

## MRS. FERGUSON TO BE GOVERNOR--COOLIDGE AND DAWES ARE ELECTED

### WHITE WAY WILL BE INSTALLED BY POWER COMPANY

NO COST TO PROPERTY OWNERS ALONG FOURTH AVENUE.

Materials Ordered for Fourteen Blocks of White Way from Highway to New \$65,000 Depot.

The White Way in Canyon is a reality, and will be in operation by the time the new depot is completed. The White Way is being installed by the Texas Utilities Company without cost to the property owners.

A contract was approved by the City Commission Monday night between the city and the Texas Utilities Company whereby the White Way will be installed along the fourteen blocks from the highway to the new \$65,000 Santa Fe depot, now under construction.

The contract is one in which the power company is bearing all of the cost of installation, and the city is responsible only for the use of the White Way from darkness to midnight at a stipulated rental of \$50.00 per month.

The city officials had been planning a White Way whereby the property owners would install the fixtures and the city would pay the expense of operation. The Utilities Company offered to install the same fixtures without cost to the property owners, and to operate the same.

Materials have been ordered and the White Way will be in operation by the time the new depot is completed.

The White Way will have three standards to the block, and each standard will carry a 100-watt lamp. The lights will burn until midnight. The present street lights will remain on this street, and will make the fourth light to each block.

The White Way will make one of the most decided improvements Canyon has had for several months, and will fit in nicely with the improvements at the new depot. The city commission has made a proposition to the Santa Fe regarding improvements to be made on grounds around the new depot, and it is expected that these grounds will be among the most beautiful the railroad owns.

Owing to the fact that the public square is well lighted, and that the street just east of the square is wider than the remainder of Fourth Avenue, the White Way will not be installed on these two blocks.

### TWO WRECKS SUNDAY NIGHT.

Two wrecks occurred on the highway north of Canyon Sunday evening. Two cars run together head on, and a truck went into the ditch.

J. J. Cavet, W. W. Spillar and John Whitman were taken to the hospital but none were seriously hurt. In the same car were F. F. Wood, Claude Patterson and Frank Irvin of Tulla, none of whom were injured. They collided with a car from Nazareth in which were riding Mary and Florence Elvrecht, A. P. Holting, Claude Husman and T. Miller. None were injured.

Pat Johnson and Jim Gillham of Portales were driving the truck which upset.

### Flag Presentation Program to be Held Saturday 9:30 at College

The flag recently promised to the College by Mrs. Loretto Lamar Calder of Houston, daughter of President M. B. Lamar of the Republic of Texas, will be presented to the College next Saturday morning at the chapel exercises at 9:30 o'clock.

Mrs. Calder will be represented by her daughter, Mrs. E. H. J. Andrews of Plainview, who will present the flag in the name of her mother, and in honor of her grandfather.

The public is cordially invited to the following program:

Invocation—Rev. E. H. J. Andrews.  
Introductory remarks—President J. A. Hill.  
Mirabeau B. Lamar, Statesman and Expansion President—L. F. Shaffy.  
Introduction of Mrs. Andrews—Mrs. T. V. Reeves.  
Presentation of the Texas Flag—Mrs. E. H. J. Andrews.  
"The Eyes of Texas Are Upon You."

## WINNERS IN TUESDAY'S ELECTION

ELECTED GOVERNOR OF TEXAS.

MRS. MIRIAM A. FERGUSON.

PRESIDENT CALVIN COOLIDGE.

CHARLES G. DAWES

### ARMISTICE DAY IN CANYON WITH THE AMERICAN LEGION

PROGRAM STARTS WITH STAG SMOKERS MONDAY NIGHT.

Early Morning Dance, Parade, Speaking Football Game and Dance at Night is Day's Features.

One of the biggest Armistice Day celebrations in Texas will be staged next Tuesday by the Palo Duro Post of the American Legion. The program for ex-service men is to start Monday night, and the general program continues until Tuesday night.

"Everything all set" is the word from G. A. Farlow, commander of the American Legion Post in regard to the big Armistice Day program which will be held in Canyon next Tuesday, November 11th.

As a matter of fact, the real Armistice program starts on Monday night, when a smoker will be given at the Legion Hall at 10:00 o'clock for all ex-service men. A burlesque show, "Army Life" will be the big attraction of the evening's performance. All ex-service men are cordially invited to attend this smoker.

Tuesday will be the Armistice Day program proper.

The program starts with a dance at five o'clock Tuesday morning, and continues until the early morning hours. Smith's orchestra will furnish the music. The public is invited to this dance.

At 10:00 o'clock the parade will be held. All ex-service men are requested to be in uniform. All organizations and clubs, all of the schools and college classes and business houses are invited to join in the parade.

Loving cups will be offered as prizes for the best floats in the parade, and any business house or organization may enter a float.

The program will follow immediately after the parade. At 11:00 o'clock there will be one minute of silent prayer honoring those who gave their lives to their country during the world war.

Reading—Miss Agnes Thomas.  
The principal address for the day will be given by Dr. A. J. Caldwell of Amarillo. Dr. Caldwell was a major in the American Army overseas, serving in the Medical Corps. He is now state executive committeeman of the 18th congressional district, American Legion.

At three o'clock in the afternoon, all activities of the day will cease, and the ex-service men and citizens of Canyon will attend the Buffalo-Cadet football game.

At six o'clock there will be a free street dance in front of the American Legion Hall, followed by another dance in the Hall.

All business houses in Canyon will close for the Armistice Day celebration.

At the Legion Hall there will be a booth for the Red Cross Roll Call; another for the membership drives of the Legion and Auxiliary; another to assist ex-service men who have not filed for compensation.

From every indication the Armistice Day celebration in Canyon this year will be the largest ever attempted by the local Post.

### METHODISTS WILL MEET IN CANYON IN OCTOBER 1925

REV. M. M. BEAVERS RETURNED TO LOCAL CHARGE.

Canyon Selected for Meeting Next Year Without Opposition—Hardy Stays on the District.

The annual meeting of the Northwest Texas Conference of the Methodist church will be held in Canyon in October, 1925. When the name of Canyon was presented to the conference Saturday by Rev. M. M. Beavers, the sentiment was so keen in favor of Canyon that no other town asked for the next year's meeting, and Canyon was the unanimous choice. This will be the first time the conference has ever been held in Canyon. It has met in Amarillo, Plainview and Clarendon in this end of the district. The conference is attended by about 300 Methodist preachers and delegates, in addition to many Methodist members who come to listen in on the proceedings.

Rev. M. M. Beavers was returned to the Canyon charge for the coming year by the Bishop and his cabinet. Rev. G. S. Hardy was returned as presiding elder of the district.

The following appointments were made for the Plainview District, of which Canyon is a part:

G. S. Hardy, presiding elder; Bovina and Friona, I. E. Walker; Canyon, M. M. Beavers; Dimmitt, W. U. Caughran; Floydada station, J. L. Henson; V. H. Trammell, supernumerary; Floydada circuit, Marvin Brotherton; Flo-mot, to be supplied; Happy, J. W. Shepperd; Hale Center, J. B. McReynolds; Hereford, J. O. Haynes; D. W. Hawkins, supernumerary; Kress, J. W. Baughman; Lockney station, J. P. Patterson; Lockney circuit, T. B. Hillburn; Matador, L. B. Smallwood; Olman, R. R. Gilbreath; Petersburg, Preston Florence; Plainview station, L. N. Lipscomb; Roaring Springs, H. C. Smith; Silverton, W. L. Jenkins; Tulla, W. R. McCarter; Turkey and Quitque, J. E. Stephens; Vigo Park, Green B. Patterson, supply; professor West Texas Teachers' College, D. H. Munson; professor S. M. U., J. H. Hicks; conference Sunday School superintendent, W. H. Terry.

### Mayor's Meeting Will Be Held Next Week With Ft. Worth Host

Mayor C. N. Harrison is one of the one hundred mayors of Texas who has been invited to Fort Worth for a mayor's meeting next Monday.

The program for the meeting has not been announced, but will likely take up various municipal problems.

### CITY FEDERATION MEETS.

The regular meeting of the City Federation will be held Monday afternoon at three o'clock at the club rooms in the court house.

### High School Annual Staff to Have Stunts Tuesday Nov. 11th

J. D. Gamble Jr., business manager of the high school annual, states that Armistice Day will be stunted day for the benefit of the high school annual which the senior class is publishing in the spring.

A lunch stand will be run at the court house, and various kinds of entertainments and stunts will be put on at the court house during the day. The program will continue throughout the day.

The staff is hard at work on the high school annual, and believe that the book will be one of the best published in this section of the state this year.

### Red Cross Roll Call to Start Tuesday and Continue to Thanksgiving

The annual Roll Call of the Red Cross will start on Armistice Day, and will continue until Thanksgiving. It is planned that the town shall be covered thoroughly by Roll Call solicitors on next Tuesday. The goal for Canyon is 350 members for the Red Cross for the coming year.

Dr. D. M. Stewart, chairman of the Randall County Chapter, is chairman of the Roll Call, and is lining up the forces for the Roll Call.

The City Federation has been asked to assist, together with other women's clubs of the town. Dr. Stewart will meet with the City Federation next Monday afternoon and the campaign will be outlined. Mrs. R. McGee, president of the Parent-Teachers Association has pledged the assistance of this organization for the Roll Call. The American Legion, and the Woman's Auxiliary of the Legion have been requested to assist in the Roll Call.

### MARRIAGE LICENSES

Melvin Miller and Miss Rosetta Dunlap, November 1st.  
Iran Wilson and Miss Gladys Dean, November 1st.

### HEREFORD NAMES MAYOR.

Edgar S. Ireland has been named mayor of Hereford, to succeed Mayor Knight who recently died in that city. Mayor Ireland is well known in this city. He is a brother of Mrs. C. F. Kerr, and Mrs. Ireland is a sister of Mrs. Harvey Cash.

### CANYON GIN WILL BE RE-BUILT AFTER FIRE LAST FRIDAY

ALL MACHINERY DESTROYED IN GIN FRIDAY MORNING.

Business Men and Farmers Contribute Funds to Assist in Rebuilding Gin During Coming Two Weeks.

Work was started Saturday to rebuild the Canyon Gin, which burned to the ground Friday morning. The cause of the fire remains a mystery. The new plant will be running within two weeks.

The Canyon Gin was burned Friday morning at 10:00. Several men were standing in the gin watching operations, when suddenly the cotton was seen to be on fire, and the flames spread to all parts of the building. It is supposed that a match had been carelessly dropped into the cotton, or that the saws struck a rock or piece of tin can making a spark.

