

34 Girls Seek 'Miss Grain Sorghum' Title

Thirty-four girls from Texas, Oklahoma and Arizona will compete for the title of "Miss Grain Sorghum of the Nation" Saturday night in Dimmitt.

THE WINNER will succeed Diane Bryant of Muleshoe as the ninth "Miss Grain Sorghum of the Nation," and will win a \$1,000 scholarship to the college or university of her choice.

She will also represent the grain sorghum industry during the coming year at field days, grain con-

ventions and other activities to promote the use of grain sorghum and its products.

THE PAGEANT will begin promptly at 7:30 p.m. Saturday in Dimmitt High School auditorium. But for the 34 contestants the competition will begin Friday, with a full schedule of personal interviews, social events and rehearsals on tap for a day and a half before the curtain rises.

Saturday night, the field of beauties will compete in formal

wear, swim suits and talent acts. The talent competition will be limited to the 10 finalists, according to Pageant Chairman Robert Benton.

MASTER OF CEREMONIES will be Lyle Call of Eastern New Mexico University in Portales, N.M.

Judges will be Molly Grubb of Fort Worth, Miss Texas of 1967; Dr. James Granberry of Lubbock, formerly a "Five Outstanding Young Texans" winner; and Dr. T. Paige Carruth, dean of student

life at West Texas State University.

