SORGE TO TRY TO MAKE WELL AT PECOS WILDCAT

This prospective new field opener is in the shallow Taylor-Link field, where the current production is from the upper Permian sections above 2,000 feet. It is 780 feet from north and 660 feet from east lines of section 13, block 18, University

tion, it continued to 4,433 feet, and did not log any indications of petroleum below 4,100 feet.

survey and is to plug back to approximately 4,100 feet, run 5½-inch casing and make production tests If that fails to develop commercial oil the venture might be deepened.

GAS IN TOP OF BURGER'

Shell Oil Company, Inc., No. 1 Chambers County School Land fee, Northeast Crockett County deep prospector, in the vicinity of the Midway Lane field, and 660 feet from north and 1,851 feet from west lines of the Chambers County School Lands, was drilling ahead below 7,515 feet in Ellenburger dolomite. Tentative top of that formation has been picked by some geologists at 7,940 feet. Estimated

elevation is 2.675 feet.

A 50-minute drillstem test was taken at 7,485-7,510 feet. Sweet gas one-half minutes after the tool was opened. The gas volume was 330,000 cubic feet per day.

Recovery was 130 feet of drilling mud, heavily cut with gas. No oil

or water was developed.

It is thought that the gas-oil contact in the Ellenburger has just been reached. The project will likely test again as soon as the hole is drilled a little deeper into the possible oil zone.

REEVES PROSPECTOR HAS MORE SLIGHT OIL SIGNS

Argo Oil Corporation No. 1 Ikins, East Reeves County wildcat, 12 miles northeast of Balmorhea, 1,980 feet from south and 660 feet from west lines of section 293, block 13, H&GN survey, and one mile south and slightly west of the discovery well of the Verhalen field, where the production is from the Wolfcamp, lower Permian, was drilling ahead past 6,387 feet in the Delaware, after a drillstem test was run for three hours at 6,270-6,382 feet.

There was a slight blow of air for a part of the period. Recovery was 315 feet of drilling mud, with the bottom 50 feet of the fluid oil. No water appeared. The project is slated to go to at least 11,000 feet unless it gets production before that point is reached.

GAINES DEVELOPMENT GETS ANHYDRITE ON HIGH PICK

Honolulu Oil Corporation No. White, et al, south stepout from the discovery well of the North Riley field, in West-Central Gaines County, about 13 miles west, a little north of Seminole, and 1,980 feet from north and 660 feet from east lines of section 404, block G, CCSD&RGNG survey, had reached 1,895 feet in anhydrite, and was drilling ahead.

It is to go to around 7.500 feet to test the lower Permian-ine producing formation in the North

Top of the anhydrite was picked at 1,880 feet, which makes it about 10 feet high to the Skelly Oil Company No. 1 Doss, a recently completed pumping producer.

Gulf Oil Corporation No. 20-E-B E. Connell, Southwest Ector County exploration, in the Jordan shallow field, one mile northwest extension to the proven limits of the Jordan-Ellenburger field, and 658 feet from south and 2.140 feet from east lines of section 26, block B-16, psl survey, is preparing to run 7-inch casing to make produc-

Council asserted, "means the lowest price consistent with a fair return in a stable economy, rather than the highest price that the traffic will bear in an unstable economy.

The presidential advisers picked the housing industry as perhaps "the best illustration of the need for keener market analysis, and showed at the surface in three and for a much more realistic pricing, so maximum production may be sustained.'

Housing Singled Cut

"While we are now producing housing at an extremely high rate, measured by any prewar standards, this production x x x is concentrated almost entirely on meeting the needs or desires of those in the upper income brackets," the council reported.

To the extent that homes for poorer families are being erected, it went on, the cost is so disproportionate to income that "economic problems" some day will confront the home-buyer. Thus the price pattern "does not augur well" for sustained high levels of housing production when the thin luxury market is saturated."

As for a "stable equilibrium" of prices, income and values generally, the Council said this cannot be attained by merely pressing for "production, more production and still

### O'Mahoney Says GOP Solons Repudiate

WASHINGTON -(AP)- Senator O'Mahoney (D-Wyo) contended Tuesday two Republican lawmakers have "repudiated" the claim of Sen ator Taft (R-Ohio) that the GOP cost of living bill is adequate to curb inflation.

