Angry Jews Fight British At Sea

Atrocities Are Reported From Greek Sources

ATHENS—(AP)—A Greek nationalist plane was reported Friday as having inflicted severe losses on guerrillas who were fleeing northeast of Ioannina before pursuing ground forces and ravaging villages on the way.

War Minister George Stratos said another and larger guerrilla offensive was expected along the north-west frontier. The Greek government said the first guerrilla band "invaded" Greece from Albania with the aim of setting up a separate Communist government.

"Bandits passing through villages have committed crimes of unimaginable brutality," the communique from the Greek Eighth Division said. "Villages have been pillaged and many inhabitants killed."

Loyalists asserted the irregulars had been cut into small units which were scattered in an arc over a wide, rugged area 16 miles northeast of Ioannina near the villages of Frangadhes, Elatohori and Dholianini in the foothills of Mt. Timfi.

An unconfirmed report said 245 bodies were found in the ravine and army units captured 300 more of the estimated 800 rebels under fire.

The Balkan sub-commission of the United Nations was to leave Salonika during the day for Ioannina for another investigation.

GOP Will Try To Get Work Set To Adjourn July 26

WASHINGTON—(AP)—Top-ranking Republican Senators Friday called a special strategy huddle to try to jar loose a mounting legislative log jam threatening their plans to adjourn Congress July 26—just eight days hence.

Chairman Taft (Ohio) summoned his nine-man GOP policy committee to talk things over at a closed-door session.

Before they met most Republicans conceded privately the adjournment outlook is getting no better fast.

The biggest threats are angry Senate-House arguments about how much Congress will allow regular government agencies to spend during the fiscal year which began 18 days ago.

Normally these detailed money bills are cleared before July 1. But today only four of the dozen regular departmental appropriations have cleared Congress.

Still another stumbling block is the demand of Senator Kem (Mo) and other Republicans for a full-dress Senate probe of Kem's contention Attorney General Clark sought to "whitewash" charges of vote frauds in the Kansas City Democratic primary election last year.

Democrats with the help of Senator Langer (R-ND) turned Kem down in the Senate Judiciary Committee by a 7-6 vote. The Senate spent most of Thursday afternoon debating a move to bring the matter before the full chamber.

Until this political hot potato is peeled or dropped, Senate business can be stalled under rules permitting unlimited debate.

Dr. Adolf Lekisch Dies Suddenly At Son's Home Here

Dr. Adolf Lekisch, 69, retired physician, died suddenly at 8:15 a. m. Friday at the home of his son, Dr. Kurt Lekisch, 1304 West Texas Street, here.

He was born July 8, 1878, at Mainz, Germany, and came to Midland in January, 1941. He was a captain in the Medical Corps of the German army during World War I.

Funeral arrangements are incomplete pending word from his widow who is on a trip to California and Oregon. Interment will be in Fairview Cemetery here.

Survivors include his widow; a son, Dr. Kurt Lekisch, and two grandchildren, all of Midland.

LIGHTNING KILLS ONE

AMARILLO—(AP)—J. Naithen Hawks, 47, of Pima, Ariz., was killed by lightning in a field near Fortales, N. M., Thursday while his two brothers were working in the onion harvest with him. Ten or 15 other workers were nearby, but none was seriously injured.

Flyweight Flyer

Weighing only 85 pounds, this new Boeing turbo-jet engine is believed to be the smallest of its type ever built. The engine, which develops 150 pounds of thrust, is 29 inches long with a maximum diameter of 22 inches. A 7 1/2-inch turbine wheel, driven by rapidly expanding exhaust gases, produces the power. Above, a Boeing worker demonstrates its light weight.

President Truman Vetoes New Tax Cut Bill For Same Reasons

WASHINGTON—(AP)—President Truman Friday sent Congress a second veto of the Republican-backed \$4,000,000,000 tax cutting bill with the assertion it is still the "wrong kind of tax reduction" at the "wrong time."

House leaders planned an immediate vote and confidently forecast the necessary two-thirds majority to override.

But Republicans foresaw little hope of obtaining or rolling up an overriding majority in the Senate.

Truman's veto message went to the House which originated the income tax slashing measure to become effective January 1. The first bill he vetoed was identical, except it would have taken effect last July 1.

Since that veto, the President said, "there has been no lessening of the need to make substantial payments on the public debt."

Truman said when the time comes to lessen the wartime tax burden it should be reduced "on a basis that is fair to low income groups as well as to high income groups."

Truman termed this measure "a premature and faulty tax reduction bill" which would inject into the tax system "inequities which would greatly increase the difficulty of making desirable revisions."

He added the legislation is "a complete variance with the fundamental requirement of a good tax bill," and said he is "compelled" to veto it.

Temporary officers were elected, including Ben Stanley, commander; F. C. Wheeler, senior vice commander; Cecil H. Craft, junior vice commander, and Bill Lee adjutant. Permanent officers will be installed at the next meeting August 13.

Smith reviewed the history of DAV and its accomplishments. He discussed its purpose and function on a chapter-level and told how a chapter may be of untold benefit to a community by assistance and rehabilitation work among the worthy veterans, their dependents and widows.

Thomason Appoints Bill Hamilton As West Point Principal

Keeping a promise made 17 years ago, Congressman R. Ewing Thomason this week appointed Bill Hamilton, son of Mr. and Mrs. R. W. Hamilton of Midland, as principal to the U. S. Military Academy at West Point for next year.

Thomason, who is resigning from Congress to become federal judge of the Western District of Texas, said in a letter to The Reporter-Telegram:

"In my first race for Congress in 1930 Stanton was in the district and when I spoke there I found I had an active supporter in the person of a young lawyer by the name of Bob Hamilton. He told me he had a very fine baby boy at his house whom he wanted me to meet. I accepted his invitation and was introduced to Mrs. Hamilton and their son Bill. I told them that if they would keep me in Congress until the boy was old enough to go to West Point I would see to it that he got an appointment. They kept their promise and I am keeping mine, for as one of my last official acts before I resign from Congress, I have appointed Bill Hamilton as principal to West Point for next year."

