Grain groups eye lawsuit

The Texas Corn Growers Association has endorsed a decision by the Grain Sorghum Producers Association proposing legal action against the US Dept. of Agriculture because corn shipped by the government from northern Corn Belt states is being sold in competition with grain produced by High Plains farmers.

The GSPA is seeking donations to help cover the estimated \$250,000 cost of the suit. If enough funds are not raised by July 10, the commodity group will not proceed with the lawsuit.

In a letter issued last week, the GSPA reported that it had exhausted every political avenue to prevent the Commodity Credit Corporation from "selling these millions of bushels of corn as proposed."

The GSPA estimates such sales would lower the income this year of an average High Plains grain sorghum or corn producer by some \$5,000 or 50 cents per hundredweight.

Carl King, president of TCGA, issued a letter to area producers Tuesday in support of the proposed legal action.

Little League park renamed for Howell

Dimmitt's Little League baseball park is now officially the George Howell Little League Park, named in honor of the late youth worker and sports booster who devoted more than 20 years to Little League baseball as an umpire, coach and league officer.

The park's new name was announced by League President John Brooks in season-closing ceremonies Tuesday night.

The ceremonies also included the introduction of all teams and announcement of Little League All-Stars to represent the city in the playoffs.

Named to the Little League All-Star team were Steven

Gonzales, Ronnie Calderon, Emilio Arce and Ruben Martinez of the Astros; Jim Nelson and Orlando Catano of the Braves; Mark Standlee and Scott Sava of the Dodgers; Todd Durham, Paul Dannevik, Val Barrera and Tommy Vargo of the Yankees; Roger Rodriguez of the Rangers; and Jerry Gonzales of the Cards.

Jerry Durham, who coached the Yankees to the league championship this year, was named manager of the All-Stars. All-Star coach will be Henry Rivera, who guided the Astros to a second-place finish.

Local onions go to market

Castro County onions are enhancing hamburgers as far away as Canada, according to Manager Lee Drake of La Mantia, Cullum, Collier & Co., Inc. Drake said LCC is shipping onions "all over the United States" as well as into Canada.

Drake said the quality of the onions is good this year, but the price is down some.

The Dimco plant here will start receiving onions Monday, Manager Al McClure said.

SQUARE DANCERS from throughout the area whoop it up at the "Jaws of Life Dance" Saturday night in the County Expo Building. In background are the banners of five square dance clubs represented, including the Top of Texas Cloggers of Amarillo. The dance featured square dancing, round dancing,

door prizes, food, and an auction of arts, crafts and baked goods. Sponsored by the Dimmitt Promenaders and Nazareth Kurlie Q's, the event netted \$700 for the Jaws of Life Fund to help the Dimmitt Volunteer Fire Dept. buy a hydraulic rescue-tool system.

Diamond Shamrock calls it off

The Diamond Shamrock Corp. announced last Thursday that it would not build the proposed fuel-grade alcohol plant in Dimmitt.

According to DS officials, the decision is based primarily on the oversupply of petroleum products on the marketplace and the failure of the Texas Legislature to enact the gasohol excise tax-exemption legislation.

Carl King of the Texas Corn

Growers Association has spent much of this week encouraging Diamond Shamrock officials to "keep their options open" in the event that HB24, the gasohol tax exemption bill, passes in the upcoming special session.

King said that he, Commissioner Reagan Brown and House Speaker Bill Clayton plan to meet with Gov. Clements before the special session begins to encourage him to put HB24 in call.

"We still have the votes we had at the end of the regular

session," King said. "It was the filibuster that killed us." King feels the prospects for

the passage of the bill in special session look good. He [See DIAMOND, Page 13]

'Jaws of Life' assured

A Hurst Emergency Rescue System — known as the "Jaws of Life" — will be delivered to the Dimmitt Volunteer Fire Dept. tonight (Thursday).

Fire Chief Randy Griffitt invited all interested firemen from Hart and Nazareth to attend tonight's training meeting, starting at 7:30, to learn how to use the hydraulic emergency rescue tools.

Purchase of the new emergency rescue tools was assured when the Jaws of Life fund drive — which started March 12 — went over the top during the week.

With donations of \$2,000 from the First United Methodist Church's Lamar Founda-

tion and \$700 from the Dimmitt Promenaders and Nazareth Kurlie Q's, the fund reached \$9,777.96 by Monday, Griffitt reported.

It was more than needed to buy the basis system, and will enable the fire department to add some extra lifesaving attachments.

The department has ordered a Hurst Model 28 system, with a ram attachment and extra hydraulic hoses, Griffitt said. "and we may be able to get the hand-pump, too, which serves as a backup to the power unit and also could come in handy if we ever have to work on two vehicles at one time."

Commission nixes hail suppression

The Texas Water Commission last week denied the application of Plains Weather Improvement Association, Inc., for a weather modification permit.

In an 11-page report, the commission cited 40 findings of fact and 19 conclusions of law explaining its decision.

Hepatitis diagnosed in player

Local health officials confirmed this week that persons involved with the Little League baseball program during the past week may have been exposed to hepatitis.

One of the Little League ball players has contracted a form of hepatitis, according to Kids, Inc. officials.

The concession stand and restroom facilities at Dimmitt's junior baseball parks will be closed until the district Babe Ruth and Little League tournaments. The facilities are being sterilized as a safety precaution.

Anyone who has eaten open food from the concession stand during the past week or believes he or she has been exposed to hepatitis, should consider having a gamma globulin booster shot.

The booster shots are available at the South Plains Health Provider clinic and local doctors' offices.

A doctor with SPHP said the incubation period for hepatitis varies with the type of the disease. He also said the general symptoms of hepatitis are general weakness, nausea, vomiting, diarrhea and fever.

July 4 will be a great day for the Castro County Historical Commission as it stages the county's first official Texas Historical Marker dedication service.

US Representative Kent Hance will be here to give the dedication address. He will be joined on the program by state officials and area historians.

The marker will commemorate the J. W. Carter Family and the 7-Up Ranch. The Carters were the first permanent settlers in Castro County, moving to this area in 1884.

The patriotic celebration will be at 10 a.m. Saturday and will take place on FM 145 at its intersection with FM 1055. From Dimmitt, the location is six miles west on

Hwy. 86 and 10 miles south on FM 1055, or twelve miles south on Hwy. 385 and six miles west on FM 145.

Public transportation will be available to all who meet at the Cowser Abstract & Title Co. at 9:30 a.m. Saturday. People with vans are encouraged to share transportation with others so that congestion at the site can be kept at a minimum.

Master of ceremonies will be Don Nelson. He will also lead the group in singing the national anthem.

Mrs. L. B. Bowden, chairman of the historical commission, will give the welcome, and Rev. Monte Wike will give the invocation.

The pledge of allegiance to the US flag and the salute to the Texas flag will be led by Boy Scout Troops 266 and 275 of Dimmitt.

Nelson will present the history of the Carter family.

Jack Cowser will unveil the marker, and County Commissioner Edd Wilson will read the inscription.

Dedication of the marker will be by US Representative Kent Hance, followed by the acceptance by Castro County Judge M. L. Simpson.

Others on the program will be State Representative Bill Clayton, National American Legion Commander-elect Jack [See MARKER, Page 16]

Who's open?

Who's closed?

Government offices and several local businesses will close Friday in observance of Independence Day. However, all food stores and many general merchandise stores have indicated that they will stay open both Friday and Saturday.

Chamber of Commerce Manager Dolores Heller, after surveying member businesses this week, said that generally those businesses that normally are open on Saturdays will close on the Fourth, while those that are usually closed on Saturdays will close Friday in observance of the national holiday.

Businesses that will take their holiday on Friday include the First State Bank of Dimmitt, Farmers' State Bank of Hart, Castro County government offices, City of Dimmitt offices, and the Castro County News.

