

500 BOYS WILL VISIT COLLEGE SATURDAY FOR HOUR

OLDER BOYS' CONFERENCE OF Y. M. C. A. COMING TO CITY.

Three Days Conference Starts in Amarillo Friday—Notable Men of State to Discuss "Something Better"

Five hundred boys from all over the Panhandle will visit the College Saturday afternoon from two until three o'clock. If the roads to the canyons are passable, the boys will leave then for a visit of sight-seeing to the Palo Duro under the direction of R. A. Terrill. If the roads are not in good condition, the boys will remain at the College until four o'clock, returning then to Amarillo.

During the visit at the College, the boys will inspect all parts of the plant. The swimming pool will be opened to all who wish to take a plunge. Various forms of entertainment will be provided.

These boys come from every part of Northwest Texas. They will be in Amarillo Friday, Saturday and Sunday attending the annual Older Boys' Conference. Most of the boys are of high school age.

This conference is held by the Texas Young Men's Christian Association. The theme for the three days is "Something Better."

Among the speakers are: Dr. H. W. Virgin of Amarillo, the Mayor of Amarillo, Rev. R. N. MacCallum, Grocer C. Goode of El Paso, W. D. Blair of Houston, Prof. B. F. Fronabarger of Canyon, H. C. Pipkin of Amarillo, Ernest O. Thompson of Amarillo, Dr. R. Thomsen of Amarillo, Dr. A. C. Scott of Temple, Dr. W. B. Bizzell of College Station, Dr. Milo Atkinson of Amarillo.

J. E. Lewis of Dallas is director of the Conference. President J. A. Hill and C. W. Warwick are members of the District Executive Committee.

Mr. Lewis and Eugene Jordan, president of the Hi Y in Amarillo, were in the city Tuesday and gave personal invitations to the boys of the training school and the boys of the high school to attend this conference.

Hon. J. L. Jennings of Canadian Dies at Kansas City Sunday a. m.

Hon. Jesse Lee Jennings, Representative of the 124th District in the Texas Legislature and attorney of Canadian, died at the Research Hospital, Kansas City at 5:30 o'clock Sunday morning. He went to the hospital a few days ago suffering with a severe pain in his head. Local physicians thought an abscess was formed upon his brain.

Mr. Jennings is well known in Canyon. During his term in the Legislature he took a great interest in the affairs of the College and it was due to his persistent efforts that the appropriations for the College were saved from greater reductions than they suffered.

Mr. Jennings had been urged to become a candidate for the Senate from the new 31st District, but refused to enter the race the week J. W. Reid of Canyon announced as a candidate.

Good Fire Record Gets Canyon Reduction in the Insurance Key Rate

The State Fire Commission has granted a five cent reduction in the fire insurance key rate of Canyon. The key rate is reduced from 57 cents to 52 cents.

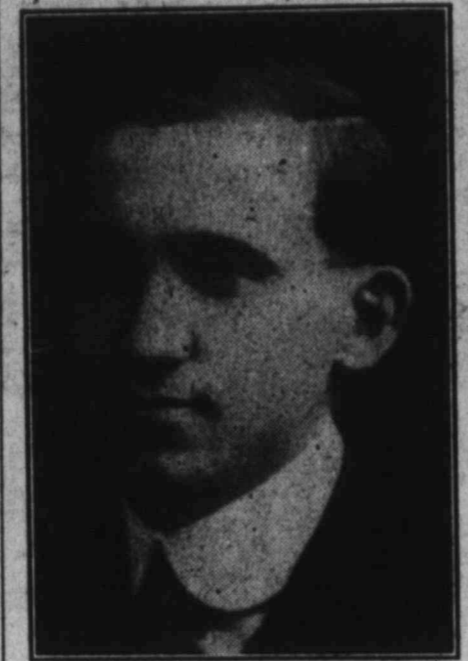

Mayor C. N. Harrison states that the city will receive further credits on the key rate when credits are given for extending the water mains to the east part of town, and on the mounted fire engine, and the regulated night watchman. It is likely that the key rate may be reduced to nearly 40 cents.

GET CHRISTMAS CARDS.

Orders must be placed for engraved Christmas Cards with the News during the coming week in order to insure delivery before Christmas. The News has a good stock of cards on which Christmas messages are to be printed. Do not put off ordering until the stock is exhausted.

Help Keep Canyon Clean!

WILL PREACH THANKSGIVING SERMON AT M. E. CHURCH

REV. LYN CLAYBROOK
Pastor of Canyon Baptist Church

Civil War Gun and Old Western Picture Added Historical Collection

Ralph Ackerman, son of Mr. and Mrs. C. M. Ackerman, last week presented to the Panhandle-Plains Historical Society two very valuable guns which were used during the Civil War. One of these guns bears the inscription "J. H. Hall, Harpers Ferry, 1834"; the other was used by the donors grandfather and is a Springfield model, bearing the date, 1853. These guns are in excellent condition and are a valuable addition to the collection of the Historical Society, which is fast becoming a large and interesting one.

Mrs. L. L. Bennett of Amarillo, Texas, last week gave the Historical Society a picture of a buffalo herd surrounding the prairie schooner of a pioneer; this picture was given Mrs. Bennett many years ago by And Marcy, pioneer settler and hunter of west Texas, New Mexico and Arizona.

Box Supper the Climax Advance Sales Campaign 1924 Silhouette

On Saturday evening, Dec. 8, at 8 o'clock at the Canyon high school building, a box supper will be given for the benefit of the 1924 Silhouette. All people in Canyon and at the College are cordially invited to come. We want to make this night the climax of a successful week of the sales campaign of our year book.

Our book sales campaign starts on next Monday, Dec. 3, and if you are wise, you will buy one that week. The campaign will last through the week, and we expect to sell twice as many annuals as we did last year.

The annual this year is going to be the best we have ever published, and as a result, the price of it will be \$2.25. Contracts will be printed as last year, and you may pay \$1.25 down and \$1.00 when you receive your annual. Salesmen will be out all week selling annuals, and everybody will have a chance to buy. If you want Canyon High to progress, then buy an annual and help us. Everybody will be seen and everybody will be asked to buy one.

The high school girls will have boxes for the supper and if any of the town girls wish to bring boxes, you are invited to do so. We will have a good auctioneer to auction the boxes and we want to get a lot of spirit and pep into the event.

If you are interested, or if you're not, come and you'll be glad afterward. There will be plenty of fun for everyone.

MARRIAGE LICENSES.

The following marriage licenses were issued this week by the County Clerk: Charles Chadd and Miss Eva J. Thornton, Nov. 21st. Robert Anderson and Miss Evelyn Sarah Anzman, Nov. 21st.

COMMERCIAL LEAGUE LUNCHEON POSTPONED UNTIL NEXT WEEK

Owing to the heavy snow Tuesday, the regular luncheon of the Commercial League was not held as the question of attendance was very uncertain. The luncheon will be held next Tuesday evening at seven o'clock at the Palace Cafe.

There is much business of importance to be discussed next Tuesday evening.

Numbering Houses in Canyon Going Fine—Making Street Plates

The numbering of the houses in the city is going fine, with most of the work completed on Fourth and Fifth Avenues (formerly Houston and Evelyn streets). It is reported that every home owner took numbers on Fifth Avenue, and only one house on Fourth avenue has not been numbered.

The street signs are being painted by the Canyon Paint Co., and will be put up by this firm. The name plates are of heavy iron plate. They will be bolted to two-inch iron pipes which will be set at the street intersections in two feet of concrete. The City Commission is making the signs the most durable possible. The street names will get set at the northwest corner on each street intersection.

When the numbering of the houses and putting up the street signs has been completed, Canyon will be the best marked town in Northwest Texas.

After this work is completed, Canyon will then be ready to make application for free mail delivery.

High School Seniors Spend Friday Visiting Industries in Amarillo

The Commercial Geography class of the high school was taken to Amarillo Friday by Superintendent A. D. Payne to study the industries regarding which the class has been studying. There are twenty-eight members of the senior class taking this course.

The first stop was made at the Great West Mill & Elevator Company where three hours were spent carefully investigating the plant. The manager took the class in every department of the mill and gave all information sought.

In the afternoon two and one-half hours were spent at the zinc smelter where the class was shown the same courtesy and given the same information.

