## Kitty's Korner

By  
Kitty Montgomery

This election year will no doubt take the cake for being the biggest debacle, as far as elections and as far as Crockett County goes, in the history of the county. Whether it's human error or the complexity of the Federal Election Law, we may never know.

In October, at a called meeting of the Commissioners Court, an agreement was reached on precinct lines. The meeting came about when a group of Mexican-Americans protested a previous division. Lawyers for the court and for the protesters spent an entire day in court and trying to reach an agreeable settlement for all. Finally in the early afternoon the parties reached an agreement. The only thing left to do was clear the decision with the U. S. Attorney General's office.

For some strange reason, the agreement was not submitted to the Attorney General's office until January of this year, and was then insufficient. When affidavits from all parties were asked for, the spokesman for the group who originated the protest changed his mind and refused to sign.

As late as Monday, the attorney for the county was in Washington D. C. trying to get approval for the agreement as submitted. As late as Tuesday evening, after 5 o'clock, the county judge reported that he had talked to a Mr. Chavez in the Attorney General's office, and agreement was yet to come.

There have been accusations and counter-accusations, but my advice to the people of Crockett County is to get out and vote in the upcoming primary, after all that is what determines our county government and that's what governs our lives locally.

We finally received the ballots in time for absentee voting which started Monday, in spite of several changes made at the state and district levels. They are there for you.

You can still determine the course of local government. Let's take advantage of it while we can.

Maybe by next week, we will be able to sort through all the gobbledegook and give you a news story. We certainly were not able to get one today.

kk

So many local youngsters won so many different things this week, we had to leave out some pictures. We'll carry on next week.

BICENTENNIAL QUILT being taken by Mrs. Walter Spiller's second grade was shown Tuesday at the Arts & Crafts show, sponsored by the Ozona Womans Forum at the Granny Miller Hall. Mrs. Suzannah Machada instructed the children in the work. The tremendous undertaking by the children was a true Bicentennial project and reminiscent of an old fashioned quilting bee.

## FFA Range Judging Team Places

The Ozona FFA Range and Pasture Judging Teams placed second in both the Senior and Junior Divisions at the Range and Pasture Judging Contest sponsored by the North Concho and Concho Soil and Water Conservation Districts at O. C. Fisher Lake in San Angelo last Thursday.

The Junior Team consisted of Jay Huffstедler, Danny Sewell, Wayne Sutton, and Cliff McMullan. Wayne Sutton was second high individual and Danny Sewell was fourth high individual of the junior contest.

The Senior Team consisted of Danny Weant, Randy Allen, and Joe Moran. Danny Weant was the Overall High Individual of the entire contest.

On Saturday, April 10, the Ozona FFA entered a Livestock Team and Range Plant Identification Team in the Texas Tech Contest in Lubbock, The Grass I. D. team of Danny Sewell, Jay Huffstедler, and Wayne Sutton placed third in the Area II Contest and received a banner. The Livestock Team consisted of Tony Conner, Max Schroeder, and Cliff Babbitt.

The teams were accompanied by Vocational Agriculture Instructor, Jim Leech.

## OHS Tennis Teams Win District Meet

The Ozona Tennis Teams won the Junior Division and tied for Senior Division in District action at Crane Tuesday and Wednesday of last week.

The senior team tied Crane for top honors as Ronnie Schneider won first place in boys singles, the team of Lynn Maness and Karla Fenton won first in girls doubles, Shannon Dockery won second in girls singles, Ricky Perry and Tom Hoover won second in boys doubles, and Karen Bebee and Karen Kirby took third in girls doubles. Others participating in the meet were Greg Thompson, Howard Huereca, Jerry Weant, Danny Weant and Jennine Perry.

In junior division action, Karen Warren and D'Anna Koerth won first in girls doubles, Lupe Gonzales and Lain Huffman won second in boys doubles, and Gilbert Gomez won third in boys singles. Other junior division players included Becky Everett, Billy Wagner, Wade Beasley, Chris Carlisle, Rea Lynn Dews and Greg Perry.

Fenton and Maness and Shannon Dockery will play in the regional meet in Odessa April 23 and 24, while Schneider, Hoover and Perry will be in regional action April 30 and May 1. All winners and runners-up in the regional meet will advance to the state meet in Austin in May.

Survivors include three sisters, Mrs. Hugh Childress, Mrs. Max Schneemann and Mrs. Roy Henderson, all of Ozona, and several nieces and nephews.

