## Homecoming This Weekend For O.H.S.

Ozona High School homecoming festivities get underway today (Thursday) with a snake dance approximately 30 minutes after the end of the junior high football games. It will make up at the high school and travel to the football field for the annual bonfire and pep rally.

Something new has been added to the activities this year. There will be a homecoming parade featuring floats made by the high school classes and high school organizations. The parade will be only for the high school. It will begin at 4:30 Friday, travel through town and to the Red Apple.

The weekly high school pep rally will be held at 3:10 Friday in the high school gym before the parade. The community is invited.

The crowning of the homecoming queen will highlight the pre-game festivities Friday night to start at 7:30 before the Ozona-Junction football game. Nominees for the queen are Kathy Sewell, Helen Bunger, Karen Kirby, Karen Bebee and Lupe Tambunga. The queen and the nominees will be escorted by Lion football captains.

The annual homecoming dance, sponsored by the student council will be held Saturday at the Civic Center from 8 p.m. until 12 midnight. Tickets will be \$3 per couple and \$1.50 stag. Music will be supplied by the Topics. The homecoming dance is for all Ozona High School Students, graduated Exes, their dates, and the school faculty.

## Fall Clean-up Week Set For October 25th

Fall clean-up week will be held the week of October 15. The Ozona Garden Club in conjunction with the county sponsors the annual event, and home owners are urged to clean up around their premises during this time.

County trucks will be cruising the town throughout the week to pick up rubbish, debris and unwanted items. Property owners are asked to stack trash and other items where it will be in easy access for workers to get the trucks in and make pickups during the day.

## Large Crowd Attends TS&GR Meet Here Wednesday At CC

A large crowd of Texas ranchers were on hand Wednesday, Oct. 6, at the Civic Center for the fall convention of the Texas Sheep and Goat Raisers Association.

Undersecretary of Interior Kent Frizzell was the keynote speaker and when he told some 400 sheep and goat raisers from throughout the state that the Ford Administration planned to increase trappers to catch predators and see that exploration of oil be maintained by private enterprise, he brought the house down.

Frizzell said the federal government's predator control program will be helped next year by an additional 1.3 million dollars in funds and added that plans are to add 457 more trappers in the country.

He said of the recent request by Gov. Dolph Briscoe to allow ranchmen in 31 Texas counties to kill Golden Eagles during lambing time has been investigated and the southwest regional director of the department already has sent a report to Washington. He said the Interior Department is looking at October 16, next Saturday, as the date for notification on whether ranchers will be allowed to ground hunt the eagles during the season.

**HOMECOMING MUMS** - Over 900 arrived at Maxine's Flowers Tuesday to be prepared for the homecoming game with Junction Friday. The senior class was in charge of selling the mums, and they sold a record 875 this year. After flower shop personnel attach the purple and gold

ribbons to the flowers, the seniors will decorate them and deliver to buyers. Getting the giant flowers in some semblance of order are Linda Cain, left, and Pearlitta Morris, flower shop owner.

## Court Regulates Carnivals In Routine Meeting Monday

The Crockett County Commissioners Court met Monday in regular monthly session and for the most part attended to routine business, hearing monthly reports and voting that any carnival wanting to come to Ozona submit a request 30 days in advance.

The action was taken on carnivals after it was observed that the last carnival which was here and used county grounds two weeks ago was rather disreputable and a number of things were missing from various homes in the wake of the carnival. It was decided in the future any carnival wishing to locate on county grounds would have to request permission thirty days in advance in order that they be checked out. They must also be sponsored by a local organization.

Jesse Marley moved and Bill Black seconded that the court ratify its previous action in ordering a census taken, the motion carried. The court feels the census is necessary for the upcoming court hearing on precinct lines which will take place after the first of the year, date yet to be set.

All members of the court attended the federal court hearing in Lubbock Oct. 4, and some discussion on the outcome was held. Since the temporary restraining order was refused, the court noted that the general election will be held November 2, as scheduled.

## Revival Set For Ozona Ch. Of Christ

The Church of Christ in Ozona will conduct a gospel meeting, beginning Sunday, October 17 through Friday, October 22.

Sunday the services will be at 10:45 and 6:00. During the week - Monday through Friday - the services will be at 7:30 each evening. All of the services will be broadcast over the local television system on channel three.

Charles Hodge, minister of the Rosemont Church of Christ in Fort Worth, will be the guest evangelist. Mr. Hodge is an outstanding evangelist, having served several congregations throughout Texas. He has served the Rosemont congregation since 1960. He is also the author of several books: Will God Run? My God and Prayer, My Preacher. He has conducted gospel meetings in more than twenty states and was the keynote speaker at the Abilene Christian University lectureship in 1969.

