

M-G-M Strikers Parade In U. S. Uniforms

(NEA Telephoto)

Over 250 striking war veterans paraded before the entrance to M-G-M Studios in Cuiver City, Calif., Wednesday. They wore only parts of their uniforms without insignia and steel helmets on their heads. Deputy sheriffs stood by as the mass demonstrators were instructed there would be no arrests as long as the strikers kept moving.

Truman, Steelman Urge Industrial Peace And War Against Inflation

WASHINGTON—(AP)—President Truman Thursday called on business, labor and consumers to do their "utmost to keep industrial peace" and to "maintain production."

He said in a news conference statement that the reconversion record thus far "adds up to a splendid achievement."

Andrews, Winkler And Terry Areas Get Stepouts

Stepouts from production in the Dollar Hide and Three Bar fields in Southwest Andrews County, from the Keystone-Elleburger field in North Winkler County, and from the Alex field in Northwest Terry County, are to be drilled at once.

Lion Oil Company has filed application to drill No. 1 E. P. Cowden, 660 feet from north and east lines of section 6, block A-55, psal survey, and on the northwest side of the Dollar Hide field.

It is to go to around 8,000 feet to test the Devonian and is slated to start by October 12. The location is one-half mile west of Humble Oil & Refining Company No. 2 E. P. Cowden, recently completed as a flowing producer, and it is 1,670 feet southwest of Pacific Western Oil Company, (Skelly), No. 1 Cowden, which has shown good commercial production and is due to start testing soon.

Stanford Oil & Gas Company No. 1-QQ Corporation, 660 feet from north and 2,051 feet from east lines of south half of section 17, block 11, University survey, and a flanker to the Three Bar field, in Southwest Andrews, is slated to dig to 8,690 feet, starting by October 6, to explore the Devonian.

Gulf Oil Corporation No. 1-E Jenkins, 1,980 feet from west and 660 feet from north lines of north half of south half of section 12, block 77, psal survey, is to be a 10,000-foot exploration, on the north side of the Keystone field, in North Winkler. It is to start making hole at once.

The location is on a lease on which Gulf holds the deep rights, and J. R. Sharp Drilling Company owns the shallow rights. The grillsite is about one-quarter of a mile north of the nearest Elleburger producer.

South of Alex Field Honolulu Oil Corporation has staked location for No. 1 Ellington, to be 440 feet from north and east lines of section 19, block K, psal survey, in Northwest Terry County, and about one mile south of nearest production in the Alex field.

It is to drill to 5,300 feet, or pay in the San Andres, starting at once. Irvin Svoboda, of Omaha, Neb., has made location for a 4,000-foot wildcat in Central Terrell County. It will be his No. 1 Julian M. Bassett, and is 2,310 feet from north and 410 feet from the east lines of section 1, block 149, T&STL survey.

That puts it 11 miles northwest of Dryden. It is near the center of a block of about 5,000 acres which Svoboda has leased from Bassett. Drilling will be with cable tools, and will start at once.

E. S. Price of Ballinger has filed application to drill his No. 1 Claud Brookshire, as a 5,500-foot wildcat in East Rannels County. It will be 392 feet from south and 2,909 feet from east lines of J. H. Parramore survey No. 136 and is about six miles northwest of Talpa.

In Northeast McCulloch Mid-Texas Oil Company of Brownwood No. 1 T. O. Squires, located 160 feet from north and 800 feet from west lines of section 281, H&TC survey, in Northeast McCulloch County, about one and one-half miles southeast of Winchell, is to be a 1,250-foot cable tool prospect.

39 Dead In Airplane Crash

SECRETARY PATTERSON OUTLINES PROPOSALS FOR UNIVERSAL TRAINING—

VA Chief And Legion Commander Clash On Vet Job-Training

By P. D. ELDRED SAN FRANCISCO—(AP)—The American Legion convention turned Thursday to consideration of the controversial "on-the-job-training" issue, while still fresh in the minds of the delegates was the denunciation by Gen. Omar N. Bradley of their national commander's position on the subject.

Tough Going For Military Proposal Seen In Congress

By CLAIR JOHNSON WASHINGTON—(AP)—Rough going in Congress for the Army's revised universal military training plan is predicted Thursday by key legislators.

Most of the lawmakers in Washington shied away from open comment on the controversial issue—just as they usually have in the past.

But nearly all those who would discuss it—friends and foes alike—agreed that many a hot debate would break out over the problem once Congress resumes business next January.

The controversy was reopened Wednesday when Secretary of War Patterson outlined the revised training plan to the American Legion at San Francisco.

His proposal, in general, called for: 1. A year's training for all physically fit youths between the ages of 18 and 20, with six months of it in military camps and the remainder available in seven alternatives.

2. Trainees to have civilian, rather than military status, thus being under a special code of conduct and responsibility to a civilian organization such as the present Selective Service System.

Legion Proposes Four Months The Legion promptly issued a headquarters statement declaring it believed a mandatory four month period in camps was adequate, with the balance of the year spent in alternative training procedure.

Such a program previously has been urged by the Legion. Rep. Brooks (D-La.) of the House Military Committee told a reporter he agreed with the Legion, but he said the broad training choices of the Army plan and the civilian status proposal are particularly worthy of praise.

Senator Lucas (D-Ill.), terming the Army plan "an interesting compromise," commented that in the past the "American people have opposed any type of compulsory training."

The House Military Committee postponed a decision on the problem last year, voting to wait until the new Congress convenes. The committee urged adoption of some type of training program, but did not offer a bill. No hearings have been held on the subject by the Senate.

C. E. Anderson, 65, Cattleman, Dies BIG SPRING—Chester Eugene Anderson, 65, Howard County rancher, died unexpectedly of a heart attack early Wednesday at his home, six miles west of Big Spring.

The body was discovered a short time later by Mrs. Anderson—about 8:40 a. m. Anderson apparently was sitting in the door of a barn, putting on his spurs, when the attack struck him.

Funeral services will be conducted at 3 p. m. Friday from the First Methodist Church here by Rev. H. Clyde Smith, his pastor. Burial will be here.

Man Awaits Sentence In Texas Slaying PARIS—(AP)—George Benton Hendrick of Hugo, Okla., is awaiting sentence in District Court here after having been convicted on a charge of murder in connection with the death of Fred Tidmore of Fort Towson, Okla., on a lonely stretch of highway near here last March 16.

A jury deliberated an hour and a half here Wednesday before returning a verdict of guilty. Life imprisonment was recommended.

LATE NEWS FLASHES

PARIS—(AP)—A French source said the four power foreign ministers would meet Thursday night for a coordinated assault on remaining issues in the peace treaties with Axis satellites. Some backstage move to solve the Trieste issue on the Big Four level was indicated in a series of top rank conferences.

WASHINGTON—(AP)—Government conciliators renewed attempts Thursday to end the country's two major labor disputes, the nationwide shipping strike and the 10-day power walkout in Pittsburgh, but there was no indication of immediate settlement of either controversy.

BERLIN—(AP)—Industry and public transport of Berlin were crippled Thursday by a 10-minute strike of union workers protesting against the acquittals and prison sentences among the international military tribunal verdicts at Nuernberg.

WASHINGTON—(AP)—Cordell Hull's condition continues to be "most critical," the navy reported Thursday. A bulletin from Bethesda, Md., Naval hospital, where the former secretary of state suffered a stroke Monday said: "Mr. Hull had a very poor night. His condition continues to be most critical."

Byrnes Terms Allied Conflict Serious But Discounts New War

Secretary Of State Asserts U. S. Will Continue Strong Foreign Policy—Outlines German Control

By RELMAN MORIN PARIS—(AP)—Secretary of State James F. Byrnes declared Thursday that "the conflict of viewpoints among the Allies" is serious, but he echoed a recent statement by Prime Minister Stalin that there is no immediate danger of war.

U. S. To Construct Strong Naval Base In Aleutian Chain

PEARL HARBOR—(AP)—A new U. S. Navy policy in the Pacific calling for a strong Aleutian base near Siberia and extension of its outpost 3,000 miles westward to Guam was announced Thursday.

The policy was made public at a press conference by Adm. John H. Towers, commander of the Pacific Fleet, who conferred only Monday with President Truman and high Navy officials in Washington.

Towers declared that Guam, 3,318 miles west of Pearl Harbor, would be turned into an outpost as strategically important as this Hawaii naval base—long the symbol of U. S. Navy might in the Pacific.

The admiral said the new Pacific policy would be to concentrate permanent naval installations in Alaska, the Aleutians, Hawaii and in the Marianas, which includes Guam.

This would include permanent facilities for surface ships as well as Navy air bases.

"It is obvious," Towers said, "that we need a base further in the Pacific. Because of the mobility and range of surface and air fleets it is necessary that we extend our Pacific outpost beyond Pearl Harbor.

Guam fills this need and it will be equally as important, but not so large, as Pearl Harbor."

The Navy, the admiral said, already has begun its program of building up Guam's permanent installations.

Most of the installations at Guam, he said, were not permanent but they had to be made so "or else if there is another conflict we will have to do it all over again."

Towers declined to say where the new Aleutian base would be built but predicted it probably would be somewhere near the center of the Alaskan Peninsula jutting westward from the Alaskan mainland.

This would put it somewhere east of the Navy's big base at Dutch Harbor, which Towers recently inspected.

The Navy also wants another base in the Philippines, Towers said. The Navy wants anchorages where fuel stations can be located for dispersal in this age of atomic bombs.

"But the best security," he added, "is to keep our monopoly of the atomic bomb until the world is more settled than it is at present."

Movie Actors Reject Proposal To Observe Union Picket Lines

HOLLYWOOD—(AP)—Movie strike violence Thursday shifted to a heretofore unpicketed studio—Republic—where a car trying to enter the gate was flipped over by some of the hundreds of milling unionists.

Only a few pickets appeared at the seven major studios originally involved in the labor dispute. Even at Metro-Goldwyn-Mayer, scene of most of the fighting in the current strike, less than a dozen men were "on the bricks."

Thursday's action followed a mass meeting of 2,500 members of the Screen Actors Guild Wednesday night, at which a proposal that actors observe the picket lines of the conference of studio unions was "overwhelmingly" rejected.

