

Phantom Killer Sought After Fifth Slaying At Texarkana

A guard (in circle) hugs the wall of Alcatraz prison cell block to escape gunfire of rioting convicts who, armed with machine guns, staged a riot at the prison in San Francisco Bay. Smoke and flames billow from the windows of the cell block where the rioting on the famed "rock" was centered. (NEA Telephoto)

President Says Coal Strike Is Grave Disaster

WASHINGTON—(AP)—President Truman issued a report Saturday calling the effects of the coal strike a "national disaster" and warning that its full impact has only "barely begun" to be felt.

The report came as the Senate rang with demands for government action and denunciation of John L. Lewis. Whether it was designed to lay a basis for government seizure of the struck mines became immediately a matter for conjecture.

"Manufacturing plants are closing down all over the country as a result of the month-old soft coal strike," the report said. "And yet the American people have barely begun to feel the full impact of this national disaster."

The report was prepared for the chief executive by the Office of War Mobilization and Reconversion from facts gathered by the Civilian Production Administration. Presidential Secretary Charles G. Ross said Mr. Truman released it because he desires that "the public should have full information as to the seriousness of the situation."

The report came amid these other developments:

1. Senator Lucas (D-Ill.) demanded that the government seize the soft coal mines "unless John L. Lewis bows to reason."
2. The Railway Express Agency, Inc., announced it would embargo all express shipments of materials covered by the freight embargo effective May 10. The action was taken at the request of the Office of Defense Transportation lest shippers who will be affected by the freight embargo seek to use express instead.
3. The negotiations between Lewis and the operators which the government has been trying to keep alive were recessed, still in a deadlock, until Monday morning. The issue of payment of approximately \$3,000,000 in back pay for holidays has stymied the negotiations.
4. The Solid Fuels Administration reported it is drafting orders for still further curtailment of home deliveries of coal, already sharply cut.

Monahans Women Still Can't Wear Shorts On Streets, Mayor Says

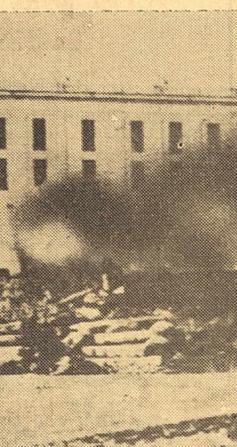

MONAHANS—With summertime approaching and summerlike weather already here, Mayor Ed Duffey, whose declaration three years ago that women would not be permitted to wear shorts on the streets of Monahans was given nationwide publicity, has reiterated his stand against scanty female attire.

"Shorts are out as far as the city of Monahans is concerned," the mayor said. "The anti-shorts ordinance 'still is on the books, and as long as it is on the books, it's law,' he declared. It will be fully enforced, Duffey declared.

Mayor Duffey's statement and the resulting legal action by the council to put a halt to the wearing of shorts and bras on downtown streets made the front pages of the press throughout the country. The action was taken to "preserve a sense of decency" in Monahans. After wives of service personnel at Pyote Army Air Field in large numbers began to appear with "only the briefest of clothing."

Mayor Duffey unofficially has informed the Midland city council he will be glad to mail a copy of the ordinance if it desires.

Center Of Alcatraz Rioting

A rioting scene at Alcatraz prison. Guards are visible in the foreground, and the background shows the prison buildings and the sea.

Soldier's Billfold Taken While At Bank

S/Sgt. H. M. Vestal of Midland reported to city police Saturday his billfold had been taken while he was making out a deposit slip at a Midland bank.

He said several negroes were standing by the desk before his billfold containing papers and a dollar bill was missing.

Heavy Rainstorm Sweeps El Paso

EL PASO—(AP)—A heavy rainstorm swept El Paso Saturday afternoon, with hail falling in the northeast portion of the city, but the Lower Valley fruit crop escaped damage.

A bumper crop of pears, apples, peaches and cherries is forecast for the Valley area, and the moisture will be of great benefit, farmers said.

Hail stripped some trees and shrubs of foliage, but no serious damage was reported.

Conferees Fail To Reach Agreement On Housing Legislation

WASHINGTON—(AP)—House and Senate conferees failed to agree Saturday on a key provision of the administration's housing bill—authority for \$600,000,000 in subsidy payments to spur the production of scarce building materials.

The conferees offered to lower the subsidy figure to \$400,000,000, but this was not acceptable to the House members. Rep. Spence (D-Ky.) said the issue would have to be laid before the House—probably Thursday—before the conference could be resumed. The Senate voted the subsidies but the House defeated them.

President Truman has called the subsidy provision the heart of the administration's housing program designed to produce 2,700,000 new homes by the end of next year.

Reports Of Russians Leaving Iran Conflict

TEHRAN—(AP)—Army and police officials said Saturday that all of Iran had been evacuated by the Russians, but Prince Mozaffar Pirooz, director of propaganda, described the Soviet exodus from contentions Azerbaijan Province as "almost" complete.

An Iranian general staff officer declared "All Iran has been evacuated by the Red Army" and general staff officials made similar statements.

LATE NEWS FLASHES

LONDON—(AP)—The Exchange Telegraph Agency, in a Nuernberg dispatch, said Saturday night the war criminal trials court and prison were rocked Saturday by blasts and explosions at an ammunition dump ten miles away.

MUKDEN—(AP)—The Chinese government asserted Saturday it had smashed a surprise "offensive" aimed at Mukden by 60,000 Communist troops, who were turned back with more than 5,000 casualties.

AUSTIN—(AP)—Laboratory experts from state police headquarters Saturday were dispatched to Rocksprings in an effort to establish the identity and track the slayer of a man whose headless, handless body was found near the Edwards County community.

Two Guards, Three Convicts Dead As Alcatraz Siege Ends

A. N. Hendrickson Quits Mayor Post

Mayor A. N. Hendrickson late Friday sent his resignation to the City Council, explaining he will be unable to be in Midland for several months.

The letter was addressed to Mayor Pro-Tem Fred T. Hogan who has presided at council meetings in recent months while Hendrickson has been in California. The mayor declared it would be necessary for him to return to California for several months.

"I appreciate the great honor accorded me by the voters of Midland, and my sense of duty dictates this action," Hendrickson explained before returning to California Saturday by plane.

"I have unlimited confidence in my successor, Fred Hogan. If I did not feel I was leaving the job in excellent hands, I would not resign."

Hendrickson's letter to the council follows:

"My Dear Fred:

"It appears that it will be necessary for me to be absent from the city for the next several months due to unavoidable circumstances. I believe that the many problems require a full membership on the City Council and that I am unable to do justice to my job as mayor.

"In view of this, I hereby submit my resignation as mayor, asking that it be made effective immediately.

"I wish to take this opportunity to thank all the members of the City Council who have served with me for their interest in the matters handled by the City Council. I also wish to thank the heads of the various departments and all employees for their loyalty and cooperation in city affairs.

"Thanking you and the City Council for an early acceptance of my resignation, I am,

"Sincerely yours,

"A. N. Hendrickson."

Hogan said Saturday the council will act on the resignation at its next meeting.

Wranglers' Club Will Start Roundup Tuesday

The spring roundup will get underway in Midland early Tuesday when members of the newly organized Wranglers' Club meet for chow at the "chuck wagon" in Hotel Scharbauer at 7:30 a. m.

Clint Dunagan, Wranglers' foreman, has advised the "cowhands" of the breakfast session, and has urged a 100 per cent attendance of the 16 members.

The Wranglers' Club is a new division of the Midland Chamber of Commerce, and replaces the organization's membership committee.

Organization of the new club will be perfected and plans for the remainder of the year outlined at the Tuesday breakfast meeting, Dunagan said. He promised some special western-type entertainment.

"Cowpokes" comprising the club's membership are: Dunagan, Larry Boynton, Paul Davis, Jim Daugherty, Winston Hill, Bud Bissell, Fred Frumhold, Chester Shepard, Tom Sealy, Pat Ruckman, Al Borling, Henry Murphy, Tom Wilson, Doc Graham, Buck Green, and Paul Barron.

Lions Announce 'Carnival Heads'

Committee chairmen planning a Lions Club carnival in Midland for the last week in June have been announced by Ellis Conner, general chairman.

The committee assignments are: ticket sales, J. P. Carson; banker, Tom Henderson; doll racks, Bob Baker; building materials, Jack Mashburn; prizes, A. B. Kelly and J. M. Cox; east, Ted Thompson; public address, Clint Dunagan; lights, Cecil Hodges; ducking board, Ernest Neill; side shows, C. W. Van Alstyne; and publicity, Tanner Laine.

Every member of the Lions Club will be assigned to one of these committees.

Officers Seek Murderer Of Arkansas Man

TEXARKANA, TEXAS—(AP)—A phantom killer believed to be responsible for five murders here in six weeks, Saturday continued to elude a manhunt by Texas and Arkansas officials.

A stunned, tense Texarkana was shocked by details of Friday night's cold-blooded killing of popular Virgil Starks, 36, and the serious wounding of his attractive, 30-year-old brunette wife in their farm home near Homan, Ark., a few miles from here.

It was the third such attack since March 24. The other two were double slayings on remote country roads.

Sheriff W. E. Davis of Miller County, Ark., said Saturday he could not link the crime with the two recent double slayings in Bowie County because of the difference in the caliber of guns used to take the lives of Richard Griffin, 29, and his companion, Polly Ann Moore, 17, on March 24, and Paul Martin, 17, and his teen-age friend, Betty Booker, 15, on April 14. The sheriff added that it was possible, however, the same man was responsible for all five slayings.

Two Major Clues

Sheriff Davis said officers had two major clues. He said the fatal bullets were fired from a .22 calibre weapon, probably a rifle.

He reported the killer dropped a flashlight in the grass near the window through which he had shot. H. S. Hallett, fingerprint expert of the Federal Bureau of Investigation and Capt. Earl Scoggins of the Arkansas State Police are checking it for fingerprints.

From jumbled bits of information pouring hysterically from the lips of Mrs. Starks as she lay on an operating table here, this is the story of Friday night's attack as told to Sheriff Davis:

"I had given Virgil a hot pad to put on his back. He was sitting in a chair with his back to the window. He was listening to a radio program he always listens to on Friday night.

Struck In Face

"I was lying in the next room on a bed. I heard a noise in the back yard and asked Virgil to turn the radio down a bit.

"The next thing I heard sounded like the breaking of glass. I thought he had dropped something and went into his room.

"When I reached the doorway, he was standing up. Suddenly he slumped into a chair and I saw the blood. I ran over to him, and then I ran to the telephone.

"I rang it twice."

The telephone was a rural type phone, and she had difficulty in getting an operator. While standing there in her nightgown two bullets struck her in the face.

The killer, Sheriff Davis said, is a dead shot.

She crumpled to the floor, then got to her feet and ran back to her bedroom.

Killer Tries To Enter

As she did, she heard the killer tearing the screen loose from the back porch of their ranch style house. She fled in a growing panic, screaming, to a nearby house of her sister, Mrs. Jeff Allen.

From her sister's house, she went to the neighboring home of A. V. Prater. Her sister was not at home. Prater grabbed a shotgun, fired it once to attract the attention of another neighbor, Elmer Taylor, and together the two went to the scene of the slaying.

Slain Rioter

Joseph Paul Cretzer, 35, convicted for the murder of a U. S. marshal at Tacoma, Wash., 25 years for bank robbery, and five years for escape from McNeil Island prison, was killed in the riot staged by convicts at Alcatraz. (NEA Telephoto.)

Pledges Obtained For Underwriting Of Annual Rodeo

Seventy-nine business and professional firms of Midland Saturday had underwritten the annual Midland Rodeo, May 30-June 2, to the extent of \$6,495, with one committee yet to report, Stanley Erskine, chairman of the retailers committee of the Midland Chamber of Commerce, announced.

Erskine also announced that the campaign for funds with which to finance the annual Midland Dairy Day on May 13 had gone over the top, with additional funds yet to be reported. Dairy Day contributions Saturday noon totaled \$412.50.

The same group of volunteer workers handled both the rodeo and dairy day campaigns. Solicitors were Austin Flint, Bob Lindsey, John Allen Sewell, Harry Murray, J. R. Gwyn, Stanley Claiborne, Anton Theis, O. W. Stice and L. W. Sandusky.

Pledge Cards Due

A number of rodeo pledge cards are to be mailed to the Chamber of Commerce this week, in addition to those in the hands of the committee, which has not reported.

Meanwhile, plans were going steadily forward for the staging of the big rodeo which is expected to break all previous records in performance, entertainment, and attendance. Advertising matter is being printed and a big publicity drive will get underway this week. Plans are in the making for advertising trips to West Texas cities.

R. L. Miller, chairman of the advance ticket sale committee, will announce members of his committee early this week, and an intensified ticket sale campaign will be started soon.

Administration Moves For Loan Bill Action

WASHINGTON—(AP)—The administration moved Saturday for a Senate showdown on the beleaguered British loan bill with a bipartisan "cloture" petition automatically forcing a vote 2 p. m. (CST) Tuesday on the question of limiting debate.

This move came as one high administration leader told reporters he thought the loan bill would pass the Senate by a margin of 12 to 18 provided all amendments can be defeated. He said, however, that even the administration has been unable to make an accurate poll on the measure.

WASHINGTON—(AP)—House Republicans disclosed privately Saturday they are considering drafting legislation to curb what they call "radio propaganda" by bureaucrats and commentators with a cause.

In addition to providing for regulation of what may be said over the radio, the proposed legislation would curb the powers of the Federal Communications Commission.

Total Number Of Casualties In Fighting Remains Unknown

SAN FRANCISCO—(AP)—The historic siege of Alcatraz ended Saturday with the official announcement that the last of the conspirators had been taken into custody.

Two guards and three convicts are known to have died in the struggle. Fourteen guards were wounded. Three convicts are dead but the total number of convict casualties was not made known immediately.

Federal Prison Director James V. Egan and Warden James A. Johnston announced that the last of the conspirators were taken into custody when the three ringleaders—Joseph Paul Cretzer, Bernard Coy and Marvin F. Hubbard—were found dead and their weapons recovered.

The announcement came from the two officials in the form of answers to questions which had been asked him by press services. FBI investigators

The statement said Cretzer, Coy and Hubbard "probably died as a result of gun shots in the tunnel or utilities corridor in C cell block. Hubbard, according to the doctor's report, probably died Saturday morning around 8 a. m. The others died earlier. Probably Coy died Friday evening and Cretzer somewhat later."

The officials said the total number of conspirators who had taken part in the riot had not yet been finally established, but added that in addition to previously named men, convicts named Thompson and Shockey were ringleaders. The statement added that there were two or three others whose names we cannot yet reveal.

Assistant U. S. Attorney Daniel C. Deasy and seven FBI investigators landed on the island late Saturday to begin an investigation. Deasy said the death sentence would be demanded for all who were indicted by the federal grand jury as result of the investigation. Carnes Not Named

The ringleaders named thus far by Johnston and Bennett were: Cretzer, Los Angeles bank robber (dead); Coy, Kentucky bank robber (dead); Hubbard, Tennessee kidnaper (dead); Miran, Edgar Thompson, Texas murderer and kidnaper; Sam Shockey, Oklahoma bank robber.

Previously, Johnston had included Clarence Carnes, Oklahoma murderer, among the ringleaders, but he was not named in the latest dispatch.

The attempted prison-break was a complete failure. Warden Johnston said it initially had been planned as a mass break, but not one prisoner ever got outside the cell block stronghold.

The riot began, according to unconfirmed reports, when Coy hooked a T square around the neck of a guard and gained access to weapons.

Sub-Debs Cry Over Spilt Milk

Midlanders were startled last Thursday to see a bobby sox girl sprawled out on the sidewalk in downtown Midland "crying over spilt milk."

Another girl scrubbed the sidewalk with a toothbrush. A third read a newspaper lying down on the lobby floor of the Scharbauer. A fourth made love to a mail box and others sang to a telephone pole and clapped down the street singing "Hi Ho Silver."

Some citizens wondered if at last it had happened—the kiddoes had stopped swooning over Van Johnson or Frank Sinatra and gone slap-slap crazy.

But it all stemmed from a Sub-Deb initiation. The pledges were going through the traditional "hell week" rites.

The upper sisters made the pledges dress ridiculously and do "the craziest things" downtown.

Twelve high school girls are pledging Sub-Debs, a national social club for girls. They are: Betty Jean Meriwether, Sara Law Link, Royce Ray McKee, Lois Black, Patsy Bray, Yonna Dell Moore, Mary Faye Ingham, Jo Ann Wyche, Barbara York, Donna Manning, Peggy Whitson, and Melba Clarke.

If the girls make it—through the initiation, they will be formally taken into the club at ceremonies soon.

Weather

Partly cloudy, slightly warmer Sunday.

Byrnes Proposes Plebiscite On Border Dispute

SAN FRANCISCO—(AP)—U. S. Secretary of State James F. Byrnes Saturday night proposed holding a plebiscite in the "no man's land" between boundaries projected by the Americans and Russians to settle the Italian-Yugoslav border dispute, an American source reported.

He was opposed by the Soviet and British foreign ministers, who said any plebiscite should cover the entire area claimed by both Italy and Yugoslavia. But Byrnes asked the other ministers to think over his proposal before another meeting Sunday, it was said.

Earlier, Foreign Minister Vyacheslav M. Molotov received a cold reception on an offer to meet Italian representatives questions if the disputed city of Trieste was given to Yugoslavia. British informants said.

But on this point Foreign Secretary Ernest Bevin declared "You cannot bargain away people's lives," these sources added.

The whole question of the disputed border area of Venezia Giulia with its main city of Trieste, was pointed up by Yugoslav Deputy Premier Edvard Kardelj, who asserted Yugoslavia would take "any measures it might judge necessary" if the foreign ministers put Slovenia in that territory under Italian rule.

He told a news conference at Soviet headquarters that Yugoslavia "could never accept a Big Four decision giving Yugoslav peoples to another country."

Erskine also announced that the campaign for funds with which to finance the annual Midland Dairy Day on May 13 had gone over the top, with additional funds yet to be reported. Dairy Day contributions Saturday noon totaled \$412.50.

The same group of volunteer workers handled both the rodeo and dairy day campaigns. Solicitors were Austin Flint, Bob Lindsey, John Allen Sewell, Harry Murray, J. R. Gwyn, Stanley Claiborne, Anton Theis, O. W. Stice and L. W. Sandusky.

Pledge Cards Due

A number of rodeo pledge cards are to be mailed to the Chamber of Commerce this week, in addition to those in the hands of the committee, which has not reported.

Meanwhile, plans were going steadily forward for the staging of the big rodeo which is expected to break all previous records in performance, entertainment, and attendance. Repman-Smith Wedding Vows Are Solemnized At Catholic Rectory

The marriage of Miss Dolores Repman of Midland, daughter of Mr. and Mrs. F. J. Repman of Slaton, and Van William Smith, son of Mr. and Mrs. Oliver Reese of Topeka, Kan., was performed at 8 a. m. Saturday at St. George's Catholic Rectory.

Father Frank Triggs officiated for the double ring rites in the presence of relatives and close friends.

White roses and white tapers in candelabra decorated the altar.

The bride was wearing a green silk shantung suit with white accessories. She carried a white prayer book topped with a corsage of gardenias.

Attending the bride as maid of honor was her sister, Miss Ruth Repman of Slaton. She was attired in a white linen suit with which she wore red accessories and carried a corsage of red rosebuds.

Warren Morrell of Midland served the bridegroom as best man.

Following the ceremony a wedding breakfast and reception was held at the Scharbauer Hotel. The three-tiered wedding cake was topped with a miniature bridal couple.

Wedding Trip

After a wedding trip to Dallas, Mr. and Mrs. Smith will return to Midland to make their home.

The bride is a graduate of St. Mary's Academy in Milwaukee, and has been working at the Mary Ann Shoppe.

Mr. Smith attended the University of Wichita in Wichita, Kan., and recently received his release from the Marine Air Corps after serving as a navigator on a C-47 in the Pacific. He is now associated with the Chicago Bridge & Building Corporation in Midland.

Out-of-town wedding guests were: Mr. and Mrs. F. J. Repman, Judge Repman and Joe Repman of Slaton; Mr. and Mrs. Oliver Reese of Topeka, Kan.; Miss Helen Carter, student at the University of Wichita; and Kenneth Meisinger of Oklahoma City.

ENTERTAINMENT IS HELD AT HOME OF MRS. CHARLESWORTH

KERMIT—Four tables of bridge and one table of hearts were played at the home of Mrs. Roy Charlesworth with Mrs. Earl Charlesworth and Mrs. Art Skaer as hostesses. The rooms were decorated with roses from the Roy Charlesworth garden.

Mrs. W. O. Hunt received high score, Mrs. Earl Mills received second, and Mrs. Frits Estill won the bingo prize.

Present were: Mmes. William C. Ewing, Fort Worth; Roy Charlesworth, Charles Hickam, Ernest Ratcliff, Clyde Barton, Walter Flensy, Woody Arnold, Bill Weaver, R. L. Nicholas, Harold Colbert, Lawrence Mills, Frank Dickerson, Oscar Maples, George Mitchell, W. H. Wilson, J. L. Slaughter, J. R. Graves, Roy Charlesworth, Mills, Hunt, and Estill.

Phoebe Lewis Wins In Fashion Design Contest

Miss Phoebe Lewis, daughter of Mr. and Mrs. Frank E. Lewis, 1405 West Illinois, won first prize for her fashion drawing at the annual Creative Arts Day Festival on the campus of the Hockaday Junior College in Dallas May 2.

A freshman student, Miss Lewis also has won a scholarship to an art school with her fashion drawing submitted recently in a contest sponsored by the Barbara Boyd Fashions of Dallas, manufacturers of sportswear.

Miss Lewis received an art book as her prize in a ceremony presided over by Dr. Katherine Kennedy Carmichael. The prizes were presented by Hobart Mossman, director of Hockaday, in the ceremonies in Great Hall of the Hockaday Junior College.

She was among the honorees of a luncheon given Thursday by Miss Ela Hockaday at which the faculty and judges were guests.

