

WHERE A BARN ONCE STOOD, there are now only these remnants where a small tornado struck Saturday evening on the Paul Brooks farm a mile south of Hart. In foreground is the barn's west wall, and the east wall still stands in the

distance. The barn roof (which was attached to the adjacent barn) and the support beams along the door-side were ripped loose and hurled over the other building into the farmyard.

AFTER THE TORNADO, Paul Brooks' barn roof and beams ended up on the opposite (south) side of the main barn. Brooks' son, Thomas Lee, and a hired hand, Feliciano Mata, had just driven their pickups into the barn to escape the

hail when the tornado lifted the barn away. Luckily, neither man was injured and the barn roof fell in an open space in the farmyard. Mr. and Mrs. Brooks were away from home when the twister struck.

## Two local youths to work in camp for ghetto children in New Jersey

Rick Bell, son of the Lonnie Bells and Susie Mooney, daughter of the Bob Mooneys left Wednesday by plane from Lubbock for a summer's work at Camp Shiloh at Mendham, N.J.

CAMP SHILOH is located a few miles outside New York City, and has become a year-round program, helping the children of the underprivileged areas of the huge city.

Shiloh workers, made up of young Christians from all over the US, try to fill the needs of these children, most of whom have been deprived educationally, physically and spiritually.

The summer camp is designed to meet the needs of these children in four ways: (1) through sports and games, (2) through daily devotionals and Bible classes; (3) through the effects of nature, which bears witness to God's handiwork; and (4) through the creation of real friendships among the campers and staff members, many of which are lifelong.

SUMMER activities are coordinated with those of the year-round program, in which Shiloh counselors offer a program of after-school activities including Bible classes, sewing and cooking, arts and crafts, drama,

music, games, recreation, remedial reading and tutoring and field trips.

Bell will serve in the same capacity as he did last summer, as a counselor to boys 9-11 years old. Miss Mooney will be a day care counselor for children who are brought in by the day, who are too young to stay overnight.

Bell's most memorable recollection from last summer was visiting two of his campers over a weekend and discovering that the only parks they had ever known contained not one tree, bush or blade of grass, but were solid asphalt. Also, one camper revealed that before coming to Shiloh, his only form of entertainment had been turning on fire hydrants, having stolen a key somewhere.

OVER THE years, the summer camp has changed the lives of many children, created lifelong Christian commitments and memories to cherish.

Pat Boone singer, writer and actor, has long been a supporter of the camp, along with lesser known Christians. The hope and goal of the staff of Shiloh is to let others know of the great needs of these children.

## Local Democrats active at meet

Carl King of Dimmitt was named to the resolutions committee and B. M. Nelson was elected alternate to the presidential electoral college from this district at the state Democratic Party convention in San Antonio this week.

DELEGATES to the convention from Castro County were Mrs. Albert Schoenberger, Bill Graham Jr., Bobby Ebeling, Oscar Wylie, King and Nelson. Also attending the convention were Mrs. Graham, Mrs. Wylie, Mrs. King, Mrs. Nelson and Juanita Wilhelm.

## Bruegel attends GOP convention

Fred Bruegel Jr. of Dimmitt represented Castro County at the state Republican Party convention in Galveston this week.

THREE local girls—Sheri and Teresa Bruegel and Kipp McFarland—served as pages at the convention.

Bruegel was elected an alternate delegate at the county GOP convention in May. The three elected delegates—Carl Bruegel, Mrs. Helene McFarland and Dr. David Bechtel—were unable to attend the state convention.

## Hail wipes out three areas

"Forty-five minutes can be a long time when it's hailing," A. J. Murray of Hart commented after Saturday evening's damaging storm.

FARMERS north of Dimmitt and in the Nazareth area could agree with the Hart farmer after seeing their crops pounded for the same length of time—or even longer—by stones ranging from golf ball to baseball size.

The hail pounded an area of 30 to 40 square miles north and northeast of Dimmitt, a large strip in the Nazareth area and 10 square miles around Hart, affecting 10 to 15 percent of the county's cropland. No dollar-damage estimate has been projected yet.

Within these storm areas, damage ranged from heavy to total. The hardest-hit farms north of Dimmitt apparently were those of Donald and Walter Schilling, Oscar Gross, Mrs. Frank Henderson, Roy Meacham and Jim Elder. Hailstones of golfball size piled up in ditches and rows along the east-west strip, with neighboring farms in the area along US 365 also taking a heavy beating.

THE PAUL BROOKS farm a mile southwest of Hart on the Olton Highway received the heaviest damage of any in the county. There, the hailstorm was accompanied by a small tornado that uprooted a storage barn and hurled it over another barn and into the farmyard.

Two men, Thomas Lee Brooks and Feliciano Mata, had just driven their pickups into the barn when the tornado lifted the barn from around them. However, neither man was injured. The roof and steel beams of the uprooted barn were deposited in an open area of the farmyard. A stack of irrigation

pipe just north of the barn area and a camping trailer and hired hand's house just south were untouched. Damage was minor to the main barn, to which the damaged building was connected.

Mr. and Mrs. Brooks weren't home when the storm struck their farm.

AFTER STUDYING hail damage to his fields and neighboring farms, Brooks theorized that two storm clouds—one moving from the southeast and the other from the northeast—met over his farm and spawned the tornado.

The Brookses' rain gauge registered 2½ inches of moisture.

It was a "dry hail" in many places, with large stones pelting the dry soil before any rain started. And in the Hart area, odd-shaped "icycles" and "ice cubes" were reported. The storm bypassed Dimmitt, with the city receiving only .15 of an inch of rain and no hail. Hart's moisture total was 1.97 inches, and totals elsewhere in the county ranged up to three inches in spotty patterns.

MONDAY evening the area received a gentle, steady rain that put an additional .47 of an inch of moisture into the soil. The week's rainfall brought Dimmitt's official total for the year to 4.70, with 4.35 of it falling since May 1.

## Pilot walks away from plane crash

A Dimmitt pilot crashed while spraying a cotton field Saturday morning, but walked away from it.

THE PLANE, a Cessna Ag Wagon owned by American Dusting Co., was demolished.

The accident occurred while Stan Leonard of Dimmitt was spraying a cotton field approximately 10 miles northwest of Hart. Leonard had finished a spray run and was banking and turning his plane when the engine quit, a company spokesman said. The pilot leveled the plane out and nosed it into layout land beyond the cotton field.

"We believe the damage to the plane will be listed as total," the American Dusting Co. spokesman said.

## Correction

In last week's report on the Democratic primary runoff results, the News listed Mrs. Frances Farenthold's vote total in Castro County as 802 in the governor's race.

THIS WAS an error. Mrs. Farenthold actually received only 439 votes in Castro County, compared with Dolph Briscoe's 1,104.

## Editorial

### Hey--no bzzzz!

Last Thursday morning the City of Dimmitt sent a DC-3 over the city and surrounding area, spraying a Malathion solution to control the pesky—and dangerous—mosquito population here. If the weather clears, the city plans to use the big spray plane again next Wednesday or Thursday.

