

County Gins Reach 22,744 Bales Thus Far

Castro County gins ground out 5,630 bales of cotton during the week ending Wednesday to raise the total so far to 22,744. The total last week stood at 17,114.

This puts current production at about one-third the expected crop and farmers are beginning to operate their mechanical strippers after last week's freezing temperatures started defoliation of the plants.

Some expected yields of three bales per acre have been reported over the county as fertilizer and irrigation are expected to produce a bumper crop.

R. V. McMahon Funeral Services Set for Friday at 3

Longtime Dimmitt Businessman Dies At Home Wednesday

Funeral services will be held Friday afternoon at 3 o'clock in the First Baptist Church for Mr. R. V. McMahon Sr., who died in his home Wednesday at 7:35 a.m.

Mr. McMahon had been a Dimmitt resident for the past 28 years. At the time of his death he was engaged in the real estate business.

He was a member of the First Baptist Church and was a charter member of the Dimmitt chapter of International Order of Odd Fellows.

Prior to his entrance in the real estate business, he was engaged in operating his blacksmith and welding shop on North Highway 51 in Dimmitt with his son, R. V. McMahon Jr.

Mr. McMahon was born in Dallas on April 14, 1885.

Rev. George Ray will have charge of funeral services and he will be assisted by Rev. M. J. Lee and Rev. Earl R. Landtroop, both former Baptist pastors here.

Pallbearers will be Harlin Dodd, J. B. Moore, Junior Wyer, Dick Reinhardt, Austin Mobley, Clyde Tate, and Gene Kenmore. Honorary pallbearers will be Lester Gladden, W. W. Palmer, Dewey Wright, Will Wright, John Broadstreet, and J. V. Messenger.

Burial will be in the Castro Memorial Gardens under the direction of the Dennis Funeral Home of Dimmitt.

Mr. McMahon is survived by his wife, Mary; six daughters, Mrs. Annie Lee Ferrell of Borger, Mrs. Louise Meacham of Bell Plains, Kan., Mrs. Fern Bishop of Wichita, Kan., Mrs. Janet Powell of Oklahoma City, Okla., and Mrs. Nell Kenmore and Mrs. Hazel Mobley of Dimmitt; and one son, R. V. Jr., of Dimmitt. He is also survived by 13 grandchildren, 5 great-grandchildren, three brothers, and three sisters.

County Voting Favors Democrats

The Castro County News

Official Publication of Castro County, Texas
VOLUME XXX DIMMITT, CASTRO COUNTY, TEXAS, NOVEMBER 8, 1956 TWELVE PAGES—NUMBER 2

JayCees Hear of Sub-station Aims

"One of the main reasons we feel the Texas Research Foundation sub-station at Halfway will benefit this area is the encouragement given us by personnel of state operated experiment stations and college agriculture departments," Dr. Tom Longnecker, head of the new agricultural sub-station at Halfway, told the Dimmitt Junior Chamber of Commerce Thursday.

"The work we are doing will be through private capital and Castro County's share of this expense will be about \$5,000 per year. The station will have an operating budget of \$80,000 per year to help develop crops particularly suited to this area and we will make an intensive study of the best fertilizer methods for this particular area. Castro County will spend about one half million dollars on commercial fertilizer alone this year and the investment of \$5,000 to be positive of obtaining the optimum application of this fertilizer should be a good one."

Dr. Longnecker went on to emphasize that because of the particular nature of agricultural research work that government agencies in Texas cannot be expected to give thorough service to all areas of the state. This area substation will be the fourth such plant set up from the headquarters of the Texas Research Foundation in Renner.

Poppy Selling Here Saturday

"They Gave, Will You?" will be the thought behind the annual Poppy Day in Dimmitt Saturday, as the American Legion Auxiliary of Greer H. Estes Post No. 445 sells poppies to aid needy veterans or their families.

Poppy Day coincides with Veterans' Day each November 11th as closely as possible. At one time the poppies sold for ten cents each, but today the Legion Auxiliary asks for donations of ten cents or more. The poppies are made of wire and crepe paper by hospitalized veterans over the nation. They receive one-third of the contributions and two-thirds stays in Dimmitt for welfare work connected with veterans or veterans' surviving families.

Last year about \$100 was spent in Dimmitt on these welfare cases from money collected through poppy sales. About twenty women are expected to be working on poppy sales during the day. Mrs. Fred Kuntz is chairman of the poppy sales drive.

According to Mrs. Jack Flynt of the Legion Auxiliary, Dimmitt has always given generously on poppy day. "One year we almost beat Amarillo," she said.