In the preface of one of his books he is described like this: He's a fantastic man-a down-on-the-farm, unorthodox, warm, lovable, brilliant preacher. He's a man of God, in love with His church and His people, wanting to help. He speaks from a point of unquestioned strength-namely, he practices what he preaches.

The entire community is invited to attend this meeting and to hear the Biblical lessons that this outstanding evangelist will preach.

scheduled.

The court certified election judges for the election. Evert White will be election judge for box 1, Lib Applewhite for box 2, Steve Kenley in box 3, Felice Gutierrez for box 4, Nancy Hale in box 5, and Bill Couch in Box 6. Bud Hoover will be judge of the absentee box.

The court approved monthly bills and received reports from the various county boards. The low bid of \$1,524 for new drapes for the Civic Center auditorium was accepted. The court also set the week of October 25 as fall clean up week.

Specifications were discussed for three new cars for the Sheriff's Department and the auditor was instructed to prepare bid sheets for interested car dealers to submit bids on at the November meeting.

Judge Troy Williams indicated that there had been considerable interest in property belonging to the county and located just south of the underpass on Hwy. 163. Following an on-site inspection, Bill Black and Jack Williams were appointed to contact some expert in city planning or shopping center planning to assist and make recommendations how to divide the property in order that it will bring top dollar when it goes up for bid in the near future.

The court inspected and approved the new plaster ceiling on the front porch of the courthouse. Judge Williams reported that the Animal Control man is on the job and that seventeen stray dogs were disposed of in September. However, since the dog tags have not been received, he said no date can be set for enforcing dog leash laws.

## Bank & P.O. Observe Columbus Day

Columbus Day was observed Monday by the bank and the post office, both of which were closed.

It was business as usual in the rest of the Ozona business community, as it was not one of the holidays recognized in this area of the country.

## Six Wins In Row-

# Lions Remain Undefeated As Homecoming Comes Up

After downing the Alpine Bucks 12-7 Friday night in Alpine, the Ozona Lions remain the only undefeated team in District 7-AA and will go into the homecoming game with Junction with six wins under their belts and an undefeated record for the season. Coming from 38th in the state rated class AA football polls, the Lions were ranked 10th in the state in

polls this week. Spirit will be high and the Lions will be picked to win over the Junction Eagles Friday night. Game time is 8 p.m. following homecoming pre-game ceremonies which begin at 7:30, during which time the 1976 football queen will be crowned. Several activities have been planned for the weekend with many already in progress (see Homecoming story).

The end of the third quarter, Gary Warren dove one yard for the touchdown to put the Lions in the lead. The two point conversion again failed, but the Lions won the 6th straight victory by a score of 12-7.

The leading rushers for the game were Moody with 129 yards, Vaden Aldridge with 70 yards, and Warren with 63 yards.

Because of a shoulder injury, Aldridge was absent from the two preceding games, but returned this week against Alpine to become the second leading rusher for the game.

Outstanding defensive players were Clyde Bailey with 16 tackles, the most in one game by any Lion so far this season, Mike Fay with 8 tackles.

Coach Sewell said the Lions showed tremendous team effort.

As to the Homecoming game with Junction this week, Coach Sewell said they have a tremendous passing game, and the Lions will have to watch this very closely. One reason for this is that over half of the points scored against Ozona so far have been scored through passes or because of interceptions against Ozona.

## Dr. Carlisle Buried Thurs. In Waco

Funeral services for Dr. M.C. Carlisle, 74, father of Dr. Don Carlisle of Ozona, were held Thursday afternoon at 4 o'clock in Wilkerson-Hatch Funeral Home Chapel with burial in Memorial Lawn Cemetery in Waco.

Dr. Carlisle died late Tuesday afternoon in a Waco Hospital after a short illness.

Dr. Carlisle has been a prominent Waco physician for the past 44 years.

Survivors besides his son include his wife, Hallie Fox Carlisle of Waco; and three grandchildren.

Dr. and Mrs. Carlisle and Chris returned to their home in Ozona Sunday night. Dr. Carlisle's plans to attend a Family Practice seminar in Denver for two weeks were cancelled, and the clinic is open for regular hours.

## 2 Charged In Burglary Of Watsons Store

Two Louisiana men were arrested and charged with the burglary of Watson's Department Store late last week when Sheriff Billy Mills became suspicious of a prisoner who was in jail on a traffic violation charge.