All post offices will be closed Saturday. No mail will be received or dispatched that day.

High Plains Clinic and Dimmitt Medical-Surgical Clinic will both be closed on the Fourth, but Dr. Bill Murphy will be on call. Coleman Pharmacy and Parsons Drug will also close Saturday.

Celebration set Saturday at Sunnyside

The Sunnyside Lions Club will sponsor a Fourth of July celebration Saturday, beginning about 2 p.m. and climaxing with a fireworks display.

Festivities will begin with fun and games including a horseshoe pitch, dominoes and a dunking board.

The ice cream supper will begin around 8 p.m.

The day's activities will end with the fireworks display.

The club will accept any donations for use in club projects such as Girlstown, Boys' Ranch and Aid to the Blind.

Church to mark 90th anniversary

The First Baptist Church of Dimmitt will observe its 90th anniversary with a three-day celebration July 10, 11 and 12.

Frank Pollard, former minister here who now pastors the First Baptist Church of San Antonio and conducts a TV ministry, will be here to speak at the Friday evening service July 10 at 7:30 p.m. He also will be the featured speaker at a men's breakfast the following morning at 7:30.

Saturday evening at 7:30, Dr. Carlos McLeod, president of the Baptist General Convention of Texas, will be speaker. He is the pastor of

the First Baptist Church of Plainview.

Speaker for the 11 a.m. worship service and 2 p.m. closing service Sunday will be Dr. Strauss Atkinson, director of missions for Caprock-Plains Area.

A covered-dish luncheon will be served between the two Sunday services.

Directing music for the three-day celebration will be Ralph Gibson of the Paramount Baptist Church in Amarillo.

Rev. John Street, pastor, invites all former members and friends of the church to attend the three-day observance.

ONE INJURED—David Malone, 22, of Dimmitt, lost several teeth and suffered a mouth laceration Sunday evening when this 1979 Ford Thunderbird which he was driving crashed into the side of a 1973 Chevrolet Malibu (in left background) driven by Fidenicio Velasco Campos, 20, of the Agricultural Housing Project. The accident occurred at 8:25 p.m. at the intersection of East Bedford

and Northeast Eighth. City police said Campos, who was southbound, stopped at the intersection, but then drove onto Bedford without noticing Malone's car approaching from the east. Campos was cited for failure to yield right of way and for driving without a license. Malone was treated and released at Plains Memorial Hospital.

OUTSTANDING OUTHOUSEMEN—The "5 1/2 Birkenfeld Gang" rolled an occupied outhouse 220 yards in 30.5 seconds to capture first place in the Second Annual Outhouse Race at the Nazareth German Folk Festival. Team members, from left,

are Greg Birkenfeld, Allen Birkenfeld, Joe Birkenfeld, Darryl Birkenfeld, Keith Birkenfeld and Glen Kleman. At right is Cecil Wilhelm, who presented the championship plaques.

Sheffy's Chatter

Local residents enjoy parties, trips and cookouts

By MYRTLE SHEFFY

Dan and Hazel Nelson and son Robert and his friend Brett Sheffy spent a few days at Lake Mackenzie, fishing and eating out. That lake is east of Tulia and a little north. It is a very pretty place, near the Love Ranch.

Bill and Dalia Gregory and son Bryan took Maja Martinec, the exchange student from Yugoslavia, who lived with the Jim Hrabals, and Ann Golding from Dallas to Palo Duro Canyon to see the pageant "Texas." All liked the show. I could enjoy going every summer.

Mrs. Jimmy Tyre and boys were here from Raleigh, N.C. They have gone home after a recent visit with her grandmother Cletha George and uncle Jimmie and family and her parents Jack and Chollis George of Tucumcari, N.M.

Tim Wales, son of Lois and Charles, attended Boys State a while back. He was in Austin when the rains were so big and also bad. They couldn't go to the capitol because of flooding. Tim was elected to the House of Representatives while there. That is a nice honor.

Eddie and Cindy Adams and son Tyson went to South Dakota for a week's visit with Cindy's parents, Don and Dorothy Shottenkirk. While there Tyson celebrated his third birthday with the grandparents and his great-grandmother Edna Shottenkirk.

Dwayne and Mikie Bishop and sons Michael and Buddy moved to Dimmitt recently from Rockport. They will live at 1606. Ruskin Circle. Dwayne will be assistant band director of the Bobcats. Sunday the Bishops had a steak dinner with her aunt Murna and uncle Jack Miller and Mrs. Jeanie Miller.

Big Spring, Herb of Littlefield and Coy of here and John, and their wives were all in town to visit their sister Connie and Gene Ivey. They and Dutch LaRue, the Finleys and Truman and Pauline Cotton from Littlefield and Mr. and Mrs. Phillips of Oklahoma were at South Hills Manor Saturday evening to make their good music with supper later at Ann's Steak House.

Do go hear Connie on the piano and brother Joe on his violin play the "Saxophone Waltz." That is beautiful music.

Mrs. Garland Lewis of Sweetwater and her grandchildren Beth and Alan Daniel from Bonham were here for a visit with daughter Ina and Jim Cleavinger.

The Hastings family had a get together at Richard and Johnna Connell's house Friday for supper, and at Milliecent Hastings Davis' house. They saw Gladys and Leona too. Here were Jack and Dorothy Gantt from Pickets, S.C., Charlie and Ruby Hastings from Lubbock, Durward and Betty Patterson and son Lonnie Boothe from Burnet, and Joe Richard and Martha Hastings met the group here and went on to Grand Junction with the Gants and some of them to visit Odus and Emma Lou Hastings.

Saturday Millicent spent that day in Littlefield with a friend, Marylyn Malone.

James and Beverly Ragan of Van Nuys, Calif. and Billy Derryberry of Amarillo were in town last week visiting uncle and aunt Bill and Mary Derryberry (Bill is a son) and the daughters Linda Moon and Mindy and Sharon Derryberry. Sharon is at the telephone office and Linda Moon works at the hospital.

Kent Bradford and Barbara Zadra from Davis, Calif. have been here visiting the family this week. They all went to see "Texas" one night and also to tour the museum in Canyon.

Friday night Jack and Susie Bradford and Rex and Shannee Lust hosted a get together for them at Jack and Susie's. About 26 people attended.

Kent and Barbara went to Austin over the weekend to visit her grandmother. They will return to California next week by way of Montana, Washington and Oregon.

Shirley Reed visited Jean Bradford over the weekend. They are students at WTSU and came for the Festival at Nazareth.

Jim Bradford and Greg Kelley went to Odessa to attend the wedding of a friend, Richard Glover last week. These fellows are students at Tech.

The Duplicate Bridge group played the game Wednesday at Senior Citizens Center. Susie Reeves won high score and Aural Davis came in second. Others were Genevieve Howe, Bessie Elder, Jeannie Miller, Carlee Warren, Polly Manning and Seleta Gholson came down

from Hereford to direct or help out.

Opha Burks was hostess at a bridge party at the Center Thursday. The group had games and a steak dinner. Playing were Betty Cartwright, Cleo Forson, Koma Ratcliff, Myrtle Sheffy, Fern Dickey, Rosalie Hawkins. Opha won high score and Susie Reeves came in second.

Willis and Rosalie Hawkins of here and his parents Mr. and Mrs. Willis Hawkins of Hart, their daughter Lori of California went to Fort Smith, Ark. to attend the installation of Sister Mary Hawkins as Prioress of St. Scholastica Convent last Thursday. Virgie Gerber of Nazareth gave you a good story in last week's News. She has been a teacher at Hart and Nazareth schools and reference librarian at WTSU.

