

Howell wins; Bennett, Sanders face runoff

Jimmie Howell won the Precinct 3 commissioners' court post by a clear majority in a three-man race in Saturday's Democratic primary balloting. HOWELL received 51.3 percent of the 528 votes cast in the Precinct 3 race to unseat longtime incumbent J. M. Wright and avoid a runoff with challenger Andy Schumacher. The final, official count was

Howell 271, Schumacher 179 and Wright 87. Howell, 37-year-old Bethel farmer and quarterhorse breeder, posted a hefty lead in Box 3 and squeaked past Schumacher in Boxes 9 and 14. Schumacher led in Box 15. HOWELL'S victory means two of the county's four commission chairs will change hands next Jan. 1.

The Precinct 1 commissioners' court post won't be decided until June 3, in a runoff between Ed Bennett and Dean Sanders, top vote-getters in a five-man primary race. With 575 Precinct 1 residents casting ballots, Bennett received 159 votes and Sanders 147 to pace the crowded field of political newcomers. J. L. "Bud" Steiert trailed with 120,

H. E. "Tom" McLain polled 101 and George Heck received 53. WINNER OF the Bennett-Sanders runoff next month will succeed the county's senior commissioner, E. I. "Tump" McLain of Hart, who did not seek re-election. Sanders carried Box 1 while Bennett topped the field in Boxes 6 and 10. Heck was the top vote-getter in Box 5.

Here's the vote breakdown in the two commissioners' court races:

PRECINCT 1
Box 1 (Dimmitt) — Sanders 17, Bennett 10, Steiert 10, Heck 2, McLain 2.
Box 5 (Nazareth) — Heck 40, Steiert 23, Sanders 12, McLain 3, Bennett 1.
Box 6 (Hart) — Bennett 111

Sanders 103, Steiert 80, McLain 77, Heck 10.
Box 10 (Sunnyside) — Bennett 29, McLain 13, Sanders 5, Steiert 3, Heck 0.
Absentee — Bennett 8, McLain 6, Sanders 5, Steiert 4, Heck 1.

PRECINCT 3
Box 3 (Dimmitt) — Howell 203, Schumacher 106, Wright 66.

Box 9 (Summerfield) — Howell 20, Schumacher 16, Wright 1.
Box 14 (Frio) — Howell 24, Schumacher 23, Wright 0.
Box 15 (Easter) — Schumacher 19, Howell 13, Wright 13.
Absentee — Howell 11, Wright 7, Schumacher 6.

ALL OTHER county races were uncontested. Sheriff Jack Cartwright led the ticket among

unopposed candidates with 1697 votes, followed by Tax Assessor Kent Birdwell with 1,673 and County Attorney Robert Buntyn with 1,631. Mary Jo Smith, running unopposed for justice of the peace in Precinct 3 received 346 votes. The county's Democrats gave County Chairman Carl L. King a second term with 1,583 votes.

FIREMEN FIGHT BALKY DOOR TO GET AT FLAMES ... In Dimmitt Public Schools' bus barn

Schools tally losses from bus-barn blaze

Dimmitt school officials are still tallying the loss from a bus-barn fire last Wednesday that ruined a school car, heavily damaged a bus and destroyed an indoor gasoline pump and a

large inventory of garage tools and parts. THE FIRE was discovered and reported at noon Wednesday while the steel barn—one of four county buildings on the

fairgrounds in East Dimmitt—was closed and locked.

When firemen arrived, they heard muffled explosions inside and saw black smoke boiling from around the large doors of the barn. They had to cool down the south door with water before they could get into the building, and as they forced the door open, more explosions sent debris flying through the opening.

The main part of the blaze was in the southeast corner of the building, where the school's gasoline pump was located. Also in the southeast corner were work benches and cabinets holding most of the schools' garage tools and bus replacement parts. THE SCHOOL car assigned to Supt. Charlie White—a 1969 Pontiac—was blocked up for service inside the south door. By the time firemen could get past the dangerous gasoline-pump area, the blackened auto was ruined, with its grillwork and trim warped, its electrical wiring and hoses melted and its engine charred.

As one squad of firemen fought the blaze in the south end of the barn, another group attacked the stubborn north-end doors, finally forcing them open to draft smoke from the building and put out fires from rags that had flashed into flame from the heat.

An auxiliary school bus parked in the north end of the barn received damage from the smoke and heat. Business Manager Gene King reported this week that the schools are considering a \$1,675 bid to repaint the bus inside and out and replace the seats and wiring.

"WE DON'T have a complete estimate on the building and the rest of the contents yet," King reported. "We're still in the process of inventorying the equipment and parts that were lost, and getting a bid on them."

The superintendent's school car has been listed as a total loss by the insurance company, King said.

Of the 2,074 Castro Countians who voted in Saturday's Democratic primary, 1,177 gave the nod to Dolph Briscoe for governor.

BRISCOE'S 56½-percent majority here helped the Uvalde rancher-banker lead the seven-candidate field that included Gov. Preston Smith and Lt. Gov. Ben Barnes, who went down to defeat for the first time in their political careers in the backlash of the Sharpstown bank-bill scandal.

State Representative Frances "Sissy" Farenthold—a member of the "Dirty 30" reform coalition in the House—posted a surprisingly strong showing across the Lone Star State, finishing second to go into a June 3 runoff against Briscoe.

But in Castro County, where Mrs. Farenthold did not campaign, Barnes came in second on the ticket with 457 votes. Mrs. Farenthold finished a distant third here with 203, followed by Gov. Smith with 178, Gordon F. Wills with 6, William H. Posey with 3 and Robert E. L. Looney with 3.

CASTRO County proved to still be strong Yarborough Country. Voters here gave Ralph Yarborough a clear majority over four other candidates in his bid to return to the US Senate. The final count was Yarborough 1,084, Barefoot Sanders 722, Hugh Wilson 97, Alfonso Veloz 69 and Thomas Cartledge 27.

Statewide, the Demo race for the US Senate still stands where it started, with Yarborough and Sanders—a former White House aide—still battling for the nomination after eliminating three other three hopefuls. Yarborough and Sanders will go into a June 3 runoff to see who opposes Republican US Sen. John Tower in the November general election.

In the lieutenant governor's race, county Democrats followed the state trend as Wayne Connally and Bill Hobby led the crowded field of eight. However, Democrats here gave State Sen. Ralph Hall a larger percentage than he received statewide.

CONNALLY—the only candidate for lieutenant governor to visit Castro County—received 721 votes while Hobby got 519, Hall 398, Joe Christie 174, Bill Jones 57, Robert McCord 44, John Standlea 29 and Troy Skates 9.

In other state races, Castro Democrats helped John Hill unseat Attorney General Crawford Martin, helped send Comptroller Robert S. Calve to a runoff against James Wilson, and seconded the re-election of Treasurer Jesse James, Agriculture Commissioner John C. White and Railroad Commissioner Byron Tunnell.

Local totals in these races were: ATTORNEY General — Hill (See BRISCOE, Page 12)

DHS announces top two grads

Larry Langford has been named valedictorian of Dimmitt High School's class of 1972, with a 96.17 grade average. SALUTATORIAN honors went to Jerry Matthews with a grade average of 95.41.

