PAUL ZIMMERMAN SAYS-

Hello, Neighbor

L. C. Dennis, Rio Theatre manager, was host to the Lions Club at the close of the weekly lunch-eon Wednesday noon at the local show where Lions saw the picture, "One Foot in Heaven," starring Fredric March and Martha Scott. This show is showing for the last time tonight, and is one of the all-time great pictures in our opinion. The story is about the life of a Methodist minister and his faithful wife and family, and how they bravely faced the trials of life as beset a minister of the gospel and his family. We can speak for only one case, but perhaps there were several cases of life as beset a minister of the gospel and his family. We can speak for only one case, but perhaps there were several cases of life as life in the full the public of the status of Castro County in relation to the national Bond Sales effort to "beep 'em rolling", "keep 'em flying" and "give the axe to the Axis"—this story is printed. haps there were several cases of tears welling in the eyes of the date from the Dimmitt post office Lions Club members as they during January and February, a watched the picture.