P-TA Unit To Sponsor Health Roundup Plan

A spring roundup health program sponsored by the South Elementary School P-TA will be conducted from 1 to 2 p. m. Wednesday and Thursday at the Midland County Health Unit.

This program is for the children who will enter school for the first time next fall. Dr. Homer B. Johnson and Miss Betty Wilson will have charge of the examinations Wednesday and Dr. Tom C. Bobo will be in charge Thursday. Assisting in the examinations will be members of the P-TA.

These examinations are not compulsory and no charge will be made.

Several Articles Are Needed For Community Theater Production

The Community Theater has made a request for several articles needed for the production of "Uncle Harry." These are a man's umbrella, a hat and clothing worn in 1910 for both men and women.

Anyone having any of these articles that can be used by the theater is asked to call Miss Elma Graves or Art Cole.

Lead crayons were used by the Aztecs in the time of Cortez.

Marriage Rites Read For Verna Mae Kelly And Ensign Abel

KERMIT—Miss Verna Mae Kelly, daughter of Mr. and Mrs. J. C. Kelly, 3380 North Street, Beaumont, and Ensign Malcolm Abel, son of Mr. and Mrs. W. C. Abel, Kermit, were married April 19 in the First Methodist Church, Beaumont. The Rev. Homer T. Fort officiated and only the immediate families were present.

Ensign Abel was a student at the University of Texas when he entered service. After receiving a commission, he served aboard the USS Dawn, and has reported to New Orleans for reassignment.

Mrs. Abel is a graduate of Texas Institute of Technology and was dietitian at Little Dormitory of the University of Texas and is now dietitian for Nederland schools.

96 OIL WELLS COMPLETED

AUSTIN — (AP) — The Railroad Commission reported Saturday that 96 oil wells were completed in Texas during the past week to boost the year's total to 1,557, an increase of 186 above last year's total to date.

Weed-Killer Effective In Bitterweed Patches

A check of a recent experiment to test the effectiveness of a commercial weed-killer on bitterweed at the Sam Preston place in Midland County has shown that good results were realized, County Agent Vernon Young reported Saturday. The chemical killed out the bitterweed in one patch, but results were spotty in a second patch, Preston said.

Until 1847 the recipient of letters paid the postage. In that year postage stamps came into use, and thereafter the sender of a letter paid the postage.

WINK NEWS NOTES

WINK-The Yuca Home Demonstration Club met in the high school cafeteria Thursday for a demonstration by Miss Brown, Winkler County home demonstration agent, on canning of fresh pineapple with syrup instead of sugar.

Mrs. Sterling Hartman and Mrs. Jess Hildreath were hostesses. Members present were Misses F. Tinsley, LaCona Alexander, Ruby Crawford, Lula Cooper, S. C. Hanks, D. L. Wallace and B. J. Walters, and two visitors, Mrs. George Ditterline and Mrs. M. W. Rogers.

Mrs. J. W. Estabrook is ill at her home in the Stanolind Camp. A. L. Pugh, Jr., is home on furlough from an Army camp in Virginia. Mr. and Mrs. Ray Slaughter have purchased the Crescent Cafe and Grocery from Jeff J. Jerome. The Jeromes are moving to Arkansas the latter part of May. They have been in business here since 1928 and have made many friends who will miss them.

The annual Scarrett Breakfast of the Methodist Church was held in the educational building Wednesday. Mrs. S. L. Jones was general chairman and Mrs. George Ditterline and Mrs. Lee Coleman received the guests. Mrs. E. E. Carroll presided at the guest register.

A delicious breakfast of link sausage, scrambled eggs, hot biscuits, grape jelly and coffee was served to 50 members and guests. A musical program was presented by members of the high school glee club and Mrs. L. F. Jones.

Mrs. Peggy Jo Wilson and Mrs. John D. Crawford have gone to Santa Rita, N. M., to visit their parents, Mr. and Mrs. Ike Moore. Mrs. Moore has been released from a Santa Rita hospital and is recuperating at the home of another daughter, Mrs. E. C. Johnson. She expects to return to her home in Wink about the first of June.

Council To Hold Public Hearings On 1947 Budget

A public hearing on the City of Midland budget for the fiscal year ending March 31, 1947, will be held in the City Hall Thursday at 4 p. m., J. C. Hudman, city secretary, has announced. All interested taxpayers are invited to attend and participate in the hearing.

If found acceptable, the budget will be adopted by the city council at the hearing. Two applications for permission to erect business properties outside the regular business zone of the city also will be taken up at the May 9 meeting. E. L. Dorris has applied to the council for permission to build and operate a grocery store and market at Ohio and Wall Streets in the east part of the city. Property owners and residents within 1,000 feet of the location may appear before the council at 4:15 p. m. to take part in the hearing on the matter.

Hearings on proposals to extend the business zone of the city to two locations, one on the west and the other on the south, also will be heard by the council Thursday.

Model Airplane Club To Hold Meet Sunday

The High School Model Airplane Club will conduct contests for model planes and gliders Sunday at the Park Hill Addition and in the Lackey Field stadium. The meet will start at 2 p. m., and the public is invited.

Divisions will be set up for motorized and glider models. A U-flight contest will be held at Lackey Field. Wendell Jackson is president of the club and Joe Mabey is vice-president.

Women's Federation Meet Is Postponed To May 14

Announcement has been made that the City-County Federation of Women's Clubs meeting originally scheduled for May 11 has been postponed to Tuesday, May 14. The meeting will be in form of a luncheon and will be held at the Ranch House. Hostess for the occasion will be the Junior Woman's Wednesday Club.

USO Representative To Sell Furnishings Of Midland Building

Paul G. Silber, representing USO Building Services, will be in Midland through Monday to accept bids and sell the furnishings in the building recently closed by the USO on North Main Street. Bids for the purchase of the property will be received by Silber at the club.

The property can be sold in small units but it is desired to sell the entire lot to one person or organization, it was announced. The USO is anxious to sell the equipment to some organization which would carry on a similar type of work.

The USO would like to have it definitely understood the purchaser of the equipment is not supposed to resell it. It is the desire of the organization that this equipment find its way into the hands of those who can use it and it is not sold with the idea that someone will resell it at a profit.

Extension Of City Bus Lines To Pagoda Pool Section Is Announced

Extension of bus service to include areas in the extreme western part of the city was announced Saturday by Alfred Petty, manager of the Midland City Lines. The "West" bus will run to the City Trailer Park, Pagoda Pool, the Permian Village, and other areas on West Highway 80, effective Monday.

Petty said the bus will leave the downtown area on the hour and the half hour and make its regular run to "M" and Missouri Streets, then turn west on Missouri to Garfield Street, then south to Wall Street. It is scheduled to arrive at Wall Street at 10 minutes and 40 minutes after the hour, then return to the downtown business district. New tokens have been received by the lines and now are being used.

Measles Cases Here Reach Total Of 42

The number of measles cases in Midland last week reached 42, the City-County Health Unit reported Saturday. The total represents a slight increase over the number reported the previous week. One case each of chicken pox, influenza and pneumonia also were reported.

Politics And OPA

The story history of OPA has come to a climax with a bill in the House of Representatives which, while it ostensibly extends OPA's life, actually neither reprieves nor destroys it. This bill is largely the product of clashing political philosophies, which emphasizes again that the root of much of OPA's trouble can be found in one word—politics.

OPA, dealing with vital matters which affect people's lives, livelihoods, and voting habits, could not fail to be conscious of pressure, in and out of government. And it seemed at times that the pressure which OPA passed along was inversely proportional to the pressure exerted upon it.

A fair appraisal of OPA's record can scarcely fail to turn up instances where the numerically minor group of industrialists has been squeezed harder than the millions who gain their living from agriculture and labor. In the end, the squeeze has usually been modified and distributed more evenly, because it would not work otherwise, but only after considerable inconvenience and inequities, and a great deal of bitter, time-wasting wrangling.

On the other hand, some manufacturers have blamed OPA for everything, meanwhile using their protestations as a cloak for some practices. In fact, the bad feeling, hot words, and exaggerated accusations on both sides have made it difficult to get an accurate picture of the situation as a whole.

As the quarrel between OPA and industry has gone on, the public has been subjected to exchanges of invective usually reserved for campaign speeches or, more recently, negotiations between industries and unions.

At times there has seemed to be a complete absence of good will on either side. Both industry and OPA leaders have spent altogether too much time in justifying their own positions, glossing over and ignoring their own mistakes, and concentrating on their opponents' sins and shortcomings.

We have heard much about OPA's deep plot to destroy private enterprise and the profit system, and to drive their champions out of business. We have heard much about manufacturers' foul conspiracy to create inflation and starve their workers into submission until organized labor is destroyed. We have heard little of any desire to admit mistakes, to get together and try to solve the price problem harmoniously.

The House bill just passed invites price rises, wage rises, more bitterness, more strikes. And it comes at a time when inflation has already started. The index of basic commodity prices is creeping toward a 100 per cent advance over August, 1939. Production, though well under way, is far off balance. Distribution is snarled.

It is right now that inflation must be beaten. There must first be some sane, sensible, non-partisan legislative repair work. That job is up to the Senate. And after that there must be an earnest, co-operative effort by all hands to stave off inflation. No class, group, or party can benefit from inflation. The whole country will win or lose together.

Suggestion for a new slogan for the Army to use on discharged vets: Join up again—and get a place to live!

Building Permits For Week Total \$31,650; \$1,151,150 For Year

Building permits in Midland last week totaled \$31,650 and brought the year's total to \$1,151,150.

Residence permits continue to dominate the building picture. Permits were issued last week to J. C. Fogue, move 24 by 28 structure from 810 W. Tennessee Street, \$750; C. S. Britt, 710 W. Kansas Street, build brick-veneer, 41 by 37 feet, one-car garage attached, \$6,500; Marshall King, move to 305 N. Lee Street, 12 by 20 feet, frame structure, \$350; Phelan Porter, 605 E. Pennsylvania Street, build 14 by 18 feet, frame structure, \$250; H. L. Ford, move to 301 S. Jefferson Street, 14 by 25-foot structure, \$1,000; A. R. Nooncaster, 1800 W. Ohio Street, build 56 by 27-foot residence, frame and stucco, \$7,200; James W. Kelly, 1811 W. Ohio Street, build rock-veneer residence, with 1,254 square feet of space, \$8,500; H. C. Stringer, move frame structure to North Fort Worth Street, \$1,500; W. H. Walton, 1601 W. Washington Street, five-room frame residence, 32 by 34 feet, \$4,000; R. J. Graham, 1804 College Street, 10 by 17-foot washroom and screened porch, \$350; Pentecost Church, 1400 W. Taylor Street, build 18 by 30-foot church building, \$1,250.

Yellow Cab Company Sale Is Announced

Announcement has been made of the sale of the Yellow Cab Company at 107 North Colorado to Wayne Merriman and Buster Mason, both of Midland. The sale was effective Friday.

Blake Wingo, manager, announced the sale for Al Arthur of Pecos and C. M. Kenley of San Angelo, owners of the company since December.

Asks Re-Election

R. E. Thomason

To the Voters of the 16th Congressional District:

I am a candidate for reelection to Congress. My platform is my record. My request for your continued support is based on my service to the people of our district and the nation. It has always been my rule to act without fear or favor, give no class, group or community preference over another, and to weigh all questions as they affect the general good and the public welfare.

I thank you for your past support and will endeavor to merit your further confidence by rendering honest and faithful service.

Congress is now in session and considering many grave postwar problems. Important government business will keep me in Washington until Congress adjourns. I shall then visit every county in the district in order to meet the people and discuss the vital issues of the day.

In the meantime if my constituents have matters in connection with which I may be of assistance, I hope they will write me.

R. E. THOMASON.

Students Win Three State Meet Places

Three Midland High School students won places at the State Interscholastic League Meet held in Austin.

Billie Jean Jones won second in senior girls' declamation, Mary Martha Sivals placed second in typewriting contests, and Dunny Goode ran fourth in the 440-yard dash of the track and field meet.

First Methodist Church Will Observe McMurry College Day Sunday

Along with 300 other Methodist churches in the Northwest Texas area, the Midland First Methodist Church will observe McMurry College Day Sunday.

A goal of \$30,000 has been set for the amount to be contributed by the Methodists of this conference, the money to go to McMurry College maintenance fund. An annual observance, each church has been given a quota in proportion to its total membership.

High School Students Inspect Health Unit

About 60 students of two high school biology classes, accompanied by Miss Margaret Stewart, teacher, visited the City-County Health Unit to inspect the laboratories and other facilities. M. Grassham Smoot, acting director, described some of the services of the health unit to the groups.

Second Dual-Completion In 'Block 31' Field Reports Production; Drillstem Tests Due On Ector, Midland Wildcats

By JAMES C. WATSON
Oil Editor

Official potential gauge has been reported for the second dual-completion in the "Block 31" field, in East-Central Crane County.

That project, The Atlantic Refining Company No. 1-P-31 University, at center of northeast quarter of southeast quarter of section 34, block 31, University survey, one-half mile due east of the discovery for flowing production from both the Devonian and from the Ellenburger, made a 24-hour gauge of 493.50 barrels of 43.7 gravity oil, natural, with gas-oil ratio of 1,815-1. Flowing through a 5/16-inch choke, from the Devonian. The oil came through perforations in the casing at 8,575-8,635 feet; at 8,650-90 feet; at 8,725-65 feet; at 8,790-8,810 feet, and at 8,960-80 feet.

Both Zones Flowed

From the Ellenburger, at 10,340-465 feet, in open hole, below the casing, the well flowed for a 24-hour potential of 488.84 barrels of 45.2 gravity oil, with gas-oil ratio of 876-1. This flow was also natural.

Standolind Oil & Gas Company No. 1 Kayser, Central Ector County wildcat, in southwest corner of section 34, block 43, TP survey, T-2-S, about six miles west of Odessa, was bottomed at 11,527 feet in Devonian lime and chert, taking a drillstem test.

It was understood that some indications of oil and gas had been logged. Top of the Devonian, according to some calls, is at 11,390 feet, on an elevation of 2,983 feet.

Humble Oil & Refining Company No. 1 Crespi, in northwest quarter of section 19, block 38, TP survey, T-2-S, nine miles southeast of Midland, in East Midland County, was on total depth of 11,460 feet in a lime and shale section, and was also slated to run a drillstem test. No information has been released regarding age of the formation, or of any shows that might have been encountered.

Some Saturated Lime

H. W. Snowden No. 1 Ada Walsler, North Crockett County prospector, in southeast quarter of section 59, block BB, GC&SF survey, about two and one-half miles east of the World field, was to drill out cement in 7-inch casing set at 2,320 feet, and test shows of oil saturation in lime from 2,525-80 feet.

Top of the lime was at 2,502 feet—which some geologists say is 115 feet low to the same point in Lion Oil Company No. 1 Neal—a dry hole nearby which showed for considerable gas, but no commercial oil production in a similar formation.

E. R. Cosby, of Midland, and associates has staked location for No. 1 Joe C. Trees estate, in North Pecos County, a 2,500-foot wildcat, to be drilled with cable tools, starting at once.

The exploration will be 330 feet from north and west lines of southeast quarter of section 65, block 8, H&GN survey, and seven miles southwest of Grandfalls, in Southeast Ward County. The operators have a spread of 640 acres around the drill site.

Another Good Devonian

Mid-Continent Petroleum Corporation No. 1 Lotus Oil Company, 660 feet from north and east lines of southeast quarter of section 17, block A-48, psi survey, three-quarters of a mile northwest of nearest producer from the Devonian on the south side of the Fullerton 8500 field, in Northwest Andrews County, was shut in to clean up for potential test. This project drilled to a total depth of 8,710 feet, and cemented 7-inch casing at 8,709 feet with 550 sacks of cement.

The pipe was perforated with 76 shots at 8,411-30 feet; with 160 shots at 8,460-8,500 feet; with 160 shots at 8,560-8,600 feet, and with 120 shots at 8,610-40 feet.

The well was washed with clear water and then circulated with oil and kicked off and flowed 86.28 barrels of 45 gravity oil the first

hour and 78 barrels of oil per hour for each of the two following hours, and then was shut in.

Skelly Oil Company has taken a spread of approximately 7,200 acres in extreme Southeast Fisher County—with some of the leases extending over into the southwest edge of Jones County and in taking the block assumed an obligation to drill a wildcat test to at least 5,500 feet to explore the Strawn section of the Pennsylvanian, to start not later than June 1.

Wildcat Test Started

While no official information on the location of the test has been made by Skelly's West Texas-New Mexico district office in Midland, it is understood that it will be carried as Skelly's No. 1 D. O. Huddleston, and is located approximately at the center of section 11, block 19, TP survey, in Southeast Fisher.

The drillsite is approximately eight miles north and west of Trent, in Northwest Taylor County, and about 15 miles northeast of Sweetwater.

Of the aggregate spread of 7,200 acres Skelly assembled around the location for the Huddleston exploration, the company acquired 4,700 acres direct, and secured the other 2,500 acres from V. C. Perini, Jr., of Abilene, and his associates Edward T. and H. R. Merry of Demopolis, Ala., and from Alder Oil Company of New York, through its Fort Worth division office, headed by O. R. Champlin, formerly with Seaboard Oil Company of Delaware, as district geologist of that concern's Midland office.

The Perini-Merry combination and Alder retained scattered production in the block turned to Skelly.

Roberts Due To Core

Argo Oil Corporation No. 1 Roberts, Southeast Reeves County discovery for some sort of oil and gas production in a lime at 10,712-729 feet, was scheduled to core ahead from the total depth at 10,729 feet, as soon as the hole could be cleaned up.

Following the second drillstem test attempted on the project, in which it showed some sweet gas, and flowed, headed and sprayed small quantities of oil, operator started to pull the drill pipe from the test Friday, and found that the packer, which had been at 10,697 feet, instead of 10,712 feet, as had been reported Friday, was stuck.

In order to free the packer and the drill pipe, it was necessary to circulate. That activity loosened the pipe and it was pulled out—but the circulating caused the loss of all fluid which had been recovered in the pipe from the extended drillstem test.

The exploration is about 25 miles south and slightly east of Pecos, in southeast quarter of section 294, block 13, H&GN survey.

In Detrital Section

Union Oil Company of California No. 2 E. P. Cowden, in northeast quarter of section 7, block A-55, psi survey, discovery for free oil in the basal Permian one-quarter of a mile north of the initial producer from the Devonian in the Dollar Hide field, in extreme Southwest Andrews County, was making hole below 7,600 feet in the detrital between the Permian and the Devonian.

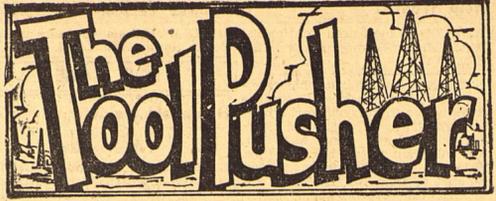

Operator had not checked samples and therefore had not picked the base of the Permian. The project is due to find oil in the Devonian, expected at any time.

Standolind No. 1-HH University, East Andrews County prospector to 5,690 feet, in southeast corner of section 12, block 8, University survey, about 12 miles north of the Mabey field, and approximately 15 miles east and slightly north of Andrews, ran a one-hour drillstem test in the middle Permian at 4,960-5,010 feet.

Recovery was 3,000 feet of sulphur water, with no shows of oil or gas reported. The test was making more hole.

Outpost To Keystone

Richardson & Bass No. 23-E M. J. Bashara, on the north side of the proven area for Ellenburger production in the Keystone field, and 660 feet from west and 1,320 feet from south lines of section 21, block 77, psi survey, reported a 24-

By JAMES C. WATSON, Oil Editor

COLLETT TO SPEAK AT GEOLOGISTS LUNCHEON

—J. Davis Collett of Houston, head of Associated Engineers, will speak at the Tuesday noon luncheon of the Midland Geological Society in the Crystal Ballroom of Hotel Scharbauer.

His subject will be "The Use of Bottom-Hole Pressures—a Non-Technical Discussion." The technique used in taking pressures will be described and representative instruments will be exhibited. Examples of how such surveys can indicate type of reservoir, water drive, recovery probability, and other features, will be given.

—Associated Engineers maintain an organization in Midland for doing consulting engineering and geology, well testing and servicing and corrosion engineering.

LANE HEADS PLYMOUTH ORGANIZATION IN BASIN

—W. D. (Bill) Lane of Midland has been placed in charge of all Permian Basin activities of Plymouth Oil Company, according to announcement made in Midland Saturday by W. M. (Mike) Griffith of Sinton, vice-president and general manager of the company.

—Lane, who has lived in Midland four years and has been with Plymouth 21 years, has heretofore been production superintendent for the West Texas-New Mexico district.

—Under the reorganization program announced by Griffith, all departments of the Plymouth's operations, in this area—production, drilling, land and geological—will be under Lane's supervision.

—H. M. Neilson, Plymouth district geologist for this area for several years, remains in that position.

SHAW SETS OUT AS AN INDEPENDENT GEOLOGIST

—Charles A. Shaw has resigned his position with Forest Oil Corporation and will operate as an independent consulting geologist. He is currently secretary of the West Texas Geological Society.

CLARK IS PROMOTED BY STANOLIND

—Garner C. Clark, who came to Midland from Fort Worth a short time ago to be assistant district geologist for Stanolind Oil & Gas Company, has been promoted to district geologist at Amarillo.

—W. C. (Bill) Imbt, district geologist, said no successor to Clark has been selected.

HENDERSON WILL SCOUT FOR SEABOARD OIL

—John D. Henderson, recently released from military service, has

hour flowing potential of 1,958.40 barrels of 43.1 gravity oil, from pay at 9,535-9,910 feet, which had been treated with 2,000 gallons of acid. Gas-oil ratio was 1,225-1, and the flow was through a one-half inch tubing choke.

Hunt Oil Company No. 1 Hill, South-Central Winkler County exploration, in southeast quarter of section 9, block B-11, psi survey, about eight miles south and slightly east of Kermit, had penetrated below 5,513 feet, in lower Permian dolomite, with some streaks of sand, and was logging some slight signs of oil.

