LIONS ALL SET TO ENTERTAIN THE VISITORS

Lions attending the meeting of the Club Tuesday noon in the M. E. Church and enjoying another one of those splendid meals supplied by the good ladies of that church were Boss Lion Harrison, Secretary Clarence Bearden, E. F. Harmon, John Tate, M. U. May, Judge Posie Cunningham, Dilmond Neumayer, Mayor H. W. Golden, Ozro Stephens, W. R. Simon, W. E. Kirkpatrick, with Wibur T. McQuary being initiated as a new member. Guests were R. V. McMahon with Mr. Harmon as his host, also L. E. Fisk, Field representative of the Red Cross, who joined Mr. Harmon in explaining in detail what the R. C. was striving to do in the way of aiding the boys in the service by sending them a "kit" containing needed items and little things which go to do much for the comfort of our boys.

Judge Cunningham was appointed by Mr. Harmon, chairman of the Fair committee, to see that proper distribution was given the advertising matter supplied, calling attention to the Fair to be held this Friday — October 9th in our city.

BETHEL CIRCUIT TO HOLD ITS FOURTH QUARTERLY CONFERENCE ON OCT. 18

Brother C. W. Williams, M. E. Circuit preacher at Bethel, Flagg, Easter and Jumbo, all in Castro county, will have his Fourth Quarterly Conference at Bethel Oct. 18, with Rev. Will C. House, District Supervisor, to conduct the conference.

Bishop Ivan Lee Holt will preach at 2:30 o'clock p. m. at this conference. Rev. Williams urges that all financial obligations be paid up in full so that the district can show a fully paid-up conference report to the Bishop when he attends and preaches at this conference, as well as to the Annual Conference which meets in Sweetwater on Nov. 11th.

Mrs. J. W. Birchfield, who resides on the Flagg route out of the city, was a pleasant visitor in the office Saturday, coming in to get a copy of The News which carried the list of entries in the Fair for the women's various divisions. Mrs. Birchfield is a sister of Sergeant L. C. Gatewood, now stationed at New River, N. C. Their father, well known resident of this section for many years, passed on recently and The News will carry a more extended mention of his life and passing in our next issue. We deeply sympathize with the relatives in their sorrow.

Mr. and Mrs. H. F. Bridges and little son, John, were Dimmitt visitors Monday. Mr. Bridges who resides on Route 2 out of Hart, being a member of the grand jury which just closed its work. John is in the second grade in school here and rides in on the bus from the Sunnyside community each day. The Bridges family are regular News readers each week.

SUBSCRIPTION CAMPAIGN NEARING CLOSE

The Annual Subscription Campaign of the Castro County News is nearing the close of the most successful campaigns that we have had.

Many new subscribers are being added to the long list of renewals. It is growing each week. The campaign will close October 24. If you have not already subscribed, we urge you to do so immediately, as the extremely low rates of one dollar for Castro and adjoining counties and one dollar and fifty cents for all other points will prevail only during these few days.

You may send or bring your subscription to The News office, or see either Mrs. Whitlow or Mrs. Singer.

EASTERN STARS TO SELL CHRISTMAS CARDS AGAIN!

Dimmitt O. E. S. will meet Tuesday, October 12, at 7:30. Everyone is urged to attend. We also want the people to know that the O. E. S. will sell Christmas Cards again this year. A portion of the proceeds will go for the maintenance of the Masonic Orphans Home. Buy your Christmas Cards from any member of the O. E. S.

ADMINISTRATION PUTS A CEILING ON WHOLESALE BEEF PRICES OCTOBER 1

Reports from Washington given out September 29th by the Office of Price Administration put an absolute price lid of 23 cents a pound on choice beef at the wholesale level, and this ruling became effective on Thursday, October 1. The ruling which specified the maximum prices on all grades of dressed carcasses and wholesale cuts, limits the top prices which may be charged by slaughterers & wholesalers, some of whom have enjoyed unduly high individual ceiling prices because of some high price which might have been in effect at the time selected for the fixing the ceilings at one of their points of distribution which permitted the use of such a ceiling at all of their distribution points.

