Last Friday ad Saturday morn ings, when the hour sales were held from 9 to 10, the store was packed and jammed, and thrifty people were well rewarded for their time and effort in coming to the store then.

The balloon race in the afternoon likewise attracted much attention, and interest was good in this event.

Mr. Richbourg stated that although the amounts of the individual purchases were not as large as at some sales in past years, the number of these were sufficient to make up for the reduced amounts which indicated that Hico's trade territory was enlarging, and peojust to get the benefit of offerings in Hico stores.