A. R. Jones Company No. 1 Mowry, Hudspeth County wildcat, in southeast quarter of section 36, block 70, TP survey, T-2-S, 12 miles northwest of Salt Flats, was preparing to perforate casing and start, at some point above the total depth at 4,519 feet, in dolomite.

Water Eliminated

The project had 4,000 feet of water in the hole on the current bottom. Operator spotted eight sacks of cement and then swabbed the hole dry of water. Location of the zones to be tested have not been reported.

Gaylor H. Chizum, et al, No. 1 University, in northeast quarter of section 27, block 18, University survey, 14 miles northwest of Pote, in Northwest Ward County, and contracted to 5,500 feet to explore the Delaware, had drilled under 1,003 feet, in an unreported formation, and was going ahead.

joined the Midland office of Seaboard Oil Company of Delaware, and will work as a scout. He is a geology graduate of the University of Texas and worked for Lion Oil Company prior to going into the armed forces.

MORGAN IN FOR JONES AS ATLANTIC SCOUT

—"Bob" Morgan is the new scout for The Atlantic Refining Company, succeeding A. A. (Poosty) Jones, who terminated his 11 years and 21 days employment with the company recently to go in business in Midland as one of the owners of the Ranch House.

—Morgan comes from Dallas where he has been doing other work for Atlantic.

KOLHOEFER AT RICHFIELD

—William Kolhofer is a new geological draftsman in the Permian Basin district office of Richfield Oil Corporation.

STORY JOINS CSOC

—Hugh Story is a new man in the Cities Service Oil Company's West Texas Land department in Midland. In his new job he will work with Joe G. Sauer, manager of the department. Story formerly was with another oil company.

SUNRAY-TRANSWESTERN MERGER PROPOSED

—Sunray Oil Company, which recently opened a district land and geological department in Midland, in charge of Ed A. McCullough, is dealing to absorb Transwestern Oil Company. The proposed merger is subject to approval by stockholders of both companies.

BREITH IS DISTRICT MANAGER FOR GWS

—Dave Breith, of Midland, who has been with Bethlehem Supply Company as machinery engineering representative, is now district manager in West Texas and New Mexico for General Well Service, Inc., a new concern which recently acquired the equipment of T. A. G. Drilling Company.

—The company will operate a well completion and cleanout service and will maintain district office and yard at Odessa. Breith will continue to live in Midland.

Area Director Warns Against Rent Racketeers

Veterans and civilians alike who are seeking to rent living quarters should watch for rent racketeers, James W. Kelly, area rent director, said Saturday.

Pressures for violations are increasing with the demand for housing weekly in the Midland-Odessa rental area but also in nearly all rent control areas, Kelly said.

"Complaints of violations and attempted evasion: of ceiling rent regulation have increased recently," Kelly said. "Prospective tenants need not, and should not, pay bonuses, side-payments or exorbitant prices for furniture in order to rent an apartment or home at the legal ceiling price. Instead, they should notify their area rent office, 217 North Colorado Street, promptly of attempted evasions so that proper action may be taken to prevent selfish landlords from taking unfair advantage of the tight housing situation."

"I want to make it clear that the majority of landlords in this area are complying with all of OPA's necessary controls to prevent inflationary rents. They have been and will continue to be fair to their tenants. With the demand for housing increasing constantly, however, the opportunities for violations increase and some selfish landlords try a wide variety of schemes to evade detection. Tenants should be on guard not to become victims of such evasions.

"Landlords and tenants alike who have any question about their rights or obligations under OPA rent regulations should bring their questions to the rent office," Kelly added.

Wildcats To Start Drilling At Once In Two Districts Of Central Lea County

HOBBS, N. M.—Locations for two wildcats in Central Lea County have been staked for immediate drilling.

C. W. Chancellor Oil Company of Midland, No. 1 State, to be at center of northwest quarter of section 27-178-33e, is contracted to 4,900 feet, in the undeveloped region in West-Central Lea between the Maljamar and the Vacuum fields.

It is about two miles east of closest production on the east side of the Maljamar and approximately three miles west of the nearest oil well in the Vacuum area.

Chancellor has a spread of around 2,500 acres surrounding the drillsite. Drilling contract has been let to Paton Bros., of Artesia, and they are moving in equipment. Combination tools will be used.

Will Try Again

Amerada Petroleum Corporation No. 1 Hooper, at center of northwest quarter of northeast quarter of section 27-198-35e, is to be a 5,500-foot exploration in Central Lea, about six miles west of closest production in the Eunna-Monument field.

Drilling will start as soon as rig can be moved in and put in operating shape.

The project is approximately one mile northwest of the same operator's No. 1 H. S. Record, in southeast quarter of section 26-198-35e, which has been abandoned and plugged on a total depth of 3,499 feet in lime.

The test was originally slated to drill to around 5,500 feet, but it found top of the Yates at 3,445 feet, which was about 100 feet low to the point at which it had been expected, and on account of that low structural position it was abandoned ahead of the originally scheduled destination.

appreciable shows of oil or gas have been encountered at any level in the exploration.

Union Oil Company of California No. 1-A McMillen, South-Central Ctero County wildcat, in section 9-258-13e, had progressed below 4,036 feet in hard, gray lime, and was drilling ahead toward its contract depth of 5,000 feet, or production above that level.

Houses For Sale 65
TOMATO and onion plants. Extra nice. Hallard's Nursery and Floral Co., Ph. 2352, 1002 W. Front St.

A GOOD BUY
EXCELLENT FARM AND CATTLE RANCH
A real value is offered in this 1151 acre ranch of good pasture land. None of this land has been cultivated but 600 to 800 acres are very suitable for cotton, corn, and other crops. Plenty of water supplied by artesian well.

Sheep and stock pens, dipping vats. Woven wire fence all around, also cross fenced. Camp house is only improvement.
There is reserved an undivided 1/2 non-participating interest in the minerals.
Located eight miles south of Whitney, north of Waco, just 5 miles south and east of dam site on Brazos River. East end lays along a good graded road three and half miles off pavement.
Don't fail to check this excellent buy.

MRS. FITZPATRICK OF KERMIT HONORED AT FAREWELL PARTY
KERMIT—Mrs. John Fitzpatrick, who is moving with her husband to Seminole, was honored last week with a handkerchief shower in the home of Mr. and Mrs. Clyde Bone in Walton Addition. Women of the Community Church were guests for the party.
Amid a setting of spring flowers the honoree was presented with a basketful of handkerchiefs, and each guest was given an envelope and paper on which to write a note. These notes were numbered, and when Mrs. Fitzpatrick moves she is to open one each day. Several games were played and Miss Betty Fitzpatrick, daughter of Mrs. John Fitzpatrick, entertained the group with piano numbers.
Refreshments were served by the hostesses, Mrs. Bone, Mrs. Claude Jackson and Mrs. Jack Gullett.
Present were Mes. N. B. Hodler, E. Bradford, B. F. Meek, C. L. Northcutt, Vic Davis, J. B. Walton, John Fitzpatrick, and Misses Betty Fitzpatrick, Dot Fitzpatrick, H. J. Shumate, Sally Ferrell, and Weneferd Walker.
Also: Mes. Vernon Hamlett, J. W. Morris, Fred Marson, C. T. Smith, Frank Harlan, C. C. Harlan, A. B. Johnson, B. F. King, G. C. Olsen, Porter Mosley, Fred Ferrell, H. L. Dewvall, and Miss Margaret Curry.

PARENTS ACCUSED OF KIDNAPING OUT ON BOND

Marguerite Adams And G. W. Walker Are Wed In Tacoma Ceremony

Miss Marguerite Adams, daughter of Mr. and Mrs. L. S. Adams, Midland, became the bride of George Walker Arnold, son of Mr. and Mrs. J. Jennings Arnold, Seattle, Wash., in a recent ceremony solemnized in Tacoma, Wash., with the Rev. Carl A. Johnson, pastor of the Methodist Church, officiating.
Friends and relatives witnessed the ceremony performed in the home of Mr. and Mrs. Alvar J. Beck, where candelabra holding white tapers, surrounded by a profusion of yellow and white blossoms gave an atmosphere of early spring. Vows were exchanged before the mirrored fireplace where white hyacinths and fresas were highlights of the floral arrangements.
Mrs. William T. Holloway-Cook, organist, presented traditional wedding selections as Mrs. Raymond W. Smith lighted the tapers preceding the ceremony. Gordon Bishop of Seattle sang "Because" and "The Lord's Prayer" with accompaniment by the organist.
The bride was given in marriage by her brother, L. S. Adams, Jr. She wore a midnight blue gaberdine suit and a dainty white flowered hat. Completing her attire was a shoulder corsage of red roses and white mountain lilies.
Her only attendant was her sister-in-law, Mrs. L. S. Adams, Jr. She was attired in a black and white checked suit with which she wore a pink flowered halo hat and a corsage of tiny pink Cecil Bruner roses.
William J. Arnold served his brother as best man.
Immediately after the ceremony a reception was held. Mrs. Mary English of Medford, Ore., sister of the bridegroom, cut the large Maltese wedding cake. Presiding at the coffee service and punch bowl respectively were Mrs. Smith and Mrs. William Flick.
After a honeymoon at the Empress Hotel in Victoria, B. C., Mr. and Mrs. Arnold are now at home in Seattle where he will graduate in June from the University of Washington.

CLIPPER SETS RECORD
SAN FRANCISCO—(P)—A Constellation clipper of Pan American Airlines reached San Francisco Saturday from Honolulu in 7 hours, 57 minutes, a new record for the 2,400 miles.

MRS. W. H. McCLURE, RECENT BRIDE, NAMED HONOREE OF TEA

KERMIT—Mrs. W. H. McClure, bride of Dr. McClure, was honored with a tea recently at the airport home of Mrs. Rose and Cecil Robinson. Dr. Rose Robinson was assisted in entertaining by Mrs. Roy Charlesworth, Mrs. Russell Lilly, Mrs. Kenneth Burrows, Mrs. Clyde Barton, and Mrs. S. A. Parker of Odessa. The Robinson home was decorated with wild roses, snapdragons, and gladioli. The serving table held a centerpiece of three cream colored Dresden swans flanked by cream tapers.
Mrs. Burrows presided at the guest book and Mrs. Parker and Mrs. W. M. McClure, mother of Dr. W. H. McClure, alternated in pouring.
More than 50 guests called during the hours of 4 and 6 p. m.

Kathaleen Brinkley Will Be Married To Bruce R. Robertson

WINK—The Rev. and Mrs. R. C. Brinkley announced the engagement and approaching marriage of their daughter, Miss Kathaleen Brinkley, to Bruce R. Robertson, son of Mr. and Mrs. H. B. Robertson, El Dorado, Ark.
The wedding is planned for the first Sunday in June.
Dr. Brinkley is pastor of the Immanuel Baptist Church of El Dorado, and went there from Smithville, Texas. He formerly was pastor of the First Baptist Church in Wink. A son, R. W. Brinkley, resides here.
Miss Brinkley is a talented organist, and assists her father in many activities of the church. She is well known here.

MORE SERVICE FOR YOU STARTING MONDAY On The West Run

We are glad to announce extension of service to Midland citizens of the fast growing west part of town. We can now serve the City Trailer Park, El Campo, the Permian Village, Pagoda Park—which will soon open for swimming—Blue Bonnet, Park Inn and the Skating Rink.

The West Bus will leave downtown on the hour and half hour, make regular run to M and Missouri, turn West on Missouri to Garfield Street, South to Wall, scheduled there at 10 after and 40 after each hour, then to town.

Every 30 minutes a bus to town and return—rain or shine—day or night.

IF YOU NEED A SMALL BUILDING

STRAN-STEEL "Quonset 20"
ALL-STEEL • CLEAR-SPAN INTERIOR • EASY TO ERECT

If you need a small building fast, that is low in cost and has the permanence of steel construction, you will find the "Quonset 20" perfect for almost any purpose.

Easily adapted to office, production, storage or other uses, it has a clear-span interior that permits any desired interior arrangement. Interior walls and insulation are easily accommodated, if needed.

Width is 20 feet; length as desired, in 12-foot extensions. Stran-Steel framing goes up fast. Joists and studs have a patented nailing groove; steel siding and covering are nailed directly to the steel framework, and gripped securely. All-steel construction is fire-safe, wind- and weather-safe, and proof against sagging, warping, rotting, and the destructive action of termites.

Let us give you complete information about prices, structural details and possible uses.

"Quonset" buildings are products of Great Lakes Steel Corporation, a unit of National Steel Corporation

Abell-McHargue Lumber Co., Ltd.
STRAN-STEEL DIVISION

Authorized Distributor for counties of Midland, Gaines, Andrews, Winkler, Ector, Ward, Crane, and all of Upton except Rankin. Also can make sales in counties of Howard, Glasscock, Martin, Sterling, Mitchell, Borden, Dawson, Loving, Reeves, and in Southeastern New Mexico.

P. O. Box 1310, Phone 1880, Midland, Texas.

IF YOU NEED A LARGER BUILDING

"QUONSET 40"
40 feet wide; length as desired, in 20-foot extensions. 12-x-12-foot roller doors, four windows and ventilating louvers in end-section.

"QUONSET MULTIPLE"
Supplied in any desired dimensions, with extensions of 20 feet in length and 20 feet 6 inches in width. Useful for any industrial purpose.

"QUONSET 24"
For garaging or sheltering vehicles. Supplied with front roller doors or open front. 24 feet wide; length as desired, in extensions of 12 feet.

STRAN-STEEL

Scrimmages To Close Bulldog Spring Drill

A double dose of scrimmage Monday and Tuesday will close spring training football drills for the Midland High Bulldogs.

New coaches Barnes Milan and Earl Glasie with Jack Mashburn and Jack LeCroy, will put the Bulldogs through torrid scrimmages both Monday and Tuesday afternoons. The public is invited.

Starting with almost a hundred candidates out for spring drills, MHS has seen the squad pruned to near 60 but it remained constant and hustling.

For the boys it will be the last time to impress the coaches for a starting position until next fall. No team places are definite and a battle has raged from the opening day a month ago for the 11 starter berths.

Texas - Bred Assault Wins Annual Derby

CHURCHILL DOWNS, LOUISVILLE, KY.—(AP)—Assault won the Kentucky Derby Saturday. Spy Song was second and Hamper was third.

The time was 2:06 3/5 for the mile and a quarter on a slow track.

Owned and bred by Robert J. Kleberg, Jr., and born on the vast King Ranch farm of his owner in Texas, the chestnut son of Bold Venture led from end to end to repeat the victory his daddy scored just ten years ago.

Lord Boswell, the favorite in Saturday's 17-horse field, largest in nine years, came from far back to finish fourth.

Assault was given a flashy front riding by Warren Mehrtens, 26-year old Brooklyn born jockey.

The dark horse of the Blue Grass, Dark Jungle, was fifth, with Al Ernst's Almond from Cleveland, sixth.

It's Knuckles Down Softball For City League During Week

It's knuckles down in the free-for-all City Softball League of Midland this week.

O'Neal's 66 is riding on the white caps of the Blue circuit with three wins and no losses, and the Oil Scouts and Equitable Life are tied for the lead in the Red division with three wins and one loss each.

Tuesday night O'Neal's must tangle with the upsurging Reporter-Telegram, and Monday night Equitable has to face the Air Force (MAAF). The Scouts must try to clear the Burl One-Stop hurdle later in the week. Midland Hardware is a challenger in the Blue league.

In the girl's division the Crawford Hotel faces Midland Drug Wednesday night. These two nines emerged winners last week over Grammer-Murphy and Durrel Insurance, which play the consolation game this week.

This week's schedule:

Monday night: Midland Army Air Field vs. Equitable Life Insurance; Mackey Motors vs. Midland Hardware.

Tuesday night: O'Neal's 66 vs. Reporter-Telegram; City Bus vs. JayCees.

Wednesday night: Crawford Hotel vs. Midland Drug; Durrel Insurance vs. Grammer-Murphy.

Thursday night: Burl's One-Stop Standard vs. Oil Scouts; Elder Chevrolet vs. Texas Electric.

Second round schedule starts Friday night and will be announced in this newspaper early this week.

DOWN SPORTSLANE TANNER LAINE

Dress parade of the City Softball League.

Midland Hardware frolicking in snazzy orange T-shirts; Reporter-Telegram gamboling in blue T's; and Equitable Life in stenciled whites.

—SL—

Dunny Goode, the jet-propelled Midland sprinter, who got fourth in the state quarter-mile, has two more seasons to bring home a first.

—SL—

What was the name of that gal, who dropped golden apples and won a foot race from the boys? Well, after seeing the Girl Scouts run a relay Friday night at the Play Day —mehinks they wouldn't have to drop any apples. The little girls took off like a P-51.

—SL—

A Texas hoss won the Kentucky Derby. Our draw in the office pool, ALAMOND, probably isn't in yet and is waiting to drag a milk wagon in Louisville this morning. How did you and you come out?

—SL—

ROUNDUP OF THE STRAYS

Gulf at Odessa has gathered together a mighty softball nine . . . It will play the Reporter-Telegram soon . . . Pardon us for living, Midland Hardware, in the standings you have been undermarked for a week . . . Maurice Cox hasn't lost his grip as a softballer . . . J. W. McMillan of Midland is a football fan right . . . Formerly played in the mid-west . . . Delbert Downing used to be a high-jumper, Hubert Hopper, a quarter-mile; what about some of you other "older" youngsters . . . Well, we ran the dashes . . . Glad to see Ben Crites out there softballing and don't think he can't play that game . . . Come in, Mike Brumelbow, come in Mike, we are glad to have good Irishman from TCU in our city . . . Loads of luck to you and Thad, and Poosty and Merle out at the Ranch House . . . These boys are sportsmen, all . . . What about an all-star game, picking the best of Midland to go against the best of Odessa? . . . That oughta draw from miles around . . . Whose problem is this: all those kids who congregate out at the softball games, hundreds of 'em, just playing around out there? . . . Don't they need something for them? . . . Yes, yes, yes . . . Let's go strays rounding up.

Goode Wins Fourth In 440 At Austin

AUSTIN—Dunny Goode, springing in the colors of Midland High School, won fourth place in the 440-yard dash at the State Interscholastic League Meet here Friday. Merceda of El Paso High won the event in the time of 50.2 seconds.

Unheralded Stephen F. Austin High of Houston won the state meet with 46 points, a record compilation of tallies.

Goode earned six points for Midland.

JayCees Nip Midland Hardware Team, 10 To 3

JayCees beat one of the best softball clubs in the city Friday night, taking the measure of Midland Hardware, 10 to 3, in a practice game.

Midland Hardware got off to a fast lead with two runs in the first but that was all with one more in the third.

The JayCees scored in every inning and got six runs in the fifth to ice the melee.

Reporter-Telegram To Play Texas Electric

The Reporter-Telegram will play Texas Electric in a makeup softball game at 2 p. m. Sunday at Barney Grafa Park.

When Texas Electric replaced Log Cabin in the league it took on the responsibility of three makeup games with clubs which had forfeit wins over Log Cabin, which failed to come into the league.

Oil Scouts Play Odessa Wednesday

The Oil Scouts of the Midland City Softball League will play an "inter-sectional" game Wednesday night at Odessa.

The Scouts will take on Gabriel's Sporting Goods in return for a game to be played here soon.

Coleman Sponsor Is Midland Show Entry

Rosemary Beck of Coleman Saturday entered the sponsor's contest of the annual Midland World Championship Rodeo.

She represented Coleman here last year. She is attending Sul Ross College.

LAYNE HURLS NO-HITTER COLLEGE STATION

Bobby Layne, Texas University ace hurler, entered the Southwest Conference hall of fame here Saturday as he hurled a no-hit game against the Texas Aggies to win, 2-1, and virtually clinch another championship for the Longhorns. Layne fanned 13 Aggies.

Bulldog Boosters Will Meet Tuesday

The Midland Bulldog Booster Club will meet at 8 p. m. Tuesday night in the high school gymnasium.

This is the first session of the Boosters in a long time. Members are urged to attend.

President John M. Scroggin called the meeting.

STYME EQUALS MARK NEW YORK

ST. LOUIS—(AP)—Mrs. Ethel Jacobs' Szyme equalled the track record for a mile and eighth Saturday in galloping to an easy victory in the \$30,000 added Grey Lag Handicap at Jamaica. Bounding Home was second and Fighting Step third in the seven horse field.

REISER REJECTS OFFER ST. LOUIS

ST. LOUIS—(AP)—Pete Reiser, slugging outfielder-third baseman of the Brooklyn Dodgers, announced Saturday night he definitely had rejected an offer of \$100,000 by the wealthy Pasquel brothers for three seasons with the Mexican Baseball League.

BOWLING

ERMA NICHOLS, Editor

Mr. and Mrs. George Walker Arnold, left, are shown at a reception held following their wedding in Tacoma, Wash. Mrs. Arnold is the former Marguerite Adams of Midland. Below is Wilda Dragoo of Eastland, talented violinist to appear in a program in this city May 11. At the right is Mrs. Robert W. Boyd, the former Clydene Stapleton of this city. After a wedding trip to Jacksonville, Fla., Capt. and Mrs. Boyd will make their home here.

200 Brownies And Girl Scouts Play At First Annual Event For Midland

By TANNER LAINE

Take 200 girls like sweet, petite little Miss Rozanne Yearby, the Brownie who lost her beanie cap during one of the races, and fine American-girl looking Virginia Lou Wilkinson, Girl Scout, who proudly marched in the color guard, mix them well in clean, wholesome play and contests on the lawn of Lackey Field before a good crowd of proud parents and towns-

people and you have the First Annual Girl Scout play Festival presented Friday night in Midland.

From the stirring grand march with all Girl Scouts and Brownies passing in review, led by a snappy color guard, to the final "Taps," the play day activities proved to be a hit with the girls and spectators.

"Skip to My Lou" by Troops 2, 7 and 8 was a highlight in the night's activities which included races, songs, marches, dances, and games.

In the relays and play contests, Brownie Troop 13 scored 23 points to win the spirited Brownie division. Troop 14 scored 19 points to take second. In the Intermediate Girl Scout contests, Troop 1 with 25 points won first, and Troop 8, scoring 14 points, placed second.