High School Principal Robert Ryan released the top students' names last week after averaging the grades of the top 18 students in the graduating class. Ryan said that 18 of the graduating seniors had grade averages above 90 for their high school years. APPROXIMATELY 104 seniors are to be graduated May 30 at 8 p.m. in the high school auditorium. Admission to grad-

uation exercises is by ticket only. Baccalaureate services will be Sunday May 28 at 8 p.m. in the auditorium.

Last rites held for T. A. Clay, 79

Services for Thompson Awall Clay of Hart were held Wednesday afternoon in the First Baptist Church of Hart.

MR. CLAY, 79, died Monday afternoon in Plains Memorial Hospital.

A retired farmer, Mr. Clay had been a Hart resident for 21 years. He was born May 26, 1892 in Jack County.

Clyde Neighbors, minister of the Church of the Living God of Brownfield, officiated at the services, assisted by Rev. C. T. Cunningham, pastor of the First Baptist Church of Hart. Burial was in the Hart Cemetery, under the direction of Dennis Funeral Home of Dimmitt.

District VFW elects three from Dimmitt

Three members of the Castro County Memorial Post 8056 won district offices at the District 13 VFW convention in Plainview last weekend.

GERALD Broadstreet was elected junior vice-commander, Ted Stubblefield quartermaster, and Florene Leinen, junior vice-president of the Ladies Auxiliary.

Fifteen local members attended the convention. The Castro County post is one of the four largest in the district.

IA students win 15 state awards

Dimmitt High School's industrial arts students racked up 15 state awards Saturday in Austin, including four class championships and two state championships in written tests.

HIGHEST scorers in the state on written exams for knowledge in specific subjects were Kirk Hansen in power mechanics and Arthur Woolever in architectural drafting.

Blue-ribbon winners in their classes were: —The DHS Industrial Arts Club, first place in miscellaneous vehicles with its "Weekend Warrior," a charter bus owned by Dan Nelson, which the boys converted to a self-contained motor home.

—Roger Allison, first place in recreational conveyance by a second-year student, with his aquacycle.

—RICKY MORGAN, first place in the first-year open division with his velvet-upholstered lounge chair.

—David Schaeffer, first place in small chests in the second-year class, with a Bombay chest of Brazilian rosewood which he built to resemble a photo he found in an antique catalog, drawing the specifications himself.

Winning second-place ribbons in their classes at the state industrial arts fair were Joe Lang-

ford, first-year small tables; Tom Keel, first-year leathercraft; Terry Young, first-year small chests; Lance Louder, first-year cabinets; Max Hastings, first-year woodworking; Anthony McCollum first-year large cabinets; and Lance Davis, second-year cabinetry.

Capturing third place ribbons in their classes were Kirk Han-

sen, advanced large cabinets; and David White, advanced china cabinets.

ALL THESE projects will be on display when the DHS Industrial Arts Dept. holds its annual open house May 20.

Accompanied by their instructors, G. L. DuBose and Denton Lingle, the DHS youths arrived in Austin at 7:30 p.m. last

Thursday and unloaded their projects from the "Weekend Warrior" and a 16-ft. stock trailer at the Austin Civic Coliseum. They used the "Weekend Warrior" for transportation around the capitol city until time to park it in the pavilion for judging.

The converted bus drew 1,000 or more visitors in a steady stream during the two-day show, DuBose said.

DURING THEIR weekend in Austin the DHS youths toured the Economy Furniture Co. factory and saw mass production techniques of producing upholstered furniture.

Funnel clouds were reported near Sunnyside and Hart Tuesday night as heavy rains and some hail hit the western half of the county. However, none of the funnel clouds developed into a full-fledged tornado.

TAM ANNE GIN, on the western edge of the county, reported a deluge of three to four inches Tuesday night. All the lakes in the area were reported full early Wednesday morning.

Mrs. Jimmie Howell in the Bethel community said the rain fell in sheets and totaled 2.30 inches Tuesday night. She said little hail and no wind

damage accompanied the downpour.

Flagg Grain Co. recorded about two inches of moisture and some flooding to the south following the rains.

Community Grain in Easter caught an inch and a half and no hail as the storm moved north across the county Tuesday night. "Winds were pretty high at times but resulted in no damage," the News was told.

"ONE INCH and two bugs" was what Mrs. Ray Joe Riley found in her rain gauge Wednesday morning at Sunnyside. Funnel clouds were reportedly

1. Set the radio near the TV set.
2. Turn the radio to the low end of the dial around 550 kilocycles.
3. A tornado is not far away if the radio makes a steady, staccato sound (continuous static). Take shelter fast.
4. A radio should still be used with a TV so you can hear important weather bulletins and pick up a late warning signal if a tornado is approaching.
5. The southwest corner of your basement is the safest place to go in time of a tornado. If you have no basement and no time to get to one, take cover under heavy furniture in the

center of the house, or inside a closet. If you have time, seek the best inside shelter in your area, preferably in a tornado cellar, underground excavation or a steel-framed or reinforced concrete building of substantial construction when a tornado approaches. Stay away from windows!

In open country, move away from the tornado's path at a right angle. If there is not time to escape, lie flat in the nearest depression, such as a ditch or ravine. Keep listening. Your radio and television stations will broadcast the latest tornado advisory information. Call the Weather Bureau only to report a tornado.

By BECKY BERRYHILL. Tornado watch—tornado warning. It all gets confusing when the warning comes via television or radio. But it's time to get it all straightened out because tornado season has begun in Castro County. A "TORNADO watch" means tornadoes are expected to develop.

A "tornado warning" means a tornado has actually been sighted. Now that's straight, but how does the average citizen know when to take shelter from a coming tornado? Here are some of the early warning devices available to each local resident: THE DIMMITT Volunteer Fire Dept. sounds the siren when a tornado has been sight-

ed near town. Three long blasts mean a tornado has been sighted and you should take cover. Another method is to tune your television set to pick up an approaching tornado. Newton Weller, a self-taught electronics expert from Iowa, discovered it was possible to actually tune in a tornado on TV. Weller says that it's a scientific fact that a pulse generator—actually a tornado still aloft—radiates pulses that can be picked up at about 55 megahertz. That frequency corresponds to Channel 2 on a TV dial. AS A tornado funnel approaches, its "signal" overwhelms the brilliant white light on the screen.

For fringe areas served by cable television—such as Dimmitt—the following directions for tuning in a tornado will work only if a pair of "rabbit ears" are connected temporarily to the TV set. It is the antenna that sees the tornado, not the TV receiver. A tornado could be in your own back yard and you wouldn't pick it up on Cable TV unless you lived beside the community antenna. WHEN A warning or watch is issued, follow these tuning instructions: 1. Turn on your television set and let it warm up briefly. 2. Turn to Channel 13 and adjust the brightness control so the screen is almost black.

3. Turn to Channel 2 and make no further adjustments. 4. LIGHTNING appears on the screen as horizontal streaks or flashes. A color TV produces colored lightning. These flashes do not indicate a tornado. 5. The tornado signal is an increasingly steady and bright white light over the entire screen. If you are receiving a program on Channel 2 at the time, the darkened picture will become visible and remain visible as a tornado approaches. 6. The bright light over the entire screen is your clue to seek shelter fast. Don't become entranced by what you see on the TV screen—seek cover. A RADIO, preferably battery-operated in case of electrical

...and God bless Mother

This little one is aware of his mother's tender care, and responds with love. It would be wonderful if all of us showed our love for our Mothers all of the time. Even if we have been a little neglectful, we have an opportunity to go all out this Sunday, and express to her our love and appreciation for her goodness to us. The Bible tells us to "Honour thy Father and thy Mother."