The financial affairs of the industries were given the class, the output of the plants given, the expenses of the plant, for labor and material, and the valuation of the equipment were all given to the class for study.

Mr. Payne states that the day was very pleasantly and profitably spent by the class in this laboratory study.

Henry L. Long Out on \$10,000 Bond for the Death of John Wallace

Henry L. Long was freed from the Potter county jail Saturday when bond was made in the sum of \$10,000. He has been held since Oct. 15th, charged with the death of John Wallace of this city.

Long's bond was signed by Mrs. S. L. Long, E. K. Long, R. E. Long, J. H. Upton and C. B. Mayfield. All of the sureties reside in Swisher county, except Upton, who lives in Floyd County.

Judge Henry S. Bishop of the District Court, refused Long bail. The Court of Criminal Appeals reversed the decision a few days ago on the grounds that the state had failed to show that Long was liable to capital punishment.

Final Drive on Red Cross Roll Call Will be Made Thanksgiving

Thanksgiving Day is the final call to join the Red Cross in the Annual Roll Call.

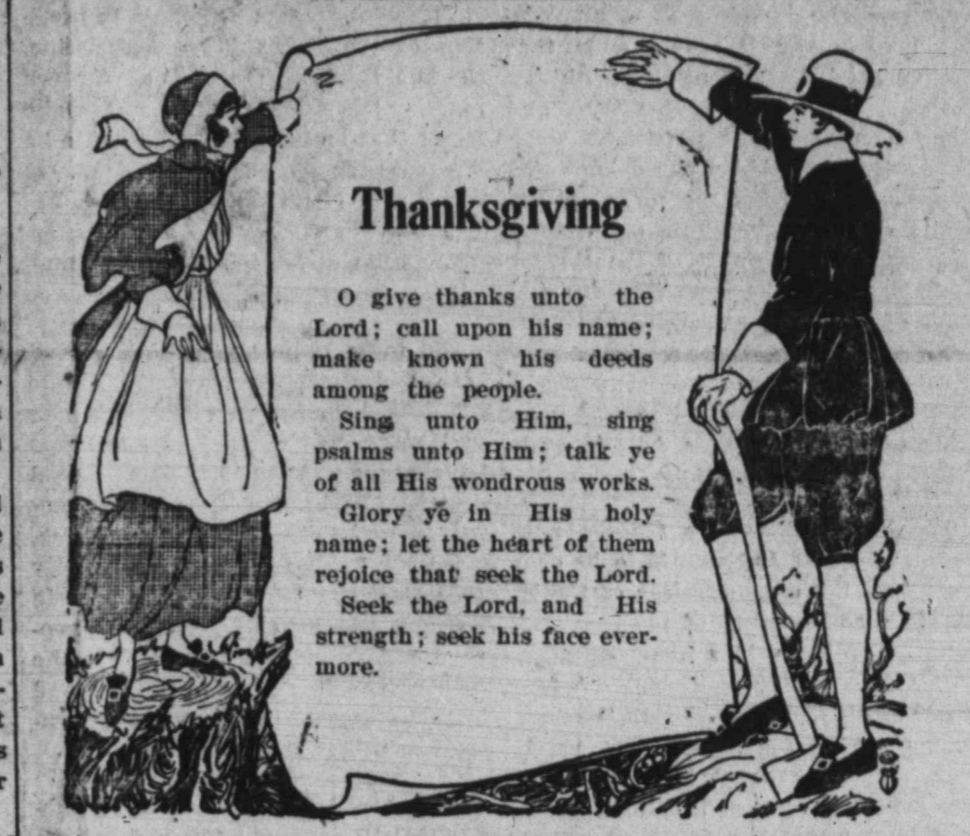

Randall county has come up with only about half of its quota. The remainder ought to be easily reached. The Palo Duro Post is sponsoring the Roll Call, and all should respond to the call.

PASTOR FOUNDED.

The Methodist church gave a pounding for Rev. M. M. Beavers and family Thursday night, attended by a large percent of the church members. Rev. Beavers states that of all the poundings he has had while a pastor, this was the largest.

REPRESENTED CANYON.

J. W. Reid was in Amarillo Friday attending the meeting of the South-west Trails.

TEN INCHES OF SNOW FALLS IN RANDALL COUNTY TUESDAY—SNOW CONTINUING THROUGH DAY WEDNESDAY

The biggest snow in several years started to fall in Canyon Tuesday morning, continuing all of the day and Tuesday night, and a slow steady fall Wednesday morning as the News goes to press. The snow will amount to eight to ten inches in Canyon. The government station in Amarillo reported eight inches at 7 o'clock Tuesday night.

The weather has been warm during the time the snow has fallen, with a steady melting next to the ground. The wind has been from the north, but there was little freezing even Tuesday night. The sun is trying to break through Wednesday morning, and if it succeeds the snow will likely melt rapidly.

The weather is not cold enough to hurt stock. The farmers were able to get much of the feed crop saved during the good weather of the past two weeks, but there is yet much grain in the fields that need to be gathered.

City Buys New Motorcycle for Speed Cop to Chase Speed Artists

The City Commission has bought a new Harley Davidson Motorcycle for the speed cop. The machine is the very latest design, with a speedometer which registers the maximum speed. There can be no guess work about the speed a car is going, or room for dispute if the speed cop catches you going to fast.

About a dozen cases of speeding have been in the Mayor's Court since the speed cop was put on.

H. G. L. PARTY

Miss Peggy Eten entertained a party of the H. G. L. Club and their friends at her home on Friday evening, Nov. 23. The entire evening was spent in playing card games of all descriptions and having a good time in general. At a late hour candy and apples were served. The guests departed declaring Miss Eten an ideal hostess.

Those who enjoyed the evening were: Misses Velma Hale, Edna Taylor, Iris Mitchell, Erma Down, Lucille Dowd, Ruby Crum, Irene Cluck; Messrs Bob McQuire, Melville Hankins, Homer Anderson, B. F. Turner, Mark Foster, Kenneth Dixon, Wallace Buster, Quinn Aten.—Reporter.

Former President Harding's make-up rule has been presented to C. F. Hard, manager of the Front Porch Campaign. The little steel rule was in Warren Harding's pocket when he was nominated in Chicago, and it was with him when he died in San Francisco.

THANKSGIVING SERVICES WILL BE HELD THURSDAY 10:00 A. M. AT METHODIST CHURCH—REV. CLAYBROOK TO PREACH

The Annual Thanksgiving service of the churches of Canyon will be held Thursday morning at ten o'clock at the Methodist Church.

Rev. Lyn Claybrook of the Baptist Church will preach the Thanksgiving Day sermon. All denominations in Canyon are invited to join in this union Thanksgiving service.

300 BIRDS ENTERED IN POULTRY SHOW NOW IN PROGRESS

SHOW ROOM OPENED TODAY AND UNTIL SATURDAY NOON.

Judging Starts Thursday Afternoon at 1:00 o'clock—Many Out of County Breeders Coming to Show.

The Randall County Poultry Show starts Thursday morning and will be opened to the public until Saturday afternoon.

Supt. T. W. Duffel and Secretary W. L. Browning have been very busy the past week getting things whipped into shape for the big show.

Entries were received on nearly 300 birds up to Tuesday. Many from Amarillo, Plainview, Hereford and Tulla had indicated a desire to enter, but were not required to send in entries. All birds must be in place by nine o'clock Thursday morning, and the judging starts at one o'clock Thursday afternoon.

Dr. W. H. Duke of Amarillo will judge the poultry in the show. Dr. Duke has judged in previous shows in Canyon, and has always given the very best satisfaction.

Liberal cash and merchandise prizes are being offered in the show, and ribbons are given in cases that these do not cover.

Randall county has always had a splendid show, but the officials believe the show this week will be far superior to any in the past. They are exceedingly well pleased with the offerings promised for the show.

The show is being held in S. B. Orton's building on the west side of the square and the people of Canyon are invited to come and inspect the poultry there on exhibit.

Pipkin Cotton Yields Nearly \$70 Per Acre When Sold As Bolly

J. C. Pipkin has sold the cotton from his eighteen acres north of the city as bolly for \$1245.75, making very nearly \$70 per acre for the crop.

When the cotton was gathered in the bolls, it weighed 16,100 pounds. It was run through a threshing machine and weighed 15,100 in Canyon, bringing 8 cents per pound.

