Kitty's Korner

By
Kitty Montgomery

Several years ago, the Texas Legislature approved a bill which would allow Commissioners Courts in counties of under 5,000 population to make ordinances, enforce laws, etc. The bill was sponsored by then State Representative Hilary Doran.

Numerous times after the bill became law, I inquired about it and was told "the Court is still studying it." Well, that was about five years ago, and apparently the court has forgotten it. Maybe they are still studying it, or maybe it has been repealed. Heaven only knows what happened to it, but we do know our court has not availed itself of this bill, and doesn't even seem to have the power to remove livestock from county property.

I would suggest to the county fathers that this be looked into very carefully, and I believe they can come up with an ordinance allowing them to have stray dogs picked up and done away with without the expense of a countywide election. Also, I believe it would give them the power to see that traffic signs are obeyed and a few other things made law and enforced around here which would improve living conditions in Ozona. One thing for sure, I believe the public should know if they are "still studying it," or have tabled it.

kk
Bull Walker had a pretty tough time with a ruptured appendix for a couple of weeks, but looks like he is going to make it so guess I can tell a tale on him. He's still going around with a tool to turn his starter switch on because he can't bend over, but other than moving pretty slow, he seems to have no after-effects.

When he was finally allowed to get up and go down the hall in the hospital to take a shower, he really got in trouble. He only had on his pajamas and after he showered, he found that he couldn't bend down to retrieve his pajama bottoms. After many attempts ended in failure, he opened the door and kicked the pajamas out into the hall. Finally a nurse came along and discovered the problem and came to his rescue.

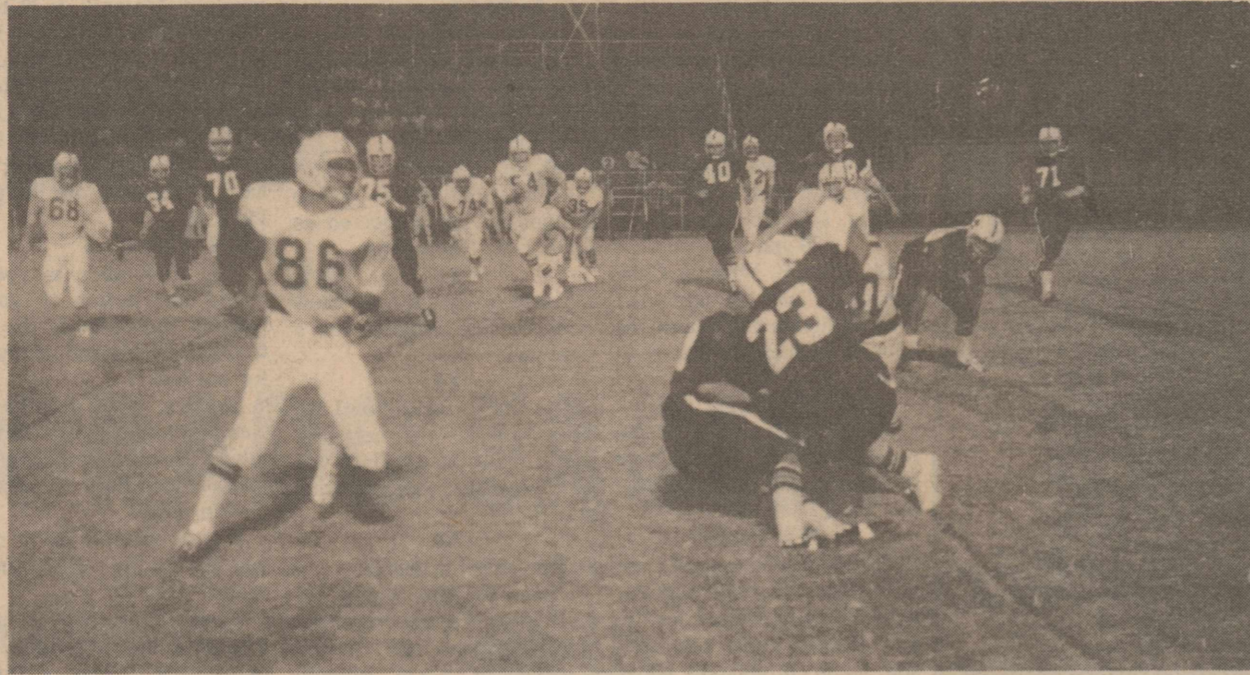

He got lot's of funny cards, but the one he prizes most is the one from Lawrence Janes with the inscription "I'll be the last one to let you down."

kk
Tom has worked all year on getting the Garden of the Week award. Everytime they have called it in, he's just been frustrated. He goes by and declares the selection doesn't look as good as his yard. He's been fretting like this all summer. So last week he gave up and decided to let the yard go to the birds. Well, surprise, he was the recipient this week, and I personally don't think it looks as well as it has. However, it has spurred him on to greater gardening, and he may give up the VFW for yard-work after all.

kk
By the way, the paper has been set this week on our new machine. The change-over has been awful; we've lost sleep, couldn't eat, and have actually been physically ill, not to mention our mental state. If you like it, tell us, if not, please don't mention it.

HEARING SET IN FEDERAL COURT

Word was received here Tuesday morning that attorney for the county Lucious Bunton had been informed that a hearing had been set in Federal District Court in October for the lawsuit filed against Crockett County elected officials by four men representing the Mexican-American community here.

THE LIONS PICK UP THE second win in a row here Friday night as they down the Marfa Shorthorns 35-21. The Lions smothered the Marfa back throughout the night as they are

doing here, holding their opponents to very little yardage on the ground as they racked up over 400 yards. The Lions will host the Eldorado Eagles tomorrow night. Gametime is 8 p.m.

Lions Make It Two In Row With 35-21 Win Over Marfa

By-Brian Gries

The Ozona Lions won their second game of the season against the Marfa Shorthorns 35 to 21, here last Friday night.

The Shorthorns were the first to draw blood, capitalizing on a Lion fumble and turning it into a 54 yard drive which ended in a nine yard T.D. run. The PAT was good, and the Lions were trailing 7-0 with seven minutes 40 seconds left in the first quarter. Shortly before the end of the first quarter, the Lion's initiated a searing drive which covered 43 yards. Blake Moody made a one yard dive for the T.D. and Orlando DeHoyos added two points by running for the PAT. With 11 min. 20 sec. left in the second quarter, the Lions were now leading 8-7.

