

Dimmitt City Mail Delivery Approved

Postmaster Davis was notified, Tuesday, of the approval of city mail delivery service in Dimmitt. A survey was made of the city in June. Then Dimmitt Post Office sent out a questionnaire to see if the people wanted a city delivery service. A. W. Pfanmiller, postal inspector sent in his report July 19.

According to Pfanmiller, the city delivery service will probably start in January of 1963 since the report was sent in so late.

Two routes have been established. Route One includes only the residential area. Route Two includes business and a portion of the residential area.

Postmaster Davis says, "People should number their homes if they want city delivery. Also, they must supply receptacles or door slots for the delivery."

Richard T. Jenkins, 76, father of Mrs. Bill Harmon of Dimmitt, died at 7 a.m., Saturday, September 22 in Clovis Memorial Hospital.

Funeral services were conducted at 3 p.m. Monday in the Lariat Church of Christ, with Carroll Jackson, minister and Ebb Randol, minister of Farwell Church of Christ, officiating.

Interment was in Bailey County Memorial Park in Muleshoe under the direction of Singleton Funeral home.

Jenkins was a resident of Lariat community since 1922, moving there from Lubbock. He was born Sept. 23, 1885, in Hunt County. He was a retired farmer. He was a member of the Lariat Church of Christ.

Survivors include his wife, Jessie; four daughters, Mrs. Bill Harmon of Dimmitt, Mrs. Boone Allison of Muleshoe, Mrs. Charlie Felts of Lariat, Mrs. Bob Hammonds of Farwell; four sons, O. D. of Long Beach, Calif., Herbert of Dallas, Howard of Albuquerque, N.M., and Douglas of Muleshoe; six sisters, Mrs. Clarence Smith, Mrs. Betty Hughes Mrs. Mack Cates, Mrs. Will Bell, all of Lone Oak, Mrs. N.A. Payne of Lubbock, and Mrs. Huey Roberts of Greenville; a brother, Glenn of Mineral Wells; 14 grandchildren and nine great-grandchildren.

Jenkins Funeral Rites Conducted

STRANGE AS IT MAY SEEM, the two-headed snake shown here was found in Castro County. David Fowler, son of Mr. and Mrs. Ben Fowler, discovered the freak hog-nosed snake about 6 p.m., Thursday, September 27. David was inside the house and happened to glance outside. He shouted, "There's a two-headed snake!" The snake was captured about 10 miles southwest of Dimmitt on the J. C. Williams place.

Rogers Defends Farm Program in Campaign Talk

"Our great farming community is being criticized by boys listening to men in plush offices who want to control all the money," said Rep. Walter Rogers in a speech made Thursday, Sept. 27 at Hereford.

The Pampa Democrat spoke before a group of approximately 250 Democrats from Castro, Parnier, and Deaf Smith Counties. Attending from here were Ray Bearden, County Democratic chairman, Norman Cleavinger, and Paul Hilburn, Bill Clayton of Springlake, who is running for the legislative post in the Texas House of Representatives, attended the gathering. The watermelon feast was sponsored by Deaf Smith County Democrats.

Ray Cowsert, attorney in Hereford introduced Rep. Walter Rogers.

Democratic nominees were recognized in the evening's program.

Rogers lashed out against the Republican Party saying, "They're always talking about enslaving the farmer. But you people know that a farmer can't buy \$10,000 tractor with five-cent cotton."

"We haven't got socialism, we've got Americanism. But if you want socialism or communism, then follow the policy of the boys in the Ivory Tower, who let you have a dime when you need 35 cents, and you'll create a situation in which the people will rebel," emphasized the congressman.

Ray Bearden, County Democratic Chairman, commented concerning Rogers' attack on the Republicans, "I think, he hit the nail on the head. He was hitting right on it when he was talking about the boys in the Ivory Tower, and minority groups with venom and hatred."

Louis Woodford, Deaf Smith County Democratic Chairman, said "Rogers made an excellent fighting Democratic speech."

Rogers went on to point out the amendment he was trying to put through concerning Cuba, "caused

a lot of trouble with some big businessmen in the United States because it would interfere with their profits." Foreign aid sent from this county is 80 per cent merchandise.

He said his offering the amendment was a result of watching a TV program in which "one of the high officials of our strong allies said that Cuba was our problem, and that his government wouldn't interfere. I said I would introduce the measure the next day."

"I have thought Castro was fraud from the beginning. He took all the land, and then kept it. And he's been executing the people who won his revolution," declared Rogers.

"That's where the strength of the Russian government lies: it owns all the land, and the land is the wealth of the country," continued Rogers.

Rogers pointed out that the American labor unions who have been accused of sometimes sympathizing with the Communists have the opportunity to rid themselves of this charge.

The congressman from the 18th District concluded his speech by saying, "This is a time for unity,

not a time for mud-slinging and petty problems, not a time to make neighbors in the United States look upon one another with suspicion."

Ladies Night Banquet Hosts Walter Rogers

Approximately 100 Lions with their Lionesses and guests attended the Ladies Night banquet in the South Grade School Cafeteria Tuesday evening. Boss Lion Paul Hilburn presided. Tables were decorated with pumpkins, gold sprayed maize heads, colorful fruit, vegetables and foliage. Centering the main table was an arrangement of chrysanthemums.

Distinguished guests attending were Congressman Walter Rogers of Pampa; district Governor Sam Papan of Shamrock; John R. Cullers, director of public relations of District 2-T.I. also of Shamrock; Paul Hall, president of Frio Lions Club; A.L. Outland, secretary of Frio Lions Club.

Boss Lion Paul Hilburn introduced the district governor after the group sang "America. Gov. Papan spoke briefly about clubs throughout the district and the work being done. He told of a Lions international meeting he attended at Nice, Italy where 118 countries were represented. He pointed out that Lions International has done much to keep war out of India.

Lion Earl Harrison was presented a 20 year certificate and pin, for outstanding work in the Dimmitt Lions Club. Others receiving certificates and pins were Joe Benson and Russell Moran for 35 years of service, and E.B. Noble and George Bradford for 10 years of service.

Scoutmaster Kenneth Shropshire received a token of appreciation from the Lions for outstanding work with Boy Scouts. When he became Scoutmaster there were 12 Scouts, now the number exceeds 40.

Guest speaker U.S. Congressman Walter Rogers of Pampa was introduced by Lion Earl Harrison. Rogers spoke on "Problems." Presently the important problem is sugar." He said it has taken twelve years to break the sugar trust. Approximately, 55 percent of all sugar was formerly imported from foreign countries. Importation has now been cut to 40 percent. "The Sugar battle is not over," Rogers emphasized, "it has only started."

"Farmers in the Panhandle can furnish all the sugar needed, and Castro County has made great strides in the past ten years," build your Community so people will want to live here," declared Rogers.

Congressman Rogers, also spoke on problems affecting our exports in the Panhandle, competition with Russia in trade, and problems with Cuba. "Have no fear, we could settle with Cuba in a short time if it becomes necessary," he said. "The United States is fully capable of dealing with Cuba and Russia anytime," spoke Rogers.

Funeral Rites Conducted For J. E. Andrews

J. E. Andrews, retired farmer of Hereford, died at 2 a.m. Monday, Sept. 24, in Deaf Smith County hospital He was 79.

Funeral services were conducted in Rose Chapel of Gilliland Funeral Home in Hereford. Rev. R. L. Shannon, pastor of the Rankin Baptist Church, and Rev. B.H. Baldwin, pastor of the Frio Baptist Church, officiated. Rev. Shannon is a former pastor of the Frio Church.

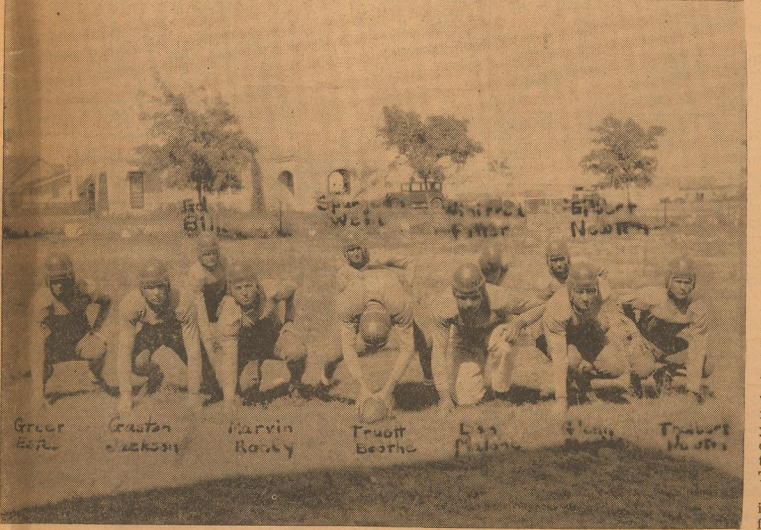

Burial was in West Park Cemetery of Hereford. Pall bearers were grandsons and grandsons-in-law, Clark Andrews, Glenn Andrews, Joe Ed Andrews, George Zetsche, Jerry King, Mearl Findley, Chesley Johnson, and Tommy Sparkman.

Mr. Andrews of 421 Star Street in Hereford was born July 2, 1885 in Nazarro County. He married Bernice Benson, Nov. 10, 1907 at Bowie. Mrs. Andrews preceded him in death, December 13, 1961.

The couple moved to the Frio community on Jan. 3, 1927 from Wellington. Andrews was active in community life. He served as trustee in the Frio School and as a deacon in Frio Baptist Church for many years.

The couple moved to Hereford, Oct. 8, 1960.

Survivors include two sons: Owen and Henry Andrews of Frio; four daughters Mrs. Charles King of Amarillo, Mrs. T.L. Sparkman, Jr. Mrs. Elmer Jones and Miss Alma Andrews, all of Hereford; two brothers, W.H. Andrews of Frio, Fred Andrews of Melrose, N.M.; three sisters, Mrs. Laura Littrell of Orange, Calif., Mrs. Ralph Hart of Clovis, N.M., and Mrs. Allie Burris of Texico, N.M.; granddaughter Mrs. Chesley Johnson, Mrs. George Zetsche Darlene Sparkman, Doris Jean Andrews, and Veradelle Andrews all of Hereford. Bonnie Simmons University in Abilene, Mrs. Mearle Findley of Amarillo; grandsons, Clark Glenn and Joe E. Andrews of Frio Community, Tommy Sparkman of Hereford, and Jerry King of Amarillo.

DIMMITT'S FIRST FOOTBALL TEAM was organized in 1929-30. It was an eleven man team. In recalling these old friends from school days, Oct. 12-13 will be the time for renewing old acquaintances as Dimmitt celebrates the homecoming of ex-students. Pictured here are the first fighting Bobcats. From left to right in the backfield are Ed Bills, Spurgeon Webb, Winifred Fuller, and Elbert Newton. From left to right in the front line are Greer Estes, Gaston Jackson, Marvin Rocky, Truett Boothe, Don Malone, Glenn Maples, and Thelbert Newton.

Committeemen For ASC Selected

Delegates to the Castro County ASCS Convention met in the ASCS office, Sept. 26 to select a 1963 ASCS County Committee.

Delegates present at the meeting were Charles Burks of Community "A", S.L. Garriso of Community "B", Don Carpenter of Community "C", and David Nelson of Community "E". The delegate was not present from Community "D".

The following men were selected for 1963 ASCS County Committeemen: Jim Elder of Dimmitt, chairman; Paul T. Brooks of Hart, vice-president; Clyde Hancock of Happy regular member; Roy Botkin of Frio, first alternate member; Phillip Haberer of Muleshoe, second alternate member.

The 1963 committeemen will take office October 1.

According to the ASCS office payments will be made on diverted acreage, such as the feed grain and the wheat stabilization programs.

ASCs reports, "We plan to begin making payments on October 8. Letters will be mailed to farmers designating the date to appear. Please do not appear until receiving the notice. We hope to make all payments to a producer on his farms whenever he appears; therefore, farmers are urged to help us in naming all your farms at this one time in case we overlook one."

"Your co-operation is especially requested in appearing on the date specified on the notice, when at all possible. This will avoid undue delay," emphasizes the ASCS office.

FFA, FHA, and 4-H Honored At State Fair

Future Farmers, Future Homemakers, 4-H Club boys, and 4-H Club girls were honored at a dinner today, Oct 5 in the Grand Ballroom of the Statler Hilton Hotel in Dallas.

Jerry Jones of Hart, a Future Farmer is among the group attending the Dallas meeting.

They have been cited by officials of the Texas Agricultural Extension Service and Texas Education Agency for meritorious work in agriculture, home economics, and animal husbandry studies.

Dr. R.C. Goodwin of Lubbock president of Texas Technological College, gave the address.

The youth were accompanied by parents, leaders, and teachers.

Gary Burnett Seriously Injured In Collision

Gary Burnett, son of Mr. and Mrs. John H. Burnett was injured last week in a car accident. According to unofficial reports, Gary had stopped to help some young girls who were having car trouble. Another car ran into the back of Gary's parked car and he was caught between the two cars.

Gary was taken to Plainview hospital. He received two broken legs in the accident.

Running Water Draw Project Discussed

F.F. Calhoun, chairman of the Running Water Draw Project, spoke at Big Square schoolhouse Tuesday evening to approximately 30 people. He discussed and answered questions concerning the proposed Watershed Project.

Calhoun recalled the \$1,500,000 damages which occurred when Running Water Draw rampaged in July, 1960 due to excess rainfall. Controlling damaging flood waters and useless soil erosion through flooding are the primary objectives of the Watershed Project says Calhoun.

Slides were shown of a parallel project completed in Sandstone County in Oklahoma. Sandstone Creek Area is one of the first up-stream flood prevention projects.

According to Calhoun, the project will consist of twelve flood retaining structures which will be built on the draw itself. There will be three structures in Curry County, N.M., three structures in Parnier, two in Castro, one in Hale and three in Lamb County. Specific locations in the counties has not been decided.

The flood retaining structure will consist of a dirt dam in which there will be located a draw-down tube to take care of excessive water. Normal water level impounded behind the structure will be 200 acre feet. This will cover approximately 40 to 50 acres with four feet of water. During flood

Running Water Draw Project Discussed

periods, the water impounded could possibly reach 5,000 acreage feet in a detention pool. 6

This amount of water would be retained only for two or three days as the draw-down tube would be functioning at its maximum in carrying away the overflow.

Federal funds will be used in construction of the project; however, Calhoun stressed this would be a project for and by the local people. Local landowners giving easements for the project would own the structure and land.

According to Calhoun and the slides of the Sandstone Project, the landowner receiving the structure would gain the following benefits: (1), a small lake which may be used for recreation purposes, in fact, the owner may charge admission to the area; (2) a place where he may graze cattle since the structure will be planted with cover grass; (3) a wildlife refuge as the lake may be stocked with fish; (4) water for irrigation purposes; however, a permit must be obtained from State Water Commission; (5) a \$250,000 structure built on his land free of charge.

"This is a co-operative project," states Calhoun. Six districts of SCD and County Commissioners courts are in co-sponsorship of this project according to Calhoun. Swisher County Commissioner Court, Curry County, N.M. Com-

missioner Court have agreed to support and sponsor the Watershed Project. When the watershed has received approval from Castro County Commissioners, Parnier County Commissioners, and Lamb County Commissioners work will be started on the project.

Washington and the state of Texas has already approved the two applications.

In receiving approval, Running Water Draw had to be divided into two areas. There is Upper Running Water Draw consisting of Curry Co., N.M. and Parnier County.

Lower Running Water Draw consists of Castro, Lamb, Swisher, and Hale counties. Both areas will be constructed together. This Watershed Project will include 335,000 acres.

Calhoun says farmers and merchants will benefit from the project. He commented, "Good fertile land, top soil, and crops will not be damaged and washed away by flood waters." "A lake will be located about every 10 miles, rain water will be impounded and allowed to soak into the soil and not erode the soil. Also, the area, will be able to support wildlife such as fish, and ducks," emphasized Calhoun.

In an election conducted after discussion of the project, Irvin Ott was elected supervisor of Zone IV.

Neither team threatened again until the Wolves scored on an 81 yard drive. Dalhart took possession on their 19 and on the next play ran 15 yards around right end. In the next three plays, Dalhart netted 13 yards. McCleskey tore through the middle for 11 while Colquitt dashed through left tackle for 12. Alfred then made a 31 yard touchdown scamper around right end.

On a conversion by Clifton, the score was 7-0 in Dalhart's favor.

The Wolves did not score again until the third quarter. Colquitt took a Bobcat punt on the Dalhart 45 and ran 51 yards before being knocked out of bounds at the Dimmitt 3.

Colquitt took a pichout from Alfred to gain the two-point conversion. Dalhart was ahead 15-0.

