

United States Demands Veto Power

Other Major Nations Urged To Restrict Use To 'Rare Cases'

By MAX HARRELSON LAKE SUCCESS, N. Y.—(AP)—The United States announced its firm stand Friday against any amendment of the United Nations charter to eliminate or modify the big power privileges in the Security Council.

Charter Presented Midland Kiwanis Club At Banquet

Joe E. Porter of Lawton, Okla., governor of the Texas-Oklahoma district of Kiwanis International charged members of the new Kiwanis Club of Midland with the responsibility of helping build the city intellectually, spiritually and civically at their charter night banquet Thursday in the Scharbauer Hotel.

Joe E. Porter

The American position was set forth in a 9-point program by Senator Tom Connally (D-Tex.), first representative of the big powers to reply to the attack on the veto which was launched in the General Assembly's 51-member Political and Security Council Thursday by six small nations.

Connally warned bluntly that "division between the great powers over intervention or the use of force might result in war instead of peace" but declared that the veto must not be used to "frustrate the functioning of the council."

"Let there be no embroilment of power by the Security Council or by any member," he said.

Connally digressed from his pre-arranged text on one point to warn that if the U. N. charter does not work this organization may go down in ruins.

"If we cannot make the United Nations work the public will seek another remedy," he declared, calling on the delegates to "stop, work and consider" the effects of their actions.

Connally declared flatly that "any amendment to the charter is impossible at this time," but expressed the hope that agreement among the five big powers "may make it possible in the future to modify" the use of the veto.

The American position, Connally said, is as follows:

1. We regard the principle of unanimity as the highest importance for the success of the United Nations. 2. We believe that the responsibility imposed upon the great powers by the charter requires them to exert every effort to reach agreement on important issues before the Security Council. 3. We reaffirm the position we took at San Francisco that the veto should be used only in the very rare and exceptional cases. 4. We insist that the use of the veto cannot relieve any state from its fundamental obligations under the charter.

5. We do not favor amendment of the charter at this time, although we hope that full agreement including of course that of the five permanent members may be reached in the future to modify the practice of great power unanimity as it applies to the peaceful settlement of disputes under Chapter VI.

6. We believe that the voting formula should be clarified in the light of experience and practical need. The Security Council should embark upon this task at the earliest practicable time.

7. In particular, we believe that upon as complete a list as possible the Security Council should agree.

Bill Collins, editor of The Reporter-Telegram, served as master of ceremonies and introduced Dallas Goss of San Angelo who led the group singing. The invocation was said by the Rev. Robert J. Snell, pastor of Trinity Episcopal Church. Ireland welcomed the out-

LATE NEWS FLASHES

BURBANK, CALIF.—(AP)—A Western Airlines pilot reported Friday he was "positive" he had found the wreckage of one of the company's passenger planes which disappeared early Wednesday with 11 aboard.

WASHINGTON—(AP)—John L. Lewis' threatened soft coal shutdown came up for cabinet discussion Friday at the White House.

JERUSALEM—(AP)—Arabs and Jews were warned against using Palestine railways Friday in leaflets pasted on house walls and lamp posts here.

ATHENS—(AP)—Greek government forces have recaptured burning Skra, mountain village six miles south of the Yugoslav border, it was officially announced Friday, as the Foreign Ministry was reported considering a complaint to the United Nations Security Council.

TWA Strike Ends As Parties Agree To Arbitration

By JAMES J. STREBIG WASHINGTON—(AP)—The Trans World Airline pilot's strike—the nation's first major walkout of commercial fliers—ended Friday with an agreement to submit the dispute over pay and working rules to arbitration.

Paul E. Richter, executive vice president of TWA, and David L. Behncke, of the AFL Pilots Union—signed the agreement at 5:12 a. m. in the office of Chairman Frank P. Douglass of the National Mediation Board. Almost nine hours of contentious conferences over the final wording preceded the signing.

TWA expects to put its first planes into the air Saturday, with transcontinental flights starting from both coasts.

The walkout of approximately 1,000 pilots began October 21 over demands for higher pay for pilots and copiers of four-engine planes.

It grounded 115 aircraft along most of the company's 28,000 miles of route on three continents, threw nearly 15,000 non-flying employees out of work and cut off \$2,000,000 in weekly revenue to the company.

British To Discuss Foreign Policy

LONDON—(AP)—A demand for an immediate change in British foreign policy, which has caused a critical cleavage in the ranks of the ruling Labor Party, will come before the House of Commons Monday for debate.

Secretary of State Bevin told his colleagues he proposed free territory of Trieste must be governed by a representative of the United Nations Security Council with strong police powers.

Soviet Foreign Minister Molotov held out for limiting these powers and giving increased authority to a council of government responsible to an elective assembly.

Byrnes made his assertion in the course of a lengthy argument in Thursday night's council session.

Although he did most of the talking for the Western Powers, British Foreign Secretary Bevin and Deputy French Foreign Minister Couve de Murville were lined up with him and against Molotov on the issue.

The meeting ended when Byrnes said that before the big four finally decided to disagree they should make at least one more attempt to get together.

No General Oil Price Increase Reported

Rumors in Midland that a general increase in the price of crude oil had been posted had not been confirmed from any sources Friday noon.

The only report of any oil price news came from Chicago where John C. Pew, Southwestern district representative of Sun Oil Company announced that effective at 7 a. m. Friday, his company was posting increases in the price of oil his company purchases in East Texas, Rio Grande Valley, Texas and Louisiana coastal pools and North Louisiana ranging from five cents to 28 cents a barrel. The increases were announced Thursday by Pew.

He said the increases were for the purpose of meeting competition which has developed for the crude oil in the pools for which the increases were announced.

The rumors had the general increase at 10 cents per barrel. Many informed operators expect some sort of an overall raise in oil prices to be announced soon.

JayCees Have Panel On Paving Project

The JayCees of Midland discussed the paving project they have sponsored in the city, which has brought much publicity here from all over the United States, at the regular weekly luncheon of the organization Friday at the Scharbauer Hotel.

W. L. "Buddy" Johnson, paving contractor for the project, spoke and answered questions from the group. He was introduced by James Mims.

Ed Metzger was program chairman. Harlan Howell announced again this year the JayCees would sponsor a Christmas program of activities in Midland. Russell Howard announced that the annual JayCee Christmas Party would be held December 19 in the Crystal Ballroom of the Scharbauer Hotel.

Whites Return From Grandson's Funeral Mr. and Mrs. M. L. White, 1005 West Wall Street, returned Friday from Minden, La., where they attended funeral services for their grandson who was killed Monday when he stepped off a school bus and was struck by a truck.

Republicans Swing Axe At Federal Taxes

By JACK BELL WASHINGTON—(AP)—Congressional Republicans swung an axe at taxes Friday but ran into opposition from their own and Democratic ranks to any revenue slashes not paired with even deeper cuts in spending.

Members of the House Republican Steering Committee, eager to get their party's hands on legislative controls for the first time in 14 years, laid before Senate colleagues a quickly assembled program to take a 20 per cent slice off individual income taxes. Changes in business levies would await detailed study.

