# Numerous residents attend Texas-Texas Tech clash

**By MYRTLE SHEFFY**

You have heard the expression that Dimmitt is the "3 B" town — band, ball games and bridge. You could add golf too.

Well, half the town went to Lubbock Saturday to see the Longhorns from Austin and the Red Raiders of Texas Tech play. The Lubbock school won. Raleigh Strother told me a rich relative sent him and Grace tickets. He saw the game with brother J. O. and Grace visited Mrs. Strother. Pheobe Strother has gone back to Denton to work on her Masters Degree in Library Science at the University of Texas there. She worked with Mary Edna Hendrix all summer, as did Marie Howell.

Last week Don Nelson and Dale Maxwell went to Conchas Lake to fish. Don came home but Becky and children joined Dale for another day at the lake.

Lois and Charlie Wales and kids were among the thousands in Lubbock Saturday.

**JACI JOHNSON** and Dana Lippard came home from Clarendon College last weekend. They say they love the place, have met many interesting people. Jaci's grandmother lives there. Her parents are Cowboy and Jeannie and Dana's folks are Calvin and Jodie.

Monte Johnson says tell everyone to come to the field and watch the seventh and eighth grade boys play football on Thursday afternoons. I hear they are good.

Mrs. George Bradford was hostess at a bridge party Thursday afternoon. She served a good salad and strawberry shortcake to Dee Williams, who won high score, Opal Bearden, next high, Cletha George, Reta Cluck, Ruth Coleman, Gladys Cleavinger, Maggie Boren and me.

Bud and Vaudine Giles and daughters Debbie and Jan have moved to Dalhart where they have farm land. I hear they sold their pretty house on Lee Street to Mr. and Mrs. Virgil Justice. You know they have the South Hills Manor and he is also in real estate business.

**DONALD** and Jean Gilreath of Bethel and her mother Mrs. Erwin Onstead of Littlefield went to San Antonio to visit granddaughter and daughter of Jean and Donald, Donna and Joe LaRue. Donna had a birthday. They made a tour of Fort Sam Houston, that is Joe's base.

Geoffrey and Judy Earl have bought a new house on Howe Street, number 1102, that is the very short street connecting Eleventh and Twelfth west. Jeff is county director of Farmers Home Administration.

Durward Patterson, the science teacher, has bought and moved to 710 Cleveland, the Bill Whitten house. The Whitens moved to Lovington, N.M. Betty Huckabay tells me about the moving folks.

Mrs. John Street and daughter Sharla took Becky back to Hardin Simmons College at Abilene. Mrs. Street is the wife of Pastor John of Western Circle Baptist Church.

Lonnie Allsup of Clovis was a visitor in the Methodist Church Sunday. He has the 7-11 Store, a friend of the Reeford Burrouses. I believe he will be lay minister here Oct. 27, even though he is a Baptist. Many people went to the "Bash" or District Conference at Plainview Sunday afternoon. Several study groups went to get ideas. All the Methodist preachers that can go.

**JOHNNY** and Doris Wait are the parents of a new baby girl. Her name is Melissa. She has a sister who is Sissy, two brothers Gene and Buds. Mrs. Roy Baylets is the grandmother.

I went to the hospital to ask about Jack Flynt, Horace Carlike, Ray Bearden. They are doing okay. Mr. Johnny Blanton will go home this week and I chatted with Larry Odom. He got his hand caught in a corn dryer out at Willis and Cole place. Anyway, cut three fingers pretty badly. He says he and Sandy have a new baby girl that came Sept. 22. Her name is Misty Dawn. Isn't that a pretty name? The grands are the M. B. Odams and the Leslie Loudders. Larry said he served with the US Marines in Vietnam for two years and he loved getting this home town paper.

Oh yes, Punk or W. W. Gilbreath says he has a new pup named Daisey. Guess he and Editor B. M. Nelson can compare Fokie and Daisey.

Mary Flynt and Betty Wilhelm of Nazareth went to Austin last week to attend a leadership school for American Legion auxiliary. I think Mary is one of the directors.

Connie Stewart, a school teacher at Wilson south of Lubbock, won a blue ribbon on an afghan she knitted. She is the daughter of the Bill Williams.

**DENNIS** Cleaver and Betsy Simpson were married in an informal service in Amarillo Friday, Sept. 13. Only close friends were there. Parents are Shorty and Rachel Cleaver and Bill and Nina Simpson.

Jim and Dorothy Elder have been in Waco visiting relatives. They always see that part of the country, hills and dales.

Mrs. Butch Strickland has been in a Dallas hospital for a kidney treatment. She has a new grandbaby across the street from us. It belongs to Mr. and Mrs. Lonnie Strickland who live in the house north of the Carliles.

Cleo and Jewell Connell were in Anson and Abilene for a few days visit and business. They saw Abilene when the three city creeks were up, detoured from one street to another.

Harold and Shirley Stephens are home from a trip to Colorado. First stop Fort Collins to visit Eleanor and Roy Koehler. All went to Estes Park, on up to Bear Lake to see the pretty Aspen. Go over Dimmitt to see

the colorful maples at Raymond Wilsons and on Lee and Maple Streets.

**MRS. JAMES** Welch or Reta did her comedy program Monday in Amarillo at the YWCA's monthly coffee. This is her "Who's Under Your Hat?" program of club women and the different hats ladies wear — the very beautiful fussy hat, the smart street hat, the timid woman hat. Reta has presented this in Amarillo before but was asked to come back by popular demand. She presented it to our Garden Club one time.

Mrs. Floy Hart was the birthday girl Monday, so on Sunday the Church of Christ ladies took cake and punch out to South Hills Manor for all the September birthday people. Mrs. Hart's home is Amarillo but she and Hattie Webb are roommates at the home.

Mr. and Mrs. Jerrel McHaney and children of Odessa, the Rameys and several others

have been visiting the Horace Carliles. Young Billy Patton stays with auntie while H. H. was ill.

Homer Vining of Plainview, Jean DuLaney's dad, is home after a two-week stay in the hospital. Much better now. Jean has been with him.

B. M. and Viola Nelson attended funeral services in First Baptist Church, Matador Sunday for Douglas (Ben) Meador. Mr. Meador was publisher of the Matador Tribune. They also visited friends at Roaring Springs where they formerly lived.

**MABEL BROCK** was the birthday girl Saturday. Also that day was the wedding anniversary for Earl and her, so on Thursday their daughter Mona Merritt cooked a good dinner for the Brocks and the birthdays of her husband Glen and daughter-in-law Susan. Then Saturday the Brocks went to Lubbock for a dinner with Mabel's twin brother Melvin Bray and many other relatives.

The bridge clubs have started again. That is good, saves gas, keeps folks in Dimmitt. The Friday Club met at the Country Club with Roselle Gilbreath as hostess and Bobbie Damron helping her. Mrs. Gilbreath served spiced punch, coffee, dips and cakes and Mrs. Glenn made a very good cheeseburger for dinner. Playing were Martha Hyman, Cletha George, Brenda Andrews, Bobbie Damron, Betty Huckabay, Bernice Hill, second high, Carolyn Lane, Jeannie Johnson, high scorer, Myrtle Sheffy and Dee Williams. Virginia Gilbreath and Opal Bearden had a good score also.

