Nation's First Garner For President Rally

Detroit, Texas, Dec. 14: — Declaring that John Garner's record of public service "is without blot or stain, a matchless record seldom equaled and never surpassed in the annals of American history". Roy Miller of Corpus Christi, Democratic leader and longtime friend of the Vice President's, delivered the principal address at the nation's first Garner for President rally here today.

Thousands of Texans of all ages from old timers who "knew him when" to youngsters who aspire to emulate his faithful service to present their most distinguished native son to the nation as "the best qualified American to succeed Franklin D. Roosevelt as President of the United States".

The meeting was held at 2 o'clock this afternoon in the new gymnasium of the Detroit High School, situated only a few miles from the mud-chinked log cabin in which John Garner was born 63 years ago.

Bands played and the crowd cheered as the speakers, many of them childhood friends and baseball teammates of the Vice President a half-century ago, extolled the old fashioned American virtues of thrift, self reliance, and hard work exemplified in the life and political career of the youthful "Chaparral Statesman" who went to Congress 35 years ago.

Roy Miller emphasized that "John Garner is not now and never will be an active candidate for President either position, place, power, nor influence." But he added: "I have every confidence that he, as long as he lives, will never fail or refuse to accept any call to duty which way come to him from his party or his country."

Significant reference to the third-term rumors current in political circles was made by Miller fitness for the Presidency: "We utter no criticism or disparagement of any other man. We offer our compliments to the public acts or official record of anyone. We do, however, plant our feet firmly upon Democratic and American tradition in respect to terms of service. We believe devoutly that the future safety of the republic depends upon our adherence to the old landmarks in precept as well as in tradition."

"John Garner," Miller said, "is the man of the hour. In his vivid personality, in his wide experience, in his broad knowledge, in his rugged honesty, in his fearless courage, in his human simplicity, in his abiding love of country, he combines all the qualities and qualifications which the times demand for the high office of the President."

"In such an atmosphere as this, I think we find the real soul and personality of America. From such humble surroundings as these, typified by the lowly log cabins where John Garner and his sainted mother were born, have come the truly great in America's political history."

"They knew, as he knows, what America stands for, and why our American system of government conceived."

"They knew, as he knows, what means to toil and strive and

They knew, as he knows, that is no substitute for self and individual initiative, that any system of Govern-

Soil Specialists Report On County Soils

Few persons availed themselves of an opportunity to hear M. K. "Duke" Thornton, Agricultural Chemist of the Extension Service Staff, last Thursday afternoon, states County Agent, J. T. Stovall.

In the opinion of Mr. Stovall and Miss Schultz, those who did not hear Mr. Thornton missed one of their greatest opportunities to really learn something about their county.

About eight or ten samples of soil from all parts of the county were tested and the following observations were made by Mr. Thornton.

Irrigation is fast taking out the available plant food in the irrigated districts, and it was found that alfalfa that had been cut two years was badly in need of commercial fertilizers.

While on the dry land districts, water conservation and crop rotation was the chief problem Mr. Thornton stated that summer-fallowing should be practiced on every farm as there was not enough available plant food and moisture for continued cropping.

Concerning gardens, Mr. Thornton stated that a binding material or one that had a high water holding capacity would pay high dividends. Equal parts of straw and barn yard manure which had been mixed and well rotted and then spread on the garden worked into the ground 6 to 8 inches deep would do much to prevent failures of the vegetable crops.

In a few cases it was found that there was a yellowing vegetables, corn, and similar crops was caused by a shortage of iron which could be corrected by spraying with iron sulphate. In regard to orchards and vineyards, Mr. Thornton stated that he could give very little encouragement for peaches, plums, or apples, but apricots and certain varieties of grapes should give very good results, but in most every case would need a dressing of copperas to get the best results.

One interesting case was brought to light in the tests where Mematodes or Ell worms were causing tomatoes and other vegetables to die and prove non-profitable. These can be controlled with carbon-bisulphide or common "Hy-life."

Before the planting season, punch a hole about 9 inches deep every twelve inches and pour into each hole about 1 ounce of the carbon or "Hy-life."

Mr. Stovall and Miss Schultz feel that any one that has a problem with their soils should bring their problems to them and it is possible they can be remedied with very little cost or trouble.

ment which takes from the individual those fundamental of liberty cannot long endure as a democracy of freedom.