Dimmitt claimed a fumble at the Dalhart 42. Ratcliff tumbled to Cowsert for 9 yards and a first (Continued on page 8)

Dalhart Wolves Rend the Bobcats

Dimmitt Bobcats tumbled before the Dalhart Wolves in a 21-6 score, Friday night.

The Wolves gained their victory by unleashing a ground attack which gave them 227 yards in rushing. They made 136 of the yards in the first half. In spite of yards gained in the first quarter, the Bobcats allowed only one TD.

Two fumbles by the Wolves early in the game, set up the Bobcats for a score. Tackle Robert Daniels recovered a Dalhart fumble on their 34. The Bobcats ran the ball to the 23, only to lose it. Again, the Wolves gave the ball to Dimmitt on their 35 in another fumble.

A pass from Ratcliff to Calvert, a lateral from Calvert to Cowell, gained 25 yards for the Bobcats. Dalhart stopped Cowell on their 10 yard line. And the Wolves took over four plays later on their 11 yard line.

Neither team threatened again until the Wolves scored on an 81 yard drive. Dalhart took possession on their 19 and on the next play ran 15 yards around right end. In the next three plays, Dalhart netted 13 yards. McCleskey tore through the middle for 11 while Colquitt dashed through left tackle for 12. Alfred then made a 31 yard touchdown scamper around right end.

Parley on Citizenship Conducted by P.T.A.

District Eight PTA will conduct a Parley on Citizenship Thursday at Fannin Junior High School in Amarillo.

Registration and coffee time will be from 9:30 to 10 a.m.

Opening session of the meeting will begin at 10 a.m. with Mrs. Woodrow Killingsworth of Dimmitt presiding. Mrs. W.C. Alexander, president of Amarillo Area Council will give the welcome.

Other activities include table talks and a panel discussion of citizenship in action.

Lyman B. Neman Victim Of Heart Attack

Mr. Lyman Bright Newman, 47, died in a Plainview hospital today, Thursday, at 5:30 p.m., after suffering a heart attack at his home at 3200 Lipscomb in Amarillo. Funeral services will be conducted at 10:00 a.m. Saturday in Plainview under direction of Lemons Funeral Home.

Deceased is survived by his wife, two sons and two daughters and three brothers. He was a cousin of Mrs. Joe Cowen of Dimmitt.

Films Are Highlights Of Bethel Party

Bethel Community Party will be conducted Friday, Oct. 5 at 7:30 p.m.

Highlights of the party will be films shown by N.F. Cleavinger.

Harvest Begins as Combines Start Threshing in Fields Throughout Castro County

Here are two combines operated by Charles Fisher (left) and Jessie (right) unloading grain sorghum into the Chevrolet truck. Owner of the crop is Iris Touchstone. This harvesting is approximately one mile west of Dimmitt. According to elevator operators a noticeable increase of grain has been shown during the past week.

Public Notices

Due to an oversight in last weeks paper, the picture in which the officer is supporting the boy's head should have read Sheriff Jack Cartwright instead of Deputy Sheriff Martin.

Another item left out of the story was the boys ran a road block north of town. In trying to pass the block, they ran off the right side of the road and then whipped across to the left side of the road. There they ran into the ditch and lost a tire. After losing the tire, they jumped from the car and ran.

Richard A. Shirey was driving the car.

TEXANS INVITED TO USDA Land and People Conferences

College Station, Sept. Regional "Land and People" conferences are expected to attract many Texans to Denver and New Orleans in October.

Texans, both rural and urban, are invited to these conferences to discuss their ideas for strengthening rural America with the Secretary of Agriculture, Orville L. Freeman, and other leaders of state and local groups.

"This is the only invitation you need to go to the conference or to participate in the discussions," Extension Service Director J.E. Hutchison, emphasizes.

The Denver Land and People conference is scheduled for October 8 and 9 at the Hilton Hotel and the New Orleans conference for October 15 and 16 at Loyola University.

The meetings are being shaped up to provide the broadest possible opportunity for community leaders, USDA officials and others to exchange opinions on the special problems and possible remedies in each region.

"We want to learn from local people," the Secretary emphasized.

Seedlings Available For Windbreaks
Farmers and ranchers who plan to plant windbreaks this year can pick up applications for tree seedlings from their County Agricultural Agent, or by writing to the Texas Forest Service, College Station.

Windbreak species available this year are: Austrian and ponderosa pine, black locust, catalpa, Chinese elm, cottonwood, buffaloberry, mulberry, red cedar, multiflora rose, sycamore, Russian olive, euonymus and Osage orange. Black walnut stratified seeds are available also.

The seedlings are sold only for windbreaks and prevention of soil erosion. No order for less than a total of 100 trees will be accepted. Mason Cloud, head, Reforestation Section, Texas Forest Service, said the cost of both seedlings

New Fertilizer Placed on Market

The initial load of anhydrous ammonia produced in a gleaming new plant just completed by The Shamrock Oil and Gas Corporation was shipped out by tank truck late last week. Taylor-Evans of Amarillo, Inc., Shamrock's distributor for the new product, delivered the shipment of slightly more than 16 tons to the Humme Fertilizer Company of Manter, Kansas.

Shamrock is marketing the fertilizer under the trade name of Nitromite. Dealer outlets for the new product have been established by Taylor-Evans throughout the Texas Panhandle, western Oklahoma and Kansas, southeastern Colorado and eastern New Mexico. Shamrock's new plant near Dumas, Texas, was placed "on stream" last week, 10 months after construction began. The design capacity of the new unit is 160 tons a day. It has a refrigerated storage capacity of 20,000 tons in two 10,000 ton insulated tanks. Equipment for loading both truck and railroad tank cars are located on the plant site.

How Much Is Education Worth

In a report from the Texas Education Agency, Dimmitt Schools spent \$339.21 last year per student for education. This is an increase of \$14.27 per student from the 1959-60 school year. This report is based on average daily attendance of the school.

Romero School in Hartley County paid the highest amount per student during the 1960-61 school year. They spent \$4378.00 on each student for educational purposes.

Independence School in Washington County spent the least amount per student during the school year. They paid only \$136.72 on the individual student for education.

Railroads Prohibit Trespassers

With the approach of the hunting season, a reminder that railroads must prohibit trespassing on their property in the interest of safety is issued by R.W. Brewer, chief special agent for the Fort Worth and Denver Railway Company.

Pointing out that hunting and fishing licenses do not convey the privilege of trespassing, Mr. Brewer said the ban is strictly enforced by all railroads in order to protect sportsmen and the public generally, and to prevent damage to

Hilburn, Dimmitt school superintendent says, "We call this equal educational opportunities."

For these reasons, he noted, it is important that the growing number of hunters and fishermen be cautioned that they are expected to observe the "No trespassing" signs along the railroads' right-of-way.

railroad facilities from careless use of firearms. Firing at game near telegraph, telephone and signal installations frequently results in gun shot damage to these facilities and could precipitate a major disaster on a busy rail system, since interruptions of signals and communications jeopardize the safety of train crews and passengers, Mr. Brewer stated.

He also warned that trespassers run the risk of being trapped on trestles, or caught between rails and ties in the path of high-speed trains.

Champlin L.P.G. ENGINE OIL

THE BEST LUBRICATION FOR ALL L-P-G ENGINES!

The rapidly growing use of L-P-G engines calls for a lubricating oil with special qualities. Champlin L-P-G Engine Oil is especially designed to meet these exact needs.

Champlin L-P-G Engine Oil has a special detergent factor that keeps L-P-G engines clean under all operating conditions, removing and preventing engine deposits. It gives extra protection against oil thickening. Special oxidation inhibitors insure free-flowing lubrication. It provides a tough oil film between all moving parts under all pressures and all temperatures. Choose Champlin L-P-G Engine Oil for safer, more economical operation.

HART NEWS

BIRTHDAY DINNER

Birthday dinner for Robert Brooks, Mr. and Mrs. Bobby Brooks of Plainview, Deward Armstrong and David Brooks were served Sunday in the home of Mr. and Mrs. Robert Brooks.

Those present were Mr. and Mrs. Bobby Brooks and family of Plainview, Mr. and Mrs. Deward Armstrong and family of Hereford, Mr. and Mrs. Earnest Lee Brooks and family of Hart, Mrs. A. T. Mat-sler of Plainview Mrs. Mary Hamilton of Hereford an aunt of Mrs. Brooks.

Mr. and Mrs. Roy E. Moss of Venita are visiting their daughter Mr. and Mrs. E. E. Davis Mr Moss is working at a gin for the fall

Mrs. McKinney of Dimmitt and Judd Davis of Hart was involved in a auto accident in Hart Tuesday. Little damage was done, and no one was hurt.

The Hart school has completed the fourth, first grade room. Mrs. Ellenor Hinkley of Big Springs has been hired to teach this first grade class.

T.R. Warren was in Hereford Saturday night to take a Butane examination.

Visiting in the Elmer McKay home and for the birthday dinner of Mr. Elmer McKay and Wanda McKay were Mr. and Mrs. A.L. McKay of Turkey, Mr. and Mrs. Connard Riddles of Wichita Falls, r and Mrs. A.H. Phillips of Amarillo, Mr and Mrs. A. L McKay of Turkey.

Mr and Mrs. Curtis Wellborn of Muleshoe visited in the home of his sister Mr. and Mrs. Lester Lancaster Sunday.

HART MENU OCT 3-12

Monday: Steak and cream gravy, candied yams, green beans, spiced apples, butter, milk, bread.
Tuesday: Beef fricassee, mixed greens, buttered potatoes, hanana pudding, hot rolls, butter, jelly, milk.

Wednesday: Corn dog, baked beans potatoe salad, yeast biscuits, butter, peach preserves, milk.
Thursday: Chicken and dressing, English, tomato and lettuce wedge, pineapple slice, cheese topping, bread, milk, butter

Friday: Fish stick, buttered rice, buttered carrots, hot rolls, butter, milk, orange raisin cake.

HOUSEWARMING

Mr. and Mrs. John Rice was honored with a house warming in their new house on Avenue G Sunday September 30, from 3 to 5 p. m.)

Guest were received by J.J. Rice Royce Rice, Doyle Davis and Ralph Myrick.

Hostesses were their children Mr. and Mrs. L.J. Rice, Mr. and Mrs. Royce Rice, Mr and Mrs. Ralph Myrice, Mr. and Mrs. Dyle Stolcis.

Out of town guests were Mr. and Mrs. M.L. Hardy of Hereford, Mr. and Mrs Herman Rice of Littlefield, Mr. and Mrs. Royce Rice of Amarillo, Mr and Mrs. Dyer Maynard of Canyon, Mrs. Florine Grisham of Littlefield, Mr. and Mrs. Olen Rice of Dimmitt, Mrs. O.D. Hindman of Plainview, Debra and Nancy Maynard of Amarillo

Mr. and Mrs. Guy Ford have moved into the Former home of John Rice.

Stanley Henderson is leaving for the Army October 9.

Mr. and Mrs. Vernon Mapp was in San Antonio this weekend where they carried their hiredhand to his parents home. He is suffering from leukemia and will be admitted to the John Sealey hospital in Galveston this week.

Mrs. Lee Harris and Mrs. Judd Davis was in Amarillo Monday on business.

Sherd Davis of Wolf City spent Friday night with Mr. and Mrs. Lee Harris.

Mr. and Mrs. Raymond Shumate of Melrose visited his sister this weekend, Mr. and Mrs. Lee Harris.

Pfc. and Mrs. Connard Riddles of Wichita Falls visited her pa-

rents this weekend, Mr. and Mrs. W.C. Lacy

Mr. and Mrs. J.J. Newsom visited in Lubbock Sunday

Mr. and Mrs. L.W. Bennight were fishing at Lake Altus Friday and Saturday.

Jim Butler of Estelline visited in the homes of Mr. and Mrs. H. E. Loman and Mr. and Mrs. Wes Nivens.

Bob Bennitt is in Dallas this week

Private Jimmy Cook is home on leave.

Daughter born to Mr. and Mrs. Larry King of Hart. She was named Vicky Angela, 7 lb and 15 oz, born Tuesday September 25 at 7:10 a.m. in the Plainview hospital and clinic. Grandparents are Mr. and Mrs. Henry Pigg of Hart and Mr. and Mrs. Virgil King of Olton.

Mr. and Mrs. E.E. Foster were in Oklahoma City last weekend where he went through the Allergy Clinic

Odus Foster of Clovis, New Mex. visited several days last week in the home of his brother Mr. and Mrs. E.E. Foster.

Mr. and Mrs. Wamon Foster have returned from Kansas City

where they were called to be with her father Mr Linsey who had a stroke.

GOOD NEIGHBOR CLUB

The Good Neighbor Club met Tuesday October 2, in the home of Mrs. E.E. Foster for an all day meeting. A covered dish luncheon was served to 19 guest.

Hand bags were made, Mrs. McKenney of Big Square was visiting and showing how to make the hand bags.

Those present were: Mesdames Buster Aven, Mable Aven, Lee Harris, Paul Brooks, Ena Bowden, T.R. Davis, Lenora Smith, Earnest Martin, Fred Hamm, E.E. Foster, T.B. Cox, WA Hawkins Sr, Mrs JD. Murray Percy Hart, R.C. Bailey, Hubert Maples, Jimmy Davis and Mrs. Elra Phillips.

The next meeting will be held in the home of Mrs. Jimmy Davis November 6.

NEW BABY BOY

Mr. and Mrs. Jimmie Brookwell are the proud parents of a baby boy, Larry Brent. He was born 4:00 p.m., Thursday, September 27. Larry weighed 7 lbs, 14 oz. at birth.

DROP TEST for dosimeters is performed in a Cincinnati plant to find out whether the pencil-like radiation detection instruments can stand up to hard wear. The Defense Department will buy dosimeters for thousands of community fallout shelters across the nation. Shelter leaders will use them when the danger point for accumulated radiation exposure has been reached. (U.S. Army Photo)

NEWS FROM FLAGG

The Flagg Home Demonstration Club will meet this Friday, October 5 at the community building. The report on the state meeting recently held in Dallas will be given.

All members are urged to be present.

Mr. and Mrs. John Jennings of Canyon were visitors in the Marvin Axe last Sunday night.

Mr. and Mrs. Rayphard Smithson and family attended the Air Show in Amarillo last Sunday.

Sunday visitors in the Clyde R. Davis home were Mr. and Mrs. Edwin O'Hah and children of Earth.

Mr. and Mrs. Deroy Cates were visitors in the Rex Wooten last Sunday.

Mr. and Mrs. C.T. Damron visited with Mr. and Mrs. Jesse Wooten on Sunday of last week

Mr. and Mrs. Dale Winters and girls were recent visitors in the home of Mrs. Winder's parents, the Gid Howells of Muleshoe.

Mr. and Mrs. Truett Booth visited in the Joe Smith home recently.

Clyde R. Davis and Donald Kelly of Earth fished several days last week at Lake Kickapoo near Electra, Texas.

Mr. and Mrs. Hunt have recently moved into the community. They are former residents of Dimmitt.

Mr. and Mrs. Robert Yates and boys spent one night last week with Mrs. Yates' sister, Mrs. Ann Jenkins and girls of Dimmitt.

The J.W. Birchfields have had as their house guest the past week and a half, Mrs. J.L. Pitts of San Bernadino, California.

Mr. and Mrs. J.W. Birchfield hosted a dinner Sunday for a large gathering of relatives Those attending were Mrs. Arrie Gatewood, Mr. and Mrs. Harold Wester, Mrs. Willodyne Brooks, Linda and Alan of Hereford, Mrs. J.L. Pitts of San Bernadino, Calif., Mrs. Katie Webb and Mrs. Edna Webb of Claude.

First Christian Church Services Announced

Promotion Day in the Bible School of the First Christian Church was conducted last Sunday.

Paul Fry, superintendent, presided at the program. One new class was added to the Bible School.

According to the pastor, attendance at the program exceeded resident membership approximately 15 per cent.

This Sunday, will be Rally Day at the First Christian Church.

The Harvest Revival was concluded last Sunday. The pastor says the attendance exceeded resident membership on the last night of the meeting approximately 40 per cent.

Minister Bedford W. Smith will speak on "Which Way?" in the 10:50 a.m. worship service.

"A Building Without Foundation" will be the topic for the evening service. Evening services will begin at 6 p.m.

"The Family Hour" conducted each Wednesday evening from 7:30 to 8:30 will continue with the study of Revelation.

Telephones and Talking Dogs

Telephone traffic is so heavy today that we sometimes think even the fabled talking dogs have switched to the telephone.

Each new telephone installed increases traffic—but it also increases the range of usefulness of every other telephone. This means your telephone service increases in value every day.

EX-STUDENTS MAY RECALL this first high school building in Dimmitt. Many major changes have occurred in Dimmitt Schools since 1922. Presently, a new eighty-thousand square foot high school building is being built in west Dimmitt. Repairs on older buildings have been made. Dimmitt ex-students are invited to come, October 12 and 13 to witness these changes in the school system according to Harold Stephens, president of the Ex-Student Association.