THE RESULT already has been dramatic.

"We've received quite a few compliments since the spraying," City Manager E. B. Noble commented this week. "We'd like to add ours."

From all of us who are now enjoying our porches and patios unmolested, and watching the night baseball games without getting that drained-out feeling, we offer these two words to our city commissioners: Thanks, fellows!

'THE PUSHER IS THE KID NEXT DOOR' ... Youths are using pills, hair spray, solvents

## Why do they use drugs?

"Dimmitt is known in other towns of this area as a notorious town for drugs. It's generally considered by the kids that there are a lot of drugs here, that they're readily available here, and that there are a lot of users here," the area's chief drug-abuse treatment worker told Dimmitt's Rotarians Friday.

ROY NICHOLS of the Central Plains Comprehensive Community Mental Health-Mental Retardation Center in Plainview made the statement while revealing the results of the state's only rural drug-abuse survey.

Nichols directs the drug abuse and juvenile delinquency treatment programs at the center, which serves Castro and other counties of the area.

"Hereford has the widest reputation in the area on drugs, and Dimmitt is about second," Nichols told the Rotary Club.

SPEAKING matter-of-factly, Nichols dropped a few surprises as he outlined the information gleaned by the center in a drug-usage survey that polled 1,300 youths in 13 school districts of this area, including Dimmitt.

Nichols explained that the survey didn't concentrate on marijuana, but on "hard" drugs—amphetamines, diet pills, heroin etc.—and such accessible but dangerous poisons as hair spray, solvents, glue and cough syrups.

TWENTY-TWO percent of the youths in this area admitted having experimented with such drugs, Nichols said. But he added, "This is a very, very conservative figure—I feel it's closer to 50 percent. Many told us later they wouldn't admit it because they were afraid they would be busted if they did."

Nichols said the survey also revealed these facts: "Tenth graders use the most drugs. But the 12th grade has the most students who have experimented with drugs."

"MALES HAVE a greater percentage of drug usage than females.

"Students with brothers and sisters use more drugs than the oldest or only children in a family.

"Anglos have a higher percentage of drug use than Blacks or Mexican-Americans.

"College graduates had the highest percentage of drug use by educational level.

"THE occupation, profession or status of parents had no significance in youths' drug-use patterns.

"Those whose parents use both tobacco and alcohol were a higher percentage of drug users.

"Those living with one parent and one step-parent had a higher percentage of use.

"THE WEALTH of the area is a significant factor. The greatest percentage of drug use was among those who own their own cars and receive an allowance of \$5 to \$10 a week.

"Those who take part in no school activities, those who never attend religious activities, those who have a high absentee rate from schools—they're also in the higher percentage of users.

"The pushers who supply drugs are their friends. It's usually the kid next door.

"Straight-A students are the least likely to experiment with drugs, and low-grade students are the most likely.

"Most reported using drugs as an escape from pressure—from responsibility, family and personal problems."

NICHOLS SAID his experience in counseling young drug abusers has convinced him they want discipline. But instead of providing this discipline, he said, many parents are trying to "buy off" their children with material goods.

"For many kids in this area, by the time they're 16 or 17, they've already lived—they've got their car, stereo, tape deck, all the goodies," Nichols said. "Their parents didn't have any of these goodies, and had

to work at one or two jobs to make ends meet. But what they got were responsibility and caring. Now, though, they want to make sure their kids don't have to do without, so they're buying the kids off."

YOUTHS often interpret a lack of discipline as parental indifference, Nichols said.

"Kids can cope with nearly anything except indifference by their parents," he commented. "One girl who was into drugs and the whole scene told about coming in once at 3 a.m. and being caught by her mother. But her mother only said, 'What are you doing coming in at 3? Go to bed.' There was no chewing out, no grounding, no restrictions. The girl interpreted it as indifference, and resented it."

Most boys who are drug users said they plan to enter the armed forces after graduating, Nichols said, "many with the admitted purpose of kicking the habit. Again, there's the desire for discipline."

YOUNG DRUG users in the area move about freely, he noted.

"Of the 1,300 polled, 300 admitted drug use, but only nine said they had been arrested," he reported. "And many kids who are into drugs tell us their parents have no idea at all that they're users."

Rusts move to Florida; friends give farewell party

Jak and Brenda Rust are leaving Dimmitt for West Palm Beach, Fla. Jack will be with a radio station there. Brenda will go July 4 after she trains help. Seems the KDHN station has sold or changed hands. Roger Anderson and Steve will still be there as will Mr. Garza.

BETH CLEVELAND went to Ranger to attend a statewide basketball camp. The girls had many workouts. The 72 girls voted Beth the top camper 2 ward. "Nice going Beth." Beth is the daughter of Kenneth and Libby Cleveland.

TOM TALLY from West Virginia, recently a Marine from Vietnam and Yuma, Ariz. was a weekend guest of former Marine Graham Sheffy.

Rita Womack was the recipient of a bridal shower Saturday afternoon in the home of Cornelia Annen. Several ladies went from here. The big rain cloud scared me off. Merle Smiley and Joannis Robertson helped with the party.

Mr. and Mrs. J. J. Head and "Geraldine" the pet racoon from Denver, Colo., were guests of Aural Davis last week. Aural says the racoon makes a very good pet. His eyes looked like the mascara spread out.

Another day Aural and Suzie Ellis went to Lubbock to see the Phyllis Diller show. They say she is better in person than on TV.

McCunnie and Frances Washington left here this week for Madisonville, that is way East Texas, to attend the funerals of two relatives, one killed in a car wreck the other from a stroke.

MRS. Norman Cleavinger has been with her daughter Norma Dawson of Earth who with her son were injured, not seriously, when a pickup truck pulled in front of her car at Lubbock. The little boy was unconscious for two hours. Seems to be okay now.

Gladys Cleavinger was hostess at a bridge party Thursday. She served a good pie and salad to Ceal Carlile, who was high score winner, Opal Bearden Myrtle Sheffy, Josie Bradford Ruth Wosten, Cletha George Retta Cluck and Maggie Boren.

Mr. and Mrs. Klemm from McKinney were here last week to visit their son Mr. and Mrs. Jerry Klemm. All of them left for a camping trip to Colorado, then back northeast to Indiana to visit other kin.

MRS. WOODY Jones and daughter from Hereford went to Louisiana this week. They were taking the children to an eye specialist, and a visiting trip too.

Glen and Koma Ratcliff are in Corpus Christi for a week's visit with their son Jim and Gayle. Most of the teachers have gone to their other homes for the summer.

The Rayphard Smithsons and brother, the Howard Smithsons, joined a brother Tooter and family of Garland down at Proctor Lake, near Comanche, for a fishing and water skiing vacation. Young Clinton came home with them for a visit.

Jim and Liz Golding and daughter Ann went to Amarillo Saturday to attend the 88th birthday party for his mother. Then on they go to Houston to visit their son Ben and as usual they will trip around East Texas.

MARGARET Wilson has been the busy lady here lately. I was told that she made the beautiful flower arrangements for Raymond's niece's shower at Bovina, then she also did the flowers for Judy White Walker's shower Sunday afternoon in the Stanley Schaeffer home.