Then on Thursday evening Sam and Virginia Gilbreath took their group to the Colonial Inn for dinner with games at home later. Their guests were Buster and Maxine Tidwell, Goodwin and Jeannie Miller, Raymond and Margaret Wilson, R. N. and Ann Carpenter, Swain and Katy Burkett.

Thursday afternoon Deanne Clark was hostess at a party with Dorothy Mayfield helping. They served all kinds of goodies to Ruth Jackson, Shirley Wise, Jo Eddie Riley, Betty

**JOE** Hernandez and Juanita Zuniga were married Sunday afternoon at the Immaculate Conception Catholic Church with Father Chen performing the service. Joe is with Pioneer Gas Co. They live on Southwest Fourth. Mr. and Mrs. Pilar Tinajero and children and Mr. Alfred Tinajero, all of Amarillo, were at the wedding. The parents are Mr. and Mrs. Angelita Hernandez, and Mr. and Mrs. Juan Trevino.

Jim and Suzanne Axe and daughters Lori and Heather of Lubbock were Sunday guests of her parents Mr. and Mrs. Floyd Dickey and grandmom Essie Helvey. Monday is Suzanne's birthday.

Opal Bearden was the birthday girl Tuesday. Josie Bradford celebrated her day Wednesday, Oct. 2. The Bradfords visited grandson Bob and Paula and her sister Mrs. Griffith in Lubbock on Saturday. The gentlemen watched the ball game.

Mike and Jan Baca and baby, Gene and Shari Bradley and boys went to the Santa Rosa Ranch last weekend to visit the girls' sister Kay and Andy Rogers. Seems they did some antelope hunting. I didn't hear how many they got or if any. The ladies are the daugh-

**DESTINATION?**

Postal employees do their best to interpret accurately the addresses written on our mail. However, some are so hastily written, and so poorly addressed that they may never reach their intended destination. A good many people go hastily through life, not realizing that they are headed in the wrong direction. The church points the way to salvation and desires that all should choose the way of our Lord and Saviour.

**TAKE TIME FOR THE LORD ATTEND CHURCH**

**EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Pohlmeiers travel to Olpe, Kan. for visit**

By MRS. AGNES BROCKMAN

Mrs. Bob Steffens and Regina Steffens attended the funeral last Wednesday in Slaton of Tom Respondik. He was a relative of the Steffens.

MR. AND MRS. Philip Pohlmeier and Beth Schulte spent a couple of days last week in Olpe, Kan. with the Nub Hoeltings. They had planned on going to Nebraska from there to visit also, but were called from here and told about their Edwin who was quite seriously ill, so they came on back.

Mr. and Mrs. Harry Flanigan of Aurora, Colo. visited the Florence Albrachts over the weekend.

Mrs. Betty Wilhelm and Mrs. Jack Flynt of Dimmitt attended the Executive Board meeting of the American Legion Auxiliary in Austin last week.

Mr. and Mrs. Gene Schmucker are the proud parents of a baby boy, born Sept. 27 in Swisher Memorial Hospital. Grandparents are the Joe Schmuckers and Francis Wilhelms.

THE LIONS Club sponsored a broom sale after church Sunday at Elmer's Station. Brooms, brushes, floor mats,

rakes and many other products which were made by the blind were sold.

The FHA sponsored a style show Thursday night in the school cafeteria. The dresses, suits, etc. shown were from The Village Shop in Dimmitt. Punch, coffee and cookies were served after the show.

Mr. and Mrs. Hank Rossi from Tullia, Mr. and Mrs. John Schacher, the Leonard Schultes, Jerry Wilhelms, Lawrence Brockmans and Ernie Brockmans attended a dance Saturday night in Vega honoring Mr. and Mrs. Harvey Arthos on their 25th wedding anniversary. Herman Birkenfeld and his band played for the occasion.

Mrs. Blanche Birkenfeld returned from the hospital in Tullia. She is staying in the home of her daughter Mrs. Paul Venhaus.

MRS. ANNIE Venhaus had surgery in Dimmitt last week and is doing quite well.

We're having nice sunshiny weather at present and the farmers are trying to get at their harvesting although the ground is rather wet and it will be rather slow yet for several days. They're rather anxious as the corn is going down pretty badly.

**VIEW FROM THE LIBRARY**

By MARY EDNA HENDRIX

Linda Schexnaydre and Kaylyn Robbins, who are associated with the Texas State Library, conducted a workshop in Amarillo on Tuesday, Sept. 24 concerning the interlibrary loan service. This was an interesting workshop and was well attended (in spite of the rain) by all of the area librarians. This is a great service and we hope we can obtain enough Federal funds to keep this service in operation. Some may not know about the interlibrary loan service - if someone requests a book and we do not have it in our library, then we are allowed to call the Amarillo Public Library for them to send this book to us from their library. If Amarillo does not have the book and our patron has about two weeks to wait for the book, then the Amarillo Library will Telex to the other Major Resource Libraries in Texas for one of them to send the book to us. Just a few times have we failed to get a book that we have requested. Thanks to Mildred Bradford, who kept the library while I was gone to this conference.

OUR Children's Story Hour is growing! Last Friday we had 31 boys and girls, with several mothers helping, including Mrs. John Allen, Mrs. Richard Schacher, Mrs. Drilma Handley, and Mrs. Mary Gabel read several stories. Mrs. Jeanette

Phillips, Mrs. Lynnette Rials and Mrs. Roger Malone served cookies and cokes. We appreciate the good work the Town and Country Home Demonstration Club is doing.

The Mills & Boon Ltd. in England are combining their resources with the Harlequin Publishers in North America to publish some romantic fiction. This company has sent our library a complimentary copy of one of these books, so the young girls will probably be interested in it. The book is entitled "Cruise to a Wedding" by Betty Neels. Loveday was very fond of her Dutch friend Rimada, and when Rimada confessed that she had a big problem Loveday was only too ready to help her in any way. Rimada, it appeared, was in love and wanted to get married, but she also had a stern guardian who did not share her enthusiasm for the young man in question and was determined to stop her. It seemed only natural to offer sympathy and practical help, and in no time Loveday found herself on board a cruise liner en route for Madeira, where Rimada and her boy-friend intended to marry. But all their plans were rudely shattered by the arrival of the stern guardian, Baron Adam de Wolf van Osinga, who was to present Loveday with her biggest problem of all!

MARTHA Salinas started working last week through the Manpower Training Program. Edna Riley brought Mrs. Sue Dinwiddie from Denver, Colo. in while she was visiting. LaQuita Hill came in and visited with her while she was here. Mr. and Mrs. Granville Martin brought their daughter and granddaughter in. Mrs. Martin is working on her family history. We would like for the newcomers to know that we have a Microfilm reader here in the library.

## Homecoming scheduled at Dimmitt, Nazareth

Homecoming activities are scheduled for Dimmitt and Nazareth next week. ACTIVITIES will get underway in Dimmitt next week with a big homecoming bonfire east of Dimmitt High School at 8 p.m. Thursday. A Flame King and Flame Queen will be crowned at the bonfire. Next Friday the Homecoming Queen will be crowned at an afternoon pep rally at 3:15 in the DHS gym. All exes are urged to attend the rally. Following the rally, the Dimmitt FHA will sponsor a barbecue dinner at 5 p.m. Capping off homecoming activities will be the Dimmitt-Lockney grid battle at 8 p.m.

