SPECIAL TRAINS TO BRING 50,000 TO SAN ANTONIO FOR W. O. W. AFFAIR

U. S. Senator Morris Sheppard, W. O. W. Treasurer, to Deliver Main Address

Special trains of Woodmen of the World members and their families from all sections of the United States and Mexico will bring more than 50,000 people to the formal dedication of the William Alexander Fraser Chapel and Bird Sanctuary, which will be held November 22 at San Antonio, Texas, according to W. A. Fraser, president of the Woodmen of the World with headquarters at Omaha, Nebraska.

Railroads have indicated that special rates will be offered from leading vicinities of the country.

The dedication program is to last three days. Leading speakers with national reputations have accepted invitations to make addresses during the program. The principal speaker on November 22 will be Senator Morris Sheppard of Texas, who is treasurer of the Woodmen of the World. Senator Sheppard is the author of the 18th Amendment and a speaker of national reputation.

may earn their way to the dedication through the performance of service to the Woodmen of the World. The Woodmen of the World expects in this way to pay the expenses of several thousand members.

The Bird Sanctuary was built following a study of the Bok Tower and Bird Sanctuary in Florida and other such structures in various parts of the world.

The Chapel has a patio with a beautiful fountain especially designed, according to Mr. Fraser. The exterior of the Chapel is of Indiana limestone and of a unique architectural design. Dark oak with large ceiling beams are used in the interior. The main stained-glass window of the Church is a production of Tiffany of New York.

Another window of the Chapel contains an art memorial dedicated to the States in which the Woodmen of the World does business. Special landscaping has helped to make the Chapel one of the most beautiful structures in all of Texas. Phelps and Dewees of San Antonio are the architects.

Armistice Day was observed here, the school closing on that day. At 10 the morning the school children marched to the cemetery for the purpose of rendering a fine program but on account of the rain had to cut the program short. However, Mr. Cureton of Meridian gave a fine talk and the school sang two fine songs. Some little girls decorated the soldier boys' graves with lovely flowers. A truck beautifully decorated lead the way to the silent City of the Dead. The ex-soldiers marched behind the truck. The T. A. ladies gave the ex-soldiers their dinner that day at the Bryan Cafe, which they enjoyed very much. A large crowd of friends accompanied the school children to the cemetery.

In the afternoon a game of football was played here by Iredell and Meridian, which resulted in a

ent-Teachers Association, a parade was given Nov. 11. The lines were led by a truck, decorated with the national colors and flowers, and bearing the flower girls. The World War soldiers marched immediately behind the truck. Almost 200 pupils, wearing overs caps of red, white and blue, followed in orderly form from the school building to the cemetery. After the group had completed singing "America," Mr. Cureton of Meridian delivered a very appropriate address. The rain hindered the completion of the program, but did not interfere with the flower girls decorating the graves of the dead soldiers.

Of course you must know what happened in the afternoon! To enthrall the football players with passion and to advertise the game, the complete student body paraded through town behind the team. The pep squad was dressed in gold and white for the occasion. The effect was evidently wonderful for look what followed:

In the fastest and hardest fought game to be played on a local gridiron, the Iredell Dragons won a 7-0 victory over the strong Meridian Yellow Jackets. With a hard wind blowing from the south and a crowd of over 400 expectant fans looking on, the two teams battled for three complete quarters to no advantage for either group. The ball never crossed either 20-yard stripe, except on one occasion when Earl Jacket end, took a pass and ran to the four yard line. With only a few seconds to play, the Dragon line formed into an unflinching wall and held the furious plungers.

The break came in the middle of the fourth quarter. Captain Howell McAden took a pass and ran the ball to the fifteen yard line. A series of plunges put the ball over, and another rush annexed the extra point.

Not to be outdone, the second team delivered a 7-3 defeat to the Clifton seconds. Quite a few of

the second-stringers are making a strong bid for a higher rank.

Next Friday afternoon, on the Dragon field, the Iredell team encounters the strong, and till now undefeated, Valley Mills Eagles. This is to be a battle royal, with lines of great strength meeting. But we are about convinced that the two McAden brothers, on end, Blue and Worrell, tackles, Sawyer and Shannon, guards, and Pike center is a line no one can pass.

On Saturday afternoon the second string will meet the invading Hornets from Walnut. This is a game of many prospects.