Keri Kirkpatrick made the Dear's honor roll at WTSU last season. She is now in school at Arlington living with her mother Jo this summer.

Dr. and Mrs. John Meason were recent guests of the Stanley Schaeffer's. The Measons spent a year in Turkey (Asia) where John was with the nuclear physics thing. Mrs. Meason is Geneva's sister.

Jackie Schaeffer, Gainelle Minnick and Debbie Matthews and Loranelle Hamilton are driving to and from summer school at WTSU. And last week Geneva Schaeffer and Sue Phillips taught a homemaking short course at La Plata in Hereford. Our granddaughter Janie was in their class.

Mr. and Mrs. Carl Henderson have moved to Colorado Springs where he will be in the construction business with his brothers Stanley, Roy and Ronald. And Mrs. Bill Henderson and her parents, the Sargeants of Plainview, went to Clarksville in East Texas to visit her grandfather.

MRS. Troy Stafford and children from Colorado have been here for a visit with her parents Woodrow and Alice Killingsworth. Alice went home with Kay for a week's visit.

Mr. Ramey's to see the bees, then by Charles Armstrong's to see the rabbits, then to Myrtle Sheffys to see all the flowers. After VBS, the class went to Ann Hays for a picnic. This was a 4-year-old Baptist group.

MRS. REESE Dawson and Teresa visited in the home of her sister, Ann Hays and family Saturday.

Mr. and Mrs. Donnie Lilley and Audra of Sunnyside visited in the home of David Hays Sunday.

Mrs. Don Moke and her niece, Donna Sargent went to Gatesville to attend the wedding of their cousin. The kids stayed with their grandparents.

Mary Flynt is in Plains Memorial Hospital recuperating from a bronchial infection.

Mr. and Mrs. Carl Henderson have moved to Colorado Springs where he will be in the construction business with his brothers Stanley, Roy and Ronald.

Mr. and Mrs. Bill Henderson and her parents, the Sargeants of Plainview, went to Clarksville in East Texas to visit her grandfather.

MRS. Troy Stafford and children from Colorado have been here for a visit with her parents Woodrow and Alice Killingsworth. Alice went home with Kay for a week's visit.

Allene Sultemeir and daughter Lois Ann of Corona, N.M. are here for a visit with Allene's brother George and Pat Bagley and Kelly.

Every young parent has been with Vacation Bible School or the Little League Ball players. We, the Sheffys, go see the Tigers (Minor League) because a grandson plays, but the little Astro's and Braves and Cards are good. Very much improvement in a month's time. The little boys look good in their new shirts and caps. The big boys are suited out.

Virginia and Jack Newson of Roswell are here with their mother Nera Mae Newson who has been in Plains Memorial Hospital with pneumonia. She is much better now.

DON AND Shirley Shrum and little one year old daughter have moved to Dimmitt in the Fred Lemme house at 621 NW Seventh Street. Dor is the new manager at the TG&Y Store. They attend church with the Methodists.

Perry's Store has a new manager too. We will get acquainted with him soon.

Mr. and Mrs. R. D. Rogers, who live near LBJ Lake, were in Dimmitt Sunday. I saw them at church. They will visit Ray and Jetti Sheffy and the J. B. McCrez and other State Highway boys. They had their camper house and are enroute to the north US and on to Canada—a sightseeing trip and he likes to fish. Mrs. Rogers paints pictures.

Mr. and Mrs. Altman of Hedley were Sunday guests of son Larry and Mary Sue Altman. Larry is the assistant minister at the Methodist Church. Oh yes. Bro. Jim Pickens was a birthday boy Sunday.

JOHN KYLE met his brother Skip way out at Needles, Calif. on the Colorado River for a campout and motorcycle tour of the interesting spots. John is living at Long Beach. I think at college there. John says the temperature at Needles one day was 111 degrees. That is hotter than that place you don't want to go. "I guess."

Mr. and Mrs. Burt Bradford attended the funeral service for a sister and the interment was at Paris, Tex. They visit Bishes mother also. She is very ill.

Guests in the Bill Clark home this week were Mr. and W. J. Burch of Vernon visiting grandchildren Tonya and Greg, and Rita Wright of Lubbock, a friend of the Clark's.

Beryl Hance is visiting in Richardson with her daughter, Linda Compton and family. Her granddaughters, Sheralyn and Keri Hodges of Panhandle drove with her to Nocona to visit the Walter Hodges and Mrs. M. A. Gilmer.

Mrs. Leon Sanders and five piano students stayed a week up in the Santa Fe National Forest near Pecos, N.M. They camped out. They report the days pleasantly cool and the nights cold. They went hiking and horseback riding and saw a lot of wildlife.

IF CHILDREN had the wisdom of old people, then old people would have the innocence of children, which wouldn't be so good.

THE MAN or woman who is too busy to take a vacation is in for a great surprise, when he, or she, dies the world will hardly miss them.

M. J. AND Frankie Reed, Don and Ann Ethington and Darliss and Dawn Goolsby went to the Tennessee Valley Authority at Muscles Shoals. This was a business meeting about fertilizer and other things pertaining to the ammonia plant out here. The ladies made sightseeing trips and all the antique shops.

Kenny Powell and Julie McDermitt were married Friday May 26 in the home of his parents Mr. and Mrs. Merton Powell. Julie is the daughter of Kenneth and Barbara McDermitt. Several friends and relatives were at the wedding and reception. Kenny is with his uncle Buck Powell at Powell Petroleum. Rev. Charles Harris of the Lee Street Baptist Church read the service. The newlyweds are living in a trailer house in the Andrews park.

BILL AND Millicent Bennett and Jackie of Lubbock were here for a weekend visit with Jimmy and Nancy Ross and other friends.

Vickie Bennett of Arlington spent two weeks with her parents Merton and Marzell Powell. Vickie's husband Joe spent the two weeks at US service camp.

Vaden and Troy Kirby and their dad A. T. Kirby and Kent Kirby went up to Guadalupe, N.M. where they are working on a road up to the house in the mountains.

Mrs. J. C. Gilbreath invites ladies interested in playing bridge to come to the Dimmitt Country Club Friday morning at 10 o'clock. She and Mrs. Al Forrester are planning a learning session with Mrs. Gholson of Hereford as teacher. I think the lessons are one dollar. You can buy your lunch at the club. Laverne Bates and Martha Jane will serve the food. Do go!

HIS FAVORITE...

Ah! Just smell that... This is his favorite... prepared just the way he likes it. He's in for a real treat. Everyone has certain foods that they prefer over others and this is his. Many people have favorite scriptures... these words can excite and satisfy the soul as certain foods satisfy the taste palates. The soul needs nourishment too. The church offers the best opportunities to satisfy your spiritual needs.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. **DAYTIME BEACON**—With its new paint job, the spheroid water tower in West Dimmitt catches so much sunlight now that it looks like a beacon in daytime. The gleaming "door-knob" tower and the reservoir next to it recently underwent a complete cleaning, treating and repainting.