Winning units were presented banners.

The full program included: all

Girl Scouts in review; drill team by the intermediates; Brownie songs "We're the Brownies" and "I Have Something in My Pocket"; polka by Troops 1, 4 and 12; "Skip to My Lou"; games and relays; singing games; song, "Girl Scouts Together"; "Taps."

Officiate Event
David Cole was master of ceremonies.

Chairmen for the event were: play festival, Mrs. Harold Hall; program, Mrs. O. L. Hearren; radio, Miss Richard Looby; music, Mrs. Delbert Downing; concessions, William S. Blackman and Theo Ferguson; games, Mrs. Stafford G. Helms; and publicity, Mrs. Jack Bliss.

Delbert Downing, the Rev. Raymond Hall, and Tanner Laine served as judges, and the Rev. Robert Snell presented banners. The sound system was presented by (Continued on Page 4)

Mrs. H. S. Forgeron Is Hostess For Musical

Mrs. H. S. Forgeron was hostess at her home, 901 Cuthbert, for a musical tea Saturday honoring members of the AAUW and their guests. The program during the afternoon was presented by the Civic Music Club.

During the tea hour refreshments were served from the dining table laid with a lace cloth and centered with an attractive arrangement of spring flowers which was flanked with white tapers.

Mrs. F. C. Cummings and Mrs. B. W. Stevens opened the program by presenting two piano duets by Victor Herbert, "Al Fresco" and "Pan Americana."

The remainder of the selections were: Voice, "Through the Tears" (Vincent Youmans) and "L'Amour Toujours" (Rudolf Friml), Mrs. Joseph H. Mims with accompaniment

by Mrs. Eugene Vanderpool; flute, "Syrinx" (DeBussey) and "Musette" (Jean-Marie LeClair), Miss Ruth Wehner; and violin duo and piano, "Rigaudon Aria" and "Gigue" from "Stoessel Suite," Mrs. Benton Howell, Mrs. E. S. Hitchcock and Mrs. Ben Dansby, Jr.

Approximately 50 members and guests were present for the occasion.

RETURN FROM VISIT

Mrs. Barbara Wall has returned to Midland after accompanying Mr. and Mrs. B. E. Payne of Carlsbad, N. M., to Brook Haven, Miss., where they visited in the home of Mr. and Mrs. Ben Wall. They also visited in New Orleans, Houston and other coast cities before returning home.

Marriage Vows Repeated By Clydene Stapleton And Capt. Robert W. Boyd Of Florida In Double Ring Ceremony Performed At MAAF Chapel

In an impressive ceremony solemnized at 5 p. m. Saturday at the Midland Army Air Field Chapel, Miss Clydene Stapleton, daughter of Mr. and Mrs. Clyde Stapleton, 1107 West College, became the bride of Capt. Robert W. Boyd, son of Mrs. Hazel Locke Boyd and the late Dr. John E. Boyd of Jacksonville, Fla.

Chaplain James H. Dickinson directed the vows for the double ring ceremony as the bridal party stood at the altar decorated with an all-white floral setting of lilies and stock. Burning tapers in the candelabras added soft illumination to the setting.

Preceding the ceremony Mrs. Joseph H. Mims, organist, played traditional wedding music and accompanied Mrs. Louis W. Siegrist as she sang "Because." As the vows were repeated the organist played "Liebestraum." Both Mrs. Mims and Mrs. Siegrist wore corsages of pink carnations.

The bride was given in marriage by her father. She was attractively attired in an aqua blue crepe dress with which she wore white elbow length gloves and a small white hat fashioned with white flowers and veil. Her other accessories were also in white and she carried a prayer book topped with white orchids.

Miss Doris LaRue Stapleton attended her sister as maid of honor. She chose a beige jersey dress and wore an ice blue hat with matching flowers. Her other accessories were of navy blue and she carried a corsage of red roses.

Best Man

Serving the bridegroom as best man was Capt. John L. Kearney of Reno, Nev., and stationed at Midland Army Air Field. Ushers were Lt. Joseph Miesen and Lt. James A. Steele.

Mrs. Stapleton, mother of the bride, wore dusty rose crepe dress and a corsage of white carnations.

Following the ceremony a reception was held in the Private Dining Room of the Scharbauer Hotel. The bride's table was decorated with a bouquet of roses and sweetpeas and a three-tiered wedding cake topped with a miniature bride and military bridegroom. Mrs. J. H. Moseley presided at the table where punch and wedding cake were served.

When Capt. and Mrs. Boyd left for a 30-day wedding trip to Jacksonville, Fla., the bride was wearing a gray gabardine suit and black accessories. She pinned her orchids to the shoulder of her suit. Mrs. Boyd is a graduate of Hamilton High School and for the past three years has been employed at post operations at MAAF. The bridegroom was graduated from the University of Florida where he was a member of Phi Delta Theta. He received his commission and pilot wings at Turner Field, Albany, Ga. He was overseas 14 months in CBI Theater and since his return to the States has been stationed at MAAF as a base personnel officer.

Midland Music Clubs To Present Program Sunday

In observance of National Music Week, the Civic Music Club and the Midland Choral Club are presenting a musical program at 4 p. m. Sunday in the First Baptist Church.

Opening selections will be given by the Midland Choral Club: "Lo How a Rose" (Michael Praetorius) and "In Dulci Jubilo" (J. Klug). "La Compara" (Leonora) and "Polichinelle" (Villa Lobos) will be given by Mrs. J. B. Koenig after which Mrs. Dudley Cardwell, vocalist, will present "By the Waters of Babylon" (Charles T. Howell) and "Dere's No Hiden' Place Down Dere" (Spiritual by Lawrence Brown).

Other selections on the program are: Flute solos, "Syrinx" (DeBussey) and "Musette" (Jean Marie LeClair), Miss Ruth Wehner; "Who Is Sylvia" (Schubert-Shackley), "A Bird Flew" (Clokey) and "The Arkansas Traveler" (Branscombe), Midland Choral Club; piano, "Gitanerias" (Lecuna), Mrs. Eugene (Continued on Page 2)

A Fragrant Remembrance To Mother on HER DAY . . .

Two intriguingly different perfumes: Saint: to be loved and adored. Sinner: as mischievous as a sidelong glance. Twosome (one-half ounce combined), \$12.50, plus tax.

Give perfumes and colognes to the loveliest woman you know — YOUR MOTHER! And especially if you want her to feel warm, loved and particularly youthful.

It's a sweet remembrance of your love for her . . . a luxury gift that she has always secretly wanted, yet maybe never quite dared to buy. The well-groomed mother will be delighted with your selection as you can't go wrong by choosing any one of these famous brands of wonderful fragrance.

Perfume White Shoulders . . . in lace and satin band box, \$110 to \$5* Cologne, \$8.50 to \$2.75* plus tax

PRINCE MATCHABELLI'S

Give Duchess of York to the loveliest woman you know! It is Prince Matchabelli's best-loved perfume—fragrance of lilacs nodding in the summer twilight. \$3.50 to \$35.00*

Other Sizes \$1.75 to \$10.00

STRAW HAT \$1.75

... Jule, feathers, and flowers. . . Swoosh yourself lavishly with "Straw Hat" cologne, a flirting feminine fragrance that makes you feel positively irresistible! Flacons topped in natural straw and scarlet linen . . . other sizes 1.00 to 10.00

BY FABERGE

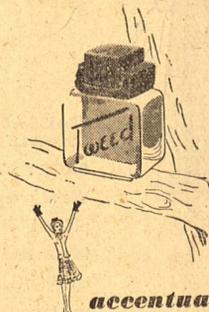

COLOGNE TABU

the forbidden perfume

Smouldering TABU—heavy, sultry fragrance—even more disturbing when worn on gowns or furs where it remains for days—even weeks. And now you no longer have to wait for someone to bring your precious TABU from Mexico, Cuba or Spain—we have it here. The Parfum \$35.00—Cologne \$6.00—also other sizes of both.

Those attending were: Mmes. Frank Simpson, Claude Bishop, Kaiser, T. O. Midkiff, R. Chanslor, Reigle, Skipper, W. M. Craft and Attaway.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barentrate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonsful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if redicible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloot disappears—how much better you feel. More alive, youthful appearing and active.

MIDLAND DRUG AND ALL OTHER DRUGGISTS

MEN! GET PEP..
Do you want to feel young again? Why feel old at 40, 50 or more? Enjoy youthful pleasures again. If added years have slowed down your vim and vitality, just go to your druggist and ask for Casella tablets. Many men are obtaining remarkable results with this amazing formula.

M. Graham Smoot, acting director of the City-County Health Unit, returned Thursday from the Border Public Health Conference at El Paso. Representatives from Mexico, Texas, New Mexico and other states were in attendance.

VISITING AT BLANCO
Mr. and Mrs. A. C. Caswell and daughter, Mrs. Homer A. Nance, left Friday for Blanco to spend the weekend at the ranch of Caswell's brother.
West Point was founded in 1802.

200 Brownies -
(Continued from Page 1)

Dunagan Sales. Mrs. B. R. Scharbarum was on hand as council nurse.

Girls participating in the play day included:
Diane Anderson, Ann Arick, Gail Elack, Glenda Crays, Diane Daugherty, Jo Dean Downing, Sue Francis, Emily Hamilton, Mary Jo Hejl, Nancy Ann McKinley, Mary Ann McRae, Sue Meriwether, Marion Sevier, Peggy Read, Peggy Simmons, Jean Waddell, Mary Ann Wilson, Jane Umberson, Louise Patton and Sandra Stalcup of Troop 1.

Barbara Boring, Carean Bryan, Julia Galbraith, Glenda Hamblen, Shirley Davidson, Martha Scharbauer, Ann Wells, Peggy Kirby of Troop 2.

Kitty Lou Anderson, Patsy Blanschett, Catherine Carter, Anna Bess Doyle, Georgeanne Doyle, Shirley Eidson, Wanda Faine, Nell Curran, Ruth Wanelle Greene, Evelyn Hejl, Sybil Johnson, Ruth Nell Kuykendall, Carole Lark, Doris Morningstar, Grace Morrow, Elsie Friday, Agatha Tabor, Sue Ann Tarkington, Nancy Warren, Elizabeth White, Barbara Ruth Whitson, Billy June Free, Diana McDonald, Jan Houck, Ruth Ann Rhodes, Peggy Scott, Frankie Speaker of Troop 4.

Gloria Anguish, Adele Blackman, Peggy Charlton, Sue Corser, Jean Ferguson, June Hazlip, Joyce Howell, Annie Ruth Long, Sue Johnson,

\$1,524 Is Contributed To Easter Seal Drive

Announcement was made Saturday that \$1,524.19 had been received up to date on the Easter Seal Drive for crippled children being sponsored in Midland by the Children's Service League. May 21 has been set as the closing on the drive.
A total of \$99 was contributed by school children and 75 per cent of that amount will remain for local cases while 60 per cent of the remaining funds has been designated for Midland use.
Those still wishing to donate to the drive may send their contributions to Mrs. John M. Hills.

The number 49 sugar stamp now is valid and may be used to purchase five pounds of sugar, the Midland Price Board has announced.

Jerelen Jowell, Rosalynn Leggett, Peggy Minear, Dephane Tabor, Betty Wilson, Suzanne Young, and Swan Haglar of Troop 8.
Wanda Lou Moore, Nan Welsh, Darlene Culp, Jo Ann Cubit, and Carolyn Paris of Brownie Troop 10.
Maybelle Bush, Betty Marie Johnson, Kay Longcope, Wayne Richman, Beth Welch, Janie Bell Moore, Linda Mack Stephenson, Sylvia Ann Jones, Ann Whitmire, Buelah May Collier, Mabel Nix, Dorothy Johnson, Billy Jean Johnson, Dorothy Lee Johnson, Doris McSwain, Jo Nell Whatley, Joy Dale Havins, Katherine Lord, Anita Joy Wilson, Betty Adele Thurman, and Francis Clark of Troop 11.

Troop 12
Ann Armontrout, Jane Beakey, Camilla Birkhead, Lynn Griffith, Helen Joy Heidelberg, Christabel Heidelberg, Janet Hoffer, Marilyn Little, Jeannine McDaniels, Kathryn Mygdal, Leila Norwood, Catherine Peiry, Betty Pitzer, Mary Ann Searles, Rose Tindal, Joan Turner, Shirley Pullam, Madelon Scharbarum, Barbara Long, Jane Flint of Troop 12.

Lida Bryan, Beverly Bumpass, Carol Anne Fitting, Sharon Lee Herrell, Sharon McAdams, Marjorie Jean Miller, Margaret Pilcher, Lois Nell West, Virginia Lou Wilkinson, Frances Calhoun, Elinor Ann Hoover, Phyllis Borneman, Sue Blevens, Jerry Fay Bizzell, Rozanne Yearby, Theresa Elizabeth Jones, Ann Dickinson of Brownie Troop 13.
Junada Bradshaw, Linda Bredin, Gwendolyn Campbell, Judith Cole, Betty Sue Crump, Nancy Greyton, Janice Hill, Carolyn Leggett, Barbara Munson, Peggy O'Neal, Judy Ridge, Helen Short, Helen Zant, Carol Ann Walker, Retta Hazlip, Margaret Arledge, May Whitson, Betty Sue Low, Patsy Curran of Troop 14.

Susan Alstrin, Judy Bliss, Fredda Black, Nancy Breedlove, Alice Ann Berry, Jill Ledebur, Jayman Edwards, Ann Hamilton, Jerry Hughes, Barbara Hall, Suzanne Hood, Suzanne Deats, Jane Park, Edna Earl Read, Georgeanne Bennett, Robbie Opps, Pinkie Howell and Diane Perkins of Brownie Troop 15.

Thirteen senior girls served as officials of the play day events and assisted adult leaders in staging the program. They were Lois Black, Patsy Bray, Arliss Ann Klebold, Sarah Lew Link, Betty Jean Merriweather, Royce Ray McKee, Lynn Dell Moore, Peggy Lou Whitson, Dorothy Wolfe, Melba Jean Clark, Donna Manning, Barbara Mears and Carolyn Schaffer of Troop 5.
Other helpers included: LaMoine Tabor, Nadine Clements, Edith Collings, Anna Joyce Streeter, and Dora Alkire.

Girl Scout leaders include: Mmes. Hamilton McRae, Delbert Downing, Charles Galbraith, Walker J. Fleming, J. E. Warren, John Hill DeFord, J. J. Black, David Johnston, Frank Ashby, Don Johnson, Bill Blackman, C. W. Faris, Troy Stephenson, E. D. Richman, I. A. Searles, M. F. McDaniels, B. L. Pilcher, Milward Miller, W. W. Hoover, Sherwood O'Neal, Z. B. Zant, Jack Bliss, Ed Alstrin.

The color guard, composed of girls representing each troop, included: June Hazlip, Kathryn Mygdal, Gayatha Tabor, Rinda Regent, Virginia Lou Wilkinson, Gwendolyn Campbell, Ann Hamilton, Wynell Richman and Jane Umberson.

Shopping Views . . . and News

by *Barbara*

GREETINGS AND SALUTATIONS

Albums are something one forgets to buy for themselves, and you'll find mother will really enjoy sorting out those snaps and creating a regular "story book" for herself and family. Outstanding style was a leather "Kodak Library" . . . It can be filed with her books.
Davilla and I had an interesting chat over the phone and she wants you all to know her shop has gotten in a wide assortment of beautiful slip cover materials . . . in solids and patterns.
Both popular priced and better chintzes, denims and texture fabrics (the fabric with interest design) are listed. . . Also Oxford cloth in full array of colors.
You can now buy good slip cover patterns everywhere that are easy to make and fit well . . .

A NICE GIFT for Mother's Day would be one of the Midland Studio's Album books . . . in plaid willow weave or leather editions. Mother never will throw away a picture one—she just saves every memory in some drawer or other! But they must be pretty "scattered memories" by now!

Interest notes: Pleated junior skirts in palest pastels, and smart sophisticated wool gabradines with a side drape. . . .

LIGHT WOOLEN SKIRTS

are going to remain popular the summer through. . . . And why shouldn't they, for they're styled in gay feminine lines and in soft, summery pastels!
The Mary Ann Shoppe has a clever line of these skirts with jackets (coming in) to harmonize.
I loved a brown checked number with a wide band, gathered skirt front and big patch pockets. It can't help but be slimmerizing. . . .

"WHAT'S COOKIN' "

at Colin's Cafe? Well I have a very interesting history to relate to you. . . .
Seems as if Mr. Colin has been in the food business all his life! He was a mess sergeant in the Texas Cavalry in 1918, has cooked at the Pennsylvania, La Salle, and Morrison Hotels in Chicago, came to Texas in '31—cooked at the Rice Hotel in Houston, went to the Adolphus in Dallas and was the manager of Fore Worth's River Crest Country Club for 4 years!
Then he has owned the Masters Cafe in Big Spring for 26 years, sold it and came here! Gets around, huh!

KCRS HAS AS ONE OF ITS OLDEST

staff members, Mrs. MacDonald . . . or "Mac" to those who know her. . . . And just about everyone does, as Mac has played an important part in many civic affairs. . . .
For instance, in her contacts with local merchants, Mac plans to line up the prizes for the coming Lions Club's Carnival. . . . She's the instigator of the Red Cross Cancer drive radio programs and the T.B. radio programs that are sponsored by your local station.
More "Watts" to you, Mac!

HOW WOULD YOU LIKE

a guaranteed savings fund of \$2000, \$5000, \$10,000, etc., by saving 3 to 5 per cent of the desired amount yearly? At retirement your savings fund will pay you a monthly income for life. Should you die prematurely, your savings fund will be completed and paid in full to your family—accidental death pays double.
You would? Then Roy McKee, at 114 1/2 S. Main, will explain in detail without obligation to you. Insurance is assurance to you, and you, and you!

YOUR FAVORITE GAS STATION,

Pope's Texaco Station, W. Wall, is getting all dressed up in a new spring outfit!
My, but don't they look grand! There's a paint job of white both inside and out, and the green trim is renewed until the sight will dazzle you!
Compliments to Mr. Pope—a most accommodating gent—for the farsightedness of his gesture. There's nothing a gal likes better than to drive up into a clean service station—unless it's good gas and oil—and he's got that too!

MOTHERS, DID YOUR BOYS

and girls previously bowl at the Plamor and then drop it to give the service men a chance for recreation? Have they started bowling again? If not, you should urge them to do so if it doesn't interfere with their work or studies.
You see, they are well supervised by "Jonesy" who will keep a good eye on them—and they're improving on a sport that will give them poise and balance in their mature years. Urge your youth to bowl!

IT'S SORTA SILLY

and sorta cute that inanimates should have names! Yet, there's no denying a pitcher with a name such as "Sally" has an intriguing charm!
"Sally" is short and fat with a wide smiling mouth. She's sitting on Midland Hardware & Furniture Co.'s china shelf just waiting for a home. . . .
One of her sisters, "Rebecca", is unlike her inasmuch as she's tall and graceful—but has the same soft pastel flowers painted on her.
The whole group belongs to the Blue Ridge Handpainted China family . . . darling candy and shell relief dishes and cigarette boxes with ash trays to match!

BEFORE YOU EVEN USE IT—

before you wear it once—be sure to have your new garments "waterproofed" by the Oriental Cleaners!
It's something new in the preservation of your clothes and household linens. The sheen is preserved in gabradine and spots leave easily when cleaned. . . . Spots and stains come out easily from all materials if they're waterproofed as nothing "gets at" the fabric.
A grand idea for your tablecloth, too! Anything you treasure in wearing apparel and linens will come through this process with a double life span!

DO YOU KNOW THAT

Blackwell's baked 125 French pastries the other day, and they were all gone by noon! They have to be good to sell that fast. . . .
They certainly look good—big flaky pastries stuffed with delicious raspberry jam and sprinkled with cinnamon sugar!
These and other goodies such as Blackwell's fancy chocolate or pineapple cookies are used for party occasions along with the ever-so-good chocolate heart cakes I described last week.

They certainly look good—big flaky pastries stuffed with delicious raspberry jam and sprinkled with cinnamon sugar!
These and other goodies such as Blackwell's fancy chocolate or pineapple cookies are used for party occasions along with the ever-so-good chocolate heart cakes I described last week.

MOTHER'S DAY MEANS FLOWERS

for madame—flowers to show in their beauty, the love and devotion you have for her!
I've mentioned Virginia E. Nelson, of McDonald-Nelson Florists, as the one to contact for those individual corsages . . . she's the one who creates a corsage to fit the individual costume and lady. . . .
If you're planning on a potted plant or cut flowers, you must plan to patronize this new florist. They're located in the American Beauty Shop on W. Wall, and would love to have you stop in and see their posies!

WAR HAS BROUGHT FOREIGN PLACES

and names once never heard of right into our "laps" . . .
So if you're a gal who prides herself in keeping up with the world—and are interested in your children's education along these lines, read on!
Globe facts from Ray Gwyn's:
"There's economy of construction in our globes that makes possible the low price, yet keeping the same quality of geographical accuracy and up-to-dateness found in the more expensive hand mounted globes. . . . We stock many styles . . .", says Ray Gwyn.

COMPLIMENTS

are coming in to the Checker Cab on their clean taxis. Every morning these cabs are doing everything possible to improve their service and to make your trip pleasant.
You just feel better riding in a Checker Cab—it's clean, the driver's efficient and pleasant, the ride is safe and sure. Be certain to tell your driver the slow speed you want . . . he's awfully accommodating and anxious to please you!
IT'S SORTA SILLY and sorta cute that inanimates should have names! Yet, there's no denying a pitcher with a name such as "Sally" has an intriguing charm!
"Sally" is short and fat with a wide smiling mouth. She's sitting on Midland Hardware & Furniture Co.'s china shelf just waiting for a home. . . .

The whole group belongs to the Blue Ridge Handpainted China family . . . darling candy and shell relief dishes and cigarette boxes with ash trays to match!

