

Raymond Wilson Named Spelling Bee Director

Judge Raymond E. Wilson, who is also Castro County Superintendent of Schools, is the 1966 Spelling Bee Director for Castro County.

Some time before April 9, the Castro County Bee will be held, and the Champion will go to Amarillo on April 23 for the annual regional elimination for the National Spelling Bee.

Last year, Harold Bob Bennett, son of Mr. and Mrs. George E. Bennett of Hart was the Castro County Champion and received one of the cash prizes in the regional Bee. He was a 7th grader in the Hart Junior High School and is eligible to compete in 1966. The Amarillo Globe-News, which has sponsored the High Plains area Bee since 1949, also has a unique secondary contest—the Junior Spelling Bee, open only to contestants from the 6th and lower grades. The National Bee is open to all students, 16-years of age and under, through the 8th grade.

The Castro County Junior Champion for 1965 was Donnie Shive, also of Hart. He is the son of Mr. and Mrs. Eldon Shive. First place winner in the regional bee will go to Washington during the first week in June, 1966 to participate in the National Spelling Bee. The winner will also receive several other attractive prizes, and his (or her) school will have a full year of use of the Britannica film service. A traveling plaque, carrying the names of all Regional winners since 1949, will hang at the school of the winner.

Last year's prizes for top contestants included a Zenith stereophonic record-player, a 24 volume set of Encyclopedia Britannica, several volumes of the Lincoln Library, a Capri Paper-Mate pen set, the seven-language Britannica dictionary, a World Atlas and cash prizes. Virtually the same prize list will be available this year.

Each County Champion receives an engraved plaque and a gold pen. Each County Junior Champion is given a trophy and a silver pin during the intermission at the Regional Bee (but there is no regional contest between the juniors; they are merely guests for the annual Spelling Bee luncheon held in the Amarillo Club).

In the school contests, each winner receives a Paper-Mate pen, engraved "School Champion" and a blue and gold ribbon likewise imprinted. Each school junior winner receives a red and gold ribbon trophy. Each student who entered the Bee receives a ribbon trophy also.

The National Spelling Bee, sponsored by newspapers throughout the 50 States, is in its 38th year, placed fairly high in the contests, but none has won the national crown.

Castro County has had a Regional Champion in Odetta Ball of Nazareth, who won the 1952 Bee. Odetta, who is now Mrs. D. K. Robinson, is a member of the faculty of Tascosa High School in Amarillo.

Flynt Receives Appointment To National Legion

Jack W. Flynt of 1001 W. Lee, Department Vice-Commander of the American Legion has been appointed to the National Membership and Post activities committee of The American Legion.

Flynt received notification of his appointment from National Commander L. Eldon James.

His appointment was approved by the Legion's National Executive Committee during its meeting in October at Indianapolis, Ind.

Flynt was nominated by National Commander James for the appointment upon the recommendation of The American Legion Department of Texas officials in recognition of the services he has rendered to both the Greer H. Estes Post No. 445 and the Department of Texas American Legion.

His term expires at the close of 1966 fall session of the National Executive Committee.

Hart Schools Make Plans For Homecoming

Hart Schools plan Homecoming celebration Thursday and Friday nights with a bonfire, pep rally and crowning of Homecoming Queen.

Activities will start with a bonfire and pep rally following the Junior High football game. Bonfire will be lighted south of Elementary building. Highlighting the bonfire activities will be crowning of Bonfire King.

On Friday, Hart will tangle with Texline at the Homecoming game. Homecoming Queen will be crowned during halftime. Candidates are Donna Daubert, senior; Charlene Moses, senior; and Martha Sharp, junior.

A reception for exes and students at Hart cafeteria will follow the Homecoming game.

Freeman Announces 1966 Wheat Program Will Provide Better Income

Secretary of Agriculture Orville L. Freeman stated last Thursday that the 1966 Wheat Program will provide wheat farmers with the opportunity to earn better incomes than in 1965.

He said the farmers who participate in the 1966 Wheat Program will receive a higher return per bushel in the new program than they did under the 1965 program.

The Secretary made the statement in announcing details of the wheat program which the USDA intends to follow in 1966. The new program is part of the Food and Agriculture Act of 1965 recently enacted by the Congress. The legislation now awaits the approval of President Johnson.

Secretary Freeman said the announcement was being made in response to numerous inquiries from farmers who need the information in making crop plans this fall. He said details on all commodity programs will be announced as soon as possible. He noted that the 1966 program will provide a higher domestic certificate value for farmers than in 1965, and pointed out that export certificates will not be issued to producers.

Wheat farmers have already been notified of their farm allotments for 1966, based on a national allotment of 47.8 million acres. These are the official farm allotments.

Provisions for substitution of wheat and feed grain acreages are continued, and farmers may divert additional allotment acreage for payment.

Wheat farmers who participate will be eligible for a national average price-support loan of \$1.25 per bushel on all production of their allotted acres plus domestic certificates on 45 percent of the projected yield for the farm allotment.

The domestic certificates to farmers will be valued at the difference between the national average loan rate of \$1.25 per bushel and parity as of the beginning of the marketing year July 1, 1966. Parity for wheat for October was \$2.56.

Participating farmers have several options to select from in deciding on their operations for 1966. These options include:

Substitution of wheat for feed grains and feed grains for wheat acreage where the farmer is participating in both programs.

Barley will be considered as a feed grain in the 1966 program.

Substitution of wheat for oats and/or rye; however, an adjustment will be made on a state-by-state basis to allow for the difference in feed units produced per acre. The farmer also must be participating in the feed grain program.

Overplanting allotments up to 50 percent and storing the excess production under bond.

Producers may sign up for voluntary diversion of up to 50 percent of the allotment to conserving uses with a payment rate to be announced at a later date. Farmers with 1966 allotments of 21.7 acres or less may divert their entire allotments for payment. (in

1965 the maximum voluntary additional diversion for payment was 20 percent of the 1965 allotment or 13.5 acres, whichever was larger.)

The secretary said the cost of domestic certificates to processors will be 75 cents per bushel, the same as in 1965.

While export certificates will not be issued to farmers, there will be a variable export certificate to be valued daily at an amount necessary to make U. S. wheat available at prices comparable with world market prices.

If U. S. prices are above world market prices, certificates will have no value and an export subsidy reflecting the difference between the U. S. and world price levels will be paid to exporters.

If world prices are above U. S. prices, the certificate value will be the difference between the U. S. and world prices, and will be collected from exporters.

A pool will be maintained and any net receipts (certificate payments by exporters less Government export payments) will be producers at the end of the marketing year. This new provision on variable export certificates and on the pooling and distribution of net returns assures that U. S. wheat producers will receive the benefit of higher world wheat prices should they occur, while maintaining a competitive relationship for seed wheat and feed grains in the U. S. market.

There will be no fall signup period for winter wheat growers. The

Approximately 125 attended the annual County 4-H Awards program Saturday night, October 30, in the High School cafeteria.

Castro County 4-Hers received over 45 awards in recognition of outstanding work this past year.

Highlighting this 4-H recognition event was the presentation of the Gold Star Award by Judge Raymond Wilson. This is the highest county award provided by the Texas Agricultural Extension Service to recognize outstanding achievement, leadership, and contribution to the county 4-H Club program — one to a 4-H girl and one to a 4-H boy.