Later in the second quarter, it was Moody again on a two yard dive for six. John Galvan tacked on the extra point to make it 15-7 for the

Tom Davidson Is Honor Grad At UT

Tom Davidson has been notified that he has been awarded his Bachelor's degree from the College of Business Administration at the University of Texas at Austin.

Davidson graduated with honors, having a final grade-point average of 3.48.

He finished his work at the University in the summer session and he and Mrs. Davidson have moved back to Ozona where he is associated with his father in ranching.

Lions. The Lions were not through, however, and with ten seconds left in the first half, Vaden Aldridge ran a keeper for two yards to top off a 56 yard drive. John Galvan added the PAT to make it 22-7 in favor of the Lions at the half.

The Lions picked up right where they left off in the second half. On their first possession the Lions rambled 84 yards with a five yard T.D. pass from Aldridge to Warren topping it off. Galvan added the PAT to make it 27-7 Lions. In the third quarter, the Shorthorns received a bad center on fourth down and did not have a chance to punt. The ball was turned over to the Lions on Marfa's 24 yard line. The Lions quickly transformed the opportunity into a T.D. A four yard pass from Aldridge to Warren scored, but the PAT failed. With five minutes 25 seconds left in the third quarter, the Lions were leading 35-7. The Lions did not score again, but the Shorthorns were not finished. They broke for a 24 yard T.D. run. The PAT failed. The drive was good for 61 yards. The last score came early in the fourth quarter when Marfa completed a 45 yard pass for the T.D. Another short pass was completed for the two point conversion. The final score was 35-21 in favor of the Lions.

The leading rushers for Ozona were Warren with 162 yards, Moody with 75 yards, DeHoyos with 49 yards, and Aldridge with 36 yards. Outstanding defensive players were Mike Fay with 11 tackles, Ricky DeHoyos with seven tackles, one quarterback sack and one recovered fumble, Gary Warren with eight tackles, Clyde Bailey with seven tackles and one recovered fumble, and

Clifford Crawford with seven tackles.

Coach Sewell said all the Lions did a fine job, but singled out Eugene Hood as an outstanding offensive player. As to next week's game, Coach Sewell said that Eldorado had 22 returning lettermen and that they were a very good ball club. He said the Lions would have to be very careful, but he felt that they should be able to win with out much trouble.

The Lions out-played the Shorthorns in all statistics. They had 365 yards rushing to 98 for Marfa. The Short horns did manage to out-pass the Lions 130 yards to 58, however, Ozona had almost double the total offense, having 423 total yards to 228 for Marfa. The Lions attempted 16 passes and completed 8, while Marfa attempted 12 passes and completed 8. The Lions had 25 first downs and Marfa had 12. The Lions were penalized 8 times for 78 yards and the horns had 7 penalties for 34 yards. The Lions punted twice for an average of 46.5 yards and Marfa punted 4 times for a 33.8 yard average.

Musicians' Reunion Is Saturday

The Third Annual Musicians' Reunion will be held Saturday, September 18, at the Civic Center from 10 a.m. until 7:30.

Following the reunion, a jamboree will be held with the public invited from 7:30 until 12. Musicians from all over the area are invited to participate.

Girl Scout Troop 189 will have a food booth.

Services For Mrs. Oden Held Monday

Funeral services for Mrs. Jewell Ida Cooke Oden, 72, were held Monday afternoon at 4 o'clock in Ozona First Baptist Church with burial in Cedar Hill Cemetery.

Mrs. Oden died Saturday in St. Johns Hospital in San Angelo following a lengthy illness.

She was born July 17, 1904 in Ozona and was a longtime resident of Crockett County.

Survivors include two sons, Bill Oden of Beaumont and Gil Oden of Denver, Colo.; one daughter, Mrs. Jo Nell Ingram of Ozona; two brothers, Cleophas Cooke of Ozona and Green Cooke of Sanderson; a sister, Mrs. Maurice Black of Ozona; seven grandchildren and three great-grandchildren.

FFA Chapter Elects New Officers

The Ozona FFA Chapter met Thursday to elect officers for the year. John L. Henderson heads up the slate as president.

Douglas Bean was elected vice president; Clifford Crawford, secretary; James Hokit, treasurer; Max Schroeder, reporter and Blake Moody as sentinel.

Helen Bunger, daughter of Mr. and Mrs. George Bunger, Jr., was elected FFA Sweetheart. Helen is a senior and a twirler.

The chapter met at the ag. building with Henderson presiding. Vaden Aldridge was appointed Committee Chairman and four members were appointed as follows: Cindy Massey, Cliff McMullan, Jay Hufstetler and Danny Sewell.

Refreshments followed adjournment.

Send A Mouse To College Contest Starts

The "Send-a-Mouse-to-College" envelopes will be given out in the Elementary and Intermediate Schools this week. Mice play a most important part in cancer research, therefore, the purchase of special mice take considerable funding. Mrs. Randy Upham is chairman.

There will be a contest in each school between grades as to which grade contributes the most funds for research mice. Through the year the local ACS unit conducts educational programs in all the schools. This year's education chairman is Mrs. Dwight Childress.

The plaques for the awards have been donated by Baker Jewelers.

Court Approves Budget; Sets New Tax Assessment

Crockett County Commissioners Court met Monday in regular monthly session with the most important item, the county budget for 1977, and the raise in county tax rates, being approved.

The budget hearing was set for 2 p.m., but there were no members of the community present and there was no lengthy discussion. Apparently details had been worked out beforehand and the budget was approved without dissent. Total budget was set at \$1,783,622 for 1977. This is an increase of \$192,000 from that of last year. The school budget is up \$172,000 from last year, and will be \$1,394,914 for 1977.

