CONGRESSMAN GEORGE MAHON was the guest of honor at a reception Tuesday afternoon in the County Democratic Headquarters. Describing himself as "the biggest budget-cutter in the history of the nation," Mahon noted that during his chairmanship of the powerful House Appropriations Committee, \$72 billion has been cut from proposed federal budgets in the past 12 years. He thanked voters "for the power base you have given me in Washington . . . that lets me do the most for you," and predicted that a new Farm Bill would be the most important issue in the next session of Congress.

## UW campaign 'may take longer'

"It's going to take longer than we thought," United Way Campaign Chairman Jerry Marvin said Tuesday as the 1976 campaign reached only 11 1/2% of its goal during the second week.

**THE DRIVE**, with a goal of \$15,445.30, was scheduled to end next week. But after Tuesday's second report meeting turned up a total of only \$1,773.46 to date, Marvin said he hoped the campaign could reach the halfway mark by the third report meeting Tuesday morning.

One of the problems, campaign captains agreed, was that most people haven't yet received their pledge cards.

"Our purpose was to distribute all people's cards to the businesses where they work, thinking the employers would distribute them to their employees," Marvin said. "But it isn't working out that way. Many of the cards haven't yet been distributed to the businesses, and the businesses are not distributing the cards to their employees."

SOME of the businesses, Marvin said, are donating on behalf of their employees, and the employees have not seen their own cards.

"I doubt that a third of these cards have actually reached the people they're supposed to go to," Marvin said.

Division chairmen reported that the harvest is hindering contacts with farmers, and that some of the larger businesses in the Dimmitt area are waiting until payday to distribute their employees' pledge cards. They predicted contributions would take a jump after the first of the month.

MARVIN said he was pleased with the size of contributions that have come in so far. "I think the amounts of individual contributions so far are as good as last year," he said. "No one seems to be reducing their individual contributions."

Although it seemed certain Tuesday that the drive would have to be extended, Marvin was confident that the campaign would be successful.

"I don't think we have to worry about reaching our goal," he said. "It's just going to take longer than we thought."

## Homecoming Week underway at HHS

Homecoming Week at Hart High School will climax Friday night with the Homecoming football game between the Longhorns and the Springlake-Earth Wolverines.

**THE HOMECOMING** Queen for 1976-77 will be crowned in pre-game ceremonies starting at 7 p.m. Kickoff time for the game is 7:30.

Queen candidates are seniors Charlotte Carson, Arcelia Garza and Jana Mapp, and junior Jaque Ritter.

Other activities Friday will include a pinning ceremony and crowning of the Pep Squad King in the high school gym, beginning at 10:51 a.m.; the serving of a "victory cake" by the CVAE class during the noon hour; the Homecoming Pep Rally at 3:30 p.m. in the gym; and a public chili supper served by the Longhorns Booster Club from 5 to 7 p.m. in the school cafeteria.

**EACH DAY** this week has had a special designation. Monday was "Decoration Day," during which students decked the school halls. Tuesday was "Spook 'Em Day" with students dressed in Halloween costumes. Wednesday was "Shoot 'Em Day," during which many students carried fake guns for shootouts; and today (Thursday) is "Maroon and White Day," with students wearing the school colors. Friday will be both "Spirit Day" and "Dress-Up Day."

The annual Homecoming Bonfire was held Wednesday at 9 p.m., and included a pep rally and the crowning of the Flame King. Before the bonfire, a special "Longhorn Locomotive" drove through the town.

Flame King candidates were Jerry Jackson, Eliazar Castillo and Berto Minjarez. These three are also nominees for Pep Squad King, along with Donald Robinson.

**TONIGHT (Thursday)**, Hart's junior high and junior varsity football teams will play at Springlake.

CONGRESSMAN ALAN STEELMAN, Dallas Republican who is opposing Sen. Lloyd Bentsen, greets voters during a reception in his honor Monday evening in the city hall auditorium. Steelman advocated a "fence-row to fence-row farm program" that would "let the farmers grow all they can, market all they can, and give them open access to all markets, domestic and foreign." He also urged total deregulation of natural-gas rates and tightening of the welfare and food-stamp programs.

KDHN RADIO  
US Weather Observer

People who attempt to predict Texas weather or the outcome of a political campaign are usually considered very stupid or unusually courageous. I assure the readers of this piece that the following prediction doesn't place me in either category. I am merely exercising my right of free speech, while basing my conclusions on pure logic. There are eight or ten candidates in the race for president of the United States, with only two representing major political parties. It is logical to conclude that one of those two will be elected president, with the lesser-known candidates having little, if any, effect on the election.

My prediction is that the former governor of Georgia, Jimmy Carter, the Democratic candidate, will be elected by a substantial majority, well in excess of two, three, four or five percentage points in both popular and electoral college votes. This prediction is based on my opinion formed of the two men during the election campaign, and the part they have played in the recent history of this country. I also predict that, despite the alleged apathy and unconcern displayed by voters, there will be a larger than usual vote cast in Tuesday's election. I make this prediction because I don't believe that Americans have given up on their country or are unconcerned about its future.

Both President Ford, the republican candidate, and Jimmy Carter will campaign down to the wire in an effort to attract every vote possible, but chances are the outcome has already been determined so far as the voters are concerned. As in all other campaigns, each candidate has tried to play up his strong points and to point out the weak points of his opponent, and both have been successful in some degree. So far as the public knows, both are decent men and chances are wanted to keep the tone of the campaign on a high plane, but have failed in some instances.

Unlike some people who are very vocal about the campaign, I don't think Carter or Ford has been that fuzzy on the issues or that they have conducted inept campaigns. I believe, too, that the debates were very beneficial in that they gave the voter

## Why I will vote DEMOCRATIC

By OSCAR WYLIE  
County Democratic Chairman

I have just become the Democratic chairman in Castro County. However, I have been working with the Democratic Party for many years.

*As a farmer, I believe that the Democratic Party is the best party for the American people as a whole. Under the Republican administration, the American people have suffered greatly in the last few years because of embargos on farm products, the high cost of gas and oil, meat imports, etc. And our foreign policy is very vague.*

We need new leadership in the executive branch of our government. The President must be able to work with Congress, for Congress is the voice of the people. A President should surround himself with competent men.

Castro County is one of the highest producing agricultural counties in the United States. Yet the farmer and cattleman are unable to pass their cost to the consumer. I just wonder how long big business could compete under these circumstances.

*The Republican administration recently placed a higher tariff on sugar imports, then initiated an inquiry to see whether sugar imports were depressing the price of sugar in this country. This is not going to help; it is merely a political move to appease the sugar growers until after the election. The same tactics have been tried regarding wheat and cattle. To wait until 60 or 90 days before an election to use an executive order is just an attempt to get votes. It does not help the farmer or the consumer. And it is not leadership.*

To subsidize railroads, airlines and the postal service and set a floor price on labor, and then to take a hands-off policy on agriculture, gas and oil, is unrealistic. American agriculture feeds the nation and helps feed the world. And this should not be a political football for the Republican Party. The only thing the farmer is guilty of is feeding the nation.

I sincerely hope you have studied the candidates and watched the debates and (most important) that you will do your own thinking and go out and vote Tuesday.

## Why I will vote REPUBLICAN

By DEANNE CLARK  
County Republican Chairman

Because I find compatibility with what I believe in the Republican Party (especially in Texas) and in most of the Republican candidates, I will vote Republican this election. My one vote and my involvement in the GOP represents my wholehearted effort to slow down a trend wherein the individual counts less and less and the government more and more.

