

Plunder, Slavery Charged Krupps

Gun Makers Face War Crimes Trial

NUERNBERG—(AP)—The American prosecution Monday opened the war crimes trial of the House of Krupp, Germany's top gun makers for nearly 150 years, who are charged with having cooperated with the Nazis in waging aggressive war.

The Krupp combine, which supplied Kaiser Wilhelm and Chancellor Otto Bismarck with arms for their wars, also "assisted both with its money and its prestige in the establishment of Hitler's authority and dictatorship of the Third Reich," Brig. Gen. Telford Taylor, chief counsel for the prosecution's opening statement.

Taylor asserted Krupp "provided the Third Reich with what it most needed to put its aggressive and warlike policies into effect and played a vital part in the waging of wars which inevitably followed."

The main Krupp defendant is Alfred Krupp von Bohlen und Halbach, head of the armament dynasty since 1943.

His father, Gustav Krupp, will not be tried because he has been pronounced senile and ill.

Eleven of the company's chief officials also on trial are:

Ewald Leoser, Eduard Houdremont, Erich Mueller, Friedrich Janssen, Karl Pfirsch, Max Inn, Kar Eberhardt, Heinrich Korschach, Friedrich von Buelow, Werner Lehmann and Hans Kuppe.

Almost ruthlessness

"The utmost ruthlessness and disregard of international conventions came as naturally to Krupp as it did to the German war lords and political leaders of the Third Reich," the prosecution asserted.

"There was no crime such a state could commit—whether it was war, plunder or slavery—in which these men would not participate. Long before the Nazis came to power Krupp was a 'National Socialist model plant.'"

The defendants listened intently as the prosecution told the story of the House of Krupp from the post-World War I period, when it secretly armed in violation of the Versailles Treaty, to the collapse of the Nazi Reich.

New French Strike Call Collapses

PARIS—(AP)—The Communist-dominated General Confederation of Labor (CGT) suffered a sharp setback Monday when a two-day strike of Paris subway and bus workers, scheduled to begin Monday morning, apparently collapsed.

At the same time, a five-day "warning strike" of government workers, called by the CGT in an attempt to pull approximately 1,200,000 civil servants off their jobs, was meeting with dubious success.

The strike started for some groups of government employees last Friday and was due to extend to all departments Monday morning, but government officials declared their offices were functioning normally.

A spokesman for the Paris transport system said the subway and bus strike had been called off by the union because it was "a failure."

Headquarters of the OGT-affiliate which called the strike confirmed that it had been "annulled," but declined to give the reason.

The strike vote had been carried by a strong majority of union members at a closed meeting after a central strike committee, composed of CGT members, had rejected Premier Robert Schuman's offer of a cost-of-living money indemnity for workers.

Strike termed "Failure"

The defendants listened intently as the prosecution told the story of the House of Krupp from the post-World War I period, when it secretly armed in violation of the Versailles Treaty, to the collapse of the Nazi Reich.

Hospital Campaign Workers Strive To Complete Assignments

Determined to complete assignments this week if possible, volunteer campaigners in the Midland Memorial Hospital's \$1,000,000 building fund campaign Monday were busily engaged in making follow-up contacts and in calling on persons previously missed in the drive.

Leaders said the campaign will continue until all citizens have been given the opportunity of giving to the hospital, the construction of which will be started next month.

A number of teams already have completed their work and have made final reports. Others are expected to turn in remaining pledge cards this week.

A round-up luncheon and report meeting is scheduled Wednesday, December 17, when final report will be submitted by many team captains and workers. Gifts from numerous oil companies also are expected to be announced at that time.

Christmas Seal Sale At \$2,925

Receipts in the annual Christmas seal sale sponsored by the Midland County Tuberculosis Association Monday totaled \$2,925.50, Mrs. Linnie H. Davidson, executive secretary, announced.

She said citizens are responding "fairly well," and urged those who have not paid for their seals to do so as promptly as possible. The campaign opened Thanksgiving Day and will continue until Christmas.

A meeting of officers and directors of the association will be held at 7:30 p. m. Monday in the organization's office, when a detailed report of the seal sale will be heard, and plans made for bringing it to a successful conclusion. Dr. Homer B. Johnson is president.

The goal of the 1947 sale is \$5,200, an increase of several hundred dollars over the 1946 quota. The Midland TB Association receives its sole support from the sale of the Christmas seals.

