Schools open with new times

School started Wednesday for students at Nazareth and this morning (Thursday) for Hart students. Dimmitt students will start classes Monday.

Nazareth has set classes to begin at 8:20 a.m. each day, with dismissal set at 3:40 p.m.

In Hart and Dimmitt, teachers are required to be at school from 8 a.m. to 4 p.m., with classes at both schools beginning at 8:45 a.m. The period from 8 to 8:45 has been designated for tutorials on Tuesdays and Thursdays.

In Dimmitt, dismissal time for Richardson Elementary students will be at 3:10 p.m., while all others will get out at 4 p.m. All grades at Hart will dismiss at 4 p.m.

In the Dimmitt schools, the early period on other days of the week besides Tuesdays and Thursdays will be used for class or club meetings, as well as for remediation or acceleration.

Tutorial periods are mandated

by the state, requiring the schools to provide intensified, individualized instruction for students who are failing in designated courses — English, math, science and social studies in grades K-12.

Tutoring sessions do not have to begin until the second six weeks, and it is up to the school district whether to require failing students to attend. But the service must be provided. The sessions must be under the supervision of an appropriately certified teacher for each subject in each building, but peers and paraprofessionals may assist.

With some students going to school as early as 8 a.m., Dimmitt Police Chief Don Franklin urges local residents driving to work to keep an eye out for unexpected pedestrians.

He also noted that with the later dismissal times as well, students may be crossing the highways when motorists are on the way home from work.

Sesquicentennial

County gets nod

Castro County has been approved as an official Texas Independence County by the Texas 1986 Sesquicentennial Commission. A special sanctioning ceremony has been tentatively set for sometime during the County Fair, either Sept. 13 or 14.

"Texas Commission Representative for this area, Lee Storey of Austin, will present our Castro County Sesquicentennial Committee with a certificate and an official flag," local committee chairman Linda Maxwell said.

"We are very proud that Castro County has this chance to gain state-wide recognition, and an opportunity to join in the celebra-

tion of our state's 150th anniversary of its independence," Maxwell said.

Local committee members are making plans to feature the distinctive Sesquicentennial flag on a float in the Harvest Days parade Sept. 15.

"We want to have representatives on the float from each community that has put an effort into helping our county gain this recognition," Maxwell said, adding that a planning meeting to work on the float will be set sometime next week.

Further details on the ceremony and the planning meeting will be announced later.

County farm tour on tap Wednesday

The Castro County Extension Service, Castro County Crop Committee, the Soil and Water Conservation District and Chamber of Commerce will sponsor a farm tour for area residents next Wednesday.

The tour will start at the parking lot of the SCS office in Dimmitt at 9 a.m.

The SCS personnel will kick off the program with a tour of their irrigated and dryland grass plots. The tour bus will leave at approximately 9:10.

Those making the tour will see surge irrigation in use, and moisture blocks and furrow diking combined to evaluate irrigation efficiency. They will also see test

plots of corn and cotton, limited tillage, and will visit pest management sites as well as a low energy precision application (LEPA) sprinkler system in use.

Lunch will be served at the Bethel Community Center by people in the community. The lunch is being sponsored by Texas Corn Growers Association.

The highlight of the tour will be a presentation of limited tillage practices by Dr. Allen Wiese of the USDA Experiment Station from Bushland.

Other guest speakers on the tour will be Dr. Pat Morrison, area entomologist; Leon New, area irrigation specialist; and a limited tillage producer from Tulia.

HEAT WAVES—Flames from broken gas meters send heat waves through an alley near East Halsell, between Northeast Seventh and Eighth, Friday evening. In background, with its hood raised, is the

car that hit the gas meters. The 1974 Mercury, driven by Wanda Lou Thomas, 23, was demolished by the flames, and Mrs. Thomas was hospitalized with burns.

Car hits gas meter; woman badly burned

A Dimmitt woman received second-degree burns over 25% of her body when her car hit and ignited a gas meter Friday afternoon in an alleyway near East Halsell Street.

Wanda Lou Thomas, 23, was in serious condition Wednesday morning at the burn treatment center at Lubbock's Health Sciences Center.

The accident occurred at 6:40 p.m. Friday in the alleyway between Northeast Seventh and Eighth, in the 400 block. City police said Mrs. Thomas, driving a 1974 Mercury sedan, hit the meter apparently while trying to avoid some ruts in the alley.

City Fire Marshal Steve Jameson said the impact ruptured the gas meter pipe and that heat from

either the engine or the exhaust manifold ignited the spewing gas.

Mrs. Thomas was burned mainly on the arms and face as she tried to get the car off the meter, Jameson said. She was taken by private vehicle to Plains Memorial Hospital, where she received emergency treatment, then was transferred to the burn center in Lubbock.

Dimmitt firemen used their emergency vehicle to pull the car off of the flaming meter. The car was demolished, police said, although its gas tank never "blew."

To avoid shutting off the gas main, firemen snuffed the flames and cooled the meter, then Acie Boyd — who is both an Energas serviceman and a volunteer fireman — plugged the broken line.

City police charged Mrs. Thomas with reckless driving.

Hospital board hikes tax rate

The Plains Memorial Hospital Board voted Monday to raise the hospital district's tax rate from its present 9.2 cents per \$100 valuation to 9.9636 cents.

The 8% tax hike is intended to raise an additional \$25,000 during the coming year — mainly to pay for more charity care for Castro County residents.

The increase in charity care was ordered by a federal district court last February as the result of a class action suit against the hospital by persons who charged that they had been denied hospital services in the past because they couldn't pay.

The court ordered the hospital to provide a minimum of \$41,000 per year worth of free hospital care for patients from Castro, Deaf Smith and Parmer Counties. Low-income patients can qualify for hospital care here for free or for 20% or 40% of cost, depending on their income level and family size.

"We can put a ceiling on charity care for out-of-county patients, but the court order said the hospital has to take all Castro County residents who qualify for uncompensated care," Hospital Administra-

tor Marshall Cook said.

Cook added that the tax increase is necessary because "the court settlement and legal fees have used up all of the hospital district's cash reserve."

The district, with a budget of \$1.25 million, derives approximately one-fourth of its income from property taxes, with the balance paid by patients.

The 8% tax rate increase is subject to a public hearing, which has been set for Friday, Aug. 31 at 7:30 p.m. in the hospital classroom in the east wing.

A 22-year-old Dimmitt farm worker was fatally stabbed during a reported gang fight in the 600 block of Northwest Sixth Street in Dimmitt early Saturday morning.

A 17-year-old Dimmitt man has been charged with his murder.

The victim was Toribio Garibay, 22, of 638 NW Sixth St., the father of two. He was stabbed in the chest shortly before 4 a.m. Saturday and died four hours later in Deaf Smith General Hospital in Hereford after receiving emergency treatment at Plains Memorial Hospital here.

Charged with his murder is 17-year-old Ignacio Sifuentes of Dimmitt. He was taken into custody by the Dimmitt Police Dept. at 8:30 a.m. Saturday, and is now in Castro County Jail pending investigation of the murder charge by the next Grand Jury, which will convene next Wednesday. Justice of the Peace Marshall Young has set Sifuentes' bond at \$50,000.

Police Chief Don Franklin said his department first received a call of disturbance in the 600 block of Northwest Sixth at 3:57 a.m. Saturday. When officers arrived three minutes later, the complainant told them there had been a gang fight in front of a house at 635 NW Sixth, but that it had broken up.

At 4:18 a.m., Plains Memorial Hospital notified police that a stab victim had just been brought to the emergency room.

When brought to the hospital by friends, Garibay was suffering from multiple stab wounds in the left chest area and left arm, Franklin said.

After receiving emergency treatment here, Garibay was transferred to the hospital in Hereford, where he was admitted in "extremely critical" condition.

Meanwhile, at Plains Memorial, witnesses identified Sifuentes as the person who had stabbed Garibay, and said five persons were involved in the fight, Franklin reported.

Police believe they have the murder weapon, a butcher knife.

"After talking with witnesses, we went to 635 NW Sixth, where we recovered a butcher knife with a nine-inch blade," Franklin said. "The knife had been washed recently and was still wet. There appeared to be traces of blood on the knife."

Meanwhile, Garibay died in Hereford shortly after 8 a.m. County Judge Polly Simpson was called to the Hereford hospital, where she pronounced Garibay dead and ordered an autopsy.

School changes to be explained Tuesday night

A public meeting will be held Tuesday at 7:30 p.m. in the Dimmitt High School auditorium for parents of students in the Dimmitt schools to hear an explanation of the new school rules and regulations brought about by recent legislation.

"We will explain what we can and answer any questions from the audience," Supt. Robert Ryan said.

He noted that the new graduation requirements, tutorial sessions, regulations concerning extra-curricular participation, and absences will all be discussed, along with many other items.

"We don't know all the answers ourselves yet, but we will try to answer to the best of our ability," Ryan said.

SPOTTING THE CULPRIT—A bollworm between five and eight weeks old writhes on a bollworm identification card held by Rayphard Smithson while County Entomologist Allen Knutson finds another one during one of two "turnrow meetings" on bollworm control Monday. Those attending were presented free "ID cards," field-check books, insect management brochures and technical sheets on cotton insect control.

JIM BAGWELL
... Celebrates 90th birthday.

Jim Bagwell of Dimmitt celebrated his 90th birthday on Aug. 14. Christine Bell of Perryton, the Bagwells' oldest daughter, joined Mr. and Mrs. Bagwell in greeting friends and relatives who dropped by their home during the day to offer congratulations and share in the birthday cake and punch.

Family members who shared in the celebration included Mr. and Mrs. George Bagwell, Mr. and Mrs. Ivor Bagwell and Mr. and Mrs. Jack Howell, all of Dimmitt; Mr. and Mrs. Moss Howell from Weatherford; and Mr. and Mrs. Leo Williams from Tow. Several neighbors and friends dropped by during the afternoon.

An early celebration was held for Mr. Bagwell on Aug. 11 at the Harmony Community Center between Floydada and Petersburg. It was in conjunction with a Williams Family Reunion. Both the Bagwell and Williams families lived in the Harmony Community, where Jim and Robertha were married Dec. 24, 1916.

Grace Marie Holland of Midland, Christine Bell of Perryton, Marianne Bishop of Odessa, and Donna Kay Srolla of Elk City, Okla., daughters and granddaughters of Mr. Bagwell, served punch and cake to the Williams and Bagwell families present, and to friends who called in the afternoon.

Virgie Moulton and her sister, Mary Bryan of Hereford, flew out to San Francisco for a visit in Concord, with Virgie's son, Raymond O'Neil, and his son Shawn and daughter Serena, among other relatives and friends. They report a great time seeing several interesting sights and also having a wonderful picnic. Among those at the picnic were several friends of the Moultons and some of the relatives were the Jimmy Adams family — also the H. O. Adamses of Fairfield — a cousin of the ladies whom they had not seen in many years. A souvenir brought back to Texas was a deep sunburn that will not be forgotten very soon.

Rita and Stan McDaniel and boys, Shad, Stace and Colby, flew to Dallas-Fort Worth for an end-of-the-summer vacation before school starts. They went to Six Flags and White Water Park. They had a good time and said the DFW International Airport was busy with the opening of the Republican Convention, the Dallas Cowboys football game and also the athletes of the U.S. Olympic summer games coming to Dallas.

Elmer and Mauzee Youts flew to Haines, Alaska to meet their daughter and husband, Pat, and A. P. Sligh, who were traveling in their motorhome. They saw all the sights around Haines. One day they took an all-day ferry trip to Skagway.

On July 30, they boarded the ferry for a trip down the Inside Passage with stop-overs in Juneau, Petersburg, Ketchikan and Prince Rupert. They saw so many interesting things.

In Juneau they went to see the Mendenhall glacier which is one of the larger glaciers in Alaska. They also took a Salmon Walk where they saw many salmon in a small stream. They were nesting and spawning.

On the ride down the Inside Passage they saw snow-covered mountains, waterfalls and icebergs. They saw bald eagles, whales, porpoises, and sea lions in the water at Prince Rupert. Then the group took a British Columbia ferry to Port Hardy, then down the east coast of Vancouver Island. They enjoyed eating fresh oysters, clams, both steamed and fried, baked and smoked halibut, grilled and baked salmon, shrimp, both boiled and baked, and crab.

In Victoria they took a tour of Parliament buildings, went through a wax museum that included British royalty, U.S. heroes and presidents, and the Last Supper. They saw the underseas gardens, classic car museum and provincial museum. They enjoyed to Brutchart Gardens where the flowers were so very pretty. They stayed for the night show and a tour of the gardens that were beautiful under the lights. The colored fountains were so beautiful. The Youts flew home from Vancouver. A. P. (Slick) and Pat drove on down the west coast of Oregon, Washington, and California.

prayer service on Wednesday night and his daughter, Raeneal and family were here visiting, so Gene told them if they wanted to eat while they were here they could take charge of the prayer service. Raeneal played the piano for the congregational singing and she accompanied her son, Mark, who sang a special. Then her husband, Rev. Gene Perry, brought the message. It was an inspirational evening. The Perrys had been to Glorietta for Foreign Mission Week and were on their way home to Oklahoma. Wilton Graef from Hale Center attended prayer meeting with the Iveys.

