Goal: \$15,445.30

United Way drive hits halfway mark

In the third report meeting of the campaign, United Way volunteers counted contributions totaling more than \$5,000 Tuesday morning. This week's report put the United Way campaign at about the 50% mark toward the \$15,445.30 goal. Total contributions to date amount to more than \$7,000.

CAMPAIGN Chairman Jerry Marvin told United Way workers that the campaign is on its way toward success and two more weeks of effort should see the goal reached. "We estimate that only about 25% of our United Way pledge cards have been returned," Marvin said. "If our volunteers make an extra effort this week to collect cards that are still out, we could make it over the top by our next report meeting."

"We're asking those persons who have not returned their pledge cards to please do so this week... fill them out and return them to the United Way volunteer." Farm Division Chairman Jack Edwards said that the Dimmitt Young Farmers are doing an "excellent job" in contacting farmers in the Dimmitt area. Farm contributions have been instrumental in pushing the total to the 50% mark.

COMMERCIAL Division Chairman Dr. W. J. Hill said that workers in his division will be making an extra effort this week to collect the remaining pledge cards from the employees in Dimmitt's smaller businesses.

Industrial Division Chairman Bill Behrends said that his division is about 30% complete. Pledge cards were distributed to Dimmitt's largest employers during the past week.

Downtown pep rally planned for Friday

Dimmitt High School's pre-game pep rally Friday afternoon will be held downtown instead of at the school, Principal D. W. Harkins has announced. IT WILL begin at 3:30 p.m. on the northeast corner of the courthouse square. Harkins urged all supporters of the Bobcats to be present to demonstrate their backing for the DHS team.

"We want everyone in the community to be there to show the Bobcats the fans are behind them wholeheartedly as they meet the Friona Chiefs in this important game," Harkins said.

"We hope that the employees of these firms will complete their pledge cards this week and return them to their employer so that we can add their contributions to our United Way total," Behrends said.

Rites held for Carrie Little

Funeral services for Carrie C. Little, 72, of Dimmitt were conducted Monday morning at a Lubbock funeral chapel. Burial followed in the City of Lubbock Cemetery.

Rev. J. Waid Griffin, associate pastor of First United Methodist Church of Lubbock, officiated. MISS LITTLE, a resident of Dimmitt since 1974, died Saturday night at South Hills Manor. She lived in Lubbock from 1915 to 1936, and had resided at San Angelo and Colorado Springs, Colo., before moving here.

Born in Wolf County, Ky., Miss Little was a Methodist. She is survived by two brothers, E. R. of Dimmitt and Melvin of Decatur, and two sisters, Joyce Ray of Lubbock and Beatrice Nation of Colorado Springs.

HOMECOMING QUEEN at Hart High School for 1976-77 is Arcelia Garza, who was crowned in pre-game ceremonies Friday night. A senior, the Homecoming Queen is the daughter of Mr. and Mrs. Albino Garza and is a member of the HHS Pep Squad.

Special Gifts Division Chairman Bob Caddell reported contributions from several Dimmitt firms, and said that any business or industry wishing to contribute to the United Way may contact him for assistance.

"Also," he said, "we are eager to assist civic clubs and organizations with United Way contributions." This year's United Way goal of \$15,445.30 will support 11 separate community organizations.

"Also," he said, "we are eager to assist civic clubs and organizations with United Way contributions."

This year's United Way goal of \$15,445.30 will support 11 separate community organizations.

KDHN RADIO

By midmorning Tuesday, election judges throughout the county already suspected they would see a record-high turnout. The voting was brisk, and many precincts passed their normal halfway marks before the noon rush.

By the time the polls closed, 3,178 Castro Countians had cast ballots—76.3% of the 4,167 registered voters—to establish a new record for the county.

The story was the same in many other parts of the nation as Americans overturned predictions of "voter apathy," giving Jimmy Carter a narrow victory over Gerald Ford in the presidential race.

One of Castro County's polling sites—Precinct 15 at Easter—recorded one of the highest percentage turnouts in the state—96%—as all but three of the precinct's 76 registered resident voters cast ballots.

Castro County favored Democrats Carter, Sen. Lloyd Bentsen, Congressman George Mahon and Railroad Commission Candidate Jon Newton by a 2-1 margin over their Republican opponents.

In the presidential race, Castro Countians cast 2,033 votes for Carter and 1,007 for President Ford. Independent Candidate Eugene McCarthy received 13 votes, Thomas Anderson of the American Party 9 and Peter Camejo of the Socialist Workers Party 0.

The Carter vote here, combined with the farm and ranch vote elsewhere in the state and overwhelming margins in San Antonio and Corpus Christi, helped give the former Georgia governor Texas' 26 big electoral votes in his narrow victory over President Ford.

Nationwide, at presstime Carter had won or was leading in 23 states and the District of Columbia with 302 electoral votes. President Ford won or led in 27 states with 236 electoral votes. Generally, Carter carried the South and Ford the West, while the two candidates divided the New England and Midwest states.

Sen Lloyd Bentsen received a 2,021 to 929 lead over Republican challenger Alan Steelman here in the race for US senator, with housewife Marjorie Gallion of the American Party receiving 14 and the Socialist Workers Party's Pedro Vasquez getting 13. Statewide, Sen. Bentsen easily overwhelmed the former congressman from Dallas for another six-year term in the US Senate.

Another overwhelming winner was Congressman George Mahon, the only man who has ever represented Texas' 19th District since it was formed in 1934. Castro Countians gave the Democratic congressman from Lubbock a 2,003 to 1,005 lead over Republican challenger Jim Reese, former Odessa mayor. District-wide, Mahon won by about 85,000 to 70,000.

Reese was the first candidate in 12 years to challenge the 76-year-old Mahon, who as chairman of the House Appropriations Committee is regarded as one of the most powerful men in Washington.

In the only other contested race on the ballot—the one for Texas railroad commissioner—Democrat Jon Newton earned the widest margin of victory given by Castro Countians. Newton polled 2,039 votes to 628 for Republican Walter Wendlandt. The Raza Unida Party's Fred Rodriguez Garza received 66 votes here, while Pat O'Reilly of the Socialist Workers Party received 9.

Newton did almost as well statewide, defeating Wendlandt by a 2-1 margin.

A write-in campaign in the race for the Place 2 associate justice seat on the Texas Supreme Court fell short here, as it did in the rest of the state.

Democrat Don Yarbrough—a Houston attorney who is facing 15 malpractice suits and a disbarment suit—received 1,461 votes here for the Supreme Court post, while two announced write-in candidates split 1,009 votes. District Judge Sam Houston of Lewisville received 705 write-in votes while Houston attorney Tom Lorange got 304.

Whether the controversial Yarbrough—who wasn't the former Democratic gubernatorial candidate, as many thought—would get to take his seat on the Supreme Court should he be disbarred, [See CARTER WINS, Page 14]

THIS IS OCTOBER?
50-hour snow fell on blooming flowers

10-inch snow breaks record

The 10-inch snowfall over a 50-hour period last Wednesday, Thursday and Friday far exceeded the amount for any October in previous years, as shown in Panhandle weather records dating back to 1892.

BUT Castro County has seen earlier snows, and also earlier freezes than this year's first one on Oct. 8. In fact, it snowed an inch and the temperature fell to 30 degrees on Oct. 8, 1970. The earliest freeze recorded by Edwin "Goose" Ramey, long-time weather observer here, was on Oct. 2, in 1958.

It froze on Oct. 7 in both 1951 and 1952. In the former year, Ramey notes, there was a light frost that killed a fourth of the cotton in the county.

More usual dates for "first freezes" are in mid-October or later, and sometimes not until November. The latest shown in Ramey's records came on Nov. 18, 1962, when there was a two-inch snow.

The snowfall last week amounted to 6.5 inches Thursday with another 3.5 inches Friday. Ramey's 56-year records of Dimmitt weather indicate the largest previous October snow total was three inches, on Oct. 31, 1941.

The veteran Castro County weather observer has kept records since 1911.

He also has reports from the US Weather Bureau at Amarillo, from 1892 to 1947, on yellowing sheets which show snow and moisture totals and temperature extremes for that city which are not far different from Dimmitt's.

They bear out Ramey's recollection that the winter of 1918-19 was the "snowiest" on record here, but the heaviest single autumn snow was in November of 1906, when a three-day blizzard left 14.8 inches on the ground.

Snowfall of 4.4 inches in October 1918 set the month's record for the 1892-1947 period, and was followed by 10.8 inches in November and 20.5 inches in December to bring the 1918 total to a record 46.1 inches.

The snow did not end with the year, though, but continued to late spring in 1919. There was only a trace in January, but February added 3.7 inches, March 1.7 inches and April a whopping 7.6 inches.

Latest shows of a year were recorded in May 1917, with 9.1 inches, and May 1935, 2.2 inches.

FmHA assigns new man here

Donald W. Pipes became county supervisor of the Farmers Home Administration in Castro County Oct. 24, according to an announcement from FmHA State Director J. Lynn Futch.

PIPES comes to Dimmitt from Decatur, where he was the assistant Wise County supervisor. He has worked with the FmHA since February, 1971. He is a graduate of Tarleton State College at Stephenville.

HANG ON!—Another stalwart tries to climb to the top of the Ladies' Golf Association's flexible ladder in an effort to touch the ghost at the top and win a prize during the annual Dimmitt Halloween Carnival Saturday night. The Dimmitt Lions Club, sponsor of the event, reported that almost 2,000 turned out for the community event. The carnival featured 27 game and food booths, plus clowns, goblins, witches, a red devil—and even a "Great Pumpkin" which was 6 ft. tall and measured 201 inches around the waist.

Sheffy's chatter

Mrs. Kemp home from Atlanta-San Francisco visits

By MYRTLE SHEFFY

Louise Kemp is home from a summer's visiting with the daughters. She went to Atlanta, Ga. to visit Ginger for a month, then home and LaDawn and husband Tom Reichling were here. They took a big truckload of furniture back to their home north of San Francisco. Louise went back with them. They bought a nice home in the hills north of the city and Louise helped with the moving and decorating. Lovely neighbors in that area had them to lunch and get together. Now she is very busy trying to get the crops harvested and helping Carl Lee at the cattle feed pens.

Oh, yes! Louise says the house is a three-story split level with a big deck she liked to sit on. She could see the bay and the beautiful night lights of San Francisco, and the deer and rabbits came, even to the yard.

CRAIG Vandiver of Texas Tech and Loren from NMMI at Roswell were home for a weekend visit with parents Dr. Charles and Esta Vandiver.

Jimmie and Della Chapman spent the weekend in Littlefield with his mother. Of course sports-minded Jimmie looks at the games.

Sue Coleman is back on the job at the Castro County News after a two week vacation, spent at her home in Hereford, where she cleaned the yard for the winter snows and spring tulips.

Don Nelson said he would bet there were 100 or more Dimmitt people at the Tech-Texas game Saturday in Lubbock—and that if he won that bet, it would be the only bet he would win on the game. Probably a milk shake from son David.

Helen Richardson spent a few days at her Ruidoso house last week, and guests were Joann Robertson, Faun Welker, Ramona Annen, Dorothy Mayfield, who were there for a big bridge tournament at the Chaparral Motel.