WE'RE STILL

anxiously awaiting King's Drive In's opening—and Mr. King's still anxiously awaiting his equipment!
But it won't be long before we'll be able to drive in and order theummy "Chicken in a Basket" and cold drinks to quench our thirst, Mr. King assures me.
In the meantime, there sits that beautiful building on 400 W. Wall, just tantalizing us with thoughts of King's good food. Old residents know the King's, and are anxiously awaiting the opening . . . other residents are anxious too—to patronize this new service in town. . . .

THE KIDDIES TOGGERY

is "wowing" mamas with their newly decorated baby window . . . and the sheer Swiss dotted curtains with pink and blue bows are NOT for sale! Poor Jo . . . she could have sold a dozen! Note them . . . and the darling chest of drawers you'd do well to copy for baby's nursery.
Night lamps for the sleeping tots! Gay, sweetly smiling, comical clown lamps with a ridiculous tall dunce cap and pokadot ruffle around its neck . . . they stand only 6 inches high including cap . . . price, \$4.95.

More Than Just Reducing -

Lines of beauty begin with good posture. The STAUFFER SYSTEM can help you attain correct posture. By gently rotating the pelvis into position, normal balance is restored. "Sway-back" and "shoulder slump" with their accompanying backache and nervousness disappear.

Through the same rhythmic passive exercise circulation is stimulated, pep and vitality added while the body is toned and firm.

With pep restored inches disappear. You'll look better and feel better.

. . . No Drugs, Electricity, Rollers, Steam, Starvation or Strenuous Exercises

OLE SOL is shining bright and hot these days . . . making your garden grow and your clothes dry extra fast on the line. But if you're not the tanning type, you're anxious to keep Mr. Sol strictly away from you. . . .
How to do it? One good way is to wear the wide brimmed straw hats Harris-Luckett's is showing while performing your outdoor chores.
There's small sizes for kiddies that'll do a grand job of evading sunburn, and big ones for you. All colors . . . fancy and plain weaves. 49c to 98c.

WE TRULY LIVE in a "land of plenty"! Our newspapers and radios provide that every day with their authentic stories of the starving peoples of other lands!
It is only right when others are tragically in need of food, that we use every effort, our every talent in the conservation of the food we buy.
The Morris System urges you to buy carefully and to understand their problems in food shortages. Strikes affected them too . . . and the government is soon to take 90 per cent of the cereals off the market!
Let's not grumble—let's be Giving!

The first minimum wage law was the New Zealand industrial concilia and arbitration act of 1894.

The drone bee should be able to see everything that goes on. His eyes have from 6,000 to 7,000 lenses.

To Play Lead Role

William H. Pomeroy, Jr., Midland oil operator, will play the lead role in the Community Theater production "Uncle Harry" to be presented in the Midland High School Auditorium Wednesday and Thursday.

Bible Study Featured At East Side Club Meet

A study of women in the Bible was given at a meeting of the East Side Home Demonstration Club Thursday afternoon at the home of Mrs. Burl Cramer at the Magnolia Tank Farm.

In discussing the women of the Bible, Mrs. E. P. McEldowney gave a short story on each of the most important ones.

Mrs. R. L. McCormick, club president, presented the 1946 budget for Midland County.

Refreshments were served by the hostesses to Meses. McCormick, Kenneth Webb, A. D. L. Price, Guy White, C. A. Barton, G. P. Bradbury, McEldowney, Vernon Red, and one visitor, Mrs. Robert Turner.

Goals Wanted (An Editorial)

From the business end of a shovel Mr. Fogbrain was giving students his usual lecture on goals, and we quote: "Now, what's that you say about goals? I never touch 'um and look how happy I am—no income tax to pay. Of course I don't make enough, but 'money is the root of all evil', you know. Here I am, my own boss of my own ditch to dig, and I didn't need a goal to get this job."

No, Mr. Fogbrain didn't have a goal; neither does Myrt who works at the Greasy Spoon slinging hash or Elmo who sets pins at the Bustem Bowling Alley or Heckler who exterminates goofers or Gyrt who sells pen wipers. No, they didn't have a goal in life; they figured they didn't need one. There they'll sit digging ditches, slinging hash, selling pen wipers, setting pins and exterminating goofers until judgment day while we who set our goals high and strive to get them become famous in our own small way.

Small Talk

Monday—Whew! No themes to write, no play rehearsals, no lessons! What are we saying? We can actually feel good even without having slept over the weekend.

Tuesday—Boy! Skipping school with permission for 30 whole minutes before the senior tea. Remember your manners children, no seconds!

Wednesday—You have no idea how hard it is to write Wednesday; especially when nothing happens to write about. Usual weather, usual classes, clubs—and so to bed.

Thursday—An explosion—what a news item! Three fair damsels fainted and Mr. Howell had to take a noive capsule. Now to cover the story as a journalist. Who?—a secret; Where?—outdoors; When?—a. m.; Why?—just for fun; What?—big noise; How?—your guess is as good as ours.

Friday—Isn't it a lovely day! Such thoughtful teachers. Aren't the classes pleasant? It couldn't be that this is Friday that influences our feelings toward school. Oh why won't the teachers let us go to school this summer too?

Faculty Has Picnic At Cloverdale May 3

The Midland High School faculty was entertained with a picnic at Cloverdale Friday.

Miss Helene Miley, president of the Midland County Teachers Association, was in charge of the affair.

News Of Former Midland Students

Norma Conly '45, has been elected Farmer's Sweetheart at North Texas Agricultural College.

Joe Haygood, '42, is home having received his discharge from the armed forces.

Polly Patterson Mayhew, '42, is home visiting her parents in Midland.

Gede Sindorf, '45, was home from College of Mines last weekend.

S 1/c Billy Howse, '43, is en route home from Germany.

S 1/c Weldon Carden, '43, is en route home from Japan.

S 1/c Franklin Ward, '45, is stationed in Guam.

Billy Noble, '39, has been elected editor of The Daily Texan at Texas University. He was editor of The Bulldog in '38 and '39.

Henry Shaw, '45, is home this weekend from John Tarleton College.

Frank Aldrich, '45, is home this weekend from Texas Tech.

Jimmy Kathryn Kendrick, '44, is attending Texas Tech.

Phoebe Lewis, '45, won an art designing scholarship at Hockaday.

Home Making Girls Entertain FFA Boys

Girls of the Home Making Club entertained the FFA Club boys with a weiner roast at Cloverdale Saturday night.

Food was prepared by the girls under the direction of Miss Helen Craig. The committee in charge of the food was Wanda Moore, Ruby Hutchins, Joy Mashburn, and Wanda Beauchamp.

The entertainment committee, Annamary Alkire and Diane Debnam, planned games for the group.

The group met at school at 7 p. m. and rode to Cloverdale in A. C. Treadaway's truck.

Those present were: Miss Eloise Odam and Miss Helen Craig, Home Making sponsors, girls of the Home Making club, girls of the Home Making club, and Frank Monroe.

Yell Leaders Get Purple Sweaters

Alma Faye Cowden, Becky Bird, and Catherine Lee McDonough, 1945-46 yell leaders, received purple wool sweaters bearing gold megaphones Wednesday.

Senior Class Orders 3,987 Invitations

Eighty-six Midland High School seniors received their 1946 graduation invitations last Tuesday from Shirley Brunson, chairman. Approximately 3,883 white invitations and 104 purple leather ones were ordered.

Who's Who - Dorothy

Dorothy Butler

The time is Oct. 31, 1928. This is the night when witches roam the skies on broomsticks. But wait! A stork has "gotten into the act" and has deposited a baby girl at 936 North Baird who was destined to become associated editor for the "Bulldog" in 1946.

This girl, Dorothy Butler, if you please, grew up and in this year of 1946 it can be seen that she is 5 feet 2 1/4 inches, has silky blonde hair, and big blue eyes. Quite an improvement over what was left 17 years ago!

Most of you saw her recently in the senior play, "Pride and Prejudice" as Charlotte Lucas. She also was in the one-act play, "So Wonderful in White". Last year she was in the junior play and in the Civic Theater production "Song of Bernadette". But she made her debut in an assembly play "Liberty Unlimited", when she was a sophomore.

Anything that's blue will receive her hearty approval and angel food cake will satisfy any desire for food. And if Ingrid Bergman and Cornel Wilde are teamed together in a movie, Dorothy would probably sit through it five times.

During a school day, she can be found in English, shorthand, journalism, dramatics, or A Cappella Choir which brings up the fact that she is the accompanist for the choir. Miss Ruth Carden fills the bill as her favorite teacher.

Dorothy is a member of the Quill and Scroll, Dramatics Club, D.V.V., Junior Music Club, and was an alternate in the spelling division of the Interscholastic League.

Her hobby is collecting records—boogie-woogie, incidentally. And if you've never heard her play some of that "swing stuff" on the piano you'd better nail her down quick and you'll hear some real playing.

She has a pastime that many a smart person has—loafing. Her pet peeve is popular, too. It's homework.

After graduation this year, she plans to attend either Christian College in Columbia, Mo., or Texas Christian University and major in journalism.

A' Cappella Choir Places Second In Kermit Music Meet

The Midland High School A Cappella Choir under the direction of Mrs. P. C. Gambill placed in the second division of the Region 8 Music Contest held in Kermit April 26. Their selections were "Rain in the River" by Oscar J. Fox and "Legende" by Tschalkowsky. Accompanist was Mary Catherine Graham.

The Junior Trio composed of Ruth Hall, Anna Joyce Streeter, and Genora Brown, placed in the first division with their rendition of "Madame Jeannette". Ruth Hall and Jeanne Devereux placed in first division with solos, while Charlotte Schaefer, La Verne Estes and Jo Ann Montgomery made second division. Arliss Ann Kleibold and Rebecca Watford placed in third division.

Mary Catherine Graham and Lynna Dell Moore placed in second division in the piano solo contest. R. A. Bright was the song as well as piano judge.

The contest included students from 23 towns from Pecos to Big Spring, and from Seminole to McCamey and Fort Stockton.

The following Midlanders attended: Patsy Bray, Ann Upham, La Verne Estes, Anna Joyce Streeter, Ruth Hall, Madene Clement, Edith Collins, Jeanne Devereux, Genora Brown, Marilyn Boynton, Anna Jean Cash, Sarah Hunter, Susan Hemphill, Eva Kimbrell, Donna Mae Kelly, Bonnie Robertson, Margaret Dougherty, Rebecca Watford, Maybelle Midkiff, Barbara Lenley, Elizabeth Rolling, Mildred Brinson, Jean Tuna, Patsy Lou Arrington, Mary Dell Dillan, Dorothy Faye Holt, Charles Spivey, Donald Droppleman, Gordon Reigle, William Hoey, John Richardson, Johnny Murry, Dorothy Walston, Dorothy Turner, Evelyn Wemple, Charlotte Schaefer, Mary Catherine Graham, Arliss Ann Kleibold, Dorothy Barron, Lynna Dell Moore, Jo Ann Montgomery, and Montie Jo Glass.

The group was accompanied by Mr. and Mrs. F. C. Gambill.

Junior Geologists Take Field Trip; Clubs Conclude '46

May 10 is the date set for the Junior-Senior banquet which will be given in the Crystal Ballroom of the Schaubauer Hotel. Following the 8 p. m. banquet, a dance will be given at the high school gym.

The decoration scheme will be kept secret. Alma Faye Cowden, junior president, said.

Students appointed to work on the decorating committee are Elizabeth Ann Cowden, Pat Corrigan, Margie Doyle, Bobby Prickett, Frederick Prickett, Bobby Rountree, Jane Hardison, and William Hoey.

Junior-Senior Banquet To Be Given May 10

During the Junior Geologist Club meeting Wednesday plans for a field trip were made and Sam Ellison gave instructions for the trip. The group left at 9 a. m. Saturday and went to the Stanolind No. 1 Kayser well, near Odessa.

Four Model Airplane Club members ran their plane motors out in the gym during the meeting Wednesday. They are: Gordon Reigle, who ran his Forster 29 motor; B. O. Holliday, who ran his Dennyrite motor; Joe Davis, who ran his Vivil 35; and Joe Mabey who ran his Arden.

At the meeting of the Stamp Club a stamp game was sponsored by Duane Fritz, president. W. L. Thompson and Jerry McDonald won with a tied score and received prizes of stamps. Members exchanged stamps and looked at each other's albums. Mrs. George Philippus served soda pop to the members.

After calling the Science Club to order, Shirley Brunson, president, discussed bread, its "role" today, and the various types of grains used in making it.

Charles Harrington described the process of obtaining petroleum and the difference between sour and sweet crude oil.

Pansy Burrus spoke on molds, their appearance and effects.

The Midland Federation of Church Women honored the senior class and their mothers at "open house" Tuesday in the Methodist Church. Chaplain Rash from the Carville institution for lepers, spoke on leprosy.

Refreshments were served in the educational building by the women of the Episcopal Auxiliary who were hostesses for the occasion.

Happy Birthday To

May 5—Wilma Faye Gidley, Julia Edith Midkiff, and Georgia Neiman.

May 6—Sylvia Adele Holman.

May 9—William Hoey, Mary Lynn Manning, and Jerry Oliff.

May 10—Arthur James Mayfield.

May 11—Lowell Stewart.

20 Diversified Occupation Students Work In Various Midland Businesses

The Diversified Occupations class meets in the mornings out in the gym, but its 20 students will be found in various business establishments in the afternoons.

The students study their jobs in class, and they analyze their work while on the job at various Midland concerns.

Of all the occupations, that of salesman is the most popular. This gives the students the opportunity of meeting all kinds of people. They come in contact with the richest and poorest, the most polite and impolite. The sales person must smile and keep his patience, as Jerre Howard of Wilson's will tell you.

Juinita Jones sells shoes at United, Inc.; Buford Roby sells men's clothing at S and Q Clothiers; and Ronnie Holliday of Penney's works mostly in women's clothing and she also makes window displays. Then there's Elsie Baker, who works at City Drug. Elsie sells cosmetics and various other articles, and mixes the best cokes ever. And last but certainly not least among the sales folk is Peggy Lands at Harris-Lackett's. She works mainly in the office, checking and making out reports.

Other Student Workers

Fred Lay and Robert Peyton are employed at Galbraith's Furniture. They mend furniture, make deliveries, and do many other jobs.

Several students are employed by oil companies. Francis Siskey is a sample boy for University Lands. LaVerne Barrington plots logs for the same company. Rose Mary Drummond is a typist for the Paleontological Laboratory where Hudson Moncrief runs samples. Hudson's work is done in the laboratory where he examines fossils under a microscope. Jane Patteson, does secretarial work for Nolan and McClure.

Raymond Clark, a radio engineer, is employed at KCRS. Claude Ramsey does sheet metal and tin work for Neil Sheet Metal Company. Sam Timmons does mechanic work for Murray-Young Motors. Wayne Roberts is employed by Southwestern Bell Telephone Company, where he is a repairman.

Exam Schedule For Seniors Announced

The schedule for senior exams to be held Thursday, May 16, was announced last week by Principal Harlan Howell.

The schedule follows: 8:57-9:57—English 41, 42. 9:57-10:57—Chemistry, foods, and home making. 10:57-11:57—Trigonometry, algebra, plane geometry, and commercial arithmetic. 12:58-1:57—Shorthand and Spanish. 1:57-2:56—Typing, civics, and history. 2:56-3:55—Speech, economics, and journalism.

Calendar Of Coming Events

Tuesday—Paid assembly at 11:15 by the Junior Class. Final day for spring football training.

Thursday—Assembly at 11:15 by the A Cappella Choir.

Friday—Junior-Senior Banquet in the Crystal Ballroom at 8 p. m.

Commercial Classes Study Two Movies

The commercial department saw two movies Tuesday.

One was on the "Important Elements of Salesmanship" and the other one was "The Eight Parts of a Business Letter."

J. R. Cuffman, agricultural teacher, operated the projector for the movies.

Junior Class Gives All-School Party

The Junior Class gave a tacky party and dance in the gym Friday night. It was the Junior's annual all-school party and an admission fee of 15c was charged to help raise the money for the coming Junior-Senior banquet.

Students in charge of the party were Jack Howell, Dean Cox, and Bill Davis.

Miss Josephine Weaver, supervisor, was in charge of refreshments. Alton Lowe supervised the games. Mrs. Bill Edwards presided at the guest book and Miss Sudie Muirhead was in charge of the music.

To Mother with Love

May 12th is Mother's Day—one day on which you can express your love and devotion in some small way how much she means to you every day throughout the year.

Mother's Hat by DE LEON

Beautiful, pert, saucy and alluring hats—the type Mom would love to wear.

248 to 500

Mother's Blouse

Lovely blouses in white and colors. Sizes 32 to 38. She'd like these.

198 to 595

Mother's Bag

Of beautiful plastic and plastic leather. A pretty bag for a Pretty Mother.

298 to 471 plus tax

SLIPS

In satins and crepes. Tea rose and black.

139 to 298

One and two-piece dresses in sizes from 9 to 44. Beautiful styles by famous designers. Make Mom happy with a new dress.

1090 to 1995

Eight Midland Seniors Attend H-SU Program

ABILENE—Eight seniors from Midland High School were among the nearly 2,000 guests entertained at Hardin-Simmons University, Abilene, marking the revival of annual Senior Day.

The local delegation included Jean Hoster, Mrs. Albert Clements, Mrs. Gambill, Ruth Hall, Nadine Clements, Virginia Dunagan, Barbara Brown, Anna Joyce Streeter.

The mastiff is the largest and most muscular dog.

Could Henry VIII Have Had Stomach Ulcer Pains?

History tells how Henry VIII would gorge himself with food and suffer afterward. Don't ignore your sufferings. Try Udgas for relief of ulcer and stomach pains, indigestion, gas pains, for heartburn, burning sensation, bloating and other conditions caused by excess acid. Get a 25c box of Udgas Tablets from your druggist. First dose must be followed by return box to us and get DOUBLE YOUR MONEY BACK. Midland Drug and Drug stores everywhere.

THE BULLDOG

Bulldog Staff Makes Colorful Picture

If you ain't got nuttin' on de ball or are too big to sneak out of your fifth period class and prowl around the building, we'll let you in on a secret—a picture of the Journalism class on Friday when they are trying to "put the paper to bed" on time.

In one corner a couple' hyenas feebly giggle over their own wit which will be published Sunday under the "John Doe" of Small Talk. Muttering mild curses into their beards are one or two headline writers who just can't get the headlines to count out right and our dignified sponsor grins her teeth and bears the humming which just naturally hums about the room. Of course NO ONE is talking! The rest of the staff lounges on top of the desks with that dreamy look in their eyes just waiting for heaven to inspire them with humor for a feature or an idea for a story. Amusing picture isn't it. Ho hum—it's all to do again next Friday. Stick around and we'll be amusing next week too.

Girls P. E. Classes To Hold Contests

The girls physical education department is making preparation for an inter-class badminton and table tennis tournament this week. A large number of girls have entered the contests.

Students entering badminton doubles are allowed to choose their partners. The classes spent last week brushing up on their strokes in preparation for the contest.

Personals

Anna Joyce Streeter spent last weekend at Hardin-Simmons in Abilene.

Donald Droppelman spent last weekend in Odessa.

Puddin Sivalis, Doris Denton, Billy Jean Jones, Dunny Goode, Wilbur Yeager, Bob Cole, Miss Verna Harris, Mrs. Grace Hine, Jack Mashburn, and Coach Barnes Milam spent Wednesday through Saturday at the State Interscholastic League Meet in Austin.

Mildred Brison spent part of last week in Rankin.

Mrs. Robert LeBlond substituted for Miss Verna Harris in the Speech Department last week.

Earlene Selby and Betty Beard had guests from Sweetwater last weekend.

Joan Lee has guests from Monahans this weekend.

Miss Helen Craig and Miss Eloise Odam spent Saturday at a meeting of Home Economics teachers of District 3 in Monahans.

Arless Ann Klebold and Alice Marie Dorman spent last weekend in Monahans.

Mr. and Mrs. F. C. Gambill are spending this weekend in Brownsville.

Joyce Brown, Virginia Keith, and Helen Harrison are spending Sunday in Big Spring.

Thelma Leftwich is out of school for an appendectomy.

Lynna Dell Moore and Bennie Koon spent last Sunday in Big Spring.

Nancy and Lois Booth are spending the weekend in Odessa.

Billie McKee and Betty Moore are spending the weekend in Seminole.

Mildred Moore is spending the weekend in Big Spring.

Rosemary Johnson and Dortha Reising are spending the weekend in Lubbock.

Distinctive 'Ranch House' Will Open Wednesday

Western Themes Retained In Up-To-Date Restaurant Here

One of the Southwest's finest restaurants, The Ranch House, will be opened to the public Wednesday.

All preparations for the opening have been completed and everything is in readiness for The Ranch House to properly serve its expected large clientele, the owners have announced. L. M. Freels, A. A. (Poosty) Jones, Thad A. Steele, and Mike Brumbelow, all well known in West Texas, are associated in the business.

The Ranch House is located about a mile and a quarter from the downtown business district on West Highway 80. The recently-completed building follows the style typified by the name.

Imported Steak Knives Obtained By New Inn

Not only will the Ranch House offer delicious steaks, but it also will provide most of the equipment which diners will need to enjoy them. The owners have been fortunate enough to obtain a large supply of imported steak knives, in addition to a good stock of decorative and serviceable silverware. These steak knives have been a rarity for the past few years.

The U. S. statute mile is 5,280 feet in length, while the U. S. nautical mile is 6,080.20 feet long.

The Midland Reporter-Telegram

FIRST WITH THE NEWS

MIDLAND, TEXAS, SUNDAY, MAY 5, 1946

SECTION FOUR

Excellent Curb Service Offered At Ranch House

Special planning has gone into the drive-in service features at the Ranch House, located on West Highway 80 about a mile and a quarter from the downtown business district.

The area around the beautiful building has been paved with asphalt and covered with a fine layer of rocks. Plenty of parking space is available for drive-in service at the east side of the building, while the area in front and to the west of the building is reserved for the cars of persons dining in the building.

Four outside service windows are provided for drive-in service. Comely and efficient "car hops" have been engaged, and will be attractively uniformed when costumes become available. Eight dozen car trays have been obtained to provide sufficient equipment to service the drive-in trade. The east porch will provide shade for persons desiring to remain in their cars while enjoying the food or drinks.