Former Dimmittite Johnny Etheridge; Joe Butler of Dimmitt; and Ann Clough-Bob Pyatt of Plainview made the runaway bid for top honors in our Pro-Am last week with a staggering 17-under-par low-ball of 116. LOCAL PLAYERS Truman Touchstone and Carl Kemp's team tied for third with a low-ball of 60. And just missing out of the prize range with a 61 was the team of Bob Lindsey and Bobby Vilas of Dimmitt; Dean Kelley, KFDD-TV, Amarillo; and John Williams, Canyon. Other local players with 61 were: Charlie White, Bob Vilas and David Bechtol.

Good weather and a reputation for preferred treatment drew a record breaking field of 116 golfers. I was sorry to have to turn away three teams as the course was full to overflowing. Polly Holland, Vaudine Giles, Amy Glover and Kathy Thomas made the supreme effort of playing in the tournament and working the hospitality booth too.

A coffee was sponsored by the CCCC last Friday morning to help organize a bridge club to be held at the Club every Friday.

DIRECTING the teaching program will be Mrs. Seletta Gholson of Hereford. There will be a series of ten beginner's lessons starting promptly at 9 a.m. Friday, June 16 at \$1.00 per lesson with play until 12 noon. They will break for lunch with Laverne and Martha Bates who are now managing the Snack Bar. Play will continue from 1 until 4 p.m. Tables will be set up for those who do not wish to take the lessons at the same hours. Intermediate lessons will be given after the 10-week period necessary for the beginner's lessons.

Mrs. Gholson told last Friday's attending players that she, her husband and ten other people sat down with a children's book 15 years ago and learned bridge the hard way.

Since then she has taken lessons from such International notables as Jim Jacoby, one of the Dallas Aces, World Champions.

"I never open a four-card major, unless in desperation in the fourth position, providing you have the necessary count of course" Gholson said.

"I learn something every-time I give a lesson or play with a beginner.

"Courtesy-above-all is my motto" she continued "and members of my class will never be taught to 'play for blood' as the unfortunate expression goes."

ANYONE WISHING further information may call Virginia Gilbreath 647-3370; Genell Craig 647-3271; or Jon Nell Forrester 647-4555. Members, guests, men and teenagers are urged to come out and play bridge with us.

Organizational members present were: Josie Bradford, Virginia Gilbreath, Jamie Miller, Genell Craig, Rosalia Gilbreath, Jon Nell Forrester, Ruth Wooten, Dorothy Ott and Opal Bear-den.

The Ladies' Golf Association hosted an Invitational Scotch Foursome here Sunday with 20 teams competing in the nine-hole, selective tee shot affair.

First Low Net went to the team of Ralph and Amy Glover who posted a net 33. Two teams carded a net 34 to tie for second and third: Joe Carver-Maxine Childers; and Punk-Rosalia Gilbreath.

Low Gross honors went to the team of Bob-Bobby Vilas with a 4-over par 40. Second spot went to the team of Doc Render and Ole Mae Trimble with a 43; and Third Place was captured by the team of Polly Holland and Bill Williams with a 46.

A salad supper was enjoyed by contestants and their guests afterwards.

Don't forget our Father-Son Golf Tournament here Sunday, June 18. Our Snack Bar is open and serves as good a hamburger as you've ever eaten!

**Brockman makes Tech honor list**

Gerald J. Brockman of Nazareth attained the dean's honor list for the 1972 spring semester in the College of Engineering at Texas Tech University. HE WAS one of 485 engineering students earning the academic honor during the semester, according to Dean John R. Bradford.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average of a possible 4.0.

The College of Engineering is one of six colleges and two schools at Texas Tech, with a total spring enrollment of 19,500 students.

THERE eventually comes a time when anyone gets tired of work.

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING)

The Texas Highway Department is planning the construction of Farm to Market Highway No. 3215 from State Highway 86 west of Dimmitt, east to State Highway 194. The proposed highway project will pass along the south side of the City of Dimmitt. The proposed project contemplates the construction of a Farm to Market type two lane highway with a 24 foot paved roadway. The usual right-of-way width required will be 100 feet. The proposed location will follow the existing county road except for a short relocation of the connection with State Highway 86. Maps and other drawings showing the proposed location and geometric design, environmental studies and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Littlefield, Texas. Also, the drawings showing the proposed geometric design have been placed on file with Castro County and the City of Dimmitt. Information about the State's Relocation Assistance Program, the benefits and services for displacees and the relocation assistance office as well as information about the tentative schedules for acquisition of right of way and construction can be obtained at the Resident Engineer's Office. Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before June 30, 1972. In the event such request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing. 15-35-2tc

## Damage heavy from hailstorm

By Mrs. Florance Albracht Hail and rain showers Saturday evening, mostly south and east of town, did considerable damage to all crops with cotton really damaged and too late to replant. As much as four inches of rain fell within a couple of hours northeast of town.

MR. AND MRS. Florance Albracht attended the first mass of Father Joe Bixeman at St. Laurence's Church in Amarillo Saturday. He was ordered to serve the diocese on Friday evening by Bishop De Falco. Reception was held in the school cafeteria after the ordination for relatives and friends of Father Joe.

Mr. and Mrs. Albert Gotch and their three children of Cleveland, Ohio, are here for a week visiting their folks, the Gotches, and her sister and family, the Gene Kerns.

MR. AND MRS. Lefty Goluski of Lansing, Ill., visited over the weekend with their relatives here, the family of Mrs. Lizzie Birkenfeld. They enjoyed a drive through Palo Duro Canyon Saturday.

The Lay Franciscans had their annual visitation meeting June 6 in the home of the Bud Kerns. Father Mouras Pox of Albuquerque conducted the meeting. He offered mass in the home, with a business meeting following.

The monthly meeting of the Order of Martha was held in the home of Mrs. Helen Burt. Games and visiting and donations to the missions were the order of the afternoon.

KENT HOELTING, son of the Clyde Hoeltings, had the

misfortune of breaking his leg Monday at his home. He is in traction at Northwest Texas Hospital in Amarillo.

Joe and Elaine Sullivan spent Tuesday and Wednesday with her folks, the Florance Albrachts. On Tuesday evening they were honored with a get-together at home. Sister Dorothy, Sisters Hang and Mein and Father Pham were also honored. They all left early Thursday morning for summer jobs and studies.

FRIENDS and relatives from here attended the funeral Wednesday at Holy Name Church in Happy for Mrs. Evelyn Uselding, who died Monday after a lengthy illness. She was the former Evelyn Huseman, who grew up in our community.

Anna Beth Hoelting spent a couple of days with her folks the Greg Hoeltings. She is employed at the pretty new St. Mary's Hospital in Lubbock.

After spending a couple of weeks here with her mother, Mrs. Ida Birkenfeld and family, Tony and Earlene Fritz left for North Carolina Friday, where he will be in counseling work.

MRS Aurelia Schoenenberger and Juanita Wilhelm left Sunday for San Antonio to take part in the state Democratic convention to be held there Tuesday.

Ed Hoelting is home and doing okay after his two-week stay in Plains Memorial Hospital for tests and medication.