EMMETT and Sue Broderon went up north to Billings, Mont. They saw the football game their son Kyle was in. He is at the University in Butte, Mont.

Their daughter Kerry and friend Mike, both students at Tech, came home before the Broderons left, and Joylyn stayed with Helen.

And Tuesday evening a group of friends had a bon voyage party at K-Bob's for Cleo Forson, who, with a sister-in-law, has a trip to Hawaii. Guests were Helen Richardson, Ruth Skinner, Alice Cowen, Fern Dickey, Evie Froehner, Genieva Howe, Koma Ratcliff, Althea Hutcherson, Doris Lind-

sey, Bess Webb, Marguerite McLain, Peggy Webb, Myrtle Lois Moran, Carol Lantz and Shirley Hall.

Mr. and Mrs. Bill (or Mary) Derryberry and daughter Sharon have bought and moved into the house at 1104 West Howe Street, just off 12th. They attended the show "Hello, Dolly" at ALT in Amarillo. Report a very good play.

ESTA VANDIVER tells us the Book Club will meet at the

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Important to veteran, widow and widower pensioners:

On Monday, November 1, VA pensioners will find with their monthly checks the AIQ (Annual Questionnaire cards) to be filled out and returned to the VA Philadelphia office before Jan. 1. It is important that they be accurately filled out and returned on time, or the Feb. 1, 1977 check for January will not be received by the pensioner. Once each year the VA reviews all benefit checks based on information of record.

"We have received detailed instructions so that we can aid pensioners in the proper preparation of the AIQ cards. Due to the fact of misunderstandings by claimants concerning some items, we have discovered that some pensions were cut off or lowered because of mistakes in preparation. We are here to help to avoid them. Our services are without any fees for all veterans, dependents and survivors for all VA benefits.

When bringing the AIQ cards to our office, be sure you have complete information regarding medical expenses for yourself and all dependents, accurate Social Security monthly information, and any other income of claimant and spouse. Medical information includes medical insurance premiums, amounts you have paid to hospitals, doctors, drugs, eye glasses, dentistry, mileage for services if out of your town, etc. We'll help you find the proper amounts to report. We have a VA list of about 60 different medical expenses that may be counted. Most payees over 72 years of age who have been on the roll for two or more years will not receive these cards, but it is required that if there is a change in income, medical expense, or marriage relations, etc. it must be reported to the VA.

The VA reports that there are WWI widows who are eligible but are not on the pension rolls, some due to former income restrictions or marriages following the death of spouses that have since been terminated. Some who are now in rest homes seem not to know that they have automatic extra aid and attendance benefit eligibility even if not bedfast. Anyone knowing of such, please tell them to contact our offices or have their friends do so.

Accountable income limitations for war veterans with 90 days or more of service is \$4,500 if they have dependents, and \$3,330 if they have none. 10% of Social Security or other annuities, certain amounts of spouses income, excessive medical expenses, etc. are excluded in assessing VA pension awards. There are benefits for children of deceased veterans under certain conditions even when the widow's income exceeds limitations set by federal law.

THE TEXAS County Agricultural Agents Association at its recent annual meeting in Waco pledged a united front in support of several key agricultural issues in Texas. Major resolutions included support of Gov. Briscoe's goal "to make Texas No. 1 in agricultural income."

home of Maxine Tidwell, 1009 Maple for its next review (because the bank will be taking pictures at the library). You are all invited to hear Mrs. J. W. Walker review a fun book, "Change Lobsters and Dance" by the famous actress Lili Palmer. She was the wife of Rex Harrison. Please come at 4 Wednesday, Nov. 10.

Frank and Shirley Wise cooked up a big chicken barbecue dinner with all the go-with foods to celebrate Linda's 18th birthday Sunday. Shirley's parents Garland and Ruth Coleman, brother Garland No. 2 and Sue Coleman, her brother Joel Nelson from Tech, Gary and Ronda Wise from Lubbock, Susan and young boy Wise.

KATY AND Donald Wright went to the WTSU Buffalo game Saturday. Their son Rick is the kicker. Don't know who else went.

Ted and Dorothy Sheffy cooked a steak dinner Saturday and asked me over to help eat same. The other grandma, Rachel Graham was there, as were Rick and Beth Wallace and son Shay and Brooke. Then Sunday evening Graham and Karen Sheffy had a cake and coffee to celebrate little Gabe's first birthday. He is walking now.

Mike and Vicki Bryant who live near Flagg went to the Tech game at Lubbock.

Danny and Shelly Rice and little girl have moved to the house at 613 Dulin, that is the former home of Bullet and Shirley Adams who moved to South Texas.

Mrs. Alma Umberson received

ed word that her sister-in-law Clara Umberson of Albuquerque died. Her service was at the chapel of Strong-Thorne Funeral Home with Dr. Harry Vanderpool officiating. She leaves many relatives and friends.

SATURDAY afternoon many people went to Lubbock for the Texas Longhorns and Tech Red Raiders game. I heard of these. Don and Verbie Nelson, David and Nathan, Joe and Gladys Benson, the Weldon Skinners, the Glen Ratcliffs, Russel and Myrtle Lois Moran, maybe Juanita Blaine. This last group had supper with Raymond and Mary King. Later the Ratcliffs went on to Levelland for a visit with son Hal and Charlotte and children.

Dr. and Mrs. James Sims were hosts Friday evening at a Mexican fiesta supper with games of "42" later. Guests were Jerry and Carol Cluck, the Richard Hunters, the Norman Nelsons. And last weekend Mr. and Mrs. E. D. Morgan of Floydada came to help the Sims children enjoy the Halloween carnival. The Morgans are parents of Glenna Sims.

A spaghetti supper with bridge was in the home of Weldon and Ruth Skinner. That was Friday evening and guests were Bill and Eunice Thornton, Glen and Koma Ratcliff, Joe and Alice Cowen, Frank and Josephine Latimer, Evie Froehner and M. E. Cleavinger. Seems Marge Cleavinger went visiting daughter Jane and the Stollings at Darrouzett.

MRS. CHARLES Gallou,

who lives at South Hills Manor, had company Saturday. Her niece Barbara and Kenneth Kohlar who are missionaries from the Mexico City area and their daughter and husband Mr. and Mrs. John Goss from Idaho, and all the Dimmitt Braafads. Helen is her daughter.

Allan and Peggy Webb, G. L. and Ouida Willis went to the Tech game Saturday and their supper guests were Johnny Webb, his friends Shannon DeVaney, Becky Carpenter, Danny Ebeling and Christy Edwards and Ami came by for a visit as did Juanita Blaine of Plainview and her son Bill Blaine from Houston.

And Vera Webb, Allan's mother, is doing fine from her recent hurt neck. Her daughter Mary Jean Copeland of Denver and Penna Harden of Seymour have been to see her. Vera likes company, so friends, go by to see her.

Jerry and Sherri Matthews and Gary and Rhena Webb were among the people going to the Tech game and having supper out.

Do remember the bazaar and noontime Thanksgiving dinner at the Methodist Fellowship Hall Nov. 10. Come to the north parking lot. See you there.

EARL AND Mable Brock visited his brother Arthur and Mrs. Brock in Hereford Sunday.

Charles and Clea Wilkerson and children spent the weekend in Clarendon visiting her parents Mr. and Mrs. Walter Johnston.

Jimmy and Nancy Ross and daughter Amy spent the weekend in Lubbock with Bill and Millicent Bennett. All attended the big football game Saturday.

Little Brandi Holcomb of Earth came to the carnival with grandparents Jeanie and Cowboy Johnson dressed as a tomato. They say she was the cutest thing there. Graham Sheffy says his tiny Gabe a bunny was. Brandi is the daughter of Butch and Jaci.

Cleta Wilkerson was hostess last Saturday at a stork shower for Verletta Witt (Mrs. Larry Witt). Many friends came bringing gifts. Other hostesses were Beth Schulte, Martha Isaacs and Mable Brock.

SHIRLEY WISE was hostess Thursday to her bridge playing friends. Good cook Shirley served nice eats to Dorothy Gilbreath, Carole Dyer, Courtney Armstrong, Betty Huckabay, Sue Merritt, Polly Simpson, Betty Patterson, Ina Cleavinger, Ruth Jackson, Joannis Robertson, Doris Lust and Murna Miller. Carolyn Jones and Mona Merritt came by for coffee and a visit with the ladies.

Maurine Henderson has had much company to see her and Oma Simmons who is here from Springfield, Mo. They were Otto and Mary Gilliland from Dalhart. Otto is Oma's brother, and a cousin Velma Chase from Lubbock, Madeline Bell of Hereford and her friends Mr. and Mrs. John Adamson from Turkey and Mildred Nita Kyle. Oma goes home Wednesday. Fred Kuntz spent a few

weeks in West Virginia visiting relatives. He came home, went to a hospital for a checkup. Doing fairly well, they say. His sister Ellen Kuntz is here from West Virginia for a visit with the family.

John and Kathy Cook went to Childress last weekend to visit her mother Juanita Gilbert. Kathy works with the bank folks now.

THE FIRST Baptist Mexican Church, formerly the Joe Bailes Memorial Baptist Church, recently bought three lots on 9th and Etter for future construction of their church. Sara Salinas, secretary, was telling us this.

Visiting Eddie Kimbell at the hospital were sisters Ola Lankford of San Antonio, Mabel Bills of Amarillo, his brother

Gene Kimbell, wife and son of Plainview, also Clara Kimbell, wife of the late Morris Kimbell. While Eddie was in Methodist Hospital his oldest nephew, James Savage of Plainview died after a lengthy illness. Eddie and Lee said they thanked all who made his stay a little more pleasant.

STYLE

GOTHIC, EARLY AMERICAN, CONTEMPORARY, OR MODERN... Americans have a right to be proud of the beautiful structures erected and dedicated to the service of our Lord. David had a great desire to build a temple for the Lord, but because of his sins he was not allowed to complete it... The building completed by Solomon was used as God's house until the people strayed from God, and then it was destroyed. God has no desire for the building without the people.

PEP SQUAD KING—Hart High School Pep Squad President Laticia Perez crowns Berto Miniare as the 1976-77 Pep Squad King Friday to climax the school's unique pinning ceremony, an annual feature of Homecoming Week. Miniare, who was escorted by Norma Rios, is a senior lineman on the Longhorn team. The Homecoming Bonfire and Flame King crowning scheduled for last Thursday night had to be cancelled because of the snow, and will be held at a later date.

View from the Library

By BRICK AUTRY
Librarian

Announcement No. 1: Rhoads Memorial Library will be open during the noon hour, 12 to 1. This will provide an opportunity for those who work during the other hours to come in during lunch. Drop in, why not, and see us?

Announcement No. 2: a mis amigos pequeños: Ponga sus papeles en la brasura, por favor, NO en la retrete.

To my little English friends: Put your papers and paper towels in the trash, please, and not in the commode.

There, I've said it twice. That should be sufficient.

TODAY I want to bring to your attention a matter which concerns me often. That is the matter of herbs and spices. I don't mean the green leafy kind that people are smoking illegally now and which come in various amounts from our neighbor south of the Rio Grande. I mean the simple everyday kind which are found in the grocery store and which most people ignore because of unfamiliarity.