David Lynn Watts and Buddy McGoïn Watts, 19 and 20 respectively, were arrested and bond was set at \$5,000 for each. They were also charged with possession of marijuana and one, for carrying a prohibited weapon.

One of the men was in jail for traffic violation when Sheriff Mills noticed he was in possession of a brand new hat. He made an evasive answer when Sheriff Mills asked where he got the hat.

On closer inspection, Sheriff Mills found that the hat was stamped with Watson's Department Store, although the name had been partially scratched out. When the half-brother arrived later the same morning, Sheriff Mills asked where their vehicle was and was informed it was parked behind the bank.

After a search warrant was obtained, officers recovered almost everything taken from the department store robbery late Sunday or early Monday, some of the items Watson was unaware had been taken.

## Another .42 Inch Of Rain Falls Here

Ozona received another .42 of an inch of rainfall Friday morning as a seasonal front moved through the area dropping temperatures and bringing light frost to some parts of town.

The rainfall brought the October total to 2.42 inches and put rangelands in good shape going into the winter. After unseasonably cool weather following the front, temperatures rose and warm afternoons dominated at mid-week. However, another front was in the Texas Panhandle and was due to arrive in this area late Wednesday.

Mr. and Mrs. R.A. Harrell returned to their home here Sunday late after a three-weeks tour of Japan and Hawaii.

## New Deputy Sheriff Hired For County

DEPUTY WAYNE WAHL

Sheriff Billy Mills hired a new Chief Deputy for Crockett County last week, and he and his wife, Maurine, have moved here from Dallas.

The new chief is Wayne Wahl, 30, a native of Stephenville, and a graduate of Angelo State University. He moved here from Dallas where he was on the City of Dallas police force.

## Grand Jury Issues Report On Gang Fight Investigation

Judge Charles Sherill, 112th District Judge from Fort Stockton, impaneled the Crockett County Grand Jury, October 6, for the express purpose of investigating the gang fight which erupted between Mexican-American and Anglo youths Saturday night, Oct. 2, in downtown Ozona.

Subpoenaed to testify before the jury were T.J. Hill, Carla Cockell, John Mark St. Clair, Bobby Large (an employee of Stuart Motor Co. who was beaten so badly he required hospitalization), Johnny Hohertz, Greg Stuart, Mike Fay, Mariano Mas-kill, Lalo Garza, James Mahaffey, Paula Mahannah, Debra Falkner, Jennifer Nichol, Lecelle Hayes, Stanley Flanagan, Richard Cardona, Armando Robledo, Armando Reyes, Gene Castro and Dub O'Bryant.

The Grand Jury heard evidence concerning disturbances and fights in and adjacent to the downtown park which occurred on Saturday night, Oct. 2. The jury also heard evidence of the use of marijuana and abusive use of alcohol among the youth of Ozona.

In its preliminary report,

the Grand Jury recommended the prosecution of all persons involved in the disturbances, both Mexican-American and Anglo, for the offense of riot. It recommended that one person be prosecuted for disorderly conduct as well. It recommended that such prosecutions be instituted in the Justice of the Peace Court and that probation be considered in the cases. It did not recommend prosecution of anyone for assault.

The Grand Jury further reported that it will meet in the near future to make other recommendations regarding law enforcement, alcohol and drug abuse and various other matters. It also requested that any citizen having evidence in connection with these matters refer same to the District Attorney in order that it can be brought to the attention of the Grand Jury.

J.C. Schroeder was foreman of the Grand Jury, Wanda Dews, secretary, and other members were Jerry Hayes, Bekie Diaz, Garland Young, Dale Bebee, Aurora Najjar, Ray Boykin, Joe Galvan, Wyna Boyd, Joe De La Rosa, and Jimmy Dunn.

WORLD POLL SHOWS U.S. BLESSINGS

A remarkable poll which, for the first time, measures attitudes of about two-thirds of the world's people, some 2.6 billion of them, was recently released in Washington, D.C. Conducted by Dr. George Gallup and funded by the Charles F. Kettering Foundation, the poll illustrates again why the United States, among relatively few of the world's nations, is blessed indeed.

Testing before the Senate Foreign Relations Committee on the poll's results, which encompass a whopping 16 volumes, Gallup said one-hour interviews were conducted with 10,000 persons at every social level in more than 70 countries. They were asked 100 questions during the two and one-half year project.