Acting while the Senators mostly talked—among other things about how to block Democratic Senator Theodore G. Bilbo of Mississippi from taking his seat—the House group went down the line for:

- 1. An eight-year tenure for future presidents. 2. "Constructive" labor legislation. 3. An end to war powers. 4. Relief from soap, oils and food shortages and. 5. "Substantial savings" in government courts.

The House members supported their 20 per cent tax cut proposal with a formal assertion that it could be achieved "while at the same time the current budget can be balanced and payments begun on the national debt."

Chairman Robert A. Taft of Ohio, who led the Senate group into its second day of discussion, said he agreed that it could be done and that the federal budget could be pared to \$30,000,000,000 next year—\$11,000,000,000 less than this year's budget.

But Senator-elect John Sherman Cooper of Kentucky, one of the "freshmen" who will give the Republicans control of the Senate, told a reporter he thinks taxes must be maintained at their present level to give the Treasury a chance of making payments on the debt.

Chinese Assembly Is Called To Order As Communists Walk Out

NANKING—(AP)—Chiang Kai-shek called the national assembly into session Friday as the boycotting Communist delegation, hinting that China's peace hopes were sunk, packed its bags to leave Nanking.

The departing Communist leader, Gen. Chou En-lai, said the government's "unilateral decision" to go ahead with the assembly would send civil warfare—flaming in North China—blazing higher than ever.

While the Communists and the Democratic League stuck to a decision not to send delegates, the generalissimo stood before the assembly and hailed it as the beginning of constitutional government for China.

The day of political tutelage in China, he said, was now over. Among the listening delegates was Madame Chiang. The assembly adjourned until Saturday, when the first preparatory session will be held.

Thirty Inner Mongolian delegates threatened to walk out unless the government grants some measure of autonomy to their and other border provinces.

Texas Crude Oil December Allowable Cut To Lowest Flow During Year

AUSTIN—(AP)—Texas crude oil production next month will dip to its lowest flow this year under the Railroad Commission's December allowable order designed to result in 2,000,267 barrels of crude daily.

Commission Chairman Olin Culbertson explained the slashing of permissive production as being in line with a normal seasonal decline in crude oil demand and as prevention against further piling up of stocks above ground.

The reduction will be affected by cutting the number of producing days from 25, the November figure, to 23 during the 31-day month of December, and leaving West Texas District 8, on 20 days and the big East Texas field on 21 days.

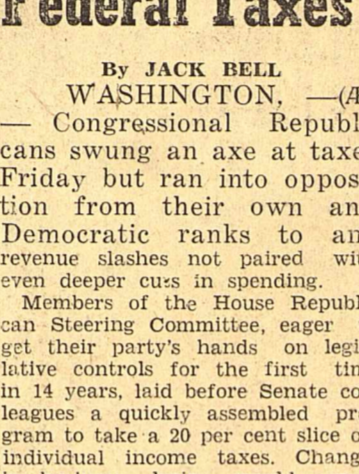

The Panhandle field exempt from shutdown.

The commission's proration order set net allowable at 2,133,618 barrels, but an estimated underproduction of 6.25 per cent was expected to cut the flow back to the 2,000,267 barrels daily, 49,733 barrels less than the U. S. Bureau of Mines forecast of demand for next month.

Production of 180,997 barrels of natural gasoline and distillate would boost flow of all petroleum liquids to 2,181,264 barrels per day.

Weather Partly cloudy and cooler Friday night and Saturday. Maximum temperature Thursday was 67 degrees, minimum 43 degrees.

Back to Civics

Lt. Gen. Harold L. George has resigned as commander of the Army's Air Transport Command to become president and chairman of the board of Peruvian International Airways. General George organized the ATC which grew into a force of 350,000 officers and men operating 3700 planes at 450 bases throughout the world.

Sun Wildcat In East Lea County May Be Discovery

Sun Oil Company No. 1-B McKinley, East Lea County, New Mexico, wildcat, between Hobbs and Lovington, and on the north side of the original Hobbs field, has indicated the discovery of commercial oil production from the basal Permian.

Operator is preparing to run casing to acidize and test the shows, and if possible, complete as a new oil well.

In a three-hour drillstem test, at 7,610-58 feet, there was a blow of air the first 90 minutes, and a blow of sweet gas the remainder of the test.

Sweet Oil Recovered Recovery was 210 feet of sweet oil, and 30 feet of drilling fluid. No signs of water developed. The oil tested 38-gravity at 72 degrees. There was no flowing pressure.

After a 15-minute shut-in pressure was 500 pounds.

Operator is preparing to cement 5 1/2-inch casing at 7,500 feet, and inject acid between that point and the total depth, and try to develop the saturated streaks in that zone into delivering commercial production.

Location of the prospective discovery is 2,310 feet from north and east lines of section 20-18-38E, and it is an old shallow producer from pay above 4,215 feet.

Globe Oil & Refining Company No. 1 Lockhart and Brown, Southwest-Central Andrews County wildcat, in northeast corner of section 20, block A-41, 1st survey, and about six miles south of the Fullerton field, suspended drilling at 8,706 feet, in line.

Operator is to set 5 1/2-inch casing at about 7,100 feet, and test shows of possible production in the Tubb zone of the Permian, through perforations.

The section from about 6,873 feet to around 7,100 feet, showed some free oil in drillstem tests. No signs of oil or gas have been reported from below 7,500 feet—and the signs between 7,100 feet and 7,500 feet, were slight.

Shell Oil Company, Inc., No. 3 Rathfif and Bedford, north stepout from production from the Devonian and from the Ellenburger, in the Bedford field, in Southwest Andrews, was making hole below 11,470 feet in Simpson lime and shale. At that point, it was understood that the project was approximately 375 feet low to nearest producer to the south—and it was getting lower as it drilled deeper. It is 1,980 feet from south section 15, block A-54, 1st survey. The exploration showed for possible production in the Devonian, but its present status does not look favorable for oil in the Ellenburger.

Shell No. 1 Brown, Northeast Edwards County wildcat, was making hole below 4,565 feet in lime and shale. No shows of oil or gas have been reported.

Humble Oil & Refining Company No. 5 Parker, southeast stepout from production from the Ellenburger in the Martin field, in Central-Southwest Andrews, bottomed at 8,950 feet, in the Ellenburger, and cemented 5 1/2-inch casing on bottom.

Operator will complete from the (Continued on Page 6)

Wyatt Asks Investigation Of Lawyer's 'Mysterious' Offer Concerning Wartime Plant

WASHINGTON—(AP)—Housing Expediter Wilson Wyatt called upon Attorney General Tom Clark Friday to investigate a "mysterious" New York lawyer's alleged offer to trade asserted government influence for \$400,000 in stock and \$180,000 in counsel fees. In the background is a many-sided dispute involving: 1. The \$171,000,000 government-owned Dodge-Chrysler war plant in Chicago.

2. The Tucker Corp., of Chicago, a new automobile manufacturing firm. 3. The Lustron Corp., also of Chicago, a prefabricated housing concern.

4. Wyatt's National Housing Administration, which wants the assembly line manufacture of homes for veterans.

5. The War Assets Administration, which already has leased the huge plant to Tucker in long-term contracts, purporting to affect the success or failure of Tucker's bid for the wartime plant.