New Dimmitt Bus To Begin Route Runs on Monday

Charlie Pesina to Operate First Bus Here Since 1954

Beginning Monday, Dimmitt and Castro County will have their first bus service in several years. The Dimmitt Bus, operated by Mr. Charlie Pesina, will make one round trip each afternoon from Dimmitt to Hereford and back through here to Littlefield and return.

The bus will be a six-passenger station wagon and will be driven by either Mr. Pesina or his son, Fernan. The station will be at Pesina Dry Goods Store in Dimmitt.

Mr. Pesina has been working toward operating a bus line through Dimmitt since last summer when he requested, and obtained, a franchise to operate between Littlefield and Hereford on Highway 51.

The last scheduled passenger service in Castro County was in the spring of 1954, when the Texas, New Mexico and Oklahoma Bus Line ceased its operations through Dimmitt.

Following is a schedule of the Dimmitt bus which also appears in an advertisement in this issue of the News:

Leave Dimmitt	1:00 p.m.
Arrive Hereford	1:30 p.m.
Leave Hereford	2:00 p.m.
Arrive Dimmitt	2:25 p.m.
Leave Dimmitt	2:45 p.m.
Arrive Springlake	3:15 p.m.
Leave Springlake	3:25 p.m.
Arrive Littlefield	4:05 p.m.
Leave Littlefield	4:50 p.m.
Arrive Springlake	5:20 p.m.
Leave Springlake	5:25 p.m.
Arrive Dimmitt	5:50 p.m.

Another Election For Amendment Set for Tuesday

Error in Date Cause Given For Special Voting

Another election over the state of Texas will be held Tuesday, this time on a proposed constitutional amendment left off this week's ballot.

The proposed amendment reads: (FOR OR AGAINST) The Amendment giving the Legislature the power to provide for assistance not to exceed Twenty Dollars (\$20) a month out of State funds for each needy individual, eighteen (18) years of age or older, who is a resident of the State of Texas and who is permanently and totally disabled by reason of his mental or physical handicap.

Persons receiving old age assistance, aid to the needy blind, or aid to dependent children; or who are residents in any state-supported institution shall not qualify for the assistance if the proposed amendment is approved. It shall be given only to those needy handicapped who have resided five out of the past nine years in the state of Texas. The resolution also empowers the Legislature to accept assistance in this program should it be offered by the federal government. Total cost to the state shall not exceed \$1,500,000 per year if approved.

In calling for the amendment vote, the resolution stated in Sec. 2 that "The foregoing Constitutional Amendment shall be submitted to the electors of the State of Texas on the second Tuesday of November, 1956..." It was intended by the Legislature that this proposed amendment be voted upon in last Tuesday's election, but through an error it was passed as calling for the vote on the second Tuesday.

Voting places in Castro County will remain the same as in the General Election, between the hours of 8 a.m. and 7 p.m.

Halfback Lowe Recognized As 'Player of Week'

Spirited Play Against Tulla Wins Bobcat Daily News Award

Keith Lowe this week became the second Dimmitt Bobcat to be chosen by the Amarillo Daily News for the Player of the Week award this season.

He was chosen on the basis of his efforts in Dimmitt's 26-0 victory over Tulla Friday night. In choosing Lowe, the Daily News sportswriters said:

"Keith Lowe, Dimmitt's speed merchant who [helped carry] the Bobcats to a 26-0 victory over Tulla Friday night, has been chosen as the Daily News' Class AA Player of the Week."

"Lowe, a 145-pound junior scabbard, scored 20 of the Bobcats' points on three touchdown gallops and a pair of conversions.

"Keith's three-touchdown spree against the Hornets was no flash in the pan, since the talented youngster now has run his point total to 76 for the year."

"Keith is not a big athlete—he relies on his blinding speed, determination, and talent to make up for his size."

"Against the Hornets, Keith scored first in the second quarter on a pass from Truman Touchstone from seven yards out."

"In the third quarter, Lowe broke over center and raced 12 yards for the tatty and then converted to give the Bobcats a 19-0 lead."

"He put the cap on the scoring in the fourth stanza with a 79-yard run and then booted the extra point which enabled the Bobcats to claim their fourth win of the season against four losses."

The first Bobcat this season to win the homer was fullback Monty Boozler.

Keith, a high school junior, is the son of Mrs. Ethel Lowe of Dimmitt.