AT NAZARETH, a homecoming pep rally will be held at Swift Stadium Thursday night. A football queen will be crowned at the rally. Next Friday the Nazareth Swifts will take on the Amherst Bulldogs in their homecoming clash. Game time is set for 8 p.m. Nazareth's Homecoming Queen will be crowned at the game.

Greetings Comrades, It was reported to me that our last dance was highly successful. We had a big crowd and everyone enjoyed the band that played for us. They were Sandy Caison and the Caison Kids of Hereford. I didn't get to attend but I was told by several that I missed a good party. Comrades, you've probably noticed that we've been closed the past few days. Well, let me explain. When we submitted our paper work to have our beverage permit renewed some of it was wrong and had to be done over. It was corrected and sent in again and as soon as it clears Austin and they can issue the permit we'll be back in business. We can't sell any beverages during this time, but we can conduct meetings in the

## Rites conducted for Bill Tanner

Funeral services were held Friday in the Progress Baptist Church of Muleshoe for Bill Henry Tanner, 19, son of Mr. and Mrs. V. T. Tanner, former Dimmitt residents. REV. MURRELL Johns, pastor, officiated. Tanner was dead on arrival last Wednesday at West Plains Memorial Hospital after he apparently collapsed with a heart attack while participating in a touch football game. A Littlefield native, he moved to Muleshoe with his parents at age 6. He was a 1973 graduate of Muleshoe High School and a student at the University of Texas at Arlington. Tanner was a member of the Progress Baptist Church, Future Farmers of America and Future Teachers of America. Other survivors include two sisters, Mrs. Brenda Weimer of Massillon, Ohio, and Mrs. Suzie Coker of Plattsburg, N.Y.; and a brother, Brent, of the home. BURIAL was in Bailey County Memorial Park by Singleton-Ellis Funeral Home.

### Here are week's best food buys

Meat outlook for coming weeks—"unpredictable," especially for beef.  
MRS. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, this week forecast a gloomy picture for beef eaters during the winter.  
"As we get farther into the winter, less choice meat will be in markets, and we'll be dealing with a lower grade beef that has a slightly different flavor and is less tender," she said.

Pork values this week include picnics, shoulder roasts and steaks, end-cut loin roasts and chops, and pork liver.  
AT FRUIT counters, Bartlett pears are available, and higher-priced prunes reflect this year's smaller crop. Golden Delicious apples are a versatile fruit choice, and Texas oranges are on the market.  
Peach and nectarine prices are moderate, while bananas, grapes, oranges, grapefruit, plums, pineapples, honeydew and cantaloupe feature various price levels. Buy them according to budget limits, the specialist said.

"Fall vegetables are appearing at markets—namely acorn, butternut and several other hard-shell squash varieties.  
Also, summer supplies of potatoes are plentiful, and sweet potatoes are in most stores.

Other vegetable buys include cabbage, carrots, cooking greens, dry yellow onions, rutabagas and cushaw.  
CONSUMER WATCH-WORDS: Pork prices likely will decrease for awhile this fall, but the situation will change as feed costs increase.

Agricultural economists say as much as 20 percent of all processed meat items could be made of vegetable protein by 1980.

## SWPS, Extension slate gin symposium today

Southwestern Public Service Company and the Texas Agricultural Extension Service will sponsor a one-day symposium dealing with the management of energy in cotton gins, today (Thursday) at the South Park Inn in Lubbock.

REGISTRATION will begin at 8:30 a.m. and the welcome address will be given by C. B. Parnell, Jr., Texas Agricultural Extension Service, College Station. Speakers for the morning session will be Bob Brummal, Division Manager for Southwestern Public Service Company; W. E. McCune, Agricultural Engineering Department, Texas A&M University; Clarence Leonard, USDA, Southwest Cotton Ginning Laboratory, Mesilla Park, N.M.; F. J. Hammond, General Manager, Lubbock Electric Company; and

Doug Weinman, Doug Weinman and Company, Lubbock. Brummal will speak on the electrical power situation on the High Plains of Texas and McCune will discuss voltage drop, energy use and motor operation. Leonard's topic will be the monoflow conveying system, Hammond will speak on the care and maintenance of motors and motor controls, and Weinman will talk on behalf of the Texas Cotton Association.

The afternoon session will feature presentations by Gary Wallin of the Texas Air Control Board, Stephen Fuller, Texas A&M University and Bill Lalcor, from Cotton, Inc. of Raleigh, N.C. In addition to the speakers, the afternoon session will also include a panel discussion on the efficient use of electrical power. Panel members will be the program speakers and Roy Baker, director, South Plains Ginning Research Laboratory, Lubbock.

### County firemen attend school

County firemen from Dimmitt and Nazareth recently attended the Canyon Area Fire Control School, held in Canyon.

CLASSES were conducted under the auspices of the Firemen's Training School, Texas A&M University Engineering Extension Service, and were sponsored by the State Firemen's and Fire Marshal's Association. Facilities were provided by the Canyon Fire Department.

Following a brief orientation, the firemen were transported to the drill field where they fought controlled fires in three separate projects, which included LPG fires, truck spill fires and house fires.

Dimmitt firemen receiving certificates included R. W. Morris, Henry Morrison, Merton Powell and Randall Small.

Also awarded certificates were Nazareth firemen Cecil Hoelting, Urban Ball, Elmer Huseman, Kevin Gerber, Joe Drerup, Ralph Brockman, Fred Ball, Jerry Kern, Virgil Wilhelm, Duane Maurer, Dennis Kern and Eugene Kern.

### On Wall Street

By Bob Hill  
Lentz, Newton & Co.

A flourishing "body disposal" business has developed in California over the strong objections of traditional funeral directors. The "cremation clubs" offer only simple cremations and burial at sea for as little as \$250. But now the California state legislature is considering a bill requiring the "cremation clubs" to be licensed by a board dominated by their arch-rivals, the morticians.

FOREST Lawn Cemetery has established a reputation of expensive funeral elegance in California. But cost-conscious Californians have enthusiastically joined in the "cremation club" concept. One profit-making group has conducted over 1,000 low-cost cremations since starting in 1971 and has 10,000 members eligible for the service. Over 30 more clubs have gone into operation in California and several are getting ready to expand into other states.

Funeral directors have battled the "cremation clubs" concept since the first one opened its doors. But now they admit there is a market that cannot be denied. In fact, funeral homes are offering cut-rate cremations of their own.

The question of licensing has been the big point of controversy. The cremation clubs bypass California law simply by not advertising themselves as "funeral directors." Licensed morticians believe the cremators should be licensed for health reasons and the cremators agree but wish to be licensed by the state health department rather than by the California Funeral Directors and Embalmers Board.

The majority of the cremators are operating at a healthy profit, although their fees and "memberships" are only a fraction of the \$1,886 that the Federal Trade Commission estimates is the average cost of a funeral in the US. The cremators hold costs to the minimum by leasing most of their equipment, such as hearses, crematoria and yachts for scattering ashes.