On this special Mother's Day attend church and share in celebrating this time with others.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor.

CONSERVATION ESSAY WINNERS in the Running Water District's annual contest were LaDonna Brockman (top photo), Nazareth sixth grader, and Carol Armstrong, Hart eighth grader. In top photo, Conservationist Larry Starnes presents Miss Brockman's award plaque in her classroom Thursday morning. In bottom photo, Miss Armstrong receives her award plaque from Starnes during an assembly of junior high students at Hart later in the morning. Miss Brockman is the daughter of Mr. and Mrs. Ernest Brockman, and Miss Armstrong's parents are Mr. and Mrs. Paul Armstrong.

'Conservation -- key to survival'

(Editor's Note: Here is the essay on conservation which won a district award for LaDonna Brockman of Nazareth. The only copy of the county's other winning essay, by Carol Armstrong of Hart, is now in Fort Worth for state judging and will be printed in a future issue.)

By LADONNA BROCKMAN
Conservation—the key to survival. What does this really mean? How would it affect people? What does it have to do with survival?

THE FIRST question, what does this mean; well, it's not original. It has been asked

many times on many different subjects. But the answer to this is different. First, conservation is the power of people trying to save our soil. Survival is mankind trying to live. If we put these together we will find an answer. If there wasn't conservation, people couldn't survive. People need conservation to raise crops and to graze animals. Without the earth we would be flying in space and be in a tragic position.

Now the second question, how would it affect people? How would it affect our lives? Without food we would perish; without water we'd die without a chance. But through the work of conservation we have food and have saved water by saving land. With erosion, millions of gallons of water did and still may wash away to the sea. Tons of earth become sediment at bottoms of oceans and all those minerals which are so badly needed would be washed with them. But these may be used in the future, if there is a future. Because without these, nothing may grow, then man would disappear from the face of the earth.

The third question, what does it have to do with survival. Without the food that is growing and being grown, we'd die of lack of nutrition and starvation. Without agriculture science wouldn't be here and we wouldn't know that the Indians showed the Pilgrims how to plant corn and what the moon is like. So our thanks to conservation because without it, we just simply wouldn't be here.

NGUYEN VAN THIEU, President of South Vietnam: "This is the decisive moment where the survival or loss of our country is at stake."

14—CARD OF THANKS

We wish to thank everyone who worked in behalf of Ben Barnes in the recent campaign, and those who voted for him in Saturday's Democratic primary election. Although our candidate didn't win, we had the enjoyable experience of supporting a good candidate and taking part in the democratic elective process. It's an experience that is possible only in a democracy such as ours. Again, our thanks to those who helped.

Band draws praise from San Antonio

Dimmitt's Bobcat Band has received an extra reward from its recent trip to the Battle of Flowers in San Antonio.

IT CAME in the form of a letter to Principal Robert Ryan from Annette Middaugh, manager of the Crockett Motor Inn of San Antonio.

The Crockett Motor Inn was "home" for Dimmitt's bandmen during their stay in San Antonio.

In her letter, Ms. Middaugh said: "MY STAFF and I want to compliment, very highly, Mr. Ralph Smith, band director, his aides and his students who spent four nights with me here in the Motor Inn."

"After being in this business for several years, there are times when I truly hate to see kids arrive. There are always so many complaints, broken windows, bottles, destruction etc. . . but I can truly say it was a pleasure having the Dimmitt group and hopefully they will come back."

"Thank you for letting the band come . . . we sure enjoyed them all."

ASCS notes

Final planting dates are set; deadline for grazing extended

By CHARLEY E. HILL
The final planting date for corn and grain sorghum is June 20, and June 1 for cotton. If your farm is dryland and it is still too dry to plant by these dates then it will be necessary for you to come by and file an application for acreage credit. Crops must be planted and farmed in a workmanlike manner to be eligible for payments and/or history credit.

RURAL ENVIRONMENTAL ASSISTANCE PROGRAM
Funds are still available for cost-share assistance under the 1972 Rural Environmental Assistance Program. The farm limit for Castro County has been raised to \$1,000.

WORKMANLIKE MANNER
All land must be prepared and farmed in a manner which would normally be expected to produce a crop under normal conditions. Failure to carry out farming operations in this manner could result in loss of payments, yield and history for the farm.

CERTIFICATION OF CROP ACREAGE
Each operator will again certify the acreages of all crops and set-aside uses this year no later than August 1, 1973. This should be done as early as you get the crops planted and measured. Be sure you certify the correct acreage, because once you certify your acreage it can't be adjusted. Don't guess your acreage. I in doubt, ask for measurement service. Requests for this service must be made no later than June 16th. Payments will be made beginning July 1, so the earlier you certify the earlier you will get paid.

HOLIDAY: The ASCS Office will be closed on Monday, May 29, 1972 in observance of Memorial Day.

THOUGHT: Success is getting what you want—Happiness is wanting what you get.

By GERALD BROADSTREET

Greetings Comrades,
We had a real good turnout for our meeting last Monday night. The meeting was a special occasion for we installed our newly elected post officers for the coming year. We were honored to have as our installing officers a man and wife team, Dist. 13 Commander Wayne Driskill and his lovely wife Lavern.

COMMANDER Driskill had much praise for our post and what we had accomplished in the past year and hoped we would continue to go forward. After the installation ceremonies, Comm. Driskill presented plaques to Comm. Gene Johnson, Quartermaster Garnett Holland and Adjutant Gerald Broadstreet for their diligence in the discharge of their duties as officers of the post.

After the meeting all enjoyed a most tasty covered dish supper prepared by members of the Ladies Auxiliary. Thanks a lot, Ladies, we really appreciate it.

Last Saturday night the Junior and High School Choirs directed by Harold Dutton presented a program promoting Americanism and patriotism. Civic organizations in Dimmitt were asked to participate in the program by presenting a short talk on how their organization helps the community and what we do to instill pride and patriotism.

We were honored to have Harold Broadstreet as our VFW representative. Harold gave a talk on the mission and purpose of the VFW and the Ladies Auxiliary, and how we've helped our veterans and their families when in distress. We've helped and contributed to many of the local youth programs and aided area organizations that are helping our young Americans.

DON'T FORGET, we are having a big dance at our post home this Saturday night. Our music makers for the evening are the Rhythm Kings. They will begin at 9 o'clock and play till 1 o'clock. Admission price for this event will be \$4 per couple. You'll have a good time I'm sure.

Keep in mind we have our Game Night every Wednesday night starting at 8:30. This is a family type event everyone can enjoy, so come on out and bring the whole bunch with you, we'll be looking for you.

Comrades this last weekend I had the pleasure of attending the District 13 Convention in Plainview. Our good Comrades in Plainview did an excellent job of planning, preparing and presenting. Needless to say my wife, Linda, and I had a most enjoyable time. Those attending from Dimmitt were Ted and Silvia Stubblefield, Bob and

Earlene West, Garnett and Polly Holland, Gordon and Laverda Fore, Gerald and Linda Broadstreet, Howard Cook, Florene Leinen, Kitty Johnson, Euphamae Griffin and Helen Brown.