*I relate to the idea that freedom is found where there are fewer laws and regulations . . . where people are responsible for their failure to care for each other or carry out their responsibilities. Now we blame our schools, our churches, our law enforcement, and especially "the government." Each year hundreds of laws are passed in our state legislatures and national congress. We are covered up with red tape and regulations.*

We move toward socialism when people fail to shoulder their responsibilities such as helping the ill, the handicapped, children who are neglected, and the elderly who have been unable to prepare for their non-productive years because of illness or misfortune, and look to government to meet those needs. Congress, controlled by Democrats, has hurried this on. Even with its faults, democracy is highly preferable to socialism (such as in the National Health Insurance plan propagated by Jimmy Carter). We have paid too much for a security that guarantees income or a job regardless of on-the-job performance. The trend toward big brother government conflicts with my beliefs, and Republicans are against this trend.

*The waste of sending our money to Washington to be spread around for salaries, supplies and equipment in order to come back to help our neighbors robs the persons we started to help. Republican candidates echo my thinking on this issue.*

Because I feel that saying no is still healthy, whether it be to our children or in our government, those candidates whom I find primarily on the Republican ticket support my feeling. The GOP platform stands for saying no to those who would do harm to others or keep a person from earning a living.

The right to work law (Taft Hartley 14-B) is vital to me, to my farmer friends, to businessmen, and to the working man. Mr. Carter has agreed to work against this right. By voting against Mr. Carter, I say no to compulsory unionism.

*How good it will be when people realize that lots of "little people" are Republicans—that the party that is FOR THEM does not give them something with one hand and take away their freedoms with the other hand.*

Republicans in Texas are experiencing acceptance although they are in the minority. They are included as election judges and clerks, and they are not penalized in their business relationships for voting untraditionally. Conservative Democrats are finding a welcome place of service in a party in which they are needed and heard. Qualified and capable candidates are running on the Republican ticket in growing numbers. A Republican vote this election will further the two parties that Texas needs, and I will cast mine for Ford, Reese, Steelman and Wendlandt.

## Carter wins phone poll

A "presidential poll" conducted by KDHN Radio Tuesday gave Jimmy Carter an edge of more than 2 to 1 over President Gerald Ford in the Dimmitt area.

**THE RADIO** station requested listeners to phone in and tell their preference in the presidential race. More than 100 persons voted, Station Manager Jerry Marvin reported.

Of those casting phone ballots, Marvin said, 68 1/4% favored Carter and 31% voted for Ford. One vote was cast for Thomas Anderson of the American Independent Party.

Mrs. Clark

Predictions of voter apathy across the nation don't appear to be justified in Castro County. Indicators here point to a good turnout in the general election Tuesday.

**VOTER** registration is at an all-time high here—which was predictable because of changes that have made it easier to register. Tax Assessor Kent Birdwell reports that 4,167 Castro County residents are eligible to cast ballots Tuesday, 327 more than in the 1972 presidential election.

Registration is not a true indicator, but absentee balloting usually is, and County Clerk Zonell Maples reports that absentee voting is brisk. Her office had issued 101 absentee ballots by noon Tuesday, 3 1/2 days before the Friday deadline, and approximately 20 voters per day were requesting absentee ballots early this week. If this pace continues until 5 p.m. Friday, the number of absentee votes will easily top the 110 cast in 1972, and might even surpass the 159 cast in the 1968 presidential election.

**CASTRO** County traditionally has a good turnout in presidential elections. In 1968, 74.4% of the county's registered voters cast ballots in the Nixon-Humphrey race, and in 1972 (Nixon vs. McGovern), the turnout here was 67.3%.

**THE SPOTLIGHT** is on the presidential race, in which Republican Gerald R. Ford—the first appointed President in the nation's history—is challenged by Democrat Jimmy Carter, former Georgia governor who overcame a geographical disadvantage and, whipped the party "establishment" to gain the Demo nomination.

Through three nationally televised debates, multi-million-dollar advertising programs and well-publicized personal appearances, the two major-party candidates have made Election '76 the biggest media campaign in the nation's history.

Other presidential candidates listed on the saddle-blanket ballot are Thomas J. Anderson of the American Party, Peter

## Jo Shearer's services held

Funeral services for Jo Miller Shearer, 50, were conducted Friday afternoon in the First Baptist Church of Dimmitt.

**MRS. SHEARER** died last Wednesday in Plains Memorial Hospital. A victim of cancer, she had been hospitalized 2 1/2 months in Amarillo, Houston and Dimmitt.

Rev. John Street, pastor of the First Baptist Church here, officiated at the last rites. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral home.

A native of Amherst, Mrs. Shearer had been a Dimmitt resident 18 years. She was employed by Schaeffer & Co. as an accountant, and previously served as head bookkeeper for Dimmitt Agri-Industries, Inc. She was a member of the First Baptist Church, Order of the Eastern Star, American Legion Auxiliary, the Hereford chapter of Beta Sigma Phi sorority, and the National Society of Accountants for Cooperatives.

**SHE** IS survived by her husband, James; a daughter, Sharon Miller, of the home; her mother, Mrs. Ola Baccus of Sudan; and a brother, Doyle Baccus of Sudan.

Pallbearers were Stanley Schaeffer, David Schaeffer, Jody Minnick, Jack Flynn, Aaron Isaacs, Johnny Hinds, Roy Miller and Doug Adams.

Honorary friends were Eastern Star members, Beta Sigma Phi sorority members and Dimmitt Agri-Industries board members and employees.

**MEMORIALS** in her name are being accepted at the First State Bank to benefit the Tumor Research Institute in Houston.

Sheffy's chatter

Dimmitt people return from trips to other states

By MYRTLE SHEFFY

Many Dimmitt people have had trips lately. Mayor Elmer and Mrs. Youts and her brother and his wife Mr. and Mrs. L. D. O'Neal from Penryn, Calif. went to South Bend, Ind. to visit her sister and Elmer's brother Sandy and many cousins and kin in towns in that area. They went the Southern route, that is Oklahoma, Arkansas, Tennessee and Kentucky. Back through Illinois, Kansas. They also tell us how beautiful the trees and flowers are back there.

GEORGE AND Ruby Bagwell are home from an 11-day trip. First stop was at Dodge City, Kan. to see the old museum, then on up to Minden, Nebr. to see that big museum. You know George has quite a collection of early day plows and old knives. Maybe for the Castro County museum. They went on to Adams to visit friends, then across east to Missouri, down to the Ozarks in Arkansas and a stop in Fayetteville. They report the oak trees a wonderful picture of red, gold and green. Came on to Waggoner, Okla. and visited a sister and a stop in Granite, Ruby's old home town, to visit the kin. Just a good rambling trip and glad to be home again.

Joy Mercer has had a good trip to Tennessee and places between. She reports that area as gorgeous with the colorful trees. They stopped in Oprey Land, near Nashville. Didn't get to hear the Grand Ole Opry, they were gone, but they visited friends and relatives.

Mrs. Vivian Shiflett says she made the same trip two years ago, but I didn't hear about it.