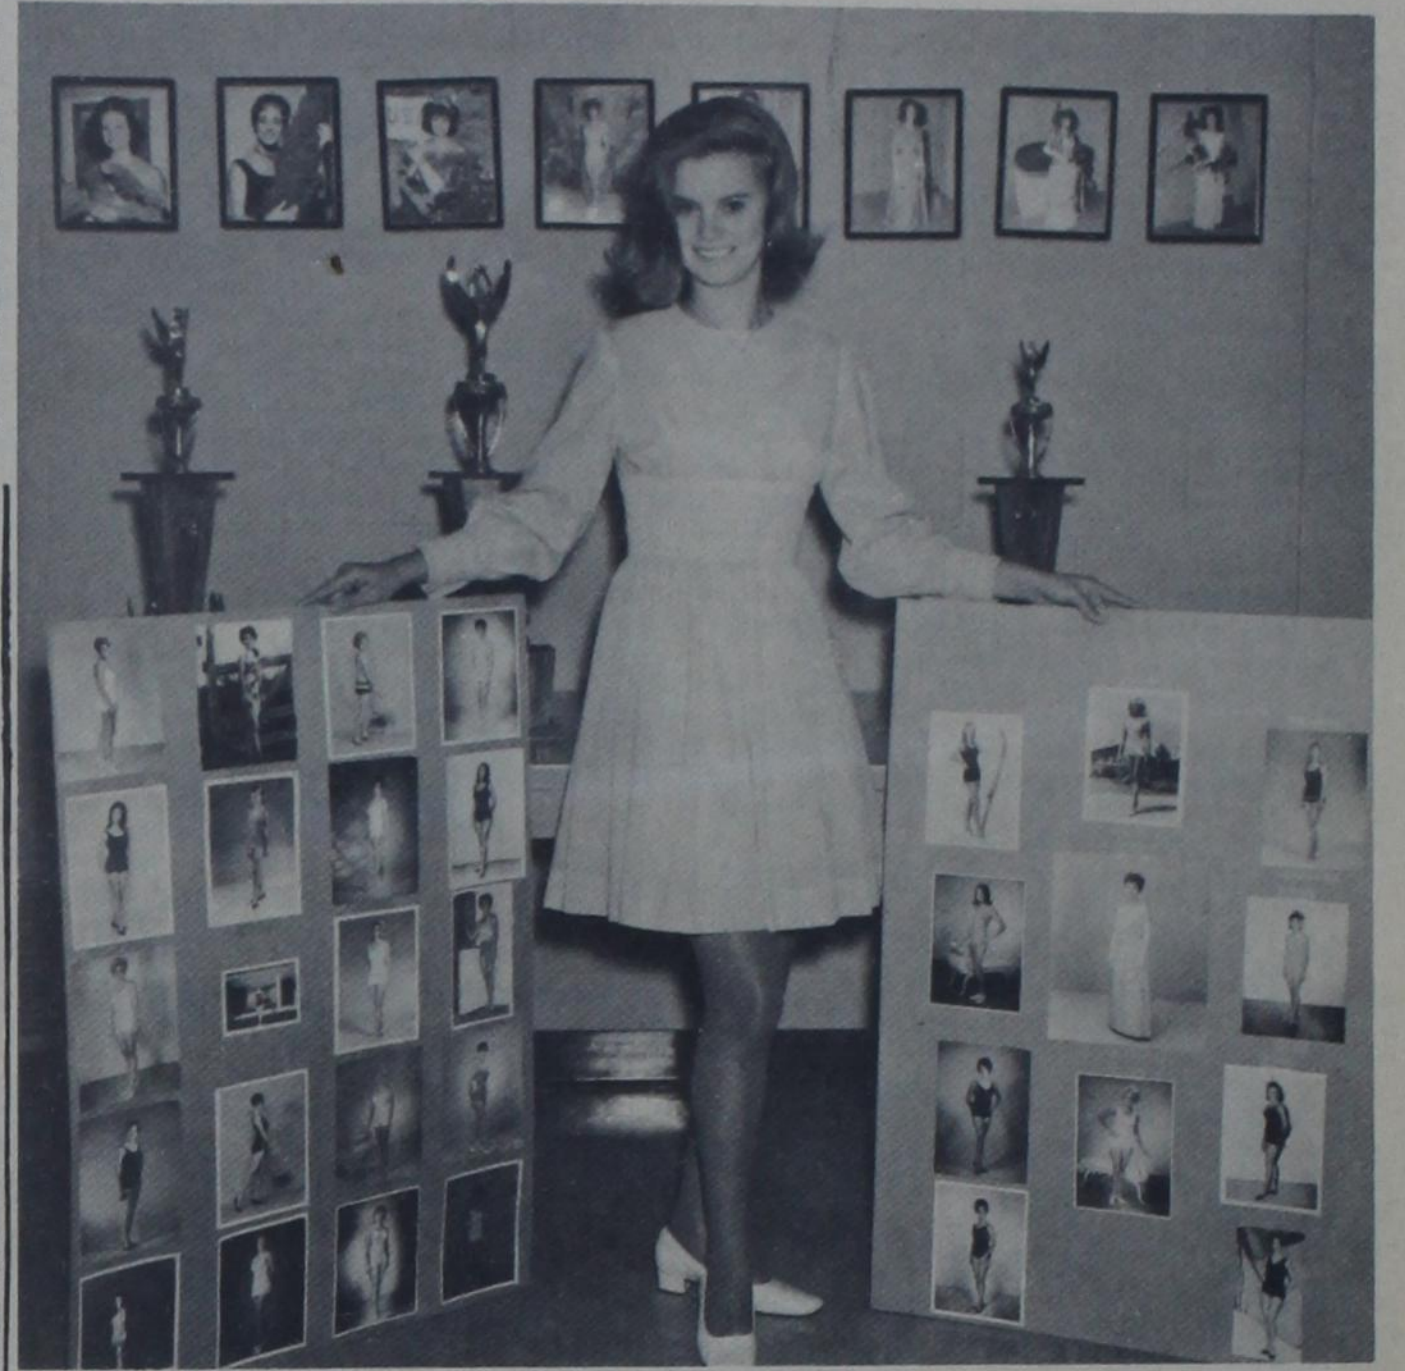

With the increase in scholarship awards this year, Benton said, the "Miss Grain Sorghum" event joins the ranks of the major pageants in the state.

THE NEW Miss Grain Sorghum will win the same size scholarship as Miss Texas won this year," Benton said. "This is one of the main reasons we have a record number of entries this year."

The entry list of 34 is more than

twice the number who entered last year, when 15 girls vied for the title.

PAST WINNERS of the "Miss Grain Sorghum of the Nation" title have been Bonita Honea of Dimmitt in 1960, Donna Beyers of Dimmitt in 1961, Sandra Stargel of Pampa in 1962, Ruth Guthrie of Memphis in 1963, Cheryl Poteet of Olton in 1964, LaNelle LaFont of Muleshoe in 1965, Linda Morris of Ulysses, Kan., in 1966, and Diane Bryant of Muleshoe last year.

about dimmitt and castro county by b. m. n.

As people sometimes have to do, I had to spend a few days last week in the hospital. I have been incarcerated in that joint before and thought that I had heard all of the terms used by the angels of mercy, but to my complete bewilderment one came in and stated, "I'm here to get your vitals." Me, "I don't have any, and if I did have you couldn't have 'em." Her, "Give me your arm, I want your blood pressure, pulse and temperature, and more than that if you didn't have any vitals you wouldn't be here." She got my vitals. The next nurse to come in practiced dart throwing, the cheek of my left bottom was the target. She scored a bulls eye, I could tell.

It's been a little hard to tell where the competition was the keenest in the republican convention, whether it was between the two major broadcasting systems, CBS and NBC, or the candidates vying for a place on the republican ticket. CBS and NBC have been carrying on a running debate as to which had the smallest cameras, the best pictures and the most reporters. Maybe they should take a poll.

This is being written Wednesday morning, so naturally any prediction that I make here will be on the up and up, even if the paper is dated Thursday. I predict that Richard Nixon will be elected on the first ballot. Rockefeller started too late, and what's his name from the West Coast never got any further than Amarillo.

