## Miss Everett To Attend 4-H Congress

Regina Everett, daughter of Mr. and Mrs. R.J. Everett, Jr. will represent Crockett County at the 55th National 4-H Congress which gets under way in Chicago Nov. 28. She will be one of 42 of Texas' top 4-H club members to take part in the gala event.

The Texas delegation will be among 1,600 4-H'ers from throughout the nation who have been winners at the state, regional and national level in 4-H projects and activities supervised by the Co-operative Extension Service.

"The Texas group is one of the largest ever to attend National 4-H Congress," according to George McArthur, 4-H and youth specialist with the Texas Agricultural Extension Service. "They represent all areas of the state and reflect a high quality of leadership of which we can all be proud. Each one has worked hard to win the right to attend the Congress and for many it is a dream come true," McArthur added.

Miss Everett will be one of the Texas delegation to participate in an orientation session at the Holiday Inn near the Dallas-Fort Worth Airport Nov. 26 and will fly to Chicago the next day.

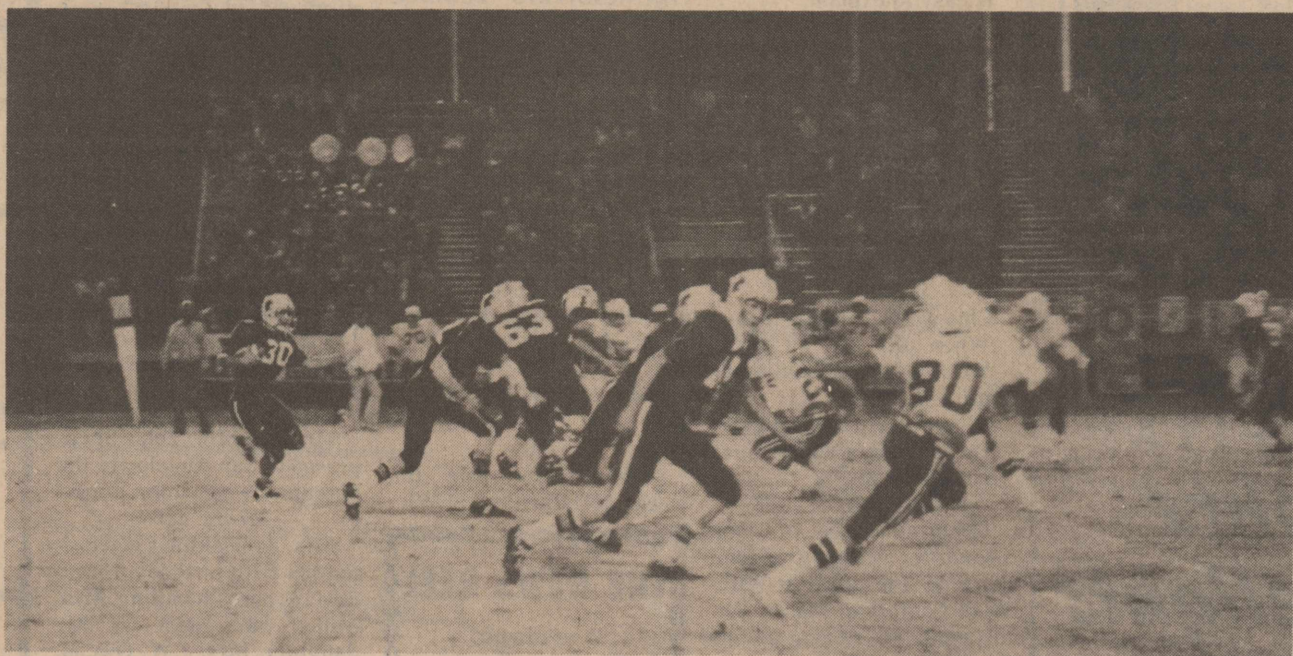

## Lions To Meet Post In Odessa

The undefeated Ozona Lions will meet the Post Antelopes in Barrett Stadium Friday night for the regional football play-off. Kick-off time is 8 p.m.

Tickets for the game are on sale at the Ozona High School Superintendent's office. Tickets will not be available Thursday but may be purchased until 2 p.m. Friday. All tickets are general admission with the advance tickets \$2.50 for adults and \$3 at the gate, and students \$1.50 advance and \$2 at the gate.

Ozona football fans who are unable to attend the game may listen live on channel 3 television. Richard Whitworth, who is opening a radio station in Ozona, will handle the local transmission. Oscar Kost will hook up the facilities at the Odessa stadium and Gene Hood will give the play by play details, assisted by Tom Montgomery.