Taft has said, if President Tru-man signs the legislation now before him, the Chief Executive will have power to check "nearly all the principal causes of inflation, if he really wishes to do so." The senator urged a slash in government

spending as a supplementary step.
O'Mahoney told a reporter Taft's stand has been "repudiated and con tradicted" by House Speaker Martin (R-Mass) and Senator Wilson (R-Iowa).

Wilson, one of three Republican senators who voted against the measure, declared he does not believe the bill will be generally effective against high prices. O'Mahoney voted for the bill on the ground it is better than nothing

### The Chiropractor and You

No. 14 in a series of articles published in the public interest to explain and illustrate the practice of Chiropractic.

### WHAT IS CHIROPRACTIC?

The Chiropractor teaches that brain and nervous system are the root of health. From the brain, nerve energy is distributed through the nervous system to control all parts of the body. When this nerve energy is shut off even slightly between brain and body (by bone displacement in the spine), one or more body functions are interfered with and ill health results. By X-ray analysis and spinal adjustment the Chiropractor is able to repart. No drugs. No surgery. Nature is the healer.

### 100 Attend Tea For Barbara Bradshaw, Donna Mae Kelly

Mrs. C. L. Bradshaw and Mrs. J. J. Kelly were hostesses Sunday afternoon for a mother-daughter tea honoring their daughters, Barbara Bradshaw and Donna Mae Kelly, and more than 100 guests in the home of Mrs. Kelly, 602 West Kansas Street.

Entertaining rooms were attractively decorated, with a tree and poinsettia arrangements in the living room carrying out the seasonal theme.

The dining room table, covered with a cut-work cloth and centered with an arrangement of evergreen and holly surrounding a Santa and sleigh, held a silver service at one end, illumined by candlelight.

Presiding at the service the first

hour was Loyce Midkiff, while Mary Nell Moran presided the second hour. Assisting in the house party were Tommy Darnell, May-delle Midkiff, Virginia Stewart, Mrs. E. W. Anguish, Mrs. Hearn and Mrs. George G. Todd.

# Phillip-Louder Vows

Exchanged In Stanton STANTON.—Miss Leona Phillips, daughter of Mr. and Mrs. H. O. Phillips of Lomax, and Billy James Louder, son of Mr. and Mrs. Raymond Louder of Stanton, exchanged vows in a recent double-ring of the bride's grandmother, Mrs.

L. E. Turner. The Rev. Mr. Hawkins, pastor of the Stanton Baptist Church, read the marriage vows before an improvised altar at a candle-illumined fireplace.

The bride wore a blue dress with black accessories and carried a bouquet of white gardenias tied with white satin streamers, topping a white Bible. The Bible was loaned to the bride by Mrs. Bob Hill, matron of honor, and for something old, she carried a lace handkerchief belonging to her great grandmother.

Mrs. Hill wore a blue suit with black accessories and a white carnation corsage.

Best man was Billy Jay Smith. Special pre-nuptial music included a vocal solo, "I Love You Truly," by Betty Blissard.

A reception immediately followed the ceremony. Coffee, hot chocolate, and a three-tiered wedding cake, topped with a miniature bride and bridegroom, were served

Those attending included Mr. and Mrs. H. O. Phillips, Raymond and Linda Phillips, Mrs. L. E. Turner, Mr. and Mrs. Raymond Louder, Mr. and Mrs. Bob Hill, Mr. and Mrs. Billy Smith, Guy Henson, Lila Winters and Betty Blissard.

The couple are both graduates of Stanton High School. Louder is employed by the C&M Food Store.

### A Real Christmas

Citizen of Midland have every right to be proud of ne Christmas present which they have given to themelves and to other residents of the Permian Basin area-Midland Memorial Hospital.

It is a real Christmas present. A gift badly needed and one which will be used for generations to come. A asting memorial which will be used by men, women and hildren of all races and creeds. Surely a more humaniarian gift could not have been provided.

And the good and loyal citizens and business firms f Midland County made the big general hospital posible—playing Santa Claus to themselves and to succeedng generations.