All of the gin machinery was a total loss, but fortunately the boiler and engine were saved without damage. The loss on the machinery was covered by \$10,000 insurance. There was no insurance on the building. The total loss to the owners is set at \$7,000.

A meeting of business men was held Saturday, and plans made that the gin might be replaced. A donation of \$1,000.00 was pledged Monday and J. W. Jennings is raising this amount to be given for the re-building of the plant.

The new machinery was shipped from Dallas Tuesday, and should reach the city by the end of this week. Owing to the fact that all of the foundation is undamaged, it is thought possible to have the new machinery running within two weeks.

The farmers are rapidly picking cotton, and a majority have expressed a willingness to hold their seed cotton until the new gin is ready to operate.

### BUYS 11 SECTIONS OF LAND.

F. W. Axtell of Fort Worth has bought eleven sections of land from Campbell & McElroy. This land is southeast of the city along the Palo Duro canyon, and is an excellent cattle ranch. It is familiarly known as the Axtell land.

Mr. Axtell, who is a prominent and wealthy business man of Ft. Worth, will stock the ranch, and will probably send his son here to look after the business.

### MRS. FERGUSON IS ELECTED BY MAJORITY OF 50,000

REPUBLICANS HAVE A BIG LEAD WITH NATIONAL TICKET.

Randall County Casts a Record Vote Tuesday, and Goes for Butte by Fifty Majority.

The republicans re-elected President Coolidge Tuesday by an overwhelming majority in the electoral college. Mrs. Miriam Ferguson, democratic nominee, was elected Governor of Texas, with a lead over Dr. George C. Butte of about 50,000 according to the latest information.

Randall county cast a record vote in the election Tuesday, polling practically a thousand votes, which was larger than the vote of the second primary. Dr. Butte carried the county by a majority of 50. Mrs. Ferguson carried only three boxes in the county.

The only local race developed in precinct No. two when voters wrote the name of Ben Hess on the ticket for commissioner. Hess carried Umbarger by a majority of 5; A. P. Thornton, the nominee, carried No. 2 by a majority of 4 and received all of the 14 votes in No. 7, making his plurality 13.

### The National Results.

The full measure of the Republican victory at the polls could not yet be taken today but the returns continued to show that President Coolidge would have at least a hundred votes to spare in the electoral college, and the largest popular plurality in history.

As the presidential figures stood today with only a handful of electoral votes still in doubt the indicated strength of the three candidates in the electoral college was as follows:

Coolidge—Arizona 3, California 13, Colorado 6, Connecticut 7, Delaware 3, Idaho 4, Illinois 29, Indiana 15, Iowa 13, Kansas 10, Kentucky 13, Maine 6, Maryland 8, Massachusetts 18, Michigan 15, Minnesota 12, Missouri 18, Nebraska 8, New Hampshire 4, New Jersey 14, New York 45, Ohio 15, Oregon 5, Pennsylvania 38, Rhode Island 5, Utah 4, Vermont 4, Washington 7, West Virginia 8, Wyoming 3.—Total 367.

Davis—Alabama 12, Arkansas 9, Florida 6, Georgia 14, Louisiana 10, Mississippi 10, North Carolina 12, Oklahoma 10, South Carolina 9, Tennessee 12, Texas 20, Virginia 12.—Total 139.

LaFollette—Wisconsin 13.  
Doubtful—Montana 4, Nevada 3, New Mexico 3, North Dakota 5.—Total 15.

### SIX BOYS ARRESTED.

Six boys were held in the county jail over Sunday as a result of attempting to sell \$2.00 worth of 2-cent stamps at the postoffice for \$1.00. The boys could not give an account of the stamps.

The boys were traveling in a good Buick car, and had a can containing 35 gallons of gasoline, and another with 5 gallons of oil. They had a supply of new pipes, an adding machine, a number of vanity cases, and numerous other little articles. They had a bunch of keys with which most any door could be opened.

After investigating for more than a day the boys were released. They said they were from Pennsylvania.

### Canyon Eagles Handle Claude Hi Team Easily Winning by Score 33-0

The Canyon Eagles added another game to their string of victories this season by easily outfighting and outplaying the Claude high school team Saturday to the tune of 33 to 0.

It was quite evident from the very start that the visitors were entirely outclassed by the Eagles who used a varied attack and were able to win upon most all of them. The air route was one of the biggest ground gainers for the Eagles.

The Claude bunch was game thru the entire contest and never gave up, but fought valiantly from whistle to whistle.

Help Keep Canyon Clean!

### Election Returns From Randall County

Crops have turned out much better in Randall county this year, than indications would warrant. The wheat made a fine yield, and the test of the grain was exceptionally high. For a time it looked as if the row crop would be short, but this has turned out to be one of the best crops the county has ever had, excepting in such cases as the farmers failed to get a good stand. The cotton crop is possibly the greatest disappointment, owing to the poor seed, and the abnormal weather of a cold, dry spring, followed by the hottest June in the history of this country. But all in all, the crop conditions this year were not much below normal, and the price has been good on all crops. A very large acreage has been planted to wheat this fall, and the crop is looking the very best possible for this time of the year. The condition of the ground and the weather are ideal for the wheat this fall, as well as favorable for the farmers saving all of the feed crops and the cotton. Farmers have never been busier than they are right now, and the opening of 1925 will certainly fine the Panhandle looking forward to a decided revival of business conditions generally, especially so far as farming is concerned.

Last year the state game wardens placed a number of Bob Whites in the canyons near Canyon. These birds cost the state \$6.00 per pair. The game wardens are now calling upon the sportsmen not to shoot the Bob White, as they are a much needed bird in this section. The birds are multiplying very rapidly, and there will soon be a very large stock in this county if allowed to increase during the coming few years. Sportsmen in Hereford and several other towns of the Plains have posted rewards for information leading to the conviction and any hunter who kills these birds.

The Red Cross Roll Call starts next Tuesday and continues until Thanksgiving day. Answer that call with your dollar. The Red Cross needs money to carry on the wonderful work all over the world. Half of the money stays in Canyon and goes to help the poor and needy in Canyon. Several cases were handled with Red Cross money during the past year, which without this aid would have meant very great suffering, and no doubt dead. Invest a little money in the great humanitarian agency, which is doing so much good all over the world.

Houses are going up all over Canyon at a wonderful rate. During the past four years there has never been a time when five to ten houses were not under construction. People are coming to Canyon on account of the pleasant surroundings and on account of the educational advantages.

The "I told you so" guys are working over time.

If all of the good suggestions of the political campaign could be bundled up and put into effect, what a wonderful state would be Texas, and what a wonderful nation would be the United States. As the thing will turn out, the people will probably forget before the end of the week what each candidate promised, and the winners in the election will straight way forget the many promises to make this country a regular and read Utopia. Great is the political game!

Now that election is over, it would be a good thing for Texas to put politics on the shelf for two years and all join hands in the development of this great state. The winners should refrain from crowing over the victory, while the losers should take defeat gracefully, and be solidly for the winning candidate. It doesn't do any good to get sore over a political victory, or to become too cocky over a victory.

The Methodist conference will meet in Canyon next fall. About three hundred preachers will be present. Poultry raisers are warned to increase their stock for the coming year.

Come to Canyon to spend Armistice Day. You will see the biggest celebration pulled off in Canyon of any town on the Plains.

**THE PASSING DAY**

By Will H. Mayes, Department of Journalism, University of Texas.

A startling report has been made as to health conditions in the Texas prison system to the effect that about ninety per cent of the prisoners are in need of medical attention which they do not receive and that a very large percent of them are mentally abnormal. The report indicates that abnormalities and bad health are the causes of most of the crime in the State, and that the convicts are more in need of treatment than of punishment. Such a state of affairs is a blot on our modern civilization, but what are we going to do about it? We can't turn such characters loose on society, and they must be kept in confinement. The investigation showed that more than half of those now in prison are second or third timers, and if released they would soon be back in prison again.

A reading of the report suggests to the thinking mind that government is going to reach the conclusion before long that one of its prime duties is to keep the people well both physically and mentally. The whole practice of medicine may in time be revolutionized and physicians may come to be government employes with certain clearly defined duties to the public, such as sanitary and health instruction, the practice of preventative medicine, and the treatment at government expense of all diseases of the body and the mind. Just how such a system of medical practices may be worked out is difficult to see now, but it seems to be coming even though it may smack of paternalism. Every person has a right to be born well and to remain well, and in time we may decide that we have a claim against the government for such rights.

Some of us are wondering what this country is going to do with the Shenandoah now that it is ours, and just why it was purchased any way. Perhaps you have forgotten already that the Shenandoah is that big elongated air bag that was made in Germany for this country. If you have not forgotten it, you will before it is ever of any special use to this country. With the improvement now being made in aircraft it will be out of date almost before it can cross the country again, and something better and faster will

take its place. For any practical use the Shenandoah seems to be worth about as little as our claim against the German government is worth just now.

Each of the parties is claiming that the others have spent entirely too much in the presidential campaign, and each is right about it. It is a travesty on our form of government that we waste so much money in determining who is the choice of the people for president. The voters of that population that has to be awakened to the fact that an election is on and persuaded to go to the polls to vote for the side that makes the biggest demonstration are not worth much to a government. The only purpose for which money can be legitimately used in a campaign is to inform the public as to the issues, and campaign money is seldom used to any great extent for that purpose. Most of it goes into noisy demonstrations or empty speeches that are anything else but informational to the average voter.

Texas people are not giving enough attention to the establishment and maintenance of county libraries. The lack of interest in the county library movement indicates that the people do not read books to any great extent, for it is known to every one that in most country and town homes books are regarded somewhat as a luxury. Texas needs to keep apace with the rest of the country in the cultural growth of the people, and this cannot be done unless the masses become readers of books. Since they do not and will not purchase them to any great extent, the needful thing is to get books to them through public libraries. Those who interest and entertain themselves by reading books are not only gaining useful information and culture, but they busy themselves less with trivial and harmful entertainment.

Most of those who have been freely predicting election results are now busily studying explanations as to why their predictions were not sustained. Even if people all voted as they talk and were as enthusiastic at the polls as at public speakings, it would still be a difficult thing to figure out election returns in advance, but to predict results on the basis of the noise made or the newspaper reports of the crowds at public speakings tends to put one in the class of "dumb-bells."

With 70,000 auto repair shops and more than 600,000 filling stations in the United States, there is considerable money in circulation.