Regulation of '63 Wheat Program

ASCS Office releases the following report on the 1963 Wheat Program.

If the farmer chooses to divert NO wheat acres from his present allotment, he can expect to receive a support price of no more than \$1.82 per bushel on production from these allotted acres.

If the farmer chooses to divert a part of his assigned allotment, he may divert not less than 20 per cent nor more than 50 percent of his wheat allotment.

Compensation for these diverted acres will be figured on a payment to producers of \$1.82 per bushel for 50 percent of their normal production per acre multiplied by the acres diverted.

Producers who make the voluntary reduction in acres will be entitled to a support price of \$1.82 per bushel on the wheat grown. In addition, 18 cents per bushel on the normal yield will be made in payment-in-kind certificates.

Payment In Kind Certificates holders have three choices: (1) to exchange the certificates for wheat from CCC stocks; (2) to sell the certificates outright; (3) to request CCC to market the certificates for them. The USDA has indicated CCC would advance producers the full face value of the certificates.

Producers who agree to divert a specific acreage will lose price supports for 1963 if they fail to carry out the agreement by diverting fewer acres.

Crops which could be planted on diverted acres will be limited to safflower, sesame, and other minor crops which will be named by the Secretary of Agriculture.

Producers will be required to take appropriate erosion control measures on diverted acres. Such acres must show evidence of having been diverted from normal wheat planting and not being a part of the regular diverted acres under other diversion programs.

Three Groups Served by Baptist Sunday School

First Baptist Church in Dimmitt ministers regularly to three groups of people who do not attend their Sunday School.

These groups are Y.P.A. (Young People Away), cradle Roll Department, and Extension Department.

Young People Away is a new group which has been organized here for the first time this year according to Johnny Burnett, educational director of First Baptist.

"The greatest leak we've found in our work is when young people leave home, they quit the church. We've lost more people here than in any other place," commented Burnett.

Y.P.A. developed two years ago at the Southern Baptist Convention. It was designated as a ministry through the Sunday School of Baptist Churches.

Burnett says, "The Y.P.A. is a ministry to young people of the church who are temporarily away from home. It includes college students, servicemen and young people temporarily working away from home."

This ministry is carried on through special correspondence. The young person away is contacted by personal letter, personal call, or personal visit once a month. Also, church literature is sent to them. They receive Sunday School literature, a devotional magazine, and weekly church paper. College students receive "The Baptist Student."

Mrs. Raymond Hance is superintendent in this department. She has one helper to every eight young people. Mrs. Hance and these helpers manage personal contacts once every month.

Presently, the church is ministering to 42 young people away from home. College students number 25. Others are in the service or working temporarily away from home.

A second group to which the church ministers is the Cradle Roll Department under the direction of Mrs. C.G. Maples.

This ministry is for mothers-to-be and continues until birth. Visitors under the guidance of Mrs. Maples, superintendent of the department, contact the expectant mothers once a month.

These mothers receive "The Home Life" magazine and a letter called "Letters to Cradle roll

Parents'.

Third area which the church serves is the Extension Group under the direction of Mrs. Faye Kenmore.

The church ministers to ten people in this area. They are people who can not attend Sunday School because of age, health, or work. Visitors under the direction of Mrs. Kenmore, superintendent, contact these people, regularly.

Literature for this group includes "the Home Life" magazine and "The Extension Quarterly".

According to Burnett, the people of these three departments are considered members of the Sunday School for they are ministered to regularly.

Amphibious Drills Completed By Johnson and Cline

Two Army men from Dimmitt, Texas, Specialist Four Virgil P. Cline and PFC Jimmie D. Johnson, recently completed two weeks of amphibious training with other members of the 2d Armored Division at Little Creek, Va.

The men were trained in all phases of modern amphibious warfare, including shipboard drills, and orientation to life aboard ship and a tactical landing exercise.

Specialist Cline, 24, son of Mr. and Mrs. Milas L. Cline, is a mechanic in Battery A of the division's 16th Artillery, which is regularly stationed at Fort Hood. Cline entered the Army in February 1961 and received basic combat training at the fort. He has served in Europe. Cline is a 1956 graduate of Lockney High School.

Private First Class Johnson, 23, son of Mr. and Mrs. Claude F. Johnson, is a dispatcher in Company C of the division's 17th Engineer Battalion at Fort Hood. Johnson entered the Army in July 1961 and received basic combat training at the fort. A 1957 graduate of Dimmitt High School, Johnson attended Texas Technological College. He was employed by Womble Oldsmobile, Lubbock, before entering the Army.

GIVES COFFEE

Mrs. Fred Bruegel, Sr. entertained Mrs. Biggs, mother of Mrs. Fred Bruegel, Jr., with a coffee at Hereford Country Club, Wednesday afternoon.

Attending were Mesdames J.R. Brown, Winfred Fuller, Tom Davis, Sid Sheffy, Fred Bruegel, Jr. and Fred Bruegel, Sr.

Cotton Root Rot Kills Shade Trees, Shrubs and Flowers

rot is one of the most common plant diseases in Texas. Except for the Panhandle and High Plains, the disease is found throughout the state, says Harlan Smith, extension plant pathologist. It is very common in heavy alkaline soils. Smith points out that about 80 percent of the wild and cultivated plants are susceptible in varying degrees to the disease. The fungus may live in some native trees and shrubs without killing them, he adds.

Small flowers, shrubs and trees die suddenly after the first wilting symptoms appear. Large shrub and trees may die more slowly. Smith says the bark of affected roots is decayed and brownish. Woolly, buff or brownish, fungal strands are present on the surface of the damaged roots.

The whole root system decays, he adds. Bark is rotted off the harder wood of the root, and roots slip out of the soil with comparatively little pulling effort. Under moist conditions, with or without affected plants, spore mats sometimes appear on the soil surface. These mats are 2 to 12 inches in diameter, at first snowwhite and cottony; later they appear tan and powdery. Cotton root rot fungus invades new areas by continued slow growth through the soil from plant to plant. It may live in soil for many years. The disease is often found as deep in the soil as roots penetrate, says Smith.

The disease is controlled by the growing of resistant or immune trees and shrubs. Certain cultural practices may also help in checking its occurrence.

Smith suggests a visit with the local county agent for more information on the disease and for a copy of L-390 "Cotton Root Rot." The publication is available for the asking.

Letters to the Editor

Dear Bascom and Penny,
I learned, from the Castro County News, that you are moving to Beeville. I hope that you are happy in your new work and in your new home. I was sorry to see you leave the newspaper, because you made a good editor, and we always appreciated your editorials. Bascom, I appreciated the straightforwardness and the vision that you had on the issues of the day. You are a prophet in your own right, with the courage to print your convictions. I'd like to read the editorial that you might write on the situation in Mississippi.

In going back and forth, as you probably will be doing, if you should come through Colorado should come through Colorado City we would be happy if you would stop by for a visit with us.

Sincerely,
Darris L. Egger

Economist Takes A Look At Texas Land Prices

College Station, Sept. Traditional land prices and net farm income move in the same direction with a lag of one or more years. But, says John G. McHaney, extension economist, this generally hasn't been happening in Texas for about the past 10 years. During this period land prices have not been responsive to variations in crop and livestock yields, prices or net farm income.

McHaney cites several factors which have contributed to the situation; one that has caused many farmers and ranchmen to say land prices are so high they cannot make a fair return on their investment. More and more, he says, land prices are being determined by off-farming, investment and speculation.

With population on the rise, and with per capita income high plus longer week ends and vacations, urban people are in a better position to purchase and operate land to say nothing of the enjoyment and wider range of benefits they can derive from owning land. City life is becoming even more congested and complex and so many urban-dwellers are turning to rural areas that some farm-to-market roads may be better described as "City-to-farm" roads, says the economist.

Many people feel that ownership of our basic resource — land — gives them more economic and social security and independence. Whether or not this feeling is real, it, nevertheless, seems to be a factor in causing certain urban people to become interested in land ownership, believes McHaney.

As for the future, McHaney sees it this way. As the State's population increases and the supply of land remains constant, there is reason to believe that land will become even more precious in the minds of people. Over the long-run, the trend in land prices will be upward. There will be, he adds, periods of ups and downs in prices. These will affect some areas of Texas more than others.

So long, he adds, as we have general prosperity, high employment and per capita income, land prices are expected to remain at a high level. A severe recession in the future would drop prices but even this decline would lag behind the general price level by several years, he believes.

Milady Garden Club Met Tuesday, Oct. 2

Milady Garden Club met Tuesday October 2. America the Beautiful, a talk concerning Spring Bulbs and flowers was given by Nell Proffitt. October and November are the best months for spring blooming bulb planting. She encouraged the members of the club to begin now planting bulbs in order to have blooms early next spring.

The table was decorated with a Halloween motif using marigolds and holly leaves sprayed black.

Sweet rolls and coffee were served to the attending members.

Hostess were Mrs. Don Mobley Mrs. James Proffitt, Mrs. Truman Touchstone.

Sunday School Teacher Honored

Sophomore Sunday School class of the First Baptist Church surprised their teacher, Mrs. Karyn Wood with a party.

Since the class has been promoted they took this occasion to show their appreciation and devotion to their teacher and counselor.

Mrs. Nola Wood gave a bowl of mixed roses for the occasion. The girls had orange cake decorated with large yellow roses and green lettering which read "We Love You".

Mrs. Wood presented a charm bracelet from the girls.

Eight girls attended the surprise party.

Panel To Discuss Adolescent Angels And Juvenile Devils

College Station, Sept. There is good in the worst children and bad in the best. The factors that cause one to win out over the other will be considered during a panel discussion which will highlight the Town and Country Church Conference at Texas A&M College on October 17-19.

The panel's topic is "Juvenile Devils and Adolescent Angels and the Twilight Zone Between" and will be moderated by Reagan Brown, says Dan Russell, program chairman of the conference.

Members of the panel will be Mrs. Maxine Burlingham, Judge Charles Betts, Rev. Clinton Kersey, and Dr. George J. Beto, according to Russell. Mrs. Burlingham is an honor graduate of Texas Christian University where she majored in sociology and psychology and is now Superintendent of the Gainesville State School for Girls.

Judge Charles O. Betts is a member of the Advisory Council of Judges to the National Council on Crime and Delinquency. He is presently judge of the 98th District Court, the Juvenile Court of Travis County and is thus keenly aware of the problems of youth and the community responsibility in meeting them.

Clinton Kersey is presently chaplain of the House of Representatives of the state legislature as well as being the pastor of Harris Memorial Baptist Church in Austin. Rev. Kersey has served two years as Juvenile Rehabilitation Consultant, Texas Commission on Alcoholism and is now Director of Parole of Texas Youth Council.

In 1958 the Texas Foundation Heritage Award for the Man of the Year in Texas went to Dr. George J. Beto. Presently the Director of the Texas Board of Corrections.

Youth guidance and development are the responsibility of the church and the community as well as the home and in today's complex society this responsibility is increasing, according to Russell. Those participating in the conference will strive to assimilate the ideas and techniques submitted by the panel members during the conference's workshop sessions.

"We are extremely fortunate to have these dynamic leaders on the program and are looking forward to another productive conference," concludes Russell.

VISITS PROJECT

A group of 71 went to view the Brady Creek Watershed operations and construction in preparation of a similar project on Running Water Draw.

Attending from Castro were Wade Mills, Judge Wilson, H.F. Bridges, R.B. Haydon, Terry McClain, Ernest Brockman, M.C. McFarland, Allen Webb, Bob Dulaney and J.G. Davis.

Wade Mills says, "People in the watershed were behind the program 100 per cent."

ATTEND FUNERAL

Mr. and Mrs. Dorit Smiley and daughter have returned from Bronte where they attended funeral services of her mother, Mrs. B.F. Murphy. Mrs. Murphy passed away with a heart attack, Monday Services were conducted in First Baptist Church of Bronte

MRS. BIGGS VISITS

Mrs. Biggs, formerly of Arizona, is visiting here with her daughter, Mrs. Fred Bruegel, Jr. Mrs. Biggs will soon leave for Formosa to join her husband who is a technical engineer.

LEGAL NOTICES

"NOTICE OF HEARING OF SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS, AND ON OTHER MATTERS WITH REFERENCE THERETO WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF DIMMITT, TEXAS, BEGINNING ON THE 22nd DAY OF Oct. 1962, AT 7:30 O'CLOCK, P.M. TO ALL OWNERS AND TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON ANY

PROPERTY ABUTTING THE ALLEYS, STREETS OR AVENUES OR PORTIONS THEREOF IN THE CITY OF DIMMITT, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES OR THEIR AGENTS AND ATTORNEYS.

You are hereby notified that the City Commission of the City of Dimmitt, Texas, has determined the necessity for and ordered the improvement of certain alleys, streets and avenues or portions thereof, hereinafter described; and the City Commission has approved and adopted the estimate, statement, and report of the City Engineer and has taken other proceedings with reference to the making of such improvements, and all of which are of record in the minutes of the City Commission of the City of Dimmitt.

NOTICE IS HEREBY GIVEN: 1. That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon the property abutting the alleys, streets or avenues, or portions thereof, in the City of Dimmitt, Texas, hereinafter named, and to all other interested parties and to their agents and attorneys, before the City Commission of the City of Dimmitt, Texas, which hearing shall begin on the 22nd day of October, 1962, at 7:30 o'clock P.M. and shall be held in the City Hall of the City of Dimmitt, Texas, at which hearing all of said owners and other interested parties, their agents and attorneys, shall have the right to be heard on any matter as to which hearing is a constitutional requisite to the validity of any assessment sought to be imposed and to contest the amount of the proposed assessments; the lien and liability thereof the special benefits to the abutting property and the owners thereof by means of the improvements for which such assessments

are to be levied; the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The City Commission shall have power to and shall correct any error or errors, inaccuracies, irregularities, and invalidities, and shall have power to and shall supply any deficiencies and shall determine the amount of the assessment and all other incidental matters and shall have power by ordinance to close such hearing and shall, by ordinance or by a later ordinance or ordinances, have the right to levy such assessments before, during, or after construction of such improvements, but no part of any assessment against abutting property shall be made to begin prior to the acceptance by the City, by ordinance, of any improvements abutting the property for which the assessment is levied. All of said owners claimants, and other interested parties, their agents and attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and of record with the City Secretary of the City of Dimmitt, Texas. 2. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the raising, grading, filling, permanently paving, or repaving of said alleys, streets or avenues, or portions thereof, and by the construction or reconstruction of the concrete curbs and gutters, and by the construction of such things and other and necessary incidentals or appurtenances as the City Engineer has found to be necessary or advisable, and as shown by the plans and specifications of the City Engineer, and by widening or narrowing, if necessary, to obtain a paved surface, curb and gutter, so that the paved width from back of curb to back of curb shall be the width set out below; and the said paving shall consist of construction of asphalt triple penetration wearing surface on six inch inflexible concrete base, which base surface, as well as all of such other improvements, shall be of such a nature and type of construction in each particular unit of improvement as are shown on the plans and specifications of the City Engineer.

3. The alleys, streets and avenues or portions thereof, to be improved within the limits designated by the City Commission are listed below as they have been divided by the City Commission of the City of Dimmitt into separate and distinct improvement units. The designation of such alleys, streets or avenues or portions thereof and such other information is as follows: Unit 1. — East-West Alley of Block 100, O.T. from Existing East gutter to West Second Street to Existing West Gutter at Broadway, width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,490.37. Unit 2. — North-South Alley of Block 100, O.T. from Existing North Gutter at Bedford Street to South line of East-West Alley of Block 100, O.T., width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,101.34. Unit 3. — East-West Alley of Block 83, O.T. from Existing East Gutter at Broadway St. to Existing West gutter at East Second St., width 20' Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,427.70. Unit 4. — North-South alley of Block 83, O.T. from Existing North gutter at Bedford Street to Existing South Gutter on Etter St. excluding the 20' East-West alley in Block 83. width: 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,227.70. Unit 5. — East-West Alley of Block 110, O.T. from Existing East gutter at West Third Street to Existing West gutter of West Second Street, excluding the 20' north-south alley in Block 110, width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,302.75. Unit 6. — North-South alley of Block 110, O.T. from Existing North gutter at Jones Street to Existing South Gutter at Bedford St., width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,602.94. Unit 7. — East-West Alley of Block 99, O.T. from Existing East gutter of West Second St. to Existing West gutter of Broadway Width 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,452.85. Unit 8. — North-South alley of block 99, O.T. from Existing North gutter of Jones Street to Existing South gutter of Bedford Street, excluding the 20' east-west alley in Block 99.