Pallbearers were Hugh Childress, Jr., George Bunker, Bill Baggett, P. C. Perner and Sam Perner of Ozona; Bill Schneemann and Max Schneeman, Jr., of Big Lake; and El Hagelstein, George Stapp and Phillip Schneemann of Fort Stockton.

## No Clues In Weekend Burglaries

Two break-ins over the weekend netted the thief or thieves several hundred dollars worth of merchandise.

At press time Sheriff Billy Mills said that officers had no clues in either of the burglaries.

South Texas Lumber Co. was broken into late Friday night or early Saturday morning, for the second time in several weeks. The thieves entered through the same back window they broke open in the last burglary. They took four rifles, one shotgun and four pistols. Officers theorize that a wreck behind the building around 5 a. m. Saturday morning scared them off as they left some guns in the case. Sheriff Billy Mills said the scene was wiped completely of prints.

The other break-in occurred at the Bill Price home in Country Club Estates. Mr. and Mrs. Price were out of town for the weekend and the break-in was discovered Sunday morning. Entry was made through a back door. Several hundred dollars worth of sterling, radio equipment, musical instruments, stereos and a television set was taken.

The Sheriff's Department feels that the two burglaries were not the same person or persons.

## OHS Golfers Retain Lead In District

After the fourth district golf match in McCamey Saturday, the Ozona Lions held onto the District lead in spite of placing third in the match. The final district event will be held in Ozona April 24, and will determine the winner. The winning team and the runner up team will compete in the regional tournament.

Going into the final tournament next week, the Lions lead by 1,323 over McCamey with 1,343 and Sonora with 1,343. Crane is a distant fourth with 1,381 and Big Lake is in last place with 1,383.

Individual scores for the Lions last weekend were as follows: Kirby Kirklen, 74; Mike Hays, 77; Ronald Koerth, 80; Eugene Hood, 81; Wilson Hill, 84; and Cliff McMullan, 121.

OFF TO THE REGIONAL TRACK MEET are these youngsters from the Ozona High School Tennis Team. They tied with Crane in District 7-AA play last week and will play in regional competition later this month in Odessa. In front are the girls doubles team of Karla Fenton and Lynn Maness, along with Ronnie Schneider, who has not lost a match this year in boys singles. In back are the boys doubles team of Tony Hoover and Ricky Perry, and in center is Stacy Dockery, girls singles.

## Commissioners Court In Routine Monthly Meeting

(As Reported By County Judge Troy Williams)

The Crockett County Commissioners Court met in regular session Monday, with all members present. Regular monthly reports were read and accepted.

Jack Williams was appointed to have the air conditioner repaired or replaced at Dr. Logan's office.

After discussion concerning the merits of Chevrolets, Dodges and GMC's the County Auditor was directed to prepare specifications and advertise for bids for a new ambulance. The bids to be opened May 8, 1976.

At the suggestion of the tax evaluation people, the Commissioners Court agreed to reset the Board of Equalization meeting for June 17 and June 18.

Keith Peters made the hospital report and emphasized that the hospital board members would like to be covered by liability insurance.

The Court unanimously passed a resolution as follows: "Crockett County Commissioners Court accepts and assumes any liability incurred by the hospital board when acting in their official capacity as a board." The Court reaffirmed their agreement of February 2, 1976, that the \$200,000 monthly, paid to the two doctors for welfare patients, would be divided equally between Dr. Owensby and Dr. Blanton.

Commissioner Bill Black was instructed to have the airport office repainted and paneled inside. He will

also have additional paving for parking of planes done. Cleanup week was designated to be April 19 through April 26, 1976.

The County Judge was authorized to negotiate for the purchase of six acres of land for a radio antennae.

San Angelo Door Company's price of \$255,000 to repair the damaged door at the Fire Station was accepted.

The County Auditor was directed to advertise for bids to repaint the trim of the Courthouse.

The School Trustee election was canvassed and approved.

It was announced that Billy E. Couch is the new Election Judge at the Rio Pecos Plant. He is the new superintendent there, the former superintendent having been transferred to Graham, Texas. Evert White was named Election Judge for Precinct 1.

Dogs running loose in town were the topic of a discussion. The Court tabled the discussion and will adopt rules and guidelines at the May meeting for the control of these dogs. The public is invited to offer suggestions in writing before May 8, 1976.