"They knew, as he knows, that for men to be free they must be guaranteed only freedom of opportunity to work out their own destinies, and that the highest purpose and duty of government in a democracy is to assure every citizen an equal chance with his neighbor."

"This is the essence of John Garner's political philosophy."

Miller was introduced by J. I. McWilliams. W. P. Cornlius, mayor of Clarksville, presided over the meeting.

SHIRT NEEDS MENDING

Choral Club To Present Operatta

"The Legend of the Snowman," a Christmas operatta in three acts by Adele Bohling Lee, will be presented by the Grade School Choral Club, directed by Miss Norma Ewing, assisted by Miss Helen Estes, and accompanied by Mrs. Carlos Reynolds, Tuesday evening, December 20, in the high school auditorium at 7:30.

Miss Eutha Barnett, Mrs. John Blaine and Mrs. A. L. Stringer will present their students in group singing between acts.

There will be no admission charge and the public is cordially invited to come, see, hear, and enjoy the forty-seven youngsters sing, speak and dance.

Other projects of the choral club are a program of sacred Christmas music to be presented during the morning service at the Methodist church, Sunday, December 18, and a serenade Wednesday evening, December 21.

Mr. and Mrs. Ward Golden were in Hereford Sunday afternoon.

County Students Of Tech To Hold Dance Wed. Night

Lubbock, Dec. 11 — Students enrolled in Texas Technological College from Castro County will begin their Christmas Holidays at home Wednesday, Dec. 21. First social event of the season will be a semi-formal dance which is scheduled for Thursday night at the Witt Hotel by members of the Castro County Association, campus organization, honoring students over the entire county, who have been away to college, and their guests.

Robert Ramey, president of the association, announced today that invitations have already been mailed and that the entertainment plans have been completed. Log-cant Largent's Orchestra of Plainview will play. Special guests are Mr. Fred Griffin, sponsor of the club, and Miss Lorena Owens, both of Lubbock.

Silver and blue will be the prevailing colors in the decoration theme with a Christmas tree and scenic lowered lights. The receiving line will include officers of the club: Ramey, president, Miss Helen Wesson, vice-president; Miss Decimae Ramey, secretary; Miss Mary Alice McLean, treasurer; Miss Daphene Hutchings, reporter; Mr. Griffin, sponsor; and Miss Owens. The house party will include Miss Emily McLean, Allen Webb, Miss Geraldine Hockstein, Miss Louise Frye, Miss Margaret Kern, Miss Tina Mae Wright, Miss Catherine Kern, and Miss Martha Lange.

Insurance Rates May Be Reduced Says Mayor

Mayor Golden reports that a reduction of fire insurance rates in Texas is asked of the State Fire Insurance Department in three resolutions adopted at a recent meeting of the State Firemen's and Fire Marshals Association executive committee, G. E. Dalton, Coleman, President of the Organization, announced today. The Fact-Finding Committee of the organization met with the executive committee at the Special Session held in Austin, said Mr. Dalton.

One of the resolutions calls for a blanket reduction of 10 per cent on fire insurance rates, a second calls for the cancellation of a charge of two cents now being made on the key rates of poroximately 100 towns of Texas "for fire departments not properly maintained", and the third resolution requests the Fire Insurance Department to eliminate "the injustice imposed upon approximately 334 towns of Texas in preventing those towns from receiving the maximum good fire record credit of 25 per cent". These towns, Mr. Dalton said in explaining the letter amendment, can not receive a maximum credit of only 15 per cent where-as 131 cities and towns can receive a possible 25 per cent.

President Dalton announced that the Association is adding another civic duty in addition to those of fire prevention, fire fighting, first aid and the many other public services now performed by the firemen of Texas. This new service to the public will be reducing the fire insurance cost.