Mr. and Mrs. Wayne Davis from Pecos and their grandson, Trent Davis, and Beulah Newton from Earth visited the Garner Balls recently.

Monday night, Dan, Oma Dee, and Danny Heard went to Canyon and met Dan's sister, La Nita, and Kenneth Durward, and Janet Dixon from Elida, N.M., along with Dan's nephew, Charles, and Brenda, Brecca and friend from Ft. Sumner. They all attended the play "Texas" in Palo Duro Canyon. While this group was going down to their seats — there was Dan's cousin, Alwana, and Bill Womble from Seymour with their Plainview kin. Alwana's mother, Jewel Heard, made the Holy Land trip with the Dimmitt group.

Ruby Anderson from Baytown came out and went to Angel Fire with Pat and Bea Hardy. Patsy and Ethan Hokit from Littleton, Colo., met them on the weekend. They all attended a family reunion as well as the party at Black honoring George and Aundrea Frye on their 25th wedding anniversary. Their daughter, Kim Smiley, and their sons, Kip and Kirk, planned the reception. Johnnie Boothe is Aundrea's mother.

Angela (Ross) Touchstone from Bryan was here last week visiting

her parents, Mr. and Mrs. Jimmy Ross and other relatives. Angela told me they would be moving back to San Diego, Calif. in a few weeks.

Irene Carpenter and I went to Lubbock on Wednesday to be with the J. O. Carpenter family during Florence Carpenter's surgery at St. Mary's Hospital. Darlene and Brice Dowell, Leeroy and Kay O'Briant and their daughters, Tina and Tawna, and Joe Higgs stayed with J. O. during the long surgery.

We saw the Parkers' daughter, Dawn, from Fort Worth who was there with her mother, June Parker, but she was asleep and we didn't visit with her.

We went on to the Methodist Hospital to visit Edgar Beecher. His sister and her husband were there with him.

On Thursday I went with Geneva Justice to Plainview and we visited Debbie Annen who was in Central

"The Lord shall be to thee an everlasting light"

The flash bulb is bright, but gone in an instant... the photo flood light may serve brightly for 6 hours, and the house light may work for weeks or months.

Light bulbs of all kinds... have their limitations on wattage and hours to serve... But the Lord's light is forever. Attend Church Sunday and let God... bring forth thy righteousness as the light."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

"The Lord is my light and my salvation." Psalm 27:1

CARD OF THANKS
The family of "Bub" Ramey wants to give a special thanks to each individual and also to all members of AA who so faithfully came by each day to see "Bub" during his brief illness. We also thank you for all of the many phone calls, cards, flowers and prayers. Our thanks also to all of you who helped prepare and serve the wonderful meal at the "Top of Texas" the day of the funeral.

We also thank all the loyal friends at Dimmitt who kept Mr. Ramey's and Decimae's morale up during this time, with your visits, food, phone calls, prayers and cards.

May God's richest blessings be upon all of you. We know "Bub" was greatly blessed by it all, and it has left a mark that will long be remembered.

LEGAL NOTICE

NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT

Notice is hereby given that BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION ("The Cooperative") intends to change the design of its Irrigation Rate and its Cotton Gin Rate. The Cooperative is not requesting additional revenue from either of these two classification of service. The filing is to change only the method of collecting the annual revenue amounts presently approved by the Public Utility Commission.

The proposed changes in the Irrigation Rate are as follows:

The facilities charge of \$7.50 per installed horsepower per year which is billed in twelve (12) equal installments will remain unchanged.

The present demand charge of \$5.00 per operating horsepower for April through September is proposed to be changed to \$22.80 per installed horsepower during the on-peak season, which shall be billed in six (6) equal installments from April through September billing months. Customers shall have the option of requesting that the electric meter be disconnected for the entire on-peak season, in which case the customer will not be assessed the demand charge, provided that a written request is received by the Cooperative prior to the end of the customer's March billing month. The Cooperative will reconnect the customer's meter after the end of the on-peak season, if so requested by the customer, at no charge to the customer.

The present demand charge of \$2.00 per operating horsepower for October through March is proposed to be changed to read "no demand charge for installed horsepower for the off-peak period from the October through March billing months."

The present energy charge of \$0.04234 per kWh per month is proposed to be changed to \$0.04247 per kWh per month. It is proposed to eliminate the present energy charge of \$0.0719 per kWh for non-irrigation usage.

It is further proposed to determine the installed horsepower to be the manufacturer's motor nameplate rating, but for billing purposes this shall not be less than five (5) H.P. for the three-phase service, and not less than three (3) H.P. for single-phase service.

The proposed changes in the Cotton Gin Rate are as follows:

For the Ginning Season (October-March)
Customer charge of \$75.00 per month unchanged.

The present demand charge of \$3.00 per kW of billing demand per month is proposed to be changed to no billing demand per month.

The present energy charge of \$0.0531 per kWh per month is proposed to be \$0.0645 per kWh per month.

The annual minimum charge of \$15.00 per kW of peak demand and the non-ginning season (April-September) rates will be unchanged.

With these proposed changes, the date the irrigation and cotton gin meters are read will make no difference in the bills.

The proposed changes are applicable to all irrigation customers and all cotton gin customers of the Cooperative.

The classes and number of Cooperative customers affected are as follows:

IRRIGATION 2908
COTTON GIN 25

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change

DEADLINE NEAR FOR STATE SOYBEAN CONTEST

Soybean growers have until Sept. 1 to enter the 1984 Soybean Yield Contest, announces an agronomist with the Texas Agricultural Extension Service. The Texas Soybean Association and Elanco Products Co. provide awards for the top three producers in each of two categories — irrigated and non-irrigated. Awards include plaques, varying amounts of herbicides, and a trip for two to each of the first place winners. Each entrant must grow at least 50 acres of soybeans and designate at least five acres to be harvested. Entry forms are available at the county Extension office.

Elizabeth Huckabay was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Johnnie Vannoy won high score and Susie Reeves won second high. Others playing were: Alice Collyer, Jean Christian, Loranell Hamilton, Jo Gregory, Emily Clingingsmith and Cleo Forson.

Mr. and Mrs. Alonzo Childers from Dalhart, and Mamie Jones from Amistad, N.M. visited the Jim Bagwells over the weekend.

Two former Dimmitt boys, who are now Baptist pastors, have been in town. Mike Goodwin is in Missouri and Butch Strickland, Jr. is in Oregon. Maybe next week their parents will give me more news about these men.

I received a letter from another former Dimmitt boy who was asking for David and Sue's address so I will just put it in my column since Dale Leinen said he enjoyed reading "On The Go." The address is: David Vaughan, 906 Rainbow Drive, Richardson, Texas 75081.

Raleigh and Grace Strother have enjoyed the 18-day visit of their daughter Leigh Elaine; from July 27 through August 13. Elaine has finished a four-year tour of duty with the United States Army, being stationed in West Germany for three years and eight months.

Also, their daughter Phoebe of Dumas, visited them and Elaine on the weekend of the 29th of July. Then, Mac, their son, came out

from Dallas, and the whole family was together at Phoebe's house in Dumas on the weekend of Aug. 11.

Much visiting, and much recovery on Elaine's part from a seven-hour time change from West Germany!

Elaine plans to work toward a Master's Degree at California State, as she finished work for her Bachelor in Economics while in the Service.

Presbyterian happenings

The Presbyterian Church is located at 16th and Western Circle Drive.

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult Bible class meets at the home of Mrs. Emily Clingingsmith. All other classes meet at the church.

"The Door" will be the subject of Pastor Edward D. Freeman's sermon at the morning church worship service Sunday at 11. The new doors at the church will be dedicated at this service and the men who built, installed and stained the doors will be honored.

The Fall Leadership School will be held at the First Presbyterian Church in Amarillo on Saturday from 9 a.m. to 3 p.m.

Swifts will be tough again

"Going into the playoffs again is definitely their goal this year," new Head Coach Rex Minshew said of his Nazareth Swifts. "And I think it's a realistic goal."

It would certainly seem so. The Swifts have five starters and three other lettermen back from last year's bi-district championship team. They'll field a line that averages almost 200 pounds per man and includes two all-district returnees. And that line will front a backfield built around two all-district runners.

"We'll be bigger than nearly anybody we play this year," Minshew said, "but we've also got some quickness. We've got good kids in the key positions."

Starters back from last year's playoff team — which lost to state champion Knox City in the regional title game — are senior backs Chris Gerber, Ricky Backus and Mark Kleman, senior tackle Billy Huseman and junior center Billy Steffens.

Backus (6-0, 160) was an all-district running back last year, but is being called on this season to guide the team from the quarterback slot, where he succeeds all-district Johnny Schmucker. A fourth-year starter, Backus will bring both speed and quickness to the Swifts' 1 and pro-set formations.

"Ricky will add a lot to our running game because he's so quick," Minshew said. "His passing has really improved, too. I feel like we'll be able to pass any time we need to this year."

Gerber, at 6-1, 180, is the district's premier tailback. An all-district player last year, he's expected to be the main mail-carrier in the Swifts' ground-oriented offense.