Wyatt's statement said the lawyer presented the contracts to Tucker at noon on October 28 and stated that unless they were signed by 1:30 p. m., the National Housing Administration would issue a directive was issued on that day.

Wyatt quoted Tucker as saying the unnamed attorney "intimated he could use his influence to stall action by the office of the housing expediter in transferring the plant" to the Lustron Corp.

The contracts called for the New Yorker to receive \$400,000 in stock, \$180,000 in counsel fees for 5 years, a year for five years as counsel for the firm, and a 99-year exclusive dealership in New York for the projected Tucker Torpedo car.

Membership Tickets Available For Local Community Theater

Midland's Community Theater, which began its 1947 membership drive this week, is a non-profit organization, established under the laws of Texas for the purpose of conducting a community drama and recreational organization dedicated to study, practice, and production of dramatics, and to the promotion of painting, music and other fine arts.

The administration of the Community Theater is conducted by the board of governors, which is elected by the membership each year. Ronald K. DeFord now is president of the board.

The next theater production will be "Ladies in Retirement" and will be presented near the end of November.

Membership tickets may be obtained from the ticket committees. W. H. Pomeroy heading the committee which will handle the sale of tickets in downtown offices, and Mrs. Jack Brown and Mrs. Leonard C. Thomas will head committees selling tickets in the residential area. Memberships may also be obtained from Art Cole, director of the Community Theater.

Thomason May Seek Minority Leadership

WASHINGTON—Rep. R. Ewing Thomason of El Paso may seek the post of minority floor leader of the House of Representatives if Rep. Sam Rayburn of Bonham, present speaker of the House, should decline the honor.

The House, now Democratic, will pass into control of the Republicans next year, as will the Senate.

A draft-Rayburn movement by members of the Texas delegation is gaining impetus, and has Thomason's full endorsement.

Another possible candidate is Rep. Eugene Cox of Georgia, over whom a bitter fight in the Democratic Party may be waged.

Midlanders Remember AAC'S Anniversary

Friday was the eighth anniversary of the Airways and Air Communication Service of the U. S. Air Forces and several Midlanders remembered it.

Clayton Upham of Midland, staff sergeant at Fort Worth Army Air Base, is one.

Other Midlanders remembering are: Paul H. Jones, Newell Ellis, Jr., Jack Reid, Forrest Howell, Tom Preston and James Preston, all having served with the AAC.

John L. Lewis Remains Silent By The Associated Press The threat of a shutdown of the country's soft coal mines by a work stoppage of 400,000 AFL United Miners next week continued Friday as government officials awaited word from John L. Lewis as to whether he intended to end his government contract Nov. 20. In the West Coast shipping strike, settlement of the dispute involving CIO longshoremen, one of three unions, was announced. However, a major barrier in ending the 46-day old strike was insistence by shipowners on settlement of the CIO AFL jurisdictional dispute which has tied up the port of Coos Bay, Ore., and assurance against a recurrence. Another strike, which halted the sugar industry in the Hawaiian Islands and involved the CIO International Longshoremen's and Warehousemen's Union appeared near settlement with announcement from Honolulu that the Hawaiian Sugar Planters Association had signed an agreement granting a \$10,500,000 more yearly pay to employees. The agreement must be ratified by the ILWU and by 33 plantations. Ratification would send 25,000 strikers, already idle 75 days, back to their jobs. In the soft coal dispute, there was no immediate indication that Lewis was ready to formally advise the government of intention to terminate the contract Nov. 20. There was some hope that Lewis might agree to a short extension of the present agreement made between the union and government after federal seizure of the mines last Spring. Such action by the UMW chief would allow for further negotiations. In the movie strike in Hollywood, marked by new acts of violence this week, rewards totaling \$30,500 were offered for arrest and conviction of perpetrators of the bombing of non-striking studio workers. Gov. Earl Warren called the violence "murderous" and offered the Los Angeles sheriff and police chief any assistance needed.

HOTELS for LIVESTOCK

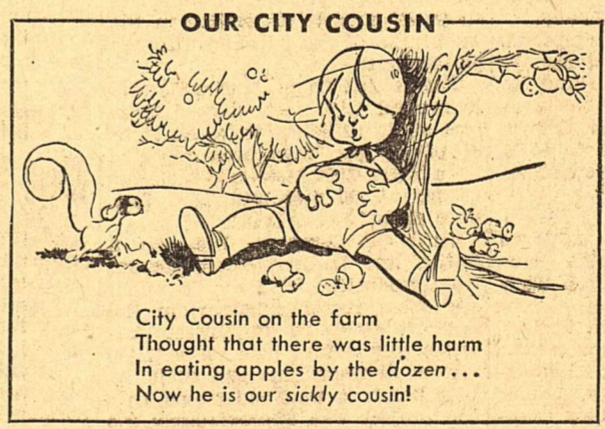

The central livestock market is as American as the "hot dog." No other country has the like of it. European sellers and buyers haggle over individual animals. In South America most of the dealing is done right on the estancias, where the livestock is raised. But here in the leading livestock nation of the world, for 75 years central markets have played a big part in the job of moving meat toward dinner tables of the United States.
When a carload of livestock rolls off the prairies or out of the mountains into one of the 65 or more great central markets, the animals are "greeted" and "registered" at the unloading dock, much as travelers are received and registered in hotels. From there they are sent to their "rooms"—the pens assigned to the commission man to whom the owner has shipped his animals. There these hogs, cattle, calves and lambs are rested and given food and drink.
Just as hotels compete for guests, so these central markets compete with each other for the business of accommodating the 88 million head of livestock which come in each year. Thousands of livestock buyers and order buyers bid against each other and the sale is made to the highest bidder. With 26,000 meat packers and other commercial slaughterers active in livestock

buying, it is easy to see that the American livestock marketing system is the most competitive in the world.
These "livestock hotels" are a separate branch of the livestock-meat industry. They are privately owned. Swift & Company does not own a single share of any stockyards company.

Thanksgiving

In this Thanksgiving month, the people of our nation—and of many other nations—owe a debt of gratitude to the ranchers and farmers of America. All through the war, in spite of its tremendous requirements, our people ate well. And in spite of sharing with the earth's hungry, our people are still eating well. Today, to be sure, not all the meat they would like to have... but plenty of nutritious food to keep them well and strong. That is because for long years millions of farm and ranch men, women and children have kept the food supply up, working harder than ever before, overcoming shortages of help and machinery and many other obstacles. Yes, Americans may well offer thanks this month to all those who produce our food.

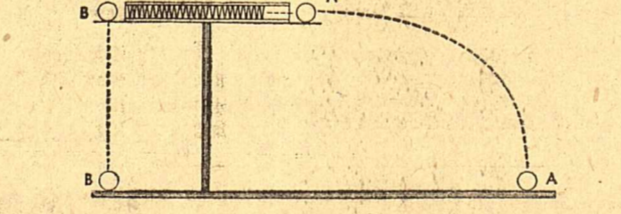

OUR CITY COUSIN
City Cousin on the farm Thought that there was little harm in eating apples by the dozen... Now he is our sickly cousin!