LATE NEWS FLASHES

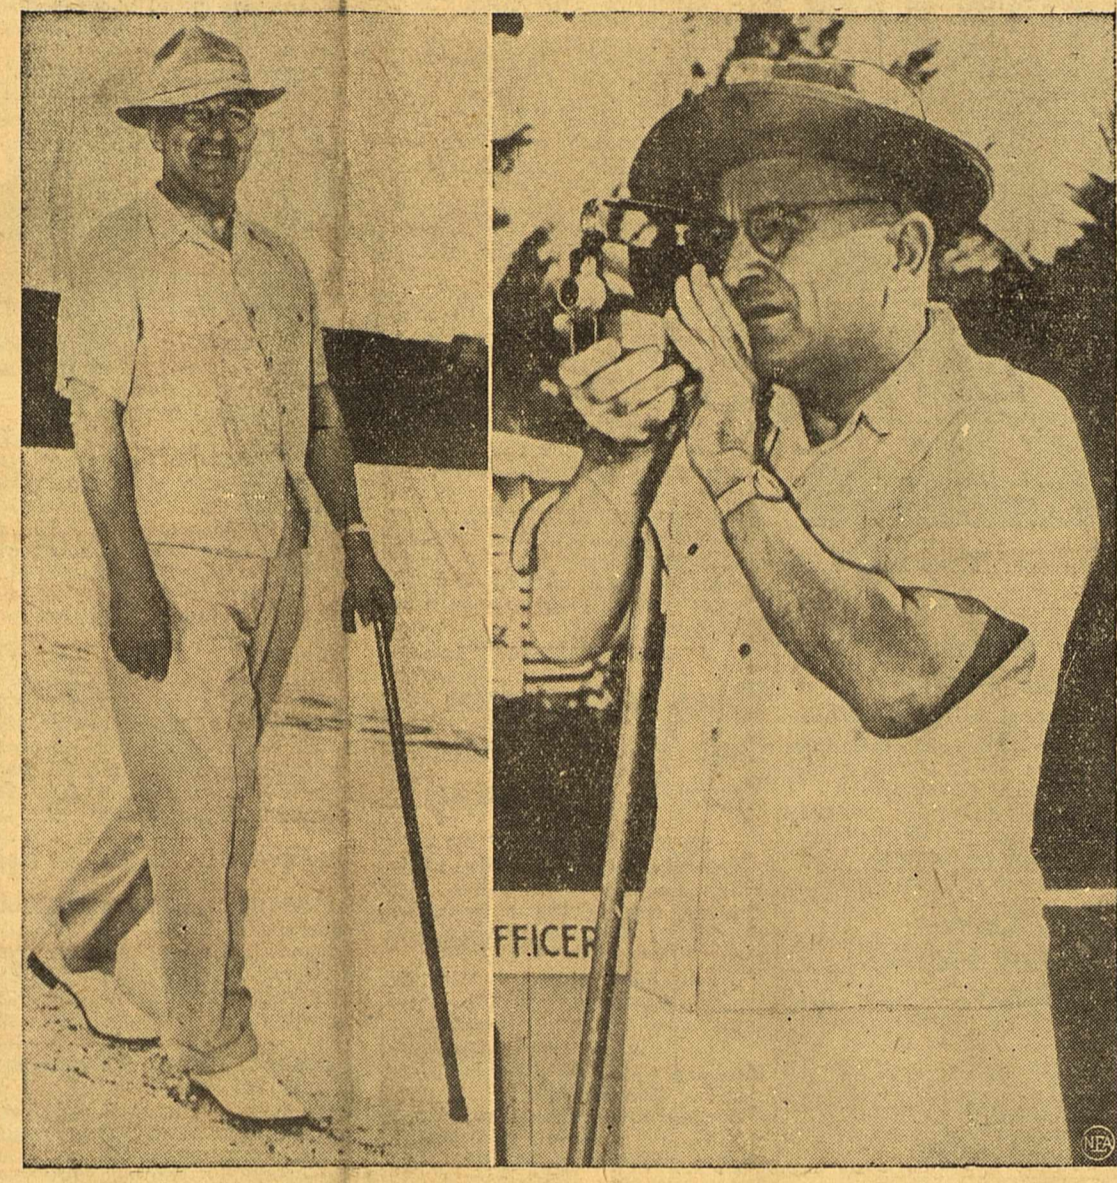

MOSCOW—(AP)—Pravda said Monday in a dispatch from London that setting up of a Western German government as "a military and political base for Anglo-American imperialism" could lead to a new war.

LONDON—(AP)—Britain has informed the United Nations she intends to surrender her Palestine mandate May 15, government sources reported Monday.

WASHINGTON—(AP)—Official reports that police in Communist-dominated Romania searched the homes and automobiles of United States diplomatic and military officials were made public Monday by Senator Knowland (R-Calif.).

BUDAPEST—(AP)—Premier Marshal Tito of Yugoslavia and Premier Lagos Dinnyes of Hungary Monday signed a treaty of friendship and mutual military assistance.

Harry S. Truman, Typical American Vacationer

President Truman seemed to enjoy his Florida vacation as he strolled along the beach at the U. S. Naval Base in Key West, jauntily swinging a cane. At right, like any other vacationer, he recorded his trip by taking some motion pictures. The President returned to Washington Monday aboard his official plane, the Sacred Cow, to complete a message to Congress on plans for long-range European recovery.

Fresh Eisenhower Rumors Fly As GOP Looks For Nominee

WASHINGTON—(AP)—Fresh indications that Gen. Dwight D. Eisenhower may step out of uniform in January coincided Monday with reports of increased activity in his behalf as a possible Republican presidential candidate.

Although the Army chief of staff has been vague about his quitting time, there is evidence the previous schedule for him to take over the presidency of Columbia University April 1 has been speeded up by President Truman's action in naming Gen. Omar Bradley as his successor.

Bradley, whose transfer from head of the veterans administration back to the Army was effective last Monday, will be available for his new assignment shortly after January 1. While Eisenhower may remain for a time to advise his successor, friends say any extended stay is likely to become embarrassing for both men.

Although the five-star general has dodged questions about his availability for the nomination, politicians have begun to count him as a major factor in the race, which already has three publicly announced entrants: Senator Robert A. Taft of Ohio, former Gov. Harold E. Stassen of Minnesota and Gov. Earl Warren of California.

Previously, talk about Eisenhower as a potential candidate has been described as mostly just talk.

Back-Stage Hunt

But an Eastern Republican senator, who declined use of his name, told a reporter the back-stage hunt for Eisenhower delegates is actually underway. As evidence of this, he said Republican organization leaders in his state have been sounded out by persons who said they represent the Eisenhower movement, if not the general himself.

In any event, the Eisenhower campaign, which definitely is under wraps now, is likely either to be forced into the open or be killed outright on the general's own words soon after he gets out of uniform.

Supporters of every other potential presidential candidate, from the 1944 standard bearer, Gov. Thomas E. Dewey of New York, on through the list, are itching to get the general on the spot, where he will have to say whether he is available or not.

11,694,000 Bales Latest Crop Report

WASHINGTON—(AP)—The Agriculture Department, in its final report of the year, Monday estimated this year's cotton crop at 11,694,000 bales of 500 pound gross weight.

This is an increase of 189,000 bales from last month's estimate of 11,505,000 bales. The crop totaled 8,640,000 bales last year and averaged 12,390,000 bales for the 1936-45 period.