Don and Peggy Dennis and children Darla, David, Steven and Carla of Muleshoe were in Dimmitt for a few days visit with his mother Trudy Dennis. They were all having the noon meal at Senior Citizens Center.

Karla Sheffy of Canyon spent the week with her grandmother Polly Bell, Opal Bearden and I had pizza with them Thursday evening. And Polly and Karla were guests at the Lions Club banquet as guests of Editor Nelson.

Adeline Erskine of St. Louis has been here on business. She owns farms east of town. She visits Retta Cluck and Jimmy and Mary

Cluck.

Dr. Don and his wife Narciaida Shipley and children Don Jr. and Chimene of Waco were weekend guests of his parents Donald and Gladiola Shipley. I saw them and most everyone else at the Schaeffer and Carpenter parties Saturday.

Pam Nelson and Beth Benton attended the FCA camp at Baylor. This is a fellowship of Christian athletes. Only six camps in the United States.

Elvis and Joy Barker have returned from a vacation in Yonkers, N.Y. Accompanying them on the trip were daughter Sharon and Joy's parents, Mr. and Mrs. Jack Lamm of Sayre, Okla. In Yonkers they visited Joy's sister Donna and Norris Aven. They all went in to New York City to see all the tourist sights. One day they drove up to Hyde Park and toured Franklin Roosevelt's home and one of the Vanderbilt Mansions. One day they went to Belmont Park to the races and another day to Meadowland Park in New Jersey to the trotter races. Had problems getting out of La Guardia Airport for the flight home because of fog but made it okay after over a two hour delay. Sharon went on to Philadelphia from New York to visit friends before returning to Dimmitt Monday.

While in New York City she visited the Pakistani Consulate to check on her visa to Pakistan. A good trip but good to be home.

Minister Miguel Zuniga and wife Hope and children are moving to Midland soon. They have been in Dimmitt for nine years with the Church of Christ Spanish speaking folks. The Zunigas are much loved by everyone who knows them. We wish them well in their new home and work.

The people gave them a farewell party at the Fellowship hall of Bedford Street Church of Christ Sunday evening. Fruit drinks and ice cream were served and a money tree given as a goodbye for now. June Parker was one of the people in charge of the fellowship.

Marilyn Beam of Amarillo was in Dimmitt Monday and Tuesday for a visit with her mother Fern Dickey. Coming in from Lubbock was Suzanne Axe and girls Lori and Heather.

Mrs. Howard Quiett and daughter Missey and Brett Mayfield went to Vernon last weekend for a visit with the daughter and sister Cindy and her husband Darrell Woodard.

Bob Naylor of Garland was a guest of the Jim Naylors last week.

And Lena Allen visited kin and friends in Amarillo last weekend.

Mrs. Stanley Schaeffer was hostess Saturday morning at a "Going Away Party" for Betty Parish, who with husband Earl and daughter Robin are moving soon to Austin. Many ladies came by to say adios for awhile. I saw

several ladies helping, Ruth Hays, Carole Dyer, Dorothy Elder, Maxine Tidwell, Darlene Dowell and Bettye Huckabay. And serving the punch, coffee, tiny sausage rolls and fruit bar was Robin Parish and Susan Perez.

The table was covered with an ivory lace cloth with a very interesting centerpiece that was candles in brass holders with six small giraffe statues arranged around the candles.

Some out of town guests were Cecilia Goodwin, a cousin of Bettye Huckabay, and Juanice Glasscock, Earl's cousin, and Ona Higgins, an aunt of Earl's. They were all from Earth.

Another party was the shower and coffee in the home of Mrs. Don Carpenter who greeted the guests and presented them to Dawn McRee who will be married soon to Mark Cluck, son of Jimmy and Mary. Mary was in the receiving line with the honoree and her mother Linda Broadstreet. At the guest book was Traci Moore. Serving punch and coffee and a

delicious sweet roll made by gearld, Carla Carpenter. Lois Wales was Crystal Fitz- [Continued on Page 5]

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea—He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort.

"Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

14—CARD OF THANKS

CARD OF THANKS

We would like to express our sincere appreciation for all the kind words, deeds, flowers, cards, prayers, concern and food during the illness and loss of our loved one.

A special thank you to Dr. Murphy and Dr. Lee along with all the hospital staff.

We can never tell you how much your thoughtfulness meant to us at this sorrowful time. You have made our burden easier to bear. May God richly bless each of you.

Rev. Buddy Payne

Methodists at Hart have new minister

The new pastor of the First United Methodist Church of Hart is Buddy Payne, who is already known in this area. He served as intern minister for the First United Methodist Church of Dimmitt in 1979-80. His assignment at Hart is his first full pastorate.

Rev. Payne is the son of E. C. and Jimmie Lea Payne Jr. of Levelland. He is engaged to marry Patty Siwy of Seguin.

While a student at McMurry College in 1976-77, Rev. Payne served his student charge as a circuit pastor at Sylvester and McCauley, small communities near Abilene.

He attended the Perkins School of Theology in Dallas and graduated in May.

An avid sports fan, Rev. Payne will be a camp counselor this summer at two sessions of the Ceta Canyon Methodist Encampment.

His immediate plans in Hart are to get acquainted with the 147 members of the church and to get inactive members to be more active, he said.

Sunday church services are at 11 a.m. and 6:30 p.m. Sunday school is at 10 a.m.

Zuniga takes Midland post

Miguel Zuniga has left his charge at Iglesia De Cristo, Dimmitt's Spanish-language Church of Christ, to become minister of the Cherry Lane Church of Christ in Midland. Zuniga, who has been preaching for 15 years, left Tuesday for Midland along with his wife, Hope, and two sons, Samuel and Paul. The Zunigas' eldest child, Winnie, is away at school.

Zuniga has been the minister of Iglesia De Cristo for nine years. The church has a membership of about 45 or 50 people. The Cherry Lane Church has a membership of about 100.

Zuniga said he did not know who would be coming to fill the pulpit at Iglesia De Cristo, but that the elders of the Fourth and Bedford Street Church of Christ had been "very helpful" with the ministry of the church and were seeking someone for the post.

"We have enjoyed being here in Dimmitt," Zuniga said. "We regret leaving our friends, but we will be back to visit."

14—CARD OF THANKS

The family of Ben Smithson would like to express our appreciation to our dear friends for the food, cards, memorials, floral tributes and other acts of kindness and love shown to us. A special thanks to Dr. Lee and the staff of South Hills Manor for their care and concern. Thanks also to all those who shared some of their time in visits with Dad during his illness. We are grateful to all of you, and consider it a privilege to call you "Friends."

825 enjoy wurst supper

By VIRGIE GERBER

The German Folk Festival Saturday was a big success, with 825 persons being served the wurst supper and 550 attending the dance that night.

The Lions Club committee prepared 2,700 lbs. of sausage for the wurst supper. There was some sausage left over, and you may buy it in two-pound packages by calling 945-2540.

Dora Albracht hosted a supper Friday evening for Greg Diedrick, his son and daughter from California, George and Mary Brockman of Umbarger, Vincent and Adeline Pohlmeier, Greg and Tim Hoelting.

Congratulations to Chris and Becky Book of Houston on the birth of a daughter, Susan Rebecca. Grandparents are the George Books Jr., and the Robert Hands of Minnesota.

Father Stanley and Darryl Birkenfeld enjoyed a trip to

Fort Smith, Ark., for the Silver and Golden Jubilees of the Sisters at St. Scholastica's Convent.

Sister Celestine Bellinghausen has returned home after spending several days in St. Anthony's Hospital for treatment.

Congratulations to Virgil and Shirley Brockman on the birth of a son, Cody Adam, on June 20. His grandparents are the Arnold Brockmans and Al Maurers.

Charlie Clement of Oklahoma City is spending some time this summer with his grandparents, the George Books Sr. His mother is the former Betty Book.