"Nearly half of the people of the world are engaged in an unending struggle for survival," Gallup told the Senators. "Only in the advanced industrial states of the western world can the inhabitants engage in anything akin to a 'pursuit of happiness.' In the planning stages of this global survey, it was hoped that somewhere in the world a nation would be found whose people are poor but happy. We didn't find such a place."

Among poll results cited by Gallup were these: At every income level, individuals in every region of the world surveyed were most concerned with: the ability of their country to overcome inflation and a high cost of living with unemployment, and with shortages of daily necessities, including food.

Almost one in four of those interviewed in Latin America would like to emigrate, with the U.S. their first choice.

Persons surveyed in Third World countries believe their condition will improve with time, however bad it is. People in South America and Africa, in fact, are relatively more optimistic about the future than those in advanced industrial nations.

There is a message in this Gallup Poll for all Americans. It is: our citizens are very fortunate. The economic and political systems that have met so many of their material, psychological, and spiritual needs deserve revering and defending - not knocking.

THEN AND NOW

The opening of the public school term this year has been marked by an unprecedented number of "teachers' strikes" throughout the land. Many public schools have remained closed, with students wandering the streets, while teachers were out on strike. The big issue - as pointed out by America's Future of New Rochelle, New York - is "money, always more money, especially 'federal' money...more pay and benefits, smaller classes, etc.," which is being pushed by the powerful nationwide lobby known as the National Education Association.

However, according to statistics released by the NEA itself early in 1976, it was reported that in the past school year, public school pupils in the U.S.A. committed 100 murders, 12,000 armed robberies, 9,000 rapes, 270,000 school burglaries, and caused \$600,000,000.00 (that's right, six hundred million dollars) in damage and destruction to school property.

And, of course, we are all familiar (or should be) with the continuing reports of students being graduated from twelve years of public education not knowing how to read, how to write, or how to solve commonplace mathematical problems.

So much for today. Now let's take a look at yesterday. Dean Manion (of the Manion Forum, South Bend, Indiana) called the following to our attention:

"...Teachers shall exert their best endeavors to impress on the minds of youth committed to their care, the principles of piety and justice, a sacred regard for truth, love of their country, sobriety, industry, frugality, chastity, moderation, temperance and those other virtues that are the basis upon which a republican constitution is founded and which tend to preserve a republican constitution and secure the blessings of liberty."

And where did Dean Manion find the above? On the books of the Massachusetts General Laws, Chapter 71 - a law passed in 1789, and which is still on the books of the State of Massachusetts today.

If our country is again to become the great and wonderful land it once was, the stipulation should be nailed to the door of every classroom in our land, to be read in full every day. If we would do that, then this newspaper would put money on the line that our present crime rate would start a rapid and precipitous decline and scholastic achievement would climb. The idea that we can make better people by spending more dollars is and has always been a stupid idea.

OWNERS OF AMERICAN BUSINESS

STATE CAPITAL Highlights AND Sidelights by Lyndell Williams TEXAN PRESS ASSOCIATION

AUSTIN — The general election campaign is in full swing in Texas.

President Ford, his Democratic opponent Jimmy Carter, and Carter's vice presidential running mate, Sen. Walter Mondale, were all Texas visitors during the last week. They will be back, and Mondale and GOP vice presidential nominee Sen. Robert Dole, scheduled their October 15 debate in Houston.

Polls purportedly show Ford closing the gap on Carter, though Democrats claim they are still ahead and plan to stay there with help from all major statewide Democratic officials and organizations in most of the 254 counties.

Former Gov. John Connally is leading the Ford state organization. Gov. Dolph Briscoe is head of Carter's statewide steering committee, while Land Commissioner Bob Armstrong and State Democratic Chairman Calvin Guest are campaign co-chairmen. Doug Lewis and Peter O'Donnell Jr. aid Connally in the Ford Committee's Austin headquarters.

U.S. Sen. Lloyd Bentsen is challenged by U.S. Rep. Alan Steelman, a Dallas Republican, but Steelman has been having serious money problems which he said may keep him from meeting his advertising budget and which already has forced a staff reduction.

Steelman is attacking Bentsen for sponsoring "tax loopholes" which he claims benefitted special interests who contributed substantially to the senator's campaign. He also contends Bentsen ignored his Senate campaign promises to Texans when he was a Democratic presidential candidate.

Bentsen assails Steelman for absenteeism from the House during his campaign and criticizes the Republican's record on such issues as land use planning legislation.

Democrat Jon Newton and Republican Walter Wendlandt are warming up their Railroad Commission race.