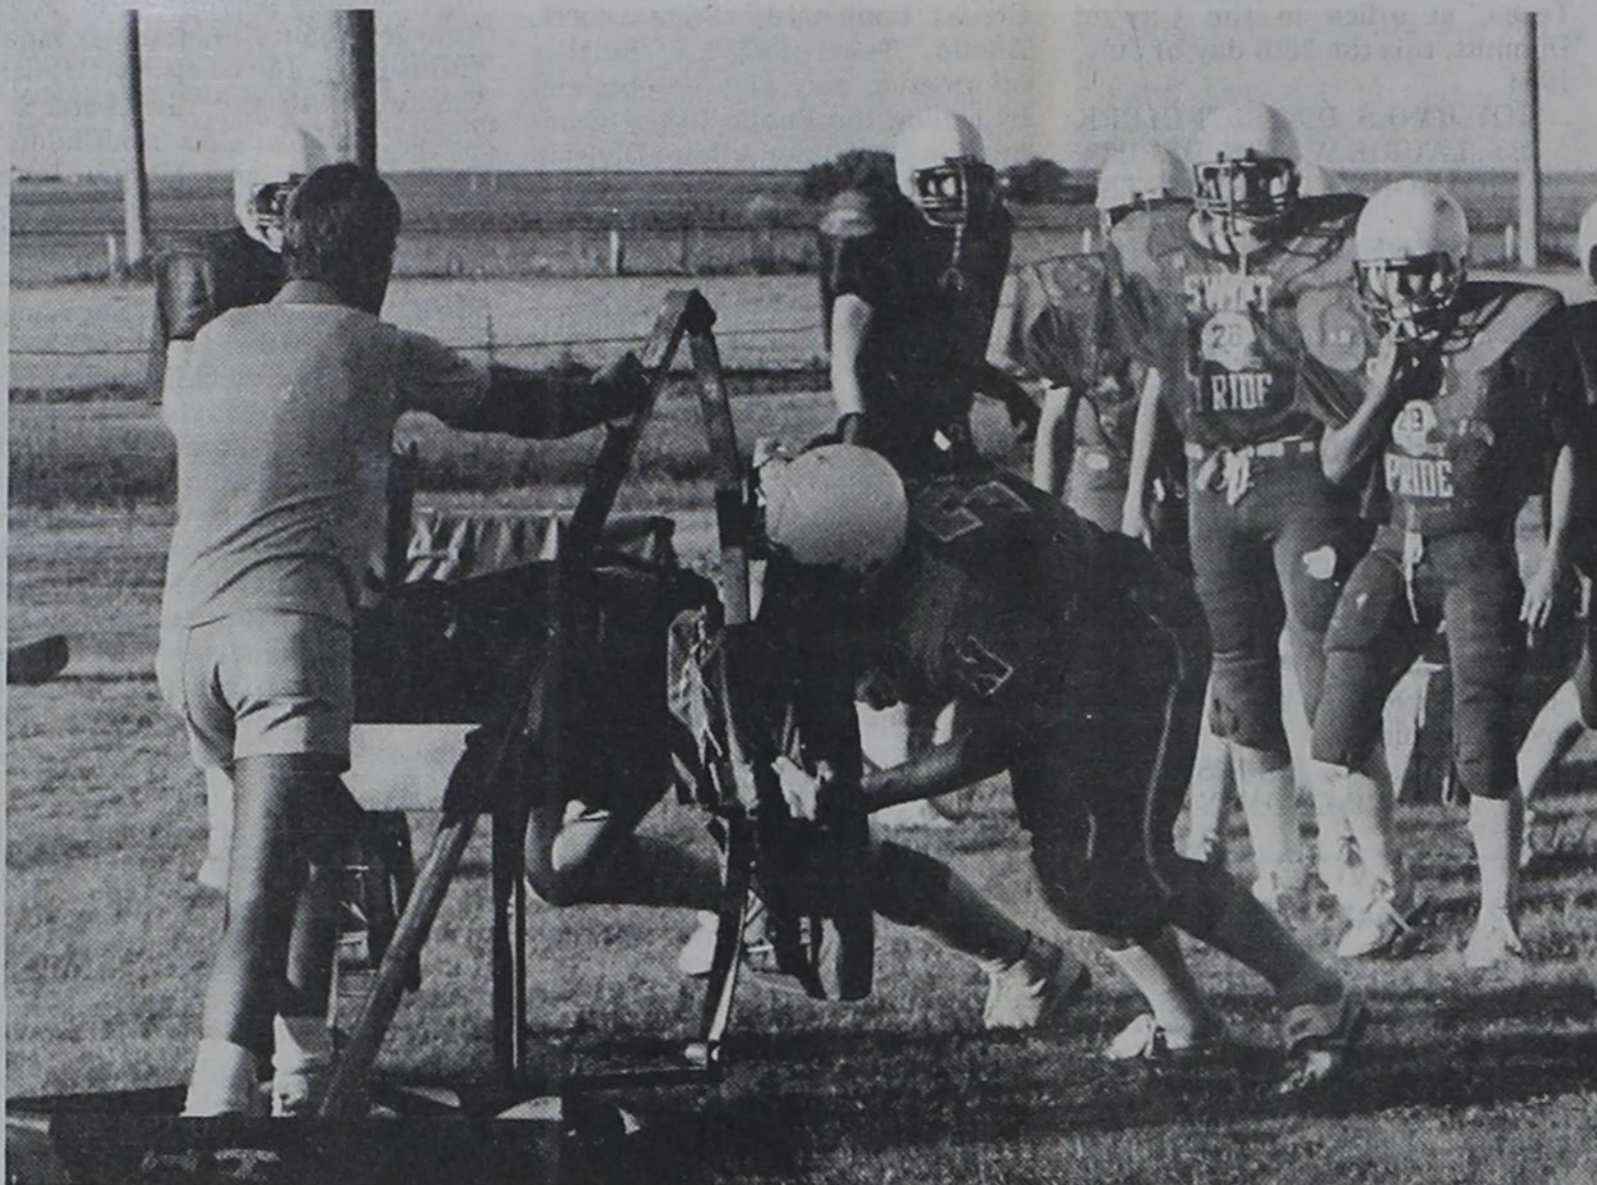

Lining up in front of Gerber in the fullback position is Frankie Huseman, a 5-10, 150-pound junior.

When the Swifts use the pro-set formation, Mike Huseman (6-2, 175, Jr.) will line up in the backfield. In the I formation, returnee Mark Kleman (6-0, 160, Sr.) will be at wingback.

When it comes to the line, opponents might as well try to make friends with the Swifts' tackles, 210-lb. Billy Huseman (6-3 senior, all-district), 222-lb. Randy Leavitt (6-5 1/4 junior) and 246-lb. Howard Steffens (6-1 senior).

Starting guards will probably be Kenneth Kleman (6-0, 185, Sr.) and Lance Brockman (5-9, 150, Sr.), while Billy Steffens (6-2, 200, Jr.) returns to fill the center position, where he earned all-district honors last year.

Kevin Hoelting (6-2, 170, Jr.) seems to have the tight end spot nailed down, but three players are still vying for the nod at split end. They are Craig Wilhelm (5-7, 140, Jr.), Craig Huseman (5-8, 140, Soph.) and Alan Birkenfeld (5-9, 140, Soph.).

'DRIVE! DRIVE!'—A pair of big Nazareth Swift linemen take Assistant Coach Jey Penquite on a sled-ride during evening workout Friday. The Swifts, defending bi-district champions, are the co-favorites in the super-tough District 2-A North Zone race this year.

The Swifts' main defense will be a five-man line with two line-backers, but they'll also use a 4-3 combo and a split-6.

"We'll vary our defense a lot," Minshew said. It's a tactic which — considering the Swifts' front-line size — could drive opponents up the wall.

Bolstering the Swifts' lineup will be junior back Bennie Schacher and sophomores Todd Hill, Randy Hochstein, Shawn Wilhelm, Leroy Schulte, David Steffens, Brad Klein and Kenny Kern. Ten freshmen are also out, making it a 33-man squad — "more than we've ever had before," Minshew noted.

Many of the freshmen and sophomores will play a junior varsity schedule.

Last year's Swifts, you will recall, went farther than any team since NHS started 11-man football. They posted a 9-1 record in regular season, losing only a hear-breaker to Valley, then defeated Sundown for the zone championship and Wheeler for the bi-district title before losig to eventual state champion Knox City, 20-6, in the regional finals.

The Swifts lost nine seniors off of that squad, including seven starters. Also, they lost Head

Coach Ken Cole, who accepted the football post at Sanford-Fritch.

But Minshew moved up to the head coach's spot, and has a lot of boys back with playoff experience.

"I'm really enjoying it," Minshew said. "The kids and the community are responding real well, and you couldn't ask for a better place to be a head coach, the way the kids work."

Minshew also feels he's blessed with a pair of top-notch assistants — Johnny Hampton, now in his third year at NHS, and Jey Penquite, who just joined the staff before workouts started. Penquite, a native of Mustang, Okla., graduated from Northeastern Oklahoma College and is a second generation football coach.

Despite the way things look for the Swifts on paper, the 2-A North Zone race should be a real tussle

this year. Vega has starters back at 18 of 22 positions and is favored by the district's coaches to win the title. Farwell, which has dropped from Class AA, has 12 returning starters from the team that went to the AA area finals last year, and is ranked 10th in the state by Texas Football magazine. Yet Texas Football also has picked Nazareth to win the district.

It's going to be an interesting season.

Scrimmages scheduled

With a week of contact practice behind them, the Dimmitt Bobcats, Hart Longhorns and Nazareth Swifts will all scrimmage non-conference opponents this week.

The Longhorns will travel to New Deal tonight (Thursday) for a scrimmage session with the Lions at 6 p.m.

The Bobcats will travel to Bovina Friday to test their skills against the Mustangs. The session will begin at 6 p.m.

The Swifts will go to Sudan to scrimmage the Hornets Friday at 6

p.m. This week's scrimmages will signal the end of two-a-day pre-season workouts.

All three local teams will scrimmage again on Friday, Aug. 31. The Bobcats will host the Farwell Steers, the Longhorns will host Lubbock Cooper and the Swifts will travel to Springlake-Earth.

The varsity football season will open Sept. 7 with the Bobcats traveling to Roosevelt, the Longhorns hosting Anton and the Swifts at Lubbock Christian.

'Stag' tennis tourney set

The Castro County Tennis Association will sponsor an all-male tennis tournament Friday at 7 p.m. at the Dimmitt High School tennis courts.

Men of all ages, sizes and tennis abilities are invited for doubles play and refreshments. "Merely take racket and go to courts on Friday evening," an association spokesperson quipped.

For further information, call W. J. Hill, 647-5406 or 647-2149, or Kathryn Ekern at 647-2383.

Old Settlers book comedienne

Comedienne Waynon Mayes has been booked as the main speaker at the 1984 Castro County Old Settlers Reunion.

The reunion, a feature of the annual Harvest Days celebration, will be held Saturday, Sept. 15, in the Senior Citizens Center. Registration will begin at 10 a.m. and a basket lunch will be served at noon. Lunch will be furnished for those from out of the county, planners said.

The reunion this year will follow the Harvest Days theme, "Remember When?"

Harman fourth

Billy Harman of Dimmitt, driving his 1967 Dodge Coronet R/T, advanced to the semifinals of a 60-car field before finishing fourth in his class at the Western Conference Regionals races at Amarillo over the weekend.

Harman turned in a best elapsed time of 14.23 seconds (104 mph) over the quarter-mile course. He was the only Amarillo-area driver in his street class left in the eliminations before going out in the semifinals.

Harman is ranked in the top 10 of the 165 racers who compete regularly at the Amarillo Speedway, and has qualified to run at Green Valley Raceway in Fort Worth Oct. 6.

TP&WD lists special hunts

Hunters unfamiliar with procedures required for hunting on Texas Parks and Wildlife Dept.'s 21 wildlife management areas may wish to obtain a free leaflet now being offered by the TP&WD.

The "Hunting Opportunities" leaflet lists all the management areas where hunting is offered, species hunted, fees and procedures for participating in public drawings where applicable.

Many of the department's management areas are open to hunting during the open seasons on a registration basis. Some require a fee. However, a special permit is required for most deer and feral hog hunts, and all turkey and javelina hunts. Permit recipients are selected by public drawing, and prospective hunters must submit application forms to the department's Austin headquarters prior to the deadline set for that drawing.

The "Hunting Opportunities" leaflet and forms may be obtained by calling the toll-free number, 1-800-792-1112.

The 1984-85 Texas hunting and fishing licenses and special stamps have been delivered to Texas Parks and Wildlife Dept. offices and license agents across the state and are now available to the public.

Department officials remind sportsmen that 1983-84 hunting and fishing licenses expire on Aug. 31, and the 1984-85 licenses now available for purchase are not valid until Sept. 1, 1984.

Resident hunting and resident fishing licenses are priced at \$8 respectively, and resident combination hunting and fishing licenses are \$12.

Texas' state waterfowl stamps are priced at \$5, and are required in addition to a valid hunting

license for hunting waterfowl in the state, including the Sept. 15-23 teal duck season. Federal regulations require a federal duck stamp in addition to the state stamp.

White-winged dove hunters also are reminded that a \$6 White-winged Dove Stamp is required in addition to a valid hunting license for hunting that species.

The department's 1984-85 Hunting and Fishing Guide, containing complete information on regulations and license requirements, is also available at the County Clerk's office, TP&WD offices and from license agents.

Cat's Corner

Last week I mentioned that the football team was hard at work in their two-a-day workouts (and they still are). Also, the cheerleaders were and are very busy... but there is another group working very hard, too. They're at the field house an hour before the team arrives and are still there an hour after the last player has gone... They're the unsung workhorses of any team... the managers. Believe me, they do a lot more than just hand out towels... a LOT more!

He is the son of Mr. and Mrs. Ronnie Hoelting of Route 1, Nazareth, and is a graduate of Nazareth High School.

Hoelting was one of 237 TSTI students who received associate degrees, diplomas and certificates at the school's semi-annual graduation ceremonies on August 10, in the Civic Center Auditorium. Chip Staniswalis, state representative, was the commencement speaker.

profit, farmers have two options: Produce less or sell more. Federal policy can help increase foreign sales by providing education and training to farmers and farm groups on the techniques of selling our products, at a profit, on the world market. This training could more than pay for itself by reducing the burden on other farm bill programs.

Although each representative had specific concerns, there was a common goal expressed throughout the meeting with Secretary Block: We need a farm policy that realizes farmers must make a profit to survive, a policy that gives every farmer a fair shake on government programs. I believe that we must work together, in meetings like the one in Dallas, to achieve that goal with new farm legislation in 1985.

I'd like to hear your comments on these and other proposals for fair and effective farm policy. Write to me at 1606 Avenue X, Lubbock, 79401.

Nazareth plans big Labor Day

Nazareth's annual Labor Day Picnic will include a parade, a barbecue dinner, a hamburger supper, games and art-craft displays, and a dance.

The Labor Day Parade will begin at 10:30 a.m., followed by a barbecued beef dinner served from 11:30 to 2 in the Community Hall. The menu will include barbecued beef, potatoes and gravy, corn, green beans, homemade bread, relish plate, fruit cobbler, tea and coffee. Prices will be \$4 for adults and \$2 for children's plates.

An auction will follow the lunch, and the afternoon will be filled with such old-fashioned picnic activities as bingo, casino games, dunking board, horse races, grab bag, country store, and fancy work displays.

The Rough Riders will provide live music for the dance from 9 p.m. to 1 a.m.

All activities of the annual Labor Day Picnic are open to visitors.

Spotlighting firemen

Steve Jameson

Steve William Jameson is the Fire Marshal for the City of Dimmitt and is employed fulltime at the fire department. He and his wife, JoAnn (Tucker), have three children, Christina, Steve II and Doris. They attend the Baptist church and enjoy camping and fishing as hobbies.

Jameson has been a fireman for over 13 years. He has served as the Dimmitt Fire Marshal for 1½ years; was a paid firefighter for eight years, and was Assistant Fire Marshal over Arson Investigation for the City of Pasadena, Texas for 3½ years.