SPREAD
When visiting with livestock producers on farms or ranches, or at meetings, the subject of "spread" often comes up for discussion. Then I give them an explanation of the difference between the price they get for livestock and the price we meat packers receive for the meat we sell.
To me it is a source of continual surprise that the spread is not greater than it is. During my years of experience in the livestock-meat industry, here is what I have learned about spread. We at Swift & Company have been paying farmers and ranchers approximately 76¢, on the average, out of every dollar we receive from those to whom we sell, for all products we process and handle, including hides, glands, and all by-products. That leaves us 24¢ to cover the cost of processing and marketing.
Out of the 24¢ comes the cost of buying livestock and other agricultural products. The cost of preparation and refrigeration. The cost of loading them into cars and trucks. The cost of transporting them to our branch houses or to retailers. The cost of branch house operation and of selling and delivering the products to the retail dealers. In addition, we have taxes to pay; plus insurance and all the other necessary costs of doing business. When all these expenses have been paid, we make a profit, which over a period of years has averaged a fraction of a cent a pound on the 6½ billion pounds of products we handle annually.
There is no other business in the country that does so much for so little.
F. M. Simpson,
Agricultural Research Department

Soda Bill Sez:
...to be a success at farming, you have to dig in.
...if you want to realize that castle in the air, you had better get down to earth first.

Things Are NOT Always as They Seem

The mechanical device pictured above shoots the ball marked A and at the same instant drops the ball marked B straight down. It certainly looks as if B will hit the ground first, since ball A has so much farther to go. But the fact is that they will both strike the ground at precisely the same instant.
In our business, too, things are not always as they seem. On September 1, 1946, the U. S. Dept. of Agriculture reported that in the entire country there were 356 million pounds of meat stocks in cold storage. That is a lot of pounds. But actually it is the lowest on record for that date... and compares with 626 million a year ago and a 631-million average for 1941-1945. Here in America we eat about 50 million pounds of meat a day, so the September 1 supply of meat in cold storage was barely enough to feed us for seven days.

Martha Logan Recipe for APPLE TORTE
Yield: 6 servings
1 tablespoon melted butter ½ cup sifted flour
1 egg 2 teaspoons baking powder
4 tart cooking apples ½ cup nuts
1 cup sugar ½ cup chopped raisins
½ teaspoon vanilla cr dates
Pare and chop apples. Sift dry ingredients together. Combine all ingredients. Spread in a 9-inch square buttered cake pan. Bake in a moderate oven (350° F.) about 30 minutes, or until apples are soft. Serve hot or cold with foamy or hard sauce.

FERTILITY OF RANGE BEEF CATTLE
by A. L. Baker and J. R. Quesenberry
United States Department of Agriculture
Cows in the western ranch states drop from a 40 to a 70 percent calf crop with an average of 63 percent. This means that for every 100 cows the average rancher can expect to get only 63 calves.
However, the following recommendations, based on a study made, should aid the rancher in increasing his production:
1. Cows should be identified by proper markings so that shy breeders can be culled from the herd at an early age. Good producing cows may be kept until at least ten years of age without loss of fertility.

2. Cows that fail to produce calves in two successive years should be culled from the herd.
3. Where practical, it is advisable to test bulls for semen quality before breeding season in order to eliminate the partly sterile bulls.
4. There is an advantage in using bulls four years old or over, of proven breeding ability.
5. The establishment of small breeding pastures capable of maintaining herds of about 30 cows is recommended as a means of increasing the calf crop.
6. Even some larger ranches would do well to resort to pasture breeding if they could thus obtain even the 6 percent raise in calf crop obtained in this U.S.D.A. study.

Progressive Study Club
Hears Book Review By
Mrs. E. A. McCullough

Mrs. E. A. McCullough reviewed "Starling of the Whitehouse" as told to Thomas Sugrue by Col. Edward Starling when members of the Progressive Study Club met Wednesday afternoon in the home of Mrs. L. Otis Baggett, Andrews Road.

The book is memoirs of the secret service after 30 years of guarding five successive presidents.

Guests at the meeting were Mrs. V. M. Cummings, Mrs. Burl Sels and Mrs. W. B. Yarbrough.

Members present were Mrs. John Hill DeFord, Mrs. John L. Hart, Mrs. R. J. Hickman, Mrs. A. A. Jones, Mrs. W. C. Kimball, Mrs. Lindley Latham, Mrs. A. W. Cole, Mrs. J. M. Thomas, Jr., Mrs. W. C. Mitchell, Mrs. Cecil Waldren, Mrs. George J. Byrne, and Mrs. Thomas B. Grimes.

WORN OUT FROM GETTING UP NIGHTS?

If you get up nights—have frequent desire to pass your water—yes, and have headache, due to excess acidity in the urine, be glad you're reading this:

Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. So he made a medicine of 16 herbs, roots, vegetables, balsams. He called it "Swamp-Root."

Millions of men and women have taken it—often with amazing results.

Swamp-Root goes right to work to flush out kidneys... increases flow of urine, helping relieve excess acidity... soothes the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses.

Caution: Take as directed.

For free trial supply, send to Dept. R. Kilmer & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your drugstore.

Mrs. J. B. Richards, Mrs. Fred Fuhrman Give Club Program

Mrs. J. B. Richards read a paper on "Know Your Constitution" prepared by Mrs. Alden Donnelly and Mrs. Fred Fuhrman spoke on "Aliens and Citizenship" at a meeting of the Fine Arts Club Wednesday afternoon in the home of Mrs. Fuhrman, 705 West Storey Street.

Mrs. Nelson Puett, president, directed the meeting during which a rummage sale was planned for November 23 at 2 p. m. in the Benito Juarez Hall.

It was also decided to cancel the November 27 meeting and the December 12 meeting will be guest day.

In discussing the framing of the Constitution, Mrs. Richards gave the influence of the Constitution on the laws of the country and the influence it had on other nations' constitutions, pointing out how well it would be if the men who framed the United Nations charter could be as far sighted as the men who framed the Constitution.

Laws governing aliens from the beginning to the present time and how to become a citizen were discussed by Mrs. Fuhrman.

Others present were Mrs. E. H. Barron, Mrs. T. Paul Barron, Mrs. L. G. Byerley, Mrs. J. C. Carner, Mrs. O. J. Hubbard, Mrs. George Kidd, Mrs. Henry D. Murphy, Mrs. Harvey Sloan and Miss Lydia G. Watson.

President Of Hockaday Girls' School Resigns

DALLAS (AP)—Miss Ella Hockaday, president of the Hockaday School for Girls for 33 years, resigned Thursday. H. B. Mossman succeeds her as president.

Montague Resigns As 63rd District Judge

DEL RIO (AP)—Brian Montague, judge of 63rd District Court for 13 years, Friday had announced his resignation to enter private law practice at Del Rio.

Mrs. H. L. Bray Speaks On 'Old China' At Meeting Of City-County Federation

Using china plates for illustration Mrs. H. L. Bray, who is considered an authority on antiques, spoke on "Old China" at the meeting of the City-County Federation of Women's Clubs, Thursday afternoon at the home of Mrs. J. Duvall McClure, 1707 West Holloway Street.

Hostess club for the afternoon was the Modern Study Club, Mrs. Earl Statton presided at the registry.

In her discussion Mrs. Bray gave the life of Wedgwood, maker of the famous English China, and showed how to distinguish the old China from the new, interpreting the meaning of the different marks which appear on China.