E. S. Hancock was farming this land for Mr. Pipkin.

Mr. Pipkin states that he is highly well pleased with his first experiment with cotton.

John Fry had 14 acres northwest of the city in cotton. He picked the cotton this week and make \$414.50, or practically \$30 per acre.

Cotton wagons and trucks have been common sights on the streets of Canyon during the past two weeks.

Several gin men have visited the city during the past week, and are highly pleased with the prospects for this Panhandle becoming the great cotton raising section of the south.

School Boys Answer Call for Cotton Pickers on the Holidays

Every holiday has been a highly profitable day for the school boys of Canyon who have desired to earn a little spending money.

A half dozen truck loads of boys left the city Saturday morning for the cotton fields, and the boys had a big day of it.

The youngest cotton pickers reported were Joe Boy Hill and Reavis Kerr who conceived the idea of the cotton field as a place of earning Christmas money. They reported to W. H. Lewis, who gave them a job at one cent per pound. The two lads bought in 93 pounds in a half day, "but there wasn't much joy in it," said Joe Boy.

STORK SPECIALS.

The following births were recorded this week in the Clerk's Office by the physicians:

- Oct. 14, Mr. and Mrs. Berry L. Ham, a son.
- Oct. 18, Mr. and Mrs. Henry D. Cone, a daughter.
- Nov. 15, Mr. and Mrs. Henry Lee Prichard, a son.
- Nov. 17, Mr. and Mrs. Chas. Taylor, a son, still-born.
- Nov. 18, Mr. and Mrs. Chas. L. Hodges, a daughter.

THE AMERICAN PRESS ASSOCIATION

America has a lot to be thankful for, this Thanksgiving Day. With all the profits knocked out of farming, and stagnation in most lines of business, it looks to some that certainly conditions could not be much worse, and that the country in general is going to the eternal bow-wows. It is hard on the American nerve not to be making money hand over fist. We get very restless under such conditions. If we will make a little comparison with the rest of the world, we will find a most excellent state of affairs. The world is trying to recover from a terrible headache of war. War always brings on deplorable conditions over which no human may have control. It takes years to get over the effects of a great war, and the recent war was the biggest the world has ever seen. Europe is starving. America is not touched, as the country is full of food. Europe has no finances. The dollar is hard to get hold of now days, but once captured, it is good on any part of the globe. The producers of this country are not getting a fair price for their products, but the producers of Europe are in worse condition, as there is no market, and the money received is worthless. America has a lot to be thankful for today. We have no dangerous enemies ready to jump upon us at a moment's notice; we have the respect of the world; we have food and clothing; fuel and oil; more home owning people than any other nation of the world; 90 percent of the automobiles of the world; more undeveloped natural resources; more brave men and more upright women than any nation in the world. Yes, America has many things to be thankful today. Let us feel and give our thanks.

We do not pretend to know anything about cotton, but we have been asking a lot of fellows who were raised up in the cotton patch, and therefore ought to know something about cotton. If the men who pretend to know, really understand the situation, the Panhandle of Texas will be the big cotton section of the South within five years. Cotton raising is past the experimental stage. We learn that on account of the weevil, there is a shortage of from one-half to two-thirds of the normal cotton production. We learn that nearly one-half of the normally cotton producing section of the south has been turned over to other crops on account of the weevil. This being the case, it looks like new sections must be turned to the cotton industry. Those who are well acquainted in the South state that it is absolutely the fact regarding the decreased acreage of cotton. The present high price of cotton is brought about by the shortage of acreage and the shortage of yield. We are not in favor of jumping wholesale into cotton. The tendency would only be to drive the price downward. Besides, the Panhandle farmer must continue to raise his own feed. Every farmer planting a good acreage of cotton, and bringing more farmers to Randall county should be the aim during the coming years. The cotton experiment of the past few years has been convincing that cotton is a staple crop for this section, and a crop that will pay any farmer a good return owing to the low price of our lands.

Frederick A. Cook was convicted at Fort Worth last week along with others in his companies. Cook has always lived on the wrong kind of notariety. His conviction is the first step of the government's plan to wipe out the oil fraud experts operating in Texas. There are more than a thousand cases pending in the federal courts on charges of misuse of the U. S. mails on account of oil frauds. The big oil boom in this state caused easy picking for those who would seek to defraud. The honest oil operators will welcome the conviction of those who seek to defraud. It is likely that there will be many pleas of guilty since Dr. Cook used the best legal talent in the country and failed to buffalo the court and jury.

Some newspapers in this section seem to think that the Federal Judge at Fort Worth was hard on Doc Cook during the trial, and should have allowed the criminal lawyers to bulldoze the jury at will. That's not the way things are done in our Federal courts. The judges seek to administer justice, and it would seem that twelve good Texans agreed with the Judge. At any rate, Doc Cook and his bunch were not particular when they were out robbing the orphans and widows, and taking the roofs off the heads of the unfortunate old couples who trusted the words of the skillful operators. We have no time for this slush of sympathy attempted to be administered to the guilty scoundrel who is caught in the act of maliciously robbing. We are surprised to find that some of our newspaper friends have expressed such sympathy.

The board of regents for the new Tech College at Lubbock is to be congratulated upon the selection of Dr. P. W. Horn as president of the new College. Dr. Horn is a real educator, rather than a mere politician. A few weeks ago it looked as though the politicians would name the new president. Nothing could have hurt the new college worse, and nothing could have hurt worse the cause of education in Texas. Dr. Horn is a sound educator. Whatever the Tech is, it will be sound. If it is to be a real technological college, Dr. Horn will demand that it stand for its name. There is no such thing as appealing to the gallery with Dr. Horn. The cause of education has been decidedly benefited by the naming of Dr. Horn to his new position. The Tech will be ready to open in September, 1925.

The Buffalo squad will be in action next Monday afternoon in the last game of the season against Clarendon College. The Buffaloes need every loyal fan in Randall county to help them fight this battle. Go down to Buffalo Park Monday afternoon and get into the game of supporting your team. The Buffaloes have had a disastrous season so far as injuries are concerned, but there is still a good good team left to defend the honors of the College Monday afternoon. Do your part by helping from the side-line.

Today is the last day for the Red Cross Annual Roll Call. Answer the Roll Call. The Red Cross needs your dollar, and you need the sympathy of the Red Cross. Answer the Roll Call.

Go it Buffaloes! We're for you!

Sam M. Braswell is leaving Clarendon and moving to Richardson. He and Sam Harben have contracted to print the Texas Advocate for ten years, and will organize a new company, the Harben-Braswell Company, at Richardson, with a big printing establishment. Sam Braswell is president of the Texas Press Association. He has lived at Clarendon for ten years. His friends in the Panhandle regret that he is to leave, but since he is not selling the Clarendon News, we expect to see Sam back on the job within a few years. Fred Story of Clarendon will publish the News for Braswell.

Idle talks caused a run on a good bank in Dallas two years ago. Idle talk caused the run on a bank in Wichita, Kansas, last week. Idle talk has defamed the good name of many a good woman. Idle talk will haul most any worthy enterprise—building a church, or raising funds for a good community enterprise, or voting school bonds—in fact any worthy enterprise. If people would only learn to ascertain the truth before they start to talking, and then only discuss the merits of the enterprise, rather than the demerits.

The school bond election on December 12th will carry unanimously if the voters will investigate and find the truth regarding the bonds. Every voter owes it to himself to understand any issue before he votes for or against it. Find out the truth before you vote against the interests of our school children.

With all of the fine moisture this fall, there is certain to be a good crop next year. A farm in Randall county will be a great paying investment.

So far as the snow is concerned, we could have made arrangements to do without it for a month or so.

Houston, Texas, Nov 22, 1923.
Mr. C. W. Warwick,
Canyon, Texas.

Dear Sir:
Allow me to thank you for copies of the Randall County News of October 25th. There is abundant evidence of substantial growth, not only on the part of the college, but throughout the city and the whole country. When I finished reading the paper, I felt that I had had a visit among old friends.

Accept assurances that I rejoice at the continued prosperity of the people of the Plains. With every good wish, I am

Sincerely yours,
R. B. COUSINS.

THOMPSON HARDWARE CO.