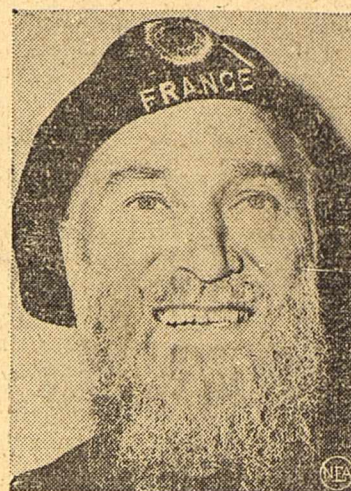

VFW MEETS THURSDAY

The Midland post of the Veterans of Foreign Wars will meet at 8 p. m. Thursday in the county courtroom.

Weather

A few clouds and slightly warmer Friday. Maximum temperature Wednesday was 80 degrees, minimum 64 degrees.

He's From Pairee

Representing Paris Post No. 1, Sedley Peck, above, came all the way from the French capital to attend the 28th annual American Legion convention in San Francisco. Peck, now a newspaperman, is one of the A. E. F. doughboys who remained in France after World War I.

Acquitted Nazis Will Be Escorted Out Of U. S. Zone

NUERNBERG—(AP)—Franz von Pappen, Hans Fritzsche and Hjalmar Schacht, the three Nazi leaders acquitted by the international military tribunal, will be escorted to the British zone Thursday night of Friday by American military personnel, defense counsel said Thursday.

All three will be taken to Hamburg, from whence Schacht will proceed to his home in Schleswig-Holstein, counsel said.

It could not be learned whether the former German financier would be provided with escort after his arrival in Hamburg.

Fritzsche, former deputy propaganda minister, sent his wife to Hamburg Wednesday, and expressed hope she would be there when he arrived.

Anton Pfeiffer, chief de-Nazification officer for Bavaria, announced he had been instructed to give the three a guarantee of "safe conduct," protecting them from arrest by German de-Nazification courts in the American zone.

Defense counsel said the trio would leave at an unannounced time and would follow a secret route, all in the same automobile. Just what type of escort would be provided was not announced.

The protection granted the three from prosecution by courts in the American zone, Pfeiffer stressed, is temporary, covering only their departure from the Nuernberg jail and the zone.

Bank Deposits Here Total \$21,340,101

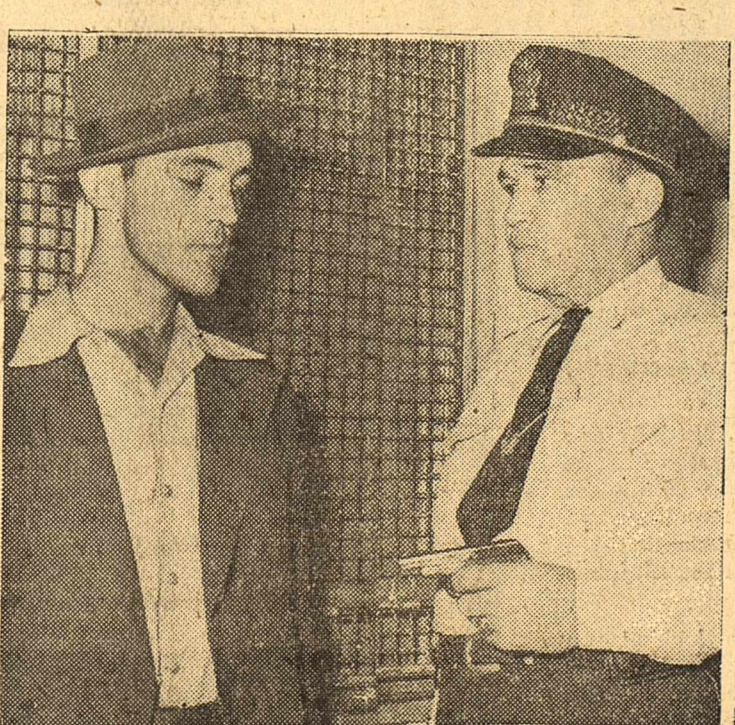

Midland's two banks had deposits totaling \$21,340,101.21 Sept. 30, 1946, they reported Thursday in response to a national bank call of the comptroller of the currency.

Loans and discounts of the two banks totalled \$3,954,823.49.

Deposits of the First National Bank total \$14,901,823.95 and of the Midland National Bank \$6,438,277.26.

The First National Bank's loans and discounts total \$3,248,152.05 and those of the Midland National Bank \$706,671.44.

Hold-Up Man Used Toy Pistol

George Bray Pipkin, 23, an escapee from the State Hospital at Wichita Falls, looks rather chagrined as he is "held-up" with a toy pistol by Fort Worth Police Capt. R. M. Burks. Pipkin was captured in Fort Worth after a cross country hold-up spree, including Oklahoma City, Knoxville and Joplin, in which he used the same toy pistol. Pipkin has been a problem child to the police since 1936, finally being confined to the State Hospital, from which he escaped recently.

Berlin-Bound DC-4 Burns In Newfoundland

U.S. Paratroopers Take Part In Search, Rescue NEW YORK—(AP)—An American overseas airlines plane plunged in flames in the wilds of Newfoundland Thursday, and the Coast Guard said rescue parties reported the 39 persons aboard were dead.

NEW YORK—(AP)—An American overseas airlines plane with 39 persons aboard—three of them infants—plunged in flames into the wilderness of Western Newfoundland Thursday in what may be the greatest tragedy in the history of American commercial aviation.

The Coast Guard reported that the possibility of survivors was very remote.

The four-engine DC-4, en route from New York to Berlin, crashed 10 minutes after it left Stephenville, Newfoundland, at 2:24 a. m. (CST).

The Coast Guard, in a radio message, said three persons, believed to be Newfoundland civilians, were at the scene and an Army searching party was at the foot of the hill into which the plane crashed.

The message said the searching party had one-half mile to go. The plane crashed 100 feet from the top of the hill, which is covered with rocks and scrub trees.

The message, sent from a Coast Guard plane at the scene, said the airliner appeared to have exploded after the crash and that only a tiny fragment of the ship was visible. There was a heavy rain at the time.

Second Tragedy in Two Weeks It was the second plane tragedy in the Newfoundland wilds in two weeks. On September 18 a Belgian Sabena airliner crashed near Gander, killing 27 of the 44 aboard.

Stephenville is on the West Coast of Newfoundland, 921 air miles from New York and approximately 225 miles west of Gander.

First reports from relatives of the passengers indicated some of the women and children were en route to Germany to join their husbands.

At Gander, officials of the airline said rescue planes which flew over the area reported the wreckage still was burning four hours (Continued on page 2)

Midland Memorial Foundation Reelects Officers And Trustees

Officers and trustees of the Midland Memorial Foundation were re-elected by unanimous votes at the annual meetings of shareholders and trustees Wednesday night in the Scharbauer Hotel. M. C. Ulmer was elected a shareholder in the organization which is campaigning for funds to erect a modern 75-bed hospital to serve the Permian Basin area.

Ulmer succeeds Frank Cowden who resigned. Other shareholders, all re-elected, are George T. Abell, James N. Allison, Ralph M. Barron, H. G. Bedford, John F. Butler, Clint Dunagan, David Fasken, George W. Glass, Lester Grant, O. C. Harper, A. N. Hendrickson, Mrs. J. Howard Hodge, John W. House, Ralph Lowe, John Mabee, R. L. Miller, J. S. Noland, Foy Proctor, Mrs. Clarence Scharbauer, Frank Stubbeman, Dr. John B. Thomas, Fred Turner, Fred Temple and Fred S. Wright.

The trustees, all re-elected, are Abell, Allison, Barron, Butler, Mrs. Hodge, House, Noland, Mrs. Scharbauer, Stubbeman, Dr. Thomas and Wright.

Terms Are Designated Abell and Barron will serve one year terms; Allison, Dr. Thomas and Wright two years; House, Mrs. Scharbauer and Stubbeman three years; and Butler, Mrs. Hodge and Noland four years.

Stubbeman was re-elected chairman of the shareholders, Dr. Thomas vice chairman and Allison secretary.

Officers of the association are Dr. Thomas, president; Abell, vice president; Mrs. Hodge, secretary, and Butler, treasurer.

Shareholders will meet again October 16 to discuss plans to conclude the finance campaign for the memorial hospital which will be a non-profit open staff institution.

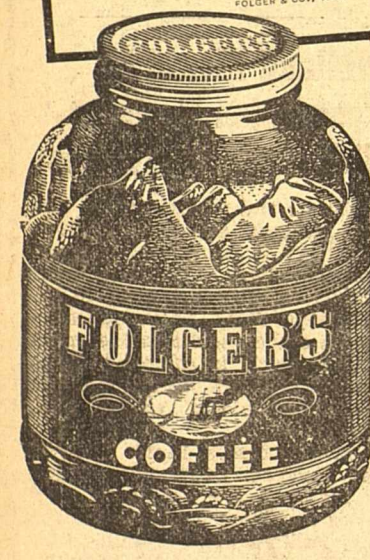

Cards Lead

EBBETS FIELD, BROOKLYN—(AP)—The St. Louis Cardinals led the Brooklyn Dodgers, 5 to 1, Thursday at the end of the fifth inning in the second game of their playoff for the National League title.

Motorists Help Bill Outrun Mr. Stork
LAFAYETTE, IND.—(AP)—William L. O'Brien, Jr., of Evansville, Ind., a student at Purdue University, answered the telephone sleepily at 6 a. m., listened, then sprang into action. Evansville was 200 miles away. Bus and train connections were not good enough and time was an important element. Quickly he jettisoned a sign and rushed to the highway. The sign said: "Help Me Beat the Stork." He did, by 70 minutes. It was a girl.

With Folger's You Have Both —the ENJOYMENT of FLAVOR and the ADVANTAGE of ECONOMY
FOLGER'S Coffee is Mountain Grown — it has a distinctive flavor all its own — a combination of fullness and vigor with a rare winey tang. It is really different and delightful —

FOLGER FLAVOR IS SO EXTRA RICH YOU ARE URGED TO TRY USING 1/2 LESS — THAN WITH LESSER FLAVORED BRANDS...
For a really good cup of coffee, be sure to ask your grocer for Folger's.

"I've got a job!"
● A brand new telephone operator... that's me. Just started today.
Like it? Yes, indeed... especially one thing... everybody is so friendly. I felt at home right away. It's a nice clean place to work, too; pleasant surroundings, and the switchboard is really fascinating. I'm going to enjoy working for the telephone company.
And here's a tip, if you're looking for a job. More operators are needed right now. Experience isn't necessary because you learn as you go along.
The chief operator at the telephone office will be glad to tell you all about it. Why not see her?