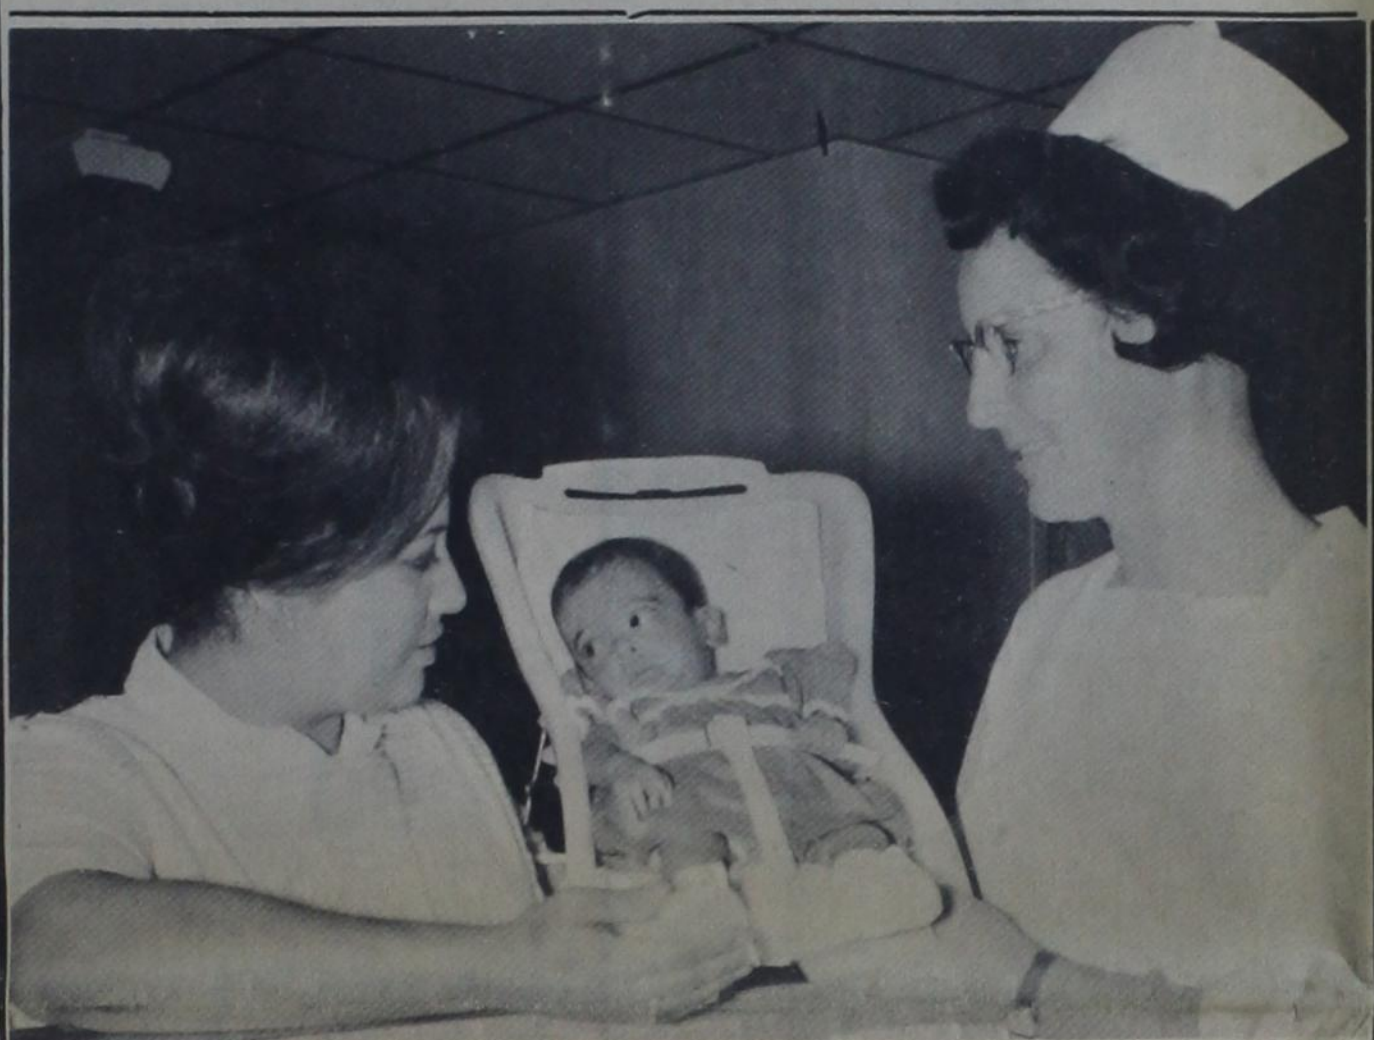

I am writing this letter to voice my opinion, much the same way that you voiced yours in the editorial of July 25th. I am aware of the prejudice and ill-feelings held by this community and county when it comes to the matters of parties and politics. It is my hope that this letter will be taken with an open mind and that no ill-feelings will come from it. I am only thankful that we as Americans still have the freedom to say what we believe.

We wonder why our country is so full of bickering, hate, prejudice, and envy, when we only have to take a good look at ourselves to find the answer. When we try to find fault with our fellow citizens, we are only making ourselves look foolish. (See ABOUT DIMMITT, Page 8)

FUND STARTED—Little Brenda Birkenfeld, 4, daughter of Mr. and Mrs. Jerome Birkenfeld of Nazareth, had to have her leg amputated last week at Plains Memorial Hospital as the result of a snake bite. The surgery followed a three-week battle by her physician to save her leg. A trust fund has been established at the First State Bank, with Mrs. David Bechtol and James Horton as trustees, to help pay her hospital expenses. Checks should be made payable to the Brenda Birkenfeld Fund.

EVE, WITH TWO OF HER 'MOTHERS' ... Nurses Mary Lou Salcedo and Gladys McLain

What's to Become of Eve?

For an eight-month-old girl named Eve, Plains Memorial Hospital is home. And the white-uniformed nurses are her collective "mother."

EVE HAS no place to go. The hospital officially released her four months ago, but her parents haven't come for her.

She has spent all but three weeks of her life in Plains Memorial, and apparently gets a kick out of it. If you walk by the nurses' station and see a cute little girl sitting in an infant seat atop a table, watching all the activity around her — that's Eve. She and her twin brother, Adam,

were born prematurely. Adam was pronounced dead on arrival at Plains Memorial, and Eve weighed only three pounds. It was touch-and-go for her for quite a while as she fought for life in the incubator.

EVE MADE IT, though, and when she weighed five pounds she was released to her parents. But three weeks later she returned to the hospital with pneumonia. She was three months old then.