The training that Jameson has received is extensive. He was certified through the Texas Commission on Fire Protection as an arson investigator, fire-fighter, basic fire inspector, intermediate fire inspector, and Class B Instructor to teach paid or volunteer firefighters. He attended the University of Texas paramedic school and is a certified Texas peace officer through the Texas Law Enforcement commission. He attended Texas A&M fire school 1974-1984; attended supervisory

school through Texas A&M; attended arson for profit school taught by the Bureau of Alcohol, Tobacco and Firearms; and attended the National Fire Academy for Arson Training.

In addition to the training, Jameson is a member of the Texas Society of Fire Service Instructors. He has attended various workshops and other training seminars which include the Arson Seminar, Plainview, taught by Lubbock S.O.; and the Law Enforcement Workshop on making a winning case in Lubbock taught by the Prosecutor Council.

Jameson is the training officer, and secretary of the Retirement Board for the Dimmitt V.F.D.

Six Point Plan for Fair and Effective Farm Policy

Part 2

When farm group representatives from six states met with Ag Secretary Block last month, each of us told the Secretary of the concerns of our group or region. In my speech I presented six specific proposals based on my talks with farmers throughout the 19th Congressional District. Last week's column included the first three of these proposals; this week I'll discuss the remaining points.

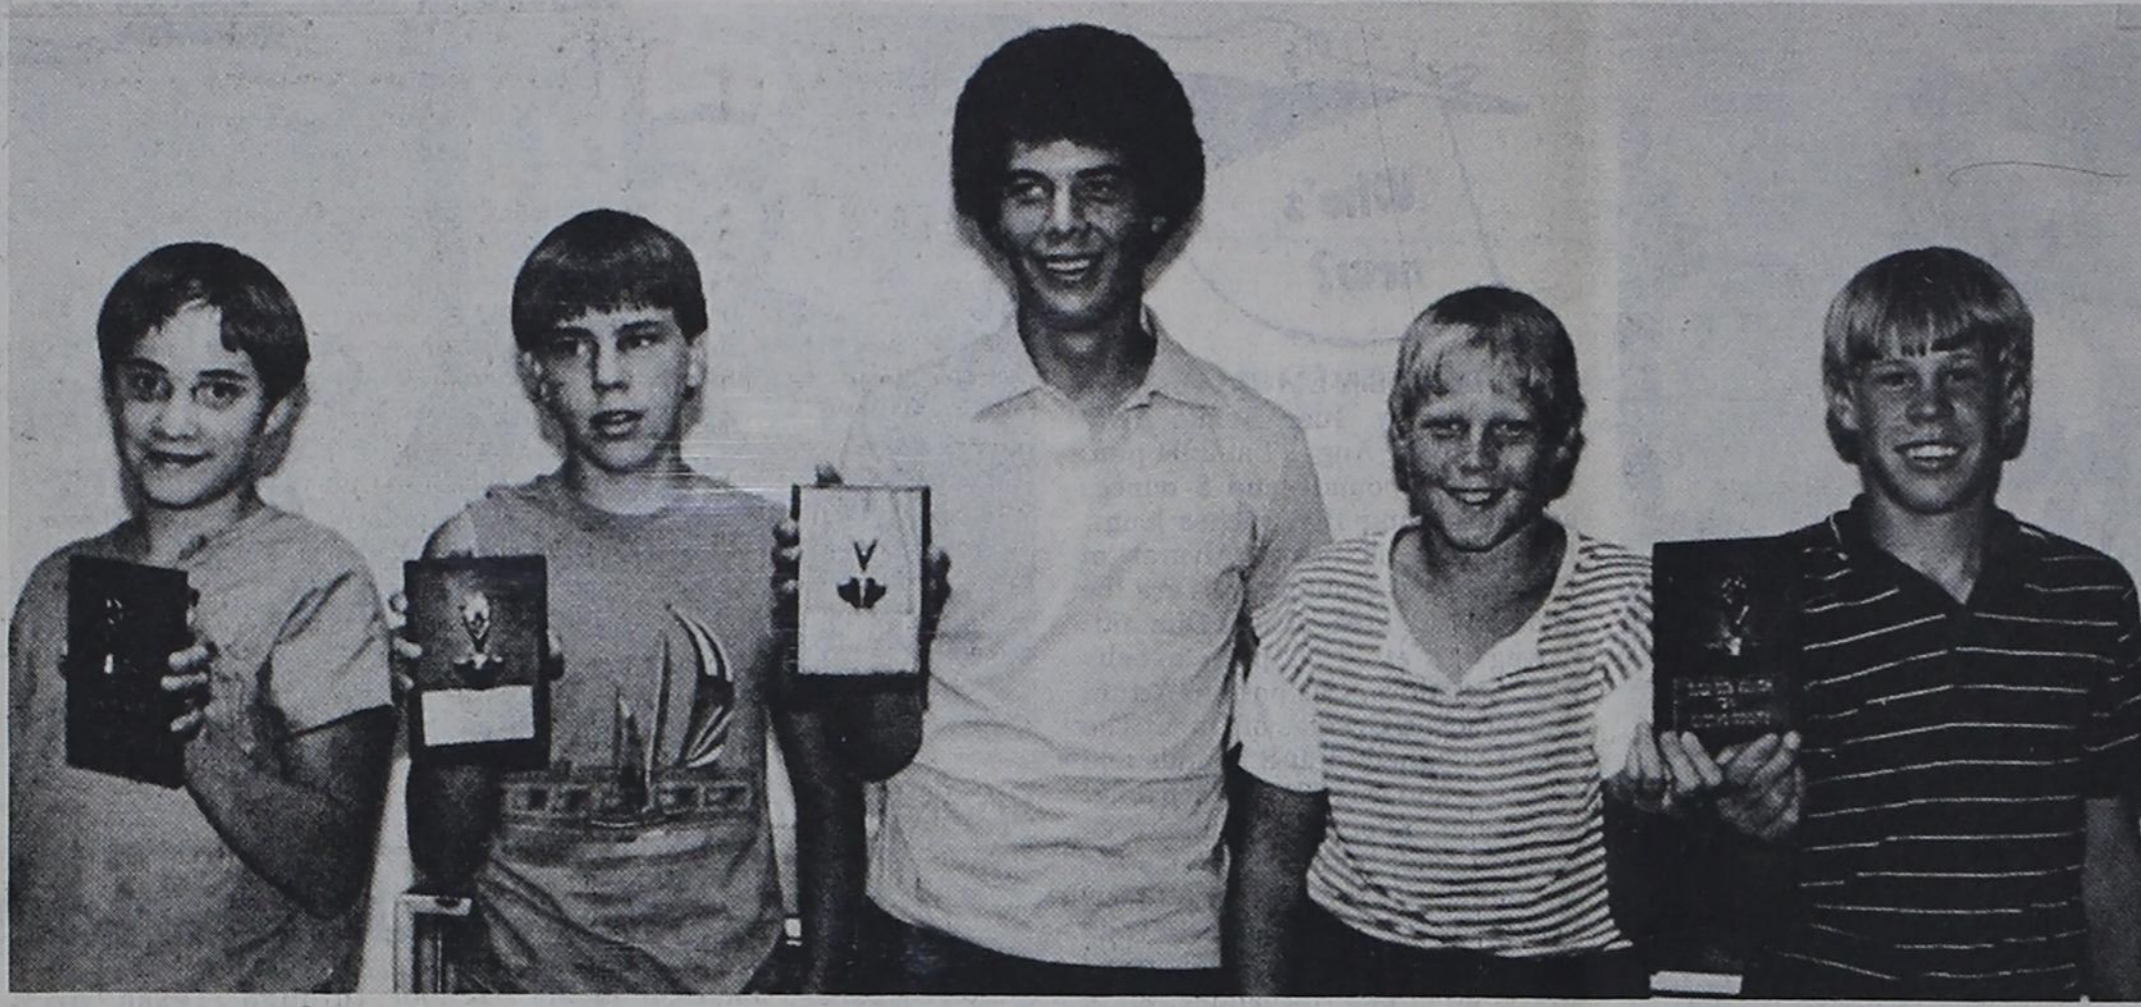

The fourth point is that Federal Crop Insurance must provide fair yield coverage at a reasonable premium. Our farmers' extreme vulnerability to weather makes low coverage and high premiums impractical. The FCIC has begun to address this problem, but it must consider new procedures to lessen the penalty now placed on farmers when they can least afford it—after they have suffered several losses in a row caused by weather or

other factors outside their control.

Fifth, the Maximum Payment Limitation should be increased. Much has changed since the \$50,000 limitation was introduced several years ago. The current limitation forces too many producers to go off the program. This not only deprives these farmers of the benefits of the program, it also encourages production undermining the purpose of the program.

The regulation allowing farmers to "get back" a percentage of the ACR acres over the limit is not a fair substitute for the dollars lost. The limitation should be raised to a level that protects the family farm concept and encourages greater program participation.

And sixth, increasing exports must be a top priority for future farm policy. To attain a market price necessary for a reasonable

Our girl in Australia

AFS'er copes with left lane, 'giddays'

Editor's Note: Following is a letter to the people of Dimmitt from Denise Smith, who has been in McKay, Queensland, Australia, since mid-June under the AFS American Abroad Summer Program. She is the daughter of Mr. and Mrs. Elbert Smith, and will be a junior in Dimmitt High School this year. She will return home Aug. 31.

Dear Friends,
Just thought I would write and let you know about Australia. First and most important is the language. I thought there wouldn't be much difference, but the first two weeks were really hard. For instance when asked if I brought my togs I thought they meant some type of shoes when really they meant a swim suit. That is just one of many different words.

The driving is another problem. In Brisbane when picked up at the bus depot we were told to get in a certain car; we started climbing into the driver's side. Also, the first time we turned a corner it was very frightening. Now, after a certain accident, I learned which ways to look when crossing a street.

The people here are all very nice. When you are walking down the street you always get a lot of smiles and giddays.

During my stay I have been on a tour of a cattle station, to a couple of beaches, to rock concerts, movies, a lot of afternoon teas, and dinner parties to name a few. Also, I have been to Eungella National Park where I got close enough to pet a kangaroo. They are so sweet, and their fur is so soft. I really wish I could bring one home with me.

There are trees everywhere. They will be growing down the middle of the street which really

makes a very pretty road. The weather at the moment is very cold.

School is very different. Everyday you have different classes at different hours of the day and one class you have a double period. Wednesday afternoon you have two hours of sport where you do something you signed up for at the beginning of the semester. There is a special sports uniform for Wednesday which if it happens to be cold that day you freeze to death. The school work though is time consuming.

These next couple of weeks my parents and friends have such things planned as a trip to Townsville, an island hop, a barbecue and the list goes on. My family is absolutely great.

I'd like to thank everyone again for the support and prayers.

I love it her and have made many friends I will hate to leave, but they are planning to all come and see me. I haven't had very much spare time with all the research papers due and activities I have attended, but I am managing to watch some of the Olympic games, but I do have to be careful about who I cheer for. There is so much more to tell you, but I'll stop here. Thanks again.

Love,
Denise

The surprise "gag" birthday party at the church last Thursday night honoring Rev. Bentley Gwyn on his 40th birthday turned out to be a surprise to all involved, since the preacher went out visiting and didn't get back until very late. They played games, had refreshments, and did all they had planned to do except cut the cake, and when he arrived the party continued.

Several from the community attended the 50th wedding anniversary of C. J. and Irene Fowlkes of Rockport in Dimmitt Sunday afternoon. They are former residents of the community.

Alton and Betty Louder, Leslie Louder, L. B. and Teeny Bowden attended the funeral services of an uncle, Clarence Baggett, in Tulia Saturday morning. Alton and Leslie were pallbearers. Leslie had visited with him earlier in the week. Sandy Odom, Lisa, Kyle and Misty arrived from San Antonio Friday night to attend the services and visit a week or so with relatives here. Nancy Kirby of Amarillo also attended the services. Ezell and Verba Sadler visited with the Baggett family in Tulia Friday evening. Embree Roy and Willie Mae Sadler also attended the funeral services.

Ezell and Verba Sadler attended the funeral services of Mancil McWilliams, a second cousin, in Plainview Saturday morning. They had visited with the family Thursday night. L. B. and Teeny Bowden visited with Mancil and Nita and their daughter, Dixie Williams of Denison, Tuesday and with the family Thursday afternoon and again Saturday after the funeral in Tulia.

Jacob Ethan, infant son of Lance and Terri Louder, was baptized in the Sunday morning services of the First United Methodist Church in Dimmitt. His grandparents, Rev. and Mrs. Bill Fleming of Abilene, spent Saturday night with them and Lacy, and Rev. Fleming performed the baptism. Alton and Betty Louder, Roxie Louder of Flagg, and her mother, Zella Mae Rutherford of Earth, also attended.