Literature Group Continues Study Of American Novels

Further study of representative novels of American Life was made at the meeting of the Contemporary Literature group of the American Association of University Women, Wednesday, at the home of Mrs. M. C. Minton, 311 1/2 North Carrizo Street.

A review of "And Tell of Time" by Laura Krey will be given at the next meeting November 27 in the home of Mrs. W. P. Von Osinski.

Others present were Mrs. Edmund Borys, Mrs. Jack A. Dolman, Mrs. Andrew Ireland, Mrs. Von Osinski, Mrs. E. Hazen Woods, and Mrs. J. W. Carroll.

ARTIST TO SPEAK AT MIDLAND EXHIBIT

A special "Meet the Artist" program will be presented Sunday afternoon at 4 p. m. in the City-County Auditorium when Simon George Michael will speak and talk informally with guests, in connection with his art exhibit which opens Saturday at 10 a. m.

The oil and water color exhibit is being presented by the Midland Concert Lecture Association in collaboration with the American Association of University Women.

The paintings will be shown in the City-County Auditorium from 10 a. m. to 12 noon and from 2 to 5 p. m. Saturday, from 2 to 6 p. m. Sunday and from 10 a. m. to 12 noon and 2 to 5 p. m. Monday.

Bryan Voters Approve Improvement Bond Issue

BRYAN (AP)—Bryan voters approved Thursday by a vote of two to one a \$3,000,000 revenue bond issue for improvements to the electric power plant, water works and sanitary sewer system.

Dr. Wallace Bassett Named Head Of Texas Baptist Convention

MINERAL WELLS (AP)—Texas Baptists went forth from this convention city Friday full of crusading spirit generated at the biggest get-together in their history.

"Easily our most constructive convention," said genial Dr. Wallace Bassett of Dallas, husky new president of the group, which represents a million Baptists in the state.

"We have squared our shoulders, opened our eyes and bowed our heads," retiring President E. D. Head of Fort Worth commented.

For the Baptists, last year was the most prosperous ever. But more and more money would be needed for huge expenditures in sight. Baptists plan to buy property adjacent to every state school, erect centers for Bible classes, complete with classrooms, chapels and recreation facilities.

Named vice-president was Chester Watts, pastor of the First Baptist Church of Mineral Wells.

The Rev. Thomas A. Gray of McAllen was named second vice-president; the Rev. D. B. South, superintendent of city missions, San Antonio, and Dr. Roy J. Johnson, pastor of the First Baptist Church, Canyon, were re-elected secretaries and J. Earl Mead was continued as secretary of the convention corporation.

Apollo Boys' Choir To Give Program Here

Both sacred and secular music, which includes a broad variety of selections ranging in period and temperament from early classical to modern will be presented by the Apollo Boys' Choir in their concert scheduled at 8:15 p. m. Saturday in the Midland High School Auditorium.

The group is being brought to Midland under the auspices of the Midland Concert-Lecture Association.

Coleman, founder and director of the choir, is considered an authority on the training of pre-adolescent boys' voices. In 1937, he was a guest of the famous Vienna Boys' Choir at Castle Wilhelmsberg in Austria.

Accompaniment for the solos will be played by Bert Hallock.

The choral numbers, which are in four, five and seven part harmony, will be sung without accompaniment.

On the program the first group of numbers will be compositions of Sixteenth Century Liturgical Music by Arcadelt and Schmidt.

Another number of interest will be the "Kyrie" by Mozart, written for five sopranos. The secular section of the program will include numbers by Mozart, Weber, Tschai-kowsky, Greig, Lincke, and Golson.

Coming Events

SATURDAY
The Moment Musical Club will meet at 11 a. m. at the Watson School of Music.

The Twentieth Century Club will sponsor a benefit bridge party from 2 to 5 p. m. in the ballroom of the Scharbauer Hotel.

An exhibit of oil and water color paintings by Simon George Michael will be opened at 10 a. m. at the City County Auditorium. The show is being presented by the Midland Concert Lecture Association in collaboration with the American Association of University Women.

No Time For Cheers Or Tears

We may all hope that the feelings of elation and bitterness aroused by the national election results will be temperate and brief. For there is a job to be done that leaves little time for celebration or sulking. It is a job that requires a united effort which can be even more difficult of attainment in the next two years unless there is a great deal of responsible statesmanship shown on both sides.

In gaining control of the Congress, the Republicans have obviously won a large measure of responsibility along with their victory. The time has now come for GOP legislators to abandon opposition for opposition's sake and put aside generalities. They must justify the faith of their electors with a sensible, specific program calculated to bring about the change and betterment which the election results clearly demand.

The Democrats must bow to the will of the majority, which had kept them in control of Congress for 14 years. The era of Franklin D. Roosevelt, which brought the party unprecedented power and prestige, is at an end. Strong personality that held an assortment of mutually hostile political groups together under one leadership is gone. The party undoubtedly must regroup its ranks and assume, at least partially, the role of a responsible minority.

With a Democratic President and a Republican Congress there will be an even greater temptation than before to play a furious game of partisan politics with an eye on 1948. It is discouragingly easy to foresee what might happen—a running battle of vetoes and overriding votes between the White House and the 80th Congress.

Nothing, of course, could be less desirable. A division of partisan control in the government's legislative and executive branches is an intrinsically uneasy and unproductive arrangement. It will require the greatest responsibility and forbearance by all concerned of the country is to recover from the state of confusion and contradiction in which it went to the polls on Tuesday.

Our economic and industrial machine must be put in order, set on the track and started forward. Recurrent strikes and chronic dissension must be halted somehow. Government can't do the whole job, but at least it can show the way.

All the material necessities for progress and prosperity are at hand. What is lacking is the will to get together and use them. In the past year the bitter strife between management and labor has been reflected in government, and government quarrels have drifted down to widen further the breach between management and labor.

This cannot go on much longer. Democratic politicians and Republican politicians, company bosses and union bosses have got to realize that the protest vote of Nov. 5 was a protest vote against the paralyzing contention for which they all must accept a share of blame.

Truman and the 80th Congress face a difficult and discouraging task. They must contrive to attack it with the same bipartisan strength that is now being devoted to the equally difficult and discouraging task of foreign relations. To accomplish this will take all the good sense and political conscience that God has given them.

There are 57 varieties of sausage in Russia. Plenty of baloney, too!

A shortage of beans in Boston is reported. Now we know things have gone to pot.

74 Farm Highway 307 Work To Begin In 30 Days

Paving of Farm Highway 307 from Cloverdale east 10.15 miles to the Stokes Community is scheduled to begin within 30 days, County Judge Elliott H. Barron said Friday.
The contract, totaling \$71,303.09, was awarded Thursday to the Ted B. Smith Construction Company of Sweetwater by the State Highway Department. The project calls for grading, a stabilized foundation course and base preservative.
Smith has done construction work for the county and State Highway Department previously, and formerly lived in Midland.
Judge Barron pointed out that in addition to serving as an improved farm-to-market road, the highway will serve both the Prairie Lea and Stokes communities.