She's been in the hospital ever since. Curiously, her parents visited her only once or twice, and have not come back to get her since her release.

For Eve, life in the hospital means 30 white-clad mothers, cart-rides down the corridors, and lounging at the nurses' station in her infant seat. She sleeps in a room when one is available, but she's just as content with her baby bed in the supply room.

"SHE'S THE first one we see when we come to work," says Mrs. Rosie Neal.

"Everybody knows when it's time to feed Eve," Mrs. Leola Riels explained. "She sleeps when it is convenient for the nurses, and has a good time when

the nurses have time to play with her."

Eve has made lots of friends. Hospital patients, their relatives and friends meet Eve, then keep returning to visit her.

Mrs. Don Cass brought a gift of clothes, dresses and toys. Other friends have brought gifts for her, too.

WHAT'S TO become of Eve? Her physician hopes her parents will take her home, but he won't say whether they will. It's been four months since she was released.

One nurse said simply, "We'll all just raise her and send her to school if we have to."

OPPOSING CAPTAINS THREATEN EACH OTHER ... Rotary's Ike Moore, left, and Lions' Bo Bryant

'Softie' Softball Bout Is Tonight

It'll be the Lions Club vs. the Rotary Club tonight (Thursday) at Dimmitt Pony League Park, and the big question on the lips of sports fans is: will the game go the full five innings?

THE "OLD MEN'S" benefit softball game will start at 8 o'clock, and the players don't expect to let the rules of the game get in the way of their fun and hi-jinks.

Admission is \$1 for adults and 50 cents for children. Proceeds will go to help pay off the park's indebtedness.

"I THINK it'll be about 2-0 probably in the Lions' favor," bragged Boss Lion Bo Bryant,

hinting that he expects to pitch a shut-out.

"I believe it'll be closer than that — about 2-2 in favor of Rotary," retorted Rotary President Ike Moore, whose team's hopes rest with his special double-dip pitch.

"I think we should be playing the Lions Club's ladies' auxiliary," the Rotary captain added. "They would really give us a better ball game."

"THAT MIGHT be better for Rotary," Bryant agreed, "because the Retarians may not be able to stay on the same field with the Lions."

Dreams Of Fall While Falling

George Valdez, 14, says he dreamed he was falling out of bed and woke up to find he had fallen over the railing on their second floor apartment at the Castro County Agricultural Housing Project last Thursday night.

GEORGE, son of Mrs. Olivia Valdez, was hospitalized with minor scratches and released early this week. The family is from South Texas and doing farm work in Dimmitt.

Meet the Contestants

Over 3,660 pounds of beauty will be in the spotlight in Dimmitt Saturday night as Miss Grain Sorghum of the Nation is selected from a field of 34 girls.

WOWING the judges in the Dimmitt High School auditorium will be girls literally in all shapes and sizes. The contestants will share one thing — they each bring a message of friendship from cities in Texas, Oklahoma and Arizona in the loveliest way they know how.

The collective beauty packet will be made up of girls ranging in weight from 155 to 93 pounds with an average of 118 pounds per girl.

The queen hopefuls range in age from 21 to 17 and the average age of the group is 18.

ALTHOUGH Texas Tech boasts of having the prettiest girls, West Texas State University in Canyon is the number one alma mater listed among this year's pageant. Six girls listed WTSU, five listed Texas Tech, three said they are enrolled in South Plains College and two hail from Oklahoma State University. Twelve are either seniors in high school or have no immediate college choice.

The talent will range as widely as other statistics but 14 girls chose to show their singing abilities. Dancing will run second with eight dance numbers scheduled, four will play the piano or organ and five chose dramatic and poetry readings. Among the more unusual will be a combination of jazz dance with knife twirling, a singing and trumpet playing performance and an arrangement of song, dance and twirling.

A former Dimmitt girl, returns representing Farm Bureau Insurance of Safford, Ariz., in this year's pageant. Miss Victor Gene Hughes, 19, is the daughter of Mr. and Mrs. James Edd Hughes of Morenci, Ariz. Miss Hughes was graduated from Dimmitt High School and attended Texas Tech.

Miss Butler, 18, is the daughter of Mr. and Mrs. Darold Butler of Pauls Valley, Okla. She stands 5'6", weighs 120 pounds and enjoys horse back riding, swimming, water skiing and reading. Miss Butler plans to attend Oklahoma State University this fall and is a graduate of Pauls Valley High School.

Miss Butler, representing the Farm Bureau Women of Wynnewood, Okla., chose a cutting from "The Unsinkable Molly Brown" for the talent competition.

SHE IS A veteran of goodwill missions, having traveled to the State Student Council Conference in 1966, the President's Council Leadership Training Conference in 1967, the Governor's Youth Power Conference at Oklahoma State University in 1967 and a two-week goodwill tour through Mexico with the school Spanish club in 1968.

Miss Vicki Ray, 17-year-old daughter of Mr. and Mrs. Charles Ray of Seminole, will represent the Seminole Area Chamber of Commerce. Standing 5'7 1/2" and weighing 125 pounds, Miss Ray chose a jazz dance with knife twirling to display her talent. She is a senior at Seminole High School and lists twirling, swimming, volleyball and all sports as hobbies. She is the Lions Club Queen, president of Candy Strippers and president of Presbyterian Youth Fellowship.

Miss Ray is a member of the National Honor Society, Future Teachers of America and the National Thespian Society.