**ARMISTICE DAY**

Who is there that does not remember the wild joyousness of that first November 11th, in 1918, six years ago. Who is there that did not partake of the grateful relief that spread through the nations when the glad news, "The War Is Over," was flashed around the world.

The crowded streets... people with laughing faces... the ribald noise of whistles and bells... Women... Mothers, Wives, Sweethearts... who had sent loved ones into the maelstrom of battle... most Mothers wept... many had given sons who had been chosen to go on the last long hike....

Then came the time when the nation settled down to daily tasks again, and progressive peace. Old labors were taken up and the burden seemed lighter than before, for the boys were home and their strong young shoulders bore the brunt of it. And now, along with the commemoration of the World War's end, the firms named below, endorse the slogan of the nation and of Canyon: "Justice, Peace, Prosperity, and Progress."

**Things to Know Before Baby Comes**

YOU may learn the probable date of baby's birth. What you should have and what baby will need. These and many other important things are fully explained in a wonderful booklet sent free to all expectant mothers.

This booklet also tells when and how to use "Mother's Friend"—the much talked about rubbing preparation which relaxes the muscles and prepares the way for a comfortable period during expectancy and for a more natural delivery at childbirth. "I think 'Mother's Friend' saved my life," wrote an enthusiastic mother. "I was sick not over fifteen minutes," declared another. You will find these signed letters, and many more, in the booklet which you will receive.

"Mother's Friend" has been used by three generations of expectant mothers. Get a bottle today and experience the wonderful effect "Mother's Friend" will give you!

**FREE BOOKLET**  
Write Bradford Regulator Co., Dept. P-6, Atlanta, Ga., for free booklet (sent in plain envelope). Full directions for using "Mother's Friend" will be found with each bottle. "Mother's Friend" is on sale at all drug stores.

**World's Foremost Marketing Expert Will Speak Here**

Aaron Sapiro, the most noted authority on co-operative marketing, and who has assisted in setting up more successful Commodity Marketing organizations than any other dozen of men in the world, will speak in the College auditorium at 9:00 on November 19. This address will be given under the auspices of the Texas Wheat Growers' Association of which President J. A. Hill is a public director. People of Randall county and adjoining counties are being urged to attend this meeting. Farmers, business men and those who are interested in public questions are promised a very helpful discussion.

**SMOOTH CHECK ARTISTS HIT PANHANDLE MERCHANTS**

Wednesday night of last week check artists touched Panhandle merchants to the tune of about \$240. Checks on the National Exchange Bank of Dallas, protected by the Humble Oil & Gas Co., were used and the work was so smooth that no one scarcely doubted the authenticity of the checks, and no questions were asked. The checks were made payable to several different parties and supposed to have been given for labor performed by these parties for the Humble Oil & Gas Co., as the parties presenting the checks were dressed as if they had just come out of the oil field and therefore aroused no suspicion.

Sheriff, O. L. Thorp got busy as soon as it was discovered the checks were forgeries, but up to yesterday afternoon no word or information as to the whereabouts of the offending parties had come to the knowledge of the sheriff.

The checks used in the transaction were printed in the regular form, but were on the National Exchange Bank of Dallas, and it developed that there was no such bank in Dallas.—Panhandle Herald.

**Good Progress Made On Gymnasium; Steel Expected This Week**

Good progress was made on the gymnasium during the past week. Several car loads of gravel and sand have been hauled, the excavation for the end foundation was practically completed, and the concrete piers on the main floor were poured.

Cement is on the ground and it is expected that much of the foundation will be completed this week. Arrival of the steel is expected daily, since shipment was made last week. The raising of the frame work will take place immediately following the arrival of the steel.

Several students did work on their pledges last week. A plea for student help will be sounded by Supt. R. A. Terrill within a short time. It is estimated that half of the rough work can be done by students.

**Calves Beat Happy High in Hard Game**

Coach Enoch Dawson took his Calves to Happy last Wednesday and defeated the Happy High "Jacks" by a score of 6-0. Since the Yearlings won also, this made the third consecutive win by Calves teams in two weeks. The College High School bunch went into the game at three-thirty and kicked toward the south goal. The Calves, a little nervous in the first part of the game, soon buckled down and fought like their big brothers. The ball stayed in the middle of the field during the first quarter, but in the second the Calves started off with much fight. Hardin made a spectacular end run from the fifty yard line to the twenty yard line before being hauled down. Then a brilliant pass to Turner put the ball within twelve inches of the goal line. Captain Downing then took the ball over for the lone score of the game. The goat kick failed.

The last half was hard fought thru-out. The Calves fighting to hold the lead, the Jacks to score. The game ended with the ball in the Calves' possession well into Happy territory. When the whistle blew the teams gave fifteen rabs for each other, then the Calves returned to Canyon overjoyed for having won a hard fought victory in their first game.

**WOMEN'S CLUB OFFERS TWO PRIZES FOR LITERARY WORK**

The College Women's Club of Houston announced last week a prize contest involving sums of \$200 and \$50 for the best three-act and one-act play, respectively, which may be submitted. Historical, industrial or some other phase of Texas life should be featured in the plays.

The plays must be typewritten, and should be in the hands of the Club's committee by January 15, 1925. Plays submitted should be sent to Mrs. A. E. Small, Jr., 2602 Commonwealth Avenue Houston.

The end, however, does not justify the Gaston B. Means.—Columbia Record.

**Yearlings Defeat Tulia High Squad**

Tulia High School's eleven lost a hard, fast game to the College Yearlings last Tuesday, 13-0. The one year team outplayed the High School men throughout the game.

Crump, the flashy Ralls boy, was the outstanding player of the game, making both touchdowns. He scored on a pass for the first touchdown and covered a fumbled punt for the second. McDonald place kicked for the extra point. Sadler and Reagan won much ground for the Yearlings. Captain Crow was the strong man for Tulia. Tulia will play a return game in the near future. The Yearlings will play Oklahoma Junior A. & M. on the Goodwell field next Saturday in the only game of the week.

The Training Committee of Boston University insists that all girls who go in for sports this year must not smoke and must get at least eight hours sleep each night. Six infractions of the sleeping rule will be punishable, but there must be no backsliding where tobacco is concerned.

**Our First Anniversary**  
**NOVEMBER 8, 1924**

On Saturday of this week, we will close our first year in Canyon.

We take this opportunity of expressing to the people of Canyon and Randall County our most hearty appreciation for the splendid business you have given us during this year in your splendid city.

Our business relations with the people of this community have been most pleasant, and we are looking forward to the coming year as one that will be pleasant and profitable to both ourselves and our customers.

### LAST OF GREAT HERDS OF BUFFALO WHICH ONCE ROAMED OVER PANHANDLE

Above are pictured a few of the 216 buffalo that Col. Charles Goodnight sacredly guards on his ranch in Armstrong County. Col. Goodnight, who is the oldest man in Armstrong County, also guards and cares for a large herd of deer. Col. Goodnight may offer the herd of buffalo to the State if money is appropriated for a park and game preserve.

(Fort Worth Record)

Col. Charles Goodnight, oldest man in Armstrong County, sacredly guards the last remnant of the Great Plains buffalo that once grazed over the fertile grasses of the Texas Panhandle. All that you see now, save the herd at Colonel Goodnight's ranch, as you motor through the rich milo maize, kafir corn and cotton belt of Northwest Texas, is an occasional buffalo wallow, eternal, almost, as the hills of West Texas, eternal as Palo Duro Canyon itself.

When the buffalo made his wallow, he threw all of his ponderous weight into the soft, slimy, oozy black mud of the plains. And he liked the mud bath almost as much, if not more, than he did the dirt or dust bath when the plains were dry. When the buffalo hit the dirt, he hit it hard. And there isn't any sort of vegetation, not even the tenacious mesquite that dares to grow up over the spot where Shaggy King Buffalo made his bed. Now and then a little clump of white-topped milkweed will come up, forming an oval, like a football, around the buffalo bedroom. And there's a sure sign that a buffalo has been there long, long ago.

#### 216 Survivors In Herd

Surviving, then, these hardy animal kings of the plains, although they formed a mountain-like target for every arrow that the Kiowa or the Comanche Indian drew from his quiver in other days, are the 216 buffalo that Colonel Goodnight has determined to preserve. He knows them all, like little children, and he watches over them as fondly as any mother might watch her little brood. Not only that, Colonel Goodnight is the originator of the cross-breed or "cattalo" cattle. This is the cross produced by breeding the Polled Angus heifer to the buffalo bull. It pays too, in a commercial way.

Colonel Goodnight, interviewed at his pretentious ranch home about a mile or two out of the town of Good-

night, vouchsafed the information that, although the Polled Angus cattle that he had offered for sale fetched an average of \$26 a head, the "cattalo" cattle brought \$45 a head. Therefore, he has more than one good reason for continuing the buffalo herd, apart from the merely sentimental one.

Colonel Goodnight fought the Kiowa and the Comanche alongside Col. William F. Cody (Buffalo Bill). He also was with General Ross at the battle of Mule Creek, when Cynthia Ann Parker was recaptured from the Comanches. But that's another story. Colonel Goodnight is 87 years old, and his wife, now in the shadow and less vigorous than her picturesque husband, is 85 years old. They live every day with their memories of the past. And it's a romantic story, too—a story that began "way back yonder in Hickman, Ky., in 1871.

#### Pioneers Of The West.

Colonel Goodnight's people came from near Frankfort, Ky. He went away with them from Illinois when he was 10 years old, and thence to Missouri, then to Colorado, then to Texas. But Colonel Goodnight had a sweet-heart back in Kentucky—the home of his parents' boyhood and girlhood; and when, after years of struggle in the Great West, he journeyed back to Kentucky, he wired his present help-mate to meet him in Hickman, and there their wedded life began. Then across the great wasteland of the West, not wanderers altogether, but pioneers and breathing the spirit of the pioneer, they found themselves in the shadow of the Palo Duro. Colonel Goodnight had more than one battle with both the Kiowa and the Comanche.

The other evening, as he puffed on a big, black cigar, with a little company of his Claude, Texas, friends and four members of the Texas State Park Board grouped around him, he said:

"You have to lie to an Indian, so he won't find it out. If he catches you, you are gone. The Kiowa and Comanche tribes operated together for 150 years on these western plains. The Kiowas were Esquimaux; the Comanches have been out here since time immemorial. From caprock to caprock, at a point on the Ed Harrell ranch, near mine, is eleven miles; and it seldom is less than ten miles across.