In an accompanying report, the Census Bureau said 10,056,347 bales of this year's crop was ginned to December 1. Ginnings to the same date last year totaled 7,867,490 bales. Cottonseed production was estimated at 4,744,000 tons, compared with 3,513,000 last year and 5,143,000 for the 10-year average.

Report By States

The acreage of cotton harvested, the indicated yield per acre, and production, respectively, by states included:

Arkansas	2,037,000 acres, 297 pounds per acre and 1,260,000 bales;
Louisiana	894,000, 281 and 505,000;
Oklahoma	1,050,000, 148 and 325,000;
Texas	2,273,000, 195 and 3,360,000;
New Mexico	148,000, 525 and 160,000;
Arizona	225,000, 468 and 220,000;
California	534,000, 682 and 760,000.

Accused Bank Robber Slashes Wrists In Jail

BIG SPRING—(AP)—William L. Martin, 29, charged with the robbery of the State National Bank here Friday, suffered a severe loss of blood when his wrists were slashed Sunday night in the Howard County Jail, Sheriff R. L. Wolfe said Monday.

Wolfe said Martin's wrists had been slashed with a razor blade after the prisoner had written notes to an aunt and to the sheriff.

A Big Spring hospital reported Martin out of danger.

Martin is being held awaiting grand jury action on a charge he took \$2,149 from the bank in an armed daylight robbery. He was arrested 55 minutes after the robbery, a mile and one-half from Big Spring.

Rail Fare Boosts In West Approved

WASHINGTON—(AP)—The Interstate Commerce Commission Monday authorized increases in first class passenger fares on Western railroads and in passenger coach fares on the New York, New Haven and Hartford Railroad.

The increase effective on all lines operating west of the Mississippi River amounts to 6.06 per cent for travel in sleeping and parlor cars.

This brings these charges even with the rate schedules authorized for first class travel in the East last June.

The ICC subsequently authorized a temporary general 10 per cent increase in freight rates for all railroads. The roads are now seeking a 30 per cent permanent raise in the freight schedules.

In both cases acted upon Monday, the ICC authorized the increases to be made effective on five days notice to the public. Coach fares in the West, now 2.5 cents per mile, are not affected by the first class travel charge changes.

Louis-Walcott Decision Upheld

NEW YORK—(AP)—Eddie Eagan, chairman of the New York State Athletic Commission, refused to interfere Monday with the decision that gave Joe Louis, heavyweight champion, the verdict over Jersey Joe Walcott Friday night.

Walcott and his manager, Joe Webster, appeared before Eagan and Commissioner C. B. Powell to protest the scoring of Judge Frank Forbes.

Forbes awarded the fight to Louis on the basis of rounds won, marking up eight for the champion, six for Walcott and one even. On a point basis, however, he named Walcott the winner, 12 to 9.

On the back of the card, he named Louis the winner.

New Cold Wave Spreads Over Midwest

By The Associated Press

Another cold wave was spreading a large area of the Midwest Monday with prospects that temperatures would sink far below zero in most of the Northern states by Tuesday morning.

The forerunner of the predicted cold had reached as far as the Texas Panhandle Monday morning, where temperatures dipped to freezing.

'Caddy,' West Coast Legend, Still Stumps Biological Authorities

VANCOUVER, B. C.—(AP)—A legend of Canada's West Coast seems to have died Sunday when news seeped out of Port Alberni, B. C., that Cadborosaurus, better known as "Caddy"—the famous sea serpent, was dead.

His remains were discovered wedged between rocks at the water's edge between Effingham and Useless Inlet, on the West Coast of Vancouver Island, by four fishermen.

The body—more than 45 feet in length, with a skull measuring 12 inches across and 145 vertebrae, the largest almost six inches in diameter and held together by a rubber-like substance, has been taken to Port Alberni, where already it is the subject of controversy.

And now dead, he can't even rest in peace. R. E. Foerster, director of the Pacific Biological Station at Nanaimo, and Dr. A. L. Pester, biologist, are investigating him.

So far, they report, they are "completely stumped."

"It's the oddest specimen I ever came across," said Foerster.

Theories advanced by the scientists so far range from a shark, through a ribbon fish, to an oar fish.

SUN HAS SHOWS OF OIL IN SAND IN NW COKE WILDCAT

Sun Oil Company No. 1 J. B. Walker, Northwest Coke County wildcat, about four miles southwest of the Jameson field, and 660 feet from southeast and southwest lines of the C. Brockhuysen survey, No. 526, was coming below 5,667 feet in a line section in the Pennsylvanian shale, above the crinoidal reef lime, which is the producing formation in the Jameson field.

An oil pay was topped in No. 1 J. B. Walker at 5,860 feet. Drilling samples from that point to 5,867 feet showed good fluorescence, oil stain and oil odor.

New U. S. Currency Prepared For Use In Occupied Countries

WASHINGTON—(AP)—The United States, determined not to let lack of an agreement with Russia worsen inflationary trends in Germany and Korea, has printed new currency for use in the American Zones of both those occupied countries.

While the decision for coping with black market money troubles confronting American Military Government authorities on both sides of the world was reached weeks ago, it was kept a top secret because of the Big Four Foreign Ministers Conference.

In the case of Germany, a new currency for the U. S. Occupation Zone would make it possible to outlaw large quantities of money Russia printed from plates supplied by this country in 1944.

No date has been set for issuing the new currency. Nor was there any disclosure as to whether it would circulate in the British and French Zones of Western Germany, as well as the American Zone.

Showdown On German Treaty Due This Week

LONDON—(AP)—U. S. Secretary of State George C. Marshall's office said Monday he had conferred with both the British and French foreign ministers Sunday night on the eve of Monday's showdown session with Russia over German economic unity.