Bill Hamilton, who is 17-years-old, is a 1947 graduate of Midland High School. He will attend the University of Texas this fall and will enter West Point in the fall of 1948.

Texan Named Sun Pipe Line Head

PHILADELPHIA—(AP)—A Texan who went to work as an oil field hand for the Sun Oil Company 14 years ago is the new president of the Sun Pipe Line Company (Texas), a subsidiary.

He is William C. Kinsolving, native of Corsicana, Texas, who was graduated from Cornell University in 1933 with an electrical engineering degree.

John G. Pew, retiring president of the pipe line company, who announced Kinsolving's election, said the new president was called to Washington in 1942 to serve as assistant director of transportation for the Petroleum Administration for War.

In that capacity he figured prominently in the planning and construction of the 1,300-mile "Big Inch" pipeline from Texas to Philadelphia and New York.

Kinsolving later was commissioned a colonel in the Army Corps of Engineers and played a prominent role in the building of the China-Burma-India pipeline. Upon completing his war service in India, Kinsolving returned to Sun Oil as manager of all operations.

Refugees Protest To U.N.

JERUSALEM—(AP)—Some 4,500 angry Jewish immigrants aboard a refugee ship used tear gas, smoke bombs, steam jets and other weapons Friday in a vain battle against a 50-man British boarding party off the Palestine coast, British authorities announced.

Five British destroyers escorted the vessel toward Haifa, where the refugees will be transhipped to troopships for transfer to detention camps in Cyprus.

The announcement said no fatalities were suffered by either side, but that three members of the boarding party were injured.

A broadcast, purportedly emanating from the ship, reported earlier one Jew was killed and 25 were wounded seriously. The broadcast, which ended at about the time the boarding party took over, said five of the wounded were dying.

The refugee ship was identified as a former American vessel, the President Warfield, renamed by the immigrants Exodus, 1947.

(The President Warfield, a 1,814-ton steamer, was identified in Baltimore as a former excursion boat which saw service in the Normandy invasion in 1944 and later as a troopship.)

Commission Arrives Sunday

Hagana, Jewish underground defense organization, was reported to have appealed to the United Nations special commission on Palestine to intervene in behalf of the immigrants. A reliable Jewish source said the appeal was delivered to the commission by the Hagana high command. The commission, which is investigating the Palestine problem, is scheduled to leave for Lebanon Sunday.

The broadcast charged the British, in boarding the ship outside territorial waters, had committed an "act of piracy." It said the first 25 men and officers who stepped on deck were taken prisoner.

VFW Will Open Air Terminal Pool Sunday

With 41 members present, a meeting was held by the Midland Veterans of Foreign Wars at the organization's hall at Midland Air Terminal Thursday night, Leonard Miller, commander, reported.

It was voted to open the VFW pool Sunday, but the formal opening was deferred until the following Sunday.

Other matters discussed at the meeting included plans for holding wrestling matches and other sports events as well as dances in the huge building which the organization has taken over. An invitation to other Midland groups to use the space for annual balls was issued.

Sol Says 100 Or No Count On Thursday

By The Associated Press

The part of the thermometer which hangs down below the 100 mark could have been clipped off and thrown away in Texas Thursday—it wasn't needed.

Almost every reporting city said it was 100 degrees or above. Cooler weather is expected this weekend. Hottest was 113 degrees at Henrietta, but you couldn't call these cool.

Seymour 110, Bridgeport 109, Graham and Llano 108, Childress, Dublin and Quanah 107, Memphis and Fairlairs 106, Carrizo Springs, Eastland, Encinal, Spur, Paris and Waxahachie 105, Brownwood and Laredo 104, Lampasas, Ballinger and Taylor 103, and Brownsville, Abilene and Beeville 102.

Cooler spot Friday was Dalhart with 61 degrees.

WEATHER

Partly cloudy Friday afternoon, night and Saturday. Scattered thundershowers and not so warm Friday. Maximum temperature Thursday was 100 degrees, minimum 78 degrees. Minimum Friday morning was 76 degrees.

TARPOON TITLE TAKEN

PORT ARANSAS—(AP)—Ed Basse, Jr., of San Antonio won the 12th annual Texas tarpon rodeo and deep sea fishing roundup which ended here Thursday with a total of four tarpon and a point standing trip to acquaint himself with current Army problems in preparation to assume the post.

LATE NEWS FLASHES

WASHINGTON—(AP)—The House voted Friday to override President Truman's second veto of the tax cut bill, but indications are the Senate may sustain the President. The House vote to override was 299 to 108, 28 more than the necessary two-thirds majority.

JERUSALEM—(AP)—Alarm sirens sounded throughout Jerusalem late Friday. There was no immediate report on the cause of the general alarm, usually sounded after an underground attack.

WASHINGTON—(AP)—Senate leaders Friday added legislation to permit immediate cashing of veterans' terminal leave bonds to their pre-adjournment list but clung to July 26 as their hoped-for quitting date.

WASHINGTON—(AP)—Rep. Eaton (R-NJ), chairman of the House Foreign Affairs Committee, declared Friday "We are in sight of a shooting war at this minute—in Greece."

Willson Urges Rotarians To Stress International Service

Jim Willson of Floydada, past district governor of Rotary International, Friday urged Rotarians, at a luncheon in Hotel Scharbauer, to stress international service in their clubs. He addressed the assembly of the 127th District of Rotary International.

"Peace Requires Action," was the subject of Willson's address at the luncheon at which Midland Rotarians entertained the visitors.

"Build good will toward all men, and we'll have peace on earth," Willson said. "International service today is a challenge to Rotary and it is our greatest obligation. Put international service into practice. Follow the teachings of Christ. Decisions mean directions."