#### Back To The Long Ago.

"I knew this was a loved spot of the old tribes, especially the Comanches, and a few years ago, when I staged a real live buffalo hunt, with an old 'cull' as the target and a Comanche band of warriors, in their paint and feathers, as the hunters, I decided to take the old Comanche chief out to the spot where he once stood in the long, long ago, and let him see once more the canyon where his redskin warriors used to roam. The old Indian wept as he looked across the Palo Duro, and, to be honest about it, I found myself in tears too.

"That Canyon of the Palo Duro is 1,100 feet deep all the way at the Harrell ranch. It's a strange formation, a strange freak of water cutting through sandstone, limestone, clay and black earth. And yet, if you could move the Sonora Mountains in California and bring them together at the point where they have been divided by time and the elements into a canyon, you would find they would almost fit, after a million years of erosion.

#### Deer In Palo Duro.

"There's a great vein of salt in the Palo Duro, eighteen feet thick. There is a herd of deer down there, now, maybe two or three herds. They shot an old white-tailed buck there a year ago—and the fellow that shot him

ought to have been shot himself, at sunrise. That buck was 10 years old.

"There's a black-tailed buck down there right now, the king of the herd, and they tell me he's got twelve points now, meaning that the black-tail buck is 12 years old. I hope he stays down there just as long as the white man will let him live. I haven't seen him lately, but I know he's there, because I have talked with people who saw him—not longer than a year ago, and I know they tell the truth.

"To get back to that old buffalo that the Comanche killed with his arrow. We skinned him, of course, and kept the head for trophy of the hunt. Then we dressed and quartered the carcass and had a real buffalo barbecue. When the State of Texas gets ready to establish a great park and game reserve in the Palo Duro, I'll give a pair of buffalo, maybe more than a pair.

#### State May Get Herd.

And, as he said this, the Colonel leaned forward, with a twinkle in his eye, that indicated he might turn over the entire herd to the State of Texas, to preserve for all time as a relic of the dim and distant days of the pioneer.

Colonel Goodnight is a picturesque example of what life in the open will do for one. His great wavy, gray hair, his broad shoulders, quick eye and quick gesture all bespeak him as the type who lived the Life Unafraid. And he's unafraid now, even as the 90s stare him in the face.

If all men were equal, there would be no need of laws to cramp the style of the able.—Springfield (Ill.) State Register.

The dead past has no chance to bury its dead during a campaign year.—Little Rock Arkansas Gazette.

The trouble is that when we have bumper crops the price is apt to get bumped.—Los Angeles Times.

As to the great influx into the colleges, one reason may be that it is much easier to enter a college than a labor union.—New York Times.

When Mr. Dawes gets through with his brass tacks, we hope he will see what he can do with some other tax.—American Lumberman.

What the Japanese need is something like the question of bobbed hair to take their minds off immigration.—Chicago Evening Post.

#### Took a Friend's Advice

Houston, Texas—"When I was comparatively a young woman I became afflicted with woman's trouble and got so I could hardly walk. I had a delicacy in submitting my case to the doctors. Finally a friend advised me to try Dr. Pierce's Favorite Prescription. I did so, and before I had taken three bottles I was all right. Later on in life I became afflicted with a kind of poison in my blood; for this I took the 'Golden Medical Discovery' and gradually my blood became pure. I never again had anything like either of these afflictions."—Mrs. D. M. Wilson, 1521 Fulton St. All dealers.

#### GIRLS' BASKET BALL SEASON OPENED WITH CLAUDE

The Claude basketball girls motored over to our city Saturday evening to play a game with our high school girls, before the football game. Quite a number of students and others were assembled in the high school gymnasium anxious to see the first game of the season. W. D. Cox, the coach, saw fit to start the game with the following girls.

Forwards: Marsene Smith, Annie Smith.

Centers: Susan Horton (jump), Marie Tumlinson (back).

Guards: Mary Louise Anderson, Estel Foster.

At the end of the first half, the score stood 18 to 8 in favor of our girls. At this interval other players were substituted, making the game exceedingly interesting, as the teams gained on each other. At the end of the game the score was 20 to 19 still

in our favor.

Every girl on both teams played like sports, and none were hurt too badly to see the interesting football game played by the Claude and Canyon boys at the College gridiron.

The girls will play the Tulla girls in the high school gymnasium Friday afternoon. Everyone come. You'll never regret it. Admission 25c.

Where do the lovely autumn leaves go? Have a campaign cigar.—Wall Street Journal.

The French are a practical lot. They make fewer records and more planes.—Rockford (Ill.) Star.

Life is cheap in America where we have seventeen murders for one in England.

Mrs. W. R. Franklin has been sick the past week. No improvement at last account.

Married Saturday, Miss Rosetta Dunlap and Melvin Miller of Fairview community. Their many friends wish for them a full measure of happiness and prosperity.

W. J. Sluder and wife, M. C. Sluder, W. R. Franklin and George Gillham made a trip to Tulla Saturday.

Mrs. Caleb Brooks has been suffering for some weeks with rheumatism in her right arm.

Will Hamblen is still suffering severely with blood poison in right arm and hand. Came from Canyon Saturday where he is under treatment of Dr. Donnell, returning Tuesday. His wife is with him.

A large crowd at the Halloween party at the school building Friday night. Quite a number wore masks and much fun was engaged in playing games, biting for apples, and having a big time generally.

M. C. Sluder and T. J. Dunlap made a business trip to Plainview Tuesday.

W. J. and S. C. Sluder made a business trip to Tulla Wednesday.

Alfred Hamblen and Miss Ultra Strawn, Marvin Hamblen and Miss Ruth Knox were among the number who enjoyed the "Sea Hawk" at the Olympic at Canyon Saturday night.

Miss Esther Sutton was absent from school Monday on account of sickness.

It's queer the authorities can't discover fake stocks, when the sucker finds them so easily.—La Grange (Ga) Reporter.

Help Keep Canyon Clean!

**State Federation to Luncheon at College on November 14**

The State Federation of Women's Clubs will be held in Amarillo next week, and an invitation has been accepted from President J. A. Hill and the College to come to Canyon on Friday, Nov. 14th for a luncheon.

It is expected that more than 200 women will accept the invitation to visit Canyon on that date. The luncheon will be served at Cousins Hall and in the Home Economics dining room at 12:30. The delegates will be brought from Amarillo in cars.

At 2:00 o'clock there will be an assembly at the auditorium, and a varied program put on by the college faculty and students.

President J. A. Hill, Miss Burton and Mrs. T. V. Reeves were in Amarillo Monday making arrangements with the Potter county federation for the luncheon.

**NEFF SAYS GRAIN IS COMING TO HAPPY VERY FAST NOW**

P. J. Neff states that he is buying about a car load of threshed grain daily now. The fine fall weather is letting the farmers save their row crop get it thrashed, and to the market. He states that machines are running in every section of the county.

Cotton is also coming to the Happy Gin briskly now. The cotton crop is more or less a disappointment this year owing to the poor seed and bad weather conditions, but Mr. Neff believes that the crop will help out the farmers very much in a financial way.

Mr. Neff states that a larger acreage has been planted to wheat in the Happy territory than he has ever seen. He and his sons have in about 1900 acres of wheat. Mr. Neff states that the wheat certainly has a fine start this fall, and should make a good yield with continued good weather.

**HAPPY WILL ADVERTISE ADVANTAGES TO THE WORLD**

The News has completed printing 9,000 folders for the business men of Happy, which will be sent out to advertise to the world the wonderful advantages of the south part of Randall and the north part of Swisher counties. Happy is located in the very best part of the Panhandle, and the business interests of Happy are going to tell these advantages to those interested in a new location.

The Chamber of Commerce is using 5,000 of these folders, while two real estate firms are using 2,000 each of the folders.

**CHILDREN'S BOOK WEEK TO BE OBSERVED**

Through the Children's Library at the College, the Sixth Annual Children's Book Week, Nov. 9 to 15, will be observed here with a number of interesting features. Children's Book Week is recognized by schools, public libraries, newspapers, and book stores the country over as the one week in the year when combined efforts should be made to place before girls and boys the best books to read and enjoy.

Two programs have been arranged to which the general public, and especially those who are interested in good literature for children, are invited.

The program for Thursday, Nov. 13, which will be given in Room 105 at 3:30, follows:

"Mother Goose in Song"—Miss Ada Clark.

"Books for the Little Children"—Miss Edna Haines.

"Stories Children Enjoy"—Miss Mae Simmons.

On Saturday, Nov. 15, at 3:30 in the auditorium the program below will be given:

"The Care of Books"—Sixth Grade Student.

"My Favorite Book"—Seventh Grade Student.

"My Favorite Book Character"—Eighth Grade Student.

"Books Boys and Girls will want to Read"—Miss M. Moss Richardson.

"Friends From Book Land"—A play—Training School Children.

Parents and teachers are urged to visit the Children's Library any afternoon during the week from 2:30 to 5 o'clock.

Canada has one mile of railway to every two hundred and twenty persons, a larger mileage in proportion to population than any other country.

The millennium will begin soon after patriotism is purged of appetite and envy.—Greeley (Col.) Tribune-Republican.

Harrah for the straw vote! If it wasn't for that we wouldn't know there was going to be an election.—Chicago Tribune.

The civilized peoples are those that pay the highest prices for beads.—Key West (Fla.) Citizen.

It's only a question of time until anybody can be elected by the office-holder vote.—Hartford Times.

**LEST WE FORGET**

Let us not become unmindful of the services the soldier boys rendered in the great war. They went out and fought our battles for us. They left home, school, job, and quickly adjusted themselves to the big job of fighting.

Our bank is proud of the Legion boys and stand ready to render any service possible, as it has always done with the mature soldier of the war with Spain, or the old boys of the Civil War. They are all heroes in our estimation.

**ARMISTICE DAY**

This bank will observe Tuesday, November 11th, as a holiday and will not be open on that date.

**LUMBER**

**Your Home!**

Down through the ages the constant use of wood has proven it to be the best material for home-building. A lumber-built home with wood floors, wood mantles, staircase, window-frames and doors brings kindly memories to most of us because it was in such a home that we were born and raised. Lumber gives that "homey" atmosphere that all other materials lack. Use lumber to build your home. Lumber gives greater home comfort at more reasonable cost. Let us help you in planning and financing your home.

**Honor Society to Elect New Members Early in November**

Members of the Lloyd Green Allen Scholarship Society have been meeting regularly since school opened in an effort to finish the work of last year and begin plans for the current session. At meetings last week two of last year's graduates were elected and the names have been submitted to the faculty for approval. The confirmation will take place within the next week, it is thought. This choice of permanent members came under the head of unfinished business.