Justin and Tracy Dameron were presented Bicentennial silver dollars on red, white, and blue Olympic ribbons Sunday morning, having tied for first place in the summer reading club program. Jared and Jason Brown were presented silver dollars on red ribbons, having tied for second place. Pictures were taken of them with all the ribbons they had won, and then their silver dollars, Christi Gwyn was the third place winner but was not present to receive her silver dollar on a white ribbon.

The Waggoners, Sadlers and Fowlkeses and their guests and other kin all had dinner together at K-Bob's Sunday. C. J. had recently broken his foot when he dropped a piece of iron on it, but was able to make the anniversary celebration in spite of the cast.

Gerald and Pat Elkins were both down with the flu over the weekend. Kathy Gwyn sang special Sunday night and favorite hymns were sung for the third Sunday night singing.

Maxine Tidwell taught I Corinthians 13:8-12 to five women in the home of Verna Sadler Tuesday morning. Christi Gwyn spent the weekend

with her grandparents, Roger and Betty Curry of Lubbock. Rev. and Mrs. Bentley Gwyn and Holly took her Friday morning and the Currys brought her home Sunday evening.

Mike and Michele Bell, Zachary and Michael returned home Sunday night from vacationing in Dallas-Fort Worth this week. They visited Six Flags, Water World, the zoo and other attractions and attended the Fort Worth-Pittsburgh and the Texas Rangers games.

Billie and Emma Jean King spent last weekend at Green Belt Lake near Clarendon with his brother, Francis and Mary King. They came back by Happy Monday and visited with her mother, who flew to Beeville Tuesday for the wedding of a granddaughter.

Richard and Karen Laverty of Plainview brought Jason and Jared Brown home from Lovington Saturday, and spent Saturday night and Sunday with Lee and Gale Brown and boys. They were visitors in the Sunday morning services.

C. J. and Irene Fowlkes arrived from Rock Port Saturday and spent Saturday, Saturday night and Sunday night with her brother, Eulees and Hazel Waggoner.

Tommie and Sara Fowlkes of Fort Worth spent Saturday night with his sister, Willie Mae and Embree Roy Sadler. They were here to attend the 50th wedding anniversary of C. J. and Irene Fowlkes.

Susan Harmon of Lubbock arrived Saturday night to attend the 50th anniversary of the Fowlkeses and visit with Gale and Verna Sadler. Susan visited with them in the Sunday morning services and

Rotarians hear Sava

"I didn't believe any of them," Greg Sava said jokingly of the many politicians he met on his recent trip to Washington, D.C., as a participant in the Presidential Classroom program.

Sava told the Dimmitt Rotary Club about his trip at the Friday meeting of the club. He was introduced by club member Doug Pybus.

Sava said that politicians from various government agencies spoke to the program participants and often gave conflicting views.

"I enjoyed the trip and learned a lot about how our government works," Sava said.

Thirteen club members were present for the meeting, along with guest Robert Jones.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Castro County Hospital District (Plains Memorial Hospital) will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1983 by 8 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held Friday, August 31, 1984, at 7:30 p.m., in the classroom at Plains Memorial Hospital.

FOR the proposal: James Welch, Jerome Brockman, Marguerite McLain, Charles Rickerd, and Desi Pesina.

AGAINST the proposal: None.

ABSENT and not voting: None.

'DIXIE' DOWNING WITH OWNER, CAROLINE
... Semifinalist in "Great American Dog" search

Genteel 'Dixie' is now a Purina semi-celebrity

Dixie, a collie from Easter, and her owner, Caroline Downing, 9, are semifinalists in the 1984 Purina Dog Chow "Search for the Great American Dog," a nationwide contest to find America's most charismatic canine.

Dixie is one of 500 dogs nationwide (10 from each state) to be named semifinalist in this year's "Search." People from coast to

coast wrote Purina to nominate their pet as the greatest.

Dog owners submitted a recent photograph of themselves and their dog — or a family member with their dog — and an essay explaining why theirs should be named the "greatest."

Dixie's owner, Caroline, told Purina that "Dixie Downing is a genteel little lady dog. She is loving and good-natured. She loves to be wherever we are, but her favorite place is under the kitchen table. She's a great mother and a good friend to me."

Carolyn is the daughter of Trent and Lana Downing. She has two older sisters, Laura and Amy. The winning pet nationwide will get \$25,000, and its photo — along with the owner — on eight million bags of Dog Chow, plus a trip to New York City and a one-year supply of Dog Chow.

Five regional finalists will be selected in October. From the five finalists, the grand prize winner will be determined in November by a vote of the general public.

CAP to meet

The local chapter of the Civil Air Patrol will meet tonight (Thursday) at 7 in the Dillon Gage office building in Dimmitt.

Lt. Col. O. G. (Pete) Minden of Amarillo, Emergency Services Director of the Texas Wing of the CAP, will present the final section of emergency services training for local members.

A slide presentation on downed aircraft will also be shown.

All members are urged to attend, and interested persons are welcome.

Prepare your child for first school day

The first day of school can bring "opening day jitters" for even the most well-adjusted child, according to a psychiatrist at Baylor College of Medicine.

Martin Drell, M.D., a Baylor child psychiatrist, says parents need to prepare children for the first day in the classroom by explaining what school is like and how the child should behave.

"School isn't something to be sprung on the child at the last minute," Drell said. "Parents shouldn't say the child is going to the swimming pool and then end up at the school. It's important not to mislead the child."

Drell says parents should avoid overselling school to their youngsters, and should be realistic when describing how time will be spent during the school day.

"Some parents go overboard and make school sound slightly better than Disneyland," he said. "Under those circumstances, the big buildup backfires. The child goes to school and expects free time playing on the slide, but part of school is being able to sit down and get to business."

Parents can reduce children's normal fears by having them visit the school and meet the teacher before classes begin. Pointing out familiar faces of neighborhood children who will be classmates may also make the child less apprehensive.

Most children adjust to the new environment within a few days.

Others may continue to have problems or may have a delayed reaction in which they develop problems getting along with other children or the teacher. Troubled children may reveal their problems in play, with the "mean" teacher or the classroom "bullies" as villains.

Parents should let children know that school rules are different from those at home. For example, playtime, naptime and bathroom visits will be coordinated by the teacher.

"The parent needs to let the child know that the teacher will be in control when the parent isn't around," Drell said. "This relieves the child and lets the teacher do the job."

Part of the ritual of going to school includes getting new supplies like pencils, a colorful lunch box, and even a backpack. The importance of having "in" things like velcro shoes or a T-shirt with a popular cartoon or movie character splashed across the front shouldn't be underestimated.

"One of the innate urges of children is to be like everyone else," Drell said. "They don't want to be different, and parents should let the child fit in with the crowd, at least at this age."

The most important thing is to get children used to playing and sharing with other children, Drell said, and to realize that there will be plenty of time to emphasize individuality after the child becomes adjusted to the classroom and the peer group.

McMillon earns academic honor

The National Secondary Education Council has announced that Tammy McMillon has been named an Academic All-American.

The NSEC established the Academic All-American Scholar Award Program to recognize superior students who excel in the academic disciplines. Academic All-American Scholars must earn a 3.3 or better grade point average. Winners must be nominated by a secondary school instructor, counselor or other qualified sponsor.

McMillon, a Dimmitt High School senior, was nominated for the national award by Yvonna Hays, English teacher.

McMillon is the daughter of Bill and Helen McMillon.

Singing Hazel Family to perform here Sunday

The Hazel Family, popular gospel singing group, will make a return appearance Sunday evening at the Lee Street Baptist Church in Dimmitt.

Their gospel concert will begin at 7 p.m., and is open to the public.

The eight-member Hazel Family performed at the local church two years ago.

The Hazels, who live in Lubbock and Stephenville, perform an average of 75 programs a year throughout the Southwest.

The family includes Glenn Hazel, father and bass singer; Mae Hazel, mother and alto; Donna Hazel Lasater, lead singer and pianist, and her husband, Russ Lasater, who operates the sound equipment; Wayland Hazel, eldest son and tenor, and his wife, Elaine Hines Hazel, lead singer; Barry Hazel, the youngest son, who sings tenor and plays bass and acoustic guitar; and Carolyn, the youngest in the family, who sings also.

All the Hazel children and their spouses are Texas Tech graduates — most with music degrees.

— most with music degrees. Donna and Elaine are music teachers; Russ is a range conservationist; Wayland and Barry operate a business together; and Carolyn just graduated with a degree in consumer science. Glenn, the father, is a retired farmer.

Mr. and Mrs. Black reside south of Hart after vows

Mr. and Mrs. Ricky Gene Black are establishing residence south of Hart following their Aug. 10 wedding ceremony. The bride is the former Dana Ann McLain, daughter of Mr. and Mrs. Cleve McLain of Hart. Mr. and Mrs. Charles Black of Hart are the parents of the groom.

Rev. Jack Lee, pastor of the First Baptist Church of Hart, officiated for the evening ceremony, held in the home of Mr. and Mrs. D. L. McLain of Hart, grandparents of the bride.

Wedding vows were exchanged in a setting of palm trees forming an archway in the living room of the home. The trees were placed in royal blue foil pots tied with light blue ribbon accented with blue flowers.

Given in marriage by her father, the bride wore a formal gown of white bridal satin fashioned with a stand-up neckline of re-embroidered Chantilly lace. The front and back yokes were of net illusion trimmed in appliques of matching lace and seed pearls, and featured a wide band of the decor down the center front to form a princess-style waistline. The bishop sleeves of net illusion ended in deep cuffs of lace fastened with tiny self-covered buttons. Matching buttons were featured down the center back of the dress. To complete her ensemble, she chose a long flowing veil of layered silk illusion caught into a bandeau cap of Chantilly lace and seed pearls. The lower edge of the veil was graced with seed pearls and lace appliques.

She carried a cascading bouquet of white silk roses interspersed with flowers in two shades of blue, accented with white lace ribbon and blue satin streamers. In the bouquet was tied the first wedding ring of her paternal grandmother, for the traditional something old.

MR. AND MRS. RICKY GENE BLACK
... She's the former Dana Ann McLain.

Borrowed was a pair of pearl earrings from her sister, Jill McLain, and she wore a blue garter. In her shoe were pennies with the birth year of the couple. Something new was her dress.

The bride's sisters served as her attendants. Sheryl McLain was maid of honor and Jill McLain was bridesmaid. They were attired in royal blue taffeta gowns featuring molded bodices accented with wide ruffles around the scoop necklines. Triple ruffles formed the short sleeves. Sheryl's skirt was fashioned with wide ruffles beginning at the side waist and going around the lower edge of the skirt. The ruffle on Jill's skirt flowed from the center front. They carried white fans decorated with blue and white flowers and streamers.

Best man was James McLain of Hart, the bride's brother. The groom's brother, Chad Black of Hart, served as groomsman. Ushers were Cary and Benny McLain, brothers of the bride.

Wanda Black, mother of the groom, made the bride's bouquet and the fans carried by her attendants, as well as the flowers and boutonnières worn by other members of the wedding party and the parents of the couple.

A reception was held in the home following the ceremony. The bride's table was covered with a white linen and lace cloth caught up at the corners by white lace bows accented by tiny blue flowers. Serving as the centerpiece was the bride's bouquet graced by her attendants' fans. Crystal and silver appointments were used to serve the traditional wedding cake and punch.

The groom's table was laid with a blue and white linen cloth featuring brass cowboy boots holding blue tapers with bandanas flowing down the boots. Brass horseshoes with the initial "B" served as napkin rings. Brass and crystal appointments completed the decor.

Presiding at the tables were Mrs. James McLain of Hart, sister-in-law of the bride; and Tamera, Tonya, and Trisha Houchin, all of Hart and cousins of the bride.

A 1976 graduate of Hart High School, the bride received her degree from Texas Tech University in 1980 with a major in physical education and a minor in health. For the past four years, she has been employed in the Dimmitt Middle School.

The groom is a 1973 Hart High School graduate and is self-employed.

The wedding rehearsal was held Aug. 9 in the McLain home and was followed with a dinner at the Golden Corral in Plainview.

Couple establish home in Denver after Aug. 4 vows

Mr. and Mrs. Joseph James Oravetz have established their new home in Denver, Colo., following their Aug. 4 wedding.

The couple was wed in a formal double-ring ceremony in the Madill, Okla., Church of Christ with J. D. Walker of Pauls Valley officiating.

The bride is the former Barbara Lynn Upton, daughter of Mr. and Mrs. Joe D. Upton of Madill, Okla., formerly of Dimmitt, having moved away in 1967. She is also the granddaughter of the late Mr. and Mrs. Leland Lee of Dimmitt. The groom is the son of the late Mr. and Mrs. Rudolph Oravetz of Barnesboro, Pa.

Given in marriage by her father, the bride wore a formal gown of chiffon de Roma and English net over taffeta with Alencon lace and Schiffli embroidery enhancing the mandarin collar, a fitted bodice and Renaissance sleeves. The bell skirt flowed into a demi-cathedral-length train, encircled by a scallop of Alencon lace.