PAUL AND Marge Acker went out to the Angel Fire area to close or winterize their house. It is a big 3-bedroom summer place. They made side trips to Santa Fe, saw the church with the spiral staircase, and the round capitol building. They went on north to Los Alamos, a very nice drive through the mountains and big trees. The Rio Grande starts up there (as if you didn't know).

of Sweetwater are here visiting his folks P.O. and Frances and also celebrating his birthday. Beelee is sports editor at the paper in Sweetwater.

Mrs. Earl Brock says they received many gifts without names. She and Earl thank you and the 300 other folks for gifts at their golden wedding party.

I saw Doug Lapins having steaks with these fellows and he tells me about them. Dear Myrtle, My out-of-town visitors at K-Bob's last Wednesday were the Amstar National Sales Division representatives. They were from locations such as New York, Chicago, Philadelphia, Baltimore, New Orleans and Dallas. For most of them it was their first visit to West Texas. Their names are Ken Otto, Bob Conner, John Povich, Ralph Martinelly, Bob Bosak, Joe Gavin and Terry Thorpe.

And I am sure they are much impressed by all the corn coming in to town, and the cattle feed yards. ROY MEACHAM tells us that Dottie Beyers has been very ill. She went into a coma in Dimmitt, got better, went to Dalhart with Hugo and another spell hit her. She has been in St. Anthony's for several days. A long coma due to diabetes. Wayne and Donna Meacham and Kip came down from Denver to be with her. They came to Dimmitt to see his folks Roy and Billie.

Mrs. John Douglas Pitman is writing a book on bees. This is a children's story, using Mr. Edwin "Goose" Ramey as the main character. The book will be illustrated by the well-known artist Shirley Farley of Rockport. We must have this book for the library.

ALSO AT the cafe having steaks were Jerry Heller and friend Richard Kimbrough, who, with his wife Beverly and Julie, 3 years, and Ronnie, six months, have moved here from Muleshoe. Richard will be with the PCA and WTSU Coach Kimbrough is his uncle.

And other newcomers to Dimmitt are Mike and Pearl Odom from Oklahoma City and recently Abernathy. They are no kin to Dimmitt's Odoms. Mike is a technician at Goodpasture, Inc. Pearl is secretary at the Methodist Church. They are young people (at least to me).

Say! Did you see and hear Ace Reid on "To Tell the Truth" TV program Wednesday evening? Ace has been special guest speaker here for the Chamber of Commerce banquet and I have his painting of "Ma", the overworked wife of the Cowpoke. Bob McLean has the cartoon of the mean

And a little chest of money and tulip bulbs were among the gifts. Strawberry cake and pink ice cream punch were served by the great nieces, Jean Bradford and granddaughters.

Deanna and Jonathan Harris have been visiting her parents Buster and Mearle Morgan the past week while her husband Charles attended the Baptist State Convention at San Antonio. You remember Charles was pastor for a few years at Lee Street Baptist Church.

And one day Deanna and Mrs. Wesley Booner of Laz-

buddie and Mearle went to Clovis for dinner at El Monterrey. That is the Mexican food place. Another day, I think Wednesday the ladies came to Dimmitt for steaks at K-Bob's, then attended the Home Demonstration meeting at Bethel where Irene Keating told them how to fix pretty crepe desserts and other goodies.

MR. AND MRS. Eugene Cleavinger of Laguna Hills, Calif. are here to visit Marge and M. E. and I saw them at Millie Lust's party. Well, one evening they and Mr. and Mrs. E. R. Cleavinger and Mr. and Mrs. W. E. Miller of Canyon had steak supper at K-Bob's. They visit the other kin too.

Mary Jean Copeland of Denver is here to stay a while with her mother Vera Webb who is recuperating from a neck injury she received when her car was hit by a grain truck. She is doing okay, so a few friends surprised Mary Jean with a birthday party Friday. They are Shirley Stephens, Sue Merritt, Carole Dyer, Evie Froehner, Mrs. Bill Graham, Mrs. C. O. Byrnes, Dorothy (Mrs. Ted) Sheffy, Myrtle Lois Moran and Mary Jo Birdwell.

Vada Belle Oldham and granddaughter Connie Nelson

came up from Lubbock to see David in the play presented by Don Blankenship. There were two short plays, "Apple Tree," a skit portraying Adam and Eve, it was well acted. I felt they were professionals. And the other was "Spoon River", the place of the dead. They were telling how they died and why. Very mature and well done. Good memory work, too.

Mr. and Mrs. Ray Gammell of Paramount, Calif. visited briefly in Dimmitt Saturday with the B.M. Nelsons and other friends. They are former residents of Dimmitt from 1948 to '51. Mr. and Mrs. Jesse Williams were her parents. They were en route to California from Minnesota where they had visited his parents.

Retta Cluck went to Farwell Friday for a visit with her sister Mrs. Elmer Scott.

Rosalie Gilbreath of Hereford was hostess at the Friday bridge at the Castro County Country Club. She and Mrs. Glenn served dinner to Jerry Jackson of Hereford, who won high score, and can you believe Myrtle won second high? Others playing were Dorothy Elder, Bessie Elder, Bobbie Dameron, Jan Querze and Koma Ratcliff.

Mrs. E. V. Hargrove is home from a trip to Oklahoma City

where she visited her granddaughter Vicki who received her cap in a ceremony which ends one year of nursing school. Mrs. Hargrove visited here and there and saw the city.

TREASURES He walked a long time and rang many doorbells and "scared" a lot of people in order to acquire his Halloween treasures. He wants to sleep with his treasures beside him, where he can feel the sack with his hand. These treasures somehow remind you that one of your responsibilities toward your adorable child is to teach him what real treasures are - friends, country, church, good deeds, family, love of God, and quality of spirit, to name a few. That "Trick or Treat" bag somehow reminds you of that scripture in Matthew that goes, "Lay not up for yourselves treasures upon earth where moth and dust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: for where your treasure is, there will your heart be also." You know that the church will help you in this, so you vow again to be faithful to every service, thankful for all the wonderful workers there, asking God to help you and them. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Brick Autry

## New librarian studied under Indian program

How does a drama major get to be a librarian? Ask Brick Autry, Dimmitt's new librarian. It happened to him when the government started a program to encourage members of minority groups to take up the profession.

AUTRY, 25, is one-quarter Creek Indian. He was born in Tulsa, Okla., and graduated from Roswell, N.M., High School. In his studies at ENMU, he majored in drama with a minor in library science.

He completed his master's program at the University of Arizona under the Indian Librarianship Program. Autry's

first assignment as a librarian was on the Cocopah Indian Reservation near Yuma, where he served for a year.

After moving back to Oklahoma and working at various jobs, he heard of an opening at Rhoads Memorial Library through a notice at the University of Oklahoma's library department.

AUTRY is single and a member of the Methodist Church. His father is living in El Paso, and he also has several relatives back in Oklahoma.

"I'm happy to be here. Dimmitt is a nice, friendly place," Autry said.

## View from the Library

By BRICK AUTRY

The view from your library is great.

My welcome to Dimmitt has been as warm as one I have ever received (even though it did sleet the evening I arrived). Since working here in the library I've had several visitors.

The persons I would like to thank especially for their concern are Marie Howell, who has cheerfully and tirelessly aided my way around the library and my office files, although now that I'm here she has to give up her position of acting librarian and also take a cut in pay (and who could really be happy to see that?), to Maxine Tidwell who has painlessly introduced me to the budget, and to Edna Riley, who has been so dedicated in seeing that I was well taken care of.