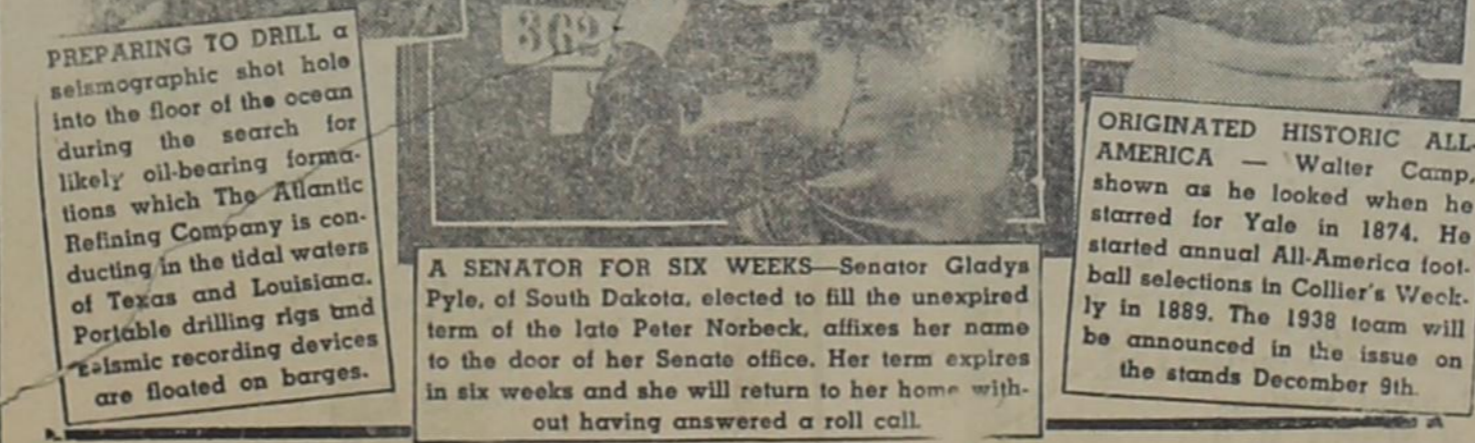

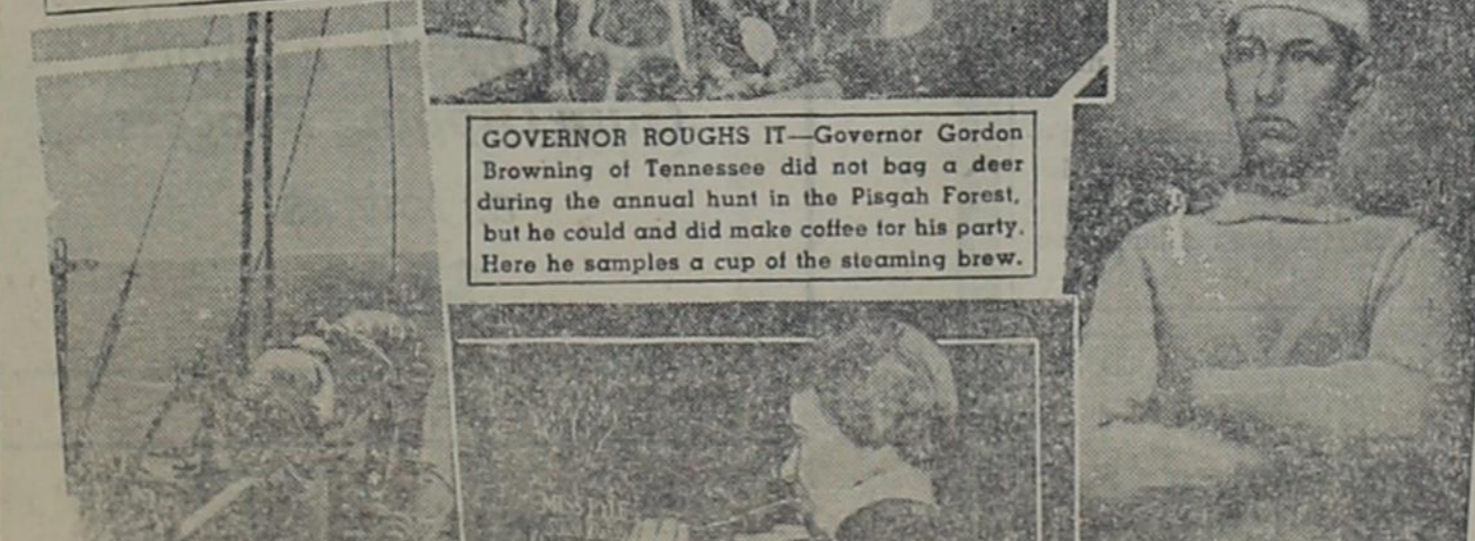

Many times the fireman of Texas have promised the fire insurance premium payers that the cost of insurance would be lower if the latter would cooperate but have failed to carry out our promises, said the President of the Association. "Now, however, we are going to make strong efforts to get the deserved reduction."