Width 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$4,327.77. Unit 9. — East-West Alley of Block 99, O.T. from Existing East gutter of East Second Street to West line of North-South alley in Blk. 73, O.T. Width, 20'. T. from Existing South gutter of Jones Street to North line of the East-West Alley in Block 85, O.T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,101.34. Unit 11. — North-South alley of Block 74, O.T. from Existing North gutter of Bedford Street to North line of the East-West Alley in Block 74, O.T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78 estimated total cost of improvements \$2,315.50. Unit 12. — North-South alley of Block 73, O.T. from Existing North gutter of Jones Street to North line of the East-West alley in Blk. 73, O. T. Width, 20'. Estimated amount of assessment per front foot abutting properties being improved: \$4.78. Estimated total cost of improvements: \$2,376.52.

4. The City reserves the right to omit the improvements in front of any property, any interest in which was exempt from a lien of special assessment at the time the street improvements were ordered, and further reserve the right to omit the improvements to entire units where one or more of the properties therein are exempt from the liens of assessments and the owners fail or refuse to execute valid Mechanic's lien contracts fixing valid contractual liens against such property, or to otherwise secure the payment of their share of the cost of such improvements, and any such omission will not invalidate the lien or liabilities or assessments made against abutting properties.

Signed this the 1st day of October, 1962. G.W. Bradford Mayor of the City of Dimmitt ATTEST: E.B. Noble City Secretary

Building Owners Allow Shelters

SHELTER AGREEMENT is signed by Mayor Warren Whitson of Denton, Texas—an act being duplicated in communities across the nation as fallout shelter space in existing buildings is made available by property owners for emergency use. Others in picture are W. C. Orr, Jr. (left), who signed as president of the First State Bank of Denton—owner of the building containing the basement shelter space—and Bill Cox, representing Region 5 of the Office of Civil Defense, Department of Defense. The agreement provides that the bank will allow emergency use of the 350-person shelter area, the Defense Department will furnish survival supplies for the shelter and the City of Denton will place them in the shelter. (Courtesy Harmon Perryman, Denton Record-Chronicle)

'EYES' FOR FALLOUT SHELTERS

Radiological detection instruments will be a vital component of supplies for community fallout shelters stocked under the Federal Shelter program of the Department of Defense. A nuclear attack might threaten large areas of the nation with radioactive fallout. Some areas could receive a heavy fallout deposit requiring stays in a shelter of two weeks or more, while shelter occupants in lightly-affected areas might begin coming out in a few days or less. Radiological instruments are needed by occupants of community fallout shelters to tell them when they might emerge safely.

Radiation cannot be detected by the senses. Grouped around the shipping case in the picture under the radiation monitoring kit are: (1) A geiger counter with earphones, batteries and accessories for use in measuring low-range radiation such as might be dangerous in food and water; (2) Three pencil-like dosimeters and a dosimeter charger (square box with two black knobs)—the dosimeters, worn by individuals, indicate total radiation absorbed, while the charger returns dosimeters to zero settings for re-use—and (3) A survey meter for measuring high-level radiation such as might occur outside a fallout shelter.

FREE WIRING AND SATISFACTION GUARANTEED!

That's right — you can have your new electric range wired in free, try it out for 60 days, and then if you're not completely satisfied, your participating Reddy Kilowatt dealer will refund the money you have paid.

It's a great opportunity for any Southwestern Public Service Company customer living in a one or two family dwelling to try this modern way of cooking, and your dealer is so sure you'll like it that he is making the free wiring offer with built-in satisfaction guaranteed.

See your Reddy Kilowatt dealer this week, and tell him you want your new electric range installed — you can't lose!

Delta Kappa Gamma Conducts Regional Meet

"New Times Demand New Measures" will be the theme for a regional meeting of members of the Delta Kappa Gamma Society, international organization of women teachers, at Tascosa High School in Amarillo on Saturday, October 13.

Zeta Epsilon Chapter of Amarillo with Miss Stacia Irene Crawford as president, will be hostess chapter to this regional meeting which is one of eighteen conducted throughout Texas in October and November. Participating chapters with their presidents are: Pi, Mrs. Robbie Dewald, Amarillo; Beta Delta, Miss Mary Reeve, Pampa; Gamma Theta, Mrs. Gladys Phillips, Darrousett; Gamma Kappa, Mrs. L. C. Sweatt, Wellington; Gamma Ki, Mrs. Frances Holden, Dumas; Delta Ki, Miss Della Stagner, Hereford; Zeta Delta, Mrs. Evelyn Laney, Amarillo; and Zeta Zeta, Mrs. Sue Stephens, Amarillo.

Directors of the meeting, representing Alpha State, will be Mrs. Ruby Lee Lafferty of El Paso, first vice-president and program chairman, and Mrs. Velma Raney Weaver of Clarendon, state chairman of the committee on music and member of the state program committee. They will meet with chapter presidents at 8:00 a.m. for a workshop. Other members will meet at 9 a.m. in the Commons of Tascosa High School for registration and coffee.

A general session will begin in the auditorium at 9:30 a.m. Mrs. Weaver has worked with

chapter president in planning the meeting, and Mrs. Lafferty will be the speaker at the luncheon which includes the program.

Mrs. Lafferty who attended the International Convention of the Delta Kappa Gamma Society in Philadelphia in August, will speak on "New Times Demand New Measures," presenting the long range plan for the Society.

Mrs. Lafferty has been a member of Delta Kappa Gamma since 1937. She is a past president of Kappa Chapter, El Paso, and served as treasurer for the Southwest Regional Conference in El Paso in 1955. She has appeared on programs at conferences and conventions of the Society in Honolulu, Tulsa, Minneapolis, and Phoenix. In 1961 she was a recipient of an Alpha State Achievement Award. Mrs. Lafferty teaches English in Burges High School, El Paso. She is sponsor of the Future Teachers Club in her school and is past president of the Airport Opti-Mrs. Club and the El Paso Council of Opti-Mrs. Her husband is lieutenant governor of District 19 of the Optimist Clubs. She also is active in De Molay Mother's Circle, church and Sunday School, and A.A.U.W.

Mrs. Weaver has been a member of Delta Kappa Gamma since 1945. She is past president of Gamma Kappa Chapter, has held all offices

of the organization. She is past president of Gamma Kappa Chapter, has held all offices of the organization. She is past president of Gamma Kappa Chapter, has held all offices of the organization.

Newman Attends Lubbock Meeting

S. T. Newman of Dimmitt attended the South Plains Guidance and Counsel Association meeting at Lubbock, Saturday.

Representatives from Texas Tech Christian College, and counselors through out this area attended the meeting.

Dr. Chucklovich, head of psychology department in Texas Tech spoke to the group. His topic concerned "The Psychologist's Position in Industry."

Newman commented, "It was a very interesting speech."

Stay-All-Day Party Planned

A Stay-All-Day party will be conducted Monday, at Wayland Baptist College in Plainview for parents of the students.

The Waylanders are arranging for their parents to visit classes and a chapel program which they have planned.

Gary Parker of Albuquerque, N. M., president of the Student Government Association will welcome the visitors in the chapel program. President A. Hope Owen will also acknowledge and welcome the parents. Mike Myrick of Lubbock will play a piano solo. Billy Fred Webb of Plainview will render an organ solo. Duane Harris of Joplin, Mo. will be the song leader for the program. Miss Jane Aylesworth of Plainview will read the scripture and Ronnie Turner of Roscoe, president of the Baptist Student Union will lead in prayer. Special singing includes the Treble Tones, women's choral group, and the International Choir.

"Party" plans following chapel will be a panel discussion where parents will be given an opportunity to become acquainted with the administration and faculty members. They may also ask questions about student life and academic objectives of the fully accredited senior college.

Lunch will be served at the Slaughter Memorial Center. Highlighting the day's events will be a dedication service at 2 p.m. for Wayland's new Home Life Building. Students and parents will attend a reception and tour of the two-story cream brick building following the dedication.

District Nine Woman's Missionary Union raised \$91,000 of the \$190,000 cost of construction on the first unit of the new building.

Among students serving as hosts, and hostesses for the annual Parents' Day are Doris McDermitt, daughter of Mr. and Mr. Lester McDermitt; Billy Harrell Chavers,

Kress Dehorns Hart Longhorns

Hart Longhorns were dehorned by the Kress Kangaroos, Friday night in a 37-0 game.

Kress scored once in the first quarter on a 13 yard run by Freeman. They obtained two extra points on the running conversion. This brought the score 8-0 in the Kangaroos' favor.

In the second quarter, Boyd hit pay dirt on a 15-yard run. The running conversion was good for two more points. Then Lockridge made a 20-yard run for another touchdown in the second quarter. Steward ran the two extra points. The score at halftime was 24-0.

Two more TD were scored in the third quarter on a 27-yard run by Curry and a short run by Lockridge. Freeman booted the extra point on the last touchdown hoisting the score 37-0.

Hart Longhorns stopped the Kangaroos in the final period without another score.

Kress stuck mainly to a ground attack using the winged T, straight T, and flanker T formation.

The game was played before 400 fans at the Hart Stadium.

Hart Longhorns will meet the Anton Bulldogs, Friday, there at 8 p.m.

MINERAL BATHS Mrs. Perry Graham, Mrs. Joe Hastings, Mrs. Maggie Boren, and Mrs. Myrtle Wright plan to leave Sunday for Marlin. While there they will take mineral baths for health purposes.

son of Mr. and Mrs. Claude Chavers; Jerri Dowell, daughter of M. Mr. and Mrs. Lester Dowell; Marvalyne Durham, daughter of Rev. and Mrs. M.D. Durham; Linda Harlan, daughter of Mr and Mrs. M.L. Harlan; Gwyneth Joyce Wood Patricia Karen Rials, daughter of Mr. and Mrs. H.B. Rials; Rachel Murillo, daughter of Mr. and Mrs. Juan R. Murillo, all of Dimmitt

Teachers Attend Planning Program

Several teachers from Dimmitt attended a Division of Guidance and Supervision meeting conducted in Amarillo, Saturday, Sept. 29.

Texas Education Agency sponsors the meetings. There will be a total of nine meetings during the school year. They will start on Saturday morning at 9 and continue for two hours.

Areas covered in the program are seventh grade math, Algebra I, Physics, and Audio Lingual Methods.

Purpose of the meetings is to improve the instructional program in the above-mentioned areas. John Ridener of Plainview Public Schools is serving, temporarily as Consultant in Guidance Services during a leave of absence by Vernon Odum.

Dimmitt Teachers attending these meetings are Lorannell Hamilton, seventh grade math; Clyde Dameron, eighth grade math; Inez Robinson, chemistry and physics; Wm. Cason Smith, Algebra I; Bernice Littlepage, Spanish; David Huddleston, Algebra I.

CAR WASH Senior class in high school is sponsoring a car wash again this Saturday at Harley's Gulf Station. Car washing begins at 8 a.m. Seniors will pick up and deliver car if desired.

Dimmitt Groups Participate in Ruidoso Aspencade Saturday

by Ewing L. Mathis

The Castro County Sheriff's Posse and Dimmitt Junior Riders Journeyed to Ruidoso, New Mexico to compete in the Aspencade Parade and to ride in the scenic aspencade trail ride Saturday and Sunday, September 29 and 30.

The invitation to attend the aspencade events was considered at a joint meeting of the two clubs September 27. The decision to attend was reached after much discussion of the distance of 230 miles to Ruidoso, the necessity for a semi trailer truck to haul the horses and an advance party to travel with the horses on Friday afternoon, and of course the harvest season made it an inopportune time for the farmers who wished to attend.

Making the Friday afternoon trip to get the horses to the first stop at the Ruidoso Downs stables were three of the younger set, Donald Carmichael, Tommy Tittle and Slokum Griffin. More or less in charge of the horse transportation was one of the older set, "Pappy" Jack Tomlin and his three old horse wranglers, Dale Carmichael, Pi Montgomery and Bud Griffin. Bud also toiled the semi trailer truck, furnished by Soopy Holland, along the winding highway to Ruidoso. The truck left Dimmitt at 4:00 p.m. and reached the Ruidoso Downs stables at about 11:00 p.m.

The remaining 14 riders reached Ruidoso anytime from the wee hours Friday night until 11:00 a.m. Saturday morning in time for the 11:30 parade down main street. There were 21 horses and 21 riders in the parade ranging in age from Max Wohlgenuth 5, to the old folks who ages were not available. This included a new parade rider, "Wild Doc Wohlgenuth." The Dimmitt Riding Club's rode as one group and won the 2nd place trophy in the parade competition, Saturday afternoon and evening events were culminated by a street dance at 8:00 p.m. where the young and young at heart enjoyed the music of a western combo. One Dimmitt couple won the Waltz contest which was held during the evening. It is rumored that Arthur Murray is interested in some pointers from the pair. Their names escape me at the moment.

Before the rooster awoke on Sunday morning (4:00 a.m.) there was knock on this tired old Troopers door. "Time to feed the horses" was the only remark I heard from the wrangler crew. Breakfast for the men and trail riders 5:30 a.m.; for those who still possessed their faculties, 10:00 a.m.

The trail ride started from the edge of Ruidoso at 7:00 a.m. as promised. Twenty one sturdy Dimmitt souls crawled into the saddle and rode at a fast walk along a rustling creek through tall pine trees which shaded the road. There was a clean, pure, yet pungent odor, of pine leaves, with just a touch of fall in the air as we rode past the summer cabins, some which belong to Castro County residents. Our mackinaws and jackets felt good as we progressed over the black top road, on to an improved dirt road and finally to an assembly area just inside the Indian Reservation Forest.

After a brief rest the Aspencade Guide moved the group out and up the narrow mountain road two and three abreast. The aspencade riders now numbered about 75. The riders progressed up the climbing road which narrowed eventually to a rocky mountain-side trail which only afforded room for a horse and rider single file. The trail grew more rocky and the mountains grew steeper as we climbed higher and higher over fallen pine trees 18" to 20" in diameter and across fords which crisscrossed the rock bottom mountain streams, the horses sometimes sinking belly deep in the ice cold water. By mid morning the effect of the steep climb was beginning to show up on our horses as we had climbed from an elevation of about 6,000 feet to about 8,000 ft. and the mountain air was thin. The horses began to lather and they breathed deep when we took a 10 minute break occasionally.

We rode on higher through the pines and dark broad leaved trees and then through an open area we saw what we had ridden 10 miles to see. There against the next mountainside gently tucked in among the green pine trees lay the golden yellow leaved aspen trees. One thoughtful glance told us that only mother nature could create such a beautiful scene of this magnitude.

The higher we climbed the more dense the aspen trees became and the more sparse the pine trees become until finally near the end of the ride we saw the timber line where the tall trees refuse to take root and only the bushy shrubs will grow.

When about two thirds of the 14 mile ride had been completed those less hardy trail riders and those with exhausted horses turned off the main trail and rode to trucks waiting on the improved caliche mountain road about 30 minutes ride away. Dimmitt's twenty one riders continued with the group now totaling about fifty five.

Two and one half hours and about 4 1/2 miles of steep, rocky, but beautiful trail brought us to the Ruidoso ski area where the aroma of barbecue could be detected and where the horses were unsaddled,

watered from the stream, and tethered to graze the green mountain grass. The families of the riders were there to greet us.

After the barbecue and a welcome rest, the aspencade parade and other awards were made and we saddled up and rode back down the mountain to a pre arranged meeting place where the sight of a diesel powered truck assured us that we had finally completed the ride and our tired and saddle sore bodies could ride in comfort in the cushion seated automobiles the 11 remaining miles to Ruidoso.

Every rider agreed this had been an experience he would never forget. Most of them are looking forward to another aspencade trail ride somewhere out there in the future.

Those making the full trail ride were: Jack Tomlin, Bud and Slokum Griffin; Dale, and Donald Ray Carmichael; Paul and Sandy Johnson; Ewing L. Mathis; V.C., Cindy and Van Hopson; Tommy Tittle; Walter and Sandra Wilkie; Pi Montgomery; Mark and Michael Wohlgenuth; Those making the last 1 1/2 hours down the trail were Donna Carmichael; Mueriel Bussey; Harley Wilkie; Joe Johnson and Delores Wilkie. Most of the riders above rode in the parade including Mac Wohlgenuth. Families of trail riders attending the aspencade event (not mounted) were: Mrs. V. C. Hopson and Susan, La Deene Carmichael, Doris Wilkie, Charlie Wohlgenuth, Inez Johnson, Mrs. Ewing L. Mathis, and Mrs. Jack Tomlin.

P-TA ★ SPOTLIGHT

"This column was developed with the idea of informing readers of P.T.A. activities and projects, this week we shall try to explain a little of Council and District work."

A unit is a local Parent-Teacher Association. It can represent one or more schools. Dimmitt P.T.A. represents three schools (By the way, have you paid your dues? The deadline is October 10th.)