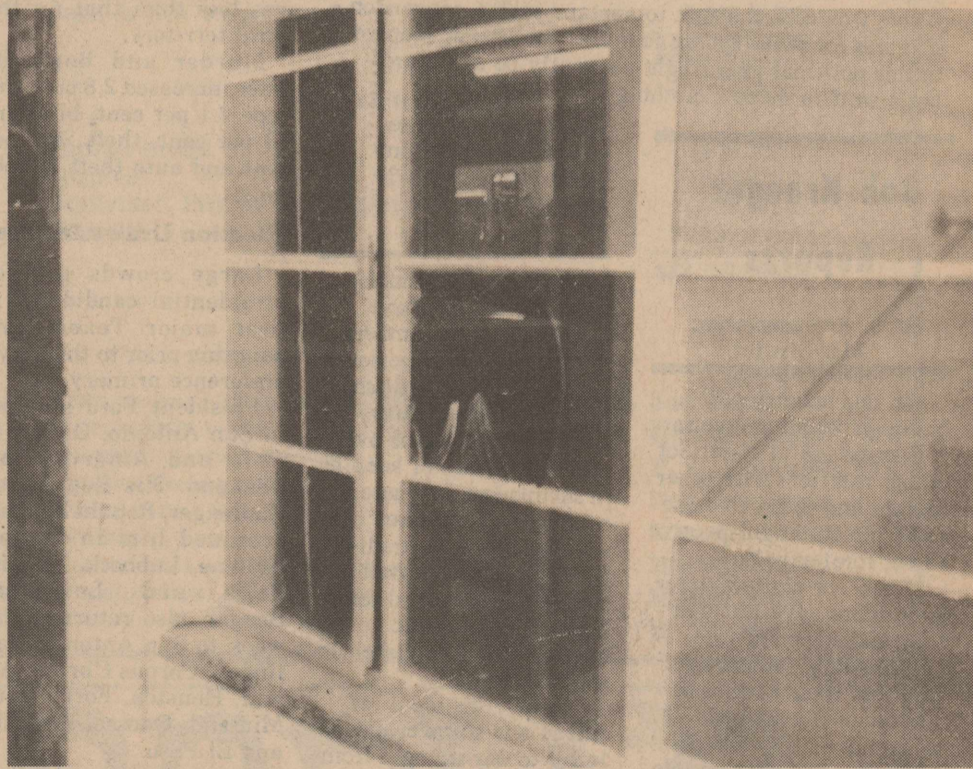

## Nominees Told For Best Citizen Award

Nominees for the Best Citizen award were announced this week by high school principal Jim Payne. The nominees are selected by vote of the faculty and the winner is selected from the top ten students receiving the most votes. The award is presented annually by the Ozona Womans Forum. The winner is announced during graduation exercises and the award presented by a member of the Forum.

Eleven students were selected this year, due to a tie. They are Belinda Bebee, Monica Delgado, Carmen Galvan, Brian Gries, Alex Guerra, Richard Harrison, Tony Hoover, Lynn Maness,

Karen Moody, Luann Perner and Ronald Shaw.

Other students receiving votes were: Vaden Aldridge, Randy Allen, Clyde Bailey, Karen Bebee, Bill Bissett, Dawn Burns, Cindy Crites, Orlando DeHoyos, Carmen Delgado, Raul De La Rosa, Henry Fay, Mike Fay, Karla Fenton, John Galvan, David Garza, Eugene Hood, Karen Kirby, Josie Longoria, Lori Parker, Ricky Perry, Joey Pierce, Basil Ramirez, Rodney Ruthard, Ronnie Schneider, Max Schroeder, Kathy Sewell, Lupe Tambunga, David Torres, Gary Warren, Jerry Weant, Nancy Womack, and Renee Yeager.

SAME SONG, SECOND VERSE - This window in the back of the South Texas Lumber Company was the same one thieves broke into last month when they burglarized the store. This time they got no money, but took several guns after breaking into the gun case.

BAPTIST YOUTH START WALK-A-THON early Saturday morning down the Juno Road, or Hwy 163 south of town. Their goal was the Everett home about thirty-five miles down the road. Some of the youngsters lasted 25 miles, while the preacher, Rev. Nelson Lanham lasted an amazing fifteen miles. The group was marching for money for home missions.