"The 10 per cent reduction request", said Mr. Dalton, "is based on the assertion of the Fire Insurance Department that fire insurance rates are figured on an underwriting profit of only five per cent. State insurance records show that there is a 17 per cent underwriting profit for the last five-year period. This excessive underwriting profit is accounted for solely by the reduction of the fire losses during the past five years and in as much as this is due to the efforts of the municipal governments with tax money and the firemen — through added equipment and improved fire fighting. The firemen think the saving should revert to the insuring public."

Mr. Dalton further states it is the opinion of the Fact-Finding Committee that the two cent charge on the key rates of the 100 towns was assessed to off-set the credit of three per cent given the cities and towns for attending the Firemen's Training School at Texas A & M College. He also says that the firemen of Texas have never been able to understand why cities and towns with annual fire premiums of \$20,000 or more should receive a maximum good fire record credit and cities and towns with less than \$20,000 annual premiums should receive only

JUMBO NEWS

Mr. and Mrs. Hunter of Hereford celebrated their 50th wedding anniversary Sunday night. About 70 people attended this affair. A lovely supper was planned. All reported a grand time.

Ruth Faye Godfrey of Dimmitt visited Pauline Owens Thursday night.

Mrs. John Godfrey of Dimmitt accompanied Mr. and Mrs. G. O. Owens to Melrose N. M. Where Mrs. Godfrey visited her brother-in-law bedside, who is seriously ill. Mr. and Mrs. Owens visited his sister, Mrs. Dave Helper Saturday and Sunday. They went to Dripping Springs Sunday.

Mr. and Mrs. R. L. Miller visited in the Troy Maxefull home in Dimmitt Sunday.

The Jumbo boys played Dimmitt in football Friday afternoon at Dimmitt. They were defeated but we hope them better luck next time.

Several ladies from Jumbo enjoyed a Christmas Party in Dimmitt Friday afternoon.

Mr. and Mrs. Cleo Richardson and Miss Helen Estes were weekend guests of Mr. and Mrs. Robert Thompson and Miss Ethel Womble of Hereford. The occasion was celebrated in honor of the wedding anniversary of each of the couples. A theatre party, games and visiting afforded all a most enjoyable week-end.

Among those seen shopping in Amarillo Tuesday were, Mr. and Mrs. Frank Schooler, Mr. and Mrs. Ozro Stephens, Mrs. F. H. Kenmore, Mrs. Pete Whitlow, Mrs. Marion Benton, Mrs. Rosa McLean and Mrs. Bruce McLean.

NAZARETH NEWS

Mr. and Mrs. John Stork were hosts to the St. Thomas Aquinas Study Club Sunday night, a good attendance was reported and a good time was had after the meeting, when card games were played. Pie and coffee were served to the guests.

Mr. and Mrs. Nick Ehly were hosts to three study clubs Sunday night. Cards were enjoyed after the study period. A lunch was served.

Mr. and Mrs. Ed Drerup and Mrs. Guggtmoes made a trip to Amarillo Thursday. Also Mr. and Mrs. Jacob Acker, Mr. and Mrs. Joe Birkenfeld, Mr. and Mrs. Ed Hoelting, Odelia Huseman, Walter Warren, Owen Mudd, Clarence Schulte, Raymond Schulte, and Frank Drerup.

Conrad and George Schulte wade a trip to Wichita, Kansas last week.

4-H Club News: The Nazareth Boys 4-H Club met on 12th., with 41 members present. The meeting was called to order by the president. Mr. Stovall read some items from the secretary's record book. This was followed by election of officers, Bernard Kleman taking the place of secretary until election. George Leinen was elected president, Victor Brockman, vice-president, Victor Kern, reporter, Lawrence Acker, secretary, sponsor for the club is Frank Annen.

in Canyon Sunday evening.

Miss Williams of Earth, a former Missionary to Japan, filled the pulpit in Flagg Sunday night.

Mrs. Hertha Walker and children of Muleshoe and Mr. and Mrs. Fred Walker were dinner guests of Mr. and Mrs. J. E. Adams Sunday.

HIGH LIGHTS OF THE NOON HOUR

What a busy bee hive this school becomes at the sound of the 12:00 o'clock bell! Boys and girls scamp away to their lockers and bring back their lunch. But we can see the nice home-training cropping out, because they clean up so nicely you cannot even tell the lunch has been eating.