Crash-
(Continued from Page 1)
after the crash and that it was unlikely anyone aboard was alive. The big plane, a Sikmaster, smashed into a hillside 10 miles from Harmon Field at Stephenville, where it had refueled because the Gander airport was closed in with rain and fog. The ceiling at Harmon Field was 5,000 feet and visibility 10 miles. The Coast Guard dispatched a B-17 and a helicopter from Argentina, Newcundland. The helicopter was expected to reach the scene in midafternoon. There have been three 27-victim plane crashes in American commercial aviation. In addition to the Sabena crash, other such crashes involved an American Airlines plane at San Diego, Calif., March 3, 1946, and a non-scheduled Viking airline plane near Richmond, Va., last May 16. The special assistant to the commanding general for search and rescue of the Atlantic division of the Air Transport Command reported at Fort Totten, N. Y., that Paratroopers from the 18th Air Transport Command at Presque Isle, Me., and Goose Bay, Labrador, were speeding to Harmon Field, Stephenville, to take part in the search and necessary rescue work. Low ceilings and rain are prevailing near the scene of the wreck, the Coast Guard said. Persons aboard the plane were eight crew members, including a stewardess, and 31 passengers. In a message to the Coast Guard, the North Atlantic Ocean patrol commander said: "Survivors Doubtful" "Army air searchers report that the possibility of survivors are doubtful. Rescue parties on foot may reach the scene in four to eight hours." Nineteen of the passengers were booked for Frankfurt, Germany; nine from New York to Berlin, and three from New York to Amsterdam, Holland. Among the passengers were Helen Kent Downing, 26, of Thomson, Ga., and her two children, Laurie Elizabeth, four years old, and Barbara Kent, 20 months. There were no Texans listed among the passengers.

Advantages Of Junior Colleges Explained By Dr. W. H. Elkins
Dr. W. H. Elkins, president of San Angelo College, told Midland Rotarians, at their meeting Thursday noon in the Scharbauer Hotel, that junior colleges rapidly are becoming an important part of the educational system of the country. Members of the Midland Independent School District board and the Chamber of Commerce junior college committee were guests at the meeting. Winston Hull, chairman of the committee, introduced the educator. Delbert Downing was program chairman. "The junior college movement is here to stay," Dr. Elkins said. "Development and expansion of these colleges will continue through the years. The movement started after World War I and development now has been renewed. Big Colleges Cooperate "Senior colleges now look with favor on junior colleges and cooperating with them." He discussed benefits and advantages of junior colleges, financing, courses, and other matters concerning these educational institutions. "Education is not all class room work," he commented. "Lots of people get degrees and may not be educated." He outlined the three finance methods of junior colleges, local taxes, state aid, and tuition and fees and discussed each. Dr. Elkins said efforts now are being made to get the legislature to increase state aid from \$80 to \$100 per student, and asserted this would be "good economy on the part of the state." Guy Brenneman, vice-president of the club, presided at the meeting.

Andrews-
(Continued from Page 1)
pector, on which drilling is to start at once. Phillips Petroleum Company No. 1-B University, deep wildcat in Central Winkler County, adjacent to the Pyote Army Air Field, had progressed below 9,436 feet, in unidentified formation, and was making more hole. Temporarily Abandoned Seaboard Oil Company of Delaware No. 1, Jenkins, North-Central Lubbock County wildcat, drilled to total depth of 7,520 feet in lime and failed to develop any production of oil or gas. It has been temporarily abandoned. Shell Oil Company, Inc., No. 1-E Scarborough, Northwest Andrews County wildcat to the Ellenburger, was making hole below 8,432 feet in chert. Some observers think the formation is the lower Silurian. Others say it might be upper Montoya. This project is being given much attention on account of the fact that it went directly from the Permian into Silurian, and did not find any Devonian section. That should put it high on the Ellenburger, some geologists think — if and when, that formation is reached. Still No Shows Humble No. 1 Elkin, Southwest Kent County wildcat, on the northeast side of the discovery well of the Polar field, ran a drillstem test at 7,786-95 feet, in the Ellenburger. The tool was open 45 minutes. Recovery was 100 feet of drilling fluid, with no signs of oil or gas. The hole is being reamed to bottom.

Dallas Goes Two Games Up In Dixie Series
ATLANTA—(AP)—It looked Thursday as if the Rebels from Dallas were well along toward winning their battle. The Dallas team, the Texas League's representative in the Dixie Series, held a 2-0 lead in games over the Atlanta Crackers of the Southern Association with the additional advantage of resuming the competition on its home grounds. The Rebels took a tight pitching duel 3-0 here Wednesday night on the three-hit hurling of Henry Perry and prepared to head back for Dallas. The teams will pick up the play in the Texas city on Sunday.

JayCee Stag Party Is Set Thursday Evening
It is Stag Party Night for the Midland JayCees Thursday. They will get together at the Log Cabin Inn at the stag and get acquainted event starting at 7:30 p. m. Feature entertainment has been billed. Earnest Neill and Alfred (Red) Petty are in charge of arrangements. Membership pins will be awarded new members. The event, an annual affair of the Midland Junior Chamber of Commerce, will be held in a special room of the Inn. All members, new, old and prospective, are urged to attend.

Tech Football Player Dies From Drill Injury
LUBBOCK — (AP) — Billie Joe Whitehead, 19, died at 3:15 a. m. Thursday without regaining consciousness since he was injured Monday afternoon in football practice at Texas Technological College. Whitehead was the son of Sheriff and Mrs. R. L. Whitehead of Mason. He was a sophomore agriculture student at Tech. He received three football, two basketball and one track letters in high school and lettered at football for Tech in 1944. He served in the Navy from February 15, 1945, to August 2, 1946. The body was taken to Mason for services Saturday.

Livestock
FORT WORTH — (AP) — Cattle, 2,700; calves 2,900; most classes of cattle steady, slaughter and stocker calves slow and weak with recent declines in full effect; beef steers and yearlings in small supply; few common and medium lots 11.00-16.00; medium and good slaughter cows 10.50-13.50; cutters 8.00-7.50; camers 6.00-8.00; sausage bulls 8.00-12.50; good and choice fat calves 14.50-16.50; good and choice stocker calves and yearlings 14.50-16.50. Hogs 150; active and steady; all weights for slaughter including sows and stags 16.05, ceiling; stocker pigs 16.25. Sheep 3,500; slaughter ewes steady to 25 higher; other classes fully steady; good fat lambs averaging around 70 lbs., carrying a medium end 16.75; common and medium yearlings 11.00-12.00; medium and good ewes 8.50-9.00; common and medium stocker lambs 12.00-14.00. President Chester A. Arthur and New York's Governor Grover Cleveland presided at the opening of the Brooklyn Bridge in 1883.

Take Off Ugly Fat With This Home Recipe
Here is an inexpensive home recipe for taking off ungrainy weight and helping back alluring curves and graceful slenderness. Just get from your druggist, four ounces of liquid Baracetate (formerly called Barcol Concentrate). Add enough grapefruit juice to make a pint. Then just take two tablespoonful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help retain slender, more graceful curves, return the empty bottle and get your money back.

IS EPILEPSY INHERITED? WHAT CAUSES IT?

MRS. M. D. JOHNSON GIVES DEVOTIONAL AT METHODIST CLASS

A devotional was presented by Mrs. M. D. Johnson at a meeting of the Wesley Bible Class of the First Methodist Church Tuesday at the home of Mrs. R. W. Pattison. Mrs. Johnson used as her scripture Timothy 2:15.

Mrs. J. P. Ferguson read a paper entitled "Work" after which a talk on "Work at the Methodist Home" was given by Mrs. Mary Lou Snodgrass.

During the business period directed by Mrs. L. C. Stephenson, the group voted to make a contribution to the Methodist Home in Waco for the Christmas offering.

The meeting was closed with a prayer by Mrs. Amelia Hawkins. Present were Meses. Stephenson, T. A. Fannin, Frank Smith, F. H. Wilmoth, Johnson, Minnie Crumley, Snodgrass, W. A. Black, Ferguson, M. J. Noland, W. N. Neesh, Mollie McCormick, E. H. Peyton, Hawkins, S. H. Gwyn, M. J. Allen, Pattison, and Mary S. Ray.

The earliest recorded mention of Indian summer is 1794.

RHEUMATISM and ARTHRITIS

I suffered for years and am so thankful that I am free from pain and able to do my work that I will gladly answer anyone writing me for information. Mrs. Anna Patton, P.O. Box 825, Vancouver, Wash.

Woman's Wednesday Club Opens Club Year With Luncheon Meet

Members of the Woman's Wednesday Club were entertained at a luncheon Wednesday at the home of Mrs. Andrew Fasken, 1511 West Missouri Street for the initial meeting of the fall season. Hostesses for the occasion were Meses. Fasken, C. W. Chancellor, and Al Cowden. The luncheon was served buffet style and guests were seated at quartet tables centered with bud vases of roses. An attractive arrangement of roses and queen's wreath decorated the service table.

Mrs. Ernest Sidwell, president, stressed the importance of activity in the club during the year and reviewed the state projects to be considered for the year. Two guests, Mrs. R. E. Thomason and Mrs. Margaret E. Murray, and the following members were present: Meses. James N. Allison, Chancellor, Russell Conkling, Al Cowden, Guy Cowden, Fasken, R. L. Foulks, George Glass, C. M. Goldsmith, Marion Plynt, William L. Kerr, N. Dave McKee, R. L. Miller, Erie Payne, Clyde Cowden, Sidwell, R. M. Turpin and John Perkins.

Will Speak In Midland

Upton Close, world traveler, author, and authority on the Far East, will speak on the first in a series of outstanding programs to be brought to Midland by the Lecture and Concert Association. Close will speak at 8 p. m. Thursday in the Midland High School Auditorium. He is the author of "Challenge on the Face of Japan," a book written prior to the war which correctly predicted many of the events of the war in the Pacific area. Season memberships may be purchased from Roy McKee.

LILLIE MAE STOVALL LEADS DISCUSSION AT BETA DELTA MEET

Lillie Mae Stovall led a round table discussion on the subject "Environment Through Health, Work and Play" at a meeting of Beta Delta chapter of Beta Sigma Phi Tuesday evening in the Commissioners' courtroom of the courthouse.