THANKSGIVING GAME POSTPONED TO MONDAY

BUFFALOES AND BULLDOGS MEET MONDAY INSTEAD OF TODAY ON ACCOUNT OF THE HEAVY SNOW AND WET GROUND

BUFFALOES WILL GO INTO GAME BADLY CRIPPLED, BUT CONFIDENT OF WINNING—COACH BURTON WILL HAVE TO RELY ON MANY NEW MEN AS RESULTS OF INJURIES.

After the snow had fallen for several hours Tuesday morning Coach S. D. Burton called Coach H. T. Burton of Clarendon College and it was agreed that the Thanksgiving football games between the Buffaloes and Bulldogs would be postponed until next Monday, Dec. 3rd. Even with favorable weather Thursday the ground would not be in condition, and the first game between the teams was played in mud at Clarendon.

Monday afternoon will see a pack of snarling, growling, tenacious Bulldogs unleashed in Buffalo Park. It is thought that the fight will be bitter and that each aggregation will put forth their best efforts for a victory. The Bulldogs hold a margin of victories over the Buffaloes. The Goddess of Luck has constantly seemed to favor the Canine tribe. However, the Buffaloes in making their last thundering charge on the Bulldogs hope to bring the victory decisively to Buffalodom. It is hoped by the squad that the Bulldog will be sent back to the brakes from whence he strayed, shorn of his ears, his tail, and with only one remaining characteristic, a faint yelp.

Coach S. D. Burton will have a crippled squad of Buffaloes to send against the Bulldogs and will probably have a different squad on the field than the one he used in the last game played here with the University of New Mexico. Due to the injury of Ira Jenkins, it is expected that Ray Bivins will be used at quarter as he was used in the Commerce game last week. Burson will play at full, and it is likely that Lem Sone and Herschel Jennings will be at the halfback places. Herm, who has been doing good work in true Buffalo fashion this season is suffering from a bad "Charley horse" and it is feared that he will be unable to go into the game. Finis Vaughn is likewise in bad condition for the game. Mitchell, who has been out of the game for sometime due to a broken nose received in the last clash with the Bulldogs, will be back in the game at end, Mitchell and Lancaster are both in the best of condition for playing at the end positions.

Terry and Deb Bivins have been playing end, and in fact Deb has almost been a regular in that position. He received an injury in the Denton game and was unable to play at Commerce. It is likely that he will be able to play in the game Thursday.

Johnson and Golden are both ready for the tackle positions. Adams, Jones, Parnell and Santy are in good condition for guards or other line positions. Weldon Thompson and McDonald are both in shape for the pivotal place.

Despite the fact that the herd is crippled for the game it is believed that the Buffaloes will be able to carry the offensive and force a victory by the efforts of their strong line and the powerful Burson at line plunging. It is known here that the Clarendon eleven plans a running attack, and in view of the fact that they have proved a very strong team in the past at the running attack game it is likely that the Buffaloes will be ready with a defense which will probably be the best they have flashed this season.

Ira Jenkins, who has pletted the Buffaloes in most of the games this season, is in a Dallas hospital, suffering from a badly broken collar bone. Coach Burton stayed with him for two days while an operation was performed. Ira is expected to arrive home Friday.

The game at Commerce was the roughest the Buffaloes have encountered this season. The men were badly bruised up as a result of the fray, and will not be in good condition for the Bulldog battle.

The Wayland team played the Bulldogs a 6-6 tie in Plainview last Friday.

Six thousand, five hundred forty-seven decrees for divorce were granted in Cook County, Illinois, in 1922. In Chicago a divorce is granted every twelve and a half minutes for five and a half days a week and twenty five days a month for the ten months the courts are in operation.

Automatic telephone exchanges are about to be adopted in London.

Yearlings Trim Crippled Pampa Team, 19 to 0

The Teachers College Yearlings easily defeated the Pampa Harvesters here Saturday afternoon before a large crowd of students and town people by a score of 19 to 0.

The Pampa team was badly crippled and did not bring all of their team to Canyon. One of the automobiles bringing the Harvesters to the game broke down and the Yearlings loaned the Harvesters Atkins and McCormick, who played right tackle and guard for Pampa and starred against the Yearlings.

Both teams attempted the aerial game and many passes were intercepted by both teams. Long gains were frequently made on passes.

Canyon's first score came as a result of line plunges. Touchdowns were made by McGee, Hale, and Thompson in the second and third quarters.

McGee, Ward, Haley, R. Mitchell, and M. Jenkins starred for the Yearlings, and Stewart, McCormick, Atkins and Page for the Harvesters.

The Yearlings have gone to Hereford where they will play this afternoon.

The line-up follows:

Pampa	Position	Yearlings
Dunkel	Right End	Crawford
Hall	Right Tackle	R. Mitchell
Atkins	Right Guard	Harris
Leuder	Center	Ackerman
Williams	Left Guard	M. Jenkins
McCormick	Left Tackle	Miller
Jamison	Left End	Muncey
Stewart	Quarterback	Haley
Whatley	Halfback	Hale
Patton	Fullback	McGee
Cooper	Halfback	Ward

WARNING TO HUNTERS

You cannot hunt out of your County in which you live without a hunting license. You can get your license from the County Clerk or at the Thompson Hardware Store.

The quail season opens Dec. 1st. Do not shoot quail on Thanksgiving; each bird killed constitutes a separate offense. Any farmer finding hunters out before the season can report same to the Sheriff or any Peace officer. Get number of car if you do not know the violators.

I ask the co-operation of law abiding people. I am here to enforce the law, and I intend to do my duty.

Must not shoot duck or geese after sundown or 30 minutes before sun rise.

Very truly,
J. FRANK ELDER,
Deputy Game and Fish Comr.

It's a good thing that American relief ships got unloaded before Russian ports were congested with wheat for export.—Winnipeg Free Press.

Child-birth

WHEN the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined.

An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend."

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used 'Mother's Friend' and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., B.A.-15, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

AMERICAN LEGION STAGES WRESTLING-BOXING TONIGHT

JOE HUDSON
Ft. Supply, Oklahoma
Weight 145 lbs.

A big Athletic Program is being brought to Canyon Thursday night by the Palo Duro Post consisting of wrestling and boxing.

Joe Hudson and Cal Farley will be the big performers in the wrestling contest. Both are well known in this section of the Southwest.

Homer Anderson, a Canyon boy, will take on any man his weight for four rounds boxing contest.

Little Tony and Young Firpo, both of Amarillo will fight for four rounds.

The officers of the local Post believe they have a program for tonight that will please the wrestling and boxing fans of Canyon.

CAL FARLEY
Welter weight Champeon A. E. F.
and Inter-allied games.
Weight 148 lbs.

Bantams Play Public School

A well-matched game of basketball was played between the eighth grade Bantams of the Normal High School and the seventh grade girls of the Public School Tuesday, November 20. Although the score was 19 to 20 in favor of the seventh grade, the Bantams lost with a strong determination to win the next game.

The Line-up:

Bantams	Position	Seventh Grade
Bourland	Forwards	Pendergrass
Roffey	Forwards	Wilson
Swafford	Forwards	Dunaway
Fulkerson	Forwards	Claunch
Griffin	Guards	Foster
Rockwell	Guards	Cheatham
	Centers	

Dr. Hornaday says the automobile has destroyed wild life, and all the time we had been supposing it was making life more wild than ever.—Sacramento Star.

PLANT SOME TREES—NOW!

The German mark dropped so rapidly recently that many Berlin restaurants changed prices on menus in the midst of meals, managers and assistant managers rushing from table to table altering the tariffs before the guests asked for their bills. Many stores closed until they could get the final official rate of the day. The government granted cities, industries and stores the right to print their own money. No record is kept of the output and the country is becoming flooded with currency.

The secret of happiness is—something to do.—John Burroughs.

If your child eats ravenously at times and at other times has no appetite at all, look out for worms. White's Cream Vermifuge is the remedy to use. It clears them out. Price 35c. Sold by City Pharmacy. 3175

Thanksgiving

Another Thanksgiving Day is upon us. Let us give Thanks for the blessings we enjoy.

We are grateful for our happy surroundings.

We are grateful for friends and neighbors in whom we trust, and who trust in us.

We are thankful for a good town in which to live, and in which to do business. We believe in our business and strive to make it of service to our customers.

We are thankful for the association and business of the good people of Canyon and Randall county. We want to serve you.