Wow! make room down the halls! Here comes the Basketball girls to suit out for noon practice. Usually the Gym is the hang out for the students. A small group is centered around the piano playing the school theme song—Chop Suey—for it seems to be) Or maybe there are just couples sitting around talking. Such as Jewell Butler and her famous Junior boy-friends, Tom Schwaller. Look out Frank!!!! Virgie Sheppard and Raymond Walker seem to have found something very fascinating just outside the Expression Room. Let us in on it, won't you?

Also you can see some very anxious looks on the faces of some who are waiting for their

Cowart Talks To Homemaking Girls Friday Noon During F. H. T. Meeting

Following the business meeting of the home economics club Friday, Mr. Cowart gave a very interesting and profitable talk on "What a man desires in a lady". Mr. Cowart first explained that his talk was only his conception on the subject and other men might have a far different view. One of the first "must" listed was intelligence. A girl must at all times show her intelligence especially in conversation. A point especially stressed was individuality. Everyone has a separate and distinctly different personality. To be most charming develop your own individual traits and not insist on being a second Myrna Loy or Clark Gable. "Physical Appearance" figures greatly in a girl's makeup. Poise and posture are the chief assets to a girl's physical appearance. Color and harmony of makeup, clothes, and moral conduct were other points stressed. The talk was enjoyed by all.

"Heart throbs" to come back from lunch. (If you don't believe it just ask Patsie Sweatt). Or take Tuesday for a special day and watch the editor go round and ask each staff member, "Got your article for the paper?" Of course, you could see a few studying, but very few. And when the 1:00 bell rings it is a bee hive again—off to classes.

Xmas Program Planned By Band

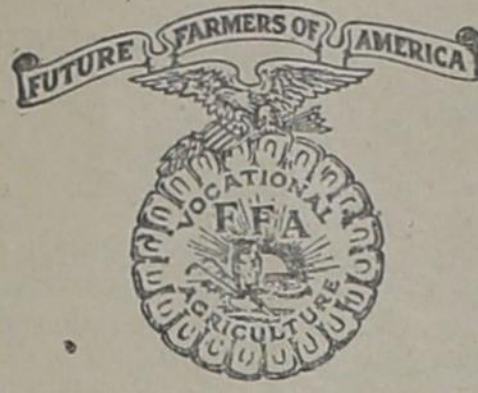

The Band department has received their Christmas selection that they have been anxious to begin practicing on. They plan to give some of these selections in chapel before school turn out for the holidays. The accordion section has been learning some Christmas numbers which they plan to present some time before Christmas. Ella Jo Winders, Jack Ebeling and Louise and Ray Lilley are going to play at Sunnyside during Christmas. They are working for an O this coming six weeks. This is outside and creative work.

ASSEMBLY

The assembly program was opened Friday morning with three numbers from our band, which is progressing greatly. After the numbers from the band Nila Stephens sang a solo, "Alexanders Rag Time Band." Following that Patsy Rawlings and Shirley Womack did a tap dance. Mr. Campbell made a short talk to the student body about the basketball games. The program was enjoyed by everyone.

NOTICE !!!

These will be no more night Band rehearsals unless there is a special group notified by the director, Mrs. Coy.

Friday, December 9, five Future Farmer boys took their project calves out for their first lesson in leading. These boys led their calves to the scales and weighed them after about forty-one days of feeding and the first month after deaning.

The following weights show the gain for the forty-one day period. The first number following the boys name is the number of days he has fed the calf, the second number is the initial weight, and the third number is the weight taken this last Friday. Herschel Kenmore, 50, 510, 585; Lon Boothe 41, 520, 575; Buster Burnes, 41, 470, 585; Bill Kirkpatrick, 41, 525, 600; Bill Kirkpatrick, 41, 475, 625; John L. Womack, 41, 525, 575.

Buster's calf has made a gain of 2.8 pounds daily for the first month after weaning.

All of these are nice calves and should go "places" in the shows if they do not get rough.

Other calves are being started and are doing nicely. Walter Cox has started a prize winner, also Jim Schwaller is feeding two.

SHOW

Monday at 11:15 the student body gathered in the auditorium for a called chapel. The chapel program was an interesting show, "Two Generations" which told how a boy made a forest, that had been wasting for two generations, pay. After the interesting story of trees a short picture on irrigation was shown.