"If we devote a 10th of our energies of Rotary and our churches to international service, wars will be prevented. Put international service into your Rotary program this year and every year. This is an age of destruction. Good will is needed. International service, as I see it, is an individual matter."

After discussing the destruction of the atomic bombs, he declared science is progressing faster than morals and "too fast."

"Morals must catch up with science."

Willson was introduced by District Governor Jim McCulloch of Stamford. The Rev. Howard Hollowell, president of the Midland club, presided at the meeting. Delbert Downing was chairman of arrangements for the assembly.

Forty-one Rotary clubs of the 64 in the district were represented at the assembly. Twenty-one of the clubs have both presidents and secretaries in attendance at the sessions.

The assembly opened officially at 10 a. m. Friday in the Yuca Theatre with Delbert Downing of the Midland Rotary Club presiding. Robert M. Payne led the group singing, with Joe Erickson at the piano. W. Ily Pratt gave the invocation and the Rev. Howard H. Hollowell, president of the Midland club, delivered the address of welcome. The response was by H. E. (Jack) Norrick, president of the Borger club.

A total of 120 out-of-town registrations were reported Friday. Many Midland Rotarians joined the visitors at the sessions.

District Governor Jim McCulloch of Stamford, who is conducting the assembly, made the initial address. "We Have a Job To Do" was his subject.

New Class Organized

Rotary clubs organized recently at Snyder and Dublin were welcomed into the 127th District Rotary International. Most of the 64 clubs in the district were represented.

Other speakers at the morning session, and their subjects, were: M. W. (Pie) Lamour of Graham "The ABC of the Aims and Objects Plan"; Aubrey Stephenson of Abilene, immediate past district governor, "Possibilities For Organizing New Rotary Clubs in This District"; Edd McLaughlin of Ralls, "Vocational Service Made Simple and Workable." Question and answer periods followed each address.

McCulloch told the assembly that all Rotarians have a bigger job than the mere mechanics of Rotary. He urged all to try to make the world a better place for future generations.

Meetings of club presidents and secretaries were held following the noon luncheon in the Crystal Ballroom of the Scharbauer Hotel. Hiram Arrant of Abilene was chairman of the meeting for presidents, and Charles Paxton of Sweetwater presided at the secretaries gathering.

Charley Newman of Fort Worth, Rex Webster of Lubbock and Ben Boston of Vernon were the speakers at the presidents' session, and Cliff Dodson, Stamford; Densil (Continued on page 2)

Presidential Succession Is Altered By Act

WASHINGTON—(AP)—President Truman Friday signed the Presidential succession bill placing Speaker Joseph Martin (R-Mass) in line to replace him in the event Truman is unable to complete his term.

The legislation, which Truman requested immediately after he vacated the vice-presidency, was signed as part of the Presidential routing.

There was none of the ceremony which sometimes accompanies the signing of important measures.

Press Secretary Charles G. Ross, who told reporters of the signing, said he knows of no plans to assign a Secret Service agent to protect Martin.

Secret Service agents also said they know of no such intention.

Until Truman signed the legislation, Secretary of State Marshall had been next in line to the Presidency.

The new bill outlining order of Presidential succession places the Speaker immediately behind the Vice-President.

The President pro tempore of the Senate—now Senator Vandenberg—is next in line of succession after the Speaker of the House.

Cabinet officers starting with the Secretary of State, follow in order provided by previous law.

New NLRB Head Predicts Labor Harmony Soon

WASHINGTON—(AP)—Robert N. Denham, newly-appointed key man behind the Taft-Hartley labor law, predicted Friday "under proper administration the new act will do a great deal to benefit both labor and industry."

As President Truman's choice for the powerful post of general counsel to the expanded national labor relations board, the 62-year-old Republican told a reporter:

"I believe the labor situation will clear itself up much more rapidly than some people believed."

He said he has no intention to use his powers under the new act to "dictate" labor relations.

"I don't think labor needs a Czar," he declared. "Neither does industry."

Along with Denham, now an NLRB trial examiner, the President Thursday announced his two choices for the additional board memberships created by the act—Abe Murdock, former Democratic House member and Senator from Utah, and Republican J. Copeland Gray, labor relations expert of Buffalo, N. Y.

All three jobs pay \$12,000 annually and the appointees are subject to Senate confirmation.

Seventy Of 721 Live Through Sinking Of Ships In Arabian Sea

BOMBAY, INDIA—(AP)—About 70 survivors were reported Friday to have been found out of 721 persons who were aboard the 400-ton coastal steamer Ramdas when she sank Thursday in the storm-swept Arabian Sea, 12 miles south of Bombay.

The Bombay Port Trust, the Royal Indian Navy and many fishermen cooperated in the search for survivors in a sea still running high from the week-old monsoon.

The 11-year-old Ramdas capsized under the impact of two tremendous waves and sank within five minutes near Gull Island.

The vessel at the time was near the end of her regular passenger run from this city to the fishing village of Revas, across Bombay Harbor, with 673 passengers and a large crew aboard. At least three of the passengers were reported to be Europeans—including a woman and a child.

Survivors reaching here told harrowing stories of how they had saved themselves and how they had seen friends and relatives swept overboard from the sinking ship.

One passenger was making a religious pilgrimage with eight members of his family, including his mother and four-year-old daughter. He was the only survivor of this group.

YEAH! FOUND HOUSE YET?

DALLAS—(AP)—Lt. Gov. and Mrs. Allan Shivers may become residents of Dallas, the Dallas Morning News said Friday. The Shivers, now residents of Mission, have made inquiries here in search of a house, the newspaper reported.

ANOTHER WILDCAT STAKED IN WEST HOCKLEY AREA

E. Constantin, Jr., of Dallas is to drill a 5,000-foot wildcat in West Hockley County, about six miles southwest of Levelland. It will be his No. 1-A W. T. Cobe, and is located 440 feet from north and east lines of sub-division 50, league 69, Hardeman County School Land survey.