Bobbies' First Season Game Thursday Night

Encounter with Sudan Here Marks Debut Of New Coach, Team

The Dimmitt Bobbies will play their first official basketball game of the season next Thursday night (Nov. 15) beginning at 7:30. They will play the Sudan Hornets in the Grade School Gymnasium in Dimmitt.

"The girls have been working hard and should develop into a pretty good team before the year is over," Coach Johnny Ethridge said this week. In last Thursday's scrimmage game, the Bobbies defeated Sudan, 55-44.

Tulla is expected to offer the strongest competition in District 1-AA girls basketball this year. Muleshoe has also reported good girls in training, making this usually powerful conference appear even more competitive during the coming months.

Captaining the 1957 Bobbies will be Kaye Killingsworth and Betty McDermitt. Members of the squad are Dovie Smithson, Mickey Pelley, Sandra Thompson, Judith Maples, Ed Dena Boozer, Dera Kaye Cartwright, Peggy Gilbreath, Lorene Tate, Andrea Booth, Tommy Sheffy, Myrna Finch, Wanda Brewster, Ruthella D'Curra, Patsy Gibson, Betty Horbratsch, and Nancy Ramsey.

Cotton Voting On Allotments December 11th

Castro County cotton growers will vote Tuesday, Dec. 11, on whether they want to use marketing quotas for their 1957 cotton crops. Separate referendums will be held for upland and for extra long staple cotton in areas where the crop is grown.

At least two-thirds of the farmers voting in a referendum must approve the quotas before they can be continued in effect.

If growers approve quotas in the referendum, price support on the 1957 crop of that particular kind of cotton will be available to eligible growers at the full level of the effective supports, between 75 and 90 percent of parity. "Eligible" growers are those who comply with their acreage allotments.

If quotas are turned down, support to eligible growers will drop to 50 percent of parity.

Under a marketing quota program, growers who exceed their farm acreage allotments will be subject to penalties on the farm's excess production of cotton. The penalty rate for upland cotton is 50 percent of parity, and for extra long staple the penalty is either 50 percent of parity or 50 percent of the support price, whichever is higher.

In general, the farm marketing quota (which a farmer may market free of penalty) is the production from the farm's acreage allotment.

HONOR MOTHER ON 86th BIRTHDAY

Honoring her mother on her 86th birthday, Mr. and Mrs. E. C. Caudle were host and hostess to a coffee Sunday night honoring Mrs. Ora Hamilton. Attending were the children of Mrs. Hamilton: Mr. Bryan Hamilton of Lockney; Mr. and Mrs. James Maynard of Lubbock; Mr. and Mrs. Winston Hamilton of Silverton; and her grandchildren, Preston Maynard and Utanah Hamilton of Lubbock.

Craig Sanders of Corpus Christi spent Sunday night with Mr. W. M. Howell.

County to Receive \$113,400 From Federal ACP Program

Castro County has received a 1957 allocation of \$113,400 for agricultural conservation practices. It was revealed this week.

This fund will become available after January 1, the ASC office announced. 1956 Agricultural Conservation Practices funds for this county have been exhausted, with the exception of a small reserve held for hindwood control.

At a meeting Tuesday of the Castro County ASC committee, County Agent, and soil conservation officials, 12 practices were selected to be submitted to the state ASC committee for approval. If approval is granted on each of these practices, then these will be the ones upon which the 1957 allocation will be spent in the farmer-government cooperation program.

The practices were selected from the 1957 Texas Handbook for Conservation Practices and include, in brief form:

(1) No. A-2—Initial establishment of a permanent vegetable cover for soil protection or as a needed land-use adjustment.

(2) No. C-1—Initial establishment of permanent sod waterways to dispose of excess water without causing erosion.

(3) No. C-4—Construction of terraces to detain or control the flow of water and check soil erosion.

(4) No. C-5—Constructing diversion terraces to intercept runoff and divert excess water to protected outlets.

(5) No. C-12—Re-organizing farm irrigation systems to conserve water and prevent erosion.

(6) No. C-13—Leveling land for more efficient use of irrigation water and to prevent erosion.

(7) No. C-15—Lining irrigation ditches to prevent erosion and loss of water by seepage.

(8) No. D-1—Establishing winter legumes in the fall of 1957 for winter protection from erosion.

(9) No. D-2—Establishing legumes for summer protection from erosion.

(10) No. E-1—Stubble mulching to improve soil permeability and to protect soil from wind and water erosion.

(11) No. E-3b—Contour listing, contour chiseling, cross slope chiseling, pit cultivation, or listing or chiseling not on the contour for wind erosion control.

(12) No. E-3c—Control of bindweed as a necessary step in the control of wind erosion.