Crockett County residents had been notified earlier in the year that taxes would be increased. The rates were set after the budgets were approved, both county and school. The rate of assessment was raised from 30% of the marketable value to 40% but county and school taxes were lowered slightly. The county tax was lowered from \$1.25 per \$100 to \$1.12, school taxes were lowered from \$1.50 per \$100 to \$1.22, and the state tax remains at 12c same as last year. With the raise in assessment, this should raise taxes enough to cover both the county and school budget and will be \$2.46 per \$100 valuation, but property owners will be assessed at 40% of the total value instead of 30% as in the past.

When the court convened a large delegation of Mexican-Americans were present to ask that the county close the gate adjacent to Lima Cemetery in order to eliminate traffic on the road leading into the cemetery. Hector DeHoyos was spokesman for the delegation and he told the court that the request was mainly to prevent Reading and Bates from using the cemetery road as an access to a drilling site.

The court assured the group that they had no intention of granting an easement to the drilling company. However, they met at the site at 1:00 p.m. to see about the feasibility of closing the gate and re-routing traffic around by the rifle range. After the inspection, it was decided that the gate would remain, but have the lock changed and only county employees would be allowed to go through the gate.

Others who use the gate would be routed around by the rifle range. Dudley McCary in giving the maintenance report reported that the roof at the care center was apparently repaired and no leaks were reported during the last big rain. The court instructed McCary to have his men use their own vehicles during their lunch break, since no other county vehicles were allowed to be used to go home and back at lunch. McCary raised the question of raises for his crew and himself, but the court refused to discuss it.

Garland Young, Civic Center Director, was authorized to purchase a "Super Pong" (game) for the Youth Center. A lengthy discussion was held on allowing private concerns to use the Civic Center, such as the Dale Carnegie Course, which is now meeting at the center on

Monday nights. It was generally agreed that this was not the purpose of the center, and that the county should not be out any additional expense along these lines.

Motion was made and seconded to place 4-way stop signs on 5th St. at Ave. H and Ave. I, to try to make conditions safer for school children. Measures have been taken through the years to make the street safe, and still danger exists when children are transported to school and picked up.

As the present tin ceiling on the front porch of the courthouse is rusted and in very bad condition, the court voted to have the ceiling plastered.

After a request from ambulance drivers, it was decided to purchase two C.B. radios for the ambulances.

Bids were opened for the new pickup for the Road Department. L-B Motors had the low bid of \$5,630 for a 1-ton Fleetside. The only other bid was from Stuart Motors who quoted \$5,735 for a GMC meeting the same specifications. Dick Kirby was authorized to advertise for bids on three new cars for the Sheriff's Department.

The court voted to hire a dog catcher on a trial basis, to be reviewed monthly by the Court. Pickups should begin around October 1, but success of the operation is in question because of the wording of the dog registration law which was approved by voters in 1944. Needless to say, the running loose dog population has tripled since that time.

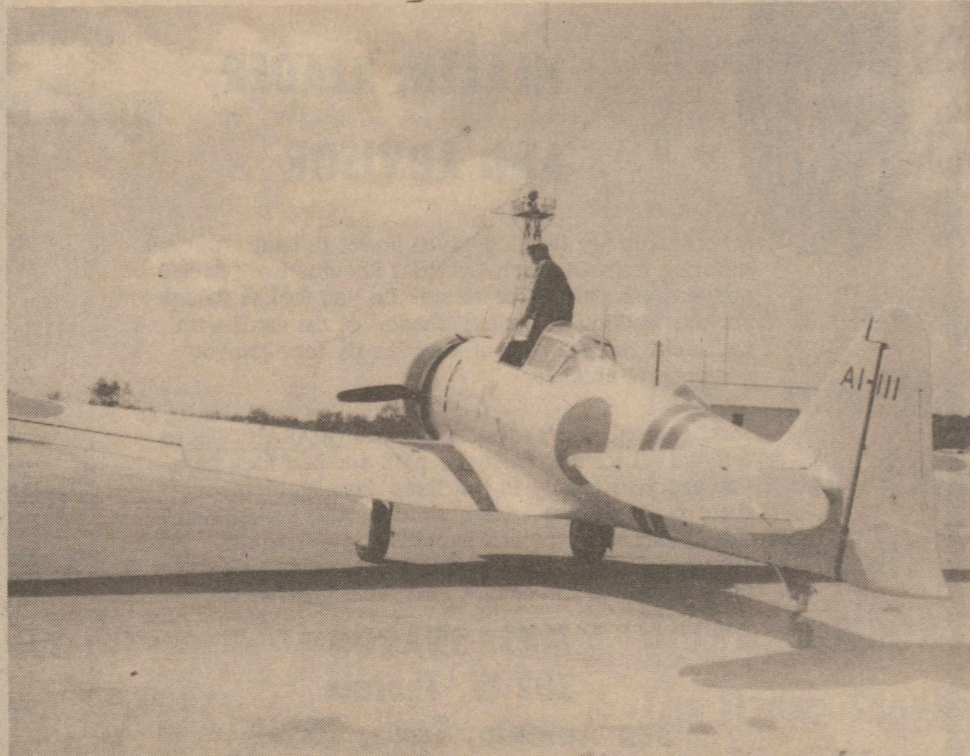

Garland Young, Civic Center Director, was authorized to purchase a "Super Pong" (game) for the Youth Center. A lengthy discussion was held on allowing private concerns to use the Civic Center, such as the Dale Carnegie Course, which is now meeting at the center on

RETIREMENT PARTY honors Mrs. Vivian Cranfill at the Care Center Friday afternoon. Mrs. Cranfill is shown here with Mrs. Elvira Farris, who will replace her as Director of Nurses at the center. Mrs. Farris, a former Ozonan, is a Registered Nurse. The party was a function of the Crockett County Hospital Auxiliary.

ANOTHER SAFE RIP-OFF And it's again B & C Automotive was the victim. The vandals didn't get anything of value, since the safe was empty, but they must have worked half the night pounding the bottom out of this old safe. It was discovered when they opened up Friday morning.

SHADES OF 1941 Zero fighter planes landed at the local airport last week, but there was no need for alarm. four of the planes have been purchased by a branch of the Confederate air force and made a stop in Ozona Thursday.

TEXAS PRESS ASSOCIATION MEMBER 1976

THE ECONOMY: FORD VS. CARTER

As American voters go to the polls on November 2, one of the clearest choices facing them will be between the economic philosophies of Republican Gerald Ford and Democrat Jimmy Carter.