STARR TO DIG STEPUPT TO SHARON RIDGE FIELD

J. W. Starr of Midland, has filed an application with the Railroad Commission of Texas requesting a permit to drill his No. 1 Carol C. Mills as a 2,000-foot exploration in Southwest Scurry County, approximately one mile northeast of closest production in the Sharon Ridge field.

It will be 330 feet from north and east lines of tract 7, section 1, J. P. Smith-C. A. O'Keefe sub-division. Drilling with cable tools is to start by July 23.

SPOC-ATLANTIC GET GAS AND DISTILLATE IN DST

Sinclair Prairie Oil Company and the Atlantic Refining Company No. 1-66 University, Central-Northeast Crockett County wildcat, which is now investigating the Ellenburger, was on a total depth of 7,476 feet and was taking a second drill-stem test.

This project, located 1,980 feet from north and east lines of section 30, block 46, University survey, ran a ten minute drill-stem test at 7,390-7,438 feet.

Gas showed at the surface in one minute. Drilling mud flowed at the top in seven minutes. The tool was closed at the end of ten minutes on account of the heavy gas flow, which was estimated at 10,000,000 cubic feet per day.

Recovery, when the drill pipe was broken down, was 60 feet of distillate. No water appeared.

Top of the Ellenburger is at 7,396 feet. Elevation is 2,680 feet.

BARNSDALL DRILLED SOFT SECTION IN HALE PROJECT

Barnsdall Oil Company No. 1 Camp, South-Central Hale County wildcat, in northwest quarter of section 13, block D-8, EL survey, and four miles west and one quarter of a mile south of the discovery well of the Petersburg field, was making hole below 6,878 feet in lower Permian dolomite.

The section at 6,430-6,650 feet was soft, brown, crystalline dolomite. It drilled fast. There was some porosity and some slight oil stains, but no oil odors.

Operator did not consider the shows of sufficient importance to justify running a drill-stem test. The soft section is thought to have been a zone of the Wolfcamp, lower Permian.

SUN SPOTS ANOTHER JAMESON EXPLORATION

Sun Oil Company has staked location for a new exploration to the crinoidal zone of the Pennsylvanian, on the outside of the proven limits of the Jameson field, in Northwest Coke County.

It will be Sun No. 4 Fred Jameson, and is 660 feet from north and west lines of section 315, block 1-A, H&T survey. Drilling with rotary, to around 6,250 feet, will start at once.

CSOC CROCKETT FLANKER SHOWING FOR A PRODUCER

Cities Service Oil Company No. 1 Hobbs, one-quarter of a mile west a recent discovery from the Wolfcamp-Permian in West Crockett County, and located 1,993 feet from north and 60 feet from east lines of section 7, block GG, H&OB survey, was swabbing to clean out and test on perforated section at 5,705-20 feet.

That zone had been treated with north and 660 feet from east lines swabbing, after the treatment, recovery was 130.75 barrels of fluid, of which 21 barrels was oil and 99 barrels was acid residue and load water. In a subsequent five hours of swabbing the recovery was 23.22 250 gallons of acid. In 15 hours of barrels of oil, cut two-tenths of one of one per cent sediment.

HUMBLE COMPLETES GOOD OIL WELL AT DOLLAR HIDE

Humble Oil & Refining Company No. 5 Cowden, new Devonian producer in the Dollar Hide field of Southwest Andrews County, and 660 feet from north and west lines of section 7, block A-55, psi survey, completed for a 24-hour flowing potential of 445.83 barrels of pipe line oil, through a three-eighth inch tubing choke.

Gravity was 39 degrees. Gas-oil ratio was 1,133-1. The production was through casing perforations above total depth of 7,905 feet. The pay had been treated with acid.

Hess And Other Nazis Commence Life Terms

BERLIN—(AP)—Rudolf Hess and the other six high Nazis who escaped the noose in the Nuernberg war crimes trial Friday were transferred secretly to Spandau prison, where they will serve terms of from 10 years to life.

For Hess, Walther Funk and Grand Adm. Erich Raeder, it was apparently their final appearance outside confinement. All were doomed to life terms.

Cotton Bloc In Action

Senator James O. Eastland of Mississippi may be claiming more fame than he deserves in taking credit for forcing the resignation of Assistant Secretary of War Howard C. Petersen. Eastland has been demanding Petersen's scalp for some time. He even led a delegation to see President Truman about it.

Petersen, who has been in charge of War Department civil affairs, is leaving the War Department at the end of July, all right. But he has long planned resigning to accept a vice presidency in a big eastern banking house.

Eastland's row with the War Department is over the cotton program for occupied Germany and Japan. Cotton is grown in 14 states, and the 28 senators from these southern states form one of the tightest blocs in Congress. Ranging all the way from liberal Pepper to reactionary Bilbo, on the subject of cotton they all think and act alike.

Half a dozen times in the past year this group has called Petersen to Capitol Hill for closed sessions. Their aim is to see that the War Department keeps on buying only U. S. grown cotton for German and Jap textile mills—paying, of course, the going price of 36 cents a pound or more.

So far, over a million bales of U. S. cotton have gone to occupied areas—\$35,000,000 worth to Germany and \$135,000,000 to Japan. It represents about a sixth of the surplus cotton bought by the government in depression years. Commodity Credit Corporation bought it for from 10 to 20 cents a pound. The U. S. Commercial Company then bought this cotton for the War Department military government, paying 30 cents a pound. This gave CCC a profit at the expense of U. S. CC, which was like taking money from one of Uncle Sam's pockets to put it in another.

Anyway, this cotton was used to get German and Jap textile production going. It provided employment. The cotton was sold to German mills. The proceeds were used for the expense of military government. The theory was that 40 per cent of the textiles would be used locally and the rest sold at a profit as exports to give the Germans and Japs foreign exchange to buy other things they need.