Rhoads Memorial Library now has two new books about spices and herbs and I want to highlight them briefly, because herbs and spices are very healthful and not too many people know that. I think the reason is that we often get into a rut in our eating habits. For example, here in Texas and the

South Plains, especially, people get hooked on chili and barbecue. Now chili is a spice, but did you know that red pepper is much better for your stomach and just as fiery?

The book, "Pick, Cook and Brew," tells you how to grow and prepare your herbs and then use them in your cooking.

GARLIC is one herb which most people hate. Sometime in the past they ate a food with too much. But, did you know that garlic soup really isn't that garlic-tasting? The recipes are in the book, with many others. (Did you know garlic is wonderful for people with high blood pressure?)

The other book, "Folk Medicine, Fact and Fiction" is an interesting picture book about herbs and how they have been used and misused through history. Quacks and fake cures and also good natural remedies are presented and pictured.

As I write this, it's snowing very hard. Our library is very cold because the heating is in disrepair and because the repair-men are slow in coming. You'll have to excuse me, I have to go sit on my hands to avoid a bad case of frostbite.

SQUARE DANCE TIPS

By LINDA RICHARDSON

The Dimmitt Promenaders canceled their regular dance Oct. 26 in order for our caller Johnny Gillenwater and several couples to attend the special Excelsior Square Dance in Amarillo. Ron Snider of Florida was caller and had approximately 20 squares.

The Excelsior Club is made up of square dancers from this area who are learning the advanced calls that are being introduced in this part of the country. Gary Shoemaker is caller and the dance is held the 3rd Tuesday of each month in Amarillo.

The Promenaders met Nov. 2 and will also meet the 9th and 23rd of November at the Castro County Country Club at 8 p.m.

I HAVE never met a man who has given me as much trouble as myself. —Moody

15—LEGAL NOTICES

NOTICE OF INTENTION TO INCORPORATE

Pursuant to article 1302-2.02 of the Texas miscellaneous corporation Law Act, Notice is hereby given that V. R. Nelson Trucking, Co., a sole proprietorship whose principal business office is at Dimmitt, Castro County, Texas, intends to become incorporated without a change of firm name. 15-4-4tc

15—LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: BENITA SALIVA, RESPONDENT. Greeting: YOU ARE HEREBY COMMANDED to appear before the Honorable 64th DISTRICT Court of CASTRO County at the Courthouse thereof, in DIMMITT, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 6th day of DECEMBER A.D. 1976, to Plaintiff's Petition filed in said court, on the 21st day of OCTOBER A.D. 1976, in this cause, numbered 4308 on the docket of said court and styled in the matter of the marriage of Alejandro Saliva and Benita Saliva and in the interest of Norma Saliva, Juanna Saliva and Alejandro Saliva Jr., children.

A brief statement of the nature of this suit is as follows, to-wit:

A suit to dissolve the marriage of Alejandra Saliva and Benita Saliva and to appoint Benita Saliva managing conservator of the children of said marriage as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Dimmitt, Texas, this 21st day of October A.D. 1976.

EVERYBODY'S GOT DIRT! We'll Move It!

THE BUSY BEES of Brownie Troop 133 arranged this fall scene to brighten the entry to the Helen Richardson Elementary School Cafeteria. The girls gathered and arranged the materials themselves—potted plants, fall leaves, the

scarecrow, flag and cartoon figures. The "live" characters shown are members of the troop [from left] Paula Ivey, Charlynn Hunter and Cinnamon Cox.

Bobbies, Swifts tapped to meet in tournament

Can you imagine Nazareth's defending state semi-finalists playing Dimmitt's defending district champs in their first tournament of the girls' basketball season?

IT WILL happen Nov. 25 in the opening game in the first annual Plainview Queens Classic at Hutcherson Center on the Wayland College campus.

The two Castro County teams

are among eight top high-school teams invited to participate in the three-day Thanksgiving weekend event. The tourney also will have a college division, with eight women's teams competing.

The Bobbies and Swifts will also participate in the 19th annual Flying Queens Basketball Clinic at Plainview Nov. 20. The Bobbies will meet AAA

state runner-up Canyon at 2:45 p.m. and Nazareth will go against Ralls at 6 p.m. after a college game.

PASSES for the Queens Classic, scheduled Nov. 25-26-27 in Hutcherson Center, now are on sale through the Plainview Chamber of Commerce and at banks in the hometowns of the Panhandle-Plains high schools participating in the unique

event.

The passes, good for all 24 tournament games, are \$10 for adults and \$5 for children under 12. They can be obtained by sending check, cash or money order to Queens Classic Tickets, Plainview Chamber of Commerce, Box 340, Plainview 79072, specifying the type of passes needed.

The tournament has eight games daily, starting at 9 a.m., with the high school finals at 7:30 p.m. and the college finals at 9 p.m. on Saturday, Nov. 27.

As a special feature of opening day—Thanksgiving—the Wayland dining hall staff will serve a traditional Thanksgiving dinner of turkey, ham and all the trimmings between 1:30 and 4 p.m. to accommodate all teams and fans wishing to eat. Cost will be \$2.50 for adults and \$1.75 for children under 12. No reservations are needed.

Opening day high school games will send Cathy Wilson's Class B semi-finalist Swifts (34-5) against Sam Nichols' 3-AA champion Bobbies (26-7) at 9 a.m.; Bob Schneider's AAA finalist Canyon Eagles (34-1) vs. Marcia Shield-knight's Ralls Lady Rabbits (17-12) at 12:30; Bill Clemmons' state AA champion Phillips Blackhawks (25-5) against Gay Benson's AA regional finalist Slaton Tigerettes (25-9) at 4, and Gary Blair's AAAA finalist Dallas South Oak Cliff Golden Bearettes (34-1) against Marcia Sharp's Lockney Lady Longhorns (15-13) at 7:30.

The tournament is sponsored by the Sports Committee of the Plainview Chamber of Commerce and is believed to be the largest combination high school-college tournament for women in the Southwest.

RESEARCH conducted by Texas Agricultural Experiment Station scientists shows that monensin, a new feed additive cleared only for feedlot rations, may be profitably fed to the beef breeding herd with no ill effects.

Snipe hunt season open

Yes, snipe hunting is for real, and Texas snipe hunters will have 107, longest season ever in Texas, to hunt the game bird this year.

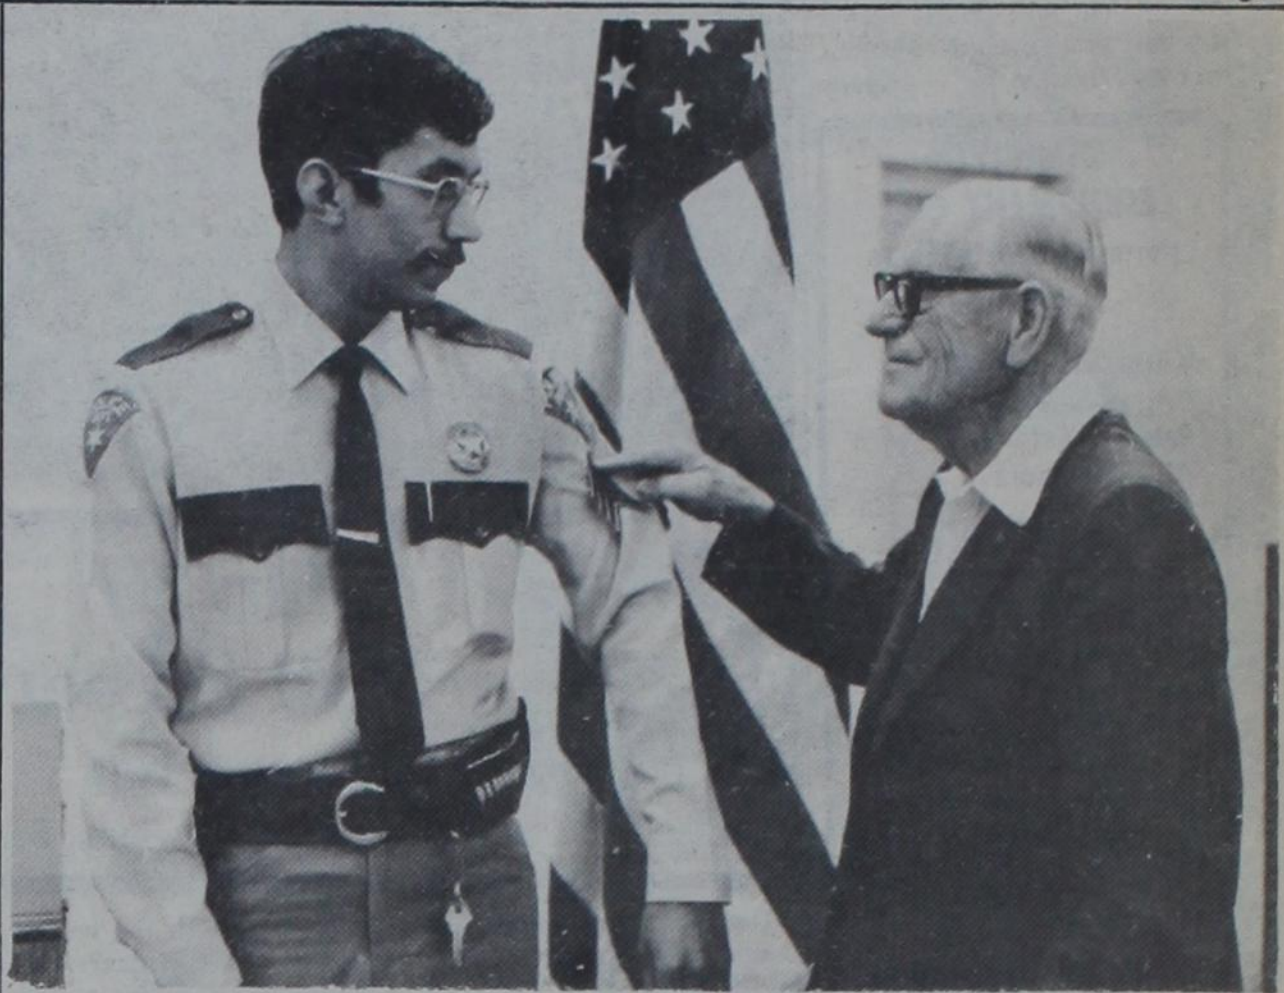

THE SEASON began Oct. 30 and runs through Feb. 13, some 42 days more than last year's 65-day season. Most snipe hunting is confined to southeast and east-central Texas, according to Dr. Hal Irby, Texas Parks and Wildlife Department migratory game program director.

"The three-and-one-half-month-long season in Texas is the longest possible open season for migratory game birds in the United States and Canada," Irby said.

"It is hoped the longer season, which extends beyond the duck and goose seasons, will increase hunter opportunity for this currently underutilized game bird."

Hunters need only a valid hunting license to hunt snipe in Texas.

Hunting hours will be 30 minutes before sunrise to sunset, with bag and possession limits the same as last year, eight and 16 respectively.