REPRESENTING Hughes Nursery and Landscaping of Dimmitt, Miss Karyn J. Hughes will dance in the talent competition. She is the daughter of Mr. and Mrs. Van E. Hughes of Dimmitt. Miss Hughes, 18, weighs 127 pounds and stands 5'8" tall. She is a graduate of Lake Highlands High School and enjoys tennis, golf, oil painting, sketching and dancing. At Highlands, Miss Hughes was Football Sweetheart, Homecoming Queen, Girl of the Month, listed in Who's Who Among American High School Students and a nominee for Miss Lake Highlands.

The Friona Jaycees chose Miss Pat Roberts to represent that group in the Miss Grain Sorghum pageant. Miss Roberts, 17, is the daughter of Mr. and Mrs. Porter Roberts of Friona. She is 5'1" tall and weighs 105 pounds.

Miss Roberts plans to entertain with a comical poem in the talent competition. She lists reading, water skiing and writing letters among her favorite activities and will be a senior at Friona High School where she is head cheerleader.

Miss Suzanne Brown, 18, of Claude will represent the Armstrong County Farm Bureau. She is the daughter of Mr. and Mrs. C. H. Brown Jr. of Claude. She was graduated from Claude High School, enjoys swimming and music and will play the piano in the talent competition. Miss Brown is president of Presbyterian Youth Fellowship. Last Rites Held For Gano Brooks

Funeral services were conducted in Dimmitt Tuesday for Gano Brooks, 75, who died Sunday morning in the home of his son Troy, in the Easter community.

SERVICES were in Dennis Memorial Chapel with Dr. Raymond Perkins Jr., pastor of the First Baptist Church, officiating. Burial was in the Hart Cemetery.

Mr. Brooks, a retired farmer, was a long-time resident of Hart before moving to Hereford after his retirement. He had moved from Hereford to Easter just last week.

He was born May 25, 1893, in Bastrop County.

SURVIVORS are his son, Troy; three sisters, Mrs. Eva Campbell of Port Lavaca, Mrs. May Holleman of San Angelo and Mrs. Gertrude Brown of San Angelo; a brother, Charles of Roaring Springs; four grand children and eight great grandchildren.

Mr. Brooks was preceded in death by another son, J. D., who was killed in a car accident in 1962, and by his wife, who died in 1962 at Hart.

\$100 IN DAMAGE was estimated by Dr. David Bechtol as members of the Community Ball Park association inspected the vandalism at the Little League field west of Dimmitt. Small fires were started in the corners of the two rest rooms at the park, a lavatory was broken in one rest room, light bulbs were smashed, the door signs of the two rooms were interchanged and fires were started in the trash barrels on the park grounds. Dr. Bechtol said the small fires burnt in the corners were found early last week. He added that more damage, including the broken lavatory, was discovered later in the week.

Bible Thoughts
KNOW YOUR BIBLE
By Ronnie Parker
One has written:
Truth crushed to earth shall rise again,
The eternal years of God are hers.
But error, wounded, writhes in pain,
And dies among her worshippers.
Jesus said, "Ye shall know the truth and the truth shall make you free" (John 8:32).
What is a few months, or even years, or a life time, of hard study if in the end you know the truth and enjoy the salvation of your soul?
Are you willing to take the time for Bible study?

the Long Arm of God
There may be times when your church seems to be growing slowly, when you become discouraged because your work seems to bear no fruit. Don't be discouraged. The Lord would say to you in Deut. 1:21, "Fear not, neither be discouraged," for I am with you.
During the very time you are discouraged, the Lord may have good news for you. This period of time may be more spring than winter. It is an open secret that God's arm is not shortened that he cannot save; neither is his ear heavy that He cannot hear.
Therefore, let us keep on working and praying that we may in our hearts possess the land of rest and comfort and peace with God. "The glory of the Lord shall be thy reward." He tells us in Isaiah 58:9, "Then thou shalt call, and the Lord shall answer; thou shalt cry, and He shall say, Here I Am."
We pray that the church and its fellowship will be your dearest treasure. May the church be the place where your "heart interest" lies. We invite you to attend services this week.
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Square Dance Tips

By BILL HARMAN
Tuesday night was lesson night for the new students of the Dimmitt Promenaders. There were two squares of students and two squares of Promenaders. Our students are coming along fine and will be regular old square dancers in just a few more lessons.

THE DIMMITT Promenaders will hold their annual street dance on the south side of the courthouse square Monday night, Aug. 12. Sid Perkins, club caller, will do the calling. All area square dance clubs are invited. Sid is one of the finest callers in the southwest, besides calling for the Dimmitt Promenaders, he calls for the Square Thurs of Muleshoe, the Star Twirlers and the Levi and Lace, both clubs are in Amarillo.

Come on out and enjoy an evening of square dancing in the street Monday night during western week in Dimmitt.

City Prepares Welcome Mat for Beauties

By MYRTLE SHEFFY

There will be big doings in our city this weekend when 33 beautiful girls will come in Friday for the Miss Grain Sorghum of the Nation contest.

Miss Sharron Flynt and the other girls come in from all over. Jane Blackburn, the doctor's wife is working to find places for the girls to stay.

Jackie McLeroy and her committee are working on the reception and the get together at the country club after the contest.

Wynema Adams and her bunch are decorating the stage. Walter Maynard and husband, Wade and the Robert Bentons are the general managers.

Next week will be the rodeo, parade and old timers reunion at City Park, don't forget the place. Bring a basket lunch.