The Democrats, meeting in New York City in mid-summer, included in their platform a plank calling for a reduction of U.S. adult unemployment to 3 per cent within four years.

Humphrey-Hawkins would perhaps go farther than any measure in U.S. history toward subverting a free economy in favor of a government planned economy.

Republican strategists clearly believe that job security rather than the unemployment rate is the dominant economic factor in the minds of most citizens.

William Seidman, White House economic adviser, recently sounded the economic battle cry of the administration this way: "The Democrats advocate increased government spending: we Republicans advocate tax cuts.

Various GOP speakers at that party's convention in Kansas City said the Democratic platform proposals could cost anywhere from \$110 to \$200 billion.

Such huge new federal spending almost certainly would also be highly inflationary.

CRIME: A NATIONAL DISGRACE

The 1975 crime statistics, just released by the Federal Bureau of Investigation, are enough to cause every American to hang his head in shame and to seriously question what is going on in the U.S. Department of Justice in Washington.

The statistics show that the rate of crime increased a shocking nine per cent more than in 1974, and 33 per cent more than in 1970.

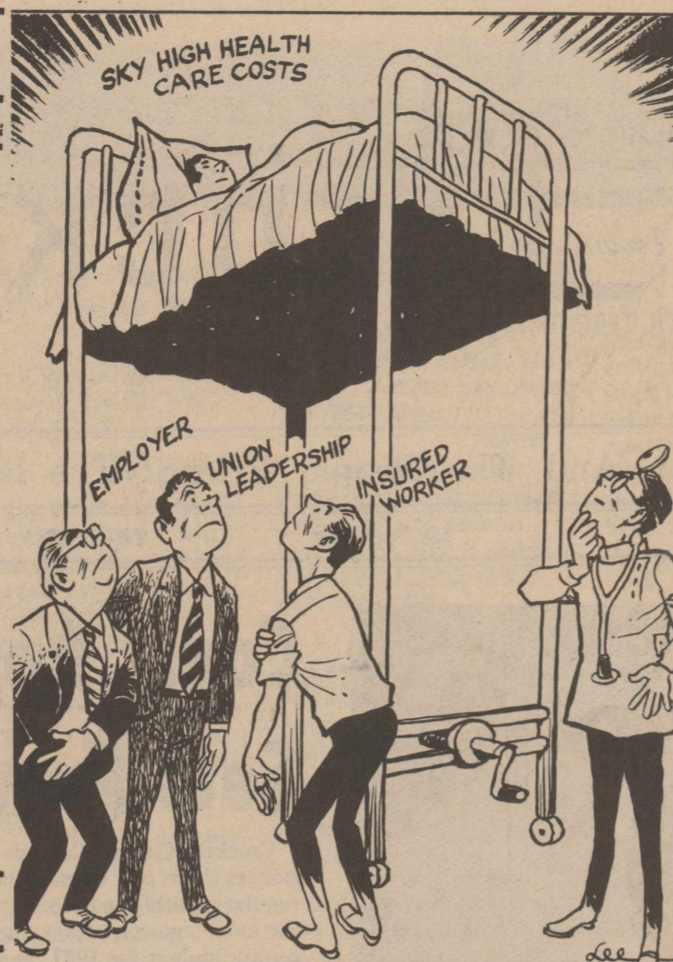

In 1960, newspaper records show, people were deploring the "high rate of crime," and the crime rate stood at 1,887.2 for every 100,000 people.

What has happened to our nation since 1960? The 1975 statistics show that the greatest proportion of crimes were committed by youths; 26 per cent by persons under 18 years of age.

Unfortunately, the voluminous Crime Report of 1975-297 pages of statistical tables, charts, and fine print-gives not the slightest hint as to the answers to these questions.

Millions upon millions of dollars are appropriated by the Congress each year for the Department of Justice. The money is appropriated to provide for the Constitutional guarantees that persons shall be secure in their lives and property.

Millions upon millions of dollars are appropriated by the Congress each year for the Department of Justice. The money is appropriated to provide for the Constitutional guarantees that persons shall be secure in their lives and property.

THE NEWS REEL

A re-run of "The Ozona Story" as gleaned from the files of "The Ozona Stockman"

Thursday, Sept. 18, 1947 The First Baptist Church will honor the teaching staff of the Ozona Schools tonight with a barbecue supper.

Because of overcrowded conditions, a second first grade class has been formed in the local schools.

Most Ozona places of business will close Friday at 3 o'clock for the football game.

The Ozona Music Club met Friday afternoon at the home of Mrs. L.B. Cox, Jr.

Dr. Alice E. Wilmot, Chiropractor, has bought the Troy Williams house and has opened offices in her residence.

Tom Ratliff, mayor of Sonora addressed members of the Ozona Rotary Club Tuesday noon.

Carlton Smith, one of Ozona's young football players, will be playing Center for the San Angelo Rams this season.

Mr. and Mrs. Albert Bailey have returned from a two weeks vacation trip to Colorado.

Ozona's baseball team leaped another hurdle toward the second half championship in the Concho Basin League by defeating San Angelo Dodgers 7 to 1 Sunday.

STATE CAPITAL Highlights AND Sidelights by Lyndell Williams

AUSTIN - That proposed \$298.3 million Southwestern Bell Telephone Company rate increase isn't likely to go into effect until next year, if at all.

The company, under Texas Public Utility Commission rules, had to publish notice in newspapers for four weeks that it plans the raise October 7.

Hearings will be held during the next three months, and the regulatory agency has 125 days after October 7 to act on the rate case.

PUC attorney John Bell already has filed a protest that the rates are "excessive," and has requested that action be suspended during the 125 day period.

Also to be considered at the pre-hearing conference next week is a request by Texas Municipal League to permit city governments to intervene in statewide rate cases over which PUC has original jurisdiction.

Richard J. Hoyer, mayor of Monahans and chairman of TML's Public Utility Council, argues that all essential evidence pertinent to the rate case cannot be developed without interventions by city governments and other interested parties.

Texas state and local governments are becoming increasingly reliant on federal aid, Comptroller Bob Bullock reported in a recent study.