Under previous control rulings, individual ceilings were established at the price each packer charged during the period of March 16-28th. A Study of the individual ceilings revealed, the administration says, that a "small percentage of sellers" in several areas have had an abnormally high ceiling prices, because of the unusual conditions which we mentioned above during the base period. The ceiling prices which may now be charged for various grades and varieties are as follows:

Steers and heifers: Choice or AA, 23 cents a pound; grade A, 21 1-2 cents a pound; grade B, 20 cents; grade C 18 1-2 cents; Cows: Grade A 19 1-2 cents; grade B, 18 1-2 cents; grade C, 17 1-2 cents; Steers, heifers and cows, cutter and canner grade, 16 1-2 cents.

VICTOR A BROCKMAN NOW STATIONED AT MAXWELL FIELD IN ALABAMA

Maxwell Field, Ala., Oct. 2.—Victor August Brockman, son of Mr. and Mrs. Frank J. Brockman of Route 1, Nazareth, Texas, is now enrolled as an Aviation Cadet at the Army Air Forces Pre-Flight School for Pilots at Maxwell Field, located on the outskirts of Montgomery, capital of Alabama.

In the Pre-Flight School for Pilots, Cadet Brockman will receive nine weeks of intensive military physical and academic training, preparatory to his 27 weeks of flight training, which leads to the highly coveted wings symbolizing the role of a flying officer in the nation's air forces.

Upon completion of his training at Maxwell Field, he will be sent to one of the primary flying schools in the Southwest Army Air Forces Training Center. Cadet Brockman was engaged in forming when he was accepted as an aviation cadet in the Army Air Forces, April 1, 1942, at Orlando Air Base, Florida, and began his pre-flight course at Maxwell Field on September 20, 1942.

B. B. Wise, Route 2 out of Hart was another of our pleasant callers Monday afternoon. Mr. Wise says his date on The News was out back in July but for us not to discontinue his paper, as he likes it very much now. He had just returned from a visit to his daughter, Mrs. Buford Powers, who resides on her father's big farm at Wilson, and reported that his Lynn county farm was doing fine under the management of his son-in-law and daughter. There is always some sorrow mixed in with our joys and pleasures, and Mr. Wise reported Mrs. Wise, who has been practically an invalid for the past eight years, as doing as well as can be expected under the circumstances. On the brighter side of the picture he reported he would likely make a hundred bales of cotton. Not bad, we say!

THE OLD HOME PAPER REALLY PROVES HELP TO MANY SERVICE MEN

Our friend, Wm. Hochstein of Nazareth, was a caller in The News office Saturday morning and said he had just returned the day before from a week's visit in Los Angeles, going out Wednesday, Sept. 23rd. While in that California city Mr. Hochstein said he met up with young Charles Braddock of Burbank, and Charles had a copy of The News in his pocket at the time and told Mr. Hochstein that he and the other boys from Castro county surely enjoyed reading the old home county paper each week, and that A. Mr. Cone, former resident of Dimmitt, now living in Los Angeles had seen Braddock's name in The News and was writing him and several of the other boys from home. At the camp, when Charles showed his home paper to some of his "Nebraska Buddies," they remarked they were going to suggest to their home town editor that he also carry the list of names of the soldiers in the service. Which all goes to prove that the boys away from home, as well as the WAACs too whether in army, navy or air service really enjoy reading the old home paper.

BETHEL PRINCIPAL GIVES OUT FIRST SIX WEEKS SCHOOL HONOR ROLL

6th Grade: Robert Bagwell; Guy Smith.
5th Grade: Frankie Graft.
4th Grade: None.

W. S. Dixon, who gets his mail on a route out of Hereford, was another of The News office visitors Monday afternoon, leaving us a renewal order for his paper for another year. Mr. Dixon told us he has lived in Castro county 41 years, 20 years south of Dimmitt and 21 years in the county on the Hereford route. He has sold in farm and livestock, he informed us and hopes to soon be back in Dimmitt as a citizen in the real sense of the word. He informed us that several years ago when he and his family were com-

Farm Loans By Oct. 21

Announcement has been made by L. A. Hudson, supervisor of the Farm Security Administration, that the tenant purchase program of the Farm Security Administration will be brought to Castro county.

This program will enable farm families to purchase farms on a 40 year basis at a low rate of interest. This is a real opportunity to help deserving families secure farms of their own which they can call their own.

