NUMBER 6

A Dedication To The Farmers

CASTRO COUNTY EXPERIENCES IN WAR CROPS

The United Nations have been helped toward eventual victory by what American producers of oil-seeds did in 1942. In response to a call sounded last January, farmers have raised enough soybeans and peanuts to help make up for our loss of Oriental and Pacific oils due to war. This year's production of soybeans and peanuts are the largest on record.

There are only a few acres of peanuts planted in Castro County for 1942, however the producers having peanut experience report results.

Our experience with soybeans point toward a profitable oil crop in the future with an average yield of 15 bushels and a maximum yield of 25 bushels to the acre. With such yields as these and a support price of \$1.50 and up per bushel we can readily see that our war crop experiences have not been disastrous.

This vast pool of American vegetable oil will supply many items for war and civilian use to the United Nations—such as cooking fats, salad oils, paints (for battleships, planes and tanks), glycerin (for explosives), plastics (which are substitutes for many metal items no longer manufactured) and scores of other products that will help prevent our fighting this war on a scarcity basis.

American farmers with ingenuity and determination have given their time, labor and machinery in a mighty effort to aid in every way possible in producing the crops most needed by Uncle Sam and we can proudly say that our Castro County farmers have done their share.—Castro County USDA War Board.

NATIONAL FARM LOAN NEWS

The Dimmitt National Farm Loan Association has had a big part in the 100,000 Federal Bank loans closed in Texas. According to Mr. O. Stephens, Secretary-Treasurer, 810 loans have been made in this territory to farmers and ranchmen.

The recent closing of loan No. 100,000 in Grayson County through the Shedman National Farm Loan Association makes us proud of the service rendered by the Land Bank system in its 25-year history. This loan was only a few miles away from Loan No. 1 closed in 1917, and today in good standing, well on the road to being paid off through systematic payments out of earnings of the farm under a long term, low-interest-rate loan," stated Mr Stephens.

The Dimmitt National Farm Loan Association has closed 452 Land Bank Loans, and 358 Land Bank Commissioner loans for a total of \$2,973,120.00 out of which \$541,270.00 has been retired. Mr. Stephens said that the national farm loan associations in Texas owning the Federal Land Bank of Houston have closed approximately 344,000, 000 in Land Bank loans and \$83,000, 000 in Land Bank Commissioner loans. Of this amount, about one-third of the number and one-half of the face amount of loans closed have been repaid.

Officers and directors of the Dimmitt National Farm Loan Association are W. A. Wright, President; Roy G. Smith, Vice-President; W. Roy Hackleman, Frank Annen and Ernest Jones, directors, and O. Stephens, Secretary-Treasurer.

Thanksgiving Harvest Message

It is an honor and a privilege to join with fellow Americans in thanksgiving for the year's rich harvests, and rededication to the work which lies ahead for American farm families.

We have had much to be thankful for in the year that is ending. We are thankful for our brave fighting men. We are thankful for our opportunity to feed the men who are fighting our battles out in the front lines on land and sea and in the air. We owe them a debt we never can fully pay.

It is the privilege, as well, for the farm families of our who's Nation to fight for freedom, using food as a weapon. It is one of the most powerful weapons in the whole great armory of modern war. We can proudly say that our Castro County farmers have used it this year on a scale never seen before.

We farmers are especially thankful that thus far we have been able to produce so much. This truly has been a wonderful year—more food, more hogs, milk, and eggs, more of nearly every other product than our farmland ever produced in the past.

Farmers can look back with satisfaction on what they have accomplished warehouses and granaries would not be filled now unless farmers has worked this season from sunup till sundown. The women and girls of farm families have done men's work in the fields the home and in the fields was and with livestock after work in done.

Farm people have done their duty as Americans. But farmers know that the full credit for this year's great production does not

belong to them alone. This year's harvest, for all of the toil that went into their making, never would have been possible if we had not been blessed with favorable weather in nearly every part of the country.

Modern science has taken us a long way from our beginning, but farmers still live close to the elemental forces. They know the power of wind, sun and rain, just as did the farmers who tilled fields and kept flocks in Biblical times. Farm people have not forgotten that in time of trouble, strength can come from the spirit as well as from material things. This, then, is indeed a time for thoughtful gratitude.

Now let's think of what has been done in our own country toward producing Food for Freedom—the following indicates the increase of crops and produce most wanted by our Nation. Number of Dairy cows 1941-2960; 1942-3762; gallon of milk produced 1941-1,429,142; 1942 1,881,492; head of hogs; 1941-9446; 1942-1,8664; dozens of eggs produced; 1941-353,616; 1942-480,416; Number of beef cattle marketed 1941-6548; 1942-13,406; garden units for 1941-584; 1942-618; acres of soybeans 1941-281.5; 1942-1534; acres of peanuts; 1941-0; 1942-41.4 acres of wheat seeded for 1942 harvest 170,000 acres; with 3,000,000 bushels of wheat harvested; 797 acres of potatoes an 12,000 bushels of potatoes produced. Now lets project that line of thought over the entire Nation. Farmers in most of our 3000 other agricultural counties either passed their goals or came close to them, as Castro County has. Then one can grasp the really heroic size and significance of this year's Food for Free-

dom harvest. Farm families are producing more of the things they need, such as food clothes, fuel. They are repairing more of their own farm machinery, saving seed, preserving more food, and in general operating their farms as if there were a wall around them.