This Hereford Brand photo shows the wreckage which resulted when the private plane of Mr. Robert William Smith of Albuquerque, N. M. crashed Thursday night near Summerfield. Mr. Smith was killed instantly.

Plane Crash Kills Albuquerque Man

Robert William Smith, 38, an Albuquerque, N.M., insurance adjuster, was killed instantly at 7:45 Thursday night when the light plane he was piloting crashed on the Troy Ray farm near Summerfield in the northwest corner of the county.

Smith, a veteran pilot who flew for the Royal Air Force and US Navy, was returning to his home

rend said the plane was in a turr when high winds caught it and threw it downward.

The time of the crash coincided with the arrival in the Summerfield area of a cold front accompanied by violent gusts of wind and dust that obscured visibility.

Several persons heard the crash but it was not until about 11:15 p.m. that the body of Mr. Smith and the wreckage of his red and white plane were found.

Sheriff Jack Cartwright and deputies from Dimmitt, police officers from Hereford, Farwell, and Friona investigated the accident.

Mr. Smith is survived by his wife, Margaret, and a daughter, Caroline. Dennis Funeral Home of Dimmitt moved the body to Albuquerque for funeral services and burial.

Funeral Held Thursday For Nazareth Infants

Funeral services for the infant son and daughter of Mr. and Mrs. A. Baitsels of Nazareth were held Thursday at 3 p.m. in the Holy Family Church at Nazareth.

The twin infants were stillborn Wednesday at 10:30 a.m. at the Castro County Hospital. Dennis Funeral Home of Dimmitt was in charge of arrangements.

Boys Quartet In Sissom Finals

The Dimmitt High School Boys Quartet, consisting of Douglas Moke, Jerry Jones, Leon Crum, and Wilmer Studer, and directed by Bert McCarty; and Mickey Beatty, 12-year-old pianist, all of Dimmitt, are among the finalists in the J. Sissom Talent Show to be held at the Amarillo City Auditorium Saturday, Nov. 10, at 8 p.m.

Talent from all over the Panhandle area will appear on this 20-set entertainment treat. Contestants are the winners of the weekly J. Sissom Show which has been on KFDD-TV for the past 18 weeks.

The winner of this show will receive the grand prize of \$200 in cash, a trip to New York via TWA Constellation, and an audition for the Ted Mack Original Amateur Hour. Runners-up will receive merchandise prizes.

Winners will be determined by an electronic applause meter. Tickets can be obtained from the Amarillo JayCees or at the office in the Amarillo Building, or from the Noviettee at 509 Polk in Amarillo.

Advance tickets are 50 cents for students and 99 cents for adults. Tickets purchased at the door will be 50 cents for students and children and \$1.25 for adults.

"Be sure to attend and help your favorite contestant be a winner," Amarillo JayCee officials said.

Baptist WMU to Meet For Bible Study Monday

Members of the Baptist WMS will meet for Bible Study Monday at 3 p.m. in the Fellowship Hall of the First Baptist Church in Dimmitt. The lesson will be from the first 28 chapters of Genesis. The nursery will be open.

Bobcats Play Mules Friday

The Dimmitt Bobcats and Muleshoe Mules will plow into each other beginning at 8 p.m. Friday night in Muleshoe.

The Mules will be playing for their alma mater's ex-students attending their annual homecoming and a capacity crowd is expected to brave the nippy weather to watch the game.

Muleshoe is considered to be one of the powers of this district and as usual, Bobcat Coach J. D. Covington predicted lean pickings this week-end. "We're probably 14-point underdogs," he pointed out.

While a good strong team, Muleshoe can boast of only a 500 record this season, which, incidentally is identical to Dimmitt's standing. The Mules lost to Dalhart, Canyon, Olton and Hale Center with narrow margins except in the Canyon game. But they have beaten Portales, N. M., Sudan, Morton and Springlake.

Three of their men stand out as towers of strength. They are John Young, captain, who is said to tackle. Another is Bill Black,

who, with Young, compose the gaining and scoring punch for Muleshoe. He has a season average of 4.8 yards per carry and is a big youngster with plenty of drive. Dick Johnson, quarterback, is their slick ball handler and can run in a hurry if the occasion demands.

These three men are backed up with several potent linemen. Among them are Bob Sanders, considered their best on offense and defense. Two twin brothers, Doyce and Royce Turner, are thought to handle on defense and are above average blockers on offense.