WHILE Marie was acting librarian, I bet you didn't know that circulation of library materials really increased. I told her whatever she was doing must be good. Actually, I bet I'm working with some fine competition. Marie said the rise in circulation is due to the new paperbacks we have and to the best-sellers which we have and change every week. She

also mentioned that the new toys in the children's library probably had something to do with it.

Speaking of children's things, I saw some super new books which we are going to buy, and they include some goodies. There are also some adult books in the new stack and they are large-print volumes. The print in them is highly legible.

I have a message for the good lady in town who works at the Bargain Center who asked me about the G.E.D. materials. Marie has some new G.E.D. work books and they are paperback.

However, we've had a lot of trouble keeping the G.E.D. material in the library. Our patrons find them so useful that they aren't returned. Marie has started the policy on these materials that you must put a deposit down on the book before you take it out and if you think you'll be needing it, you might be able to buy it from the library. This isn't a normal procedure, but the G.E.D. books cost us four dollars a piece.

Also, dear, the pots you sold me leaked. But that's okay. I'll just eat out of the skillet until I find something else.

## More about Dimmitt ...

[Continued from Page 1] an opportunity to compare the two men side by side, and to judge their answers to questions posed by articulate and competent journalists. We have been furnished with ample information about the two men on which to base a judgment.

Jimmy Carter got eighty-four percent of the votes in the Georgia presidential primary where he was one in a field of several candidates. They are the people that knew of his actual record as an administrator while serving as governor of that state. You can be sure that his personal life has been thoroughly investigated and to date nothing of a harmful nature has surfaced. He is a member of what seems to be an average southern family, is well educated, has had experience in local and state government and apparently is eminently qualified to serve as president of the United States. There is not time or space to go into the many issues discussed during the campaign, but suffice it to say that agriculture will have a friend in the White House if Carter is elected president and that he will be acutely aware that there are in excess of two hundred million people in the United States who are the prime concern of government. Jimmy Carter is a democrat in the finest tradition.

Jerry Ford, the republican candidate, has had two years in the presidency and has proven to be a poor administrator. All of his experience has been in the legislative field which, apparently, is a poor place for administrative training. The economy has been in one of the worst recessions since the great depression, and waste in government has been rampant. There needs to be a change.

I will vote a straight Democratic ticket next Tuesday.

# Halloween Carnival set Saturday night

The annual Dimmitt Lions Club-sponsored Halloween Carnival will be staged Saturday from 6 to 10 p.m. in the old Panhandle Compress warehouse, with 24 groups offering 27 game and food concessions.

THE MIDDLE School Art Department and the Senior Citizens of Dimmitt will have handmade items to sell.

## SWPS lineman receives burns

A Southwestern Public Service Co. lineman received serious electrical burns on his hands and lower chest Tuesday afternoon when a line he was holding touched a 7,200-volt circuit.

HARLAN TRAMMEL, 35, of Plainview, was working from a "bucket lift" in the alley behind the Higginbotham-Bartlett Co. when the accident occurred. SWPS Manager Ralph Glover said Trammel was taking out a de-energized slackspan in the line when one end of it touched an energized circuit.

Trammel was taken to Plains Memorial Hospital, where he was reported improving Wednesday morning.

## Coach names top players

Speaking to the Dimmitt Athletic Booster Club Tuesday night, Coach Bruce Bush praised four Bobcats for their offense and six for the defensive play in the Muleshoe game.

HE CITED Matt Howell, Tony Washington, Joe Aleman and Thompson Mayberry as the top offensive players of the week. Top defensive men in the game, he said, were Lane Loudder, Larry Bossett, Jody Minnick, Randy Roberts, Dennis Veals and Brad DuLaney.

Bush said that halfback Tommy Kenworthy and tackle David Malone would miss this week's game against Morton.

During the business meeting, the Boosters completed their plans for a sponge-throw booth at the Halloween Carnival, and also made final plans for their "Giant Garage Sale" to be held Nov. 5 and 6.

# Auxiliary has workshop for holiday bazaar

The Plains Memorial Hospital Auxiliary is holding workshops every Tuesday at the hospital, starting at 9 a.m., for members to prepare items for the annual bazaar which will be held Dec. 3.

AT THE last meeting Oct. 13, Mrs. JoAnn Weisbart of the American Arthritis Foundation presented a filmstrip on the different types and the care of arthritis, followed by a question and answer period. She also left brochures for the group and for placement in the hospital lobby.

## Turnout ...

[Continued from Page 1] Camejo of the Socialist Workers Party and Eugene J. McCarthy of the Independent Party.

OF THE 19 offices listed on the ballot from the courthouse to the White House, only four others are contested. They are the races for US Senator, Congressman and State Railroad Commissioner.

In the Senate race, Republican Alan Steelman of Dallas is challenging Sen. Lloyd Bentsen of Houston. Others seeking the US Senate seat are the American Party's Marjorie P. Gallion and the Socialist Workers Party's Pedro Vasquez.

In the race for the 19th Congressional District seat in the US House of Representatives, long-time Congressman George Mahon of Lubbock is being challenged by Republican Jim Reese, former Odessa mayor.

In the Railroad Commissioner's race, voters will choose between Democrat Jon Newton, Republican Walter Wendlandt, Fred Rodriguez Garza of the Raza Unida Party, and Pat O'Reilly of the Socialist Workers Party.

THE OTHER contested race is a write-in campaign. Don Yarbrough, who won the Democratic nomination for associate justice of the State Supreme Court, is being challenged by two write-in candidates, District Judge Sam Houston of Lewisville and Houston attorney Tom Lorange.

Yarbrough won the Democratic nomination by a "name association" fluke—many thought he was the Don Yarbrough who had run for the Texas governorship twice. But he is in legal trouble—several former clients have filed malpractice suits against him, and the Texas Bar Association has started disbarment proceedings against him.

A sample ballot, including the county commissioner candidates in Precincts 1 and 2, appears on Page 9 of this issue.

ALSO ON the ballot are two proposed constitutional amendments, both having to do with Texas Water Development Bonds. One of the proposed amendments is controversial, the other is not. A discussion of the two amendments appears on Page 18 of this issue.

# Jack Powers dies Thursday

MR. POWERS was born in Denton County. He married Faye Belk March 2, 1927, in Plainview. After residing in Woodward and farming in Sunnyside, he moved to Dimmitt in 1957 to run the Dimmitt Motel. In 1972 he moved to Lubbock.

Survivors include his wife, Faye; four sons, Wayne and Joe, both of Canyon, and A. R. and Jackie, both of Dimmitt; a daughter, Mrs. Doris Russell of Lubbock; a brother, Billy Powers of Troup; seven sisters, Mrs. Lillie Mae Thomas of Slaton, Mrs. Marie Blevins of Bridgeport, Mrs. Zell Gamble of Fort Sumner, N.M., Mrs. Mildred Rowse of Lincoln, Neb., Mrs. Mary K. Greenwood of Fullerton, Calif., Mrs. Bessie Malloy of Corales, N.M., and Mrs. Bobbie Jackson of Albuquerque, N.M.; a stepbrother, E. D. Newborn of Lubbock; and eight grandchildren and a great-grandchild.

# Flagg 4-H'ers will operate 'spook house'

Members of the Flagg 4-H Club will be excused from school at 1 p.m. Friday to work on their part of the Spook House for the Halloween Carnival, according to club reporter Lynna McGuire.