### Hart Legion post elects officers

Officers for American Legion Post 311 of Hart were elected recently.  
CLAUDE RAY was elected commander and Percy Hart was chosen vice commander.

Other officers include James Kennedy, service officer; Lester Flippo, chaplain; R. G. Henderson, sergeant-at arms and Bud Steiert, adjutant.

### Applications open for postal exams

Applications are now being accepted, and examinations will be given to establish a register of eligibles from which future clerk and carrier vacancies in the Dimmitt Post Office will be filled.  
NO EXPERIENCE is required. Applicants will be required to take a written examination designed to test aptitude for learning and performing the duties of the position.

Applications and information concerning duties, physical requirements and salary schedules are available at the Dimmitt Post Office through Oct. 9. All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, political affiliations, or any other non-merit factor.

### WHETHER YOUR CROP IS STANDING or DOWN

## HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions  
Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.  
Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

## VETERANS' SERVICES

By BEDFORD W. SMITH  
County Service Officer

This week's news is especially important to Vietnam veterans and retired reservists and Korean veterans. You'll not be able to get life insurance at such low rates anywhere than as follows:

Vietnam-era veterans discharged during a four-year period before Aug. 1 have until Aug. 1, 1975 to apply for low-cost Veterans Group Life Insurance (VGLI), according to Public Law 93-289, effective May 24, 1974 which authorizes a new program of insurance. See me for information and forms. We'll help you apply.

An estimated 2.7 million veterans separated from April 2, 1970 through July 31, 1974 are eligible for the insurance.

Servicemen discharged since Aug. 1 will receive application forms automatically, Jack Coker, VA Regional Office Director of Waco, said.

Nonrenewable, five-year term coverage is available in \$5,000 increments up to \$20,000. Monthly premium for the maximum coverage is \$3.40 for veterans aged 34 and under and \$6.80 for those 35 and over.

Personnel may convert Servicemen's Group Life Insurance to VGLI without medical examination if applications are

received within 120 days of separation. Applications after that time must include evidence of good health. This requirement is waived for veterans with VA-rated, service-connected disabilities.

Application forms are available from the VA Regional Office at Waco, and from veterans county service offices and veterans service organizations. Completed forms and premiums should be sent to the Office of Servicemen's Group Life Insurance, 212 Washington Street, Newark, N.J. 07102.

In addition to the Vietnam veterans the law makes reservists "performing active duty on or after Aug. 1, 1974 or to reservists performing active duty or performing inactive duty for training under a call or orders specifying a period of less than 31 days, who while performing such duty, suffer an injury or disability which renders them uninsurable at standard rates" eligible for VGLI.

The law provides for the first time a payment of dividends on Veterans Special Life Insurance policies prefixed by the letters "RS" and "W". Payments will be annually on policy anniversary dates on or after Jan. 1, 1975.

There are six options under which dividends may be authorized. Come see us for particulars.

**'Customized service' is policy**  
**guiding Castro County Grain Co.**

"Customized service" has long been the guiding policy at Castro County Grain Co.

"We try to keep abreast with the changes in the county, and upgrade our facilities to give our customers the best service we can," Bill Gregory said.

For instance, this year the elevator company added a 2,500-bushel grain dryer, hiking the company's total drying capacity to 4,000 bushels per hour.

In fact, Castro County Grain Co. was one of the first elevators in the area to install a grain dryer (1957). The company was set up to handle corn long before it became a major crop here.

Castro County Grain Co. also was the county's first dealer in farm fertilizers, starting its fertilizer department 26 years ago.

Located at 409 E. Bedford St., Castro County Grain Co. has been operated by the Gregory family since 1948. Bill and Don Gregory manage the company together.

Most of the company's employees are long-time, experienced grain handlers. They are P. O. Goodwin (14 years with the company), fertilizer sales manager; Alex Trigo (eight years), elevator superintendent; Carlos Martinez (seven years), spreader truck operator; Joe Asua (six years), elevator operator; Gumercindo Correa (one year), elevator assistant; and C. J. Johnson (one year), fertilizer sales.

Castro County Grain Co. sells and custom-applies all dry fertilizers, and has the equipment available to apply the ammonia that it sells.

The company is also headquarters for feed, seed and chemicals for both the farm and the home.

These are products and services the company provides in addition to its main business—providing bonded, licensed storage and marketing for local farmers' crops.

"We appreciate the opportunity to serve our customers and handle their grain for them, and we try to show it," Don commented.

The door is always open at Castro County Grain Co., where coffee, soft drinks and snacks are always available.

We've *doubled* our  
storage capacity and more  
than doubled our drying  
capacity since last harvest,  
to serve you more quickly  
and efficiently. We look  
forward to serving you.

# Cats claw Tahoka Bulldogs 41-6 with passing game

By JIMMIE CHAPMAN

There was a Dog and Cat fight down in Lynn County Friday night with the Dimmitt Bobcats trouncing the Tahoka Bulldogs 41-6 for their fourth straight victory of the season.

TRAVIS Hampton and Robert Mayberry sparked the Bobcats with Mayberry leading the ground attack and Hampton on the receiving end of five passes from quarterbacks Brad Sanders and Ronnie Lawson. The two gained exactly the same amount of yardage. Mayberry picked up 132 yards on 14 carries while Hampton caught five passes good for 132 yards. Mayberry and Hampton accounted for 264 yards of the total 441 yards of offense for the Cats.

Dimmitt fans got a happy surprise in the second half as the Bobcat passing offense made its best showing of the season. Fans saw the Cats' defense play sluggishly at times in the first half. Tahoka gained 147 yards on the ground in the first half against the Dimmitt line and added another 84 yards on the ground in the second half.

The Bobcats, playing with a shortage of backs, managed to get 15 points on the board in the first half, getting the ball for only 19 plays.

Quarterback Brad Sanders completed 4 of 4 passes good for 106 yards, including a 62 yard bomb to Hampton in the third period. The ball was in the air for over forty yards before Hampton took it without losing stride and raced into the end zone. Ronnie Lawson completed 4 of 5 passes for 65 yards. Five different players scored TD's for the Cats with Mayberry the only player getting in twice.

IT TOOK the Bobcats only six plays to score the first TD of the game after they took over on the Tahoka 47 yard line after holding the Bulldogs and forcing them to punt. After Mayberry and Robert Horton put the ball on the Tahoka 1 yard line, Gene Veals went around left end on fourth down for the initial touchdown. Tahoka's

end Milton Harris ran into the hard-running Veals at the goal line, but Veals simply pushed his way through the defender and into the end zone. Ricky Wright booted the extra point and the Cats were ahead 7-0 with 7:37 left on the clock in the first quarter.

Both the Cats and Dogs fumbled the ball away in the first quarter when good drives were underway but the quarter ended with the score 7-0, and Dimmitt on top.

In the second period Tahoka moved to the Dimmitt 11 yard line after recovering a Horton fumble on the Tahoka 21. Tahoka ran up the middle plays that saw all of the tackles being made by the Cats in the secondary instead of the line of scrimmage. The Cats drew one of their 5-yard penalties here and Tahoka had the ball at the Dimmitt 6. The defense stiffened though and after Veals stopped Earnest Bailey for a 2-yard loss and an incomplete pass was thrown into the end zone, the Cats took over on downs.