The Lions gained the play-off berth by way of an undefeated season, having won 12 games without a loss. They easily won district 7-AA, winning the district undefeated for the first team to do so in over 20 years. The Lions pounded the Alpine Bucks 24-7. Friday night in Fort Stockton for the Bi-District Championship.

DRIVING FOR ANOTHER TOUCHDOWN in Fort Stockton Friday night are the powerful Ozona Lions. After a rather lackluster first half, the Lions came back to destroy the Alpine Bucks to the tune of 24-7 with a large crowd of Ozona fans cheering them on.

## First Crockett County Pecan Show Termed Success

The first Crockett County Pecan Show was held at the Ozona Civic Center November 18 and 19.

The R.A. Harrells exhibited the Grand and Reserve Champion pecan entries. The Grand was a Western variety and was Champion Shelling and the Reserve was the Champion In-Shell variety. For their efforts they won two pecan wood trophies and \$75.00 in cash.

The Runner Up was exhibited by Mrs. E.H. Chandler, a San Saba improved which received \$15.00 prize money.

The Champion Native was exhibited by Malene Lott. The pecans were processed and judged on Thursday and the Food Entries were judged Friday afternoon.

A total of 70 pecan entries were in the show sponsored by the Crockett County Program Building Committee. E.J. Harrison, County Agent-Ward County and Dr. Ken Lindsey, Area Agronomist from Fort Stockton, were the judges for the show. The pecans were processed for judging by a committee made up of the following: Alena Faye Hokit, Bill Black, Bob Childress, Coon Chandler, Jim Leech, Pete Jacoby, and Nancy Hale.

## Work Begins On Section Of I-10 Here

Work has begun on the next section of I.H. 10 in Crockett County, according to State Department of Highways and Public Transportation (DHT) District Engineer D.R. Watson of San Angelo.

The 5.17 mile section of highway from Bachler Hill to 17.4 miles west of Ozona will be constructed by J.H. Strain and Sons, Inc. of Tye, Texas at a cost of \$3,758,660. Supervising Resident Engineer William F. Dixon of Ozona will be in charge of the project for the DHT.

James Strain, representing the contractor, said the major work they will be doing from now until January, 1977 will be building fences and some drilling of the areas to be excavated.

Any change in routing traffic will be adequately marked and signed to protect the travelling public as well as the construction work.

"The fine cooperation of the public during our construction projects is appreciated," said District Engineer Watson.

Squirrel's Delight Variety. The food entries were judged Friday morning. Judges in the food division were Barbara Slaughter and Eleanor Garner of Sheffield and Lolabeth Jones, Susan Weaver, and Cleone Taylor of Sonora.

Grand Champion of the food division was Susie Black with an Italian Cream Cake. Reserve Champion was Patti Coates entering a Butter-scotch Pecan Pie. Jan Patterson was announced runner-up with White Pralines.

## Bullock To Ask For Tax Relief

Comptroller Bob Bullock announced Thursday that he will ask the Legislature in January to grant Texans some state inheritance tax relief by increasing exemptions for surviving spouses to \$100,000 and for surviving children, grandchildren or parents to \$50,000 each. Bullock estimated the proposal would exempt an additional 18,000 beneficiaries per year from the basic state inheritance tax. If enacted into law, it would mean 77.7 percent of all beneficiaries would be totally exempt from state inheritance tax, he said.

The Comptroller said current law provides an exemption of only \$25,000 for all Class A beneficiaries-surviving spouses, children, grandchildren and parents. "That law was written in 1923 and hasn't been changed since," said Bullock. "A \$25,000 estate back then would have been sizable. Today it would be considered modest."

Because the dollar is worth so much less today, Bullock explained, "the state inheritance tax has become particularly burdensome to farmers and ranchers."

## Local ACS Unit Board Meeting

The Postal Service today advanced its suggested Christmas mailing deadlines for domestic parcels and letter mail to December 3 and 10, respectively, in anticipation of an exceptionally high mail volume.

Citing the impact of greatly increased mail volumes generated by the 15-state United Parcel Service strike in the East and South, and its residual effect on other parts of the country, the Postal Service said it is compelled to ask the public to mail even earlier than normal.

Parcel volume has already more than doubled in the strike area and is up significantly nationwide, and letter mail is also on the rise, the Postal Service said. It said most of the increase, to date, has been from large volume business mailers. For example, the Service said it is working closely with shippers of perishable goods to handle millions of gift packages normally moved by other shippers.

As Christmas nears, however, more and more of the mail will be from the general public, deposited at neighborhood post offices, on top of the already unprecedented business mail volume, the Postal Service said.

As a result, the Service said, while priority will be given to letter mail, many postal installations normally dedicated to letter mail may have to be used to prevent an unmanageable backlog of parcels.