Senior honors and junior honors will be conferred upon students during the early part of November. Present Juniors are eligible to Junior membership on the basis of their work as sophomores; present seniors are eligible on the basis of their work in the sophomore and junior years. The top or ranking tenth, account being taken of the quality of grades made, of the amount of work passed, of the time of residence as a student (provided that the junior made an average of 90 in his sophomore work, and the junior an average of 87 or more in his sophomore and junior years is eligible to honors named above.

Applications of students wishing to try for honors should be filed with the Registrar at once.

Permanent honors are granted to the ranking ten percent of the graduating class.

The local chapter of Texas Scholarship Societies was organized in 1923. Jim Webb is president of the society here at this time. Delegates are sent each year to the state convention and an annual banquet is provided. The aim of the society is to reward scholarship with adequate publicity and to encourage scholarship among the students of this College.

**Replaces Wallace**

Asst. Secy. of Agriculture Howard M. Gore. He gave up campaigning for his election as Governor of West Virginia, to take over the full duties of the late Secy. Wallace.

**Teachers Surprise President Hill On Birthday at Party**

Members of the Faculty were invited by Mrs. Hill to spend the time at the President's home from eight to ten o'clock Wednesday night. Mr. Hill did not know of the plans, the occasion being his birthday. During the hours designated most of the faculty members and their families called to wish President Hill many happy returns of the day. The president's home seemed doubly hospitable because of the abundance of lovely autumn flowers which were used as decorations. Mrs. F. P. Guenther and Mrs. J. S. Humphreys presided in the dining room. Those present spent a very delightful evening.

**FIRST BALE COTTON IN CASTRO COUNTY**

The first bale of cotton ever ginned in Castro county was put through the new gin at Dimmitt Monday of last week. The bale was raised by M. F. Saunders, living 12 miles northeast of Dimmitt, and was ginned at the gin of Stalcup & Son. They have installed a four-stand 70-saw modern gin. Mr. Saunders' bale weighed 540 pounds, and was sold for 24c, which was 3c above the market price, and the business men gave him a premium of \$60.

**Many College Men Enjoy Hallowe'en Party at Cousins**

One of the most enjoyable of the Hallowe'en entertainments was given at Cousins Hall on Friday evening. More than ninety boys, including members of the Abilene Christian College football team, were guests.

The hall was dimly lighted with Hallowe'en lanterns and colored effects, giving it a quiet air of mystery. The girls, wearing masks, welcomed each arrival. The guests were immediately escorted into the beautifully decorated reception room.

After a grand march, games were played by several large groups, and much fun ensued when the girls unmasked. Then Miss Richardson gathered the young people about her and told them two "spooky" Hallowe'en stories. A fortune teller was kept busy by merry couples throughout the evening. Delicious pumpkin pie, with whipped cream and coffee, was served in the dining room.

Before departing, the students gathered around the piano and sang familiar songs. During the evening, stately figures in white, and some in hideous costumes, walked solemnly about, defying the guests to discover their identity.

**DO YOU SUPPORT YOUR NEWSPAPER?**

There is nothing that calls attention or draws people to town equal to a good newspaper. In order for a man to make a good newspaper he must have the patronage of the people among whom he lives. If he has half-way support it stands to reason that he must make a poor newspaper, and in doing this every man in town and the surrounding country has to bear a portion of the loss. For this reason, if no other, the man who tries to make a good newspaper, should have the support of his own people, all of whom reap fully as much benefit from its efforts as he does himself.—Exchange.

**Who owns the Santa Fe?**

More than 67,000 stockholders own this great railway. Several thousand live in the states it traverses. All have a voice in its management.

Every Southwest investor should buy a share in the Santa Fe and thus get a valuable interest in an institution that helps build up that section. Let it be Yours, in ownership as well as in service.

Fiduciaries	2,777
Insurance Companies	114
Religious Organizations	91
Hospitals and Charitable Institutions	115
Educational and Scientific Institutions	109
Banks and Trust Companies	251
Estates	1,095
Various Others	1,265

Since the organization of the present company in 1895 it has not failed in any year to earn its full interest, nor since dividends have been declared to earn them in full. The Preferred Stock dividends are limited to 5%. The first payment was made in 1898 at 1% and in 1900 full payments of 5% were begun and have been maintained for the ensuing 25 years without interruption. Common dividends were begun in 1901 at 3½% and have been maintained steadily since that date with gradual increases, 6% having been paid since 1909.

For the railroads, as a whole, the records of the Interstate Commerce Commission show that at the close of 1923 there were 807,524 stockholders, or 30,392 more than the preceding year. The average dividends on the outstanding stock amounted to \$4.03 per share.

Among the stockholders are found:

Women	30,370
Men	30,931

This joint enterprise of a great body of our citizens is open to all to participate in as stockholders. Why then should any favor government ownership and the certainty of supporting the railroads as taxpayers?

W. B. STOREY, President  
The Atchison, Topeka and Santa Fe Railway System

## BUFFALOES WIN FRIDAY FOR WILDCATS OF ABILENE CHRISTIAN COLLEGE WITH SCORE OF 23-13-VISITORS FIGHT HARD

The Buffaloes annexed another T. I. A. A. game Friday by defeating the Wildcats from A. C. C. by a score of 23 to 13. The light Abilene bunch was one of the fastest teams ever seen on the Buffalo field.

The Buffalo team put up a slow and at times sluggish battle, seeming to be suffering from a relapse from the high tension of the Cowboy game the week previous. The fighting spirit shown by the Buffaloes in the Simmons game would have defeated the Wildcats easily by a score of 50 to 0. The Buffalo team was not particularly to blame for this sluggishness, as it was in the atmosphere. The student body did not realize that the A. C. C. bunch was really so strong, and did not back the team in the fight.

Coach Burton sent in many second string men to give them a chance in this game. When Abilene made her first touchdown, eight of the first string men were on the sideline.

A. C. C. put up a scrappy game, and in many respects outplayed the Buffaloes. A. C. C. carried the ball a total of 251 yards, as compared with 193 yards for the Buffaloes. Each team attempted twenty-three forward passes. Abilene made 8 of them good for 120 yards, while the Buffaloes made 6 good for 87 yards.

**First Quarter**

The Wildcats received, with the Buffaloes defending the east goal. Brown kicked to Beal on the goal line. Brown returned 10 yards. First down, Beal no gain through line. Second down, Powell gained 7 yards through line. Third down, Beal no gain. Fourth down, Williams punted 30 yards to Jennings. Returned 10 yards. First down, Burson 4 yards through line. Second down, Bivens 2 yards. Third down, Burson 1 yard. Fourth down, Burson no gain. Here the head linesman got his numbers crossed and gave five downs. Mitchell kicked 35 yards to Beal who fumbled. Brown recovered for the Buffaloes on the preachers' 20 yard line. First down, Scott 3 yards. Second down, Burson 1 yard through center. Third down, pass incomplete. Fourth down, Burson kicked goal from placement. On kickoff Brown kicked to Curtis, who returned 20 yards. First down, Williams 3 yards through line. Second down, Beal went 12 yards through line for the first first down of the game. First down, Williams 4 yards. Second down, Beal no gain. Third down, Beal takes ball over. Burson kicked goal. Half over. Score: Buffaloes 13; A. C. C. 0. First downs: Buffaloes 6; Wildcats 1.

**Second Quarter**

Preachers' ball on 35 yard line. First down, Powell no gain. Second down, Beal 1 yard through line. Third down, Scott broke up pass. Fourth down, Powell punted. Jones blocked, and A. C. C. recovered. First down, Powell 4 yards through line. Second down, Williams 1 yard through center. Third down, Williams 4 1/2 yards off tackle. Fourth down, Beal takes ball over. First down, Powell fumbled, Mitchell recovered, Buffaloes' ball on 35 yard line. First down, Scott 3 yards around end. Second down, Burson 3 yards through center. Third down, Burson 1 yard off tackle. Fourth down, Mitchell back to kick, had pass, "52" ran with ball, gained 7 yards. First down for the Buffaloes. First down, Burson tore line for 7 yards. Second down, pass incomplete. Third down, Burson 3 yards. Fourth down, Bivens takes it over. First down, fumble, Gamiel lost 2 yards. Second down, pass Bivens to Gamiel incomplete. Third down, pass Burson to Gamiel incomplete. Fourth down, Burson heaved the sphere for 40 yards, pass incomplete. Wildcat's ball on their 20 yard line. First down, Beal no gain. Second down, Williams 4 yards through line. Third down, Stephens 3 yards through center. Fourth down, Wildcat's punt blocked and ball recovered by Bill Anderson, who raced to Wildcat's 4 yard line before he was stopped. First down, Burson 3 yards through center. Second down, Burson goes over. Williams kicked to Bivens, who returned to 30 yard line. First down, Burson 9 1/2 yards through center. Second down, Gamiel lost 1 yard. Third down, Burson 4 yards; ball goes over. First down, pass Bivens to Mitchell 15 yards. Ball on A. C. C.'s 34 yard line. First down, Burk 1 yard. Second down, Gamiel lost 4 yards. Third down, Bivens lost 2 yards. Fourth down, Mitchell punts 45 yards, ball goes over goal line. Wildcat's ball on their 20 yard line. First down, Stevens no gain. Second down, pass incomplete. Third down, Beal kicked 10 yards, Bivens caught ball; downed in tracks. First down, Burson 7 yards through center. Second down, Burk 1 yard through line. Third down, pass Bivens to Mitchell completed in end zone. Burson kicked goal. Half over. Score: Buffaloes 13; A. C. C. 0. First downs: Buffaloes 6; Wildcats 1.

**Third Quarter**

Burton started a great number of second string men in this period. Wildcat line-up was same as at start of game. Brown kicked to Curtis, who returned 15 yards. First down, pass Beal to Curtis gained 17 yards. First down, pass incomplete. Second down, pass incomplete. Third down, pass Powell to Curtis 4 yards. Fourth down

down, Mitchell kicked 30 yards, Beal returned 15 yards. Quarter up with Wildcats in possession of ball on Buffaloes' 35 yard line. Score: Buffaloes 3; Wildcats 0. First downs: Buffaloes 0; Wildcats 2.