AT THEIR meeting Saturday in the home of Mr. and Mrs. Glenn Hatla and Todd, the group discussed carnival plans, and also decided to present a skit, "The Phantom of the Awards Banquet," for the Nov. 6 annual 4-H Awards Banquet in the County Expo Center.

The club's new officers, elected earlier this month, are Todd Touchstone, president; Ronnie Autrey, vice-president; Chèrri Anderson, secretary-treasurer; Lynna McGuire, reporter; Ben Ray Holcomb, council delegate; and Todd Hatla, alternate delegate.

The next meeting will be Wednesday in the home of Ann Touchstone and Todd.

#### Moulton joins Sheriff's Dept.

Fred Moulton, Dimmitt's assistant police chief for the past seven years, joined the Castro County Sheriff's Dept. this week as a deputy. The Sheriff's Dept. has lost two deputies during the past two weeks. Deputy Sheriff David Slaughter resigned to become Dimmitt's police chief, and Deputy Sheriff Tom Finley resigned effective Monday to go into the cattle business.

#### Agriculture exempt from OSHA for year

As of Oct. 1, farms, ranches and other enterprises defined as "agricultural operations" that have 10 or fewer employees at any one time are exempt from all requirements under the Occupational Safety and Health Act (OSHA) for one year. "ANNUAL attempts to

amend OSHA during Congressional floor debate on an appropriations bill succeeded this year," points out Dr. Gary S. Nelson, Extension Service safety engineer. "Certain amendments have been attached to the appropriations bill for the Departments of Labor and Health, Education and Welfare. All OSHA operating funds for fiscal 1977 are in that bill." The bill stipulates that no civil penalties would be proposed on first-instance OSHA violations (other than serious, willful or repeated violations) unless 10 or more violations are found, Nelson explains. The bill also exempts from OSHA coverage farms with 10 or fewer employees.

President Ford first vetoed the \$56.6 billion appropriations bill for the Departments of Labor and Health, Education and Welfare, including \$130.3 million for OSHA, on Sept. 29, on the grounds that it exceeded by \$4 billion the sum he requested for fiscal 1977. However, Congress overrode the veto the following day. The bill will provide \$130.3 million overall funding for OSHA, including appropriations for the preparation of inflationary impact statements, education, research and consultation activities, and an increase of the compliance staff.

"SOMEONE has said that it is differences in opinion which make horse races, and that is certainly the case here," Nelson contends. OSHA restrictions were designed to give some relief to small firms and small farms. OSHA estimates that 87.5 percent of all farms in the US have 10 or fewer employees. However, some Congressmen hold that "exemptions, regardless of the number of employees, regardless of the type of industry, create a second-class group of American workers."

"Future resolution of these differences may be found in the rational use of cost-effectiveness studies which compare the cost of proposed legislation with the benefits received," Nelson said.

The biggest boom in the export of potatoes hit this country just two weeks ago. The drought Europe, Poland and Western Russia suffered last summer has wiped out most of the fall potato crop in those countries. The European common market production of spuds is expected to be off 25%.

THE US potato producers are holding for higher prices for those potatoes headed for foreign markets and, if the buying demand continues next year from Europe, it could force up consumer prices next year. The big question is whether the European weather will improve next summer. The foreign buyers are saying as little as possible about their needs in order to hold the price down; the US farmers and commodity brokers are mum in order to avoid unfavorable publicity and government investigations. And the Commodity Futures Trading Commission is watching trading activity on the New York Mercantile Exchange for evidence of any illegal speculation.

The US has plenty of potatoes for everyone. This year's crop, the best in ten years, hit a record 299 million hundred weight, topping last year by 9%. The fall potato harvest accounts for 85% of all US production. Commodity brokers who don't usually get into the shipping of potatoes, are active potato shippers because they have storage and shipping know how and the facilities for

requires lots of labor to handle and refrigeration. Orders for dehydrated potatoes are also setting records from European buyers. A measure of just how important the potatoes are to the European common market is the waiver of the 18% import duty that common market member nations must pay on imported potatoes. France hasn't bought potatoes from anyone in 23 years, but it expects to buy 1/4 of the US exports this year. In previous years the French have embargoed imports of US spuds on sanitary grounds. Now the French are willing to work out a compromise.

MUCH as a gardener tends to the soil in order that his plants may grow in their own way and season, so attending to the depths of our own nature tills the soil in which, firmly rooted, we can develop into healthy individuals. —Proskauer

### Game warden speaks Monday to Kiwanians

"The biggest problem we face both in and out of season is people shooting from public roads," said Game Warden Chuck Cosper to the Dimmitt Kiwanis Club at their regular meeting Monday.

SOME OF the other common problems Cosper says he encounters are hunters out of their own county without a license, failure to have a duck stamp, trespassing, and hunting without landowner's permission.

Cosper pointed out that if anyone plans to lease out his land to hunters, he needs to contact the Texas Parks and Wildlife Office to obtain a shooting preserve license.

"This is necessary if any form of compensation changes hands," he said.

Cosper was introduced by Leroy Maxwell, program chairman.

EARLIER in the meeting Bill Thornton, chairman of the club's Senior Citizens Committee, presented Mary Acker, director of the Senior Citizens Center, with a check from the club for \$500.

Fourteen members and six visitors were present.

### ACA releases farmers' poll on top issues

What would be your answer if you were asked what the most important issue facing farmers is today?

OVER 60% of the farmers interviewed by a panel set up by the Agriculture Council of America felt that the issues of trade embargoes and support prices were "very important" to today's farmers.

K. B. Parish of Springlake, national director, said the survey was taken among 396 people out of the 800 who had called in to the organization's "Decision '76 Farm Line."

This program gave people everywhere in the continental US an opportunity to call toll-free to express their views on key farm issues to a bipartisan panel headed by Dick Lyng, director of the Farmers for Ford Committee, and Bobby Smith, chairman of the National Carter/Mondale Food and Agriculture Committee.

SOME OF the other issues mentioned were cooperative bargaining power, financing, grain reserves, import quotas, and government regulatory agencies.

Seventy-six percent of those polled said there is "above average" interest this year among farm voters. Fifty-three percent said they felt that, compared with other election issues, farm issues are getting "less attention" at the national level.

## Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% to 8.2% for 15 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

**Tax Reform:** "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

**Economy:** "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

**Efficiency in Government:** "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

**Housing:** "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

**Health Care:** "We need a nationwide health care delivery system which will make adequate health care a right for all people."

**Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.**

Paid for and authorized by 1976 Democratic Presidential Campaign Committee, Inc.

**Vote for JIMMY CARTER. A leader, for a change.**

**Leasing a Zimmatic could be a turning point for your farm.**

Look at it this way. You don't have to buy a Zimmatic to get the most out of your land. We can arrange for you to lease one direct from Lindsay through their new Lindsay Credit Corporation. That way you shouldn't have to dip into capital or tap your regular line of credit. Lindsay provides the financing and the Zimmatic should make payments out of higher yields. Pay you a good return, to boot. Because Lindsay owns the lease company, they set the right kind of terms. Build in features you need. Add extra flexibility because agriculture's not like other industry. It's seasonal. Special. And that calls for a special lease plan. Which is what Lindsay offers.