Federal aid is now running about a fourth of all total revenue received by state government.

The study showed more than \$2.2 billion was received by Texas units of government in 1975.

The figure has been increasing about 15 per cent a year, but the increase slowed to 3.5 per cent and 3.4 per cent in 1974 and 1975.

Texas, which ranked fifth in total federal aid among the states, ranks 47th in per capita receipts.

For every dollar Texas contributes in individual federal income taxes to finance federal aid programs, it gets back 82 cents in federal aid, according to Bullock's findings.

Former Texas Gov. John Connally stepped in as head of the President Ford campaign in Texas after turning down national campaign assignments.

Connally said he expects an aggressive effort in the state, and thinks Ford can win by pinning down Democrat nominee Jimmy Carter on the issues.

A Texans for Ford organization also is forming to wage a particular appeal

to independent and conservative Democratic voters.

State Rep. Ray Hutchison of Dallas is expected to be Connally's right-hand man in the state campaign organization.

Governor's Office Education Resources data on school district taxable property values is open to public disclosure, though unedited and not checked for accuracy, Atty. Gen. John Hill held.

In other recent opinions, Hill decided: Board of Mental Health and Mental Retardation does not have power to adopt a policy giving its state-paid physicians authority to carry on private medical practice at MHMR facilities.

Authority given Harris County commissioners to regulate private water company rates was replaced by the Texas Public Utilities Commission.

DEVINE SPIRITUALIST, HEALER, READER, AND ADVISOR Mrs. Sharon has the God-given power to heal. Are you suffering from Cancer? Arthritis? Rheumatism? Back and stomach pain? Lost nature? Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

These cool fall mornings let us know winter is not too far away. Already fall colors are beginning to show on many of the shrubs, trees and vines which are filled with brilliant red and orange berries, especially the pyracanthas, nandinas and others. Also, some of you may be having the pleasure of watching fall fruit ripen and then the picking.

Soon it will be planting time for landscape plants, so start making plans and preparing the holes, flowerbeds and borders.

A few suggestions may help if you have a new yard, or want to improve, or replace old shrubs and trees.

First, consider the space you have, second, the landscape plant material to be used and third, sight and location, plus people and their needs. The view should be attractive from all directions. Gardens developed step by step. Don't try to do it all the first year. Know the relative size of plants when mature. Select well placed accents in your plans.

We have been reminded that there is no right or wrong way for everyone. What is suitable for one family may be entirely wrong for another. Use your own initiative and give it a try. To keep Elaeagnus from becoming large and overgrown, keep the new long shoots that appear cut back at ground level to keep the plant more compact.

If you have conifers they need to be pruned in September. You can improve the plants form or shape, and at the same time remove excess growth that could cause trouble later. Branches that might break because of high winds should be removed. Watch for two limbs that touch one another and rub together, causing bark damage. Remove one of these limbs. On old, large conifers, check for long branches that overhang structures, driveways, or power lines. If they look weak or heavy, remove them so that they will not snap off during a severe storm and cause property damage.

At BROWN FURNITURE we have a new selection of fine carpeting for your home. Many new styles and colors to choose from—all prices include pad and installation.

MISS SHARON BARBEE . . . plans October wedding

Miss Barbee To Marry Mr. Schauer

Mr. and Mrs. J.L. Barbee of Fort Stockton announce the engagement and approaching marriage of their daughter, Sharon Sue, to Mr. Nelson Cody Schauer, son of Mr. and Mrs. Nelson C. Schauer of Comstock.

The wedding will take place October 23 in Fort Stockton. Miss Barbee is a graduate of Ozona High School. She received her B.S. degree from Sul Ross University at Alpine and attended Texas Tech where she worked on her Masters of Education degree. She is presently teaching in the Del Rio School System.

Mr. Schauer is a graduate of Comstock High School and received his B.S. degree from Sul Ross University. He is engaged in the ranching business with his father in Comstock.

PHONE NEWS TO THE STOCKMAN

Debra Says

by Debra Price

All ages need four servings daily from the fruit and vegetable group which contributes minerals and Vitamins A and C. Vitamin A is needed for healthy gums and body tissues, for growth, for normal vision and other conditions of the skin and other body surfaces. A source rich in Vitamin A, such as dark green and deep yellow vegetables and fruits should be eaten every other day. Vitamin C is needed every day for healthy gums and body tissues. A source high in Vitamin C such as citrus or dark-green leafy vegetables should be eaten daily.

The cost should be compared for the different foods and see which is the most economical; for example, dark-green leafy vegetables such as spinach and collards are much alike in food value and are good nutritional buys. Some greens, however, cost less per serving. Usually, fresh produce is cheaper when in season. So buy frozen, dried or canned varieties when these are not in season or are cheaper to buy than fresh produce would be.

When buying frozen fruits and vegetables check the package to insure it has not been opened. Consider the grade or quality for the intended use, and buy no more than can be used at once or stored. Less perfect varieties of frozen or canned fruits and vegetables, such as Grade B mixed vegetables and mixed fruits can be successfully used in casseroles or salad mixtures and are just as nutritious. Pie fruit, water packed or packed in syrup, works well for desserts or salads. Frozen vegetables can be frozen for use in soups or stews.

Economical Fiesta Salad
1 head lettuce
3 tomatoes
1 green bell pepper (optional)
1 onion
1/2 cup stuffed olives
6 ounces grated processed cheese
1 tablespoon hot sauce
8 ounces French dressing
1 1/2 pounds ground beef

After adjournment refreshments were served. Others present were Mmes Jack Bentley, Dennis Clark, Randy Hall, Curtis Keith, Donnie Laughlin, Jimmy Lott, Chuck Morris, Ruben Pena-Alfaro, Charles Spieker, Alex Valverde, Gary Vannoy and Bob Wallace.

Sorority News

The Alpha Alpha Mu Chapter of Beta Sigma Phi met Monday at the Community Center to attend one of the recycling classes presented by Debra Price, H.E. Agent. The class was on various ways to turn an old wardrobe into a new one.