The deal was that none of these textiles should be sold to the United States. That protected the market for American textile mills. It removed the threat of foreign competition even though the United States has been short on cotton textiles. That kept up U. S. prices.

If all the cotton exported to Germany and Japan had been used here, the effect would have been to increase the supply and so hold down the price. In the long run U. S. consumers are therefore paying higher prices for cotton goods in order to keep in operation the mills of Germany and Japan.

But the cotton bloc wants to keep up this business. The more cotton sold abroad, the less the supply will be at home and the higher the price. What this amounts to is that the War Department and U. S. CC must come to Congress and ask for bigger appropriations to buy more cotton at higher prices, so as to subsidize the dumping of U. S. cotton on the German and Jap markets.

This hits the consumer a second time, since it is the U. S. taxpayer who must shell out more money to support military government.

What our country needs is a thermometer that can read the weatherman's forecast.

A Minnesota boy set fire to 200 dollar bills his mother had saved. It fits the theory that modern youths think their parents have money to burn.

Dean, Amarillo; Steele Johnston, Odessa, and Mrs. Jimmie Hallan of Fort Worth spoke at the meeting for secretaries.

Other Speakers
Scheduled to speak at the general session Friday afternoon were: Charley Peyton of Cleburne, "On This We Build"; Bernard Bryant of Stamford, "Rotary Foundation Campaign"; Grady England of Wichita Falls, "It Is Our Magazine"; Lloyd Wicks of Ralls, "Opportunity Unlimited."

A statement by McCulloch will conclude the assembly.

A reception honoring wives of visiting Rotarians was scheduled Friday afternoon at the home of Mrs. Fred Wemple.

McCulloch Thursday night entertained former district governors at a dinner in the Scharbauer Hotel.

Other visitors attended the Midland-Vernon baseball game and Midland theaters.

Kermit Man's Death Ruled As Suicide

KERMIT—C. A. Pearson, 57, of Wink died at his home about midnight Wednesday from self-inflicted gunshot wounds, according to a coroner's report by Justice of the Peace S. A. Bailey.
Pearson, a resident of Winkler County 11 years, was found dead in the bathroom of his home. A .38 Colt automatic shot had entered under his chin and came out at the top of his head. He left a note for his family, but no explanation was given for the suicide.
Funeral arrangements are incomplete, but burial will be in the Kermit Cemetery.

Pearson formerly resided in Austin. He had been employed at Provo Army Air Field the last year, and prior to that had operated a truck for county commissioners. He was a member of the Assembly of God Church and of the IOOF Lodge.
Survivors include his widow, a daughter, six sons, five brothers and four sisters.

House Committee Gets Out Appropriations

WASHINGTON—(AP)—A 12.6 per cent cut in the Administration's \$1,548,361,400 foreign-aid spending program for this fiscal year was recommended Friday by the House Appropriations Committee.

Part of the reduction apparently was intended to express congressional annoyance at Russia's ability to persuade Poland and Hungary to boycott the Paris European recovery program.
In recommending a total outlay of \$1,353,024,900, of \$195,336,500 less than President Truman asked, the committee said there "is a limit to the resources of this country, and the governments of other countries must not expect that relief from the United States is limitless."
The committee's action came after several high-ranking Republican members first publicly predicted and later privately disavowed drastic cuts in the program. Secretary of State Marshall made a personal appeal for the funds at a secret meeting with GOP leaders last week.

Freight Service Will Be Offered By Pioneer Air Lines After Aug. 1

HOUSTON—Air freight service on regularly scheduled Pioneer Air Lines flights will begin August 1, Harding Lawrence, general traffic manager, announced.

The new service has numerous advantages for cities along Pioneer routes, he pointed out. Merchants can restock shelves faster than ever before, critically needed machinery parts can be flown in, and perishable foods can be received, perfectly fresh, from distant points.
Door-to-door handling of shipments will be provided, he said, and contracts are already in force between the air line and reputable trucking firms.

Cotton Congress Told Markets Can Be Held Secure By Research

DALLAS—(AP)—M. K. Horne, Jr., of the National Cotton Council of America, said here Friday if cotton could hold its present quality advantages its markets would be relatively secure, but warned:

"At the present time the research programs devoted to the improvement of cotton's competitors are disproportionately large. Paper and synthetic fibers have made great strides in research and they can with good reason be expected to make further strides. Their research programs are aimed directly at overtaking cotton in those quality advantages on which it depends for its markets."

In an address prepared for delivery before the eighth annual meeting of the Cotton Research Congress, Horne said cotton, at 25 cents per pound, might lose all its markets in the course of time "unless a really adequate effort is made through research and developmental work to keep cotton abreast of its competitors in quality improvement."

Last Round Of Pre-Nuptial Parties Begin For Lois Lynch, Bride-Elect

Beginning the last round of pre-nuptial parties before her marriage Saturday evening to James Paul McHargue, Jr., Lois Mary Lynch was feted with a kitchen shower Thursday night at the home of Mrs. O. F. Hedrick, 800 West Michigan Street. Mrs. C. G. Campbell and Mrs. Howard J. Atwater were co-hostesses. Presents were given to Miss Lynch in a box covered with gay kitchen wallpaper. Various kitchen needs were attached to the outside of the box. The honoree wore a gardenia corsage.

The dining table held a centerpiece of zenias, and bouquets of sunflowers and zenias were distributed throughout the house. Ice cold drinks were served from a crock, which was the centerpiece of a large Mexican tray. Completing the Mexican decorations was Mexican ware, which held cookies and candies. Mrs. Frank Arrington of Austin, Texas, presided at the dining table. Included on the guest list were Mrs. Frank Arrington of Austin and Mrs. Vida Lynch and Miss Odine Lynch of Tulsa, Okla., aunts of the bride-elect. Others were Mrs. A. E. Lynch, mother of the bride-elect, Mrs. Paul McHargue, mother of the bridegroom-to-be, Mrs. Gerry Graham, Mrs. Frank Hawk, Mrs. Charles Reeder, Mrs. Tommy Wilson, Jr., Mrs. Fred Fromholt, Mrs. L. A. Arrington, Maude Prather, Mrs. Lige Midkiff, Mrs. Johnny Carter, Joyce Melanson, Mrs. L. I. Baker, Mrs. John Hughes, Mrs. Calvin Campbell, Mrs. J. R. Smith, Kitty Ellis, and Mrs. George Brown.