A committee has been appointed by the Farm Security Administration which will review and select the applicants. All people who are interested in purchasing farms under this program are urged to make applications at the Farm Security office in the court house before October 21st, which is the closing date for accepting applications.

Details of the program will be given in next week's News.

At a time when the fate of the world hinges on American war production, destruction by fire is a criminal waste.

ing through Henrietta, the ground was covered with ice and a truck cut in on him, causing him to skid into it, ruining a radiator on a new car and scattering his personal things over the ground; a man witnessed the accident; he finally walked out to where Mr. Dixon and the truckman were talking and told Mr. Dixon he wasn't to blame. The man was Mr. Lee Hamm, now deceased but a mighty good man of that section all during his life.

"SILVER DOLLAR" REVIEW WILL BE GIVEN OCT. 14TH

The Book Club will meet Wednesday, Oct. 14th at 3 P. M. at the Court House.

Mrs. Sownie Carroll will review "Silver Dollar" by David Karsner. It is a nove life of Colorado's richest family — the Tabor's, who astonished even the Gilded Age with their prodigality and died paupers when the gold standard men of the East tapped the silver kings from the west from their thrones.

The book is the true account of a typical get-rich-quick family, which is one of the Mayor folks of the West. Tabor is the only politician who literally paid Colorado state a fabulous price to let him be Lieut.-Governor for a day. Every lady is invited to the review for a fee of 15c, which money goes to the County Library.

NEW DICTIONARY RECEIVED

Dimmitt has received a large Webster's Encyclopedia Dictionary. It has ten separate and complete books all in one. The first part is a dictionary. There are 140,000 definitions and vocabulary terms. It is a guide to spelling, meaning, and pronunciation of words and phrases, a correct English usage. There are thousands of related words, synonyms and antonyms, which help to capture the exact meaning in the expression of thought.

The nine other books are: Business and Finance, Office Worker's Guide, Synonyms and Antonyms, Atlas and Gazetteer, Dictionary of Biography, General Information, Medical Dictionary, Students and Workers' Guide, and Business Law Dictionary.

This book can be fruitfully used as a daily guide in the home, the school, the office. We were lucky enough to get one for high school and one for grade school. I'm sure this will help the students in both schools very much and to show our appreciation we will make good use of it.

WHAT WE CAN DO!

Gift boxes will again be filled by Junior Red Cross members as a means of giving to the needy. The boxes will be filled with necessities of life, such as soap, toothpaste, and other necessities. We have to sort ourselves out and where we can be most useful on the home front.

Home front work can be found in the home, at school, in our clubs, through our church, and community organization.

Here are things we can do right away. Learn what to do in an air raid. Eat the right kinds of food, get enough sleep, and exercise in the open air to keep healthy.

Here I am again singing more mud; well, here's hoping it all comes out in the wash. Talking about mud: there was quite a muddy bunch up at Harriet's Friday night. It was sorta a "come as you can" party. The football boys were drenched when they got back from Friona, so they welcomed any dry clothes. There was everything from "Wilkes" green shirt to Martha's short dress. But in spite of the mud everyone had a swell time.

ASSEMBLY PROGRAM
In chapel Wednesday morning, senior girls challenged the Junior girls in a basketball tournament, which was held during the noon hour.

The Junior boys also challenged the rest of the school in a football game.

Mr. McCollum announced the scrap iron drive. There will be a badge awarded to any pupil who brings twenty pounds of iron and a badge awarded to any room that brings twenty pounds per pupil; if there is an average of twenty pounds per pupil the school will receive a badge. Mr. McCollum urged all students to bring their scrap iron the first of the week. The seniors are sponsoring the chapel program for next week which will be put on by those students who do not take part in the scrap iron drive.

Mr. McCollum also made the announcement that pupils who come to school before 9:00 will have to wait for the doors to open.

EAGLES DOWN DEVIL DOGS 20-12
The Eagles, under the leadership of Joe Harrison, won a hard-fought 20-12 victory from the Devil Dogs, captained by Andrew Behrens. However, Johnnie Powell, star halfback for the Dogs, was unable to play due to an injury and had been in the lineup. The story could have been different.

The Eagles completely outplayed the Dogs on both offense and defense, with Whitlow, Jackson, Mooney, and Greenhouse furnishing the offensive punch. Brannon and Captain Harmon starred on defense. Ziegler, Miller and Dowty played a nice game for the losers.