NEW SERGEANT—Santos Perez, senior patrolman in the Dimmitt Police Dept., was officially promoted to police sergeant at Monday night's city commission meeting. Here, Mayor Elmer Youts pins the new sergeant's stripes to Perez's sleeve. As second-in-command under Police Chief David

Slaughter, Perez succeeds longtime Sgt. Fred Moulton, who resigned recently and has joined the Sheriff's Dept. In promoting Perez, the city commission noted that he has "contributed significantly to the Police Dept. because of his professional knowledge and attention to duty."

Nichols tells Kiwanians

Bobbies' hopes high

Dimmitt High School's Bobbies will be an experienced team with a winning attitude, but they face a tough schedule in pre-season and district play this year, Coach Sam Nichols told the Kiwanis Club Monday.

INTRODUCED by Bill Thornton to "tell the truth about girls' basketball prospects in DHS," Nichols said the Bobbies are getting ready to begin the season in two weeks and play by invitation in the Wayland College Flying Queens

Classic at Plainview, where there will be six district champions among the eight high school teams.

"Experience is one of our strong points this year," Nichols said, pointing to four all-district players—Beth Cleveland, Joyce Wooten, Mel Nelson and Nita Parker—who return to the team along with three other senior lettermen.

"We have plenty of fine players, giving us depth so we can substitute freely, and the

team has a strong feeling of pride to improve their attitude," the coach said.

ON THE deficit side there is lack of height overall, with "no six-footers on the team," he added.

DHS Key Club members, who were lunch guests of the Kiwanians, introduced their club sweetheart, Amy Merritt. Representing the Key Club were Rob Hughes, Jimmy Butler, Russell Birdwell, David Montiel and Gary Bruegel.

This survey of the quality of telephone service is conducted for utilization by the City of Dimmitt in analyzing the proposed rate increase presently pending before the Public Utility Commission. It is necessary that these survey cards be signed and returned as soon as possible. If you have any specific complaints or comments, please make your comments in writing to the City of Dimmitt, P.O. Box 146 or City Hall, 201 E. Jones, Dimmitt, Tx., no later than Nov. 15.

On Wall Street
By Bob Hill
A. G. Edwards & Sons, Inc.

Our inflation rate has been consistently dropping since it hit the double-digit level for the first time in 1975. But, in Brazil the inflation rate is 50% and it isn't dropping. Because of this and the reluctance of Brazilian banks to lend consumers money for the purchase of big ticket items, Brazilians are joining buying clubs by the thousands. These clubs offer the thrill and excitement of a lottery and guarantee a new car, boat or airplane to each member within 60 months.

FORD Motor Co. of Brazil finds a major market in the clubs and now runs 2,300 of them, selling 20% of its total Brazilian production to buying clubs. Since the first buying club was started nine years ago, Ford has sold 140,000 cars with this method. Ford has also had inquiries about the program from Europe and other Latin American countries and plans to offer it in the Philippines.

Consumer members of the buying clubs agree to make monthly payments to the club for 60 months. The monthly payment is determined by taking the price of the item being purchased and dividing that by the number of members which, by Brazilian law must total 120. The club would buy two cars outright each month, thus avoiding interest charges. A lottery is held monthly for the names of the winners of the two cars. A new member might win a car the first month, but will still have to keep making his monthly payments for the five years. In order to keep an early winner from defaulting on his monthly payments or dis-

appearing with the car or airplane, two co-signers are required before delivery. There is also a provision for increasing payments over the next 60 months should the price of the merchandise climb.

The buying clubs are a means for the lower income families to purchase big ticket items at a cost of about half the cost of financing the purchase through a Brazilian bank. The automobile companies like the buying club approach, because it gives them a steady number of customers.

Mrs. Rountree cited by ASCS

Mary Lou Rountree, program assistant with the Castro County ASCS Office, has received notice that effective Oct. 24 she had been approved for a quality increase.

MRS. ROUNTREE was one of 34 employees in Texas receiving such an award for outstanding and efficient service to the US Department of Agriculture.

A banquet and special recognition will be held in College Station Nov. 16 for those receiving the awards.

Mrs. Rountree started work with the Castro County ASCS Office Sept. 23, 1957.

SUPRESSED feelings may eventually be expressed in the form of a headache, backache, fatigue, ulcer or other physical symptoms.

CHAPEAU AU PLUME—Snow forms a "musketeer's hat" Thursday on the yard light at the Reeford Burrous home, 710 W. Grant St. Viewed from other angles, the snowcap also could be envisioned as a beret or a Tam O'Shanter.

Now's a prime time to take soil samples

Any time after crops mature in the fall is an ideal time to take soil samples, says County Extension Agent Charles Hottel.

ONCE PLANTS reach maturity, he says, they virtually stop taking up nutrients. Therefore, the soil's nutrient state will remain about the same until planting time next spring.

"There are many advantages to soil testing at this time," says Hottel. "For one thing, you can now readily identify problem areas in a field. If you think fertility caused reduced yield or unusual symptoms in some areas, sample these areas separately so that a comparative evaluation can be made."

Other reasons for soil testing this time of year include pleasant weather and more favorable soil conditions.

ALTHOUGH overall shortages of fertilizer are not anticipated, there can be a big advantage in having time to make plans with your dealer for the material needed. The possibility of fall application of all or part of next year's fertilizer soon after harvest is another important consideration, he adds.

Information on how to collect representative samples can be obtained from the county agent's office.

What's cooking at the schools

HERE ARE the school lunch menus for Dimmitt Schools for Nov. 8-12.

MONDAY — Barbecued wieners, creamed potatoes, green beans, fruit, rolls, butter, milk.

TUESDAY — Chicken and dumplings, cabbage salad, green peas, gelatin, rolls, milk.

WEDNESDAY — Beef stew, cornbread, crackers, pineapple slices, cinnamon rolls, milk.

THURSDAY — Hamburgers, pork and beans, cake, milk.

FRIDAY — Fish with tartar sauce, rice, blackeyed peas, corn, peanuts, rolls, butter, milk.

15—LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS TO: JOHN COLLINS FITCH, Respondent:

GREETINGS:

YOU ARE HEREBY COM-

MANDED to appear and answer before the Honorable 64th

District Court, Castro County,

Texas, at the Courthouse of said County in Dimmitt, Texas,

at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of Deborah Darlene Meyers and Joe Mike Meyers, Petitioners, filed in said Court on the 28th day of October, 1976, against John Collins Fitch, Respondent, and said suit being numbered 4316 on the docket of said Court, and entitled "In The Interest of Jason Christopher Fitch, a Child", the nature of which suit is a request to Terminate the parent-child relationship between the child and John Collins Fitch, his father, and to grant a decree of adoption to his stepfather, Joe Mike Meyers. Said child was born the 2nd day of September, 1973, in the City of Friona in Parmer County, Texas.

The Court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at Dimmitt, Texas, this the 28th day of October, 1976.

United Way

WE need OUR help!

The 1976 goal of the Dimmitt United Way is a reasonable one: \$15,445.30 to support 11 worthwhile organizations for the coming year.

The 1976 campaign was to have ended Tuesday. But we've reached only half of our goal. So the campaign has been extended.

Still, people responded well this week with their donations and pledges. Well enough, in fact, that the goal is in sight. We can reach it, if everybody pitches in and helps.

What is the United Way, anyway? Or, more specifically, WHO is it?

In a word, it's US—all of us. There isn't a person living in the Dimmitt area who isn't helped in some way during the year by one or more of the programs being supported by the United Way.

The publicly supported agencies that are depending on us provide services and programs for the young (Dimmitt Kids, Inc., Caprock Girl Scout Council, South Plains Boy Scout Council), the elderly (Senior Citizens of Dimmitt, Inc.), those with specific illnesses (Cystic Fibrosis Foundation, Southwestern Diabetes Foundation), the unfortunate or disaster-stricken (Salvation Army), the retarded (Satellite Training and Work Center). We are all benefited by the many services of Rhoads Memorial Library. Our United Way even carries our community to the national and international scope (Presidential Classroom for Young American, American Field Service).

These services and programs add quality and dignity to our lives, and to our community. They need and deserve our support. The best way for us to give it is through the United Way.

Of course, these aren't ALL the worthwhile organizations that will be asking for our money during the year. But these are all that were willing to join the United Way. The others have their own fund-raising programs, many of which employ professional fund-raisers or coordinators.

The United Way isn't manned by "professionals." It's manned by local volunteers. Your United Way contribution is administered by a board of local people who are willing to give you an accounting of how your money is being spent.

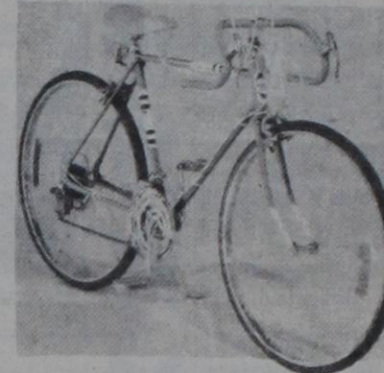

The 11 organizations of the Dimmitt United Way need your help—now. If you haven't yet made your pledge or contribution, please do so this week.

If you've received a pledge card, please return it with your contribution or pledge to the person who gave it to you. If you haven't received a card and want to donate, contact any of the United Way campaign coordinators—Chairman Jerry Marvin at KDHN or co-chairmen Jack Edwards at Burkett, Ross & Edwards, Attorneys; Dr. W. J. Hill at the Dimmitt Veterinary Clinic; Bill Behrends at Behrends Insurance Agency; or Bob Caddell at Pioneer Natural Gas Co.

This is OUR responsibility. It's our chance to help ourselves. Let's put the United Way over the top!

BOOST FROM KIWANIS—The Senior Citizens of Dimmitt, Inc., got a big boost last week when the Dimmitt Kiwanis Club presented them a check for \$500 to help finance their educational and enrichment programs. Here, Kiwanian Bill Thornton presents the check to Mary Acker, director of the

Senior Citizens' Center, and Noramae Newson, a member of the association. The Senior Citizens are currently having hobby classes in a variety of fields, and are working to furnish and equip their center, the former American Legion Hall.

DeKalb names Clark to 'Yieldmasters Club'

J. H. Clark of Dimmitt has been named a member of the DeKalb Yieldmasters Club for producing 197.37 bu. of corn per acre in 1976.

HIS YIELD, based on 15 1/2% moisture, was mechanically harvested from a solid block measuring 1.203 acres. An impartial third party verified the high yield which was recorded from a field of DeKalb XL-72aa.

Clark planted the crop April 20 in 40-inch rows and harvested an estimated stand of 26,000 plants per acre Oct. 7.

His fertilizer program included 220 lbs. of nitrogen, 60 lbs. of phosphate and 30 lbs. of potash. Clark controlled weeds with Eradicane at one gallon per acre and Furadan, Sevintol and Toxaphene were used for insect control. An estimated 10 inches of rain fell on the crop from planting to harvest. Another 20 inches of water was applied through irrigation.

THE PURPOSE of the DeKalb Yieldmasters Club is to promote an exchange of ideas and information among the nation's leading grain producers and to recognize them for their outstanding accomplishments as well as their important role in helping feed the world. Through the sharing of such information, the program also encourages farmers to adopt management and cultural practices that will aid them in ob-

taining maximum profit from each acre.

Stepfather of residents dies

Noah Henry Humphries, 87, of Littlefield, stepfather of Zonell Maples and J. R. Brown of Dimmitt, died Sunday morning in an Amherst hospital.