Therefore, the Postal Service said, it strongly urges the public to deposit their parcels by December 3 and their letters and greetings cards by December 10 to assure delivery by Christmas.

It asked that customers mail as early as possible, use proper packaging, and properly address and ZIP Code their mail.

## Pam Young Places In Wool Contest

Pam Young, daughter of Mr. and Mrs. Garland Young won second place in the District 5 and 6 Make-It-Yourself-With-Wool Contest held in the Mason High School auditorium Saturday.

Girls representing 14 of the 16 counties included in the districts modeled original apparel made exclusively of woolen fabrics. Pam's garment was a medium blue coat featuring top stitching and tie belt.

Lucy Perner, daughter of Mr. and Mrs. Sam Perner was a contestant in the Junior division. She modeled a black and white reversible coat.

**CORRECTION.** The swine flu clinic will be held November 30, not November 20 as stated in last week's headline.

## Regional Playoff Fri.-

# Lions Down Alpine 24-7 For Bi-Dist. Championship

By - Brian Gries

The Ozona Lions became Bi-District champs last Friday by defeating Alpine 24-7 in Fort Stockton. This week, the Lions will travel to Odessa and meet Post to play for the Regional title.

The first score in the game came with 48 seconds left in the first quarter when Gary

Warren found daylight and dashed 80 yards for a touchdown. John Galvan tackled on the PAT to give the Lions a 7-0 lead. This drive took 47 seconds and two plays and covered 82 yards.

Alpine was the next to score. Midway through the second quarter, the Alpine quarterback connected with his end for a ten yard touchdown. The point after was good, and the half ended in a 7-7 tie.

The Lions were not upset by the score, and seemed much more ready than the Bucks for the second half of play.

Late in the third quarter, Galvan was called upon for a field goal. His 23 yard kick proved to be true. The drive took 14 plays and six minutes and seven seconds. The Lions now had a 10-7 lead.

Early in the fourth quarter, Warren made a two yard dive through the Bucks' defensive line for 6 points. Galvan added the extra point again to make it 17-7 Lions. This drive took 4 1/2 minutes and 12 plays and covered 68 yards.

With only 59 seconds left in the game, Clyde Bailey crashed through two yards of Bucks for a touchdown. Galvan added the PAT once more. This drive took one minute 16 seconds, 3 plays

and covered 18 yards. The Lions became the Bi-District Champs with a 24-7 victory over the Alpine Bucks.

Leading rushers for the Lions were Warren with 164 yards, Vaden Aldridge with 44 yards, and Blake Moody with 40 yards.

Outstanding defensive players were Bailey with 11 tackles, Mike Fay with 10 tackles, Ricky DeHoyos with 7 tackles and 2 sacks, and Sterling Lay with 8 tackles.

Coach Sewell said that Post is similar to Ozona; they like to control the ball on offense with 3 good running backs, and they have a very good defense. The Lions would appreciate any and all support from Lion fans.

The stats came out in favor of the Lions, as usual. The Lions had 16 first downs to the Bucks' 11, Ozona had 268 yards rushing and no passing yards to Alpine's 163 rushing and 10 yards passing for a total of 173 yards. The Lions attempted three passes and completed none, while the Bucks attempted 7 and completed one. Ozona punted 3 times for an average of 45.3 yards, and Alpine punted 5 times for an average of 31.6 yards. Ozona sustained 6 penalties for 60 yards while Alpine received 8 penalties for 75 yards. Neither team had any fumbles.

## Local Officers Apprehend Six Felons In Crime Spree

The Crockett County Sheriff's Department, along with some other area officers spent most of last weekend working around the clock.

The net result by Friday was six felony arrests, most of whom were awaiting action of the District Attorney in Crockett County Jail.

The crime spree started early last Wednesday when deputy sheriff Harvey Hill picked up two men in a stolen car and a check of merchandise amounting to around \$2,000 proved to be stolen from Junction. The two men were jailed and released to Junction authorities later in the day.

Later the same day a burglary at the self service gas station west of Ozona on Hwy. 290, sent local officers in search of a man on foot who had pilfered around \$50 worth of merchandise at the station. The suspect was found under a bridge on 290 and was arrested and placed in jail.

Again on the 17th, around noon, sheriff's deputies apprehended a suspect driving a stolen car from Colorado.

The arrest was made between Ozona and Sonora on I-10. The suspect is being held in Crockett County Jail for Colorado authorities.