**Tips For Gardeners**

From the Ozona Garden Club by Mrs. Bailey Post

Here it is almost Easter and we have been spared a severe freeze, so we are still optimistic that we will miss one this year. It seems the April showers have skirted our city again, but it is good to hear that some of the ranch and farm lands not too far from us had good rains. I understand you have to go nearly to Austin before seeing a profusion of native wild flower blooms along the highway. Here in Ozona there have been several colorful groups of bluebonnets and yellow daisies where they had been watered. Flowering trees and shrubs have been very full and unusually beautiful this year, so now is the time for you to plant or plan to put out some next fall. If no rain, all newly planted shrubs and trees should be watered deeply and kept moist for new root growth; and especially, established evergreens should be well watered at least every 2 weeks. Now is the best time to remove suckers that often grow on trees, shrubs and roses. These suckers can weaken a plant in a short time, so should be removed as soon as noticed. They usually grow on the root stock of the plants and have foliage that is different from the foliage of the main plant. Dig soil from around these shoots and trace them back to their origin. If tender they can be jerked out with your hand, or cut them close to the root system. Now that Flower Show time is here, we are looking forward to having many beautiful flowers to display. Do plan to be a guest of the club at the Civic Center from 4 to 6 p. m. Thursday, April 15. You might see blooms and plants that you would like to try in your landscape or home. Too, there will be many design arrangements in the Artistic Division that will stimulate your imagination and interest in the new trends of arranging in a number of classes.

**Shrimp Super With Vegetable**

Every super vegetable is a natural for being shrimp-stuffed or harmonized in a dish with canned shrimp. Eggplant, that royal purple cousin to the potato and tomato, does it beautifully. This duo combines to make a gourmet treat and yet is hearty and so satisfying.

- SHRIMP STUFFED EGGPLANT**
- |   |                                |
|---|--------------------------------|
| 1 can (4 1/2 ounces) shrimp             | 1 cup milk                     |
| 2 eggplants weighing about 1 pound each | 1 teaspoon salt                |
| 1 cup chopped onion                     | 1/4 teaspoon cayenne pepper    |
| 2 garlic cloves, sliced                 | 1/4 cup grated Parmesan cheese |
| 3 tablespoons butter or margarine       | 1 cup seasoned bread crumbs    |
| 3 tablespoons flour                     |                                |

Drain shrimp. Preheat oven to 350 degrees; bake whole eggplants 40-45 minutes. In a saucepan saute onion and garlic in butter about 8 minutes. Blend and cook with flour, milk, seasonings into a thick sauce. Add cheese and set aside. Cut eggplants in half. Holding stem ends, scoop out and chop pulp, reserving shells. Combine pulp, sauce, crumbs, and shrimp. Refill shells; sprinkle with plain buttered crumbs. Wrap skin area in aluminum foil; return to hot (425 degree) oven about 15 minutes. Serve in foil. 4 servings.

**Forum Has Final Meet Of Club Year**

The Ozona Womans Forum met Tuesday, April 6, in the final meeting of the club year. All proposed projects for the club year have been completed, it was reported. For the last study program of the year, the theme was "Our Youngest States' Bicentennials." Mrs. Brock Jones spoke on Hawaii's bicentennial, "The Long Canoe Goes Home;" and Mrs. Buddy Russell spoke on Alaska's bicentennial, "Rising Northern Star."

Mrs. Russell spoke on the history of Alaska, from the time it was purchased from Russia, through its recent statehood and the tremendous oil discovery on the Northern Slope. She said that since becoming a state of the Union, the people have found much freedom and cited travel as one of the greatest changes.

Mrs. Jones and a group from Ozona were in Hawaii last year to study the culture and heritage of that state. She said the history of Hawaii began about 800 AD. The first alphabet contained only 12 letters. Their pilgrim heritage came from India, Mrs. Jones said.

Mrs. Charlie Black showed a film taken during the group study there. The meeting was held in the home of Mrs. Louise Appel with Mrs. Lowell Littleton assisting hostess. The hostesses served baked Alaska and slices of pineapple in keeping with the theme of the program.

Other members present were Mrs. T. J. Bailey, Mrs. Larry Arledge, Mrs. George Bunker, Mrs. Ben Bohmfalk, Mrs. Bud Cox, Mrs. P. L. Childress, Mrs. Vernon Jones, Mrs. Fred Hagelstein, Mrs. L. D. Kirby, Mrs. Kirby Moore, Mrs. W. H. Whitaker, Mrs. Jess Marley, Mrs. W. T. Stokes, Mrs. C. O. Walker, Mrs. W. H. Whitaker and Mrs. Bonnie Warth.

Mrs. Bailey and Mrs. Warth were selected to be delegates to the State Convention in Lubbock April 27-30.