A Council of Parent-Teacher Associations is a group of local units in a town, village, city, county, or other designated area, organized by authorization of the state congress. Its purpose is to promote conferences and cooperation among member units on matters of mutual concern within council boundaries. A council strengthens each local unit, enabling it to work more effectively in its own school and neighborhood. Through a council, a group of local units can bring the power of united planning and effort to solve problems that are beyond the scope of a single P.T.A. working along. Together the units can undertake, for example, community service projects and action programs to secure improvements in the school system as a whole.

Council meetings are open to all members of the units comprising the council.

Dimmitt P.T.A. is a member of the Swisher - Castro Bi-County Council. Other participating units are Kress, Tullia, Happy, Hart, and Nazareth. Officers of the council are elected for a two year term. They are president, Mrs. D. L. Allison of Happy; vice-president, Andy Schumucker of Nazareth; secretary, Mrs. Carter of Kress; treasurer, Mrs. Kenneth Shropshire of Dimmitt; historian, Mrs. Burrell Evans of Tullia.

First meeting of the council this year was conducted, Sept. 25th in Nazareth. Mrs. Woodrow Killingsworth and Mrs. Melton Richardson from Dimmitt attended the meeting as delegates. Father Ladislaus Walka was guest speaker. Father Walka is of Polish nationality. He is now an American citizen. He spent five years in German concentration camp, and now lives in Happy.

Texas is divided into 21 districts. Castro county is in District Eight. Other counties in District Eight are Dallam, Sherman, Hartley, Moore, Oldham, Potter, Randall, Deaf Smith, Parmer and Swisher. A representative from each county serves on the District Board of Managers. Mrs. Woodrow Killingsworth of Dimmitt is president of District Eight.

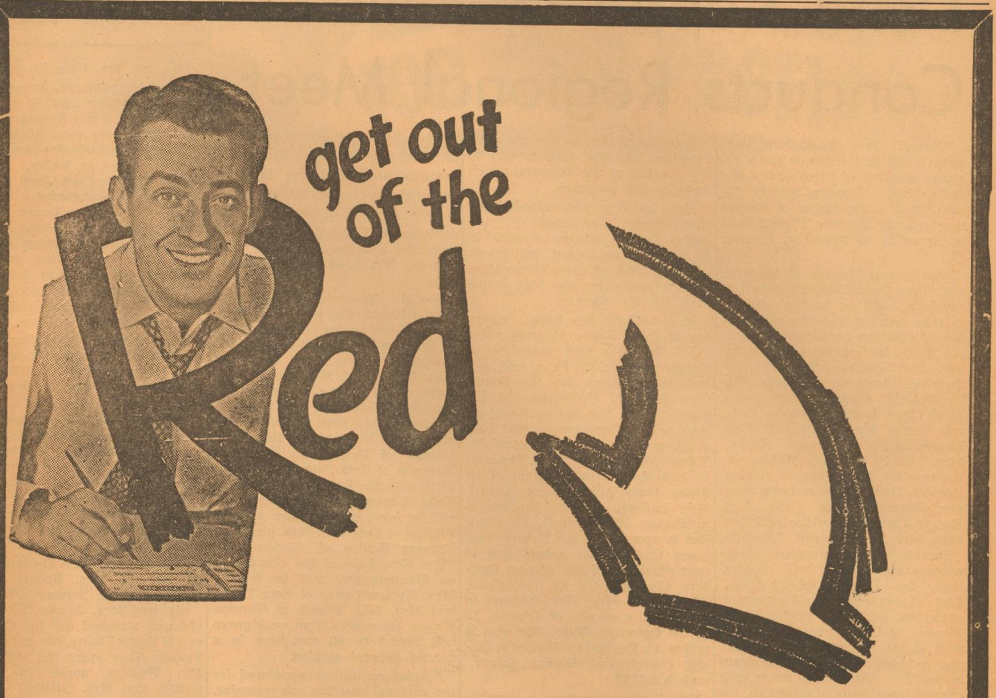

A Parley on Citizenship will be held October 4th in Amarillo. A roundtable discussion on "What Citizenship Means to Me" will be led by Vice-President Charles Eads of Amarillo. Another highlight of the meeting will be a panel consisting of Ashworth, Ray Noblitt, Father Walka, Robert Birchfield, and Jack Mackey.

"ORBITAL ADVENTURE"

Tullia Garden presents their Annual Flower Show and Silver Tea at Homemaking Cottage, Saturday, October 13 from 2:30 p.m. to 6 p.m. Theme of the show is "Orbital Adventure". Public is invited.

RETURNS FROM VISIT

Mrs. W.C. Johnston has returned home from a visit with her son, Don and family of Longview. She also visited relatives in Gainesville, Okla. and Louisiana.

Through a hard-hitting, Conscientious Advertising Program

Competition is a demanding taskmaster—but it can also be the greatest rewarding factor in merchandising or servicing. It is a taskmaster when competition defeats, when it sets the rut that engulfs the businessman. Competition is rewarding when the merchant forces it to become his tool, when he knows he has a thriving, growing business that will never want for customers. Business goes where it is invited—and competitive prices, outstanding courteous service with a good selection, and promotional advertising will do the most inviting.

Do yourself, your customer, and your community a favor by using the pages of the Castro County News to sell your goods and services. It is not only good business but it will help you gear your operation to today's quickly changing trends and increasing competition.

Success stories of large businesses almost always hinge around concentrated advertising and other sound business practices. Start a campaign now—you'll be amazed at how quickly you will feel the difference. Just telephone 647-3488 and a salesman will call on you at your convenience.

Dalhart Wolves...

(Continued from page 1)

down on the Dalhart 10. Battles took a hand-off and passed to Calvert for a 14-yard play which ended under the goalposts. This touchdown made the tally 15-6 after a running conversion by the Bobcats failed.

In the fourth quarter, the Wolves added another touchdown.

McClesky bulled his way for a 15-yard gain to the 31 and battered up the middle to score from the 19 two plays later.

With a running conversion failing, the Wolves maintained a 21-6 lead over the Bobcats for the remainder of the game.

With a running conversion failing the Wolves maintained 21-6 lead over the Bobcats for the remainder of the game.

Dimmitt recovered a fumble at the Dalhart 25 late in the game. But the Wolves held the line and took over four plays later on their 30.

Dalhart stacked up 14 first down to Dimmitt's 10. The Bobcats completed 218 total yards in passing and rushing while Dalhart completed 237.

Dimmitt attempted 16 passes and completed 6 while Dalhart attempted 1 and completed 1.

Dimmitt had 3 penalties covering 35 yards, Dalhart had 9 penalties covering 105 yards.

Individual tackles and assists of the Bobcats were DiCuffa who made 12 tackles and assisted in 4; Burkett made 9 tackles and assisted in 7; Aldridge made 6 tackles and assisted in 3; Spencer made 5 tackles and assisted in 6; Cowell made 4 tackles and assisted in 5; R. Daniel made 4 tackles and assisted in 4; Axe made 4 tackles and assisted in 3; Battles made 4 tackles and assisted in 2; Ratcliff made 3 tackle and assisted in 3; Killingsworth made 3 tackles and assisted in 3; Nat made 3 tackles; H. Daniels made 3 tackle and assisted in 2; Oldham made 2 tackles and assisted in 1; Cleaver made 2 tackles; Hutton made 1 tackle and assisted in 1; Winkle made 1 tackle and assisted in 3; Neal assisted in 1; Dyer assisted in 1.

In offensive yardage gained, Cowell carried 11 times for 36 yards which gave him a 3.2 average; Battles carried 8 times for 28 yards which gave him a 3.5 average; Nat carried 6 times for 17 yards, having an average of 2.9; Hutton carried twice for two yards, giving him a 1.0 average; Nichols carried 9 times for 27 yards, giving him a 3.0 average. Ratcliff carried 9 times for 26 yards having an average of 2.8; The offensive team carried a total of 45

Teachers Attend Supervision And Guidance Meeting

Mrs. Avis Smith and Miss Bernice Littlepage of Dimmitt Schools attended a meeting Monday of the Steering Committee for the Plains American Heritage Program.

Of thirteen schools participating in the program, Dimmitt is the only one this far north. Hart School is also in the program.

The committee met in the Van Howeling Memorial Library. They were divided into three smaller committees.

An essay contest for high school was planned by the first committee. The essay may be written on any phase of constitutional government. Mrs. Avis Smith of Dimmitt served on this committee.

A poster contest for high school was organized by the second committee. Posters are related to constitutional government or Bill of Rights. Miss Bernice Littlepage of Dimmitt served on this committee.

The third committee planned a project contest for junior high school. Basic interest in the project is the rights of the individual under the constitution.

First place winners in each school will be presented a \$25 bond at the Awards Banquet conducted in the spring.

Second and third winners from each school will receive recognition at the banquet.

times for 136 yards, giving the team an average of 3 yards per play.

R. Daniels, Cowell, Aldridge recovered Dalhart fumbles. Raciliff fumbled twice and Nichols recovered once.

Nichols punted 6 times for 224 yards, giving him an average of 37 yards per punt.

Cowell made one kickoff for yards and Battles made one for 16 yards.

In aerial passes, Ratcliff threw three to Calvert and completed one for 25 yards; Ratcliff threw one incomplete to Killingsworth; Ratcliff threw two which were not completed to Powell; Ratcliff threw three to Battles and completed one for 13 yards; Ratcliff threw four to Nat and completed one for 11 yards; Ratcliff threw one incomplete to Summers; Battles threw one to Calvert for 16 yards; Battles threw Nat one for 7 yards; Battles threw Cowell one for 10 yards; Hutton threw one to Killingsworth which was incomplete.

Dimmitt meets Tullia next Friday night at 8, there.

BOBCATS GO DOWN FIGHTING

Friday night the Bobcats gave Dalhart two threats early in first part of the half. Wolves fumbled the ball and Dimmitt recovered it, but failed to make it through. Dalhart came in with their first touch down in the last few minutes of the half, thus leaving the score 7-0 at half.

Bobcats came back fighting after the half, with Roy Battles passing to Calvert who carried the ball for the touchdown. They failed on the conversion.

Dalhart came back with two more touchdowns and the final score was 21 to 6 in Dalhart's favor.

The Bobcats will travel to Tulia Friday, October 5, where they will tangle with the Tulia Hornets. The game will start at 8:00.

Jerry Clark Visits Dimmitt F.F.A.

The Dimmitt Chapter of the Future Farmers of America was honored on Wednesday, September 26, by a visit from the State F.F.A. President, Jerry Clark. We appreciate the fact that he is using his own time and money to further the interest in the Future Farmers of America. Jerry was elected President at the state convention of July 18-20th, held at Fort Worth. During the convention four local boys, Jimmie DiCuffa, Kent Gabel, Aaron Hutto, and Tom Moss received State Farmer Degrees. Jim Dowty, local Vocational Agriculture teacher accompanied the boys.

Mr. Dowty escorted Jerry around the present school facilities and also the new high school which is under construction. Mr. Dowty explained the local farming activities to him. After viewing our town Jerry drove to Nazareth to continue his tour.

Jerry Clark is an eighteen year old graduate of Buna High School, Agriculture around Buna, Texas, which is near Houston, consisting of forestry and dairy farms.

Mr. and Mrs. D.H.S.

It was Thursday and I was in the auditorium during activity period when the bell rang and all of Dimmitt High School came pouring in the door. I was almost trampled in the stampede. I was all excited and asking everybody what was happening when everything got quiet and Jane Cleavinger started playing the piano. I didn't have any idea what was going on but I decided to wait and had better explain who I am. I am the crown for Miss D.H.S. My friend is the crown that fits Mr. D.H.S. We had been ready for days and nothing had happened, so how were we to know that today was to be the big day Mr. Bates started making announcements then he introduced Georgene Blanton and Roy Battles who were going to crown the candidates. Ina Messenger escorted by Michael Calvert, were first to come down the aisle. Mr. Bates told of their previous honors and activities and future plans. As they mounted the state, I noted that Ina wore a black suit with purple accessories while Michael had on a dark suit. Next Mary Graham escorted by Mike Burckett came down the aisle. Mary was last year's homecoming queen and Mike is President of the student senate. This is only one of their activities. Mary wore a beige suit with brown accessories. Mike wore a dark suit. I was so excited as Roy handed the sealed envelope to Mr. Bates. I almost had a heart attack when what seemed like hours later he read out "Miss D.H.S. for 1962-63 is Miss Mary Thompson, Ina Messenger and Jacky Nichols, Sandra Schreck and Jim Cowsett Deborah Buckmaster and Darless Goolsby, Carlame Calvert and Gary Morrison, Mary Graham and Kent Gabel, Fredia Webb and Mike Burckett, Gayle Elder and Jim Ratcliff, and Sharon Thomas and Glenn Booser.

Funny things happened all during that night. It seems that the senior boys had quite a hard time staying on the roof of a certain two-story house! How about that, boys?

Saturday night found Sherry Lilley and Mike Goodwin, Ricky Goodwin and Gerald Summers, Carolyn Godfrey and Eddy Jackson, who is from Texas Tech, at Hereford taking in a movie—boy was it crowded! If you don't believe me just ask Sherry Lilley! Glenda Minchew and George Wall, Georgene Blanton and Jerry Morris, Cecelia McSpadden and H.S. Fuller were also seen in Hereford having a good time!

Back at Little "D" Kaye Williams and Mack Thompson Sharon Thomas and Michael Calvert, Sharon Odom and Lynn Cox were seen running back and forth across town!

Sunday I found Nancy Hays and Jerry Morris, Carolyn Godfrey and Eddy Jackson, Sherry Lilley and Mick Goodwin, Kaye Williams and Mack Thompson, Marikay McSpadden and Gerald Summers, Lynda Dodd and Jimmy Campbell, Kathy Gollehon and Carl Moore, Sandra Schreck and Jim Cowsett, Sharon Odom and Lynn Cox, Eva Giles and Larry Scoggin making headway for the movie house. I heard it was quite a funny show!

It seems that David Shannon has found something very interesting at Olton! How about that David?

Personalities Crowned At Pep Rally

Friday September 28, 3:15 p.m. a very exciting event took place. It was the fourth pep rally of the season. Our Bobcats were to meet the Dalhart Wolves.

Mr. Bates announced new yells and most important of all, Mr. and Miss Personalities of 1963. Miss Personality was Georgene Blanton and Mr. Personality was Roy Battles.

Cheerleaders then brought in the mighty Bobcats. They led a few yells and the band played several selections.

Pep rally was dismissed with the school song and a final cheer for the Bobcats.

Students, towns people, and faculty keep up your spirit and show all the way.

Mr. and Miss D.H.S.

Last September 26 was a big day in the lives of two popular D.H.S. students. That was the day of the crowning of Mr. and Miss D.H.S.

Candidates for the title of Miss D.H.S. were Mary Graham, senior, and Ina Messenger, also a senior. Mike Burckett, senior, and Michael Calvert, senior were candidates for Mr. D.H.S. Mary Graham and Mike Burckett received the titles. Roy Battles and Georgene Blanton had the honor of crowning Mr. and Miss D.H.S.

Master of Ceremonies for the occasion was Mr. James 'Rosey' Bates a member of the D.H.S. faculty. He introduced each of the candidates as they entered the auditorium and he had the pleasure of announcing the winners of the coveted titles.

Mary, who was escorted by Mike has been very active during her high school years. She has served as a class favorite for three years, and has been a member and officer of the band. She has also been a member of the Lyre Club and was elected as Homecoming Queen her junior year. This year she is serving as class secretary and president of F.H.A.

Mike Burckett plays on the varsity squad in football, and has been a class favorite and class officer. He has also been a member of the band and is now president of the Dimmitt High School Student body.

Senior of the Week—

Did Mr. and Mrs. M.B. Odom ever think that the small daughter that was born to them on August 10, 1945 would grow up to be one of those girls that yells at the top of her lungs. Besides being a cheerleader she has been a member of F.H.A. four years and Pep Club four years. Sharon was elected friendliest her freshman year and served as secretary and treasurer.

In the movie world she enjoys watching Sandra Dee and John Wayne act. Her favorite movie is "Come September."

Sharon enjoys western music, but her favorite song is "Sherry". Sharon may be seen riding around in a blue Chevrolet. This seems to be her favorite pastime. Her plans after graduation are undecided.

Social Studies News—

"Sounds like fun."

Well in World History each person has to have a project. It's like a scrapbook, it is really a collection of information. In this scrapbook are newspaper clippings, maps, pictures, charts, and summaries about a particular country. Mrs. Smith said that is a collection of information that one would use if he were writing a research theme about a country.

We have a regular library period to work on our projects each week. We also have a new American History book. Its title is History of A Free People.

We like it very much. It approaches American history differently, in that it covers in a few chapters, the period from the settling of the thirteen colonies to the reconstruction period after the Civil War.

The class is making notebooks covering the major events of each period they study. Also, this year, the classes are writing themes emphasizing the principles of Americanism and Democracy.