We are thankful for the noble body of young men and young women, the flower of our great Southwest who are in our midst, attending our great College.

It is good to be alive today and to live in Canyon. Let us give thanks for these blessings.

Happy Happenings

Miss Pearl Hampton, the teacher of Domestic Science, left Sunday for Fort Worth to attend the conference of Domestic Science.

Mrs. Smith and little daughter, Virginia, left Saturday for their home in Fort Worth after spending a week with her sister, Mrs. J. H. Stevenson and family.

Miss Leta Gillham is spending this week with her mother, Mrs. Etta Gillham, near Wayside.

Bill Anderson and Carroll Harrison went to Dumas on business Monday.

Mr. and Mrs. J. O. Gillham were Tulla callers Saturday.

J. M. Miller was a business caller in Amarillo Monday.

Rev. and Mrs. Carter spent Sunday at the W. C. Lindsey home.

Mrs. Tom Bandy had the misfortune of spraining her ankle Saturday morning but is improving at this writing.

O. M. Fowler was an Amarillo caller Friday.

Misses Louise and Hazel Brown spent Sunday at the C. L. Grounds home northwest of town.

Miss Alice Mulkey, who is teaching school near Amarillo spent the week end with her parents, Mr. and Mrs. B. J. Mulkey.

Mrs. H. James has been quite sick for the past week, but is some better at present.

Mr. and Mrs. James Gunn of Cameron, West Virginia, came in Thursday night to spend the winter with Gunn's sister, Mrs. O. O. Baker.

Little Hester Rahlis is visiting with Johanna Miller in Canyon this week.

Miss Virgie Maynard, who is attending school in Tulla, spent the week end with home folks here.

Ora and Burl Avery, who are attending school in Canyon, spent the week end with their parents, Mr. and Mrs. J. O. Avery.

Mrs. Wm. F. Miller and children of Canyon visited friends here Saturday afternoon. Mr. Miller returned with them to spend the week end.

Miss Vesper Cobb, who works in the Farmer's Exchange, spent the week end with home folks in the Knox community.

Harve Bellas and Marion Sullens left Sunday for Kellogg, Iowa, where Mr. Bellas will make his home. Mrs. Bellas will leave in a few days to join her husband.

Quality production tends to cheapen almost everything, including laws.—San Francisco Chronicle.

BILL BOOSTER SAYS

MAKING STUDENT SURVEY.

Rapid progress is being made in the student survey started last Tuesday by the Senior class in Education. Excellent responses are being made by both instructors and students, according to Prof. O. R. Willett, who is supervising the measuring. An average of about fifty tests per day was maintained during the week.

The survey will be continued all this week, and longer if necessary. The data obtained will be analyzed by the class in education during the next two terms.

While the data already obtained has not been organized, the seniors state that the plains folk have unusually large lung capacity. The boys especially are testing high, probably due to the high altitude and active outdoor life. The few defects that have been revealed are mostly weak eyesight, weak grip, and tone deafness.

On the whole, however, those tested are said to be splendid specimens, and have good hearing, keen eyesight, and clear voices—essential qualifications of good teachers.

Mistress: "If you want eggs to keep they must be laid in a cool place."
Bridget: "O'll mention it to the hens at wanst, mum."—Exchange.

Wayside Items

A few gentle northers, a little thin sheet of ice, but good weather still holds. Much feed stuff has been saved, not very much first class, but we believe everybody can celebrate Thanksgiving Day with grateful hearts.

Rev. J. W. Griffin filled his appointment Sunday morning, the first in the new conference year. It was decided to have protracted services Christmas week at Wayside, beginning Friday night. Rev. J. H. Griffin of Troup, Texas, a younger brother and Baptist preacher will be invited to do the preaching. We bespeak the hearty co-operation of all the people.

John Griffin and wife from Vigo Park accompanied his father to Wayside Sunday. They took dinner with J. T. McGehee and family.

M. L. McGehee carried his son Melvin, to Amarillo Saturday for an operation on nose and throat. He is doing very well.

Born to Loyse and Bonnie Gillham Nov. 23, a daughter. Both mother and babe doing well.

Mrs. Ola Rogers and Leona of Guyton, Okla., came in Sunday to visit the parental J. T. McGehee home. She will be with them until Christmas.

More than 50 people assembled at Miss. S. L. McGehee's Thursday, Nov. 22, to celebrate Mother McGehee's 80th birthday in Canyon. Wayside was well represented. A sumptuous dinner was spread to which every one did ample justice. The weather was ideal, the day was much enjoyed and passed all too soon. The health of our aged loved one is fair.

School at Wayside was resumed Monday morning. Miss Crawford coming in Sunday afternoon.

W. C. McGehee carried turkeys to Amarillo market Saturday. His wife went with him.

Mack Gillham, Dewitt and Kelley McGehee and Floy Kloniger of Canyon visited Wayside in Saturday.

Mrs. Eula Johnson, Mrs. Annie Burleson and Mrs. Annie Heisler passed through Wayside a week ago enroute to Beverly.

Miss Flora Carter returned a few days ago from a months visit to Goodnight with relatives.

Lowe McGehee and family formerly of Wayside, were at Tombstone, Ariz., last report, enroute to California.

The origin of the term "Wobbly," so often applied to members of the I. W. W., is given as follows: In Vancouver, British Columbia, in 1911, the I. W. W. had a number of Chinese members, and one Chinese restaurant keeper would trust any member for meals. He could not pronounce the letter "w," but called it "wobble," and would ask: "You I Wobble Wobble?" and when the card was shown credit was unlimited.

It is said that ten thousand young people in Washington, D. C., are working their way through college by serving as civil-service employees. Several of the colleges there have courses for after-office hours, some as late as ten o'clock at night. The student clerks receive salaries of \$1240 a year and upward, and their tuition usually costs them less than \$20 a month. The attendance of government employees has built up two of the largest law schools in the country.

Thousands of Germans work in the big electric plant at Siemensstadt at 25 cents per day U. S. money.

Plans are out for reclaiming 42,000 acres of land in the Verdigris river bottom in Oklahoma.

Conditions in Sweden continue to steadily improve over those existing during the first few months of the year.

Christmas Edition

The Christmas Edition of the RANDALL COUNTY NEWS will be published on
THURSDAY, DECEMBER 13TH

The story and department matter in this Holiday Edition has been prepared exclusively for the News and is composed chiefly of Texas Current News and Historical Events, well edited and printed, and very interesting for each member of our family of readers. Below are a few of the features of the Christmas Edition.

"A CHRISTMAS HUNT AND DINNER,"—tells how four Texas hunters go into the hills of Southwest Texas, kill deer, turkey, quail, etc., and cook and serve a unique, but primitive, Christmas dinner.

"THE TOURNAMENT IN TEXAS," was once a popular Christmas game, and is well told by a writer who used to participate in these red-blooded contests.

"CHRISTMAS REFLECTIONS," by J. H. (Jim) Lowry, reminds us that the day we celebrate is in fitting commemoration of the birth of our Savior, Jesus Christ.

"FISHY TALES OF ME AND JIM," written by Jack Maxwell, is a story of how three fishermen had a great time in East Texas, just a week before Christmas, catching bream and bass at Lake Park, near Tyler, Texas.

"REVIEW OF THE YEAR 1923 IN GRAND OLD TEXAS." An economic review of the progress of our state during the year 1923.

"THE PRINCE OF PEACE," by an American Mother, is a sincere and graphic plea for the abolition of war among all nations.

"CHRISTMAS GIVING," reflects the holiday spirit and emphasizes the gift as a token of love and esteem rather than a sordid exchange of dollars and cents.

"WORKBAG CHAT," suggests some clever gifts that can be made at home with needlecraft.

"CHRISTMAS ENTERTAINMENTS,"—Games that can be played by your guests during the holiday season.

"MERRY CHRISTMAS, BOYS AND GIRLS," Aunt Mary wishes all her boys and girls a Merry Christmas and tells one fine story about "Danny" a poor Texas newsboy whose heart beat warm for his fellow beings.

"WOMAN'S PAGE"—"The Christmas Table," "House Decoration," "Christmas Recipes," "Menus," etc., by Mrs. Margaret Stute.

EVERY FIRM WITH CHRISTMAS GOODS TO SELL SHOULD HAVE A BIG ADVERTISEMENT IN THE CHRISTMAS EDITION ON DECEMBER 13th.
THIS EDITION WILL GO INTO EVERY HOME IN RANDALL COUNTY.