Marshall saw British Foreign Secretary Ernest Bevin and France's Georges Bidault in what apparently was an effort to consolidate the Western position prior to meeting Monday afternoon with Soviet Foreign Minister V. M. Molotov.

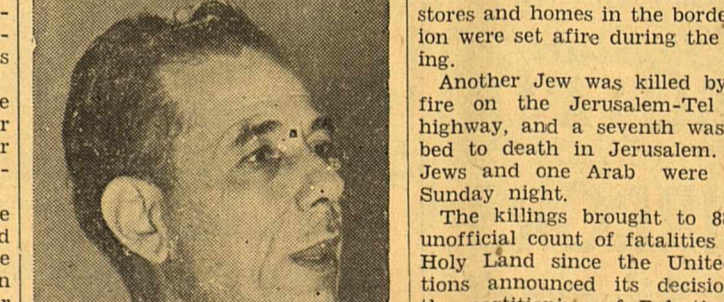

Up to this point, Marshall aides always have reported that he carefully avoided any evidence of behind the scenes collaboration among the three Western powers.

Marshall saw Bevin and Bidault simultaneously, lending strong support to speculation that he disclosed to them the course he intends to follow.

The meeting was held at the American Embassy shortly after Marshall gave a reception for members of the American delegation.

American diplomats expressed the conviction Monday's meeting would open a week of decision for the conference. Some said one session might be adequate to show whether there would be any chance of Russian-Western agreement on Germany.

Border Loop Back Sets Offense Record Second Straight Year

By The Associated Press
As basketball pushes football out of the spotlight, the eyes of the nation have once more been attracted to the young and ambitious Border Conference.

For the second straight year, a conference football player has taken top honors in the nation in one of the statistical departments.

Last year, Rudy (Little Doc) Mobley, now a professional player, topped the ground-gaining department as he led the Hardin-Simmons Cowboys through an unbeaten season to the conference championship. Without him, the Cowboys finished second in the conference standing this year behind the Texas Tech Red Raiders.

Keeping the loop in the spotlight, however, was firm Fred Enke, Jr., forward passing artist of the University of Arizona Wildcats, who Saturday passed his way into the leadership of the nation in offense with a total of 1944 yards.

Enke helped the team finish its season with something approaching success Saturday when he heaved one of his accurate passes 35 yards to end John Smith for a fourth-period touchdown that gave the cats an unexpected 20-20 tie with Utah University at Tucson. The Redskins had been favored to win.

The fact they lost the league crown apparently failed to dismay the Cowboys, who trumped lightly over the Sun Devils of Arizona State (Tempe), 42-0, in the final conference game at Tempe Saturday.

Both the Cowboys and the Raiders have bowl engagements. The Raiders play in the Sun Bowl at El Paso, the Cowboys in the Harbor Bowl at San Diego.

Three Southwestern Cage Teams To Get Tests On Road Trips

By The Associated Press
Three teams go on tours this week that will show where the strength lies in the approaching Southwest Conference basketball race.

Arkansas has the toughest route, the big Razorbacks meeting New York University in Madison Square Garden Thursday night, then hopping over to Philadelphia Saturday night to play La Salle.

Baylor, which hasn't yet played a game, will journey into the Midwest to meet Wichita and St. Louis. Texas Christian also will play engagements in the Mid-west, tackling Kansas State and Bradley Tech.

The first week of the campaign left only two undefeated teams, other than Baylor. Texas whipped Sam Houston State twice and Arkansas licked the Kansas State Teachers. But Texas A&M, Texas Christian and Rice each dropped a game, and Southern Methodist lost three on a tour that carried the Methodists into Kentucky.

Last Week's Results

Texas A&M 63, Abilene Christian College 54; Oklahoma 55, Southern Methodist 45; Sam Houston State 56, Rice 54; Arkansas 75, Kansas State Teachers 42; Texas 55-56, Sam Houston State 47-40; Indiana State 80, Southern Methodist 53; Texas A&M 40-37, Southeastern Oklahoma Teachers 37-40; Southern Methodist 46, Cincinnati 59; Texas Christian 44-48, Texas Tech 66-46; Southern Methodist 66, Eastern Kentucky State 45.

SCHOOLBOY DREAM BATTLE—

Odessa To Meet Wichita Falls In Grid Showdown

By HAROLD V. RATLIFF
Associated Press Sports Editor

The battle they've been dreaming about in Texas schoolboy football—Odessa vs. Wichita Falls—comes up Saturday.

It's the feature of the state quarter-finals and the game many believe is the real championship struggle. There will be three more contests after this week, but the winner of the Odessa-Wichita Falls game will be the heaviest title favorite in 28 years of Texas Interscholastic League football.

The undefeated, untied powerhouses settle their dispute at Wichita Falls, completely overshadowing three other games that will send the state race into its semi-final round.

All four games will be played Saturday with this schedule:

Odessa at Wichita Falls, 2:30 p. m.

Highland Park (Dallas) vs. Arlington Heights (Fort Worth) at Fort Worth, 2 p. m.

Brackenridge at Longview, 2 p. m.

Brackenridge (San Antonio) at Goose Creek, 2:30 p. m.

BOWLING

Entering this week, Scharbauer Hotel is in possession of first place in the Major Bowling League of Midland.

Last week, in matches at Plamor Palace, Scharbauer Hotel beat the Reporter-Telegram three straight, Tommie's Electric (second place) won two from Honolulu Oil, Mabee Drilling topped three from Burl's Super-Serv., and Stanley's Service took a couple from Permian Mud.

Tharp of Scharbauer Hotel rolled high series for individuals with 552. Clark of Tommie's Electric keeled high individual game with 225. Tommie's took high team game with 896 and series with 2,535.

Four of the teams remaining in the championship hunt are unbeaten—Wichita Falls, Odessa and Longview each undefeated and untied, Goose Creek unbeaten but once tied.