FUNERAL services were held Tuesday in the First Baptist Church at Littlefield, where burial was conducted.

Mr. Humphries had lived at Littlefield three years, and in that area since 1924. He was a native of Alabama.

Survivors include two daughters, Jean Parkman and Valarie Jackson of Littlefield; three sons, Mac of Littlefield, J. D. of Lovington, N.M., and Porter of Granbury; a stepdaughter, Zonell Maples; and two stepsons, J. R. Brown of Dimmitt and Bernard Brown of Salida, Colo.

Also surviving are six sisters, Mrs. A. W. Wallace of Crosbyton, Mrs. A. K. Wilkinson of Matador, Mrs. G. H. Pettigrew of Lubbock, Mrs. W. H. Shackelford of Odessa and Mrs. Ocie Lee Smith of California; two brothers, Clarence of Crosbyton and H. E. of Annona; 12 grandchildren, 17 great-grandchildren and one great-great-grandchild.

'VICTORY CAKE'—Members of Hart High School's Cooperative Vocational-Academic Education [CVAE] class proudly show the big maroon-and-white "victory cake" which their class baked and decorated for Homecoming. The cake was presented to the student body Friday morning, and served to HHS students at noon. The cake obviously did its job—the Longhorns won their Homecoming Game against Springlake, 42-0.

THE WORLD hath many centers, one for each created being, and about each one it lieth in its own circle. Thou standest but half an ell from me, yet about thee lieth a universe whose center I am not but thou art. —Mann

'Kids, Inc.' coordinates programs for 300 youths

When part of your United Way contribution goes to the new Dimmitt Kids, Inc., it actually helps support three different sports programs for over 300 boys and girls here.

THE programs encompassed by the organization are baseball (Minor League, Little League, Junior Babe Ruth and Senior Babe Ruth), softball (girls' junior and senior), and basketball (boys' and girls' Little Dribblers).

"We submitted a budget of \$3,914 to the United Way, and we have 358 kids signed up this year for the various activities. That comes out to just under \$11 for each one," said J. R. Mixson, president of Dimmitt Kids, Inc.

The organization was officially incorporated in July. Other board members include Bill Behrends, vice-president; Joe Weatherford, purchasing agent; Steve Handley, accounting agent; Jack Edwards, attorney;

Jean Robb, secretary; and Robert Ryan, Jack Patton, Clara Goldsmith and C. D. Fitzgerald, directors.

"OUR PURPOSE is to get these programs all working together and to divide the benefits more evenly among them," Mixson said. "We are mainly in an overseeing capacity, including maintenance of facilities, equipment and uniforms, insurance, buying of some trophies and plaques, and sending teams to tournaments."

Mixson said that Dimmitt Kids, Inc. has a bid in for the state tournament for the Senior Babe Ruth League for 1978. The organization also is looking toward adding other sports programs later, such as tennis, flag football, boys' softball and soccer. Present projects are to obtain a softball field and new lights for the present baseball fields.

In addition to the United Way, several local service clubs help out in various aspects of the program and concession stands help offset the costs.

Kids, Inc., does not handle any of the coaching or activity phases.

Here's Hart's school menu

HERE ARE the school lunch menus for Hart Schools for Nov. 8-12.

MONDAY — Ponchitos, Mexican beans, tossed salad, cinnamon rolls, milk.

TUESDAY — Pinto beans with ham, cornbread, buttered spinach, tater tots, catsup, peanut butter cake, milk, butter.

WEDNESDAY — Cheeseburgers on homemade buns, corn, buttered rice, milk.

THURSDAY — Baked ham, yeast rolls, candied yams, green beans, apple cobbler, milk, butter.

FRIDAY — Oven-fried steak, dinner rolls, whipped potatoes, June peas, peaches, milk, butter.

DEKALB HYBRIDS FIGHT SMUT

Proven In 1976 University Test

The best answer to the head smut problem is simple. But, it's hard to come by. That's corn hybrids with head smut resistance.

DEKALB's got'em. Hybrids with top yield potential and head smut resistance. It's proven.

A 1976 Texas A&M University Test showed DEKALB can deliver head smut re-

sistance. And better yet, the DEKALB hybrids that demonstrated the most head smut resistance are also delivering top yields to local farmers. That means no yield sacrifice for head smut resistance.

There's no question that there is a difference among corn hybrids when it comes to head smut resistance. So see your DEKALB dealer today. Put in your order for the DEKALB Smut Fighters:

XL-75

DEKALB XL-75... It stands great, yields big and fights head smut. Here's the new leader in Texas Corn Country. XL-75 produces big, hefty ears packed with quality grain. It has an outstanding record in DEKALB Performance Tests and in farmers' fields. And, it was found to be extremely resistant to head smut in a 1976 university trial.

XL-372

DEKALB XL-372... It's a big eared beauty that fights head smut. A top-performing hybrid with high head smut resistance ratings in a 1976 university trial. Produces large, girthy ears at high or low populations. Excellent stalks, strong shanks. DEKALB XL-372 has an attractive field appearance with its semi-upright leaves and healthy, robust look.

As a condition of sale, please note statement of limited warranty and remedy on DEKALB orders and tags

Way Ahead With Research

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$2.50 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of the winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. GRAND PRIZE for the season will be 2 tickets to the Cotton Bowl Game. There will be no second place grand prize this year. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winner.

Miss Drerup is tapped by AKD

Carol Drerup, Nazareth sophomore at Texas Woman's University in Denton, has been accepted as a member of Alpha Kappa Delta, national honor society for students with a major in sociology or social work.

MISS DRERUP is majoring in social work and education. Her parents are Mr. and Mrs. Ed Drerup, Route 2, Dimmitt.

She is a 1975 graduate of Nazareth High School, and is a two-year member of TWU's Student Government Association, Sociological Society and the Newman Club.

Other campus memberships are on the Collegiate Cabinet, Dorm House Council, Alpha Rho Omega and the Daily Lasso newspaper staff. She has been a cheerleader and a member of her class executive committee.

Cantado set Sunday night

A cantado, or song program, will be presented in English by a choir from the Eastridge Baptist Church of Amarillo at 6 p.m. Sunday in the Dimmitt City Hall Auditorium. Spon-

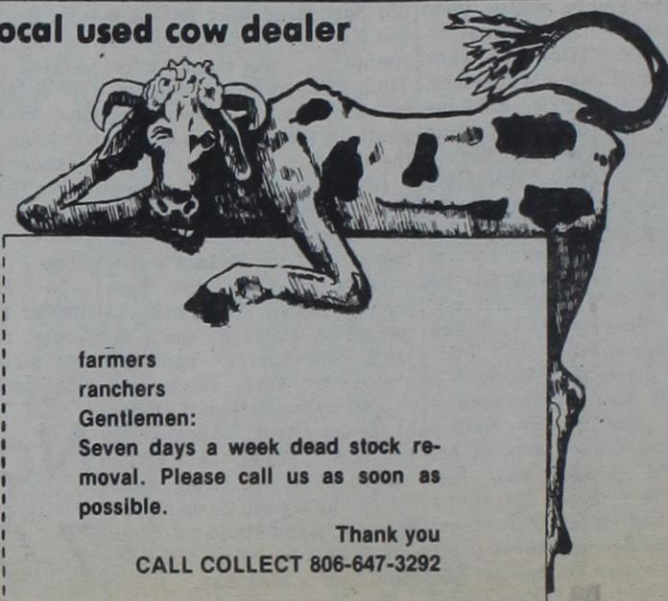

soring the program will be the First Mexican Baptist Church (Primera Iglesia Bautista Mexicana).

THE PUBLIC is invited to hear the singers, a choir made

up of 10 couples. One of the couples, Alex and Odilia Gonzalez, formerly lived in Dimmitt.

SO LONG as man is capable of self-renewal he is a living being.

LESTER AVEN [7], speedy Hart running back, rips through the Springlake-Earth defense for 11 yards and a first down in the third quarter of Hart's Homecoming game Friday night. The playing field was in good shape—thanks to volunteers who

bladed the snow off of it with tractors Friday afternoon—and the Longhorns took full advantage of it as they rolled up 372 yards in a 42-0 shutout of the Wolverines.

Hart wallops S-E, 42-0

By MONTY UPTON

The Hart Longhorns continued to roll in their bid for the district championship before a cold but excited Homecoming crowd as they skinned the Springlake-Earth Wolverines 42-0 Friday night.

AFTER Hart kicked off to open the game, neither team was successful on its first offensive series. However, when Hart punted to the Wolverines, the Horns' Jackie Ethridge knocked the ball loose from Terry Hood and Gary Jackson fell on it on the 6. Three plays later Kerry George—using blocks of Larry Marble, Glen Black, and Lester Aven—struck from three yards out for the score with 6:42 of the first left. Bobby Allensworth's PAT kick was good, and Hart led, 7-0.

After the second kickoff, S-E had only four plays before it had to punt. Keevin Kelly's kick came off the side of his foot and traveled only five yards. As a result, the Horns got the ball on the Wolverines' 34 and needed only seven plays to score again. George got the final six yards behind the extra-effort blocks of Bryan Irons, Marble, Aven and Black. With

1:42 showing, Allensworth extended his PAT kicks to seven straight.

After failing again to get a first down, the Wolverines punted to the Hart 34 and got their first break of the game when George didn't get his hands on the ball and S-E's Kirk O'Hair covered it on the 30. Springlake then moved to the Hart 13 for its only penetration of the night before Timmy Thomas' pass was picked off by Hart's Bobby Allensworth in the end zone to stop the threat.

ON Springlake's next possession, QB Mark Barton bobbed the wet ball on the Hart 35 and linebacker Cary McLain alertly swept it in for the Horns. Hart then marched 65 yards to paydirt on six plays—one a 39-yard locomotive runaway charge by Glen Black—and capped by the half-yard plunge of Lester Aven. Allensworth had his "string" of PAT's broken by a real string when the one he uses to tie up his toe knotted up and would not do its job. With 2:56 left in the half, Hart held a 20-0 lead.

The Wolverines took to the air since time was short and they had been unable to sustain their ground game. One pass was incomplete, then a penalty cost them their only completion of the night, and finally Bryan Irons intercepted a Keevin Kelly pass on the Springlake 35 and returned it five yards.

On second down, Eliazar Castillo hit Johnny Newsom near the goal line. On the next play, a motion penalty moved the Longhorns back to the 5½-yard line. From there, Castillo rolled around end on a keeper for the score behind blocks by Newsom and Black. After a Wolverine penalty on the PAT moved the ball to the 1½, Hart decided to go for two points but didn't make it. With 28 seconds left in the first half, Hart led by 26-0.

JOHNNY Newsom returned the second-half kickoff to the 30, then the Longhorns proceeded to cram the ball down the Wolverines' throat as they marked it 70 yards to paydirt on 10 plays. A 23-yard scamper by Aven highlighted the drive, and Glen Black capped it when he plunged across from two yards out with 7:20 left. Larry Marble, Bryan Irons and Donald Robinson were key blockers on the TD. Allensworth's kick was good, extending Hart's lead to 33-0.