Mr. Blaine is starting his third year as the coach of the boys basketball team. He is liked by all the boys and is a very efficient coach.

Bobbies Win With Unfamiliar Rules

Friday night the Bobbies traveled to Springlake to play the lassies of the cotton-country. When the final whistle had blown the Bobbies were on the big end of a 20 to 14 score. Playing with rules that were unfamiliar left the girls at quite a disadvantage but by the second half the girls were beginning to grab the ball and toss it in without too much trouble.

After scoring 5 points during the entire first half, Ellen Ivey began to drop in a few of the shots that she had been missing and soon the score began to rapidly fall in the Bobbies favor. Mary Elizabeth Butler was also playing a nice game on the forward end of the court. Fancy work by Fern McMahon and Mary Frances Houtchens kept the score of the

Members Of Faculty Are Entertained By A Christmas Dinner And Debates

EDITORIALIZING

Say, fellow student, the time has come to seriously think this thing of a detention hall over. Really to start thinking about it now is rather late, but it seems to be he fashion to wait until something has happened before one starts serious thinking. Now's the time, at the latest, to think it all out. Let's see, firstly; if a teacher sees one do something one should not, he or she will correct them, and tell them it is best not to do the thing again. Secondly; if the teacher sees the person do the "act" again, it means a trip to the detention hall. There's a limit of one trip to room 8 at noon! The next will be the office!!!

The teachers have done their part in trying to prevent a detention hall and now it is left to the student. The teachers are reasonable about the reasons that will send one to the detention hall. Students can have fun without wasting time and really wasting time is the real reason for this "jail house."

I call it a jail house because that is more the place the people put the persons that will not obey the laws of society, and the detention hall is where the teachers are forced to put students that will not obey the few rules that the teachers have made which are for the good of all.

Students, Dimmitt High has teachers of which to be proud. They are not so strict that one can not enjoy school and they are strict enough that school means what it should. If you cannot understand this, now is the time that you should talk to a teacher. You will find that teachers are human, they want to help you and they do not want you to feel that they are driving you from one class to another. Now is the time for individual understanding that makes school a pleasant place to be.

Springlake girls to a minimum. Tuesday night the Bobbies dumped the Bovina girls in a very convincing way with a score of 21 to 12. Every girl in a uniform saw action in this game and the scoring honors were split with Ellen Ivey and Mary Butler counting 8 points each. Fern McMahon was in third place with 5 points.

The faculty study club was entertained with a dinner Monday evening at the High School. The Homemaking department was decorated with Christmas decorations and was lighted with red candles.

Mr. Sidney Reeves acted as toastmaster and told a funny story or joke on every teacher. The authenticity of some of these jokes was very doubtful, at times.

Two debates were also carried out and the first one was presented to these teachers by Mr. Clemons and Mr. Cowart. This debate was resolve: That courting could be done more efficiently during horse and buggy days than in the automobile age. This debate was not judged but both sides brought out many interesting and educational facts.

The second debate was resolved: The safety pin is of greater value than a needle and thread. This, one was given by Miss Schultz, who took the negative, and Miss Gilbert who took the affirmative. Miss Gilbert won this debate.

After the dinner, Mr. Clemons took charge of the meeting and the club had their regular faculty meeting.

Those in attendance were Mr. and Mrs. H. P. Clemons, Mr. Campbell, Mr. Reeves, Mr. and Mrs. Claude Farley, Miss Lucille Schultz, Mrs. Cogswell, Miss Gilbert, Miss Ewing, Miss Barnett, Miss Estes, Mr. South and Miss Cash.

WHO IS POLLY?

Say, who is this character, Polly that the student body has been hearing so much about? "I am," said Dolores Gibson and Patricia Rawlings would interrupt her very quickly by saying, "Oh! no, my dear young lady, I am decidedly Polly." When one is walking down the hall during the noon hour and see the two girls together you would know that very instant that "Polly" was the subject.

Now I guess you readers are wondering what "Polly" I am talking about. Well here it is. Polly is the little fershman girl who is very pretty and is very noticeable.