There is a wide division of opinion as to how the Odessa-Wichita Falls and Brackenridge - Goose Creek games will come out, but Arlington Heights and Longview are heavy favorites to capture their engagements.

Comparative scores indicate Odessa will trim Wichita Falls. Against mutual opponents, defending state champion Odessa has come off best. The Broncos whipped Sweetwater, 32-0, and Amarillo, 21-0; Wichita Falls downed Sweetwater, 39-7, and Amarillo, 7-0.

Until last week, the critics brushed aside Odessa's higher-scoring record with the observation that Wichita Falls was the kind of team that moved along without stress or strain and just did what was necessary to win. The Amarillo game blasted that theory. Wichita Falls had plenty of trouble beating the Golden Standard 7-0. The Coyotes really had to put out in that game.

Four Weekend 'Bowl' Contests Start 'Season'

By WILL GRIMSLEY
NEW YORK—(P)—Notre Dame nailed up the boards on the 1947 college football season Saturday with sledgehammer licks that felled South California, 38 to 7, and now we can all sit back and get confused in peace about the myriad bowl games.

There were four of the extra added attractions over the week-end, but these days that's not enough to whet the appetite of the confirmed bowl fan.

Three more are coming up Saturday.

Then a half-dozen or so others are to be unraveled before January 1, when they really bob up—16 at last count.

This Week's Menu

This week's bowl lineup, with team records by wins, defeats and ties in parenthesis, goes like this.

Little Rose Bowl at Pasadena, Calif.—Cameron (Okla.) Aggies (10-0-0) vs Chaffey Junior College, Ontario, Calif. (9-1-0).

Boys' Ranch Bowl at Abilene—Missouri Valley (10-0-0) vs McMurry College (7-2-1).

Grape Bowl at Lodi, Calif.—Utah State (6-4-0) vs College of the Pacific (8-1-0).

The Great Lakes, Glass and Aloha Bowls decided their champions Saturday.

Kentucky won the Great Lakes Bowl game at Cleveland, conquering Villanova, 24-14, before 14,908 fans. Glass Bowl honors at Toledo were snatched by the host Toledo team, which fractured New Hampshire's eight-game winning streak, 20-14, with 13,500 watching.

The Shrine's Aloha Bowl game went to Hawaii University, winner over Fresno State, 27-13.

Then Sunday, the Missouri College All-Stars repelled the Kansas College All-Stars, 15-0, in the second Mo-Kan Bowl at Kansas City.

Meeting Set To Organize West Texas Shooters

There will be a meeting of the Midland Rifle and Pistol Club and all interested shooters of the Permian Basin at 8 p. m. Wednesday at the VFW hall of Midland Air Terminal.

Purpose of the meeting is to discuss organization of a Permian Basin Rifle and Pistol Club—open to shooters of Midland and Odessa and all cities of the area.

If such an organization is formed, the officers will be elected at the meeting and committees appointed. Arrangements will be made for completion of outdoor and indoor ranges.

There is a possibility for organization of one of the best clubs in the Southwest and all shooters are urged to attend the meeting and help perfect the organization.

Information may be obtained from Wayne Sellon and Rex Rodgers of Odessa and Bill Chancellor and J. B. Richards of Midland.

The Chiropractor and You

No. 12 in a series of articles published in the public interest to explain and illustrate the practice of Chiropractic.

CASE HISTORY No. 274—A girl of 17 who came to a Chiropractor suffering from severe headaches which she attributed to her eyes. She had worn glasses for five years, changing to a stronger type of lens every six months. However, analysis revealed that the headaches were caused by nerve pressure at the base of the skull. A series of spinal adjustments released the nerves from pressure and the headaches promptly ceased. Further, eyesight so improved that within a short time she was able to discard her glasses and has not worn them since.

CASE HISTORY No. 742—A severe case of asthma resulting from the drainage of mucous from diseased sinuses which had affected the bronchial tubes. This middle-aged man had tried every available means of relief without success. Brought to a Chiropractor "doubting that anything could be done," he was restored to normal health within a few weeks. The cause of his condition was simply nerve pressure between the brain and the sinuses. When this pressure was removed by spinal adjustment the abnormality quickly cleared up.

WHAT IS CHIROPRACTIC?
Chiropractic is based on the fact that the brain is the human power house. It creates vital energy. Without brain energy no organ or part of the body can function. Brain energy is transmitted over the body's network of nerves. These nerves radiate from the spine, and it is in the spine that the nerves can be "pinched" by vertebrae, and the flow of energy over them impeded or cut off. When, in this way, the connection is broken between brain and one or more parts of the body, disease is the inevitable result. By skillful analysis and precise spinal adjustments, the Chiropractor is able to locate and release impinged nerves and restore an unimpeded flow of brain energy to the part affected. Health follows naturally.

Rev. McPherson Gives Anniversary Address At Calvary Baptist

The Rev. Fred McPherson of Lubbock, former pastor of Midland's Calvary Baptist Church, returned here Sunday to address members and friends of the church during the "homecoming" observance of the seventh anniversary of its organization and founding.

Mr. McPherson, organizer of the Midland church and now pastor of Lubbock's South Side Baptist Church, spoke at the morning worship service. The Rev. A. L. Teaff, pastor here since September of this year, spoke at the evening service. The Rev. A. W. Smith of Roscoe, another former pastor, was unable to attend.

A large attendance was reported, with 347 registered for Sunday School and 112 for Training Union.

RANCH VISITORS

Mr. and Mrs. Ernest Funkhouser, Mr. and Mrs. John Cornwall, Mr. and Mrs. Charles H. Davis and Mr. and Mrs. Floyd Ard, Jr., were weekend guests at the Prade Ranch.

For Joyful Cough Relief, Try This Home Mixture

This splendid recipe is used by millions every year, because it makes such a dependable, effective medicine for coughs due to colds. It is so easy to mix—a child could do it. From any drugstore, get 1/2 ounce of Pinex, a special compound of proven ingredients, in concentrated form, well-known for its soothing effect on throat and bronchial irritations.