The meeting was adjourned after the closing rituals. Those present were Helen Barr, Mary Corbin, Lillie Mae Stovall, Frances Little, Crystelle Estes, LaVerne Hallman, Myrtle Duncan, Maedelee Roberts, Lorraine Dimney, Malou Doran, Deana Gray, Alleen Maxwell, Lorena Jones, Faye Powers, Carolyn Gates, Harion Reeder, and Frances Atwater.

Mrs. C. L. Sherwood Directs Program For Modern Study Club

Mrs. C. L. Sherwood was director of a program on "The Federation of Women's Clubs in Today's World" presented at a meeting of the Modern Study Club Wednesday afternoon at the home of Mrs. B. W. Reecer, 501 North Marienfield.

A report on the 49th annual convention of Texas Federation of Women's Clubs was presented by the guest speaker, Mrs. Ernest Neill, president of the Midland City-County Federation of Women's Clubs. Mrs. Kenneth Slough reported on the General Federation of Women's Clubs Convention.

Another feature of the program was a discussion on the subject "Our Golden Jubilee" by Mrs. M. S. Dickerson.

During the business session conducted by Mrs. Dickerson, president, the group voted to sponsor a rummage sale October 12. Plans were made to assist in the planting of shrubs by the highways as a memorial to veterans of World War II. This project is being sponsored by the Midland Garden Club.

Announcement was made that the club would buy space in the Midland High School annual "Caticio."

Members were invited to attend a luncheon October 19 when the B&PW Club will give a City-County Federation program. Two guests, Mrs. W. T. Hays and Mrs. Neill, and the following members were present: Meses. A. E. Earnes, Joe V. Birdwell, C. S. Britt, W. C. Cartwright, John Casselman, J. M. Devereux, Dickerson, Austin Flint, I. E. Hood, Lamar Lunt, W. E. Price, B. W. Reecer, Sherwood, Slough, and Earl Stanton.

Coming Events

FRIDAY

The Ladies Association of the Midland Country Club will meet at the club at 1 p. m. for a luncheon.

A "boomtown dance" will be held for members of the Minnet Club from 9 p. m. to 1 a. m. in the Crystal Ballroom of the Scharbauer Hotel.

Members of the Althean Class of the First Baptist Church will be entertained at the home of Mrs. Dot Price on the Magnolia Tank Farm. Co-hostesses will be Mrs. V. L. Red and Mrs. F. G. White.

The Belmont Bible Class will meet at 3 p. m. with Mrs. W. P. Collins, 710 South Weatherford.

SATURDAY

Community Theater, Inc., workshops will meet at the City-County Auditorium: Children's Group One, six to nine years of age, 9 to 10 a. m.; Junior Workshop, 14 to 17 years of age, 10 to 11:30 a. m.; and Children's Group Two, 10 to 13 years of age, 1:30 to 3 p. m.

The Children's Story Hour sponsored by the Midland County Library will be held at 10:30 a. m. in the library.

RECEIVE MARRIAGE LICENSE

A marriage license was issued Wednesday to George Cooper and Irma Nichols at the Midland County clerk's office.

COTTON

NEW YORK (AP)—Cotton futures at noon Thursday were 65 cents to \$1.35 a bale higher, October 39.28, December 38.95, March 38.51.

COMMUNITY THEATER WORKSHOP TO STUDY MAKEUP COURSE

A complete course in stage makeup will be offered when the Community Theater, Inc., reopens its workshop classes for adults at 7:30 p. m. Monday in the City-County Auditorium.

Straight makeup for the stage, character makeup, the use of crepe hair and plastic face constructions will be among the subjects included in this 14-week course open to any member of the theater or the workshop. Art Cole, professional director for the organization, will teach the classes.

"We hope to train a large number of people in these classes in order that they will be capable of applying their own stage makeup or makeup on other actors and actresses," Cole said.

Workshop classes will be held from 7:30 to 9:30 p. m. each Monday. The entire two hours will be devoted to the makeup course until it is completed. All materials used in the classes will be supplied by the theater, it was announced.

Beware Coughs That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly eases the cough or you are to have your money back.

The Shipbuilding Industry

A consideration of the American shipbuilding industry's relation to national defense today should perhaps be prefaced by a few citations from recommendations and policies of the last 10 years.

The Maritime Act of 1936 reads in part: "It is necessary for the national defense and development of its foreign and domestic commerce that the United States shall have a merchant marine... capable of serving as a naval and military auxiliary in time of war or national emergency."

In 1944 President Roosevelt proposed a "bold and daring plan" for a ship construction program to extend into 1949, with accent on the building of modern, comfortable, low-travel-cost passenger ships.

In 1945 the Harvard Business School announced the findings of its three-year shipping study, undertaken at the request of the Navy and the Maritime Commission.

1. That the national security aspects of the shipbuilding industry outweigh economic considerations.

2. That it is the responsibility of the government to assure that the industry attains the characteristics adequate for national defense.

3. That requirements of the industry to discharge its national defense responsibilities should be examined and sound policies established.

4. That it is false economy to reduce shipbuilding and shipping operations to the low level prior to World War II.

The report stated further: "Up-to-date and even ahead-of-time equipment is necessary to win a modern war... If no ships are being built because the country has more than it can use, the art of shipbuilding and ship designing... can soon be lost."

The House Committee on Postwar Economic Policy and Planning said, at about the same time: "The continued operation of shipyards located with a view toward a proper regional balance would assure a nucleus of skilled personnel and management and the technical knowledge essential for the undertaking of merchant marine and naval construction in time of war."

In December of 1945 President Truman said, "The United States must carry out the bold and daring plan of Franklin D. Roosevelt for a merchant marine of the best designed and equipped passenger and cargo ships."

Yet this plan, approved by Congress, has not yet materialized. Scheduled completion of six warships building in Navy Yards has been deferred.

Shipyard workers are now being laid off at the average rate of 15,650 a month. Virtually no new ship construction in the nation's private yards is now in prospect after Jan. 1, 1948.

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

No. 1492. Notice is hereby given to whom concerned, that Colorado City, Texas, through its Mayor, Charles Brazal, (filed in behalf of Colorado City, Odessa, Midland, Big Spring, Snyder, which cities will organize a Water Control and Improvement District to which the permit, granted under this application, will be assigned) did on the 5th day of August, A. D. 1946, file their application in the office of the Board of Water Engineers for the State of Texas, in which they apply for a permit to appropriate of the State of Texas, through the Colorado River, a Mitchell County, Texas, not to exceed Thirty Thousand (30,000) acre-feet of water per annum for municipal and industrial water supply purposes, said water to be impounded in a reservoir created by the construction of a dam, said dam to be located at a point which bears North 39 degrees West 2,900 feet from the S. E. corner of Section 15, Block 27, T. & P. R. R. Survey, on the right bank of the Colorado River, in Mitchell County, Texas, approximately six miles, the storage capacity of the reservoir to be 111,000 acre-feet, and to divert the water by means of gravity and pumping.

A hearing on the application of the said Colorado City, Texas, above mentioned, will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, October 14th, A. D. 1946, beginning at ten o'clock A. M. at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under, and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this 31st day of August, A. D. 1946.

C. S. Clark John W. Pritchett E. V. Spence BOARD OF WATER ENGINEERS. Attest: A. W. McDonald Secretary. 9/26;10/3-10-14

Germans Never Tried To Invade England

WASHINGTON.—(AP)—The War Department said Thursday that so far as could be discovered from the mass of secret Nazi war documents, no German attempt to invade England ever was made.

A War Department official said no evidence had been found to support reports -- current both before and immediately after the Allied invasion of Normandy in June, 1944 -- that Hitler had made an abortive attempt to send a fleet of invasion barges to England.

These reports declared that approximately 50,000 German troops were killed when the Royal Air Force swooped down on the would-be invaders, dumped oil on the seas and destroyed the armada with flaming death.

Calf's Value Rises Too Fast For Own Good. RUSSELLVILLE, ARK.—(AP)—The value of Farmer Elmer Henderson's calf took a sudden \$80 rise--too sudden for its own good.

Henderson put his wallet containing \$80 on a bush when he started to mow a meadow. When he returned, the wallet was gone.

A friend suggested the possible culprit. Henderson killed the calf and found his \$80, only slightly chewed.

The old New England expression "to talk turkey" was coined in New Hampshire in the 1800's, when an Indian and a white man who had been hunting together met to divide the spoils—a crow and a turkey.

BARBECUE advertisement. Now starting the season of Tasty Home-Made CHILI, Delicious Genuine TAMALES, Ranch Style Beans, CUSTOM BARBECUE, SPECIAL PICNIC ORDERS.

Superforts May Replace B-17 Bombers In Europe

WASHINGTON.—(AP)—The Army said Thursday that B-29 Superfortresses may replace smaller B-17 bombers for occupation duty in Europe.

The official air forces disclosure was appended to an announcement that a group of B-29s, together with a fighter complement, will operate in Alaska during the next six months for Arctic training purposes.

The reference to Europe followed by only two days Secretary of the Navy Forrestal's declaration that American Naval forces are in the Mediterranean to help carry out American foreign policy and support Allied occupation forces.

VISITOR FROM PUEBLO. Robert Filler, Continental Air Lines representative at Pueblo, Colo., was a visitor in Midland Wednesday.

Bert Childers and the Melon Patch advertisement. From where I sit... by Joe Marsh. Bert Childers put an ad in the Clarion the other day. Here's what it said: "Planted more melons than I can eat this year. Stop by and pick as many as you want. All free." As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer. Copyright, 1946, United States Brewers Foundation

There aren't many "days" that are celebrated all over the world. And there are fewer still that are celebrated in the same way by people of many lands.

But World-Wide Communion Sunday is such a "day."

It was established to remind Christians everywhere of the UNITY of the Faith. Denominations and doctrinal differences appear on the surface to separate people . . . to divide the world into religious camps. But, in reality, they do not divide! They enable families of Christians to worship and preach the way they prefer—just as living in our own homes enables us to organize our family life according to our own tastes.

While Christians belong to many families, yet we all belong to ONE FAMILY . . . and worship ONE FATHER. A real "family reunion" once a year reminds us of our common ties.

On Sunday, October 6, Christians all over the world will gather at the Table of their Lord, each to receive the Sacrament according to his own faith. *Attend the Church of your choice.*

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday.

Gaines Radiator Shop Has New Building

The Gaines Radiator Shop of Midland is serving customers from its attractive new building at 307 North Weatherford Street. The concern offers complete radiator service and is equipped to handle any job in that line. Homer Gaines is the owner.

In early times the residents of Vermont drank cider for breakfast.