Weights of the two teams are about the same and this will be the Bobcat's last game away from home this season. Dimmitt is looking for a 6-4 season and to do this they must get by both Muleshoe and Olton after dropping their game to Canyon two weeks ago. They defeated Tulla 26-0 last week. In comparing teams played, Muleshoe and Dimmitt rate about the same.

Akkording to Kranz...

BY DICK KRANZ
SPORTS EDITOR OF THE AMARILLO DAILY NEWS

The showdown has been reached in District 1-AA: the Canyon Eagles and the Otton Mustangs tied for the district lead, will meet Friday night in Canyon.

As has been the case since the season opened, Canyon will be favored to win. The Eagles, by their scintillating 55-0 decision over Mulshoe last Friday, have made themselves a heavy favorite over Otton.

The Mustangs just edged Mulshoe, 7-6. Otton, coached by Joe Turner, has a 6-1-1 record and Canyon 6-2, both are 2-0 in the district.

Hopes of Otton are based on the comparative score with Littlefield. Otton tied Littlefield, 12-12, while Littlefield edged Canyon by one touchdown. The rest of the comparative scores favor the Eagles.

Harlie Adams, Canyon halfback, scored four touchdowns against Mulshoe to give him 15 for the season, a total of 90 points, to remain his individual scoring lead in the district.

Our selections for Friday night's district play are: Canyon over Otton; Dalhart over Tulsa; Dimmitt over Mulshoe.

District 1-AA standings: Canyon 2-0; Otton 2-0; Dimmitt 2-1; Dalhart 1-2; Mulshoe 0-3; and Tulsa 0-3.

Texas A&M and Southern Methodist will play the top game in Southwest Conference interest Saturday. Both are undefeated in conference play with the Aggies.

West Texas State will meet old foe Hardin-Simmons at Abilene Saturday night with an outside chance to still win the Border Conference championship. The 20-13 loss to Arizona was a big blow.

Last week's results—Arizona 20, West Texas 13; Texas Tech 13, Oklahoma A&M 13; Arizona State 61, San Diego State 0; Texas Western 51, Hardin-Simmons 13; New Mexico A&M open date.

SOUTHWEST CONFERENCE: Schedule Saturday: Texas A&M at Southern Methodist; Rice at Arkansas; Texas at Baylor; Texas Christian at Texas Tech.

Last week's results—Texas A&M 27, Arkansas 0; SMU 20, Texas 19; TCU 7, Baylor 6; Rice 27, Utah 6.

D. C. Lawrence, Minister Church of Christ Dimmitt, Texas

IDENTIFYING THE LORD'S CHURCH Surely anything mentioned as much and as important as the Lord's church, can be identified unmistakably. Men can identify their wives, children, land, and automobiles by certain characteristics. This can be done with respect to the church.

The Lord's church was built by Him, Matt. 16:18. Churches established by humans are admittedly of human origin and thus not scriptural.

The Lord's church was not established by John. John was dead when Jesus promised to build his church, 14:10; Matt. 16:18. John never established any church. He was not even a member of the Lord's church, Matt. 11:11.

The Lord was speaking of religious institutions when he said, "Every plant, which my heavenly Father hath not planted, shall be rooted up." Matt. 15:13. Also, notice these words from David, "Except the Lord build the house, they labour in vain that build it!" Ps. 127:1.

ANNOUNCEMENT OF CHANGE OF OWNERSHIP OF THE COOPER IMPLEMENT CO.

We have purchased the Cooper Implement Company, which has been the dealer for the Minneapolis-Moline Company in Dimmitt for the past several years, and will make their building our headquarters for a complete farm service.

NEWS FROM NAZARETH

Ghosts and goblins, witches and beasts, and every type of masquerade frolicked in the Nazareth fall at the annual Halloween dance given by the Nazareth Socialists on Tuesday, October 30.

Mr. and Mrs. Elmer Schulte and the parents of a son, Gregory, born at Tulsa on Wednesday, October 31.

Mr. Conrad Schulte is a patient in the Nazareth hospital. Mr. and Mrs. Tom Annen returned last Wednesday from an extended visit with relatives in Hemingford, Nebraska.

The students of Nazareth School were entertained last Wednesday, October 31, by the famous Linneman's Animal Show.

On Sunday afternoon, October 28, the Nazareth Swifts played a scrimmage game with five freshmen from West Texas State.

At first I don't suppose Herbie ever suspected the duplicity. It just seemed like a little bit of good fortune to him to be invited to a picnic in the park.

So Herbie went along not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

TO THE VICTOR

By Madge Olinger Adams

HERBIE MOHENRY is a meek, bluish sort of a fellow. To look at him wouldn't think he'd be able to resist a persevering petcock sixty days.