Alencon lace and seed pearls adorned the bride's headpiece and trimmed the attached waltz-length veil of illusion. Her bouquet was arranged from pink roses, miniature pink carnations, English ivy and fern.

Maid of honor was Michelle Bailey of McKinney. Bridesmaids were Deborah Seebeck of Oklahoma City, Okla., Susan Wittpen and Janette Neal of Dallas.

Steve Cook of Los Angeles, Calif., served as best man. Groomsmen were Dano Maguire and Alan Barker, both of California, and Paul Upton of Oklahoma City, brother of the bride.

Ushers and candlelighters were Scott Burkholder of Denver, Colo., and Jim Surratt of Dallas. Gail Shriver of Oklahoma City and Carla Roderman of Madill sat at the registry.

Ringbearer was Tommy Kirsch, nephew of the groom, and flower-girl was Jeanine Falgout, niece of the groom.

Serving at the reception after the ceremony were cousins of the bride Kim Gullett of Magnolia and Cathy Upton of Sugar Land, along with Debbie Williams, Floyce Buck, and Joan Laird.

MRS. JOSEPH JAMES ORAVETZ
... nee Barbara Lynn Upton.

Jennifer Upton of Sugar Land, cousin of the bride, and Jesse Kirsch, nephew of the groom, distributed seeds to be thrown by the guests.

The bride attended Oklahoma State University and is presently attending Metropolitan College in Denver, Colo. The groom is a

graduate of Colorado School of Mines and is employed as a geophysicist with Mobil Oil Corp. in Denver.

Out of town guests included Carolyn Copeland, Allie Mae Willis, and Mrs. C. L. Morris, all of Dimmitt, and Mr. and Mrs. G. L. Willis of Hereford.

In the past five years,
long distance telephone
companies have
redefined the long
distance industry.
Here's why:

Competition for the long distance dollar is completely redefining the market. With the breakup of the Bell System on January 1, 1984, the courts ruled that MCI, Sprint, NTS Communications and others could compete equally with AT&T for long distance revenue. Time should eventually bring competition to all communities.

Here's how you can take advantage
of this phenomenal growth.

NTS Communications, Inc. of Lubbock, Texas is expanding its West Texas network. If you would like further information and disclosure on our franchise please contact us at 806-762-4565.

Grand Prairie is home for Carrolls

Mr. and Mrs. Paul Wilbert Carroll are at home in Grand Prairie after their July 28 wedding at the Bible Baptist Church in Dimmitt, with Rev. Kenneth Carroll, pastor and father of the groom, officiating.

The bride is the former Angela Leigh Cable, daughter of Charlotte Baker of Blountville, Tenn., and Al Cable of Grand Prairie. The groom is the son of Rev. and Mrs. Kenneth Carroll of Dimmitt.

Maid of honor was Kristi Edwards of Grand Prairie. She wore a lilac formal-length gown, and carried white carnations.

George Carroll of Arlington, brother of the groom, served as best man. Ushers were David Carroll of Arlington, brother of the groom, and Nick Grable of Friona, brother-in-law of the groom.

Wedding music at the piano was provided by Janice Carroll, mother of the groom. The groom sang "Lady" to the bride, accompanying himself on the guitar. The bride recited a poem she had written to the groom.

Given in marriage by her father, the bride wore a formal-length gown of organza overlaid with dotted Swiss. The dotted Swiss formed an inset at the neckline and also formed the puffed sleeves. A tulle ruffle accented the yoke of the dress, and three tulle ruffles also trimmed the gathered skirt, which formed a chapel-length train.

Her veil was fashioned of bridal illusion edged in lace. White and lilac rosebuds formed her bouquet.

The altar area of the church featured a brass arch entwined with greenery and flanked on each side by arrangements of lilac and white silk flowers.

A reception honoring the couple was held in the church. The bride's table was covered with lilac cloth overlaid with white lace. The three-tiered cake, made by Debbie Grable of Friona, sister of the groom, was decorated with lilac roses and topped with a bride and groom figurine under an arch.

The cake and punch were served by Judy Carroll of Arlington and Debbie Grable of Friona, sisters of the groom.

The groom's table was covered with white overlaid with white lace. The chocolate cake was served by Velma Carroll of Hereford, grandmother of the groom. Melissa Grable of Friona, niece of the groom, distributed rice bags.

The bride is a graduate of Grand Prairie High School, and is employed by Eckerd Drug of Grand Prairie.

A 1982 graduate of Dimmitt High School, the groom is employed by Best Product Co., Inc., in Grand Prairie.

MR. AND MRS. STEPHEN P. WILLIAMS were wed recently in San Antonio and are residing in Pearsall. A graduate of Texas Tech University, the bride is the former Kristie Baldwin, daughter of Mr. and Mrs. Robert H. Baldwin of San Juan, Puerto Rico. The groom, also a Tech grad, is the son of Mr. and Mrs. Sidney J. Williams of Pearsall. The bride's mother is a 1956 graduate of Dimmitt High School, and her grandmothers are Annie DeLozier and Mrs. B. H. Baldwin, both of Hereford.

DOUBLE-RING VOWS united Lora Diane Strickland, daughter of Leila Strickland of Levelland and Buddy Strickland of Hobbs, N.M., and Ricky Alan Dutton, son of Mr. and Mrs. Bryan Dutton of Earth. He is also the grandson of Mrs. Jewell Connell of Dimmitt. Vows were exchanged Aug. 11 in the First Baptist Church of Levelland. The couple are residing in Levelland, where the groom is attending South Plains College, studying computer information systems.

Irwin is honored

A shower honoring Lynn Irwin, bride-elect of Gregg Sides, was held Saturday in the home of Kathy Lust of Dimmitt.

Guests were greeted by Mrs. Lust, the honoree and her mother, Verna Irwin of Dana Point, Calif.,

and Carolyn Sides, mother of the prospective groom.

The serving table was covered with an ecru lace cloth. Mint tea, coffee and Texas snowballs were served from brass and crystal appointments. The centerpiece was a wooden goose decorated with greenery and ribbons in navy and rust.

A special guest was Mrs. George Bagwell of Dimmitt, grandmother of the future groom.

Twenty-nine other hostesses assisted Mrs. Lust. They presented the couple with a food processor and serving pieces in the bride-elect's chosen china pattern.

MRS. PAUL WILBERT CARROLL ... nee Angela Leigh Cable.

Markley is feted

Karen Markley, bride-elect of Corey Gardner of Plainview, was honored with a bridal shower Saturday in the home of Kay Kellar of Dimmitt.

Guests were greeted by Mrs. Kellar, the honoree, and her mother, Rosalie Markley Hawkins of Dimmitt.

A special guest was Nina Markley, grandmother of the honoree.

The solid glass top of the serving table was complemented by the crystal appointments and an arrangement of pink roses. A watermelon carved in the shape of a basket held melon balls and mixed fruit. Sausage balls and donut holes were also served, along with pineapple punch.

Twenty-one hostesses assisted Mrs. Kellar. Their gift to the honoree was four place settings of her selected pattern of bistro dinnerware.

LEPA: it s-t-r-e-t-c-h-e-s water

Low Energy Precision Application (LEPA) irrigation continues to show its advantages to High Plains irrigators in field demonstrations of the highly efficient method.

One of the dozen demonstrations over West Texas is located on the Smithson farm in Castro county. Rayphard and Randy Smithson are cooperating on the demonstration with Seth Ralston, county Extension agent. The Smithson system will be demonstrated during the county farm tour next Wednesday.

The precisely planned system uses existing center pivot sprinklers which apply water approximately six inches from the ground. Water pressure in the sprinkler can be lower because individual application patterns are only 12 to 18 inches in diameter. Both features are highly beneficial to area farmers who are in the midst of increasing energy costs and declining water supplies.

The LEPA concept, which was developed and researched by Dr. Bill Lyle of the Texas Agricultural Experiment Station can effectively apply 98% of the irrigation water. Water losses from standard impact sprinklers and spray nozzles are believed to average 20% to 25%. Lower water pressure can reduce fuel consumption at cost 15% to 20% below that of most typical center pivot sprinklers, according to Leon New, Extension agricultural engineer, who has coordinated the LEPA demonstrations.

On level ground, only six to eight psi are needed at the pivot point, New said. Differences in ground elevation must be designed into the system to provide adequate pressure for uniform irrigation regardless of where the unit is located in the circle it makes. Of course, the main pipeline of the

TRACKING HIM DOWN—County Entomologist Allen Knutson starts with a damaged leaf from a tall cotton stalk as he tracks the birth-to-boll route of a cotton boll worm during one of two "turnrow meetings" on the subject Monday. Knutson later located the worm inside a square midway on the stalk. Paying close attention to Knutson's demonstration are (clockwise, from left) Rayphard Smithson, David Behrends, Bay Baldrige, County Agent Seth Ralston and Travis Hampton.

system must be large enough that friction loss is minimized too, New said.

A big boost to the demonstration is the availability of special LEPA nozzles. At least three major sprinkler and spray head manufacturers now have LEPA nozzles on the market. LEPA utilizes standard sprinkler drops and these companies have helped, too.

The demonstrations include LEPA drops in every row and every other row of crops grown on 30- and 40-inch beds. Yield was no higher where drops were in every other row in 1983. The additional demonstration in 1984 will help verify how close the LEPA drops must be.

Corn, milo, sugar beets, cotton, wheat and alfalfa are being grown in the LEPA demonstrations.

A disadvantage of the LEPA irrigation method can be that the water is dumped into the furrow. A quarter-mile center pivot with 1,100 gpm and with LEPA drops in every other furrow will apply nine gpm in the furrows toward the end of the machine. In this case, runoff may occur, especially on sloping ground. Water from center pivots that apply 500 to 600 gpm can usually be held by the water furrows.

Lyle's research and development of LEPA included furrow dikes. However, many corn growers will not use furrow dikes because of fear of not being able to harvest corn should it fall between the dikes. Dikes are a natural combination with LEPA and sprinkler irrigation in cotton, sugar beets and other low-profile crops.

Growers who are cooperating on the LEPA demonstrations and do not use dikes are improving water penetration into the soil by chiseling 8 to 12 inches in the furrow after the crop is up, plowing crop residue back into the soil, making beds a little higher and using other tillage practices. Farming in a circle, which is essential with LEPA, channels water in the furrows and with adequate bed height especially on sloping ground provides additional time for water to move into the soil.

Cost of the material to convert existing quarter-mile center pivot sprinklers is as low as \$2,000 where low-pressure nozzles are already installed on drops and connected into the mainline pipeline every 10 feet, and 30- or 60-inch beds are used. Material to convert a sprinkler presently equipped with impact sprinklers where beds are spaced 40 or 80 inches is likely to be \$8,000 or more.

If the cost of conversion to LEPA can be paid for by greater yield in a single year, as was the case at one demonstration location in 1983, it's a good deal, New said.

Some center pivot manufacturers offer selective mainline outlet spacings on new center pivot machines. This is a definite advantage for LEPA irrigation,

Farm banks name Rogers

James A. Rogers has been named chief executive officer of the Farm Credit Banks of Texas, according to Roy A. Seaberg Jr. of Huffman, chairman of the Board of Directors of the Tenth Farm Credit District.

The three Farm Credit Banks were formerly under separate management. Individual banks within the Texas Farm Credit System are the Federal Intermediate Credit Bank of Texas.

Ray Robertson of Dimmitt is vice chairman of the board of directors.

According to Seaberg, the board for some time had been searching for ways of making the banks' operations more efficient.

"Cooperation and coordination already had begun in many areas," Seaberg said. "This major step toward joint management will allow even more efficiencies which ultimately will benefit the state's farmers and ranchers who borrow through the Farm Credit Banks."

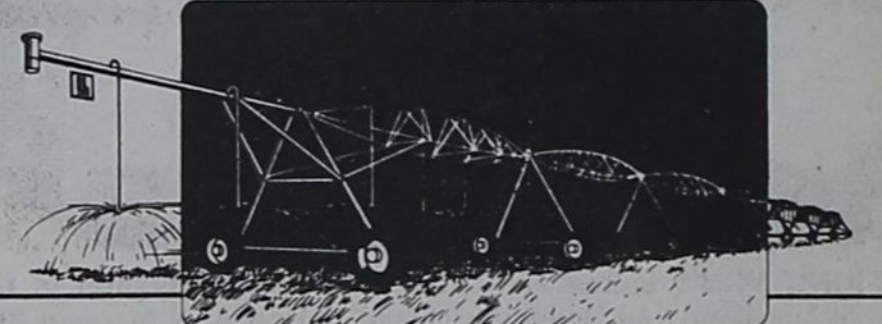

During the announcement, Rogers said that the banks would continue under the present operating officers until details for the new organization were in place.