Palace Drug, Jewelry Company Is A Service Institution In City

Palace Drug and Jewelry Company at 108 South Main Street in Midland is more than just a drug and jewelry store.

It is a service institution in business for your health and service in products you desire from such a firm.

Palace Drug and Jewelry Company is more than just a name. It is known for reliable products and service, both very important to the customers.

The smallest detail is undertaken to make your purchase at the Palace a transaction of good faith and courtesy. And that in its own right is a polite "thank you and come back."

A lot of customers are saying these days: "I am going back to the Palace. I know I can get what I want there."

In 1771 British courts ruled that as soon as a slave set foot on the British Isles, he became free.

Mims & Crane Offers Personal Liability Protection In Policy

A hunter bangs away at game and accidentally damages another person or his property.

A citizen owns a dog, which bites a passerby or visitor.

A father's children leave their skates on the sidewalk and a pedestrian stumbles and is injured.

A resident burns trash behind his home and the fire catches and damages a neighbor's garage.

In all of these cases someone personally is liable for damages. How can that person be protected?

Mims & Crane, general insurance agency of Midland, has the answer in its new comprehensive personal liability policy.

Policy Provides Protection

This policy protects persons, who by ownership or personal actions, damages another person or his property.

Almost all persons, especially motorists and car owners, are acquainted with automobile insurance, which protects both ways when one's car is involved in an accident but many people do not have personal protection in their liability to others in cases of many everyday accidents of a personal or ownership nature.

Another good feature of the policy offered by Mims & Crane is the automatic medical payment clause. For example a person has guests in his home. One of those guests is injured. If the person and host has the policy he is protected in that he can immediately take the injured guest to a hospital and medical payments will be made by the insurance company up to a specified amount.

The firm believes that no matter how careful a person might be, he is in some cases, apt to be liable to others or to their property for some damage the person of the first part may commit personally, although accidentally.

The cost of the personal and public liability policy is very low. It can be a great help in the case where the holder damages another or his property by personal acts.

There are desert tribes in Africa and the Near East wearing sandals almost identical with those made by the ancient Egyptians.

Pylant And Morgan Offers Neon And Commercial Sign Advertising Service

Pylant and Morgan, a Midland business of Neon and commercial signs, was founded upon the public-spirited belief that Midland and the Permian Basin deserve and appreciate an advertising service offering quality material, modern in appearance and design, and permanent in structure.

Pylant and Morgan service includes Neon fabrication, metal sign construction, modern spray finishing methods, and display sign service. Cut-out letters in wood and metal are made to order.

Commercial art, design and screen process are also services of the company, as is poster work.

Outdoor bulletin service is being withheld only by a shortage of steel.

Owners are Thurman Pylant and George Morgan.

Pylant has been in the sign business in Midland 13 years and is well-known throughout this area.

Morgan, reared in Dallas, was in the sign business on the West Coast eight years before becoming associated with Pylant here.

Partners Met At School

The two business partners met at school in Stephenville, where the idea for the business was formed and the ground work laid.

Pylant and Morgan inform citizens that fabrication of Neon letters is scientific, and is strictly a laboratory process requiring vacuum pumps, delicate pressure gauges and torches, which produce intense and concentrated heat.

Rare gases used in the manufacture include: Neon, argon, helium, krypton and xenon. These rightfully are called the rare gases, krypton occurring in air one part in 20 million, xenon one part in 70 million.

Employees at Pylant and Morgan include three World War II veterans. They are: Horace Busby, sign writer; C. E. Lindemuth, electrician; and S. J. Clark, Neon service man.

Thelma Morgan is bookkeeper. The sign advertising company is located at 508 West Indiana Street in Midland.

An XP-47J experimental plane recently tested at Farmingdale, L. I. before Army observers, reached a speed of over 500 mph with just a conventional propeller drive.

County Candidates Due Unexpended Funds

AUSTIN —(AP)— County Democratic Executive Committees must return to the candidates a proportionate part of unexpended funds after paying primary expenses, the attorney general has ruled.

"It is the opinion of this department that the committee should direct the chairman to pay to the various candidates a proportionate part of the unexpended balance of the funds on hand since the committee is the trustee of the monies paid by the various candidates," the opinion stated.

Candidates are required to pay filing fees for places on the Democratic ballot.

The opinion held the County Democratic Executive Committee does not have authority to create a reserve fund from the unspent balance of these funds.

County Attorney Paul Grogan of Conroe, Montgomery County, requested the ruling.

Two English sailors planted the British flag at the Cape of Good Hope in 1620.

Texas College President Dies While Hunting
COMMERCIAL - (P) - Funeral services for Dr. Sam H. Whitley, 68, for 22 years president of East Texas State Teachers College, will be held here at 11 a. m. Friday at Ferguson Auditorium on the college campus.
Dr. Whitley was found dead at noon Wednesday at Caddo Lake, near Jefferson, where he had gone on a squirrel hunt with friends. Dr. Jesse Deware of Jefferson said the educator died of a heart attack.
Early in the morning Dr. Whitley had left his hunting party and gone out alone. When he failed to return for lunch, friends began a search and found him sitting against a tree, his gun across his lap. It is believed he had died at about 9 a. m.

Bulldogs Primed For Game With Plainview Friday

Pampa Beats Henderson Four Straight Games

PAMPA—(AP)—Pampa's Oilers of the West Texas-New Mexico League believe in doing things the big way. The Oilers Wednesday night won the Texas Class C baseball championship by running over Henderson of the East Texas League, 25-9. It was the fourth straight game over the East Texas Oilers.

Pampa made every hit count, collecting their 25 runs on a total of 23 hits, as combined with 5 Henderson errors.

The East Texans sent five hurlers to the mound in an effort to halt the West Texas track meet.

Henderson got off to a three-run lead in the first half of the opening inning on a home run by Paul Martin, with two men on. But Pampa came back in the last half to push across five tallies. The game was tied away in the last half of the second when four errors by the Henderson shortstop, Johnny Ghigliari, led the way to nine Pampa scores, all unearned.

R. C. Oley, Pampa second baseman, hit two singles, a double and a triple to drive in five runs, while Joe Isaacs, Purple Heart veteran, was the winning hurler, striking out eight and walking none.

Classic Billed As One Of Best Contests In State This Weekend

A capacity crowd will bulge into the high school stadium here Friday night to see two undefeated eleveners from Midland and Plainview, both Bulldogs, tie up in a feature non-conference battle. The kickoff is set at 8 p. m.

Both teams are "loaded for bear," and all offensive barrels will be fired. It will be Midland spinning and breezing at the middle and the flanks or in the air. It will be Plainview with the mighty T-formation biting at line or around the end.

Bullpups Travel To Big Spring

Smarting from a defeat tacked on them here last week by the Big Spring Junior High Dogies, the Midland John M. Cowden Junior High Bullpups journey to the Big Spring corral Thursday night for a return bout.

Coach Ken Kearns Pups rubbed out many mistakes of last week as they put in hours of scrimmage this week in preparation for Thursday night.

Midland will pit Blanscett, Holt, Drake and Mann in the backfield against Big Spring's Cloud, Carlisle, Fannin and Hooper. Fannin is the big noise of the Howard County club.

Quinine was used in primitive family medicine chests for hundreds of years before being accepted in scientific pharmacopoeias.

'B' Bulldogs Play Thursday Here Against Rankin Devils

The Red Devils of Rankin will come rip-roaring in to battle with the "B" Bulldogs here Thursday night. Game time is 8 p. m. and the place is the high school stadium.

Admission charges are 30 cents for students and 60 cents for adults.

Midland wants this one in the win column. The "B" youngsters have dropped two heart-breakers already and don't intend to get the habit.

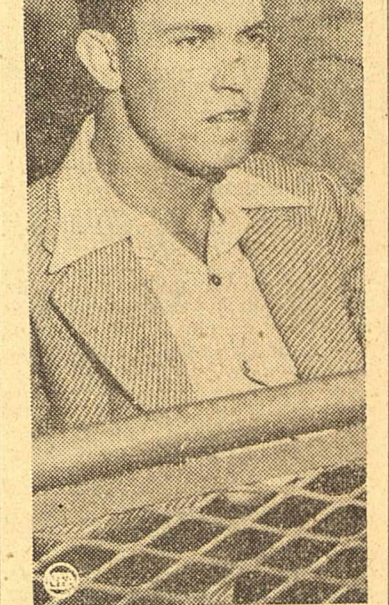

All week long in the shadows of the late afternoon these Bulldogs-to-be have worked long and hard at practice. Coach Aubra Noyan-caster has worked like a Trojan with them, and they are ready.

Starters Named

Starting against the Rankin Devils will be Ken Goode at left end, Don Deel at left tackle, Richard Clark at left guard, Oscar Cooper at center, Howard Bennett at right guard, John Richardson at right tackle, Dick Morrison at right end, Buster Buckingham, blocking back, David Hyatt, tailback, Larry Messerschmidt, wingback, and Don Hamblett, fullback. Ed Richardson is sure to get some time at fullback and Joe Filler at tailback. Two blocking backs ready to go are Jack Hightower and Al German. Thomas Friday, fleet stepper, is a wingback whose number will be called.

Rankin holds a win over the San Angelo reserves and is a strong club.

Grounded Flier

Foot in cast, Pete Reiser occupied box seat behind Brooklyn dugout as Dodgers engaged Cardinals in play-off. Leo Durocher figured to miss flying outfielder in World Series, too.

Jacobs Signs Zale And Rocky For Another Bout

NEW YORK—(AP)—Mike Jacobs, one gent who never will be accused of letting a hot thing cool off, has signed Middleweight Champion Tony Zale and "Golden Boy" Rocky Graziano to do it all over again in Madison Square Garden March 21.

Thus the 20th Century Sporting Club promoter will have plenty of time to figure out a way to bulge the seams of the big Eighth Avenue swat palace to accommodate the horde of customers who will be begging to get in on this prize.

Some \$9,827 of the fistic faithful were on hand in the Yankee Stadium last Friday for the first blood-letting and it's a safe bet that all of them, along with a couple of friends each, will try to jam their way into the Garden comes March.

In the Friday fight, one of the greatest brawls ever staged in these parts, the gross amounted to \$342,487. In that affair, the stolid, game champion from Gary, Ind., came off the floor and from the brink of defeat to knock Graziano kicking in the sixth round for the first KO defeat in the tough New Yorker's career.

Plasters, such as plaster of Paris, can be made hard as marble and strong as stone with a newly developed process.