**LADIES GOLF ASSN. MEETS**

Winners for blind bogeys at ladies golf day last week at the country club were Mrs. Jack Baggett, Mrs. Dempster Jones, Mrs. Dixon Mahon and Mrs. Bill Clegg.

Legs on the Association trophies were low gross, Mrs. Mahon; low net, Mrs. Mahon and Mrs. Jones, and low putts, Mrs. Beecher Montgomery.

Other golfers were Mrs. Bob Bailey, Mrs. Dick Webster, Mrs. M. E. Nicholas, Mrs. Byron Williams and Mrs. Byron Stuart.

**Debra Says**

by Debra Price H. D. Agent

Electric crockery-pot slow cookers can free housewives from hours spent cooking--just put the evening meal to cook in the morning, and supper is ready when the family gets home at night.

This method of cookery is especially valuable to working wives, bachelors and others who are away during the daytime. A roast, stew, chicken or coup can be started in the morning, and the meal will be ready--without all day cooking care--when the family's ready to eat.

These cookers have a low wattage wrap-around heating element which cooks all day without burning the food. Most dishes cook from eight to ten hours on low setting. Slow-cooking is economical in terms of food itself because it uses the moist-heat method--in which moisture builds up slowly--which is the recommended method for cooking less tender, inexpensive cuts of meat. And from the standpoint of energy, the slow cooker is also economical to operate. Cooking a stew in the slow cooker takes only half the energy as cooking the same stew on top of an electric range. The cook's understanding of the appliance's capabilities and willingness to adept cooking practices are major considerations in choosing a slow cooker. For example, cooks need to learn not to lift the lid during cooking, because each time the lid is removed, steam escapes losing 15-30 minutes' cooking time.

Favorite family recipes can be adapted for the slow cooker, but the major change will be in cooking time. It takes about six to eight times longer in the slow cooker. Also, since liquids in a slow cooker do not boil away, reduce stew liquid by half. Meat should be browned and drained before adding to the slow cooker because it will not brown as usual.

Also, it is surprising that vegetables cook slower than meat--so cut them into small pieces and place in the bottom in liquid. Spices should be added during the final hour of cooking because their flavor power may increase. Concerning safety of slow cookers, food cooked in slow cookers is safe to eat as long as it reaches an internal temperature of 140 degrees F. for one and a half to two hours, or 150 degrees F. for only 12 minutes. But researchers have found that not every brand of slow cooker will reach the recommended internal temperature of 140 degrees F. Consumers should compare brands with this in mind before buying one.

Homemakers can check the temperature of food cooked in a slow cooker. The best way would be with a meat thermometer when cooking a roast. This will indicate if the roast reaches the recommended internal temperature of 140 degrees F.

One favorite Texas recipe prepared successfully in the slow cooker is Texas Beef and Beans. Try this recipe and see how the family likes the quality of food prepared this way. TEXAS BEEF AND BEANS 1 lb. dried pinto beans

- 6 cups cold water
- 1/2 lb. salt pork, cut up
- 1 lb. lean chuck steak, cut into 1-in. cubes
- 1 red chili pepper
- 1 medium onion, chopped
- 2 cloves garlic, minced
- 1 6-oz. can tomato paste
- 2-1/2 tsp. chili powder
- 1 tsp. salt
- 1 tsp. cumin seed
- 1/2 tsp. marjoram leaves
- 1 whole chili pepper (Optional)

Soak beans in water overnight. Brown salt pork in skillet or slow cooker with browning unit. In slow cooker, combine soaked beans (with water), browned salt pork and remaining ingredients. Cover and cook on low for 9-10 hours. Makes 8 servings.

*The Greatest Symbol*

Since the first Easter, the Cross has remained the one great and enduring symbol of Christianity because it best expresses the meaning of faith. Like a precious jewel, the Cross shines with many facets of truth. The Cross signifies the hope of faith. It reveals God's love for us in the sacrifice of His Son. It is our assurance of His promise of salvation.

The Cross signifies the challenge of faith. It reveals God's love for all men which we must share. It is the motivation of Christian action. The Cross signifies the victory of faith. It is the pledge of God's loving purpose in saving the world. It is the source of peace. What does the Cross mean to you? On Easter--this greatest festival of our Faith, will you come to Church and discover its message?

## MOCO Testing Wildcat Producer Extended Into Co

Amoco Production Co. is testing a 4 1/2-inch casing at 189 feet, on total depth of 9,291 feet, and shut-in No. 1-C J. F. and M. Sudderth, in GC&SF Co. 11, Crockett County wildcat, 7/8 mile west of No. 1-B Sudderth, which is testing for completion and 28 miles southeast of Ozona.