Forty youths and children from the Waco home are here for a vacation in the homes of people of the Methodist Church here and at Hereford and Tulia.

OH, YES! I failed to say that Bill Simpson went with the Dimmitt crowd to Duncanville to see Allan Webb play basketball.

And all six of the Simpson children and the 20 grandchildren were dinner guests of the parents Mr. and Mrs. "Stiekem" Simpson in Hereford Sunday.

Quite a crowd is going to the Christian workers meeting or short course at Harding College. The ones I heard about were Mrs. J. R. Matthews, Mrs. Carroll Webb, Mrs. L. V. Cole, Mrs. Bill Murphy and Mrs. Bill Simpson.

Bob Bradford is home for a while from the University of Missouri (Columbia) and Anita Cameron, Betsy Simpson are in school at WTSU.

SHAWN KEMP was the birthday girl with a party for the 4th year in the backyard of grandmother, Louise Kemp. There were colored balloons in the trees, gifts from all and a small horse and saddle from dad, Carl Lee Kemp.

Connie and Kati Burkett of Fort Worth are here for a visit with their grandparents the Swain Burketts. Their parents, Mr. and Mrs. David Burkett moved from Phoenix, Ariz., recently to Fort Worth where he is with General Dynamics.

Katy Burkett visited recently with her sister Mrs. Dow King in Pampa. Jimmie and Della Chapman and sons Duke and John went up to Ruidoso for a vacation.

JACK AND Leah Zeigler of Canyon were here Sunday to visit his grandmother Hattie Webb and the Shorty Mannings.

THE EARL BROCKS, the Glen Merritts and children and the Herb Mayfields joined a bunch of people from Silverton at Buffalo Lake Friday for a picnic dinner and boating, water skiing and some of the folks fished.

Family Changes "Just Happening"

By IRENE KEATING
Friday night Max and I went to the Mulkey Home Demonstration picnic. It certainly was fun — I sure do like Oneida Hutto's ice cream — she uses "home-grown" milk rather than "bought" milk. It was a wonderful meal. TUESDAY, I was in Clovis for a meeting on laundry. I'll let you know what all I learned at a later date. It was a very informative meeting. There were experts from several major companies who presented the program. Have you stopped to think about today's family lately? Mitch Kennedy in his sermon Sunday brought out some very interesting contrasts between families in the 19th and 20th centuries. It used to be practical for women to marry to have someone to support them — by the same token marriage was practical for men, too. If they had a large family it meant more people to do the work and make a living. Today people marry for emotional satisfaction, there is romance in marriage. Today the family is-

n't independent as a family unit as in previous years. Families today are big consumers and business is constantly thinking of ways to cater to the family. I wish all of you could have heard that sermon. Ed Pope, Federal Extension Specialist in human relations and development said the same thing at Tech. The family is changing: the importance of its child rearing role is decreasing, the importance of marriage is increasing. People marry for self-fulfillment in a society in which other relations are increasingly impersonal. The intimacy of marriage be comes for adults something they either have or have to find a substitute for. In child rearing, the family increasingly is giving way to peer groups. This has never happened in a society before. Children have been turned over to other groups to be raised, but never to a group of its own age. It is "just happening" in our society with no real control or direction.

Western Winners

Fashions are going back so far into the granny days that even those old cowboy duds will be "in" during Roundup Week in Castro County.

THE "GOOD OLD DAYS" will be such a novelty that prizes will be awarded to the one that looks most like he just dropped in from a Wild, Wild West movie Aug. 12 to 17.

Those who don't want to participate and dress in the style of the day don't have to — they won't be noticed anyway. All eyes will be on those with the spurs and Ste'nsons and ankle-length dresses as the daily winner of a trophy is picked.

And the five winners will get to stand in front of the picture box for a piece in the County News.

Sermon Said Once More

"For God So Loved the World," an all Scripture sermon where there will be no comments by the Minister will be preached again by request at the 6 p.m. service at the First Christian Church, Sunday, Aug. 11.

MINISTER Bedford W. Smith has preached this sermon composed of Scripture quotations only on the "Life of Christ" several times already in Dimmitt but there were those who wanted to hear it again so the Sunday night date was set.

This perhaps will be the last time Mr. Smith will preach this sermon in Dimmitt, so if you among the public would like to hear this outstanding message including some verses of prophesy of the coming of Jesus into the world as the Savior of the World you will want to plan to come Sunday. His 10:50 a.m. sermon will be "Sin Does Not Have the Last Word."

Land Bank System Initiates Slogan

Billy Hackleman, manager of the Federal Land Bank Association of Dimmitt, announced this week that the Federal Land Bank System has adopted as a permanent slogan, "Serving America's Farmers: Providers of Plenty."

THE DIMMITT association is a part of a national network of 12 regional banks and 635 local associations. The Land Bank System, which last year celebrated its 50th anniversary, is dedicated to meeting the essential long term financial needs of the nation's farmers and ranchers.

"Our system has coped with a variety of great demands made upon it during the past 50 years, while maintaining a dependable loan service to farmers and ranchers," Hackleman said. "As agriculture continues to increase its productive capacity through technology, it will be our purpose to continue to serve the changing credit needs of farmers and ranchers."

The land banks and associations comprise a system which is operated entirely on private funds and is owned by its 394,000 member-borrowers whose elected directors formulate its policies.

No Local Support

Gregoria Garcia was employed Friday as a teacher's aide in preparation for an increased fall enrollment at the Dimmitt satellite school for human development.