Winners are Sandra Huseman and Ronnie Burks. Sandra, the 17 year old daughter of Mr. and Mrs. Emil Huseman of Nazareth, has been active in the Nazareth Community 4-H Club for 9 years and is a senior at Nazareth High School. She has completed projects in foods, clothing, freezing, gardening, canning and fire prevention. She is presently serving as club president, 4-H Council vice-chairman, and a junior leader. In 1965 she was Bake Show alternate, County Dress Revue winner, and Senior Youth Fair champion.

Ronnie, the 14 year old son of Mr. and Mrs. Charles Burks of Route 2, Happy, is a freshman in Dimmitt High School. He has been active in the Jumbo Community 4-H Club for three years, and is presently serving as President of the Club. Ronnie has been active in beef and lamb feeding, field crops, electric, and leadership activities.

Presiding at the awards program was Jana Cole, Chairman of the County 4-H Council. The invocation was given by Rodney Hutto. Following the covered dish supper, group singing was led by Susan Benson, Mickey

Ernest Davis, Dimmitt postmaster, was elected new president of the Postmasters and Supervisors of the 18th Congressional District.

Other elected officers included John Cullers of Shamrock and C. T. Davis, Jr. of Amarillo, vice-presidents and Dean Caldwell of Amarillo, secretary-treasurer.

At the Wednesday meeting, October 27 in Amarillo, 104 Texas Panhandle postmasters and supervisors made plans for handling Christmas mail.

County high school youth are urged to submit their paintings for viewing at the local show. If paintings are taken to state contest, the following awards will be made in scholarship division: \$500 first place; \$300, second place; and \$100, third.

Anyone desiring to exhibit paintings at the Dimmitt Art Gallery must have their work in place by Friday, November 12 at 4 p.m.

All paintings must remain on exhibit through Sunday, November 14. Entries will be accepted in oils, pastels, tempera, water-colors, casein, plastics and pen and ink drawings.

Three originals in any chosen media is the limit allowed at the local art show. Painting must be suitably framed for display.

County Voters Follow State Voting Trends

Dimmitt and Castro County voters Tuesday gave solid backing to six of the ten proposed amendments — and generally joined their fellow Texans in their support or denial of the other nine amendment proposals.

In the county, there were 594 voting from a potential 2,000 who bothered to go to the polls.

Countians rejected the proposal to double the terms of governors and other state officials. They voted for plans to aid higher education, including the college building amendment.

Defeated along with the four-year term plan for state officials was another to double the tenure of state representatives to four years.

Also lost was a referendum measure to set the salaries of the house speaker and lieutenant governor, who receive the same pay as other legislators.

Countians approved veterans' land fund, aid to needy, teachers' retirement funds, Texas opportunity plan and Judges' retirement.

Castro County approved six of the amendments and defeated four. The ones which went down were No. 4, four-year terms for state officials; No. 7, hospital exemption; No. 9, salaries (lieutenant governor and speaker) and No. 10, four-year terms for House members.

HOW COUNTY VOTED

No. 1 — College buildings: 343 for, 224 against

No. 2 — Veterans' land fund: 312 for, 262 against

No. 3 — Aid to needy: 362 for, 195 against

No. 4 — Four-year terms: 263 for, 318 against

No. 5 — Teachers' Retirement funds: 343 for, 217 against

No. 6 — Student loans: 377 for, 178 against

No. 7 — Hospital tax exemption: 231 for, 344 against

No. 8 — Judges' retirement: 385 for, 183 against

No. 9 — Lt. Gov. and Speaker's salary: 243 for, 327 against

No. 10 — Four-year Terms for State Representatives: 246 for, 336 against.

Taylor To Give Dancing Lessons

Keith Taylor would like to meet with anyone interested in dancing classes which will be taught in Dimmitt at Junior High School. He will be at the American Legion Hall Thursday at 2 p.m.

Dancing classes will include students ages three through high school.

Ernest Davis Elected Prexy Of Postmasters

Ernest Davis, Dimmitt postmaster, was elected new president of the Postmasters and Supervisors of the 18th Congressional District.

Combiners have rolled through 89 percent of the county's grain fields as harvest continues through the warm Indian summer days.

High yields reported throughout the county makes this year's crop more productive than last year's averages. The county average is 5,000 to 6,000 lbs. per acre according to Charles Hotel, county agent. Elevators have filled inside storage with the bumper crop and are now piling it on the ground.

Some farmers report yields as high as 7,000 to 8,000 lbs. per acre. Moisture has been high all season and this added a big factor to the bumper maize crop.

According to ASCS office, the county has 150,263 acres in grain sorghum. Multiply this figure by 6,000 lbs and the county will produce approximately 901,578,000 lbs

of grain sorghum this year.

A few fields are still too wet for combining but are in the process of drying. This year's maize crop has been predicted as 20 percent better than last year's harvest according to county agent.

Carrot harvest is still in progress with the yields reported as good.

Sugar beet harvest is in steady progress and will pick up later in the season.

Very little cotton will be harvested until after a hard frost. County cotton fields will produce above average yields this year although the yield per acreage will be down county-wide due to hail earlier in the season.

Winter wheat looks in excellent condition according to Hotel and several fields are being grazed already.

Terry Hill Named 'Cat Of The Week

We are particularly proud to present to you this week's Bobcat, Mr. Terry Hill. I am sure you will be pleased to know more about one of our outstanding players and fellow D.H.S. students.

Terry Hill is eighteen years old. He was born on the twenty-second of August, 1947. His parents are Mr. and Mrs. Charley Hill.

Mr. Bobcat's list of favorites would easily be fit for a king. For a car, the G.T.O. Pontiac fits the bill, and he would like for it to be any color — just so it is blue. Eating — whether it be sirloin, tenderloin, T-bone, or round — pleases Terry so long as it is steak. As chemistry holds so many possibilities for a specialized future, we are proud that Mr. Hill chose chemistry as his favorite subject.

Running and jumping, or any track event suits Terry a little more than all other sports. And, I am sure, many people will agree with Terry when he says that his favorite movie is "Goldfinger" and his favorite book is "Old Man and the Sea."

"People that drive fast cars," should be aware of the fact that this is a pet peeve of our Bobcat.

His hobby, visiting out of town girls, should help him practice talking and making up lines that will be of help in his future plans to become a lawyer.

We wish you the best of luck in all your endeavors, Mr. Bobcat.

BOBCAT TALE PHILOSOPHER

Crushed Truths Rise Again

"Truths crushed to earth will rise again." This is a statement which will hold true in every case. It does not matter who or what is involved, if an injustice is done, sooner or later it will be cleared up. Sometimes the truth comes later, but always it will conquer evil. Wrong is known throughout the country. Some wrongs involve individual states or cities, other wrongs involve two people. A good philosophy would be, "Never give up, it's darkest before the dawn."

Truth will stand against any wrong. For a time, it will seem as if the wrong deed has completely overshadowed the good, but in due time the truth will break through the shadow, and wrong will be crushed.

Another philosophy is, "Tell the truth, regardless of the consequences." Many times the withholding of the truth can cause many hardships and much sadness. A prime example of crushed truths rising again, concerns the German Nazis and the Jews. During World War I, the Nazis committed many crimes against the Jewish people. The Jews had

the will to survive, and they managed to survive the punishment inflicted upon them. Now, the Germans are paying for their mistakes that took place twenty years ago. This is only one of many examples showing that truths crushed to earth will rise again.

