"Be not affrighted!" From holy lips the words fell. "Ye seek Jesus of Nazareth, which was crucified. He is risen! He is not here ... behold the place where they laid Him."

They looked upon an empty tomb. And then, slowly, the truth . . . the promise His own lips had spoken ... slowly it became real to them.

They had come in sorrow to anoint His body ... they went forth in wonder, daring to believe . . . knowing Christ lives!

Passion Flower Is Easter Symbol

Because early Spanish missionaries to South America had trouble making ignorant savages understand the lessons of Holy Writ, the beautiful Passion Flower became a religious symbol, particularly associated with Easter, and has remained so for over 400 years. The holy fathers saw in the flower the symbolic story of the Crucifixion. Its majestic purple was the color always associated with the Passion of Christ. The anthers symbolized the Wounds, the styles the Nails and the stigma the Hammer. Encircling these was the blue Crown of Thorns. There were always 10 petals never 11 or nine-which to the missionaries represented the Apostles, significantly omitting Judas, who betrayed Christ and Peter, who denied Him. Symbolic elements of the Passion Flower are well displayed in the photo above, taken in Nassau, Bahamas, where it blooms in gardens and grows wild in the inland pine forests.

I consider Harry J. Fishbein of New York one of the greatest analysts of fine bridge hands in the country, which explains why I give you so many of his hands. Those like best come out of his little black book, and here is one of them. Fishbein played this one recently at the Cavendish Club.

Sitting West, he won the first trick with the jack of spades and cashed the spade king. Now he led the deuce of diamonds, North played low and East put on the ten-spot. Do you think that declarer should have won this trick with the jack

of diamonds in dummy? You will hear more about this later. North next cashed the ace of clubs, led a small heart from dummy and Fishbein went in with the

queen. When the eight-spot dropped from declarer's hand, Fishbein made the killing play. He returned the king of hearts. This was the only play that would

defeat the contract, as declarer had no way to get to his hand; but if he had won the first diamond trick with the ace instead of the jack, he could have made the contract.

"He is not here: for he is risen ... "

THE FIRST EASTER - THIS ACCOUNT IS WRITTEN IN THE FIRST EIGHT VERSES OF THE TWENTY-EIGHTH CHAPTER OF THE GOSPEL ACCORDING TO ST. MATTHEW

In the end of the sabbath, as it began to dawn toward the first day of the week, came Mary Magdalene and the other Mary to see the sepulchre.

And, behold, there was a great earthquake: for the angel of the Lord descended from heaven, and rolled back the stone from the door, and sat upon it.

His countenance was like lightning, and his raiment white as snow:

And for fear of him the keepers did shake, and became as dead men. And the angel answered and said unto the women, Fear not ye: for I know that ye seek Jesus, which was crucified.

He is not here: for he is risen, as he said. Come, see the place where the Lord lay.

And go quickly, and tell his disciples that he is risen from the dead; and, behold, he goeth before you into Galilee; there shall ye see him: lo, I have told you.

And they departed quickly from the sepulchre with fear and great joy; and did run to bring his disciples word.

ATTEND GAISTER

Or, if you are not a church member, a friendly welcome awaits you at any church!

For Many This Easter Is A Fulfillment Of Months Of Waiting And Hoping

Those who kept faith during the separations and hardships of war: those who have been spared the loss of loved ones: those who at last are again able to be with their families—derive a very special meaning from this Easter season. Perhaps they, more than any others among us can fully interpret the words spoken in His name during Easter services, and can best gather the significance of Christ risen. Everything has been done by your Church to make Easter observance intensely interesting, enjoyable and inspiring to those of all ages, and from all walks of life.