Controversial Democratic State Supreme Court nominee Don Yarbrough has two write-in opponents — Sam Houston of Denton and Tom Lorange of Houston.

**Sale Profitable**  
The School Land Board's oil and gas lease sale last week brought \$35.3 million to the Permanent School Fund, second highest total in history.

Land Commissioner Bob Armstrong said the average price per acre was \$124.90, a new record.

A total of 373 tracts were leased — or 282,723 acres. Cities Service Company submitted the highest bid — \$3.1 million — on a Gulf of Mexico tract. Next highest bid was from Mesa Petroleum Company, for \$2.53 million. Five bids of more than \$1 million were offered, but two were on the

same tract. Armstrong said interest in the oil and gas leases exceeded expectations and demonstrated that bidders can be attracted while maintaining environmental standards.

**Report Sought**  
House Speaker Bill Clayton called for a full report from the Coordinating Board, Texas College and University System on cost of off-campus college courses.

Clayton expressed surprise at discovering that 4,000 such courses are being taught at graduate, senior and junior levels and 2,000 at sophomore and freshman levels.

The economy-minded Speaker conceded some off-campus courses may be necessary, but said the programs appear to have "proliferated beyond reason."

"I want the Legislative Budget Board to see if we can't make self-supporting the courses that are taught," said Clayton. "The people who have the courses brought to them should be willing to pay for them."

Clayton said he is conducting a poll of college and university administrators to get advice on how the courses can be funded.

**Court Speaks**  
The U.S. Supreme Court refused to rehear arguments on constitutionality of the Texas death penalty law, but no early executions are anticipated.

Atty. Gen. John Hill said executions will be delayed for six months to two years.

The Supreme Court affirmed the death penalty assessed a 27-year-old man for the killing of a 10-year-old Cuero girl and throwing her body in a river.

Applications for a stay of execution and efforts to launch a new appeal on some basis other than constitutionality of the death penalty are anticipated, said Hill, who defended the state law in the initial appellate process.

The State Supreme Court turned down the appeal of a schoolboy who claimed Harris County school hair length regulations should apply to girls as well as to boys.

The high court also rejected an effort to force a local election on sale of alcoholic beverages in Abilene.

The Supreme Court found the state's 10 per cent tax on mixed drinks constitutional and not discriminatory.

**AG Opinions**  
Atty. Gen. John Hill ruled that state agencies cannot legally pay overtime to employees during the Jan. 1, 1975-June 24, 1976, period when the U.S. Supreme Court was mulling constitutionality of an act requiring states to pay overtime. The court finally ruled the federal requirement unconstitutional.

Debra Says

by Debra Price

Salvaging last year's wardrobe can be "crisis time". When zippers don't zip and buttons don't button, it is time to examine why those extra calories turned to waistline instead of energy.

Ask yourself these questions. Why didn't I balance my calorie intake with my energy output?

Did I snack while I watched the children swim?

Was I the last one at the party to quit munching on snacks?

Did I eat that last piece of pie instead of freezing it for another day?

Why did I cook all those scrumptious desserts during the summer while the kids were home from school? Why didn't I have fresh fruit or low-calorie desserts for some meals?

Breakfast is easy to fix why did I skip it, then overeat the rest of the day?

Did I jump in the car and ride places to which I could have walked just as easily?

Why did I take that extra drink that was loaded with calories?

Answers to these questions give clues to why high-calorie foods were stored in the form of body fat.

Plan meals and snacks around the basic four groups of food. Foods eaten in recommended amounts will furnish about 1,200 calories daily. Check with the doctor to determine how many pounds to lose. Determine the number of calories needed daily. Then control the amount of foods eaten to assure calorie control.

QUICK SALAD IDEAS

Hearty Bartlett Salad: Arrange pear wedges on crisp lettuce with rolled slices of roast beef or ham. Mix 1/2 pint dairy sour cream, 1/4 tsp. seasoned salt and 2 tsp. horseradish. Dollop on salads; top with green olive.

Peach Salad Waikiki: Mix 1/2 cup drained, crushed pineapple with 1/2 cup each shredded coconut, cottage cheese, dairy sour cream. Chill. Serve over fresh peach halves on crisp lettuce.

Plums 'n Cheese-On bed of lettuce, arrange 3 fresh plum halves. Fill each center with cream cheese ball rolled in chopped nuts. Serve with French dressing or plain yogurt thinned with honey.

Nectarine Salad Sundae: Arrange wedges of unpeeled fresh nectarine petal-fashion in sherbert glasses. Fill centers with scoops of cottage cheese; top with maraschino cherries or chopped nuts. Serve with tart French dressing.