But the best part of this lease—you get a Zimmatic. Complete with exclusive Uni-Knuckle and flex system to ease stress on the line. Heavy-duty gearboxes. Micro-switch alignment control. External collector ring and electric control panel with pivot and tower read-out meters. Hot-dip galvanizing... all the other features that make Zimmatic an idea leader in center pivot irrigation. We can answer your questions on Lindsay lease plans, handle all details in our office on a single call. Stop in... it could mark a turning point for your farm.

# Bobcats post decisive 45-14 victory over Mules

By JIMMIE CHAPMAN

Dimmitt's Bobcats got back into the win column Friday night with an easy 45-14 win over the Muleshoe Mules in a game played at Bobcat Stadium in perfect football weather.

**THE VICTORY** moved the Bobcats into second place in the District 3-AA standings.

Muleshoe's Dean Northcutt put on a one-man show, carrying the ball 23 times for 130 yards and getting both TD's for the Mules.

Quarterback Thompson Mayberry led the Bobcat attack, gaining 104 yards on 12 attempts, the most running attempts for the season for the junior signal-caller. Quarterback Matt Howell got 88 yards on seven carries and Tony Washington picked up 44 yards on nine tries, all in the first half. Eddy Chavers got 64 yards on six carries.

**ON DEFENSE** for the Bobcats, Lane Loudder, Mayberry and Brad DuLaney turned in outstanding games on pass defense, while Sesario Saenz, Eddy Chavers, Gary Nutt and Kevin Hucks turned in top performances in the line.

The win leaves Dimmitt a half game behind the Friona Chiefs, who are leading the district after dropping their first five games of the season. The district race looks like this: Friona (2-0-0), Dimmitt (1-0-1), Morton (1-1-0), Littlefield (1-1-0), Olton (0-1-1) and Muleshoe (0-2-0). This week's games pit Olton against Littlefield and Muleshoe against Friona, while Dimmitt will travel to Morton to take on the Indians who put Olton away last Friday.

Dimmitt got its first scoring opportunity midway through the first quarter when Gary Nutt recovered a fumble by

**COLLISION COURSE**—Dimmitt's Eddy Chavers ducks his head to charge into Muleshoe's Dean Northcutt [44] during a five-yard run by the Bobcat tailback in the first quarter of Friday night's District 3-AA game here. This run by Chavers

kept the Bobcats' first scoring drive alive, and the locals went on to win a decisive 45-14 victory over their visitors.

Jeep Shanks at the Muleshoe 10-yard line, where Brad DuLaney had punted out of bounds. On third down, Mayberry passed to Washington for the first of his three touchdowns of the night. Matt Howell booted the extra point and the Bobcats led 7-0 with 5:07 left in the opening quarter.

**DIMMITT'S** next score came on a beautiful 80-yard march that started after a Muleshoe punt into the end zone at the close of the first period. Two big plays highlighted the drive—one a pass from Mayberry to end Jim Wright that was good for 38 yards, and the other a 28-yard run by Mayberry that

put the ball at the Mules' 7-yard line. Washington blasted into the end zone from the 7, and after Howell booted the point after, the Bobcats were leading 14-0 with a little over 10 minutes left in the first half.

Sesario Saenz recovered a fumble by Shanks on the kickoff at the Muleshoe 17 to set the Cats up again. Three plays got little yardage, then Matt Howell booted the first field goal of his career from 26 yards out to give the Cats a 17-0 lead. Only a minute had elapsed since the Bobcats' second TD.

The Mules could do nothing against the Dimmitt defense after receiving the kickoff and, hampered by penalties, found themselves on their own 10-yard line, facing third down and 42. They decided to punt on third down to get out of the hole, but Mark Washington's punt went only eight yards and Dimmitt had the ball on the Muleshoe 18.

**DIMMITT** drew a five-yard penalty, but on the next play Eddy Chavers swept right end for 23 yards and the third Bobcat TD. Howell kicked the point after, and Dimmitt led 24-0 with 4:59 left in the second quarter.

On the first play after Dimmitt's kickoff, Lane Loudder intercepted a pass from Randy

Waylin on the Muleshoe 34. After Chavers rambled 25 yards and Mayberry added two short gainers, Washington went over from the 2-yard line. Howell booted the point after and Dimmitt was ahead 31-0 with 3:45 left in the second quarter. That's how the score stood at halftime.

Northcutt launched a personal drive in the third period after Muleshoe received the kickoff on its own 26-yard line. He ran with the ball every play except three in a 10-play drive that was climaxed when he went over the middle of the line from three yards out for the Mules' first score with 7:37 left in the third quarter. Muleshoe flooded the zone against defensive man Brad DuLaney on the try for two extra points, sending three men wide into the corner, but the shifty defensive back still broke up the play in one of his best efforts of the season. The failure of Muleshoe's two-point conversion attempt left the score at 31-6.

**MULESHOE** tried an inside kick that backfired and the Bobcats got the ball at the Dimmitt 42-yard line. After two short gainers by Mayberry and one each by Larry Bossett and Veals, Mayberry burst over the right side of the line and went 43 yards for Dimmitt's fifth TD.

under slot, working with the second-team line in front of him. On his first series he moved the Cats from the 39-yard line to the Muleshoe 14, despite the fact that a pass to Reggie Washington for 45 yards was nullified.

Howell ripped off 32 yards on a good run when he was trapped trying to pass. But the scoring drive fell through when penalties set in and Howell finally lost the ball on a fumble at the 36-yard line.

Florentino Quinonez intercepted a pass from Waylin midway in the final period at the Dimmitt 35 and returned it to the 47 before going down. The Mules stopped this drive and took over on their own 40, then launched their last scoring drive of the night. With Northcutt running and Waylin hitting end Marcus Beversdorf with

passes, the ball moved to the 4-yard line and Northcutt smashed it over for the score. A Waylin pass to Beversdorf was good for two extra points, and with 2:18 left, the score was 45-14.

Dimmitt got a good break on the ensuing onside kick when the ball bounced backwards and went out of bounds at the

Muleshoe 46. But after five plays and two penalties, the ball was still at the 46 when Muleshoe took over. Then the Bobcats held and took over at the Dimmitt 46. On first down, Howell set sail and went through the Muleshoe defense for 50 yards before being stopped at the 4-yard line with 29 seconds' left.

## Irene's Ideas

### Give trickers tasty treats

By IRENE KEATING  
County Extension Agent

Here it is—almost Halloween. It's time to decide what to treat your Trickers or Treaters with. Last week I got a good cookie recipe from Estella Hotel. Here HECE girls made them for a program and I know everyone would enjoy them—they're even pretty nutritious.

**ESTELLA'S CHOCOLATE CHIP COOKIES**

Cream together: 1 cup shortening, ¾ cup white sugar, ¾ cup brown sugar.

Add 2 eggs and 1 teaspoon hot water.

Add sifted dry ingredients: 1½ cups flour, 1 tsp. soda, 1 tsp. salt. Beat.

Then add: 1 cup chopped nuts, 1 12 oz. and 1 6 oz. package chocolate chips, 2 cups oatmeal, 1 tsp. vanilla.

Drop by teaspoons on greased cookie sheet. Bake 10 to 15 minutes at 350°. Makes 6 to 7 dozen cookies.

HEALTH Fair time is here. Make your plans to attend any time from 10 a.m. to 7 p.m. at the County Exposition Building Nov. 3. There will be many educational exhibits as well as free health screening. You may also donate blood in the afternoon. This is a free program sponsored by the Castro County Family Living Committee and the participating agencies and organizations.