At this convention we elected our new district officers and they are as follows: Commander, Roy Bussey of Littlefield, Senior Vice Comm. Hollis Heath of Plainview, Junior Vice Comm. Gerald Broadstreet of Dimmitt, Quartermaster Ted Stubblefield of Dimmitt, Chaplain David Green of Hereford, Judge Advocate Murle Davis of Plainview, Surgeon J. D. Little of Clarendon, Trustees Wayne Driskill of Hereford, Ed Trimmer of Littlefield and John Green of Hereford.

COMRADES, I sure am proud of Dimmitt's showing at this convention. Florene Leinen was elected to serve as Junior Vice President of the Ladies Auxiliary.

Our Dept. representative was Comrade Clyde Hall, past Dept. Surgeon, a candidate for Junior Vice Comm. Dept. of Texas. It was voted at the convention that District 13 give full support to Hall at the State Convention in Dallas.

Speaking of State Convention, Plainview is formulating plans to charter a bus for the Dallas Convention. Plans are to leave Plainview Thursday afternoon June 22 about 5 p.m. and return Sunday afternoon June 25. Cost should be about \$25 and if you're interested contact Euren Lansford, Box 225, Olton, Tex.

Plainview Post 5399 won the Traveling Plaque this time, having the most officers and delegates present.

DIMMITT has the honor of being host for the next district convention to be held in August. The exact date will be announced later.

Mrs. Audrey McElroy, Mr. and Mrs. Ronnie McElroy, Kim and Johnny of Levelland visited their sons and brothers and families, the Wayne McElroys and the Bud McElroys. Mrs. Audrey McElroy, Wayne and Laura McElroy ate supper with the Bud McElroys and Mrs. McElroy spent Sunday night with Wayne and Laura. They took her home to Levelland Monday.

Sharon McElroy went to Amarillo Friday night with the Pep Club to see the show "Mary, Queen of Scots."

Everyone is enjoying the welcomed rains.

I still have four cute kittens I'd like to give away to good homes. If you want one, call me.

Piano recital slated tonight

Mrs. Leon Sanders will present her piano students in a formal spring recital tonight (Thursday) at 8 in the fellowship hall of the First Baptist Church.

THIRTEEN students will be featured in ensembles, duos and solos. They will also be presented with their pins and certificates earned in the National Piano Guild Auditions April 14 and 15.

ELEPHANT CLUB members gathered at noon last Thursday to celebrate the birthday of Mrs. Mae Boothe in the home of her daughter-in-law, Mrs. Betty Booth. One of Dimmitt's oldest clubs, the "Elephants" were organized in July 1938 as a birthday dinner club. Nine of the original 12 members are still living. Seated, from left, are Mrs. Lois Bartlett, Mrs. Margaret Boren,

Mrs. Boothe, and Mrs. Frank Mears. Standing, from left, are Mrs. Nettie Graham, Mrs. Faye Kenmore, Mrs. Ruby Maples, Mrs. Birdie Neill and Mrs. Libbie Humphries. Original life members unable to attend last Thursday's luncheon were Mrs. Mary Kirkpatrick and Mrs. Maggie Gollon of Dimmitt and Mrs. Myrtle Crabb of Memphis.

Last rites held for Mrs. Beyer

Funeral services for Mrs. F. C. Beyer, 79, of Bartlett were held Sunday at St. John's Lutheran Church. Mrs. Beyer was the mother of Hugo Beyer of Dimmitt and Mrs. Roy Taack of Hart.

BURIAL was in St. John's Cemetery under the direction of Goodnight Funeral Home. Rev. Robert Thronson officiated. The Beyers formerly lived at Littlefield.

Gasoline vs. Books
There are many experts who claim the No. 1 issue in this year's elections will be compulsory busing of school children to achieve racial balance.

A nationwide poll conducted by the National Federation of Independent Business shows that 86 per cent of the independent business people support a Constitutional amendment by Senator Robert Griffin of Michigan which would deny the courts the right to order who shall be bused, and to where.

Some Federal judges, as is well known, have not only ordered that compulsory busing should be carried on within a school district, but also that it should be carried on between different school districts and even to the extent of criss-crossing county lines.

In the tabulated results of the Federation poll on this issue it is quite significant that the sentiment for the Griffin amendment was about the same whether it came from the deep south or from the Dakotas.

Now, of course, it can be expected there are some so bound up in an ideological psychosis that they will proclaim this shows racism is as big in the north as in the south.

But actually, racism, as it is called, had really little, of any.

JOHN LINDSAY, Mayor of New York, withdrawing from presidential race: "I was not able to push through my message as effectively as I had hoped."

IT DOESN'T take a superman to stand on the corner and throw mud at someone who is trying to do something.

THE danger in ignorance is that so many have it without suspecting it.

USDA hikes beet workers' minimum wages

Minimum wage requirements for sugarbeet work in all producing areas were announced last week by the US Department of Agriculture.

THE determination announced last week becomes effective on April 24 and increases basic minimum wage rates or specified hand labor operations by 15 cents per hour if performed on a time basis, and by amounts ranging from \$1 to \$2.50 per acre (which averages about eight percent) if performed on a piecework basis.

The minimum hourly rate established in this determination is approximately eight percent above the \$1.85 rate established in the prior determination which became effective April 12 and 5.3 percent above the \$1.90 level. That portion of the increase above \$1.90 is within the Pay Board's general standard for annual wage increases of 5.5 percent. The increases in piecework rates parallel that for the hourly rate.

The minimum time rate established by the new determination is \$2 per hour. Minimum piecework rates per acre are \$14.50 for thinning; \$19 for hoeing; \$22.50 for hoe-trimming; and \$12 for weeding, whether employed as an operation following one of the other operations or as a first hand labor operation on fields that have been machine-thinned and treated with herbicides. The rate for the blocking and thinning operation which is applicable only in California is \$32 per acre.

Piecework rates for operations other than those specified in the determination may be agreed upon by the producer and worker, provided the worker's average hourly earnings equal or exceed the \$2 hourly minimum rate.

A MINIMUM hourly wage rate of not less than 85 percent of the specified rate is provided for workers 14 or 15 years of age. The employment of children under the age of 14 years or of children between the ages of 14 and 16 years for more than eight hours in any one day subjects the producer to a deduction from his Sugar Act payment.

Producers are required to pay wages not less than those determined to be fair and reasonable by the Secretary of Agriculture as one of the conditions to qualify for payment under the Sugar Act of 1948, as amended.

You may can get 1973 refund now

Last December Congress decided to adjust the out of date withholding tax tables so taxpayers, making more than \$10,000 a year would have the correct withholding.

BECAUSE the old tables didn't withhold enough, many taxpayers had dropped exemptions and added on to their withholding so they wouldn't owe IRS money at the end of the year. When the law was changed a lot of these people ended up with an overwithholding situation.

Of course they can let a big, fat 1973 refund build up, but they can also drop by their payroll office and fill out a new Form W-4 and cut their taxes now.

It may pay you to check on your withholding situation with your employer. Maybe you can get a 1973 income tax refund during 1972, the IRS advises.

Conservation

Everyone depends on the soil—whether they realize it or not

By **LARRY O. STARNES**
Do you depend on the soil for your livelihood? Does it affect you if the soil washes and blows away? Does this concern your children or your grandchildren?

YOUR ANSWER to these questions should be a definite yes, no matter where you live or what your livelihood is.