After the recycling class the meeting convened in the home of Mrs. Terry McPherson, who also served as hostess. The meeting was called to order by Mrs. Johnny Myer, president. Yearbooks were passed out by the yearbook committee chairman, Mrs. Walter Spiller. A business meeting followed.

After adjournment refreshments were served. Others present were Mmes Jack Bentley, Dennis Clark, Randy Hall, Curtis Keith, Donnie Laughlin, Jimmy Lott, Chuck Morris, Ruben Pena-Alfaro, Charles Spieker, Alex Valverde, Gary Vannoy and Bob Wallace.

FREE gift wrapping at BROWN FURNITURE CO.

(optional)
1 16-ounce can red kidney beans, drained
1/2 teaspoon salt
1 bag tortilla chips (6 1/2 ounce bag)

In a 3-quart salad bowl, chop the lettuce, two tomatoes, green pepper, onion and olives. Toss with grated cheese and two-thirds of the tortilla chips, crushed. Mix french dressing and hot sauce. Add to salad mixture and toss.

Brown ground beef. Add the drained kidney beans and salt. Cover and simmer for 10 minutes. Remove from heat and add to the salad mixture. Toss lightly. Garnish with the remaining chips and tomato. Serves 8 to 10.

H.D. CLUB MEETS

The Ozona Home Demonstration Club met Thursday morning at the Chamber of Commerce building in the first meeting of the new club year.

The club meets every second and fourth Thursday of the month. All homemakers are welcome. Members present were Mrs. Bill Price, Mrs. R.J. Everett, Jr., Mrs. Dale Burger, Mrs. Glenn Sutton, Mrs. Clayton Robertson, Mrs. Duwain Vinson and Mrs. Maudie Couch.

CHILD FIND

Do you know of a handicapped child between the ages of 3-21—who is not in school?

Texas now provides a free public education for EVERY child.

CHILD FIND is looking for these handicapped children. They may be mentally retarded, learning disabled, emotionally disturbed, or health impaired.

And when we find them, they'll be given services fitting their own personal needs.

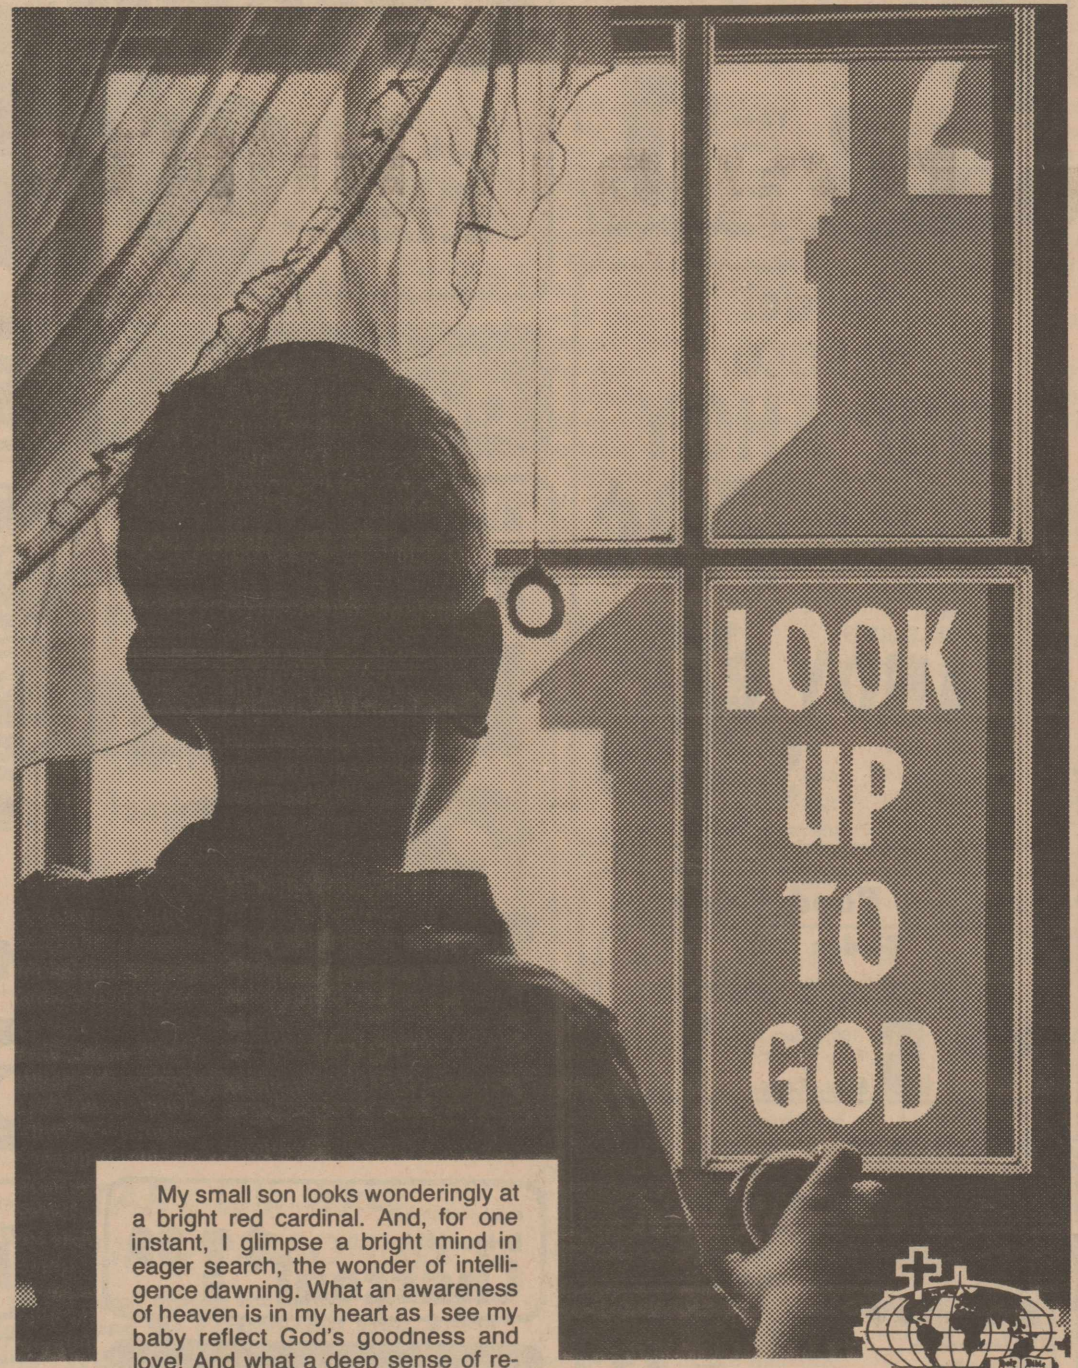

Make the call that makes the difference. Call CHILD FIND. (915) 653-7333, collect.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective October 7, 1976.