BOWLING

First one team and then another grabs the lead in the major bowling league of Midland. Wednesday night three teams went out in front in a tie.

Permian Well was hot and won three matches from Tot's Gulf. Continental Airlines tabbed three over Mabec Drilling Company as Scharbauer Hotel blanked Midland Tire.

Jack Mashburn rolled high individual series with a score of 567. Falcon of Permian Well keged high individual game with 219. Burl's Standard had high team series with 2,551 and high team game with 951.

Team standings:

DOWN SPORTSLANE

Two hundred members by game time Friday is the goal of the Midland Bulldog Booster Club.

And a total of 134 members had been enrolled up to noon Thursday.

Leaving only 66 yet to go in order to meet the goal established at the Booster meeting Tuesday night.

The quota will be met and perhaps exceeded by at least 50 members.

The Bulldogs are going strong and doing their very best.

And are deserving of the full support of every citizen of Midland.

So, if you are not a member of the Bulldog Booster Club, hand your \$2.50 membership fee to Bill Collyns, membership chairman, to day.

New Booster Club members signed up this week include: Fred S. Wright, Ben Black, Ralph Barron, J. M. Armstrong, V. E. Collins, W. C. Durham, Bud Wilson, T. F. Lineberry, C. C. Tull, Bert Cole, Jr., Ralph C. Crays, Marvin McCree, John Allen Sewell, Cecil Waldrep, R. L. Wright, S. C. Cooper, Daniel H. Griffith, Richard H. Knox, Stanley Claiborne, E. E. Reigle, James A. Mascho, R. R. Herrell, B. H. Spaw, J. Guy McMillan, R. D. Scroggus, John B. Mills, George J. Byrne, Lee Cornelius, Max David, Ernest Sidwell, R. W. Hamilton, Dr. Homer B. Johnson, Henry Bray, Paul McHargue.

DALLAS—(AP)—An estimated crowd of between 25,000 and 30,000 is expected to attend the "Texas Tech-Southern Methodist football game here Saturday night at the Cotton Bowl, a feature of the opening day of the Texas State Fair.

Lester Jordan, business manager of athletics at SMU, said that SMU's tieing Temple last Friday at Philadelphia and Tech's defeating Texas A&M at San Antonio have brought a boom in ticket sales.

Humble Oil & Refining Company announcers will again be busy Saturday, bringing football fans broadcasts of four collegiate games that feature Southwest Conference schools.

The broadcast of the Texas A&M-Oklahoma University game will start at 2:20 p. m. over stations KRLL, Dallas, and KABC.

Another broadcast will start at 2:20 p. m. when Texas U. and Oklahoma A&M will tangle at Memorial Stadium, Austin. Stations carrying this contest will be WFAA-WBAP, Dallas-Fort Worth; and WOAI, San Antonio.

The third Saturday afternoon Humble broadcast will feature the TCU-Arkansas game. KGKO, Dallas-Fort Worth; and KTSB, San Antonio, will broadcast.

Saturday evening at 7:50, the broadcast of the SMU and Texas Tech game will start. Stations carrying the broadcast include KORS, Midland; and WRR, Dallas.

Midland-Plainview Game Rated As One Of Top Seven Grid Tiffs In State

By HAROLD V. RATLIFF

Associated Press Sports Editor

The Texas schoolboy football campaign rumbles into high gear this weekend with a schedule that includes not only the most important sectional tests of the season but conference games in more than half the districts.

The list of undefeated, untied teams is likely to shrink to a score. At least five of the 29 boasting unsullied records will go down because 10 of them are matched with each other while a half dozen others are in danger in battles with teams that would also have perfect records except for more rugged schedules.

Top games are at Midland, Sherman, Wichita Falls, Fort Worth, Corpus Christi, Laredo and Harlingen.

The unscored on Mustangs of Sweetwater meet once-tied Wichita Falls and Plainview tackles Midland in the features of deep West Texas warfare. Highland Park (Dallas) goes against Sherman, a team that hasn't given up a point, in North Texas' major game.

Graham at Fort Worth

At Fort Worth, Graham and Arlington Heights collide in a game matching undefeated, untied teams and in the same city the unbeaten, untied Milby Buffs of Houston take on once-tied Amon Carter-Riverside.

Corpus Christi's high-scoring eleven gets a rugged foe in Port Arthur's Yellow Jackets.

Undefeated, untied Laredo and Thomas Jefferson (San Antonio) tangle at Laredo while the feature of Rio Grande Valley football is scheduled at Harlingen where the unbeaten, untied Cardinals tackle

FIRST WITH THE NEWS

MIDLAND, TEXAS, THURSDAY, OCTOBER 3, 1946

SECTION TWO

Students Strike When Vets Barred From Team

GLASSBORO, N. J.—(AP)—The 650 pupils at Glassboro High School marched out of the school here protesting a state law barring three 19-year-old pupils, all war veterans, from playing on the school football team.

Flanked by girl cheer leaders, the entire student body staged a half-hour parade, waving placards, some of which read: "All Work And No Play," "We Served Our Country, Why Can't We Play Now?" "We Want a Square Deal for Ex-GIs."

The pupils arrived at the usual time, but assembled in the gymnasium, picked up placards, declared they were on strike and marched out.

Plane Wins Dogfight With Rattlesnake

GREAT FALLS, MONT.—(AP)—While taxiing a big C-54 Skymaster down a runway at the Great Falls Army airfield, Pilot Robert A. Blair and Co-pilot O. R. Fossum saw a large rattlesnake coiled in their path. Aided by light Engineer S. P. Mossback, they made a pass at the snake but the reptile slithered between the craft's wheels. So they circled deftly and on the second run scored a direct hit that smashed the rattler.

Christopher Columbus visited England and sailed in northern seas before embarking upon his voyage of discovery to the New World.

Committee Agents Investigate Delays In Home Building

WASHINGTON—(AP)—Senate War Investigating Committee agents are digging into reasons for the delays and hindrances to new home construction.

Senator Ferguson (R-Mich) told reporters Thursday that he had Chairman Kilgore (D-WVa) had reached an understanding on the housing inquiry and that investigators already are doing "spade work" preliminary to formal hearings later on.

"What we have got to do is find out what are the bottlenecks and what can be done to break them," Ferguson added. "The housing situation is the most serious problem of the country."

Kilgore's committee also has its staff laying the groundwork for an investigation of American military government in occupied territories.

Complaints of fraternization. It has had complaints about fraternization of high Army officers with Germans.

Completing the preliminary inquiry may delay formal hearings in both the housing and military government investigations for several weeks. Also several members are pre-occupied with election campaigns.

Kilgore, who is a candidate for re-election, left for West Virginia immediately after the committee completed its scrutiny of the Canal project Monday.

That hearing was held primarily to learn why the joint chiefs of staff recommended in October, 1943, that the \$135,000,000 project for development of an oil field in Northern Canada should be completed, although high civilian officials wanted to drop it. The reason given at the time was projected military operations which had to be kept secret.

Texas Cotton Man To Aid German Textiles

DALLAS—(AP)—Roger L. Dixon, former president of the Dallas Cotton Exchange, will leave Thursday for Berlin to help in the restoration of Germany's textile industry.

Dixon said he had received notice of his appointment by the Department of Agriculture to serve for 90 days on the staff of Gen. Lucius D. Clay, of the U. S. military government in Berlin. He said that General Clay had asked the Agricultural Department to send an advisor to handle the government cotton being shipped to start spinning mills in the American zone of occupation.

CRATED AFTER DELIVERY

MISSOULA, MONT.—(AP)—Apple boxes and peach crates solved a shortage of living quarters at St. Patrick's Hospital.

The hospital has facilities designed for only 12 new born babies but 38 infants arrived during the past few days. Boxes and crates solved the problem. They were rigged up as cribs.

Meat Men Get Bird

CHICAGO—(AP)—The current meat shortage is a lively topic among the 2,000 members of the American Meat Institute at their annual meeting here.

For the first time in 41 years there will be no meat served at the institute's annual banquet.

The meat men will eat turkey.

Black Market Thrives On Shortage Of Bibles

JOHANNESBURG, SOUTH AFRICA—(AP)—Exorbitant prices are being charged here in the black market for Bibles. Copies are fetching up to five times their prewar value. Most serious is the shortage of Afrikaans Bibles.

Churchmen declare the famine will handicap any attempt at a religious revival.

"History shows," said one Anglican minister, "that where Bibles are difficult to buy, no religious movement can be of long standing."

At a conservative estimate, South Africa needs 100,000 new English and Afrikaans Bibles.

New Dance Creation

ALBANY—(AP)—There's a new dance afoot—the Truman bounce. James F. Murray, Jr., Albany dancing instructor who devised the new step, described it as a fast fox-trot with just a dash of jitterbug.

And, says Murray, it can't be danced to the Missouri Waltz—"there's not enough bounce."

Lovable

Natural

True To Life

Expressions

—IN YOUR CHILDREN'S PHOTOGRAPHS

WHAT is more desirable, more cherished, more heart warming on those ever so precious "early years" photographs of your children than a genuine "it's so like our child—his laughter can almost be heard" expression.

If that is the kind of photograph you desire (and who doesn't) of your dear ones for yourself, relatives, and friends—then have it made in the logical place where the camera is most apt to capture THOSE natural expressions—AT HOME—where YOUR child is at ease in familiar surroundings rather than in a strange studio where all is BEWILDERMENT and wonder to him.

Now, before the rush, is the time to have those Christmas PHOTOGRAPHS made.

Brazil Curtails Its Propaganda Bureau

RIO DE JANEIRO—(AP)—Brazil has abolished its National Department of Information, created in 1945 to succeed the former Department of Information and Propaganda which supervised censorship during the war and for several years previously. However, the news service it operated will be retained to furnish non-political news from governmental departments.

UNESCO Conference In Paris Will Receive Many Recommendations

WASHINGTON—(AP)—This won't quicken your pulse unless you happen to be deeply interested in education and the exchange of ideas and information among nations.

The problem is long-standing. The solution, if there ever is one, is long-range. And it will be slow coming. But at least a start is being made, first of its kind in the world.

Here's the story:

There is an international organization called UNESCO, short for United Nations Educational, Scientific and Cultural Organization. Congress voted for us to take part in it.

UNESCO's Purpose

This government will send representatives to UNESCO's conference in Paris in November. UNESCO's purpose is this: To create better understanding among peoples of different nations by international cooperation on things like education, exchange of scientific developments, and spreading of ideas and information.