The pre-nuptial parties will continue Friday night when the bridal party meets in the Private Dining Room of the Scharbauer Hotel for dinner following the rehearsal at 7:30 p. m. The round will end Saturday morning when Mrs. Frank Hawk, a bridesmaid, will honor the bride-elect and the other bridesmaids with a breakfast at 10 a. m. at the Ranch House. Guests will include Mrs. Frank Arrington, bridesmaid; Mrs. George Cooper, matron of honor; Frances Marie Rankin, junior bridesmaid; Bennie Lee Rankin, flower girl, and Mrs. Gerald Graham, sister of the bridegroom-to-be.

Nine Hostesses Entertain B&PW, Guests In Big Lawn Party, Picnic Thursday

Nine members of the Business and Professional Women's Club entertained the club and its guests at 7:30 p. m. Thursday at the home of Mrs. Neta Stovall, 307 North C Street, with a lawn party and picnic, as one of the first of two socials slated for this summer. The other hostesses were Mrs. O. M. Lutton, Mrs. Ima Watson, Mrs. Dedie Brewer, Mrs. Sue Simms, Mrs. Iva Noyes, T. K. White, Nettie Johnson, and Betty Kurtes.

Watermelon Feast For CYF Members

The Christian Youth Fellowship of the First Christian Church was entertained with a watermelon feast at the home of Mr. and Mrs. Ivan Hood, 111 Ridgela Drive, Thursday night.

Lawn games and songs followed a brief planning conference, during which plans for future meetings were discussed. Leroy Castle, director of the young people's work, had charge of the discussion. The group was dismissed by a benediction pronounced by Mrs. Delbert Downing and the Friendship Circle.

Those present were Mrs. D. D. Downing, adult sponsor, Jerry McDonald, Bobby Hunter, Tom Friday, Dale Mickey, Ann Boring, Janis Davis, Janis Slough, Carolyn Claiborne, Don Downing, Sarah Kreizer, Doris Showers, Joe Cloninger, Bob Browning, Dennis Rhodes, Glenn Rhodes, Van Cummings, Jonny Kerr, Hazel McBrien, Wanda Elms, Patsy Bray, Joy Guyton, Nell Cole, Melba Clark, Mary Lou Price of Fort Worth, Diane Jeffries of St. Louis, Joyce Hinkle of Lynchburg, Tenn., Edwina Hood, and Mr. and Mrs. S. P. Hall.

Valley View Club Hears Discussions On How To Make Furniture

A program illustrating how furniture and articles are made with tin containers highlighted the meeting of the Valley View Club at the community center Thursday afternoon. Mrs. C. C. Carpenter was in charge.

During a business meeting, monetary plans were discussed. Mrs. Cecil Carpenter gave the council report, and suggestions for the encampment were made. It was decided to visit the Von Roeder orchard, combining an all-day picnic with the business of obtaining peaches for the club's Fall canning program.

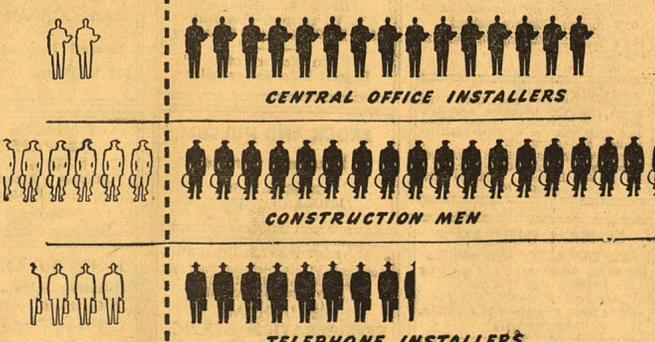

Mrs. I. J. Howard and Mrs. E. S. Mason were co-hostesses. Refreshments were served to the following: Mrs. J. D. Bartlett, Mrs. R. E. Cain, Mrs. Preston West, and Mrs. Jim Baker.

We've added thousands of men to bring you telephone service

1945 **NOW**

CENTRAL OFFICE INSTALLERS
CONSTRUCTION MEN
TELEPHONE INSTALLERS

Getting scarce telephone central office equipment and cable is one thing. Putting it in and getting it ready for service is another.

For that job we needed more trained men, so we trained them. Many came to us fresh from military service or from school. We are teaching them to be telephone specialists. We are adding them to the skilled forces we already have.

To give you an idea, when we started this \$400 million job in the Southwest:
... 400 men were hooking up new switching equipment to handle calls. *Now there are 3,000.*
... 1,100 construction men were setting poles, stringing wire, placing and splicing cable. *Now there are 3,500.*
... 700 installers were connecting telephones as fast as that switching equipment and those lines were ready. *Now there are 1,700.*

And in telephone factories there are 81,000 workers—one-third more people than ever before. They are making the things it takes for a telephone system to grow, so it can serve you and 250,000 more people waiting for telephones in this part of the country. We're sorry you must wait at all, but skilled hands are trying to make the wait shorter... and to make all service better than ever.

IF WE COULD GO TO SUNDAY SCHOOL

FROM this corner it looks like sadness personified . . . a couple of broken hearted pooches, strained to the point of melancholy as little Willie and Kathleen leave them behind and go on their way to Sunday school. With a mind and understanding next to that of a human being these kind hearted little dogs seem to know well that their third and fourth legs render them unwelcome at Sunday school. Here they impatiently await the return of their little masters. The parents of little Willie and Kathleen didn't even go with them. Like many parents of today they sent them alone to Sunday school not even worrying about their safety or return.