Visiting in the George Book Jr. home this week are Jackie of Grapevine, Gary of Dallas, Karen and son Erin of Bay City, Kelly of Stephenville, Chris, Becky and daughter Susan, and Nick of Plainview.

Congratulations to Doug and Alice Wilhelm of Houston

on the birth of a daughter, Betsy Johanne on June 24. Grandparents are the Francis Wilhelms and Mr. and Mrs. Herbols Heimer of Bartlesville, Okla.

A bridal shower was given Sunday afternoon at the home of Mrs. James Acker for Mary

Beth Wilhelm, bride-elect of Gene Hascke of Umbarger. Many lovely gifts were received.

On Wednesday evening, a bridal shower was given for Coleen Gerber, bride-elect of Neal Wilhelm, at the home of Mrs. Raymond Huseman.

YOUNG men are apt to think themselves wise enough, as drunken men are apt to think themselves sober enough. —Lord Chesterfield

PROPER MANAGEMENT of crop residues can result in adding to the soil 13.5 lbs. of nitrogen for each 2,700 lbs. of residue produced. This savings is also enhanced by erosion control, lower soil temperatures, the addition of organic matter to the soil, and less evaporation of available moisture levels.

Conservation

'Chaff' -- friend or foe?

With the wheat harvest nearing completion in the Running Water SWCD, we must consider the various methods of managing wheat straw residues as well as their value to area producers.

Clay loam soils make up the largest soil type in Castro County. This type of soil needs a minimum of 750 to 1,000 lbs. of crop residue per acre each year for wind and water erosion control.

According to Gary Hunter of the Soil Conservation Service in Dimmitt, "It is imperative for continued production levels, that the minimum amount of crop residue be maintained on the surface of the soil for protection from the wind and water throughout our critical erosion period. We need to maintain the minimum amount of residues on the soil surface until the seedbed is prepared for pre-irrigation, or planting, which is July 15 for a fall-seed crop or these dates, such as a choice of tillage implements, fuel consumption, crop yields and weed control," Hunter said.

"Herbicides can be an effective tool in controlling weeds, as well as being beneficial in reducing fuel consumption. By using imple-

ments with low energy requirements, we can obtain additional cost benefits."

One method of weed control and straw removal that is not recommended by most authorities, is burning residues. Burning can result in the loss of all the nitrogen contained in the straw. It severely reduces the amounts of organic matter returned to the soil which is important for the soil structure, microbial activity and nutrient storage. It allows the top soil to become susceptible to wind and water erosion, and it allows the loss of valuable moisture from the soil through evaporation.

The benefits obtained from proper residue management are lower fuel consumption, soil and nutrients conservation, water conservation and the increase in soil organic matter.

Information on residue management systems is available through the Running Water SWCD and the Soil Conservation Service.

"We will be happy to assist anyone in developing a crop residue management system," Hunter said. "The SCS office is located at Thrid and Bedford (in the High

Plains Savings and Loan Building) or call us at 647-4324."

Kent Hance will speak at seminar

Congressman Kent Hance will be the keynote speaker for an international trade seminar Monday in the Coronado Room at Texas Tech University. He will address a noon luncheon and give a congressional overview of international trade.

The program, which is scheduled for 9 a.m. to 1 p.m., will be co-sponsored by the Lubbock Chamber of Commerce, the US Dept. of Commerce, the Small Business Administration and Texas Tech University.

Top speakers from banking, government and business will review workable approaches to marketing products internationally and examine the problems encountered in doing so.

Jane Bowers, local freight forwarder and customs broker, will explain the mechanics involved in documentation and shipping.

A Dept. of Commerce official, David Rogers, will discuss the government and private resources available to assist in developing international trade.

Vince Rose of Dixon, Inc., an international trade executive who recently won the President's Award for Excellence in Exporting, will explain how he organized and developed a successful export division for his company.

Registration fee is \$20. For additional information, contact Jim Crider at the Lubbock Chamber of Commerce, 763-4666.

Class to host July 4 dance

The Nazareth High School senior class will sponsor a July 4 dance Saturday from 9 p.m. to 1 a.m. in the Nazareth Community Hall.

The band, "Crossfire," will provide the music.

Admission is \$3 per person, and the proceeds will go toward next year's senior trip.

Baptist Church to show movie Sunday

"Reflections of His Love," a new film highlighting the life and ministry of Joni Eareckson, will be shown on Sunday, July 5, 1981, at the First Baptist Church, 1201 Western Circle Drive. The color feature, produced by World Wide Pictures, the film ministry of the Billy Graham Association, will be shown once, beginning at 7 p.m.

Miss Eareckson is the star of a recent theatrical motion picture, "Joni," which relates the story of her diving accident, as a young girl, which left her paralyzed from the neck down. It chronicles her struggles to piece together her life and her faith in God, in spite of the devastating circumstances.

In "Reflections of His Love," Miss Eareckson, who is also the author of two best-selling books, "Joni" and "A Step Further," tells of the great transformations that have taken place in her life because of her willingness to accept all of the things that have happened to her.

A remarkably talented young woman, Miss Eareckson is an artist of great merit, as well as an author, actress, and singer. She has learned to draw and paint with a brush held in her mouth. Her works have been displayed in major exhibitions, as well as on a number of network television programs. More recently, her illustrations and paintings have become the basis for a major line of greeting cards, plaques, and framed prints.

According to the Reverend John Street, pastor of First Baptist Church, "Reflections of His Love" introduces the viewer to "the real Joni Eareckson. We meet her

parents, her sisters, and her friends. We gain insight into the thoughts of the actors who played major roles in the movie, "Joni," and we learn of her new personal ministry, Joni and Friends."

Pastor Street added that "the determination and the depth of trust and faith that this young lady has developed can serve as an inspiration to us all. Although she is a quadriplegic, and does not have the use of her legs or arms, we actually witness her

drive a van in this film. It's much more than a great physical and technical feat — it's a credit to her inner spirit."

Pastor Street has extended an open invitation to the community at large to attend this special screening. There is no admission charge. "We feel everyone who attends will be touched by the remarkable life and witness of Joni Eareckson. It's really an unforgettable experience," he concluded.

Public Notice / Aviso Público. Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission. It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues. A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. Notice to Customers of Other Telephone Companies. The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. The Running Water SWCD and SCS are making consolidated efforts this summer to gather data to help improve irrigation water management. One method of obtaining this information is doing a series of furrow evaluations to determine the intake efficiency of the soils in Castro County. Oriface Plates are set in rows at the top and lower ends of the field. The use of these plates enables the SCS Technicians to record the actual amount of water being absorbed by the soil. This information will be used to design proper irrigation systems.

Irrigation Land Leveling is sometimes the only alternative when developing an irrigation system with proper management. Ronnie Wheelless completely revised his irrigation systems by installing underground pipelines, and the use of land leveling equipment. Ronnie had to do dirt work on about 50 acres, in order to obtain the desired irrigation system. Ronnie, George, and Kevin are shown with the 4 yard dirt buggy used in the land leveling job.

Gary Hunter, Soil Conservationist at Dimmitt, assists Rayphard Smithson in checking the gallons per minute his wells are producing. These wells were checked with the District owned Sparling Flow Meter. The services of this equipment is provided to anyone in the Running Water SWCD, at no charge. The District Directors feel that the information provided is a must for local producers in the battle of reducing the cost of irrigation.

Quarterly Report -- July 1981

On May 8, a Field Day was held. Three different types of dikers were tested. After the dikes had been installed, these rows were irrigated. The use of dikes in irrigated land has shown a tremendous potential for improving the management of our irrigation water.