Miss Littlepage is also pleased because D.H.S. had been invited again to participate in the Americanism Program sponsored by Wayland Baptist College of Plainview.

Mr. Huddleston "Can you tell us something about World geography?"

Well, world geography is only a preview of world history. The only difference between the two is that world geography mention landmarks, types of soil, and the like.

"I plan to show a few films to my class."

A highlight of the American history, world history, and civics classes was the talk and visit by Miss Wynema Fuller of Dimmitt. She told about her recent travels in Europe.

and Darless Goolsby, Carolyn Godfrey and Tuffy Cowell, Arlene Reid and Don Moko, Patty Catoe and Ebbie Scott, Donna Waggoner and Jim Pace, Sharon Odom and Lynn Cox, Donna Dehant and A.D. Schreck, Billie Ruth Kitchens and Tommy Dumas, and it seems that David Shannon has been making frequent trips to Olton! How about that David??

Sunday afternoon found all the girls running to the high school for the F.H.A. Installation. Boy, did everyone look pretty!! Then came night time and I saw Ginger Gibbs and Keith McMahon, Johanna Hastings and Jacky Dunn at the show. Sitting along beside them were La Dawn Kemp, Gaynell Tate, Jean Nelson, Vickie Beyer, Kristy Webb, and Sandra Brueger. I also saw Geta Nelson and Jerry Morris.

By 10:30 that night almost everyone had gone home. I guess? At least no one was in town, they must have gone home to get rested up for the next day, Monday, which is a good day for learning, even if it does seem a little blue once in awhile!

Neatness — A Time-Saving Device

Neatness is habitual! It is faster, in the longrun, to be neat the first time you do something rather than having to do it again.

A large portion of our high school and college grades consists of neatness, which is becoming scarcer each day! Lack of time, along with a care free attitude are contributing factors to the decrease.

Neatness is a trait on which part of your personality is based. It reflects the general character and attitude.

Anything teachers spend twelve years of stressing to the pupils must be worth while. Try it!

Two Attached Mice

I would like to tell you about my master. I'm sure you have seen me and my boy friend, Here-man on his shoulder. You see we are mice. And we were given the job of staying with our master for a full week in order to see just how much she does run around. We found out by going to the show with Tuffy Cowell Saturday night. After the show and a coke at the drive-in we went to Hereford to see what we could find.

Sunday we were cast aside for a white formal. We followed her to the high school where we attended the F.H.A. Installation. Then we went to church and the show with La Dawn and Gaynell. We didn't like the bugs in our car after the show so we hopped on the bumper of Richard Catoe's car as he and my master whizzed down the street.

Monday after school we rode around with Ina Sharon and Kaye and then plowed through the mud home where we studied.

Tuesday night we went with Sharon and Ina to spend the night with Kaye. We really had a lot of fun.

Wednesday night we stayed home studied and doctored a cold.

Thursday at school was very hard because we ran off programs for Friday night's game. Everyone called her "slave" that day.

Friday night we dressed up in gray suits and ran all over the field at half time at the ball game. Then we went to Gaynell's slumber party?

Saturday was our big day. We had a date with Eddie Jackson from Tech. We went with Sharon Mike Ricki and Gerald to Hereford to the Drive-In Theatre.

Sunday afternoon we rode around with Sharon and then went to the show with Eddie again. We went with Sharon Mike Marikay and Gerald and had a real nice time.

I sure am glad we are pinned to Carolyn Godfrey's sweater because I'd have to chase her and keep up with her fast pace. Thank you Carolyn for taking us with you throughout your very eventful week.

CAMPUS CHAT

By Carolyn Godfrey

"Little D" was really a busy place this week-end. Friday found couples going to the Victory Party riding around and going to slumber parties. Among these couples were Sherry Lilley and Craig Fuller, Kaye Williams and Mack Thompson, Ina Messenger and Jacky Nichols, Sandra Schreck and Jim Cowsett Deborah Buckmaster and Darless Goolsby, Carlame Calvert and Gary Morrison, Mary Graham and Kent Gabel, Fredia Webb and Mike Burckett, Gayle Elder and Jim Ratcliff, and Sharon Thomas and Glenn Booser.

Funny things happened all during that night. It seems that the senior boys had quite a hard time staying on the roof of a certain two-story house! How about that, boys?

Saturday night found Sherry Lilley and Mike Goodwin, Ricky Goodwin and Gerald Summers, Carolyn Godfrey and Eddy Jackson, who is from Texas Tech, at Hereford taking in a movie—boy was it crowded! If you don't believe me just ask Sherry Lilley! Glenda Minchew and George Wall, Georgene Blanton and Jerry Morris, Cecelia McSpadden and H.S. Fuller were also seen in Hereford having a good time!

Back at Little "D" Kaye Williams and Mack Thompson Sharon Thomas and Michael Calvert, Sharon Odom and Lynn Cox were seen running back and forth across town!

Sunday I found Nancy Hays and Jerry Morris, Carolyn Godfrey and Eddy Jackson, Sherry Lilley and Mick Goodwin, Kaye Williams and Mack Thompson, Marikay McSpadden and Gerald Summers, Lynda Dodd and Jimmy Campbell, Kathy Gollehon and Carl Moore, Sandra Schreck and Jim Cowsett, Sharon Odom and Lynn Cox, Eva Giles and Larry Scoggin making headway for the movie house. I heard it was quite a funny show!

It seems that David Shannon has found something very interesting at Olton! How about that David?

TOP TUNES AND WHO THEY HIT

Punish Her - George Wall to Sharon Thomas
 I Like The Likes of You - Steve Myers to Ginger Gibbs
 It's now or Never - Jackie Dunn to Johanna Hastings
 He's a Rebel - Fredia Webb to Mike Burckett
 Teenage Idol - Michael Calvert
 Who's Sorry Now? - Jean Nelson to Tony Young
 Teen Angel - Judy Mooney
 Don't Be Cruel - Vickie Byers to Bruce Fuller
 I'd Me - Wilda Powell to Don Minchew
 I Can't Stop Loving You - Keith McMahon to Brenda Hughes.
 Teach Me Tonight - Paul Easterwood to Janis Davis

 Dream Boy - Linda Gibbs to James Cowell
 I've Got My Eyes On You - Jan Willy to Glenn Booser
 You Belong to Me - Ronald Young to Greta Nelson
 Take me Out to the Ball Game - Ginger Gibbs to Jackie F.
 I'm in the Mood for Love - Carolyn Godfrey to James Cowell
 When I Lost My Baby - Ann Scarborough to Dean Kirby.
 Breaking Up is Hard to Do - Eugene Oldham and Alice Acker
 Devil Woman - Nancy Hays
 Most People Got Married - Lynda Dodd to Jimmie Campbell

Student Senate News—

The Student Senate met September 26, with Mike Burckett presiding.

Jim Axe gave a report from the assembly committee. There will be an one hour assembly for West-ern Day. Georgene Blanton Mary Graham and Carolyn Godfrey will lead singing at the beginning of the program. Next will be the skits performed by each class beginning with the freshman class. The faculty will present a skit also. Awards will then be given for the "Best Dressed" cowboy and cowgirl from the faculty and student body.

Discussion was begun on the subject of running for a state office. The office of parliamentarian was the tentative choice. Georgene Blanton will write letters to some schools who have held this office, to find the approximate cost of running.

Larry Scoggin was appointed to the median between the Student Senate and the X's association for the Homecoming activities.

The Student Senate voted to sponsor the "Flame Queen" again this year.

Teacher of the Week

Some people have a love for sports while others have a love for fine arts. Our teacher is a member of the latter. His name is Ralph Glenn Smith who is lovingly known as "Smith". "Smith" was born in Slaton while his parents were in the Harley Saddle Shows. He grew up and attended school at Hereford with one year at Plainview.

Smith attended West Texas College where he received his Bachelor of Science and Master of Art's Degree. While at West Texas he met and married Miss Avis Harbour a native of Hutchinson County Texas. They have two fine sons, Steve and Rick.

Under the direction and guidance of Smith we are privileged to have one of the finest and most disciplined bands in our state. At the present time, his band students have won more individual medals than can be counted. He and his bands have won many sweepstakes. Smith has a devoted love for youth. At the present time he has about 350 boys and girls under his musical supervision.

Much of Smith's summer vacation is spent with band students. He does enjoy fishing in Colorado and spends some time at his cherry orchard at Flathead Lake Montana.

Among Smith's pet peeves are people who do not show up on time. Smith, with the student body, are proud of you and your accomplishments.

Time Is Running Out

We have been going to school for nearly six weeks. Next week everyone will be doing a lot of last minute cramming to bring up low grades. The failing list this week was greatly increased over that of the previous week. There are 91 people failing one or more subjects and 41 failing two or more.

Next week everyone will be busy with Homecoming activities and will probably leave studying to the last. Students should enter into the activities, but they should be careful not to let their grades fall down.

Mr. Fuquay stated that he was greatly interested in reducing the size of the list and he believes this could be done if the students would co-operate by turning in assignments and by using their study time wisely.

Junior Class News—

The Junior Class of Dimmitt High School had a meeting Tuesday, September 25, 1962.

The classroom parents were elected. They are: Mr. and Mrs. Lilley - Mr. and Mrs. Carson, Mr. Bradley, Mr. and Mrs. Davis.

Class dues were set at \$3.00 a semester. They must be paid before you can attend any Junior activity.

A committee was chosen to decide how to raise money. Another committee was chosen for the Western Day skit.

Project Committee: Danelle Crowley - Chairman, La Dawn Kemp, Eugene Oldham, Sandra Schreck, Dennis Cleaver.

Western Day Committee: Jackie Nichols - chairman, Fredia Anderson, Kitty Robinson, Billy Myers, Sharon Lilley, Dennis Cleaver.

A Wonderful Match

She was tall and slender with well-built legs and arms; her figure was perfect. Her hair was the most beautiful I have ever seen. It was of auburn hue, and the fresh, night breeze was causing it to flow about her lovely, white shoulders.

I had often seen her in my dreams. Somehow, she must have materialized and from the realm of dreamland descended upon me with all of her glowing beauty and freshness.

She was drawing closer. My heart began to pound, and I was permeated with a feeling of peace and sublimity which accompanies the ever-immortal word, LOVE. As she drew closer, I could feel the loveliness that swirled about her; I could see it in her eyes, her graceful walk, and in her lovely full-lipped mouth. As I looked into her deep, blue eyes, my head began to whirl in dizziness, and I lost all sense of reasoning and thinking. What strange power had enabled her to leave me helpless, without thought or words? There was only one answer LOVE! Her body was almost touching mine, and her eyes looked up into my face. I could not speak. There seemed no need for words. As she looked into my eyes, she smiled, and asked, "Got a match bud?"

Personality of the Week

A very important year in the history of the United States was 1945. You can get your parents to tell you all about this year since you were too young to remember. One important event was the end of World War II. Another was the birth on August 28 of a brown-haired brown-eyed baby boy at Memphis.

Your parents will mention that he is now five feet nine inches tall and dislikes big bullies. Before your parents can tell you any more, about this boy you will guess his name as Thomas Robert Moss better known as Tom Bob.

When Tom goes to a show in his favorite Chevrolet car he prefers to watch Doris Day and Walter Brennan act. After the show he goes to a cafe and orders chicken-and-dumplings.

Tom's favorite movie is "The Alamo." In the past he was enjoyed listening to Tennessee Ernie Ford sing "The Walls of Jericho."

Tom is now a senior and when he graduates he plans to attend West Texas State and major in agronomy.

Tom's hobby is eating and working on the farm.

Personality of the Week

Hurry, hurry, hurry, this was what all the kids at "Little D" were doing all weekend.

Saturday found kids either rushing to Amarillo to the Tri-State fair or making a fast trip to Lubbock to the Tech and West Texas State ballgame, or just playing around at home.

Those seen rushing to Amarillo were: Ina Messenger and Jacky Nichols, Carlame Calvert and Gary Morrison, Lynda Dodd and Jimmy Campbell, Ricky Goodwin and Clint Summers, Sandra Schreck and Jim Cowsett, Jo Lynn Harman and Jimmie DiCuffa, Linda Harman and Harley Daniels.

Those seen making a fast trip to Lubbock were: Kaye Williams, who met Steve Wesson, Sharon Lilley who met Mike Goodwin, Kitt Robinson, who met Aaron Hutto. Reports from the meeting stated that they had quite a time!! Also seen at Lubbock were: Gayle Elder and Jim Ratcliff, Linda Schreck and Jim Axe. From what I hear it was quite a game, anyway that's what the W.T. fans thought!

Those seen running around "Little D" were: Glenda Minchew and George Wall, Deborah Buckmaster

F.F.A. Meeting

The F.F.A. had their first meeting on September 26, 1962. They elected officers and planned the Dallas trip Officers for the year are as follows: President, Kent Gabel; vice President, Glenn Booser; Secretary, Jimmie DiCuffa; Sentinel, Wayne McClenny; Treasurer, Dennis Cleaver; Reporter, Ronald Young.

Mr. Dowty said that the F.F.A. has invited the F.F.A. to go on a hayride to show their appreciation the F.F.A. will demonstrate parliamentary skill.

Neatness — A Time-Saving Device

Neatness is habitual! It is faster, in the longrun, to be neat the first time you do something rather than having to do it again.

A large portion of our high school and college grades consists of neatness, which is becoming scarcer each day! Lack of time, along with a care free attitude are contributing factors to the decrease.

Neatness is a trait on which part of your personality is based. It reflects the general character and attitude.

Anything teachers spend twelve years of stressing to the pupils must be worth while. Try it!

Two Attached Mice

I would like to tell you about my master. I'm sure you have seen me and my boy friend, Here-man on his shoulder. You see we are mice. And we were given the job of staying with our master for a full week in order to see just how much she does run around. We found out by going to the show with Tuffy Cowell Saturday night. After the show and a coke at the drive-in we went to Hereford to see what we could find.

Sunday we were cast aside for a white formal. We followed her to the high school where we attended the F.H.A. Installation. Then we went to church and the show with La Dawn and Gaynell. We didn't like the bugs in our car after the show so we hopped on the bumper of Richard Catoe's car as he and my master whizzed down the street.

Monday after school we rode around with Ina Sharon and Kaye and then plowed through the mud home where we studied.

Tuesday night we went with Sharon and Ina to spend the night with Kaye. We really had a lot of fun.

Wednesday night we stayed home studied and doctored a cold.

Thursday at school was very hard because we ran off programs for Friday night's game. Everyone called her "slave" that day.

Friday night we dressed up in gray suits and ran all over the field at half time at the ball game. Then we went to Gaynell's slumber party?

Saturday was our big day. We had a date with Eddie Jackson from Tech. We went with Sharon Mike Ricki and Gerald to Hereford to the Drive-In Theatre.

Sunday afternoon we rode around with Sharon and then went to the show with Eddie again. We went with Sharon Mike Marikay and Gerald and had a real nice time.

I sure am glad we are pinned to Carolyn Godfrey's sweater because I'd have to chase her and keep up with her fast pace. Thank you Carolyn for taking us with you throughout your very eventful week.

CAMPUS CHAT

By Carolyn Godfrey

"Little D" was really a busy place this week-end. Friday found couples going to the Victory Party riding around and going to slumber parties. Among these couples were Sherry Lilley and Craig Fuller, Kaye Williams and Mack Thompson, Ina Messenger and Jacky Nichols, Sandra Schreck and Jim Cowsett Deborah Buckmaster and Darless Goolsby, Carlame Calvert and Gary Morrison, Mary Graham and Kent Gabel, Fredia Webb and Mike Burckett, Gayle Elder and Jim Ratcliff, and Sharon Thomas and Glenn Booser.

Funny things happened all during that night. It seems that the senior boys had quite a hard time staying on the roof of a certain two-story house! How about that, boys?

Saturday night found Sherry Lilley and Mike Goodwin, Ricky Goodwin and Gerald Summers, Carolyn Godfrey and Eddy Jackson, who is from Texas Tech, at Hereford taking in a movie—boy was it crowded! If you don't believe me just ask Sherry Lilley! Glenda Minchew and George Wall, Georgene Blanton and Jerry Morris, Cecelia McSpadden and H.S. Fuller were also seen in Hereford having a good time!

Back at Little "D" Kaye Williams and Mack Thompson Sharon Thomas and Michael Calvert, Sharon Odom and Lynn Cox were seen running back and forth across town!

Sunday I found Nancy Hays and Jerry Morris, Carolyn Godfrey and Eddy Jackson, Sherry Lilley and Mick Goodwin, Kaye Williams and Mack Thompson, Marikay McSpadden and Gerald Summers, Lynda Dodd and Jimmy Campbell, Kathy Gollehon and Carl Moore, Sandra Schreck and Jim Cowsett, Sharon Odom and Lynn Cox, Eva Giles and Larry Scoggin making headway for the movie house. I heard it was quite a funny show!