WORTH HOTEL

SCHOOL NEWS (Continued From Page Three)

able in the operatta "Ask The Professor" that the Glee Club will present after the mid-term examinations have been finished. Well, it looked like Mrs. Coy could never get the discussion settled by herself so she called the aid of Mr. Cowart's Speech Class, Tuesday. The decision was very hard to make. Patsy was very good and so was Delores. What are we to do? Nothing but make a decision between the two. The race was very close but it was finally decided that Patsy would be the little freshie "Polly". Mrs. Coy, could only add, "I wish that there was a twin Polly so that both girls could be Polly." Stop! Look! and Listen! for the announcements that will be made later about this operatta "Ask the Professor."

BOBBIES WIN TWO

The Bobcats were successful the past week in hanging up two more scalps on the line to dry, but the scalps were very hard to take and the hair was so short that we have very little to brag of.

On Tuesday night the Bovina Quintete furnished some real opposition before the Cats managed to come out on top with a four point margin in a 21-17 victory. In Davies and Dickson of Bovina the fans were entertained with some fancy dribbling and shooting. Davies was high scorer of the fray with nine points. Boone, Summers, and Mobley showed nice floor work.

On Friday night the cats won an even closer decision from Springlake by a score, or we might say a scare, of 17-16. With the score 15-8 at the middle of the final period, Adams a substitute forward for Springlake, became much too warm and did everything but defeat the Cats. Holland, Summers, and Boone showed nice floor work.

Mrs. Henry Stalcup and Mrs. Homer Newton were in Awarillo Monday.

Miss Elouise Hill of Lubbock visited her father Sunday.

FIRE INSURANCE (Continued from page one)

15 per cent credit. "The fire losses in Texas have been reduced from \$15,000,000 and more annually for nine years prior to 1933 to as low as \$16,008,363 in 1935," Mr. Dalton declared. The highest annual fire loss since 1932 was \$9,202,598 in 1933."

JUNIOR 4-H CLUB MEETS

The Dimmitt 4-H club met December 12. There were eleven new members. They were: Shirley Jean Tate, Emma Bussey, Glenna Lyn Hickman, June Thompson, Juanita W Womack, Billie Jean Woolery, Virgie Eva Cooper, Bobby Ruth Birdwell and Billie Louise Hutchings and Corinne Wyer. We discussed our party for the 15th of this month. We practiced our play, we are going to have at our party

BETHEL NEWS

(Mrs. E. R. Rothwell)

The Missionary society met at the school house Monday afternoon in a business and social meeting. Eleven members and one visitor were present. We made a quilt for a needy family during the social hour.

Those attending the Harvest Day program and District Stewards meeting at Amarillo Wednesday were, Messrs Earl and Vern Lust and their wives, Mrs. Bryan Sinclair, Mrs. J. G. Davis, Mrs. Cleo Richardson from Dimmitt.

Mrs. Crabb, Mrs. R. B. Boren and Miss Christine Bagwell from Dimmitt had dinner in the Jim Bagwell home last Tuesday evening.

Glen Smith and family were shopping in Hereford last Wednesday.

Visitors in the J. G. Davis home Sunday were Mr. and Mrs. E. R. Rothwell, Mr. and Mrs. Kay Roberts, Mr. and Mrs. Harry Rothwell, Marlene Rothwell, Grace Louise Lust and Loraine Henderson.

We gladly welcome the Grade School Chorus which will render special music at the morning service. Their numbers will consist of Christmas songs and Carols.

We also extend a hearty welcome to Miss Joan Hawkins, Mrs. Mollie Dempsey, Dorjald and Mrs. Ury, Mrs. Susie Clingsmith and daughter, Dorothy Dee, and Bill Gladman who have united with the Church during the month

You are welcome to all of our services. Go to Church next Sunday.

HART 4-H CLUB MEETS

The Hart 4-H club met at their regular meeting Nov. 30. Miss Lucille Schultz said that you should turn your hem of your scarf, first one-eighth of an inch then one-fourth of an inch. She also talked about clothing.

The following committees were elected: Refreshment committee, Betty Jo Martin, Wilma Lynn Rhodes and Alva Jobe. Program committee, Burnice Earley, La Verne Jobe and Bonnie Hill.

The meeting adjourned to meet again on Thursday, December 8.

CHRISTMAS DECORATION CONTEST

The Dimmitt Garden club is making plans for a "Home Christmas Decoration Contest." A prize will be awarded to the home that is most attractively decorated exterior, including windows, doors and lighted trees.

There will be a small entry fee of 25 cents for each home to enter. Out of town judges will judge, December 23.