If America exploits its soil resources, who will supply us with the food we need for survival?

If cities continue to expand at present rates, where will the land be found to produce food?

THE OLDER one grows, generally speaking, the more he appreciates order, manners and friendships.

MOST of the worries that afflict our minds never exist outside of our heads.

JUST because a man is a good sport doesn't necessarily mean he is a good man.

Each year thousands of acres of fertile lands are covered by highway paving because the cost of construction through badland areas is still apparently prohibitive.

RECOGNITION of these problems is a step in the right direction. But, without active support from the consumer, producers may be tempted to exploit our nation's soil and water resources to obtain the standard of living enjoyed by city dwellers and workers.

Sheffy home is scene of shower

Mrs. Ted Sheffy's home was the scene of a Saturday morning coffee and bridal shower honoring Kathy Shannon.

SERVING coffee from a table that was centered with white iris and yellow snapdragons were Lee Ann Merritt and Vicki Winders of Dimmitt and Kathleen Robinson of Hereford. Peggy Sire Shannon of Quitaque registered guests.

Special guests were Miss Shannon's parents, Mr. and Mrs. Fate Shannon, and her fiancé's grandmother, Mrs. Medford Melton of Lubbock.

Ladies to show refinished furniture in public exhibition today at Bethel

By IRENE KEATING

The furniture refinishing workshop participants will have a public showing of their handiwork today (Thursday) at 2 p.m. at Bethel community building. Do go see what they've done.

VICKI YOKUM and Sue Boozler are each doing very old rocking chairs. Maxine Ballard has a pretty, old mirror frame and small round table. Frances Smith refinished the top of a round table that had alcohol spilled on it—which had dissolved the old finish. Lara Downing helped her stain it to match the original finish perfectly.

Geneva Dobbs has an old trunk and dresser. Carolyn Watts is doing over an old dresser that her mother gave her. Joan Durbin has a dresser also. Sue Tischler is antiquing a chest in yellow for her girls. Mary Behrends is antiquing the drawers for her kitchen to harmonize with the paneling in the den, and doing such a nice job. These women are saving hundreds of dollars by refinishing this furniture instead of buying new.

Next Wednesday, the 16th, our office will be closed as we'll

all three be at a county staff training meeting in Hereford. It has been five years since this type of training and we're all looking forward to it.

★ OUR ANNUAL THDA luncheon will be held next Wednesday at the Colonial Inn. Any Home Demonstration Club member or interested person is invited to attend. The luncheon is dutch treat and we're expecting about 60 members and guests to attend. The highlight of the luncheon will be the naming of the 1972 H.D. Club Woman of the Year. This year's nominees are Darlene Wooten, Doris Lust, and Verletta Witt. Our tray for this year's winner is being provided by the Castro County News and radio station KDHN. We appreciate their loyal support in all our Extension work.

The 4-H clothing leaders will hold a training meeting on Thursday, May 19th, at 2 p.m. in the Assembly Room of the Courthouse. We will discuss the 4-H Clothing projects and the Dress Revue scheduled for July 6th.

NEW OFFICERS of Beta Sigma Phi sorority are (from left) Mrs. Nancy Ross, president; Mrs. Virginia Hansen vice-president; Mrs. Sara Hill, secretary; and Mrs. Nancy Alexander, treasurer. Not pictured is Mrs. Marilyn Carver, parliamentarian. Officers were installed at the chapter's meeting last Wednesday evening in Mrs. Jane Blackburn's home.

Beta Sigma Phi installs officers

The Alpha Epsilon Tau chapter of Beta Sigma Phi met last Wednesday evening in the home of Mrs. Jane Blackburn.

CHAPTER president, Carol Bryant, presented the pledge ritual to Mrs. Sue Caddell and Mrs. Mary Neil King and installed the new officers.

Officers for the coming year are Mrs. Nancy Ross, president, Mrs. Virginia Hansen vice-president, Mrs. Sara Hill, secretary, Mrs. Nancy Alexander, treasurer, and Mrs. Marilyn Carver, parliamentarian.

Charms were presented to the outgoing officers, committee chairmen and the Valentine Sweetheart. A gavel pin was presented to outgoing president Mrs. Bryant.

MRS. PATRICIA Braafladt was named Girl of the Year for her outstanding contributions to the chapter. She was given a plaque by last year's recipient, Mrs. Sue DeVaney.

Mrs. Bryant gave a Founder's Day program and the outgoing officers served refreshments.

NEVER be afraid of what others say if you're sure that you approve of what you've done.

AN IDEA is one thing; putting it into words so that everyone will understand it is another.

Shower honors Cynthia Wrinkle

Cynthia Wrinkle of Muleshoe, bride-elect of Terrell Ott, was honored at a shower in the First State Bank community room Saturday afternoon.

MRS. Buster Morgan greeted guests, who were later served coffee and cake from a table decorated with blue and green flower arrangements.

Ott is the son of Mr. and Mrs. Irvin Ott.

The couple plans to attend college after their marriage.

Couple exchange vows in Lubbock

Mrs. Clydene Damron announces the marriage of her daughter, Roxana, to Michael Molloy.

VOWS WERE exchanged May 6 at Pleasant Ridge Baptist Church with Rev. Frank Jones officiating.

Both are students at Coronado High School. After graduation they will reside at 2314 17th Street in Lubbock.

The view from your library

By MARY EDNA HENDRIX

I was so concerned about taking the mid-term exam for my correspondence course that I almost forgot to write my column this week—but here it is—just a little short!

SUNDAY is Mother's Day and I would like to share this poem with you by Helen Steiner Rice:

A MOTHER'S LOVE
A Mother's love is something that no one can explain
It is made of deep devotion and of sacrifice and pain
It is endless and unselfish and enduring come what may
For nothing can destroy it or take that love away
It is patient and forgiving when all others are forsaking
And it never fails or falters even though the heart is breaking
It believes beyond believing when the world around condemns
And it glows with all the beauty of the rarest, brightest gems
It is far beyond defining, it defies all explanation
And it still remains a secret like the mysteries of creation
A many splendored miracle man cannot understand
And another wondrous evidence of God's tender guiding hand
HAZEL MERRITT and I went to Lubbock last week to select some books from a list that Ray Janeway, librarian at Texas Tech University, sent us. We got several good books including some Spanish and French books. Since Mrs. Lynn King was in the hospital, Mrs. Leora Little kept the library for me until Irma Salinas came to work after school.

There were 15 boys and girls at the Children's Story Hour last Friday to listen to some of the stories by Dr. Seuss. We will have the story hour for two more weeks, May 12th and May 19th. Then we will not have the story hour again until September. We will have the "Summer Reading Program" again this summer and it will include children of all ages.

Mrs. Skinner brought her first grade to the library to show them how to use the library.

July 1 vows set

Mr. and Mrs. Vincent Pohlmeier announce the approaching marriage of their daughter, Rosella, to Ray Kendrick O'Hanlon, son of Mr. and Mrs. Jewell O'Hanlon of Ardmore, Okla.

VOWS WILL be exchanged July 1. Miss Pohlmeier is a graduate of the College of Professional Assistants in Dallas and is employed by Nathan J. Schoneir, D.D.S., of Dallas.

O'Hanlon is a graduate of United Electronics and is employed as assistant manager of Business Machines of Texas.