Limited Irrigation on dryland. Dr. Bob Stuart from the Bushland Experiment Station explains LID Irrigation System during Irrigation Field Day in May. Many local producers were in attendance. Pictured are: Herb Bruns, SCS, Charles Hottel, County Extension Agent, George Sides, Dr. Stuart, Bart Kaderly, and Dale Winders, Chairman Running Water SWCD.

The Running Water SWCD, SCS, and Agriculture Research Service have entered into a cooperative study of furrow irrigation in Castro County. The Monte Ballard farm is being used as the test site. A complete check of his system is being done. Some of the items being monitored are: total fuel used, amount of water pumped, amount of tail water, and the amount of water pumped from his tail water pit. These items are checked twice each week. Pictured are Barney Lee, Clayton Jobe, SCS-Dimmitt, Dan Huckabee, Area Engineer, Jerry Walker, Engineer, SCS-Amarillo, and Gene Vittetoe, State Engineer, SCS-Temple, Tx.

What is the efficiency of a Sprinkler System? The Running Water SWCD and SCS are working with area producers in determining the efficiency of pivot irrigation sprinklers. The SCS has developed a system that can establish the pattern efficiency, application efficiency, and total efficiency of pivot sprinklers. With this information, Producers can determine if the sprinkler is doing the job intended. If these systems are having problems, these tests will tell the producer where his problem areas are. Any one interested in having a system tested, should contact his Zone Director, or the SCS office in Dimmitt.

ONE BIG DONATION—George Sides (left) and A'llan Bradley of the First United Methodist Church's Lamar Foundation Committee present a check for \$2,000 Thursday to Dimmitt firemen Roger Allison and Tommy Cleavinger (right) for the Jaws of Life Fund. This check put the fund "over the top,"

assuring the purchase of the basic hydraulic rescue-tool system. The Lamar Foundation is a perpetual trust set up by the late Mr. and Mrs. Percy Lamar, who owned farmland here, to benefit the local church and community. The fund is administered by the First United Methodist Church.

AND ANOTHER—Bill Henderson (right), president of the Dimmitt Promenaders, and Francis Acker, president of the Nazareth Kurlie Q's, show the check for \$700 which the two square-dance clubs presented Sunday night to Dimmitt Fire Chief Randy Griffitt (background) for the Jaws of Life Fund.

This check hiked the fund total to \$9,777.96 and made it possible for the Dimmitt Volunteer Fire Dept. to buy the "ram" attachment, extra hoses and perhaps a backup hand pump to go with the hydraulic "jaws" system, which is designed to force open vehicles and buildings.

Kendricks visit in California

By MRS. OWEN ANDREWS

Mr. and Mrs. Bobby Kendrick and daughters, Barbara and Glenda, have been to Clear Lake, Calif., to visit another of the Kendrick daughters, Juanita (Mrs. Jim) Rusk. Mr. and Mrs. Rusk are parents of a son born May 26. He weighed 5 pounds, and has been named Jeremy. Mrs. Rusk was a member of the 1979 graduating class of Hereford High School. The Kendricks used the trip as a vacation tour of interesting places on the way there and back.

Mrs. Lillie Johnson of Alex, Okla., has visited her daughter, Mrs. Guy Cornelius Jr. and family, for two weeks. Last weekend another daughter, Mrs. Jan Story of Lawton, Okla., came to visit the Cornelius family and to take their mother back to visit her a while and to take her on to her own home. Also visiting the Corneliuses during the weekend were their sons, Steve and Warren of Amarillo, and Mr. and Mrs. Allen Cornelius and Keisha of Muleshoe.

Jesse Dee Warrick, 20, a nephew of Billy and Elza Warrick, died suddenly last Wednesday. He was the son of Mr. and Mrs. J. D. Warrick of Kilgore. Services were held Saturday at 10 a.m. in the First Christian Church of Kilgore. The relatives here attended the services.

Mrs. J. R. (Eula) Benson of Shamrock died last Thursday. Services were held Saturday afternoon in Shamrock's First United Methodist Church. Her husband is the brother of several area residents, H. F. and Henry Benson of Hereford, Joe Benson of Dimmitt and several nieces and nephews, including children of their two deceased sisters, Mrs. J. E. Andrews and Mrs. O. E. Sparks, and of a deceased brother, D. O. Benson.

Lynette Andrews of Dallas visited her parents, the Clark Andrews, and other relatives here last week. She also visited friends at Lubbock and attended a wedding in Albuquerque. Here on Wednesday to visit with Lynette was

Mrs. Todd (Linda) Thornton. The Thorntons are spending the summer working near Dumas and will return to school this fall at Southwestern State in Weatherford, Okla.

Lynette's friend, Karen White, also from Dallas, came with her to visit her relatives in Lubbock.

Here for the day Tuesday with the Frank Robbins was their daughter, Mrs. Gene Duvall, and her children, of Amarillo. The occasion was Mrs. Robbins' birthday. The Duvall daughters, Cara and Robin, stayed for a longer visit with their grandparents.

Visiting the home of Mr. and Mrs. T. L. Sparkman last Wednesday were Rev. and Mrs. Billy Hudnall and son of Austin. They were returning from a visit to other areas. Rev. Hudnall conducted the spring revival in the Frio Baptist Church and stayed with the Sparkmans during that week.

Mrs. Audie Baca and baby daughter Erica of Stratford, came last weekend to be with the Joe E. Andrews and for the baby to get medical attention here. She was in the hospital three days this week, to get her feeding problems straightened out. Audie came Tuesday, and took his family back the last of the week.

Mr. and Mrs. Houston Boyd and sons, Nathan, Steve and Gary, of Lexington, Mo., visited their Andrews relatives here during the weekend. Houston came especially to attend the reunion of the Class of '56, held Saturday in the Community Center at Hereford. Houston is the son of the Bill Boyds; the family lived here during the '50s before moving to Missouri.

Julie, Hal and Hilrey Bruns spent the weekend with grandparents, Mr. and Mrs. Owen Andrews, while their parents, the Herbert Bruns of Amarillo, were attending a Bruns family reunion at Gonzales.

FOR those who like this sort of thing, this is the sort of thing they like.

Kurlie Q's

Herrick Allen of Amarillo called dances for three squares at the Nazareth Kurlie Q's meeting Sunday night. The last set of lessons was given Sunday, and graduation for those taking square dance lessons with the Kurlie Q's will be held this Sunday night.

The Saturday night Jaws of Life Dance brought in \$700 for the fund. Dancers came from Amarillo, Plainview, Clovis, Hereford and Muleshoe.

The traveling dolls, "Hank and Harriet," were presented to the Top of Texas Cloggers from Amarillo.

The Kurlie Q's expressed their appreciation to callers Herrick Allen, Johnny Gillenwater, Bob Graham and Helen Laughter, and to the Castro County Cowboys who provided the music for the dance.

Open tennis tourney set in Dimmitt, Hart

The Castro County Tennis Association will hold a tournament for all area players July 15-19.

It will include A, B and C divisions for all players. A division for boys and girls who are 12 or younger will be included.

The entry fee for adult divisions will be \$6 per event. Trophies will be given for first place, second place and for consolation.

The entry fee for children 12 and under will be \$3 per event. Trophies will be awarded for first place, second place, third place, fourth place and for consolation.

Entires must be received by July 15.

The tournament will be held at the Dimmitt High School courts and the Hart High School courts.

Profits from the event will be used to help improve the tennis courts and to make payments on the newly installed lights at the Dimmitt High School courts.

All area players are urged to participate.

For further information, contact Joe or Joyce King, Box 26, Dimmitt, 79027, or call 647-2189 or 647-4587 (home).

Autry speaks to Rotarians on directions

Librarian Brick Autry gave a program on directions of community development at the Friday Rotary Club meeting.

Autry presented an analogy about a group of Cocopot Indians from Mexico who had become squatters on some marginal lands outside of Yuma, Ariz.