An all-day manhunt Thursday, Nov. 18, resulted in the arrest of three Louisiana men for automobile theft. The three men were being closed in on by local deputies and state officials when the stolen car from Louisiana was spotted. Running short of gas, the fugitives attempted to steal another car near Lancaster Hill. The owner of the car, a hunter, took a shot at them and they wrecked the car. They then jumped into the first car and took off west at high speed. One of the men was arrested by an Iraan trooper when he jumped from the vehicle. Roadblocks were set up throughout the area, but the men managed to allude all attempts at capture and were finally picked up near Monahans. Chief Deputy Wayne Wahl said he had no idea how the pair managed to get by the various roadblocks, but they were in Crockett County Jail by nightfall.

PECAN SHOW WINNERS pose with the champions after the first Annual Crockett County Pecan Show Friday at the Civic Center. From left to right, Mrs. E.H. Chandler, runner up; Mr. and Mrs. R.A. Harrell, Grand Champion and Reserve Champion pecan of show; Mrs. Jimmy Lott, champion native pecan, and Mrs. Floyd Hokit, show chairman.

OZONA FFA JR. CHAPTER wins first place in conducting team competition in the Concho District Leadership Contest held last Wednesday in Wall. Team members are, l. to r., front row, R.J. Everett III and Jeffrey Young. Back row Jody Naron, Chad Buie, Wade Beasley, Gregg Perry and Bobby Maness.

AMERICANS SOW SEEDS OF HOPE

As America heads into its third century, opinion surveys indicate there is a healthy degree of optimism among its citizens.

Potomac Associates, a Washington-based research organization, for example, has just issued results of such a survey in a booklet entitled "America's Hopes and Fears - 1976." Survey information was gathered earlier this year for Potomac Associates by the Gallup Poll.

Respondents to the survey were asked to rate their personal lives - past, present, and future - on a scale of 1 to 10, with 10 being the best possible life for them. The average respondent rated his life currently at 6.7, five years ago at 5.7, and estimated that five years from now it will be at 7.7 on the scale. In other words, most citizens believe their life today is better than it was five years ago, and that it will get better yet in the coming years.

Citizens, however, were more restrained in a similar rating of their country. They said it stands today at 5.5 on the scale, was 6.0 five years ago, and will be at 6.1 five years from now. "The anticipated gain," notes Potomac Associates, "is only great enough to bring the nation back essentially to where it was five years ago. Over a ten-year period, in other words, no net improvement is expected by Americans."

At any rate, while Americans feel we have lost ground in recent years, they also believe the country will improve. "The persistent and deep contrast (between hopes for themselves and hopes for their country) suggests a people not fully at peace with themselves. Individual citizens feel their lives are not in harmony with the national life. This condition cries out for leadership."

Will President-elect Jimmy Carter provide that leadership? Only time can tell.

THE GUN CONTROL MESS

"The right of the people to keep and bear arms shall not be infringed." (U.S. Constitution)

Thousands of folks move or travel from one State to another during the course of the year; and many thousands carry with them, as a matter of course, their family firearms, whether hunting rifles, shotguns, handguns or souvenirs. Most people, we venture to say, don't give the matter a second thought; they simply toss the gun into the car, or pack it with other household goods to be transported by the mover, and take off.

Very few probably realize that in so doing, if they have travelled through only a very few States, they have violated unpeened various and sundry laws relating to so-called "gun control."

One cautious fellow recently wrote to news columnist Joe McLaughlin, who monitors a readers' inquiry feature for the Boston Herald American. The letter read: "Dear Joe: I have a rifle permit and rifle that I intend taking cross-country with me in my car. Can you tell me which States allow it, and which States do not allow you to carry a rifle through their territory?"

McLaughlin, who usually finds a quick answer to every question tossed his way, came back with a reply which said, in effect, "No way!"

"It would," he reported, "take a month of Sundays in research and correspondence." What he did find was that other than the Constitutional guarantee, there apparently is no specific Federal law or permit which allows a person to take his personal firearms into or through other States. McLaughlin further found that there exists a maze of laws, including Federal, State and local, which restrict, prohibit, restrain, regulate or otherwise control moving a gun from one place to another. There is, he found, a 347 page book on the subject which is available from the U.S. Government Printing office (Washington, D.C. 20402, \$2.90 a copy).

As a matter of actual practice, who in the world bothers to take "a month of Sundays" and a Philadelphia lawyer to wade through the vast maze of restrictions, requirements, and fine print relating to transporting firearms? The fact is that millions of Americans move or travel every year without doing so. More than that, State and local law enforcement officials, wisely recognizing that "strict construction of the law" is unreasonable if not impossible, simply close their eyes or look the other way. If they didn't from 50 to 80 percent of the individuals who move or travel across state lines during the year would be placed under arrest, if a gun is among their possessions.

The solution to the "gun problem" is to register criminals, not guns; and to enact laws everywhere which declare without equivocation that any person who uses a gun in the commission of a crime automatically goes to jail, with no ifs, ands, buts, or loopholes.