Disaster struck the Wolverines again on the kickoff when Terry Hood could not find the handle and Hart's Rodolfo Gonzales came up with the ball on the 24. Two plays later, Lester Aven followed the blocks of Allensworth, Cary McLain and Castillo for 24 and the score with 6:31 showing. Allensworth's kick was no good following a Hart penalty, and the Longhorns had extended their lead by 12 points, to 39-0, in less than a minute.

The two \$26 footballs being used in the game were ripped off by a thief after Allensworth's fifth and sixth PAT kicks, delaying the game until another ball could be unsacked.

On Springlake-Earth's next possession, the Wolverines moved to two first downs before Black, Berto Minjarez and Irons demolished Timmy Thomas for a 10-yard loss when Barton pitched wildly.

HART THEN took the ball following the punt and marched it 91 yards in eight plays—including a 40-yarder by Aven. The drive was capped by a 15-yard run into the end zone by Aven on the second play of the final quarter. The TD, how-

ever, was called back on a clipping penalty. Hart failed to get a first, so Allensworth lined up and drilled a 34-yard field goal tilting the scoreboard to 42-0. The rest of the game, neither team could sustain a drive because of mistakes as new people got into the game. Hart lost three fumbles, one by Black and two by sophomore QB Ricky Rowland, that ended scoring threats. S-E's Barton lost a fumble to Glen Black on the Wolverines' 14. Johnny Newsom intercepted a Barton pass on the Wolverines' 34 and Bryan Irons polished off the game by intercepting a Barton pass on the last play of the game.

The Hart coaching staff praised the whole team, with special recognition for defensive players Glen Black with eight tackles, one fumble re-

covery and four "big hits"; Cary McLain with eight tackles, one fumble recovery and one big hit; Bryan Irons with nine tackles, one big hit and two interceptions; and Larry Marble with seven tackles.

OFFENSIVELY, two Hart players gained more than 100 yards each. Lester Aven was the leading rusher with 176 yards on 18 carries and he scored two TD's. Fullback Glen Black had 106 yards on 18 carries and one TD. Kerry George earned 32 yards and two TD's on nine carries before he was injured in the second quarter. Eliazar Castillo guided the Horns flawlessly, throwing one pass for 34 yards to Johnny Newsom and scoring a TD.

Friday the Longhorns will travel to Farwell to take on the defensively tough Steers in a crucial District 3-A game.

Nazareth drops 7-0 heartbreaker

By BRENDA DURRETT

Darrell Dowd ran 70 yards for a Valley touchdown early in the second period to give the Patriots a 7-0 victory over Nazareth Friday night in a District 2-B North Zone clash at Turkey.

DOWD, who rushed 10 times for 202 yards in a one-man offensive show, broke up the middle, brushed off two tackles and went in for the score. Ron Eudy kicked the extra point.

Nazareth drove deep into Patriot territory twice in the second period, once in the third and again at the end of the game, but couldn't produce a touchdown.

The Swifts gained 279 yards in the contest to Valley's 213, and earned 17 first downs to Valley's eight.

RON EUDY picked off a Nazareth pass in the first quarter to end one Swift offensive drive. The pass, from halfback Derwin Huseman to Chris Book, was nabbed by Eudy on Valley's 3-yard-line.

Dowd scored on Valley's first offensive drive of the second stanza, and Nazareth retaliated by driving to the Valley 5. On fourth and goal from the two, quarterback Kenny Brockman tried to sneak across but was stopped by the Patriot defense.

Valley was forced to punt on the next set of downs, and Nazareth pushed back to the Patriot 20. The Swifts attempted a fourth-down pass which

was incomplete and Valley started another offensive drive. Dowd broke away for another long run, but was stopped on Nazareth's 20. The Swift defense held and forced another Valley punt.

NAZARETH had the ball for more than eight minutes of the third quarter, but was unable to score. On one drive the Swifts went to the Valley 18 before being stopped.

The Patriots had a touchdown called back in the third period because of a penalty.

The game ended with Nazareth on the Valley 30.

DERWIN Huseman led the Swift offense with 113 yards on 25 carries. Royce Huseman completed four passes for 46 yards and Danny Gerber caught two for 36 yards.

"I feel like we outplayed them, the difference was just that one touchdown," Nazareth Coach Les Cowan said. "The kids played real well. I'm real proud of them."

"The two teams were very well matched," Valley Assistant Coach Robert Phelps said. "They had more offense than we did. That one touchdown was the only difference."

NAZARETH, now 2-6-1 on the season and 2-3 in district play, will meet Happy in a 7:30 p.m. contest tonight (Thursday) at Happy. Valley now is 6-4 for the year and 3-2 in district action.

Valley was forced to punt on the next set of downs, and Nazareth pushed back to the Patriot 20. The Swifts attempted a fourth-down pass which

was incomplete and Valley started another offensive drive. Dowd broke away for another long run, but was stopped on Nazareth's 20. The Swift defense held and forced another Valley punt.

NAZARETH had the ball for more than eight minutes of the third quarter, but was unable to score. On one drive the Swifts went to the Valley 18 before being stopped.

The Patriots had a touchdown called back in the third period because of a penalty.

The game ended with Nazareth on the Valley 30.

DERWIN Huseman led the Swift offense with 113 yards on 25 carries. Royce Huseman completed four passes for 46 yards and Danny Gerber caught two for 36 yards.

7-7 tie at Morton

Cats 'kiss sister' again

By JIMMIE CHAPMAN

Dimmitt's defense rose to the occasion Friday night at Morton and stopped the Indians three times inside the 5-yard line to preserve a 7-7 tie and keep the Bobcats in the running for the district title.

THE GAME was played on a muddy, snow-covered field with the temperature in the low 30's.

Time was called with one second left on the clock at the end of the game to allow the trainers to get Dimmitt guard Scott Armstrong off the field because of an injury after he had helped throw Morton's fullback for a loss at the Dimmitt 10-yard line. Morton had no time-outs left, but lined up for a field goal attempt, and it was blocked by the whole middle of the Bobcats' defensive line. Lane Loudder, alert defensive guard for Dimmitt, picked the ball up and ran for what could have been the winning touchdown before going out of bounds at Morton's 1-yard line.

Dimmitt fans thought Loudder had scored, but in fact the officials ruled that the play had never officially occurred because the clock had run out before Morton snapped the ball. So if the field goal had been good for Morton or Loudder had run it into the end zone, the score would have still been 7-7.

Morton led on penetrations, 3-2, and the first downs were tied at 10-10, but the game will go into the Dimmitt records as another tie. If the Bobcats can defeat Friona and Littlefield in the next two weeks, they'll go to the playoffs.

The district race now finds the Friona Chiefs leading the pack with a 3-0 record, Dimmitt 1-1-1, Olton at 0-1-2 and Muleshoe at 0-3. It will clear up this week when Littlefield tangles with Morton, Olton and Muleshoe go at it, and Friona rolls into Dimmitt looking to salt the title away with a win over the Bobcats.

FIELD conditions Friday night were the worst that Coach Bush said he had ever had to play on, with snow covering most of the field except for a 15-yard strip in the middle that was muddy and slippery. The Bobcat Band failed to make the trip after checking with Morton school officials, but those who went on their own joined in with the die-hard fans to sing the Dimmitt school song and cheer the team on in the cold weather.

HARD YARDS—Dimmitt quarterback Thompson Mayberry collides with a Morton tackler on the Indians' snow-covered field

Friday night—but not until he had earned a first down. The two teams slogged to a 7-7 tie. (Photo by Mark Oldham)

The Castro County News SPORTS

Dimmitt fumbled the ball away at the Morton 48-yard line on the first play from scrimmage, and the Indians used the running of Jimmy Green and Tino Sabala to move it to the Dimmitt 25, where a fourth-down pass went incomplete and Dimmitt took over. The Bobcats could not keep their footing, and after exchanges of the ball on punts, Morton started its touchdown drive from its own 20-yard line late in the first period.

Brad DuLaney had booted the ball into the end zone from the Morton 34-yard line, barely missing the coffin corner at the 1-yard line. Jimmy Green picked up seven yards, then Tino Sabala used a quarterback sneak to go 73 yards for the first score of the game. The Morton quarterback simply stepped through the middle of the charging line, found himself in the clear and turned on the speed to outrun the secondary for the score. Tom Cribbs kicked the extra point and Morton was ahead, 7-0, with 2:53 left in the first quarter.

DIMMITT got a chance to put points on the scoreboard when Eddy Chavers and two Dimmitt linemen recovered an Indian fumble on the Morton 16 after DuLaney had punted to the 9-yard line. Tony Washington gained seven yards, then picked up a short gain, and Chavers was thrown for a yard loss. Washington tried to gain the two yards on fourth down, but slipped and Morton took over on the 7-yard line.

Morton could not get out of its end of the field on its next two possessions, and finally the Bobcats got untracked for their score after taking over on their own 39-yard line after a punt. Tony Washington burst over the right side of the line, shook

off two would-be tacklers and raced 61 yards for the Bobcats' touchdown. Matt Howell skimmed the wet ball over the uprights for the extra point to tie the game at 7-7 with 4:25 left in the first half.

After two more exchanges the half ended and the gridders headed for the warm locker rooms to plan some kind of strategy to offset the weather conditions.

THE THIRD quarter was practically all Dimmitt, but the Bobcats couldn't put any points on the board. Midway in the period the Cats started a drive from their own 20 that saw Chavers, Washington and Thompson Mayberry eating up the yardage and going to the Morton 4-yard line. But Chavers lost the handle and Morton recovered to kill the drive.

With Joe Honesto and Sabala toting the mail, staying on the ground, the Indians moved to the Dimmitt 10-yard line as the third period ended. At the start of the final quarter, with Morton needing four yards and a third down facing them, Randy Pevehouse and Lane Loudder threw Richard Kuehler for a loss. And on fourth down, Loudder and Mayberry smashed Sabala to the ground for no gain and Dimmitt took over.

From Dimmitt's 18-yard line, Chavers and Mayberry alternated at the ball-carrying chores, with Mayberry keeping and going off tackle while Chavers would take the wide pithout. Mayberry finally hit Chavers with a pass that was good for 14 yards, but then another pass slipped through the hands of Tony Washington and Honesto grabbed it at the Morton 27 to kill the threat.

DIMMITT again held and forced a punt, but Morton got the ball back when the pall hit Dennis Veals's leg and the Indians recovered at the Dimmitt 31 with a little over four minutes left to play.

Kuehler ran with the ball three times in a row to put it on the 19-yard line, giving the Indians a go-ahead penetration. Chavers intercepted a pass two plays later at the Dimmitt 8-yard line, but the officials ruled pass interference on the play, and Morton had the ball at the Dimmitt 8-yard line with time running out. Sabala moved it to the 3-yard line, but then lost a yard clipping penalty. Steve Polvado tossed a pass to James Johnson that was good for eight yards, then Thompson Mayberry hit Jimmy Green so hard on the next stop that the big end had to leave the game.

TWO PLAYS later—during an officials' time out—Morton set up for a field-goal attempt, but the clock ran out before the play started, and both the blocked kick and the runback were nullified.

Mayberry and Loudder played a terrific defensive game for the Bobcats, as did Dennis Veals. Coach Bush also had high praise for the defensive play of Randy Roberts and Chuck Pevehouse, whom he had moved up from the junior varsity. Considering the condition of the field, the entire defensive unit played an out-

standing game. In the offensive line, players simply could not get their footing to block, but Ricky Hunter stood out at his center position, once gaining 3 yards on a lateral from Mayberry.