One day he met Linda and she was going to Philadelphia for the summer, to visit her uncle.

After that it was Linda and Herbie everywhere you went. At first it was two pair of roller skates on the Martins' front porch.

At first I don't suppose Herbie ever suspected the duplicity. It just seemed like a little bit of good fortune to him to be invited to a picnic in the park.

So Herbie went along not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

Herbie was not fighting, but he introduced the stranger to the room that evening on the arm of her cousin.

KEY: ROBERT H. HARPER

This week the people of the United States are deciding who shall be the President of our country during the next four years.

Each voter will vote his preference if you should ask me if I would reply "I will not—sell you."

The votes of the people will determine, at least for four years, the life of the successful candidate, and will to some extent decide the destinies of all candidates.

Let us now think of the fact that the voters of the question found in Matt 22:42 determines the destiny of the man who gives to the place of Christ in the life and eternal destiny of the man who answers the question that is decided by the voter.

And this question, "What think ye of Christ?" is one that every man must answer and does answer in one way or another. If a man decides to give no answer, he does give answer for he that cometh not "is already condemned."

For not to choose for Jesus is to choose against him. In this time of national election, let each one of us make sure of his own eternal election.

Let us now think of the fact that the voters of the question found in Matt 22:42 determines the destiny of the man who gives to the place of Christ in the life and eternal destiny of the man who answers the question that is decided by the voter.

And this question, "What think ye of Christ?" is one that every man must answer and does answer in one way or another. If a man decides to give no answer, he does give answer for he that cometh not "is already condemned."

For not to choose for Jesus is to choose against him. In this time of national election, let each one of us make sure of his own eternal election.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

In the above picture is Jimmy George with the truck used by the Dimmitt Gin and Elevator to haul the burs back to the land at a cost of \$250 a ton, dry weight. This gin has already made distribution of 500 tons of gin trash. Three farmers, realizing the value of this source of organic matter, told John E. McCleskey, the manager, they would take all the burs not taken by farmers who get first call on the burs. Last year an application of gin trash made Mr. W. J. Sutton one-half bale of cotton per acre.

According to the Lubbock Experiment Station, cotton over a three-year average returned \$24.30 per acre.

It's that new V8 in the '57 Chevrolet. It's as quiet as a contented cat and as smooth as cream... and it's cat-quick in response when you call for action!

No household tabby sitting in a sunny window ever purr more softly than Chevy's new V8 engine. You can scarcely tell when it's idling.

that purr you hear is no pussycat!

ALTHOUGH most of us insist that we're not superstitious, we might feel a bit troubled if Betty No. 13 took us to room 1313 in a hotel. In fact, a lot of hotels — and office buildings — don't have a 13th floor. Other superstitions perpetuated by folks: Thunder sours milk, porcupines about their quills, cast eyes shine in the dark. In modern life, many have "fearful" seats in trains, airplanes and buses. Today, when you shake hands, you use the right hand. That's because in earlier times the left hand was considered evil.

Woman who don't care to beake their own bread may be interested in the breadfruit tree of the East Indies and the islands of the Pacific. There the breadfruit tree constitutes an important source of food. The tree grows to a height of about 40 feet. The fruit is the size and shape of a melon with knobbed rind. The young fruit contains a thick white fluid which is pleasant and nourishing, but it is generally allowed to develop to more solid condition before being used as food. It is usually cooked in a hole in the ground; it is cut into several pieces, and the core is removed. Then it is placed on heated stones for half an hour.

Tribe along Africa's Lake Kopya just north of the Equator eat fat roasted locusts. They also press dried gnat-like cakes. Termites are another favorite food.

Indian artifacts thought to be 8,300 years old were recently uncovered near Paisley, Oregon, by two high school boys. They were located in caves under 4 1/2 feet of dirt and dirt.

THE STARS

BY LYN CONNELLY

ONE of the best shows on TV in ages was the tribute to Cole Porter, a 90-minute spectacular which featured all the Porter songs — and they are plentiful, gay songs, sad songs, fast songs, dreamy ballads... Gordon MacRae headed a distinguished cast of artists to help interpret the score of melodies which flowed from the pen of one of America's greatest popular composers... There were Shirley Jones, Bing Crosby, Mary Healy and Peter Lind Hayes and many others, all of them showing up to advantage.

Odd about Gordon MacRae... Here is a man who is big, handsome, virile and has one of the most superb voices in the theatre today... But he has never had a truly big hit record and it wasn't until he finally got a break in "Oklahoma!" last year that he finally became a musical star to reckon with... He also proved to be a good mimic in his imitations of other singers, especially the take-off on one Elvis the Pelvis.