Miss Garrison

August date set

Mr. and Mrs. Shirley Garrison of Easter announce the engagement of their daughter, Sharon, to Danny Harvey, son of J. M. Harvey of Stamford.

VOWS WILL be exchanged August 5 in the First United Methodist Church of Hereford.

Miss Garrison is a graduate of Hereford High School and McMurry College in Abilene with a BS degree in elementary education.

Harvey is a graduate of Stamford High School and is a senior business and finance major at McMurry.

GIRL OF THE YEAR for Beta Sigma Phi is Mrs. Patricia Braafladt, selected because of her outstanding work for the sorority during 1971-72. She was announced as recipient of the coveted award last Wednesday evening at the chapter's annual officer installation in the home of Mrs. Jane Blackburn.

Tech to graduate two from Castro

A total of 1,692 students in the six colleges, Graduate School and School of Law at Texas Tech University are candidates for degrees at the conclusion of the spring semester.

CANDIDATES for degrees from Castro County are Sheila Ann Hamilton of Dimmitt, elementary education, and Gerald Joseph Brockman of Nazareth, petroleum engineering.

Commencement exercises for all students completing degree requirements this spring are scheduled Saturday in Lubbock Municipal Coliseum.

Because no formal graduation exercises were conducted at the conclusion of the fall semester, students who qualified for their degrees in December 1971 are also invited to participate in the spring commencement. The commencement address will be delivered by Dr. H. Guyford Stever, newly appointed director of the National Science Foundation, Washington, D.C.

"DESPERATE AMBROSE," a farce comedy, will be presented tonight (Thursday) at 8 in the Dimmitt Junior High auditorium. Pictured from left are two city dudes, Marvin

Spinhirne and Kyle Touchstone, and Gunslinger Hoot Owl Pete. Admission to the play is \$1 for adults, 75 cents for students and 25 cents for pre-schoolers.

Five Braddock Brown Swiss cows rated outstanding in production

Five Brown Swiss dairy cows in the herd of Vincent Braddock recently completed outstanding official DHIR production records.

THE BROWN SWISS Cattle Breeders' Association of America recognizes all cows on official DHIR test that complete 305-day lactations on 2x milking exceeding 550 lbs. of butterfat as two-year-olds, 600 lbs. as three-year-olds, 650 as four-year-olds and 700 at age 5 or older.

Cows in the Braddock herd reaching the outstanding level of production were:

—Brad-Lou D. Chris 506843, four years old, 18,050 lbs. milk with 763 lbs. butterfat (4.2 percent);

—BRAD-LOU D. Claudia 514811, four years old, 16,470 lbs. milk with 697 lbs. butterfat (4.2);

—Brad-Lou D. Annette 522857, three years old, 13,680 lbs. milk with 792 lbs. butterfat (4.2);

—Brad-Lou D. Clarice 514812, four years old, 21,030 lbs. milk

with 830 lbs. butterfat (3.9); —Brad-Lou D. Maxine 501096, five years old, 22,040 lbs. milk with 855 lbs. butterfat (3.8).

WEIGHING and testing of the milk during the record period were under the supervision of Texas A&M University and the local DHIR supervisor in cooperation with the National Brown Swiss Association.

Residents go to Johnson reunion

By MRS. OWEN ANDREWS

Mr. and Mrs. Clark Andrews, Mrs. Annie Springer and Mrs. Owen Andrews went to Plainview Sunday and attended a family gathering of the Johnson family, a family related to the Springer family. The gathering was in the city park. The Andrews and Mrs. Springer also visited a relative, Bert Buchanan, in the convalescent home in Plainview and other relatives, Mrs. Lyvia Johnson and Elma Johnson at Hale Center. Mrs. Johnson is the 93-year-old sister-in-law of Mrs. Springer and aunt of the others.

★ **VISITING** the Floyd Coles during the weekend were their daughter, Mrs. Herman Vinson and Mr. Vinson of Pampa, and also a nephew, Jim Shearhart and his wife of El Reno, Okla. Mr. and Mrs. Ronnie Andrews and children went to Amarillo Saturday. They attended the WTSU graduation exercises at Amarillo Coliseum. Mrs. Andrews sister, Patty Simpson, was a member of the class receiving her BS degree. Patty plans to be a teacher.

Mrs. Andrews and son took Sunday lunch with her grandparents, the M. L. Simpson Srs. in Hereford. Ronnie was spending the time in Army Reserve training.

★ Visiting Mrs. H. M. Mobley and others of the family recently

was her granddaughter, the former Karla Mobley and her husband of Farmington. Karla is the daughter of the Raymond Mobeys of Farmington.

Gerald Harder moved to Center, Colo. last week. He will be with the Hilrey Aven Cattle business there. Gerald has been employed here since he completed Army duty and graduated from WTSU last year.

★ **JOHN SIMPSON** was honored at a family birthday dinner recently, at the Robert Simpson home. He was 88 years old April 22. Their daughter, Mrs. Leon Roberts, her daughter Mrs. Patsy Ford and Kandi of Wellington, and Dedson came to be with the relatives here and took the Simpsons home with them for a week's visit. Mrs. Billy Gene Cotton, Annette and Denise went to Dodson the past weekend and stayed with the Fords. On Sunday they and the Wellington relatives gathered at the Roberts home for dinner and family visiting before the local people came home.

Bill Mettocks of Denver visited the Jackie Andrews on Tuesday night. He was a member of Rev. Sam Ogan's church when they were in Denver and often visits the family when he is in this area on business. This is his second visit since Mrs. Ogan was burned.

★ **CAMERON MONTOE** of Amarillo has preached the past three Sundays at Frio Baptist Church. He has been invited by the church to be guest preacher during the next few weeks in the absence of Rev. Ogan while he is with Mrs. Ogan at Galveston. Cameron plans to be with the young people on Saturday evenings for planned entertainment such as volleyball, table games and music participation sessions.

Mrs. Tommy Sparkman accompanied an aunt, Mrs. Zulma Encinas to Houston, leaving from the Amarillo Airport last week. Mrs. Encinas underwent tests at a Houston hospital and went home with a daughter Mrs. Tom Coleman of McAllen to await a return for further tests at Houston. Mrs. Sparkman returned home on Friday. The children stayed with grandparents, Mr. and Mrs. T. L. Sparkman Jr. and with the Eugene Baldwins while their mother was away.

Mrs. E. F. Vozler went to Houston to be with the family of their son, Leon Vogler. Mrs. Leon Vogler's mother, Mrs. Perry was said to be seriously ill at Wichita Falls, and her daughter had gone to be with her.

Merchants will treat farmers to fish dinner

Dimmitt businessmen will treat local farmers to a catfish feast May 23 in the Sunnyside Community Center.

★ **THE Sunnyside Lions** will prepare and serve the fish dinner—"all you can eat"—for \$3 per person. Businessmen are to buy the tickets in twos or more and invite farmers as their guests.

The farmer-businessman's dinners are sponsored by the Chamber of Commerce. Mrs. Dorothy Magness, CoC secretary, said tickets will be sold by members and at the chamber office.

★ **ARGUMENTS** directed at the emotions and prejudices of men suggest a lack of reasonable support.

BOB GOSS FORD DEALERSHIP GETS THE "DISTINGUISHED SERVICE AWARD FOR 1971"

Ford Motor Co. recently awarded Bob Goss Ford of Dimmitt its highest award for dealerships—the "Distinguished Achievement Award 1971". The award is given annually to the top Ford dealership throughout the nation.