The hospital movement started last year, but the big Oklahoma Claims rive for funds with which to erect and equip the millionollar institution was launched last November 13, and the 500,000 mark was exceeded in less than a month's time. lever before have more interest and cooperation been hown in a community project in Midland. And the holencarted effort has resulted in the success of the novement. Cash and pledges to the fund now total more han \$655,000 and sponsors say the figure will reach the 1,000,000 mark before the campaign is concluded. Gifts till are pouring in and the drive will continue until every tizen has been given an opportunity to give to Midland Iemorial Hospital.

Construction of the four-story, 75-bed general hosital will be started next month and will be rushed to ompletion. The formal opening of Midland Memorial ospital will be a dream come true for citizens of the

Midland and Midland County are fortunate in many ays, and particularly are they fortunate in having loyal nd thoughtful citizens who are willing to rive of their me and means in making possible the big hospital here.

Yes, there is a Santa Claus, and the gift he brings Judge Clifford C. Keth said Tues-o Midland—Midland Memorial Hospital—is a real Christ-day. County officials, however, will nas present.

### More Aid To Britain

The secret of how much aid is scheduled for Great ton, 29, was killed instantly Tuesritain will be let out of the bag soon. It will show that day when the car he was driving ne British will want nearly \$10,000,000,000 over the next our years. Requirements from the U.S. will be in the ature of \$5,800,000,000. From Canada and the rest of orth and South America, \$4,200,000,000. The U.S. ill probably be asked to furnish dollars for a large part latter amount.

Senate and congressional leaders, who opposed the riginal \$3,750,000,000 loan to Britain, are laying for the xact figures on new British requirements. They have Cardinals Wednesday because of the harged openly that much of the first loan was wasted cold from which he is suffering, and allowed to go down the drain. If cuts are made in he Marshall Plan for economy's sake, or for political reaons, the critics of European aid believe that reductions an be made in the British share.

It's unfortunate that as many people don't get out and vote as get out and kick about who was elected.

If you must let things slide, get a job as a trombone layer and make it pay.

# Mc Kenney on Bridge

### By WILLIAM E. McKENNEY America's Card Authority

The second annual bridge championships held in conjunction with the St. Paul Winter Carnival will be held in St. Paul, Minn., Jan. 30-Feb. 2. Last year several from New York attended this tournament, and for the first time I felt the sting of 15 degrees below zero. It looks as if quite a delegation from the east will go out in this outstanding bridge event.

Those who attend the tournament will find David Clarren of Minneapolis both a hospitable host and a clever bridge player. He

made a neat defensive play in today's hand.

South's four and five no trump bids were Blackwood, and North's responses of five hearts and six diamonds showed two aces and

Declarer won the opening diamond lead with the king and led the ten of clubs. He did not have much of a problem. He had five heart tricks, two diamonds, the ace and king of spades and four club tricks. He could even take the spade finesse and get another trick. He decided to take the double club finesse, and when he put on the nine from dummy, the average East player would have won with the jack and led back a diamond.

Not Clarren. He won the trick with the king of clubs, and re-turned a diamond. Declarer won this in dummy, returned to his hand with a heart and played the six of clubs.

Why should he go up with dummy's ace now? East could not have the jack, otherwise he would not have played the king on the first club trick. So declarer put on the eight-spot from dummy, Clarren won with the jack and cashed three good diamond tricks. Six no trump went down four tricks.

Duncan Coffee Co. Announces Annual Bonus To Employes

HOUSTON.-Herschel M. Duncan and Charles W. Duncan, owners of the Duncan Coffee Company, Houston, authorized a gift bonus to establish a real Santa Claus fund of over \$200,000 to be distributed among salary and wage employes. Thus, for the 30th consecutive year, on an ever-increasing amount, the Duncan brothers have divided the earnings of the company among their employes.

This is one of the largest bonuses ever to be given by any company in the Southwest, being something in excess of \$212,000.

Among the first advocates of the bonus plan, the Duncan brothers have joined other progressive leaders in the Southwest to urge strongthe division of a portion of the greater profits made possible by better and more productive employee-employer relationship. In announcing the bonus to the employees, Herschel Duncan recommended they consider investing at

bonds and savings. MILLION-DOLLAR FIRE DES MOINES, IOWA-A spectacular fire swept through the Burris-Hatch Movers, Inc., warehouse Monday, destroying the four - story building at a loss estimated un-officially at more than \$1,000,000.