Mrs. Agnes Brockman spent Tuesday night in Amarillo with the Fred Dillard. On her way home Wednesday she attended the funeral in Happy for Mrs. Uselding.

VICKIE WILHELM and Monica Anderle left Tuesday morning for Girls State in Austin.

Mrs. Marvin Hoelting and son of Denver, Colo., are here visiting relatives and friends.

## Dodgers down two more foes to hike season's record to 7-0

The undefeated Dodgers mowed down two more opponents last week to hike their season's record to 7-0 in the Dimmitt Little League.

**THE DODGERS** topped the Tigers 9-2 Monday night and whipped the Yankees 7-2 Thursday night to keep their win string unbroken.

Leading off the week's action Monday, the Cards put together a 13-2 win over the Braves, while the Yankees overcame a 2-0 deficit and scored four runs in the last three innings to eke out a 4-3 victory over the Astros.

In Monday's nightcap, the Dodgers built a 4-0 lead in the first three innings and coasted to a 9-2 decision over the Tigers.

**THURSDAY** at 6, the Dodgers did an encore as they built a 7-0 lead in the first five innings before letting the Yankees get on the board with two runs in the final frame. The victory hiked the Dodgers' record to 7-0 and left the Yanks with a 2-5 mark going into this week's play.

Thursday night's other early game was closer than the score indicated. Although the Braves downed the Astros 10-5, they had to come up with five runs in the final inning to break a tie game and capture the victory. The game's outcome left both teams with 3-4 records.

The nightcap saw the Cardinals build an 8-0 lead in the first four innings and take a 10-4 win over the Tigers. The game upped the Cards' record to 4-3 and dropped the Tigers to a 1-6 mark.

### Minor League

## Braves extend unbeaten string

The Braves added another victory to their undefeated record and the Tigers picked up two wins to highlight last week's Minor League action.

**LEADING OFF** the week's schedule Tuesday night, the Tigers came from behind in the final two innings to post a 12-8 win over the Dodgers. In the nightcap, the Braves mounted a wholesale scoring attack to overpower the Yankees, 18-4.

Friday night's opener saw the Cardinals flog the Dodgers, 19-6. In the second game, the Tigers handed the Astros their second loss of the season in a 12-10 game.

Going into this week's play, the Braves led the league with a 5-0 mark, followed by the Cards with 3-2, the Tigers with 3-3, the Astros with 2-2-1, the Dodgers with 2-4 and the Yankees with 0-4-1.

## Giants, Tigers win two

The Giants and Tigers won two games apiece last week to pace Junior Babe Ruth League action.

**THE GIANTS** turned back the Indians 17-7 Monday night and downed the Pirates 7-4 Friday night to get on the winning track and finish the week with a 2-3 record.

The Tigers hiked their season record to 4-1 with a 10-4 victory over the Pirates Tuesday night and a 16-4 encore over the Astros Thursday night.

In the Giants-Indians game Monday the Giants built an 8-0 lead in the first two innings, then coasted to their 17-7 win. Richard Ewing pitched for the Giants while Robert Lopez hurled for the Indians.

**TUESDAY** night's action saw the Tigers break a 2-2 deadlock with four runs in the third inning to pave the way to their 10-4 victory over the Pirates. Tiger pitcher Jim Birdwell fanned seven while walking only three. Two moundsmen saw service for the Pirates, with Young fanning four while walking only two and Traylor striking out six and giving up only one walk.

Nazareth's Astros tied up the Dimmitt Tigers 3-3 in the top half of the second Thursday night but that's as close as they could come as the Tigers struck for six runs in the bottom half of the frame and went on to score seven more in the remaining innings to win, 16-4.

Saenz and Sanders pitched three innings each for the Tigers, while Alvarez and Hoelting went three innings apiece on the mound for the Astros. The game gave the Tigers a 4-1 record going into this week's play and dropped the Astros to a 2-2 mark.

**THE** week's league play ended with two games Friday night. In the leadoff bout, the Indians played catch-up through seven gruelling innings to eke out a 9-8 victory over the Rangers.

Trailing 1-0, the Indians pushed across three runs in the fourth to take the lead, but the Rangers came back with three in the bottom half of the inning to stay ahead by one run. Then the Rangers added four in the fifth inning while holding the Tribe away from the plate and seemed headed for victory with an 8-3 lead.

But the Indians bounced back with two runs in the sixth and four in the seventh while shutting out the Rangers in the final two frames to snatch the 9-8 victory. The game left the Indians with a 2-3 mark and the Rangers with a 3-2 record.

**BRAD GLENN** went the distance for the Indians and was

credited with the win. Lawson hurled six innings and Tim Hucks two for the Rangers.

In Friday's nightcap, the Giants and Pirates fought to a scoreless deadlock through the first three innings before the Giants pushed two runs across the plate and held on to win, 7-4. The Pirates tied it up at 4-4 in the bottom of the sixth,

but the Giants got three big runs in the top of the seventh, then held the hosts at bay in the bottom half. Travis Hampton was the winning pitcher. For the Pirates, W. Traylor hurled three innings and T. Young four.

The Giants stood at 2-3 and the Pirates at 1-3 going into this week's play.

V.F.W. NEWS

By GERALD BROADSTREET Greetings, Comrades.

Guess what? At our last regular meeting we decided that we would have another fish fry and dance.

THE EVENT will be Saturday, July 1, and we will serve fish from 6 to 8 o'clock. The dancing will start at 9 and go till 1 o'clock.

Music will be provided by Blackie Foster and the Blackhaws. They have played for us before and they play the kind of good ole country and western music that everyone can dance to.

Admission price for this event will be the same as before, \$3 per person, and we will be serving the same fresh catfish from the C&W Fish Farm. You'd better mark this on your calendar because you sure don't want to miss it.

AT OUR last regular meeting Quartermaster Garnett Holland gave the monthly financial report. Also, we voted that the hiring of help for our special events be the responsibility of the custodian.

Since our next regular monthly meeting will fall on July 3, we voted to postpone the meeting one week. It will be July 10 at 8:30 p.m.

Our next District 13 convention will be held here at our post home. We decided at the meeting that the date for this convention will be the weekend of Aug. 12 and 13.

HERE IS a special note for you ladies in the Ladies Auxiliary. At your meeting it was decided that there would be a salad supper following each regular meeting. So don't forget to bring your salad or covered dish when you come to the meeting July 10, and I'll try to remember to forget to eat supper. Okay?

Comrades, our state VFW convention in Dallas is just a few days away. If you've made plans to attend, please let me know. The date for this convention is June 22 through 25 and the headquarters will be at the Statler Hilton Hotel.

For the Ladies Auxiliary, headquarters will be at the Baker Hotel. By the way, Comrades, at the conclusion of this convention our newly elected officers for the coming year will take charge of their offices. This will be effective for all post, district and state officers.

LAST Wednesday night we had a big crowd for our game night activities. It sure does make me feel good to have so many come out and be with us. I want to say "Thank You" to all those who participate. We do appreciate your participation, and I hope we'll see you next Wednesday at 8:30.