Then make a syrup by stirring two cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking needed. Or you can use corn syrup or liquid honey, instead of sugar syrup.

Put the Pinex into a pint bottle and fill up with your syrup. This gives you a full pint of cough medicine, very effective and quick-acting, and you get about four times as much for your money. It never spoils, and is very pleasant—children love it.

You'll be surprised by the way it takes hold of coughs, giving quick relief. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Money refunded if it doesn't please you in every way.

Pinex Saves You Money!

Christmas Program At South Elementary

A program featuring a Christmas theme was given recently at South Elementary School by students of Toia Stiles.

The program consisted of the following: song, "Silent Night," "Twinkle, Twinkle Little Star," by members of the Rhythm Band; poem, "Why Do Bells for Christmas Ring?" by a group; poem, "A Birthday Gift," by Carolyn Bond; poem, "The Three Wise Men," by Linda Murl Stracener; song, "Away in a Manger," by a group; dialogue, "Christmas Helpers," by Billie Helbert, Jean Anne Crawley, Patricia Morgan, Julia McIntosh, Diane Hoover and Wenzel Lindsay; songs, "Jingle Bells" and "Up on the House Top," by group; poem, "Santa Claus," by Mary Diane Cook; song, "The Santa Claus Parade," poem, "Christmas Wish," and manger scene featuring Sandra Stewart as Mary and Royce Kinsey as Joseph.

The announcer was Jerry Hyde, and Sandra Norwood directed the Rhythm Band. Others participating were Don Byrce, Otis Conner, Paul Crews, Melvin England, Jim Franklin, Benny Hogue, Sammy Lackey, Marvin Langley, Floyd Ray Lewis, Freddie Martin, Harold Steen, Gene Tanton, Bobby Wallace, William Hulsey, Hue Ivy, Billy Easterwood, Reba Blanton, Martha Bryan, La Vesta Clark, Ollie Dell Dawkins, Earlene Kemp, Betty Lou McKan-dies, Hazel McKenzie, Lavada Pope, Barbara Williams and Carol Sue Bates.

Because of the configuration of the country, the Union of South Africa has no navigable rivers.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

WORN OUT FROM GETTING UP NIGHTS?

If you get up nights—have frequent desire to pass your water—yes, and have backache, due to excess acidity in the urine, be glad you're reading this.

Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. So he made a medicine of 16 herbs, roots, vegetables, balsams. He called it "Swamp-Root." Millions of men and women have taken it—often with amazing results.

Swamp-Root goes right to work to flush out kidneys; . . . increases flow of urine, helping relieve excess acidity . . . so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed.

For free trial supply, send to Dept. R, Kilmer & Co., Inc., Box 1258, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your drugstore.

Let's Relax

The American people seem to be developing a rather bad case of the jitters. As a sample of what we mean here is the gist of four stories taken from one day's news—not an exceptional day for this kind of news, either.

Rep. Tom Jenkins of Ohio introduced a bill to ban immigration and visitors' permits to citizens of Russia and Russian-dominated countries. It would also keep out officials of countries that won't let American officials in.

Another Ohio legislator, Cliff Clevinger, said that our occupation troops should be withdrawn from exposed positions in Europe. He said soldiers, whom he met there last Summer, told him they didn't expect to get out alive, and that a high-ranking officer predicted open warfare by November.

A former United States Chamber of Commerce economist wrote that Russia has a secret gold hoard which she may use to fight the Marshall Plan and which—if she doesn't spend it, apparently—might be bigger than our cache at Fort Knox in another 20 years.

America is in a state of undeclared emergency, said Maj. Gen. Manton Eddy, the Army's information chief. On the one hand, our people's minds are being poisoned against our own institutions and government, he declared. On the other, there is a threat of future armed conflict.

Such jittery talk makes us wonder if we shouldn't all try to relax. Not relax our vigilance, our intelligent efforts to strengthen our country, our attempt to meet our real problems realistically. But declare a moratorium on the present practice of seeing burglars under every bed.

After all, we're a big, strong country. Maybe we're not as strong as we ought to be. But we still haven't had a good share of our best farm land turned into a battlefield. We haven't had any industrial cities leveled by bombs. We aren't plagued by a dangerously low living standard. We don't have a dictatorship so unsure of its "perfection" that it has to advertise it constantly. In short, we aren't Russia.

This is not discounting the man-sized job cut out for the American people and their government. There is a real crisis in Europe which is up to us to solve. There is a small but potentially dangerous Communist menace here at home. There is the grave problem of keeping the United Nations alive and working in spite of Soviet obstruction.

But hysteria won't help us do the job, and hysteria seems to be the state that our national thinking is approaching. That state is particularly apparent in our Congress. Its members squander their time chasing small red butterflies, to the neglect of bigger game.

Our armed forces are below their designated peace-time strength. Nothing has been done about universal military training, though the President and the Chief of Staff have urged it, and all polls show the public strongly in favor of it. Our congressmen are too busy gunning for Red script writers on the Hollywood lots, or drafting bills to repel Hungarian immigrants from our shores.

All this doesn't add up to a firm attitude toward Russia. Firmness implies strength and self-control. We are beginning to advocate some rather dictatorial means of safeguarding our democracy.

Let us remember that the Russian government, with all its problems, must be scared—scared of our strength and of a cooling world opinion, and worried about the failure of its big push in France and Italy to come off. That fear is very likely at the root of the ranting attacks on American policy.

Let's not try to trade insult for insult with the Russians. Let's stop wringing our hands one minute and plustering the next. It isn't necessary. We've got the world's best system of government and the world's strongest nation. Let's be vigilant to keep them that way. We've also got a "cold war" to fight. Let's keep cool as we fight it.