Once a lie is told it takes another to cover up the first, and lies are told over and over to cover up one tiny error. Before long, the one lie has grown into a big story that has no truth in it. This is the way that rumors begin; one person has a small dislike for another person, and so a "white lie" is told, and more people add to this little story and in a short while the little rumor is a big story and someone is hurt. Many times a good reputation is ruined by one small incident, and then a person is hurt and his moral suffers. If the truth cannot be told, then there is no use in telling anything that is the least bit deceiving.

Success obtained from a lie is only temporary but success obtained from a truth will live forever.

Latin Club Initiates New Slaves

Thursday, October 28, 1965, D.H.S. appeared to have returned to ancient Rome. Many slaves in white tunics were seen bowing and scraping before the most noble patricians. The humble slaves gladly carried books for their superiors, gave up their places in the cibus (food) and aqua (water) consumption lines, and performed many little tricks. Several slaves entertained the fourth period lunch kids with renditions of Jingle Bells, Mary Had A Little Lamb, and Peter Cottontail.

Later on in the day, at precisely 7:00 Mrs. Hilburn, the patrician and the slaves gathered at the speech room and the festivities began anew. First the lowly slaves served their masters a feast of sandwiches, dips, olives, potato chips, fritos, and cold drinks; and then they were allowed to eat. After the patricians finished eating they were entertained by the slaves. Before performing, each slave addressed the "most highly esteemed consuls" and bowed. Then each presented his various talents. It seems Elaine Davis and Vickie Axe had lost their underwear and had to tell us about it. Carolyn Dunn and "Petunia" Render then demonstrated how to change two flat tires at the same time. For a "grand finale", Garland Jarvis and Bobby Frehner gave a three act play about "Brute Us" and "Seize Her." Then the slaves were auctioned off. The bidding became hot and furious and the highest priced slaves were Paralynd Render and Sandra Hillger.

After the auction the games began. The slaves had penny races, potato races, and endurance tests. Paralynd and Joe Bob Sanders are the world champion olive balancers.

To close the program Mrs. Hilburn explained the purposes of Latin Club, its activities, the dues, and what they pay for. She told about other Latin Clubs and explained as a charter member of the Junior Classical League, the club is supposed to hold programs which would promote Latin and the classics. In the past this has not been done to a great extent but in the future we

Johnnie Holcomb - Jack Flynt Named Seniors Of The Week

Johnnie Holcomb, senior girl of the week, is the daughter of Mr. and Mrs. J. T. Holcomb. She was born in Lubbock, Texas. Johnnie has always attended Dimmitt schools and her favorite subject is chemistry.

The Citadel is Johnnie's favorite book because she feels the characters are sincere. The movie that is at the top of her list is "Imitation of Life." Her favorite actor and actress are Richard Chamberlain and Sandra Dee. The singer that interests her most is Roger Miller and anything he sings is her favorite song.

Basketball is the sport that Johnnie likes best. Her favorite food is Mexican food and her favorite color is orange.

Miss Holcomb's interests are sewing and playing the piano. Her ambition is to go to the University of Arkansas.

The people she would most like to meet are Mrs. Hubert Humphrey or the real Anastasia. Our senior boy is Jack Flynt.

son of Mr. and Mrs. Jack W. Flynt. Jack was born in Amarillo but has always attended Dimmitt Schools.

The book that Jack likes best is Diary of a Young Girl, because it is a truthful book with no false pride or beliefs that many autobiographies have. His favorite movie is "Judgment at Nuremberg" because it brings out the real truth about Hitler's slaughter of the Jews.

In the entertainment world his favorites are singer, Steve Lawrence, singing "Try to Remember." Spencer Tracy is his favorite actor and Audrey Hepburn is his favorite actress because they are both so versatile.

Jack enjoys football because it is a challenging sport. His other favorites are football, color: metallic blue. The person he would most like to meet is Kruschew.

Mr. Flynt's interest is dramatic events in Interscholastic League Contests.

FTA Meeting Held Last Thursday

On Thursday, October 28, the Dimmitt Chapter of the Future Teachers of America met with President, Gary Moss presiding. The minutes of the last meeting were read by Johanna Hastings, secretary, and were approved as read. Business began with the discussion of attending a F.T.A. workshop on November 2, at West Texas State University Fieldhouse. After the discussion, letters for membership were read by Gary and the various prospective members names were open for discussion. Following careful deliberation, ten new members were accepted. Those accepted were Debra Summers, Jay Nelson, Linda Bruton, Irene Thornton, Donna Summers, Joan Buchanan, Bobby Ebeling, Ann Scarborough, Victor Gene Hughs and Evelyn Taylor. The meeting was adjourned.

Campus Chat

"Help! Rover, no Rover — get out of my bed. Rover!" Dad just let Rover in to wake me up. I must admit that this method is very effective. He comes running wildly in and jumps up in bed with me, rolls over about ten times, chews my ears, licks my face — cold cream and all — until finally he gets booted out. "Okay, Rover I'm up." I have to hurry now, for I have a lot to do today. I am doing research for a book on teenage slang. The best way I know of getting this information is to join the teenagers in their activities, and I have been doing this for several days. I took all my notes in shorthand, and now they have to be transcribed. "Murder in the first degree," as Miss Littlepage would say. Oh well — I shall give it a try. Wish me luck!

Last Thursday night I ventured out to the Freshman and B Team game, only to freeze to death, for all I gained only a little information. Although there were very few dates, many people were seen together at one time or another. For example: Janice Mooney and Ronnie Johnson, Charles Summers and Penny Hays, Jan and Tony, Stanley and Kay, Gene and Vickie Lawson, John Howell and Cindy Hopson, Peggy Ott and Doug Schovs, Doricell and Joe Bob. Even though there were lots of people present, there seemed to be very few who watched the game. Also Thursday night I learned from an unknown source that Molly, Mary Lynn, Johanna and Richard were among those seen in Plainview watching Evelyn and Sue in the Miss Cotton contest. Molly and Evelyn were also seen riding around in Plainview later. I wonder if Molly ever found who she was looking for; did you Molly? Thus my research was ended for one night, and I went home with very few notes and many sneezes and sniffles.

Friday night, despite my severe cold, I went to Floydada to witness that thrilling football game; undoubtedly the best of the season. When I got back to town, my research was hindered due to the fact that I saw only four couples — A. D. and Barbara, Bruce and Eva, Janet and Joe Don, Johanna and Richard. Of course the stage was slang too, but pluser slang is more interesting. Saturday night my knowledge was greatly increased due to the amount of activity in Dimmitt. The following people proved to be very informative: Jay and Paula, Joe Bob and Doricell, Dan and Jean, and Danny Battles with Christine, Anita, and Vickie. Yes, he was with all three of them. Also together were: Kent, Don and Robby, Stanley and Kay, Ann and Jerry Don, Janet and Joe

Drumstick, the students went to the Municipal Auditorium at 7:30. At 8 p.m. the Amarillo Symphony Orchestra opened the program with the "Star-Spangled Banner." The orchestra played several other selections, including "My Fair Lady" and "The Sound of Music." "Doc" Siverinson's selections included "Bugler's Holiday" and a medley of songs written by George Gershwin. Everyone who attended the concert thought who attended the concert thoroughly enjoyed this rewarding experience.

