WANTED - ONE LOCO MULE

All we need to make this story complete is a loco mule, The story of the mule out in Arizona, where it gets so hot, has been told frequently and is probably familiar to our readers-the one his owner was working in his field of pop-corn, where it got so hot and the corn began popping; where the mule, thinking the white kernels were

Well, we have been reading about the corn popping in the field in other places this year, and in fact have had many lo cal farmers tell us that had happened to them.

But it remained for J. H. Hicks, out on Route 3. to bring in the actual evidence, which he did on Wednesday of

If you don't believe it, come in and inspect the two ears of corn on the desk at the front of the office, which Mr. Hicks left for us to show our doubting friends.

So that's why we say, we need a loco mule to make the story complete. It's pretty good as it is, but Mr. Hicks' reputation for veracity necessitated his leaving out part of the original story.

EVERYDAY PRICES COUNT

It is not the low special one day prices that count when considering the month's groceries. It is the same, everyday price that keeps the bill at the end of the month from being higher than it should be.

You will find our prices in accord with others-the same prices which raise or lower as the market rises or goes lower—tot low today and high tomorrow.

FOLGER'S 2 LBS. High Quality Makes It Economical

J. E. BURLESON

MOVED!

We have moved our Tailor Shop to our new location, the building back of the postoffice, formerly occupied by Lee's Candy Kitchen. We are better equipped to turn out first quality work, and invite you to visit our place of business.

We strive at all times to please you, and we appreciate your business.