IT is becoming more apparent every day that the phrase "Juvenile Delinquency," is being over worked, misused and misapplied. This delinquent business has a very definite beginning. More often it begins with the parents. They are the ones who fail miserably in the performance of duty. Your children need your presence, your companionship . . . they need you to TAKE them to Sunday school and church--NOT SEND THEM. The very least you can do is to care as much for your youngsters as their little dogs do. The pooches would gladly go if they could. Why not decide now to swell the attendance of your church Sunday by taking your entire family.

YOU IN THE CHURCH
THE CHURCH IN YOU
Character is a by-product of the church. It is here that young and old alike are showered with benediction and a stronger influence for a better citizenship and a more religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Food For Greece

(NEA Telephoto) Food obtained for Greece under the relief program is loaded aboard the American Export Lines SS American Victory at Staten Island, N. Y. It will soon be on its way to Greece which is again feeling the strife of war as the Greek army fights a guerrilla invasion from Albania.

World Alliance Of Baptists To Meet In Denmark

WASHINGTON — (AP) — Baptist clergy and laymen from over the world are converging on Copenhagen for the seventh Congress of the Baptist World Alliance, opening July 29. It will be one of the largest religious meetings since before the war with between 4,000 and 5,000 delegates attending. From the United States alone 960 Baptists are going to the meeting. Many already are en route. The largest group sailed on the Queen Elizabeth July 17. Many will go by plane later. Headquarters of the Alliance here said delegates had no difficulty getting passports visad for Denmark. The country was spared the ravages of war and food and accommodations for the vast assemblage are adequate. Two of the foremost decisions to be made by the Congress are: 1. Election of a president to succeed the late Dr. J. H. Rushbrooke of London. 2. Determination whether Alliance headquarters will return to London or remain in Washington. Dr. Rushbrooke died last winter. Headquarters for the organization were moved to Washington in 1941 because of the bombing of London and because Dr. W. O. Lewis of the United States, general secretary, could not be in London due to wartime travel restrictions. It is considered likely the headquarters will be returned to London.

McKENNEY ON BRIDGE

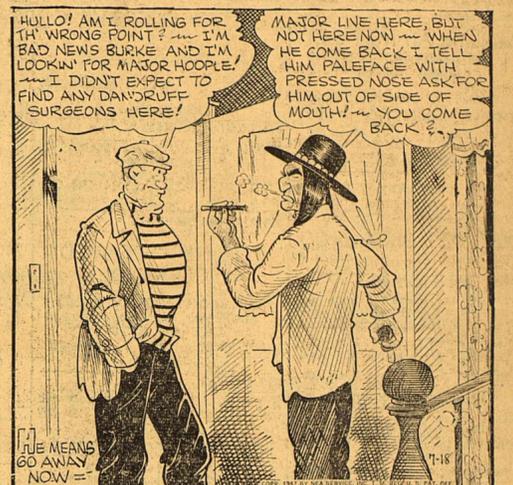

Advertisement for a bridge tournament. It includes a list of players and their scores, a hand diagram, and a short story about a player named McGhee. The text says: 'Eight of the country's 83 Life Masters are Chicago players. One of them, William McGhee, Life Master No. 68, has a theory that differs from the generally accepted one on the bidding over a double. The standard theory is that a bid over an informative double shows weakness. McGhee's theory is that a bid over an informative double informs your partner that you like his suit. In today's hand South was justified in opening the bidding with a spade. Not all players would double with the West hand, but in this case West did double. Most North players would bid three or four spades, but McGhee bid two diamonds, which said, "Partner, I like spades, but if we do not play it at spades, it might be better to open a diamond." As it happened, when this hand was played at six hearts with a club opening, declarer made the contract. He won the club in dummy, discarded his other club on the ace of spades, ruffed the ace of trumps, and then proceeded to establish two club tricks on which he discarded two losing diamonds. However, at six hearts against McGhee, South opened the jack of diamonds, North and South took the first three diamonds tricks, McGhee continued with the four of diamonds and South made his singleton king of hearts. Thus the contract was set three tricks.'

Big Crowd Expected To Attend 'Gulf Day' Celebration Saturday

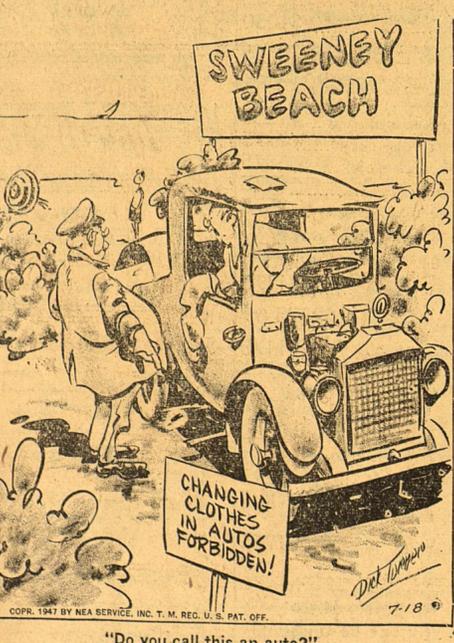

ODESSA—Coronation of "Miss Gulf Pride of West Texas" and dancing to the music of Herman Waldman and his orchestra will climax a varied program of entertainment when the Gulf Oil Corporation holds its annual "Gulf Day" picnic at the Ector County Park here Saturday. Events, in addition to the bathing beauty contest, include a junior bathing revue, swimming and diving contests, boxing, tennis matches, pie eating contest, softball, and golf. F. J. Adams, the company's general agent in Fort Worth, will present the crown to the winning bathing beauty. More than 5,000 persons are expected to be present for the program and the barbecue which will be served by the Chuck Wagon Gang.