Cheese-Filled Pears-Combine one 8 oz. carton cottage cheese with 2 tablespoons crumbled bleu cheese. Halve and core 2 fresh pears. Set each half on bed of crisp lettuce. Fill with cheese; serve with mayonnaise thinned with orange juice.

Law Enforcement Is Topic For Womans Forum Meeting

Mrs. Brock Jones, former Crockett County Judge, presented a program on crime prevention at the meeting of the Ozona Woman's Forum last week in the home of Mrs. Dempster Jones. Mrs. James Baggett was assisting hostess. Nineteen members of the club were present for refreshments and a business meeting before Mrs. Jones presented the program.

Mrs. Jones discussed the crime prevention program inaugurated by the General Federation of Womens Clubs during the 1976-77 year. In addition to distributing pamphlets and packets provided by the Crockett County Sheriff's Department and the San Angelo Police Department, Mrs. Jones stressed the individual citizen's personal involvement as the first step to reducing the nation's rising crime rate.

Mrs. Lu Buckmaster of Chicago, Illinois was a special guest of the Forum.

Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

Many of us do not fully enjoy the beautiful and gracious fall season. Now that we have had another bountiful rain over our country it should be the most colorful for several years.

This array of bright foliage and the many fall flowers is the time to learn which of our brilliant native and other plants you may want in your landscape. Make notes as soon as they are at their peak because the colors fade rapidly.

For your lawn, apply a complete fertilizer to the lawn in early October at the rate of 15 to 20 pounds of 8-8-8 or equivalent per 1000 sq. feet of area. Both cool-season and warm season grasses will benefit; the cool season grasses are in active growth and the warm season grasses will be better prepared for the winter dormant season.

Some have asked if clematis should be pruned each year. It depends on the type of clematis you are growing. Those that bloom on old wood need only dead or diseased wood removed. Types that bloom on wood of the current season may be cut back in the spring before new growth begins.

If your fig trees are not producing a crop, the root system may be infested with nematodes. Treat with a nematocide, available from a garden supply store. Carefully follow all label precautions for its application.

Tuberous begonias with roselike flowers should be dug and stored over the winter or place potted plants inside where they won't freeze.

Sorority News

The Alpha Alpha Mu Chapter of Beta Sigma Phi met Monday, October 11, in the home of Mrs. Charles Spieker, who served as hostess.

Following the opening ritual the meeting was called to order by Mrs. Johnny Meyer, president. Roll was called and the minutes of the previous meeting were read and approved. A business meeting followed. The Get-Acquainted Party was held Thursday, October 7.

The programs were presented by Mrs. Randy Clark on "Literature-Prose", and Mrs. Charles Spieker on "Drama".

After the closing ritual, refreshments were served.

Others present included Mmes Eddie Hale, Curtis Keith, Donnie Laughlin, Jimmy Lott, Terry McPherson, Chuck Morris, Ruben Pena-Alfaro, Walter Spiller, Alex Valverde, and Nancy Vannoy.

T.O.P.S. CLUB MEETS

The weekly meeting of T.O.P.S. Club, 937 was called to order Friday morning at 9:00, October 8, in the Chamber of Commerce building. There were ten members present. The total loss for the week was seven pounds. Queen of the week was Debbie Atkins.

The site for the T.O.P.S. Coffee Break will be the old carnival grounds south on highway 163. It will be on Wednesday, October 20.

Garden Club Has Ranch Outing Mon.

The Ozona Garden Club met Monday in the ranch home of Mrs. Ralph Jones. Assisting hostess was Mrs. Tommy Conner. The club convened at 1:30 p.m.

Plans for the District VIII Fall meeting in Ozona November 4, with the Iraan and Big Lake Garden Clubs as co-hostesses were discussed. A called meeting will be held Oct. 28, at 9:30 a.m. for members of each club in the home of Mrs. Bob Childress.

Mrs. Glenn Sutton announced that the annual "Autumn Garden Market" featuring bulbs and pot plants, will be held again this year. The annual sale helps in financing the club's civic activities.

Mrs. Richard Mayfield presented the arrangement of the day and Mrs. Ben Bohmfalk gave the program on growing African violets. A 15 minute garden clinic followed with questions and answers.

