ment of Texas announces the official designation by the Highway Department of Highway No. 6, upon which Hico is situated, as the American Legion Memorial Highway of Texas. The designaion has been made by the State Highway Commission of Texas. Excerpts from the minutes of the Highway Commission meeting are as follows:

"WHEREAS, the American Legion of Texas, through its partment Commander, H. Miller Ainsworth, proposes to secure roadside parks adjacent to the rights-of-way of State Highway No. 66 throughout its length in the State of Texas and dedicate of Texas that participated in the World War and to erect a plaque or tablet giving the names of the men of the particular outfit who were killed during said war; the location and size of such parks to be approved by the State Highway Engineer; such parks to be beautt fied by the American Legion on plans to be approved by the State Highway Department.

"Now. THEREFORE, in consideration of the above, the State Highway Commission of Texas hereby named State Highway No. 66, from Red River, near Byers, in Clay County, to the International Bridge at Reynosa, Mexico. as The American Legion Memorial Highway" in honor of the men who made the supreme sacrifice during the World War, and it is ordered by the Commission that a certified copy of this order be sent to Department Commander H. Miller Ainsworth of the Am rican Legion of Texas.

Commander Ainsworth has is sued the following statement:

REASON FOR SPEED

Vashington, June4.—The nate showed a sudden burst which amounts to chloroforming -the amendments to the Tenn-essee Valley Authority Act which broaden that organization's powers, and the Wagner Trades Disputes bill. Such speed is in sharp contrast to the two months that it took the Senate to pass the Works Relief Act. Observers seekington are usually found, in poli-

FIRST-DAY REGISTRATION AT TARLETON COLLEGE EXCEEDS EXPECTATIONS

Stephenville, Texas, June 4 First day registration at John Tarleton College for summer school approximately equalled first day enrollment for last summer, it was announced today by the business office. A number of students registered Tuesday, and other late registrations were xpected.

The recreation program for summer school students, outlined by W. J. Wisdom, professor of physical education, will include a weekly all-college play night and at least one open house at the Tarleton Recreation Hall each week.

Play night is set for Tuesday evening at 7:30 o'clock in Hunewell Park. Students of school and community recreation will direct organized and group games, singsongs, and friendly competition among the students. Coach Wisdom says that it is

possible there will be open house at the Recreation Hall twice each week. Dates have not yet been set Men students are organizing a playground ball league, and Coach Wisdom expects the daily games will be started soon at the college ball field.

Highway Head to Urge Gap Closing With Federal Funds

Austin, Texas, June 3.- In a letermined effort to obtain \$100,-00,000 for gap-closing on Texas highways before the Centennial and the opening of the Mexico City road, Harry Hines, new chair man of the State Highway Commission, will head a delegation of rexas leaders to Washington in mid-June, he has announced

His hope is to impress the federal administration with the fact and better and quicker employ- Partain. ment than weed-cutting, ditching or many of the other former CWA activities. It can do this, he contends, with minimum waste or abuses, and the result will be permanent, revenue-producing facilities.

Accompanying Chairman Hines Hinson and Vayne. to the capital will be the other ommissioners. Gibb Gilchrist, state highway engineer, Col. Ike Ashburn of the Texas Good! Roads Association and envoys from many other groups.