THE BOARD of directors for the Dimmitt school met to hear Curtis Hollis, director of education at the Amarillo State Center for Human Development, speak of increased services of the Dimmitt school.

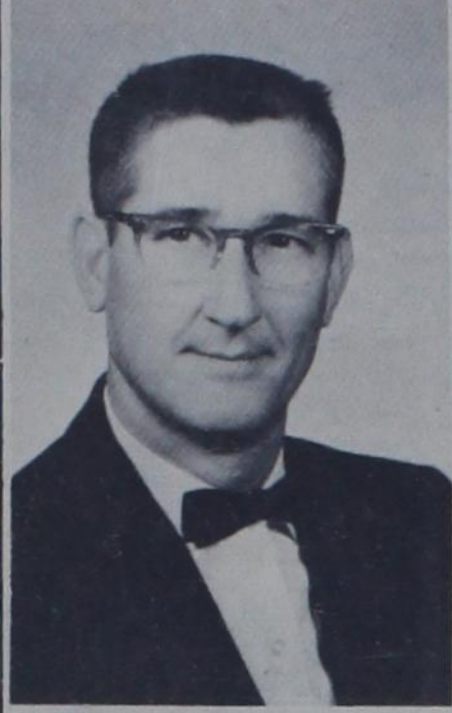

The school is for children who do not fit in the conventional public school system. Mrs. Bob Bingham of Dimmitt directs the local school under the guidance of the Amarillo center.

Lack of local interest is the major problem faced by the school, board members told Hollis. The board described efforts to get local funds to continue the special school which now meets in the Methodist Church here between 8:30 and 11:30 a.m. daily.

TRANSPORTATION for students is also a problem plaguing the school, Board members admitted.

Meeting to discuss the school's fall program were Mrs. T. A. Singer, Mrs. Kay Singer, Mrs. Rayphard Smithson, Mrs. David Harpole, Glenn Ratcliff, Frank Latimer and Rev. Mitchel Kennedy.

lowmen and fellow-city fathers, then we are as much to blame as anyone. How can we try to visualize and criticize other cities when we are not aware of all the facts and circumstances. Why can't we try to build a unity between cities in an effort to build unity once again to the United States. Why must we continue to deepen these grievances that started many years ago. There are much better places to use our strength and leadership in a world that needs cooperation from everyone.

I for one am very concerned about the political goals held by many of our leaders. These goals seem many times to be only the self-centered strivings of one man to achieve power and fame, not the goals of helping America, strengthening her, and upholding her well earned honor. We worry about anarchy, dictatorship, and supreme power, but we have turned our party system into exactly that kind of a creature. We put our faith in parties and their judgments more than we do in man and his reasoning and choices. Why must we continue to let the party "organization and machine" dampen our candidate's vitality and change him into the type of person that we did not want and voted against in the beginning. What has happened to individuality?

As for the dedicated John Birchers that you have mentioned, I would like to see more men and women feel the way they do. Why does a man have to be classified a John Birchler when he believes in a man and not in a party, when he believes in America and what she stands for, when he believes in law and order for all, self-respect, when he believes in fighting Communism at home in the United States as well as in Europe, and when he believes in giving to his country and not taking from her. Do we have to believe in "Big Government" and federal aid at every level, do we have to believe in sending help and supplies to European countries who in turn use them to kill our men in Vietnam, do we have to believe in destroying one man's rights who has worked to earn them, or to give them to another man who expects them and is not willing to earn them, do we have to believe in forsaking the men of the Pueblo, in order to be called a true American?

The quote from Senator Hazelwood was not finished in your article in the paper. Senator Hazelwood stated that he thought Reagan was the only man that could be elected President and save the United States from the road of destruction she was following. I am glad that Senator Hazelwood was not grateful, to the Democratic party that elected him to office for so many years, to the point that it caused him to disregard his beliefs just to satisfy party.

If men like these are behind in their thinking and not able to keep up with the "progressives" then I feel it is time we slowed up this idea of progress and liberalism and truly decide where it is we are progressing to!

I thank you for hearing me out. May the best man be elected President.

Idalou Man Gets Flagg Gin Reins

E. H. Vaughan, new manager of Flagg Gin Co., expressed hope of meeting Flagg Gin customers before the ginning season begins.

VAUGHAN succeeds Paul Frye, and took over management July 15. A native of Wellington, Vaughan has been in the ginning business for 25 years. Frye has moved to Dimmitt to teach school this year.

Vaughan was manager of the Idalou Cooperative Gin for 10 years before moving to Flagg.

The Vaughan family moved into the manager's home near the gin. Mr. and Mrs. Vaughan have four children — one married daughter of Shamrock, two sons in San Antonio and another daughter, Debbie, 16, who will be a junior at Dimmitt High School.

He is a member of the Lions Club and a former member of the Kiwanis Club. The Vaughans are Methodists.

"I'M FINALLY moved in and can start visiting with the gin's customers," Vaughan said. "It's a nice, friendly community and I'm sure we're going to enjoy living in Flagg. Several already came by to say hello while we were moving in and getting organized, and I hope to visit with all our past and potential customers before the ginning season starts."

Golden Spread Rest Home

By Delorise Gilliland
Golden Spread Nursing Home has been the scene of much "activity" for the past week. We have three new residents. They are: Mrs. Dolores Aleman, Dimmitt; Mrs. Belle White, formerly of Plainview and Mrs. Grace White, Springlake. The residents and staff of the nursing home welcome these, and hope they find their stay an enjoyable one.