For Services Rendered

"We must be able to compete with private industry for men of the highest caliber," a member of the Army-Navy pay committee has said in advocating a substantial pay increase for men in the armed services.

This is a problem which confronts not only the armed forces, but the whole government. Congress has partially solved it by giving itself, cabinet members, ambassadors and a few others a pay raise, as well as giving the services a substantial boost last year. But it is still difficult to entice the best brains into government service, or to keep them there.

Government salaries can never offer the way to fortune, but at least they should not represent so much of a sacrifice that able persons will be frightened away from them. More adequate compensation is an added tax burden. But if it results in better government and a more secure defense, it is unquestionably a good investment.

More juveniles would stay at home if the parents would set an example.

It's just that much harder to learn anything when you know you know it all.

Always kicking about something or other is just kicking yourself about.

Kermit Schools Set Holiday Activities

KERMIT—Christmas holidays in Kermit schools begin Friday afternoon, December 19, and classes will be resumed January 5, according to Assistant Superintendent Tommy Thompson.

Rehearsals are under way on the Junior Class play, "A Case of Springtime" which will be presented Friday night in the high school auditorium.

Two football banquets, one held Saturday night by the senior class, and the other scheduled Monday night, by the Quarterback Club, will end football activities.

The grade school Christmas musical program, directed by Mrs. Raymond Rucker, elementary school music teacher, will be presented December 16, in the high school auditorium.

The final Christmas program by the high school will be musical numbers under the supervision of Marcell Burleson, choral director. This program will be in the high school auditorium December 18.

Americans saved at a rate of about 6.7 per cent of disposable income in 1947 compared with about 24.4 per cent in 1944.

Kermit News

KERMIT—Mr. and Mrs. M. L. Ekas have returned from a two-week vacation trip to Warren, Pa. Enroute home they stopped in Fort Worth and were accompanied home by their daughter, Doris.

Mrs. Lawrence Mills was host this week to the Tuesday Bridge Club. Mrs. R. L. Nicholas held high. Others playing were Mrs. Dan Comfort, Mrs. Dick Scholten, Mrs. Vic Davis, Mrs. H. B. Ury, Mrs. E. J. Reaser, and Mrs. Bill Jackson. The Rev. Ronald Hubbard, pastor of the Community Baptist Church, and Mrs. Hubbard are the parents of a daughter born Monday night.

Homer H. Worley and Elizabeth Holmes were married here recently in the Methodist parsonage with the Rev. Marvin Williams reading the single ring ceremony. Attendants of the couple were Mr. and Mrs. O. B. Worley, Miss Marjorie Vanderhauff, and Frank Blaze.

Members of the Gold Bar Club, a group of young girls, this week are working on Christmas boxes to be sent to Boys Town. The girls have drawn names for gift exchanging at the Christmas tree and party which is to be held Saturday.

Jimmie Cleveland, son of Mr. and Mrs. H. C. Cleveland, was honored on his third birthday when his mother entertained at the Cleveland home.

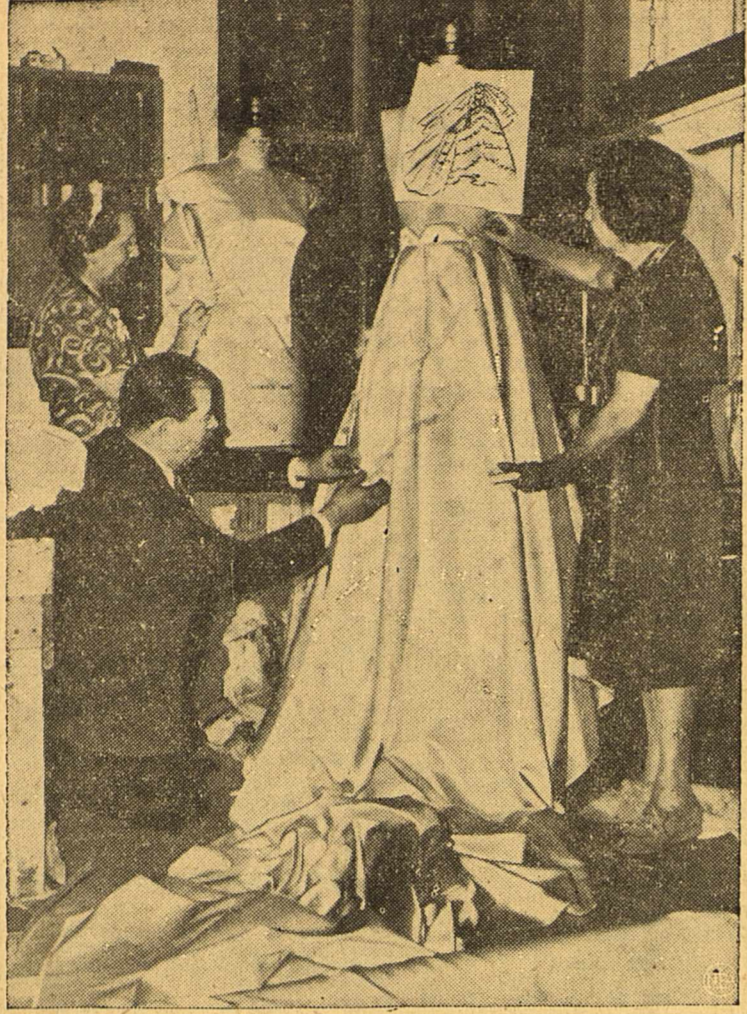

Mrs. C. D. McIver, who is moving to Leveland, was honored recently with a dessert bridge in the home of Mr. and Mrs. Frank Dickerson. Hostesses were Mrs. Dickerson, Mrs. W. O. Hunt, and Mrs. A. T. Skaer.

Mrs. Ralph Leslie recently entertained members of the Entre Eous club with a dessert-bridge. Mrs. C. Pearson held high score, Mrs. Lue Jackson, second high, and Mrs. T. A. McCarty won bingo.