Women to attract must Radiate Health!

BEAUTY is the magnet which draws all eyes—and back of beauty—Health—working silently. Red blood tingling through the veins;—the glow of youth in the cheeks;—the spring of eagerness, of vim, of vitality in the walk;—the ever graceful air, unrestrained by care or worry. —All the charms of beauty. All the works of health.

Men are fascinated by the charms of beauty. Women gaze with envy, secretly jealous, perhaps—wondering—hoping—praying for that attractiveness that is not theirs.

But why the wondering—the hoping—the praying for that craved-for attractiveness—that beauty. Good looks is the barometer of one's condition. Good health radiates beauty. S. S. S. purifies the blood—creates new red blood cells—rids the system of impurities which make beauty and attractiveness impossible. As women to attract must radiate health so must they keep their systems free from impurities and their red blood cells ever increasing. S. S. S. does both.

S. S. S., since 1826, has been ridding the system of impurities—pimples, blackheads, boils, eczema and rheumatism—building red blood cells—aiding women to be attractive by radiating health. S. S. S. is made of carefully selected herbs and barks, scientifically prepared and proportioned. All good drug stores carry S. S. S. It is more economical to purchase the large size bottle.

S.S.S. Makes You Feel Like Yourself Again

Thanksgiving Day

There are many things to be thankful for if you give the matter careful attention. If you have opened an account at our bank and regularly deposited your savings, you can be thankful for the snug sum you now have on hand for an emergency. If you have not done that, you can at least be thankful for the fact that the opportunity is still at hand for you to start an account and that a good Bank, in a Good Town, is ready to take care of your deposits.

If you can't be thankful for that—well, you can at least be thankful that you are not a turkey.

THE FIRST STATE BANK OF CANYON

Allen Scholarship Society Discussed In Chapel Tuesday

Last Tuesday morning in chapel, Mr. Shirley gave an explanatory talk on the Lloyd Green Allen Scholarship Society, discussing phases of its history, purpose and ideals.

In 1915, Southwestern University organized a society, having as its aim the recognition of unusual ability in high rank students.

In 1922, the idea of extending the scope of the society so as to embrace other institutions was conceived. A meeting was called and conducted by Dr. Granbury of Southwestern University. Other institutions of the State were invited to send representatives to a meeting held later in the year for the purpose of organization.

Dean Allen was selected to represent the West Texas State Teachers College. At present, the Scholarship Society of Texas includes all denominational colleges and universities of rank "A" except two and all State colleges of rank "A" except one.

In general, the object of the Scholarship Society of Texas is the recognition and encouragement of scholarship among college students. Usually the students of high rank have been neglected. The weak have been especially aided. The general school system has been adjusted to the average type. Yet a great purpose of education is to train leaders of men. A majority of leaders come from the higher ranks. Why should they not be especially recognized and trained? Of late, some of our universities have recognized such training as desirable and are offering special inducement to superior students.

The Scholarship Society of Texas is not a Greek letter society; although it is on the same general plan. To meet the qualifications for temporary membership in the society, the student must be of good character. He must have had ninety term hours of college work, three terms of which must have been completed in the institution in which he is applying for membership. In addition, his general average of work must be that of "B" or above. Only the upper ten percent of each class may be admitted to membership. If at the

end of four years work, the student is still of the upper ten percent of the senior class, he becomes a member for life.

OH, WONDERFUL HORSE

O, horse you are a wonderful thing; no buttons to push, no horn to honk; you start yourself, no clutch to slip, no spark to miss; no gears to strip; no license buying every year, with plates to screw on front and rear; no gas bills climbing up each day; no speed cop chugging in your rear; yelling summons in your ear.

"Your inner tubes are all O. K. and thank the Lord they'll stay that way; your spark plugs never miss and fuss; your motor never makes us cuss. Your frame is good for many a mile, your body never changes style. Your wants are few and easy met; you've something on the auto yet."—Literary Digest.

NORMAL GIRLS WIN FORM VEGA, 17 TO 19

The basketball team representing the West Texas State Teachers College normal high school won its first game of the season last week against a girls' sextet at Vega, by a score of 17 to 16. The battle was a hard fought affair, especially for teams composed of girl athletes.

The normal high school girls' team will resume work with a definite schedule of games after the Christmas holidays.

In 1871 the Osages were assigned to a reservation in the then Indian Territory. At that time 2,220 enrolled. Oil was discovered on their lands in 1901 and since that time the descendants of those Indians have received more than \$140,000,000 in royalties from oil and gas.

Thanksgiving

We are glad that we live in this town.

We are proud of its spirit and its progress.

That our lot has been cast here, and that we enjoy the friendship of the people here.

We are on this Thanksgiving Day profoundly grateful.

Orton's Grocery

THANKSGIVING

We are thankful for the spirit of our forefathers who observed the first Thanksgiving. May we never depart from the time honored custom of setting aside one of the three hundred and sixty-five day of the year as a day of Thanksgiving. All the things for which we are thankful are too many to mention. Foremost among them are health, friends, Christian homes, good schools, the snow and sunshine, and SANTA CLAUS. Be sure to see him at his headquarters.

MARTIN VARIETY STORE

EDITOR IS HEAD OF PRESS CLUB

JOURNALISTS BEGIN SECOND YEAR OF ORGANIZED WORK.

Entire Student Body Will Be Urged To Take Part in Annual Contests.

Frank P. Hill, experienced newspaper man and present editor of The Prairie, was picked by the College Journalists Friday morning to direct the activities of the Press Club during the current session. Hill stated that meetings will probably be held twice each month, and that they will be less formal than they were last year, since the class in Journalism now offered by the Department of English has taken over the study of journalistic theory and practice. The club has begun its second year's work with an enthusiastic membership, and while it is one of the college's newest organizations, members claim that it is one of the strongest.

John L. McCarty was elected vice-president, Gordon Butler secretary-treasurer, Aubrey-Smith corresponding secretary, Violet West annual representative, and Chester Day reporter.

Affiliated With T. I. P. A.

Ten prize contests are conducted every year by the Texas Intercollegiate Press Association. Each Press Club must submit one or more entries in three-fifths of the contests. The contests and prizes are as follows:

- Short story, ten dollars.
- Formal essay, ten dollars.
- Familiar essay, five dollars.
- One-act play, five dollars.
- News article, five dollars.
- Feature story, five dollars.
- Editorial, five dollars.
- Poem, five dollars.
- College annual, trophy not to cost more than twenty dollars.
- College newspaper, trophy not to cost more than twenty dollars.
- Every essay, story, poem, article, or play must be composed and written by contestants who are undergraduate members of the college at the time of writing.

Will Have Local Contests

The Press Club here will soon announce the provisions of an all-college contest which will be held to secure entries from this institution. This will be one of the chief activities of the Club this year, and the officers plan to make the contest one of the big features of next quarter's program.

Banquet in Spring

As the grand climax of the year the Press Club will hold its first annual banquet during the spring quarter. In addition to a varied program by college people, a speaker of state-wide prominence will be secured for this occasion.

Eppie Irons Wins Third Place in Poetry Contest

Eppie Irons, a member of the Junior Class, has recently been notified that a poem she entered in the annual contests of the Texas Poetry Society won third place. The title of Miss Irons' poem was "The Potential King." The honor comes to her as somewhat of a surprise, and she is receiving many congratulations from her friends.

Since entering this institution, Miss Irons' ability to write verse has been noted and commented on by many. Much of her poetry has been published in The Prairie and Le Mirage. The Prairie will probably publish the prize winning poem next week.

A smooth, unbroken highway now stretches from Vancouver to Los Angeles, linking two nations and joining three states to Canada. The last of the cement completing the highway from Vancouver to the border town of Cloverdale, British Columbia, was poured in the presence of thousands of motorists who met there to attend the opening ceremony.

A gypsum bed 98.8 per cent pure, extending ten miles inland for a mile along a branch of the Mosse River, midway between Cochrane and James Bay, Ontario, is said to be one of the world's most important. It was but recently discovered. The outcropping can be seen at the river's edge, where the deposit is forty feet thick.