Robert Horton burst through the middle of the line on first down for 26 yards to get the Cats running room. After three more plays the Cats were forced to punt and Robert Calhoun got off a 38 yard punt, the only one of the night for the Bobcats. The two teams then played on even terms until late in the second period.

DIMMITT'S next TD drive started on the Tahoka 45 yard line where the Cats took over

TURNING THE CORNER—Dimmitt halfback Robert Mayberry picks up 15 yards to the Tahoka 36-yard line in the fourth quarter of Friday night's Bobcat-Bulldog game at Tahoka. Trying to head off the speedy Dimmitt back are Tahoka's David

Sissney [24] and Mark Tekell [70]. Mayberry gained 132 yards on 14 carries as the explosive Dimmitt offense rolled up 441 total yards en route to a 41-6 victory.

on downs with only 2:30 to go in the half. Leon Sandoval ripped off 20 yards and a pass from Sanders to Hampton got 9 more. After Sandoval gained very little on the next two plays, Robert Mayberry swept the right side of the Cats' line and bulled over a Tahoka defender to get the Cats their second score. Mayberry ran over the 2-extras, the first two-point attempt for the Cats this year, to make the score 15-0 with 1:37 left in the half. Tahoka moved the ball to mid-field before the intermission.

Tahoka, to no one's surprise, tried an onside kick to open the second half and Dimmitt got good field position with the ball on the Tahoka 44 yard line. The Bulldogs had tried the onside kick in all of their other games this year and the Cats were ready for it.

Lawson lost a couple of yards on the first attempt with the ball and then Mayberry got to the Tahoka 28 yard line on a 23-yard gallop that saw the hard-running back run over two Tahoka linemen, then ram his head into the third and drive him for another four yards. Veals gained four, then Mayberry went another 20 yards to put the ball at the 1-foot line. On his second attempt into the line, Mayberry went into the end zone. Wright's kick was wide and the Cats led 21-0 with 9:32 left in the third period.

TAHOKA took the kickoff on its 24 yard line and with Earnest Bailey, David Glenn, Trent Leverett and Milton Harris plunging into the line on short yardage, killed over six minutes of clock time and finally scored on a quarterback sneak from the one yard line with David Glenn getting the TD. Glenn tried to pass for the points-after, but the ball sailed over the head of the receiver in the corner of the end zone where Cliff Parker and Veals were watching for the pass. This made the score 21-6 with 3:22 left in the third period. The Cats had possessed the ball only once in the period to this point.

The touchdown by the Bulldogs fired up the Cats. On the first play from scrimmage after Lawson returned the kickoff from his 20 yard line to the Dimmitt 38 the aerial show began to unfold. The Cats threw their second pass of the contest and it was a jewel to see.

Sanders simply wound up like he was pitching baseball and threw the ball in the air for over forty yards. End Travis Hampton, who has had a little baseball experience also, took the ball on the run and rambled into the end zone for a score. Wright's kick was good and only 17 seconds after Tahoka had scored the Bobcats had upped their lead to 28-6.

Cliff Parker intercepted a pass from David Glenn on the second play after the next kick-off and the Bobcats had the ball on the Tahoka 45 yard line. Lawson threw a 30 yard pass to Hampton but a late hit by a Bobcat blocker pushed the ball back to the Tahoka 44 yard line. On the play Robert Mayberry blocked out two tacklers trying to get Hampton but his hands came loose from his jersey on his third attempt to block another tackler and this caused the infraction.

Lawson threw a screen pass to Mayberry and with good blocks by Shannon Truelock and Harold Love the speedster got 26 yards to the Tahoka 17 yard line. Horton gained five and then Mayberry had the ball kicked out of his hands as he drove into the line but Harold Love fell on it for the Cats at the 7 yard line.

Ronnie Lawson faked the pitchout and swept the right side for the Cats third TD of the third period. Wright kicked the point and with only 30 seconds left in the third period the Cats were leading 36-6.

THE THIRD quarter proved beneficial for the Bobcats. They scored three TD's and got two extra points for a total of 20 points in less than 9 minutes playing time in the period. The passing attack was mainly responsible for bringing the offense to life.

Dimmitt got its last TD of the game when the Cats took over on their own 48 yard line following an 8-yard return of a punt by Travis Hampton. Mayberry got off a good 14 yard gainer but again Dimmitt was guilty of clipping. The penalty moved Dimmitt back to its own 49 yard line. The Cats got a little fighting mad and turned

their passing game loose again. Sanders hit Hampton for 22 yards and then Lawson threw to Hampton for 9 yards. Sanders came back with a 13-yard aerial to Robert Calhoun and a late hitting penalty against the Bulldogs moved the ball to the Tahoka 4 yard line.

Dimmitt was determined to let another back get into the scoring column and they turned to their fullback Robert Horton. Horton had pulled the Cats out of holes several times, taking the pressure off of the two passers and Mayberry and keeping the stacked up Tahoka line that always seemed to be waiting for the pitchout honest.

WITH FIRST and goal to go, Horton got 1, then 2 yards and then was stopped on the 1-foot line with a fourth down. Coach Deane Wright stuck by his plan and Horton came through with flying colors, literally blasting into the end zone over right

guard for the last score of the game. Wright's kick was wide and the score was 41-6 with 7:36 left in the game.

Tahoka had one more chance at the ball but failed to mount a drive. The Bulldogs recovered a fumble by Veals after he had caught a pass from Lawson on the Tahoka 38 yard line with only 38 seconds left. The game ended a play later with the Cats on top of the Dogs 41-6.

The Cats will have their hands full this week when they take on the Tulia Hornets at Tulia at 8 p.m. Friday. Friona managed to beat Tulia 6-0 last Friday at their Homecoming game in Friona, so the Hornets will be fired up for another chance at a district 3-AA team Friday night.

# Last-minute heroics lift Horns past Buffaloes 12-7

By PAT STEIERT

The Hart Longhorns staged a heroic goal line stand in the second half, then cranked up a dramatic 87-yard scoring drive with just over three minutes left in the game to defeat the Petersburg Buffaloes 12-7 Fri-

day night at Petersburg in a battle of the undefeateds. Both teams sported 3-0 records going into the contest.

DEFENSE was the name of the game as both teams thwarted offensive efforts in the bruising battle.

Clay Zachary scored the only touchdown for the Buffaloes and Terry Hill and Randy Finch tallied points for the Horns.

Hart failed to move the ball following the opening kickoff and the Horns began a long night of punting. Following the punt, Petersburg's Keith Biggers tried a long pass on third down and was intercepted by Hart's Gilbert Rodriguez to give the Horns the ball at their 7.

aged to move the ball to its own 49 on runs by Hill, Rodriguez and Finch, but the determined Buffaloes forced another punt.

Petersburg couldn't move the ball either and a face-masking penalty following the Buff's punt gave Hart the ball at its 21.

HART'S Maroon Machine finally got untracked and mounted an 81 yard drive which consumed the remainder of the first period and almost three minutes of the second. Behind the fine blocking of the offensive line, Hill, Rodriguez, Finch and quarterback Danny George toted the ball to the Buff 1. Hill went the final yard for the score to cap the 14-play drive. The kick for extras failed and Hart led 6-0 with 9:29 left in the half.