Evelyn Lindsey, sister of the bride, registered guests. There were eighteen hostesses. Approximately 40 guests attended the shower, including out-of-town guests Mrs. Burl Jackson and Mrs. Tom Nunn Jr., mother and sister of the prospective groom, and Mrs. Glenn Williamson and Becky of Anton, cousin of the bride.

# 'Horns stomp Vega, 35-6

By MONTY UPTON

The Hart Longhorns playing up to their full capability Friday night, completely dominated the Vega Longhorns in a 35-6 romp.

AFTER VEGA'S Randy Roark booted the wind-assisted kickoff into the end zone, the 'Horns used four plays, including a 23-yarder by Kerry George and a 34-yard sprint by Eliazar Castillo—to advance

the ball to Vega's 20. On the fifth play from scrimmage George culminated the 80-yard drive that used only 1:41 with a 20-yard scamper for the score. Bobby Allensworth established the PAT pattern for the night when he booted the ball dead-center through the uprights for the first of his five perfect extra-point kicks.

Following the kickoff, Vega moved to the Hart 42 on two first downs before Cary McLain

knocked the ball loose from RB Jesse Rodriguez and Glen Black fell on it at the 29 for his first of two recoveries.

However, Hart failed to get a first down on its next series—thanks to a penalty—and had to punt. The hosts had no better luck on their series when they got their only penalty of the night and then had Gary Jackson sack QB Randall Galbraith for another 5-yard loss. The punt paid off for Vega, though, when George fumbled on the first play from scrimmage to give Vega the ball on the Hart 39.

HART'S defense stiffened and Vega could not punch the ball any closer than the 20 before running out of downs. George ran the ball to the 31 on two plays, and then coughed it up on the 36. This time Vega moved to the 12 before the ball went over to Hart on the third play of the second quarter.

Hart failed to get a first and had to punt. However, the hike from center Kelly King went astray before kicker Joe Flores could handle it and Vega recovered the ball on the Hart 3. Using two plays, Mike Yell, substituting for an injured Galbraith at quarterback, fell over from half a yard out with 9:30 left in the second quarter. Roark's kick was no good.

The next big play came after Hart was forced to punt to Vega. Yell dropped back on the first play to throw to end Randy Roark. However, cornerback Johnny Newsom came up with the interception on Vega's 44. Using four plays, Hart moved to paydirt on a 32-yard strike from Castillo to Bryan Irons with 6:14 showing. Allensworth's kick was true. The rest of the first half saw neither team sustain a drive and Hart went to the lockers with a 14-6 lead.

HART BEGAN to take complete control in the third quarter as the 'Horns rolled up 126 yards rushing and held Vega to a minus three total yards, thanks to a superb job by the whole defense. Joe Flores, Glen Black and Gary Jackson poured through the line on the second play and all hit QB Yell at the same time to roll him up for a seven-yard loss. Vega never seemed to recover. Following a punt, Hart took over on its own 10.

Keeping Vega off balance by running George and Lester Aven on alternate plays, Castillo flawlessly guided Hart 90 yards in 10 plays for another score. The drive's key play was a beautiful 41-yard George gainer from the 15 to get Hart out of the hole. The touchdown came when George sprinted through an opening big enough to accommodate a corn harvester—created by the blocking of McLain, Newsom, Black and Jackie Ethridge—for five yards and his second TD. Allensworth added the point-after with 2:22 left, and Hart led by a 21-6 count.

Marvin Mode bobbled the kickoff on Vega's 23 and Hart's Glen Black got on it for his second recovery. Hart got a 15-yard penalty on the third play, then Roark intercepted a Castillo pass on the 4 that kept Hart from scoring a quick TD.

HART GOT the ball back on the sixth play of the final stanza when Aven intercepted the ball on Vega's 37. Black carried three times to move the ball to the 11, then George got his third score on the next play when Berto Minjares, Larry Marble, Irons and Aven made key blocks. Allensworth drilled the uprights with 8:52 to play, hiking Hart's lead to 28-6.

Following the kickoff, Vega had only one play before running back David Doshier had the ball raked out of his hands by Jackson, and Cary McLain covered it on the Vega 31. Five plays later Hart scored again when fullback Glen Black bulldozed his way across from 19 yards out on a heads-up run, following key blocks by Ethridge, Jackson and Irons. Allensworth hit it again for a perfect night of kicking to hike the margin to 35-6.

Two more possessions came to nought, thanks to that tough Hart defense. Donald Robinson broke up a pass and almost intercepted it for a TD on the Vega 30 to end one drive. Then Rodolfo Gonzales really put it on QB Yell for a loss of six to force Vega to punt. Hart then used two first downs to run out the clock.

INDIVIDUAL defensive stats showed Cary McLain with 15 tackles, one fumble caused, and one fumble recovery; Gary Jackson with 13 tackles, two QB sacks and one fumble caused; Berto Minjares with 11 tackles and one fumble caused; Bryan Irons with 12 tackles; and Glen Black with 14 tackles, two fumble recoveries and one QB sack.

Offensively, the blocking was the best of the year, opening up Vega's defense enough for George to squeeze out 217 yards on 27 carries for a 8.1 average and three TD's. Eliazar Castillo had 64 on 12 for a 5.4 average and a 32-yard TD pass to Bryan Irons. Glen Black blasted 63 yards on 11 carries for a 5.7 average and got one TD. Bobby Allensworth got five extra points for 100 percent.

Friday night the Longhorns will meet Springlake-Earth at Hart Homecoming.

NAZARETH'S KERRY BROCKMAN [10] EVADES SILVERTON TACKLER

... Swifts' quarterback scored two TD's to spark 21-7 victory Friday

# Swifts kayo Owls, 14-7

By BRENDA DURRETT

Quarterback Kenny Brockman scored twice and Derwin Huseman rambled for 122 yards and added another touchdown to lead host Nazareth to a 21-7 win over Silverton Friday night.

BROCKMAN scored on runs of one and five yards in the second and fourth quarter, respectively, while Huseman scored in the third period on a four-yard run.

The win leaves the Swifts 2-2 in District 2-B North Zone play

and 2-5-1 on the season. Silverton now is 1-3 in district play and 1-6 on the season. Nazareth will travel to Valley Friday night for a 7:30 game with the Patriots, who lost to Motley County, 19-0, last Friday.

On Silverton's second offensive drive Friday night, Tommy Lacy found an opening up the middle and raced 30 yards to open the scoring. The Owls started the drive on the 50-yard-line, moved to the Nazareth 30, and on fourth and one

with 2:20 left in the quarter, Lacy ran for the touchdown. Gary Turner kicked the extra point.

AFTER AN unsuccessful Owl drive, Nazareth took over on the Swift 10 with 7:00 left in the second quarter. Huseman picked up 37 yards rushing, while Brockman gained 25 in the six-minute scoring drive. Brockman hit Danny Gerber with a screen pass, and Gerber—after picking up 20 yards—was tackled just two yards short of the end zone.

On fourth down and goal,

Brockman sneaked across for the score. A bad snap foiled the extra-point kick, and Silverton led, 7-6, at halftime.

On the first offensive drive of the third quarter, the Swifts moved from their 44 for another touchdown. Huseman's one-yard touchdown run was called back because the Swifts were offside, but on third and goal, Brockman lateraled the ball to Huseman and the 175-pound back went around right end for the score at the 6:30 mark. Huseman kicked the extra point, putting the Swifts ahead for the first time, 13-6.