DHS Favorites Recognized

In Last Wednesday Assembly

The student body met in the auditorium Wednesday, October 27, 1965 for the recognition of the all-school favorites. Dan Petty, president of the Student Council, led the pledge to the flag and as Keith Ann Howard played the organ and Janis Mooney the piano, recognized the Smile King and Queen: Tony Young and Evelyn Waggoner, the Personality King and Queen: Robby Lindsey and Jean Nelson, and the Courtesy King and Queen: Jack Flynt and Penny Hays. The assembly was concluded as the student body sang the school song.

The D.H.S. Smile King, Evelyn Waggoner, is the daughter of Mr. and Mrs. Uless Waggoner. This senior girl has been in many activities in high school including F.H.A., basketball, choir, Drama Club, and Pep Club. Her honors include being Most Beautiful of her class for three years, reporter of her freshman class, freshman candidate for Flame Queen, Annual Queen candidate her junior year, vice-president of the Pep Club this year, F.H.A. candidate for Miss Cotton and F. F. A. Sweetheart candidate this year, and the 1965 Homecoming Queen. Evelyn's hobbies are art and sewing.

Smile King, Tony Young is the son of Mr. and Mrs. J. M. Young. In his four years at D.H.S. Tony has been in F.F.A. football, basketball, and "D" Club. This year he is captain of the football team, and he was elected Most Valuable member of his class for three years. Tony's hobbies are flying and sleeping.

Mr. and Mrs. R. D. Nelson are the parents of our Personality Queen, Jean Nelson. Jean, a senior, has been active in the band. Lyre Club, Student Council, F.H.A. and basketball. As a freshman, she was class treasurer; and her sophomore year she was chosen Best All Around and was an Annual Queen candidate; during her junior year she was class treasurer, Annual Queen candidate, and F. F. A. Sweetheart candidate. Skiing is Jean's favorite hobby.

Students Attend Symphony

Forty-three band students and four adults attended the concert presented by the Amarillo Symphony Orchestra on Tuesday, October 26. The special guest was "Doc" Siverinson, an outstanding concert soloist, who is featured regularly by Johnny Carson on his "Tonight Show." After a delicious chicken supper at Myer's

Cats Fall To Lockney, 35-6

The Dimmitt Bobcats met the Lockney Longhorns at Lockney for the third district game. The Longhorns won the game by a 35-6 score.

Dimmitt won the toss and elected to receive. They couldn't move the ball and were forced to punt. Lockney took the ball on the 34 yard line and drove to the 43. From this point number 20 for the Longhorns went 57 yards for the score, with 8:00 minutes left in the first quarter. The extra point was good and Lockney led 7-0.

Dimmitt took the kickoff but couldn't move and were forced to punt. Lockney took the ball on the 49 yard line and drove to the 4 where number 12 went over with 3:28 left in the first quarter. The extra point was good and Lockney led 14-0.

Both teams exchanged the ball until with 5:03 left in the first half number 31 went over for the score. The extra point was good and Lockney led at the half 21-0.

Lockney took the second half kickoff and drove to the 25 yard line where number 20 went over for the score. The extra point was good and Lockney led 28-0.

Dimmitt took the kickoff and drove down to the 11 yard line where they fumbled and Lockney recovered. Lockney drove the ball out to the 27 yard line where number 20 went 73 yards for the score, with :56 seconds left in the third quarter. The extra point was good and Lockney led 35-0.

Dimmitt took the kickoff and with 7:17 left in the game Tony Young went over for the score. The extra point was no good and Lockney led 35-6.

On the kickoff Dimmitt tried the on side kick which worked perfectly as Dimmitt got the ball. Dimmitt drove to the 28 before a pass was intercepted by number 31. The Longhorns ran out the clock and won by a 35-6 score.

The Dimmitt freshmen were defeated 20-0 by Abernathy, and the Dimmitt "B" team was defeated 44-0.

Bobcat Annual Sale Will End November 23

Sale of Bobcat Annuals will end TUESDAY, NOVEMBER 23, 1965, at the end of sixth period. On that day, a COMPLETE list must be sent to Taylor Publishing Company for the 1966 Bobcat to be delivered the first week in May.

The staff is working very hard to produce one of the best annuals in the history of DHS. We think most of the student body, members of the faculty, and a great many towns-people will want the 1966 Bobcat. At least 1 cm past experiences we think they will. Each year, after the new annuals have been distributed and annual signing parties have taken the spotlight in activities, the sponsor receives dozens of calls from people who have neglected to order their annuals.

It is impossible to get more annuals. Our publishers publish thousands of yearbooks for high schools and colleges throughout the United States and Europe and CANNOT furnish individual copies of separate printings for less than \$10 a copy for September delivery.

SO if you want a permanent record of this school year, ORDER YOUR '66 BOBCAT ANNUAL NOW.

Daffy-nition

Hi! I am an electronic brain that asks people questions instead of answering them. You should have seen some of the expressions on people's faces when I asked them one of my favorite as they walked by. I simply asked them, "How would you feel or what would you say if some one called you an ersatz?" Here are some of the stunned answers I got.

Carolyn Scarborough — I'd have a headache.
 Vicki B. — I'd be insulted.
 Barbara E. — It depends on wh asked me.

Carla W. — I'd look around and see who was close.
 Janet F. — I would ask Gene C. about it.

Jackie J. — I'd say get on with it.

Eva G. — Same to ya, buddy!
 Kay B. — You need to be educated.

Kathy G. — It takes one to call one!

Penny H. — It's all Don's fault!
 Nancy Axe — That's not the half of it!

Donna D. — You can never tell.
 Billy H. — HELP!!
 Gary M. — You're either a liar or a very honest person.

Peggy G. — Come closer.

And what does ersatz mean? You are absolutely right, it is a substitute.

Gary Calhoun Serves Aboard USS Coral Sea

Fireman Apprentice Gary L. Calhoun, USN, son of Mrs. Mozelle Slay of 304 W. 4th St., Dimmitt, Texas, is serving aboard the 63,000-ton attack aircraft carrier USS Coral Sea currently deployed to the Western Pacific with the U. S. Seventh Fleet.

Coral Sea has been in the Western Pacific since last December. In early February, the carrier launched the first retaliatory air strikes against North Viet Nam. For the post-World War II vessel, it was her first engagement in combat operations.

Since then, the Coral Sea has engaged in the most extensive combat operations since World War 2 — well over 10,000 combat sorties.

August Brockman Attends Oklahoma State Tech

August Brockman from Nazareth is among the largest number of students ever to attend Oklahoma State Tech, Okmulgee, according to Wayne W. Miller, Director.

Brockman is among the 2,294 students enrolled in vocational or technical studies for the fall trimester, which began August 30. This is the largest enrollment in the 19-year history of the school, with 410 more students or a 21 percent increase over the same

Cub Scout Pow-Wow Announced

The date for the South Plains Council's annual cub scout leaders Pow-Wow has been set for Saturday afternoon, November 6. It will be held at Evans Junior High School, 58th and Peoria, Lubbock, beginning at 1 p.m.