Following an exchange of punts Fernando Martinez returned a Hart punt 68 yards to the Hart 23. Randy Finch made a TD saving tackle. The Buffs moved to the Hart 10 but the Maroon Gang denied them a score. Horn defenders Freddy Mancias, Mario Martinez, Kent Irons, Dean Hill, Danny Carson and Jimmy Kennedy shut out

NO YOU DON'T—Hart linebacker Kent Irons hits Petersburg quarterback Keith Biggers (12) with a crunching tackle to send him out of bounds in Friday night's game at Petersburg. Other Hart defenders closing in include Danny George (12), Terry Hill (30) and Randy

Finch (33). Aggressive play by the Longhorn defense again spelled the margin of victory for Hart as the Maroon Gang staged two goal-line stands which denied the Buffaloes scores. Hart took a 12-7 come-from-behind win in the contest.

behind win.

TOMORROW (Friday) Hart takes on the tough Friona Chieftains of District 3-AA. Kickoff time will be 8 p.m. at Longhorn Stadium.

the Buffs on four successive downs to get the ball back.

Hart failed to move the ball and punted to the Buffs, who took over on the Hart 33. Petersburg then drove to paydirt in six plays. The key play was a pass from Keith Biggers to Mark Hughes at the Hart 4. Clay Zachary went in from one yard out for the score with 41 seconds remaining in the half. The kick for extras was good and Petersburg took a narrow 7-6 lead.

THE Buffaloes received the opening kick of the second half, but were unable to move the ball. Hart also failed to mount a drive and punted to the Petersburg 7.

Aided by a personal foul on fourth down the Buffs mounted a drive to the Hart 9 for first and goal. Keith Biggers picked up seven yards on an end sweep before Hart's Jimmy Kennedy knocked him out of bounds at the 2 with a touchdown-saving tackle.

Clay Zachary tried the middle of the Hart line on three successive plays but the Maroon Gang lived up to its name as the Horns stacked him up for very little gain. Dean Hill and Freddy Mancias spear-

headed the dramatic goal line stand which gave the ball back to Hart.

The remainder of the third period was a punting contest as both teams were held by the fired-up defenses.

EVENTUALLY the Buffs moved to the Hart 45, but the Horns shut off the drive and Petersburg punted into the end zone.

With 3:49 remaining in the game the Maroon Machine got cranked up. Danny George failed to connect with a receiver on a first down pass and on second down Finch was caught on an end-around for what appeared to be a disastrous loss. But the never-say-die Horns came up with a big play on third down when quarterback Danny George stood his ground and hit Finch at the Hart 38 for a first down.

The Horns then displayed a well-disciplined attack as they mounted the most dramatic drive of the night. Behind crisp blocking which allowed him plenty of time, George hit Danny Carson with a pass at the Petersburg 40. Gilbert "Rod" Rodriguez then rambled to the Buff 34 on a draw play. With 2:17 left in the game,

George hit Finch at the Buff 25 for a first down.

George went for it all on the next play and found Finch near the sidelines at the Petersburg 2. Finch made the catch and drove into the end zone, dragging tacklers. George tried a pass for two extras, but it was blocked and the Horns took a 12-7 lead with 2:12 left in the game.

THE BUFFS took the ensuing kickoff at their 35 and went to work. On first down quarterback Keith Biggers threw deep for Mark Hughes, who made the reception at the Hart 35.

Danny Carson then sacked Biggers for a loss on first down and on second down Horn linebacker Kent Irons broke up a Biggers pass at the 41. Biggers tried another pass on third down but it was broken up. Fernando Martinez attempted a run on fourth down but he was stopped by Jesse Flores and Jimmy Kennedy and the Horns took over on downs.

The Horns then ran out the clock to clinch their fourth straight win of the season. Hart's defense again played a big role in preserving the victory, shutting out the Buff-

# Swifts capture first district win Friday

By MARTHA CATOE  
The Nazareth Swifts put it all together Friday night in their first district clash to defeat the Lazbuddie Longhorns 20-0. The Blue and Gold offense gained 308 total rushing yards and completed 3 of 4 passes.

The first half of play was dominated by Nazareth as the Swifts gained eight first downs and held Lazbuddie to only one. Although Nazareth had two deep penetrations in the first half, the Swifts could manage only one score. The lone score of the first half came on a 10-yard run by halfback Charles Heck. The score capped a 53 yard drive, and the 2 point conversion at-

tempt failed with 1:34 left in the half. The Longhorns could not move the ball and the teams retired to the dressing rooms with Nazareth leading 6-0.

**THE THIRD** and fourth periods of play proved to be much the same as the first, with both ball clubs exchanging punts frequently.

With a minute and six seconds remaining in the ball game Swift quarterback Doyle Kleman scored on a 1-yard quarterback sneak. The play was set up by a punt fake and an incomplete pass by the Longhorns giving the Swifts the ball on the Lazbuddie 9-yard line. A pass from quarterback Doyle Kleman to end Mark

Hoelting added two more points to the Swift score. The Longhorns took the Swift kickoff on their own 20 and could not penetrate the Big Blue defense in four plays. Again Nazareth took over deep in Longhorn territory.

**ON THE** first play from scrimmage Doyle Kleman completed a 21-yard TD pass to halfback Charles Heck on a beautifully executed play with 28 seconds left in the game. The two point conversion attempt was unsuccessful.

Glenn Kleman and Bernie Huseman led the Swift defense with 9 and 8 tackles respectively.

The Swifts meet Meadow at Meadow tomorrow (Friday). Kick-off time will be 8 p.m.

**BIG GAINER**—Dimmitt split end Travis Hampton Jr. makes his first of five pass receptions against Tahoka Friday night, hauling in a Brad Sanders pass on the Tahoka 16-yard line in the second quarter to set up Dimmitt's second touchdown. In the third quarter, Hampton teamed with Sanders again for the most spectacular pass play the Bobcats

have made this year, catching a 40-yard toss at full speed and racing 23 more yards for Dimmitt's third TD. The Bobcats completed eight of nine passes for 171 yards as they staged their best aerial display of the year. Dimmitt defeated the District 5-AA Bulldogs, 41-6.

## Ladies on top again in football contest

The ladies were back again in the fourth week of the Dimmitt Athletic Booster Club's football contest.

**SUZAN SANDERS** had 14 correct guesses to take first place. The only game she missed was the Texas Tech-Texas contest.

Nell Kelley was second with 12 correct guesses. Mrs. Kelley

was 23 points off of the tie-breaker score.

Jeannette Hampton and Larry Birdwell each had 12 correct guesses, but Birdwell was 24 points off the tiebreaker score and Mrs. Hampton was 34 points off.

The fourth week of the contest saw 39 entries.

## Only two 3-AA teams remain undefeated

By DON WINDLE

After four weeks of play there are only two teams left undefeated in District 3-AA. Dimmitt continues to overpower its opponents with a relentless offensive attack that has accumulated 1,381 yards on the ground, and Friona continues to play shutout defense as the Chieftains have yet to allow an opponent across their goal line.