SILVERTON was forced to punt on the next set of downs, but a Swift defender was penalized for roughing the kicker and the Owls were set up on the Nazareth 40. The Owls, hurt by a 15-yard clipping penalty, were unable to move the ball and the Swifts took the punt on their own 20.

The Swifts marched 80 yards to another touchdown, which was called back because of an illegal procedure penalty. Huseman attempted a 15-yard field goal on fourth and six, but the Owls blocked it.

Silverton fumbled the ball on the next play, and Nazareth's Frank Acker recovered it on the Silverton 18.

THREE plays later, Brockman scored on a quarterback keeper with 8:30 left in the game, then ran for a two point conversion to extend the Swifts' lead to 21-7.

The ball exchanged hands twice more, but neither team was able to mount another scoring drive.

and number of returning starters.

"MORTON has the best material of any team we have seen this year," Bush said. "I don't see how they've lost a ball game. I think they're getting it all together late in the season, the way some teams do, and they look like a powerhouse right now."

"Their front linemen weigh 215, 228, 205, 200, 190, 180 and 170 (a 198 average), so we'll be outweighed about 20 pounds or more per man," Bush lamented. "They've got a running back, Larry Moore, who weighs 200 and has tremendous speed—he looks like the best back we've seen this year. And they've got two quarterbacks who are both real good athletes—both run the team real, real well."

Bush expects the Indians to stay with the combination that worked so beautifully for them against Olton.

"THEY'LL RUN at you from the I-set formation for a little bit, then they'll go into the shotgun formation," Bush said. "They'll run and throw both out of the shotgun. They're going to be hard to stop, now that they've put it together. We're going to really have to

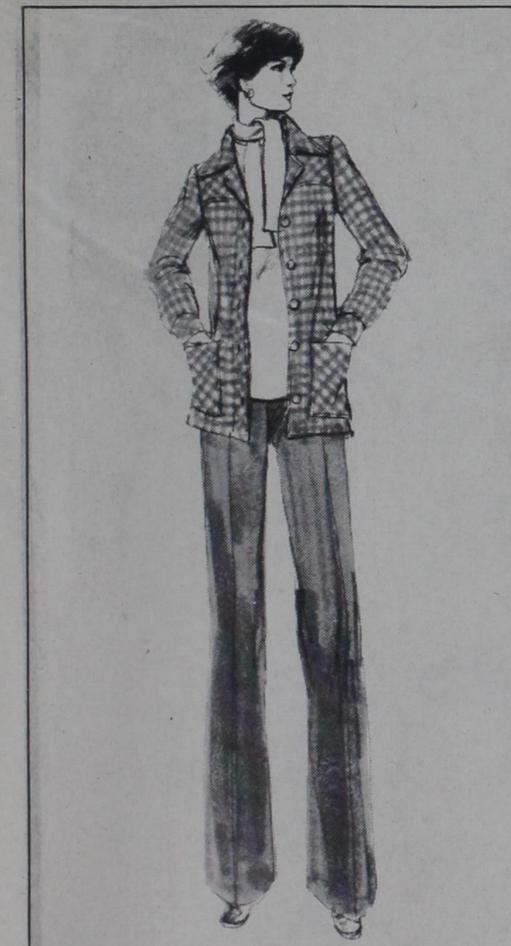

play well if we hope to beat them."

Halfback Tommy Kenworthy is definitely out of action again this week, Bush said, as the result of a concussion he received in the Tulia game. And tackle David Malone—who missed Friday night's Muleshoe game—was to be examined by a specialist Wednesday to determine whether he can play.

Kickoff time at Morton will be 7:30 Friday night.

# Accident victim dies in Lubbock

Funeral services were held in Ropesville last Thursday for Delman Strickland, 73, victim of a July 4 traffic accident in Dimmitt. MR. STRICKLAND died Oct. 19 in Lubbock's Methodist Hospital from injuries he received in a car-pickup collision at the Broadway-Bedford intersection. A car driven by a Tulsa woman broadsided his pickup, throwing him from the cab. Mr. Strickland was then trapped under the pickup after it overturned. Two Dimmitt men—Kenneth Talley and John Wait, who were working in the Lucky 7 CB Club's July 4 Rest Stop half a block away when the noon-time accident occurred—were credited with saving Mr. Strickland's life with emergency first aid. After receiving emergency

treatment at Plains Memorial Hospital, Mr. Strickland was transferred to Methodist Hospital in critical condition. He underwent surgery that night, and remained hospitalized 3 1/2 months until his death. MR. STRICKLAND was the brother of Mrs. A. R. Powers of Dimmitt. He also is survived by his wife, a son, a daughter and four grandchildren. Rev. Murl Rogers, pastor of the First Baptist Church of Ropesville, officiated at the services last Thursday, assisted by Rev. Wayne Perry, chaplain of University Hospital in Lubbock. Burial was in the City of Lubbock Cemetery, under the supervision of Rix Funeral Directors. A retired farmer, Mr. Strickland had lived in Ropesville since 1936, and had served on the school board there in 1948-49.

# Two water measures included on ballot

By Texas Press Service improve sewage treatment systems. Gov. Dolph Briscoe and other statewide officials, including Lt. Gov. Bill Hobby and House Speaker Bill Clayton, support both issues. Proponents argue the water development fund is almost exhausted and adequate water supplies may be jeopardized in the future unless more money is provided. The fund has financed about \$300 million in development projects and about \$100 million is left. Environmentalists argue against given Water Development Board uncontrolled authority to spend on water projects. Opposition spokesmen claim there is no plan, environmental study or economic assessment to guide the \$400 million bond authority. Two important water measures—one controversial, the other generally accepted—will be on the general election ballot Tuesday. PROPOSITION 1 would amend the state constitution to authorize another \$400 million in water development bonds. Proposition 2, by constitutional amendment, seeks to authorize another \$100 million in bonds for water quality. Under Proposition 1, no more than \$35 million in proceeds from bond sale could go to any one project without approval of the legislature. None of the money would go to developing water resources from the Mississippi River. The additional water quality bonds would go to grants and loans to local governments to

# Choosing our U.S. Senator November 2nd should be easy.

Senator Lloyd Bentsen, the Democrat, has served us well for six years. His record reflects his deep concern for people. He's voted to cut taxes to ease the burden on the working man and woman. He's concentrated on getting more value from those tax dollars the government spends. He's taken steps to provide a secure future for our aged and handicapped. He's pushed for campaign reform to restore confidence in our electoral system. He's made certain that our sons will never be sent to war without the consent of Congress. He's seen to it that Texas farmers and small businessmen have gotten a better-than-average break from government, which was no small accomplishment. He's conducted himself in a manner befitting the office, and he's given a full measure of service every working day. Lloyd Bentsen not only voted against the congressional pay raise, but has continued his protest by returning to the Treasury each month the amount of the raise.

Congressman Alan Steelman, the Republican, has represented a Dallas district in the House four years. His major goal is the Steelman-Udall Federal Land Use Planning Act, which has been stalled in Congress by opposition to its creation of another bureaucracy to force land use management on the states. Senator Bentsen opposes the bill, believing this matter should be left to local determination. During 1976 Steelman has had one of the worst absentee records among the 435 members of the House and has consistently missed votes on key legislation.

# Let's keep our Democrat in the U.S. Senate; we sure don't need two Republicans. We have a winning combination with Texas and Lloyd Bentsen.