The Indians, who had never been organized before, were told to do so after the Bureau of Indian Affairs declared them an official Indian tribe.

The Cocopots' organization efforts went a bit far, until finally Autry was hired in 1976 to operate a library for the tribe, of which only one out of 10 knew how to read.

The moral of his message was for civic groups to set their priorities when planning community action so that they don't have such things as a library for people who can't read.

In the town of Halethorpe, Maryland it is illegal for a kiss to last more than one second.

Darlings' Tourney attracts golfers from three states

The Ladies' Golf Association sponsored its third Dimmitt Darlings' Tournament last weekend. Women from 16 towns in the area placed in the tourney, with most honors going to Farwell.

It was highly successful, with a tremendous turnout of club members, community workers, local sponsors, and out-of-town sponsors. Tournament Chairman Shirley Underwood said.

Forty-eight teams from Texas, New Mexico and Kansas participated. In the championship flight, first place went to Penny Hughes of Farwell and Sabra Strader of Sundown. Miss Strader was the state champion last year from Sundown High School.

Others who placed in the championship flight were Sharron Hughes and Alice Vinton of Farwell, second; and Lynn Kimbrough and Pat Drake of Amarillo, third.

First flight winners were Lisa Hughes and Robin Vinton of Farwell. Kay Doss

and Fredda Bingham of Hobbs, N.M., finished second, while Karen Marsh and Susie Mannschreck of Hereford placed third.

Placers in other flights were:

Second flight - Wy Haragen and Betty Moyers of Lovington, N.M., first; Beverly Obenshain and Doris Herrington of Farwell, second; Sue Ward and Jean Preston of Tulia, third.

Third flight - Robin Gregory and Nancy Rundell of Farwell, first; Vicki Gullion and Louise Crittenden of Denver City, second; Doris Ford of Farwell and Phyllis Vardeman of Portales, N.M., third.

Fourth flight - Jimmie Carson and Minnie Cothran of Lovington, N.M., first; Sally Tucker and Jeanette Kleinstaub of Amarillo, second; Vaudine Giles and Ginie Jones of Dalhart, third.

Fifth flight - Nancy Knight and Jean Beize of Bovina, first; Vicki Bryant and Patti Summers of Dimmitt,

second; Shirley Adams of Bryan and Anita Adams of Aspermont, third.

In longest drive competition, Gloria Cushionberry of Amarillo won in the championship flight. Others who placed in longest drive were Lisa Hughes of Farwell, first flight; Joan Thrasher of Dimmitt, second flight; Doris Ford of Farwell, third flight; Jo Hamilton of Dimmitt, fourth flight; Anita Adams of Aspermont, fifth flight.

Closest to pin in each flight were Helen McWhorter of Hereford, championship; Lisa Hughes of Farwell, first flight; Wy Haragen of Lovington, N.M., second flight; Claudine Elliott of Muleshoe, third flight; Minnie Cothran of Lovington, N.M., fourth flight; and Jackie Wells of Friona, fifth flight.

agri-facts

A rather unusual, but promising idea for increased corn yields in dry weather comes from research being carried out at South Dakota State University. The process might be called "row ripping". Soil between rows of knee-high corn was ripped to a depth of 10 inches by the S. D. agronomists. They were trying to reduce irrigation water loss and improve the reserve of soil moisture during dry weather. In preliminary reports, corn yields from a number of ripping sites increased from 11 to 48 bushels per acre. Keeping in mind irrigated corn yields in South Dakota may differ from those elsewhere, researchers are hoping farmers may try the ripping process on a small scale. Areas they feel it may work best are those where the ground tends to seal tight immediately after planting. And, as usual, the weather will have the upper hand since the time to do your ripping is - you guessed it - just before a good heavy downpour.

44 highway deaths predicted in Texas

The Dept. of Public Safety estimates that as many as 44 persons may die in Texas traffic accidents during the upcoming July 4 weekend unless drivers exercise extreme caution.

Col. Jim Adams, DPS director, urged motorists to maintain safe driving habits during the holiday to help minimize the loss of life.

"Texas is well on its way to yet another record year for traffic fatalities," Adams said. "We can put a stop to this dangerous trend if more motorists will slow down, refrain from drinking and use the most readily-available safety precaution — seat belts."

"In Texas, the chances of being killed in an accident during 1980 were four times greater for persons not wearing seat belts than for those wearing the belts," Adams pointed out. "The odds are clearly in the motorist's favor

when everyone in the vehicle remembers to buckle up."

Adams said DPS Regional Commanders will deploy additional troopers where heavy volumes of traffic are expected.

The DPS will be conducting "Operation Motorcade" during the holiday period to call attention to the dangers of holiday driving. The Department will tabulate traffic fatalities and release totals three times daily at 10 a.m., 3 p.m. and 8 p.m. The first report will be made at 10 a.m. Friday, July 3.

The 78-hour counting period will begin Thursday, July 2, at 6 p.m. and continue until midnight, July 5.

Fifty-two persons died from traffic injuries received during the July 4th holiday period last year. Texas traffic deaths in 1980 totaled 4,424, a record high for the fourth consecutive year.

WHO'S ON FIRST?—Dimmitt first baseman Larry Espinosa takes a pickoff throw from pitcher Johnny Nino, but the wandering Muleshoe runner dives back to the base in time, in Sunday night action in the Almo League Babe Ruth Tournament here. Muleshoe won the game, 9-4, to advance to the finals. It was Dimmitt's first tourney loss.

Fireworks aren't toys, group warns

With Independence Day approaching the Texas Society to Prevent Blindness is once again issuing what has become its annual warning: "Don't Play with Fireworks; They are not Toys!"

"Fireworks are dangerous projectiles that injure thousands of Americans each year," says R. E. Margo, M.D., State Medical Chairman of the Society.

"Last year alone 9,400 people were treated in hospital emergency rooms for fireworks caused injuries, 1,700 of these were injuries to the eyes, a regrettable increase of nearly 40% over the number reported the preceding year. The figures, moreover, represent only a fraction of the problem because they don't include injuries treated in doctor's offices or those admitted directly into the hospital."

"The sale of fireworks is illegal in many Texas cities," Dr. Margo noted, "but efforts to extend the law statewide have been stalled. The 1981 Legislature passed a bill which limits the amount of explosives allowed in fireworks, but does not restrict their sale."

"This means that the same eye-damaging fireworks,

especially bottle and sky rockets, will once again be available in Texas. And contrary to what salesmen may claim, there is no such thing as a 'safe' firecracker. Even sparklers, which are often thought of as harmless, can sizzle at temperatures over 1500 degrees. A burn to the eye at that temperature can impair sight for a long time, even for a lifetime."

"The Texas Society to Prevent Blindness directs its July Fourth warning to parents in particular," Dr. Margo stressed, "because youngsters under 19 yearly suffer two-thirds of all reported injuries. Most of the accidents also occur at home, an environment that parents can control."

To keep the Fourth the happy holiday it is meant to be, the Society urges parents not to purchase fireworks this year.

The Texas Society to Prevent Blindness is an affiliate of the National Society to Prevent Blindness, the oldest voluntary health agency nationally engaged in preventing blindness through community service programs, public and professional education and research.

Muleshoe takes command in Almo League tourney

Muleshoe and Dimmitt, ranked first and second going in, faced each other in the finals of the 1981 Almo League Tournament Wednesday.

Dimmitt had already suffered one loss in tournament play — to Muleshoe Sunday night — while Muleshoe had kept a clean slate throughout the double-elimination tourney.

A Dimmitt victory Wednesday night would force a championship playoff Thursday night at 8.