PLATTER CHATTER

CAPITOL — Jazz fans have a treat in store with Louis Prima's new hi-d album entitled "The Wildcat" and man, it is, too! The incomparable Louis sings, plays, and sings and has command through both sides of a hot waxing that contains 13 big numbers... They include "Just a Gigolo," "I Ain't Got Nobody," "Nothing's Too Good for My Baby," "The Lip," "Body and Soul," "Oh, Marie," "I'll Be Home in Blue," "Jump, Jive, an' Wail," "Night Train," "When It's Sleepy Time Down South" and more, more, more!

WASHINGTON

BY FRANKLIN J. MEINE

Editor, The American Peoples Encyclopedia

Q—What is the "construction grants" program of the new Federal Water Pollution Act?

A—This phase of the Act provides for grants of \$50 million for the current fiscal year to assist municipalities in the construction of sewage treatment works needed for pollution control and water conservation.

Q—What was the last farm price parity ratio announced by the Agriculture Dept.?

A—On Sept. 15, 1956, the Department reported the parity ratio was 82%, down from 84% on the same date in 1955. Prices received by farmers were up almost one-half of 1%, but prices paid by farmers were up 3% over a year ago, the Department reported.

Q—Can you give a measurement for a pesticide economy?

A—One measurement might be the percentage of the total budget spent for military purposes. For instance, after World War I federal expenditures for the armed forces ran from 27% between 1921 and 1925 to a low of 15% between 1931 and 1935 and an average of 16% from 1936 to 1940. The ratio was upped to 71% through 1941 and 1946. It was cut to 27% in 1947 and to 24% in 1950. It climbed to 47% with the Korean war in 1950 and reached 62% in 1952. After the Korean war it was cut to 55% in 1953, 54% in 1954 and an estimated 52% in 1955. With the ratio of military expenditures totalling more than half the total federal budget likely to be regarded as a "pesticide" economy. It may be open to debate if we ever go back to a pesticide economy in the real sense.

No physical marker can ever fix the North Pole's location for long because the earth's northern axis frequently changes its face as the Arctic Ocean's pack ice drifts across.

Platinum and alloys of the platinum group metals are highly regarded by the dental profession because of their outstanding corrosion resistance and excellent mechanical properties.

JayCee-Ette Christmas Card Sales Good; Plans Completed for Welfare Program

Plans for the Dimmitt JayCee-Ette Christmas Welfare Program were discussed at the organization's last meeting.

The JayCee-Ettes also discussed extending their welfare program and considered methods of earning additional money for welfare work.

The JayCee-Ettes have completed their Christmas card sales campaign; good response from the people of Dimmitt was cited by the organization.

"We sincerely hope that the proceeds from these cards will help some needy families to enjoy Christmas more," said Mrs. Edna Reinhardt, JayCee-Ette reporter. "All who bought cards can expect them in about three weeks," she continued.

The next meeting of the JayCee-Ettes will be November 13. All members have been urged to attend and help complete arrangements for the club's Christmas activities.

MR. AND MRS. GEORGE BURCH
... who cut the cake the last time?

Mr. and Mrs. George Burch Celebrate Golden Wedding Anniversary Sunday

Mr. and Mrs. George Burch celebrated their Golden Wedding Anniversary in their home south of Dimmitt Sunday, November 4.

Guests from Dimmitt, Hereford, Hart, Springlake, Amarillo, Canyon, Happy, Olton, Lubbock, Tulla and Floydada were greeted at the door by J. O. Ayers, Jr., nephew of Mrs. Burch. Mrs. Ayers also presented the guests to the honorees and son and daughter-in-law, Elvis and Jennie Burch. Mr. and Mrs. Aubrey Burch and family and Jess Burch were unable to attend, but sent congratulations.

Floral arrangements throughout the house and serving table carried out the motif of the 50th Wedding Anniversary.

Members of the house party were the honoree's sisters, brother, and families. Presiding at the guest book was Miss Sharron Ayers, great niece of Mrs. Burch. Miss Wilma Noble, Mrs. Bob Myers, nieces; Mrs. Lester Dowell and Mrs. Floyd Copeland long-time friends of the family, served in the dining room.

Members of the wedding party were honor guests at an infare dinner immediately following the ceremony. Those of the wedding guests that were able to attend the Golden Wedding Anniversary were Mrs. Katie Turner Noble, Mrs. Dora Turner Johnson, Mrs. Maggie Turner Gollehon, Mrs. Clara Turner Williams, Mrs. Mattie Burch Turner, Mrs. Luna Turner Ayers, and John Turner.