Bob Goss Ford Inc. opened in Dimmitt in the Fall of 1968 at 120 East Andrews. The dealership offers its customers both Ford sales and service.

The Ford dealership is open Monday through Friday from 8 a.m. until 5:30 p.m. and until noon on Saturday.

Ford has a new service policy, and Bob Goss Ford offers Dimmitt two qualified Ford mechanics to give the best service possible. Satisfied customers are the basis

of the new service policy.

Bob Goss, owner, Johnny Kittrell and Avery Thrasher, both salesmen, want to put you in a new Ford car or pickup this year. They'll get exactly what you want even if it means special ordering from the factory.

Kittrell was one of the nation's leading Ford dealership salesmen in 1971.

The service and parts department at Bob Goss Ford consists of Earl Stone, Duward Davis, Joe Whitehorn and Tony Beamas. Both Mrs. Joyce Davis and Mrs. Mary Goss work in the front office.

The dealership also sells industrial engines and repair parts.

the morning services. Those present to receive their Bibles were Darrell Carr, Debra Ball and Brenda Lefevre. Those who were absent and sent their Bibles were Ronnie McGowen and Patricia Elliott Morphis.

Political conventions coming up; battle looms in Democratic Party

A showdown between supporters of Hubert Humphrey, George McGovern and George Wallace seems likely Saturday when local Democrats hold their county convention at 2 p.m. in the courthouse basement.

TEXAS Democrats' selection process on a presidential candidate started with precinct conventions Saturday and will climax at the state convention in San Antonio next month. The and then will determine which power struggle between now presidential candidate will get

the Texas delegation's commitment at the national convention in Miami in August.

At their precinct conventions Saturday, local Democrats were divided in their presidential preferences, with many still undecided. As a result, many precincts voted to send uncommitted delegations to the county convention.

The county's Democrats will elect six delegates and six alternates to the state convention, and can vote either to commit the delegation to one candidate or send it to the state convention uncommitted.

The county convention is open to the public. However, Democratic Committee Chairman Carl King explained that the only persons who can vote in the convention are those who were elected as delegates at the precinct meetings, or their elected alternates.

REPUBLICANS here will have a simpler task Saturday as they start the party process to get President Nixon re-elected.

The GOP county convention will be at 8 p.m. Saturday in the Rawlings Hotel. County Republicans will elect three delegates and three alternates to the state convention.

Mrs. Helen McFarland of Arney, county GOP chairman, said she also will appoint Republican precinct chairmen for the coming year at Saturday night's convention.

Among the unopposed candidates for state office, Representative Bill Clayton led the ticket with 1,624. The other six candidates running unopposed for state and district posts scored in the 150's.

REPUBLICANS in Castro County posted a moderate turnout of 32, giving Henry C. "Hank" Grover a plurality in the governor's race. The final count was Grover 11, Albert Bel Fay 9, B. Thomas McElroy 6, John A. Hall 4 and David Reagan 1. A sixth candidate Joseph Alton Jenkins, didn't scratch here.

Castro's Republicans followed the statewide trend as they helped Grover and Fay go into a runoff June 3.

That was the only contested race on the short Republican ballot, which included candidates for only four state offices and no local posts. Castro Republicans gave Sen. Tower 30 votes, State Treasurer Candidate Maurice Angly Jr. 28 and Railroad Commission Candidate Jim Segrest 29.

VOTERS in both parties here were decisively against forced busing to attain racial balance in public schools. The referendum to halt busing carried 1,454 to 366 among Democrats and 245 among Republicans.

Republicans got the chance to voice their opinions on Daylight Saving Time, and Castro County's GOP voters were against it, 23-6. The DST referendum was not on the Demo ballot.

In all, 2,106 Castro Counties turned out for the two primaries Saturday—a respectable 56 percent of the county's 3,750 registered voters.

At their precinct conventions Saturday, local Democrats were divided in their presidential preferences, with many still undecided. As a result, many precincts voted to send uncommitted delegations to the county convention.

The county's Democrats will elect six delegates and six alternates to the state convention, and can vote either to commit the delegation to one candidate or send it to the state convention uncommitted.

The county convention is open to the public. However, Democratic Committee Chairman Carl King explained that the only persons who can vote in the convention are those who were elected as delegates at the precinct meetings, or their elected alternates.

REPUBLICANS here will have a simpler task Saturday as they start the party process to get President Nixon re-elected.

The GOP county convention will be at 8 p.m. Saturday in the Rawlings Hotel. County Republicans will elect three delegates and three alternates to the state convention.

Mrs. Helen McFarland of Arney, county GOP chairman, said she also will appoint Republican precinct chairmen for the coming year at Saturday night's convention.

The rainy season began Friday when .75 of an inch fell in Dimmitt within half an hour mixed with pea-sized hail. Howard Cook, US Weather Observer, recorded an additional .45 Saturday and .08 Sunday.

Tuesday night's rains came on strong, leaving a total of 1.20 inches in Dimmitt. Some street flooding resulted from the rains, and small hail mixed with the rain for short periods of time.

WARNING sirens sent Hart residents diving into the nearest cellars and basements, according to Mrs. Myrt Loman News correspondent.

"It looked bad, but a funnel never touched down, and we didn't get any rain either," Mrs. Loman said.

Nazareth was also left out of the county-wide rains Tuesday night. Dimmitt Agri Industries, Inc., at Nazareth reported a trace.

STAR CHAPTER FARMER AWARD was presented to Dean Smithson last Thursday for being the outstanding Dimmitt second-year student in vocational agriculture and FFA. Presenting the award is FFA advisor John Quinby.

OVERALL SHOWMANSHIP AWARD was presented to Bob Duke at the annual FFA barbecue last Thursday night. Presenting the award is vo-ag teacher John Farris.

Top FFA boys receive awards

The Dimmitt Future Farmers of America hosted a barbecue dinner last Thursday night for their parents and friends and to present the chapter's outstanding member awards.

DR. BILL BENNETT, associate dean of the agriculture school at Texas Tech University and a former Dimmitt resident, was guest speaker at the awards program.

FFA officers told the meaning of the FFA symbols during the opening ritual before Dr. Bennett spoke.

Chapter advisor John Quinby presented the following series of awards to the outstanding FFA members:

The DeKalb Agriculture Association award to the outstanding graduating senior in Vocational Agriculture went to Jerry Matthews. The award is based on the student's achievements for his high school years.

Matthews holds the Lone Star Farmer degree, the highest FFA degree on the state level. His name will be engraved on the DeKalb plaque that hangs in the chapter meeting room, and he received a medal and certificate.

FOUNDATION awards are a series of awards furnished by the Future Farmer Foundation Inc. which is an organization composed of donors who wish to recognize outstanding FFA members on all levels.

Steve Myatt was named Star Greenhand farmer for 1972. The award is presented to the outstanding first year FFA member based on leadership, project program, scholarship and participation in FFA activities.

Dean Smithson was presented the Star Chapter Farmer Award. This award is similar to the Greenhand award except it is presented to the outstanding second year student in vocational agriculture and FFA.

BOBBY MARTIN received the Crop Farming Award for outstanding achievement in the area of crop production.

The Livestock Production award went to Charlie Sammann for successful work in the livestock show ring and in the production field.