AUSTIN — Texas oil supplies are decreasing, and the Railroad Commission is sending out the alarm.

The commission last week, for the first time in more than four years, reduced the statewide production allowable — from 100 per cent to 99 per cent.

Although the cut is small, it is designed to get big results by gaining Washington's attention.

About 40 per cent of U.S. crude oil is produced in Texas.

In 1975, the total for the state came to 1.2 billion barrels, but outflow is off 26 million barrels in 1976.

"Whether this will be good, bad or indifferent, I think it's time that the people in Washington begin to realize that the capacity of Texas to continue to produce crude oil and natural gas with the declining incentives to do so is having a diminishing effect upon our natural resources in Texas," said Railroad Commissioner Jim Langdon.

Commissioner Mack Wallace said new steps must be taken to alert the nation to "the very severe problem that continuously approaches us without any activity on the part of the congress to alleviate the problem."

The change in the allowable will lower estimated crude oil production only about 7,500 barrels a day — to 3,124,500 barrels.

Commissioners stated the production trim would save oil for possible emergency use.

The East Texas Field again was restricted to 86 per cent production.

Primary Boosted Legislation to revive and extend an altered version of a presidential preference primary in Texas has been prefiled in the House of Representatives.

The bill by Reps. Sarah Weddington of Austin, Luther Jones of El Paso and Lance Lalor of Houston would establish a proportional primary system. Delegates would be selected by state political party conventions in proportion to the state wide popular vote (for candidates receiving more than six per cent of the total).

State Democratic Executive Committee is expected to come up with its own version of primary legislation after a special committee study.

Bell Rests Case Southwestern Bell Telephone Company rested its case before Texas Public Utility Commission for a \$298.3 million hike in its Texas rates.

The P.U.C. staff, meanwhile, came up with its own alternative proposal which would give Bell about a sixth of what it asked — \$49.76 million.

Bell is continuing to cross-examine opposition witnesses. After concluding summaries, the commission is expected to reach a decision — possibly by mid-December.

Cities Get \$13.2 Millions The 640 Texas cities levying sales taxes get checks totalling \$13.2 million as their November rebate on collections.

A total of \$252.2 million has been received by the cities to date this year. This represents a 13 per cent increase, or about \$28.5 million over 1975.

November rebate checks ranged from \$501 for Springtown to more than \$2.5 million for Houston.

Courts Speak Texas Supreme Court held constitutional a new state law regulating mobile home sale and manufacture and requiring performance bonds.

The high court decided a San Antonio mother delayed too long a lawsuit for \$1 million in damages due to alleged brain damage suffered by her infant daughter in an operation.

Court of Criminal Appeals reversed a marijuana conviction on grounds Houston police had no right to stop the driver of a car because it had out-of-county license tags and was moving slowly.

The same court reversed a 99-year prison sentence of an Ector County woman for heroin possession due to improper argument to the jury by the prosecutor.

AG Opinions Atty. Gen. John Hill emphasized the 55 miles per hour Texas highway speed limit is constitutional and can be validly enforced.

In other recent opinions, Hill concluded: City election records must be made public immediately.

Examination reports of the Department of Banking concerning loans made to individuals are exempted from public disclosure.

The Board of Nursing Examiners is authorized to accredit specialty programs in nursing offered by colleges and universities.

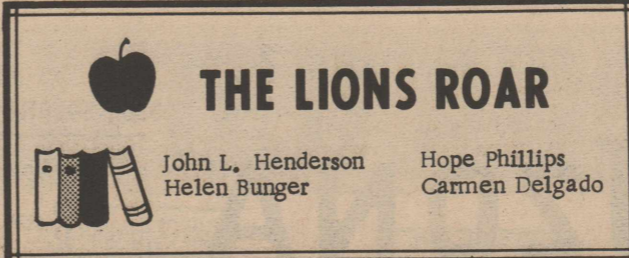

The Department of Labor and Standards is not authorized to conduct "shop survey" of boiler manufacturers and to charge a fee for the checks.

Feedlot owners or operators who fatten cattle for others are not covered by the Texas Commercial Feed Control Act of 1957 requiring registration of brands and labeling of containers.

Livestock and poultry are not "farm products" and thus are not exempt from taxation. Family supplies for home and farm use as defined by the constitution means consumable articles reasonably necessary for day-to-day use in the farm or home.

**Tips For Gardeners**

From the Ozona Garden Club by Mrs. Bailey Post

As the days grow shorter in November and December the importance of timely gardening chores increases. The coolness and moisture offer gardeners the opportunity to plant hardy ornamentals, trees, shrubs, bulbs, perennials and even some hardy annuals.