Heading up the daily operations of the respective arms of the organization are Larry Shepherd, Federal Intermediate Credit Bank of Texas, Jack Hughes, Texas Bank for Cooperatives, and Don Rogge, the Federal Land Bank of Texas.

The Texas Farm Credit System is comprised of the Federal Intermediate Credit Bank of Texas, 28 Production Credit Associations, the Federal and Bank, 47 Federal Land Bank Associations and the Texas Bank for Cooperatives. Collectively they provide more than \$4 billion in financing to Texas farmers, ranchers, aquatic harvesters and their cooperatives.

Rogers, a Wills Point native, is a graduate of Texas A&M University with a B.S. degree in agricultural education. He served as master sergeant in the U.S. Army Corps of Engineers during World War II.

The new CEO taught school in the Caldwell school system from 1949 to 1952. He began his career with Farm Credit as a fieldman for the Tyler Production Credit Association in the Wills Point office in 1952.

NISD adopts state salary schedule

The Nazareth School Board voted in its August meeting to adopt the House Bill 72 salary schedule for teachers, setting \$15,200 as the minimum yearly wage for a beginning teacher. Raises were granted in the amount of \$170 per month for Supt. Johnny Mason, and principals Jim Peggram and Babs Lombard. Lunchroom personnel were also granted raises of 25 cents an hour, except for Judy Acker, who was given a 40-cent raise to bring her up to \$4 per hour. Mrs. Anderle was also given a 25-cent an hour raise.

Bonuses were approved for Shirley Underwood (\$50 per month for 12 months) and Shirley Peggram (\$50 per month for 10 months). Additional bonuses for math teachers were tabled until later, while all other bonuses were kept intact, except for Johnny Hampton and Omega Leavitt. The board is considering a health plan in lieu of part of the bonuses in future.

Substitute teacher pay levels were set at \$25 per day for a substitute with a high school

diploma, \$30 for one with some college but no degree, \$35 per day for a substitute with a bachelor's degree, and \$40 per day for one with a master's degree. On a single-period basis, the pay is \$6 per period.

The board voted to take school and accident insurance coverage with Keystone Life Insurance. Catastrophic coverage for football of \$50,000 per incident will be covered at \$2 per player. The players' premiums will be \$15 each.

In other business, the board: —Voted to keep school meal prices at the same levels as last year, except for visiting adults, who must now pay \$2.50.

—Accepted the Bell bid for providing milk to the schools, with the provision that Bell provide a cooler.

—Agreed to recruit a bus driver for special education students, a monitor for the vocational education bus going to Tulia, and a counselor for one day a week.

—Nominated Marge West, Jim Whiteside and Deanne Clark as members of the State Education Board.

HISD to finalize budget on Tuesday

In their August meeting, the Hart School Board set Tuesday as the date for final amendments to the 1983-84 budget and for approval of the 1984-85 budget.

In an earlier special session, the local bonus for certified personnel was set at \$1,200 above base for those with a bachelor's degree and at \$1,350 for those with a master's degree.

Those hired at the two sessions include Yvonne Salcido in the position of CVAE girls teacher; Donna Auld in remedial reading

and math in the elementary; Betty Montiel, Marsha George, Rosa Perez, Bev Garza, Angelita Morales, Mary Malone, Mary Reyna, Gloria Diaz, Bertha Griswold and Barbara Diaz as teacher aides; and Peggy Neimast, Dale Jahay and David Knox as bus drivers.

Pay for substitute teachers was set at \$40 per day for certified teachers, \$35 per day for non-certified substitutes, and \$25 per day for substitutes for teacher aides and secretaries.

The purchase of carpet for the new elementary library was approved at the price of \$1,110. Six new tables were also purchased.

A new video cassette system and television costing \$2,800 were purchased for the athletic department, with \$1,000 of the funds coming from the athletic booster club.

In other business, the board: —Set the new time schedule for teachers and students and set requirements for tutorial sessions.

—Approved the CVAE shop budget in the amount of \$4,300.

—Agreed to pay bus drivers \$25 per trip to out of town football games.

—Approved the purchase of three new computers.

TRACTOR I.D. CAN THWART THEFT

Farmers can reduce tractor theft by putting an identification number on their tractor. The proper number to use for property identification in Texas is the owner's driver's license number, says a community development specialist with the Texas Agricultural Extension Service. Place the identification number on the rear of the differential housing, or if this area is not accessible, place the number on the right axle housing on the top or rear. Use a metal stamping tool and make sure the imprint is legible. Also, record and safeguard all serial numbers on farm equipment.

CHURCH CONFERENCE SET

Computer technology and its effects on various segments of society will be the major focus of the 1984 Town and Country Church Conference at Texas A&M University, Sept. 10-11. The annual conference provides an opportunity for church leaders to obtain information which can help satisfy a growing need for overall community understanding and cooperative action, notes a sociologist with the Texas Agricultural Extension Service. This year's conference is designed to help church leaders learn more about computers and the role of these electronic marvels in the church community.

TWO CALLS to the Dimmitt Volunteer Fire Dept. were needed to finally extinguish all the smoldering embers in this storage building located behind a mobile home at 404B NW 2nd Street in Dimmitt. The structure was reported on fire at about 1 p.m. Friday. Firemen checking for remaining sparks are [top] Tommy Cleavinger, and [bottom, from left] Merton Powell and Acie Boyd.

Fire Calls

Friday was a busy day for Dimmitt's volunteer firemen. They put out a storage shed fire twice, then were called on to fight the flames from a broken gas meter.

The storage shed fire was reported at 1:33 p.m. at 106 W. Dulin St. City Fire Marshal Steve Jameson said first indications are

that youngsters caused the fire by smoking inside the utility buildings, where a mattress was stored.

Thirteen firemen with a pumper truck responded to the call and extinguished the blaze in 15 minutes. But cinders inside one wall of the shed rekindled and firemen had to go back later and spend another 10 minutes tearing out sheetrock and insulation to make sure there were no more sparks.

The gas meter fire occurred at 6:40 p.m. Friday when a car ruptured a meter in the alley between Northeast Seventh and Eighth, in the 400 block. The car's driver, Wanda Thomas, received second-degree burns over 25% of her body.

Firemen pulled the burned car off the meter with their rescue vehicle, then extinguished the high-burning flames and plugged the gas line.

Man sentenced in arson case

Carl Patton Hogan, 59, of Summerfield was given a five-year probation sentence and ordered to pay a \$1,000 fine plus \$120 in court costs Monday after pleading guilty to three counts of arson.

The charges stemmed from a fire last Feb. 29 at Hogan's mobile home at Mobile Manor Trailer Park in Summerfield.

Dimmitt Fire Marshal Steve Jameson filed the charges.

Hogan appeared before Judge Marvin Marshall in 242nd District Court here.

Boy, 2, hit by backing car

Louis Jaramillo, 2, was admitted to Plains Memorial Hospital for observation Tuesday night after reportedly being hit by his aunt's car as she was backing out of a driveway.

The accident occurred in the driveway at 809 SW Fourth St., city police said.

The boy was listed in satisfactory condition at the hospital Wednesday morning.

pathologist, performed the autopsy in Dimmitt Saturday night. He reported that Garibay had died of multiple stab wounds to the left lung and heart, and adjudged Garibay's death to be a homicide.

Police took Sifuentes into custody "without incident" at 8:30 a.m. Saturday and later charged him with murder, Franklin said.

"The fight evidently started in the yard of the house and moved from there into the street," Franklin said. "The evidence indicates that Garibay was in the street when he was stabbed."

Garibay's funeral services will be held in Porvenir, Chihuahua, Mexico, where he was born.

Garibay had lived in Dimmitt with his wife and two young children "a little less than a year" and was employed by a local farmer, Franklin said.

THE CHESAPEAKE BAY supports some 2,700 species of animal life, says the National Wildlife Federation. Some of the most notably edible bay creatures are oysters, clams, crabs, flounder, bluefish, eels, sea trout, croakers, shad, striped bass and herring.

Obituaries

Clarence Baggett

Funeral services were held in Tulia Saturday morning for Clarence Baggett, 82, brother of Nora Louder of Dimmitt and uncle of Alton and Leslie Louder and Mrs. L. B. Bowden of Sunnyside.

Mr. Baggett died last Thursday. Last rites were held in the Wallace Funeral Chapel of Tulia with Harold Kennamer, minister of the Central Church of Christ, officiating. Burial was in Rose Hill Cemetery, directed by Wallace Funeral Home.

Mr. Wallace was born in the Gunsight community in Stephens County. He married Grace Dement in 1932 in Dimmitt, and later served in the US Navy. He moved to Tulia in 1970 and was a member of the Central Church of Christ.

Survivors, other than his sister, nephews and niece here, include his wife, Grace; a son, Chester Lee of Tulia; another sister, Edna Williams of Cisco; two grandchildren; and two great-grandchildren.

Essie Helvey

Essie Helvey, a Dimmitt resident since 1937, died at 7:40 p.m. Saturday in Plains Memorial Hospital. She was 87.

Funeral services were held at 3 p.m. Monday in the First Baptist Church, with Rev. Joe Higgs officiating. Burial was in Westlawn Memorial Park, under the direction of Parsons-Forkley Funeral Home.

Born March 8, 1897, in Fannin County, she moved to Dimmitt 47 years ago from Wellington. She was a member of the First Baptist Church.

She was preceded in death by a son, Floyd Dickey, in 1981.

She is survived by her daughter-in-law, Ferne Dickey of Dimmitt; two granddaughters, Marilyn Beam of Amarillo and Suzanne Axe of Lubbock; five great-grandchildren and one great-great-grandchild.

Pallbearers at the funeral were J. W. Stone, J. B. Moore, Dr. Charles Vandiver, Russel Moran, Blackie Blackwood and Hubert Edwards.

Toribio Garibay

Funeral services were held Wednesday in Porvenir, Chihuahua, Mexico, for Toribio Garibay, 22, of Dimmitt.

Mr. Garibay died at 8 a.m. Saturday in Deaf Smith County Hospital from stab wounds received in an incident in Dimmitt earlier that day.

A murder charge has been filed in connection with his death, which was ruled a homicide.

Born in Porvenir, Mr. Garibay had been a Dimmitt resident about a year. He was a farm worker and a Catholic.

He is survived by his wife, Eva, of Dimmitt; his mother, Rosa Garibay of El Paso; a son, Ramon, a daughter, Veronica, both of the home; a brother, Patrick, of El Paso; and two sisters, Lorena Iseal Flores of Fort Leavenworth, Kan., and Liliانا Garibay, address unknown.

Parsons-Forkley Funeral Home of Dimmitt was in charge of local arrangements.

Gary Lee Ward

Funeral services for Gary Lee Ward, 28, of Friona were held Monday morning at the Lee Street Baptist Church of Dimmitt with Rev. Ronnie Travis, pastor, and Rev. Charles Vick, pastor of Westway Baptist Church of Hereford, officiating.

Burial was in Westlawn Memorial Cemetery under the direction of Parsons-Foskey Funeral Home of Dimmitt.

Mr. Ward was a former student at Dimmitt High School and his parents and a sister reside here.

Mr. Ward died Friday morning in a one-vehicle rollover nine miles west of Plainview, according to Texas Dept. of Public Safety troopers. He was westbound on SH 194 when his pickup left the road and overturned four times before stopping in a ditch. He was thrown from the vehicle.

Justice of the Peace Shirley Groce, acting coroner for Hale County, pronounced him dead at the scene. She estimated the accident occurred about 2 a.m., but the body wasn't discovered until 6:45 a.m., according to the DPS.

Born Dec. 1, 1955 at Goldthwaite, Mr. Ward moved to Friona about a year ago from Lawton, Okla. He had attended DHS for a couple of years and was a veteran of the US Army. He was employed by the transport division of Friona Industries as a truck driver. He was a Baptist.

Survivors include his parents, Mr. and Mrs. Lee Ward of Dimmitt; a son, Jason Ward of Arizona; a brother, Joe of Hereford; three sisters, Debbie Ward of Los Angeles, Calif., Dianne Grusing of Wilmar, Minn., and Tammy Allison of Dimmitt; and grandmothers Ellen Ward of Poplar Bluff, Mo., and Linnie Covington of Goldthwaite.

Pallbearers were Billy Lital, Ricky Timmons, Bill Henderson, Lonnie Woodruff, Gary Floyd, and Skip Moss.

Honorary pallbearers were his fellow employees at Friona Transport.

Police calls

A murder investigation highlighted the activity among local law enforcement agencies during the week.

The Dimmitt Police Dept. arrested Ignacio Sifuentes, 17, of Dimmitt, in connection with the Saturday morning stabbing death of Toribio Garibay, of 638 NW Sixth st.

Police took Sifuentes into custody at 8:30 a.m. Saturday — 4½ hours after the stabbing incident and half an hour after Garibay died in Deaf Smith General Hospital in Hereford.