At San Francisco, when the United Nations was being organized in 1945, some people thought that in the long run UNESCO might turn out to be the most valuable thing done there.

Maybe so. If all the countries, which are members of UNESCO, sincerely work together, they'll do good. Even if they don't UNESCO will be able to do a little good.

Huge Task Ahead

Spreading ideas, education and information is a huge task since vast areas of the earth still are ridden with ignorance. And information is not permitted to flow freely in all countries.

But when our delegates go to UNESCO's November meeting in Paris, what will they propose?

When it approved our joining UNESCO, Congress also authorized the creation in this country of a body to advise the government on what we should try to do in UNESCO.

This special body is called the National Commission on Educational, Scientific and Cultural Cooperation. Its 90 members are top American scholars, educators and intellectual leaders.

Five Recommendations

This commission has just finished a meeting here.

Here are some things it said:

1. It thinks an international conference should be called next year to lay down standards for revising school textbooks to rid them of prejudices and misunderstandings.
2. It wants UNESCO to make real use of the press, radio and motion pictures to promote understanding among peoples and nations.
3. It wants the United Nations to set up a worldwide radio network capable of bringing educational and cultural programs to all countries.
4. It wants UNESCO to work for the removal of blocks to free flow of information.
5. It wants a worldwide lending library for countries whose libraries were knocked out by war or which never had good libraries.

Names With News Horrify Clergyman

SYDNEY, AUSTRALIA—(AP)—Don't try to name your boy "Atom Bomb" or "Labor Party" or the minister may refuse to christen him, warns Rev. F. H. Rayward of Sydney's Central Methodist Church. The minister was commenting on a New Zealand message that two Maori couples had saddled their children with these names.

He said the trend today was towards traditional English names. Since the war ended, he reported, he has had no requests for names like Douglas MacArthur, Montgomery, Winston and Bernard.

And Truman Terrace?

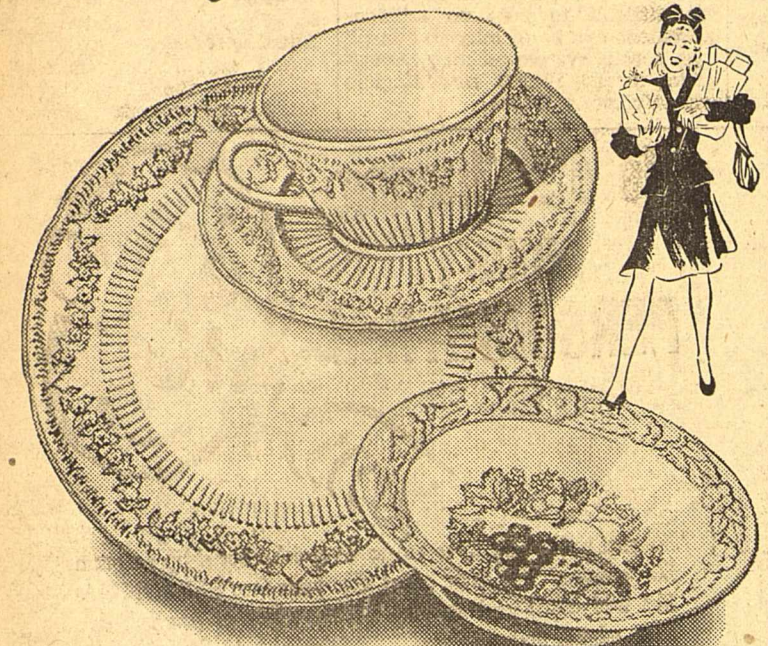

DOVER, ENGLAND—(AP)—All of the streets of a new suburb of Dover are to be named after presidents, states and towns of the United States.

Already there is a Roosevelt Road, a Wyoming Way and a Nevada Street.

More than 100 of the prefabricated houses being erected there are of American manufacture. It was that which gave the town council the idea of giving the streets American names.

More than 150 years elapsed between the discovery of South Africa and establishment of the first European settlement there.

Vacationing Britons Buy Up Own Exports

JERSEY, CHANNEL ISLANDS—(P)—Every week thousands of British holiday-makers are returning home with luxuries manufactured in Britain but not for sale in British stores. The island merchants, being on England's export list, can secure many items denied the domestic market by the drive to build up foreign exchange.

Thus, in the Channel Islands, British tourists are able to buy goods that were exported from their own country. This abundance, at prices which seem cheap to Englishmen, accounts for supplies of liquor, cigarettes and wearing apparel which many Britons take

Vet Finds Civilians Are To His Taste

CHEYENNE, WYO.—(P)—Unconvinced by floods of complaints from his fellow members of the 332nd AAA searchlight battalion when he was a cook for that outfit, Ralph V. Doman obtained a veteran's administration loan of \$2,000 and set up a hamburger shop at Lusk, Wyo. Thirty-six days later he paid off his loan, with the verdict:

"Cooking for civilians is a lot better than cooking for GIs."

"Cooking for civilians is a lot better than cooking for GIs."

home with them after holidays on the islands.

On landing in England they must pay import duties on items exceeding a certain value, except for clothes that are worn.

Texan Says Lolos Hate Everyone, Fight Even Among Themselves

DALLAS —(P)— A former Army pilot who used to fly low over the odd walled villages of the fierce Lolos tribesmen who are believed to be holding five Americans as slaves, said here that the Lolos "hate everyone—Japs, British, Chinese, Americans, even each other."

Luther E. Davis, Jr., a former captain of the Air Transport command, said he had flown several times over the Lolos country. He said he once took a moving picture of a village near Woloho as his plane soared low.

The Americans are believed to be fliers who crashed in the remote corner of China near the Burmese and Tibet borders. It is marked "unexplored" on the maps.

A missionary has been given money to try to locate and then ransom the captives.

Davis said that another tribe, not mentioned previously, lived to the southeast of the Lolos, and were equally ferocious. He said they were the Nusos. He said he knew many Americans had been forced

down there, too, and may be held as slaves.

"Everyone is afraid of the Lolos," Davis said. "The Chinese have a very healthy respect for them. They say they are huge—over six and a half feet tall—and I know they must be plenty rugged, living up there where they do."

"It's a wild country surrounded by huge mountain peaks. It reminds me of that story, 'The Lost Horizon,' and Shangri-La. It's just like that."

"The Lolos live 12,000 feet high. They must have been driven into this area by the Chinese, over the centuries, and there's still constant warfare between them. You hear about raids all the time. The Lolos will raid a Chinese village, loot, and take away captives. All the Chinese villages in that part of the country are surrounded by walls, as a protection."

"The Lolos themselves live in villages surrounded by high circular walls. Inside one of these walls will be a hundred or so adobe or stone houses. They seem well built, and I'd say they have a well-developed architecture, more like Palestine, than Chinese. The roofs are flat, for one thing."

Talmadge Would Drop Klan Suit

ATLANTA —(P)—Governor-nominate Eugene Talmadge says he plans to drop Georgia's suit to revoke the charter of the Ku Klux Klan, but Assistant State Attorney General Dan Duke said Thursday he would do "all in my power" to bring the case to trial before January 1.

Talmadge will begin his fourth term as governor January 1.

The suit, brought by direction of Governor Ellis Arnall, was originally set for trial in September, but

was postponed until November 9 because of the illness of Morgan S. Belsor, Klan attorney.

Talmadge said he would drop the suit because he believed the state should not discriminate in bringing court action against a particular group of individuals.

Duke said he would protest "vigorously" if the Klan asks further postponement. The Fulton Superior Court where the suit is on file adjourns December 15 for the holidays.

The European world obtained the word 'China' from the then ruling dynasty known as Ch'in.

The Ch'in emperor Shih Huang Ti built the great wall of China which was completed in 204 B. C.

U. S. To Move Military Forces From Iceland

WASHINGTON —(P)— The State Department has announced an agreement with Iceland for the removal of all United States military personnel in 183 days.

While providing for the removal of troops, whose presence has been a subject of international controversy, the agreement, now being considered by the Icelandic Althing (Parliament) would permit the United States to keep civilian personnel at the Keflavik Airfield.

This airport would be maintained jointly with Iceland as a civilian aviation base open to the civil aircraft of all nations having aviation agreements with Iceland.

The agreement would remain in force until U. S. obligations to help maintain control of Germany are fulfilled or until five years from now, when either government could propose a review.

U. S. military planes would be permitted to use the Keflavik base.

U. S. military forces in Iceland, which once numbered 45,000, already have been cut to around 1,000. The United States had been seeking since last fall the right to maintain the aviation facilities after peace treaties formally end the war.

Continued presence of the troops had been under fire by Soviet press and radio for months.

Secretary of Commerce Henry A. Wallace, ousted from the cabinet by President Truman Friday because of the controversy over foreign policy toward Russia, said March 21 in an interview the military personnel should be evacuated in the interest of international amity.

Shade of Sycamore

By **PERCY MARKS** Author of "The Plastic Age" "A Tree Grown Straight" Etc.

THE STORY: Gayle, daughter of a college professor, has just become engaged to handsome Bruce Bartlett, famous athlete and scion of wealth. Visiting his home and parents for the first time, she is frightened by the splendor in which they live. An elaborate ball is given and Bart is entranced with her appearance. Gayle has promised to spend some time with old Mr. Bartlett in the morning and asks the maid to awaken her early so as not to keep him waiting.

The next morning Gayle found Mr. Bartlett waiting for her in the sunken garden. He was in his wheelchair sitting under a striped umbrella, a table with the bell on it at his side. Miss Wallace was seated under another umbrella perhaps twenty yards away. She smiled at Gayle as she passed, and Gayle waved a greeting in return.

With a preliminary talk, she bent and kissed Mr. Bartlett. Then she stood back and looked at him. "Aren't you much better than you were yesterday? Your color's ever so much better."

"Yes, I am." He motioned to the wicker chair beside him. "Sit down. I'm glad I'm so well, because I want to talk to you, and I couldn't very well if I were having one of my bad days. I've done little but think about you since yesterday morning."

"Somehow I know they were nice thoughts," said Gayle. "Nice indirectly, because I wouldn't have been thinking them if I hadn't loved you at sight." He paused and studied her gravely. "Tell me, you dislike my wealth very much, don't you?"

"Yes," Gayle answered without hesitation. "I disliked it before I ever came in contact with it, and now I dislike it more than ever."

"I thought so. You said yesterday that the grandeur frightened you. Will you tell me why you dislike it so much?"