**Fourth Quarter**

Buffaloes' ball on A. C. C. 27 yard line. First down, Jennings gained 5 yards through center. Second down, Bivens 2 yards through line. Third down, no gain. Fourth down, pass from a fake field goal kick formation incomplete. Wildcat's ball. First down, Curtis lost 1 yard. Buffaloes penalized 15 yards for roughness. Second down, Beal 2 yards through line. Third down, pass incomplete. Fourth down, Beal kicked 30 yards to Jennings. No return. First down, Bivens 3 yards thru line. Second down, Burson ploughs line for 6 yards. Third down, Scott takes it over. First down, Bivens 3 yards around end. Buffaloes time out, Brown hurt. Second down, pass Bivens to Mitchell complete for 20 yards. First down, fumble, Thompson recovers, no loss. Second down, Jennings broke through line and raced 26 yards for touchdown. Burson kicked goal. Anderson goes in for Brown. On kickoff Bivens lifted ball 10 yards beyond end zone. A. C. C. ball on their 20 yard line. R. Thompson goes in for Mitchell. First down, pass incomplete. Second down, pass incomplete from a kick formation. Third down, Beal kicked 40 yards out of bounds. Buffaloes' ball. First down, Bivens 2 yards through center. Second down, Williams inter-

cepted pass. Ball in middle of field. First down, a long pass Curtis to Williams placed ball on Buffaloes' 2 yard line. First down, no gain through line. Second down, no gain through line. Third down, Beal takes ball over for touchdown. Beal failed to kick goal. On kickoff Bivens kicked to Powell, no return. First down, pass Beal to Cantrell complete for 12 yards. First down, pass incomplete. Second down, Williams 8 yards through line. Third down, Stephens 5 yards through line. First down, Stephens lost 1 yard. Second down, Powell one yard. Third down, Beal 6 yards through line. Fourth down, Powell gained 12 yards around end. First down, Burson intercepted pass on his own goal line and returned to 17 yard line. First down, Jennings 1 yard. Second down, Burson 2 yards through line. Third down, fumble, Wildcat recovered on Buffalo 18 yard line. First down, Stephens gained 8 yards through line. Second down, Stevens gained 2 1/2 yards. First down, Stevens fumbled, Hancock recovered for Buffaloes. First down, Burson 1 yard. Second down, Bivens 15 yards around end. First down, Hill fumbled, A. C. C. recovered. First down, a pass Beal to Stevens takes ball to Buffaloes' 14 yard line. Stevens and Bivens out for fighting. Reagan goes in for Bivens. First down, pass incomplete. Second down, Powell pass over goal line. Buffaloes' ball on 20 yard line. First down, Hill punted 50 yards and game ended. Score: Buffaloes 7; Wildcats 6.

First downs: Buffaloes 10; Wildcats 17. Passes: A. C. C. 36, completed 12 for a gain of 141 yards. W. T. S. T. C. attempted 14, completed 3 for a gain of 55 yards, one for a touchdown.

Substitutes: Buffaloes: Crump for Anderson; McDonald for Golden; Burke for Scott; Hill for Scott; Anderson for Brown; Thompson for Mitchell; Sone for Vaughan; Santy for Napps; Bivens for Burke; Jones for Ward; Jennings for Gambriel; Scott for Sadler; Hancock for McDonald; Vaughan for Crump. Abilene Christian College: Stevens for Powell; Forester for Kerr; Bunowsky for Curtis; Stevens for Williams; Colley for Richards; Meyers for Stevens.

Officials: Referee: Parcels, (N. W.) Empire, Dennis, (Kansas); Head linesman, Page (Texas A. & M.); Timekeepers: Meade (W. T. S. T. C.), Adams (A. C. C.)

### Armistice

The faint sweet sound of "Taps" had just ceased. A dejected boy puffed desperately on a cigarette; he was only eighteen. His Buddy had "gone west" that day. Shrapnel. Their friendship had been a live thing.

Then came news. An Armistice. Too late to save his Buddy, but not too late to save hundreds of others.

Six years have passed, and yet, the old griefs of the war are ever new, and again this year those of us who are left, bow our heads with this boy, in silent reverence to the Buddies that "Went West."

## —to regain Strength

—brings joy to you and your friends.

EVERY man, woman and child wants to have strength and correct weight. It means the joy of living. To be minus strength and underweight often proves low fighting power in the body. It often means you are minus nerve-power, minus red cells in your blood, minus health, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S.S.S., since 1826, has meant to thousands of underweight men and women a plus in their strength. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body.

More red-blood-cells! S.S.S. aids Nature in building them by the million! There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today. It will give you more energy, vitality and vigor and a more up and going appearance.

From 8:30 P. M. To 12:00 Midnight

### Lower Rates are Charged

Lower rates are charged for Station-to-Station calls when placed between the hours of 8:30 p. m. and 12:00 Midnight. The rate during that time is about one-half the Station-to-Station day rate, and is known as the Evening Rate.

This class of service is very popular for social calls. The charges cannot be reversed, however, on Station-to-Station calls. Neither is the evening rate effective when the day rate is 25c or less. On such short haul messages, the day rate applies.

### Happy Happenings

Mr. and Mrs. C. Shuman and son, Vincent, and Winfield Miller of Canyon visited with friends and relatives here Sunday afternoon.

Rev. H. W. Carter returned Tuesday night from Abilene where he has been attending the Annual Conference of the Methodist Church.

M. D. Montgomery and Paul Lawson were Amarillo visitors Saturday night.

Harry Harrison, who has been employed for several months in Amarillo, has accepted a position here with the Magnolia Oil Co.

Mr. and Mrs. Cates and daughters, Estelle and Josephine of Floydada, visited the latter part of last week with their daughter, Mrs. O. M. Fowler and family.

Miss Virgie Maynard spent the week end with her sister, Mrs. Walter Welch, near Dimmitt. She returned to her school work in Tulla Monday.

Miss Ethel Sanford, who is attending the College at Canyon, spent the week end with home folks west of town.

Miss Leta Gilliam of Greenville, came in Wednesday to visit with her brothers, Lois and Odell Gilliam.

Mr. and Mrs. J. R. Francy and family and Miss Gladys Miller attended the Box Supper at Union Hill Friday night.

J. H. McRee was an Amarillo visitor Saturday.

Mr. and Mrs. Roy Rogers and children of Canyon attended the Box Supper Friday night at Lone Star.

Mr. and Mrs. W. H. Doyle entertained with a six o'clock dinner Thursday evening at the City Cafe in honor of Mr. and Mrs. George Taylor, who are visiting here from Denver, Colorado.

A lovely chicken dinner was served to the following: Mr. and Mrs. George Taylor, Mr. and Mrs. Felix Neff and Mr. and Mrs. W. H. Doyle and little daughter, Lorene.

Mr. and Mrs. Stanley Minor attended the Box Supper at Lone Star Friday night.

Miss Grace Knox spent the week end with Nadeen Wrenn.

Mr. and Mrs. Homer T. Laroe spent Sunday with Mrs. Ethel Wesley.

Miss Irene Wrenn, who is teaching at Vigo Park spent the week end with home folks here.

The girls of the Home Economics Club gave a party Friday night at the Home Economics Cottage. Quite a large number of young people were invited. The evening was spent in playing interesting Hallowe'en games. At a late hour refreshments of punch and cake were served to the guests. Each report an enjoyable evening.

Mr. and Mrs. J. H. Wrenn and daughters, Irene and Nadeen attended the show in Tulla Monday.

### HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nausealess Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic; by far more effective and certain than the old style calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

We wonder if you know just how little money is actually required to get a FORD car? The first payments for FORDS are given below:

Roadster St. Cl.	\$116.75
Touring St. Cl.	\$125.00
Truck Ch.	\$125.00
Coupe	\$173.00
Tudor Sedan	\$191.75
Fordor Sedan	\$218.75

It is surprising how many prefer the TIME PAYMENT to CASH. They find the payments are met and the car is theirs without really missing the money. A telephone call will bring one of the Models for your inspection. You will be under no obligation whatever.

### This Week

By Arthur Brisbane

#### NATURE'S METHODS. FORD ADVERTISES. FLYING JAPAN. WHEAT \$1.51

Nature's old-fashioned methods are creditable.

Pennsylvania State College announces the champion litter of fifteen pigs, 6 months old, weighing 3,461 pounds.

The mother of that little family is entitled to some kind of a monument. In six months she adds nearly two tons of pork to the world's food supply, and is doubtless busy with a brand new litter by this time. The name of the pig lady, a "pure-bred sow," is Petroleum Girl. Humble and plain.

A race horse called Chilhowee has broken the world's galloping record, covering a mile and one-eighth in one minute 48 4-5 seconds. That would have been important once, now it's a mere incident in a gambling sport. Paul Bevere to-day would ride in a small automobile, blowing his horn as he went with the "cut out" wide open. Or he would fly close to the ground in his little monoplane, or would stay at home and wake the country side through the "loud speaker" in every house. The running speed of a horse is as unimportant to-day as the flying speed of a falcon that also was important once.

Henry Ford's business, prosperous everywhere, gains in proportion more rapidly abroad than in the United States.

Business men who say, "My business does not need advertising," might study Henry Ford's methods. His products are well known, yet Ford advertises systematically, elaborately and constantly here and abroad. His advertising is good because he invests it to PROFESSIONAL ADVERTISING MEN.

Henry Ford knows how foolish it would be for an advertising agent to undertake automobile construction without consulting an expert. He also knows that it would be foolish, in him, to do his own advertising.

There is not a business in the country, except that of the prison keeper, that couldn't be doubled in volume by the right advertising agent. Even cemetaries advertise, and prosper by it. "If your business isn't worth advertising, advertise it for sale."

The Pensacola Journal devotes almost the entire editorial page to a picture of the latest gigantic flying machine built for Japan by German workmen in Denmark. Inside of five years the coast of California will be within 24 hours of Japan. The fastest fier needs only increased fuel capacity to cross the Pacific in 24 hours, now.

Wheat is cheerful. December deliveries at Chicago closed at \$1.51; May, \$1.64 1/2. If you read this column you may remember that when wheat sold for \$1.17 you were told that it would go above \$1.50.

Great Britain takes woman suffrage more seriously than it is taken here, where we allow them to vote, but apparently, don't think much of them in public office.

Forty-one women are candidates for Parliament in this election. They include "noble women," with assorted titles, one lady formerly a domestic servant, and one stenographer. Whatever you think about the British, you must admit that they possess a genuine brand of democracy.

The "Full Dinner Pail" is old-fashioned. The "Brotherhood of Railway and Steamship Clerks," etc., say they don't care so much about white collars for themselves, but they must have silk stockings for their wives.

President E. R. Fitzgerald says that women feel inferior when not well dressed, and every workman's wife should have three pairs of silk stockings a year. So she should, and the railroads will probably arrange it, rather than have a strike.

You can get very good silk stockings for \$2 a pair (see advertisements in this newspaper), so that that would only amount to an increase of 2 cents a day in wages.