Conservation.....

one solution to pollution SOIL CONSERVATION SERVICE Conservation Alfalfa -- a multi-purpose crop

By LARRY O. STARNES Alfalfa has been a good cash crop for this area for the past several years. This is probably the main reason for the large acreage of this crop in this county.

BESIDES being a good source of income there are several more benefits which alfalfa producers receive from their crop.

Alfalfa is an excellent legume which helps to replenish the soils nitrogen supply. This sod type crop has roots which penetrate deep into the soil to loosen plow-pans and other compacted areas of soil.

These roots also improve the ability of the soil to absorb water.

Alfalfa is well adapted to moderately sloping land and provides excellent soil erosion protection with its extensive root system and heavy top growth.

When grown on moderately sloping soils it will serve to hold the soil in place while irrigation water and rainfall moves across the surface at rates which would normally be erosive to this soil.

This allows the producer to apply irrigation water at rates rapid enough to provide uniform irrigation of his field without the erosion hazard.

A GOOD time to plant alfalfa

HP Foundation receives grant for water study

Area concern for preservation and protection of the underground water in the Ogallala formation can be noted in a recent grant to the High Plains Research Foundation by High Plains Underground Water Conservation District No. 1.

THE GRANT was awarded to the foundation to continue its research for reasonable alternatives for preplant irrigation.

Foundation scientists indicate that some of the water used in preplant irrigations is lost before it can be used by crops.

Results from a study in 1971 indicate that preplant irrigations may be limited and, in some cases, eliminated in favor of irrigation after planting to provide moisture for seed germination.

Foundation reports on the 1971 irrigation method study show that in two plots, the irrigation method beginning after planting yielded 6,861 pounds of grain sorghum while using 40.4 inches of water.

The preplant irrigation method plot produced 6,853 pounds of grain sorghum with 50.6 inches of water.

District directors, in awarding the \$1,000 grant, noted that all avenues of research must be explored that could lead to better water conservation practices and the prolonging of the area's water supply.

Jones. A year later, the company moved into their  
newly remodeled offices at 113 East Bedford.

The insurance agency was formed as a partner-  
ship between Bill Behrends and Ms. Wanda Derrick.

Both have prior experience in the insurance busi-  
ness. Wanda worked in the insurance dept. of a bank,  
handled insurance for Western Ammonia, and spent  
three years with another insurance agency. Prior to  
moving back to Dimmitt, Behrends was an adjuster  
for eight years with Employer's Casualty Co. in Am-  
arillo.

Behrends Insurance writes all kinds of insurance  
and bonds. "We are a general agency writing life,  
hospitalization, casualty, fire and bonds," Wanda  
said. "We specialize in farm, personal lines, and com-  
mercial policies."

The agency is open Monday through Friday from  
8 a.m. until 5:30 p.m. and until noon on Saturday.

The agency actively supports civic affairs in Dim-  
mitt. Behrends is chairman of the baseball commis-  
sion this year.

For all of your insurance needs, personal or com-  
mercial, check with Behrends Insurance Co. in Dim-  
mitt.

MRS. TERRELL DEAN OTT  
... The former Cynthia Johanna Wrinkle

## Student newlyweds to live in Denton

Wedding vows were exchanged June 3 by Cynthia Johanna Wrinkle of Muleshoe and Terrell Dean Ott of Earth.

PARENTS OF the couple are Mr. and Mrs. Roy N. Wrinkle of Muleshoe and Mr. and Mrs. Irvin Ott of Earth.

Rev. Charles P. Dunman, pastor of the United Methodist Church of Earth, read the double ring ceremony in the First Baptist Church of Muleshoe.

Given in marriage by her father, the bride wore a silk organza gown featuring an empire bodice covered with Venise lace and appliqued with scattered lace daisies. Her triple layered silk illusion veil was attached to a Juliet cap of lace encrusted with tiny seed pearls. She carried a cascade of daisies and leather with pearls and accents of blue. An antique handkerchief of her mother and grandmother, which they carried at their weddings, was also carried in the bouquet. In the bridal tradition, she wore something new, her wedding dress; something blue, her garter; a penny minted in her birth year; and something borrowed, a gold cross from Mrs. J. D. Small.

HONOR attendants were the maid of honor, Sharon Wrinkle, sister of the bride, and brides-matron, Mrs. Jimmy Evans of Wichita Falls. Teresa Ott was flower girl. They wore formal-length dresses of frost blue miramist featuring empire bodices, bishop sleeves, and square necks with double rows of Venise beading laced with blue satin ribbon down the fronts and bordering the skirts. They carried a handful of daisies and wore daisies in their hair.

Candlelighter was Gary Wrinkle, brother of the bride. Ring bearer was Scotty Schuster. Eddie Alair of Earth was

best man, and Coy Davis of Pecos was groomsman. Ushers were Jimmy Evans of Wichita Falls, Tony Keith and Joe Rivas of Earth, and Randy Morgan of Dimmitt.

Musical selections were presented by Cassie Precure and Linda Middlebrooks.

A RECEPTION was held in fellowship hall honoring the couple. LeeAnn Yerby registered guests. Serving at the reception were Diana Godwin of Tulia and Cathy Mardis of Muleshoe. Members of the house-party were Mrs. L. B. Hall, Mrs. J. D. Small, Mrs. Vic Benedict, Mrs. Fred Marois and Mrs. Ben Gramling.

The table was covered with a white dotted swiss cloth with insets of white lace. Three revolving layers formed the base of the Lady Windemere wedding cake decorated with pastel blue daisies.

For their wedding trip to Denton, the bride wore a white sleeveless knit dress with white accessories and a corsage of daisies from her bouquet.

A GRADUATE of Muleshoe High School, she attended WTSU and plans to continue her education at North Texas State University.

The groom graduated from Springlake-Earth High School and will attend North Texas State.

They will reside at Mobile Homes Estates, Rt. 1, Space 5 in Denton.

**On the Go**  
Mr. and Mrs. Roy Hart of Bethany, Okla. and Mrs. J. L. Kay of Moreland Okla. visited her daughter and son-in-law Marie and Curtis Tate.

## Youths, sponsors have grand time at 4-H Roundup at College Station

By IRENE KEATING  
Last week was 4-H Roundup at College Station. We had a very good time—the 4-H'ers will be glad to tell you about it anytime. Mona Acker, Donna, Agnes and I went together and Michelle Mackie from Hansford County went with us.

WE LEFT here Tuesday morning early and arrived at College Station in time to register. Then we had a program followed by dancing.

Wednesday the girls gave their Civil Defense demonstration. There were 26 teams in competition. We were not in the top three but our girls learned a lot that will help them for next year. Wednesday evening there was an awards program and we also got to see eight of the Share-the-Fun groups.

We left early Thursday morning and stopped by the zoo in Abilene and enjoyed it. I was very proud of our county group; they were excellent representatives for us.

THIS WEEK has been busy. Monday and Tuesday Charles I attended a district meeting

in Canyon. Wednesday was our Tri-county 4-H clothing training meeting.