**OLTON** was the latest district team to go down to defeat as the Mustangs fell victim to a 28-16 defeat at the hands of a powerful Floydada team. Mental mistakes by the Mustangs proved to be their downfall. The Mustangs were playing without one of their backfield aces, Joe Alcorta. The offensive spark suffered a back injury two weeks ago and was not ready to play.

Littlefield, the defending district champion, has now won two victories back-to-back after opening the season with a loss and playing Levelland to a 7-7 deadlock. However, the Wildcats of Coach Jerry Blakely have been hit hard as their ranks have thinned considerably by injuries. The Cats got Buddy Jungman back for the Littlefield victory over Muleshoe, but lost Rick Hopping for

a spell. Stanley Patterson, Ronald Parmer, Kent Elms and Jungman have lost playing time because of injuries.

The Morton Indians bit the dust for the third straight time this week, falling to Frenship 9-6. Coach Roy Winter's crew is having difficulty moving the football and is making mental errors like fumbles and blocked kicks. Against Frenship the Indians dropped the football four times. Morton is missing a key player in Tony Soliz, who injured a knee two weeks ago.

**THE FRIONA** Chieftains got one of their starters back this week when fullback Davy Carthel reported to the starting lineup. Carthel has missed two straight games, but came back against Tulia to rush for 42 yards and score the game's only touchdown as Friona defeated the Hornets 6-0.

Defense is the name of the game for the Chieftains of Coach Bob Owen. Friona has yet to yield a point in season play as they blasted Farwell 44-0, nipped Muleshoe by a 13-0 count and held Tulia scoreless 6-0. Defense is the name, but scoring will probably be the difference between winning and placing second in the tough district 3-AA competition.

When it comes to scoring, everyone can look to the Dimmitt Bobcats. Dimmitt has scored 131 points in four games for an average of 32.8 points per contest. The Bobcats have averaged 444.0 yards per game on offense. Mayberry, Veals, Horton, Lawson and Brad Sanders compose the Bobcat scoring attack.

Littlefield's Bill Turner continues his assault for the rushing title as he has pounded for 603 yards, but Robert Mayberry of Dimmitt and Glenn Johnson of Olton are giving the Wildcat a run for his money. Mayberry has 570 yards while Johnson has ground out 545 yards.

**TOUCHDOWN!**—Halfback Robert Mayberry evades a Tahoka tackler and bounds into the end zone for Dimmitt's second touchdown in Friday night's Bobcat-Bulldog clash at Tahoka. This TD, scored just 1:37 before half-time, was set up by a pass from quarterback Brad Sanders to split end Travis Hampton Jr. three plays earlier. Mayberry also scored the two-point conversion to give Dimmitt a 15-0 halftime lead. The Bobcats finished with a 41-6 victory, their fourth straight win of the season.

By DON NELSON

Pardon me, sir, did you see what happened Saturday?

"Yeah, I seen. I was sittin' there about the 12-yard line, just gettin' ready to buy Ethel a popcorn, when here he come—out from between that Zorro gal and that big gang-fight in the middle of the field, streakin' right up the sideline."

Did you see what he did?

"Yeah, I seen. Here come the ball sailin' out from behind that gang-fight, and he grabbed it outta the air and just kept streakin' down that sideline with it. Then he turned his head while he was still a-runnin' and looked back at them orange shirts behind him and raised his hand and I yelled at Ethel, I said, 'Don't look, Ethel!' But it was too late—she already seen, and was wavin' back at him."

Did you notice what happened after the game?

"Yeah, I noticed. I felt like I was back in a Harley Sadler tent show and Toby had just outfought the city slicker. Them Tech fans was a-goin' bananas, and Ethel was a-goin' with 'em. I hollered at Ethel, I said, 'Come back here, Ethel!' But it was too late—she was already climbin' the goal-post, and some guy in a little red hat was a-givin' her a push."

Did you see what the Tech coaches were doing while all this was going on?

"Yeah, I seen. I got Ethel down from the goal post and was lookin' for the men's room, and I opened this door and there was Mr. Carlen drawin' off the Oklahoma State defense on a blackboard. He looked me right in th' eye, like he does on teevee, and said 'Blessed are the meek,' and asked me if I had the A&M game film. I told him I was jist tryin' to git to th' men's room before all them other folks who had been holdin' up two fingers got there."

Did anything else happen to you during this post-game riot?

"Yeah, it happened. Me and Ethel was jist breakin' clear of the crowd outside, and was standin' between th' buses and th' Mark Fours, when this same guy in that little red hat come runnin' up and grabbed me around th' waist. I hollered at Ethel, I said, 'Don't look, Ethel!' Then this guy started dancin' me around and yelled, 'We ain't a cow college no more!'"

"And I said 'Mister, what are you so shook up about? Your football team has been big-town for a long time now, even if you wouldn't admit it when old J.T. had 'em. When you got a big-town team, this sorta thing is jist gonna happen, and you gotta learn to take it in stride. When are you fans gonna catch up with your team? You ain't had a cow-college team for a long time now."

"Well, I shouldn't of said it. How wuz I to know this guy was a vetrynarian?"

Is that how you got the black eye?

"Naw, that come from another source, but it wuz worth it. Excuse me, mister. Don't listen in on the phone now, Ethel—I'm gonna call me another teasipper and ask him if he seen th' game."

REMEMBER, you read it here first: Pickled okra may have had something to do with Montana Tech's two football victories.

The Montana Tech Ore Diggers have a starting offensive tackle who is just a freshman—one Kyle Broderson from Dimmitt. Kyle apparently came on like a truckload of bullfrogs up in Butte.

But Kyle and his teammates weren't too happy about their first game—they lost it. MEANWHILE, Kyle couldn't

MEMBERS OF THE Dimmitt and Nazareth volunteer fire departments attended a firefighting school sponsored by the Canyon Fire Department recently. Firemen got practice in fighting structural fires, truck spill fires and LP gas fires at the two-day session.

## Tulia defense could give Cats big test

When they travel to Tulia Friday night, Dimmitt's Bobcats are expected to get their toughest test so far this season.

THE BOUT will be a "mirror" game. Coach Deane Wright's Bobcats and Coach Earl Miller's Hornets use identical offenses and defenses—the Wishbone-T and the Split-4. But mainly, it will be a battle pitting Dimmitt's explosive offense against Tulia's stingy defense.

The Hornets have given up only four touchdowns this year—one per game. But despite this good defensive record, the Hornets are nursing a 1-3 mark.

That won-lost mark is deceptive, though, for the Hornets have taken on three of the top teams in the region in their early-season bouts—Olton, Frenship and Friona—and they've all been close games.

TULIA started the season with an 8-0 loss to Olton, then topped Morton 34-7 in the second outing. Two weeks ago Frenship eked out a 6-0 victory over the Hornets, and Friday night Friona capitalized on a break to chalk up a 6-0 win.

A Tulia receiver fumbled the second-half kickoff during Friona's Homecoming game Friday night, enabling the Chiefs to recover on the 19-yard line and drive in for a touchdown. And that was the only difference between the Hornets and the District 3-AA favorites.

"According to the Friona coach, Tulia gained as many yards as Friona did," Coach Wright said this week. "They just didn't get a break like Friona did."