Our state Garden Club Chairman reminds us of "Why Plant Texas?" Why plant trees?

1. To fight pollution: Trees take carbon dioxide out of the air and give us oxygen to breathe. Much research is being done to identify trees that are tolerant of different types of air pollution, as well as those that actually possess chemical weapons to fight back at pollution.

2. For valuable Shields: They protect areas from manufacturing districts or in greenbelts along high ways. On highway medians, they make driving safer at night by cutting down on the glare of on-coming headlights.

3. To Increase Property Values: It has been proven that a well-landscaped lot can increase the value of a bare lot with a house up to 47%. Another startling fact is that a tree costing \$50 can become worth \$500 in less than 5 years with loving care. A new homeowner should be cautioned to buy healthy trees (beware of sales) with at least a one year guarantee. It will be money well spent.

4. To Air-Condition: In the summer and heat in the winter, strategically placed evergreen trees around the home will cut the cost for cooling and heating depending on the time of year.

5. To Provide Food for people, birds and animals: Why not plant the Texas

pecan for nuts? A peach tree will give you double pleasure with blooms as well as shade and fruit.

6. To Create Beauty for you, your family and friends. To give pleasure to every living thing now and for generations to come.

**Why Plant Shrubs?**  
1. As a Natural Screen: Shrubs mature faster than trees. They will be dense in a few years to obliterate what ever lies behind and mature enough to bear blossoms and fruit in profusion.

2. For a Sound Barrier: Shrubs are excellent for drowning out the noise from the street, air-conditioning unit or tower, or just passing vehicles.

3. To Deter Pollutants: They make wonderful dust catchers that would otherwise enter the house.

4. For Beauty with Versatility: They provide a long flowering season with a variety of color; can be used as a low ornamental hedge or a background for annuals and perennials; a nesting place for birds and protection for birds.

**Why Plant Flowers?** To give beauty in decorating home, Church or exhibiting in a Flower Show, to name only a few uses.

**Why Plant Energy Gardens?** To produce foods helping the budget and providing more vitamins. Raising your own fruits and vegetables can be a family affair.

**Why Plant Dwarf Trees, Shrubs and Plants?** To conserve space. In this field there are many new varieties on the market.

**Why Plant Wildflowers?** To share beauty with others. Wildflowers are our greatest natural assets transforming Texas into a fairland of color in the spring.

Plant Texas-It is a matter of Life and Beauty.

**Debra Says**  
by Debra Price

If the fruits of your hunter's labor are too many to cook at once, freezing is a good method of preserving them. This is the season for various game birds, such as ducks, quail, geese, dove, turkey, pheasant, rail and woodcock. Also, small game such as squirrels, rabbits, opossum and raccoons can be frozen for later use.

First step is to thoroughly clean them and cool before freezing. Wrap each bird or animal individually in a moisture-vapor-proof freezing paper, using the drugstore method. For this wrapping method, place the game in the center of the paper. Bring the two sides of the paper evenly together at the top. Make a drugstore fold by turning the paper down toward the meat in a one-half inch fold. Continue folding tightly and snugly against the meat. Press the fold flat against the meat and make a double fold in each end of the wrapping. Fold these ends under the package to make a tighter wrap, fold the ends over and seal with freezer tape.

Label all packages with the cut of meat and the date. The same procedure should be used in wrapping big game, such as venison. Freeze small game immediately after packaging. Keep the meat at 0 degrees F. or lower until it is used. Quality meat, correctly wrapped in moisture-vapor-proof freezing paper will keep frozen at this temperature from six months to a year, except for the organ meats such as heart and liver, which should be used within six months. When thawing game, do so in the refrigerator. Allow five hours thawing time per pound.

**Roasted Wild Turkey**  
1 turkey, 8-10 lbs. ready-to-cook

salt and pepper  
8 cups partially dry bread cubes  
¼ cup finely chopped celery  
2 to 3 teaspoons sage  
1 teaspoon salt  
¼ teaspoon pepper  
1½ cups chopped onion  
½ cup chopped walnuts  
¼ cup water  
¼ cup butter or marg.  
Bacon slices and cheese-cloth

Sprinkle turkey inside and out with salt and pepper. Combine bread, celery walnuts and seasonings. Cook onion in butter or margarine until tender, but not brown; pour over bread mixture. Add the water and toss lightly. Spoon stuffing lightly into body cavity. Put remaining dressing in a greased casserole. Cover and bake in oven with turkey during last 30 minutes of roasting time. Truss bird. Cover breast with bacon slices and cheesecloth soaked in melted bacon fat. Place turkey, breast up, on rack on roasting pan. Roast at 325 degrees for 20 to 25 minutes per pound or until tender, basting frequently with bacon fat and drippings in pan. Remove cheesecloth, skewers and string. Serves 8 to 10.