WE HAVE been enjoying the fresh peaches that Frank Drerup, resident of the home, has been providing for us from his trees. We want to thank Mr. and Mrs. Carl Bruegel for the nice cabbage, for everyone did enjoy the saw and the cooked cabbage.

We also want to thank Barbara Wilhelm for the roasting ears she brought to the home. The residents thoroughly enjoyed all the nice garden food. Thanks again to all who have been so thoughtful.

Residents enjoyed an old-fashioned watermelon feast Saturday. Mrs. Shirley Hall provided the table, so that all who could would be able to eat outside. Everyone enjoyed the treat. Mrs. Linnie Cauldwell was visiting all the residents, and enjoyed the watermelon with the group. Mrs. Cauldwell is a former resident of the home. We all miss her, for she acquired many friends while in the home.

It looks like we will have in the neighborhood of 50 youngsters receiving their certificates. You still have a week from the time today's paper comes out to get your books read, so I hope you won't have any disappointed young folks.

Quota Low For Sept. The September draft call for Texas is 683, the smallest monthly quota since June, 1967. Col. Morris S. Schwartz, state Selective Service director, said Tuesday.

HE POINTED out that the July, 1968, call for the state was little higher than the September quota — a total of 695.

Because of budgetary limitations, there will be no pre-induction physical-mental examinations in August. It was announced earlier there would be none in September, but later a total of 5,267 was authorized for that month.

NEWS OF HEMISFAIR '68

WORLD EXPOSITION APRIL 6 OCT. 6 - SAN ANTONIO, TEXAS

From the tourist in sunglasses and walking shorts to the leaders of nations . . . they are all flocking to the San Antonio World's Fair.

THE SUMMER crowds have invaded HemisFair for vacations that in many cases have been extended for that extra day of fiesta fun.

Despite the record crowds converging on the 92.6-acre showcase, Visitor Services, Inc. reports plenty of rooms and parking—with neither catching a full load to date.

The Fair recorded its 3 millionth visitor July 9, only 27 days after reaching 2 million. The 2 millionth visitor took 30 days and the first million was not reached until the exposition was 38 days old. Daily records were set seven out of nine days in early July.

AMONG THE guests of the World's Fair during the first week was President Lyndon Johnson and the ambassadors of a host of countries—probably the most distinguished group of dignitaries ever assembled outside of Washington.

Following President Johnson by two days was President Rene Barrientos of Bolivia, who took an extended tour of the World's Fair. Confluence/Cosmos has been called eerie, weird, ghostly and any number of other things—but it always is called interesting.

The San Antonio World's Fair Theme Exhibit is actually more an experience that display, designed to allow the visitor to relive the many ways mankind has used

to portray his environment. **THE SEMI-DARK** presentation is divided into six divisions . . . man, earth, sun, moon, stars and space, and includes the Swiss Time Center that provides the heartbeat of time for the entire Fair.

In the final segment of Confluence/Cosmos, the visitor enters a square chamber where the experience of simulated space flight through the use of film taken during actual space travel awaits him.

THE MORMAN Tabernacle Choir made two appearances at the San Antonio World's Fair July 23-24.

The 375-voice ensemble performed in the HemisFair Arena at 8:30 each day.

The group has become so famous around the world that it is now regarded more as a musical than sectarian group. The 375 persons in the choir come from all walks of life—farmers, teachers, housewives, doctors and bankers—and range in age from 18 to 70.

None of the group is paid, appearing for the joy of singing only. Despite the amateur status, the choir has made numerous recordings, including the "hit" disc "Battle Hymn of the Republic." **A PERSON** can never be sure just what thrill awaits him on the World's Fair Grounds.

Visitors to the Fair on one recent day were allowed free admission to a national television show, and children under 12 last week were guests on a special television production featuring Pat Boone.

4-H CLUB MEMBERS from District 1 of the Texas Extension Service and their adult leaders spent the week of July 22 to 26 at Camp Scott Able in the Sacramento Mountains of New Mexico. Hosting the group at an electric camp was the Southwestern Public Service Company. Pictured with Jerry Diller and Janet Hughes, two of the

camp instructors, are Castro County representatives, front, Gary Hart of Hart, Raymond Huseman of Nazareth, Mickey Simpson and Ronnie Burks of Dimmitt; back, Diana Adams of Dimmitt, Debbie Davis of Hart and Rita Womack, Home Demonstration Agent Irene Keating and County Agent Charles Hottel, all of Dimmitt.

Scores in the competition are based on record books, participants' judging and adult judging with one-third of the total score coming from each phase of competition.

Miss Johnnie Kay Johnston, Miss Wool of Texas, presented a style show prior to the girls' Amarillo revue. The theme of the revue "HemisFair Fashions — Fairest of Them All" was carried out with a Tower of the Americas. Four girls modeled garments from Japan, Scotland, Arabia and Sweden.

Miss McLeroy is the daughter of Mr. and Mrs. Edd McLeroy.

DID YOU KNOW THAT:
RESEARCH in tree improvement by the Texas Forest Service has produced a strain of pine trees that shows growth far in excess of the average trees. A plantation of ordinary trees grew 108 cubic feet in 10 years. In contrast, one planted with the selected strain grew 131 cubic feet in the same period a difference of 17 percent in growth. This study is but one part of the overall tree improvement program of the Service aimed at producing better quality trees for tomorrow's timber grower.