Copy Catting Pays Off

Joel, a New York dress designer, whips up a quick replica of Princess Elizabeth's wedding gown. Within a week, as a result of his eagle eye and flashing needle, American brides will be able to march down the aisle in copies of the gown—at \$1000 per copy. Joel's assisted by Anna Abramowitz, left, and Kate Bulkin.

Crane News

CRANE—E. N. Sonnenburg's 75-piece band, clad in their purple and white uniforms, won first place in Class B marching in the Big Spring Christmas Festival parade Thursday, along with the Midland band which placed first in its class. Mid-

land made a rating of 96; Crane, 95; and Coahoma, 93.

Crane's band is led by Drum Major Tipton Murrell; assistant, Corky Harris; and majorettes June Crowner, Wanda LeClaire, and Charlotte Schlittler.

Mrs. Wilma Clark was hostess to the Friendship "42" Club at her home Friday afternoon, and in keeping with the club's custom of observing birthdays, Mrs. Ila Goch was honored. Mrs. Clark's mother, Mrs. G. R. Shirkey of San Angelo, was guest for the occasion.

At the regular Thursday night meeting of the American Legion Auxiliary, members completed plans for the Christmas party December 18. A membership campaign also was launched.

Out of state guests in the home of Mr. and Mrs. Hugo Huffman returned to their respective homes this week. Mrs. Huffman's sister, Mrs. Mabel E. Lowery of Ann Arbor, Mich., left Wednesday after a month's visit. Mr. and Mrs. Milt O'Brien and Sharon and Thomas Lawless, returned to California.

At a pep rally-assembly Thursday morning, George Crane's Golden Cranes, wearing the crown of bi-district champs, were awarded a gold trophy. Seven members of the team placing on All-District were presented gold football awards. The football boys receiving all-district awards were: Toots Mathis, Dwain Stacy, Alvin Whaley, Eugene Harrington, Frank Waller, C. M. Coker, and Paul Simon.

Newfoundland has about as many people as Toledo, Ohio.

McKenney on Bridge

By WILLIAM E. McKENNEY
America's Card Authority

Not long ago I had the pleasure of playing a game of bridge aboard the battleship "Missouri." My partner was Capt. Robert Denison, who had just returned with President Truman from the Rio conference.

Although the captain is too busy to play much bridge, I have seldom seen a more enthusiastic player. We got a little overboard on today's hand, but that did not bother the captain a bit.

He lost the first trick to the ace of clubs, and when West came back with the queen of diamonds,

Hand analysis table for Denison. Includes suit symbols (K, Q, J, 10, 9, 8, 7, 6, 5, 4, 3, 2, A) and a card layout diagram with 'N', 'S', 'E', 'W' markers.

Captain Denison (North) won with the ace. Two rounds of hearts cleared the opponents of trumps, and after a little study, he led the jack of spades.

You know the old saying, "Cover an honor with an honor." East obligingly followed the rule and went up with the queen. The captain put on dummy's ace, looked anxiously at West, and sure enough West's singleton king dropped!

Now of course he was able to spread the hand. The captain said later that he figured he had about one chance in a thousand to make this hand. That is, if West held a singleton king or queen, and East made the mistake of covering the honor. It was that one chance in a thousand that paid off for Captain Denison.

Renters Must Pay 'Key Money' In Tokyo

TOKYO—(P)—The old, familiar Chinese squeeze known as "key money" has oozed into Japan.

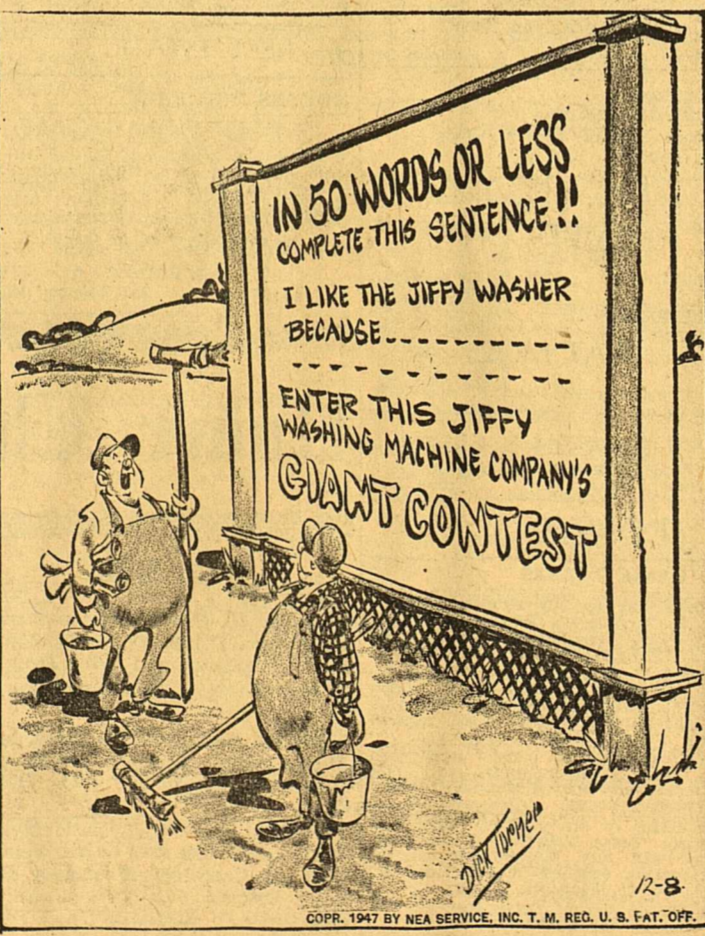

In China you pay the landlord "key money" when buying or renting. The sum laid out for the privilege of getting the key often exceeds the total for many months' rent.

There are few places to rent in Tokyo because of the housing shortage. Most of the rental advertisements that appear now stipulate the "key money" demanded.