Sifuentes is in the Castro County Jail under \$50,000 bail pending action by the next Grand Jury, which will convene next Wednesday.

In other police activity, Stan Byrnes Motor Co. reported last Thursday morning that four spare tires had been stolen during the night from four pickups on the auto dealership lot on North Highway 385. The Castro County Crime Line is offering a \$100 reward in the theft case. Anyone with information of the crime may call the Crime Line number, 647-4711. Through the Crime Line system, the caller will remain anonymous.

Mary Vigil of Country Arms Apartments reported last Thursday morning that her car had been stolen during the night. Police later found the car parked in an alleyway between West Andrews and Dulin Streets.

Someone threw a beer bottle through a plate-glass window of the Castro County Farm Bureau office at 304 N. Broadway over the weekend. City police are investigating the incident. The broken window was valued at \$250.

Bookings in the Castro County Jail during the week included one for murder, three for public intoxication, two for driving while intoxicated, and one each for assault and driving with license suspended.

YH, YF set Area I Convention, banquet

The annual meetings of the Area I Young Homemakers of Texas and the Area I Young Farmers of Texas will be held Saturday in Plainview, along with a joint awards banquet.

New area officers for both organizations will be elected and installed. Honor award winners will be announced by both organizations at the banquet.

The Young Homemakers will meet in the recital hall of Harrell Auditorium on the Wayland Baptist University campus, with registration beginning at 9:30 a.m. Chapter exhibits and name tags will be set for display and judging.

Mrs. Pete Laney of Hale Center will be the keynote speaker on the theme "Reflections of a Homemaker." Election of officers will also be held in the morning.

During the afternoon sessions Robert Spence Modeling School will illustrate "First Impressions" for the Homemaker. Wynon Mayes, Hale County Extension Agent, will lead a symposium for "Today's Homemaker." Speakers and their topics will be: Mrs. Mayes, "Consumer Trends"; Dr. Fred Meeks, Pastor of Plainview First Baptist Church, "Importance of Communication"; Frances Sams, Plainview, "Effective Discipline"; Shirley Igo, Plainview, "Community Involvement," and Karen Houchin, attorney, Lorenzo, on "Managing a Home and a Career."

The newly elected officers will be installed by the current State Young Homemaker President, Debbie Annen of Dimmitt.

Current area officers include Mrs. Tom Miller of Dimmitt, vice president membership.

The Young Farmers will meet in the study hall at Plainview High School, with registration starting

at noon. A business meeting and election of new officers will highlight the session.

Current area officers include Larry Robb of Dimmitt, reporter. The joint awards banquet will begin at 7 p.m. in the Plainview High School cafeteria.

Awards to be presented by the Young Homemakers are: the Outstanding Chapter award, sponsored by the Investor Owned Utility Companies of Texas; and the Outstanding Future Homemaker Scholarship and the Outstanding Young Homemaker award, both sponsored by Energas. The Area YHT Officers will also present honorary membership to supporters of their association.

The Young Farmer awards to be presented are: Star Young Farmer, by the Farmland Industries; the Farm and Ranch Management and the Outstanding Young Farmer, both sponsored by the Production Credit Association; the Outstanding New Chapter, sponsored by Texas Agricultural Cooperative Council; the Outstanding Young Agribusiness award, by the Texas Agribusiness Electric Council; Outstanding Area Officer award, sponsored by Texas Bank for Cooperatives; and three awards presented by the State Association of Young Farmers, namely the Young Farmer Chapter Best in Public Relations, For Outstanding Radio-TV; Outstanding Associate member and the Advisor Tenure Award.

The first place winners in most of the awards will advance to the state competition later this year.

Area I for both Young Homemakers and the Young Farmers is composed of chapters from 38 counties of the Panhandle-South Plains of Texas.

'Miss Texas Teen' applicants sought

Applications are now being accepted from girls 13 through 19 for the Miss Texas U.S. Teen Pageant.

The Texas winner will receive \$250 in cash, a one-year college scholarship, all-expense trip to the national pageant including airfare, plus jewelry, color portrait, crown, banner, trophy and a host of gifts and products.

In addition to the state title, awards will be given in leadership, friendship and photogenic categories.

The Texas pageant will be held at the North Park Inn in Dallas. Judging is based on poise, personality, school, and community involvement.

For further information, interested girls may contact Carole Clements, National Director, Miss U.S. Teen, P. O. Box 1229, Auburn, AL 36830 or call (205) 745-6875.

Dimmitt hires new teachers

Dimmitt schools recently announced three resignations and hiring of new personnel.

Tammy Davis, bilingual kindergarten teacher, resigned, as did Dorothy Street, middle school math teacher, and Zona Vilas, seventh grade English teacher.

Junior Ashmore from Hale Center, a recent graduate of Wayland Baptist University, has been hired as a junior high coach and physical education teacher for boys.

A spring graduate of West Texas State University, Christina George has been hired as choir and music teacher for the high school and middle school.

Sue Atchley was hired as a fourth grade teacher. Linda Davis will be a reading resource teacher in middle school. Darlene Turner will teach sixth grade. Nancy Smith will be a reading resource teacher in Richardson elementary.

Night courses set in Dimmitt

Amarillo College will be offering two night courses in Dimmitt for the fall semester, principles of management and principles of accounting.

The management course will meet Mondays from 7 to 10 p.m. in Rm. 21 at Dimmitt High School. The book required for the course will cost \$29.35.

Wednesdays from 7 to 10 p.m. will be the meeting time of the accounting class in Rm. 20 at the high school. The book and workbook will cost \$41.90.

Tuition will cost \$55 for three semester hours, and \$93 for six semester hours. Lab fee for the accounting course will be \$8.

Registration for the classes will be held Monday, beginning at 6 p.m., in Rm. 21 at the high school.

Schools set meal prices

For the third year in a row, school lunch prices remain the same for all three school systems in Castro County. And, once again, state guidelines for determining eligibility for free or reduced-price meals have been increased.

In Dimmitt, students in kindergarten through third grade will pay 80 cents for lunch; fourth through eighth grades will pay 85 cents; grades nine through 12 will pay 95 cents; and all breadfests will cost 20 cents. All reduced-price lunches will be priced at 40 cents, and reduced-price breakfasts will cost 10 cents.

In Hart, the price of breakfast went up to 40 cents, an increase from the 30 cents charged last year. All lunches stayed at the same 60 cents. Reduced-price lunches are 40 cents, and reduced-price breakfasts will cost only 20 cents, rather than the 30 cents charged last year.

Nazareth lunches cost 65 cents for students in kindergarten through sixth grade, and 85 cents for grades seven through 12. Breakfast costs 35 cents. Reduced-price lunches are 40 cents and reduced-price breakfast costs 30 cents.

The state issues guidelines each year to be used by all public schools for determining a family's eligibility for receiving reduced-price or free meals.

A family of one can earn up to \$6,474 per year to be eligible for free meals or up to \$9,213 per year to qualify for reduced-price meals. A family of two can earn up to \$8,736 to receive free meals or up

to \$12,432 for reduced-price meals.

With three in the family, earning can total \$10,998 to qualify for the free meal program or \$15,651 for the reduced-price meals. Four-member families can make up to \$13,260 per year and still receive free meals, or up to \$18,870 to receive reduced-price meals.

With five in a family, total earnings can be up to \$15,522 to qualify for free meals or up to \$22,089 for reduced-price meals. A family of six can make up to \$17,784 for free meals or up to \$25,308 for reduced-price meals.

Seven-member families can earn up to \$20,046 and still be eligible for free meals or up to \$28,527 for reduced-price meals. With eight in a family, earnings can be as high as \$22,308 for free meals and as high as \$31,746 for reduced-price meals.

Each additional family member over eight allows the family an additional \$2,262 in earnings per year to qualify for free meals and an additional \$3,219 in earnings per year for reduced-price meals.

Applications for the free or reduced-price meal programs are available at the principal's office of each school. Also, the forms will be sent home with each student at the first of the school year.

The forms must be filled out completely and correctly and returned to the principal's office. The information provided on the form will be used to determine eligibility, and may be verified at any time during the school year by school or other program officials.

Information required includes names of all household members, Social Security numbers of all adult household members or a statement that the household member does not have a number, total household income or the household's food stamp case number if they currently receive food stamps, and the signature of an adult household member certifying that the information provided is correct.

If approved for meal benefits, a family must inform the school

when household income increases by more than \$50 per month or when household size changes.

Also, if a family becomes eligible for meal benefits at a later date, application may be made at any time within the school year.

If benefits are denied to an applicant, a hearing on the matter can be arranged by calling or writing the principal's office, or in Dimmitt, contact Gene King at 608 West Halsell, Dimmitt, 79027, 647-3101.

In Nazareth, contact Jim Peggaram, P.O. Box 189, Nazareth, 79063, 945-2521. In Hart, the principals are William E. Ammons, high school, and Jack Burkhalter, elementary. The mailing address for both is Box 487, Hart, 79043. Call Ammons at 938-2141 and Burkhalter at 938-2142.

Children who receive meal benefits are treated the same as children who pay, and no child will be discriminated against because of race, sex, color, national origin, age or handicap. Information provided will be treated confidentially and will be used only to verify eligibility.

For more information or help in filling out the forms, contact the school principal.

Reserve tickets on sale

Reserve seat ticket holders for Dimmitt varsity football have through Aug. 31 to renew their option for the same seating for the coming season.

Sept. 4 all unclaimed seats will go on sale to first comers. Prices are \$22.50 for reserved seats in the upper section and \$17.50 in the lower section for the five home games.

The reserved seat tickets may be purchased at the school administration office at 608 West Halsell during office hours.

"The district has voted to increase the price of general admission tickets," DISD Supt. Robert Ryan said. "Prices will now be \$3 for adults and \$2 for students and college students with identification."

He also noted that games below varsity level, including junior varsity, ninth, eighth and seventh grades, will charge admission prices of \$1 for adults and 50 cents for students.

Variance is granted

The Dimmitt Board of Adjustment met Tuesday night and granted a variance to Vernon and Larue Hasley to build a carport within the from 20' "no construction zone" of their property.

Notice has been sent to neighboring property owners and no objections were voiced at the meeting, a spokesman said.

"As soon as they obtain a building permit, they can go ahead with the carport," City Manager Paul Catoe said.

Crime Line offers \$100

The Castro County Crime Line is offering a \$100 reward for information leading to the arrest and indictment of whoever stole four spare tires and rims at Stan Byrnes Motor Co. on North Highway 385 last week.

Police said the tires and rims were stolen from four different pickup trucks that were parked on the auto dealer's lot. The thefts occurred late last Wednesday or early Thursday.

Anyone with information on the crime is urged to call the Crime Line number, 647-4711. The caller need not give his or her name, and will not come in contact with any law officers in the course of the investigation or the reward-collecting process.

Kiwanis hears about scouting

"We have five dens of boys in the Cub Scout program in Dimmitt," local Cubmaster Dana Nelson told the Dimmitt Kiwanis Club at their Monday meeting.

Nelson was introduced by club member Roger Malone, who is also the scoutmaster for Dimmitt. The Kiwanis Club sponsors the Cub Scout program.

"After our sign-up drive in September, I feel we will need from six to 10 new den leaders," Nelson said. She told the club that she has been encouraging the cubs to participate in district and council activities. The Haynes District covers over 500 scouts, while there are 8,000 in the South Plains Council.

Guests at the meeting included new Kiwanis Lt. Gov. Sam Reeves, Paul Kelley and Curly Brooks, all of the South Amarillo Kiwanis Club, and M. L. Sherrod of the Canyon Kiwanis Club. Fourteen members were present.

Ministerial Alliance

Castro County Ministerial Alliance will have their first meeting of the Fall on Tuesday at 10:30 a.m. in the library of the First Baptist Church.

Hearing is set

An association of 63 cities that will be affected by the 7.7% rate increase requested by Energas has advised its member cities to hold public hearings on the matter.

The hearing in Dimmitt was set by the Board of Aldermen at their Monday meeting for Sept. 10. Public input on the requested rate hike will be noted as part of an overall study being done by a steering committee selected by the cities. Fred Poe, Deputy City Manager for Midland, is the chairman of the steering committee.

The committee has hired an engineering firm, R. W. Beck and Co., with offices in Austin, and Don Butler of Austin, an attorney for the Texas Municipal League, to also study the proposal by Energas, according to Dimmitt City Manager Paul Catoe.

The meeting Sept. 10 will be held in conjunction with the regular meeting of the aldermen. A hearing on renewing the franchise with the city for Energas will be postponed until the first aldermen's meeting in November. It had originally been set for Sept. 10.

The aldermen's meeting will be Sept. 10 because of the Labor Day Holiday Sept. 3.

Catoe told the board that Dolores Baldrige was named city employee of the month for June and Dorothy Stone was recognized for the month of July.

In an executive session, the board met with Tom Moore, attorney for the city paving project, to discuss legal matters.