The interesting thing is that the workmen are now worrying about their wives' happiness, rather than about themselves. That's spiritual progress.

### Umbarger Notes

Clem Friemel made a business trip to Amarillo Saturday.

We had the first heavy frost this season the 31st of October. The frost killed the row crop that was still in the field, and most other vegetation.

E. J. Friemel and M. Hollenstein made a business trip to Hereford Saturday.

John Bedink was a business caller in Canyon Thursday.

V. Skypola and family spent Sunday at the O. J. Podzemny home.

Mrs. Paul Artho went to the hospital in Amarillo Wednesday, where she underwent a slight operation. She returned home Sunday evening.

W. Frank, who underwent an operation last week, does not show much improvement.

### FRIONA PUPILS HERE.

Supt. H. C. Buckner of Friona brought three truck loads of his pupils here Saturday to show them the advantages of W. T. S. T. C. After inspecting the College, the party went to Amarillo to visit the big industrial plants there. The students carried note-books to record data which will be used in class work. Friona has a consolidated district and a progressive school.

### STUDENTS TOLD THEY REPRESENT HOME FOLKS

"Every young man who goes to college brings his father, mother, and community, with him," was the declaration of Rev. Beavers, local Methodist pastor, in an address to the student body Tuesday morning.

Rev. Beavers adequately defended his statement by showing that the conduct of the student is a testimony, especially among strangers, of the kind of parents and community he has.

At the close of Rev. Beavers' address President Hill read a letter received from a mother whose daughter is in W. T. S. T. C. The letter expressed confidence in the institution, based on thorough investigation, and praised the college for the kind of material it was sending out.

Prof.: Why are you always late at class?

Stude: Because of that sign.

Prof.: What sign?

S.: The one which says: "School ahead; go slow."

### MENTAL RESERVATION

"Do you believe there is anything in telepathy?"

"I shouldn't like to believe anything of the kind," answered Senator Sorghum. "When I am making a speech, I want good listeners, but no mind-readers."—Washington Evening Star.

Help Keep Canyon Clean!

### NOT ILLEGAL FOR YOUNG MAN TO WHISPER IN CHURCH

Austin.—It is not a violation of law for a young man to chat with young ladies during religious worship, provided the chatting is done in whispers or undertone.

Decision to that effect was made Wednesday by the Court of Criminal Appeals in reversing and remanding the case of Oliver Thomason, from Dickson County. Thomason had been convicted of disturbing religious worship by "loud and vociferous talking" during services talked with several young ladies.

The record showed that Thomason during services talked with several young ladies by whom he was sitting and his words could not be heard except by those who sat immediately around him. When the minister admonished him Thomason ceased talking.

The higher court held that the young man had not willfully disturbed anyone in the church.

### AIR CABS BETWEEN CITIES

The air taxi has arrived, 200 of them will soon be put in operation by the Yellow Cab Company of Chicago. They will traverse regular routes between Chicago, Cleveland, Dayton and Detroit. Another route will be operated between Chicago and Minneapolis. Soon we shall see them traveling back and forth between all big towns and cities. The air taxi between London and Paris, cuts a 24-hour trip down to a few hours and there is no sulphur smoke and cinders. It is quick transit that the public wants, long trips are expensive and tiring.

Bolled down, the merit of a tariff law is that it enables us to charge one another too much.—St. Thomas (Ont.) Times-Journal.

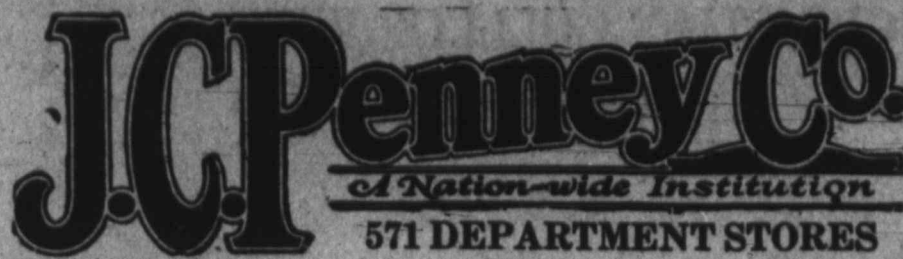

### ALL OUT OF SORTS?

So Was This Canyon Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Canyon case is one of many:

Mrs. I. W. Huber, 1801-3rd Ave., says "A dull hurting across my back bothered me mostly after I had finished my housework at the end of the day. My kidneys acted too freely. Headaches and dizzy spells came over me and little specks came before my eyes. I felt weak and I had that tired, all worn out feeling. I began using Doan's Pills and they soon cured me of the attack." 50c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

OUR AIM: TO SERVE YOU WELL AND FAITHFULLY ALWAYS

WHERE SAVINGS ARE GREATEST THROUGHOUT THE YEAR

701-3 POLK STREET

AMARILLO, TEXAS

## Clever New Wool Frocks An Attractive Showing at a Saving

You will be delighted with these new wool Dresses which our New York buyers have selected for us as representing the best of the season's new styles. And you'll be delighted with the values, too, for our 571-Store buying power means money saved for you.

The Fabrics Include Bengaline and the New Twills

They are shown in the straight line models so popular this season. Beltless effects are very good, and coat dresses are smarter than ever. While the lines are simple and straight, much colored trimming is shown. The very newest in style and fabric—at the lowest prices!

Sizes for Women and Misses

\$9.90 to \$14.95

### TO WRITE ON COWBOY LIFE.

T. N. O'Neal of Amarillo was at the Teachers College recently examining documents belonging to the Panhandle Plains Historical Society. He is gathering material for a novel concerning western life and cowboy customs in the early days. He is the son

of the Panhandle's first settlers and was himself a foreman on the XIT ranch for a time. He plans to move to Canyon to write the book.

As to the "intelligent minority," if it is intelligent it doesn't remain a minority.—Calgary (Atla.) Herald.

## RED CROSS DUTY TO AID VETERANS

Spends Nearly Four Millions in Year to Lessen Burdens of Disabled Soldiers.

SERVES 63,700 IN HOSPITALS

Every Case Is Given Individual Service—Assists Families of These Men Everywhere.

Washington.—The need of individual assistance by ex-service men and their families from the Red Cross is as pressing today as it was immediately after the end of the World War. For six years this work has been foremost of all Red Cross services, and in emphasizing the steady public support of this work the Red Cross National Headquarters urges the largest enrollment this year during the membership campaign opening on Armistice Day, November 11.

Nearly four million dollars of Red Cross funds spent for disabled veterans and their dependents during the year ended June 30 last presents some idea of the magnitude of this work. The current year, it is estimated, will call for still further disbursements of funds for the reason that the Red Cross, through more than 3,500 Chapters in as many communities in the United States, has been called upon to help the ex-service men in making out their applications for the adjusted compensation granted in the so-called bonus law.

**58,767 Soldier Cases a Month**

The Red Cross work for the disabled soldier is designated "home service," for it gives individual attention to the man and his family approximating the interest and loving care of the home. Such service in the hospitals, camps, soldiers' homes and sanatoria, averaged 33,951 cases a month during the year. Assistance to ex-service men and their dependents averaged 58,767 cases a month. In addition, the Red Cross in the last twelve months provided 32,000 recreation and entertainment events in the hospitals and camps.

Thus the Red Cross, symbolized as the "Greatest Mother," still watches over these many thousands of men, comforts them, helps to lighten the tedium of their physical reconstruction, and in their homes lifts some of the burdens from their "own people."

**Work in Communities Increases**

The home service of the Red Cross was the most pressing duty of 2,609 Chapters, an increase of 182 communities where problems affected by the war veteran's condition required solution through immediate and intelligent assistance. The Chapters alone expended some \$2,000,000 in this work.

The transient disabled soldier, usually suffering from disability or tuberculosis, is almost everywhere a grave problem. From national funds the past year \$173,076.36 was expended in helping the Chapters to care for these wandering men.

According to government report there are 4,300 veterans in civilian institutions, and in the national homes for soldiers the complications are increasing. The large groups of patients whose claims have been disallowed, of veterans of foreign wars, and the great number of men permanently resident in these institutions call for Red Cross work which cannot be avoided nor denied.

**Definite Service to 73,700**

Of a total of 84,500 ex-service men in hospitals and other institutions 73,700 were rendered a definite and specialized service by the Red Cross. In a single month 4,185 new cases were presented and a total of 20,125 was acted upon—figures which serve to illustrate the magnitude of the information and claims service engaging the attention of Red Cross workers. New veteran legislation amending the War Risk act which extends many additional rights to disabled ex-service men will reopen thousands of cases and require still greater Red Cross service.

When Congress granted a charter to the American Red Cross it charged the organization with the duty to act as "the medium of communication between the American people and their Army and Navy." This responsibility to the enlisted men and their families is met every year without restriction.

**Serves Men of Active Service**

The extent of this Red Cross activity during the last year embraced a total of 195,246 cases. There were 86,995 separate soldiers' and sailors' claims; 20,316 investigations of home conditions; 11,421 cases related to discharge, furloughs, etc. Assistance was given in 39,638 instances for personal, business or family problems; 744,220 visits were made to the sick or disabled, and nearly 40,000 letters and telegrams dispatched to the homes of enlisted men.

From June to September at the numerous military training camps the Red Cross provided information and home service to the trainees, also instruction in First Aid and Life-Saving. The entertainment and recreation events at the various Army and Navy hospitals reached nearly 8,500 during the year, and occupational therapy in nine Naval hospitals gave constructive and beneficial results and occupied the time of patients in the making of useful and ornamental things.

Help Keep Canyon Clean!

## 50,000 IN LIFE-SAVING SERVICE OF RED CROSS

Additional 50,000 Water Safety Experts Probable Gain of Summer Campaign.

A boy watched an expert give a class a lesson in the way to revive a person unconscious from water immersion. The next day the boy tried it on a bathing companion and saved his life. Such a boy justifies all the effort and the cost of the Life-Saving Service, American Red Cross officials declare. The Red Cross method of restoring partly drowned persons is so simple that the continual large sacrifice of life must decrease as an informed public insists upon general instruction in prone pressure practice to induce respiration.

The Red Cross Life-Saving Service in every part of the country, summer and winter, is engaged in teaching this method as an integral part of swimming and life-saving. This service has grown from a single expert in 1914 to a corps of almost 50,000 active life-savers. In this tenth year of the work it is predicted that fully 50,000 more experts will be eligible for membership in the corps. This large accession in a single year is confidently expected as the result of the campaign among 22,000 troops of Boy Scouts under a plan to qualify at least two life-guards in each troop.