This year the Pow-Wow is under the able leadership of Olie O'Neal as general chairman. To assist Mr. O'Neal will be Wanda Hunicutt, handicraft; John Morehead, pack administration; Bob Badgett, promotion and attendance; Jim Cox, exhibits and Midway; Jerry Robinson, games; Frank McMahan, ceremonies and stunts; and the Blue and Gold Banquet will be presented by Claude Keeton.

Each pack will bring an exhibit, and each pack will have one game for the Midway. There will be leaders from 150 Cub Scout Packs from the twenty county area of the council attending this Pow-Wow.

Mr. and Mrs. Bill Thompson and Den mothers of Dimmitt Cub Scout Pack will attend the Pow-Wow.

Final Sugar Beet Payments Made Saturday

Final payments for the 1964 sugar beet crop were made October 30 by Holly Sugar Corporation to over 2,000 growers in the Rocky Mountain and Texas regions.

The payments, which total \$3,146,000, will be made in six plant areas as follows: Sidney, Montana (\$550,000); Hardin, Montana (\$411,000); Worland, Wyoming (\$435,000); Torrington, Wyoming (\$403,000); Delta, Colorado (\$342,000); and Hereford, Texas (\$365,000). Final payments to growers averaged \$1.75 per ton in Sidney; \$1.90 per ton in Hardin; \$1.76 per ton in Worland; \$1.73 per ton in Torrington; \$1.74 per ton in Delta; and \$1.79 per ton in Hereford.

Previous payments for 1964 crop beets have already totaled \$18,514,000 in the four-state area.

Holly, the second largest producer of beet sugar in the United States, also operates five factories in California. Combined payments to nearly 3,000 growers in all eleven Holly factory areas, for the 1964 crop beets through October 30, 1965 total \$46,688,000.

Dear Blabby:

LAUGH AND LATHER

By Oma Siler

Dear Blabby: I've sung the blues so long I'm about to see red. My fiance has eloped with a blonde, though he always insisted that gentlemen prefer brunettes. My friends said wash the guy out of my hair, but after weeks of their therapy my only relief is no more itchy scalp. How can I learn to live without him?—SOAPY.

DEAR SOAPY: This guy is no gentleman so forget him and smile for a change. Don't wear yourself out singing the blues—let a radio-record player from ALLENS HOME FURNISHINGS do the singing and restore happiness to the soul. But you won't be able to resist warbling over an electric hair dryer from ALLENS for that shampooing routine. Beware, though, for this is the season for gentlemen!—BLABBY.

ATTEND CHURCH

REST

A day of play has tired this little one, but now sleep will bring about the needed rest. This is the time for restoring energies, and breaks the day's pace. The Lord set aside a day for rest and worship. This day allows us to be in the Lord's house and renews our energies for the week to come.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Robbie Brown Wins State 4-H Dress Revue

Robbie Brown, 17 year old Howard County 4-H girl from Knott, won first place in the State 4-H Dress Revue in Dallas last week end. She will receive a trip to the National 4-H Congress in Chicago, Nov. 28-Dec. 2.

Miss Brown, a freshman at Texas Tech, topped the field of 46 participants.

Nelda Burch, 15, of Denton, was chosen alternate by the contestants who judged their own contest.

Top honors in the all-cotton garment division went to La Nita Wood, 15, Lynn County 4-H girl residing at O'Donnell. She was presented a \$50 award by the Texas Cottonseed Crushers' Association.

The winning 4-H ensemble created and modeled by Miss Brown was a black and gold checked dress of cotton, topped by a black cotton coat with a leather look, and a hat of the same cotton fabric.

ric. treated to look like leather. Robbie, daughter of Mr. and Mrs. Robert Brown, has conducted demonstrations in clothing, food and nutrition, gardening, livestock, home improvement and junior leadership during her nine years of 4-H work. She has worked under the supervision of Mr. Catherine Crawford, county home demonstration agent.

Miss Burch daughter of Mr. and Mrs. M. C. Burch of Denton, has been active in 4-H work six years. Her prize-winning suit was made of gold and brown flecked wool tweed, with its jacket lined in the gold crepe of the overblouse. A senior at Denton High School, Nelda's major 4-H interests have been clothing, nutrition, and gardening.

The top all-cotton ensemble created by Miss Wood was a coat of loose-woven heavy cotton in winter white. Workmanship details included neat bound buttonholes and a lining of cotton fabric. Daughter of Mr. and Mrs. J. M. Wood, La Nita is a high school junior and her 4-H projects have included leadership, cotton, gardening, foods, safety and photography.

State Draft Board Plans Gigantic Call

State draft boards will be authorized in December to draft any young married man without children, regardless of the date he was married, to fill the biggest Texas draft call in more than 12 years.

This was announced Wednesday by Colonel Morris S. Schwartz, state Selective Service director, who said the new policy pertained to men 19 through 25 years old.

The state draft quota for December calls for 1,714 men, the biggest since June 1953, when a call for 1,749 was made on Texas boards. The November quota has been increased from 1,231 to 1,456.

The December quota of 1,749 is the state's share of a national call of 45,224 men, 40,200 for the Army and 5,024 for the Marine Corps.

No married man with children, or an expected child, will be selected to fill the December call. "Draft boards, of course, must have the information about children, an unborn child must be certified by a physician. Otherwise, a young husband and father may find himself selected."

The state draft director explained that childless married men will be ordered for induction when boards exhaust pools of examined and acceptable single men 19 through 25 years old.

Approximately 9,000 men will be sent for pre-induction mental and physical examinations in December. The December local board quotas for induction and examination are scheduled to be mailed to the boards on or about November 10.

Childless married men may be forwarded for physical and mental examinations in both November and December, as well as men down to age 18 years, 11 months is necessary.

Inductions are scheduled to proceed throughout each week in December.

State CAPITOL

State Attorneys are set to make a hard-nosed defense of the Texas poll tax law now under federal court attack.

Pre-trial conferences in the suit were held quietly here and in San Antonio last week (Oct. 21). Trial date has been postponed from mid-November to December 1 in order to allow both sides more time for preparation.

Assistant Atty. Gen. Hawthorne Phillips scheduled a flight to Washington this week to take a deposition from U. S. Atty. Gen. Nicholas Katzenbach in effort to show that Katzenbach once testified before Senate Judiciary Committee that Texas' poll tax is not discriminatory toward Negroes.

In view of late trial date and certain appeals to U. S. Supreme Court regardless of initial ruling here, the three-judge trial court issued a statement in affect advising Texans who want to be sure they qualify to vote in state and local elections next year to pay their poll taxes.

Leaders of massive poll tax drives just now getting under way already had concluded there was no other safe course.

Outlook now is that if repeal is ordered, first major state and national elections affected will be those of 1968.

WORKMEN'S COMP RATE — State Insurance Board staff has recommended revised workmen's compensation rates that will result in average reduction of 2.9 percent for Texas employers.

Rates for some of 600 categories will advance, others will be substantially slashed. Overall effect is a decrease. Same rating formula produced a 2.3 per cent increase last year. Board Chairman Wm. Hunter McLean concluded that the industrial safety record of Texas businesses has improved.

Board Thursday (Oct. 21) held public hearing on the recommended slash, which would reduce premiums about \$4,500,000 next year.

ATTORNEY GENERAL RULES — Atty. Gen. Waggoner Carr cleared the way for state participation in two federal welfare programs.