Muleshoe began its journey to the finals with a 15-0 win over last-ranked Olton Thursday night. Against Dimmitt in the semifinals of the winner's bracket Sunday night, Muleshoe won 9-4 to advance to the finals.

Meanwhile, Dimmitt had to take the long route, playing five games, to reach the finals.

The locals began their climb last Thursday night with an 18-4 victory over fifth-place Morton.

Fourth-place Nazareth, with a 10-5 win over third-place

Friana Friday night, met Dimmitt Saturday evening to determine who would go up against Muleshoe in the semifinals of the winner's bracket. Dimmitt topped Nazareth 19-9, but Muleshoe proved to be too much to handle Sunday night as Dimmitt lost, 9-4.

Muleshoe's victory forced Dimmitt into the semifinals of the loser's bracket, where they met fifth-placed Morton again Tuesday night. Dimmitt won, 7-6 in a close and competitive game to earn the right to meet Muleshoe again.

Last-place Olton, with losses to Muleshoe 15-0 and to Morton 9-1, was eliminated from tournament play Friday.

Fifth-place Morton hung in there until the semifinals Tuesday, eliminating Friana before losing by a run to Dimmitt.

Friana lost to Nazareth 10-5 Friday, and came back to defeat Nazareth 5-1 Sunday before being eliminated Monday by Morton, 9-1.

Nazareth was out of action Sunday night with its 5-1 loss to Friana.

FM's 1055, 194 to be improved

Two highway improvement programs in Castro County are included in a huge rehabilitation and improvement program for highways and FM roads in Texas recently approved by the State Highway and Public Transportation Commission.

Acting District Engineer C. W. Nall Jr. said the work in this area is part of a statewide effort to modernize roads and highways which are worn out or inadequate for today's traffic.

Area projects in Castro County are:

—FM 1055, from the Deaf Smith County Line to the Lamb County Line, 30.0 miles, seal coat, at an estimated cost of \$220,000.

—FM 168, from SH 194 to the Lamb County Line, 5.2 miles, seal coat, at an estimated cost of \$88,000.

The 1982 Rehabilitation and State Highway Safety and Betterment and Farm to

Market Road Improvement Program will cost an estimated \$218,932,900.

The program includes improvement and rehabilitation of 5,335.35 miles of state-maintained highways. In all, there are 892 projects proposed in 214 counties of the state.

The work includes projects which will upgrade existing highways to handle heavier volumes of traffic, enhance safety, reduce the amount and kind of maintenance necessary to protect the large public investment in the highways of Texas.

Approximately 70 percent of the work is on US- and state-numbered highways in Texas, which means that the remainder of approximately 30 percent is on FM and RM roads.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

The following information comes from the Veterans Land Board regarding the present situation as to available funds for the Texas veteran loan program:

The Texas Veterans' Land Board has voted to stop accepting new requests for loan applications because the program is expected to be out of money to lend by this fall.

Land Commissioner Bob Armstrong, chairman of the VLB, said the program now has more than 14,300 veterans on a waiting list wanting applications, and currently sold bond monies are expected to run out by fall.

"We are almost out of money to lend now," Armstrong said, "and if we don't get some help from the legislature, we have no choice but to stop taking applications."

The board also passed a resolution requesting the Governor to include two constitutional amendments in the upcoming special session: one would permit the VLB to sell its last \$74 million in authorized bonds at higher than the current six percent interest ceiling and the other would authorize an additional \$250 million in bonds.

The program, started in 1949, offers veterans long-term, low-interest loans of up to \$20,000 to purchase 10 or more acres in Texas. The current interest rate to veterans is seven percent.

Armstrong said these same constitutional amendments were passed unanimously by the senate in the regular session, but were bottled up in subcommittee in the house in spite of the fact that no opposition surfaced.

"This program was created by the voters of Texas; it has been continued and expanded by the people six times and I feel it is appropriate that the voters decide whether or not to continue it," Armstrong said.

Armstrong said the program is "almost unbelievably sound. Repayment of the bonds is secured not only by the credit of the veterans, but also by land which has uniformly escalated in value.

ON TO DISTRICT—Gwen Wilson, daughter of Mr. and Mrs. Glenn Wilson of Hart, accepts the big blue ribbon that sent her from County Fashion Revue on to district competition. County Extension Agent Teresa Nutt presents the award.

Fashion winners place at district

Three Castro County girls took high honors at the District 4-H Fashion Revue held in Lubbock Tuesday.

Melinda Wilson of Hart, in the 9-11 age group, won a blue ribbon for her dress and she was ranked in the top 25 percent.

Gwen Wilson, also of Hart, won a red ribbon in the 12-14 age group and Tammy Behrends of the Easter Community won a red ribbon in the senior group. Miss Behrends also won the wool award.

In the Castro County 4-H Revue last week, Tammy Behrends received the top score for her record book in addition to qualifying for district.

Cara Odom, of Dimmitt and Gwen Wilson tied for the top score on their record books in the 12-14 age group. In the 9-11 age group, Bobbie Hochstein, of Nazareth, scored highest on the record book.

All the girls participating in the County Revue received either a blue or red ribbon.

said he was surprised that Diamond Shamrock pulled out.

A DS company spokesman said that, although it has decided not to go forward with the Dimmitt project, the corporation continues to support the national objective of reduced reliance on foreign oil and development of domestic energy alternatives.

Diamond Shamrock also announced its intention to continue studying its branded gasohol test-marketing program which began in the spring of 1980.

Currently, 105 service stations in parts of Texas, Colorado, Oklahoma and Kansas are offering the Diamond Shamrock gasohol.

Wright-Braddock vows are recited

ViAnn Wright of McKinney and Kenneth Lee Braddock of Van Alstyne were united in marriage recently in an evening candlelight ceremony.

The bride is the daughter of Mrs. Marilyn Wright of McKinney. The groom is the son of Mr. and Mrs. Vernon Braddock of McKinney and the grandson of Josephine Ball of Nazareth.

Pam Owen of McKinney served as the maid of honor. Bridal attendants were Marti Pickrell of Farmers Branch, Billie Jean Warren of McKinney and Christi Bianchi of Carrollton.

Best man was Clifford Braddock of De Leon, brother of the groom, with Richard

Braddock and John Braddock, both of McKinney, also brothers of the groom, and Tim Chessney of Prosper as groomsmen.

Mindy Nesbitt of McKinney was the flower girl. Mack Good, also of McKinney, was the ring-bearer.

Ushers were Rick Vest and Joey Merritt, both of Celina, and Norman Young and Allen Braddock, both of McKinney.

Following the ceremony, a reception was held in the home of Mr. and Mrs. Hank Henderson of McKinney.

The couple is at home in Sulphur Springs following a wedding trip to New Braunfels and Galveston.

The bride graduated from R. L. Turner High School in Carrollton and is employed at D'Reese Hairstyling in McKinney.

The groom is a graduate of Van Alstyne High School and Texas Christian University in Fort Worth. He is a manager with Bellweather Farms in Van Alstyne.

Happy anniversary!

Spanish newspaper begins here

A new bi-weekly newspaper, "La Voz del Mexicano," translated "The Voice of the Mexican," is being published here.

The newspaper concentrates on news of Mexican-American residents of Castro and Deaf Smith Counties, and its stories are printed in both Spanish and English.

The publication, which is put together by a volunteer

staff, is available at businesses in the area for a 10-cent per copy donation.

According to Jennifer Harbury of Texas Rural Legal Aid, the paper is a non-profit publication, though it is not tax-exempt. Harbury said the newspaper's purpose is educational, with an emphasis on public service bulletins and community news.

Articles for the paper are

all submitted by residents of the community.

Chairman of the newspaper staff is Miguel Velasquez, who may be contacted at 647-3590.

IN the city of St. Louis, Missouri it is against the law for a milkman to run while making his morning deliveries.