ON OFFENSE, Chavers gained 97 yards on 17 carries and Washington got 85 yards on only 11 tries. Mayberry got 48 yards on 10 tries—most in the second half—and Brad DuLaney caught two passes for nine yards and Chavers pulled in one that earned 14 yards.

Robert Mayberry

Mayberry wins offense award

Robert Mayberry, Dimmitt sophomore running back who rallied the West Texas State Buffaloes to a come-from-behind win over McNeese State Saturday, was named offensive player of the week by the WTSU coaching staff.

MAYBERRY surpassed his previous best day of ground gaining by rushing for 147 yards to score three touchdowns. His old mark of 133 yards was set last year. His total of yards gained this year, before the McNeese game, was just 175.

His first touchdown, on an 83-yard run, pulled the Buffs from behind and then he scored twice more on runs of six and four yards to give WT a 24-19 lead early in the second half when the Buffs had been trailing 19-10. The final score was 30-25.

Gene Mayfield, WT head coach, said, "Robert had an outstanding game. I'm sure he was disappointed when he might have had some other long gains and a cornerback who had already been blocked reached up and tripped him up."

"MAYBERRY got some yardage on his own on a couple of occasions. That was something we have been needing from our backs, to break some tackles and get some extra yardage.

"I think his 83-yard run came at a very critical time for us. We were down 12-0 and hadn't shown much evidence of being able to move the football and certainly hadn't shown any evidence of stopping them. Then all of a sudden Robert breaks the counter play and goes 83 yards and we are back in the ball game, 12-7.

"Of course it gave our kids some confidence and we started playing better then." The Buffs' defensive player of the week was Darrel Blades, whose fumble recovery with only 73 seconds remaining in the game was credited with setting up the winning touchdown.

JOSE ROJAS, 2, of Dimmitt, is learning to walk with specially designed 'walking sticks' in the Texas Handicapped Children's Early Childhood Development Program at Hereford.

Program provides help for handicapped child

Handicapped pre-school children in Castro County are eligible to take part in a federally funded program now in its third year at Hereford, which offers training to those with physical disabilities, emotional problems, developmental lags and other handicaps.

MANNED by trained workers from Panhandle Educational Service Organization, the program is designed to reach handicapped youngsters from birth to 4 years old.

A PESO team from Amarillo works with the children three times a week in a classroom at Shirley Elementary School, Hereford. Also, a PESO aide visits each child's home once a week.

Landmark home here moved; to be restored

By MRS. OWEN ANDREWS

A landmark of 40 years took a new lease on life a few days ago when Mr. and Mrs. Greg Jones bought the old Andrews home and moved it southeast of Hereford, about a mile down Austin Road.

The house was built for the J. E. Andrews in 1936 and within its framework is timber taken from the old house, torn down on the location to make way for the house. The old house was of the vintage of the pioneer turn of the century houses of the area.

MR. AND MRS. A. T. Jones were guests of his daughter Mrs. V. H. Harmon and Mr. Harmon at Tulia Sunday.

Frio Homemakers Club met Tuesday in Southwestern Public Service Reddy Room for a program given by Mrs. Norman Harder, assistant CHDA.

Andrews, Earnest Harder, Annie Springer and Miss Alma Andrews.

VISITING Mrs. Annie Springer Monday were her sisters Mrs. John Francis of Plainview and Mrs. Joe Mercer of Silvertown and their husbands and their brother Jeff and Mrs. Steele of Sweetwater.

Mrs. H. M. Mobley and her sister Mrs. Claude Price of Floydada spent last weekend with Mrs. Mobley's daughter Mrs. Earl Reno and Mr. Reno.

MR. AND MRS. Glen Edwards and Glynnelda of Commerce came Monday to visit relatives here including their mothers, Mrs. F. Y. Moreman and Mrs. D. Y. Edwards, both of Kings Manor.

Recent visitors of the Dobbs families of the area were Mr. and Mrs. Charles Sullivan of Sparta, Tenn. Henry Dobbs was a brother of Sullivan's mother.

Attending the Annual Baptist Associational Womens Meeting at Amarillo Monday were Mrs. Earl Harkins and Mrs. Clark Andrews.

Rev. and Mrs. John Tims were closing business and personal activities during the weekend in preparation for the move.

week from McCamey to the pastor's home for Frio Baptist Church. He has preached here every Sunday since accepting the church, until the past one. Rev. Eugene Suttle was visiting preacher this week. Mrs. Suttle also came for the services. The Tims were closing business and personal activities during the weekend in preparation for the move.

Dorothy Easton

State head of LSA to be visitor

Dorothy Easton of Waco, president of the Texas Association of Legal Secretaries, will be the guest of Deaf Smith-Castro Counties Legal Secretaries Association at its November meeting Monday evening in the 181st District Courtroom in the Potter County Courthouse at Amarillo.

THE CHAPTER will be hosted by LSA members of the Amarillo, Hutchinson-Moore Counties and Perryton chapters, who are invited to meet Miss Easton.

For car pool information members here are asked to call Clara Vick in Dimmitt or Mildred Fuhrmann in Hereford.

Local members became acquainted with Miss Easton when she came to the chapter's organization meeting in July, 1974. She held various TALS chairmanships and offices before her election as state president, and also filled virtually every office in the Waco chapter. In 1975 she was named Officer of the Year and she holds the designation of Professional Legal Secretary.

YHC invites guests for chief's talk

Dimmitt Police Chief David Slaughter will present the program on "Safety for Women" at the meeting of Dimmitt Young Homemakers tonight (Thursday) in the home economics department at Dimmitt High School.

THE MEETING will begin at 7:30 p.m. Baby sitters will be on duty to care for small children. Guests interested in the program subject are invited.

Refreshments will be served, and there will be a business session when plans will be made for a family Thanksgiving dinner and the club's Thanksgiving project.

Town-Country Club picks '77 officers

Officers for 1977, headed by Naomi Scarborough as president, were elected in Town and Country Home Demonstration Club at its meeting last Thursday, when members voted to contribute to the Dimmitt United Way campaign.

OFFICERS to serve with Mrs. Scarborough are Shirley Schacher, vice-president; Bea Acker, secretary-treasurer; Jo Beth Shackelford, Council delegate; Kathy Goolsby, reporter, and Margaret Womack, parliamentarian.

Final plans were made for the club's booth at the Lions Club Halloween carnival. Rita McDaniel, chairman, assigned duties in operating the booth. The Health Fair was discussed.

Irene Keating, County Extension Agent, presented the program on making crepes for

desserts. One guest and 14 members were present.

PREVIOUS October meetings of the club included a program on drying flowers Oct. 14 in the courthouse assembly room. Jo Behrends and Myrtle Sheffy were guests to demonstrate the method of preserving flowers in their natural colors.

Members who had attended the Texas Home Demonstration Association convention gave their reports. New ideas were suggested for next year's county fair, and ideas for the 1977 club yearbook were discussed by the 13 members attending.

A membership tea was held early in the month, with 25 persons present. Guests were informed about the club aims and programs, and took part in a series of games.

Irene's Ideas

Dating satisfies an inherent need

By IRENE KEATING

Dating is an exciting stage in young people's development—but one which some parents fear with apprehension or confusion.

DATING in the US is a major way of socializing youth and providing them with opportunities to get to know members of the opposite sex. As families increase their understanding of the dynamics of adolescent dating and intimacy, hopefully their fears will subside, and both teenagers and parents will grow from this experience.

Dating is a means of satisfying a basic, inherent need during adolescence, the need for intimacy. It includes the need for a close personal relationship with another person and the need for intense closeness and involvement with something meaningful.

Psychologists note that intimacy is as basic a human need as are the needs of love, food and water. Without it, people experience great anguish. Its importance becomes central during the adolescent years, when the peer group begins to disintegrate and heterosexual pairing-up prevails. Plagued by various emotional conflicts, the teenager needs a close companion, someone to talk to, confide in and share intimate problems and experiences.

Unfortunately, intimacy is not always an easy need to satisfy. It is neither characterized by permanence nor free from exploitation by others. Teenagers are not always sure just what they seek in intimate relationships, which often puzzles parents. When an adolescent is rejected, he may have feelings of pain and inadequacy, but when intimacy is openly received, there are feelings of self-esteem and joy.

WHETHER pleasurable or painful, feelings of intimacy provide youth with experiences which eventually enable them to have healthy adult feelings. True intimacy demands honesty—the genuine self-disclosure which exposes one as is. This leaves the adolescent in a vulnerable position to be hurt or rejected, and this vulnerability represents the greatest barrier in forming intimate relationships during adolescence.

In order to protect themselves, youth (and many adults, too) play the self-preservation game: hide your feelings, keep your distance, but above all, protect yourself. What happens when one manufactures a facade to hide behind? For some, they lose their ability to distinguish between the real self and the pretend self; their capacity for genuine intimacy is reduced because there is no

WWWW plans Monday session

The WWWW Association will meet at 7:30 p.m. Monday in the Castro County Courthouse assembly room to organize members' efforts to rescind the Equal Rights Amendment in Texas.

ALL opponents of the ERA are invited to this meeting, and are reminded that they have only until January to defeat the amendment.

Names and addresses to be used in a letter-writing campaign will be available at the meeting, and information about the campaign may be obtained from Mrs. Owen Whitsett at 647-4640.

honesty.

Because intimacy demands a mature and secure environment, it dies quickly in the hands of one who is not mature enough to deal with it. It requires that individuals give and share affections, without the fear of losing one's identity. Of this we are certain: to love, one must first love himself and be secure in who he is. Only when we can come to terms with ourselves can we ever hope to give ourselves to another.

Parents are of utmost importance to their teenagers during this period of development. Through understanding and empathy, they can help their teenagers by serving as good models—expressing and encouraging intimate feelings and emotions within the family, thus stimulating their growth. Probably the key ingredient is the most difficult: listening. Teenagers need opportunities to express their feelings and to get in touch with ones they cannot express. If parents listen openly without criticism or judgment, their support will help the adolescent develop into a loving, honest and mature adult.

Bobbie forward is 'cover girl'

Dimmitt's Beth Cleveland, all-state senior forward, is one of six top basketball players in North Texas featured in cover photos on the 1976 "Panhandle-Plains Basketball" magazine.

THE publication covers high school basketball from Class B to AAAA, with schedules, player rosters and individual photos, plus a summary of the season's prospects. The story on the Dimmitt Bobbies, defending champions of District 3-AA, is headed, "Bobbies Picked to Repeat."

Named as "players to watch" along with Cleveland are the Bobbies' other all-district returnees, Mel Nelson, Nita Parker and Joyce Wooten.

4-H Banquet set Saturday

Climaxed by announcement of the Castro County 4-H Gold Star Girls and Boy for 1976, awards will be presented to 4-H members at the annual Gold Star banquet in the County Expo Building Saturday night.

ALL 4-H members and their families are invited to the banquet, which is scheduled at 7 p.m. County Judge Weldon Bradley will present the awards, including recognition for every member who has turned in a record.