In one opinion, he held that State Department of Public Welfare can pay out of federal allocations cost estimate at \$5,000,000 a year of training adults to become self-sufficient.

In another, he said Department can set up advisory committees, with state agency employees as members, and pay their travel expenses out of federal allotments when they are working on such federal programs as day care services for children.

Other rulings by Carr held that: Department of Public Welfare may make a contract with a private insurance company for the protection of trainees on various projects and pay for the premium.

The Shadow

"If you don't shut up I'm going to stuff this baton down your throat so you will have to remove your shoe so I can recover my baton!"

Campus Chat

(Continued from Page 3) the help of Janis Mooney at the organ and Deanna Morgan at the piano, led the singing. Donald Johnson, Doug Hays, John Hays, and Tommy Tittle served as ushers. A fellowship followed. The service; Mary Lynn and Knt, A. D. and Vickie Lawson, Jay and Paula, Jackie and Bill, and others report to have had a lot of fun.

After fellowship I saw Donna and Tommy, Kay and Stanley, Deanna and Charles, Don Moore and Tommy Coleman, Kenneth and Rochelle, Kathy and Donny, Jan and Penny, Ann and Jerry Don, John and Richard, Janet and Joe Don, and Kathy Leinen with Dale and his two roommates. I was talking with a friend who reported having seen Ann and Carolyn Young, Johnny Davis and Jerry Lytle, and Poppy and Nancy Howard in Hereford Sunday afternoon.

I certainly couldn't skip Monday night's research, so I delivered myself to band practice where I saw Molly Bradley and Gary Crum, Jack Flynt and Janice Baldrige, as well as the regulars. The people not in band must have been at home studying, for they were not in town.

Tuesday night, armed with a heavy coat, Kleenex, and a blanket, I headed to town for the Junior High ball game. Although I'm having trouble transcribing my notes, I seem to be able to make out a few names. Let's see: Chris James and Doug Schvox — or is it Schveaux — oh well, who cares besides Chris and Doug and a few other Dimmitt girls? Also I saw Vickie Lawson, Peggy Ott, Joe Bob, Charles, Ronnie Hutson, Tony, Claudio, Gene, Victor, Sherry McGowan, Juanelle and Donnie Rochelle and Kenneth Don Ott, Steve Buckley, and others. Someone has reported that they saw Bruce and Eva, Jacky and Genita, and forty three other band members at the concert at Amarillo. My research has proved more successful today.

It is rumored that the former D.H.A. student, Paul Easterwood the confirmed bachelor — is now engaged to Linda Tinkle from Plainview. What's your secret, Linda?

Barbara Elliott has just undergone a major toe operation. She is recovering nicely with the help of aspirin and is hopping around in the hall.

My research is now finished; when my book is complete I'll let you know.

Please! Buy your annuals. Time is almost gone. They are only \$4.10 or \$4.45.

See ya next week.

H-D NOTES

By Rebecca A. Gaddis County Home Demonstration Agent

Featured on the USDA Plentiful Foods List for November are turkeys, apples, prunes, frozen concentrated orange juice, potatoes, onions, cabbage split peas sweet potatoes and rice. Why not take advantage of these specials!

Suede, corduroy, hopsacking are the fashion fabrics for winter. They lend their rugged good looks to a wide array of men's sweaters, jackets, slacks and outercoats.

Newest suede-front sweater designs feature perforations and fancy stitching. For outdoors wear, suede goes to all lengths to produce a luxurious, rugged appearance in jackets, car coats and dressy long lengths. Rawhide adds the Western touch with shearing insides, cowboy yokes and snaps outside.

The wale is the thing in this season's crop of corduroy styles — narrow, medium or wide. New styles also feature vertical, horizontal or diagonal patterns. Corduroy is used in panels, man-sized herringbone patterns and are multi-colored. Some new examples are traditional trousers with thick rib corduroy diagonally cut like twill.

Shirts are made of vertical corduroy front panels with horizontal corduroy pockets. Stadium and car corduroy coats are lined with bright blanket plaids, pile fabrics or shearing. Even Western jeans are made of corduroy with all the rugged Western detailing.

Hopsack takes the prize in the winter fabric picture.

Its uses vary from traditional suits to sport shirts. It makes colorful stadium coats and parkas. Sport shirts of plaid or striped hopsack combine with slacks made of "Oxford" hopsack.

Use protective foods in your meal-planning. A protective food is one that is high in mineral, vitamin, or protein content. Eggs are a fair to good source of most of the vitamins and many of the minerals required by the body. source of good quality protein, making them a good meat substitute.

In comparing two large eggs (1/2 pound) to an equal amount of sirloin steak (1/4 pound), we find that the eggs contains somewhat larger amount of protein. The eggs also contain approximately 10 times as much calcium, and about the same amount of thiamine and riboflavin. Vitamin A is found in eggs, but not in the sirloin.

Legion Zone Meeting Held Here Oct. 26

American Legion Zone II met in Dimmitt Tuesday night, October 26 at Greer H. Estes Post 445.

If you store your woollens in a cedar chest, use an ounce of prevention in the form of moth crystals or mothballs — instead of relying wholly on the cedar trunk's aromatic fumes to ward off moths.

Although new cedar chests do give protection from moths, it is safer to treat woollens with a good moth-proofing agent before they're stored.

This is especially important with older cedar chests. Tests show that red cedar loses some of its effectiveness against moths after 24 months, and white or South American cedar after 12 to 20 months.

Whenever you use a pesticide, remember to follow the instructions carefully and note the precautions on the label.

Supper guests Messrs. and Mesdames John Cooper, E. B. Garrison, Bill West and Ole Elliott and children were supper guests Friday, Oct. 23 in the home of Mr. and Mrs. Lewis Neal.

Longhorns Trip Dimmitt Bobcats In 35-6 Battle

Dimmitt Bobcats fell before their third district foe Friday at Lockney in a 35-6 waltz. Bobcat defense took pounding after pounding as the Lockney Longhorns hammered away to

drive over three touchdowns during the first half of the game. Dimmitt took the opening kickoff but was forced to punt on fourth play. Lockney took the ball on the 34 yard line and drove to the 43 where Neil Mitchell, halfback, broke loose on a 57-yard gallop for the first six points of the game. Eight minutes were left in the first quarter when the Longhorns scored. Dale Galloway kicked his first of five extra points for a 7-0 lead. Again Dimmitt couldn't get the ball away after kickoff and was forced to punt on fourth down situation. Lockney took the punt on the 49 yard line and in six

plays drove to the four-yard line. Dale Galloway plowed the final four yards on a keeper around left end. His kick was good and the Longhorns held a 14-0 edge on the 'Cats. Both teams exchanged the ball until another Lockney touchdown

County Riding Clubs Invited To Fort Worth

The Castro Co. Riding Club and Hart Junior Riding Club have been invited to perform in the 1965 Southwestern Exposition and Fat Stock Show Opening Day Western Parade, Friday, January 28.

In 1965 the parade was seen by more than 135,000 spectators who lined Fort Worth streets. Paraders were also viewed by thousands more on area television. The parade, traditionally the kickoff event for the Stock Show's ten-day season, will begin its two-hour trip through the downtown area at 2:00 p.m. January 28. Gates on the exposition grounds will open at 4 p.m. and the first performance of the 1966 Fort Worth Stock Show Rodeo will begin at 8 p.m. Closing date of the 70th edition of the Southwestern Exposition and Fat Stock Show will be Sunday, February 6.