Longhorn League—
Indians, Broncs, Sports Continue On Winning Ways

By The Associated Press
Big Spring and Midland edged well away from the field Friday in the Longhorn League.
Both won Thursday night while third-place Ballinger lost. Thus the margin between runner-up Midland and Ballinger was increased to 13 1/2 games.
Big Spring licked Ballinger 8-6 while Midland whipped Vernon 13-2. In the other game of the night Sweetwater tamed Odessa 8-5.

Second Round Of Play Begins Friday In Softball League; New Game Times

Second-round fireworks begin in the city softball league Friday night. First out of the chute are these teams: Shell Oil vs. Rocky Ford at 7:15 p. m.; JayCees vs. Dowell Incorporated at 9:15 p. m.
Fans are reminded of the new game starting times since they were 7:30 p. m. and 9 p. m.
Next Tuesday night the first game of the playoff series between Roberson Sinclair and Dowell Incorporated will be played. Then Thursday night two more games will be unrec'd, if necessary. Winner must take two out of three.
Here is how they got under the wire at conclusion of the first round:

Team	Won	Lost
Roberson	16	4
Dowell Inc.	14	5
JayCees	12	7
Rocky Ford	6	13
Mackey Motors	5	14
Shell Oil	5	15

Major Leagues—
Yankees Equal Record With Two Wins Over Tribe

By The Associated Press
The New York Yankees' merciless victory march in the American League Friday had even the rival National League clubs jittery.
With 19 straight victories under their belts to tie the American League consecutive win record, the Bronx Bombers are casting covetous glances at the only two winning streaks exceeding theirs—the 21 straight by the 1935 Chicago Cubs and the Major League record of 26 polled by the New York Giants in 1916.

The Yankees made it 19 in a row Thursday when they defeated the Cleveland Indians in both ends of a double header 3-1 and 7-2 at Cleveland's Municipal Stadium. The double victory enabled them to equal the 41 year old standard set by the Chicago White Sox in 1906.

The double win enabled the Yanks to maintain their 11 1/2 game lead over the second place tigers. The Bengals came from behind twice to capture both ends of a double header from Washington 7-5 and 4-3.
The Red Sox remained a game behind the Tigers by winning two from the White Sox in Chicago 4-1 and 6-3, the second game going 11 innings.

The Philadelphia Athletics, leading 7-2 going into the ninth inning, whacked across nine more runs to trounce the Browns in a night game in St. Louis 16-2.

A queen trumped a king on the diamond when Mel Queen, newest pitching member of the Pittsburgh Pirates won over Clyde King and the Brooklyn Dodgers 7-1 at Ebbets Field.

The fourth place St. Louis Cardinals moved within four and a half games of the National League leading Dodgers when they defeated the Braves in a night game in Boston 5-2.

Rain and wet grounds caused the postponement of the scheduled double header between the Cubs and Giants at the Polo Grounds. Cincinnati and the Philadelphia Phils were not scheduled.

Soaring Altitude Set At 25,000 Feet; Girl Breaks Women's Mark

WICHITA FALLS—(AP)—Two American-made international altitude soaring records awaited official confirmation at the 14th annual national soaring meet here.
Kempes Trager of Detroit, Mich., reported he soared Thursday to an altitude of 25,000 feet, where he said he blacked out.
If confirmed, the altitude flight will better both the American and international single place altitude record.

Trager said he encountered hail, ice and lightning as he rode to the altitude on a storm front.
The present national record is 19,434 feet and the international record is 22,434 feet. The U. S. record is held by Shelly Charles of Atlanta, Ga., and was established in 1934. The international record, made in 1938, is held by a German.
Officials will check the barograph carried on Trager's glider before the flight becomes official.

Virginia Dennis of Sanford, Fla., soared to an altitude of 10,000 feet, 7,500 feet above the release point of 2,500 feet.
Her flight challenges the present woman's international altitude soaring record of 6,795 feet above the release point, held by a Russian woman glider pilot.

Mrs. Dennis probably became the first woman in the Western Hemisphere to qualify for a "Silver C" soaring certificate.
She recently established two records, one a distance record of 94 miles and the other a goal of 52 miles.

Midland Indians Again Whip Vernon Dusters, Count Is 13-2

The Midland Indians conclude a three-game series with the Vernon Dusters at 8:30 p. m. Friday in the home park. The Indians have won two by top-heavy counts.
Thursday night the Midland Indians hopped onto Vernon's Dusters in a Longhorn League baseball game and won easily, 13 to 2, going away.

But for a couple of mis-cues, Ossie Kolwe, Midland twirler, might have gotten his second consecutive shut-out. He had the Dusters cuffed all right, limiting them to eight hits and striking out 10 of them.
Vernon managed one run in the first inning on an error and got another in the ninth also on an error.

Harold Webb's boys were quite potent at the plate in the second inning with four tallies and three each in the fifth and eighth. In the first they got one run, two in the fourth.
Henry Melillo was the hit star of the night for Midland. He was at bat four times, got four hits, made four runs, including a triple.

Brady, Davis Take Doubles Tennis Title

Leo Brady and Charles Davis won the open doubles championship of the Midland Tennis Club tournament Thursday, defeating Cliff Hall and Dave Henderson, 3-6, 6-3, 8-6, in close stroking.

A good crowd of fans were present and they were not disappointed, seeing plenty of action. Both doubles teams made sharp angle shots, overhead drives and soaring jobs.
One lob that Davis hit at the backstop with his back to the court seemed to take about a minute to get back to the ground. Hall and Henderson played a lobbing game, which almost won them the match. Davis' service was a potent weapon for the winners as he won seven out of nine games he served.

This concludes the series of Summer tournaments of the Midland Tennis Club. Here are the winners of the various events: Donald Johnson, boy's singles; Goss Yeager and Lloyd Henderson, boy's doubles; Duffy Stanley, open singles; Brady and Davis, open doubles.