Army To Reduce Force Within US

WASHINGTON.—(AP)—The Army in a new economy measure ordered a reduction of approximately 38,000 in the strength of ground forces in the continental United States.
Gen. Jacobs L. Devers, ground forces commander, announced that 56 units would be stripped to skeleton size, including the wartime 2nd Armored and 3rd Infantry Divisions.
Devers noted that the overall reduction, latest of a series of economy measures resulting from President Truman's orders limiting Army expenditures this year to \$8,000,000,000 was equivalent to about two and one half infantry divisions.
The two divisions, which fought in both the Mediterranean and European theaters, will be reduced to a nucleus of one officer and one enlisted man per battalion of higher headquarters.
All other ground force units will be cut temporarily 20 per cent in strength because of the absence of men on amphibious and winter maneuvers.

Kerr And Carr Form New Partnership Here

C. W. Kerr, owner of Kerr's Lock Service, and Claude Carr, owner of Carr's Electric, have announced the forming of a partnership under the name of Kerr and Carr.
The business is located in the same location as Kerr's Lock Service, 315 East Wall Street.
Kerr has been in Midland 35 years. During the first years he was a general mechanic and auto electrician. He has been in the key business the last five years.
Carr has been in the automotive electrical business several years in Midland.
The partnership will specialize in repair service on starters, generators and small electric motors, along with making keys, repairing locks, and doing general machine work.

Sowing the Seeds of Faith

Parents seldom realize how far-reaching and effective is the religious instruction they impart to their children. The simple stories and great truths of the Bible remain with them throughout life and influence their character and conduct.

One of the best stories coming out of the recent war was that of the lonely lad on Guadalcanal who wrote his mother asking her to join him in reading a certain Scripture passage at a stated hour each day.

This incident was a throwback to the religious instruction of the soldier's childhood, and it furnished the inspiration for the concerted daily Bible reading program now prepared annually by the American Bible Society.

The Guadalcanal incident was by no means an isolated case. Other men and women, in periods of great trial, have been sustained and strengthened by the religious training they received in childhood.

This is but one of many important reasons why parents should make religion the dominant factor in their homes, and should cultivate the Church as the vehicle through which faith in God and the truths of the Holy Scriptures are passed on from generation to generation.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

CALL ME LIZ

by Rene Ryerson Mart

THE STORY: Red McFan, army pilot, comes home with a chestful of ribbons and a cocky swagger. His old boss offers him a chance to finish school and a part-time job meanwhile, both of which he accepts. Russ Condon, the boss' son, is his closest friend. Russ is in love with Elise Varney, who doesn't like Red. Red thinks he's losing his way with women when he can't seem to make any time on a date. Elise provides for him. The next day, however, he picks up a cute coed, takes her to the movies, kisses her goodnight. He feels better.

IX
MONDAY morning Red started to work in the laboratory. The first Elise knew about it was when Russ brought him in and said smilingly, "Well, here's your new helper."

Her unpleasant surprise registered on her mobile face. "Help?" she said factlessly, caught for the moment off guard. "You mean he's going to work here?"

"Just mornings," Russ explained. "Red is slated for a job in the laboratory when we open the new plant. We want him to work here and get in touch with what we're doing, while he's going to school."

"Oh, I see," Elise purposely busied herself at her work for a moment while she got herself in hand. She didn't think she was going to like working with Red McFan. There was something about the man that got under her skin. But since it was all evidently pre-arranged there was nothing she could do about it.

She managed a smile as she turned back to Russ and Red. "I'm sure that will be all right." And then to Red, "When do you start?"

"Right now," Red said. "He hadn't, however, missed the look on her face when Russ broke the news to her. He waited until Russ was out of ear shot and said smartly: "You don't need to look like that, Liz. I don't bite."

McKENNEY ON BRIDGE

By WILLIAM E. MCKENNEY
 America's Card Authority
 (Written for NEA Service)

Even the expert sometimes loses a hand through his failure to count tricks. A subject I harp on persistently. Today's hand came up at an important tournament, and the bidding shown is exactly the way it took place at the table.

The expert won the opening trick with the ace of clubs and led the ace of spades, on which East played the queen. You can see that if declarer had cashed the king of spades, he would have had to lose only two hearts and a diamond.

But without counting the hand out, he started on a complicated

The break into the coast and the target. Test your guns. And now the flak, the little black flow-ers of death. Blossoming in the morning sky. Roll up and over and dive down. Doing 450 miles an hour. Release bombs. Guns going. Pull up and out of it. Pressure forcing one down and out until the red haze came.

And then miraculously the open sky again. The little black flow-ers left far behind. Out of it and safe. Head for home and the sack.

Red wrote it as he remembered it. Wrote with short staccato sentences, the feelings of excitement, fear and elation pouring over him until the sweat streaked down his face.

He finished writing in a whirl of creative pride. He laid down his pen and read back over what he had written. His flush of accomplishment began to fade. Sure it was good. It expressed what he had seen and felt that morning. But it wasn't written according to good English form.

He could see the stiff old Eng-lish prof going over it. Picking it to pieces. Marking the pages black with underscored errors. (To Be Continued)

Sun Wildcat

(Continued from Page 1)
 Ellenburger through casing perforations. It is reported by unofficial sources that this well topped the Ellenburger about 40 feet high to a nearby producer.

Olson Drilling Company and Skelly Oil Company No. 1-A Lockhart and Brown, wildcat in north-east sector of the southwest quarter of Andrews County, and about 12 miles south and west of Andrews, ran a two-hour drillstem test at 6,870-6,920 feet, in the lower Permian. Recovery was 120 feet of drilling mud, with no shows of oil or gas.

Taking Another Test

The prospector drilled ahead to 6,970 feet, with the samples showing oil stains and odor. Operators are taking another drillstem test at 6,920-70 feet.

Tests above 6,870 feet developed slight indications of possible production.

L. W. Elliott, trustee, No. 1 Tisdale, Central Schleicher County wildcat, cemented 7 5/8-inch casing on bottom and will perforate and test opposite saturated sections above that point, thought by the operator to be in the Wichita-Albany zone of the lower Permian. Has Air Blowout

Standind Oil & Gas Company No. 1 Fisher, Southwest Hale County exploration to around 7,000 feet, in the vicinity of Petersburg, was making hole past 3,660 feet in San Andres lime, topped at 2,620 feet, on an elevation of 3,316 feet. Top of the anhydrite was at 1,260 feet.

The project had an air blowout from the Yates sand, at 1,585 feet and has been having trouble with the heavy air blow ever since. No signs of oil have been encountered.

Veto Power

(Continued from Page 1)
 of types of decisions where the veto does not apply.

"3. We believe that Article 27 makes it clear that in the field of peaceful settlement no state should be a judge in its own cause.

"4. The problem of great power abatement should be carefully considered, particularly with respect to peaceful settlement of disputes."

Seminole Woman Hurt When Auto Overturns

Mrs. R. E. Bodine of Seminole was brought to Midland Thursday night with injuries received when her automobile overturned nine miles south of Seminole on the Andrews Highway.

Garland Eastland of Andrews, a passerby, brought the injured woman to the Midland hospital.

She suffered from shock and bruises. Her condition Friday was satisfactory and not serious.

Delegates Return From Meeting Of Presbytery

The Rev. Hubert Hopper, pastor of the First Presbyterian Church, Jim Kendrick and Harry McClintic, elders, returned Thursday from Lovington, N. M., where they attended the Fall meeting of the El Paso Presbytery.

