of their service in every way possible, and certainly we want to be accommodating—but we do not desire overdrafts—in a way, unsecured loans that detract from your credit, injure our own standing and endanger the interests of our depositors.

DON'T OVERDRAW.

THE FIRST NATIONAL BANK THE FIRST STATE BANK

KIWANIS CLUB VISITS COLLEGE

(Continued from page one)
candidate for the State Senate, made one of his humorous talks for which he is noted. The nature of this one was a little different, however, from the usual as he called attention to his qualifications for a senator and predicted that he would be elected if he does not have an opponent.

Amarilloians Talk
Judge R. C. Johnson, president of the Kiwanis Club, thanked the College for the superior meal and the entertaining program and stated that he hoped the Club would get another invitation to visit the College. He said that the motto of the Kiwanis Club is "We Build," and that they were building and were behind the West Texas State Teachers College.

L. A. Wells, a special friend of the College, Mr. John Gilvin, who put over the Tri-State Exposition, and W. A. Palmer, a former member of a teachers college faculty were called on for short speeches.

President Hill stated that he intended to invite other organizations from Amarillo and other near-by towns to visit the College in order that they might better become acquainted with its work and its importance to this region. The guests began their return journey to Amarillo at 11:30.

AUXILIARY MEETING

The Woman's Auxiliary of the American Legion met last Friday night in regular business session and to check up on the Armistice Day proceeds. A nice sum of money was added to the Soldier Memorial Fund.

The Auxiliary wishes to thank one and all, for the help that was so willingly offered, and the generous patronage of the various booths.

Special thanks were extended to the Martin Variety Store, Canyon Lumber Co., Buffalo Grocery Co., Thompson Hardware Co., Mr. J. W. Reld for the use of his car, to make the Auxiliary float, and last but not least, the Legion boys for their co-operation and help.

SURVEY TO BE MADE

"Fifty dollars worth of information free," is the slogan of the Senior class at the College in their attempt to make an educational survey of the students at the College. The purpose of the survey is to make a trial balance of the student's assets and liabilities.

It is claimed that most defects can be remedied in four years and it is the purpose of this survey to discover these defects.

BOOK CLUB MEETING

The Woman's Book Club meets in regular study next Wednesday afternoon with Mrs. S. L. Ingham, Mrs. C. O. Keiser and Miss Tennessee Malone. The following are questions on the lesson:

1. How are Federal Judges chosen, and what are their salaries?
2. What two classes of cases fall within the jurisdiction of Federal Courts?
3. Should Federal Judges enjoy life terms or should their terms of service be limited to a specific number of years?
4. To what extent do the Federal Courts interfere with decisions of the State Courts?
5. Name some historical decisions which have been handed down by Supreme Court.
6. Distinguish between the original and appellate jurisdiction of Supreme Court.
7. Name Courts of State and give their jurisdiction.
8. How are judges elected and removed in Texas?
9. Which of our Courts is peculiarly American?
10. What are the objects of the Juvenile Court?
11. Should all adopt a procedure more like the Juvenile Court?
12. What is a "petit" jury? A grand jury?
13. Is bribing the only way to "fix" a jury?

WARNING TO HUNTERS

You cannot hunt out of your County in which you live without a hunting license. You can get your license from the County Clerk or at the Thompson Hardware Store.

The quail season opens Dec. 1st. Do not shoot quail on Thanksgiving; each bird killed constitutes a separate offense. Any farmer finding hunters out before the season can report same to the Sheriff or any Peace officer. Get number of car if you do not know the violators.

I ask the co-operation of law abiding people. I am here to enforce the law, and I intend to do my duty.

Must not shoot duck or geese after sundown or 30 minutes before-sun rise. Very truly,

J. FRANK ELDER,
Deputy Game and Fish Comr.

Mrs. W. G. Malone, 83 years old, of Atlanta Ga., has virtually established her claim as sole living heir to the \$20,000,000 Key estate in New York City.

NORMAL HIGH GIRLS WIN

The basketball team representing the West Texas State Teachers College Normal high school classes won their first game of the season last week against a girls sextet at Vega by a score of 17 to 16. The battle was a hard fought affair especially for teams composed of girl athletes.

The Normal high school girls team will resume work with a definite schedule of games after the Christmas holiday.

Vigorous Old Age

WHY separate youth and old age with a deep and ever-widening abyss?
The bloom of youth and the hardy, ruddy glow of Old Age—sixteen and sixty—should be separated only by the span of years and not by varying differences of physical wholesomeness.

Vigorous old age is within the grasp of all. S. S. S. brings that hale and hearty feeling back with a rush. Rich red blood is the greatest enemy of weakening, health undermining Old Age. S. S. S. builds Red Blood Cells. Rich, red blood coursing through your veins sweeps away impurities that retard the proper functioning of your system. Old Age—once a dreaded agony becomes a vigorous, enjoyable, care free time of life.

S. S. S. is made of carefully selected herbs and barks—scientifically prepared and proportioned. Welcome Old Age when it comes. Be ready to withstand the attacks of diseases that follow in its wake. Meet Old Age with a hearty handshake. A handshake that speaks of well being—of a vigorous, clear thinking, red blooded constitution. S. S. S. is your best friend when Old Age is seen rounding the corner. Get a bottle and drive care and worry away. All leading drug stores carry it. The large size is the more economical.

SSS Makes You Feel Like Yourself Again