Police calls

City and county law officers arrested three persons for DWI and one person for public intoxication last week. All were released on bond pending court action.

A Dimmitt juvenile and a 19-year-old from Friona were arrested Monday in connection with a break-in and some vandalism at a home on Third Street. The two were charged with criminal mischief.

Helen Wilmuth of 731 Pine told city police that four "spoke" type hubcaps were taken from her car sometime Friday. The car was parked in her driveway at the time of the theft.

Woody and Saira Jones of Dimmitt reported to city police that two coin-operated machines in Edwards laundry had been burglarized sometime between 10:30 p.m. last Wednesday and 7:30 a.m. last Thursday. A lock was damaged and \$4.80 in change was missing.

Frances Drerup Schacher of Nazareth was cited for failure to yield the right of way at a controlled intersection last Thursday when she reportedly pulled out in front of a 1977 Dodge D-150 driven by Dale Charles Acker of Nazareth.

The accident occurred at the intersection of 200 W. Bedford and 100 NW Third at 11:17 a.m.

A 1979 Mercury Marquis driven by Andrew Behrends of Dimmitt reportedly struck the left back quarter of a 1974 Pontiac Bonneville driven by Alfred Escobal of Hereford Friday.

According to the police report, Behrends attempted a right turn off North Broadway onto the 100 block of East Etter and turned too wide.

Jeanne Frazier of Dimmitt was issued a traffic citation June 23 when she reportedly failed to yield the right of way to a 1969 Ford F-100 pickup driven by Ralph Lee Lambright, also of Dimmitt.

Mrs. Frazier's 1980 Ford Thunderbird reportedly struck the other vehicle in the intersection of Southwest Third and West Belsher.

IN the state of Florida it is illegal for any person to take a bath without any clothes on.

Obituaries

Walter Cox

Funeral services for Walter Cox, 56, of Olton, were held at 10 a.m. Tuesday in Parsons Funeral Home Chapel.

Bob Wear, retired minister from Hereford, and Rev. Walt Ellis, pastor of the New Testament Church of Amarillo, officiated.

Mr. Cox, a former Castro County resident, died Saturday at his home in Olton.

Burial was in Castro Memorial Gardens, under the direction of Parsons Funeral Home.

Mr. Cox was born Dec. 1, 1924 in Petersburg. He married Mary Lee Murray May 18, 1947 in Seymour. He was an elevator superintendent.

Survivors include his wife, Mary, of the home; two daughters, Mary Ann Caraway of Dawn and Patricia Lee Cox of Amarillo; a sister, Marguerite Sinclair of Castroville; three brothers, Guy Jr. of Blythe, Calif., Joe Richard of Lazbuddie, and Jessie Earl of California and two grandchildren.

Juanita Ruiz

Graveside services for Juanita Sanchez Ruiz, 60, were held at 10 a.m. Saturday in Westlawn Memorial Park, with Mr. Moreno of Hereford officiating.

Mrs. Ruiz died last Wednesday at 2 p.m. in Plains Memorial Hospital.

Burial was under the direction of Parsons Funeral Home.

Born Aug. 6, 1920, she married Elies Ruiz in 1944 in Dawson County. Mrs. Ruiz, a longtime resident of Dimmitt, lived in California a few years before returning here less than a year ago.

Survivors include her husband, Elies of Parlier, Calif.; six sons, Benito Santos of Pearsall, Alex Ruiz of Parlier, Raymond Ruiz of Amarillo, Elvis Ruiz of Alaska, Johnny Ruiz and Alvin Ruiz, both of Dimmitt; five daughters, Anita Sabedra of Dimmitt, Aurara Ramos and Lina Guriromaca of Amarillo, Linda Casarez of Sanger, Calif., and Eva Dais of Parlier; four sisters, a brother, 25 grandchildren; and six great-grandchildren.

Ramos Chavez Jr.

Graveside services for Ramos Chavez Jr., infant son of Ramos Chavez and Maria Banda, were held at 2 p.m. Monday in Castro Memorial Gardens.

The child was stillborn at 7:30 a.m. Sunday.

Survivors, in addition to the parents, are his grandparents, Mr. and Mrs. Domingo Chavez and Mr. and Mrs. Marcello Banda.

Kiwanis hears new DHS coach

The Kiwanis Club heard a talk by Dimmitt High School's new head football coach, Mike Major, at its Monday noon meeting.

Major said he is enthusiastic about his first season as coach of the Dimmitt Bobcats. He said he hopes to get 100 boys out for football this year.

He urged the Kiwanians to support the football program, stressing the importance of community backing.

Major said he is still looking for two assistant coaches to fill positions on his staff. Coaches George Razor and

Lyman Shroeder have moved from the junior high to the high school coaching staff.

Rotarians install

Keith Mussett was installed as the new Dimmitt Rotary Club president at the club's annual outing Tuesday night at the home of Mr. and Mrs. Earl Chaney.

Thirty Rotarians, wives and guests attended the cookout, at which awards were presented and officers were installed.

The board, committee chairmen and other officers will remain the same for the coming year. The club chairman is Al Gibbs. Officers are Joe Bob Sanders, president-

elect; Jerry Heller, treasurer; and Danny Rice, secretary. Members of the board are Ronnie Parker, Al Gibbs, Danny Rice, Jerry Heller, Elmer Youts and Bill Dannevik.

Club Sweetheart Judith Smith was given a gift and roses in appreciation of her service. Mrs. Earl Chaney was awarded some roses also for her work in preparing the cook-out.

Doug Pybus was presented his overdue plaque for the 1978-79 program of the year. Bob West was awarded a plaque for his work with the Dimmitt High School Interact Club. Gibbs was recognized as having given this year's program of the year.

The Rotarian of the Year award went to Joe Bob Sanders, and Ronnie Parker was recognized for his service as club president during the last year.

The outing served as the club's regular meeting for the week. The Rotary club will not meet Friday.

'Hart Days' set for July 23-25

Hart Days, with the theme of "Farming: Yesterday, Today and Tomorrow," will get underway Thursday, July 23, and run through the following Saturday.

The Miss Hart and Little Miss Hart pageant will be held in the elementary gym Thursday at 8 p.m.

Entrants in the Little Miss Hart contest must be age 5-7 and, if they have attended school, must have attended Hart schools during the last semester. Miss Hart contestants must be age 15 to 19 and have attended Hart schools during the last semester.

Requirements for entry are a biography, picture and sponsor.

The older girls need a sponsoring business. Little Miss Hart entrants may be sponsored by their parents. The sponsorship fee is \$10. Entry deadline for the contest is July 10.

There will be a carnival all three days, across from the Farmers State Bank behind West Texas Gas Co. The carnival grounds will feature the Lions' Burger Booth, the Latin American Organization Taco and Tamale Stand, an ice cream booth and game booths.

Saturday's events will kick-off with the parade at 10 a.m. Parade entrants should meet at the north side of the town site at 9 a.m. to line up. The parade is open to floats, antique cars and machinery, bicycles and motorcycles.

The parade entry deadline is July 22 at 5 p.m. Entries will be judged on the basis of overall appearance, coordination of the float to the parade theme and the use of color.

Bicycles, motorcycles and antique machinery will be judged differently than the floats. Cash prizes will be awarded to the winners.

After the parade, a fiddlers' contest will be held, followed by the merchants' drawings and the beard growing contest.

The Good Neighbors Club

will hold a reception in the Community Room of the bank during the day, and there will be a poker tournament that night.

Chi Psi sorority will hold an arts and crafts show and sale from 9 a.m. to 4 p.m. Saturday in the community room of the bank.

For more information on the Miss Hart and Little Miss Hart contests, contact Vickie Purcell or Janet Mitchell.

For information on the parade, contact Joby Sanders at 938-2369.