Mr. Hopper and the Rev. James Moore of Seminole were named as the Presbytery's commissioners to the 1947 General Assembly of the Presbyterian Church, U. S.

Monahans Man Notified Of Father's Death

Grady Sissons of Monahans, attending a stock sale in Midland Thursday, was notified of the sudden death of his father in Monahans.

Midland police, performing a public service, notified Sissons.

Livestock

FORT WORTH — (AP) — Cattle 1,500; calves 1,400; trade in cattle and calves Friday moderately active, about in line with Thursday's levels. Low grade made bulk of receipts in all classes. Mature steers absent. Common and medium butcher yearlings 11.00-17.00; odd head good cows 10.50-14.00; bulls 8.50-13.50; low quality stocker calves and yearlings 10.00-13.00; slow trade better kinds scarce; stocker cows fairly active, 8.50-10.50.

VISITS HUSBAND IN MIDLAND

Mrs. Cecil C. Collings of Big Spring is visiting in Midland with her husband, Judge Collings of 70th District Court.

MIDLAND VISITOR

Luther Neal of Odessa was a Midland visitor Friday.

TO SEE TCU-TEXAS GAME

Mr. and Mrs. Jack Wilkinson and Mr. and Mrs. Tom Sealy are in Fort Worth for the weekend to see the TCU-Texas football game.

Officers Installed By VFW Auxiliary

Mrs. Lige Midkiff was installed as president of the Veterans of Foreign Wars Auxiliary of the Temple and Weldon Harris Post at a meeting Thursday evening in the home of Mrs. Pat McMullan, 509 West Tennessee Avenue.

The installation service was the initial meeting of the auxiliary.

Mrs. Margaret Barnett, president of District Seven, conducted the opening exercises held according to obligation ceremony. She was assisted by Mrs. Serena Brandon, president of the Odessa VFW auxiliary; Mrs. Mable Anthony, junior vice president of the Odessa group, and Mrs. Janie Moravits, patriotic instructor of the Odessa auxiliary.

Kiwanis

(Continued from Page 1)
 of-town guests and introduced the delegations.

A highlight on the entertainment program was the singing of four solos by Goss, accompanied by his sister, Miss Alma Goss, at the piano.

Special Gifts Presented

Special gifts were presented to Mrs. Joseph Holt, Mrs. R. K. White, Mrs. C. C. Keith, Mrs. Sam Salt, Scottie Johnson of San Angelo, Robert Stribling of Big Spring, Mrs. R. R. Connally of Sweetwater, Nat Schick of Big Spring, Mrs. J. D. Westbrook, Mrs. R. L. Grubbs, Mrs. Alvin Hay, and Mrs. Sam Black.

Carroll F. Sullivant, of Gainesville, lieutenant governor of Division One of the Texas-Oklahoma Kiwanis district, traced the development of the Midland Club and introduced Porter.

In addition to presenting the charter, Porter presented a sponsor streamer to the San Angelo Kiwanis Club for its part in helping organize the Midland Kiwanis Club.

Lee E. Gardner of Wichita Falls, lieutenant governor-elect, was introduced to the group.

Special awards to the new Midland club were presented by John-son, president of the San Angelo club, and accepted by J. T. Baker, vice-president of the Midland club.

The Midland club is the 2501 Kiwanis club organized in the United States and Canada.

Forty-two of the 45 charter members of the Midland club were present.

Clears Theft Cases

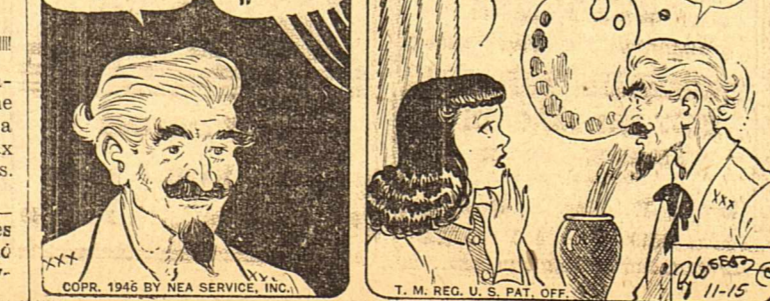

The arrest of two 13-year-old Midland youth by Police Chief Jack Ellington Thursday cleared up two theft cases.

The youths had stolen a shotgun from a car and jewelry.

VISITORS FROM EASTLAND

Mrs. W. S. Poe and Mrs. Herbert Tanner of Eastland are visiting Mrs. H. L. Bray, 602 North Marienfield Street, and Mrs. Maude Leonard, 710 West Ohio Street. Mrs. Poe is a sister of Mrs. Bray.

Humble To Broadcast Four S'west Games

HOUSTON — Play-by-play descriptions of three Southwest Conference football games and one inter-sectional game will be brought to stay-at-home fans in broadcasts sponsored by Humble Oil and Refining Company Saturday afternoon.

The broadcast of the Rice-Texas A&M game at College Station will go on the air at 2:20 p. m. over WOAI, San Antonio, and WFAA-WBAP, Dallas-Fort Worth.

From TCU Stadium in Fort Worth, the broadcast of the Texas University-TCU game will begin at 1:50 p. m. The play-by-play description will be carried to stations WRR, Dallas, and KRCS, Midland.

Also beginning at 1:50 p. m. will be the broadcast of the Arkansas-SMU game at Fayetteville, Ark. over KRLD, Dallas.

Humble's broadcast of the inter-sectional game between Baylor and Tulsa at Tulsa will begin at 2:20 p. m. The broadcast will be carried by KFJZ, Fort Worth.

SPORTS

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, NOV. 15, 1946

For Dad! Bulldog A Steer Tonight

For Dad!
The Midland High School Bulldogs, plagued with injuries but full of fight, will play one for their dads in the high school stadium here beginning at 8 p. m. Friday night against the invading and ho-ped-up with ambition Big Spring Steers.

The game has been dedicated here to the fathers of the Bulldogs, who will sit in a special section and be numbered correspondingly with their son's jerseys.

What a battle is scheduled. Big Spring has been laying for Midland since last fall when the courageous Bulldogs beat the Howard County boys when they didn't expect it.

The two elevens stack up fairly even but Midland has a moan, but no alibis because of injuries to three first-string lads, Bobby Drake, spinnerback, Jack Kidwell, end, and Howard Mickey, tackle.

Both teams are in the running to salvage grid glory in the second division scrap of 3-AA behind the league leading Odessa Bronchos and second-place Sweetwater Mustangs.

Two of the fastest teams in the conference will take the field. Big Spring held Odessa down to a 12-0 count early in the season. That will be remembered by Midland at the whistle.

S'West Conference Quarter-Finals To Be Played Saturday

By HAROLD V. RATLIFF
Associated Press Sports Writer
Quarter-finals of the Southwest Conference football race will be played Saturday with indications there will be a three-way tie for the lead when the firing is over at Fayetteville, Fort Worth and College Station.

Arkansas, Rice, Texas and Texas A&M start the festivities tied for the lead but Rice and A&M play each other, thus at least one team will be eliminated.