It flowed gas for 2 1/2 hours at the rate of 180,000 cubic feet daily and for three hours at the rate of 73,000 cubic feet daily when drilling reached 1,291 feet.

The No. 1-B Sudderth, in 7-K-GC&SF, was testing no gauges through perforations at 9,141-350 feet; and earlier tested, no gauges, through perforations at 9,494-645 feet.

The firm's No. 1 Jake Seasley Trust, in 6-G-5C&SF, scheduled 9,650-foot wildcat, four miles to the north-northwest, flowed gas at the rate of 191,000 cubic feet daily for two hours when drilling reached 9,072 feet and at the rate of 154,000 cubic feet daily for two hours and 15 minutes when drilling reached 9,400 feet.

The Whitehead (Strawn gas) field of Sutton County gained its second producer and a nine-mile northwest extension and into Crockett

County with completion of Amoco Production Co. No. 1-A Margaret F. Alford, 16 miles southeast of Ozona, for a calculated, absolute open flow of 4.5 million cubic feet of dry gas per day.

Production was through perforations at 8,715-924 feet, which had been acidized with 2,000 gallons.

Stated as an 8,600-foot wildcat and amended to the above field, it was drilled to 9,100 feet, with 4 1/2-inch casing set at 8,996 feet, and plugged back to 8,967 feet.

The Sonora sand (Canyon) was topped at 7,464 feet and the Strawn at 8,702 feet on ground elevation of 2,172 feet.

Location is 900 feet from the south and 1,320 feet from the east lines of 3-G-GC&SF.

The discovery, Wewoka Exploration Co. No. 2 Whitehead, was finalized Dec. 1, 1975, for a calculated, absolute open flow of 2.25 million cubic feet of gas daily through perforations at 8,376-439 feet. It tested for dual completion attempt through Canyon perforations at 6,249-7,468 feet, which had been acidized with 2,800 gallons and fractured with 28,000 gallons and 26,000 pounds of sand.

PECULIAR SIGN snapped by the photographer while passing. We think it's spelled right but needs a space between the N and the I. However, after some disagreement we are willing to concede that's the only way to spell it. Anyway, it leaves nothing to the imagination as to its meaning.

### NOTE OF THANKS

For all the remembrances, cards, flowers, visits, prayers, and good wishes while I have been ill, I do thank each of you most sincerely. God bless you.

## Poultry Outlook Not Good

A combination of over-production, higher feed prices and competition from red meats could result in lower profits for poultry producers in 1976, says a poultry specialist for the Texas Agricultural Extension Service.

Dr. Fred Thornberry points out that 1975 was a good year for both poultry producers and consumers of poultry products, mainly because broiler and turkey production was at normal levels. However, broiler and turkey production for 1976 is expected to be much higher than 1975 levels.

Slaughter of broilers for the first quarter of 1976 is projected to be 18 per cent higher than the same quarter in 1975, points out Thornberry.

"Profits in the poultry business are closely tied to feed prices," says the Texas A&M University System specialist. If the cost of feed goes up, the cost of raising poultry goes up also, and profits go down.

"In contrast to the dimmer outlook for broiler and turkey producers, egg producers can expect prices to remain fairly strong through Easter," predicts Thornberry.

"Another bonus for the egg industry is the recent approval of the five cents per case check-off plan that is expected to bring in more than \$4 million." Thornberry says funds from this plan will be used for promotion, research and consumer education on egg production and usage.

# Use your Refrigerator Wisely...

## AND SAVE

### Reddy's Helpful Tips

- ★ Return fresh foods to the refrigerator and frozen foods, such as ice cream, to the freezer as soon as possible. Measure and remove the quantity needed for cooking or for the table, and refrigerate the remainder at once.
- ★ Use cold controls efficiently by selecting the settings that provide about 36° F. in the refrigerator and 0° F. in the freezer.
- ★ Fill the refrigerator with food, but be careful not to overfill. Make sure that food packages don't block air vents in the freezer or refrigerator section.
- ★ Clean the condenser surfaces of the refrigerator; dirt restricts air flow and acts to insulate the condenser, forcing the refrigerator to work harder and longer to maintain proper temperatures.

## Miss Gomez Becomes Bride Of Mr. Martin

Miss Diana Gomez, daughter of Mr. and Mrs. Antonio Gomez of Ozona, became the bride of Martin Martin, son of Mr. and Mrs. Nicky Martin of Mason, at a ceremony Saturday evening in the banquet hall of the civic center in Ozona.

