their usual last-minute victory claims, attention centered on a final Republican drive to wrest nine To Test Devonian Senate seats from the Democrats. Added to those which they claim already are in the bag, the nine would give GOP control of the Senate for the first time since the New Deal came into power.

Democrats Sure Of Winning These seats are in New York, Massachusetts, Missouri, Idaho, Montana, Washington, West Virginia, Wyoming and New Mexico. Democrats insist they not only will win in these races, but are unwilling to concede that the Republicans have a better than even chance to take over in Ohio, Pennsylvania, Delaware and Wisconsin.