Delicious Foods Expertly Prepared Featured On Menus At Ranch House

Delicious tempting foods, expertly prepared and served in an atmosphere conducive to their full enjoyment, are expected to build for the new Ranch House a large patronage.

The service has been assured with the employment of 30 persons for the opening, with more employees to be added as conditions warrant. The expert chefs obtained by the management assure the correct

Wanted: Sponsor For Zoo's Baboon

BALTIMORE —(AP)— The sandwich men are in for some tough competition from the animal kingdom, says Felix A. Leser, new director of the Druid Hill Park Zoo, who is busy telling advertisers that there is nothing like an endowed cage of leopards for sales promotion. Overstocked on lions, Leser is determined to get a greater variety of animals. All the businessmen has to do is present the zoo with a pair of kinjous and their cage will bear a plaque inscribed with whatever superior brand he sells. A dozen swans are being ordered by one company already, Leser reports.

preparation of food, and the well designed, arranged and air-conditioned building provide the correct atmosphere.

The best grades and types of foods available have been contracted for, and diners will find their favorite dishes awaiting them when the Ranch House opens.

Prices are surprisingly low and quality and quantity are pleasing, too. Special children's plates are available at reduced prices. Some of the many appetizing foods offered on the Ranch House menu:

Kansas City beef and Omaha corned beef, cooked to the tastes of the individual diner.

Mexican foods of all kinds, expertly prepared by chefs with many years of experience. These include Cabrita (baked kid goat), and bite-size nachos, in addition to the many other well known Mexican dishes.

Southern style fried chicken, temptingly browned. Barbecued treats, such as beef ribs and pork, as well as delicious barbecued chicken.

Baltimore oysters in season, and other seafoods.

Taste-satisfying spaghetti. Steaks, cooked to the individual order of the patron.

Cold cuts. A large number of appetizers. About 30 different types of sandwiches.

French fried onions. A large variety of salads, including special Wop salad, Mexican slaw, guacamole, and grapefruit salad.

The Ranch House will bake its own pastries and will have hot rolls all day long.

Dan McCoy, widely known diner club chef, has charge of the Ranch House kitchen.

Ranch House Has Its Brand—"JFS"

Everything western has a brand. The Ranch House in Midland has too.

Its brand is "JFS" (connected). And like most brands do, it stands for something. It is "JFS" for owners and operators, A. A. (Poosty) Jones, Merle Freels, and Thad Steele.

Many Firms Aided In Preparing Building And Operating Needs

Firms and individuals contributing to the erection and operation of the new Ranch House on West Highway 80 include:

El Paso Hotel Supply, Chambers Lumber Company, Banner Creamery, Borden's Midland Plumbing Company, Harkrider Insurance, Dunagan Sales Company, Golden Light Coffee Company of Lubbock, A & L Housing and Lumber Company, Clements Jones Hardware Company of Stanton, Roy McKee Insurance, and Harry L. Hussman, Jr., Inc. of El Paso, food handling equipment.

J. J. Black of Midland was architect on the new building.

CAN'T FIND HOME, ERECTS TENT; NEIGHBORS FUSS

KANSAS CITY —(AP)— Bus Driver Denton B. Burch's housing problems are at a new high—possible eviction from a tent.

When Burch couldn't find a house for his family of ten, he got a city permit to pitch a tent for a home.

Now 16 of his neighbors have petitioned the city council to make him take it down.

Photo Murals Decorate Walls Of Ranch House

Scenes of the West decorate the beautiful new Ranch House on West Highway 80.

In the distinctive dining room, a large photo mural covers three walls. It will be illuminated by indirect lighting, which also provides part of the illumination for the room.

Pictured will be a cattle scene, a photo of a chuck wagon, a watering hole, a cowboy on a horse, cattle passing through a canyon entrance, and a mountain scene.

Other Western pictures decorate the walls, and deer heads and other mementoes of the West add to the theme.

This Little Church Is Not Around The Corner

DIAMOND —(AP)— The little United Brethren in Christ Church in this Northwestern Pennsylvania town is not often the setting for a wedding.

When Florence A. Main and Charles M. Fieley were married there recently, it was the first wedding in the church in 63 years.

A guest at the ceremony was 86-year-old Mrs. T. D. Thompson, who was the bride in the last previous wedding in 1883.

Western Color Scheme Followed In Tableware

Beautiful "Desert Ware" pottery in deep brown and cream will continue the Western color scheme used throughout the Ranch House.

Linen is red and white, and blue and white. Distinctive colors also are used in the table accessories.

Banner CREAMERY

Steele Has Taken Active Interest In Sport Events

Thad A. Steele, one of the partners in the Ranch House, like the other members, has taken an active part in sports and business affairs in the Southwest.

He enrolled in the College of Mines at El Paso in 1928 and was graduated in 1932 after working his way to pay for the costs of schooling. He played football in which he was a standout at center, basketball; and baseball, playing third base on the college team. He was the only person in the history of the school to be voted best all-around athlete two years in succession.

Following his graduation, he coached at Ysleta for two years and at Austin High School, El Paso, for one year. He then was on the coaching staff at Lufkin with Mike Brumbelow, who also is associated with the Ranch House, for one year.

Steele then resigned from coaching to accept a position as salesman with the Southwestern Portland Cement Company, with offices in El Paso and in Los Angeles. In 1936, he was transferred to Midland, where he purchased a home. L. M. Freels and A. A. (Poosty) Jones, other partners in the new Ranch House, later made their homes with him for a time. Served in Navy

Steele officiated in football games in many West Texas towns. He is a member of the Southwest Conference Football Officials' Association.

In March, 1942, he was commissioned a lieutenant (junior grade) in the Navy and was assigned as an athletic officer in the Naval aviation physical training program. He was indoctrinated at the U. S. Naval Academy at Annapolis, Md., and served at the Athens (Ga.) and the St. Mary (Calif.) Pre-Flight schools. He served for 18 months at Pearl Harbor. He went on the inactive ranks Nov. 5, 1945.

Steele is a member of the Masonic Lodge, the Midland Lions Club and the Country Club.

He was transferred in March to El Paso, where he was appointed assistant sales manager of the Southwestern Portland Cement Company.

Two Associates In Ranch House Once Were Rival Coaches

Two of the men associated in the new Ranch House here at one time were rivals, but their paths entwined and have stayed that way.

Mike Brumbelow and Thad A. Steele at one time coached opposing teams, but later were on the same staff at Lufkin. They joined the Navy the same day, were indoctrinated together, served in Georgia and at Pearl Harbor together, and spent their leave periods together.

Now both are together again in the new business here.

HATCHERY OUTPUT UP

March figures on the output of Texas commercial hatcheries, released last week by the Bureau of Agricultural Economics, Austin, show an increase of seven per cent over those for the corresponding month one year ago.

This Is Steele

Thad A. Steele, now of El Paso but formerly of Midland, one of the partners in the Ranch House, will remain at his job as assistant sales manager of a cement firm, but will be in Midland regularly to assist with the operation of the new restaurant.

Ranch Theme Followed Throughout New Cafe

The ranch theme is carried throughout the new Ranch House, even to the overhead rafters and light fixtures. Lantern-type electric lights have been provided, and rafters are left uncovered. A wagon wheel and other symbols of the West are spotted around the dining room.

Entrances to the ladies' powder room and the men's lounge also continue the theme. The entrance to the powder room resembles an

Kitchen Of New Ranch House Boasts Most Modern Equipment Available

The kitchen at the new Ranch House would thrill the average housewife, but it seems sure to throw chefs into spasms of delight.

In the roomy, well-ventilated and well-lighted 20-by-40-foot kitchen will be found one of the most complete arrays of cooking equipment, utensils and fixtures anywhere, all as modern as conditions permit. There is plenty of space for the large number of workers, yet the whole kitchen is compactly arranged to save time and effort.

The large open burner range has a griddle top, a fry top and a salamander broiler. There are two baking and roasting ovens, a twin basket deep fryer, two types of steam tables. A 15-quart mixer adds to the efficiency of the kitchen, as does a sanitary food chopper and grinder, and a meat slicer. Plenty of work tables and storage bins are available. The work tables all are maple-topped, and measure 120 by 30, 60 by 30, 48 by 30 and 72 by 30 feet. Plenty of shelves and racks for storing cooking utensils and accessories have been provided. A 90 cubic feet reach-in refrig-

BEVERAGES ARE COLD

Beverages sold at the Ranch House are sure to be cold, because they will be kept in one of five large beverage coolers. In addition, the Ranch House has a large freezing unit and a small freezing compartment.

old-time prairie schooner, complete with canvas cover. The men's lounge entrance has the appearance of a small bunkhouse with sloping roof of handcut shingles.

erator insures plenty of cooling space for foods, and in addition, there is a 4 by 6-foot cold salad box.

The delicious barbecued foods to be offered will be cooked in a new barbecue oven, and all pastries and breads will be baked in the 4-section bake oven.

Coffee will be prepared in twin three-gallon pyrex-lined urns in a coffee station of stainless steel canopy and back hood. The water and juice station is six feet in length and also is of stainless steel.

A four-drawer Toastmaster roll warmer has been provided to assure plenty of hot rolls for diners, and a large Toastmaster toaster of postwar style will assure hot toast within a few minutes.

Pots and pans galore have been purchased, along with the many other utensils and accessories needed in a modern and efficient kitchen.

The Ranch House kitchen is air-conditioned to provide for better preparation and preservation of food and for better working conditions for the chefs and other help. Fumes and heat will be drawn off by large ventilators.

The entire kitchen is arranged for convenience and speed of preparing the food, and for cleanliness.

Governor Scores New Redistricting Issue

AUSTIN—(P)—The subject of legislative redistricting ought not to become a political issue as between candidates in the forthcoming election, Gov. Coke Stevenson said here.

In selecting a candidate, the voters should try to judge his character, the governor declared, and if the man is right more often than wrong, then he is a good public official.

Stevenson asserted that he could see no reason for having different bases for determining the number of House and Senate members. Present regulations provide that no county may have more than one senator. Members of the Senate are allocated according to voting population; members of the House on the number of inhabitants.

The governor stated that he had received recently perhaps a dozen letters favoring a special session of the legislature to consider redistricting. Two of the letters were from the South Texas and West Texas Chambers of Commerce.

Meanwhile, county bar associations in Hidalgo, Cameron and Nueces counties studied a proposal to force a court test on redistricting.

LaGuardia Asks For More Food For UNRRA

(NEA Telephoto)

Stickney, Minnesota state production and marketing administrator, left, assist Fiorello LaGuardia, as the UNRRA director tacks a sign on a train of 25 cars of wheat, destined for the UNRRA to feed the starving people of Europe. The wheat was brought into this small hamlet of Climax, Minn., in answer to LaGuardia's plea for wheat.

Texas Pension Rolls Climb To 182,035

AUSTIN—(P)—Texas pension rolls are going up and the amount of assistance to individual pensioners is going down, the Department of Public Welfare reports.

The department announced that 182,035 persons are eligible to receive checks for May as compared with 179,756 in April. Each check for May will be \$1 less than the authorized grant, and as the rolls increase, the average payment will continue to decline. Average payment for May is \$24.31 as compared with \$24.61 in April.

Aid to needy blind rolls increased 69 to 4,865. Average payment for May will be \$26.48 as compared with \$26.20 in April.

Aid to dependent children payments increased to 8,950, representing 21,986 children. Due to insufficient funds, each payment on behalf of dependent children will be for 22 per cent less than the authorized grant. Average payment per family will be \$26.68 compared with \$27.98 in April.

Tips On Use Of DDT In Ridding Home Of Flies Are Given By County Agent

Now that flies are beginning to buzz through rooms and congregate at screens trying to get into houses, the county agent's office offers some hints on how to rid premises of the pests through the use of DDT.

Sprays containing DDT are unique in that they continue for several months to kill most of the insects which crawl over surfaces to which DDT has been applied. They do not repel insects. Immediate results of spraying may be disappointing, because DDT kills slowly.

When applying DDT sprays to buildings, they should be directed on the favorite resting places of

flies, such as portions of ceilings, the walls near doors and windows, cross beams, light cords, and the areas near food supplies but not on the food. Flies frequently are seen resting outside buildings, on crete walls and walks in the warm sun. These areas may be sprayed with DDT to good advantage, although the killing residue will not last as long outdoors in strong sunlight as it does indoors in the shade.

Screens can best be treated by using a rag or sponge saturated with a 5 per cent DDT-oil solution. Screens so treated will not repel flies, but the flies will eventually die.

DDT Is Poisonous

Any type of sprayer in common use can be adapted for applying DDT residual sprays. Large droplets applied at a distance of about three feet are best. A nozzle opening about the size of a number 60 standard wire gauge and a pressure of about 40 pounds per square inch give the most desirable spray for walls and ceilings. If smaller nozzle openings are used, the spray should be held near the surface to be treated and the operator should wear a mask because of the fine mist spray.

DDT with pyrethrum in aerosols is very effective in reducing fly and mosquito populations in closed rooms.

DDT should always be used with reasonable caution, because it is a poison, County Agent Vernon Young warns. Equipment and utensils used in preparing, serving, or storing food should be protected against contact with the chemical in any form.

Tricking Tulips To Bloom Next Winter

JOHANNESBURG —(P)—Tulips that flowered in Holland this spring will bloom again in South African gardens next November. During the war, Dutch scientists succeeded in overcoming the difficulty of the reversed seasons in the north and south hemispheres. Bulbs selected for the southern hemisphere have their development slowed down in alternate hot and cold chambers until their whole flowering cycle is inverted.

The first iron furnace in the United States was built in Virginia in 1619.

Seven Calves Picked For 4-H Club Feeders

County Agent Vernon Young has helped select seven calves for 4-H Club boys' projects for this year, and plans to aid other members in choosing their calves in the near future. About 15 others will be named.

Two calves have been selected from the A. B. Bohannon herd to be fed by Norman Drake, winner of this year's show. Another Bohannon calf and a Sherwood Foster calf have been chosen for Jimmy O'Neal. Two others have been picked from the George Glass herd, and another from the Sherwood Foster herd, but feeders have not yet been named for them.

Drake has both his calves on feed now, and O'Neal has his Bohannon calf on feed.

Effectiveness Of DDT On Recently-Sheared Sheep Being Checked

Use of DDT spray on sheep just sheared is being tried out by J. Floyd, southeast Midland County rancher, and results of the test will be known in about two weeks. This is the first reported test on newly sheared sheep in the county.

Floyd also reported he has treated some cattle plagued by screw-worms, and has found the DDT very effective. He has found no indications of reinfection after the treatments. This also is the first reported test of the use of DDT for killing screw-worms, although similar experiments have been made in other regions with satisfactory results. A DDT spray has been found very efficient in ridding animals of horn flies, which lay the screw-worm eggs.

Many species of sharks do not attack human beings.

Country Club To Open Pool May 22

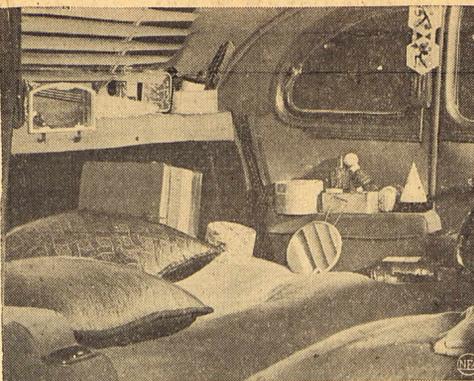

Cleaning of the swimming pool at the Midland Country Club will be started soon, and upon its completion the pool will be painted with a rubberized cement paint in preparation for the opening on May 22.

Installation of a chlorinating system has been planned, but equipment has not been obtainable. Powdered H2H bluestone will be used until the system can be obtained, it was reported. Bill Lane is in charge of arrangements for preparing the pool for operation.

Plans also call for the addition of a new high board to supplement the 15-foot board now installed at the pool.

The main swimming pool will be thoroughly scrubbed once each week, and the children's pool will be scrubbed daily. Fresh water courses through each at all times. Wells at the country club supply water.

Mobile 'Boudoir' Puzzles Police

King County, Wash., authorities are holding 25-year-old Lloyd Maupin while they puzzle out what charges if any will be placed against him after his arrest at the wheel of the traveling bedroom pictured above. Rear of youth's sedan was equipped with double bed, linen, blankets, dressing table, toilet articles and other "comforts." Front of car held bar equipment. The car was flagged down after 70-mile-an-hour chase.

July's Capricious Weather Makes Test Multi-Million Gamble

KWAJALEIN, MARSHALL ISLANDS — (AP) — July's capricious weather makes the forthcoming atomic bomb tests a multi-million dollar gamble. It could even cancel out all the months of preparation by the joint Army-Navy task force, officers acknowledge.

For weather observers are gambling on finding "one perfect day" in the first 20 days of the month, when all conditions would be favorable for observation, photography and scientific study of the explosion.

Postponement of the tests from May to July means they will be held during the first of the Central Pacific's summer storms, and the meteorological experts are worried.

On the basis of past meteorological records, they figure these odds against good weather for the tests:

There is only one chance in 20 that ideal weather will prevail for 24 hours during the first 20 days of July.

Two conditions must prevail to obtain the "perfect day" for dropping the bomb and securing satisfactory results in scientific observation:

First, winds up to 60,000 feet must be blowing in an easterly direction, and second, there must be good visibility, with only one thin layer of cumulus clouds.

● A brand new telephone operator... that's me. Just started today.

Like it? Yes, indeed...especially one thing...everybody is so friendly. I felt at home right away. It's a nice clean place to work, too; pleasant surroundings, and the switchboard is really fascinating. I'm going to enjoy working for the telephone company.

And here's a tip, if you're looking for a job. More operators are needed right now. Experience isn't necessary because you learn as you go along.

The chief operator at the telephone office will be glad to tell you all about it. Why not see her?

Southwestern Bell Telephone Co.

Midland Teacher Transcribing Oil Phraseology Into Shorthand For Publication In Gregg Book

By IRENE HUMPHREY

Mrs. Wendell Hine, who teaches commercial subjects in Midland High School, is compiling a list of oil terms and phrases to be transcribed into Gregg shorthand which the Gregg Publishing Company will publish as soon as Dr. Gregg has revised his manual, upon which all Gregg shorthand books are based.

The manual will be revised in late 1946 or early 1947. It is believed the book of terms which Mrs. Hine is compiling will be available to stenographers in the petroleum industry in the latter part of 1947.

The book will be an alphabetized list of terms and phrases most frequently used in all phases of the industry, including those applied to geology, petroleum engineering, operations, land, exploration, pipeline, and refinery.

About 5,000 Terms

There will be about 5,000 terms and phrases with some repetition because some words will be repeated in the phrases. Shorthand forms will be devised for words such as "Ordovician" and "dolomite." Phrases will be written for such terms as "bottom-hole pressure" and "drillstem test."

Mrs. Hine first got the idea when she began teaching night classes in shorthand. Upon requests from her students for these terms, she inquired of the Gregg Publishing Company as to the availability of such a book and was informed there

MRS. WENDELL HINE

was none. She compiled a list for her own use while working as stenographer for the Standard Oil Company of Texas during the summer and the book has grown from that list.

A number of her students now employed in oil offices in Midland are using these shorthand forms.

Oil men of Midland, foreseeing the value of this book to stenographers in the petroleum industry, are cooperating with the young teacher in this project.

NOTICE

Having bought the Cactus Cafe, we wish to announce our plans for a greater service to you.

BEGINNING MONDAY, MAY 6, THE PLACE WILL BE CLOSED ABOUT 60 DAYS FOR COMPLETE REMODELING AND INSTALLATION OF NEW FIXTURES AND EQUIPMENT AND THEN REOPENED AS

Seven HD Agents Have Served Since Inception Of Club Work Here In 1928

Home demonstration work in Midland County had its inception in 1928 when Mrs. D. A. Ray, Mrs. J. B. Bartlett, Mrs. J. E. Wallace and Mrs. Pat Barber circulated a petition to obtain the services of an agent. More than 250 signatures were obtained, and the petition was presented to the commissioners court, presided over by County Judge J. E. Hill. The court hired Miss Genevieve Derryberry as the county's first home demonstration agent.

Since that time, six other agents have served the county.

Miss Derryberry was county agent until 1930. She started the County H. D. Council scholarship fund to aid 4-H Club girls to continue their education. The fund allowed each \$30 at first, later was raised to \$75, and now is about \$135. The agent also sponsored the first county fair, was active in getting members to make braided rugs. During her 50 months were organized.

Without Agent Two Years

The county was without an agent from 1930 until 1932, when Miss Myrtle Miller was employed on a part-time basis by five counties of this area. She served until 1935, and was active in promoting a program

Mrs. Manning Heads Club For Second Year

Mrs. Lee O. Manning is serving her second term as president of the Warfield H. D. Club, and represents the club on the county council.

She has a garden each year and cans surplus vegetables for use of her family of five, including two daughters who are members of the 4-H Girls Club and a son who is a 4-H Club boy. In addition, she also grows berries and peaches.

Mrs. Manning milks several cows, and sells the milk to a dairy, doing the delivering herself.

for making foundation dress patterns, hooked rugs and dairy products and cheese making.

Miss Lura Hollingsworth became agent in 1935, serving until 1938. Two new clubs, Pleasant Valley and Greasewood, were organized. She sponsored work and demonstrations on candlewick bedspreads and wool projects for making wool comforters and methods of washing wool.

Miss Betty Jo Welger was agent from June 1938 to January 1939, when she married J. H. Stump and moved to Monahans. She was succeeded in 1938 by Miss Alpha Lynn, who continued as home demonstration agent until 1944. Miss Lynn worked with the county home demonstration women on cotton mat-dress projects, feather and cotton comforters, and cheese making.

Mrs. Dalton Hall became agent in May 1944, continuing her work until March 1945. She was active in stressing yeast breads and recreation projects.

Mrs. Ray Active Mrs. Nettie B. Messick, present agent, began her duties April of last year. She is developing work on marketing and dress forms, and last year aided in sponsoring the county fair.

Mrs. Ray, who was instrumental in getting home demonstration work started in the county, said she believes H. D. Club work draws a community closer together, and that her interest in the work stems from her earlier work in the cooperative plan.