"Gladly, I've always wanted a life like my mother's, Mr. Bartlett. We're a very happy family, and I suppose I've wanted things to stay the same. I held Bart off for a long time on account of your money. It seemed to me it would start us where most people want to end—and I didn't see what could come in between."

"I see what you mean, of course." "Father was getting only a thousand a year when he was married. And he and Mother have worked hard—they've worked together—to have a home, and it means something; it means pretty nearly everything in the world."

In her eagerness Gayle leaned closer to him. "Mr. Bartlett," she pleaded, her voice tight with her urgency, "you can do something. I never dreamed I'd dare to ask you, but you're making it so easy. Bart said you were going to give us a house in Westchester County for a wedding present. Please don't. Let us live in an apartment like other young couples. And don't go on giving Bart that big allowance. Let us live on what he earns."

you must be fair to Bruce." "Fair to him?" she asked, confused. "Am I being unfair?"

"Bruce, Gayle, has always had everything, and the money isn't entirely responsible. He hasn't been taught to deny himself anything. Now you want to deny him everything all at once. How would you like to be forced to make such an adjustment? It would be ten times the adjustment you would have to make if you became the mistress of Sycamore tomorrow. No, my dear, I won't make Bruce suffer for my mistakes. I admit to you I made mistakes, very bad ones. Bruce should never have been brought up to rely on wealth entirely, but that's the way he was brought up. I think he ought to have the house, and he can't maintain it without an allowance. I'll tell you this much for your comfort. Nothing will be left to him outright at my death. He will get it all eventually, but my wife is my beneficiary, and she is a very strong, healthy woman. She will probably live another twenty-five or thirty years." He smiled almost sadly. "There's going to be a war in Europe, and if we get into it, it will absorb the great fortunes like fire flaming across a prairie. You and Bruce will have a generous income, but you won't be rich. Doesn't that satisfy you?"

"It has to if I want Bart, and I do want him." She smiled at him, and her cheeks grew pink. Miss Wallace drew near. "I'm terribly sorry, Miss Kent," she said apologetically, "but I've given Mr. Bartlett 15 minutes more than the doctor said he could have."

Gayle stood up at once. "Oh, do you think it's been bad for him?" "Probably, but I think he's entitled to do something that's bad for him once in a while."

"There," said Mr. Bartlett, "do you see why I adore my nurse?" "I do, indeed. I can't tell you what this talk has meant to me, Mr. Bartlett. I'll never be able to tell you."

"You don't have to. It's meant even more to me." (To Be Continued)

McKENNEY ON BRIDGE

By **WILLIAM E. MCKENNEY** America's Card Authority

Hand No. 3 from Dr. Paul Stern of London, England, is an interesting one from a team-of-four match played at the Jacob Ehrlich Society. At Dr. Stern's table the bidding went as shown in the box.

At the other table the bidding was the same except that East did not go to three diamonds. Dr. Stern's teammates played the North-South cards at three clubs and lost only two diamonds and two trumps.

At Dr. Stern's table North made the mistake of opening the king of clubs. Dummy's ace won, and

♠ Q 7	♠ K 6 4

Dealer
♠ A J 10 9 2
♥ A K J
♦ 9 6 4
♣ J 10

Tournament—N-S vul.
South West North East
1 ♠ 2 ♣ 3 ♠ 3 ♣

Opening—♠ K

deciding to play South for all of the strength, Dr. Stern led a small heart.

South won with the king and returned the jack of clubs, which declarer ruffed. He cashed the ace and queen of diamonds and led another small heart from dummy. South had to play the ace and came back with the jack of hearts. Dr. Stern won that with the queen and again put South in the lead with the nine of diamonds.

Now South had to give declarer a spade trick. Thus he made three-odd in diamonds while his teammates made three-odd in clubs.

Darrington Prison Farm Manager Quits

HOUSTON—(AP)—Resignation of the manager of Darrington Prison Farm at Sandy Point was revealed here, as the farm's seventh escape since September 1 was announced. J. L. Hall, who said he had been manager of the farm for 21 days, told The Chronicle that he had resigned last Saturday. He denied that recent escapes had anything to do with his resignation, however. "I just became unhappy, and decided to resign," Hall said.

In team-of-four matches, two members of a team play the North-South cards of the hand and at the other table their teammates play the East-West cards of the same hand. To determine the winners of the match, the scores of both pairs must be taken into consideration. In this match Dr. Stern's team won by 320 points, as each side made 100 points plus 50 points for a particular score.

The fruit of the pandanus plant resembles the pineapple in flavor.

Ipecac was used first as a medicinal agent by the aborigines of South America.

Plan That Hallowe'en Party Now

For children's Hallowe'en party—soft-drink "witches." Spook Lollypops
By GAYNOR MADDOX
NEA Staff Writer

Hallowe'en parties need imagination. So begin to plan your child's party now.

Small guests will be entranced by spook popcorn balls, chicken pie with a Jack O'Lantern face cut in the crust, and bottled soft drinks decked out as witches.

Jack O'Lantern Pie (Serves 6)

Two cups thin white sauce, 2 cups cooked diced chicken, 1 small onion, finely chopped, 1 tablespoon minced parsley, 1/2 cup peanuts, 1/2 recipe for pastry.

Heat white sauce and combine well with other ingredients. Pour in baking pan.

Make 1/2 recipe for pastry and roll out to fit the size of the pan.

Cut Jack O'Lantern face in pastry before it is placed over the mixture for top crust. Be sure to cut eyes, nose and mouth large enough to allow for expansion during baking.

Bake in moderately hot oven (375 degrees F.) for 20 minutes, or until crust is brown.

One-half cup granulated sugar, 1/3 cup hot water, 1/2 cup brown sugar, 6 cups popped corn, large raisins.

Heat granulated sugar in saucepan, stirring constantly, until melted and golden brown in color. Carefully stir in hot water to avoid spattering.

Add brown sugar and cook to 238 degrees F., or until a soft ball is formed when a little syrup is dropped into cold water. Pour over slightly salted popcorn and shape into balls.

Press 2 large raisins into each ball, for eyes. Cover tip of wooden skewer with small paper napkin; place ball on skewer.

Stand lollypops upright, porcupine fashion, in a squash or small pumpkin.

High-Flying Planes Depend On Celestial Navigation

NEW YORK—(P)—Planes flying higher and farther are depending increasingly on the stars, moon and sun for navigation—the same bearings used by Polynesian natives centuries ago in sailing over vast stretches of the Pacific.

Scientists at Bausch & Lomb Optical Company, Rochester, N. Y., predict development of new instruments permitting continuous fixes of position by observations of the sun and stars, guiding planes to the radio beam of the destination airport. Electrical failures, sunspots, or magnetic interference will not make any difference.

Polynesians sailed their canoes distances as great as 1,000 to 2,000 miles over the Pacific using astronomical guides, the tides, and currents.

Stress Chicken To Forget Meat

Artistic and delicious—chicken in casserole with parsley biscuits.

By GAYNOR MADDOX
NEA Staff Writer

With meat in hiding, we can go right on eating well—thanks to chicken and turkey. For example, a casserole of creamed chicken, topped with delicately browned pinwheel biscuits with minced parsley in them, is a robust thought.

In his appetite-provoking new book, "How I Feed My Friends," Max White, noted author, turns chicken cookery into a fine (but easy) art. Here are two of his suggestions:

Chicken and Noodles

Two boxes wide noodles, 2 cups diced chicken, 1 pint white sauce made with chicken broth, 1 cup mushrooms, 2 tablespoons butter, 1/2 cup chopped pimento, salt, pepper.

Chicken Souffle With Walnuts

Two and one-half cups boiled chicken, 1 1/2 pints cream sauce (made with chicken broth), 1 cup chopped walnuts, 1/2 cup uncooked celery, 1/2 cup chopped onions, 9 egg yolks, 9 egg whites, 1 pinch oregano, salt, pepper.

Make the cream sauce as usual, using, however, some chicken broth in its composition; half milk and half chicken broth goes very well.

Stir diced chicken, walnuts, and vegetables into the sauce and bring to simmering point. Taste for salt and rectify.

Beat the egg yolks and stir into sauce, which has now come to boiling point. Stir constantly until yolks thicken. Allow this mixture to cool partially.

Whip whites of eggs until stiff. Fold them into the chicken and other ingredients.

Massachusetts Police Search Meat Plants

BOSTON.—(P)—Massachusetts State Police and Public Health Inspectors have begun a check of 41 cold storage plants and more than 200 slaughtering houses in an unprecedented campaign to determine "if meat was being withheld deliberately from consumers."

Acting under a state law which allows inspectors of the health department to enter storage plants, slaughter houses and places handling food for inspection of food at any time, Governor Maurice J. Tobin ordered the check.

Tobin said that if any combines or "agreements" to withhold the sale of meat are disclosed laws pertaining to conspiracy and restraint of trade may be enforced.

The custom of serving cranberry sauce originated in New England. The town of Goshen is the most elevated township in Connecticut. The pandanus plant supplies food, clothing and shelter for natives on islands from Hawaii and the Marquesas to Malaya and Madagascar.

ANYTHING TO KEEP IT GOING!

It need not come to this—even though new cars won't be plentiful for some time. Our famous Motor Rejuvenator check-up can keep your old car humming along in great shape. Our specially trained mechanics using time saving tools, will give you a real Chrysler-Plymouth engineering job, than which there is none better! Your car will act younger, handle smoother, and be in all-around better shape when the time comes to trade it in.

UNTIL YOUR NEW CAR COMES ALONG
WE'LL KEEP YOUR OLD ONE GOING STRONG

Milk... A BASIC FOOD

Be Sure IT'S PASTEURIZED

Milk is Nature's own food. Children should have a quart a day. It strengthens growing bones, builds sound, gleaming teeth. Authorities say that "only proper pasteurization insures safe milk."

Every drop of Borden's Milk is pasteurized for your protection.

*From the book "The Most nearly Perfect Food" by Drs. Crumbein and Tobey.

Borden's MILK

PASTEURIZED FOR YOUR PROTECTION

Many Never Suspect Cause of Backaches

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

LEARN TO SAVE in ONE EASY LESSON

Here's an eye-opening lesson in THRIFT-metic that's as easy as one plus one—and it adds up to BIGGER SAVINGS for you on top-grade foods! Study these low, low prices—typical of the first class food values we offer every day of every week—and you'll learn that shopping here is the right answer to your budget problem. So come in today and fill your food order from top to bottom with top quality foods at rock-bottom prices. It will be a real education in easy, economical food buying.