**T.O.P.S. CLUB MEETS**

The weekly meeting of T.O.P.S. Club 937 was held Friday morning at the Chamber of Commerce Building.

There were eleven members present with a total loss of ten pounds for two weeks. Queen of last week was Oleta Reed and this week's queen was Connie Baker.

The two T.O.P.S. Clubs in Ozona are challenging for the month of December to see which club has a greater pound loss. The losers will host a salad supper for the winners.

Jane Woodall, Joyce Rood and Linda Escamilla are new members this week.

It was decided there would be no meeting November 26 and that secret pals would be revealed December 3.

**Basic Rights**

The Pilgrims came to America for more than land. They risked their lives and possessions to gain the right to worship freely and to live democratically. On these basic principles—liberty and equality—America was founded.

The Pilgrims left us another heritage—thanksgiving. Newly arrived in this alien land, they gave thanks to the benevolent God who guided them across the sea and who would sustain them through their first harrowing years in America.

The meaning of those early days is sometimes lost to us today in affluent America. We may forget that this prosperity is not entirely the product of our own labors, but is also the result of the beneficence of God.

Let us then celebrate our good fortune—in church and at home. Let us give thanks!

# CLOSED THANKSGIVING DAY

We feel that we should close on Thanksgiving Day because this Nation should take at least one day a year to be thankful to God for the many Blessings we have had since the first Thanksgiving Day that our Forefathers observed. Also we want to give our employees a day to celebrate with their families.

Thank you

**Home Tour Scheduled In Sonora**

The Sonora Womans Club will sponsor a benefit home tour of the James Hunt home in Sonora, Sunday, December 5, from 4 until 8 p.m. Tickets are \$2 per person and Ozonans may purchase tickets from Ozona Ticket

Chairman, Mrs. Bob Childress. Tickets will also be available at the door. The home tour is to benefit the Sonora Womans Club Library which is supported solely by the club. The Hunt home will be decorated in typical Williamsburg Christmas decor and Early American Christmas goodies will be served, with the ladies conducting the tour wearing costumes of that period.

**Boxing Team Organizing**

The Ozona Boxing team will begin workouts Wednesday evening November 24, at 7 p.m. at the G.I. Hall. Any youngster interested in boxing may contact Coy Tambunga at 392-2100, for further information. Coaches and assistant coaches this year will be Santiago Ybarra, Coy Tambunga, David Sewell and R.B. Babbitt. The team will participate in a boxing tournament in Coleman December 11.

**Miss Davis And Mr. Bailey Wed In Seymour Ceremony**

In a candlelight ceremony Saturday evening at the First Baptist Church, Seymour, Texas, Miss Paula Annette Davis and James Robert Bailey, Jr. were united in marriage. Dr. Jerry Lemon, pastor, officiated in a setting of spiral candelabrams, scarlet gladiolus, red-rover mums, and garlands of green foliage.

Parents of the couple are Mr. and Mrs. Nolan Davis, Jr. of Seymour, Texas and Mr. and Mrs. James Robert Bailey of Ozona. The bride, presented in marriage by her father, wore a formal gown in candlelight satin. The fitted bodice with deep yoke of English net and lace had a high crown collar and long fitted sleeves. The lace and net was repeated on the sleeves. The gored skirt with back fullness was edged in lace and fell into a Chapel train. Her Camelot Cap of net and lace held a double veil of English illusion. Applique of lace enhanced the long veil and the finger-tip veil was edged in lace. The bride's bouquet was a Cattleya orchid surrounded by white gladiolus.

Miss Donna Hammonree of Archer City was maid of honor. She wore a long dress of silk chiffon in scarlet. The Empire bodice with halter neckline had a flowing at-

MRS. JAMES ROBERT BAILEY, JR. ....nee Paula Davis

tached bertha and the skirt was A-line with back fullness. She carried a bouquet of red carnations and red-rover mums. Bridesmaids were Misses Jane Vivion of Victoria, Sheryl Schneemann of Big Lake, Sally Bailey of Lubbock, Mrs. Nannette Scott of McAllen, sisters of the groom, Mrs. Phil Davis, of Seymour and Mrs. Gary Davis of Baton Rouge, La., sisters-in-law of the bride. Their gowns and bouquets were identical to the maid of honor. Mark Tillman of Ozona was best man. Groomsman were Charles Childress, Fred Chandler of Ozona, Emery Birdwell of Palo Pinto, Johnny Jones Eldorado, Ike Good of Portales, New Mexico, and Phil Davis of Seymour, brother of the bride. Ushers for the wedding were Gary Davis of Baton Rouge, La., brother of the bride, Wayne Cure, Larry Cure, and Charles Hall of Seymour. Ring bearer was Shane Hammonree of Midland and flower girl was Cori Jo Scott of McAllen.