During the past year 4,746 men, 3,374 women, 9,731 boys and girls successfully passed the rigid tests of the Red Cross—an increase of 5,331 over 1923. Intensive instruction is developing hundreds of qualified examiners for the Red Cross Life-Saving Corps, who supplement the teaching staff maintained by the national organization. The cause of water safety is therefore penetrating to new sections and eventually will cover all American territory.

Recognition of this Red Cross service for humanity is growing apace. At the request of the War Department every military training camp had life-saving instruction last summer. Municipalities have adopted the Red Cross course, public and private schools are offering it to students, business, civic and athletic organizations are promoting campaigns, and police departments are making it a part of the conditioning process for their recruits.

Volunteer life-savers throughout the country, the American Red Cross reports, are eagerly advancing the cause of water safety, 358 volunteers receiving medals for giving from 200 to 300 hours' service in two or three years. In addition 36 rescue bars or medals were awarded members of the Red Cross Corps who saved one or more lives during the year.

It is for the work and extension of life-saving that continued support through memberships is sought, and the American Red Cross urges all persons to join or renew membership during the enrollment campaign opening Armistice Day, November 11.

## Red Cross Invites All Into Neutral Army of Service

There are 3,089 counties in the United States and more than 3,500 Chapters of the American Red Cross. The Chapter is the local unit of the national organization, formed to carry out the program, services and policies of the Red Cross. The industry of these 3,500 local units is a voluntary and steady outpouring of well-doing and sympathy which softens human suffering and distress wherever it arises. This work is absolutely neutral, for the Red Cross knows no race, no creed, no color.

The strength of the American Red Cross being in its Chapters, the organization annually invites the people to join or renew their membership during a Roll Call which always begins on Armistice Day, November 11.

"It is this annual enlistment of millions of Americans under the banner of the American Red Cross which makes possible the continued work of this great and democratic legion of mercy," says Judge John Barton Payne, head of the national organization. "Membership in the Red Cross is a privilege within the reach of everyone. The need for service grows more insistent each year. To keep pace with the demands which come from every section of our country, we must have the people's loyal support. Our capacity for service in the year to come will be limited only by the extent to which we receive support for our work in the coming Roll Call."

The invitation of the American Red Cross is unlimited. The enrollment period, Armistice Day to Thanksgiving, is everyone's opportunity to join.

### Annual Summons to Service

The annual nation-wide Roll Call of the American Red Cross to enroll members for 1925 will open on Nov. 11, the anniversary of that tense and never-to-be-forgotten Armistice Day six years ago, which silenced the crashing arms of the World War. The enrollment will continue for 17 days, through Thanksgiving Day, Nov. 27. Preliminary to the Roll Call period will come Red Cross Sunday, Nov. 2. During the 17 days set aside for the enrollment more than 3,500 Chapters of the Red Cross and their thousands of branches will invite the people to join the Red Cross or renew their membership.

OUT THE WEEDS—NOW!!!

# Remember! Red Cross Roll Call November 11 to 27 1924

## RANDALL COUNTY DOES CARE!

One time each year there is a drive for funds with which the American Red Cross of Randall County can console, feed and care for the sick, hungry and poor.

The drive for this year is just a few days off. Begin now to consider those unfortunate souls.

One-half of all funds collected will go to relieve suffering in Randall County. The remainder is used in all parts of the world in time of great disaster.

# Imagine===

Your loved ones penniless, sick, without food, cold, no medical attention, no friends.

In times of good fortune, it's the wise man who prepared for a future that might hold ill-fortune for his family and loved ones. He gets his house in order so that his loved ones will be protected regardless of what happens.

# But Suppose Something Should Happen

Lives are always snuffed out when least expected. A series of calamities could happen to you, whereby your family would be left out in the cold with no home, no money, no loved ones to care. Picture your wife left alone in the world with the care of the little ones on her hands. Picture things going from bad to worse—sometimes they do; it never rains but what it pours, you know. See her sick, hungry and cold in a hovel in a room, from which poor shelter she may even be ejected because the rent cannot be paid. See your little ones, helpless, hungry and ragged, as she kneels beside the bed and wonders WHY NOBODY SEEMS TO CARE ABOUT HER PRAYERS!

You think it couldn't happen? It COULD! It has happened time and time again. Suppose—Nobody cared for these unfortunate souls—

ANSWER THE RED CROSS ROLL CALL.

# Randall County Chapter American Red Cross

DR. D. M. STEWART, County Chairman

Committees in charge of the Roll Call from the City Federation, the American Legion, the Woman's Auxiliary, the Parent-Teachers Association and all other Women's Clubs in Canyon.

## Thousands of Ducks are Dead on Lakes in South Part of County

P. J. Neff of Happy was in Canyon Sunday and states that there are hundreds of dead ducks on three or more lakes near Happy. Mr. Neff does not know how to account for the dead ducks unless it has been caused by the decomposition of mud-hens and ducks which were shot on the lakes and allowed to remain there by the hunters, thus poisoning the water.

Hunters who found the hundreds of dead ducks last week lay the blame on the farmers for poisoning the ducks, but Mr. Neff says that this would have been impracticable and impossible to put out poisoned grain to kill so many ducks, and would have been very dangerous for the farmers.

Only a few lakes are affected, and the ducks on other lakes are seemingly very healthy. Scores of hunters are in the country every day. When a mud-hen is shot on the water no effort is made to get it out, and naturally many ducks are left dead on the water.

Some of the ducks were picked up and given fresh water and they seem to revive very quickly. Two or three ducks were taken to Amarillo by hunters and treated, and they immediately recovered. It is stated that the situation has been reported to the federal authorities, and an effort will be made to discover the cause of so many ducks dying on these lakes. It has also been suggested that boys be employed to scare the flocks of ducks away from these few lakes until the cause of the dead ducks be ascertained.

It has been noted that between Theodore Roosevelt, just named Republican nominee for Governor in New York and Mr. Roosevelt's father there is quite a resemblance in the matter of names.—Detroit News.

Mr. Coolidge looks a little stouter, but it may be just the language held in.—Associated Editors (Chicago).

## HAPPY HERALD BEING PRINTED WEEKLY BY THE NEWS

The Happy Herald is now being printed by the News. Editor S. J. Redman was in the city Saturday to complete arrangements for the Herald being brought here for publication.

Mr. Redman started the Herald six months ago and has been enjoying a prosperous business. He is publishing a very interesting newspaper for the people of Happy, and its trade territory.

Three weekly newspapers are now published in this office—the Randall County News, the Prairie, and the Happy Herald.

## Campbell Notes

Rev. Harold G. Cooke and family stopped over at the Gordon-Cumming home Thursday and Friday on their way from Phoenix, Arizona, to Oklahoma City. They motored through.

J. O. Turner took Miss Irene to Amarillo Wednesday to have her tonsils removed by Dr. Thomas. She is doing nicely.

Mr. and Mrs. L. D. Covington entertained O. S. Brown and family and a number of friends to a farewell dinner, given in honor of O. S. Brown, who is leaving for his new home near Gatesville, Coryell county.

Mr. and Mrs. Leon Montgomery and Mrs. Eckels of Amarillo spent Sunday at the Gordon Country Club.

A number of friends enjoyed a fruit supper at the L. D. Covington home Sunday night.

Miss Beatrice Burgan spent the week end with home folks.

Mrs. Chas. Tadlock visited at the parental Burgan home Monday.

Mrs. L. H. Oldham of Grenville, N. Y., was a guest at the T. A. Dowlen home Sunday. Monday, she and her husband and Miss Bernice Dowlen visited friends in Amarillo. Mrs. Oldham was Miss Nell Moore of this city.

The following friends visited at the S. J. Burris home Sunday: G. W. Johnson and family, Mr. and Mrs. Crosslin of Canyon, and Mr. and Mrs. Hancock and daughter, Elizabeth, and

Mr. and Mrs. Billie Morris of this vicinity.

## DR. WALCOTT, OCUList—SPECIALIST TO BE HERE

Dr. Claude Walcott, eye, ear, nose, throat specialist, proprietor of the Amarillo Eye and Ear Dispensary, is personally introducing in this county the methods used in his Amarillo institution. A newly devised portable electrical eyesight test affords patrons an exceptional opportunity to procure correctly fitted glasses right in their home community. Dr. Walcott is a licensed medical specialist, well known throughout the Panhandle—with bank and commercial rating. Patrons will be served by calling in person or telephoning Canyon Inn for an engagement. The dates are November 13 and 14, Thursday and Friday. Nights by previous appointment only. Dr. Walcott's high-power glasses are favorably known and worn by hundreds of persons in north Texas. It

## PARENT-TEACHERS MEETING

The Parent Teachers Association will meet tomorrow at 3:15 at the high school auditorium. The program is as follows:

- Devotional by Mrs. Harvey Cash.
- Music—Margaret Seny.
- Reading—Wilford Taylor, Jr.
- Reading—William Flesher, Jr.
- The Home Study Problem with Suggestions as to How the Home May Help—Miss Vienna Red.
- Some Ways in Which we Learned to Co-operate in Previous Years—W. D. Cox.
- Business Session.

Up in Manoa valley we've listened in for Mars several nights, but from what we've heard we're inclined to think we got the Dog-Star.—Honolulu Star-Bulletin.

The difference between actual insanity and legal insanity is that a verdict of acquittal usually cures the latter.—Little Rock Arkansas Gazette.

Most times the prodigal son and not the fattened calf should be killed.—Columbia Record.

## MISSIONARY "HAPPY INGRAM" SPEAK AT BAPTIST CHURCH

"Happy Ingram" missionary to China will be in Canyon next Monday and will speak at the Baptist church Monday night, Nov. 10, at 7:30. This is one of the outstanding treats for the members of the local church and the good people of Canyon, which has of late come our way. You will regret it if you miss hearing this man of God, who, because of his wonderful personality and happy disposition has been fittingly named "Happy Ingram." Hear him without fail.

## Their Amazing New Value

The Coach is now priced below all comparison. It is the greatest value in Hudson-Essex history.

Largest production of 6-cylinder closed cars in the world makes possible these price reductions. Hudson-Essex alone have resources to create this car and this price.

Everyone knows the Coach represents highest closed car value.

Not merely because it exclusively provides "Closed Car Comforts at Open Car Cost."

Even more important is the outstanding value in the Hudson and Essex chassis, famous for performance distinction and reliability not equalled by many costlier cars.

No car at or near the price rivals the Coach in actual proof of value—which is sales.