Rev. Ben Bohmfalk, pastor of the Ozona United Methodist Church, performed the ceremony in the presence of some 200 guests. A wedding supper for the wedding party and guests followed the ceremony. Tables were spread in the banquet hall. After the nuptial couple had cut the three-tiered wedding cake, it was served as dessert to the supper guests.

Attending the couple as bridesmaids were Misses Lizi Huereca, Diana Tijerina, Leticia Leal, Virginia Martinez and Victoria Vasquez, and other attendants included Mr. and Mrs. Ines Ybarra, Mr. and Mrs. Amando Sanchez, Mr. and Mrs. Miguel Arteaga and Mr. and Mrs. Samuel Martinez.

Flower girls were Linda Hunt and Rosario Vasquez and train bearers were Peter Hunt and Nancy Turberville. Wedding music on the grand piano was provided by Mrs. Sarah Stringer Hignight.

Mrs. Martin was born in Ozona and attended Ozona public schools. She was graduated from Ozona High School in 1975 and had attended Angelo State University the past year.

## Crockett 4-H Members In Eldorado Met

## Make Easter Cooking Out Of The Ordinary This Year

Easter cookery can be out-of-the-ordinary, fancy and still nutritious, Mrs. Mary Sweeten, foods and nutrition specialist, says.

"The family's favorite recipes, providing a well-balanced meal, can be decorated or garnished a bit to create a fancy Easter feast," she said.

Mrs. Sweeten is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Set the scene by decorating the table with spring flowers, customary bunnies and chicks, and decorated Easter eggs for the centerpiece. Then the eggs can be used the next day in dishes such as egg cutlets or creamed eggs on toast.

"And the nutritional centerpiece eggs also can be made into hot deviled egg in cream sauce, cheese fondue, potatoes souffle, scalloped ham, eggs and potatoes and vegetable-egg casseroles," she added.

For a ladies' salad luncheon during the Easter season, the specialist suggested this attractive plate. Potato salad, a tomato wedge, cooked chilled broccoli with a peppery dressing and assorted sandwich quarters with a bowl of French onion soup. Use a molded ginger ale fruit salad with half a banana rolled in chopped nuts garnished with a fresh strawberry for dessert, she added.

Another suggestion for Easter salad is cottage cheese in the center of a plate of watercress, surrounded with gelatin, eggs and deviled eggs. Nut bread sandwiches would be a good accompaniment to this plate.

"A gelatin ribbon salad with layers of cooked green peas, diced raw celery, diced cooked celery and sliced hard cooked eggs satisfied nutritional requirements—and tastes good too," she said.

Children will enjoy a "make believe" fried egg for dessert. Place a peach round on a slice of plain cake and surround it with whipped cream. Or candy Easter eggs on iced cupcakes will be favorites too. Also, chiffon pies in pastel colors are a light dessert that would be suitable if the meal was especially rich, Mrs. Sweeten said.

"Another fancy dessert is a butterfly cake. Cut a round layer cake in half. Turn the layers so that the cut side is on the outside, ice the cake and then decorate with chocolate chips shaved chocolate and colored frosting for a

glamorous butterfly," she said.

She suggested that children would love a bunny cake. Make the face on the round cake and cut the ears out of the second round layer. Use colored coconut or jellied candies to decorate the eyes, nose and mouth and use toothpicks for whiskers.

**A tempting offer on a gas grill.**

**SAVE \$30**

Right now, we're making you a tempting offer on gas grills with twin burners! Independently controlled twin burners never use more gas than you need. For big meals, use both burners. For smaller meals, save gas and money by using one burner and half the grill. A gas grill adds a new dimension to family meals and entertaining. It eliminates the fuss and bother of cooking outside while it keeps the flavor and the fun. And, because you take cooking heat out of the house and the burden off your air conditioning, you save energy, too.

### IS THERE A THIEF IN YOUR ATTIC?

Just as sure as heat rises, there may be a thief in your attic. It's the attic ceiling.

That high-cost heat your furnace turns out rises to the ceiling... but unless your home is fully insulated it doesn't stop there. It keeps right on going. And you keep right on paying... up to 30% more than you need to pay to keep your home comfortable.

You can stop this heat thievery quickly and inexpensively by having us install Certain-lead Fiber Glass Insulation.