THIS IS still a busy time for yard work. Flowers are pretty.

That reminds me, I wanted to let you know how pretty all the flowers were along the road on the way to College Station. We really enjoyed that "natural beauty." There were pretty tall red standing cypress, several kinds of lavender and yellow flowers as well as some dainty white flowers. We all enjoyed seeing the trees and lush grass. They've had some good rains down that way.

I hope all of you are enjoying your vacations.

Miss Welch

## Vows set

Mr. and Mrs. James Welch announce the engagement of their daughter, Sharon, to James Wesley Patton, son of Mr. and Mrs. Jack Patton.

THE WEDDING will be August 5.

Miss Welch is a 1971 graduate of Dimmitt High School and attended Michigan State University. Patton is currently employed at Missouri Beef Packers in Friona. They will be attending North Texas State this fall.

## Alice Oldham is shower honoree

Alice Oldham, bride-elect of Jay Vernon Garrison of Houston, was honored with a miscellaneous shower in the home of Mrs. Lawrence Green Tuesday evening.

The co-hostesses were Mrs. William Bellinghausen, Mrs. W. H. Fuller and Mrs. Paul Acker.

THE SERVING table was decorated with an orange floral arrangement and amber crystal. Mrs. Fuller prepared Cannolis, an Italian pastry. Fresh fruit and spice tea were also served.

The couple plans to wed in the bride-elect's home on June 30.

Jane Ann Mooney

Sue Janine Mooney

## Miss Thornton on dean's list

Susan Thornton, daughter of Mr. and Mrs. William E. Thornton of Dimmitt was listed on the Dean's List during the Spring semester of McMurry College announced Dr. C. W. Tarter, dean of the college.

"THE DEAN'S List is the academic honor roll made up each semester of those students who, while carrying a minimum of 12 hours, achieve a grade point average of 3.5 or above," said Dr. Tarter. He added, "The total number cannot exceed 10 percent of each class."

## Double wedding is scheduled Aug. 22

Mr. and Mrs. Bob D. Mooney announce the engagement and approaching marriage of their daughters, Jane Ann to Earl D. Davis Jr., and Sue Janine to Rick Bell.

LET'S HOPE that the youngsters will be careful in their swimming this summer and in the conservation of their lives.

# 45-minute hail pounds area

By MYRT LOMAN  
Hart's rainfall for 1972 climbed to 4.65 inches, with 1.97 falling Saturday along with a lot of damaging hail from marble size to golfball and baseball size. Also, hail looked like icicles was reported.

In the city of Hart, roofs were damaged, a window broken at the Methodist Church, windshields were broken, cars were dented, gardens destroyed, and fruit and leaves were blown from trees.

At the farm homes of Paul Brooks, Perry Barham and a trailer home on the J. D. Murray farm, there were several broken windows as well as crop damage.

It hailed in the city for 45 minutes, but north of town a farmer reported steady hail for at least an hour.

Mrs. Max Stephens was admitted to a Lubbock hospital for major surgery Monday morning. Mrs. Stephens is a teacher in the elementary grades of Hart school.

★  
**PAM SHIVE**, bride-elect of Ralph Donald Hill, was feted with a miscellaneous shower in the home of Mrs. W. T. King Saturday afternoon.

Mrs. King greeted the guests and her daughter, Terri, presided at the guest register.

The serving table was covered with a white cloth edged with lace, centered with a blue floral arrangement, blue candles and blue ribbon streamers with names "Pam and Ralph."

Mrs. Billy Frank Walker of Plainview presided at the serving table.

The hostess gifts were sets of stainless steel cookware, dishes and flatware, an iron, ironing board, cutlery set, a gold tray and the blue floral arrangement.

Special guests were Mrs. Ruth Shive of Hart, mother of the honoree; Hill's mother, Mrs. F. D. Hill of Lubbock; and his grandmother, Mrs. Maude Hill of Hereford.

Assisting Mrs. King with hostess duties were Mrs. A. C. Houston, Glyn Reed, Billy Frank Walker, Jack George, Paul Brooks, Vernon Mapp, Warren Lemons, Wister Clevenger, Dav-

id Nelson, L. C. McLain, Dwight Miller, Joe Ed Carson, Cleve McLain, Thomas Brooks, Ed Bennett, Jerry Kittrell, Bob Gallagher, George Bennett, Newlon Rowland, Perry Barham, Bill Hill, Kenneth Covington and Lester Flippo.

FATHERS DAY JUNE 18

**Cobb's**  
THE PLACE TO GO!

**Dyer-Davis** vows recited Thursday

The home of the bride was the scene of the wedding of Miss Cynthia Marie Dyer and Lonny Davis last Thursday evening.

Rev. C. T. Cunningham pastor of the First Baptist Church officiated at the double-ring vows.

PARENTS of the couple are Mr. and Mrs. Jack Dyer of Hart, Lloyd Davis of Midland and Mrs. Gordon Davis of Houston.

Given in marriage by her father the bride wore a floor-length gown of Spanish lace over bridal taffeta, with a high beaded yoke and long tapered sleeves. The skirt was softly shirred and the hemline was encircled in a flounce of scalloped lace. Her veil was ivory laced-peguena. She carried a bouquet of white carnations and yellow roses.

Providing a decorative setting for the ceremony were yellow candles and baskets of white roses and greenery.

KATHY CRAWFORD, the bride's only attendant wore a floor-length gown of dotted swiss over lime green with white daisies at the neck and waistline. She carried a bouquet of yellow carnations and yellow roses.

Ricky Farris served as best man.

The reception was held in the home, with Mrs. Ricky Farris of Hart and Debbie Hoffman of Lubbock serving cake and punch from a table that was centered with yellow candles, greenery and appointments of milk glass and silver.

The newlyweds are at home on South Second Street after a wedding trip to El Paso and Juarez. For traveling, the bride wore a brown and white dress with white accessories and a yellow rose corsage from the bridal bouquet.

The bride is a 1972 graduate of Hart High School.

The groom, a 1971 graduate of Hart High School, is presently employed at Hill Feed Lot in Hart.

Out-of-town guests were Mrs. W. C. Hoffman and Debbie, Mr. and Mrs. William Hoffman, Shawn and Tracy of Lubbock, and Mr. and Mrs. W. B. Dyer of Cotton Center.

# Scouts receive honors, earn ranks at Camp Post

One Boy Scout from Dimmitt attained Star rank and two others were tapped for the Order of the Arrow last week at Camp Post.

MARC HOOD, son of Mr. and Mrs. Don Hood, completed his requirements for Star rank, the third highest rank in scouting. He earned merit badges in reptiles, conservation, natural resources, rowing, canoeing and swimming, and also completed the difficult one-mile swim.

Tommy Cleavinger and George Copeland of Dimmitt Troop 266 were tapped out for the Order of the Arrow during the final campfire Friday night. Later this summer they will be initiated into the order, which recognizes a Scout's camping abilities, citizenship and leadership in the troop and community.

Cleavinger is the son of Mr. and Mrs. Jim Cleavinger, and Copeland is the son of Mrs. Carolyn Copeland.