It is expected that the requested rate schedule will furnish an 18 percent increase in the company's intrastate gross revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.

My small son looks wonderingly at a bright red cardinal. And, for one instant, I glimpse a bright mind in eager search, the wonder of intelligence dawning. What an awareness of heaven is in my heart as I see my baby reflect God's goodness and love! And what a deep sense of responsibility I feel.

How grateful I am for my church! It has helped me find answers, strengthened my faith. How comforting to be able to guide the religious training of my child as his questions grow in scope and depth!

More than anything else I want to share with him the wealth of love and understanding, joy and strength I have found in the love of God and His Church.

SUMMARY OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

AVISO PUBLICO

RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION

ELECCION GENERAL DEL 2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA (S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Río Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encarecimiento de la calidad de agua y remueve el límite constitucional de la tasa de interés en tales bonos.

La fraseología de la enmienda propuesta tal como aparecerá en la boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; enmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA (H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

RUTH CLASS OF FIRST BAPTIST CHURCH MEETS

The Ruth Class of the First Baptist Church held their first meeting of the fall in the home of Ann Mayfield. A salad supper was served to guests and members. The meeting was held Tuesday, September 7.

President Shirley Halydier called the meeting to order. During the business session the following were elected to fill these offices:

President, Marge Smith; Vice President, Maxine Brown; Secretary and Reporter, Nell Davee; treasurer, Audrey Glynn; Program Chairman, Frances Lanham; Outreach Chairman, Maxine Brown and Virginia Hubbard; Scrapbook Committee, Sandra Childress, Grace Williams and Mozelle Houston; Yearbook Committee, Ann Mayfield, Louetta Beall; Group Captains, Willa Perry, Ruth Dorris and Sandra Childress.

A report was given by Audrey on the prayer room. Everything has been finished and installed. A book will be obtained for the door to hold names of Memorials.

Names were drawn for new prayer partners and Lou Ingram dismissed with prayer.

BOY TO CHILDRESSES

Mr. and Mrs. David Childress of Midland are the parents of a son, born Wednesday, September 8, 1976 at 2:34 a.m. in Midland Memorial Hospital. The baby weighed 5 pounds 14 ounces and has been named David William Childress, Jr.

His grandparents are Mr. and Mrs. Sam Conner of Midland and Mr. and Mrs. John W. Childress of Ozona.

Womans Forum Luncheon At Perry Ranch Opens Year

Twenty-three members of the Ozona Woman's Forum met Saturday for a luncheon at the ranch home of Mrs. Gene Perry. Other hostesses were Mrs. T.J. Bailey, Mrs. James Childress and Bonnie Warth.

Invocation was given by Mrs. James Childress and the welcome address was given by Mrs. Kirby Moore, president. Mrs. L.D. Kirby read the Federation Creed and Mrs. Warth, yearbook chairman, gave a brief summary of the study theme for the coming year, **DOUBLE YOUR THREAD DREAM**. Mrs. T.J. Bailey distributed yearbooks and outlined programs for the year.

Recognition was given to last year's yearbook committee, whose book took first places at both district and state competition. Members of the committee were Mrs. C.O. Walker, Mrs. Charles Black, Mrs. Brock Jones and Mrs. Larry Arledge.

Also, recognition was given to two members who are serving new terms as Heart of Texas District officers. Mrs. T.J. Bailey is serving as first vice president and Bonnie Warth as third vice president.

Plate favors were corn

Packing For Soft Luggage

Organization is the only difference between packing for the increasingly popular softside luggage and traditional packing techniques for hardside luggage, Mrs. Becky Culp, area clothing specialist, says.

"First, pack heavy items such as shoes on the side opposite the carrying handle. Weight should be evenly distributed from side to side for easy carrying and prolonged life of the luggage.

"Next, roll underwear, sleepwear and lingerie and pack toward the center. Fold blouses, shirts and other lightweight garments and place them next to the handle for reduced wrinkling," she advised.

Mrs. Culp is with the Texas Agricultural Extension Service, The Texas A&M University System.

She suggested folding larger garments such as suits and dresses to fit within the width of the luggage. Lay each on top of the bottom layer already packed. Alternate the placement of bulky areas such as collars from side to side, she said.

"For men's luggage with hanging fixtures, fold trousers over the center bar. Fold the coat on the hanger to fit the shape of the luggage.

"Fasten tie tapes securely to prevent shifting that creates unnecessary wrinkles," she reminded.

1775 Army Rations Sufficient Diet

The 1775 Continental Congress defined a ration as the amount of food authorized by the Army for one person for one day.

Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System, offers a bicentennial look at food supplies of 200 years ago.

She said that in 1775, General George Washington and a board of general officers recommended rations to be delivered as thus:

"Corned beef and pork four days a week-salt fish one day-and fresh beef two days.

"As milk cannot be procured during the winter season, the men are to have one pound and a half of beef, or eighteen ounces of pork, per day.

"Half a pint of rice, or a pint of Indian meal, per week.

"One quart of spruce beer per day, or nine gallons of molasses to one hundred men per week.

"Six pounds of candles to one hundred men, per week, for guards.

"Six ounces of butter, or nine ounces of hog's lard, per week.

"Three pints of peas or beans per man, per week, or vegetable equivalent, allowing six shillings per bushel for beans or peas, two and eight pence per bushel for onions, one and four pence per bushel for potatoes and turnips.

"One pound of flour per man each day; hard bread to be dealt out one day in a week, in lieu of flour.