How do you know if your attic is properly insulated? Call us. We'll send over a trained insulation specialist. He'll give you the facts. If you do need insulation, you'll be amazed at how little it costs... and how much you'll save in expensive fuel costs. In fact, Certain-lead Fiber Glass usually pays for itself within two to three years.

### LETTERS To The Editor:

Dear Friends,  
Your contribution is vital to help find the answers to what we still don't know about cancer... and to make sure the answers reach every community in the country.

With this in mind, your Crockett County Crusade Chairman, Mrs. Tony Allen and Mrs. Huey Ingram, are heading up the annual crusade, and April is traditionally the month when volunteers all over the nation bring life saving education to everyone's door and ask for your donation so that the programs of research, education, service and rehabilitation, may be continued and expanded for the benefit of each one of us.

Volunteers are finishing up the business drive under the direction of Mrs. Ingram and the Beta Sigma Phi Sorority will be in charge of the residential drive in the north part of town held on Monday, April 12. Mrs. Jim Williams is chairman. Chairmen for the Southside are Mrs. Savannah Wright and Mrs. Francisco Galvan.

Mrs. Bill Black heads the rural drive. We are indebted to all the many volunteers who are working so diligently with these chairmen.

The work of the ACS has been carried out in the county on a year around basis. Mrs. Charles Williams, chairman of the Service & Rehabilitation committee has kept in touch with patients and arranged for their needs to be met by the Society wherever possible.

In closing I would urge each one of you to have an annual check-up, heed the seven warning signals, and practice the safeguards and preventive measures against this

disease. If we all did this, many more lives would be saved.

PLEASE give generously when a volunteer knocks on your door! Thank you. Joan Nicholas District Crusade Chairman American Cancer Society

### Ken Griffin Show Here April 29

What does the public demand in theatrical fare? Ken Griffin, producer of the Ken Griffin Show, believes they like a show that is fast moving, colorful, exciting--a show that tingles their spine with danger, stirs up wonder and amusement, and gives them something to talk about. He feels the public will agree that the Ken Griffin Revue offers them just that.

According to Griffin he has programmed his show so that the public is privileged to move into a world of enchantment where dull reality has no place and humdrum problems are banished, for an evening at least. Following the time tested stage revue pattern of novelty, music, comedy, and spectacular feats, the show has appeal to young and old. Always a hit with the audience are the TV illusions. Griffin says, "We present our illusions with imagination, effectiveness and appeal. Each illusion is an intriguing secret that will amuse and stimulate the minds of the people."

The production is sponsored by the Ozona Rotary Club, and will be presented Thursday, April 29, at 7:30 p.m. in the High School Auditorium. Advance tickets at a reduced price may be purchased from any club member.

### Kit Knits New Idea In Sweaters

Kits for sweater making put fashionable sweaters within reach of homesewers now, Marlene Odle, a clothing specialist says.

"These kits, new on the market, contain colorful 100 per cent acrylic sweater knit complete with finished bottom edge and 60 inches of coordinating rib trim for neckband and sleeve cuffs," she said.

Miss Odle is with the Texas Agricultural Extension Service, The Texas A&M University System.

She suggested using the sweater kit to make a popular spring cardigan featuring long or short sleeves or matched with a v-necked vest sweater for a stylish look.

"Colorful sweater sets are the key to fashionable styling for spring and casual sportswear. And these kit sweaters are machine washable and range in Misses sizes from eight to 16," the specialist noted.

**Fun Nite To Be Held By Boosters**

Crazy Fun Nite will be held Tuesday, April 20, in the city park, beginning at 7 p. m. There will be a pie-eating contest, bingo, cake walk, tug-of-war, horse shoe pitching, bubble gum blowing contest, hay rides, roulette, and all kinds of races (3-legged, sack, crab crawl, etc.)

The event is being sponsored by the Ozona Band Boosters, and the OHS band will open activities with some musical numbers at 7 o'clock sharp. There will be games and activities for all ages and lots of fun and prizes.

Since there is no school on Tuesday, a scavenger hunt at 3 p. m. will start things off to get everyone in the mood for the fun evening. Clues will be given over Ozona's own Channel 13, and at the park. Points will be given to winners in all events and over-all point winner will receive a grand prize. Everyone is invited to join in the fun and support the Ozona bands.

Mrs. Dan McBroom and her sister, Bobbie Strickland, of Tyler were Ozona visitors Tuesday. Mrs. McBroom is a former Ozonan.

**Spring Clean Up Week Set For April 19**