Arkansas engages hapless Southern Methodist and Texas meets dangerous Texas Christian. SMU and TCU are out of the running but they could play hob with a couple of dreams. The Christians are most likely to pull an upset. They get Texas at Fort Worth on Homecoming Day and on Homecoming Day they have been poison for the Longhorns. On seven such occasions out of nine they have dropped Texas.

Rice and Texas A&M battle at College Station with the Owls favored by a touchdown. Not only are the Aggies severely crippled but they meet an angry Rice team on the rebound from an unexpected defeat.

Baylor's victory-starved Bears go to Tulsa to play the Tulsa University Golden Hurricanes in an inter-sectional game.

Three Air Bases Are Transferred To WAA

MISSION — (AP) — Transfer of three former Army Air Bases in this area from the U. S. Army Engineers to the War Assets Administration for final disposal is planned for November 22 instead of November 15, it was learned here Friday.

Pups Win, 7-0, Bulldogs B Lose 27-7 As Midland Elevens Close Out Season

Filler Sparks Midland Score

LAMESA — A big boy named Boyce Mahaney, fast as a midge, but larger, was the difference here Thursday night and the Lamesa "B" Tornados ripped the Midland "B" Bulldogs, 27 to 7, in a season finale for the Bulldogs.

Mister Mahaney is ineligible for the varsity but he well could make it at Lamesa. He is a 180-pounder and runs windy.

He scored a first quarter touchdown, running 37 yards on a right end sweep and cutting back down the sidelines. Richardson failed to nudge over the extra point and Lamesa took the lead, 6-0, and never was headed.

Just as the third quarter was ending, Mahaney passed 27 yards to Ross Peterson, end, who ran over a touchdown. Mahaney rammed over the extra point, making it Lamesa 13, Midland 0.

And before the fourth quarter was a minute old the Tornados scored again. A long pass to Gerald Barry, end, advanced the ball to the four-yard line before Ken Goode nabbed him. Taylor, back, battered over for the score. Berry kicked for the extra point. It was Lamesa 20, Midland 0.

Drake's Tally Beats Breezes

By TANNER LAINE
LAMESA — The John M. Cowden Junior High Bullpups of Midland waged war on Lamesa's Junior High Breezes for three and one-half quarters of football here Thursday night before punching over a fourth-quarter touchdown that was the difference, winning 7 to 0.

However, the Midland youngsters were in hot water at the finish, the Breezes having the ball and very intently trying for a tie. The game ended with the ball in possession of Lamesa on Midland's one-yard line. Correct, one-yard line.

Midland scored with a drive of 53 yards to a tally in the fourth frame. The Pups took over the pellet on their own 47 after a punt. A pass to Roy Mann, back, advanced to the Lamesa 25. Then Gilmore, end, snared an aerial on the 16. Bobby Holt, back, swept to the 5. Holt sneaked to the 4. Arnold Drake, back, then bolted over for a touchdown. Holt passed to Dwayne Bush for extra point.

Stop Threat

In the fading minutes Lamesa made its greatest advance. With triple reverses working wonderfully, the Breezes surged from Midland's 45 down to the 9-yard line. They vaccinated into the Pup line to get to the 3. Then a wide, wide end sweep unheeded and it looked like the little Breeze back would make it around the Pups' end. But a little Purple Shirt chilled the ball carrier and the threat died ending the game.

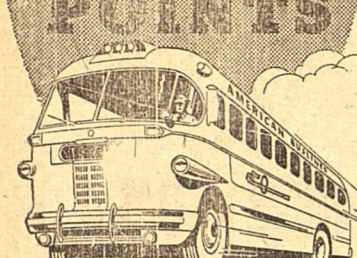

The scrapping little Midlands threatened throughout the game but couldn't find pay dirt until the last quarter. This game closed the season for the team.

THE WORLD'S FINEST PERSONAL PLANES!

THE GLOBE "SWIFT"
Offers you an airplane that until now could not be had at any price. A 140 mile per hour cruising speed makes it unequalled in performance and economy. All metal construction makes it truly "the aristocrat of personal planes." New DeLux 125 h.p. model for demonstration.

THE LUSCOMBE "SILVAIRE"
Recently reduced in price, is by far the greatest value being offered the flying public today. All metal construction contributes 25 miles per gallon economy and new metal wing gives both Standard "65" and DeLux "85" models performance unapproached by any competitive product. Demonstrator on hand.

BOWLING

Continental Airlines, moogle of the major bowling league of Midland, got a scare from Scharbauer Hotel in matches at Plamor Palace Wednesday night. The Airliners won three close ones, which all were decided on the last frame.

Perman Well won two from Mabece Drilling; Midland Tire copped a couple from Burl's Standard and Honolulu Oil beat Tot's Gulf Twice.

Lee Tharp of Scharbauer Hotel rolled high individual series with a score of 588. B. A. Prothro also of Scharbauer kugged high individual game with 230. Continental team rolled high series with 2,562 and high game with 899.

The standings:

Deer Hunters Hoping For Weather Change As Season Opens

AUSTIN — (AP) — Texas deer hunters Friday were cursing the warm, muggy weather, hoping for a change to dryer and cooler Saturday when the season opens.

Reports to the game, fish and oyster department indicated much of the deer country Friday was overcast, with some light rain.

For deer hunters, this is the worst possible weather. It contributes to quick spoilage of game after it is killed.

Howard Dodgen, executive secretary of the commission, advised hunters to hang up deer carcasses, covering them carefully against moisture, to cut down on the chances of losing meat.

SAVED THEIR DOUGH
The cash savings accumulated by U. S. consumers during World War II were as large as the total amount they actually spent for goods and services in 1945.

Ted Williams Named Most Valuable Man In American League

By JOE REICHLER
NEW YORK — (AP) — Ted Williams, Boston Red Sox outfielder, clinaxed a brilliant five-year career in the majors Friday when he was named the most valuable American League player of 1946.

The 28-year-old slugger, whose lifetime .353 batting average trails only those of Ty Cobb, Rogers Hornsby and Joe Jackson, polled a total of 224 points in the balloting by a 24-man committee of the Baseball Writers' Association of America.

Second place went to Detroit's Hal Newhouser, winner of the award in both 1944 and 1945. The great Tiger lefthanded pitcher, whose 26 victories last season gave him a total of 80 pitching triumphs over a three-year period, received 197 points.

The Red Sox won three of the first four positions. Second baseman Bobby Doerr, with 158 points, and shortstop Johnny Pesky with 141, placed third and fourth, respectively.

First baseman Mickey Vernon of the Washington Senators finished fifth. Bobby Feller, Cleveland's great righthander, placed sixth. Seventh place went to Dave (Doc) Ferris, the Red Sox sensational sophomore hurler. Rounding out the first ten were Hank Greenberg, Detroit; Dom DiMaggio, Boston, and Cleveland's manager, Lou Boudreau.

After the first ten this is how the players ranked: Rudy York, Luke Appling, Tex Hughson, Earl Caldwell, Charley Keller, George Kell, Spud Chandler, Aaron Robinson, Joe DiMaggio, Bobo Newton, Vernon Stephens, Phil Marchildon, Buddy Rosar, Stan Spence, John Berardino, Tom Henrich, and F. Al Wagner.