"The above allowance is ordered to be issued by the Commissary-General to all the troops of the United Colonies serving in this Department, until the Honorable Continental Congress, or the Commander-in-Chief thinks proper to alter it."

Milk was not included in the ration because it was not available in the winter of 1775. It was not included in the ration for more than 100 years, Miss Reasonover pointed out.

"Compared with present dietary requirements, the ration provided more calories, twice as much protein and an adequate supply of all minerals and vitamins with the possible exception of vitamins A and C, if all items had been available to the soldier. But this seldom occurred.

"Apparently green and leafy vegetables were absent from the list and potatoes were available as an alternate to dry beans or peas, as were onions and turnips. The diet was largely confined to salted meat or fish and starchy foods except for the spruce beer and molasses," she said.

It had been learned from the Indians that the use of spruce and fir tips, prepared as a tea or as a component of a fermented product, was effective as a preventive of scurvy. This is probably the reason for its inclusion in the ration, the specialist noted.

County Gas And Oil Activity

M. C. Vinson, Midland, will drill the No. 4-2 Shannon as a location east stepout to the current six-well Yates oil area of the Vaughn multipay field of Crockett County, 12 miles northwest of Ozona.

Location is 2,640 feet from the south and 990 feet from the west lines of 2-400-Mrs. Oglesby. Contract depth is 1,200 feet; ground elevation, 2,637 feet.

Amoco Production Co., Odessa, will re-enter and deepen to 11,355 feet at its No. 1-A J. F. and M. E. Sudderth, 10,455-foot wildcat failure for completion attempt as a third Strawn gas producer and a 2 1/2 mile south extension to that pay in the Crockett County portion of the Whitehead multipay gas field, 22 miles southeast of Sonora. It was abandoned Dec. 6, 1975.

Location is 1,020 feet from the south and 1,720 feet from the west lines of 11-G-GC& SF.

The field, opened in Sutton, also produces from the Canyon in that area.

Grayburg-Conglomerate gas production was extended 1/2 mile west on the south side of the Howard Draw multipay field of Crockett County with completion of James L. Lamb, Jr., Midland, No. 1-35 University, 16 miles northwest of Ozona, for a calculated absolute open flow of 1,610,000 cubic feet of gas daily.

Production was natural from open hole at 1,002 feet, where 5 1/2-inch casing was set, and 1,041 feet, total depth.

Earlier operator filed the same potential, but as a producer in the Susita (Grayburg) field.

Location is 467 feet from the north and 2,173 feet from the west lines of 35-30-University.

John W. Walker is recuperating at home this week from surgery performed last week in a San Angelo hospital.

Mr. and Mrs. Bob Rogers of Big Spring were guests of Mr. and Mrs. Tom Montgomery over the weekend.

Time is but the stream of life I go a-fishing in.

T.O.P.S. CLUB MEETS

T.O.P.S. Club 937 met Friday morning at the Chamber of Commerce for its weekly meeting.

Seven members were present and the total loss for the week was five and three fourths pounds. No queen was chosen for the week.

Members held a drawing for secret pals following the business meeting.

The club meets every Friday morning at 9 o'clock in the chamber building and new members are welcome.

OHS Lion Band News

The mighty Ozona Lion Band performed a great performance Friday night on the Ozona Lion football field.

The band gave the Ozona fans a big thrill during the half-time presentation.

The band's fantastic pride, spirit, and enthusiasm is leading the band to exhibiting it's great progressing season.

We need you to come and back the band as **The pride of Lion Country** steps onto the Ozona Lion football field this Friday night against Eldorado to bring to the public a very exciting and rewarding half-time presentation.

There are a great many surprises in store for the public in all of the half-time presentation performed by **The Pride of Lion Country**, the Ozona Lion Band, as we step onto the field. Please come and back the mighty Ozona High School Lion Band!

Cancer Society To Hold First Meet Tonite

Members of the Crockett County Unit Board of the American Cancer Society are reminded that the first meeting for 1976-77 will be held tonight Thurs. at 7 p.m. in the Conference Room of the Ozona United Methodist Church. Interested persons are most welcome to attend as guests.

Mrs. C.F. Dacy of Eldorado, in her capacity as a member of the District Executive Committee, will present the county unit with a certificate of authorization to function in programs of cancer control for another year on behalf of the Texas Division. Mrs. Dacy is also serving as District 4 Special Events Chairman for the Society and has served as president and crusade chairman of the Schleicher County unit since it was first organized. She is the daughter of Mr. and Mrs. M.E. Nicholas of Ozona.

Booster Club To Meet Each Tuesday Nite

The Ozona Lions Football Booster Club will meet each Tuesday evening at the high school auditorium at 7:45. All Lion fans are invited.

Films of the last game will be shown and scouting reports given on the next opponent.

Karen Kirby Is Sweetheart

Karen Kirby, daughter of Mr. and Mrs. Dick Kirby, has been selected Lions Club Sweetheart by members of the Ozona Lions Club.

Karen is a senior at Ozona High. She will represent the local Lions Club at the area and district contests.

THANK YOU
We would like to express our appreciation for the many cards, flowers, visits, food and acts of kindness shown during the loss of our loved one.
May God bless you for your thoughtfulness. Your condolences in our time of grief have been a wonderful help to us.

Retirement Party For Mrs. Cranfill

Mrs. Ed (Vivian) Cranfill was honored with a retirement party Friday afternoon at the Crockett County Care Center at 3 p.m. Mrs. Cranfill retires as director of nurses at the center, where she has held that position since the opening of the center. Previous to that, she worked 14 years in the hospital.

Mrs. Cranfill is being replaced by Mrs. Elvira Farris, for many years an LVN at the hospital here. Mrs. Farris recently moved back to Ozona from San Angelo where she went several years ago and earned her Registered Nurse degree. She has been working in San Angelo.

Mrs. Cranfill and her husband, Ed, who recently retired from West Texas Utilities Co. will move to Clifton where they have a home.

A large crowd of patients and friends were in attendance at the center to honor Mrs. Cranfill. Several homemade cakes, punch and coffee were served and she was presented with some lovely gold flatware from patients and friends and a case for it from Dick and Ethel Henderson, who donated the land for the center as well as for the hospital.