The boy that spent a part of his summer in a training camp remembers with pride his well "policed" barracks and company streets. Keep the leaves raked up and the home lawns from scraps of paper. To take pride in a neat dooryard is one of the best lessons that a boy or girl ever learns.

If the bowels do not act regularly, assist them with an occasional dose of Herbine. It is a fine bowel tonic and laxative. Price 60c. Sold by City Pharmacy.

CITATION
THE STATE OF TEXAS,
To the Sheriff or any Constable of Randall County, Greeting:
You are hereby commanded to summon Lee Perry, whose place of residence is unknown, the unknown heirs, their heirs and legal representatives of Lee Perry, deceased, whose names and places of residence are unknown, by making publication of this citation once in each week for four consecutive weeks, prior to the return day hereof in some newspaper published in your County, to appear at the next regular term of the District Court of Randall County, to be held at the Court House thereof in the town of Canyon, Texas, on the first Monday in January, 1924, the same being the 7th day of January, 1924, then and there to answer a petition filed in said Court on the 24 day of November, 1923, in a suit numbered on the docket of said No. 988 wherein Mollie C. DeGraffenreid is plaintiff and Fannie M. Wyatt, Mabel Wyatt Cole, I. D. Cole, Jack C. Wyatt, Frances Wyatt, Berah W. Barnes, S. A. Barnes, Ira Wyatt Kindel, Ralph Kindel, George S. Wyatt, Janie Perry, Anna Maudie Smith, R. L. Smith, Lee Perry, and legal representatives of Lee Perry Deceased, are defendants, the cause of action alleged in said petition being as follows:
Plaintiff alleges that on September 23, 1920, she was lawfully seized and possessed of the following described lands, situated in Randall County, Texas, holding and claiming the same in fee simple title, which lands are described as follows:
All of the North one half (N¹/₂) of Block Number Eleven (11) of the Heller Addition to the town of Canyon, in Randall County, Texas.
That on the day and year aforesaid, defendants unlawfully entered upon said premises and ejected plaintiff therefrom and now unlawfully withhold from her the possession thereof to her damages in the sum of Five Thousand Five Hundred (\$5,500.00) Dollars, and that the reasonable annual rental value of said land and premises is the sum of Four Hundred (\$400.00) Dollars.
Plaintiff further alleges that on September 20, 1920, she sold said land and premises by executory deed of conveyance to G. S. Wyatt and S. B. Perry, and as a part of the consideration therefor, the said G. S. Wyatt and S. B. Perry executed to her five certain vendor lien notes each in the sum of One Thousand (\$1000.00) Dollars which were made due and payable in 1-2-3-4 and 5 years after date, to the order of the plaintiff. That the number 1 of said series of notes was paid and that the remaining notes are now due and payable under their terms and that in said deed of conveyance as well as in said notes a vendor's lien was retained to secure the payment of said notes, against said land.
That under and by virtue of said deed the superior legal title to said land and premises remained in plaintiff until said notes were paid and that the last four of said notes are unpaid and that by reason thereof, plaintiff is entitled to a cancellation of said deed of conveyance.
That the said G. S. Wyatt and S. B. Perry each died intestate, during the year 1922; that no administration has been had upon their estates and none is necessary and that the defendants above named are the sole and only heirs at law of the said G. S. Wyatt and S. B. Perry.
That by reason of the premises, plaintiff prays for judgment for title and possession of said land, for writ of restitution and rents, costs of suit and that the deed of conveyance above mentioned be cancelled and for general, special, legal and equitable relief.
Herein fail not, but have you before said Court on the first day of the next term thereof, this writ, with your return thereon showing how you have executed the same.
Given under my hand and seal of said Court in the town of Canyon, Texas, this the 24 day of November, 1923.
(Seal) **ETHEL WOODS,**
District Clerk, Randall County, Texas.
By **R. C. Brown,** Deputy.
A true copy I certify.
W. C. BLACK, Sheriff. 3514
By Jno. Fry, Deputy.

GO RIGHT AT IT
Friends and Neighbors in Canyon Will Show You a Way.
Get at the root of the trouble.
Rubbing an aching back may relieve it.
But won't cure it if the kidneys are weak.
You must reach the root of it—the kidneys.
Dean's Kidney Pills go right at it: Reach the cause; attack the pain. Are recommended by many Canyon people. Ask your neighbor!
Mrs. C. R. Correy, Canyon, says: "My back ached steadily and there was lameness and soreness in it which made it hard for me to stoop to do my housework. I got dizzy and black specks floated before my eyes. I had headaches and my kidneys were inflamed and irregular in action. I was advised to try Dean's Kidney Pills and bought some at the Holland Drug Co. Three boxes fixed up my kidneys and relieved my back."
Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the same that Mrs. Correy had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The 1923 fruit crop will be a record breaker.

NOTICE OF SALE
Notice is hereby given, in accordance with the Revised Statutes of the State of Texas, that on the 14th day of December, A. D. 1923, I will offer for sale, for cash, at public auction, and sell to the highest bidder, the following described property, to-wit:
One bay mare, with mule colt.
One black yearling mare colt.
One bay yearling horse colt.
One iron gray Shetland pony.
to satisfy a pasturage lien in favor of G. C. Holland on said stock, said stock having been placed with the said G. C. Holland by Fred Hake and charges having accrued thereon in the sum of approximately \$75.00, and as well to cover pasturage on said stock up to date of sale.
Said stock will be sold at G. C. Holland's place on Section 5, Block 9, BS&F, Randall County, Texas, on the date above set out.
3413 G. C. HOLLAND.

SHERIFF'S SALE
THE STATE OF TEXAS,
County of Randall.
By virtue of a certain Order of Sale issued out of the Honorable District Court of Carson County, Texas, on the 2nd day of November, 1923, by C. L. Upham, Clerk of said Court, against J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a Corporation, T. M. Bruner, R. F. Ricks and C. P. McCullough, for the sum of Eleven Hundred, Ninety-three & 85-100 (\$1193.85) Dollars, and costs of suit, in Cause No. 643, in said Court, styled V. C. Nelson versus J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a Corporation, T. M. Bruner, R. F. Ricks and C. P. McCullough, and placed in my hands for service, I, W. C. Black as Sheriff of Randall County, Texas, did on the 7th day of November, 1923, levy on certain Real Estate situated in Randall County, Texas, and described as follows, to-wit:
South One-half of Section No. Seventy-one (71), Block No. K-14, Certificate No. 411, Tyler Tap Railroad Company, original grantee, containing 320 acres of land, and levied upon as the property of J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, as a corporation, T. M. Bruner, R. F. Ricks and C. P. McCullough, by virtue of said levy and said Order of Sale.
And in compliance with law, I give this notice of publication in the English Language once a week for four consecutive weeks immediately preceding said day of sale, in the Randall County News, a newspaper published in Randall County, Texas.
Witness my hand this 7th day of November, A. D. 1923.
W. C. BLACK, Sheriff,
3214 Randall County, Texas.

NOTICE OF SCHOOL BOND ELECTION
STATE OF TEXAS,
County of Randall,
Canyon City Independent School District.
To the Resident Property Taxpaying Voters of Canyon City Independent School District.
TAKE NOTICE that an election will be held on the 11th day of December, 1923, within said district, in obedience to an order duly entered by the Board of Trustees on the 8th day of November, 1923, which is as follows:
On this, the 8th day of November, 1923, the Board of Trustees of Canyon City Independent School District convened in regular session with the following members present:
G. G. Foster, President,
C. W. Warwick, Secretary,
A. J. Arnold,
F. E. Savage,
A. N. Burgan,
and among other proceedings had by said Board of Trustees was the following:
There came on to be considered the petition of J. M. Vetsak and 29 other persons, asking that an election be ordered upon the question of issuing bonds of said school district for the purpose of purchasing equipment for the High School Building; and
It appearing to the satisfaction of

MAN ALMOST DIES FROM CARBUNCLES
"Excess acid got into my blood and carbuncles broke out all over my body, causing me to suffer intensely. This condition was chronic and I had carbuncles for over a year and seven months. FERRASAL relieved my stomach from the very first dose. In less than a week's treatment all signs of carbuncles had ceased to appear. In less than three weeks all my carbuncles were well and I have not seen a sign of one since."
E. L. MATHEWS,
409 Masten St., Dallas.