Others who enjoyed the beautiful fall day and drive in the country were Mrs. George Bean, Mrs. Fleet Coates, Mrs. Maggie Crawford, Mrs. L.B. Cox, Jr., Mrs. J.W. Howell, Mrs. Ginger Lenamon, Mrs. Bailey Post, Mrs. J.C. Schroeder, Mrs. Max Schneemann, Mrs. Stephen Perner and Mrs. James Montgomery. Guests included Mrs. L.D. Long, Mrs. Hazel Barrow, Mrs. S.M. A NATION'S GREATNESS

During this Bicentennial year, we remember especially the covered wagon—and the days when vast stretches of fertile farming land and rich mining country lured the pioneers across our western plains.

Packed in these lumbering vehicles were camping materials, stores of food and medicines, clothing and tools and weapons, for danger lurked everywhere. These were the rugged people who settled our West, and bore the torch of civilization across plain and mountain to the Pacific.

But the covered wagons carried something besides the pioneers and their material belongings westward. They carried the faith of a great people, and they planted it in every village and settlement.

Faith is the foundation on which the West was built—and the East had been built before it. Faith in God and the right, in people and work and prayer... this is the true source of a nation's greatness.

Every church spire pointing heavenward blazens the secret of our country's strength.

### Feedlot Managers Need To Prepare Yards For Winter

Feedlot managers should begin getting feedyards in shape for long winter months of poor drying potential, advises an agricultural engineer in waste management. "Recent experience has shown that feeders who enter a wet winter with an inventory of surface manure and stored runoff may find cattle belly-deep in 'shud' and their runoff holding ponds overflowing by spring. When warm weather does return, all the ingredients are present for maximum odor production and a delayed spring 'manure harvest,'" points out Dr. John Sweeten with the Texas Agricultural Extension Service.

He suggests that feedlot managers do some maintenance now while cattle numbers are down and drying conditions are favorable: Collect surface manure frequently to reduce the volume of moisture-absorbent, highly erosive manure on hand.

Leave an undisturbed manure pack about 2 inches thick to decrease water infiltration and absorption, provide firm footing and reduce surface drying time.

Remove manure from fencelines and cattle alleys to promote drainage, minimize manure-absorbed moisture and reduce sediment transport.

Backfill potholes and surface depressions gouged by cattle and machines.

In pens with problem drainage, construct long, low, broad mounds for cattle resting, preferably between water trough and feed bunk aprons unless this blocks drainage.

Empty runoff holding ponds by land disposal of stored effluent. Evapotranspiration rates are five to six times higher now (early fall) than at midwinter.

Provide separate collection of spilled drinking water from overflow watering systems to dry out runoff holding ponds.

Remove sediment from drainage channels, settling basins and runoff holding

ponds. Truck and loader access ramps can be built to the bottom of retention ponds to facilitate cleanout. Maintain farmer demand for manure by keeping the price low enough to compete with commercial fertilizer. Hence, a delivered price of \$3 to \$3.50 per ton appears to be near the saturation point in most areas but still covers manure handling costs.

"Cattle feedlot managers can no doubt extend this list of maintenance operations using their own experiences," notes Sweeten. "In short, the basic principle for winter preparation of feedlots is to keep a minimum quantity of manure and wastewater on hand."

### Pack Extra Box When Moving

When packing to move, don't forget an "instant aid" box of items for immediate need at the new home, Mrs. Lillian Chenoweth, a family resource management specialist, says.

She is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Package each group of items in a large paper bag and label clearly."

Include such items as these:

Cleaning: soap, dish towels, paper towels and dish cloths or old rags. For the Kitchen: paper plates, cups, napkins, plastic eating utensils, coffee and a coffee pot. Bathroom: toilet tissue, towels, soap, first-aid kit. Miscellaneous: several light bulbs, flashlight, hammer, screwdriver, pliers, shelf paper, trash bags, familiar items for children.

Stand behind our man for equal justice. Vote for Jim Goss as the next Crockett County Sheriff on a write in ticket this November.

### McKinney-Jenkins Vows Said

Miss Mary Lorraine McKinney and Michael Jenkins were married during a ceremony Friday in the home of the bride's parents, Mr. and Mrs. R.L. McKinney, in Big Lake. Rev. Monte Mills, pastor of First Baptist Church in Big Lake officiated.

Parents of the bridegroom are Mrs. W.F. Blackburn of Big Lake and T.H. Jenkins of Ozona.

Honor attendants were Cheryl McKinney, sister of the bride, of San Angelo, and Ricky Crawford of Ozona.

A reception followed the ceremony at the McKinney home.

The bride is a graduate of Reagan County High School and attended Angelo State University. The bridegroom is a graduate of Ozona High School and served in the U.S. Navy for three years.