TO BE eligible for membership in the Order of the Arrow, a Scout must have attained at least First Class rank, and must have been selected as an "honor camper" by fellow members of his troop, in addition to proving his citizenship and leadership abilities. Cleavinger and Copeland both were elected "honor campers" of the local troop in secret balloting before last week's campout.

Three other Dimmitt Scouts earned merit badges during the week-long campout. Jimmy Cleavinger, a Second Class Scout, earned badges in canoeing, rowing and swimming, and also completed the mile swim. He is the son of Mr. and Mrs. Jim Cleavinger.

CHUCK PEVEHOUSE, son of Mr. and Mrs. Nathan Pevehouse, received merit badges in canoeing and swimming, plus completing the mile swim. Billy Stephenson completed his merit badge requirements in rowing, canoeing and swimming and also earned a National Rifle Association pro-marksman patch and certificate with a .22 caliber rifle on the camp's NRA-approved range. He is the son of Mr. and Mrs. Bill Stephenson.

Dimmitt's Second Class Scouts all worked in Rainbow Trail events at the camp, also, to complete requirements toward First Class rank.

THE BOYS and their adult leader, Scoutmaster Bill Stephenson, set up camp at the Half Circle A campsite. Bill Behrens and Nathan Pevehouse provided transportation to the camp. Assistant Scoutmaster Jim Cleavinger joined the youths Friday and helped bring them home.

Dimmitt Scout Troop 266 is sponsored by the Rotary Club.

"We've promised all the boys who make Second Class rank or above this summer that they'll get to go to Camp Tres Ritas sometime this summer," Stephenson said. This camp in New Mexico is owned by the South Plains Boy Scout Council, as are Camp Post and Camp Haynes. Funds contributed through local scout drives go to maintain and improve the three camps.

MORE THAN 240 Scouts, leaders and camp officials attended Camp Post last week, Stephenson said, and another camp is underway there this week.

To keep up their camping program, the local Scouts could use more equipment, Stephenson said.

"If anyone has any tents, cots, camping equipment or old Scout uniforms which they no longer use, our troop could really use them," the Scoutmaster said.

## Phi Beta Kappa elects Froehner

Robert Froehner of Dimmitt has been elected to Phi Beta Kappa scholastic fraternity at the University of Texas at Austin.

FROEHNER, a senior pre-medical student, has maintained a three-year grade point average of 3.92, with a perfect 4.0 average for five of his six semesters at UT.

Phi Beta Kappa is the nation's top scholastic fraternity for students in arts and sciences. Membership is lifetime, and is restricted to the top 2 to 5 percent scholastically in the A&S disciplines. A candidate usually isn't elected to membership until he is in his fourth academic year, although Froehner's election came at the end of his third year.

Froehner is the son of Mr. and Mrs. Nolan Froehner of Dimmitt. He was valedictorian of Dimmitt High School's Class of 1969.

## Train strikes pickup Tuesday

A Fort Worth & Denver Railroad train demolished a pickup at a dirt-road crossing three miles southeast of Dimmitt Tuesday afternoon, but the pickup driver escaped serious injury.

LACY ARMSTRONG, 59, of Lubbock was treated and released at Plains Memorial Hospital after "riding out" the accident. He was crossing the FW&D track a mile east of the Western Ammonia plant when the utility locomotive collided with his 1969 Chevrolet pickup and slammed it off the railroad bed. The mishap occurred shortly after 5 p.m.

Highway patrolmen investigating the accident said Armstrong evidently received only minor injuries.

## Letter to the Editor

### Trash-burning odor on Sunday offends reader

Dear Editor:

Six mornings out of a week my husband and I leave for work at 7:15 a.m. and I do not return until 5 p.m. so what goes on in our neighborhood we do not know. Comes Sunday morning when we can rest and relax for an extra hour or so before we go to church, and what do we awaken to? The horrible odor of someone burning trash outside our door.

We live next to the alley and the trash barrel is directly in front of our front door. This is a very unpleasant thing to have to put up with Sunday after Sunday—the smoke of smoldering trash all day.

If the trash must be burned, I ask: Why on Sunday morning, when there are six other days? Do people not have any consideration for other people? Is there some kind of city ordinance on this? We never burn trash because we all live too close together in this area and do not want to disturb other people.

A Reader and Fan of Dimmitt (Name withheld by request) (Editor's Note: City Manager E. B. Noble tells us there's no city ordinance against burn-trash in residential areas. However, he said, "I expect we'll have to pass one shortly if this is becoming a problem to people." He suggests you meet with the city commission Monday night at 8 in city hall and request the ordinance. Until then, all you can do is put up with it, or try to talk your neighbor into showing you the same consideration you've been showing him.)

## The view from your library

By MARY EDNA HENDRIX

The summer Reading Program has started and we are happy about the enthusiasm the children have shown in this program so far.

THE THEME this year is "Step Up to Better Reading." The Texas State Library sponsors this reading program every year and used the spiral stairway at the Rosenberg Library for the theme. "Climb a little this summer." I saw this stairway in the Rosenberg Library last spring when I attended the Texas Library Conference at Galveston.

We had 138 children to sign up the first week, and there were other activities that the children were involved in—such as Vacation Bible School and the Little League baseball games. I am sure we will have many more sign up this week.

WE NEED more books, and there are three ways these may be made available—donate a good book that you have in your home, donate money to buy a new book, or if you have an overdue library book in your home, please bring it back to the library, so we will have enough books on the shelves for our summer readers!

We are happy to have Lupe Quinonez working with us again this summer. Lupe worked six weeks last summer through the Summer Neighbor Youth Corporation Program. Bill Stephenson is the NYC supervisor, and we are glad to work with them on this program. We have had four girls work in the library with the NYC: Sylvia and Irma Calzado, Irma Salinas and Lupe Quinonez.

Interesting people in the library: Allen Reynolds, the new pastor at the Northside Baptist Church... Johnny Tan, who came in to look at our books on history... Robert Popejoy, who ordered some strange books through the inter-library loan from Amarillo... Betty Renfro, who was in one day when I was out to lunch... Several new families from Nazareth.

## Four from here at Girls State

Four Castro County girls are attending Bluebonnet Girls State in Seguin, which started Wednesday and will end June 23. They are Karen Sims and Jan Giles of Dimmitt and Monica Anderle and Vickie Wilhelm of Nazareth.

THERE ARE 513 girls expected for this session, the highest enrollment in the history of the program. There will also be two girls from Mexico, who are sent by the American Legion Auxiliary of that country.

Purpose of the Girls State program is to show high school girls how their city, state and national governments work.

The girls will participate in all aspects of government, and will tour the state's capitol building, library, archives, courts building, office buildings and governor's mansion. They will also hear prominent speakers from local, state and national governmental posts.

## Satellite School discussion slated

The Dimmitt Satellite School for trainable retarded children is operating under a new program now.

THE PROGRAM changes will be explained to county residents at a public meeting at 11 a.m. Monday in the First State Bank community room.

Representatives of the Amarillo State Center for Human Development, which administers the program, will be here to explain the new program being established.