Saturday, January 29 has been selected as Future Farmers and Homemakers of America and 4H Club members "Special Day" at the Fort Worth Stock Show. Applications for Mail Order Tickets for the 1966 Rodeo are now being taken at the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

came with 5:03 left in the first half. Fullback Eugene Mathis dashed five yards for the td. He accounted for 46 of the 64 yards in the touchdown drive. Galloway's extra point kick was good and Lockney led 21-0 at the half. The Longhorns took the second half kickoff and drove 65 yards in 11 plays with Mitchell going around right end for the final 25 yards and a touchdown. Galloway's kick was good and the scoreboard read 28-0.

Dimmitt drove the ball to Lockney's 10 but linebacker Tim Hartman recovered a fumble at the Lockney 14. Four plays later, Mitchell broke loose on the 27 yard line and scampered 73 yards for paydirt with 56 seconds remaining in the third period. Extra point was good and Lockney led 35-0. Dimmitt took the kickoff and drove 71 yards in 17 plays to score on four yard dash by Tony Young. A pass for extra points was no good.

On the kickoff, Dimmitt covered an inside kick and drove to the 28 yard line where Lockney's fullback, Mathis intercepted a pass. The Longhorns ran out the clock to win 35-6.

Dimmitt's top defensive players were Tony Young, Joe Bob Sanders and Gene Carson. The Bobcats racked up 138 yds on the ground and tallied 46 yds in passing. The Longhorns had

354 yds in rushing and 31 passing. Dimmitt drove for ten first downs and Lockney made 16 first downs. The Bobcats will face the tough Abernathy Antelopes at Bobcat stadium Friday night for the fourth district game. This will be Mother's Night. Abernathy was handed their first district defeat last Friday night by Friona. The Bobcats have also lost to Friona Chiefs.

District 2-A has experienced quite a shake-up since early season predictions. Olton predicted as top team trails near the bottom and THE Friona Chiefs took over the league title after defeating Abernathy. Standings are as follows: Friona, 3 wins, 0 losses; Abernathy, 2 wins, 1 loss; Floydada, 1 win, 2 losses; Olton, 1 win, 2 losses; Dimmitt, 0 wins, 3 losses.

Nazareth Edges Past Bovina In 13-8 Upset

Nazareth Swifts rolled to a 13-8 victory Friday night over tough Bovina before a record Homecoming crowd of 600 fans at Swift stadium.

Game started off with Bovina receiving the kickoff on the 15 yard line. Scotty Rundell took the ball and ran it back to the 32 yard line. Carl Harris, halfback found a big opening and journeyed past the middle stripe for Bovina on the second play from scrimmage. The Mustangs kept making short stabs at the Nazareth line until they threatened to score on the 8 yard line. An offside penalty against Bovina put the ball back on the 13 yard line. Nazareth defense broke through the Mustang line and threw the ball carrier for a five yard loss. The Mustangs tried two pass plays

which fell incomplete. Ball went over to the Swifts on the 19-yard line to end the Bovina threat.

After an exchange of punts, the Swifts were in scoring position with just inches needed for a touchdown when the ball was lost in a fumble. Hoelting set up the touchdown position with a 77 yard pass to Gerald Brockman. The ball was lost on the first play out of scrimmage with just inches needed for a td.

Bovina took over on the 20 yard line and, then lost the ball in a fumble to the Swifts on the 24 yard line. Quarterback Marvin Hoelting threw a long pass to receiver on the goal line which was intercepted by Rundell. Referees called pass interference penalty against Bovina and Nazareth got the ball on the 10 yard line.

Marvin Hoelting gained two yds on first play out of scrimmage. Larry Ringwald carried three yards to set up the final play on the five yard line. Hoelting carried five yards for the first score of the game. Hoelting kicked the extra point and Nazareth took a 7-0 lead during second period play.

With two minutes left in the first half, Bovina threatened the Nazareth goal line but Gerlad Brockman intercepted a pass to stop the Mustang drive.

In the third period, Hoelting broke loose on a run pass option play for a 25 yard scamper to paydirt. The Swifts failed to gain the conversion points.

Bovina earned their lone touchdown during the fourth quarter when Jerry Roach passed to Lynn

Murphy for 11 yards. Bovina drove through the line for the two extra points and the scoreboard read 13-8.

Coach Potter's outstanding defensive players were Donald Braddock and Ricky Gerber. Nazareth racked up 131 yards in passes of which one was 77-yard throw from Quarterback Hoelting to Brockman. Bovina attempted 28 passes and completed 16 for 85 yards.

Pam Pohlmeier, senior, was crowned Homecoming Queen in a pre-game ceremony which featured the Nazareth Swifts and the Nazareth band.

Hey! Where'd everybody go? The Gift Shop workshop took place last Wednesday. Mrs. Brockman and Mrs. Drenup of Nazareth Mrs. Hart of Hart (she's all Hart isn't she?) and Nell Copeland, Courtenay Armstrong, Lena Mae Cooper and one other were the only Santa's helpers that showed up. There were lots of pretty gifts made and lots more waiting for skillful and willing fingers to make.

There will be another workshop before the Christmas Bazaar so arrange your schedule so you can come.

The dates for the workshop and the bazaar will be decided upon at our regular general meeting next Wednesday, Nov. 10 at 10 a.m. in the Methodist Church so if you have any druthers you'd better show up and make them known. The executive board meeting will be at 9 preceding the general meeting.

If there is anyone who might be available to fill in at the hospital even once a month when an emergency arises for a scheduled worker please contact Emily Clingsmith. Her job is not an easy one. Let's help her all we can.

The Health Careers meeting at the High School, November 9 promises to be most interesting and informative. Our young people need to be told of the opportunities awaiting them to serve their generation in a most satisfying way.

Associational YWA Director, Marian Crisp, Molly Bradley and Janita Blackburn attended the Quarterly YWA meeting and Installation Service at the Colonial Inn in Dimmitt Saturday. Molly was installed as pianist.

Mrs. G. L. Willis Honored Sunday With 88th Birthday Celebration

Two hundred people attended the Open House given in honor of Mrs. G. L. Willis, Sr. by her children for her 88th birthday, Sunday, October 31.

Mrs. Willis wore a jacket dress of pale pink and silver brocade that she made for the occasion.

Coffee and cakes decorated with pink rosebuds were served from a table covered in pink taffeta and overlaid with pink net. Tiny rosebuds and pink silk butterflies edged with pearls enhanced the full skirt around table, American beauty velvet ribbon encircled the table, and cascaded at the corners from deep loops holding pearlized pink grapes and clusters of rosebuds. The pink and American beauty combination was carried throughout the room in floral arrangement.

The centerpiece was an exquisite dresden candelabra ornament-

ed with pastel flowers and angel figurines. It was flanked by silver coffee service and serving tray.

The grandchildren of Mrs. Willis assisted their parents in hosting the party. Also helping were Mesdames Sid Sheffy, Jack Cowser, Ray Riley and Goodwin Miller.

Out-of-town relatives included Mr. and Mrs. Carl Davis, Mr. and Mrs. Buster Willis, Mrs. Antone Lanig, Mrs. Chloe Box, all of Snyder, Oklahoma, Mrs. Boyd Davis of Hobart, Oklahoma, Mr. and Mrs. Kenneth Thomas and Mrs. Agnes Troyer of Clinton, Oklahoma.