It seems that David Shannon has found something very interesting at Olton! How about that David?

TOP TUNES AND WHO THEY HIT

Punish Her - George Wall to Sharon Thomas
 I Like The Likes of You - Steve Myers to Ginger Gibbs
 It's now or Never - Jackie Dunn to Johanna Hastings
 He's a Rebel - Fredia Webb to Mike Burckett
 Teenage Idol - Michael Calvert
 Who's Sorry Now? - Jean Nelson to Tony Young
 Teen Angel - Judy Mooney
 Don't Be Cruel - Vickie Byers to Bruce Fuller
 I'd Me - Wilda Powell to Don Minchew
 I Can't Stop Loving You - Keith McMahon to Brenda Hughes.
 Teach Me Tonight - Paul Easterwood to Janis Davis
 Kisses Sweeter Than Wine - Arnold Acker to Pam Dollar
 Dream Boy - Linda Gibbs to James Cowell
 I've Got My Eyes On You - Jan Willy to Glenn Booser
 You Belong to Me - Ronald Young to Greta Nelson
 Take me Out to the Ball Game - Ginger Gibbs to Jackie F.
 I'm in the Mood for Love - Carolyn Godfrey to James Cowell
 When I Lost My Baby - Ann Scarborough to Dean Kirby.
 Breaking Up is Hard to Do - Eugene Oldham and Alice Acker
 Devil Woman - Nancy Hays
 Most People Got Married - Lynda Dodd to Jimmie Campbell

Student Senate News—

The Student Senate met September 26, with Mike Burckett presiding.

Jim Axe gave a report from the assembly committee. There will be an one hour assembly for West-ern Day. Georgene Blanton Mary Graham and Carolyn Godfrey will lead singing at the beginning of the program. Next will be the skits performed by each class beginning with the freshman class. The faculty will present a skit also. Awards will then be given for the "Best Dressed" cowboy and cowgirl from the faculty and student body.

Discussion was begun on the subject of running for a state office. The office of parliamentarian was the tentative choice. Georgene Blanton will write letters to some schools who have held this office, to find the approximate cost of running.

Larry Scoggin was appointed to the median between the Student Senate and the X's association for the Homecoming activities.

The Student Senate voted to sponsor the "Flame Queen" again this year.

James Cowell's "Ideal Girl"

A Wonderful Match

She was tall and slender with well-built legs and arms; her figure was perfect. Her hair was the most beautiful I have ever seen. It was of auburn hue, and the fresh, night breeze was causing it to flow about her lovely, white shoulders.

I had often

Highlights and Sidelights FROM Your State CAPITOL

Jack Cox and John Conally crossed paths on the campaign trail in Austin—and they waved at each other.

Conally was talking to the County Treasurers Association convention. He stepped out on the hotel balcony to watch Cox riding in a parade put on by Youth for Cox.

Inside the hotel, Conally was urging the county treasurers to pitch in and help support the Democratic ticket, else there might be Republican candidates for county treasurer next time.

Outside, Cox urging youngsters to pitch in and help him change Texas to a two-party state.

OFFICE SPACE—Some of the legislators who get elected on November 6 will have office space at the Capitol. But some won't.

For two years now, space formerly occupied by State agencies has been in the process of conversion to offices for the 150 members of the House of Representatives. A few were occupied during the 1961 session.

Rep. Will Smith of Beaumont, chairman of the House Rules Committee, had the chore of assigning offices, with not enough to go around.

Finally he hit upon a solution. He has 90 offices ready. So he and the Speaker-to-be, Byron Tunnell of Tyler, agreed to assign the 90 offices to the representatives who will be returning.

There are 92 incumbents, including two Republicans, in the Nov. 6 election. One is Speaker-to-be Tunnell, who not only will have an office but also an apartment.

The 60 or so freshmen members will have to do what all representatives have done in the past—use their desks in the House chamber as their offices.

When the John H. Reagan State Office Building is completed next year, the Board of Pardons and the Department of Agriculture will be moved out of the Capitol, leaving space for the other 60 representatives to have private offices.

COURT PHOTOS—Junior Bar Association directors urged the State Bar judicial section to leave it to individual trial judges whether to allow news photographers to take pictures in their courtrooms.

This is contrary to the views of the American Bar Association, which thinks courtroom photography should be outlawed.

The upcoming Annual Conference of Texas Judges will vote on whether to adopt the American proposed ban on full news coverage of trials.

JINGLE BELLS—If you have business with a state agency in December, better not plan your trip around Christmas.

Board of Control announced the official Christmas holiday period will be December 24 through December 26. Since December 22 and 23 are Saturday and Sunday, this means state offices will be closed five days for Christmas, which falls on Tuesday this year.

Legislature allows a three-working-day Christmas holiday.

LICENSING BOARDS—House Committee on Licensing and Examining Boards began a series of hearings in the Capitol, seeking ways to improve their operations and procedures. First questioned were representatives of the Board of Law Examiners, Board of Morticians, Real Estate Commission and Board of Examiners of Basic Sciences.

Rep. Will Smith of Beaumont, Committee Chairman, was much interested in the extent of reciprocity practiced with other states. Rep. Sam Collins of Newton, vice-chairman, asked the witnesses what they thought about having

a central licensing agency. None thought much of the idea.

Ira Butler of Fort Worth, chairman of the bar examiners, said he had heard no complaints about the operation of his board. Philip R. Overton of Austin, attorney for the morticians, forecast legislation next year dealing with the group's rules and regulations.

L.D. Ransom, executive secretary of the Real Estate Commission, said he would ask the next Legislature to make it a criminal offense to violate real estate laws. INDUSTRIAL SAFETY—Tidewater Oil Company's J. K. Holder of Houston has been given a Civil Defense award for outstanding accomplishment in industrial safety preparedness. Governor Price Daniel made the presentation.

Holder is disaster planning coordinator for the company's southern division. He designed an emergency procedures portfolio for the division's 1,150 employees.

SCHOOL PRAYERS—Public school in Texas are not prohibited from allowing prayers to be said or passages from the Bible to be read (as a result of the U.S. Supreme Court decision in the Engel vs. Vitale case), so long as the State or a political subdivision does not prescribe or approve the prayer or religious activity.

So said Attorney Will Wilson in a legal opinion requested by J.W. Edgar, Texas Commissioner of Education.

CROOKED HOLES—What may be the final session of the House General Investigating Committee's look into the East Texas oil scandal was held in Austin. Mainly, it was to allow production and drilling men for 14 major companies to declare under oath that their companies do not have any illegally deviated wells.

It also gave the East Texas Salt Water Disposal Company a chance to defend itself.

Officials of the company hotly denied that the disposal company, set up in 1942 as a cooperative venture to get rid of salt water which was polluting the Sabine River, is hurting the rights of individual landowners by its operations, as had been charged.

The hearing also gave Chairman William J. Murray Jr. of the Railroad Commission a chance to testify that the Department of Public Safety has found no evidence to link Commission employees to the scandal, other than those former employees Murray asked the state police to investigate last March.

Legislators on the committee ges in the law as a means of providing surer punishment for those who violate Commission regulations, or who swear to falsehoods.

Also likely to come out of the investigation is a recommendation for revision of the marginal well law. This law makes a well capable of producing only 10 barrels a day a more valuable well than one flowing 1,000 barrels a day. The 19-barrel well is allowed to

produce without shutdown days, while the better well can produce only 20 barrels a day for eight days a month. Many agreed this was unfair.

LIBRARIAN HONORED—Doris Connerly, retiring director of the Legislative Reference Library in the Capitol, was honored by Governor Daniel and others at State Capitol ceremonies. Governor Daniel presented a resolution of the Texas Library and Historical Commission thanking Miss Connerly for 34 years of service to legislators, the public and the press.

DUAL ROLE RULED OUT—Atty. Gen. Will Wilson has held that a person may not be tax collector for an independent school district and a water control and improvement district at the same time.

COTTON PICKING GAINS—Cotton harvest is ahead of last year, with 23 per cent picked where only 23 per cent was in the gin at this time last year, according to the Commissioner of Agriculture.

BIGGEST ROAD PROJECT—Largest highway program ever put together in Texas was authorized by the State Highway Commission.

Covering super-highway work only, the program comes to \$287,000,000 worth of construction and right-of-way buying during the coming two years. It will build 1,063 miles of expressway and buy right-of-way for 188 more miles.

When the work is completed about four years from now it will double the completed mileage of interstate highways in Texas under the 90 per cent Federal-10 per cent State program.

FEWER PASSENGER TRAINS—Missouri Pacific has asked the Railroad Commission to let it drop another pair of passenger trains. This time it is Trains Nos. 47 and 48 between Palestine and Houston. Hearing was set for November 13 at Houston.

SCREWORM FUNDS NEEDED—Texas Animal Health Commission will ask the Legislature for \$1,500,000 as an emergency fund to continue the fight against screwworms.

It will request another \$1,500,000 to make up the state's one-fourth of the \$12,000,000 program, with stockmen putting up \$3,000,000 and the Federal government \$6,000,000.

ANTI-AMENDMENT—A statewide group opposing the most controversial of the 14 proposed Constitutional Amendments is mapping its fight in Austin, with the help of Governor Daniel.

Under fire is the amendment which would empower the Legislature to require trial denovo in appeals from decisions of administrative agencies and executive departments of the state or political subdivisions.

STATE EMPLOYEES 58,300—Latest figures compiled by State Officials for the Texas Almanac show fifty-eight thousand persons working for the State of Texas.

Per capita, the State of Texas functions with 65 employees for each 10,000 citizens. That is well

below the 79 employee average for all states.

Texas is, in fact, among the lowest states. Some have nearly twice as many employees, per capita, as Texas.

STATEWIDE TREND—A statewide trend toward conservation in state government is predicted by State Senator Charles F. Herring of Austin.

"Trend is evident," says Senator Herring, "by the election of so many new representatives with platforms that promise to take a closer look at government spending."

The veteran Austin legislator believes the public has become agitated and dissatisfied with the tendency toward more spending.

He cites the defeat of several "Old-timers" in the Legislature as evidence; plus the nomination of many "new faces."

DEAD HUNTERS—Twenty-two hunters died last season in Texas, mostly in gun accidents that could have been prevented through careful handling of weapons, the State Department of Health says.

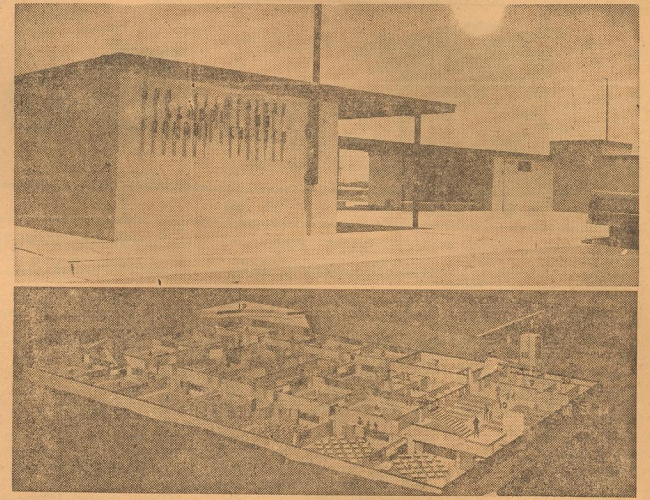

Department is asking hunters looking to the fall and winter seasons to review safe hunting rules and remember them in the field. OIL AND WATER—Everyone knows that oil and water won't mix. But two such departments may be combined by the next legislature.

There is growing talk in the Capitol of an effort to reorganize the state's oil and gas regulatory agency.

One movement on foot would transfer administration from the Railroad Commission to the recently reorganized Texas Water Commission, which already deals with oil and gas pollution of the state's rivers and streams.

FOR POLIO ACTION—Texas Medical Association has joined with the State Department of Health in urging community-wide oral polio vaccine programs.

Both groups state that Sabin oral vaccine Type I and II are fully licensed and effective for infants

UNDERGROUND SCHOOL recently dedicated at Artesia, N.M., is an example of how functional construction can be combined with community fallout protection. Shown is the small portion of the \$470,000 Abo Elementary School which is above ground, and a cross-sectional sketch of the underground facilities and supplies for 540 students or 2,000 shelter occupants. The underground school is the first of its kind in this country.

and children. More than 70 per cent of the paralytic cases in Texas through September 15 occurred among persons who had received no Salk polio vaccination, says the Health Department.

However, polio cases are slackening off. Only two of the five cases reported last week were paralytic. SHORT SNORTS—Governor Daniel has appointed Howard Barr of Austin and Arthur Goodman of Beaumont to the State Board of Plumbing Examiners—State colleges have about 9,000 more students enrolled this fall than they did a year ago, figures at the Texas Commission on Higher Education indicate—State's general revenue

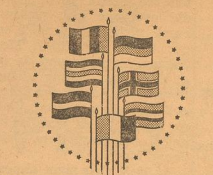

fund, briefly on a cash basis last month, has dropped back to a \$19,459,359 deficit and State Treasurer Jesse James expects it to linger until sometime next year.

VISITS DALLAS—Mr. and Mrs. Raymond Wilson visited their daughter and family, Mr. and Mrs. Bobby Brock and son, Raymond Earl in Dallas this week-end.

Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track, too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**

WELLEN, INC.

Bill Dorman of Dorman & Company, Lubbock, addresses a group of P.A.G. dealers and distributors at the P.A.G. Sorghum Research Nursery in Hutchinson, Kansas. Third from left is Mabry Peel, also of Dorman & Company.

Dimmitt P-A-G Dealers Make Company Tour

Mr. E.C. Hodge of Dimmitt and Mr. George Straskulick also of Dimmitt, recently attended a dealer tour of the research nursery of Pfister Associated Growers, Inc. in Hutchinson, Kansas.

Mr. Hodge and Straskulick was one of 78 West Texas and Eastern New Mexico dealers to attend this field trip. He boarded an American Flyers Airline Constellation at the (Amarillo) municipal airport. The flight originated in Lubbock and stopped at Amarillo to pick up additional dealer representatives en route to the research farm in Hutchinson.

Upon arrival in Hutchinson dealers were met by nursery representatives who were hosts for the day of events. Chartered buses transported the dealers to the Baker hotel in Hutchinson for the first phase of the program. The meeting was called to order and talks were given by P.A.G. departmental heads and by Bill Dorman of Dorman & Company, Lubbock.

A luncheon was given for the visiting 133 dealers and distributors from every part of the United States considered to be in the sorghum belt. The Texas delegation, sponsored by Dorman & Company of Lubbock, comprised more than half of all the representatives attending.

During the afternoon, a field trip was taken to the P.A.G. Sorghum Research Nursery where the actual plant breeding and research take place. Procedures were explained by departmental heads in charge of individual experiments. It was shown in detail how pollination was controlled to develop new hybrids and varieties of seeds. Included in observation plots of the nursery were hybrid sorghums, hybrid forage sorghums, cotton, and other seeds being tested.

Upon completion of the field tour the group returned to the hotel headquarters and a panel discussion was held to answer questions. During the discussion research worker became better acquainted with the specific problems of each area. After an evening meal the meeting was adjourned and the local area dealers were returned to the Amarillo and Lubbock airports in the chartered aircraft.

Electronic Brain Installed; Texas Highway Dept.

An electronic brain that can read 8,000 cards per minute is helping the Texas Highway Department shorten the time between and seeing it opened to traffic.

Known as "the 1401", this lightning-fast computer teams up with the Department's other computer equipment to solve the intricate engineering problems involved in building today's highways. These are problems in geometric bridge design, hydraulics, earth work, land measurement, and traffic signalization to list just a few!

Housed in the basement of the Highway Department offices in Austin, the 1401 consists of a card reader punch, a lister, a central processing unit, and four tape units.

This complex "brain" does work in one day that used to require weeks—if done by the human brain and human hands. For example, in addition to reading as many as 8,000 taped IBM cards per minute, it can also—in that same length of time—punch 250 cards, print 600 lines on paper, and read 800 (untaped) IBM cards.

Machines such as this have become a necessity to cope with the increasing complexity of modern highway-building.

As a matter of fact, when the 1401 moved into Highway Department operations, it replaced two obsolete computing machines. These two machines could read "only" 150 lines per minute.

And Highway Department officials feel that the time will come when, in the name of efficiency, the 1401 will be dethroned by a more efficient kingpin of data handling.

Measuring Water Level Expanded In Castro County

Texas Water Commission and the High Plains Underground Water Conservation District have entered into a co-operative agreement to expand the annual water-level boundaries of the Water District.

Personnel of the Water District plan to start contacting landowners and tenants in Castro County this week to make arrangements for adding additional wells to the annual water level measuring program.