The couple will live in Big Lake following a short wedding trip.

### Services To Be Offered In Crockett Co.

Beginning October 20th a variety of social service agencies will implement a common service schedule in Crockett County.

Effective that date, representatives of the following agencies will begin a schedule of being in Crockett County the third Wednesday of every month.

Social Security Department of Public Welfare Adult Social Services Department of Public Welfare Child Social Services Department of Public Welfare Financial Services Department of Public Welfare Medical Services Texas Rehabilitation Commission

The Social Security representative will be located at County Commissioner's Courtroom.

Due to scheduling problems the Department of Public Welfare Food Stamps representative will be located at County Library on October 4th.

Representatives of the other identified services will also be in the community on the 3rd Wednesday of each month. Arrangements for appointments with them can be made by contacting Mrs. Sandy Bebee at 392-2021 who has agreed to serve as a liaison between Crockett County and those agencies.

## A 'THANK YOU' FOR PAST SUPPORT AND A PLEA FOR YOUR VOTE IN THE GENERAL ELECTION

I AM DEEPLY GRATEFUL FOR THE SUPPORT I RECEIVED IN THE SUMMER PRIMARIES IN MY BID FOR RE-ELECTION TO THE OFFICE OF SHERIFF OF CROCKETT COUNTY. BY YOUR SUPPORT YOU CHOSE ME OVER A WORTHY OPPONENT WHO CONDUCTED A CLEAN CAMPAIGN.

WHILE NOMINATION IN THE DEMOCRATIC PRIMARIES IS USUALLY CONSIDERED TANTAMOUNT TO ELECTION, OPPOSITION HAS DEVELOPED VIA THE WRITE-IN ROUTE TO MY RE-ELECTION IN THE NOVEMBER 2 GENERAL ELECTION. A FORMER DEPUTY ON MY FORCE HAS ANNOUNCED HIS CANDIDACY AND IS MAKING A VOCIFEROUS CAMPAIGN FOR WRITE-IN VOTES.

I FEEL CONFIDENT THAT YOU, THE VOTERS OF CROCKETT COUNTY, WILL CONTINUE TO SUPPORT ME IN SUFFICIENT NUMBERS TO ASSURE MY RE-ELECTION IN NOVEMBER. BUT I WOULD LIKE TO WARN YOU TO BE SURE AND CHECK THE SQUARE BEFORE MY NAME ON THE GENERAL ELECTION BALLOT. IF YOU VOTE A STRAIGHT DEMOCRATIC BALLOT, THEN YOU CHECK THE PARTY SQUARE AND YOUR VOTE WILL COUNT FOR EVERY NOMINEE IN THAT COLUMN. BUT IF YOU VOTE FOR INDIVIDUALS IN THE VARIOUS COLUMNS BE SURE AND CHECK YOUR VOTE FOR BILLY MILLS. OTHERWISE, I MAY LOSE YOUR VOTE BY DEFAULT. HERE'S HOW YOUR BALLOT SHOULD BE MARKED:

FOR SHERIFF, CROCKETT COUNTY:

BILLY MILLS

AGAIN MY THANKS FOR YOUR LIBERAL SUPPORT IN THE PAST AND FOR YOUR CONTINUED SUPPORT IN THE COMING ELECTION.

**BILLY MILLS**  
Sheriff, Crockett County

### Cancer Society Reports On '76 Receipts

The Crockett County Unit of the American Cancer Society has just received final reports on Education and Crusade for the year 1975-76.

In fund raising, the county unit reached 73% of its best year; however, it reached 481% of the Texas Division goal, ranking fourth per capita in the state. Mrs. Tony Allen was Crusade Chairman. The county has received an "Award of Merit". Amount raised was \$6,896.00

In public education, the county received the highest award known as "The Life Guard Award" and was one of 23 units (from the over 300 in the state) to achieve this all-time high in public education of youth and adults of the community. Mrs. M.E. Nicholas was chairman.

Officers for the current year are Mrs. M.E. Nicholas, president; Rev. Ben H. Bohmfalk, vice-president; Steve Sessom, D.D.S., secretary; Bud Meinecke, treasurer. The committee chairmen are: Mrs. Dwight Childress, Education; David Blanton, M.D., medical; Mrs. Randy Upham, crusade; Mrs. Charles Williams, service and rehabilitation; and Mrs. Mike Miller, public information.

New members joining the unit board are Arthur Kyle, Mrs. Jerry Hill, and Mrs. Miller.