More than 100 guests called between the hours of 2 and 4. Others unable to be present sent congratulations and gifts.

George Burch and Stella Turner were married Sunday, Nov. 4, 1906, in the home of the bride's parents, Mr. and Mrs. J. E. Turner of Dimmitt. The ceremony was performed by Judge M. F. Barber.

Mr. and Mrs. Burch moved to their present home, eight miles south of Dimmitt, soon after their marriage. The Burches have two sons, Elvis of Dimmitt and Aubrey of Toppenish, Wash. Mr. and Mrs. Elvis Burch have one son, Jess, who is a US Naval cadet at Pensacola, Fla. Mr. and Mrs. Aubrey Burch have two children, Crystal and Ellis.

WMU Program Led By Mrs. A. C. Hays

The Women's Missionary Society of the Baptist Church met in Fellowship Hall Monday, Nov. 5, for a business and missionary program. Mrs. M. A. Tidwell, newly elected WMU president, presided at the business meeting.

Mrs. A. C. Hays was the leader of the program. Topic for the program was "Joy - Tom Wells of salvation." She was assisted by Mrs. Lee Normart, Mrs. Paul Howell, Mrs. Jim Hays, Mrs. J. E. Burch, Mrs. Cecil Oglesby, Mrs. E. H. Youts, and Mrs. Reece Kessler.

Words of thanksgiving for assured triumph of the invincible gospel, examples from around the world amid persecution, even in Communist lands, news from China, Baptists in Russia, rejoicing for witness of Baptist missionaries because of faithful stewardship, and prayer for the denunciation were program topics presented to the 32 members present.

MISS IRVALEEN OTT
... engaged

Miss Irvaleen Ott And Myles Ogletree To Wed December 1

Mr. and Mrs. Irvin Ott have announced the engagement and approaching marriage of their daughter, Irvaleen, to Myles Ogletree, son of Mr. and Mrs. Jack Ogletree of Sunnyside.

The wedding will be in the Earth Methodist Church December 1.

Miss Ott is a junior in Springlake High School and is a member of 4-H, FHA, and the Earth Methodist Church. Mr. Ogletree is a 1956 graduate of Springlake High School.

Mrs. Forson Hostess At B&PW Club Meeting

The Dimmitt Business and Professional Women's Club met with Mrs. Cleo Forsor Monday night. All members were present, with the exception of Mrs. Koma Batt-cliff, who was called to Portales because of the death of a nephew.

Mrs. Lucille Womble was welcomed as a new member. Names were drawn for secret pals.

An informative program was given by Miss Hazel Merritt, who discussed the eight amendments voted on in this week's elections. A round-table discussion of the amendments and the correct way of voting followed.

A refreshment plate of sandwiches, date loaf, and coffee, was served to the 13 members present.

Baptist Boys' Group To Attend RA Congress

About 10 boys from Dimmitt are expected to attend the Royal Ambassadors Congress of the West Texas Baptist District at Hardin-Simmons University in Abilene at 2 p.m. Saturday. They will be accompanied by their counselor, James Sinclair. Dr. Robert Chapman, state Baptist RA leader, will direct the program. The boys will be guests of Hardin-Simmons at the HSU-West Texas State football game Saturday night.

Junior Durn of Surray, grandson of Mr. W. M. Howell, was here Sunday night for a visit.

UT Students Louise Cole, Don Loy Noble Are Married in Home Ceremony at Austin

Miss Louise Cole, daughter of Mrs. Leora Cole of Huntsville, became the bride of Don Loy Noble, son of Mr. and Mrs. Ester Noble of Dimmitt, Saturday, Oct. 20 in the home of the bride's sister, Mrs. B. G. Eppes, in Austin.

The double-ring ceremony was read by the Rev. Dr. Edward B. Bratcher, pastor of the Tarrytown Baptist Church in Austin.

An arrangement of white roses mixed with white stock and baby crysanthemums was centered on the mantle, flanked by candelabra, before which the vows were exchanged. A recording of Schon-burg's Verklarte Nacht was played.

Members of the immediate families and close friends attended the wedding and the reception which followed in the home.

Mrs. Noble is a graduate student in philosophy at the University of Texas, from which she also holds a bachelor of journalism degree. Mr. Noble is also attending the University, where he is majoring in mathematics and German.

The couple will make their home at Indian Cove on Lake Austin.