At present, Castro County has 50 wells in the annual observation well program, some of these wells have continuous records dating back to 1937. These records have proven beneficial to well owners as well as to farm loan agencies, banks real estate firms, industries, municipalities, and others.

Mr. Louie Camp, Research director for Pfister Associated Growers, Inc. (P.A.G.), explains new techniques in developing new hybrids to dealers at the P.A. Sorghum Research Nursery in Hutchinson, Kansas.

Plans are to expand the program by at least 20 new wells in Castro County, and the District hopes to add more if time permits.

Year-to-year measurements in the observation wells are extremely important. These measurements make it possible to keep a continuous inventory of the water available for pumpage, as well as for establishing a trend in the rise or

decline of the water table.

New wells added to the program will be measured at the time of scheduling and then measured again in January. Studies have shown that the month of January is usually the best time to make measurements in observation wells. At that time of the year, most of the wells have had several weeks, or months, of rest from the pre-

vious summer's pumping, and pre-planting irrigation has not yet begun; consequently, the water levels are nearer the static level at this period than at any other time of the year.

Procedure for measuring the water level in an observation well is normally to lower a steel tape marked with carpenter's chalk into the well through the airline hole

or other opening between the pump column pipe and the casing. The tape is withdrawn from the well and the water line on the tape is observed. The amount of wet tape is subtracted from the amount of tape lowered into the well, and the remaining is the depth to water.

In order that a general pattern of fluctuations of the water table may be determined, attempts are being made to checkerboard the County with an observation well approximately every three miles. (Officially, one well to each 2½ minute quadrangle.)

Several factors will be considered in the selection of additional observation wells. Of prime importance is co-operation from landowners and tenants.

Landowners desiring their wells to be added to the observation program should contact Mrs. Gene Ivey at the Ivey Insurance Company, Dimmitt, Texas.

In some cases where suggested well locations fall in grids where sufficient wells have been previously located, it will be impossible to add new wells at the present time, but requests will be appreciated and acknowledged.

MISS GRAIN SORGHUM OF THE NATION OF 1962 was a regal guest of the Tri-State Fair at Amarillo, September 17. This year's sorghum royalty is beautiful Sondra Stargel, daughter of Mr. and Mrs. Cecil Stargel of Memphis, Texas. She is pictured above in the DeKalb Agriculture Association booth, holding a Texas-size sorghum head exhibited by DeKalb. Miss Stargel is 18 years old and will be entering Texas Tech College this year as a Freshman. She will major in Elementary Education and plans to become a teacher.

eager expectation.

Fleet mourning doves are present targets of a thousand guns by virtue of a 60-day north zone season which opened September 1 and run through October 30. The south zone opens September 25 through November 23.

Duck season in Texas this year runs from December 6 through December 30. For deer and turkey it begins November 16 and lasts until December 31. Quail shooting becomes legal December 1 until January 16.

Duck season in Texas this year runs from December 6 through December 30. For deer and turkey it begins November 16 and lasts until December 31. Quail shooting becomes legal December 1 until January 16.

In all instances, date variations and game bags are subject to county laws.

With such concentrated shooting activity, particularly when novice gun-handlers are involved, it is obvious that the chances of accidental injury or death jump drastically.

Twenty-two hunting enthusiasts of varying ages met unimely death during last year's season, either killed by their own hand or by others. Reports of their deaths tell a grim story of errors in judgment or outright carelessness.

Four hunters virtually committed suicide by climbing through fences with guns in hand, in defiance of countless words of caution against such a practice.

Three were killed when they stumbled or fell while walking wooded trails with their weapons loaded and cocked.

Two others were shot to death in accidents resulting from falls from trees. Another hunter was killed while a companion was handling him a loaded gun.

Four were killed in accidents involving the carrying of loaded guns in automobiles.

The remaining eight were killed as a result of being mistaken for game, or while unloading or otherwise mishandling firearms.

There will be additional deaths as this year's season progresses. The final toll can only be influenced by the common sense of the hunters themselves.

Walter Rogers' WASHINGTON NEWSLETTER

CUBAN CURE

I had an uncle who considered himself quite a philosopher. He had many sayings among which was the following "There are more ways to kill a cat than stuffing it on butter." I think this axiom could be applied to Castro and the present Cuban situation.

Much has been said about the possibilities of a blockade. A block-

ade, as such, under international law is an act of war. Whether or not a war would be precipitated by a physical blockade is unknown. Such action would involve the calculated risk incident thereto. However, it is my opinion that if a physical blockade procedure is followed, this Country should be ready, able and willing to go to war so that there would be no misunderstanding on the part of the American people. It is my personal feeling that Cuba now constitutes a cancer on the Western Hemisphere that must be removed — a job that can be done with great success just as a skillful surgeon would remove the cancer from a human body if the matter is properly approached.

In pursuing this thought which I have tried to study very carefully, I decided during the early part of this year that efforts must be made to prevent trade with Cuba at every turn. Prior efforts on the part of a number of us in Congress had produced the discontinuance of the sugar purchases as well as several other economic sanctions. The Interstate and Foreign Commerce Committee of which I am a member, gave approval to a bill introduced by my good friend and colleague, Congressman Paul Rogers. This measure prohibited the shipment of Cuban goods into the United States and in interstate commerce. The bill cleared the House by an overwhelming vote but has not yet been passed upon by the Senate. It would express to the world the opinion of the House of Representatives on this subject.

It is apparent that the United States alone cannot solve this problem so long as the nations friendly to us continued shipments to Cuba. Many of these nations were receiving foreign aid from this Country, while ships owned by nations of these countries are listed on the registry of those countries were continuing to ply the seas in trade with Cuba. My next thought was to limit the authority of our government to pay foreign aid to the countries permitting such practice. Hence I offered an amendment to the Foreign Aid Appropriations Bill which has met with favorable comment all over this Nation. This Amendment would simply give to a foreign country authorized to receive aid from this country the choice of permitting

that they referred to trade with Cuba and turn down the foreign aid, or some countries, friendly to us but not receiving foreign aid, would not be affected. Efforts were being made and had been made in our diplomatic circles to persuade friendly nations to cease this trade with Cuba. It was the opinion of many that if effective results could be brought about by agreement with these nations, it would be more helpful in the solution of the overall problem. However, as time ran on, it became apparent that all the foreign nations were not going to make such an agreement. In recent weeks several of such nations freely voiced publicly their intention not to cease this trade. Consequently, it was my opinion that it was time for the Congress to act on this subject. Therefore, I introduced HR 13214 which reads as follows:

"That all ports of the United States are hereby closed to all vessels while engaged in trade or commerce with Cuba (except United States installations therein), or while engaged on any voyage during which such vessel has engaged in trade or commerce with Cuba (except U.S. installations therein), except where such vessels are required to enter ports of the U.S. for repairs or emergencies recognized as such under international law.

"Sec. 2. Any vessel which enters or attempts to enter any port of the U.S. during a period when the ports of the U.S. are closed to it under the first section of the Act shall, together with such cargo, be forfeited."

Much could be said about this law but space here will not permit. Suffice it to say that if this proposal can be enacted into law, it will be one of the most effective weapons that has been employed in the cold war.

PANHANDLE AREA VISITORS TO WASHINGTON THIS WEEK WERE: Mr. and Mrs. Ray Riley, Mr. and Mrs. J. C. Gilbreath and Mr. and Mrs. Bob McLean of Dimmitt.

Senator YARBOROUGH'S REPORT

Dear Fellow Texan:

I supported the Administration's farm bill as it was passed by the United States Senate last Tuesday, September 25. Because even though this bill lacked some features that would have made it more acceptable, without the passage of this bill and with the session soon drawing to a close, there would have been no emergency wheat and feed grain programs this year.

The first result of such a failure would have been a billion dollar loss in income for farmers, a blow

no section of our economy can stand. A second result would have been more wheat and feed grains surplus in the warehouses.

Senate Majority Leader Mike Mansfield of Montana, in final debate on the bill, said that without this law there would be a 3 million-bushel feed grain carry-over from the 1950's and that, in addition, failure to approve the program would add some 500 million bushels of feed grains and 100 to 150 million bushels of surplus wheat to this surplus of 1963.

In short, without this law, we would be pouring more food into warehouses when we ought to be putting more on the table in a world with far too many hungry people in it.

Much of the debate on the farm bill centered around production control. Such debate ought not to overlook the fact that a vote against the farm bill would have been a vote for lower farm income. It would have been a vote for more government money for higher storage costs for warehouses,

for insurance on the stored farm commodities, and higher carry-over costs to the government.

In short, the purpose of the bill is to take out these carry-over costs for storage and put more money in the farmer's pocket. And I believe it will do just that.

Some other really good points are included in the bill. For example, it will strengthen the Rural Areas Development program, improve our conservation of natural resources, and improve the Rural Electrification Administration, one of the best friends the farmer ever had.

Due to a combination of low farm prices and with more use of machinery during the 1950's, farmers were — and still are — in desperate need of low-cost real estate credit. This administration had already released \$35 Million more in farm operating loan funds, all of which had been frozen under the previous Administration. But there is still need for more credit and this bill took another step forward in this area. It broadens the purposes for which real estate loan are made.

This bill as passed also has improvements in small watershed development, soil conservation, national forest and grassland programs for farmers and ranchers. These improvements were worthy of support. In Texas, where we have such a diversity of climate and soil — some section of the state can benefit from each of these separate features in the bill.

This farm bill also includes a stepped-up Food for Peace program. It authorizes the Secretary of Agriculture to enter into sales contracts for needed foods and fibers with both foreign and United States private trade firms and institutions. In order to dispose of stored-up foods and fibers the U. S. government also could enter into contracts and agreements with friendly nations — as it has in the past — and could expand this program to trade on a dollar basis with the private trade firms in friendly nations.

In short, fellow Texan, the object of this part of the bill is to get food on the tables of hungry people and help our surplus situation also with dollar credits to our advantage. This is an area where American goodwill is taken right into the homes of needy people in friendly nations—the best peace-time weapon against Communism ever devised.

NEWS FROM SUNNYSIDE

The WMS Missionary Round Table met at the church Monday afternoon for their quarterly meeting. Mrs. Roy Phelan reviewed the book "My Heart has Seventeen Rooms".

The WMU Executive Committee met at the church after the Round Table Monday for the Quarterly meeting, and to set up the schedule of meetings for next year's work. The officers and Chairmen for next year are Mrs. Roy Phelan, president; Mrs. M.D. Durham, vice president; Mrs. Troy Blackburn sec-treas.; Mrs. J.E. Shirley, YWA director; Mrs. Weldon Bradley, GA director; Mrs. Robert Paschal, Sunbeam director, enlistment chairman, Mrs. E. B. Sadler; community missions, Mrs. Houston Carson; prayer, Mrs. Earl Phelan; stewardship, Mrs. Alton Louder; program, Mrs. L.B. Bowden; mission study, Mrs. M. D. Durham; Mrs. Tex Conard and Mrs. J.C. Holbrooks circle chairmen; Mrs. Noah Spencer, YWA counselor; Mrs. Hershel Wilson, intermediate GA counselor; Mrs. Milburn Haydon, junior GA counselor; Mrs. Alford Crisp, primary sunbeam leader; and Mrs. Raymond Lilley beginner sunbeam leader; Mrs. Ezell Sadler, night circle nursery leader and Mrs. James Cowell, Day Circle Nursery leader.

Carolyn Cummings, Wanda Jenkins and Janita Blackburn participated with the Springlake Band in the Fair parade in Lubbock Monday. Mr. and Mrs. Alford Crisp and girls went to Lubbock Monday to watch the parade and attend the fair.

Around two inches of rain was received rather generally over the community Monday and Tuesday. Mr. and Mrs. Troy Jones returned Tuesday from a week's visit with Mr. and Mrs. Jimmy Newberry at Wichita Falls and her mother at Hico, Texas. Mr. Newberry is stationed at Shepherd Field with the Air Force.

The Local Youth Rally enjoyed bowling at Olton Tuesday night. Those going were Mickey Waggoner, Ernestine Waggoner of Dimmitt, Larry Don Phelan, Harold Spencer, Marian Crisp, Brenda Townsend, Molly Bradley, and Juanelle Conard. Those going as sponsors were Mr. and Mrs. Tex Conard and Rev. M.D. Durham.

Mr. Houston Carson attended the Patterson - Liston fight on TV at the Municipal Auditorium in Lubbock Tuesday night with his brother and nephew from Olton. Mr. Troy Blackburn also attended with a friend from Olton.

Mr. Howard Bridges, Mr. Milburn Haydon and Mr. Buford Haydon were among a large group of men from the area who flew to Brady from Plainview Wednesday to inspect several Flood Control Project Dams. Merchants of Plainview sponsored the trip to encourage Soil Conservation Dams on Running Water Draw.

Mr. and Mrs. Ezell Sadler and Mr. and Mrs. Weldon Bradley visited in Melrose Wednesday with Mr. and Mrs. Cleo Widner.

Mrs. Howard Bridges was honored with a birthday party in her home by the birthday club Wednesday. Those present were Mrs. Bridges, Mrs. Roy Phelan, Mrs. Irving King, Mrs. R.A. Axtell, Mrs. J.E. Shirley, Mrs. Cecil Curtis and Mrs. Woodrow Stewart.

The night circles of the WMS met Wednesday night for Bible Study. Mrs. Raymond Lilley had charge of the study. The Bible Study Book "Sharing My Saviour" was finished.

Mesdames Troy Blackburn, M. D. Durham, Roy Phelan and L. B. Bowden attended the Annual Associational WMU Meeting at the First Baptist Church in Dimmitt Thursday. Marvalynne Durham and the other two WMU Scholarship girls in Wayland spoke in the afternoon session. The SMUJ 75th Anniversary Goals were presented.

The WMS met for business meeting at the church Thursday afternoon. Plans from the Executive Committee were accepted for next year's schedule of work.

Mrs. Howard Bridges visited with Mrs. John Bridges of Earth Friday. Mr. Bridges and Brad were dinner guests of Mr. and Mrs. Howard Bridges Saturday.

Eight Members of the Wayland Volunteer Mission Band arrived Friday evening to conduct a week-

end revival in the church. Several ladies furnished food for supper at the church Friday night. Mrs. Raymond Lilley, Mrs. M.D. Durham, Mrs. Roy Phelan, and Mrs. L.B. Bowden served the meal.

Leon Waldon of Porterville, California, who has charge of the 200 members of the Band, and Benson Phillips of Artesia, New Mex. who did the preaching for the revival spent both Friday and Saturday nights with Mr. and Mrs. Weldon Bradley and children.

Mr. and Mrs. Gale Sadler and girls arrived Tuesday night from Southard, Oklahoma for a few days visit with Mr. and Mrs. E.R. Sadler. They visited in Lubbock with Myles Sadler Friday night and Saturday. Mrs. Sadler returned to Southard Sunday morning.

Mr. and Mrs. Robert Paschal and children and Mr. and Mrs. Earl Phelan attended the fair at Lubbock Tuesday night.

The girls from Wayland with the Volunteer Mission Band spent both Friday and Saturday nights with Mr. and Mrs. Tex Conard and Juanelle. They were Ruth Harmonson, Nola Martin, and Jean Chambliss all of Seattle, Washington, and Linda Self of Clarendon, Texas.

Bobby Faus of Fort Worth and Alvin Gary of Ruidoso, New Mexico members of the Wayland Band spent both Friday and Saturday nights with Mr. and Mrs. Noah Spencer and family. Bobby led the singing in the services.

Marvalynne Durham, her roommate at Wayland, Winnie Morris, and her sister, Norma Morris of Clifton, Arizona spent Saturday and Sunday with Rev. and Mrs. M.D. Durham.

Rev. Durham and the eight members of the Wayland Band were dinner guests of Mr. and Mrs. Raymond Lilley Saturday. Mrs. L.B. Bowden helped prepare the food. They were supper guests Saturday night in the home of Mr. and Mrs. Troy Blackburn. Mrs. J. Paul Waggoner helped prepare and serve the meal. Mr. J. Paul Waggoner was also present.

Mr. and Mrs. Lowell Westmoreland and family of Littlefield spent the week-end with Mrs. and Mrs. Alton Louder and Doug and with the Dwayne Louder family of Flagg.

Mrs. Ott's niece and husband of Abilene were supper guests of Mr. and Mrs. Milton Ott Saturday night.

Mrs. Pearl Sadler of Dimmitt was a dinner guest of Mr. and Mrs. E.R. Sadler and Mrs. Gale Sadler and girls Sunday.

Mr. and Mrs. Howard Bridges visited in Olton Sunday afternoon and were supper guests Sunday night of Mr. and Mrs. Chury Phillips and their daughter.

Mrs. Alma Ott was honored on her 46th birthday with a dinner in the Milton Ott home Sunday. Those present were Mr. and Mrs. Irvin Ott; Terry and Terrel of Big