WHO'S WHO In D. H. S.
She is a prominent member of the Junior Class. She has dark hair and brown eyes. She measures five feet six inches height. She plays an important part in the pep squad. Among her outside interests is dark haired sailor abroad.

Who's who?
He is quite a ootball hero and also a member of the Junior Class. He is five feet and five inches tall. He has blond hair and blue eyes. He is quite a Romeo to certain girls in the school.

Answer to last week's 'Who's Who' is Allah Bynes and Joe Richard Hastings.

LUNCHROOM
The women in the lunch room of Dimmitt High School opened 65 cents for a lunch. Mrs. Cryer reports that there are serving a hundred pupils.

They also report that there is more interest shown in the lunch room this year than last year. The pupils seem to have realized the value of hot lunches.

Some of the menus for the week are as follows:
Roast Gravy
Browned Potatoes Hot Rolls
Vegetable Salad Fruit
Egg Salad Cakes
Green Beans Mashed Potatoes
Carrot Salad Hot Rolls
Berric Cobblers
Punch

BOBCATS EDGE CHIEFS OUT ON PENETRATIONS
Batting in a steady drizzle of rain, the Bobcats edged the Chiefs out of the game, the Bobcats edged out the game over the Chiefs. The Chiefs were unable to score in these three points coming as a result of that number of 20-yard penetrations made in the first half of the game.

Although the ball and turf were so slippery that neither team could get its offense rolling, the Bobcats played three quarters of the game without the Chiefs' 30-yard line. The Chiefs' defense was the Cats of scores time and again.

Mobley, Captain of the Bobcats made good gains and led the boys through a tough battle to victory. He was handicapped the last few minutes of the game by an injured wrist. The injury occurred when Mobley made a dive through the line.

Birdwell was just as brilliant as Mobley with his accurate passes and punts and all around generalship of the team. In the last few minutes of the game he surely showed plenty of drive through the line.

Rev. Sheffy, Co-Captain, had plenty of speed in the backfield. The entire line played a good defensive game, especially Merle (Hot) Matthews and "Chubby" (Hot) Matthews.

Coffman, Weiss and Tede played a nice game for the Chiefs.

HOME EC NEWS
Seems that the Home Ec II girls are making plans for the future from the looks of their field trip last Wednesday.

Since they were studying meats in beef and pork, they decided to show the different cuts of meat. At the Thompson Grocers, Mrs. Swartz cut half a beef to show the different cuts. She also told and showed the difference between the different cuts of meat. Mrs. Swartz explained about selling prices, and stated that these were the best different foods later on, that we now have.

They visited Griffith's and Wilton's Groceries to observe the various brands and prices of foods. At Wilton's, Mr. Wilson showed them through his freezer department, frozen strawberries and blackeyed peas frozen very appetizing to the eye. The field trip was enjoyed by all.

Mr. and Mrs. M. H. Powles were called to Memphis, Texas where Mrs. Powles' mother had the misfortune to fall and break her hip. The mother is in a hospital and is doing as well as could be hoped for under such circumstances. The News wishes her many friends in wishing the mother a speedy recovery.

BOBCATS DOWN CHIEFS
NUMBER 5

MEET THE BOBCATS!

Raymond Mobley, captain of the 1942 Bobcat eleven, has been an outstanding figure in athletics in Dimmitt. He started his football career as a backfield player in the first six-man team in Dimmitt's history. Since that time he has been in the game, and although he weighs only 128 pounds, he is one of the fastest and best broken-field runners in the entire district. In addition to football, he participates in boxing, basketball, and track. He holds the county record in the 120 yard low hurdles for juniors.

Rev. Sheffy, co-captain of the current Bobcats, needs no further introduction than his name. The Sheffys have all been stars in football. Rex is 115 pounds of blocking fury, and in addition to this he is one of the niftiest pass receivers that this writer has had the pleasure of observing. In addition to his football ability, Rex is one of the best boxers ever to attend Dimmitt Hi.

Billy Walker holds the distinction of being one of the lightest boys ever to play on a regular on any Bobcat eleven. Although Billy has amassed only 115 pounds, he hides this fact well by the victor's manner in which he plays the game of football.

The larger part of the deer and wild turkey found in Texas are in the eastern half of the Edwards Plateau of Southwest Texas.