Indigestion, acid stomach, kidney trouble, bad blood and rheumatism are caused by excess acid. FERRASAL removes the cause of these troubles by neutralizing the excess acid at the source and expelling it from the system. FERRASAL keeps you HEALTHY because it keeps you CLEAN. Take FERRASAL NOW. 50c per box. It will help you or your druggist will refund your money.
JARRETT DRUG CO.

THE ACID NEUTRALIZER
STOPS INDIGESTION NOW!

the Board of Trustees that said petition is signed by at least twenty qualified property taxpayers voters of said school district, and is otherwise in conformity with law, the Board is of the opinion that said petition should be granted, and said election as prayed for should be ordered;
THEREFORE, Be It Ordered By The Board of Trustees of Canyon City Independent School District: That an election be held in said Canyon City Independent School District on the 11th day of December, 1923, which is not less than Thirty days from the date of this order, at which election in accordance with said petition, the following proposition shall be submitted to the resident qualified property taxpaying voters of said school district for their action thereupon:
"Shall the Board of Trustees of Canyon City Independent School District be authorized to issue bonds of said school district to the amount of Fifteen Thousand (\$15,000) Dollars, to become due and payable Forty Years from their date, and bearing interest at the rate of Five and One-half (5½) percent per annum, payable semi-annually, for the purpose of purchasing equipment for the High School Building, and if there shall be annually levied and collected on all the taxable property in said district for the current year and annually thereafter while said bonds, or any of them, are outstanding, a tax sufficient to pay the current interest on said bonds and to pay the principal thereof, as the same becomes due?"
The said election shall be held at the Court House in said Canyon City Independent School District, and the following named persons, are hereby appointed officers of said election:
S. V. Wirt, Judge.
John Nickson, Joe Black and T. V. Reeves, Clerks.
The ballots for said election shall have written or printed thereon the following:
"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF TAX IN PAYMENT THEREOF."
"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."
Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote.
None but resident qualified property taxpaying voters of said Canyon City Independent School District shall be allowed to vote at said election.
The Secretary of this Board of Trustees shall forthwith issue a notice of said election stating in substance the contents of this election order and the time and place of said election, and said Secretary shall post a copy of such notice at three different places within the boundaries of said Canyon City Independent School District, which posting shall be done not less than three weeks prior to the date fixed for said election.
Immediately after said election has been held the officers holding the same shall make returns of the results thereof to the Board of Trustees of said School District, and return the ballot box to the Secretary of said Board of Trustees for safekeeping.
The manner of holding said election shall be governed, as near as may be, by the General Election Laws, of this State, except as modified by Chapter 24, of the General Laws passed by the 37th Legislature at its Regular Session 1921, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.
C. W. WARWICK, Secretary.

MISS MANSELL GETS STATISTICS CONCERNING 1922-'23 STUDENTS

With a view of determining what is becoming of the products of the West Texas State Teachers College, Miss Ann Mansell, a student from Mineral Wells, Texas, has made a careful study of the enrollment of the long session 1922-1923. While the information is not entirely accurate, it is approximately so. In her study Miss Mansell had access to the files of the Registrar, the Secretary, the Teacher-Placing Bureau, and the Dean. She also gathered information from the present student-body and from such other sources as seemed reliable. No attempt was made to locate the Normal School or Sub-College students and the following statistics apply to the College Division only.

Of last year's Senior class 18% are continuing their study; 70% are teaching; while 12% are either working at something other than teaching or could not be located.

Of last year's Juniors 26.5% returned to their Alma Mater for further study; 50% are teaching; 8.8% are going to school elsewhere; while the remainder 14.7% could not be located or are engaged in other occupations than teaching.

Of last year's Sophomores 27.5% are in school here this year; 52.6% are teaching; 9.4% are in school elsewhere; the remainder 10.5% could not be located, or are engaged in other pursuits than teaching.

Of last year's Freshman Class 33.3% came back to Canyon; 27% are teaching; 6% went elsewhere to school; 8% are staying at home; 8.5% are engaged in other vocations than teaching; 17% could not be located.

Of the entire college enrollment, exclusive of Seniors, 32% returned to their Alma Mater; 36% are teaching; 7% are enrolled in other institutions of higher learning; 5% are engaged in non-teaching vocations; and 20% could not be located.

These statistics warrant the following conclusions:

1. From 80% to 90% of our degree graduates enter the teaching profession, and, since they have four years of study and considerable money invested, the greater part of them will continue to teach.

2. If these young people are getting the benefits they should derive from their training the State is getting quick return on its investment, for a large percent of each class goes into

the schoolroom, without waiting to graduate; and yet, other statistics gathered this year indicate that a large number of those who have dropped out to teach will return later for further professional work.

3. A vast majority of our students come for a definite purpose. This explains, in part, the high quality of work done here and incidentally indicates why credits from Canyon are accepted by other colleges and universities without discount. Students with a purpose "make good" wherever they go.

4. A high percentage of the students in the West Texas State Teachers College are paying their own freight. This helps to explain the democratic spirit which obtains and should make a strong appeal to those in authority for liberal support.

The Australian tomato weevil is a new undesirable immigrant that has been discovered in the South. Agricultural experts fear it may become of great importance if measures for its suppression are not taken at once.

Senator Curtis, of Kansas, never takes an elevator if he has time to climb the stairs. He says climbing stairs is the best "reducer" ever tried. During the past summer he lost twenty-five pounds by this practice.

A new gold currency in the form of a "rye Bond" may be issued by Germany. This would be stabilized on the basis of the Bourse quotations for rye.

Wood pulp produced from hard wood for use in paper making is the last attainment at the River Rouge plant of the Ford Motor Co., it is stated.

President Hill Speaks on Educational Survey

The speaker for Thursday morning's chapel program failed to arrive and President Hill ably supplied his place. He talked about the Educational Survey about to be made in Texas. The purpose of this survey is to make a thorough study of the State's schools from the elementary schools to the universities. The commission appointed to make this survey will inform the people of actual conditions in order to arouse enlightened interest in the schools.

The Huntleigh Hall girls gave a pep demonstration Saturday morning, and the Red Men danced a war dance and gave other evidences of being on the war path after Clarendon's scalp. The main program for the morning was in charge of the Music Department. The program consisted of several negro "spirituals," sung by Prof. Wallace R. Clark, head of the Department.

HELPFUL CAL

Lord Balfour praises the waiters that he met in Washington at the conference on limitation of armaments and tells the following story: "I was at a hotel where all the waiters were colored men. On the first evening I pushed away the menu, and gave the waiter a coin.

"Just bring me a good dinner, Uncle," I said. He brought me an excellent dinner. I continued this plan for a fortnight. When I left my waiter said to me, 'Good-by, sah, and good luck, and when yoh or any of yoh frien's come here what can't read the menu jes ax for ole Calhoun Clay.'"—Spokesman's Review (Washington).

The men working the "Spanish prisoners" confidence game have been run down and arrested by the police of Barcelona, Spain. The police found carefully kept files of names and addresses of persons from whom money might be obtained. Employees of the Barcelona telegraph office were apprehended among others.

If you are sure to have plenty of time tomorrow, forget it.

A PERSONAL ONE

"Don't they ever have a Clean-Up Week in this town?" demanded the transient who had just entered with his suitcase.

"Yes," replied the departing guest, as he sorrowfully paid his bill. "The hotels seem to be conducting one now."—The American Legion Weekly.

An international system for the location and identification of criminals and fugitives is being planned by the United States, in co-operation with the principal European nations. Exchange of information regarding crimes and criminals, including fingerprints, measurements and other identification data between the nations entering the agreement is contemplated. Great Britain, Belgium, France, Holland and Italy approve of the plan.

The recently established radio service between the United States and Poland is noteworthy for two reasons: it is the first direct means of communication between the two countries, and the distance of more than four thousand miles marks an advance in long-distance commercial radio-service.

Help Keep Canyon Clean!

WE WILL NOT FORGET

As Americans we can never forget the favor of Providence so abundantly poured out upon this, our country, since our forefathers celebrated the First Thanksgiving Day three hundred years ago.

The prayers of the First Thanksgiving uttered by them for the preservation of their lives will re-echo from generation to generation even to the end of time!

We cannot forget! We will not forget! We will keep faith with them that the structure whose cornerstone they laid will never crumble or fall!

In honor of Thanksgiving Day, November 29, this Bank will not open for business.