House wives are learning that when they substitute poultry for beef and pork on the family dinner table, they are releasing that much pork and beef for our armed forces defense workers, and those of our Allies. They are learning that when they preserve fruits and vegetables for home use, they help relieve the Nation's already overloaded transportation facilities.

Farmers are spending more time in that almost-forgotten institution the farm blacksmith shop, where they are repairing worn out machinery and perhaps making simple parts they can't buy.

Truly at this season, we have much to be thankful for. All of the Nation's farmers are united in gratitude for the blessings of the past year, for the abundance of the harvest. They are firm, too, in the resolve never to let up in the battle of production. The road ahead for farmers is long and difficult, but it is the only road that leads to victory.—Castro County War Board

Jack Gladman of the U. S. Navy from the Great Lakes is visiting his mother, Mrs. Alta Gladman this week.

Mrs. Roy Stafford of Ocean Side Calif. and Mrs. Marvin Boyd of Hereford visited last week with their parents, Mr. and Mrs. H.H. Houthens.

BOND BUYING IN CASTRO COUNTY

CHRISTIAN MOTHERS' SOCIETY HONORED WITH TEA

On the afternoon of November 22, the members of the Christian Mother's Society of Holy Family Parish, Nazareth, Texas were honored by a Tea given by the Benedictine Sisters of the Grade and High School. The Tea was a gesture of reciprocity for a Quilt Shower given by the Mothers.

Presentation of the quilts was Mrs. William Hochstein. Other officials made by Mrs. Bellinghausen and members of the Society are Mrs. Leo Dobmeier and Mrs. Andrew Acker. Honorary hostess was Sister M. Alphone Buchheit. Acting hostess was Sister M. Germaine Rachaner, Principal of the School. The guests were received by Sister M. Gregory Kehres, Sister Jerome Jacobs, Sister Donata Rentz, and Sister Consuelita Bauer. Sister De Chantal Hyland and Sister Benedict Marje Borgering, assisted by Sister Isabel Duron, presided at the service table.

Rev. Father Boekman, Pastor of Holy Family Church, special guest of the occasion, in a brief address lauded the Mothers for the splendid work they have done during the past year. Sister Alphense and Sister Germaine expressed appreciation and gratitude in behalf of the Sisters for the lovely gift of quilts. There were about thirty members present at the Tea.

Mr. and Mr. Leon Gilliam of Haskel, Texas were guests in the Kirkpatrick home Tuesday night. Mrs. Gilliam and Mrs. Kirkpatrick are sisters.

While we are praising the farmer for his part in the Food for Freedom Program, we should pause long enough to pass our compliment to all citizens of Castro County for the splendid way in which they have cooperated in keeping our monthly quotas in the War Bond Drive on top. We learn that at no time in 1942 have we failed to exceed our monthly quota for bonds and stamps; Our banner month being October in which we purchased over \$11,000.00 in freedom. We all like to feel that as Americans we are aiding the war effort in a material way, and certainly bond and stamp buying is one of the most important phases in this program. In our Thanksgiving observance lets be thankful that we have been able to buy so generously and to pray for continuance of good fortune. We should all realize the beautiful blessing that our co. has enjoyed this year.

—Castro County USDA War Board

STORES TO CLOSE THURSDAY FOR THANKSGIVING

Most of the stores and business houses will be closed Thursday in observance of Thanksgiving Day. Some are taking advantage of this day to go to their respective homes and visit instead of Christmas on account of the gas rationing coming up.

Most of the students away at college are expected and some of the boys in the armed forces are here for the Thanksgiving holidays.

Mr. and Mrs. Frank Shepard were in Hereford Saturday.

MAJOR DEGREES EXEMPLIFIED AT NAZARETH

Nazareth Nov. 15—Candidates and members of the 18th district met at the Nazareth country hall for Mass Sunday morning and marched in a group to church. The group was led by three local soldiers who carried the United States flag.

Communion was received by his group of some fifty members and candidates of the Knights of Columbus during the Mass at which Father G. A. Beckman officiated. Rev. Beckman also preached a very colorful sermon on the essence of the flag.

FRESHMEN — SOPHOMORES SPONSOR ASSEMBLY

The Freshmen and Sophomore classes of Nazareth High School used their regular class period on November 9, for making plans and arrangements for the next assembly which is to be held on November 25 and sponsored by the Freshmen and Sophomores.

NORTH EDGE PROMOTED TO FIRST LIEUTENANT

Houston, November 25—Seven Texans are included in a group of 244 Marine Corps second lieutenants who have been promoted to the temporary rank of first lieutenant, Marine Corps headquarters has announced. They will rank from October 31, 1942.

TOOL USERS AND TOOL OWNERS

In a recent advertisement signed by a well-known business concern, this statement appeared: "My boss has 14 Grand kids up in me."

THANKSGIVING SALE

When housewives go to market during the week from November 22 through November 28, they will not be able to buy any coffee, but starting Sunday, November 29 coffee purchases may begin by surrendering one stamp from War Ration Book No. 1—the book they have been using for sugar purchases during this year—Henry Stalup, Chairman of the Castro County War Price and Rationing Board, explained today.

INDUSTRY AND BUSINESS AFTER THE WAR

Every American knows that the manufacture of automobiles has ceased for the duration of the war. The great automobile industry which in 1940 produced and sold more than 3 1/2 million cars, has been re-tooled to produce airplanes, guns, tanks and munitions of war.