THE HORNETS of District 4-AA have been performing respectably in one of the toughest non-conference schedules in the area. The Bobcats, meanwhile, still haven't played a winning team. Their first four opponents have compiled a total won-lost record of 3-13 so far. Muleshoe is 0-4, while Slaton, Springlake and Tahoka hold 1-3 records.

"Personally, I hope Tulia will be tough because our kids need a tough one," Coach Wright commented.

Wright is disappointed with the way the 1974 schedule has worked out so far.

"THE REASON we dropped Kress and Farwell to get Tahoka and Slaton was to get some tougher early-season competition, but we haven't gotten it," he said.

Tulia, incidentally, replaces Dalhart on the 1974 Bobcat schedule. Distance was the main reason for this change.

The Bobcats have rolled up 131 points to their opponents' 15 while compiling a 4-0 mark so far. The Cats have shown in their early games that they're capable of scoring from anywhere on the field, with either the "bomb" or the explosive run. But their defense still has Dimmitt's coaches worried.

FRIDAY night, for instance, the Bobcats scored 15 points in the first half, although they had the ball only 19 plays. The rest of the half, Tahoka controlled the ball but couldn't score.

But the Bobcats struck for four touchdowns in the second half at Tahoka, adding to their reputation as a good second-half team. In four games so far, the Bobcats have scored 82 points in the second half vs. 49 in the first. So if the Cats continue their earlier habits, they could sorely test the Tulia defense's staying power.

Tulia's mainstays in the backfield are Raymond Williams, a 195-lb. junior halfback who was a state contender in the 440-yard dash last year, and Carl Smiley, a 145-lb. halfback.

"Smiley is quicker than Williams, but doesn't have Williams' speed in the open field," Wright said.

GUIDING the Hornet offense will be quarterback Mike Cannon.

And the Tulia line will be considerably bigger than Dimmitt's. That's something the Bobcats' spunky little linemen have been living with every week.

The Hornets haven't been throwing the ball much this year; they've used their Wishbone mainly for running. The Bobcats, however, have been adding more yardage and points every week with their passing game and should display a well-balanced attack.

That is, if that Hornet defense will let them.

THE PATTERNS of play and delinquency are often similar. Both drives have the activity urge and both involve doing, daring and risking. Both involve struggle, challenge and the satisfying feeling of mastery. Nelson Barksdale, recreation specialist with the Texas Agricultural Extension Service, contended.

## Lorene Birkenfeld is Nazareth queen

Lorene Birkenfeld was named queen of the week at a meeting of the Nazareth Tops Club Saturday.

NELLIE Wilhelm was named September queen and Dolores Schulte was the winner of the "Best Six Weeks Contest Loser."

Total club loss for the week was 10½ pounds and total club gain was 4½ pounds.

find his favorite delicacy anywhere. None of his teammates, and none of the Butte stores, would believe there was such a thing as pickled okra.

Finally, Kyle fired off an appeal to his mother, Mrs. Emmett Broderson, to send him a jar of pickled okra. Sue mailed it to him a couple of weeks ago—enough of it so his teammates could try it, too.

Since then, Montana Tech has won its second and third games.

There may be a profound lesson there: Never underestimate the honeybee, the red ant, a scorned woman, or Texas pickled okra.

IN CASE you haven't noticed, our county's three varsity football teams have built a combined record of 11 wins against only one loss so far.

I wouldn't know what the odds against such a thing would be, but I can't remember when all three teams were in such sparkling shape at this point of the season before.

The Bobcats and Longhorns are still unbeaten, and the Swifts have lost only one game.

Wouldn't it be great if—

No, I'm too superstitious to even think such a thing.

FRIDAY was show day for the 1975 model cars, and our local dealers reported fair-to-good turnouts.

But in Friona, the dealers got together with other business people in town and held a combined car show in their new exposition building. As I understand it, the show had an open-market atmosphere about it, with different merchants setting up booths around the automobile displays.

Seven hundred people registered during the Friona show.

Let's keep that idea in mind for next year.

VETERANS recently separated from military service should check the timetable on certain benefits to make sure they don't lose out through oversight, the Veterans Administration advises. For example, veterans have 120 days to convert, without physical examination, their Service-men's Group Life Insurance to the new Veterans Group Life Insurance.

## BOVINE PUZZLER

# Ever Wondered Why Cow Jumped Over The Moon?

The social status of cows is coming in for scientific scrutiny these days.

And already, agricultural scientists have learned that "Bossy the Cow" is not just an affectionate title dreamed up by writers of children's literature. It's an accurate name for cows who rank highest in the bovine social register by virtue of their bossiness.

Cows, it seems, achieve "status" by literally throwing their weight around—butting and pushing their way up the social ladder. As a matter of fancy, the cow who jumped over the moon probably got it in the rear from her socially superior sister.

While the cow's techniques to establish social superiority may not be quite as subtle as those used by her human counterparts, they pay off in corresponding measure.

Cows with social status, for example, actually walk only about one-third as far for their food as those on the lower end of the totem pole do.

They also enjoy undisputed "right of way" in certain instances, and a place of honor in others.

Cows grazing in a pasture will invariably protect their eating space from those lower in the social scale. But let a cow who's above them in the social order approach, and they vacate the space without murmuring so much as a "moo-moo."

When it's time to enter the milking parlor, cows organize themselves into a specific order. Ladies with status go in first.

It may sound like bull, but you can lead a cow to the milking parlor and she won't go in unless she's socially superior.

One scientific experiment involved a month-long training period during which cows were forced to enter in a different order. As soon as they were allowed to enter the milking parlor without interference, the cows reverted to their original order.

Cow watchers also have learned that the bovine beasts are subject to a sort of mass psychology that leads them all to do the same thing at just about the same time.

When one cow leaves a grazing area and heads for the barn or the water, the rest of the herd will follow in a few minutes. In this instance, the cows usually string out in single file, heads up, and look neither to the right nor the left.

Each cow walks briskly, as if under orders, and there's no misbehavior, eating, or casual fighting in the ranks.

Cows with the most status usually have the place of honor in the middle of the procession. Leading the procession are mid-

dominant cows and bringing up the cow's tail are the most submissive members of the herd.

What does all of this have to do with the price of milk? More than it appears.

By studying the behavior patterns of dairy cattle, scientists hope to come up with new management plans to enable dairymen to get more efficient milk production and growth.

While studies of animal behavioral patterns have been going on since before Aristotle's days, most of them have dealt with wild rather than domestic animals.

A new research program on group management of large animals is now under way at Utah State University in cooperation with the USDA's Agricultural Research Service. Initial studies will focus on dairy cattle, but findings also are expected to prove helpful in management of beef cattle.

The first inkling that cows had a "pecking order" similar to chickens came as early as 1853 when a boss-follower relationship was noted in Swiss cow herds.

## HAYS HAS IT:

**DUMP CHIEF**

The new GT LOW-PROFILE ALL PURPOSE HYDRAULIC DUMP BOX is the most unique forage wagon available. With greater capacity, the all hydraulically operated side dump forage wagon carries 8 to 9 tons of forage in the 600 cubic foot dump box.

It's a proven money and labor saver because it eliminates extra men and trucks. Use the side dump forage box for almost any crop, especially alfalfa and other silages. The wagon follows the forage cutter and virtually eliminates crop loss due to wind and spillage.