Pam Pohlmeier Crowned Queen Of Homecoming

Homecoming celebration at Nazareth started with a bonfire on Thursday night with a large crowd in attendance.

Highlighting the bonfire activities was the crowning of Ricky Gerber and Beth Pohlmeier as Flame King and Queen. An interesting feature of the bonfire was a flaming NHS which burned vividly during the pep rally.

Friday night Homecoming activities were climaxed with the pregame crowning of Pam Pohlmeier as Homecoming Queen while the band formed an "N" on the field and played a rousing number.

The Swifts wrapped up the Homecoming with a perfect touch by upsetting Bovina, 13-8.

Wheat Program—

(Continued from page 1)

Signup period for all wheat farmers will be conducted by Agricultural Stabilization and Conservation Service (ASCS) County office concurrently with signup for the feed grain program after the first of the year.

Farm projected yields are now being determined, and each wheat farmer will be notified of his projected yield before signup time. Projected yields, new for 1966, will be indicative of the yield per acre expected for each farm using current cultural practices and normal weather conditions. Previously, farm normal yields have

Halloween Party Featured Ghost House Tour

Linda Bennett and Nancy Jackson and their friends were treated to a Halloween party by co-hostesses Messrs. and Mesdames Bill Bennett, Bob Baker and Kenneth Jackson. The party was held in the Jackson's basement Saturday night.

Those in attendance were treated to a tour through Ghost House where they viewed a body in casket. Different parts of the body such as peeled grapes for eyeballs and macaroni and carrots for bones were on display.

Pickup foods were served to 25 people.

been tied more closely to historical production figures.

Substitute crops which may be planted on diverted acres will be determined and announced later.

Secretary Freeman said details of the 1966 Feed Grain Program and the Cropland Adjustment Program will be announced at a later date.

Wheat farmers who wish to participate in the 1966 program will: 1. Sign up in the program during the signup time.

2. Plant within their farm allotments, observe permitted acre totals when substituting, or plant no more than 150 percent of the allotment, depending on which option they choose to use.

3. Put into conserving uses an amount of land equal to 15 percent of their farm wheat allotments. (This 15 percent reduction already is reflected in the 1966 allotment notices which were mailed to farmers.) As in 1965, there will be no payment for this diversion; however, they may divert acres to conserving uses.

5. Comply with wheat program provisions and all allotments as required by law, including cotton, tobacco, peanuts, and rice allotments on that farm and with wheat allotments (as modified by any of the program options) on all other farms in which they have an interest in the wheat crop.

Also, the Department of Agriculture announced yesterday that it intends to make no basic changes for 1966 in cross compliance features in farm programs.

New farm programs will be effective when the Food and Agriculture Act of 1965 becomes law. The legislation is now awaiting the President's signature.

Announcement is being made now to answer numerous questions being raised by producers who are making 1966 crop plans.

The only changes in cross compliance features the USDA intends to make relate to cotton and these changes reflect the new cotton program enacted as part of the 1965 legislation.

In 1966, cotton producers who want to participate in the new program will need to maintain a soil

conserving base and to place any diverted acres in soil conserving uses. In addition, the USDA is dropping a requirement that cotton producers cannot exceed their feed grain base acreage to be eligible for cotton program benefits.

To be eligible for program benefits, cotton, wheat and grain producers will be asked to comply with program provisions for that particular commodity on the participating farm. In addition, participants will be asked to plant within allotments or base acreages for that particular commodity on any other farm in which they have an interest in that crop. Wheat producers, however, will be able to overplant their wheat acreage by limited amounts and store the excess production under bond.

Wheat producers as required by the Act will be asked to plant within the other crop allotments such as cotton, rice, tobacco and peanuts on the participating farm. Feed grain and cotton producers, however, would not be required to plant within other crop allotments or base acreages on the participating farm.

Under all three programs, participants are asked to maintain the normal soil conserving acreage on the participating farm. In addition, all acres diverted under each program must be put to conserving uses.

On farms where substitution is permitted for wheat and feed grain acreage, producers will be asked to participate in both wheat and feed grain programs on that farm and stay within wheat acreage allotments and feed grain base acreages on any other farms in which they had an interest in the crop.

Under the Cropland Adjustment Program, participating farmers would not exceed any other crop acreage allotment or permitted acreage on that farm or any other farm in which they have an interest. They must also have in conserving use their normal conserving acreage plus that diverted under the Cropland Adjustment and other programs.

Why should you support G. S. P. A.?

(Grain Sorghum Producers Association)

There are many reasons. But PROFIT is the strongest one we can think of at the moment.

Really! Haven't you made more from Sorghum since the Grain Sorghum Producers Association was founded?

Hart Shorthorns Win District

Hart Shorthorns, Junior High team, earned the District 1-B Junior High football championship with 6-0 record. The 36-man squad coached by Don Ewing will play one more game in the 1965 season. The Shorthorns will face Vega tonight at 6:30 p.m. at Hart. The Champion Junior High team is composed of seventh and eighth graders. Season record follows: Hart 14 — Happy 0 Hart 20 — Bovina 0 Hart 20 — Lazbuddie 0 Hart 38 — Vega 14 Hart 20 — Bovina 0 Hart 18 — Lazbuddie 6. The seventh grade team played

two separate games from the regular schedule. They lost to Amarillo 6-0 and then in a second game defeated Amarillo 14-8. According to Coach Don Ewing, the Shorthorns are a real dedicated team composed of hard working boys who are willing to put out plenty of effort. Ewing said, "I am proud of the boys and the real fine job they did this year. We're looking forward to a good season next year."

Hart Gored By Vega In 41-0 Battle

Vega Longhorns gored the Hart Longhorns 41-0 Friday night in Class B district tilt before 1500 football fans in Vega. Vega ripped loose in the first period with three big touchdowns. Kenny Burcell plowed 17 yards for the first td. Lee Cramer kicked the extra point. The second Vega TD came on a 45-yard scamper by Johnny Haliburton. Kick was no good. Final first quarter touchdown came on a 55-yard run by Kenny Burcell. Cramer's kick was good and Vega led 20-0. The Longhorns broke through for one second period score. Quarterback Barkley fired a 50-yard pass to Haliburton for the touchdown. Cramer's kick was good. Third period scoring was a 21 yard run by Barkley on a quarterback keep. Cramer kicked the point. Final Vega touchdown came on a 30 yard run by Lester Kirkland in the fourth period. Cramer's kick was good. Vega amassed 291 yards rushing, logged 9 first downs and completed two out of five passes for 78 yards while Hart completed one of six passes, logged six first downs and amassed 37 yards rushing.

next Sunday. Every Chairman should attend this unless he attended last year. New Chairmen should attend especially. And we hope our Sunday School Superintendents and teachers will be able to attend. Hart First Methodist Thanksgiving Harvest Festival Supper has been set by our Official Board for November 17, 7:30 p.m. The Rev. Dr. Frank D. Charleton, pastor of St. Pauls Methodist Church, Abilene, Texas, will be our speaker. Mrs. John Bannworth of our church is Dr. and Mrs. Charleton's daughter. You'll all want to hear the Reverend Charleton.