Musical selections for the wedding were sung by Janie Miller of Seymour with Mrs. L.B. Cox III of Ozona as organist, Mrs. William Hugh Breland presided at the register in the Church foyer. The bride graduated from Seymour High School. She attended Tarleton State University and Texas Tech. She will complete her college work at San Angelo State University. She was Miss Lake Kemp, Miss Red River Rodeo, Miss Rodeo Texas, a member of the DST Social Club, Rodeo Club, and Women in Communication. The groom is a graduate of Ozona High School and Texas Tech. He was on the Board of Directors of Texas Tech Rodeo Association. He was a participant in the College National Finals Rodeo. He is presently engaged in ranching in Ozona.

The bride's parents were hosts for a reception and dance following the ceremony at the Seymour Country Club. Music for the dance was by Mike Porter and Group of Lubbock. Presiding at the cordial punch bowl in the foyer of the Country Club was Alice Ruth Cooper. In the Ladies Club Room

the bride's table was covered with a floor length candlelight satin cloth with swags of net tulle attached at the corners with scarlet carnations and red-rover mums. The bride's cake was a four tier wedding cake. The ivory candlelight icing was encrusted with twin sprays of autumn hues of coral red, ivory yellow, and moss green flowers. A golden pineapple punch was served in brass and copper appointments. The centerpiece was a candelabra encircled with scarlet carnations and red-rover mums. Presiding at the bride's table were Tracy Weatherly of Victoria and Ruth Ann Elliott of Seymour. The groom's table was covered with a floor length moss green linen cloth. The center piece was of western decor with flowers matching those on the bride's table. The groom's cake was German Chocolate encrusted with marzipan fruit and flowers. Coffee was served in brass appointment. Presiding at the table was Lida

Tillman, Ann Tillman, and Christy Davidson of Ozona. Stemmed red satin roses filled with rice were passed to the guests in white baskets by Stacy Jackson, Beck Woods, and Lisa Belcher. The couple will be at home in Ozona, Texas after a wedding trip to Las Vegas, Nevada. Mr. and Mrs. James Robert Bailey entertained Friday evening with a Rehearsal Dinner and Dance at the Seymour VFW Hall. The bridal couple was honored with the following pre-nuptial parties: Dinner and Roping in Ozona by Mr. and Mrs. Charles Davidson III, Mr. and Mrs. Frank Tillman and Mark; Bachelor Party for the groom in Ozona; a tea honoring the couple was in the home of Mrs. John A. Young of Seymour.

### Forum Meets At Henderson Home Tues.

Mrs. John Henderson III and Mrs. Marshall Montgomery were hostesses for the Woman's Forum at the Henderson home Tuesday afternoon.

Mrs. Kirby Moore, club president, presided over the business meeting.

Mrs. J.D. Brown, chairman of the planning committee for the club's annual Spring Luncheon, named her committee. Those on the committee are Mrs. Bud Cox, Mrs. Dempster Jones, Mrs. Gene Perry, Mrs. Lowell Littleton and Mrs. J.B. Miller.

Mrs. Moore introduced the guest speaker, Mr. Carrol Lanier, Superintendent of "Girl's Town U.S.A." with its campus near Whiteface, Texas. There are two other campuses in Texas located in Austin and Borger. The Whiteface Campus has a total of 66 girls at this time.

Mr. Lanier showed slides of the school and answered questions. Mrs. C.O. Walker closed the program with a devotional poem.

Other club members present were Mrs. Vernon Jones, Mrs. Hugh Childress, Jr., Mrs. George Banger, Sr., Mrs. Ralph Jones, Mrs. W. T. Stokes, Mrs. L.D. Kirby, Mrs. T.J. Bailey and guest, Mrs. G.A. Morgan from Greeley, Colorado.

### BABY SHOWER HONORS MRS. COX

Mrs. Glen Cox was honored with a baby shower Nov. 15, in the home of Kay Conway. Other hostesses were Mrs. Rufus Spivey, and Mrs. David Fredrick.

Pastel colors of pink, white and blue were carried out in decorations and lime punch was served.

Eight guests attended.

T.A. Kincaid visited in Ozona Monday enroute to San Antonio.

Mrs. G.A. Morgan of Greeley, Colorado has been a house guest of Mr. and Mrs. Dempster Jones this past week.

Ray Boykin is in St. Johns Hospital in San Angelo where he was rushed Saturday when he became ill. He was removed from the intensive care unit late Sunday.