Barbecue prepared by 4-H members under direction of County Agents Charles Hotel and Seth Ralston will be served with beans and potato salad prepared under Agent Irene Keating's supervision. Each family will bring a fruit cobbler to complete the menu.

The program will be by Kelly Bagley and Cinde Sides, telling of their 4-H trip to Europe last summer, and Janet Sammans and Kylene Behrends, who will report on the week they spent at the new Texas 4-H Center at Brownwood.

THE loudest sound in the world is the first rattle in the new car.

Socially Yours

MR. AND MRS. WILEY RAY WHITE
... She's the former Deborah Hogue

Hogue-White vows spoken in church

Mr. and Mrs. Wiley Ray White are at home on Route 3, Hereford, after a trip to Nashville, Tenn., which followed their recent marriage here.

THE BRIDE is the former Deborah Marie Hogue, daughter of Mrs. John L. Hogue of Dimmitt and the late John L. Hogue. Parents of the groom are Mr. and Mrs. Alvin R. White of College Grove, Tenn.

Kelly Autry of Vernon, a Baptist minister who is the bride's cousin, conducted the double ring ceremony in the Bedford Street Church of Christ.

Arched candelabra with blue tapers, banked with greenery, centered the background, with paired spiral candelabra on either side. A large basket was filled with blue and white gladiolus. Aisle pews were marked with blue candles and greenery.

HER GRANDFATHER, W. T. Autry of Dimmitt, gave the bride in marriage. Mrs. Clinton Whatley of Hereford was her matron of honor, Brenda Seely of Dimmitt and Mrs. Benny Gray of Lubbock the bridesmaids.

Whatley served as best man, Tommy Hogue of Dimmitt, brother of the bride, and Joe Mack Dutton of Hereford were groomsmen. Bill Williams of Hereford and Mark Gilley of Amarillo lighted candles and were ushers with Larry Wade, Wilfred Ramara, Robert Gregson and Keith Calhoun of Hereford.

Leigh and Jo Hyman of Dimmitt were the flower girls and Kevin Bruton of Dimmitt carried the rings.

A CHOIR from Lubbock Christian College sang "Sunrise, Sunset" and "Follow Me". Thomas McGuire was soloist for "The Lord's Prayer" and Skip Rogers of Lubbock for "Wedding Prayer".

The bride's Chantilly lace gown was designed with fitted bodice ornamented with iris crystals, cummerbund, long sleeves and V-neckline edged with ruching. Side and back skirt fullness shaped into a train.

Her veil, falling over the train, was bordered with lace and attached to a bandeau covered with lace and seed pearls. She carried a nosegay of pink rosebuds, blue and white daisies and babybreath.

Attendants wore floor length dresses of blue embroidered sheer trimmed in white lace, and matching blue picture hats. Their nosegays were of the daisies and babybreath.

FLOWER girls, in matching dresses and hats, carried lace baskets with blue bows tied on the handles.

After the wedding, the couple received guests in the church fellowship hall with their mothers; the groom's sister and brother-in-law, Mr. and Mrs. George Mac Ryan of Spring Hill, Tenn.; the bride's grandparents, Mr. and Mrs. Autry;

her cousin, Bruce Babbitt of Buffalo, N.Y., and the attendants.

Mrs. Max Newman of Stephenville, the bride's cousin, was at the guest register. Mrs. Steve Soden of Sterling, Colo., poured punch and Mrs. Ronnie Hutton of Amarillo served cake.

The table was laid in white linen and lace and centered with a silver candelabrum holding blue tapers. Blue sugar roses decorated the three-tiered cake which was topped with bride-and-groom figurines.

FOR TRAVEL, Mrs. White wore a black and white knit pantsuit accessorized in black. She presently attends West Texas State University and has also studied in Lubbock Christian College and Amarillo College after graduation from Dimmitt High School.

The groom, employed by Barrett-Crofoot Inc. of Hereford, is a graduate of College Grove High School and attended Middle Tennessee State University.

Two more wins will get title, coach reports

Coach Bruce Bush told the Bobcat Booster Club this week, "The tie last Friday night was just like a 50-0 win as far as the district race was concerned."

"ALL WE have to do to win district is just beat Friona and Littlefield," Bush said.

Because of field conditions last week, the players could not be appropriately graded on their performance, Coach Bush said. However, he singled out Thompson Mayberry, Brad DuLaney, Dennis Veals, Lane Louder, Jody Minnick and Randy Roberts as leading tacklers.

Booster President George Howell reported that the club did "very well" Saturday night at the Halloween Carnival.

THE BOOSTERS finished plans for a garage sale they will hold from 12 noon to 5 p.m. Friday and from 10 a.m. to 5 p.m. Saturday at the old Dimmitt Motor Co. building. All members were urged to take their garage sale items to the building between 3 and 5 p.m. Thursday and from 9 to 11 a.m. Friday.

Jean DuLaney announced she has a dasher from an ice cream freezer that was left after the first club meeting this year.

Boosters were reminded that everyone is invited to attend the downtown pep rally Friday afternoon, preceding the game with the Friona Chiefs Friday night.

THE average income of the modern teenager is about 2 a.m.

Small Talk

By SUE COLEMAN

That season is here again, when bazaars and gift sales proliferate as organizations get ahead of the commercial "shop early" campaigns.

SEVERAL local groups have announced their bazaar dates and they're worth recording if you want to pick some attractive handmade gifts or decorations that you can be sure won't be duplicated. If you can't make 'em yourself, it's the next best thing.

INCIDENTALLY, the residents out at South Hills Manor are having their annual gift sale today (Thursday) and you're invited to go out, browse—and buy. There are some expert craftsmen and needlewomen out there, who probably make even more beautiful items than you can unless you're an expert too.

The Hospital Auxiliary has set its bazaar date for Dec. 3 and members are meeting now to work on sale items. First United Methodist Church will have its bazaar next Wednesday and serve a dinner too. That really appeals to me; my appetite is always good even if I can't decide which gifts to buy for whom.

BILLIE GUNN says the weather Friday (you remember it, I'm sure) must have affected some people strangely, as her first two customers at the SWPS drive-in window left checks that they'd forgotten to sign.

And Carolyn Jones admitted that she had added to the confusion, as she mailed her payment in. She promptly got her bill stub back with the note that she'd forgotten to enclose her check.

Mrs. Oldham receives honor

Rochelle Oldham, a senior from Dimmitt at West Texas State University, has been initiated into Kappa Delta Pi, education honor society.

AN elementary education major, she is one of 45 new members in the society. To be eligible for membership, a student must have a 3.25 overall grade-point average and a 3-point GPA in professional courses, with enrollment in at least one three-hour education course.

Pep will host Thanksgiving feast

The 31st annual Thanksgiving Festival at Pep is being planned for Nov. 25 in the St. Philip Neri Parish Hall. The holiday dinner will be served from 11 a.m. to 2 p.m. and 5 to 7 p.m., carnival booths will provide family entertainment and a dance will begin at 9 p.m.

TURKEY with the traditional Thanksgiving trimmings will be served at dinner, and so will the sausage for which the Pep community is noted. Plates for adults will be priced at \$3, for children under 12 at \$2.

An auction at 6 p.m. will include a Bicentennial quilt made by women of the church. A western band will play for the dance.

Amstar declares 2-1 stock split

Amstar Corporation's net income for the fiscal quarter ended Sept. 30 was \$9,967,000, or \$2.20 per common share after providing for dividends on preferred stock. For the same period last year, the comparable figures were \$13,052,000 and \$3.15 per share.

NET SALES and operating revenues were \$271,995,000 for the quarter just ended, and \$357,144,000 for the comparable period a year ago.

"In the September quarter, the first quarter of the current fiscal year, Amstar's sweetener business contributed revenues of \$226,515,000 and net operating income before taxes of \$15,409,000. For the comparable quarter a year ago, this business had revenues of \$320,042,000 and net operating income of \$22,707,000," said Robert T. Quittmeyer, president at the company's annual meeting of shareholders.

Shareholders voted at the meeting to increase the authorized number of shares of common stock from 10 million to 25

Cinde Sides is named citizen award winner

Cinde Sides of Dimmitt, daughter of Mr. and Mrs. George Sides, has been selected as recipient of this year's Good Citizen Award, presented annually to a senior student by Los Ciboleros Chapter, DAR, Hereford.

Cinde Sides

THE AWARD, not merely a popularity contest, is based on qualities of leadership, scholarship, service, dependability and patriotism. Students and faculty both play a part in making the selection.

Cinde has been active in both school and civic activities. She is a member of the National Honor Society and the Dimmitt High School Band, and has been a leader in county 4-H activities. At home, she is a contributing member in a working farm family.

At commencement awards time Cinde will receive a bronze pin and an engraved certificate from the DAR Chapter.

Actress' story of her life to be reviewed

The Dimmitt Book Club invites guests to meet with members at the home of Mrs. M. A. Tidwell, 1009 Maple, at 4 p.m. next Wednesday, to hear Mrs. J. W. Walker review a book with the title, "Change Lobsters and Dance," taken from "Alice in Wonderland."

MRS. WALKER will be a guest of Mrs. Charles Vandiver. Her review, with the public invited, will follow the club's business meeting, scheduled at 3:30 p.m.

The book is the fascinating autobiography of the world-famous actress, Lili Palmer, who enjoyed an adventurous life from the day she fled Hitler's Germany to her triumphs on the stage and screen.

Her witty account of her life offstage and on includes the story of her marriage to actor Rex Harrison, the years they shared, and their divorce.

IT IS the story of a life touched by suicide, scandal and sorrow, but is packed with engaging anecdotes as it tells the struggles, ambitions, courage and determination of a beautiful woman.

Along the way Miss Palmer introduces great personalities who entered her life, a cross-section of celebrities from George Bernard Shaw to the Duke and Duchess of Windsor, from Greta Garbo to Helen Keller, from Noel Coward to Bogart and Bacall.

Foundation for child's emotions is up to parent

Parents need a clear view of their role in developing the emotional health of their child—that they are the builders of a firm foundation for children, Dorothy Taylor, a family life education specialist, says.

"WE'RE GOING through a time in history when pressures to conform are great. The parent's job is to recognize this and play a role which is something more than passive yielding."

"To restore balance, they may sometimes have to help their children stand alone. This is best done when parents demonstrate in their own lives that it is possible to differ from the majority now and then, and that one may gain self-respect and the respect of others by not always conforming."

Miss Taylor is with the Texas Agricultural Extension Service. CHILDREN nead leadership

and authority, she says. Children need parents who now and then question their wish to be different. Parents must be ready to say "no" when necessary.

They also need parents who help them counter the drive for conformity—whether it's a choice of friends, mode of dress, speech habits, behavior or moral values. Children learn early that there is such a thing as individual conscience, this specialist reminds.

"Parents must be on the side of the child's emerging conscience, resourceful in finding ways of helping him do right and avoid wrong. This means consistent discipline within the framework of love. Children want parents who stand for something—children need ideals toward which to strive," she said.

Brownie troop pays nursing home visit

Brownie Troop 131 visited at South Hills Manor on their meeting day last week and presented a program for residents of the nursing home.

MRS. ANTHONY Kirby, leader, and Diane Leatherwood, assistant leader, accompanied the seven Brownies who made the visit.