Robert Washington received the Agricultural Mechanics Award as outstanding student in the mechanics program.

The Agricultural Placement Award went to Henry Rivera. THE POULTRY Production award went to Lester Womack. Quinby then recognized Lone Star Farmer degree applicants Bobby Martin and Charlie Sammann. The Lone Star Farmer degree is the highest state honor for high school FFA members.

Co-op students who have won district competition in their fields and will advance to area competition were Darrell Holland, veterinary assistant, and Tony Beams, agricultural mechanics.

The co-op awards went to Henry Rivera, Paul Harris, Darrell Holland, Ronnie McGowen and Ben Reves.

JOHN FARRIS, vo-ag instructor, presented certificates of merit to:

The Junior Chapter Conduct-

ing team that placed third in district—Steve Myatt, Dudley Wooten, Lance Louder, Randy Bagwell, Kurt Wales and Dusty Dobbs.

The Junior Farm Skills team that won third in district—Robert Horton, Robert Mayhew and Travis Hampton.

The Senior Farm Skills team that won fourth in district—Gary Wise, Steve Nutt and Curtis Bruegel.

The FFA Quiz team of Rick Wright, Max Wohlgenuth and Lee Stokes.

THE LAND TEAM that placed second in district—Dean Smithson, Gary Wise, Steve King and Curtis Bruegel.

Others to receive certificates were Charlie Sammann, Brent Sanders, Rocky Kay, Bob Duke, Johnny Webb, Jeff Robertson, Clay Armstrong, Lon Keel, Rick Wright, Cletus Moore, state Funk Bros. corn contest winner, and Dean Smithson.

Farm machinery awards went to Bob Duke, Mike Splinhrne, Lester Womack and Robert Washington.

JACK HOWELL was presented two plaques for Honorary Chapter Farmer award and the Honorary Lone Star Farmer degree. Howell had been chosen for both honors earlier but they were not presented until last week.

Dr. Bennett told the audience that vocational agriculture helps youth in decision making, gives them benefits from competitive situations and an opportunity in leadership.

"I dare you to develop the four sides of your life and future," Bennett said. "Grow physically, mentally, spiritually, and socially strong to be the most you are capable of."

"If you accept these four dares and do something with them," Bennett said, "you'll be a contribution to society."

Bennett concluded with one final dare: "Live tall."

Truck loses load near 'Y'

A Hereford lumber truck lost a big load of boards and wire when it hit a chuck-hole Friday near the "Y" intersection of US 385 and State 194.

HIGH WINDS contributed to the mishap. The truck, a 1972 GMC, was owned by Farm Discount Lumber Co. and driven by Barry Moore of Hereford.

Police Chief W. W. Jones cited Moore for "speeding, too fast for conditions."

THE trouble about the candidates who know it all is that there are so many of them.

THE trouble with most interviews is that a man rarely says what he really thinks.

THIS IS a good time to drive carefully, avoid risks and save lives on the highways.

ONE reason why so many of us fail to get rich is that we run from hard work like it might be a plague.

FIREMEN SURVEY DAMAGE after extinguishing the blaze in Dimmitt High School's bus barn at the county fairgrounds last Wednesday at noon. This is the southeast corner of the barn, where a gasoline pump, work benches, cabinets and automotive parts were located. It was here that the damage was heaviest. A bus in the other end of the barn received heavy smoke-heat damage.

TOTALLY RUINED in last Wednesday's fire at the Dimmitt High School bus barn was this school car assigned to Supt. Charlie White. The 1969 Pontiac was in the barn for service when the fire started during

the noon hour, while the barn was closed and locked. Heat from the nearby fire caused so much damage to the car's paint, body and exposed engine parts that the insurance company "totaled it out."

Reyes wins Jr. Olympic boxing crown

By BULLET ADAMS

Dimmitt's Ernie Reyes fought back after a first round deficit and out-slugged Tony Dial of Lubbock to take the regional Junior Olympic boxing championship in the 105-lb. Intermediate Division. Ernie, a surprise contender for the Dimmitt Athletic Club, will advance to the state eliminations to be held in Granbury in July.

COACH JOE DAY'S gloves advanced six members to the finals, only to see five of them fall by the wayside.

Earlier in the evening, two Dimmitt youngsters met in the 70-lb. semi-final bout, with Robert Casas taking a split decision over Kelly Hill. The win earned Casas a shot at the championship against classy Ricky Martinez of Plainview.

Robert gave the Hale County lad all he wanted for the full three rounds before seeing the crown slip away to a decision by the judges.

In the 85-lb. Intermediate semi-finals, Dimmitt's scrappy little Richard Ewing hammered out a well-earned win over Tim Warren of Amarillo. This victory gave Richard his chance for the championship later on in the evening against tournament favorite, Marvin Jenkins of the Lubbock team. Ewing had his man in big trouble early in the fight, but Jenkins called on his experience and quick right hand to win the bout on a TKO late in the second.

Frank Alvarez of the Dimmitt club drew a rugged opponent in Plainview's Henry Goss. Frank battled gamely, but was no match for the older and more experienced Goss. Tony Gonzales of Dimmitt also fought a good fight against a more experienced foe, before losing to Lubbock's Luther Williams.

THE 100 lb. championship bout was one that created a lot of interest. It matched Richard Tillman of Amarillo against Dimmitt's once-beaten Larry Bossett. This one was a picture in contrast. Tillman's shuffling movement against Bossett's stand up and punch style. A lot of ring-side observers felt that Larry had taken the championship, but the three that counted, the judges, gave the nod to Tillman, and Bossett suffered his second defeat of the year against nine victories.

In Friday night's action, Kelly Hill of Dimmitt, fighting for the first time this year at 70 lbs., decided Charley O'Neal of Plainview. Richard Ewing fought well as he beat Joe Martinez of Plainview. Larry Bossett beat a good boxer in Phil White of Lefors.

Other Dimmitt fighters competing in the tourney were Elias Bernal, Andy Gonzales and Rudy Rosas. The tournament was sanctioned by the Amarillo Lions, and was held in their Garfield Street Gym.

The improving Dimmitt boxers drew a lot of favorable comment from the fans attending the meet, and in general put on a very good show against some of the better amateur boxers in the region.

MOTHER'S DAY will be observed Sunday across the land. But to little Eunice Zamorano, 1 1/2, every day is Mother's Day. That's because her mother, Mrs. Delia Zamorano, is almost her whole world to her. Eunice depends on her mother to tell her what makes flowers grow, to heal her skinned knee, to teach her words, to sit up with her when she's sick. Someday, when Eunice is older, she'll learn there's a special day called Mother's Day. And she'll understand why.

SURPRISE GIFT—Mr. and Mrs. Jerry Cluck thought they were coming to the Dimmitt High School industrial arts shop last Wednesday night just to see how the students' woodworking and power projects fit into the Cluck's horse trailer for the trip to the state industrial arts fair in Austin. But the Clucks and their children were in for a surprise when they learned the boys had made this gatepost sign for their farm southwest of Dimmitt. The hanging sign-

boards are painted red, with cutout letters in white enamel. The Clucks had placed their 16-ft. gooseneck trailer and a one-ton truck at the boys' disposal, and this was the students' show of appreciation. The C-- is the Cluck's brand, and the bottom board—reflecting the bright light of the camera's flash—notes that the trainer is Orin Barnes. The Clucks are consistent winners in area horse shows.