"My family lived better after I learned to preserve surplus garden vegetables and I knew my friends in Midland County could live better, have better food and a variety of vegetables, if they would can as I did. As I did not have time to help all my neighbors, I wanted the county to have an H. D. agent."

Mrs. Ray brought one of the first pressure canners to the county. She now is in her 70's and still cans a large amount of food each year.

MIDLAND, TEXAS, SUNDAY, MAY 5, 1946

SECTION THREE

Home Demonstration Activities Recognized

HD Women Of Country Join In Observance

Three and a half million women throughout the United States, Alaska, Hawaii and Puerto Rico will take part in a unique "at home" celebration this week, May 5 to 12. It has been set aside as National Home Demonstration Week during which these women—and their families—will show through exhibits, tours, and meetings the progress in rural family living during 33 years of home demonstration work.

From tomato canning demonstrations in a few southern communities in 1913 this educational program for rural homes has grown, at the request of the women themselves, until it now embraces every phase of rural family life—foods and nutrition, clothing, household management, home furnishing, handicrafts and recreation as well as health and medical care, housing, financial planning, child care and parent education, community welfare and citizenship responsibilities. The program is conducted jointly by the U. S. Department of Agriculture and the 51 land-grant colleges in the 48 states, Alaska, Hawaii and Puerto Rico. Some 3,000 county home demonstration agents guide the program, assisted by half a million rural women, who are unpaid, volunteer leaders with special skills developed through extension courses in leader-training and workshops.

The theme, around which the week's celebration will center is: "Today's Home Builds Tomorrow's World." Emphasis will be placed on help from American homes for war-wrecked families abroad as well as on the achievements of rural family and community living in this country. A special feature of the week will be the reports on the "hands-across-the-sea" projects to help in famine relief. Home demonstration clubs have been contributing canned food, clothing and money to European relief. One community has adopted a nursery for babies and young children in Holland. Others have shipped boxes of food and clothing to Holland, Finland, Belgium, England, France and the Philippines.

East Side H. D. Club Organized Last Year

The East Side H. D. Club was organized last year, with Mrs. W. C. Lonsford as president. Mrs. Lonsford moved to Oklahoma and Mrs. C. A. Barton served the remainder of the year. President now is Mrs. R. L. McCormick. Charter members of the club were Mrs. G. P. Bradbury, F. D. Breedlove, C. A. Barton, B. B. Bennett, A. B. Cramer, Lonsford, J. P. McEldowney, A. D. L. Price, Stevenson, Guy White, Doyle M. Epley, McCormick, Ray F. Jones, Jack Brown, V. L. Red, M. R. Kielling, Loyd Stantee, Kenneth Webb, and George Morgan.

Garden Addition Club Reorganized Early Last Year

The Garden Addition Home Demonstration Club was reorganized March 22, 1945, in the home of Mrs. V. L. Fezell, under sponsorship of the West Side H. D. Club. Organizing members of the West Side club were Mrs. J. R. McCarter, president; Johnnie Graham, Glen Fryar, F. P. Elkins, Lee Thacker, J. D. Webb, L. H. Moncrief, C. R. Phillips, Roy Lee and W. H. Measures.

Charter members of the new club were Mrs. Roy Long, president; V. L. Fezell, Ed Kinsey, Richard McClelland, F. D. Revins, and J. P. Hinsley. Mrs. Fezell and Mrs. McClelland have since moved, but all other charter members still are active in the club. The club now has 16 members.

During the latter part of 1945 the members studied dress form making, the advantages of fruit in the diet, making of clothing accessories and bedspreads, table service, and reupholstering.

The Garden Addition club won first prize on its booth at the county fair in October, on the basis of attractiveness, originality, variety, representation, and educational value. Members also won eight first places, two second places, four thirds, and four fourth places on canned fruits and vegetables. Members served a home produced Thanksgiving dinner at a housewarming at the home of Mr. and Mrs. Ed Kinsey, with all club members and their families as guests.

Mrs. Long is county council marketing chairman; Mrs. Robert Hord is on the council yearbook committee; Mrs. A. P. Jordan is expansion chairman of the council, Mrs. Revins is on the council finance committee, Mrs. J. Z. Farker is chairman of the council exhibits com-

mittee; Mrs. A. S. Norwood is council 4-H Club sponsor, and Mrs. H. O. Allen is council education chairman and a district delegate.

WORK ON BEDROOMS Members of Midland County home demonstration clubs this month are concentrating on remodeling and redecorating their bedrooms. Special attention is being given to draperies and curtains. Home improvement was studied last month.

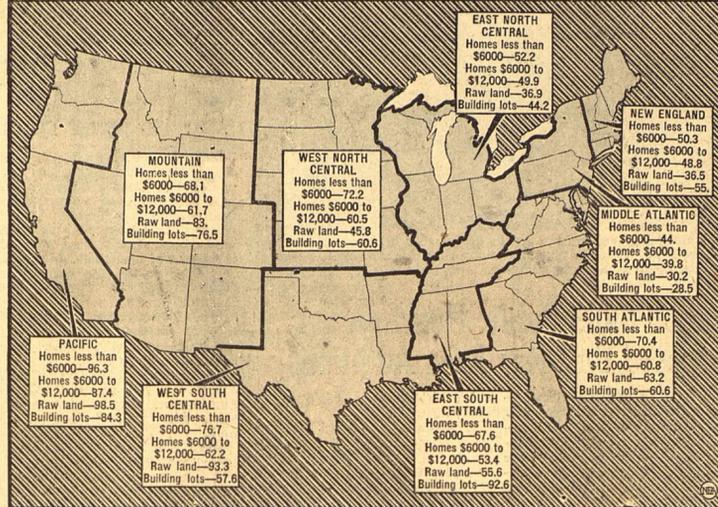

YEARBOOK PUBLISHED An attractive mimeographed yearbook, a guide to activities for the individual clubs and the council, is issued by the Midland County Home Demonstration Council. The 1946 yearbook has 40 pages and a green cover, and was issued for only \$11 for 150 copies.

How Inflation Darkens Nation's Housing—Picture

Percentage figures on map above, compiled from report by Housing Expediter Wilson W. Wyatt, show how costs of homes and land have increased since 1940. Homes that sold for \$6000 or less then are up an average of 65.1 per cent. Pacific coast states were hit hardest, with an increase of 96.3 per cent. Increases have been sharpest since V-J Day, low-cost homes having jumped 17.7 per cent in price since September.

Garden Addition Club Reorganized Early Last Year

The Garden Addition Home Demonstration Club was reorganized March 22, 1945, in the home of Mrs. V. L. Fezell, under sponsorship of the West Side H. D. Club. President Of Garden Addition Club Makes Children's Playthings

Mrs. Roy Long was elected president of the Garden Addition H. D. Club when it was organized March 22, 1945, and has been very active in all phases of club work.

She has a two and one-half year old daughter, Kay, and has become talented in designing and making toys for children. Kay has been thrilled with strong, well-made kiddie cars, horses, and unusual stuffed animals during the war when toys were difficult to obtain. Mrs. Long makes the toys at practically no cost, utilizing available materials in their construction.

With the assistance of her husband, Mrs. Long has raised some very successful gardens. Last fall they cleared more than \$50 on selling fresh tomatoes. Mrs. Long reported, in addition to having plenty for their own use. The profit was increased by \$15 through the sales of okra and beans. Mrs. Long also raised and sold 125 fryers last year.

The Longs are improving their home this year, are installing a butane system, and are putting out 20 fruit trees and some foundation shrubs.

She is an efficient seamstress, and has a dress form made by members of her club. She makes most of her own clothes and those of her daughter.

WORK ON BEDROOMS Members of Midland County home demonstration clubs this month are concentrating on remodeling and redecorating their bedrooms. Special attention is being given to draperies and curtains. Home improvement was studied last month.

YEARBOOK PUBLISHED An attractive mimeographed yearbook, a guide to activities for the individual clubs and the council, is issued by the Midland County Home Demonstration Council. The 1946 yearbook has 40 pages and a green cover, and was issued for only \$11 for 150 copies.

JUST ARRIVED Special Assortment of SPORT COAT MATERIALS Exceptionally Fine Quality

Also have a small amount of tropical and service weight materials.

Council Serves As Coordinating Body For Clubs

The Home Demonstration Council is the county organization which sets the pace for work of the individual clubs and coordinates the efforts of the various members. About 125 H. D. women are on the rolls of Midland County clubs, which meet twice monthly.

The president and two elected delegates from each club form the council, which works with the home demonstration agent in making a uniform program for all clubs during the year. The council meets once each month to carry on its work.

Only 10 women have served as chairmen of the council since the inception of home demonstration work in Midland County in 1928, but several have served two consecutive terms.

Council chairmen and the years they served include: Mrs. Ray L. Hallman, 1928; Mrs. S. H. Gwyn, 1929-30; Mrs. Mat Lockear, 1933; Mrs. Sam Wimberley, 1935-36; Mrs. S. L. Alexander, 1937-38; Mrs. Gilbert Brunson, 1939-40; Mrs. Ray Tillman, 1941; Mrs. J. E. Wallace, 1942-43; Mrs. Johnnie Graham, 1944-45, and Mrs. I. J. Howard, present chairman.

Peas Inoculated With Nitrogen Yield Better

Mrs. Roy Lee, president of the West Side H. D. Club, experimented with the use of nitrogen on peas last year and found that vines inoculated with the nitrogen produced three times as many peas as those not treated.

In addition to raising and canning vegetables, Mrs. Lee also raises chickens. She is a member of the county council yearbook committee.

Stokes Sunshine Club Organized Last September

The Stokes Community Home Demonstration Club, known as the Sunshine Club, was organized in September, 1945, with six members, Mrs. Marshall Heald, Mrs. W. M. Bramlett, Mrs. Johnnie Morgan, Mrs. E. P. Lawson, Mrs. L. C. Jones, and Mrs. J. C. Brooks. The club now has eight members.

Mrs. Morgan is president of the club. Mrs. Heald is vice president, and Mrs. Bramlett is secretary-treasurer. The club meets monthly in the homes of the members.

Mrs. Bramlett and Mrs. Brooks are council delegates and Mrs. Bramlett is a member of the council exhibit committee. Mrs. Morgan is on the council expansion committee.

Miss Helen LeBaron of Fredonia, N. Y., is a guest here of her aunt, Mrs. James N. Allison, and Mr. Allison and son, Jimmy.

Club Women To Observe H. D. Week

Midland County Home Demonstration Club women this week are observing the annual Home Demonstration Week, with special programs planned to conform with the national observance.

The clubs, which primarily are service clubs, are concentrating on collecting clothes to be sent to needy persons in the Philippine Islands, and on gathering food for shipment to starving peoples of Europe. Home demonstration agents in the Philippines have written to the clubs to ask that necessary clothing be sent.

Members are conducting individual clean-up campaigns around their homes and adjacent areas, and are following the theme of "Today's Homes Build Tomorrow's World." Improvements in the homes are being stressed.

Members of the Prairie Lee and Stokes Sunshine H. D. clubs will hold a "society working" during the week to improve the appearance of their cemetery.

The County Home Demonstration Council will meet Saturday to discuss projects for the clubs. Emphasis is being placed in the growing of gardens this year because of the need to send more food to starving countries.

Mrs. Frank Ingham left Thursday morning by plane for Las Vegas, N. M., to visit in the home of her son, Homer Ingham. She will spend the latter part of the summer with her daughter, Mrs. Herbert Carlock, in Tucuman, N. M.

Valley View Was First H. D. Club Organized Here

The Valley View Club was the first home demonstration club organized in Midland County. It was started under the guidance of Miss Genevieve Derryberry in 1928, when 12 women of the community met for an organization meeting.

Mrs. R. L. Porter was elected president and Mrs. Archie Boothe was named secretary-treasurer. Charter members were Mmes. D. A. Ray, G. C. Brunson, Nancy Tisdale, Porter, T. N. Wilson, Boothe, W. E. Hobbs, J. D. Bartlett, W. H. Hudson, T. L. Boothe, and J. A. Robertson, and Miss Ora Robertson, now Mrs. Lankford.

Of the 12 women organizing the club 18 years ago, two still are active members. They are Mrs. Bartlett and Mrs. Ray.

Membership now totals 24, with seven honorary members. Members are Mmes. J. D. Bartlett, Ray, Lois Lewis, Jim Baker, I. J. Howard, Sherwood O'Neal, Herd Midkiff, D. W. McDonald, T. O. Midkiff, C. C. Carpenter, Preston Vest, R. E. Cain, B. L. Mason, L. O. Free, W. M. Long, Lewis Smith, Harry Kiser, Jessie Friday, Mayfield, C. L. Glaspie, C. C. Cobb, Gregory, Virgil Hogue and G. E. Crawford. Honorary members are Mmes. Tiny Alexander, J. C. Franklin, Dick Midkiff, J. Wayne Campbell, Nettie Stewart, Phelan Porter and C. H. O'Neal.

Mrs. Howard is chairman of the County H. D. Council, and Mrs.

They Take Coal Strike Lying Down

Hats shielding their faces from the sun, these idle coal miners dangle fishing rods in the water while they nap on the river bank near Unifontown, Pa. They're typical of many United Mine Workers who use the coal strike as a spring vacation.

Bartlett is chairman of the council recreational committee. Mrs. Mason serves as vice-chairman of the county organization. Mrs. Vest and Mrs. Cain are delegates from the club to the council.

Pasteurizing machines were introduced in 1895.

Council Calls Public Hearings On Proposed Business Area Additions

Proposals for re-zoning two sections of the city to permit their classification as part of the business district of the city will be considered at a public hearing of the City Council Thursday. The hearings will be held in the city hall at 3:30 p. m.

The city seeks to declare areas bordering West Highway 80 and State Highway 158 from O Street to the recently-annexed city limits as part of the business district to enable it to control building and appearance of the new section of the city. It is proposed that those areas up to 200 feet on either side of the highways be defined as business zones, and that building and fire regulations be applied to them. A large number of business prop-

erties already are located in the new annexation.

Frank Smith has asked the council to re-zone a half block at South Main and Dakota streets on the southside of the city as a part of the business district. This location is near the new South Elementary School.

Plans Shopping Village Smith proposes to establish a shopping village at the site, and has expressed his belief to the council that it would be of great value and convenience to residents of the area. A number of persons living in the neighborhood of the proposed shopping center appeared before the council April 17 when Smith presented his plan, urging approval of the request. Only one protest was filed.

The plan for the shopping village includes restriction of the types of businesses to be permitted in the area. Smith said he intended to construct a grocery store, and that other businesses would include a drug store, a beauty shop, and similar services. The developers would control the types of enterprises through deeds, he said. About ten different types of business would be permitted to operate.

All citizens interested in the two proposals may attend the public hearing and express their views. Acting Mayor Fred Hogan will preside.

Mrs. Morgan Supplies Food Needs For Family

Mrs. Johnnie Morgan, president of the Stokes Sunshine H. D. Club, has made sure her family has enough food to eat.

She has canned 200 chickens, 209 containers of garden foods and five hogs, and has some meat stored in a frozen food locker.

She supplies milk for the family from four cows, cultivates a garden and grows most of the vegetables required by the family. She does most of the sewing for a family of four children.

This is her first year in home demonstration work.

Mrs. Jim Baker Has Been Active In H. D. Program Seven Years

Mrs. Jim Baker, president of the Valley View H. D. Club, has lived in Midland County 10 years and has been a home demonstration club member seven years. She is serving her second year as president of the Valley View club, although she has been a member only three years. She was enrolled with the Westside Club for four years.

Mrs. Baker raises between 300 and 400 chickens each year, helps with dairying work, and sells sweet cream and whole milk.

Before coming to Midland County she was a 4-H girl in the Panhandle, and won a trip to the State Fair in 1920 through her work.

Mrs. Baker served as county council marketing chairman in 1945, and promoted a successful marketing program. Last spring 16,400 pounds of fresh pineapple were bought through the committee by 273 Midland County families, and 10,000 pounds were purchased by Upton, Reagan and Martin County families. In addition, 125 bags of apricots and 550 bushels of peaches were bought cooperatively last year.

Mrs. Baker sells fresh eggs regularly from a flock of well cared for hens. She gardens and also sells sweet milk and cream.

Mrs. Woolard Finds Time For H. D. Work

Mrs. Dale Woolard, president of the Cotton Flat H. D. Club, helps her husband operate a small dairy, but finds time to carry on several projects and take an active part in home demonstration club work. She is on the county council finance committee this year and was council secretary last year.

Her projects include reupholstering furniture and other demonstration work. She grows and cans fruits and vegetables, and puts up a large amount of meat each year.

Nine Charter Members In Cotton Flat Club

Charter members of the Cotton Flat Home Demonstration Club are Mmes. Bess Locklar, Clara Campbell, Boyce Edison, Bill Countiss, O'Neill, Evan Holloman, Floyd Countiss, Sr. and Bud Osburn, and Miss Viola Elsie.

Mrs. Dale Woolard is president of the club. Other officers are Mrs. W. B. Franklin, vice-president, and Mrs. Floyd Countiss, secretary-treasurer. Mrs. Bill Countiss and Mrs. Floyd Countiss are delegates to the county council.

The club meets once each month in the homes of members.

Various plans for a Panama canal date from 1523.

Stone Successor?

Associate Justice Robert H. Jackson is considered the likeliest successor to the late Harlan F. Stone as Chief Justice of the United States. He has been serving as U. S. prosecutor of war criminals in Germany.

Mrs. McCormick Finds Plenty Of Work To Do

Mrs. R. L. McCormick, president of the East Side H. D. Club, has a three-year-old daughter for whom she makes clothes, a new house which she has furnished and for which she has made all the draperies, bedspreads and slip covers, and a garden from which she cans vegetables and fruits. She also has prepared and stored a quantity of vegetables, fruit and meats in the frozen food locker.

Both Rural And City Women Are Members Of West Side Club

The West Side Home Demonstration Club is composed of both rural and city members, and has 17 women on its rolls.

Mrs. Roy Lee is president, Mrs. Herbert King is vice-president and Mrs. L. H. Moncrief is secretary-treasurer.

Council delegates are Mrs. L. H. Manning and Mrs. L. J. Raines. Mrs. O. R. Phillips is council secretary-treasurer. The club last year won second place for its booth at the county fair.

Members are Mmes. Roy Lee, Raymond McCarter, Moncrief, Phillips, J. R. Webb, S. L. Alexander, Lucius Bryant, A. B. Clements, J. L. Hundle, Herbert King, F. P. Elkin, L. C. Mills, E. H. Seobey, E. E. Reigle, Raines, and George Jones.

Tuberculin testing of dairy herds was introduced in 1890.

Prairie Lee H. D. Club President Is Active

Mrs. J. E. Wallace, president of the Prairie Lee H. D. Club, has been in home demonstration work for 26 years, and has held every elective office in her club. She also has served as county council chairman, and now is chairman of the council yearbook committee.

She has canned with a pressure cooker for 23 years, and puts up surplus garden vegetables and fruits for family use. Last year she canned four kinds of vegetables and five kinds of fruit, and grew 16 varieties of vegetables in her garden.

She keeps just enough Rhode Island Red hens to supply the family with eggs and have a few to sell. She keeps a supply of fryers for family use. She makes surplus milk into cottage and processed cheese. She has reupholstered much of her furniture.

Mrs. Wallace was born and has lived on a farm most of her life. She has two sons and two daughters, all of whom are married.

Keep A Weedless Lawn BY USING

Weed-No-More

MAGIC WEED KILLER

It's New! It's Different!

WEED-NO-MORE! An amazingly powerful, new weed killer now makes it possible for you to have that beautiful weed-free lawn you've always wanted!

WEED-NO-MORE will rid your lawn of ugly weeds. No more back-breaking digging for you!

You see, it's not like ordinary weed killers. It's based on an entirely new principle and contains an ester of 2,4-Dichlorophenoxyacetic acid. When you spray it on your weeds, the effects of this powerful weed killer start to show up within 24 hours! Within a week, dead areas appear on the weed — and before long the weed has completely shriveled and rotted away!

WEED-NO-MORE is death to big leafy weeds, yet when used as directed it won't injure soil — won't stain hands or clothing!

WEED-NO-MORE is economical, too. The 8-ounce size treats 1600 square feet — enough for the average lawn, only \$1.00!

Use it according to directions and have what you've always wanted — a lustrous weed-free lawn, the envy of your neighborhood.

Kills most big, leafy weeds that mar your lawn's beauty. Has no unpleasant odor.

Will not injure the soil.

One 8-ounce package treats the average lawn.

Will not stain hands or clothing.

Under normal conditions, one treatment will destroy weeds present in your lawn.

Dilutes with ease. Economical to use.

Edson Named Best Washington Correspondent

(NEA Telephoto)
Peter Edson, chief of the NEA Service Washington Bureau, was named the outstanding Washington correspondent of 1945 by the Sigma Delta Chi, professional journalism fraternity.

Council Leader Active In Club Work 28 Years

Mrs. I. J. Howard, chairman of the County Home Demonstration Council, has been active in club work about 28 years. She was a 4-H Club girl in Garza County in 1918, and won a trip to the Dallas Fair in 1920.

She was president of a club in Martin County from 1934 until 1936, and has been a member of the Valley View Club since 1942. She was president of the club in 1943-44.

In addition to doing housework for a family of eight, she finds time to care for a flock of about 200 chickens, raising from 200 to 300 each year. She raises food plants in a large frame garden.

She grows most of the vegetables needed by the family, and cans much of the surplus. She puts many pints of vegetables and fruits in a frozen-food locker, as well as a large amount of meat and chickens. She sells sweet cream and eggs.

The Howards have resodded their lawn and have installed windbreaks to keep the farm lands from blowing into the yards.

Mrs. Howard, who served two years as vice-chairman of the council, has held every elective office in the Valley View club.

The Howard's children also are active in club work, with two each being members of the boys 4-H Club and the girls 4-H Club. A son, Royce, is in the Army.

You'll Need \$50,000 To Open Bid On Tract 34 In Crane County

AUSTIN—(AP)—If you want to even start bidding on Tract 34, Crane County, in the auction sale of oil and gas rights to University of Texas lands here June 7, bring \$50,000 with you.

The board for lease of university land announced it would accept no bonus of less than that amount—a record minimum—on the potentially productive tract of 1,600 acres adjacent to good production in what is known as the block 51 oil field in Crane County.

Oil and gas leases on this and other West Texas tracts will be sold to the highest bidder at a public auction.

Meanwhile, the School Land Board announced it would accept sealed bids to 10 a. m. June 4 for oil and gas leases on 131,151 acres of public school land. This is mostly tidewater and riverbed acreage.

It includes: A total of 43,239 acres in 69 tracts located in Galveston Bay, Turtle Bay, and Osa Creek; 82,149 acres in Matagorda Bay, divided into 140 tracts.

Five tracts totaling 825 acres in Swan Lake in Jackson County; one tract of 90 acres in the Brazos River bed in Fort Bend County; two tracts totaling 150 acres in the Brazos River bed in Milam and Robertson Counties; one tract of 54 acres in the bed of the San Antonio River in Goliad County; three tracts totaling 340 acres in the bed of the Lavaca River in Jackson County.

County Agent To Spray Cattle With DDT Monday

County Agent Vernon Young will spray cattle on the Murry Fasken ranch with DDT Monday. He recently sprayed several head on the Fasken place, and the DDT was reported to have been very effective in killing horn flies and lice.

JOHNSON IS VISITOR

Miers C. Johnson, Carlsbad, N. M., president of the Midland Hardware and Furniture Company, was a business visitor here Wednesday and Thursday.

One hundred tons of pulpwood yield less than 30 tons of pulp.

Mrs. Howard Has Good Luck With Baby Chicks

Mrs. I. J. Howard, chairman of the County Home Demonstration Council, has set a unusual mark in raising baby chicks this year.

She ordered 300 chicks and was sent 304. They now are five and a half weeks old, and she has lost only five.

Warfield Club Formed With Twelve Members

The Warfield Home Demonstration Club was organized in April, 1944, with 12 members. Mrs. M. G. McConal was named president, but she has since moved to Midland.

Charter members of the club are Mmes. Lee O. Manning, D. E. Skelton, S. H. Foster, K. E. Newell, W. M. Stewart, D. L. Bradshaw, A. F. Gossett, Charles Hall, McConal, C. A. Travelstead, and G. E. Free, and Miss Mabel Bradshaw.

An old Scottish custom called for the bride to be hit over the head with a currant bun by the groom's mother.

A Few Locations In Grafaland Are Acceptable For

G. I. HOMES

In The Higher Bracket

We have a few locations in Grafaland on which building restrictions will permit construction of G. I. homes in the higher bracket for those former G. I.'s who wish to enjoy the conveniences and protection offered in this addition.

Because of the limited number available for this purpose we suggest early selection

Chained to Job

Peter Baker, punch press operator at SKF Industries, Philadelphia, Pa., is literally chained to his job—and likes it! It's a safety measure which has reduced plant accidents 22 per cent. Shackling device synchronizes movement of the hands with motion of the press. When press descends, cords attached to leather wristbands pull hands out of harm's way if operator doesn't do it quickly enough.

In Hollywood

By BOB THOMAS
HOLLYWOOD—(AP)—The transportation boys of the music world now offer their solution to the automobile shortage—"The Stanley Steamer."
The steamer is featured as a song in MGM's new musical version of "Ah, Wilderness," and its authors are eminently qualified to foster such a subject. The music man, portly Harry Warren, also composed "Shuffle Off to Buffalo," "Chattanooga Choo Choo" and "Atchison, Topeka and Santa Fe." The words man, bouncy Ralph Blane, penned "The Trolley Song" and the forthcoming "Love On a Greyhound Bus." It is a nifty tune and should head the hit parade. They extolled the merits of the steamer like a couple of used car salesmen.
"Why, you couldn't keep steam on for four minutes or you'd hit 120 miles per hour," said Warren.
"And economical—all you need is a little gasoline and some steam," said Blane.

If at first you don't succeed, keep on trying. That apparently is the philosophy of Rita Hayworth for she says she will get married again.
Doris Welles was husband No. 2.
"Certainly I'm going to marry again," she told me on the "Down to Earth" set. Here is a scoop, I thought. Who is the lucky man?
"I don't know," she said blankly.

Here are some impressions of an interviewer: most queasily: Joan Crawford . . . most difficult: Bing Crosby . . . most vivacious: June Allyson . . . best story teller: Pauline Goddard . . . shyest: Barry Fitzgerald and Gary Cooper . . . most intelligent: Ronald Reagan . . . handsomest: Ty Power . . . most attentive: J. Carroll Naish . . . most careful: Ingrid Bergman . . . saddest: Keenan Wynn . . . most charming: Claudette Colbert . . . most helpful: Cary Grant . . . most promising: Mark Stevens . . . most talented: Danny Kaye . . . most entertaining: Kay Kyser . . . best person: Joe E. Brown . . . There is—I said it and I'm glad.

How To Save Food For Starving Millions

WASHINGTON—(AP)—There is a starving family on your doorstep. Will you turn them away?
They are the hungry millions of Europe, China, India. Their food just come from every American home, as surely as if they knocked at the door and asked.
You want to feed them but don't know how? The Bureau of Home Economics of the Agriculture Department says these are some of the ways:
Hungry families in Europe need bread. Starving thousands in China need rice. Americans who eat potatoes can give them both.
Use mashed potatoes instead of meat under creamed meat, chicken, fish. Try poached eggs baked in nests of mashed potato.
Ask for potato salad instead of a sandwich.
Stuff meat or poultry with potatoes instead of bread. Try mashed potatoes instead of pastry atop pie and other baked dishes.
At breakfast, serve potatoes occasionally instead of wheat cereal breads. One small serving of potato is equal in food value to a slice of bread.
Use those leftovers. Mashed potatoes make potato cakes, boiled potatoes can be turned into hash-brown or creamed potatoes.
In making pancakes, replace a large part of the flour with fresh, mashed potato. Let mashed potatoes do duty for some of the flour in making hot potato scones and biscuits.
Use potatoes in place of rice, whenever possible.
Don't throw rice at weddings. You may be tossing away a starving child's dinner.
It is a good idea to send the children's stuffed toys to the dryer occasionally. During play they pick up quantities of dirt and dust which may not be noticeable.

Gam Gal, 1946

Most beautiful legs of the year, belong to actress Leslie Brooks, above, say the Hosiery Designers of America. She won the title in 1944, but didn't compete last year, when she was awaiting the birth of her daughter.

MacKENZIE'S COLUMN

By DEWITT MacKENZIE AP Foreign Affairs Analyst

The smashing victory of Germany's new political party, the Christian Social Union, in the county council elections in the American zone, should be recognized for what it really is—a triumph of Christian principles over the evil of Hitlerism which will tear at the vitals of the Reich.

That's vastly important, for the plague can only be eradicated by moral rehabilitation. You can keep the malefactors quiet by arm might, and you may achieve vital demilitarization of Germany through a four-power 25-year mutual assistance pact much as the United States proposes, but you can't reform the Nazis that way. Reform must come through change of heart.

The striking success of the Christian Social Union in Germany which is the center of the plague gives hope that there may be resurgence of morality in other affected areas of the distressed continent.

Not Denomination Issue

I encountered this politico-religious movement when I was in Germany two months ago. It isn't a question of denomination at all. Catholics and Protestants—and undoubtedly any others who subscribe to this code of right—have joint hands.

I found the military authorities in both the American and the British zones utilizing fully the efforts of these workers for moral rehabilitation.

Hitler deliberately set out to base his people, and he succeeded with a huge section of them, obviously there were many staunch citizens whom he didn't corrupt, and they now form the nucleus of an army of moral rehabilitation.

This combination of the religious doesn't mean that denominational work has been suspended. We had the announcement by the American military government that the famous Pastor Martin Niemöller expected to lead a reform movement throughout German Protestantism to eradicate all vestiges of Nazi control. The Catholic church with its big German membership also continuing denominational activities. But for the purposes of political work these two great religious bodies are giving the world a demonstration of cooperation for the universal welfare.

Kennel Club To Meet At Big Spring Sunday

Members of the West Texas Kennel Club will meet in the city at Big Spring Sunday at 1 p. m. Mrs. Aletha M. Conner of Monahans, secretary, has announced, social session will be held from p. m. until 2:30 p. m., and a business meeting will start at 2 p. m. Charles Abels, breeder and exhibitor, will speak.

A club show is scheduled for July 2 at Monahans.

El Paso WAA Office Activities Increased

Keith L. Sternberg, of the sales division of the Dallas regional office of the War Assets Administration, has transferred to El Paso and assumed the management of the sales office in El Paso.

With Mr. Sternberg's transfer, the activities of the office will be expanded to include the disposal of surplus property, including both capital and producer goods and consumer goods.

The area to be served by the El Paso sales office includes El Paso, Big Bend, Brewster, Brewster, Loving, Ward, Crane, Pecos, and Jeff Davis.

Dickenson Is Eighth Grade Honor Student

Dan Dickenson, son of Mr. and Mrs. H. B. Dickenson of the North Airport Road, is honor student of the Junior High School eighth grade class, Principal R. L. Hewey has announced. Johnnie Arledge, son of Mr. and Mrs. W. M. Arledge, 1211 West Tennessee, had the second highest average grades. Dickenson's grade average for the year was 97.33 1/3, and Arledge's average was 96.75.

Mary Lou Price, daughter of Mr. and Mrs. W. E. Price of 617 Cuthbert Street, was chosen most outstanding girl of the eighth grade; and James Choat, son of Mr. and Mrs. E. A. Choat, 1306 West Illinois, was named outstanding boy. Both were elected by popular vote of the class members.

Farmers Report Good Results From Contours

Farmers cooperating with the Martin-Howard Soil Conservation District have reported good results from contour cultivation. W. D. Rayburn of the Cotton Flat Soil Conservation Group said his field does not blow so badly since it has been contoured. He also noted that contour rows hold much more water on the field than rows not on the contour.

Mr. Lewis, who is working the J. T. Deavenport farm, said that he has been farming on the contour for six years and that he found it much easier on his equipment in addition to conserving moisture and preventing blowing.

A range survey was completed on the Sam Preston Ranch last week by the Soil Conservation Service. This survey shows the kind and amount of grasses available for forage and the general condition of the range. This survey will be used in planning a complete soil and water conservation program on the ranch.

An engineering survey was completed on the J. T. Deavenport farm south of Midland to assist the cooperators in planning a terrace system, and also on the B. L. Moss 640-acre farm north of Midland. Sherwood O'Neal seeded a small field to pasture grasses last week assisted by Soil Conservation Service employees.

E. R. Burrus has made application to the District Supervisors for assistance in planning a complete soil and water conservation plan on his farm east of Midland.

Rhine Areas Are Peace Treaty Headaches

1 THE RUHR: France insists that this area of war-potential industry be politically independent of any future central German government.

2 RHINELAND: France wants control of this German territory as buffer state insuring security.

3 THE SAAR: To be separated from Germany, with its coal mines the property of France; French political and political control, with final status assuring France these conditions forever.

REPARATIONS
Germany to be stripped of many plants, to be removed in addition to those in its own control-area, Russia to get 25 per cent of plants in U. S. and British zones.

FOUR-YEAR PLAN
By 1949, German industry is to be cut to half its prewar size; war industries will be eliminated; war-potential industries drastically reduced; steel output cut 67 per cent.

Line-shaded areas on map above show how Germany is now divided into American, British, French and Russian occupation zones, administered by the four-power control commission from Berlin. Numbers refer to great industrial areas which France insists must be separated from Germany for the sake of future security. Early British plan for Ruhr was to set up four-power control, but leaving this rich area inside Germany's border.

WTCC To Oppose Proposed Boost In Freight Rate

ABILENE — The West Texas Chamber of Commerce and its Freight Rate Equality Federation, long campaigners for national parity in freight rates, are going before the Interstate Commerce Commission to oppose a 25 per cent rate increase asked for by the nation's rail carriers.

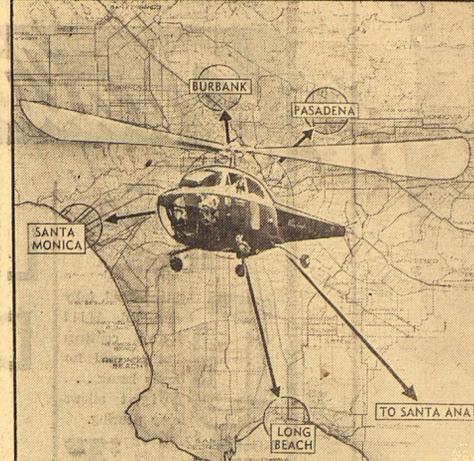

The position of the WTCC and FREF was set forth by their presidents, H. Y. Overstreet of Farwell and J. M. Willson of Floydada, and D. A. Barden, general manager of both organizations. It is that no freight rate increases should be granted the railroads without a full investigation and until their need for greater revenue is proved "beyond the shadow of a doubt." The carriers had asked for the 25 per cent hike without hearing, on one day's notice. The ICC responded by ordering a hearing on the petition, to start May 6.

WTCC-FREF announcement said they have never opposed rate schedules high enough to provide the railroads with sufficient revenue to pay reasonable operating costs and dividends. They said, however, that should need for more revenue be established after full hearing, "we are unalterably opposed to the form of increase proposed, namely a 25 per cent increase, which on basis of our present 160 per cent level of rates in Texas and the Southwest against the 100 per cent level in the Official Zone, means a 40-cent increase for us against a 25-cent increase in the North and East. We adhere to our long established position that any rates and rate increases granted should be applied equally and uniformly in dollars and cents rather than in percentages to all territories of the United States."

The WTCC contends further that the proposed increase could have disastrous economic consequences in West Texas, in stagnating housing and other building needs; reducing receipts of oil producers by around \$55,000,000 annually; costing farmers and stockman an additional \$25,000,000; and taking a yearly \$75,000,000 toll from consumers. All ready, on present levels, said WTCC, 30 per cent plus of the total cost of goods moving in transportation is absorbed in freight rates.

Erosion carries off an estimated three billion tons of top soil in the United States annually.

'Doodlebug' to Carry Mail

Dennis Morgan Advises Church Choir Singing

HOLLYWOOD — (AP) — Want a career as a singer? Then start by singing Sunday mornings, advises Dennis Morgan.

He advocates service in church choirs as one of the best means of gaining experience for show business.

Morgan, who is playing a gambler in "Cheyenne," has been singing in churches nearly all his life and is the mainstay of a Presbyterian choir in Hollywood. His argument:

"First of all, you learn stage presence. You are trained as a group and you appear as a group. That eliminates the 'all-alone' feeling with your first audience.

"You learn part singing. After your voice has changed and settled, you find out the different voice ranges and how they're used in harmony. And of course, you learn to read music and how to shade your voice.

"Also you become familiar with church music by such composers as Bach and Mendelssohn and you develop a taste for good music."

Little Interest Evidenced Thus Far In County And District Office Races

With only 15 days remaining for candidates for district offices to file their names for election, no opposition in any races has been reported. Candidates for county and precinct offices have until June 15 to place their names on the tickets, and state office seekers must file their requests to have their names placed on the ballots by June 3.

The Democratic primary election will be held July 27.

Little interest has been displayed in Midland County over the election, although opposition has been announced in several races.

Congressman R. E. Thomason of El Paso thus far is unopposed for reelection from the 16th Congressional District, and O. E. Geron of Odessa has no opposition in the race for state representative.

Martelle McDonald, seeking reelection for district attorney, has no opposition, and Nettey C. Romer is unopposed for reelection as district clerk. Clifford C. Keith is seeking the office of county judge now held by E. H. Barron, who is asking reelection. Ed Darnell is the only candidate in the race for sheriff. J. H. Fine is unopposed for county tax assessor-collector, and Joe Mims has no opposition in his race for county attorney. All three seek reelection.

Opposition Announced

County Clerk Susie G. Noble is opposed by Lucille (Jack) Johnson; and Lois Patterson, seeking reelection, and Mrs. Minnie H. Dozier have filed for the office of county treasurer. Robert Rankin opposes J. M. Flanagan, present county surveyor.

J. C. Roberts, seeking reelection in precinct one, is the only commissioner with opposition, but J. C. Brooks, commissioner of precinct two, has not filed for return to that office. Roberts is opposed by Sherwood O'Neal and Charles J. Aiken. Five candidates, John M. King, Jr.,

Life For GI Wives In Germany Will Be Better Than In United States

By HAL BOYLE
BERLIN—(P)—Army wives who have arrived here to join their husbands in the American occupation forces will find life in Germany easier in many ways than it was in their homeland.

There are no frantic dickerings with real estate agents, no bonus payments to tenants relinquishing apartments.

Uncle Sam will just toss some German family out of its home, and the American family will move into a clean, neat, well-furnished domicile. The Germans will have to start combing the ruins for living quarters.

For this reason the Teutonic population views with considerable misgivings the advent of American wives.

"We will never be masters of our own homes again in our lifetime," said one hausfrau, envisioning a 16 to 20-year occupation.

There will be no standing in long lines at the butcher's for the American wife seeking a steak for her lieutenant. She will call at the Army commissary and buy any food available at prices that would seem ridiculously low in the United States. The range of food is very wide and includes a considerable supply of that nourishing material called beef.

French Perfume
There will be no lack of those little accessories that gladden the feminine heart. Things like nail polish, rouge, lipsticks, cleansing cream and stockings lie in plenty on well-stocked post exchange shelves. French perfume is there also.

The PX also has lots of candy and chewing gum for junior and little "sis" and cigars for daddy to put out when the colonel and his lady come calling. Mamma also can get 12 packages of cigarettes a week.

Liquor won't be too much of a problem. The lieutenant will get a regular monthly ration, and there are several Army clubs where good quality drinks can be had at soda fountain prices.

There is a golf club, the swankiest in Germany, where no native son will utter up the fairway.

Fine German yachts have been requisitioned for outings. There are good deNazified beaches handy and at night there will be regular Army-sponsored movies, fresh from Hollywood cans.

Yep, the war is getting nicer all the time.

Where Big Four Wrestle With Peace Problems

Here is the historic Palace of the Luxembourg, facing Paris' famed Luxembourg Gardens, where foreign ministers of the Big Four endeavor to frame peace treaties that will put a formal end to World War II. Built in the early 17th century for Maria de Medici, wife of Henry IV, it housed the French senate from 1879 until the German occupation, served the Germans as Paris headquarters and was used by the Consultative Assembly of French provisional government after liberation.

It Flies—With One-Horsefly 'Engine'

Arrow in photo above points to a real, live horsefly. It's the "motor" of one-horsefly-power plane held by its builder, Dick Brickner, 12, of the St. Paul, Minn., Modelleers' Club. Plane, weighing 1/68th of an ounce, has wings of plastic film 2/10 000ths of an inch thick. When horsefly, cemented to front of plane, "takes off," the plane flies for several hundred feet.

There is only about six-hundredths of an ounce of calcium in a gallon of sea water, but the oyster builds up its heavy shell of calcium, and corals form whole islands by collecting this element.

War Yanked State Department Out Of So-So Way Of Life

By JAMES MARLOW
WASHINGTON—(P)—The State Department, next to OPA, is the most widely criticized and praised of all government agencies.

The department handles our foreign affairs but, stiff and sedate from long-time silksat diplomacy, it has resisted change more than any other agency.

Secretary of State Byrnes is trying to speed the change, which isn't easy. And there's a good explanation for why it isn't easy.

For years working in the state department has been like entering upon a special way of life.

One did this and so but when one did it, he did it this way and not that way. There was a way of doing things, and they were done that way.

But the war just ended has yanked the department bodily out of its groove, pumped new life into it, and multiplied its problems hugely. To cope with these problems have come thousands of new employees.

Businessmen and army officers with experience in organization or management have been brought into the department to bring it abreast of the time.

They say their No. 1 reorganization problem is finding new quarters so more of the work can be done in fewer than the present 42 buildings.

The department is pretty well filled with ordinary help like typists and clerks, but it constantly is seeking specialized people like economists or management planners.

Trained people are not so easy to find. Government salaries are not large. The average salary in the department in this country is \$3,100 a year.

Monahans On-Job Veteran Training Well Diversified

MCNAHANS—Jack Scott, Ward County service officer, has placed 68 veterans of World War II in on-the-job training. Monahans business men are solidly behind Scott and U. S. Employment Service Manager Mrs. Johnnie Scott, in placing the veterans. One firm employs six, five firms have four each on the payroll, and others employ from three to one each. The "train while you earn" program is diversified in Monahans and includes newspaper, machine shop, electrical, grocery and department stores, ice manufacture, automobile mechanics, lumber yard, plumbing and oil field specialties.

Scott, a first sergeant with the 6th Marines in France in World War I and again a first sergeant in the Army in War II, knows each veteran of Ward County, his age and history and receives a true "topkick's" respect from his company of soldiers, sailors, marines and coast guardsmen. He plays no favorites: commanders, privates and majors all look alike to him in civilian clothes. Scott has the "word" and no veteran in Ward County, nor transient veteran, goes begging for advice or opportunities under the GI Bill of Rights. His orderly room in the courthouse is also a counselling room for anxious parents. He is up all night caring for some "joe" whose war nerves are out of control and often escorts his veterans personally to the nearest veterans hospital. He considers each man in his outfit his own personal responsibility.

On-the-job training in Monahans is working to the satisfaction of both veterans and businessmen.

There were only 100 dentists in the United States in 1820.

Motor Transports Pay \$38,000 In Taxes Here

AUSTIN—The Texas motor transportation industry last year contributed heavily toward the education of Midland County school children and in the construction and maintenance of the county's highway system, it has been shown in an analysis of the industry's special tax payments released by Lynn B. Shaw, general manager of the Texas Motor Transportation Association.

The 2,860 scholastics in Midland County benefitted to the extent of \$10,296—\$3.60 for the education of every school child in the county, in excess of 13 per cent of the total education bill.

Trucks and buses paid \$27,736 in special taxes that went toward construction and maintenance of highways in Midland County.
